Regional board asks \$14.8 million budget

The Union County Regional High School Board of Education, at a meeting in Springfield Feb. 2, adopted a tentative budget of \$14,844,976 for the 1977-78 school year, a total representing

Under the new budget, the amount to be raised by local taxation is \$11,997,788, an increase of \$766,484 or 6.8 percent

The current expense portion is \$13,648,548, an increase of \$626,257, or 6.1 percent, and \$301,045 is budgeted for capital outlay. The budget also includes a debt service figure of \$895,383.

A public hearing on the budget will be conducted on Tuesday, March 8, at 8 p.m. in the Gov. Livingston Regional High School Instructional Media Center, Berkeley Heights. The budget election will be held on Tuesday, March 22. Residents of the district vote separately on current expense and capital outlay. The debt service is not voted upon. Board signs custodians' pact; secretaries' talks still stalled

By KAREN ZAUTYK Mountainside Board of The Education finally has a formal 1976-77

contract with its custodians, but agreement on a 1976-77 pact with the Mountainside Secretaries Association is still pending.

Final approval for the custodians' contract came at the board's monthly meeting Tuesday night in the Deerfield School, with the board voting to insert three provisions into the pact, provisions which had been agreed to verbally at negotiations sessions but never put in written form.

According to board member Ron Wood, a member of the negotiations team, these included entitling the custodians to 12 paid holidays (which they have been getting); rewriting the grievance procedures to reflect the same wording as is in the teachers' contract; and assuring custodians of two weeks' notice on termination of employment and the opportunity to apply for a hearing before the board.

Prior to this month's session, the board had agreed to the salary provisions of the contract, granting a seven percent increase to the nine staff members covered by the pact.

During a 10-minute recess in the hour-long meeting, the board at-

Dayton concert to have pianist as guest artist

Pianist-composer Seymour Bernstein will be a guest artist at Jonathan Dayton Regional High School vocal music department's winter concert this Saturday at 8 p.m. in the school auditorium.

Bernstein will accompany the vocal music department's award-winning Chorale and Concert Choir in his latest

choral work, "One World." Also on the program will be two settings of "Christ Lay in Todesbanden," one from the Renaissance, the other from the baroque period; Mozart's "Missa Brevis," and Leonard Bernstein's "French Chorus" from the play "The Lark."

Other selections will include the spirituals, "A Balm in Gilead" and "I Hear a Voice;" madrigals, "Fire, Fire My Heart," "Kisses So Sweet and Burning" and "Weep Mine Eyes;" a show tune, "Sunrise, Sunset," from "Fiddler on the Roof" and "A Waltz for Two Left Feet."

The student performers include many who participated in the recent WPIX-TV Christmas Eve television tempted but was unable to resolve the contract with the secretaries' unit. Board president William Biunno noted the secretaries had been given notice last month of an unfair labor practice claim (for failure to sign the 1977-78

contract). He said the matter must be held in abeyance until the board receives an answer from the negotiator for the secretaries.

During 1976 the squad responded to 504 emergency and non-emergency calls. There were 12 business meetings and 18 drills for a total of 3,215 man hours

Each member of the squad must remain up to date in five key skills: advanced first aid, light rescue and extrication, cardio-pulmonary resuscitation, defensive driving and emergency childbirth.

Also in 1976, members participated in the parade and opening ceremonies for the Little League and softball program, the Heritage Day parade and program at the squad's open house-wet down, The last activity was for the dual purpose of presenting the new modular ambulance and sleep-in facilities.

The squad will hold a health fair this spring.

Softball League begins sign-up

Registration begins this Saturday for-the Mountainside Softball League sponsored by the Recreation Commission. The league is composed of two divisions, Junior for fourth to sixth grades, and Senior for seventh to ninth grades.

The registration will be held in the Deerfield School all-purpose room from 10 a.m. to 1 p.m. The fee is \$5 per person. Parents should accompany registrants. Sign-ups will also be accepted at the recreation office between 9 a.m. and 4 p.m. weekdays Monday to March 4. The final registration date is March 5.

Team practices will begin on April 1, and opening day is set for April 23, the traditional kick-off date for Little League and softball. Games are normally scheduled for weekdays at 5:45

For additional information, readers may call the recreation office at 232-0015

Superintendent of Schools Dr. Levin B. Hanigan, a "wave of vandalism," resulting in approximately \$700 worth of damage, hit the facility during the recent cold spell, when students were kept indoors for entire school days.

According to Dr. Hanigan, over a 10day period Deerfield students:

Tore liquid soap and paper towel dispensers from bathroom walls.

-Jammed paper towels in toilets, causing "extensive overflow" onto the floors in the boys' and girls' bathrooms. Removed valve handles from sinks.

