## Police plan to adopt 'get-tough' policy on illegal go-carts

### GOP pledges progress with 'prudent planning'

A four-point platform that promises "continued progress with proven performance" was adopted this week by the Republican candidates for election to Mountainside's governing body, Mayor Frederick Wilhelm Jr., Councilman Don Robertson and Louis Parent.

Mayor Wilhelm, who is unopposed in his bid for re-election in November, and his running mates, both of whom are seeking full three-

year terms on the Borough Council, presented their platform earlier this week to their GOP campaign aides.

The platform, they claim, "will maintain Mountainside as the most desirable place to live in Union County."

Prudent planning "that will insure the maximum return for every dollar spent" is the first point of the announced platform. The Republican candidates also promise: municipal action to obtain a greater return of sales tax money; continued pressure on the State Highway Department for major improvements on Rt. 22 in Mountainside, "as part of our continuing safety program" and protective zoning that will insure Mountainside's residential character.

The three promised an "active campaign" during which they "expect to visit every neighborhood and carry our program to the voters."

They also urged residents to attend the annual Candidates' Night, sponsored by the local chapter of the American Association of University Women, to be held Oct. 26 at Beechwood School.

THE GOP PLATFORM followed by one week the release of the Democratic three-point platform. The announcements of the platforms and the campaign managers were the first active moves either party has made in the local campaign.

The Republican team, which was unopposed in the primary, is reported to be confident of victory. The delay in starting the campaign is generally conceded to two things, GOP confidence and the fact that the Democrats had no slate until their present candidates, Robert Sacharow and John Medevielle, accepted the nominations after write-in votes in the primary.

The Republicans, who had narrow victories in 1964 and 1965, rolled up impressive pluralities in last year's election, another strong factor in their present confidence.

### Brandt heading local campaign for GOP team

WILFRED BRANDT

Mayor Frederick Wilhelm Jr. and his Republican running mates, Councilman Don Robertson and Louis Parent, this week announced the appointment of Councilman Wilfred Brandt, who is currently serving as president of the governing body, as their campaign manager.

Speaking for the GOP team, Parent expressed gratification at the appointment and Brandt's acceptance.

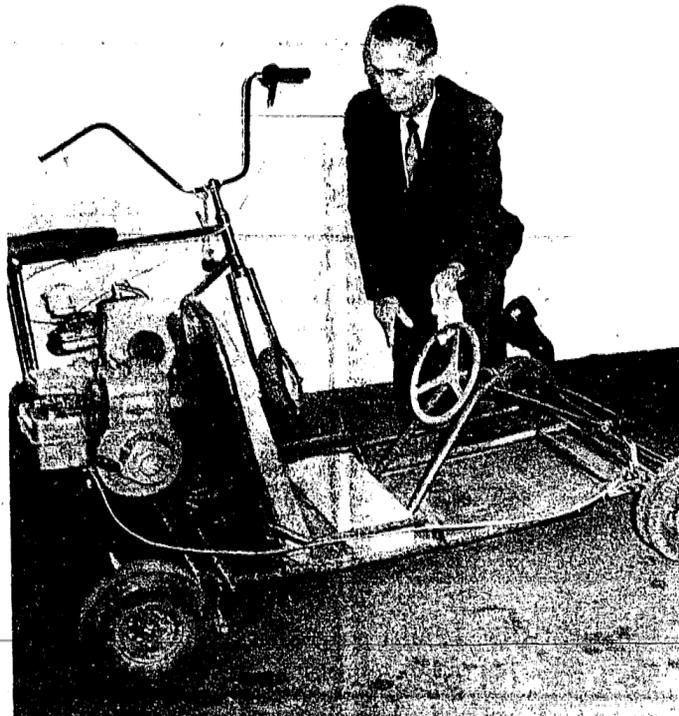

"We are extremely pleased that Bill Brandt will direct our campaign," Parent said. "He has a broad knowledge of our community and has pledged a vigorous campaign."

Councilman Brandt, who resides at 1203 Wyoming dr., has been active in community affairs since moving to Mountainside in 1962. A graduate of St. Francis College, Loretto, Pa., Brandt is manager of marketing analysts for the Chemicals Group, Olin Mathieson Chemical Corp.

He and his wife, Louise, are parishioners of Our Lady of Lourdes Church, and both are active in church and school affairs. They have two children, Pati and Susan.

Brandt promised to bring to the people of Mountainside a "clear and concise record of the outstanding accomplishments of Mountainside."

TWO OF THE ILLEGAL go-carts and scooters confiscated by the Mountainside Police Department in the past few weeks are inspected by Police Chief Christian Fritz. Chief Fritz, concerned about the safety hazard created by the motorized vehicles, announced this week that the police will crack down on all those who use the home-made contraptions on public roads or property.

### Threaten to crack down on operators of vehicles

A tough policy aimed at keeping motorized go-carts and scooters off borough streets was announced this week by Police Chief Christian Fritz. Chief Fritz urged parents to support police by making sure their youngsters keep their home-made vehicles off the street. He

also threatened legal action against juveniles or anyone else found operating one of the low-slung gadgets anywhere except on private property.

"These sterner steps will be taken immediately "before someone gets killed," Chief Fritz said.

None of the motorized go-carts or scooters can be operated legally anywhere except on private property, the chief pointed out, since they cannot be licensed under the New Jersey motor vehicle law.

About 10 of the illegal conveyances have been confiscated by the police in the past three weeks. Most of them have been returned to their owners after they and their parents have been warned to keep them off public roads. This policy will be "toughened up" with future offenders, Fritz stated.

The police have received numerous complaints from motorists who have narrowly missed youngsters who shoot out from driveways or around corners.

"It's impossible for motorists to see these kids -- these things are so close to the ground you can't see them," Chief Fritz claimed.

THE POLICE OFFICIAL said that "warnings don't seem to do the trick," adding that a few days ago one of the illegal vehicles was confiscated from a youngster whom he himself had personally warned off the road just a few days before.

If this public warning does not clear the streets of the dangerous playthings, Chief Fritz said, he intends to file complaints against all offenders.

Fritz also urged parents to stop helping their youngsters to build the go-carts and scooters.

"Parents can't expect kids who have these things to be content to ride up and down their driveways. Sooner or later, the kids are going to take a chance on taking the carts into the streets, no matter how much their parents threaten them not to," he said.

The go-carts are "a safety hazard - the only way parents can make sure their children don't use them on the roads is to make sure their children don't have them," Chief Fritz emphasized.

This is the second time in two weeks that Chief Fritz has threatened action against juvenile offenders. Last week he announced that stern measures would be taken against any children found committing vandalism on the grounds of Deerfield School. He also stated that any youngster discovered damaging property there would be liable to charges of juvenile delinquency.

### Bids high, board puts off action on fire alarm system

The Mountainside Board of Education may have to hold a special meeting next week to discuss the problem of finding funds for installation of an automatic fire detection system in Echobrook School before September, 1968.

The lowest of four bids received Tuesday exceeded by nearly \$2,000 and \$4,000 budgeted by the board for this project, which was made necessary by a state ruling issued several years ago that all schools must have such systems unless every classroom in the building has a direct exit door. (The other two schools in the borough are exempt, since Deerfield has direct exits from all rooms and Beechwood needs only installation of an exit door from the all-purpose room.)

At its meeting Tuesday night, the board tabled the four bids for further study. They were from Harris Associates Inc. of Glen Rock, \$6,332; George E. Scholes Co. Inc. of Kenilworth, \$6,446; Kleins Electric Service of Newark, \$6,890; and John Schwarz Inc. of Clark, \$8,937.

Dr. Levin Hanigan, schools superintendent, reported that enrollment in the three borough schools stands at 1,218. It also was reported that 61 third graders have enrolled in the pilot program for group piano instruction.

The board meeting was held in Beechwood School "instead of the regular meeting room in Deerfield. Meetings will continue at Beechwood until construction of the addition at Beechwood advances to a point where sufficient parking space is again available.

### 22 receive letters of 'commendation'

"Letters of commendation" honoring them for their high performance on the 1967 National Merit Scholarship Qualifying Test have been awarded to 22 students at Governor Livingston Regional High School, according to Frederick Aho, principal.

These students are Cynthia A. Broski, Ellen Capro, Cathy A. Carlson, Susan M. Craig, Charles E. Farrell, Henry B. Gutman, Thomas N. Hansen, Fran C. Heller, Gerald P. Kaufman, Barbara J. Larson, Judith R. Lockwood, Lon E. Musslewhite, Joanne M. Peterson, Karen A. Peterson, Laura A. Reynolds, Maren E. Seldner, Michael D. Spring, Victor Tom, Robert G. Trakimas, Christine Wohlferth and William T. Woolford.

They are among 40,000 students in the United States who scored in the upper two percent of those who will graduate from high school in 1968. The commended students rank just below the 14,000 semifinalists announced recently.

Although commended students advance no further in the Merit Scholarship competition, their names and scores are reported to other scholarship agencies and to the colleges they named as their first and second choices at the time they took the NMSQT.

### Support sought for independent post office here

A direct mail campaign designed to gain support for its drive to secure an independent Post Office for Mountainside has been launched by the Mountainside Woman's Club. The organization has sent letters to all the service clubs and business establishments in the borough asking for their cooperation in the project.

The drive, which has been supported in a resolution adopted by the Borough Council, was adopted by the club as a "community betterment program." Plans for the drive were first announced last June.

The club will shortly start circulating petitions calling for a local post office independent of the Westfield office. The effort, if successful, would give the borough "one mailing address and eliminate the need for mail to clear through the Westfield Post Office before delivery in Mountainside," the letter to the local groups states. The independent office would give as much as one day faster service for outgoing mail, the club claims.

Mrs. Melvin Lemmerhirt, chairman of the project, stated last June that the club undertook the project because "many of our residents do not use our post office but instead go to Summit, Springfield or Westfield because they get faster service."

The club claims that the borough's population and the local branch post office's annual

### Administration's 'laxity' is blasted by Democrats

The Democratic candidates for Mountainside's Borough Council, Robert Sacharow and John Medevielle, this week lashed out at the present all-Republican administration for what, they charge, is "laxity in the areas of safety and fiscal responsibility."

The Democratic running mates charged that the present administration is burdening the residents with "taxes that won't be felt

until after election" and criticized the "spending whirlwind in which they have been caught."

