## Koonz Offers 10-Point Program For 1965 Progress

### Fadam Land Sold To Head Of Valco; Plans Not Known

**Jakobsen Property Goes To Developer At \$170,000 Price**

The Fadam Farm and Jakobson properties on Mountain ave. changed hands last month in real estate transactions with a total price tag of \$255,000.

The Fadam tract was sold by Frank Colatruccio to Sidney Hubschman on Dec. 15, for a price of \$85,000. Hubschman is president of Valco, Inc., which had received a special exception permit to construct a nursing home on this property. That permit was upset in a recent court decision.

Fadam Farm, at the corner of Mountain ave. and Shimpick rd., has also been strongly urged by the Springfield New Library Committee as the site for a new municipal library to replace the present facility on Main st.

Hubschman was unavailable for comment on what he intends to do with the land. Hubschman, Murray Simon of Newark, declined to comment in any way on what is planned for the tract, or on whether the court decision will be appealed.

The property is in a residential area zoned for homes with a 75-foot frontage. With a total area of 2.85 acres, it could provide space for no more than 10 houses — and the land had been used for a parking lot.

The expensive, profitable use in this manner, Simon stated, however, that Hubschman has no connection with the Villa Royale, which has applied for a permit for a nursing home on Morris ave. at the Railway River. That application is still pending before the Board of Adjustment.

**Jakobsen Tract**

The Jakobson property, with an area of some six acres, was sold for \$170,000 on Dec. 10 to Towns Corp. Realty Co. That firm is headed by Frank Racioppi of 14 Janet lane.

He disclosed that he is now awaiting final approval from the township on a subdivision application to construct 23 one-family homes on the property.

### 8 Candidates Seek Election To School Board

Ballot positions for the Springfield Board of Education election to take place Feb. 9 were assigned at a drawing conducted by Mrs. Audrey Ruban, board secretary, Saturday evening at the school board office.

Candidates for the three three-year terms, as their names will appear on the voting machines, are: Alvin B. Jay, Mrs. Sonya G. Dorsky, Canio A. Casale, Howard S. Levin, Harold H. Lubenski and Francis H. Shimshock. Mrs. Dorsky is the lone incumbent seeking another term.

Appearing on the voting machines as candidates for the one-year term will be Mrs. Ruth Weisman and Joseph R. Afflitto.

Levin and Shimshock were the latest entrants in the race, filing their petitions just before the Dec. 31 deadline. Levin was an unsuccessful candidate in 1962 and 1963. He resides at 99 Troy rd.

Shimshock, whose home is at 104-R Hill rd., has long been active in recreation and Boy Scout programs in Springfield.

**Polling Places**

The polls Feb. 9 will be open from 3 to 9 p.m. Residents of voting districts 1, 2 and 3 will use Polling Place No. 1, at the James Caldwell School, Polling Place No. 2, for districts 4, 5 and 6, will also be at the Caldwell School.

Voting districts 7, 8, 9 and 10 are assigned to Polling Place No. 3, at the Florence Gaudineer school.

### 100 Ask Youth Employment Aid During Two Days Of Operation

More than 100 applicants were interviewed by members of the Springfield Youth Employment Service during the two days the service was available last week, according to Mrs. William Lorimer, chairman.

Mrs. Lorimer said that the applicants were mostly high school and college students seeking part-time employment

or summer employment. She said that she expects some full-time opportunities will be available, particularly in the summer.

Mrs. Lorimer explained that the offices in the Municipal Building, which opened on a regular basis 2:30 to 4:30 p.m. on Monday, are staffed to interview additional applicants aged 14 to 20.

Potential employers are asked, she said, to notify the service of available jobs by calling DR 6-5800 between the hours of 10 a.m. and 4:30 p.m.

A speakers' bureau has also been organized, it was explained. The bureau, maintained by Paul Roman, will provide speakers for any organization wishing to know more of the services of the Youth Employment Service.

Funds and supplies from individuals and organizations are being sought to be acquired, Mrs. Lorimer said, and are still needed.

Adult volunteers who have served as interviewers are: Doris Bass, Peter Brunt, Laurel Cole, Elsie Cowles, Frances Cincinelli, Frances Del Vecchio, Gladys Devore, Lee Enz, Claire Falkin, Audie Garner, Hazel Harigrove, Ethel Lallen, Mrs. Lorimer, Ruth Miller, Evelyn Schwartz and Elaine Sneyer.

Other adults have already signed up to assist, Mrs. Lorimer said, and others who offer services will be welcomed.

### Fair Housing Unit To Outline Details For Pledge Drive

Springfield's Fair Housing Committee will hold its next regular meeting at 8:30 p.m. next Thursday, January 14, at the Holy Cross Lutheran Church, 639 Mountain ave.

According to a committee spokesman, the evening will be devoted largely to working out details of a pledge drive scheduled for February. At that time, the committee intends to launch a city-wide campaign aimed at soliciting "good neighbor" pledges from residents.

"The pledge," says the committee spokesman, "is based on our belief that the foundations of American democracy rest on the enthusiastic support of the human rights and dignity of all people."

"This being the case, the pledge itself expresses our willingness to accept as neighbors persons on their own merit, without regard to race, religion or national origin."

At the meeting next Thursday, the committee plans to assign specific areas of town to individual pledge captains, review the existing procedures and work out the actual mechanics of the program.

According to Mrs. Philip Lewis, the coordinator of pledge activities, everyone interested in participating in the drive is urged to attend.

Also on the agenda for next week's meeting will be the selection of a new committee chairman, Irving Samuels, who had headed the Fair Housing Committee since its inception in 1963, presently was transferred to a new position and has moved from Springfield.

A committee composed of Bill Bessel, Mrs. Kristman and Jim Marshall will present nominations for a new chairman.