Walter H. Rupp, a member of the Mountainside Board of Education for a record 18 years, announced this week that he will not seek reelection this year

Rupp has served six terms on the school board, and has been chairman of the long-range planning committee for most of that time. "The phase involves forecasting future population and school enrollments," he explained, noting he has studied such factors for the board since 1952. "Many trend changes have occurred and met predictions during this 25-year period," he said.

Rupp noted he had attended approximately 1,000 board meetings during his years of service, and added that he believes a "sabbatical" is in order.

required to correct the conditions. Dr. Hanigan also cited a potential health hazard to students because of the lack of soap and towels in the lavatories.

The superintendent warned that the following actions are planned:

Any child caught in an act of vandalism will be immediately suspended from school and costs of the damage will be assessed against the parents. If the damage occurs during the lunch period, the student will lose cafeteria privileges and have to go home for lunch.

A student who throws food in the cafeteria "or commits any other serious infraction, such as fighting,' will receive, for the first offense, two suspension of cafeteria days' privileges, one week for the second offense, two weeks for the third and permanent exclusion from the cafeteria for the fourth.

Fighting in the school or on school grounds will draw two days' suspension from school for participants. Truants will receive two days' suspension for

DiFrancesco given banking committee post

Assemblyman Donald T. DiFrancesco (R-22) last week was appointed to the Assembly Banking and Insurance Committee. DiFrancesco, a resident of Scotch Plains, was appointed to the committee by the speaker of the Assembly.

"At a time when we are experiencing great difficulties in the insurance field, from auto insurance to medical malpractice, I am looking forward to serving on this committee," DiFrancesco said.

"This legislature, I feel, has not developed adequate programs to deal with the insurance problems our people are facing. I am hopeful that, as a member of the committee, I will be in a position to move legislation addressing these difficulties in a comprehensive and coordinated fashion," he added.

DiFrancesco, serving his first time in the Assembly, also serves on the Assembly Committee on Institutions, Health and Welfare. He is a practicing attorney in the firm of Appezzato and DiFrancesco, in Scotch Plains.

Outdoor show planned by club

The Trailside Astronomy Club will hold its monthly meeting tonight at 8 p.m. in the field behind Trailside's planetarium in the Watchung Reservation.

The planetarium show will not be held because of the scheduled observation session. Telescopes will be available but participants may bring their own. If cameras are brought, basic techniques in astrophotography will be explained.

In the event of inclement weather, the planetarium show will be presented, after which a business meeting will be

second. Dr. Hanigan also noted in the bulletin that the Deérfield School has been "plagued by the presence of high school students" on days that high school classes are cancelled or final exams are scheduled. "These students disrupt classes, deface our bathrooms, pound on our doors and windows and, in general, make pests of themselves. From now on, admission to the schools and classes will be absolutely denied to these students, and police will be called to remove them from the school and the school grounds."

Dr. Hanigan issued the following appeal to pupils' parents;

I am asking all parents, particularly those with children in the sixth, seventh and eighth grades to talk with their offspring about the seriousness of these matters, the costs of vandalism to the schools and taxpayers, and the undesirability of attitudes that cause these conditions in our schools.

"I also ask all parents whose children live within a half-mile of the schools to have their children walk home for lunch. The students need the physical exercise, the chance to blow off steam and the absence from the overcrowded lunchrooms that produce discipline problems. This request is especially important during the present cold weather and snow conditions that force us to keep students indoors at lunch time.'

Hanigan noted there had been no vandalism problems at the Beechwood School, probably because of the very young ages of the children in that kindergarten through third grade facility.

Union County Superintendent of

Schools, James Clancy. At a special public meeting Feb. 1, the board introduced a tentative 1977-78 budget of \$1,997,286 for current expenses and \$122,376 for debt servicefigures which have been forwarded to the county superintendent for approval. Current expenses have risen by seven percent over the 1976-77 figure of \$1,866,451, but the debt service has decreased from \$155,781. McDonough noted the board's budget is \$10,000 below the total permitted to be expended under state law.

Mountainside Superintendent of Schools Dr. Levin B. Hanigan, commenting on recent vandalism at the Deerfield School (see separate story), noted that "the situation is pretty well under control at the present time.'

Hanigan said teachers and custodians are checking lavatories at 15 minute intervals during lunch hours, and pupils requesting permission to use the bathrooms during class time must sign out. "That way, if there is any damage done, we will know how many youngsters were out of their rooms at the time and we will know where to start our investigation," he said.

