## **Community Fund campaign** now at full speed in borough

Subscription Rate \$8.00 Yearly

The Mountainside Community Fund drive is in full swing, according to the 1976 chairman. Mabel Young of Deer Path. She urged residents who have not yet responded to do so at their earliest convenience

'Now that Thanksgiving is upon us, our thoughts quite naturally move toward ap-preciation for all the good things we have And he residents of Mountainside can once again display their appreciation for the life-saving work our own Rescue Squad provides," she said

Mrs. Young also cited the "worthwhile contributions made in the community" by other groups which are recipients of the money the Community Fund collects. They range from the Girl and Boy Scouts to the Visiting Nurses. They all help make life in Mountainside the

kind of quality existence we can all be thankful for. This is the right time of the year for us to express our feelings.

Mrs Young, who is active in a number of community organizations, had high praise for her fellow trustees in the fund drive. "I think we have one of the hardest working groups of citizens involved in this year's drive as ever before. Residents can be proud that their local community fund has, over the years, been able

It is the first time in conference history that four runners from one team made the first team all conference squad

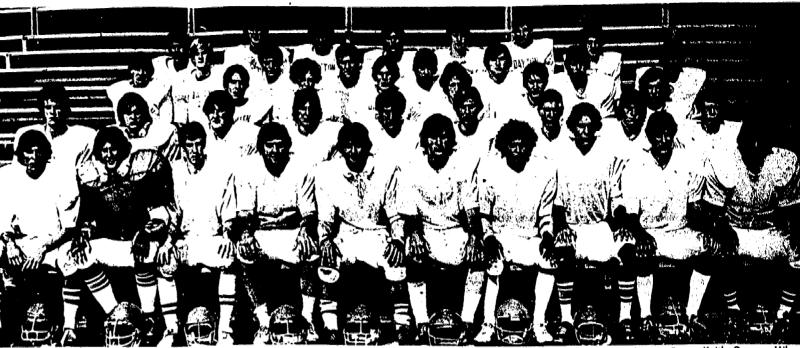

The highlight of Roche's season was victory in the Suburban Conference race in which he outdistanced 56 runners. Philips who was the team's most consistent runner finished fourth in the Suburban Conference race and seventh in the state sectionals

Head Coach Martin Taglienti commented on Roche and Philips "They gave me more than I expected. I never thought at the beginning of the season Roche would be the conference champ, but he along with Philips proved that with hard work and sacrifice you can perform beyond expectations.

Weiner, a junior, and Kiell, a senior, also were extremely consistent throughout the year. Their best races were in the Suburban Conference meet where Weiner finished third and Kiel came in fifth.

## Freshman booters honored as only winning soccer team

#### By MIKE MEIXNER

The Jonathan Dayton Regional High School freshman soccer team finished the fall season with a record of 7-6 Coach Tony Falzone's booters were the only Dayton soccer team to finish with a winning record this year. After the season, a dinner was held in honor

of the team. Winning awards were Tim-Harrigan as MVP, Billy Rose, Steve Tan nenbaum, who took the "Mr Hustle" award, and William Ward, for his on and off-field sportsmanship

The team employed a front line of insides Harrigan and Rose, and wings Mike King and Kerry Leslauer. The top substitute on the line was Benjamin Scatturo, who contributed two goals to the team this year

The halfback line was led by Paul Jeka, center halfback and a hustling team member Surrounding him on the halfback line were Steve (Rocky) Tannanbaum and Billy Ward. Reserve Marty Swanson filled in ably

The fullback line shut off many opposing callies. The starting fullbacks were Agapios Kyritsis, Ed Drummond and Dave Wasserman. Ronnie Zirkel was the top substitute. Another promising fullback, whose play was hurt by a nagging earache, was big Doug Foreman. However, Doug still was a key defensive factor. The goaltender for the squad was Joe Huber. Huber was excellent in the goal throughout the season Another fine goalie was Scott Wor swick

Along with Scatturo's two goals, Harrigan led with nine, Rose drilled seven, King popped in two and Ward and Jeka booted one each

Falzone, a rookie coach, exhibited fine skills and knowledge of the game. A hard-working man, he drove his team to four season-opening victories by forcing team spirit into his players. Despite a poor team performance at thé conclusion of the season, his efforts were greatly appreciated by all team members, many of them commented.

