CHECKING THE SCHEDULE — Deerfield counselor Edwin Sjonell and PTA Chairmen Fran Frank (center) and Joyce Antonaci make sure the schedule is working smoothly on Career Awareness Day.

## Deerfield students get first-hand look at various careers

The third annual "Career Awareness Day" at Deerfield School offered seventh- and eighth-graders the unusual opportunity to hear first-hand from people in a variety of careers.

Following a keynote address, "Athletics As A Career," by Peter Falzarano of Jonathan Dayton Regional High School, students could choose from among 15 different speakers. Half-hour sessions in small group setting gave the young people time to hear comments from someone in their field of interest and to ask questions.

The day's activity was planned by Deerfield Guidance Counselor Edwin Sjonell and PTA Chairwomen Fran Frank and Joyce Antonaci. It is part of an ongoing guidance program designed

to acquaint students with the many career choices open to them.

Mountainside residents who were guest speakers included Tom Von Der Linn, art; Lola Wachsbart, interior design; Marilyn Hart, psychology; Tim Benford, journalism; John Graziano, computers; Board of Education President Arthur Attenasio and Charles Irwin, law, and Mark Merrill, photography.

Other guests included Officer Robert Lowyns of the Mountainside Police Department and physical therapist Michelle Meszaros of Children's Specialized Hospital; Dr. Dengi Sarle, Westfield veterinarian; Dr. Charles Dooley, Westfield physician, and oceanographer Jerry Mandel of David Brearley Regional High School.

## Spring concert set for Wednesday night

The annual Spring Concert at Deerfield School will begin at 8 p.m. Wednesday, in the school gymnasium, and will feature students in both vocal and instrumental music.

The chorus, including students in grades five through eight, will perform selections from "Fiddler on the Roof" and "New York, New York."

In an instrumental presentation, clarinetists will play a Spanish medley, trumpet players will perform "The Trolley Song" and "Give My Regards to Broadway," and flautists will present a medley from "The Sound of Music."

The school band will perform selections including "Reuben and Rachel," "Norwegian Wood," "Little Brown Jug" and "Starship One." "Aura Lee for Two" will feature soloists Marc

Franciosa on the clarinet and Matt Swartz on the cornet.

Charles Guinta and Howard Kravitz are music teachers at the school.

Fourth-graders at Beechwood School presented their spring concert last night.

Among selections performed by the fourth-grade chorus, under the direction of Doris Julian, were "Be A Friend," the spiritual "Oh, What A Beautiful City," and "Round of Good-byes."

Instrumental soloists included Scott Boyd, Brian Delaney and Allison Dorlen, trumpets; John Maxemchuk and Dwight Dachnowicz, trombones; Nancy Okseniuk, violin, and Beth Engert, clarinet. Lauren Merklinger and Valerie Rau performed a clarinet duet.

## VFW post plans sale of poppies, service

Mountainside Memorial Post 10136, Veterans of Foreign Wars, has urged all citizens of this area to wear a VFW Buddy Poppy on Memorial Day as a symbol of respect and appreciation for the men who have given their lives and health in the service of their country.

The post also has announced its plans for a Memorial Day program.

Poppy Chairman Rudolph Graf has announced that poppies will be sold by VFW volunteers Saturday through Memorial Day. This year will mark the 60th consecutive year of the sale of poppies by the VFW.

The poppy as the "memorial flower" was inspired by the opening words of Col. John McCrea's poem "In Flanders Fields," which paid tribute to the men who lost their lives among the fields of poppies on one of World War I's historic battlefields.

This year, more than 10,000 posts of the VFW will participate in the sale. Nearly 100,000 volunteers will sell more than 15 1/2 million of the flowers. Under

VFW rules, the funds derived from the sale must be used exclusively for the welfare of deceased and needy veterans and the widows and orphans of veterans.

On Memorial Day, post members will join other organizations and march in the annual parade in Westfield. They also will participate in the services for deceased veterans at Fairview Cemetery that morning.

At noon, a special program will be conducted by Commander James A. Dowd at the memorial plaque in front of the Municipal Building. The program will honor George Boyton, Charles Dunn, Harold Force, Michael Iannone, Robert E. Johnson, Alan Lindberg and Justo R. Schmidt, who were killed in World War II. Also honored will be William F. Little III, who was killed in Vietnam, and James Egan, who is still listed as missing in that conflict.

All post members have been requested to participate in both events. The public has been invited.

## Moore is indicted

A three-year veteran of the Mountainside Police Department may face a maximum prison sentence of 10 years and \$15,000 in fines if convicted of charges of being in the possession of two stolen luxury cars.

Wesley Moore Jr., 35, of Bayberry Lane, was indicted May 12 by a special Union County grand jury on two counts of theft and two counts of receiving stolen property, according to Union County Assistant Prosecutor David Hancock.

The incident was triggered after a 1982 Lincoln Continental, valued at \$15,000 and a 1982 BMW worth \$25,000 were discovered in Moore's garage on March 26 after an "anonymous" telephone tip led authorities to investigate the residence.

According to Hancock, Moore visited the dealership of Thomas Lincoln

Mercury, Westfield, back in January. Moore showed interest in the Lincoln Continental at that time. Later that day, Moore was discovered to be in the possession of the car keys. "The car was discovered missing over the weekend," Hancock said.

Moore test-drove the BMW from the JMK Auto Sales on Route 22 in Springfield. When someone came in to test-drive the car, the keys were discovered missing. Hancock said the keys to the BMW were found hidden under another car in the lot. The BMW also was reported missing several days later.

Hancock said he alleged Moore made duplicate car keys, returned to the car lots and stole the vehicles.

Moore has been suspended without pay from the Police Department, according to Police Chief William Alder.

## Parents' objections delay teacher's reassignment

J. W. BURNETT

The regional Board of Education Tuesday night faced a group of parents, disturbed about a personnel change at David Brearley, Kenilworth. The parents' appeals have delayed the changes.

At issue was the reassignment of Maria Settimo, a guidance counselor at Brearley, who is to be returned to what the superintendent's agenda termed "a schedule as a teacher of Italian."

"Her return to a teaching assignment for 1982-83 reflects a planned reduction in staffing levels in the district guidance departments," said the superintendent in the agenda.

The parents objected, however, because they said they felt this guidance counselor was exceptionally interested in the students' well being.

Charles Vitale, board member from Kenilworth, said: "Over the course of

the week, I've received four telephone calls about this teacher and have been visited by two separate sets of parents."

Settimo reached very deep to pull out the very best in our students. I would ask the transfer be at least delayed for further study by (the superintendent's) department and the teacher's committee," Vitale said. The motion passed.

Board business Stephen Marcinak, board president, decided to bring a matter that might ordinarily be done behind the closed doors of executive sessions into the public forum.

Marcinak was trying to institute a change in the procedure for making curriculum assignments. "I thought the public might like to see how nice we can be," he said.

All committee assignments are decided by the board president. In the

past, presidents have simply assigned board members to committees according to the wishes of those members.

Marcinak, however, is trying to institute a system of revolving committee membership that would replace the chairman every year and completely revise committee membership every three years.

Under Marcinak's plan, committee chairmen would leave the committee after one year, to be replaced by a committee member who has served two years. After this member has completed his year as chairman (his third year) he would go off. Each time a committee chairman leaves the committee, a new member would be named to replace him.

Marcinak asked for board reaction and got an almost total rejection of his scheme for rotation. John Conlin, board member from Garwood, said "the

desires of members should be considered and areas of expertise should most definitely be considered."

The measure was simply being discussed for board input and because the committee members serve at the pleasure of the board president, no vote on the measure was required, observed David Hart, board member from Mountainside.

In another discussion item, the board listened to a talk by Peter Sagal, a student at Gov. Livingston Regional High School, Berkeley Heights, who is a student representative to the state Board of Education.