Questioned by Biunno, Hanigan noted "most of the damage was done by a relative handful of youngsters," but, he said, "on the other hand, there are many others who will stand and look and not give the names" of the students

above norm in studies

Students of Our Lady of Lourdes School, Mountainside, scored well according to the results of the SRA achievement tests administered in November to grades 3 to 8, a school spokesman reported this week.

Using the 50th percentile as the national average established by the testing firms, the results indicated that the local class averages were above the national norm in all areas, ranging from the 60th percentile through the 82nd.

Students in grades 3 and 4 were tested in reading, language arts and mathematics. In reading and language arts, the tests showed class averages 26 to 32 percentile points above the national norm. Math scores were slightly lower, but still above the national norm by 10 to 15 points.

Students in grades 5 through 8 were administered a battery of tests. Class averages in these grades ranged from the 65th through the 78th percentile in reading, the 66th through the 73rd in language arts and the 70th through the 75th in math.

Under the category of social studies. class averages ranged from the 66th percentile through the 82nd, in science, from the 60th through the 80th, and use of sources, from the 74th through the 82nd.

Students in kindergarten, first and second grades will be tested in early spring.

A rebate, totaling \$2,302,877 will be on its way to property owners in Berkeley Heights, Clark, Garwood, Kenilworth, Mountainside and Kenilworth, Mountainside and Springfield — the six communities that constitute the Union County Regional High School District.

News of the rebate came at the board meeting last week, at which it also was learned that state aid and other revenues totaling \$2,846,569 would be used to offset part of the local tax levy for the 1977-78 school year.

The rebate is a result of the position taken last year by the district's ninemember Board of Education in estimating state aid to support the 1976-77 school budget. Local funds had to be used for the present operating budget to cover \$2,050,116 in state aid that the

district never received, plus additional state mandated costs of \$252,761.

According to the acting board secretary, Harold Burdge Jr., the district has not yet received official notification regarding when and how the rebates will be made. However, Burdge indicated that approximately 85 percent of the 1976-77 tax increase attributed to the Regional District would be returned to property owners as a result of the rebate.

In terms of points, Berkeley Heights residents will receive approximately 10 points back from last year's 12-point increase; Clark residents' 31-point increase will be reduced by 26 points; in Garwood, the regional tax levy will be reduced by 17 points out of 20, and Kenilworth residents will receive 19 points back out of a 22-point increase. Mountainside's 24-point increase is reduced by 20 and Springfield's 21-point increase is reduced by 18.

Dayton High plunges still deeper in cellar

By MIKE MEIXNER The Jonathan Dayton Regional High School basketball team fell deeper into the Suburban Conference cellar by dropping a 68-52 decision to conference leader Caldwell and bowing to Madison, 77-63.

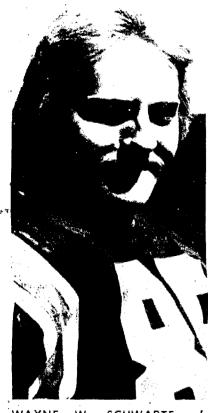

The Bulldogs, now 1-8 in conference play, will try to stop a long losing streak when they travel to Millburn to face the 6-4 Millers.

Meeting at 8 for Boosters

The Jonathan Dayton Regional High School Booster Club will hold its monthly meeting tonight at 8 in the school athletic lounge. The club is sponsoring a dance to be held in March, and final plans will be reviewed.

A \$600 scholarship has been awarded to Ted Johnson of Colonial terrace, Springfield, who is attending college. A spokesman said, "Members of the Booster Club have been working hard raising monies toward the scholarship fund, but find it a very rewarding effort. We would like more parents to become active and support our activities."

WAYNE W. SCHWARTE of Mountainside, a sophomore, was a linebacker on the football squad last fall at Susquehanna University, Selinsgrove, Pa. He is the son of Mr. and Mrs. Erwin Schwarte of Glen road.

overtime loss to powerhouse Caldwell, stayed close in the early going. Kevin Doty helped the team stay within striking range and, at the close of the initial period, the score stood at Caldwell 16, Springfield 14.

The middle two quarters again proved to be Dayton's letdown. At halftime, Dayton trailed by 10. Nearing the middle of the third stanza, the Bulldogs finally came awake. closing the gap to six points at one time but again faltering. A 10-point Caldwell binge put the Chiefs up by 16 as the guarter closed. The teams matched up point for point in the final period of play, each tallying 19.

Doty led Springfield with 22 points. He hit constantly underneath enroute to a strong shooting performance. Steve Pepe hit four times from the floor and added two more markers from the charity stripe. Kevin Walker also contributed 10 points and ripped down 12 caroms.

