Negotiations bog down on key economic issues

agreed upon between the parties, the members, but with a maximum ineconomic provisions of a settlement remain in dispute," George Gomes, Negotiations Committee chairman for the Board of Education, stated this week in reference to stalled contract talks between the board and the Springfield Teachers Association.

The board announced last week that joint notices of impasse had been filed by the board and teachers with the Public Employment Relations Commission (PERC)

According to a board release, the association's last proposal was for a 12 percent increase of the base salary of all teaching staff members.

Also unresolved is the association's proposal that the work time for teachers be precisely defined with the beginning and end of the work day specified. The teachers also are seeking other time off provisions as well as extra pay provisions for certain activities.

The board also has agreed to increase the hospitalization benefit covering teachers to provide for an improved 1420 series, a state-mandated benefits package for public employees. No date has been set for teacher mediations, according to Dr. Fred Baruchin, superintendent of schools. He also said he expects teachers to work this fall even if a contract agreement is not reached.

The mediation date for secretaries, who also are at impasse with the board, is set for Aug. 25.

'The Public Employment Relations Commission has appointed a mediator to meet with both parties. The mediator's role is to help the parties move closer together in order to bring about a settlement," Gomes explained.

In other business, board member Nancy Heller has announced her resignation effective July 30.

"An ideal board member," according to Baruchin, "she is dedicated, child centered and it has been a pleasure working with her. All of the board members will concur on that.'

The board will accept applications next month for the position. Applicants can apply at the board offices in the Raymond Chilsholm School on Shunpike Road. They should be 18 years of age or older and a Springfield resident for more than two years.

Additional witnesses will be called before the Planning Board Aug. 25 to testify for the applicants, Bambergers and Alexanders, on the proposed 725,000-square-foot shopping center off a Heloping the site — that is a market Route 22 and South Springfield Avenue.

Because of scheduling problems Robert Podvey, council for the applicants, said he did not know which witnesses would appear and what they would testify on. Audience members complained that this would be unfair questions could not be prepared because no one would know what expert testimony would be given.

However, the board backed Podvey when it admitted the change in the meeting date this month, from the 28th to the 21st, had affected the scheduling of witnesses who had to come from long distances

Last week, the board heard testimony from David D. Bender, senior vice president of Cross & Brown Company on Mountain Avenue in Springfield, who discussed the viability of possible uses for the site given the current real estate market in the area. He testified for the developers of the site, General Growth of Des Moines, Iowa.

The realtor discounted office and industrial uses claiming that the current market would not support the leasing of office space and demand is not sufficient for an industrial complex there.

'Springfield can support an office leasing market, but not larger corporate users," Bender contended.

The realtor said that 30,000-squarefeet, or, the "absorbtion limit," is the maximum office space that could be built at the site within one year. Any complex larger than that would not lease in the current market, he maintained. He added that because the site is on

Route 22 and not near any major toll roads, it would be undesirable for office traffic and the rents for an owner would be less than in other areas. The mention of rents brought ques-

tions from the board.

"What about (rents) in high financing for shopping center tenants?" asked -board member Robert Weltchek.

"The developer feels he can get the tenants," Bender responded. However, he added, "that is not a question for Bender said that the mall would be

fully rented because of that demand and retail rents, although substantial, "would compare favorably to other locations (malls). When Weltchek asked about vacan-

In a major effort to make lifesaving training more accessible to the public. the Westfield-Mountainside Red Cross Chapter, along with other area Red Cross offices, has joined with NBC-TV Channel 4 to present special programs on CPR (Cardio-pulmonary Resuscitation) during the week of Aug. 9-15.

That week has been proclaimed 'CPR Week" by Mayor Allen Chin of

According to Donald Stouder, executive director of the Westfield-Mountainside Chapter, the need for the public to take CPR training is strong. Through the medium of television, great numbers of people can witness CPR in action, and then follow up by visiting special Red Cross checkout centers to increase their skills and to earn a CPR "Race For Life" certificate (one rescuer, adult victim)

Stouder cites statistics published by the American Medical Association which said that, of the more than 700,000 annual deaths from heart attacks or other events resulting in cardiac arrest, 350,000 occur outside the hospital. Four out of five occur while untrained bystanders look on.

"Many of those deaths need not have occurred," stated Mr. Stouder, "H.CPR is applied by a bystander or family member right after a cardiac arrest. the victim's chances of survival increase by 50 percent. This is the crucial period of emergency cardiac care,' Stouder continued "The first responder to a cardiac arrest must know how to provide an artificial heartbeat and artificial breathing while waiting for medical help.