### Committee Lists New Appointees

By ABNER GOLD

A 10-point program for progress during 1965 was outlined by Springfield's new mayor, William F. Koonz, at the organization meeting held by the Township Committee at noon on New Year's Day in the Municipal Building.

Mrs. Eleanor Worthington, township clerk, administered the oath of office to the three men elected in November.

They are Arthur M. Falkin, Robert G. Planer and Jay B. Bloom, who will be the lone Democrat on the five-member governing body. The other Committeemen are Koonz and Philip Del Vecchio.

Other meeting highlights included two efforts by Bloom to make changes in the long list of appointees approved by the Committee or announced by Mayor Koonz.

Bloom proposed Joseph Seidel, municipal prosecutor, to replace James M. Cawley as township attorney, and Henry Grabarz to replace Otto Fessler as building inspector.

Both nominations failed for lack of a second, and the administration choices were approved by Grabarz, a lifelong Republican and a former building inspector, was an unsuccessful Democratic candidate for the Township Committee in November.

**Department Chairmen**

Koonz named members of the municipal working committees for 1965. Falkin heads the department of finance and revenue, aided by Bloom and Koonz. This has jurisdiction over township real estate, insurance, budget control, treasurer, tax collection, tax assessment, pension fund and purchasing.

The department of public works is headed by Del Vecchio, aided by Planer and Falkin. This covers the engineering department, road construction and maintenance, sewers and drainage, public utilities and the building departments.

Koonz heads the department of public affairs, assisted by Planer and Bloom. This supervises parks and public properties, animal welfare, local assistance, local assessment and recreation.

Planer will direct the department of public safety, aided by Koonz and Del Vecchio. This has jurisdiction over the police and fire departments, civil defense and disaster control.

Bloom will be in charge of administration, aided by Falkin and Del Vecchio. This area includes the township clerk, licenses, township attorney, law department, township offices and personnel and sanitation.

**10-Point Program**

The 10-point program projected by Mayor Koonz in his inaugural address will be the basis of the long-term road improvement project initiated in 1964.

Efforts to attract "desirable" township.

### OFFICIAL 'DEBUT' OF MASTER PLAN SET THIS EVENING

Springfield's long-awaited Master Plan for future development will be unveiled at the meeting of the Planning Board tonight at 8 at the Town Hall. It was disclosed this week by Donald Rotwell, Planning Board chairman.

Copies of the Master Plan will be available at the meeting tonight, he stated, and a date will be set for a public hearing on the plan. The project, in preparation for more than a year, includes a new zoning map, as well as proposals for future growth of the township.

### Group Proposes Change To Plan A In Town Charter

The Committee for Change in Springfield's Government on Monday voted unanimously to petition for a change in the mayor-council form, Plan A, as outlined in the Fairholder Act governing municipal operations.

This plan calls for election of a mayor and of five councilmen at large and of five councilmen at large each in seven for four years. Elections would be on a non-partisan basis, on the second Tuesday of May, with the winners to be installed on the following July 1.

Under the proposed method, legislative power in the township would rest with the municipal council, while the mayor would be charged with executive and administrative responsibilities.

Springfield at present operates under the Township Committee system. Each of the five Committeemen has an equal amount of authority. They select one of their own number to serve as chairman, with the honorary title of mayor but no added authority.

The charter change group also announced that it has set a target date for putting the proposed change into effect. The group's goal was given as the second Tuesday of May, 1966, for election of a mayor and councilmen under the projected new charter.

Members of the charter change committee are Thomas Argiris, Vincent J. Bonadies, Ed Bull, Lew Rosen and Russell Sibole.

### Marie Branco Wins 1965 Diaper Derby

Marie Branco, the first baby born to Springfield residents this year and the winner of an avalanche of prizes from local merchants, is five days old today.

The daughter of Mr. and Mrs. Leroy Branco of 74 Tooker ave. was born at 2:10 p.m. Saturday at Overlook Hospital, weighing in at seven pounds, six ounces.

While Mom is convalescing, Marie's Dad, who is a baker with the A. & P. Tea Co. in Newark, is filling in as family chef. Marie will have to be a little older before she tastes Dad's

home-baked goodies, but there will undoubtedly be more of them when she is old enough to savor cookie crumbs over the side of her high chair.

Meanwhile, Marie's brother, James, who is 13 years old and an eighth grade student at St. James School, is home to help Dad with the cooking and eating departments.

As winner of the Leader's annual baby derby, Marie will receive the following gifts for herself and her family:

A wool pram robe blanket, valued at \$5.98, from Bretter's Department Store; a certificate for her first pair of shoes, Colantone Shoe Shop; a \$10 savings account opened in her name at Crestmont Savings and Loan Association; a Kohner Busy Box (a 10-in-one toy, valued at \$5), from Kay's Stationery and Hardware; a \$5 gift certificate, Michele's Youth Fashions.

She will also receive an aluminum sterilizing kit of a case of baby formula prescribed by her doctor from Park Drugs; a \$5 gift certificate, Renette Youth Center; and a three-piece silver set, Wexler-Jewelry.

Mother will have a haircut, shampoo and style set at Norma's Salon of Beauty, and the proud parents will dine out at the Health Restaurant, where they will be served a steak dinner. A complete limousine and roll change while the family car at Pinkava's Motor Co. Eco Service.

### MOTHERS TO JOIN IN DRIVE HELPING MARCH OF DIMES

The Springfield Mothers' March for the March of Dimes will take place on Thursday, Jan. 25. It was announced this week by Township Committeeman Jay B. Bloom, who was recently reappointed as Springfield chairman for the March of Dimes.