Sagal, who serves to give New Jersey's students a voice on the state Board of Education in Trenton, suggested the regional board create a similar seat for more student input. He said such a system is working well in Toms River and other communities.

## Dayton marching band to take winning ways to Toronto event

By DAVID GOLD

Not many groups can truthfully say that, for their classification, they are the best. One such organization is the Jonathan Dayton Band.

Under the direction of Jeffrey Anderson, the band has taken first place for the last three years in the Group 1, Chapter Five Tournament of Bands.

Aside from having enough points to win the overall championship this year, Dayton also captured individual section trophies. These include best percussion section, best majorette and best band front.

The band's next competition will be this weekend in the Toronto National International Band Festival. They will leave from Dayton Friday night and arrive Saturday afternoon. That night, the Indoor Guard will perform, to be followed, Sunday afternoon, by the entire field show. The competition will in-

clude bands many times the size of Dayton's. Few, if any would be classified as a Group 1 band. But, with talented performers such as Julie Bluhm, Nancy Hamil, senior drum major, and Cindy Civano, junior drum major, Robert Pracht, Jeff Lipton, John Seaman and Mark Parmet, Anderson hopes the band will finish in that category.

Anderson said he feels that Jonathan Dayton is decisively better than any other Group 1 band he has seen in "every consideration." Much of the credit for this he gives to the superior leader program at the Florence Gaudin School in Springfield. Rather than having to start from scratch to train a band front and color guard, Anderson receives many freshmen with two and three years of experience.

The band itself can be broken down in

many different ways. Sections of the outdoors or marching band include percussion, brass, woodwind brass and rifles, flags, picks, members who take care of the equipment and make sure that the field shows are set up properly, majorettes and a color guard. Aside from the marching band, many musicians also participate in concert bands, jazz ensembles or performance

Anderson commented that his people have a fairly good attitude and that they enjoy participating in the band. He cautions, however, that they enjoy it because they do a good job and are successful and that they do not slack off to have a good time when they are working.

This winning tradition and spirit seems to be becoming standard at Dayton. Anderson said he is quite confident that the program is firmly

established and will continue to grow. However, he further indicated that it may be a long time till he finds another senior class like the one of '82.

"This is the best band to ever come out of Jonathan Dayton," he concluded.

Also coming up for the band, May 29, will be performances at the Chatham International Amateur Soccer Meet followed by a halftime appearance later that afternoon at the Cosmos-Chicago Sting NASL soccer match at Giants Stadium.

The band has achieved a certain level of excellence, but Anderson has not been able to do it alone. Assisting him were Betty DiLapi, in charge of flags, Ed Doscher, a former Jonathan Dayton student in charge of weapons, and Irwin Liss, also a Dayton alumnus, who choreographs the marching.

## Strong pitching cools off Little League bats

The pitching at last gave signs of catching up with the hitting in the Mountainside Little League as the Yankees recorded the season's first shutout in American League play with a 2-0 blanking of the Astros. Peter Gittich delivered a two-run single in the first inning, and Gittich and Richard Antonacci combined on the mound for a two-hit effort. Richard Roche was effective on the mound for the Astros with infielder Kevin Delaney backing up Roche with stellar fielding support.

The Astros again got fine pitching from Colin Gordon and Douglas Sadtler, and this time managed enough offense to eke out a 2-1 verdict over the Angels. John Rau's triple in the first inning was the decisive blow for the Astros. Chris Chiavarelli and Sean Stevens pitched well enough to win for the Angels, but received little hitting support. Tom Chippendale sparked the Angel defense with several fine plays in the outfield.

The Phillies edged out the Angels, 3-2, on back-to-back singles by the brother-sister combination of Chris and Maria Maresca followed by a long home run by Steven Matejek. Scott Meissner struck out the side in his one-inning relief stint to record the win. Chris Chiavarelli, Sean McGrath and Robert Oswald keyed the Angel attack, and Jill Mennela played a fine game in the infield.

The Mountainside Major League also featured a pitcher's battle with the Vikings prevailing 4-1. Mike Sabatino and Stephen Koltun provided the hurling for the Vikings as Keith Hagey and Peter Rosenbauer took care of the run production. Pitchers Eric Incandella and Craig Carson each struck out six for the Twins, who were lead offensively by Jamie Schram, Carson and Richard Fericola, each with two hits.

The Vikings made it two wins for the week, breaking up a tie game with a 10-run fifth inning in a 16-7 triumph over the Dodgers. Mike Sabatino and Matt Ventura sparked the Viking scoring

with Sabatino contributing a long home run. Joe Hurlley made a diving catch at short to start a game ending double play, and George Harrison saved two runs with a hustling play in right field. Dave Martignetti cracked two triples, and Mike Jackson and Alan Gardiner hit one each for the Dodgers. Chris Lafon patrolled the outfield effectively.

Three innings of shutout relief work by 10-year-old Grayson Murray paved the way for the initial Dodger win of the season, 10-7, over the Braves. Dave Martignetti and Justin Toner each had two hits for the Dodgers with Glen Miske contributing a smooth game from the catching position. Tom Logio and Glenn Stevens were the hitting stars for the Braves as John Maxemchuk and Augie Von DerLinden kept the Braves in the game with several fine outfield catches.

Interleague play between the Mountainside and Springfield Pony Leagues got off to a fine start with the Mountainside Mavericks coming from behind to

top the Springfield Lions, 9-5. Jim Clifford started strongly for the Mavericks and Mike Wood came on in relief to preserve the win. Darren Iaione and Steve Birnhack had the key hits for the Mavericks. Chris Petino had three RBIs for the Lions and Ken Garguilo chipped in with two hits.

The Mountainside Colts scored early and often and breezed by the Springfield PBA, 11-2. Kevin Everly and Todd Richter hurled effectively, with Richter pitching three scoreless innings. Joe Grande cracked a three-run double to get the Colts off to a quick start. Jim Rau and Richter each had two hits. For the PBA, Jack Lynch hit well and Eric Weisholt finished up with two good innings of relief.

## Residents urged to complete survey

Helen Rosenbauer, senior citizens coordinator in Mountainside, has reminded residents to complete and return the fact-finding survey mailed recently to each residence in Mountainside and to return it by May 29.

Two copies of the survey were sent to each borough residence. Extra copies are available at the Free Public Library and Borough Hall.

Part of the questionnaire is to be filled out by all residents, and the remainder is to be filled out by seniors.

## Music group to hold meeting and party

The Mountainside Music Association will conduct its end-of-the-year meeting and party June 11 at 8 p.m. at the home of John and Sally Boyd.

The new slate of officers will be presented at the event.

In other business, a spokesman for the group reported that the MMA-sponsored presentation of the New Jersey Ballet at Beechwood and Deerfield schools was greatly appreciated.

## Squad, firefighters plan celebration

The Mountainside Volunteer Fire Department and the Mountainside Rescue Squad will celebrate the acquisition of a new fire truck and a new ambulance on June 5 from 1 to 6 p.m. in the parking lots of Our Lady of Lourdes and Deerfield schools.

Commemorative mugs will be on sale and refreshments will be available.

SHOUT IT OUT — Dayton catcher David Crane directs traffic as a Pequannock runner crosses the plate. The Bulldogs trailed 7-4 in Monday's state tourney game, but Crane came through with a booming three-run homer in the top of the

seventh to send the game into extra innings. The 'Dawgs were knocked out of state action, 8-7, when Pequannock pushed a run across the plate in the bottom of the ninth. Story and more photos on page 9. (Photo by John Shaffer)

## Delaney attends seminar on chemistry at Rutgers

SPRINGFIELD—Glenn M. Delaney, a junior at Jonathan Dayton High School, was selected to attend a special one-day seminar on chemistry at Rutgers, the State University of New Jersey, yesterday.