In Mayor Chin's proclamation, he stated "I strongly urge the citizens of the Chapter's service area, and especially the families of cardiac patients, to mark their calendars for Aug. 9-15 so that they do not miss these CPR presentations. The Westfield-Mountainside Red Cross Chapter will be ready to provide the follow-up training and evaluation that is necessary for

has announced its Pony League All Star squad. Selections for the team are Steve Burton, Myles Carter, Jim Clifford, Duane Connell, Shane Connell, Brian Dailey, Marc Franciosa, Rob O'Neill, Todd Richter, Kevin Rogers, Greg Torborg and Chris Ventura. The team is coached by Wayman Everly and Jack Clifford.

The Mountaineers are 2-2, its most recent victory a 9-5 road triumph over Summit. Rob O'Neill was the standout for Mountainside, as he pitched a complete game and also drove in four runs with a home run and single. Jim Clifford chipped in with a long triple and a single, while Kevin Rogers and Jim Rau both made clutch catches in the outfield.

Mountainside's earlier win was a 17-6 breeze over New Providence. Richter, Connell and Burton shared siderably by some sparkling defense the scoring in the inning. Saraka's by shortstop Myles Carter. Jim Rau fine pitching effort was aided by the with three hits and Marc Franciosa flawless infield play of Matt Swarts each keyed the offense.

Meanwhile, the Little League All field.

The Mountainside Little League Stars ran their record to 6-2 with a 7-4 win over Maplewood. Dave Blackwell went the distance with a strong pitching performance, scattering four hits while striking out 10 batters. He also helped his own cause with a solo blast in the scond inning. The Mountaineers broke the game open in the fourth inning as Joe Ventura keyed the All-Stars attack with two hits and two runs

> The Little Leaguers then travelled to West Orange and came away with a 5-1 win. The Mountaineers trailed 1-0 after four innings with John Saraka on the mound in a tight pitchers duel. In the fifth the Mountaineers exploded for five runs.

Three programs produced through Communities on Cable and televised over Channel PA-2 have been cited for public service programming by the National Federation of Local Cable Programmers (NFLCP).

"TV MILLBURN" and "Recycling in Millburn-A Dollars and Sense Decision" were named as among the nation's 10 best. "Five-Town Tally" was one of 18 programs receiving honorable mention. In all, 265 entries were submitted to the contest from across the country.

"Five-Town Tally," live television coverage of the November general election results for Communities on Cable's five-town viewing area, featured interviews with politicians in the towns as well as live telephone and video-tape interviews with local and state-wide candidates from their headquarters. Election consultants were featured throughout the evening and analyzed volunteers contributed to the program. Executive producer for "Five-Town

Tally" was Communities on Cable coordinator Lynda Stauderman. Kathy Clingan, a resident of Summit, and Arnold Gerst, a resident of Springfield were producers and hosts.

Kathy Clingan, who is also the anchor for the news show "This Week in Summit," noted that "it was an excellent example of the kind of service and incan provide. "Recycling in Millburn-a Dollars and Sense Decision" was produced by the Millburn staff at the request of then Mayor Maureen Ogden in August and September of 1981 as part of the Township's contract with Communities on Cable for municipal programming.

In a telephone interview Mrs. Ogden, now Assembly woman for the 22nd District, commented that the tape "was part of an overall education program for residents of Millburn Township. The idea for it coincided with steps the Township had taken to require mandatory separation of newspaper from garbage. Mrs. Ogden, who narrated the program, said that "mandatory recycling went quite smoothly and I attribute part of its success to the TV program."

Ann Mundy of Quincy Cable Systems in Quincy, Massachusetts, the organizer of the NFLCP competition. commented on the program: "The recycling program is very important because it shows an informative approach to a complex problem. New Jersey is expected to have 640,800 living veterans in 2030 and their average age will be 54.9.

The VA's projections of the number of living veterans cover each year from 1982 through 1995 and every fifth year thereafter up to the year 2030

Prepared by the agency's Office of Reports and Statistics, these data show the number of living veterans worldwide by age and period of military service, and they further display the veteran population of each state and age.

In announcing the release of the data. VA Administrator Robert P. Nimmo pointed out that information of this type is essential to the VA to best address the needs of veterans.

"Effective management of the wide range of VA programs is greatly enhanced when a detailed profile of the veteran population is at hand," he said.