Noting that March of Dimes support led to the Salk and Sabin vaccines which virtually wiped out polio, Bloom said that the "primary target today is birth defects." These include defects which cripple or disfigure the baby, as well as those which limit mental development.

Bloom asked potential volunteers to call him weekdays at DR 9-2144.

# NEW YEAR CHEER JUST AS SPIRITED AFTER JAIL STAY

"Happy New Year, everybody," James B. McKewon, 59, of Newark yelled in Springfield Municipal Court Monday night after being sentenced on a drunkenness and disorderly conduct complaint.

Magistrate Max Sherman, sitting well back on the bench to avoid the defendant's breath, sentenced McKewon to time already spent in jail since his arrest earlier in the day and ordered him to get out of town as soon as he sobered up. He was gone the next morning.

# 3-Month Revocation

The driver's license of Lajos Tamas, 25, of the Baltusrol Golf Club in Springfield has been revoked for three months, effective Dec. 13, under the New Jersey Point System, the Division of Motor Vehicles announced last week.

# Area Jewish Group Elects Local Rabbi

Rabbi Isaac S. Dresner, spiritual leader of Temple Shalom, Springfield, was recently elected to membership of the board of trustees of the Jewish Community Council of Greater Essex County.

Charles Stern, president of the Council in greeting the Springfield rabbi upon his election to the board said, "It is a pleasure to welcome you to membership on the board of trustees of the Jewish Community Council and to know that we will be working together in carrying out the Council's communal responsibilities."

Rabbi Dresner responded by saying, "I want to express my heartfelt gratitude to the Council for honoring me, my congregation and our Springfield Jewish community by electing me to the board of trustees. I will do all within my power to represent Springfield Jewry and the Jews of the greater Essex County area in the deliberations of the board."

"The Jewish community faces serious challenges in such areas as the improvement of Jewish education, maintenance and expansion of communal institutions, stabilization of the Weequahic Jewish community so as to insure the creation of an authentic inter-racial neighborhood, even greater Jewish participation in the just efforts of our Negro brothers to achieve social justice and the defense of the great American ideal of separation of church and state in such areas as the public schools against ever-recurring attack."

"Thank you once again for your trust and confidence. I sincerely pray that I will live in the spirit of our great Jewish tradition."

# PASTOR IS HOST TO LOCAL CLERGY IN SOCIAL SERIES

The Rev. and Mrs. James DeWalt of the Springfield Emanuel Methodist Church entertained local clergymen and their wives at the parsonage last week. The Rev. Lester Messerschmidt of Holy Cross Lutheran Church will be host to the group at noon next Thursday.

Guests at last week's meeting were Rabbi and Mrs. Reuben Levine, Monsignor Francis X. Coyle, Rev. and Mrs. Donald Weber, Rev. and Mrs. Messerschmidt, Rev. and Mrs. Clarence Alston and Father Richard Nordone.

**New Year's Eve**  
It was a gala New Year's Eve party at the home of Mr. and Mrs. Sam Piccone, 17 Hilltop Ct., Springfield. Some 50 guests were present, and it was a return engagement on New Year's Day as half of the visitors came back to finish up the food.

# LEADER PROFILE

WILLIAM J. BURNS

William J. Burns of Springfield, a sales executive by profession, stresses the importance of going all out to help a cause but only if the cause is one which originates from the heart.

Burns, who lives at 344 Milltown Yd., was one of 10 Springfield citizens appointed by Mayor Robert D. Hardgrove, to serve on the town's newly organized Human Relations Committee. He was appointed chairman late in September at a Township Committee meeting, to deal with local problems in the areas of human relations and civil rights.

Mrs. David Schwartz was appointed vice-chairman. Other members include the Rev. Bruce Evans, pastor of the First Presbyterian Church; Msgr. Francis Coyle of St. James Catholic Church (of which Burns is a member); Rabbi Reuben R. Levine of Temple Beth Ahm; and Abraham Levine, Robert H. John, Harold Blachof, Norman Banner and Mrs. Elwood Carmichael.

"This," Burns explained, "is all new for all of us. We have been told by the Township Committee, as set up in the act, that the committee is an advisory group to the Township Committee — although we do have the right to act independently. We are now in the process of outlining and defining what we believe should be the scope of our responsibility. We're all pooling our individual thoughts, hammering them into a working guideline, so to speak, in planning for future action. This, as I said before, in no way hampers us from acting independently."

"TO ME," Burns indicated, "human rights have become the most important problem facing the whole country. My own conception of this is that human rights means everyone's rights. Although I feel so strongly about this, I don't go around wearing it on my sleeve, I'm no zealot. I don't go around riding Freedom Buses and such."

"But I do believe in the concept of God the Father — and if God is the Father, doesn't that make all of us brothers?"

The committee's primary concern at the moment, Burns explained, "is to try to develop ways and means of letting all Springfield citizens know that this commission is their legally appointed body, created for the sole purpose of protecting the rights of everyone."

"And all that is necessary to get action is for the citizen to drop us a line at Town Hall regarding his complaint of any infringement or infringement of those rights."

For example, Burns went on, "Rabbi will come to whatever group needs — any group, Catholic, Protestant or Jewish. All of our members have signified a willingness to help get our message across. If the feeling is there, you see, the other part will come willingly."

"IT HAS TO START somewhere. Why not right here in Springfield? Treat your fellow man as your brother. We have to love each other, but that," Burns mused, "doesn't mean we have to like one another's peculiarities."

Burns explained that he has been "in sales" for about 30 years, and he has learned "a long time ago — and this is basic — it's marvelous — what people will do if you'll only ask them in the right way. And if humbling oneself in asking may bring about brotherhood and fellowship, there is no sin in humility."

"The State of New Jersey has 35 commissions presently set up. And where there are commissions set up, communities are less likely to have problems. They told us this — and I believe it," he said firmly.