Known as the "Chemical Caravan," the seminar was organized by the Chemical Industry Council of New Jersey, an association of 50 chemical companies in the state. The program, in its 20th year, has enlisted more than 3,000 science students since 1962.

Delaney was sponsored by Schering-Plough Corp. of Kenilworth and joined approximately 200 other students from around the state. They met with pro-

fessionals in industry, government and academia to learn about new developments in the field of chemistry and to discuss possible career opportunities.

According to Anne Attridge, president of Schering-Plough Foundation, Delaney was chosen because of his high interest and academic achievements in science.

This year's program was hosted by Essex

Chemical Corp.'s headquarters office in Clifton. L. John Poite Jr., Essex Chemical's chairman and chief executive officer, was the featured guest speaker.

## Russo raps 2 in GOP on tax vote

Former State Sen. Anthony Russo has criticized Republican Assemblymen Chuck Hardwick and Edward Gill for voting against a measure that would have brought more than \$700,000 in local property tax relief to residents of the 21st Legislative District.

Russo was referring to unsuccessful efforts in the General Assembly to override Gov. Thomas Kean's veto of A-877, which would have allowed local governments to anticipate 100 percent of the growth in their public utilities franchise and gross receipts during 1982.

As a result of the veto, Union lost

\$212,180, Russo said; Kenilworth, \$39,780; Roselle, \$60,222; Roselle Park, \$31,128, and Springfield, \$65,229.

Instead, the governor is skimming off a portion of the money — originally intended for local property tax relief — to help balance his proposed \$6.4 billion state budget, Russo charged.

The governor is using for state budget purposes a statewide average of 31 percent of the anticipated growth in utility receipts normally passed on to local governments to help offset property taxes. Over the next two years, \$75 million will be shifted to help balance

the state budget. "For the first time in the 40-year history of this local government revenue, a governor is trying to take this money for his own use, thus depriving local property tax payers of much needed property tax relief," the Union Township Democrat said.

## Correction

In the listing of the honor roll at Jonathan Dayton Regional High School in last week's newspaper, an incorrect first name was given for junior Daniel Klein.

**No sale on the mall**

For three long evenings, witnesses have testified before the Springfield Planning Board on a proposal to rezone a 52-acre tract off Route 22 at S. Springfield Avenue for a shopping mall. The board, which will listen to further testimony Wednesday, has heard vehement objections from the area residents who crowded into the hearing room. "Total gridlock" was what one of them predicted if the mall were to be built; it's nearly "impossible" even now to get onto S. Springfield Avenue, said another; "devastating," said a third.

But we think one of the most telling points against the mall came not from the objectors but from a witness testifying for the developer. Raymond Keyes, traffic consultant, said that during peak hours of mall traffic — 4:30 to 5:30 p.m. and 7 to 8 p.m. — the shopping center would add 300 cars to the 1,200 an hour that now use S. Springfield Avenue.

That's a 25 percent increase — and it does not even touch on the additional cars that would pour onto Route 22, which already is often a motorist's nightmare.

There is another factor to be kept in mind: just a short distance down Route 22, where the Union Drive-In Theater and state motor vehicle inspection station are located, is a site being eyed by another applicant for another mall. True, that variance request has been rejected by the Union Board of Adjustment. But the applicant is appealing, the case is still working its way through the courts and the prospect of that mall becoming a reality cannot be ruled out.

What would happen if two shopping malls were built within virtually a stone's throw of each other on eastbound Route 22, each of them adding hundreds of vehicles to those already snarling traffic on the highway? Ask any driver who has ever been caught in a traffic jam there. The answer is obvious; the objector who predicted "gridlock" may not be far from the truth.

Route 22 is this area's major east-west highway. Except for detours onto quiet residential streets, there is no alternative for motorists. Putting a shopping mall into an area already as crowded as this is an idea that should be promptly rejected.

**Robert Baxter, 57; area photographer**

A memorial Mass for Robert Baxter will be offered at 2 p.m. Saturday in Immaculate Heart of Mary Church, Maplewood. Mr. Baxter, a former resident of Union and a photographer for this newspaper for many years, died Friday in the U.S. Veterans Medical Center, East Orange. He was 57.

Born in Hazelton, Pa., he came to New Jersey as a young man and made his home in Union. A World War II veteran, he was in the Navy from 1943 to 1945, seeing service in the South Pacific.

Mr. Baxter was employed by Public Service Electric and Gas Co. for 17 years before establishing Baxter Associates, a photography business, in Union. He was a photographer for this newspaper and its sister publications until August 1971, when a swimming pool accident left him paralyzed from the neck down.

After the accident, he began writing and published collections of plays, poetry and children's stories. He wrote the Page Four column for this newspaper and, at the time of his death, was working on a cookbook and a photography book.

He spearheaded formation of the Bob Baxter Scholarship Foundation, which provides scholarships for photojournalists. To date, five \$1,000 grants have been awarded to young people entering the profession.

ROBERT BAXTER

In 1979, the Phil Portnoy Humanitarian Association raised funds to provide him with a specially-equipped van that would accommodate his wheelchair. But when kidney ailments kept him confined to the hospital, he donated the van to the Callmen's Unit, a volunteer ambulance squad in Union.

Mr. Baxter was active in the New Jersey Press Photographers Association, Union Exchange Club, Chapter 51 of the Disabled American Veterans, Connecticut Farms Post 35 of the American Legion, Post 2433 of the Veterans of Foreign Wars, Eastern Paraplegic Veterans Association and Boys Club of Union. He also was a member of the advisory board of Cheshire Homes of New Jersey.

Surviving are two sons, Robert and Kevin; a daughter, Barbara; his mother, Madeline Aggar, and a sister, Mary Jane Finnerty.

Cremation was held Monday. The Laskowski Funeral Home, Irvington, was in charge of arrangements.

Donations may be made to the Bob Baxter Foundation, in care of Don Davidson, New Jersey Newsphotos Inc., Airport International Plaza, Route 1, Newark 07114.

**Magnolia honored with service award**

MOUNTAINSIDE—Adele L. Magnolia, a borough resident, supervisor of Curriculum and Instruction for the Rahway Public School system, was awarded the "Distinguished Service Award for Advancement of the Profession," at the New Jersey Principals and Supervisors Association Spring Conference on May 7 at Tinton Falls.

James C. Smith, chairman of the Award's Committee, reported that a candidate for this award has to have given outstanding service which has had a widespread effect and also has to have been recognized as a key figure in advancing the ideals and/or programs of the association. He stated that Magnolia's supporting documentation from other educators was "overwhelming."

Magnolia was nominated as a candidate for this award by Roy Valentine, principal of Rahway Senior High

School. Valentine nominated her because she has been an effective change agent in the district, and her work resulted in improved curriculum, improved teaching, improved school climate and improved opportunities for all. Valentine noted that Magnolia involves many people in the change process and she demonstrates the belief that people's opinions are worthy and valued. He also stated that by her work she has helped to reinstate a dignity in the profession and in all who work with her.

Magnolia is a graduate of Perth Amboy Senior High School, and received her BA degree from Montclair State College and her MA from Seton Hall University.

She started her educational career 27 years ago as an English teacher at Rahway Junior/Senior High School. In 1966 she became an English Supervisor

for grades 10-12 at the Senior High School, then in 1968 she became English supervisor for the junior and senior high schools. She was an elementary principal for two years before her present position as the district's K-12 supervisor of Curriculum and Instruction, in charge of reading, language arts, social studies, music, art and foreign languages.

Magnolia also is the district's Affirmative Action officer.

Former Education Commissioner Fred Burke appointed Magnolia to the N. J. Advisory Committee on Basic Skills, and she also served as a member of the Minimum Basic Skills Test Development Committee for Secondary Reading. In 1981 she was appointed chairperson of the MBS Test Development Committee Secondary Reading for the 1982 test.