--0--0--

WALKER, a 6-5 center, played agressive defense but it was not enough to contain high scoring forward Tyrone Holloway who garnered 31 points. Five other players, Ken Fingerhut, Brian McNany, Ted Parker, Willie Wilburn and Frank Zahn, all hit once from the floor for Dayton. Skip Liguori added some timely passes to the Bulldog attack while Ken Feld, Ken Baskin, Dave Ironson and Israel Joseph all saw action in the loss.

Madison quickly jumped to a large lead before the Bulldogs could recover, and the 14-point first quarter advantage stood until the close of the game. Steve O'Donnell scored 10 first-period points to key the surge. Dayton, using an altered lineup which saw JoSeph, a junior, starting in place of Wilburn, could not cope with Madison's run and gun game plan and thus was obliterated in the early stages of the contest. The Bulldogs finally came back, outscoring the Dodgers by three in the second half. However, it was not nearly enough.

Again, Doty was the key offensive factor, scoring a game high total of 30 points and leading the rebounding. His impressive total represented his career high output at Dayton. Wilburn, upon entering the game in the first half. quickly became an integral part of the offense. He hit five long-range jump shots for a total of 10 points. Pepe was held to six points by the tenacious Dodgers and didn't score a single point from the free-throw line, his usual forte. Ironson scored five points, his first scoring of the year. McNany, captain of the team, saw considerable action and tallied four points. Fingerhut and Walker closed out the scoring with three and one, respectively.

Dayton scores; Pepe hits 37

Dayton Regional ended a seven-game losing streak by beating Suburban Conference opponent West Orange, 79-70, in Springfield yesterday. Steve Pepe, after sitting out the first few minutes of the first quarter, scored 37 points.

The victory raised Dayton's conference record to 2-8. The squad's overall record is 7-9. The team's prior victory was also against a Suburban Conference rival, Madison. West Orange is 6-4 in conference play. Dayton was down by a point (34-33) at the half. But Pepe's ferocious play, marked by drives to the basket, led the team to the victory in the last two quarters. Other scorers for the Springfield squad: Kevin Doty 14, Willie Wilburn 11, Kevin Walker 9, Kenny Fingerhut 8. Brian McNany was among the starters.

Jr. Minutemen beat Boonton, stay undefeated

By CRAIG CLICKENGER

The undefeated Junior Minutemen of Springfield chalked up their 14th victory of the season last Saturday as they defeated Boonton, 60-46. The Minutemen will play host to Warren Saturday and Maplewood on Wednesday. Both games will be played at the Florence Gaudineer School.

The Juniors outrebounded, outshot, and outhustled their seventh-grade opponents from Boonton. Robert Steir was the major force in the game for the Minutemen. He scored 18 points, ripped down 13 rebounds and grabbed four steals. The Boonton players were unable to stop Steir's strong moves to the basket from his low post position.

Peter Ard also had an impressive night in the rebounding and scoring columns. Ard finished the game with 12 points and nine rebounds. Larry Maier, the Junior point, added punch to the offensive attack with nine points.

Danny Circelli was the leading playmaker with six assists. "Cir" shot for six points while John Sivolella knocked in five. Sivolella also pulled in five rebounds to give the Juniors added strength off the boards.

strength off the boards. Kenny Palazzi scored four points, Marlon Jackson had three, Robert Horsewood had two and David Johnson netted one point to round out the scoring. Thomas Ard, Ron Fusco, Kyle Hudgins and Jon Usdin got into the game and helped the Juniors with solid floor games and impressive defensive efforts. Dayton, now 6-4, will face Kenilworth in a home meet this Friday.

Five pins by Dean Pashian at 101 pounds; Alan Layton, 135 pounds; Dan Solazzi, 148 pounds; Ken Bell, 158 pounds, and Rick Cederquist, 170 pounds, propelled the Bulldogs to their victory. Pat Picciatio, 108 pounds; Mike Calabrese, 115 pounds, and Dave Getchlick, 129 pounds, outpointed their opponents for the remaining victories. But what had been gained in the

But what had been gained in the Cedar Grove triumph was lost against Summit three days later. A lethargic effort by the Bulldogs plus a four-pin attack by Summit combined to spell defeat for Dayton.

Two pins by Dean Pashian and Dave Gechlick plus victories by Mike Calabrese, Alan Layton, Pat Smith and Dan Solazzi were not enough to halt a late Summit charge.

Head coach Richard Iacono was disappointed about the loss to Summit. "What can I say?" asked Iacono, "We should never have lost that match, but we wrestled badly. They got the pins and we didn't."

Although a highly talented team, Dayton is still young. With experience, the inconsistency they are showing this year, should disappear in the very near future.

Bulldog track team finishes 4th in relays

By MICHAEL PETRO The Jonathan Dayton Regional High School indoor track team completed a victorious week by finishing in fourth place in the Union County relays after defeating Clark 60½ to 16½ earlier in the week.