"Our first job is conciliation. This opens to me," Burns said, "I would like to have the opportunity to talk to people about this — and believe me, I've talked to lots of people in my lifetime."

"THERE IS A RIGHT way to do something. The approach is important. I love this town. It has always appealed to me — and if I can get my message across, I would feel that I would really be doing something for the citizens of Springfield."

Burns, who was born in Newark, was graduated from Benedict Preparatory School in 1924. He attended Rutgers University, then went into transportation sales at Motor Freight Express Inc. in Jersey City. For the past 18 years he has been in management.

He has been active in civic organizations for at least that many years.

"I was a member of Newark Public Safety Director John Keenan's Citizens Traffic Commission 15 years ago," Burns said. "I served on a Grand Jury in Essex County one full term. And incidentally," he noted, "the experience I obtained there proved to be invaluable."

Among the many organizations to which he belongs, Burns mentioned "the traffic clubs of Newark, Hudson County,"

## Magistrate Fines 10 For Speeding, Other Violations

Ten motorists were fined for speeding by Magistrate Max Sherman in Springfield Municipal Court last week.  
James L. Waller, 20, of East Orange was fined \$40 and the following were fined \$35 each: Marjorie Temple, 29, 271 Woodside rd., Union; Gaspar J. Migliorini, 25, Elizabeth; Joseph A. Arment, 48, Jersey City; Arthur J. Chlovers, 35, Chatham; Anthony P. Deas, 30, 861 Valley st., Union; and John M. Higgins, 20, Hillsdale.  
Other speeders fined were Hilda P. Levine, 53, Plainfield, \$30; Semour Grubel, 38, 1164 Winding dr., Mountainside, \$25; and Elaine Green, 30, Milltown, \$15.

Antonio Ferrar, 43, of Elizabeth was fined \$15 for passing a red light and the "long motor" of Springfield City, Pa. was fined \$10 for allowing a tractor-trailer to be operated on Rt. 22 without tail lights.

## 5 Cars In Crash; 7 People Injured

Lyndal G. Miller, 20, of 13 Hathcock Ter., Springfield, and Nathan Gutman, 5, of Bronx, N. Y., were hurt recently in a five-car collision in the westbound lanes of Rt. 22 at the Chestnut St. overpass, Union, police reported.

According to police, a car driven by Thomas Gallagher, 23, of Allentown, Pa., skidded into the rear of one driven by George Gardner, 39, of Scotch Plains, pushing it into one driven by Bernard Gutman, 38, of Allentown, pushing that car into the rear of a station wagon driven by Joseph Sweeney, 33, of East Meadow, N. Y., pushing it into the rear of the Springfield driver's car.

The boy, who was a passenger in the Gutman car, received a bruise on the right ear, and the Springfield woman said her head and neck hurt. Both said they would get their own doctors.

Motor vehicle violators fined included James B. Coleman, 29, of Westfield, speeding, \$35; Richard C. Flores, 28, Egypt, Pa., speeding, \$20, and Dorothy C. Clauben, 42, Hillsdale, failure to keep right at an intersection, \$10.

## YWCA Kaffeeklatsch Features Humarist

A program of original humorous verse and satirical sketches, many of them touching on the problems of the suburban housewife, will be presented by Mrs. John A. Lewis at the Summit YWCA Wednesday morning Kaffeeklatsch.

The social period will begin at 10 a.m. Wednesday, followed by a hour-long program by Mrs. Lewis beginning at 10:30. Additional information may be obtained by calling Mrs. Allen G. Ballard, program assistant at the 'Y' at CR 3-4242.

# School Board Criteria

As we have done the past several years, we again are reprinting the list of criteria from the booklet "What Every Board Member Should Know," published by the State Federation of the District Boards of Education of New Jersey. It is being reprinted, we feel, with school board elections coming up in February.

Here's What Good Members Do  
Eighteen practices are rated very desirable by successful board members.

The best board members —  
1. Recognize their responsibility is not to run the schools, but to see that they are run well.

2. Work through the properly appointed administrative officers according to the organization as planned.

3. Function as a part of a policy forming and control board rather than as part of an administrative board.

4. Familiarize themselves in a broad and non-technical manner with the problems of the school system.

5. Refer, as far as possible, all complaints and requests to the appropriate administrative officer.

6. Try to interpret to the school staff the attitudes, wishes and needs of the people of the district, and try to interpret to the people the needs, problems and progress of the schools.

7. Voice opinions frankly in board meetings and vote for what seems best for the children of the district.

8. Recognize fully that the appropriate administrative officer is entirely responsible for carrying out a particular policy in accordance with state law and local regulations.

9. Help to frame policies and plans only after considering the recommendations of the appropriate administrative officer, together with his reasons for making such recommendations.

10. Require oral and written reports for the purpose of keeping the board properly informed on school matters.

11. Give all school officials authority in keeping with their responsibilities.

12. Vote only for the best-trained technical and professional employees who have been properly recommended by the appropriate administrative officer.

13. Maintain harmonious relations with other board members when harmonious relations are consistent with their obligations to the schools.

14. Visit the schools to gain clearer understanding of school problems, but not to interfere in the day-by-day administration of the schools.

15. Establish criteria for evaluating the efficiency of the administrative officers.

16. Present personal criticism of school employees only to be appropriate administrative officer.

17. Support and protect school officials in the performance of their duties.

18. Give friendly counsel and advice to the administrative officers.

Good Members Avoid These Practices  
Boards often create their own problems. Experience has shown that board members lose effectiveness to the degree that they:

1. Interfere with the day-by-day routine details of school administration and supervision.

2. Refuse to support worthwhile school programs because of personal reasons.

3. Show favoritism to relatives or friends.

4. Make promises and commitments before the questions are fully discussed in the board meetings.

5. Join a clique to control board action.

6. Use board membership for political or business advancement for themselves, their families, their relatives or their friends.