Sacharow and Medevielle also claimed that the governing body has made little effort to "emphasize safety-consciousness" or to publicize the house burglaries that, they charged, are reaching "serious proportions."

Medevielle and Sacharow, in a prepared statement, said that "this administration is steadily, quietly and surely burdening us with taxes that won't be felt until after election. Projects delayed through inaction or incompetence are later undertaken at two and three times the original estimate of cost."

"Consultants to evaluate other consultants are hired at handsome fees to undertake tasks that are largely the responsibility of elected officials. The recommendations of these consultants are too often discarded or a new consultant is hired to confirm the administration's preconceived plans."

They also charged that the present administration has "plans already drawn for a new municipal complex."

### Irwin party to offer 'Republican punch'

Congresswoman Florence P. Dwyer and Sen. Clifford Case are among the expected guests at a "cocktail party" to be sponsored by the Mountainside Republican Club at the home of Charles J. Irwin, candidate for Union County's Assembly-at-Large-seat, on Sunday.

William Gutman, president of the club, noted that Mrs. Irwin has decorated and gilded a Victorian ball and claw bathtub which will be filled with her special recipe for "Republican punch." A recirculating pump will provide a continuous flow of punch from a statue of "Rachel at the Well."

Candidates for state and county offices and Mountainside municipal candidates will be presented to the guests.

### 'Rec' program set for coming months

The winter program of Mountainside's Recreation Department, which includes weekly volleyball games for adults, a series of basketball games for boys and dances and ski trips for teenagers, gets under way this month.

The first volleyball game will be held next Wednesday night at Deerfield School on Central ave. The games, which are open to all adults in the borough, will continue each Wednesday at 8 p.m. throughout the fall and winter seasons.

Teenage dances are scheduled for Oct. 27, Nov. 10 and Dec. 8, also at Deerfield School. Two ski trips are on the agenda, one during the Christmas vacation and the other one in February. Exact dates and other details will be announced later.

The basketball series will start the first Saturday in December at Deerfield School and continue each Saturday morning through the winter months. Charles Carson and Fred Mochus, both teachers in the borough's school system, will be in charge of the basketball program.

### 'Ali Baba' to open theater program

"Ali Baba and the 40 Thieves" will be presented Oct. 28 at Deerfield School under the sponsorship of the youth theater program of the Mountainside Parent-Teachers Association. The youth theater's second production, "Rip Van Winkle," is scheduled for March 2.

Tickets will be on sale next Wednesday at all the borough schools during lunch hours. Envelopes containing information will be sent home next Monday. A combination ticket, which entitles the bearer to attend both shows, is \$1.75. Members of the PTA will be at the schools next Wednesday to collect the money and to distribute additional tickets.

Mrs. William Kaplan is chairman of the youth theater program this year.

### Geiger-designed building nominated for state award

A building designed by Helmut F. Geiger of Mountainside is a candidate for one of the eighth annual "New Good Neighbor" awards sponsored by the N.J. Manufacturers' Association and New Jersey Business Magazine. The structure, a new installation of M & R Refractory Metals, Inc. located in Winslow Township, was nominated for the award by Mayor Dominic Matese of Winslow Township.

Geiger is with the firm of Zywotow and Eckert. The building was constructed by John D. Lawrence, Inc., of Westville.

"New Good Neighbor" awards are given annually as recognition to 10 outstanding new installations constructed in New Jersey during the previous year.

Recipients of the awards are judged on the following basis: Economic value to their respective areas; beauty of the plant and grounds; and the consideration given to the working force and community in the planning, location and construction of the building; community relations in the abatement of smoke and other pollution, handling of plant traffic and participation in local affairs.

The winners, nominators, builders and architects will be guests of New Jersey Business at an awards luncheon to be held in Newark on Dec. 11. Winners will be announced next Monday.

### PROFILE---Don Robertson

The life of Don Robertson of 1151 Corlaine ter., Mountainside, has not undergone any great changes since he ran (successfully) a year ago to retain the seat on the Borough Council to which he was appointed in September of last year.

His son, Don Jr., then a senior at Governor Livingston Regional High School and an offensive halfback on the football team, is continuing his studies at Montclair State College. (Right now Don Jr. thinks he would like to teach physical education, which was his father's field before he became the principal of Grove Street School, Irvington.) "but he may change his mind," his father says.)

Daughter Dale is now a sophomore at the regional high school, Debbie is in the seventh grade at Deerfield, and the youngest, Darlene, now 3, is still at home.

Mrs. Robertson, the former Juanita Sullivan of Irvington, is continuing her studies at Newark State College, Union, where she is majoring in elementary education. She expects to collect her degree next June. (She attended Panzer College, now absorbed into Montclair State College, for two years; marriage and family postponed further study until recently.)

"Everything is still pretty much status quo," says the councilman, rather contentedly.

LOOKING BACK on the 13 months he has served on the Borough Council, Robertson reports that it has been a "very enlightening period -- a very satisfying one." It indicates that as a newcomer he has been pretty busy getting acquainted with the problems of municipal government. He doubts that anyone "can go into a council situation and do a bang-up job."

It is unrealistic, he believes, for any fledgling candidate to make broad promises about the programs he will put into operation if elected or the improvements he will effect in the handling of the community's business. "I seriously question this attitude," Robertson says soberly, "no one new to a governmental body can institute radical changes. Anyone who claims he will does not realize the complexities of municipal government -- the many areas in which he must become informed before he can reasonably and justifiably go about trying to make changes."

Robertson is currently serving as recreation commissioner, heads the Public Assistance Board and is the council's representative to the Planning Board.

A 1935 GRADUATE OF Summit High School, Robertson had decided way back in grammar school days that he wanted to be a physical education teacher. He was delayed on the path to his career goal by the great depression and World War II, but he never changed his career sights.

After high school, Robertson, like most young people of those depression days, found it difficult to find any work that offered any future. He still hoped to go to college to prepare for a teaching career, but the money simply wasn't available.

In the bleak post-Pearl Harbor days of January, 1942, he entered the U.S. Army.

DON ROBERTSON

Assigned to heavy artillery, he served three years in the European theatre of war. He took part in D-Day, the historical day when the Allies came across the sea to the beaches of Normandy. He remembers, with horror, that day but declines to talk about it.

He doesn't talk about his war experiences. He brushes them aside with a flat statement that his company marched across the face of Europe, through Normandy, France, Luxembourg, Germany, Austria and on to Czechoslovakia. He was injured once when a mine blew up -- "it was only in the shoulder, we were blown clear. It wasn't much."

THE GI BILL made it possible for him to go to college, and after his discharge he enrolled in Panzer. He met his future wife there and they were married shortly after.

Robertson earned his master's degree in administration and guidance at Seton Hall University. In addition to serving as principal of Grove Street School, he is in charge of the remedial reading and enrichment program carried out for the past few years in the Irvington school system. The classes, which are financed by federal funds, meet Saturday mornings.

It was mainly through Robertson's efforts that a camp near Flemington, which is owned by the Irvington school system, was opened in the summer of 1966 to children in the enrichment programs. Under the camping program, also funded by the federal government, children in the fifth through the ninth grades in the Saturday classes can spend one week at the camp. A day camp for the third and fourth graders is also held there during the six-week period with buses carrying the students back and forth daily. Robertson supervises the operation of the camp which is staffed by a resident director and assistants.

It is obvious that he is delighted with the success of the camping program -- "It's wonderful for the kids," he says, adding that most of them are underprivileged youngsters.

He is also currently serving as president of the Booster Club, an organization of parents of students at Governor Livingston Regional High School which gives financial assistance to athletic programs and other events at the school.

He confesses that he hasn't started any hard campaigning yet. He and his Republican running mate, Louis Parent, and Mayor Frederick Wilhelms Jr., who is running unopposed for re-election, expect to get busy this week.

One gets the impression that he isn't too concerned about the outcome -- with the solid plurality the Republicans won last year he doesn't seem to have much reason for concern.

### Zoning board sets special meeting

The Mountainside Board of Adjustment will hold a special meeting Oct. 23 to continue consideration of applications for variances submitted by the Mindowaskin Holding Co., the Elizabethtown Water Co. and two applicants for subdivisions. The session is scheduled to open at 8 p.m. on the second floor of Borough Hall.

The applicants agreed to the continuation since only three members of the board, Thomas Ricciardi, chairman, William Gutman and Robert Muirhead, were present. To approve any application the board must have at least three members voting favorably.

Approval for residential additions was given Monday night to John and Ellen Andreas of 242 Apple Tree Lane and Frank Gagliano of 332 Summit rd.

The applications of George and Maryann Chaddon of 1006 Sylvan Lane for a major subdivision and of Mrs. Laura Massa of Mountain Heights Inc. for a subdivision on Beech Avenue are both scheduled for hearings at the Oct. 23 meeting.

### Three get footballs at picnic of Cubs; other news of pack

Brandon Gambee, Harry Irwin and Mathew Drysdale won footballs for placing first in their respective age divisions in contests held at a recent picnic of Cub Scout Troop 177, which is sponsored by the Community Presbyterian Church of Mountainside. Robert Van Buskirk was in charge of the picnic held at Seely's Pond.

Placing second in the three divisions were David Batten, Robert Van Buskirk and Chris Hill.

The Cubs went on a five-mile hike after lunch.

Twenty-nine boys were inducted into the pack at a campfire ceremony held recently on the grounds of Community Presbyterian Church. They are: David Batten, Mark Borowski, David Brazer, John Carris, John Chambers, Brian Conley, William Cullen, Henry Daas, Gerard Dellemuth, Vincent Di-Giorgio, Robert Figular, Brandon Gambee, Robert Goense, James Hancock, Murray Indick, John Irwin, Eric Kempner, Charles Klell, Alan Layton, Thomas Malzbender, David Minard, Craig Mueller, Matthew Olson, Barry Steel, Les Suckno, David Szabo, Brian Wasko, Ralph Weickel and Peter Gottlieb. Cubmaster Gordon Batten reported there are currently 76 boys enrolled in the pack's 11 dens.

Four of the den mothers, Mrs. Hinda Freedman, Mrs. June Sutton, Mrs. Eleanor Allan and Mrs. Brenda Ayres, were awarded service stars for two years of service. Other den mothers are Mrs. Betty Lou Irwin, Mrs. Stephanie Szabo, Mrs. Peggy Cullen, Mrs. Jean Conley and Mrs. Ruth Goense.