Commission established on state colleges' future

Chancellor T. Edward Hollander has announced the establishment of a commission on the future of the state colleges.

The commission will study the mission, governance and financing of New Jersey's nine state colleges. Focus will be on those areas which will enhance academic excellence at these institutions, which currently serve 84,000 undergraduates and graduate students.

At its April 16 meeting, the State Board of Higher Education adopted a formal charge to the commission, which is expected to submit its report by July 1983. The membership of the

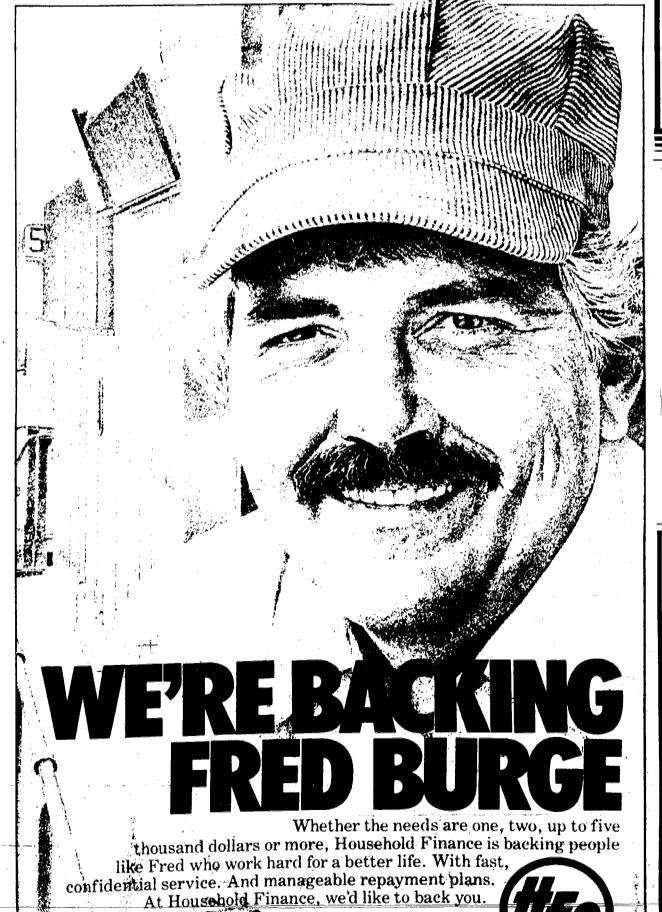

commission was appointed by the board at its meeting of June 18.

Hollander said that Dr. Calvin Lee, vice president for educational planning at Prudential Insurance Company, will head the commission. Anthony Cicatiello, president of Holt, Cicatiello, Neiswanger and Ross, will serve as vice chairperson. The executive director of the commission will be Dr. James Young, former provost of the Newark campus of Rutgers University.

Hollander said, "These three individuals offer the professional expertise and balanced backgrounds to lead a successful effort.

The Chinese Academy of Science is the national comprehensive research center of natural sciences in China with regional libraries in Wuhan, Shanghai. Chengdu and Lanzhow, and it serves as the nucleus of a network of 140 libraries with over 16 million items in their collections. Besides serving the research needs of the Academy, they serve institutes, universities, factories and other government agencies.

While in China Father Sharp and Yen also toured several major academic research libraries and they report that they were received with great enthusiasm. Yen served as Father Sharp's translator and at each lecture they introduced Seton Hall University to their audiences through both words and picture displays

The Seton Hall travelers also had the opportunity to pay a courtesy visit to Wuhn University where they were received by Dr. Gao Shang Yin, the academic vice-president. Dr. Gao, a Yale-trained biologist, came to Seton Hall last year to formally sign a faculty-student exchange agreement which is now fully operative. Father Sharp and Yen also had the opportunity to inspect the library of the Beijing Institute of Foreign Trade, which also has an exchange program with Seton Hall.

Seton Hall began exchanging scholars with China in 1979 - the first American religious-affiliated university to participate in exchange activities. Since that time 19 Chinese and Seton Hall faculty and student participants in science, languages, and business have

State's drivers given tips by motor vehicle chief

Residents needing to visit N.J. Motor Vehicle Agencies will receive better service if they arrive at offpeak hours, advises Clifford W. Snedeker, director of the N.J. Division of Motor Vehicles.

The best time to arrive at the agencies is from 9:30 - 11 a.m. and from 2 - 3:30 p.m. Also, on the one night a week the agency remains open until 6 p.m., try to visit from 4:30 - 5:30 p:m.