7. Indulge in petty criticism of the administration of their schools.

8. Divulge confidential information.

9. Assume authority in school matters when the board is not in session.

10. Accept gifts from school suppliers or contractors, or make personal purchases through the schools to gain advantage of the school discount.

The foreword to the booklet states: "Today's school board members are facing greater problems than at any other time in the history of public education in the United States. They are being called upon daily to make momentous decisions which will ultimately affect the future of our country. Board members, new and old, need all aids possible to enable them to function effectively within the limits of their office as defined by good practice and law."

# Report From Trenton

by State Senator Nelson P. Stamler (R-Union)

This past legislative year has brought about some very good legislation and some mediocre legislation.

Thirteen of the bills which I sponsored passed and were signed into law — about 3 or 4 which passed both houses are still somewhere on the Governor's desk.

Of the bills which were signed into law, I am proud of the fact that the first revision of the Credit Union laws in many years passed and gave additional powers to credit union, which offer a great service to a portion of our population — which sort of pays its own way.

Among the other bills I was successful in having signed into law was a bill which increased the penalty for the operation of a motor vehicle while the driver was on the revoked list. Previously the penalty had been \$100 to \$50, or imprisonment in jail for 60 days. Under my bill the law now provides for a minimum of \$200 and a maximum of \$1,000 or imprisonment for six months. I do not know whether this will stop all of the violations but it will help, and if needed, possibly the penalty should even be increased in the future.

Last year — as I have in past years — I introduced a tough lobby control law which patterns itself after the present federal statute, but the legislature saw fit not to pass my bill and passed a rather watered-down lobby control bill. This same situation applies to my strong conflicts of interest bill which I will again re-introduce. While I believe a great forward step has been taken in the legislative process, I still believe that mandatory penalties are necessary in many instances and my bill which I sponsored last year with Senator Hunt of Gloucester County was S-100, which passed the Senate on March 23 and the Assembly on May 18. This bill provided that the sale of dispensing of narcotics by a person over 21 to a person under 18 would be punishable by a fine up to \$5,000 and 10 years to life imprisonment and hard labor.

It seems almost impossible to believe that this bill has been ready for signature for seven months, and no action has been taken — nor, for that matter, is any reason given for the lack of action.

Reappointment and take next year are going to be our toughest problems — I still feel that a tax convention is necessary in order to review our road-use tax structure.

I am going to re-introduce my tax convention bill.

Crummy signed complaints against Miss Cantapoppo for careless driving and against the Irvington women for reckless driving. The Crummy complaints will be heard in court next Monday night.

Recently rezoned from S-75 to permit a 60-foot frontage, the land is on Mountain Ave., opposite Yaddo Farm. It extends from the store at Henshaw Ave. south, along to Shungite rd. The applicant said that the homes are planned to sell for \$27,000 to \$30,000. The old greenhouse which has been on the tract is now being torn down. He also noted that a new street will be cut into the area from Mountain Ave., with the proposed name of Oak Rd.

Releppi has already built one substantial development in Springfield. This was on the former Becker-Pansy Farm, extending from Mountain Ave. in Pitt rd., roughly opposite Richmond rd.

Last year — as I have in past years — I introduced a tough lobby control law which patterns itself after the present federal statute, but the legislature saw fit not to pass my bill and passed a rather watered-down lobby control bill. This same situation applies to my strong conflicts of interest bill which I will again re-introduce. While I believe a great forward step has been taken in the legislative process, I still believe that mandatory penalties are necessary in many instances and my bill which I sponsored last year with Senator Hunt of Gloucester County was S-100, which passed the Senate on March 23 and the Assembly on May 18. This bill provided that the sale of dispensing of narcotics by a person over 21 to a person under 18 would be punishable by a fine up to \$5,000 and 10 years to life imprisonment and hard labor.

It seems almost impossible to believe that this bill has been ready for signature for seven months, and no action has been taken — nor, for that matter, is any reason given for the lack of action.

Reappointment and take next year are going to be our toughest problems — I still feel that a tax convention is necessary in order to review our road-use tax structure.

I am going to re-introduce my tax convention bill.

Crummy signed complaints against Miss Cantapoppo for careless driving and against the Irvington women for reckless driving. The Crummy complaints will be heard in court next Monday night.

Recently rezoned from S-75 to permit a 60-foot frontage, the land is on Mountain Ave., opposite Yaddo Farm. It extends from the store at Henshaw Ave. south, along to Shungite rd. The applicant said that the homes are planned to sell for \$27,000 to \$30,000. The old greenhouse which has been on the tract is now being torn down. He also noted that a new street will be cut into the area from Mountain Ave., with the proposed name of Oak Rd.

Releppi has already built one substantial development in Springfield. This was on the former Becker-Pansy Farm, extending from Mountain Ave. in Pitt rd., roughly opposite Richmond rd.

# Tips for TODAY'S HOMEMAKER

From MARY ARMSTRONG, County Home Economist

## OLD TIME FAVORITES ADD GLAMOUR TO MODERN MEALS

"That apricot raisin stuffing in the duck was very special" said a young West Point Cadet to his hostess after a dinner this past week. The remark stimulated our thinking about how much dried fruits could contribute to "special" mealtimes enjoyment, especially during the winter season. It also raised a question as to how widely used are all the good dishes made possible through the use of dried fruits.