Four men, Bob Osbahr, Ken Drysdale, John Dorio and John Dellisanti, serve as leaders for the four Webelos dens.

The following boys were awarded service stars at the pack meeting: John Allan, John Ament, Richard Ayres, Michael Bearison, Thomas Blisio, Perry Carvallas, Chris Chambers, Richard Coe, Jeff Coghlan, Gregg Dellisanti, John Dorio, Mathew Drysdale, Gordon Freedman, Robert Getchle, John Giesler, Paul Greenberg, Steven Hechtel, Chris Hill, David Hoffman, Harry Irwin, James Kaplan, John Keenan, Edward Keuler, Paul Krystow, Greg Lowe, Jeff Lutz, Jonathan Marcus, Stephen Marysek, William Mlicki, Brian Miller, Billy Neal, Ricky Nelson, Mark Osbahr, Edward Racht, Richard Reiter, Gary Richard, Donald Scott, Thomas Schon, Teddy Sells, Richard Sutton, Randy Taussig, Robert Van Buskirk, Van Vitale, Vic Vitale, William Wishbow and Richard Miller.

### Highlander team, tied for 1st place, meets Springfield

The Highlanders, of Gov. Livingston Regional High School, now tied for first place with Westfield in the Watchung Conference, will meet Jonathan Dayton Regional High School's football team tomorrow on the home field in Berkeley Heights. The Berkeley Heights team, undefeated so far this season, is favored to win over Springfield, which lost to Hillside, 19-13, last Saturday.

The Highlanders tied the Westfield Blue Devils, 7-7, last Saturday. The tie put both teams on the top in the conference with records of 2-0-1.

The Berkeley Heights team came as close to beating Westfield as any conference team has in the past four seasons. The Highlanders scored first in the second period on a 64-yard drive, the big play being a screen pass from Joe Dowling to Paul Goldstein. Dowling hit Kevin Coulter on an 18-yarder for the tally. Westfield scored on a defensive play. Sophomore Frank Jackson blocked a punt by Dowling and won the race for it in the end zone. Quarterback Bob Brewster then kicked the point to tie the game.

### Letters to Editor

#### COMMENT ON PROFILE

I refer to your "Profile" on Mr. Medevielle (Oct. 5, 1967). I must say your subject council candidate has left me confused with his statement -- "If our council were all Democratic, I would be Republican." The way I digest this statement is that no matter how capable and apt a governing body may be, he would veto or vote against it.

I ask Mr. Medevielle what his party would be had we three incompetent Republican and three Democrats that were equally incompetent (on the Borough Council)?

Mr. Medevielle, I believe any candidate must make a decision on what party platform is best for his town, not to join a party which has no sound basic ideas just because it is running against a majority.

One might take this statement to mean that if our governing body were three-three split and still running the town into the ground this would be OK by Mr. Medevielle, as there was at least equal representation and no need for him to take action.

I might add, sir, I am a Republican by registration only. I vote for the person or persons I feel will do the best for my community, not a balance. If I become unhappy with the way my town is being run, I will vote against those I feel responsible, be they Republican or Democrat.

William M.J. Wiehl of Mountainside has been elected a vice president of the Wagner Electric Corp., Newark. It was announced by Frank J. Ehringer, president. Wiehl is general manager of Wagner's automotive products-Tung-Sol Division.

Wagner Electric Corp., formerly Tung-Sol Electric Inc., was formed in October, 1966, when Tung-Sol acquired the assets and assumed the name of Wagner Electric of St. Louis. Today, Wagner Electric Corp. is a wholly owned subsidiary of Studebaker Corp.

Wiehl joined the company as a mechanical engineer in the equipment division in 1948 and has subsequently served as a department supervisor, section superintendent, division manufacturing superintendent and manager of the Canadian division. He has been general manager of the automotive division and, in 1963, was named general manager of the automotive products division.

### Music Association lists 'teenage bash' and spring musical

Plans for a "teenage bash" and a musical show will be discussed Tuesday when the Mountainside Music Association holds its first meeting of the fall season. The session is scheduled to open at 8:15 p.m. at the home of Mrs. Arthur Olson, 1187 Blazo ter., Mountainside.

The "teenage bash" will be held on Thanksgiving eve. The time and place and other details will be announced in the near future. The musical show will be held in the spring.

Any borough resident interested in joining the Music Association has been invited to attend Tuesday night's meeting. The membership chairman, Mrs. Gene Simpson, emphasized that it is not necessary to sing or play a musical instrument to qualify for MMA membership. Those planning to attend were asked to notify Mrs. Simpson at 232-8321 or the president, Mrs. Stephen Bumball, 232-4590.

The MMA is currently working on a project aimed at furnishing and equipping the music room in the borough's new library, now under construction. The association was formed some years ago to promote and maintain interest in the music department of the borough's school system, a project which has been a continuing one.

The MMA also sponsors modern dance classes for girls and art classes for adults and children.

"We have the finest residential community in Union County," he stated. "Our needs are economy. Dedicated and capable Republican leadership will keep Mountainside the great place that it is."

Councilman Brandt also had high praise for the GOP councilman candidates, Robertson and Parent, and for Mayor Wilhelms, who is running unopposed for his third term in the borough's highest office.

"They make an excellent team," Brandt pointed out. "Mayor Wilhelms and Councilman Robertson give us a good blend of proven municipal experience, and Lou Parent will provide fresh ideas and a wealth of business experience."

### Democrats

spend two dollars instead of one, the opportunity is not missed."

They backed up the charges of fiscal irresponsibility by questioning how the pool locker room, "a facility limited to summer use and housing merely showers and basket lockers," could cost upwards of \$90,000, and how the new library, which they described as "a most worthy undertaking," could "skyrocket from a planned cost of about \$100,000 to almost \$400,000."

Speaking specifically of the pool's shower room, the Democrats said, "the question is not only how much a sum could be spent for such a simple structure, but also how much in additional costs would have to be incurred to make this facility available to our teenagers for year-round use."

Sacharow and Medevielle also asked if the covering up of house burglaries, which, they claimed, have reached "serious proportions in the last year," is endangering the "property and lives of our citizens." They suggested that publicizing these break-ins would serve as a deterrent to further robberies since homeowners would be put on guard and take precautions against such events.

The Democrats' campaign chairman, Russ Cardoni, urged the election of Sacharow and Medevielle in November, saying that only through two-party representation can citizens be assured their interests are being given proper consideration.

He stated, "The best assurance Mountainside residents can have that their interests are being properly considered and acted upon is through two-party representation. The election to office of the Democratic candidates will not only mean representation for all borough citizens but will insure that the actions of the governing officials will reflect the interests of all the residents."

### FIRE PREVENTION - A JOB FOR ALL

Fire! Fire!  
The terror of that cry is heard in more than 1,000 American homes each day. And, as a result, every 24 hours fire claims the lives of 33 people. Figures such as these drive home the tragic consequences caused by fire. The great shame is that most of the destruction to life and property was preventable -- occurring because of carelessness or neglect of simple elementary precautions.

Fire Prevention Week -- proclaimed each year by the President of the United States -- is being observed through Saturday of this week to remind all of us to be careful with fire. It is a reminder that should stay with us throughout the year.

T. Lawrence Jones, president of the American Insurance Association, said his organization was distributing millions of pieces of literature during Fire Prevention Week. This literature is aimed at increasing the public's awareness of the hazards of fire and the preventive measures that should be taken to avoid fires.

In our homes we can practice fire prevention actively by: keeping matches and lighters out of the reach of children; never smoking in bed; checking and repairing, when necessary, cooking, heating and electrical equipment; checking fireplaces and chimneys, always using a screen in front of the fireplace; never burning leaves or other materials out-of-doors on a windy day; burning trash only in approved incinerators.

Fire Prevention Week is truly a 52-week job.

### To answer charge of 'causing death' in Union accident

Clifford A. Bird of 349 Creek Bed rd., Mountainside, is scheduled to appear in Union Municipal Court Oct. 23 to answer a charge of causing death by auto, Bird, 19, and Elton Johnson, 22, are both charged with causing the death of Mrs. Helen V. Callahan of Belmont, Mass., last Thursday night. The 61-year-old woman died after receiving fatal injuries in an accident on Rt. 22, Union, in an accident in which cars driven by both youths were involved. According to police, Johnson was driving west in the fast lane of Rt. 22 near Fairway dr. shortly after 10 p.m. when he saw Mrs. Callahan walking on the roadway. Johnson swerved to the left but was unable to avoid hitting the pedestrian, police reported. Police said that Bird, driving west behind Johnson, swerved to the right when he saw the Johnson car veer. However, he was unable to avoid the collision. Bird struck the Johnson car, sending it into a utility pole; the pole was splintered at the bottom, police added. According to the report by Patrolman Nelson T. Hall, who investigated, Bird received hip and shoulder injuries in the crash. He was treated at Memorial General Hospital, Union. Mrs. Callahan was pronounced dead at Memorial General Hospital, Union, about 11 p.m.

BRIDGE GATHERING of neighbors: Mr. and Mrs. Alfons Baiersdorfer of 1089 Summit lane, Mountainside, are shown with Captain Charles E. Reilly in the bridge of the luxury liner S.S. Captain Reilly, who has served as master of the Isbrandtsen line's luxury ship since it was launched some months ago, is a resident of Springfield.

### Gutman competes over national TV for Youth Forum

Hank Gutman, student council president at Governor Livingston Regional High School, has reached the quarter finals in the National Youth Forum competition originated by the Herald Tribune and now sponsored by the Columbia Broadcasting System. He is the son of Mr. and Mrs. William Gutman of Short drive, Mountainside. Hank will compete with two boys from the northern New Jersey area on a program to be aired Saturday on national television. These three were selected from representatives of high schools in New Jersey that participated in a meet last week in East Orange. All the contestants spoke extemporaneously in a topic of national interest followed by impromptu questioning by the judges. This general format will be continued on a series of four TV programs to determine the United States delegate to the World Youth Forum next summer. Representatives from 40 different countries will be determined in the same manner. In addition to the student council, Hank is also an active debater and a varsity wrestler. He was recently inducted into the National Honor Society and received a letter of commendation from the National Merit Scholarship Corp.