Magnolia was the first woman

member to be elected to N. J. Council of Education and also is a member of N. J. Schoolmaster's Club. She is a member of the executive board for Region I of the N. J. Association of Supervision and Curriculum Development, of the Association of Supervision and Curriculum Development and of the International Reading Association.

A special reception to honor Magnolia was held at the Rahway Junior High School on May 10. It was attended by Superintendent Frank D. Brunette, Board of Education President Louis Rizzo, former Superintendent of Schools Richard Nash and other district administrators and Board of Education members.

Magnolia also has served Mountainside for a number of years as a member of the Recreation Commission and as a director for the Mountainside Music Association.

**Self-service gas goal of Ogden legislation**

Motorists in only two states are prohibited by law from choosing to pump their own gas, and New Jersey is one of those two states. Declaring that, "New Jersey consumers would be well served by serving themselves," Assemblywoman Maureen Ogden, 22nd District, has introduced enabling legislation, A-439, to permit self-service gas stations in New Jersey.

"Lower prices and speedier service are the reason consumers in 48 other states choose to pump their own gas. These benefits should be available to the five million motorists in New Jersey," said the legislator.

"Arguments against self-service gas

stations do not hold up under close scrutiny. Opponents cite increased fire risk at the pump from motorists who smoke, ignoring the fact that most fires at service stations begin away from the pumps. Motorists filling their own cars are more likely to take greater care simply because they do not work with gas all the time," said Ogden.

"The experience of states permitting self-service gas stations has been that self-service does not kill off full service stations or deprive motorists of repair and maintenance on their cars as suggested by opponents to self-service. A mix of full service, combination and self-service occurs. Most gasoline is

sold by independent dealers and they know and provide what their customers want. In many areas speedy service food stores are now coupled with self-service gas pumps. Repair and maintenance continues to be available not only at full service stations, but at independent garages, repair shops and road service agencies."

"Self-service always brings with it

lower prices," continued Ogden. "Lower overhead costs benefit the independent operator of the station as well as the consumer at the pump where the price differential can run three to eight cents lower per gallon. This is an appropriate time to enact this legislation, and I encourage my colleagues to vote for self-service stations."

**Boys' baseball team playing well at 6-1**

MOUNTAINSIDE—The Deerfield boys' baseball team is midway through what promises to be an outstanding season, with a record of six wins and one loss.

The team has been paced by the incredible performance of Darren Iaione, who is presently batting .875, with 14 hits in 16 tries at the plate. He has scored 13 runs and stolen 18 bases, in addition to pitching and outstanding defensive play in the outfield.

The team has defeated Winfield twice, 21-2 and 5-3; Orange Avenue School in Cranford, 10-9; Kumpf School in Clark, 12-8; Brewer School in Clark, 4-2; and Columbia School in Berkeley Heights, 7-5. Their only loss was to Hillside Avenue in Cranford, 9-2.

Three of their wins found them coming from behind to salvage the victory.

"We're a real come-from-behind team, and that shows a lot of courage," says Coach Ed Sjonell. "I'm proud that the boys don't give up, even when they're behind by a large number of runs. Against Orange Avenue, we were losing, 9-1, but we kept trying and edged ahead."

Outstanding hitting also has been contributed by a pair of brothers. Starter Shane Connell, an eighth grader, has connected seven times in 21 at bats for a .333 average, and seventh grader Duane Connell is holding a .583

average, going seven for 12. The pitching staff is headed by Steve Burton and Michael Wood, in addition to Iaione.

Defensive standouts have been infielders Robbie O'Neill, Jim Clifford, Kevin Everly, and the Connells; outfielders Myles Carter, Chris Dooley, and Iaione; and catchers Greg Torborg and Marc Franciosa, according to the coach.

"All these players have made at least one really outstanding defensive play," notes Sjonell. The team has been charged with only 13 errors so far, a mark Sjonell feels is respectable.

**Engineers unit cites resident**

MOUNTAINSIDE—John William Herrmann senior engineering associate at Exxon Research and Engineering Co., Florham Park, has been named a fellow in the American Institute of Chemical Engineers.

Fellows are elected for contributions to the chemical engineering profession and AIChE.

The status of fellow can be granted only after a chemical engineer has worked in the profession for 25 years and has been an AIChE member for 10 years.

**Red Cross thanks donors to membership campaign**

The Westfield Mountainside Chapter of the American Red Cross has extended its thanks to those who contributed during the 1982 membership campaign.

Alex Gordeuk, vice chairman of Members & Funds, states the chapter has reached 80 percent of its goal and reminds those

who have not yet sent in their tax-deductible contribution that their help is needed to continue service to the area's residents.

"Our service is vital and our mission is important," Gordeuk said. "Together, we can change things."

**Red Cross chapter plans blood drive**

The Westfield Presbyterian Church, 140 Mountain Ave. in Westfield, will be the site of a blood drive on Tuesday from 2 p.m. to 7 p.m. The drive, which is offered by the Westfield-Mountainside Chapter of the American Red Cross and New Jersey Blood Services, is open to the public.

According to Gert Elster, administrative assistant for the Westfield-Mountainside Red Cross, this drive is of particular importance to area residents.

"Memorial Day weekend will be less than a week after this drive," Elster said, "and the demand for blood supplies will be very heavy, as it is over any holiday period. However,

Memorial Day is the unofficial start of summer and that's when the number of donors begins to fall off. It's important that blood supplies for the area are kept at adequate levels during the weekend ahead."

Although blood donations begin to fall off during the summer, the demand for blood continues to rise. Many donors are unaware that donations can be made safely every two months. Both old and new donors will be asked to pledge a donation sometime during the summer months.

Anyone between the ages of 17 and 66 weighing at least 110 pounds and in good health can donate. In New Jersey, 17-year-olds require the written permission of their physician.

Further information is available from the Westfield-Mountainside Red Cross at 232-7090.

**YWCA seeks volunteers**

Women older than 20 are being sought by the Westfield YWCA to serve as advisors and volunteers for teen programs at the Y.

Activities include the Y-Teens Club, a social and community service-oriented group of teen-aged girls; and the awareness club, which offers community service and planned programs for minority teens.

Volunteers also are needed to aid in developing a citywide teen coalition and support group for minority students.

Information is available by contacting the YWCA.

**Views On Dental Health**

By SEAN T. FENTON, D.M.D.

**DENTAL EROSION**

Dental erosion is a peculiar disease that affects the teeth of some people. It begins on the outer surface of the tooth and causes the tooth substance to disappear. Erosion can affect any tooth and can be confined to one tooth or to a series of teeth. The surface most frequently involved are the cheek and lip sides near the gum line.

The disease usually goes unnoticed until the enamel is penetrated and the eroding process invades the underlying dentin. The involved teeth may become very sensitive to hot or cold food and drink and the eroded surface may be painful, even to the touch of a toothbrush.

The cause of dental erosion is not understood and is typically a human disease; it is not found in animals. However, it is likely that it is caused by a chemical action combined with friction. Contact with concentrated acid substances, such as undiluted lemon juice, may play some part in the erosive process. It is estimated that dental erosion affects from one to ten percent of our population. It can be diagnosed and treated. Another good reason for regular dental examinations.

# Survey will be made of Catholic records

The Research Resources Division of the National Endowment for the Humanities has awarded the New Jersey Catholic Historical Records Commission a \$63,385 grant to survey Roman Catholic parishes and institutional records (including educational, charitable, health care and fraternal) records in New Jersey's seven northern counties. The Newark Archdiocese, Paterson diocese, and Eparchy of Passaic have all pledged cooperation with the project, which will cost approximately \$123,000.