Fig-oatmeal cookies are a flavor treat that will satisfy even the most fussy of appetites. Like other dried fruits, figs are not only tasty, but contribute to the nutritional quality of the meal. Miss Audrey C. Burkart, extension specialist in foods and nutrition at the College of Agriculture, Rutgers University, suggests this delicious and different milk shake made with pureed prunes:

**Prune Walnut Bread**  
1 1/2 cup chopped prunes  
1 cup boiling water  
1-3 cup strained honey  
1 egg, beaten  
1 t. vanilla  
3/4 cup sifted flour  
2-3 cup sugar  
1 t. baking soda  
1 t. milder butter or margarine  
1 cup chopped walnuts  
Combine prunes and boiling water. Cover and let stand 20 minutes. Add honey, egg and vanilla. Sift together flour, sugar, soda and salt; add the prune mixture, melted butter or margarine and walnuts, mixing well. Pour into greased 8 1/2 x 5 1/2 pan. Bake in slow oven (325 degrees F) for one hour or until done. Cool 10 minutes. Remove from pan. Cool thoroughly before slicing.

## Sessions To Begin At Review Center

The first sessions of the College Review Center courses for high school juniors are scheduled for tomorrow and Saturday. The courses will run for nine weeks in preparation for the College Board Examinations to be given on March 6. The scores achieved on these tests are one of the criteria used by colleges for choosing their entrants.

**ALIENS' ADDRESSES MUST BE REPORTED**  
Dominick F. Rinaldi, district director of the Immigration and Naturalization Service said this week that the annual alien address report program is again under way.

Rinaldi stated: "It is easy for an alien to report his address. Cards which are available at Post Offices and offices of the Immigration and Naturalization Service. Completed cards should be returned to the clerk. Parents or guardians may submit reports for alien children under 14 years of age and a relative or friend may obtain a card for an alien who is ill."

Rinaldi added that trained personnel will be available at all offices of the Immigration and Naturalization Service to answer any questions that reporting aliens might have regarding immigration and naturalization matters.

## Ask Amy

BY AMY ADAMS

**Dear Amy:**  
For the past few months I have thought of nothing but a certain man I met. He seemed very nice to me and I fell for him. His job has taken him to another town and I don't see much of him. Last time I saw him he said he would come to see me next time he visits (he doesn't work when it rains). It has rained twice since, and I have waited for him but he never showed up.

**Dear Amy:**  
Get your mind off your weathery man and dry your weathery eyes. If you have to depend on a cloudburst for him to show and he doesn't, you can safely assume he's drying off at another drydock. Find an "ALL weather" friend you can depend on.

**Dear Amy:**  
I'm married to a very wonderful woman for 16 years. We're celebrating our anniversary soon and I'd like to give her something different or do something for her to show her how happy I am and how much I love her. I have been thinking about this for quite a while and can't come up with anything really unusual.

**Dear Amy:**  
I wish I had adequately prepared for college and life by religious educators with a 1,400-year-old tradition.

# 61.1 Percent Of Population In Union County Are Native-Born

Of Union County's 504,255 total population, 61.1 percent

are native-born, while 10.8 percent are foreign-born. The balance of the population is of foreign-born or mixed parentage. The figures, released in a research report of the Department of Conservation and Economic Development and entitled, "Population: Nativity and Parentage," are based on 1960 census figures. According to Gladys W. Elisworth, chief of the Research and Statistics division of the department, the category "native" comprises persons born in the United States, Puerto Rico or possessions of the United States. Also included in this category, Miss Elisworth explained, is the small number of persons who, although they were born in a foreign country or at sea, have at least one native American parent. Persons whose birth place was not recorded are, for the purposes of the report, assumed to be native. All others are classified as foreign-born. In Union County the percentage of native born who are white are listed at 87.9

whites of foreign or mixed parentage are listed at 99.6 and whites who are foreign born constitute 99 percent. Although Puerto Ricans are termed "native-born," according to the report, they are also listed separately and the total population of Puerto Ricans in the country is listed at 1,649. In New Jersey, the report states, 3,038,017 people are of native parentage and 87.1 percent of them are white. In turn, 85.2 percent of the population of the state were born of native parents. This, it pointed out, is well below the national figure of 81 percent of the total population of native parentage. Union Township's total population as of the 1960 census is listed at 51,499. Of this number 28,237 are native-born, 16,977 are of mixed (native and foreign born) parentage and 8,285 are foreign-born, according to the report. Of the native-born population of the township 89.3 percent are white, those of mixed parentage constitute 99.6 percent and of the for-

ign-born, 99.5 percent are white. The township is listed as having a population of 66 Puerto Ricans. Linden is reported to have 21,360 native-born persons, 13,500 of mixed parentage and 5,071 foreign-born. The total population of 39,931. The percentage of whites listed as native-born is 87.9, of mixed parentage, 99.7 and foreign born, 99.4 percent. Linden boasts 77 residents born in Puerto Rico. In Roselle Borough the report indicates that of the total population of 21,032, 13,061 are native-born, 3,744 are of mixed parentage and 2,207 are foreign-born. Native born whites constitute 78.8 percent in that category, while there are 99 percent of mixed parentage and 99.4 percent foreign-born whites, the report states. It is reported that there are 25 Puerto Ricans in the borough.

Roselle Park's total population of 12,546 is comprised of 7,466 native-born, 3,763 of mixed parentage and 1,287 who are foreign-born. Of Roselle Park's native-

born, 100 percent are white; whites of mixed parentage constitute 99.7 percent and of foreign-born, 99.4 percent are white. There are 16 Puerto Ricans in the Park. Springfield's total population of 14,467 is broken down as follows: 8,527 are native-born, 4,482 are of mixed parentage and 1,458 are foreign-born. Of the number of native-born, 96.2 percent are white; those of mixed parentage constitute 99.8 percent and 99.7 percent of the foreign-born are white. Five Puerto Ricans are listed as residents. In Mountaineer with its total population of 6,926, there are 3,661 listed as native-born, 1,897 of mixed parentage and 537 foreign-born. There are no percentages of white population listed for Mountaineer, but the report states that 13 residents are Puerto Rican. Kentworth, with a total population of 7,876, according to the report, has a native-born population of 4,823, a population of mixed parentage of 3,518 and 539 foreign-born. There is no breakdown of white population and no Puerto Ricans residing in the borough. The report noted that New Jersey is fourth in the nation in the total number of foreign-born residents.