### Professional club inducts 4 teachers

Four Mountainside teachers will be formally inducted into the New Jersey Schoolwomen's Club at ceremonies scheduled this Saturday at Pfenniger's in Flemington. The election of the four borough faculty members, Mrs. Elaine Weibel, Mrs. Joyce McCobb, Mrs. Mary Jasper and Mrs. Aletha Bork, to the professional organization was announced this week by the Union County membership chairman, Mrs. Evelyn Holcombe. Mrs. Holcombe, also a teacher in the borough's school system, pointed out that membership in the New Jersey Schoolwomen's Club is limited. Selection is made on the basis of activity within and service to the teaching profession and significant contributions to education, she explained.

### Dons cap and gown at Trinity College

Patricia L. Dwyer of Mountainside was among the 200 seniors at Trinity College, Washington, D.C., who received their caps and gowns at traditional ceremonies held recently on the campus. According to a tradition established by the first graduating class in the fall of 1903, Trinity seniors wear their caps and gowns throughout the first week of classes and on all official occasions throughout their senior year. Miss Dwyer, the daughter of Mr. and Mrs. James F. Dwyer of 1327 Wood Valley rd., is graduate of Holy Trinity High School, Westfield. She is majoring in mathematics.

### Assembly candidate lashes 'rubber stamp' legislature

HUGO M. PFALTZ

Hugo M. Pfaltz, one of two Republican Assembly candidates from District 9C, which includes Springfield and Mountainside, has called for a return of legislative responsibility as a principal campaign plank. The candidate stated that the Democrat-controlled legislature has abandoned its role as an independent branch of government and has become a "rubber stamp" for Governor Hughes' pet projects. Pfaltz stated, "Our system of governmental checks and balances depends upon a strong and independent legislature. If the legislature ceases to make independent determinations, the people lose their most effective check on an irresponsible executive." Pfaltz cited the recent enactment of the strike benefit provisions of S-400 as an example of the legislature's failure to act independently. The candidate stated, "I doubt whether any person can honestly give whole-hearted endorsement to the strike benefit provisions of this act except as a form of give-away to a favored few. Not only has this law threatened the integrity of New Jersey's unemployment compensation fund, but it radically alters our traditional collective bargaining system by subsidizing prolonged and costly strikes. It should be noted that benefits will be paid to striking employees only after the sixth week of a strike. No responsible leader of labor or management wants a strike to last for such a period of time, and awarding unemployment compensation at this stage of a labor dispute will only encourage irresponsibility." Pfaltz stated he was surprised that some labor leaders have endorsed the strike benefit provisions of S-400. He wondered whether they were aware that striking workers would not be entitled to benefits where they have refused to "voluntarily" arbitrate their dispute or refused the services of a governmental mediation agency. "While this provision speaks in terms of 'voluntary' arbitration," the candidate said, "such arbitration becomes compulsory when it is the only means to obtain unemployment benefits. I know of no labor leader who favors replacing our system of collective bargaining with one based on compulsory arbitration," said Pfaltz.

### Open town meeting on Vietnam problem

An open town meeting on Vietnam will be held Sunday from 7 to 9 p.m. in Tamaques School, 641 Willow Grove rd., Westfield. The meeting, which will be conducted on the same pattern as the old New England town meetings, is sponsored by FACE (Foreign Affairs Concern Everyone). Dr. Walter L. Brown, director of the Radiation Physics Laboratories of Bell Laboratories, Murray Hill, will moderate the program. There will be no panel of experts and no question and answer period, just free discussion by concerned citizens, according to a FACE spokesman. The meeting, originally scheduled for 2 to 5 p.m., was changed to the night hours at the request of many people who expressed their desires to speak at the session. Mrs. Lorimer Miller, vice-president of FACE and chairman of the meeting, expressed the hope that citizens of all shades of opinion will come to Sunday night's meeting and "speak out." This, she said, is in accordance with FACE's aim of carrying on in the democratic tradition of free discussion and debate.

### PTA joins meeting on education bills

At a recent meeting of the executive board of the Mountainside Parent-Teachers Association, Mrs. Harry Nash urged the executive and general membership to attend a county-wide meeting on legislation involving education in this state. The meeting will be held Oct. 23 at 9:30 a.m. in the Board of Education Building, Scotch Plains. The legislative chairmen of the various PTA groups in the county will lead the discussion. Particular emphasis will be placed on the new text-book bill (A-618). Mrs. Nash indicated. Further information may be obtained from the county legislative chairman, Mrs. H. F. Unger of Scotch Plains, 889-6326. The international relations committee reported that a workshop will be held Oct. 22 at Temple Emanu-El, Westfield, to commemorate the 22nd birthday of the United Nations. The workshop will include a program for adults and two films for children, "Paper Kite" and "UNICEF's Children."

### Open house slated this Sunday to aid Day Care Center

Parents and their pre-school children in the Westfield area, including Mountainside, are invited to an "Open House" to be held Sunday from 3 p.m. to 5 p.m. for the planned Day Care Center which is to be established in the Madison Avenue Chapel, 140 Madison ave., Westfield. The purpose of the "Open House" is to determine how many parents in the area need professional care for their pre-school children while the mothers are employed outside the home. The Day Care Center, when opened, will give such care from 7:30 a.m. to 5 p.m. Mondays through Fridays from September through July. Present plans are aimed at opening the center before the end of this school year. Serving on the "open house" committee are Mrs. Donald Peterson, Mrs. Stephen Perry, Mrs. Bernard Robins, the Rev. Bolin Durway, Mrs. Clarlo Cecon, Arthur Barth, Mrs. Ernestine Howell, Mrs. William Northover, Mrs. Jean Jackson, Mrs. Mary Withers, Mrs. Vera Miles, Mrs. G. R. Cunningham, Mrs. Robert Lee, Mrs. William Cober, Mrs. J. R. Wells, Mrs. O. J. Kline and Mrs. Robert Heckman. Flyers and posters indicating the location of Madison Avenue Chapel have been distributed and displayed. Madison avenue runs off Prospect street; signs will be posted in the vicinity to help guide people to the open house. The establishment of a day care center is the outgrowth of the May (1966) Fellowship Day of the United Church Women of the Westfield Area. At that gathering Dr. Jane Spragg of Westfield pointed out that such a center was one of the most pressing needs of the community. Shortly after the United Church Women set out to get the project in the planning stage. The center has since become a community project and is incorporated under the name "Westfield Day Care Center, Inc." Mrs. Peterson, a Mountainside resident and a trained social worker, is chairman of the executive board. Further information on the open house program or the center may be obtained by contacting Mrs. Peterson at the Day Care Center, 233-5785 or at 233-5784.

### Air-Con sweeps to league lead as Wilhelm drops 2

Bob Coleman's games of 215 and 211 paced Air Con Inc. to a sweep victory over Westfield National Bank last week, moving his team into sole possession of first place in the Mountainside Men's Bowling League. Mountainside Plumbing and Heating moved into the runner-up spot, two points off the pace, by taking a pair from Mountainside Drug while the former leaders, Wilhelms Construction, dropped two to Villani Lift Truck Service. The defeat dropped Wilhelms into a tie for third with Mountainside Luncheonette. The Luncheonette took three games from the Mountainside PBA. Pugmann Fuel Oil swept Owens Flying A and Chrones Tavern defeated Drewettes Nursery 2 1/2 to 1/2, the first game ending in a tie. Two-game wins were notched by Mountainside Deli and Benninger Tansey-Agency over Satellite Diner and Blitwise Liquors respectively. Other high individual games were led by: Joe Halbagut, 219; Ed Mullin, 218; Werner Schol and Al Mander, 213; Tony Ventimiglia, 212; Art Hay, 210; Fred Dusenberry, 209; Eddie Giannakis, 208; Don Lamberta, 206; Ed O'Brien, 205; Jerry Stern and Fred Schoemper, 200. Standings of teams, reckoned by points, follow: Air Con, 15; Plumbing and Heating, 13; Wilhelms and Luncheonette, 12; Pugmann, 10; Blitwise, 9; Villani, 8; Drewettes, 7 1/2; Benninger-Tansey and the Deli, 7; Chrones Tavern, 6 1/2; Westfield Bank, 6; Satellite and Owens, 5; Mountainside Drug, 4; PBA, 1.

### Regional high sets 'Back to School'

The seventh annual "Back to School Night" will be held next Thursday evening at Governor Livingston Regional High School, Berkeley Heights. The program will open at 7:30 with a brief meeting of the Parent-Teachers Association with Mrs. Lyle Brown presiding. Parents will then follow a shortened version of their children's normal daily schedule of classes, the principal, Frederick Aho, announced. Since the time will be limited and many parents are expected to attend, it will be impossible for anyone to have individual conferences with the teachers that evening, the principal pointed out. Although homeroom listings will be available in the auditorium after the PTA business meeting, Aho advised parents to secure the number of their children's homerooms in advance. Maps of the building will also be posted, and members of the Student Council will provide guide service.

### Klebos also named on semi-finalist list for Merit awards

William G. Klebos Jr., son of Mr. and Mrs. Klebos Sr. of 260 Apple Tree lane, Mountainside, has been named a semi-finalist in the National Merit Scholarship program. Klebos is the fifth Mountainside student to be tapped for that honor. The names of the other four, Lella Rupp, Christine Johnson, Joseph Parent and W. Peter Metz III, were announced last week. Klebos is currently a senior at David Brearley Regional High School, Kenilworth. He transferred there this year, after three years at Governor Livingston Regional High School, Berkeley Heights, so he could take an automotive course not offered in the Berkeley Heights School. He is scheduled to be inducted into the National Honor Society at the Kenilworth school in the next few weeks and is an offensive tackle on the school's varsity football team. He participated in several sports, including football and wrestling, during his freshman and sophomore years at Governor Livingston. A knee injury prevented him from taking part in any such activities last year. He was a representative to the Student Council during his junior year. As a semi-finalist, Klebos will be competing with 14,000 semi-finalists throughout the country for 2,900 four-year Merit Scholarships, valued at more than \$8 million, which will be awarded in 1968. Merit-finalists will also qualify for about 500 one-time scholarships of \$1,000 each which will be awarded for the first time next year. The semi-finalists scored the highest in each state on the qualifying test given last February. They constitute less than one percent of the members of the present senior classes across the nation. Names of the Merit Scholars will be announced early in May, 1968.