The worst time to visit an agency is during the first and last days of the month, Snedeker said, because that's when the last-minute rush hits. The same goes for the first and last days of the week, and at opening and closing, and also during the lunch period during the week.

Baumgartner pitches Post 228 to county legion championship

If Harry Weinerman wanted to, he could smile, accept the pats on the back and take all the credit for coaching Springfield American Legion Post 228's baseball team to the Union County championship and a berth in the prestigious state tournament.

He certainly would have a point, too. For, as Weinerman will admit, it has not been easy coaching the 14-3-1 (31-6-1 overall) county champs. Aside from the loss of two starters (John Cocchia and Barry Blackwell) because of injuries, there has been a bit of tension on the Springfield bench. But, just as in the case of baseball's Yankees and soccer's Cosmos, that's really not that surprising considering Springfield's "all-star"

"I won't take credit for their talent," Weinerman said after Post 228 disposed of Clark, 5-0, on Sunday morning to clinch the county title. "Their talent came to the top. They stuck together and did what they had to do."

glory, there were fleeting moments Baumgartner. Instead, he gave the ball to sneaky-fast Doug Torborg. "Doug is the most consistent control the township's first-ever county Legion pitcher we have," Weinerman explain-

ed. "He has an excellent slider and keeps the ball down." Torborg made Weinerman look

awfully smart, pitching a sparkling four-hitter as the Legion ripped Elizabeth, 9-1. And Baumgartner helped his fellow mound staffer with a two-run homer.

That forced another big decision. Should Weinerman use Baumgartner against Union and try to win it all that day, or should be keep Baumgartner. Coming down to their final four his "insurance policy," until the next day against Clark?

> Weinerman chose the latter option. "I talked to John in the outfield after the Elizabeth game," Weinerman related. "And although he had been keying on the return matchup with Union ever since they beat us earlier in the season, he said that if he was my 'insurance policy,' I should eash him in against Clark.

> When Post 228 dropped a 13-8 decision to Union-despite Baumgartner's grand slam - to force the do-or-die matchup with Clark, Weinerman didn't bother very much with a post-game pep

> "We said very little," Weinerman recalled. "I told the guys to get a good rest and to come ready to play against Clark. We knew the job we had to do: a win would mean the county championship, while a loss would mean the end of

> There really was never any doubt, as Baumgartner came through with a marvelous pitching effort. The Dayton grad held a slim 1-0 lead into the sixth, enjoyed a four-run Springfield outburst that inning and finished with 15 strikeouts in the 5-0 victory. In addition, Baumgartner scored Post 228's second inning run following a single, and Fran Broskoskie, Paul Clarke, Dave Roche, Dave Crane and Vin Cocchia slugged key hits in the sixth.

And with that, Springfield won the Union County American Legion cham-

"That never happened before," he said. ''We're very proud of that fact.'' And if Weinerman was proudest of all, once again he would have a point

SPLISH SPLASH!

MCP swimmers drop two close meets

League action last week, Mountainside Community Pool suffered two tough losses, falling to New Providence by only six points and to Florham Park by nine

Competition has been extremely keen this summer, and even in defeat. Mountainside swimmers have given Coach Dana Zonneyville their finest performance.

Three MCP swimmers remain undefeated this season: Mike Dowdle, in the 11-12 age group, his sister Lisa, competing in the 13-14's, and Rick Van Benschoten in the 15-17's.

In addition, three MCP freestyle records were broken in the Florham Park meet: The 9-10 boys' 25-meter by Scott Marinelli with a time of 15.57; the 11-12 boys' 50-meter by Mike Dowdle at 29-53; and the 13-17 girls' 50-meter by Lisa McCarthy at

first places each against Florham Park were Beth Post, Maureen Barisonek, Lisa Dowdle, Scott -Marinelli, Mike Dowdle, Peter Jaffe, Dennis Hoye and Rick Van Benschoten, Single blue ribbon winners were Whitney Tancredy Lisa McCarthy, P.J. Hoeltje, Fred Filler and Stephen Fowler.