### Park Plastics Co. Promotes Monte

Andrew Monte has been appointed administrative vice president of Park Plastics Co. of Linden. The appointment of Monte, a resident of Union, was announced by the board of directors of the company this week. Also announced was the appointment of Charles A. Dolber as vice president in charge of sales.

Monte started his career with Park Plastics in 1946 as office manager. He has also served as credit manager and treasurer. He is past chairman of the Toy Manufacturers' Credit Group (Eastern Division) and a current member of the National Credit Committee. He is a member of the board of governors of the Colonia-Country Club.

Monte was a member of an air crew in the U.S. Air Force from 1941 to 1944.

### Ampeg Company Reports Sales Up

Figures released this week, The Ampeg Co., Inc., of Linden, manufacturers of amplifiers for musical instruments, reports a 61 percent sales increase in 1964 over the previous year.

Although net sales as of May 31, 1964, indicated an increase from the same period of the prior year — from \$736,461 in 1963 to \$1,212,708 last year, the earnings after taxes showed a decrease below 1963.

This, the company pointed out, was due to a change-over to automated methods and a move to larger quarters and are not to be considered a recurring expense. With no further technical or engineering changes expected, management states, it feels the percentage in sales and earnings will increase proportionately as efficiency improves during the next six months.

The reasoning was reflected in the Nov. 30, 1964, figures against those for the same period for 1963, the company notes. Earnings after taxes for the 1964 period was listed at \$31,374 against \$23,224 for the previous year.

### Liquor, Cash Taken In New Year's Theft

Thieves broke into the Nadel Lumber Co., 1020 W. Elizabeth ave., Linden, New Year's Day and escaped with a cache of liquor and about \$10 in cash.

According to police, entry was gained through a rear boiler room door.

About an hour earlier, thieves apparently were frightened away from the Allied Lumber Co., 101 W. Elizabeth ave., Linden, when a burglar alarm went off. Linden police, who responded to the ringing alarm, said they found burglar's tools at the rear of the building.

### Rahway Woman Hurt In Two-Car Collision

A 65-year-old Rahway woman was taken to Elizabeth General Hospital last Tuesday with a cut lip after the car she was driving collided with another auto in Rt. 1.

Mrs. Lillian Odenthal was driving east in the state highway when her car struck the rear of a car being operated by Harold Hansen, 78 of Elizabeth. Hansen, who was uninjured, told police his car was stopped at Cranford ave. when the accident occurred.

### ARM OF THE LAW CATCHES UP WITH ELUSIVE DRIVER

The long arm of the law waited six years before grabbing Enrique Rodriguez.

Rodriguez, 26, of Newark, was motoring through Linden on June 29, 1958, when he was stopped by Patrolman John J. Zych and given a summons for driving 60 miles per hour in a 25 mile zone.

Rodriguez failed to appear in court to answer the summons and, consequently, forfeited \$50. — he had put up his ball and lost his driver's license by direction of the State Motor Vehicle Director.

Last week Newark police picked up Rodriguez on another charge and checked with Linden police who said they were still interested in having him appear in court.

So after six years, Rodriguez appeared before Linden Magistrate Joseph C. Monloze last week to answer the traffic summons.

Magistrate Monloze fined Rodriguez \$25 on the speeding charge and, as a penalty for being so tardy in appearing, assessed him an additional \$100 for contempt of court.

### Linden Club Closed On Liquor Violation

The State Division of Alcoholic Beverage Control this week suspended for 90 days the Linden Club for a violation of the Liquor Code.

The club, 270 W. Linden ave., Linden, was closed Tuesday at 3 a.m. and was to continue through March 1.

The club was closed for possession of 27 alcoholic beverages in bottles bearing labels which did not truly describe their contents. The violation was discovered May 28, 1964.

## Commonwealth Co. Manager To Retire

Thomas W. Coleman, manager of Commonwealth Water Co. for the past 20 years and a veteran of 40 years in the public water supply profession, has announced his retirement, effective March 1, 1965.

He will be succeeded by Jack H. King, who has been manager of the Muncie (Indiana) Water Works Co.

Company President Kenneth B. Earnhardt praised Coleman's many years of outstanding service with the American Water Works Company system of water companies, which include Commonwealth Water Company of the Summit Chamber of Com-

merce and has been active in chamber activities and service organizations in the area served by Commonwealth. He is married and has one son, T. W. Coleman Jr., who, as manager of Armstrong Water Co. in Kittanning, Pa., is following in his father's footsteps.

Coleman and his wife are planning to move to Florida after he retires.

King, a native of Iowa, joined the American Water Works System as a chemist in 1943. In 1948 he became resident engineer for the St. Joseph Water Co. in Missouri and has held

various positions in the American System since then.

# 5% EARNINGS NOW POSSIBLE ON SYSTEMATIC SAVINGS!

## QUARTERLY or MONTHLY income can be yours!

### INTRODUCING... Four New Savings Plans At CRESTMONT SAVINGS!

#### 1. Systematic Savings Plan

If you are a regular saver, you can earn a Reward-Profit of up to 1% per annum. This, added to our current dividend, gives you total earnings of

### Up to 5% On Your Savings!

You can qualify for this bonus by opening a Systematic Savings account and saving a stated amount every month. After three years, you have earned a bonus of 1/2% per annum; after six years 3/4% per annum; or after ten years 1% per annum. The chart shows how your account can produce these bigger earnings!