### Girl Scouts form first senior troop

Mountainside now has its own Senior Girl Scout Troop. The troop, which includes girls in the 10th, 11th and 12th grades, held its initial meeting recently at the home of Betty Matko, 1103 Sawmill pkwy. Interested girls in the indicated age group were invited to join. The only requirement is a genuine interest in the Girl Scout program. At the senior level, the troop is self-governing. Members select their own areas of interest and carry out their own programs. An adult advisor is available for consultation when requested. Anyone interested in joining or in obtaining more information about the troop was invited to contact Barbara Hofsaess, 232-6674.

GARY'S CORNER WEEKLY SPORTS FEATURE

World Series time last week suggested a give-and-take between baseball fans on "did you remember when..." "you think so and so is great, how about..." So, how about the gent who followed up a mediocre hurling season with a performance in a World Series game that will probably never again be matched. The time was 1956, the scene Yankee Stadium in a game between the Bronx Bombers and the then-Brooklyn Dodgers. There were 65,000 fans on hand to watch him pitch. He was 27 years old and was in his third year in the majors. Three years prior he was tapped as the most promising ball player in the game's history; but he quickly cancelled out all these great expectations by floundering through game after game and winning himself the dubious reputation of a playboy. But Casey Stengel tapped him for the third game of the series and Don Larsen went out and hurled the perfect game. Only in the ninth inning did the fans grow tense when Larsen started throwing a couple of balls and Brooklyn batters started them fouling off deep into the outfield stands. The great Carl Furillo (who today runs a small pizza place near the former Effets Field site) lifted a few fouls into the bleachers before lofting a high fly to center. Next, Roy Campanella belted one that went into the stands just a few inches foul. He then grounded out. Pinch-hitter Dale Mitchell also fouled one off into the bleachers before Larsen flashed by a third strike. It took Larsen 97 pitches to hurl his perfect World Series game; no walks, no hits, no runs. **Julie Andrews film  
opens at Wellmont**

"Thoroughly Modern Millie," Universal's  
star-studded Technicolor musical opened  
yesterday at the Wellmont Theater, Montclair.  
The picture, starring Julie Andrews, Mary  
Tyler Moore, Carol Channing and James Fox,  
co-stars John Gavin and Beatrice Lillie and  
was produced by Ross Hunter and directed  
by George Roy Hill. The film was written  
by Richard Morris with a music score by  
Elmer Bernstein. Andre Previn scored the  
musical numbers, with the musical sequences  
staged by Joe Layton. Academy Award-winning  
songwriters, Sammy Cahn and James  
Van Heusen wrote the title song and additional  
melodies of the film.

**Taylor, Burton  
star in 'Shrew'**

Elizabeth Taylor and Richard Burton star in  
"The Taming of the Shrew," a Columbia Pic-  
tures release in Technicolor and Panavision,  
which opened yesterday at the Art Theater,  
Irvington Center, and the new Plaza Theater,  
Linden.

The comedy, a Burton-Zeffirelli production,  
derived from William Shakespeare's play,  
features Cyril Cusack, Michael Hordern, Al-  
fred Lynch and Alan Webb, with Victor Spinetti,  
Michael York and Natasha Pym.

Franco Zeffirelli, famed Italian stage and  
opera director, makes his motion picture di-  
rectorial bow with "The Taming of the Shrew."

**'Accident' arrives  
on Ormont screen**

The Joseph Losey production of "Accident,"  
which was scripted by Harold Pinter, and  
which is the recipient of two Best Picture  
Awards from the Cannes Film Festival of 1967,  
will open Wednesday, Oct. 11 at the Ormont  
Theater, East Orange.

The film stars Dick Bogarde as an Oxford  
University professor involved in an undeclared  
love affair with a beautiful foreign student.  
Others in the cast are Stanley Baker, Jacque-  
line Sassard, Michael York, Vivien Merchant,  
Delphine Seyrig and Alexander Knox.

**Antonioni's 'Blow-Up'  
continues at Sanford**

"Blow-Up," Michaelangelo Antonioni's first  
English movie, perfectly photographed in color  
began its second week at the Sanford Theater,  
Irvington. The picture concerns a London  
fashion photographer, leading a wild, aimless  
existence. He becomes involved in a murder  
mystery. Is it real or imagined?

David Hemmings is seen as the photographer,  
with Vanessa Redgrave, Sarah Miles and  
Verushka in stellar roles.

**Ask Amy**  
By AMY ADAMS

Dear Amy:  
We have been married for 16 years and I  
have a not so little problem that I thought  
perhaps you could help me solve.  
I go to bed at night before my husband  
does and he stays up to swat flies to the tune  
of "I've Got Rhythm." This is aggravating  
enough, but to top it off, at breakfast when  
he eats his cereal, he slurps it up. This  
worries me because our children are learn-  
ing to slurp. What would you suggest?  
Worried

Dear Worried:  
"Swatting flies" is not so hard to take  
especially if you try using good old fashioned  
ear plugs. "Slurping" is another tune. Re-  
mind your husband (gently) that his uncalled-  
for eating habits at the breakfast table is  
taking its toll in a brood of slurpers. If  
this doesn't help, I suggest you serve him  
before the children, or after. Then he can  
slurp to his heart's content . . . and no  
one will have to listen.

Dear Amy:  
Please help me if you can. I have met a  
nice person but I want to know what a French  
Canadian is and what is the background of his  
nationality? Some people have told me French  
Canadians are part colored. Could this be  
possible?  
Alma

Dear Alma:  
A French Canadian is one who was born in  
the Province of Quebec in Canada. They  
are of French lineage going back to the  
1700's when their ancestors settled in this  
area. They owe their allegiance to Canada  
but have strong ties with France.

Where the negro blood comes into the pic-  
ture, I don't know. Unless he has told you  
this, don't listen to people. If you like him,  
that's all that counts.

Dear Amy:  
Where did I fall? My children won't trust  
me enough to obey, eat what's prescribed for  
their diet and dress warm since it is be-  
coming cold.  
How can I win my children's confidence  
and make them understand that what I want  
them to do is for their own good?  
Anon. Mother

Dear Mother:  
You didn't fall . . . yet!  
You're not supposed to stand corrected or  
rejected by your children. I assume that  
they are young enough for you to control  
them, so please do so. When you are no  
longer around, then they will be their own  
"boss". Until then, show them YOU are!

Dear Amy:  
I know this is something hard for you to  
answer. I live in California and get your paper  
every week. I read your column first.  
I loved a man very much and I heard  
he was killed in St. Louis, Missouri two years  
ago. How can I find out so I will know the  
truth without anyone knowing in his home-  
town of Canolou, Missouri of my interest in  
him?  
A Californian

Dear Californian:  
If my previous advice has not proved suc-  
cessful, I suggest that you contact The Rev.  
Rich Mawson, 3168 Seneca Drive, Las Vegas,  
Nevada, 89109. He has been instrumental  
in locating missing persons where others  
have failed.

**'Holiday' is ending**

The Clairidge Theater management in Mont-  
clair has announced that "Mediterranean Hol-  
iday," the Cinerama color production which  
covers six continents, is in its last weeks. The  
picture, which attracts adults and children  
alike, features some of the most beautiful  
vacation sites in the world.

# Kinneally, McDermott debate Tuesday

New Jersey Senatorial candidates James J. Kinneally Sr. of Rahway and Frank Xavier McDermott of Westfield will debate on the Nov. 7 elections for the state legislature in the East Room of the College Center, Newark State College, Union, Tuesday at 2 p.m.

McDermott, the 1966 New Jersey Assembly minority leader and two-term Assemblyman, was the only freshman legislator to be assistant majority leader of the N. J. Assembly and is the only state legislator with four degrees in higher education. His degrees include a B. A. and L. L. B. from Columbia University, an M. A. in public administration from New York University, and an M. A. in law from New York University. He also is an attorney specializing in labor law and a Rutgers University faculty member.

Democratic Committee and Rahway's former Democratic municipal chairman, was Rahway's city treasurer, her director of Revenue and Finance, acting superintendent of the Rahway water commission and secretary of the Rahway County Democratic party chairman since 1954 and he attended Pratt Institute.

According to National Student Association coordinator, Kathy Harms, the campus Democratic and Republican leaderships consider the two debaters the most qualified senatorial candidates of their respective parties.

The program is the first student-sponsored debate between senatorial candidates in Newark State College's history and it will be the first and only debate between McDermott and Kinneally in the election campaign.

The program will follow the traditional debating procedure with opening statements, cross-questioning, rebuttals, and summations. Thomas McLeod of Asbury Park, sophomore N. S. A. liaison and N. S. A. regional director, will moderate the debate. Miss Grace Rooney of Union, freshman N. S. A. liaison, heads the arrangements committee. The program is sponsored by the N. S. A. Committee, Young Democrats, and the Newark State Republican Club, Inc.

The debate will be preceded by a business meeting of the Newark State Republicans at 1:50 p.m. and followed by a brief N. S. A. Committee meeting. Refreshments will be served after the debate. The program is open to the public.

# 'All-out opposition' to new property tax pledged by Rinaldo

Matthew J. Rinaldo of Union, Republican state senatorial candidate, this week pledged his "all-out opposition to the statewide property tax that the Democratic administration is hatching for delivery after the Nov. 7 elections."

Rinaldo called the proposal, which has been made by the State Aid to School Districts Study Committee, "the wrong approach to solving a difficult problem." He said it would force communities, which through sound planning and thoughtful programming have realized economies in the operation of local schools, to bear the load for other communities, which have not done so good a job.

The GOP candidate said he was "definitely in favor of more state aid to education, but through a more equitable distribution of the sales tax windfall that the administration has collected in Trenton."

Rinaldo also predicted that adoption of a statewide school tax on property would be "only the first step down a very short road to elimination of local school districts. Once the local districts are eliminated, it would be an easy matter for the super-government controlling schools to bus pupils from one community to another, without regard for the integrity of the traditional neighborhood school concept."

Noting that the study commission's report is scheduled for release in November, Rinaldo said the administration is again "practicing the type of duplicity that has characterized its dealings with New Jersey residents in the past, if they really had the courage to do what is right, they would tell the people now exactly what they're planning to hatch after the election instead of waiting to spring it on us after the polls close."