Mountainside took only one medley relay and that was won by the 13-17 boys' team of John Fisher, Russ Picut, Rick Van Benschoten and Mike Barisonek. The two winning freestyle relays were the 9-12 boys' team of Mike Dowdle, Stephen Fowler, Allen Gardiner and Scott Marinelli, and the 13-17 girls' team of Lisa Dowdle, Alice Zacieracha, Michelle Hamlett and Maureen Barisonek

Against New Providence, double first place winners were Lisa Mc-Carthy, Maureen Barisonek, Lisa Dowdle, Todd Richter, Mike Dow-Those swimmers capturing two dle, Peter Jaffe and Rick Van

Benschoten, aided by single winners Whitney Tancred, Eric Dowdle, Charlotta Jaffe, Sarah Post, Fred Filler, Mike Yurochko and Walt Kempner. Victorious again was the 13-17 boys' medley relay team of Fisher, Picut, Van Benschoten and Barisonek, along with the 9-12 boys' freestyle team of Dowdle, Gardiner,

Marinelli and Chris Lafon, the 13-17 girls' team of Barisonek, Dowdle, McCarthy and Lisa Jackson, and the 13-17 boys' team of Todd Richter, Peter Jaffe, Walt Kempner and Fred Filler.

Also scoring for MCP were Colleen Higgins, Lurleen Harrison, Elena Maguire, Barbara Hoye, Audrey Belleza, Susan Higgins, Jenn Burke, Maria Maresco, Jenn Price, Jimmy Alder, Jimmy Higgins, Peter Gittrich, Mike Price, Roy Morton, Bobby Alder, Matt Wesylyk, Bill Maresca, Andrew Fowler, Fred Ahlholm and Stephen Szeles.

Sharks roll back to nip South Orange

Jersey Summer Swim League, Springfield went on the road for the first time and lost a close one to Cedar Grove, 226-171. In this meet, the Sharks took 18 first places and 29

best times were spotlighted. At the end of the week, Springfield was unable to make a comeback against a tough Florham Park swim team, despite 17 firsts and 30 best times. Also in the meet, Jennifer Schaedel broke the girls' 9-10 breaststroke record with a time of 25.23 seconds.

But in the middle of the week, Springfield celebrated its second win of the season, beating South Orange by a 224-156 score.

In this meet, Springfield got off to its usual slow start in the freestyle, losing 58-32. Taking first places were Lisabeth Hart, leading point-scorer Andrew Broad and Guy Knutsen, Second places by Kristen McLear, Walter Boraczek, Renee Kohlmel and Greg LaLevee were recorded, while grabbing thirds and one point each were Scott Chapin, Kattie Oxx,

Bernard Leddy, Scott Prager and Lori Smith. Recording their best times were Chapin, Knutsen, Smith, Lora Condon, Dawn Severini, Alan Gross and Tony Delia.

In the backstroke, the Sharks caught up to only be behind seven points. First places in this event were earned by Dana Magee, Broad, Debbi Kornfeld, Mark Priebracha, Lainie Levine and Bill Cieri. Second place ribbons went to Rusty Simon, Fran Boraczek, Joey DiPalma, Eleanor Sadin and LaLevee.

Best times were recorded by Broad, Kornfeld, Knox, Hyslop, Fran Boraczek and DiPalma.

In the breaststroke, Springfield took on a three-point lead, thanks to first place finishers Magee, McLear, Danielle DiPlama and Broad, who broke the 8 and under boys' breaststroke record with a time of 28.3 seconds. Many second places helped the Sharks catch up and they were achieved by Kathy Fanning. Mike Lippman, Eddie Fanning, Halee Arnold, Jon Simon, Noreen

Rothfuss and Glenn Aitelli. Third places by Danny LaMorges. Ann Leddy, Dianne Greco and Hal Levine also helped.

The butterfly event made the difference as Springfield took a commanding lead, 175-142. Starting off, Kathy Fanning took first with her best time and Kornfeld a strong second. For the boys, LaMorges grabbed second and Priebracha added a point. In the 11-12's, Eddie Fanning and Oxx led the way with firsts and Danielle DiPalma took a third. In the 13-14's. Dee Stearns and Robert Kolmel swept as they both took firsts. For the girls' 15-17, Smith pulled out a tough first, while Levine took first for the boys with a time of 31.3 seconds and Aitelli added the usual one-two punch to boost the Sharks up eight points.