Wosh commented that "historians, social scientists, and all humanistic scholars" will benefit from the program. As historians have begun studying the past "from the bottom up," Catholic records have assumed special significance. According to Wosh, "urban, immigrant, working-class men and women constituted the backbone of the nineteenth century church, and their lives are documented in the dusty sacramental registers,

mutual aid society records, and social work case files which repose in agency attics and parish basements."

The NJCHRC was established by New Jersey's five Catholic bishops in conjunction with Seton Hall University in 1976. Its purposes include: establishing a research facility at Seton Hall for the study of Catholics and Catholicism in New Jersey; identifying, increasing accessibility to, and encouraging the preservation of the records (both written and oral) of Catholic individuals, institutions, and agencies throughout the state; and developing a publications program for secondary works which explore New Jersey Catholicism, bibliographic compilations to increase awareness of Catholic source materials, and significant primary sources.

Seton Hall University serves as the repository for the Archives of the Archdiocese of Newark and other significant Commission collections. Bishop John J. Dougherty, former president of Seton Hall, is Commission chairperson and Dr. Joseph Mahoney, Professor of History, serves as Director.

Funds from this grant will be utilized to hire three field archivists to conduct the on-site surveys, and defray other project expenses.

# Seton Hall faculty teaching in China

## Students are cited

The student affiliate chapter of the American Chemical Society at New Jersey Institute of Technology has been named an outstanding student chapter by the ACS.

The chapter was singled out for recognition of the overall excellence of its programs as outlined in its annual reports. This is the first time the chapter has been so honored, although it has received an honorable mention in each of the four previous years.

According to faculty advisor Joseph Bozzelli of the Department of Chemistry and Chemical Engineering, the chapter had a very active program this year including seminars with both guest and student speakers, and attendance at off-campus seminars where students presented their own research papers.

The NJIT student chapter of the American

A nursing faculty exchange between Seton Hall University and the Hangzhou School of Nursing in the People's Republic of China has been initiated by two Seton Hall nursing professors, Josephine Iorio of Jersey City and Mary Anne Nelson of Glen Ridge. The two nurses have just arrived in Zhejiang Province to spend three months there and in other locations in China as the first participants in the only international nursing agreement China has allowed.

In addition to teaching, their professional activities will include demonstrations and professional seminars at the Ministry of Public Health in the capital city of Peking.

The pioneering exchange agreement was arranged last year by Dr. Kathleen Dirschel, dean of the College of Nursing, during two trips to China with Seton Hall groups. Dr. Dirschel visited several hospitals and health education institutions in various parts of China and also conferred with officials of the Ministry of Public Health, which regulates nursing education in China.

The Hangzhou School, according to Dr. Dirschel, is one of China's largest nursing schools, with an enrollment of about 400 students, and is connected with a large Red Cross hospital with both Chinese and English-speaking personnel.

**Memorial gift donations to aid cancer programs**

"As Memorial Day nears, the Union County Unit of the American Cancer Society is planning to spotlight its memorial program," according to William Biunno, Crusade chairman.

"Many people want to honor their loved ones at this time," he continued. "Making a donation to the unit in their memory is both a fitting tribute to them and an invaluable gift that helps save others from cancer."

Memorial donations to the American Cancer Society's Union County Unit, support programs of cancer research, education and patient services.

Programs to educate the public in early detection and prompt treatment of cancer are one effort that memorial gifts support. "Last year," said the chairman, "30 million Americans were reached with this vital message."

"Our goal is to control cancer and to ease its effects on patients and their families," said Biunno. "There is no way that we can achieve this goal without memorial contributions."

Requests for memorials may be made by calling, writing or visiting the American Cancer Society, Union County Unit, 512 Westminster Ave., Elizabeth, 07208, phone 354-7373 or 232-0041.

## Social Security numbers required to get first job

Many young people in the Union County area are planning to take their first job after school is out, and one of the most important things they have to do is to get a Social Security number. John H. McCutcheon, Social Security district manager in Elizabeth, said recently:

Most employers will not hire a person unless he or she has a Social Security number. Therefore, McCutcheon said, it is important to have a number before applying for a job.

A person must submit documentary evidence of his or her age, identity, and citizenship or immigration status. A person 18 or older must apply in person.

The best evidence of age and citizenship is a birth or baptismal record made before the person's fifth birthday. Immigration and Naturalization Service documents can be used to show immigration status.

Examples of evidence of identity include a driver's license, school ID card, voter's registration, school record, report card, insurance policy, membership card in youth organization, or any other document giving identifying data such as physical description, photograph, or signature.

Only original documents or copies certified by the issuing agency can be used. Uncertified photocopies cannot be used. Documents are subject to verification with the agency that issued them.

Be sure to allow plenty of time to get a Social Security number—it may take several weeks, McCutcheon said. A person who has trouble locating proper evidence should contact the Elizabeth Social Security office. The people there will suggest other documents that can be used.

The Elizabeth Social Security office is located at 342 Westminster Ave. and the telephone number is 800-272-1111.

**JUST MISSED**—The Bulldogs couldn't come much closer to advancing to the semifinals of the North Jersey, Section II, Group II state tournament, as they

were nipped, 8-7, by Pequannock in extra innings on Monday at Meisel Field. The 'Dawgs hustled all game as, from left, John Cocchia beats out a throw to first,

David Crane dives head-first to score a run and Geoff Bradshaw stretches for a throw at first. (John Shaffer Photos)

# Bulldogs knocked out of state tournament play

By RON BRANDSDORFER  
 "Playing it out" won't be easy for the Dayton Bulldogs, but that's all they can do at this point of the baseball season. Knocked out of county tournament play a couple of weeks ago and bumped from the states on Monday, the 12-6-1 'Dawgs must now play for pride and to improve on what has already been the finest season in many, many years at the Springfield school.

"Yeah, now we have to play it out, but it won't be too difficult getting these guys up for the games," observed Bulldog coach Bob Lowe following Monday's 8-7, extra-inning loss to Pequannock in the opening round of the state tournament. "These guys come to play every game."

The Bulldogs certainly came to play Monday's game. They knew that a victory over the Golden Panthers would mean a clash with Dover in the North Jersey, Section II, Group II tournament. And they knew a win there could mean a state sectional title.

Perhaps they knew too much. Or perhaps they tried too hard to win a sectional title.

Whatever the reason, the Bulldogs simply didn't look sharp, committing three errors and getting caught stealing three times.

And there were also a few mental errors thrown in there, too.

"We probably gave them at least four of their eight runs," said Lowe, who saw Pequannock push across a run in the bottom of the ninth inning for the victory. "And you can't do that in the state tournament."

"Everybody's tough in the tourney," he continued. "You can't give away as many runs as we did early and expect to come back."

The Bulldogs fell behind quickly, as Pequannock took advantage of three hits and an error in the first to score two quick runs.

Dayton did come back in the fourth. John Cocchia reached on an error and moved to second on a walk to his older brother, Vin. Catcher David Crane came through with a ground single to left, driving home John Cocchia. Vin went to third and Crane to second when the Panther left fielder

bobbled the ball.

Then Pat Esemplare popped to first, but the Panther first baseman dropped the ball and Vin Cocchia raced in with the tying run.

One out later, Ron Fusco lofted a sacrifice fly to right, and the Bulldogs and pitcher Larry Zavodny had a 3-2 lead.

An inning later, the Bulldogs boosted the lead to 4-2 when Kirk Yogy reached on an error and raced all the way around on John Cocchia's booming double to center.

That lead didn't last for very long, though. Pequannock scored once in the bottom of the fifth and then bunched three singles, a triple and a double together for four runs in the bottom of the sixth to take a 7-4 lead into the seventh.

And with ace hurler Tim Farrell pitching well, that should have been enough to quiet the Bulldogs. But nobody told Crane, the 'Dawgs' muscular catcher.

With one out in the seventh, Yogy punched a single to right. Then, with two down, Vin Cocchia reached on an infield hit and joined Yogy in moving up a base when the throw got away.