Rinaldo introduced last year calls for repeal of that unnecessary toll. Frank McDermott, Matt Rinaldo and I will enlist the support of the Essex County legislative delegation next year for our bill to ban tolls on the Union County section of the Parkway. In return for their help, we will push for adoption of a bill removing the 10-cent toll in Essex County -- a toll that many Union County motorists are forced to pay.

MANY THANKS -- Lois Petuck presents certificate of appreciation to Aaron Winkler, manager of Two Guys Union store, in recognition of store's support of canister drive by the Union County Unit of the New Jersey Association for Retarded Children.

# McKenzie to head Rinaldo campaign

A. Donald McKenzie of 355 Cambridge rd., Union, has been named campaign coordinator for Matthew J. Rinaldo of Union, Republican candidate for state senator.

McKenzie, a partner in the law firm of McKenzie and Hehl of Union, has been active in the successful campaigns of Congresswoman Florence P. Dwyer and Surrogate Mary E. Kanane.

He is a graduate of Cornell University and its school of law. McKenzie is active in the Union Optimist Club and the Connecticut Farms Presbyterian Church. Married to the former Margaret Westberg of Summit, he is the father of three children.

McKenzie said he accepted the chairmanship of the campaign because of "my sincere conviction that Matt Rinaldo has the type of background, experience and knowledge that would make him an excellent legislator."

DAILY CIRCULATION Daily circulation of newspapers in the U.S. and Canada last year rose to 61,397,252, a gain of a million over 1966 and an increase of 20 percent since 1946.

# GOP senate ticket pledge to push anti-toll legislation

Republican State Senatorial candidates Frank X. McDermott of Westfield, Matthew J. Rinaldo of Union and Nicholas S. LaCorte of Elizabeth pledged this week to push for adoption of legislation that would "forever remove the cloud of future tolls now hanging over the heads of all Garden State Parkway users."

McDermott, an assemblyman who led the fight last year against passage of A-16, a law by the Democratic-controlled legislature that opened the door to tolls on the Union County portion of the Parkway, said he was "convinced that only the election of a Republican delegation to both houses of the legislature could secure adoption of a vitally needed law to repeal A-16 of 1966." Noting that only the opposition of U.S. Senator Clifford P. Case and Rep. Florence P. Dwyer has "thwarted the state administration's plans to install toll booths in Union County," McDermott said a law must be adopted to prevent future administrations from "breaking faith with the citizens of Union County."

Rinaldo pointed out that opposition to the

Democratic-sponsored plan to impose tolls was "widespread in all parts of Union County." He said the tolls would be "most costly to those who can least afford them -- the working man and woman and the students who must use the Parkway to circumvent the congestion and the mess on other highways in the poorly organized and planned state system." Rinaldo insisted that legislation such as the McDermott and LaCorte have proposed "must be adopted as soon as possible." He warned that the administration in Trenton "obviously wants to impose tolls very badly. Because they have temporarily been blocked it no assurance they will not try again and again."

La Corte pointed out that the New Jersey Highway Authority, which operates the Parkway, "broke faith with the people of Essex County by imposing a 10-cent toll there. The justification for that toll was the need for funds to pay for depression of the East-West Freeway. Yet, when the Federal government agreed to absorb the costs of depressing the freeway, the toll remained in effect. Legisla-

# September fare: cool, dry weather

September was cool and dry, according to the monthly report submitted to the U.S. Weather Bureau by Harold Duflocq, meteorologist of the Union College Meteorological Station, Cranford.

Precipitation totaled 1.84 inches -- 2.46 inches below the estimated normal, Duflocq said. This compares with 9.20 inches in September, 1966 -- the highest since the Union College station was opened in 1960 -- and with 1.35 inches in 1964.

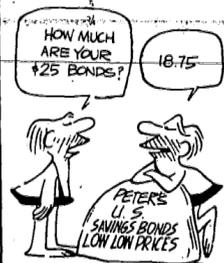

Rainfall this year totals 36.38 inches through Sept. 30, as compared with 30.55 inches a year ago.

The month's average temperature was 65 degrees or 1.8 degrees below normal. The highest mercury reading of 86 degrees was recorded on Sept. 18 and the lowest of 37 degrees on Sept. 26. The average maximum temperature was 76.8 degrees, and the average minimum temperature was 52.7 degrees.

During the month, 78 degrees-days were recorded. A year ago the total was 87.

Strong northeast winds occurred on Sept. 16 and 17 with the passing of Hurricane Doria.

There were 17 clear days in September, six partly cloudy days and seven cloudy days. The prevailing wind direction was northwest.

# Political halt for fire drill

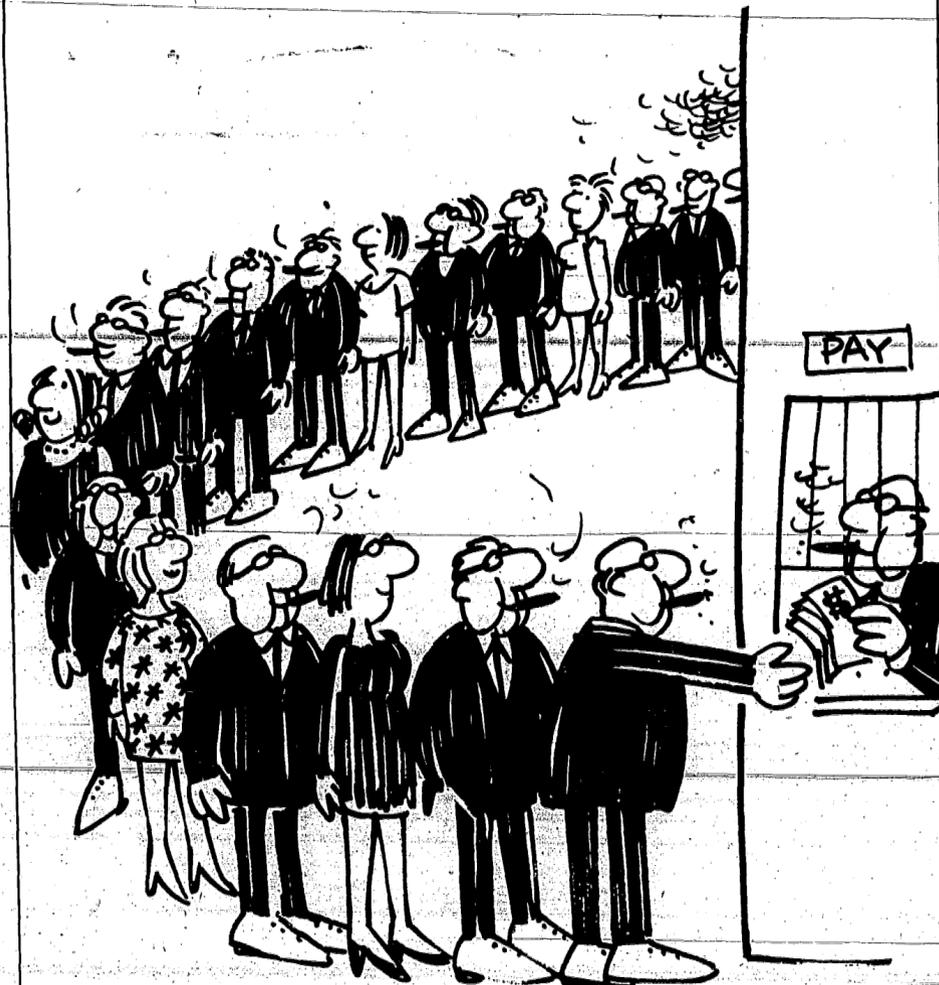

It took a fire drill to call off a fascinating discussion of politics at the county level, last Thursday, at Union College, Cranford.

The speakers were Loree (Rip) Collins, Republican County chairman, and James J. Kinneal, Democrat county chairman. They discussed the organization of their political parties, how candidates are selected, and how campaigns are run and financed.

Their appearance before Union College government students drew many questions most with political overtones. The bantering continued past the end of the class period, but came to a sudden halt when the fire alarm rang. Collins, a former Navy football player, kept up the attack, however, as he continued his discussions with the students in the parking lot.

Among the topics discussed were party finances, tolls on the Garden State Parkway, the state sales tax, and party bosses.

Since the Democrats took over, 10,000 State employees have been added (pronounced padded) to the payroll. And the word is they haven't run out of relatives yet!

### Public Notice

**TOWNSHIP OF UNION**  
PUBLIC NOTICE is hereby given that an ordinance, the title of which is hereinafter set forth, was finally passed and approved by the Township Committee of the Township of Union in the County of Union at a public hearing held at the Municipal Building, Frtberger Park, Union, N.J., on October 10, 1967.

MARY E. MILLER  
Township Clerk

AN ORDINANCE TO AMEND AN ORDINANCE ENTITLED "REVISION OF ORDINANCE ENTITLED 'AN ORDINANCE FOR THE TOWNSHIP OF UNION, IN THE COUNTY OF UNION, LIMITING AND RESTRICTING TO SPECIFIED DISTRICTS AND REGULATING THEIR BUILDINGS AND STRUCTURES ACCORDING TO THEIR CONSTRUCTION AND THE VOLUME AND EXTENT OF THEIR USE; REGULATING AND RESTRICTING THE HEIGHT, NUMBER OF STORIES AND SIZE OF BUILDINGS AND OTHER STRUCTURES; REGULATING AND RESTRICTING THE PERCENTAGE OF LOT OCCUPIED, THE SIZE OF YARDS, COURTS AND OTHER OPEN SPACES, THE DENSITY OF POPULATION; REGULATING AND RESTRICTING THE LOCATION, USE, AND EXTENT OF USE OF BUILDINGS AND STRUCTURES FOR TRADE, INDUSTRY, RESIDENCE AND OTHER PURPOSES; ESTABLISHING A BOARD OF ADJUSTMENT AND PROVIDING PENALTIES FOR VIOLATION THEREOF".

**TOWNSHIP OF UNION**  
PUBLIC NOTICE is hereby given that the ordinance set forth below was introduced at a meeting of the Township Committee of the Township of Union in the County of Union, held on October 10, 1967, and that said ordinance will be further considered for final passage at a meeting of the said Township Committee at the Municipal Headquarters Frtberger Park, Morris Avenue, Union, New Jersey, on October 24, 1967, at 8 o'clock P.M.