In the relays, seven out of nine teams won for Springfield. One of the winning relays was the 8 and under mixed freestyle relay, consisting of Magee, Kornfeld, Hart and Chris Schwarzbek

SUGAR - TOOTH'S WORST ENEMY

Sugar is the major cause of tooth decay. Despite this, the average person consumes about 126 pounds of sugar a year. (That's enough to make about 10,000 chocolate chip cookies!) No wonder the average person has 10 decayed teeth before his or her 15th bir-

How does sugar perform its dreadful deed? When you eat sugary snacks, the sugar reacts with the bacteria in your mouth that form colonies on the teeth. These sticky colonies of bacteria (called plaque) convert sugar to acids and tooth decay results. Simply, sugar is the fuel for tooth decay. Every time you snack on a sugary food, these acids are

working for at least 20 minutes

afterwards (so three sugar

snacks or drinks a day create an hour's worth of acid attack). The longer a sugary food lasts in your mouth, the greater the risk of tooth decay. Sticky and chewy forms of snacks are more harmful because they tend to cling to your teeth

The best decay prevention is to reduce your consumption of sugar combined with daily brushing and flossing to keep plaque from organizing.

Salads galore mark friendly Echo Queen

By GAIL CASALE

I don't have to tell you how hot and humid it has been lately. When the temperature gets into the sticky 85 to 90 degree range, one will do almost anything to keep cool. A few of the more practical suggestions are plenty of soft drinks and refreshing salads to relieve that parched feeling while still satisfying your appetite. The Echo Queen Diner-Restaurant located on Route 22 east and Mill Lane in Mountainside, features, among many things, all the cool salad tastes your little heart desires.

Manny Georgiadis has successfully owned and managed the Echo Queen for five years. He knows what it takes to run a successful eating establishment: knowledge of the restaurant business and cordiality to his customers.

Under his careful management, everything runs smoothly inside and out. His chopped liver are also nephew Manny, the "right available. hand man" in the kitchen, The daily chef's specialties supervises all the cooking details with Nick the chef busily preparing items made from the refreshing opener. scratch at the Echo Queen.

This family is no stranger to 23 years ago, Manny's father established the Miss Washington in Connecticut which is also famous for its fine Greek specialties. The tradition proudly lives on in Mountainside, much to the delight of Union County residents.

Let's proceed to the real Queen. When I say salads I the chef. don't just mean a few 'vegetables topped with dress- There's also a special ing. I'm talking about a children's menu full of their delicious meal in itself from favorites like spaghetti, or a

For waistline watchers, select from 14 specialties featuring refreshing and fruity favorites like blueberry blintzes or cantaloupe with cottage cheese. One particular serving style

I like is the ever popular salad bar. After trying and comparing many, Echo Queen's is one of the best. Have you ever found string beans in garlic sauce or zucchini marinated in garlic and bread crumbs offered at one? These are just two of the highlights at Echo Queen's salad bar that are worth tasting. Fresh lettuce, plum tomatoes, pepper and

are all priced at a ridiculous \$5.45 each, and the salad bar is Homemade soup, fresh baked Challah bread, entree and the restaurant business. Some choice of dessert make dinner complete. At today's skyrocketing prices, they are a sure winner. Echo Queen's dinner and ala

carte menus are packed with Italian specilties, mouthwatering roasts, fresh seafood and broiled delights. Do try one of the Echo Queen's sauteed specialties such as business at hand: the salads milk-fed veal scallopini. galore offered at the Echo prepared skillfully by Manny

hot dog or hamburger with french fries. They'll not only enjoy the munchies, but also the crossword puzzles and connect-the-dot games waiting for them to dabble as part of the take-along menu.

Lunch specials, including businessman's, are served from 11 a.m. to 3 p.m. The Echo Queen varies its assortment of dishes weekly to keep the customer pleasantly interested and satisfied.

Since the diner is open 24 hours daily, and serves breakfast specials too, it's a fine spot to stop after that late movie or nightclub outing. Try the french toast on for size.

All baking is done quite deliciously on the premises. If you have a sweet tooth, you'll receive more than your fill at the Echo Queen. Choose from over 30 goodies on the dessert menu including chocolate cheese cake and Boston cream

For your convenience, Master Charge, Visa and American Express are cepted.

Yes, it's summertime. The living may not always be easy, but one thing you can be sure of is a hearty, reasonably priced meal at the Echo Queen Diner-Restaurant.

ONE FOR THE ROAD-WHAT'S A STROMBOLI? A stromboli is a closed sandwich with the bread freshly baked around your favorite filling along with cheese, tomato sauce, onions and peppers. Choose from over 15 different meat and vegetable fillings. Why not try one today at Stuff Yer Face located on Rahway and Elmora Ave. in Elizabeth. Host Rick Hathaway will be delighted to accommodate