The Bulldogs, who are 3-0 in dual meets this year, will compete in the Northern New Jersey Championship meet this Saturday.

By BILL WILD

The training that the Union Lancers players are getting is starting to pay dividends. After coming in fourth in the Clarkstown Indoor Tournament (out of eight teams entered) the new mighty midgets traveled to Flemington and played to a 1-1 tie against the local team. The court was small and so was the goal mouth to make it difficult to score.

Their next outing in Bridgewater was the opposite with a large court and an even larger goal. There were 37 goals scored in that game with Union coming out on top, 22-15. John Falisiewicz with nine goals and Karl Schellscheidt with eight goals were the scoring leaders of the match. Both boys go to St. Michael's School in Union. John Dziadzio of Connecticut Farms in Union added two more while standout defenseman Gerald Dipisa of Hamilton School, Union, also scored. The remaining two goals were shot by Stephen Schmidt. John Lenergan of Hamilton School was outstanding in goal for Union.

Other team members of this 8 and 9year-old squad are: Marsh, Maas, Hausler, Kemtner, Hoeffner, Lilley, Rapczynski and Wolf. -0--0--

IT IS THE END of an era and the beginning of a new one for the Cosmos soccer team. The Cosmos recently announced that forward Jorge Siega, the first player ever to sign with the team, has been released from his contract.

I could think back when Siega played with the German Hungarians years ago and the Knitters were pushing the Lancers for the top spot in the German American Soccer League. The deciding game was played in Farcher's Grove on a very windy cool Sunday. You couldn't see across the field because of the dust in the air: sometimes it was the wind and other times it would be Siega. The Lancers won that game by one goal, scored by a player called Chardim, but the fact was that Siega was on the opposing team and things could be turned around at any given time. It was one of the better games played at the Grove that season.

The last time I saw Siega play was at Yankee Stadium this past season when the Cosmos trounced Washington, Jorge played the final 15 minutes of that match. Maybe now we will see him back at Farcher's Grove.

With Jorge Siega leaving the team we swing into a new era for the Cosmos. I am saddened that Siega can't be a part of the era the Cosmos have before them. He was part of the team that played in many stadiums, good and bad. They played in Long Island then back to Randall's Island, at Yankee Stadium twice. Not only the new

The county relays placed some of the best teams in the area against the Buildogs but a consistent job by the Dayton athletes kept them at the top. Brandon Gambee threw the shot 54

feet, 5 inches to finish in third place in the shotput.

Brian Belliveau took a fifth in the high jump with a leap of six feet. The mile relay team of Frank Ruggieri, Jim Stadler, Rick Spina and Harvey Kaish came in third.

Ruggieri placed fifth in the hurdles and Bob Roche ran to a third place finish in the two-mile with a time of 10:04, his best of the year.

Other Dayton competitors were Jay Fine in the hurdles, Peter Kramos in the quarter mile and Brad Weiner in the mile.

Head Coach Martin Taglienti was very happy with the team's finish. "We did quite well. We beat most of the Group 3 and Catholic schools," he said.

Clark never provided much of a threat to the Bulldogs in their confrontation preceding the county relays. Dayton swept nearly every event in the meet.

Belliveau, Fine and Mark Walls took first, second and third in the 60 yard hurdles.

Mike Carroll and Harvey Kaish finished one and two in the 60-yard run and the quarter-mile. Stadler and Jay Hannigan came in first and third, respectively, in the half mile, and Roche and Chris Clunie captured a first and third in the mile.

Brad Weiner and Greg Rusbarsky placed first and second in the two mile as Gambee, Don Lusardi and John Guilana swept the shotput event.

STP-5, Bullets win in DIPPER basketball play

The STP-5 (7-1) and Lead Bullets (5-3) posted convincing wins in the Daily Intramural Program Physical Education Recreation (DHPPER basketball play while the White Demons (7-0) and Red Crusaders (4-1-1) won in floor hockey in the 10th week of DIPPER games in the Jonathan Dayton Regional High School boys' gym last week.

The STP-5, on the hot shooting of Dave Cowden (32), Lou Spirito (14) and Ron Nash (12) beat the Red Tigers (1-7), 58-39. Paul Kanengizer, Bill Munley and Doug Grant tallied 16, 15 and 8 apiece for the Tigers.

Jin: Stadler's 23-point effort led the Lead Bullets to their 63-54 conquest of the Black Wings (4-6) with Jay Liss, Bob Conte, and John Kronert adding 14, 7, and 19. Wings scorers included: Rich Minster 20, Mark Kesselhaut 6 Harvey Kaish 12, Tom Brennan 2, Mike Lemmerman 4, Joe Sangregorio 8 and Gino Circelli 2.