MARY E. MILLER  
Township Clerk

AN ORDINANCE AUTHORIZING THE CONSTRUCTION OF CURBS ON ALLEN AVENUE FROM LIBERTY AVENUE TO POINT 150 FEET NORTHWEST OF THE CENTER LINE OF CANTON TERRACE IN THE TOWNSHIP OF UNION AS A LOCAL IMPROVEMENT AND TO PROVIDE FOR THE FINANCING OF THE COST THEREOF BY THE ISSUANCE OF BONDS AND FOR AUTHORIZING NOTES AND TO ASSESS FOR SPECIAL BENEFITS.

Section 1. Authority is hereby given for the construction of granite block curbs on both sides of Allen Avenue from Liberty Avenue to a point 150 feet northwest of the center line of Canton Terrace in the Township of Union in the County of Union and for such other incidental work as may be necessary for the proper completion of the said curbs. All work on the plan for said work and in accordance with the specifications therefor, both of which were prepared by the Township Engineer and both of which said plan and specifications are on file in the Clerk's Office of the Township of Union in the County of Union and in the office of the Township Engineer. The line and grade of said curbs as established by said Engineer and as set forth on said plan and specifications are hereby adopted as the line and grade of said curbs.

Section 2. All of said work shall be done under the supervision and direction and subject to the approval of the Engineer of the township of Union in the County of Union, and may be done on contract or by Township forces with materials purchased by or furnished to the Township.

Section 3. The sum of \$4,000.00 is hereby appropriated to the payment of the cost of said improvement. Such appropriation shall be met from the proceeds of the bonds authorized, and the down payment appropriated by this ordinance.

Section 4. Said improvement shall be undertaken as a local improvement and the cost thereof not borne by the Township shall be assessed upon the lands and real estate upon the line and in the vicinity of said improvement which may be benefited by said improvement as provided in Chapter 56 of Title 40 of the Revised Statutes of New Jersey. All assessments levied for said improvement shall in each case be as nearly as may be proportioned to and not in excess of the benefit, advantage or increase in value which the respective lots and parcels of real estate shall be deemed to receive by reason of such improvement. The total amount of the assessments so levied shall not exceed the cost of said improvement. The portion of such cost, if any, which shall not be so assessed shall be paid by the township as in the case of a general improvement which is to be paid for by general taxation. Such portion of the cost, if any, shall be in addition to the contribution, if any, of the Township heretofore provided.

Section 5. It is hereby determined and stated that (1) the Township will contribute no part of the cost of said purpose, it being expected that the special assessments levied therefor will equal \$4,000.00 and (2) no special assessments for such purpose have been levied or confirmed and (3) such special assessments may be paid in four annual installments.

Section 6. It is hereby determined and stated that (1) the making of such improvement (hereinafter referred to as "purpose") is not a current expense of said Township and (2) it is necessary to finance said purpose by the issuance of obligations of said Township pursuant to the Local Bond Law (New Jersey Law 40A:20) of the State of New Jersey and (3) the estimated cost of said purpose is \$4,000.00 and (4) \$500.00 of said sum is to be provided by the down payment heretofore appropriated to finance said purpose, and (5) the estimated maximum amount of bonds or notes necessary to be issued for said purpose is \$3,500.00, and (6) the cost of such purpose, as heretofore stated, includes the aggregate amount of \$750.00 which is estimated to be necessary to finance the cost of such purpose, including architect's fees, accounting, engineering and inspection costs, legal expenses and other expenses, including interest on such obligations to the extent permitted by Section 40A:20 of the Local Bond Law.

Section 7. It is hereby determined and stated that monies exceeding \$500.00 appropriated for down payments on capital improvements or for the capital improvement fund in budgets heretofore adopted for said Township are now available to finance said purpose. The sum of \$500.00 is hereby appropriated from such monies to the payment of the cost of said purpose.

Section 8. To finance said purpose, bonds of said Township of an aggregate principal amount not exceeding \$3,500.00 are hereby authorized to be issued pursuant to said Local Bond Law. Said bonds shall bear interest at a rate which shall not exceed six per centum (6%) per annum. All matters with respect to said bonds not determined by this ordinance shall be determined by resolutions to be hereafter adopted.

Section 9. To finance said purpose, bond anticipation notes of said Township of an aggregate principal amount not exceeding \$3,500.00 are hereby authorized to be issued pursuant to said Local Bond Law in anticipation of the issuance of said bonds. Said notes shall bear interest at a rate which shall not exceed six per centum (6%) per annum, and may be renewed from time to time pursuant to and within the limitations prescribed by said Law. All matters with respect to said notes not determined by this ordinance shall be determined by resolutions to be hereafter adopted. In the event that bonds are issued pursuant to this ordinance, the aggregate amount of notes hereby authorized to be issued shall be reduced by an amount equal to the principal amount of the bonds so issued. If the aggregate amount of outstanding bonds and notes issued pursuant to this ordinance shall at any time exceed the sum first mentioned in this section, the monies raised by the issuance of said bonds shall, to not less than the amount of such excess, be applied to the payment of such notes then outstanding.

Section 10. It is hereby determined and declared that the period of usefulness of said purpose, according to its reasonable life, is a period of ten years computed from the date of said bonds.

Section 11. It is hereby determined and stated that the Supplemental Debt Statement required by said Local Bond Law has been duly made and filed in the office of the Township Clerk of said Township, and that such statement so filed shows that the gross debt of said Township, as defined in Section 40A:24 of said Local Bond Law, is increased by this ordinance by \$3,500.00 and that the aggregate amount of bonds and notes authorized by this ordinance will be within all debt limitations prescribed by said Local Bond Law.

Section 12. This ordinance shall take effect twenty days after the first publication thereof after final passage.

Tuesday at 8:15 p.m. on "Curriculum Inno-
vations in Our Springfield Schools" by Joseph
Andersen, assistant superintendent of schools.
Prior to assuming this post two years ago,
Andersen was an elementary school principal
in the South Orange-Maplewood system. For
many years he was an elementary school
teacher. He has lectured on the college level
for the past ten years and is now lecturing
on modern mathematics at Newark State Col-
lege, Union.
Mrs. John L. Dysart, PTA program chair-
man, urged all parents to attend this special
session. "Realizing the importance of this vital
topic to the understanding of our Springfield
schools," she said, "the executive committee
of the Caldwell PTA voted to change the regular
October meeting to Tuesday, Oct. 17, in order
to hear Andersen discuss these curriculum
changes."

**Hospital receives Guild gift**

Memorial General Hospital, Union, recently received a \$3,000 gift from its Volunteer Guild. The check, which represents a partial payment of a \$25,000 pledge made by the Guild earlier this year, was presented to board president John Deitrich by Mrs. Millard Anderson of 331 Walnut st., Roselle Park, president, and Mrs. Walter Cramsie of 276 Forest dr., Union, vice president.

Four representatives of the Memorial General Hospital Volunteer Guild have recently returned from the annual convention of the National Osteopathic Guild Association which was held in Fort Worth, Tex.

The Memorial General delegation attended seminars and workshops in the skills of fund raising, hospital service and other services pertinent to their work at the non-profit community hospital.

Members of the delegation were: Mrs. Millard Anderson of 331 Walnut st., Roselle Park, president; Mrs. William Kroebel, recording secretary; Mrs. Robert Bennett of 1375 Beverly rd., Union, and Mrs. William Roberts of 380 White-wood rd., Union.

Mrs. Kroebel, who has been a member of the Guild since its inception in Union five years ago, was elected to the post of recording secretary in the national organization. She has served on various committees with the national group and earlier this year was chairman of an area conference held in Cherry Hill.

**Osteopaths will kick off Seal drive**

The Union County phase of the state-wide Osteopathic Christmas Seal program will be kicked off Tuesday night at a membership tea of the Auxiliary to the New Jersey Association of Osteopathic Physicians and Surgeons, to be held at Memorial General Hospital, Union.

Mrs. Michael Belkoff of Elizabeth is state chairman of the auxiliary phase of the drive and Dr. Michael Sutula of Union is state chairman. Mrs. Charles Bloodgood of Elizabeth is chairman of the Memorial General Hospital Volunteer Guild seal campaign. Both Dr. Belkoff and Dr. Sutula are staff members at Memorial General.

The New Jersey goal for 1967 is \$20,000. Last year New Jersey led the country with \$15,500.

According to Dr. Sutula, funds from the Seal campaign provide loans to qualified junior and senior students in osteopathic colleges. During the past school year, \$129,650 in loans were granted to medical students.

Since the program was initiated in 1931, Dr. Sutula pointed out, loans have been granted to 1,422 students—or about one in every ten of the current practicing osteopathic physicians. Last year, six New Jersey medical students benefited from the loan program.

Christmas seal funds are also used to provide grants for specific research projects conducted by the American Osteopathic Association.

"The Osteopathic Christmas seal campaign," said Dr. Sutula, "is one way the public can do its part to answer the need for more new physicians."

**The sports-car your mother's not afraid to let you drive.**  
  
 Every mother knows that a sporty convertible like the Karmann Ghia must cost too much, go too fast, and be too drafty.  
 So you better straighten the old lady out before you buy one or you'll never hear the end of it.  
 The first thing you do is ask her how fast she thinks a car with a 53 hp motor can go. She doesn't know (it goes 82 mph) and you better not tell her.  
 But you can say that the Ghia gets up to 28 miles a gallon, and can be fixed by any Volkswagen dealer.  
 So you don't need your allowance-raised-land-while-you're-talking money, tell her the Ghia costs only \$2445!  
 Next, pull the top up and take off the sweater she brought for you. Show her how lightly the top's hand-fitted.  
 You don't need a hat; there are no drafts.  
 Finally, tell Mom the Karmann Ghia has two separate braking systems so you can always stop.  
 And that's what you ought to do. While you're ahead.

On this page of pictures we attempt to show some of the many facets of producing this newspaper and its seven sisters in the weekly field.

Modern technology helps to improve the product that reaches the newsstand or your mailbox every week. However, the offset printing method that sets this newspaper apart from others you know is only a tool in the hands of professionals who observe National Newspaper Week every week.

The human ingredient makes a newspaper tick--from the people who read it to the people who produce it, from the initial planning to its ultimate delivery.

Mix training, technology, planning and hard work with an extra portion of pride-in-product and you have your local newspaper.

## COMPOSING ROOM

Florence Merser, Pat Baird, Mary Lett, Hortensia Ortiz, Josephine Witkowsky, Mrs. Elizabeth Young, Jeanne Burke, Patricia Bradley, Roselyn Israel.