## **Chatham Borough halts** Mountainside Jets 6-0

After winning their second game of the year, 13-0 over Summit on Nov. 7, the Mountainside Jets lost, 6-0, to a well-drilled Chatham Borough team.

Chatham dominated the first half as the Mountainside Jets held off Chatham drives. The key defensive plays during the first half included Frank Gagliano's touchdown-saving tackle, Damian O'Donnell coming up from the secondary to stop several off-tackle runs and M.J. Castelo consistently stopping end sweeps. On offense, the Jets moved with sustained drives Opening up the holes were Jeff Wilde, Frank Gagliano, Alex Caiola, John Alder, M.J. Castelo, Joseph Sefack, Doug Schon and Kevin Dougherty. The play calling was shared by Peter Ruggiero and Jimmy Cleveland. Sharing the ball carrying duties were Mike Caricato, David Crane, John Caricato, and Michael Kontra During the first half of the game, the Chatham Borough team outplayed the Mountainside Jets and scored on a long run which was aided by a penalty.

The second half was a completely different hall game -- Chatham Borough team had the

ball for a total of six plays on offense. During these six plays, the Mountainside Jets led by Robby Martignetti, Jimmy Cleveland, Scott Burdge, Steven Poole, John Merklinger, Doug Adams and Ron Zimmerman, held the opponents to no gain. Robby Martignetti on three different occasions drove the offensive center into the backfield and at the same time, tackled the quarterback for a loss.

On offense, it was Michael Caricato and David Crane carrying the ball and ripping off large chunks of yardage. During this 24-minute period, the Jets gained 180 yards; on one drive, the Jets made six successive first downs, one when Mike Caricato drove through eight of the opponents, helped by key blocks from his brother John, David Crane, Jeff Wilde and Joe Sefack. The game ended with the Jets threatening, but unable to score.

The Jets will end the season at the Deerfield School field on Friday, Nov. 26, with the Lightweights game starting at 10 a.m., and the Middleweights game starting at noon with a rematch against the Chatham Borough Car dinals

## Jets' defenders stand fast in 0-0 Springfield contest

After a heavy downpour, the Mountainside Jets Middleweights took the field to avenge an earlier loss to the Springfield Minutemen. The game ended in a scoreless tie.

The tempo for the game was established on the first series of plays as the defense kept the Minutemen for minus yardage the entire game.

Defensive standouts were Alex Caiola and Robby Martignetti, each credited with four unassisted tackles. Frank Gagliano, M.J. Castello and Joe Sefack each stopped a pass play unassisted. Fred Alholm's tackle caused a fumble, which he recovered. The linebacking corps, led by Mike Caricato and David Crane. were all over the field, stopping running plays and knocking down passes. The defensive backs included Jim Cleveland, who intercepted a pass, Doug Adams, Greg Van Name, Damian O'Donnel, Mark Dougherty and Steven Poole.

Led by the ball handling and passing of Quarterback Peter Ruggiero and Jim Cleveland, the offense averaged 3 yards a carry. Running the ball were Mike Caricato, Ricky Konttra, David Crane, John Caricato, Damian O'Donnell.

Key plays included David Crane carrying for a key first down dragging two defensive players 5 yards; Mike Caricato, who carried for 65 yards on 13 carries and a quarterback around end play by Jim Cleveland, netting 25 yards. All of this was made possible by the blocking up front by Jeff Wilde, M.J. Mountainside police are investigating break-and-entries and larcenies at two borough homes.

The first crime occurred at a Woodacree drive residence Nov. 13 between 4:10 and 10:35 p.m. Police said the owner returned to home find the front door open; he did not enter the house, but went to a neighbor's to call headquarters. Investigating officers reported the intruders gained entry by placing a garbage can on top of an air conditioner, climbing on it to a porch roof and then breaking the window of a second-story bedroom.

Listed as stolen were two portable television sets and a short-wave radio. Police are awaiting a report on any other missing items. On Nov 16, between 4:10 and 6:05 p.m., burglars entered an Upland road home, stealing jewelry, a number of gold pieces and a set of silver commemorative medals. Police said entry was made via the rear yard, with the intruders forcing open a porch door and breaking a pane of glass in the kitchen door. firing process difficult as well as costly the students feit

With current regulations regarding income tax and tenure, it was the general feeling that too much responsibility has been left to local boards of education. Students questioned the qualifications of board members in whose hands their education rests.