That brought Crane, the Bulldogs' No. 4 hitter, up to the plate with the score 7-4 and two out.

"I gave David the option," Lowe said. "If the pitch was there, I wanted him to go for the homer."

And on a 2-1 pitch, Crane set his sights on a hanging curve and drilled it over the fence in left center field. That's a 416-foot homer, and it tied the game at 7-7.

Lowe thought that would give his team a big emotional lift, but they couldn't get a runner past first in the eighth or ninth innings.

And in the bottom of the ninth, Pequannock's Pete Griffith reached on a single and was bunted to second. After an intentional walk, left fielder Don Metzler ripped a liner into right field to score the winning run.

"It was heartbreaking to go as long as we did and then lose," Lowe said. "Although I'm disappointed, I'm not disgusted. It's just a tough way to go out. I wish we could have gone on a little further."

Instead, though, the Bulldogs will just have to "play out" the rest of the season.

## Plenty of heavy hitting, runs in Men's Softball League play

Runs. Runs. And more runs.

There certainly hasn't been any lack of offense in the first few weeks of the Springfield Men's Softball League, which is now in its ninth season.

Ehrhardt TV showed off some of that offense in a 10-9 decision over the Knights of Columbus. K of C held a 9-7 lead entering the bottom of the seventh but couldn't hold on, as Ehrhardt took advantage of a pair of walks, Terry Franklin's double and a Jeff Vargas single to pick up the come-from-behind victory. George Jorda and Bob Files had three hits apiece for the winners, and Files even cracked a homer. John J. Ehrhardt was the winning pitcher in the ballgame, allowing three hits apiece to Jeff Bland, Bill Whitley, Mark Whitley and Len Sansone.

Shallcross/Creative rolled to a 15-5 victory over Master Blaster behind an 18-hit attack. Lou Gizzi and Joe Shallcross belted homers to pace the winners' eight-run first inning outburst. Derek Nardone, Roy DeVries, Bob Brandt and Ben DiPalma had two hits apiece for the winners, while Joe Pier, Tony McGovern and Bill Cicarone topped Master Blaster.

Joe Pepe Jr. and Jim Maxwell cracked three hits apiece to power Masco Sports to a 12-5 victory over Libco. Maxwell belted a three-run homer to pace Masco's 15-hit attack, while Ed Graziano, Tom Wisniewski and Dan Pepe chipped in with two

hits apiece and Greg Prussing was the game's defensive star. Ray Schramm was the winning pitcher, and he gave up three hits apiece to Glen Kehler and Rupp Daves.

Frank Filopone, Tim Pimpinelli, Tony Ciccone, John Noce, Dave Mitchell and Lou Vasillo combined for 13 hits to boost the Bombers to a 10-4 victory over M and M Automotive. Bob Hydock was the winning pitcher. Sparking M and M were Joe Millman and Eric Wasserman with two hits apiece.

Custom Floors ripped 20 hits all over the field and breezed to a 12-7 victory over Mil Spring Liquors. Frank Zahn paced Custom's hitting attack with four hits, while Ron Scappetullo, Ed Johnson and Rob Esposito had two hits apiece. Ron DeSantis had three hits for Mil Spring, while Harry Hansen, Tom Burke, Jerry Ragonese and P.J. Burns each had two hits. Burns belted a three-run homer in the fourth inning for the losers.

Ben DiPalma and Doc Farrell got all mixed up in a tight pitchers' duel, with DiPalma's Shallcross/Creative team finally winning out, 6-4, over Knights of Columbus. Lou Gizzi had two hits for the winners, while Farrell helped his own cause with three hits.

Bobby Hough and Bob Files smashed three hits apiece to carry Ehrhardt TV and pitcher Dom

## Biber steals the show at local Olympic meet

So much for the "Springfield Junior Olympics." Call it the "Tracy Biber Show" instead.

Biber set a new Junior Girls Division mile record at the recent Springfield Junior Olympics. She didn't just beat the old mark of 7:20 set by Dayton standout Mary Pat Parducci.

She destroyed it, cutting that mark by over a minute and completing the course in an astounding 6:16.

The feat was by far the best in the 17 years of Junior Olympics competition.

There were other stars at the annual meet. Greg Gomes and Jenny Francis both achieved triple wins. Gomes won the 50 and 100 dashes as well as the running long jump in the Bantam Boys Division. Francis won the Bantam Girls Division's 50 and 100, along with the half mile run.

Maria Durante, this year's torch bearer, won the 50 and 100 in the Midget Girls Division, while Cindy Gomes was second in both races. Rose DiTullio came within two seconds of the half mile record for Midget Girls Division. Chris Monaco edged Jim DiTullio to win the half mile boys' race in 2:55.

Patti Manning had a double win in the Junior Girls in the 100 and 400 and Levent Bayrasli did the same in the Junior Boys by taking the 100 and shot put.

In the Bantam Girls Division, Jenny Francis won the 50 yard race in 7.86, with Kelly Hartmann and Janis Neshert finishing two-three. In the 100, Francis again won in 14.45, followed by Susan Werner and Andrea Reid. Neshert took the long jump with a 10'4" leap, with Hartmann and Joyce Quinzel placing behind her, and Francis took the half mile in 3:26, with Werner and Hartmann following.

In the Bantam Boys Division, Greg Gomes won the 50 in 7.87, with Greg Graziano and Claudio Reyna taking second and third, respectively. Gomes won the 100 in 14.35, followed by Reyna and Graziano. In the long jump, Graziano won with an 11-4 leap, with Reyna taking second. David Wickham won the half mile in 3:15, with Mike Lippman and Jemel Powell following him.

In the Midget Girls Division, Maria Durante won the 50 in 7.66, followed by Cindi Gomes and Liz Pabst. Durante won the 100 in 13.69 with Gomes and Rosie DiTullio finishing two-three. Gomes won the long jump with an 11-6 leap, followed by Missy Peterson and Amy Schramm. In the high jump, Danielle DiPalma won with a 3-6 leap, with Peterson second. Dalya Rubanenko's 18-8 won the shot put, and Rosie DiTullio won the half mile in 3:07, with Pabst and DiPalma placing se-

cond and third, respectively.

In the Midget Boys Division, Mitch Freidberg won the 50 in 7.58, followed by Gregg Walsh and Leor Marko. In the 100, Kamuran Bayrasli won in 13.63, with Walsh and Freidberg trailing. Marko took the long jump in 11-8, with Anthony Zamorra and Chris Monaco following. Jim DiTullio's 3-6 won the high jump, with Zamorra second. A 26-2 throw by Chris Kisch won the shot put, followed by Carl Johnson and Chris Spirito. Monaco took the half mile in 2:55, with DiTullio second and Gregg Walsh third.

In the Junior Girls Division, Patti Manning's 14:09 won the 100, followed by April Peterson and Yvette Lenhardt. Manning also won the 400 in 1:19, with Lenhardt and Jodi Manning placing two-three. Peterson's 11-6'4" won the long jump, with Tracey Basile second and Stephanie D'Alessio third.

D'Alessio won the high jump with a 7-4 leap, with Peterson second. Basile also took the shot with a 15-3 toss, with Lenhardt second. Biber won the mile in 6:16, followed by Amara Willey and Judy Schlosser.

In the Junior Boys Division, Levent Bayrasli won the 100 in 12:05, with Tom Kisch second and John Sekella third. Gary Francis won the 400 in 1:09, with Sekella and Walter Yee following. In the long jump, Tom Kisch won with a 14-3 leap, with Gary Francis second and Richard Francis third. Joey DiPalma's 3-6 won the high jump, followed by Terry Roberts and Chris Miele. Bayrasli's 32-2 won the shot, with Terry Roberts and Miele trailing. Sekella won the mile in 6:40, with Richard Francis and Matthew Roth behind him, and Rusty Simon's 26-7 captured the triple jump, followed by Bayrasli and Roberts.