Demonstrating how type is set and corrected, photographs processed and pages pasted up -- the key steps that follow the work of editorial and advertising department personnel and lead to the work of the pressmen.

# Private contractors lauded for state's industrial growth

Private contractors were cited this week by Robert A. Roe, Commissioner of New Jersey Department of Conservation and Economic Development, for their "vital contributions to the State's phenomenal industrial growth."

Noting that the State's economy continues to advance in an orderly manner, Commissioner Roe commented, "This progress is due in no small measure to the Associated General Contractors of New Jersey, Inc. Since its founding 30 years ago the organization has worked hand in hand with private and governmental planners in bringing drawing-board ideas to reality."

Commissioner Roe says he agrees thoroughly with the view of Arthur R. Trautmann, general manager of the AGC, that the private contractor plays a vital role in the State's construction progress whether undertaken by the business-industry community or by the State itself.

The contract-letting method, according to Trautmann, means lowest possible cost, quality workmanship, guarantees for completion on schedule, centralized responsibility, and a uniform labor policy. Since the contractor undertakes to complete the job within the bid he entered to get it—and it is especially true of major public and private projects that the low bidder gets the award—he has a powerful economic incentive to improve construction methods, provide superior management, and eliminate any wasteful or uneconomic practices.

The same philosophy inspired the group of contracting firms which, 30 years ago, found they could best serve the public if they banded together in a chapter of the Associated General Contractors of America, Inc. The national parent organization came alive in 1918, almost half a century ago, as the result of a suggestion by the then president of the United States, Woodrow Wilson.

Today, AGC member firms build for the state, county and local governments and local governments their highways, sewers and culverts, their bridges and tunnels. They do the

excavating and paving; they design and install the drainage systems and utilities installations; and they pour the concrete for foundations and giant office buildings.

"There's nothing we don't do, in the construction line," is the way Trautmann sums it up.

The Associated Contractors have another mission, too, besides the actual bringing to life of those visions which are New Jersey's future; that is, to maintain a relationship with state and local governmental officials for the free exchange of ideas and solutions to problems which inevitably arise when there's a "construction explosion" such as that presently characterizing New Jersey's growth.

"As an industry basic to the state's prosperity, the AGC accepts its responsibility to work closely with legislators and with Congressmen, and to cooperate fully with state and federal highway officials and other authorities concerned with construction," Trautmann explains.

Like the national organization, the New Jersey AGC has been showing substantial growth in recent years. Its headquarters at 726 West State St., Trenton, is a focal point any business day for public officials, industrial planners, highway experts, architects—or representatives of any one or more of the 139 New Jersey contracting firms now making up the AGC's membership.

The membership, represents an increase of almost 20 percent over the figure of a year ago, and, where formerly the road and bridge building firms were vastly in the majority, lately several major building contractors have been accepted as members.

"They don't just join willy-nilly," says Trautmann. "Our members must qualify. They must have been in the general contracting business for two or more years and they must have established a reputation for skill, integrity and responsibility."

# Bank reports new high in operating earnings

A new high in net operating earnings for any nine-month period in its history was reported this week by First National State Bank of New Jersey — the state's largest commercial bank.

For the nine months ended Sept. 30, the bank's net operating earnings were \$4,226,095 as compared with \$3,904,036 for the same period in 1966 — an increase of 8.2 percent. This equals \$2.38 per share on 1,778,000 shares outstanding as compared to \$2.20 for the first nine months of last year.

Artists' Exhibition, State Fair, Indianapolis, and Indiana Crafts, Herron Museum of Art, Indianapolis.

He has shows scheduled for this fall at the Art Institute of Chicago, the Carroll Rees Museum, Johnson City, Tennessee; Craft Alliance Gallery, St. Louis, Missouri; and the National Crafts Invitational at Ball State Gallery, Muncie, Indiana. Stalnaker was born in Grand Island, Nebraska, and was raised and educated in the Northwest. He earned his master of fine arts degree at the University of Oregon.

## Textile art show scheduled Exhibit starts Monday at NSC

An exhibition of original textiles by two artist-craftsmen from the art faculty at Indiana University will be held at the Little Gallery, Newark State College, Union, starting Monday and continuing through Nov. 3. The exhibition is open to the public.

The work of Terry Illes and Budd Stalnaker is being brought to the campus by Mrs. Ina Golub, a member of the Fine Arts Department faculty, who is herself a specialist in textiles. Mrs. Golub studied under Miss Illes and Stalnaker while earning a master's degree at Indiana.

Miss Illes has exhibited widely and received many awards, including a National Merit Award in Craftsmen U.S.A., a museum Purchase Award in fiber, clay, and metal at the St. Paul Art Center, and the Newell Award in Indianapolis. She has had a one-man show at the Stow-Davis Showrooms in Chicago and is represented in several public as well as private collections. A native of Indiana, she earned both her bachelor's and master's degrees at Indiana University, where she is an assistant professor of fine arts.

Stalnaker has won awards at numerous major exhibitions, including the Invitational Exhibi-

tion, Pacific N.W. Arts and Crafts Fair, Bellevue, Washington; a two-man exhibition, The Craft Shop, Indianapolis, Indiana; Mid-States Craft Exhibition, Evansville Museum of Art, Evansville, Indiana; Professional

## Epstein hits 'levity' about county annex building problems

Jerome Epstein, Republican candidate for Freeholder, this week "likened the incumbent Democrats' treatment of the county annex building to that of the U. S. Congress's recent attitude toward a rat control program." "In both instances, Epstein said, "a serious matter affecting the public interest was treated with wise-cracking and levity at the most inopportune time."

Epstein remarked, "Mr. Cuchie, our Freeholder director, has distributed a ruler with the suggestion that it be used to measure the cracks in the walls of the annex building." "It may be a very witty and clever joke to some politicians," said Epstein, "but to the taxpayers of Union County who have millions of dollars invested in the structure, it is hardly funny."

"I might remind the citizens of our county that more than two years have past since these faults were discovered and that \$50,000 in consultation services have been expended by the Democratic controlled board to rectify them with, as of yet, no result."

"While Mr. Cuchie sits and thinks of cute little campaign gimmicks to enhance his chances of re-election, the county annex building sits as a silent tribute to inept handling of public monies," Epstein charged.

## UC displays paintings of Westfield art group

Paintings by 12 members of the Westfield Art Association are on display in the Nicholas Tomasulo Art Gallery in Union College's Campus Center, Cranford.

The exhibition will be open to the public through mid-November. Visitations to the gallery can be arranged through Edwin Durand, director of the Campus Center. Paintings by members of the Westfield Art Association include "Old Apple Tree," Catherine B. Sitzler of 1159 Wychwood rd., Mountainside.

## Rep. C.M. Mathias to address dinner

Rep. Charles McC. Mathias Jr. of Maryland will speak at the annual Union County Republican Committee dinner Thursday, Oct. 19, at the Elizabeth Carteret Hotel, Elizabeth.

A member of Congress since 1960, Mathias, who represents the 6th Maryland Congressional District, is a member of the House Judiciary Committee and the House Committee on the District of Columbia.

He formerly served as an assistant attorney general of Maryland and as a member of the Maryland General Assembly.

General chairman of this year's dinner is Walter Halpin, Union County clerk.

Ill, of Roselle Park, said, "Hopefully many of our engineering and science majors will make use of this area for research and study." Prof. Marks heads a special faculty committee, which is now studying the need for additional library facilities. Serving on the committee with him are: Dr. MacKay, Dr. Kenneth W. Iversen, dean, Dr. Marcia Meyers of West Orange, a member of the Biology Department, and Prof. Mary Ann Rodes of Cranford, a member of the English Department.

"It is our intention to move quickly to determine what our long-range library needs are, so we can take advantage of federal assistance for a project of this magnitude," Dr. MacKay said. "A library of the size and scope we will need in the future will cost between one and two million dollars."

The Johnson Memorial Library is a part of Union College's original building opened in 1958. It contains about 30,000 volumes.

## Five Points Y lists second baton class

An additional class in baton twirling has been added at the Five Points YMCA, since enrollment has exceeded the planned number for the class.

Both classes will take place on Thursday afternoons, one at 4 p.m. and the second at 5 p.m. The second class will include girls on the advanced level. Miss Alice Kennedy of Linden is the instructor. She holds the 1961 Union County Twirling Championship and is in the Who's Who Twirling Book.

Enrollment is still open in most other programs. Information may be received by calling the Five Points Y at 687-5570.

## Receipts stolen from gas station

About \$50 in petty cash and an undetermined amount of receipts from Sunday were taken from the American Gas Station on westbound Rt. 22 in Union in a break and entry some time between 6 p.m. Sunday and 7 a.m. Monday.

Police reported that entry was gained by standing on a fence and breaking a 12 by 18 inch window located 12 feet off the ground. An inner door leading to a storage room was then forced open, police said.

## New library gets priority as Union College project

A library building will probably be Union College's next major project on its 30-acre Cranford campus. It was reported this week by Dr. Kenneth C. MacKay, president.

"We are quickly running out of space for books in the Dr. Arthur L. Johnson Memorial Library and we long ago ran out of sufficient space for students," Dr. MacKay said. "We must have new library facilities in the near future if we are to maintain a quality level of instruction."

Dr. MacKay said the lack of library space will be temporarily relieved with the opening of a Science Resource Center in the new Science Building, which will be dedicated on Sunday. "Books and periodicals of a scientific and technical nature will be placed in the Science Resource Center," Prof. George P. Marks,

# BEWARE

## of 'phony' Furnace Repairmen!

Every year an increasing number of homeowners are being duped by "phony" furnace repairmen, who operate under the guise of being affiliated with Elizabethtown Gas. Their racket is to offer a free inspection or low-cost cleaning of a furnace, only to report that the unit is "beyond repair" and must be replaced with new equipment. Their charges usually represent an outlay of huge amounts of money, needlessly spent. Never agree to change your heating equipment without consulting Elizabethtown Gas! Remember:

- All Elizabethtown Repairmen carry official company identification cards. When in doubt, call Elizabethtown Gas.
- Our Servicemen will advise if replacement or repairs are necessary.
- If you believe there is anything wrong with your gas furnace, call Elizabethtown Gas immediately.
- Elizabethtown Gas Company's Repairmen come only when called by you.