The Demons posted their seventh consecutive victory as Brian Belliyeau slammed in four goals, Dave Falcone two and Jeff Bromberg one en route to a 7-1 win over the Gold Rovers (1-3-1). Joe Sangregorio scored the Rovers' goal from 20 feet out late in the game.

The Crusaders stung the Green Hornets, 9 1. as John LaMotta, Frank Zahn, and Ken Fingerhut were credited with a pair of goals each while Hans Weickel, Bill Young, and Bob Bohrod had solo scores. Rob Schneider turned away all shots except Alan Arnold's rebound score for the Hornets. John Haws, Kenn Todd, Randy Bain, Ray Rapuano, John Alexy and Don Zahn played well for the Hornets. Some sparkling play by soccer coach Artie Krupp propelled him to the top of the Dayton Faculty ping pong DIPPER ratings. Tom Baker, Tony Falzone, John Kovelsky, Ed Broderick, Tom Kapter, Ed Jasinski, Jim Skobo, Frank Clancy and Joe Trinity. Top doubles ratings: Art Krupp and Ray Yanchus, Frank Clancy and Lois Conley, Joe Trinity and Len Ferrara, Jim Skobo and Tom Kaptor, Bill Bryne and George Karpinski, Bob Kozub and Bob Cardwell.

Senior Minutemen beat Boonton for 11th triumph

By CRAIG CLICKENGER The Springfield Senior Minutemen rolled past Boonton last Saturday, 75-47. The Seniors, now 11-2, will face Warren this Saturday at home.

The Minutemen, minus Billy Chesley, the starting center, who was out with a hand injury, played superbly. Donald Meixner led the way for the Seniors as he more than made up for the absence of Chesley. Meixner poured in a personal season-high of 18 points. He also grabbed 25 rebounds and led his team in assists with five. Roy Zitomer and Billy Condon tallied 11 and 10 points respectively. Zitomer shared the lead in steals with five as he played excellent defense while Condon dazzled his opponents on offense with sparkling drives to the hoop.

Alan_Berliner spearheaded the minuteman attack at point and netted eight points. Jerry Blabolil hit seven points in the contest and helped Meixner off the boards with 13 rebounds. Steve Altman came off the bench and scored nine points and grabbed five steals.

Reserve guards Todd Leonard and Dave Geltman knocked in six and four points respectively. Larry Walker recorded a bucket to finish the scoring and Jeff Cohen, Jack Chin, and Eric / Rutstein all saw yaluable action in the game.

The Cosmos are putting together a soccer machine that will delight soccer fans around the world and we have them right here in our back yard. The Cosmos need fans to make this soccer dream-machine work. An employer can buy a new machine that does everything it is supposed to do but if there is no one to turn it on and to watch it and to appreciate what it does, the machine is useless. This is where New Jersey soccer fans come into the picture. We are the ones who can turn on this machine and keep it going so we must support the Cosmos in every way we can.

President

The Executive Order recently issued by Governor Byrne to Dear Friends: cope with the present energy crisis will dramatically affect the economy and every resident of the State of New Jersey. Already several thousand companies have had to close or substantially

curtail normal business activities because of fuel shortages. The officers of United Counties Trust Company recognize

that the lives of many customers will suffer because of forced unemployment or loss of income. We sincerely hope this

emergency will be of short duration. In keeping with the Governor's dictum, we have announced banking hours at our 29 offices which we hope will result in a

minimum of inconvenience to our customers. We are concerned, however, about the prospect of more serious problems which may face borrowers whose incomes have been affected. If our present emergency has created a worrisome payment situation for you, we extend a "warm" invitation to come in and discuss the problem. Please call the appropriate number below, and we'll do all we can to help you make any necessary adjustments. Even if you are not a customer, we would like the opportunity to assist you are not a customer, we would not opportunity to under-you in this time of emergency. We assure you we will be under-

support for arts projects and organizations throughout the state.

Harry Devlin of Westfield, chairman of the Council's Grants Committee, said that the awards in Union County are part of the agency's total of more than \$200,000 in matching grants and fellowships during the current fiscal year.

The Plainfield Symphony Orchestra Society received a grant of \$1,500 to help offset the costs of staging family concerts. A grant of \$500 was made to the Summit Chorale to help the organization defray the cost of a special performance schedule in Newark. A grant of \$2,000 was made to the Union County Cultural and Heritage Commission, based in Cranford, to help finance a program of dance, drama, music and crafts at plant locations and auditoriums in the area.