## Red Sox, Royals lead the pack in 12th softball league season

Season No. 12 began with quite a bang in the Springfield Girls Softball League, as high-scoring and sharp pitching were the trademarks of early season action.

And after two rounds of play, the Red Sox and the Royals are on top with perfect 2-0 records.

The Red Sox outscored the Indians, 13-11, and whipped the Angels, 15-4. Dana Wasserman, Dawn Pohlman and Mary Plaia led the Sox.

The Royals downed the Angels, 6-

4, and the Yankees, 4-1, behind the play of Leslie Ligorner and Joyceanne Glassen. The Angels edged the Indians, 9-7, as Catherine Cameron tripled and scored on Kristin Jelinek's double. Cameron hit a two-run homer to win it. Diane Barreirois, Stephanie Roelke, Michelle Tomie and Deanna Campos had hits for the Indians.

In the Lower League, Julie Koppek in struck out 11 and was the winning pitcher as the Braves beat the Mets, 17-6. Lisa Bohrer had a double

and a fine fielding play at first. Jodi Bromberg tripled, doubled and drove in five runs. Elizabeth Hart, Jodi Schenerman, Heather Perkel, Brenda Wolkstein and Tracie Schenerman had the other hits. Liz Pabst was the losing pitcher, but hit a two-run homer for the Mets.

The Mets also dropped a toughie to the Cardinals, 8-7, as Missy Peterson and Colleen Drummond combined for the pitching victory. Peterson struck out four and had two triples, while Cheryl Ann Schmidt tripled,

## Soph powers tennis team

Last year it was Michael Berliner. This time it is Pete Sommers. Every year, it seems, Dayton's tennis team comes up with a superstar in the No. 3 singles position.

Sommers has been nothing less than super thus far this year. Only a sophomore, Sommers has compiled a 14-0 record and is probably the biggest reason why the Bulldogs are 12-2 and ranked No. 3 in Union County.

Sommers, who must be considered one of the favorites for the county title at No. 3, kept his streak going last week when the Bulldogs split a pair of matches with Governor Livingston and Summit.

Against GL, Sommers came through with a 6-1, 6-

# RESTAURANT GUIDE

**QUAINT & COZY**—Known for its many Continental/American specialties, the Swiss Chalet is located on 1967 Morris Ave. in Union Center. The intimate spot also offers five kinds of imported beer on tap and plenty of worthwhile late night sandwich delights.

## Swiss Chalet provides a quiet escape

By GAIL CASALE  
If you're looking for a quiet, cozy spot to escape the insane routine of the office and enjoy a satisfying meal, the Swiss Chalet is the ideal place for you. Conveniently located in Union Center, at 1967 Morris Ave., this charming restaurant offers distinct Continental and American cuisine, reasonable prices and much, much more.

What impresses you initially about Swiss Chalet is the intimate decor. The dimly lit front room is complete with bar and comfortably designed cushion seats, which convey a feeling of warmth and ease. Two beer steins standing about three feet high and various mugs originating from different areas of Germany line the bar and invite you to sample the many types of imported ale that Swiss Chalet offers. Incidentally, there are five kinds of beer served on tap—intended to quench the thirst of many a worker at the end of an aggravating day.

The menu features many popular German dishes as well as American favorites cooked to perfection. At Swiss Chalet, there is a different special highlighted every day so that you can dine there as often as you please without becoming bored with the same foods.

Allow me to give you a small sample of the house favorites featured at the Swiss Chalet. If you're a lover of sauerbraten or have always wanted

to try it, Swiss Chalet is definitely the place to go. To give the pot roast that special sauerbraten taste, the chefs marinate the meat for two days in sweet and sour gravy, making the end result juicy, rich and flavorful. Accompany that with tender potato dumplings and red cabbage. The final product is pure sauerbraten a la Swiss Chalet.

Are you a schnitzel lover? I suggest you try some of Swiss Chalet's out for size. How about the hunter schnitzel, a cutlet smothered in mushrooms, onions and wine sauce complemented by spaetzel (homemade noodles) on the side. For you history buffs, story has it that the dish's name stemmed from the era when a hunter brought back from his day's kill, was the featured ingredient for the schnitzel. Swiss Chalet uses pork cutlet as the main item for their Hunter Schnitzel.

For those restaurant goers who prefer less exotic tastes, Swiss Chalet offers many dishes to please you, too. There are omelets galore including cheese, ham and mushroom. A hearty welcome is the farmers omelet, chocked full of fresh potatoes, sausage, ham, peppers and onions.

Here, lunch can be just as fulfilling as dinner. Lunch specials, all priced at a reasonable \$3.95, are a sure crowd pleaser. There really aren't too

many local places where you can go after 11 p.m. to relax, enjoy a cocktail, something good to eat and hold an intelligent conversation with someone without shouting above loud music or noisy chatter. At some places, two out of four or even three out of four may be possible. But at Swiss Chalet, all of the above are possible.

The kitchen remains open until 12 a.m. from Monday through Thursday and until 1 a.m. on Friday and Saturday. Dinner is served until 10 p.m., and then you can take advantage of Swiss Chalet's delectable jumbo sandwich menu and late-night specials which vary daily.

The bar also remains open so all you sports lovers can watch the game on television while sipping your Weiss beer, served in a tall, frosted glass with a slice of lemon.

The atmosphere is congenial and very relaxing. As you gentlemen know, when you're on a date, one of the key moments of the evening is where you take that special lady for a drink at the end of the night. Don't take her to some local hole-in-the-wall. To impress her, take the lady to the Swiss Chalet as your last stop.

The Swiss Chalet is open from 11 a.m. to 2 a.m. daily except on Sunday; the hours are 12 p.m. 'til 9 p.m. As you can tell, it's an all-around favorite spot for local businessmen, office workers, dates, imported beer and German cuisine connoisseurs.

## A concert is slated

Norman Krieger, pianist, will be guest artist with the Livingston Symphony Orchestra Saturday at 8:30 p.m. at the Livingston School, Livingston.

The orchestra will be conducted by Carolyn Hill. Krieger will perform Tchaikowsky's "Piano Concerto No. 1," Gershwin's "Rhapsody in Blue" and Rachmaninoff's "Vocalise."

Among the other members of the orchestra are Jacqueline Izzi of Union, viola; Alfred B. DeFuria Yanni, trumpet, and Susan DeFuria Yanni, flute, both of Irvington, and Tilda Alfonso of Newark, cello.

Admission will be free of charge.

## Film showing is scheduled

UNION—The Academy Award-winning film "It Happened One Night" will be the Monday movie feature shown at 1 p.m. in the F. Edward Bierluempfel Senior Citizens Center, 2155 Morris Ave.

The romantic comedy features Clark Gable and Claudette Colbert. Additional information may be obtained by calling 686-7887.

## Handel music slated May 23

Handel's rarely-heard dramatic oratorio, "Belshazzar," composed in 1744, will be presented Sunday at 7 p.m. as the final concert of the 1981-1982 Abendmusik series in St. Paul's Church, 414 East Broad St., Westfield.

Under the direction of Richard Connelly, the choir of men and boys of St. Paul's, who has been heard with both the New York Philharmonic and the Joffrey Ballet, will be accompanied by Levin Baroque Ensemble.

The Abendmusik series, now in its fourth season, features authentic period instruments.

Additional information can be obtained by calling 232-2970.

## Peace performance in planning stage

The Princeton chapter of Performing Artists for Nuclear Disarmament (PAND) are completing plans for "Performances For Peace" on May 22 in Princeton.

Additional information can be obtained by calling (609) 452-3676.

### Mime theater set by Yass Hakoshima

Yass Hakoshima will bring his mime theater to the stage of the Maurice Levin Theater at the YM-YWHA of Metropolitan New Jersey, 760 Northfield Ave., West Orange, Tuesday at 8 p.m.