The issue was raised in response to a presentation by Don Calderon, field representative for the N.J. School Boards Association

A controversial issue was that of funding of school activities and the boards' distribution of the state allotment. Students complained that because of a decrease in the budget, field trips have been cut down by 60 percent and sex discrimination has been eliminated-only to cut out the funding of girls' teams and integrate them into coeducational sports where females play inferior roles.

Other interpretations of the state decisions were attacked by the students. The underlying question was how education would improve with such budget cuts.

The press conference featured five speakers. Dr. T. Leslie MacMitchell of the Education Testing Service spoke on the factors which have led to the recent decline of Scholastic Aptitude Test scores throughout the nation.

Marvin Reed, communications director for the N.J. Education Association; Assemblyman DeFrancesco, and William Burcat of the Union County office of the State Department of Education spoke on the influence of the new method of funding education by the income tax. Representing the NJSBA was Calderon.

"All individuals or groups, regardless of place of residence, are invited to participate in a portion of the walk," said a spokesman for the Union County Cultural and Heritage Programs Advisory Board, an agency founded by the Board of Freeholders. As citizens join the walk, they will commemorate a forlorn journey which led to a regrouping of courage and eventual victory. As Washington's men were able to renew their faith, so we will renew our faith in this country's future

> The original retreat saga beg in on Nov. 20, 1776, when Washington's Continental Army was compelled to flee Fort Lee in the face of a much larger and better-equipped British force. The commander in chief opted for flight, with the hopes of reaching the relative safety of Pennsylvania Historians believe that if the Americans had been caught by the British and forced into battle during the retreat, it would have resulted in the Americans' surrenderand the end of the Revolution

Washington, however, brought the troops safely to Trenton and across the Delaware River Then, on Dec 24, 1776, with the army's spirits rallied, he recrossed the river, attacked and defeated a Hessian force in Trenton-an event seen as the turning point in the war

The retreat commemoration leads up to the state Bicentennial Commission's "Ten Crucial Days" program, which begins Christmas day with a reenactment of Washington's crossing of the Delaware Also scheduled are: Dec 26-Reenactment of the march to Trenton and the skirmish with the Hessians; Dec 27 - Jan 1 Military exhibits and encampments at Trenton

Princeton and Washington's Crossing; Jan. 2-Reenactments of the "Second Battle of Frenton'' and the Continental Army's march to Princeton: Jan. 3-Reenactment of the Battle of Princeton

FUTURE AND A DESCRIPTION OF A DESCRIPTIO

drive without a properly inflated reserve tire Anyone who bought a new car without a spare this year should receive early word from his dealer to schedule mounting

The New Jersey car owners are among 2.25 million motorists throughout the country who bought new, American-made cars over the summer but didn't get a spare tire

The April to September rubber workers strike forced General Motors. Ford and Chrysler to stop shipping spare tires with their new cars, the alternative would have been to cut production of automobiles Decham

Inted Buyers were told that they d get their fires when the strike was over AAA contacted the auto makers for details of the distribution plans which affect 1 2 million GM cars, 800,000 Ford cars and 200,000 to 250,000 ("brysle products

All three are relying on the fire-manufacturer to send tires to the auto dealers. ("hryeler uses Goodyear tires, the other two use several suppliers. Chrysler has Goodyear send tires to a dealer with a list of Vehicle Identification Numbers (VINs) for cars sold by that dealer. The dealer is required to polify the car buyer that his tire is in and atrange for mounting on the wheel

Ford and GM are not matching tires with VINe but are merely shipping a number of tires comparable to the number of cars sold during the strike by that particular dealer Although all spare tires will meet the specifications of the tires already on a car, only Ford will try to match brand names. GM will not, except for specialty tires

It will be the dealers' responsibility to notify car owners and arrange for mounting Automakers suggest that in cases where the car purchaser has moved or the dealer has gone out of business, the car owner contact the nearest dealer

"Most car purchasers paid for the spare tire even though it was not shipped with the car. In these cases there should be no charge to the purchaser for the tire or its mounting." Derham said

The act, sponsored by Sen. Joseph P, Merlino, passed the Legislature in August and assesses each real estate licensee in New Jersey to form the fund. The fund is administered by the Real Estate Commission and is designed to assist individuals who receive valid judgements against real estate licensees when those judgements are unsatisfied in part or whole. The amount collectable by an individual, is not to exceed \$10,000.

A fund of this nature was requested by the New Jersey Association of Realtors, the official voice of organized real estate in New Jersey. Realtor President Edward L.