The state council awards matching grants each year to non-profit organizations and agencies which provide arts programs and services for the public. Fellowships are awarded to individual artists to help them complete a work in progress or to start a new one. The council makes awards in music, dance, visual arts, camera arts, environment and design, writing and expansion arts.

The State Council on the Arts is an agency of the New Jersey Department of State. Members are appointed by the Governor and contribute their time to the work of the council.

Baris Inc. bridges urban-suburban gap

In several ways the Irvington-based real estate brokerage firm of Jordan Baris, Inc., is different from other Realtors. While they concentrate on properties strictly categorized as either urban or suburban, Baris is involved with both. The firm also has not limited itself to one type of property sale, but, rather, offers both residences for families and apariment houses, office buildings a n d commercial properties for investors. With more mortgage money available at sub-

stantially lower rates, this broad range of operations makes Jordan Baris, president of the 24-yearold firm, optimistic about continued success during 1977

Over 200 exhibits, representing leisure · activities of residents of the adult community at Whiting, Ocean County, were on display in the fourth annual fair held at Harmony Hall Clubhouse on Rt. 530, eight miles west of Toms River and Exit 80 of the Garden State

Laurel in the Pines offers carefree style

While there are no age limitations at Laurel in the Pines off North Lake drive in Lakewood, "the community is especially appropriate for today's young, growing family." That's the view of Phil Taylor, sales and marketing director for the distinctive condominium community.

"Buyers are in creasingly sophisticated about the unique combination of benefits that can be enjoyed in our community,'' says Taylor. 'The advantages of tax deductions and carefree living are especially important to the young family." And now a buyer can save himself up to \$13,000 off the original selling price at Laurel in the Pines.

Since residents own their apartment-homes, they are entitled to deduct real estate taxes and mortgage interest in preparing federal tax returns. In these inflationary times, this traditional right is especially valuable. This is one reason why many young couples now make their first home in a condominium community rather than an apartment.

Aside from the tax consideration, a condominium home is also an important investment. Residents gain equity in their homes with each passing month. And assuming a continuation of historic real estate trends, each home can be expected to become more valuable in the future.

"Some young marrieds indicate that they see condominium living as a very important stepping stone toward eventual purchase of a traditional detached home," says Taylor." But many will undoubtedly change their minds when they realize that the concept also frees them from all exterior maintenance worries." At Laurel in the Pines, there are no worries about unsightly weeds, fastgrowing grass or even snow-covered driveways. These and all similar outside jobs are performed by professionals for a modest monthly fee. With gasoline prices on the rise, buyers are showing great interest in the community's onsite-recreation complex and the

meeting room and saunas. and continue to the in Laurel in the Pines may tersection of Rt. 9. Turn be reached via Exit 91 of left at the traffic light and the Garden State Parkway. Versatile star has same role

Peter Sellers has played more than 50 diverse characters in his film career, but only in the Pink Panther comedies has he repeated a role.

For the fourth time he can be seen as Inspector Jacques Clouseau in "The Pink Panther Strikes Again," which is being held over for another week the Maplewood at Theater, Maplewood. He played the bumbling French sleuth in "The Pink Panther," "A Shot in the Dark" and "The Return of the Pink Panther.'

Sellers, who was born in Southsea, Hampshire, is from a show business family. His parents were in the theater, eight of his uncles were stage producers at the same time, and his grandmother, known as Ma Sellers, introduced revue to Britain at the turn of the century.

His ancestors include the 18th century bare-fist champion of England, Daniel Mendoza.

Citizen input sought DEP plans coast survey

Do you have a favorite fishing spot, barrier beach or scenic area you'd like to see protected under the state's coastal zone management plan? If so, tell the New Jersey Department of Environmental Protection.

David Kinsey, chief of DEP's Office of Coastal Zone Management, said designation of geographic areas of

Unemployment benefits waiting week is waived

Unemployed workers in New Jersey who have or are filing claims for unemployment insurance benefits will be compensated for the first week of unemployment because of action taken by John J. Horn, acting commissioner of the N.J. Department of Labor and Industry, at the direction of Governor Brendan Byrne.

"Our standard procedure requires that there be a waiting week before a claimant begins to earn benefits. This waiting week is now being waived and workers will receive their full schedule of benefits by these new procedures," Horn said.

At the urging of state labor union officials, including representatives of the State AFL-CIO, the auto workers, and the building trades, Governor Byrne recommended to Commissioner Horn that the waiting week be waived.

He said, "In addition to the waiving of the waiting week directive, I have instructed our local unemployment offices to remain open in the evenings and on Saturdays, as necessary, to handle the avalanche of claims we are now receiving. Every effort will be made to expedite claims of the unemployed workers and to insure that they will not have to stand outside our local offices in the cold waiting to make application,' Horn added.