## Disc & Data

By Milt Hammer

By MILT HAMMER  
Disc and Data's Pick Of the LPs—"Steve Carlisle Sings WKRP Cincinnati" (MCA-5304).

"I like to call it beach music, the kind of good time sound that we used to listen to in the Carolinas. It's got that natural beat, and those horns; it harkens back to the old soul days."

The song is "Don't Hang Up," and the singer is versatile Steve Carlisle, debuting on MCA Records, in a manner of speaking, has played a prominent role behind the scenes in the music industry for the past 10 years. Not only has he been one of the most sought-after session singers in the business, but he can be heard - virtually daily - on numerous radio jingles across the country. If it's not a Coke commercial, it's Fresca or Orkin or one of many others. Also, he sings the theme for television's highly-rated series, "WKRP in Cincinnati."

And as far as studio sessions, he's worked with, among others, Melissa Manchester (with whom he's also toured), Nigel Olsson, Sammy Johns, Starbuck and Lobo.

"Originally, I was in various rock bands in high school and college," Carlisle explains. "Eventually though, I got out of that and decided to become an audio engineer, get into the technical end." But during a recording session, a backup singer was needed, and Carlisle got the part and has been singing ever since.

"Session work can be frustrating, but at the same time, it is an unusual

business. I don't let it bother me; I could go on singing sessions for another 15 years and still have my head on straight. But I'd like to find my own personal success through such good songs as 'Don't Hang Up.'"

"I cut my teeth on The Buffalo Springfield and The Byrds, there's a soft spot in my heart for that kind of music. It speaks to me."

ROBERT GUILLAUME, known as TV's Benson, will appear at the Club Bene Dinner Theater, Rt. 35, Sayreville, May 21 and Saturday with comedian London Lee. Additional information can be obtained by calling 727-3000.

## Rutgers will offer course in environmental health

Rutgers University's New Brunswick campus is now registering applicants for the Environmental Health and Law course. The course is designed to provide basic skills and knowledge for those who seek a profession in environmental health. This course is also a prerequisite for acceptance to the state Health Department examination for sanitary inspector, first grade.

Those who complete the course and the state license examination can find opportunities in local and county state health departments; food

manufacturing industry; state, county, and local environmental protection agencies; hospital environmental services; housing departments of local government, and other fields related to this discipline.

There is an eligibility requirement: the applicant must have completed a baccalaureate degree at an accredited school and must have at least 32 credits in the biological or physical sciences. The course will be given at the Maclinn Auditorium of the Food Science Building beginning June 28 and lasting until Aug. 20. Field training starts Aug. 23 and continues through Sept. 24. The deadline for filing is May 21.

## Teen art set at festival

The 13th annual New Jersey State Teen Arts Festival will be held June 1, 2 and 3 at the Douglass campus of Rutgers, the State University, New Brunswick. The festival is a celebration of all the arts and features performances, presentations, exhibitions by teenage artists and a young authors' conference. All programs are free of charge.

Additional information can be obtained by calling 745-3898.

## Readings set in Princeton

The spring series of staged readings in the Playwrights-at-McCarter project will be held Monday in the Princeton Inn College Theater, Alexander Road, at 7:30 p.m. Admission is free of charge.

Robert Lanchester, projects director, will lead post reading discussions with the audience and playwrights. Additional information can be obtained by calling (609) 921-8700.

## Spectrum on stage

Spectrum '82, a festival of the arts, will be presented by the Arts Council of the Morris area at Fairleigh Dickinson University, Florham-Madison campus, Rt. 24, Madison, Saturday and Sunday.

The festival will feature more than 100 events, including 40 performances by New Jersey groups. About 1,000 visual and performing artists will participate. Events will include music, drama, dance, crafts, visual art, workshops, demonstrations, film showcase and Young People's Festival.

The program on Saturday will include Dapper Dans at 1 p.m. in Dreyfuss auditorium, New Jersey Ballet at 8:30 p.m. in Dreyfuss, Masterwork Chorus at 8:30 p.m. in the gym. On Sunday, the New Jersey Shakespeare Festival will be held at 8:30 p.m. in Dreyfuss and the Summit Chorale at 8:30 in the gym.

Additional information can be obtained by calling 377-6622.

## 'Chicks' play in Cranford

The New Jersey Public Theater, 118 South Ave., Cranford, has scheduled John Ford Noonan's award-winning two-act comedy, "A Couple White Chicks—Sitting Around Talking," Wednesdays at 8 p.m. through June 17.

Richard Dominick serves as director.

Additional information can be obtained by calling 272-5704.

## College has exhibit of 'Enchanted Eggs'

"Enchanted Eggs," a display of custom designed eggs crafted by Joan M. Sweeney, is on exhibit in the foyer showcase at the Caldwell College student center through May 31.

Sweeney begins the design process by creating a concept for the egg. She then chooses, cleans and transfers the design to the eggshell. The designs as well as doors, lids or other stylized openings are cut into the eggshell by using a saw blade or dental drill. The egg is then painted or covered with a chosen decorative medium and cut edges are trimmed with braid or fine cord.

## Skill project seeking aid

Families are being sought by the Division of Mental Retardation who would be willing to take adults into their homes and give them care and training. More than 200 families in the state are already enrolled in the Skill Development Program.

Persons who are eligible for this program will receive two weeks of training and the help of professional case managers. When a mentally retarded person is placed with them, they will be expected to train that person in such basic skills as dressing, feeding, grooming and the like. For six hours of every weekday, the retarded person will attend a workshop, school or training program.

The division has a Community Awareness Program that will supply speakers to clubs, groups or organizations who wish to learn more about the Skill Development Program.

Further information is available from the regional field office in Montclair, 744-6772 or 744-6797.

## Vets to show film June 6

The National Association of Atomic Veterans' New Jersey Chapter will show a documentary film about soldier and civilian exposure to fallout from atomic tests at its second statewide meeting on June 6.

The meeting will begin at 2 p.m. in the Graduate Student Lounge, Rutgers College, College Avenue, New Brunswick. All atomic veterans and their families and friends have been invited to attend. Information is available by calling 449-8949.

After the film, there will be a strategy session to plan ways to locate an estimated 9,000 ex-servicemen now living in New Jersey who witnessed nuclear weapons tests or who went into Hiroshima or Nagasaki after the atomic bombs were dropped.

Plans will also be drawn up to help veterans obtain medical assistance, legal advice, disability compensation and recognition from the government.

"We want to locate veterans to warn them about the possible health risks from their exposure to radiation during the atomic tests," said Joan McCarthy, the association's state coordinator.

"We're pressing Congress to recognize the unique service these men gave to their country and the serious health risks they now face."

# Taste Smokers Convinced.

Former higher tar smokers report MERIT  
"Best-tasting low tar I've tried."

Can a low tar cigarette provide the taste incentive to switch smokers from higher tar brands?

Research consistently proves that MERIT can.

### MERIT Taste Sparks Switch.

Nationwide survey reveals over 90% of MERIT smokers who switched from higher tar are glad they did. In fact, 94% don't even miss their former brands.

Further Evidence: 9 out of 10 former higher tar smokers report MERIT an easy switch, that they didn't give up taste in switching, and that MERIT is the best-tasting low tar they've ever tried.

### MERIT Clear Choice.

In addition, extensive unmarked-pack tests confirm that MERIT delivers a winning combination of taste and low tar when compared against higher tar leaders.

**Confirmed:** The overwhelming majority reported MERIT taste equal to—or better than—leading higher tar brands.

**Confirmed:** When tar levels were revealed, 2 out of 3 chose the MERIT combination of low tar and good taste.

Year after year, in study after study, MERIT remains unbeaten. The proven taste alternative to higher tar smoking—is MERIT.