'Focal Point' topics

The status of blacks in correctional institutions, the Joanne Chesimard case, and the issue of capital punishment will be the topics discussed on New Jersey Public Television's "Focal Point" program, Sunday, Feb. 20, at ·7:30 p.m.

You can nominate places such as coastal waters and bays, rivers, streams, lakes, wetlands, barrier beaches, prime forest areas, even depressed urban coastal areas, or other various locations deserving special consideration.

"This is your opportunity to nominate your favorite area," Kinsey pointed out. "Let DEP know before the end of March so we can consider your suggestion."

Kinsey asked New Jersey residents to send their choice spots to him at the office of Coastal Zone Management, Department of Environmental Protection, Box 1889, Trenton 08625.

January 1977 a record-setter

ended-setting records. It was the coldest January in the records of Union College's Weather Station, a cooperative station of the National Weather Service.

The 21.6 mean temperature was 7.9 degrees below normal and a departure of 4.9 degrees from the 1976 mean of 26.5 degrees, according to Raymond Daly,

The maximum temperature for the month was 47 degrees on Jan. 29 and the minimum temperature, minus five degrees on the 17th. The lowest temperature for January on record was minus eight degrees in 1961.

Total snowfall, Daly reported, was 12.65 inches, which set no record. The greatest January snowfall on record was 18.8 inches in 1965. The total snowfall for this snow season, which began in November, however, is 18.15

1,325.5, bringing the total to date for this heating season to 3,756. Total degree days at this time last year, Daly noted, was 2,910.

14 million workers earn minimum wage increase

The federal minimum wage increased to \$2.30 an hour for nearly 14 million workers on Jan. 1. The total number of workers now covered by the \$2.30 minimum will be 51 million.

Workers brought under the protection of the Fair Labor Standards Act in 1967 or later benefit from the Jan. 1 increase. Workers covered before 1967 have been entitled to the \$2.30 rate since Jan. 1, 1976.

Of the almost 14 million workers covered by the new minimum, more than two million will receive the hourly increase. The rest of the workers covered by the wage increase are already earning the \$2.30 minimum or more.

Firewood offer at state parks

There are 14 state parks and forests in New Jersey where individuals may secure a permit to collect or cut dead firewood for use in home stoves or fireplaces, the Department of Environmental Protection announced this week. The fee is \$5 per cord. (A cord of wood measures 4 feet by 4 feet by 8 feet.)

Wood cutting is permitted only in certain designated areas. The permit must be secured in person from the park or forest superintendent. The wood is for private use only and cannot be resold.

State parks and forests which have designated wood cutting areas are: Allamuchy, Jenny Jump and Wor-thington (Warren County); Ringwood, Stokes and Wawayanda (Sussex); Bass River, Lebanon and Wharton (Burlington); Washington Crossing (Mercer); Voorhees (Hunterdon); Hacklebarney (Morris); Allaire

Employment categories covered by the change include:

-Laundry and dry cleaning establishments;

-Construction enterprises with a gross annual business volume of less than \$350,000 (larger construction firms are already subject to the \$2.30 minimum);

-Private hospitals, nursing homes, preschools, schools and colleges;

-Hotels, motels, restaurants and certain other enterprises with an annual gross sales volume of at least \$250,000;

-All branches of an enterprise, if the enterprise as a whole grosses at least \$250,000 annually (ending a current exemption for individual establishments grossing less than \$200,000); and

-Household domestic workers. In addition, farmworkers covered by

a current \$2 minimum wage became entitled to \$2.20 an hour Jan. 1, with a subsequent increase to \$2.30 on Jan. 1, 1978. The act, which sets minimum wage,

overtime pay, child labor and equal pay standards, is administered and enforced by the Employment Standards Administration's Wage and Hour Division.

N.J. war veterans to get **Gl** insurance dividends

Veterans living in New/Jersey who are insured under government life insurance policies issued during World War I and II and the Korean Conflict will receive a record total of \$16.7 million in dividends during 1977, according to James R. Purdy, director of the Veterans Administration Regional Office in Newark.

Such dividends are paid annually to holders of World War I U.S. Government Life Insurance (USGLI), World War II National Service Life Insurance (NSLI) policies and Veterans Special Life Insurance (VSLI) policies.

Vietnam veterans are covered under Veterans Group Life Insurance .(VGLI), a term policy that does not pay dividends but has compensating benefits.

Purdy said a record \$403.4 million in total dividends will be paid this year to some veterans across the country, an increase attributed chiefly to higher interest earnings on the VAadministered insurance funds.

The national average payment to some 114.452 World War I veterans, Purdy said, will be about \$202 each. Some 3.5 million World War II veterans