		1/3 Bonus at 3 years	2/3 Bonus at 6 years	Full Bonus at 10 years
\$10.00 per month	Savings + Dividends	382.90	814.11	1474.85
	Bonus	1.90	15.69	68.71
	<b>Total</b>	<b>384.80</b>	<b>829.80</b>	<b>1543.56</b>
\$15.00 per month	Savings + Dividends	574.35	1221.17	2212.28
	Bonus	2.85	23.53	103.06
	<b>Total</b>	<b>577.20</b>	<b>1244.70</b>	<b>2315.34</b>
\$50.00 per month	Savings + Dividends	1914.51	4070.57	7374.25
	Bonus	9.54	78.42	343.56
	<b>Total</b>	<b>1924.05</b>	<b>4148.99</b>	<b>7717.81</b>
\$100.00 per month	Savings + Dividends	3829.02	8141.14	14,748.50
	Bonus	19.08	156.85	687.12
	<b>Total</b>	<b>3848.10</b>	<b>8297.99</b>	<b>15,435.62</b>

Based on our current 4% dividend rate.

#### 2. Monthly Check Plan...

### Check Plan...

Using your passbook as security, an advance will be made to you each month. The monthly check will be equal to 1/12 of the anticipated annual earnings of your account.

This plan is limited to accounts with minimum savings of \$5000 in the amounts listed below, although larger accounts in multiples of \$1000 can also qualify. The chart below is based on our current rate of earnings.

Savings Amount	Monthly Income
\$5,000.00	\$16.66
6,000.00	20.00
7,000.00	23.33
8,000.00	26.66
9,000.00	30.00
10,000.00	33.33

#### 3. Monthly Income Plan

A partial withdrawal from your account is sent to you automatically every month. The amount of each check and the term of years is your choice, within the limits of the plan: \$5000 or more in multiples of \$1000 to begin the plan which can run from 4 to 10 years.

If you open your account for \$10,000, you can have an income of \$100 a month for 120 months (10 years). A \$5000 account would provide you with \$50 a month for 10 years. (Figures based on current rate of earnings.)

This is an excellent plan for a retirement budget or for regular payments to schools, nursing homes, and others.

#### 4. Quarterly Check Plan

This plan works in the same manner and within the same limits as the Monthly Check Plan except that you receive your income checks quarterly — January, April, July, and October — in time to help you with quarterly obligations such as taxes, insurance premiums, etc.

Based on current and anticipated earnings, a \$5000 account will bring you a check for \$50 each quarter; a \$10,000 account will bring you \$100 each quarter, etc.

The stars we see are part of our own Milky Way galaxy. Milk is white, most people think the stars are, but others are blue, or greenish, or yellow, or orange, or even distinctly reddish.

Type G are known as solar type stars because of the Sun's membership in the class. The surface temperature is about 10,000 °F and the color is yellow. They include both giants and dwarfs. Capella and Arcturus are examples of a giant star of this type; the Sun is listed as a dwarf.

Rookie Cop Shot; Youth Arrested, Pistol Is Found

A third youth allegedly involved in the shooting of a rookie Elizabeth policeman was picked up Tuesday in Clark. Police from Elizabeth, Linden, Roselle and Union helped conduct an extensive area manhunt Tuesday for the youths.

The policeman, who was putting in his first tour of duty on the night shift, was taken to St. Elizabeth's Hospital where he was treated for surface wounds of the left side and left thumb, caused when the bullet grazed his thumb and played through his coat and jacket, narrowly missing vital organs.

C. W. S. Slagle of Chatham will be the guest speaker tomorrow in a meeting of the Country Oaks Association to be held in the home of Mr. and Mrs. Richard Schmitter, 11 Twin Oaks Dr., Springfield.

Slagle and his family were the subjects of an article in the July 31, 1964, issue of Life magazine. The family claims to own the original Leonardo Da Vinci Mona Lisa. If his claim is substantiated, the painting in the Louvre, Paris, would become one of a pair.

Slagle will discuss his family's painting and the more famous Mona Lisa at tomorrow's meeting.

**Snowdrifts Surrender Most Easily To Cooperation**

By BEA SMITH

Springfield citizens should have plenty of confidence in their township — particularly this winter when the pretty, floating, lightweight, little snowflakes cover the city with a thick white blanket.

The township has some \$85,000 worth of equipment to peel the blanket away.

This year, Walter Kozub, township engineer, who has offices in Springfield's Town Hall, explained, "We've added a new piece of equipment to our five plows, a jeep plow, a loader, salt spreader, choker spreader, trucks and bulldozer.

"It's a new loader — quite

a large piece of equipment. We expect it to do a very good job on snow removal.

Despite the fact that the weather had been pretty mild this winter — so far, and Springfield had very little use for snow removal equipment, "the equipment is waiting — ready to go. It just takes a half-hour to attach the plows to the trucks. And we'll be heading for 35 miles of road in town.

"Actually," Kozub said, "the 35 miles are not all straight roads. There are weaving, turning, dead ends."

"BY ALL THE ROADS were straight, we could do it in a few hours. As it is, we usually clear out the snow about 12 hours after the snow stops."

Kozub, a young, intense-looking engineer, sat behind a desk, the other day during an interview, surrounded by blueprints, books, notebooks and a variety of engineering equipment. William Trivett, road supervisor, contributed some valuable information about the vicinity and snow blowing equipment.

"We remove the snow from the main roads, such as Short Hills ave., Wentz ave., Hillside ave., Milltown rd., Evergreen ave., Riverside dr., any road connecting the highway to the county road."

"The county," Kozub added, "plows Mountain ave., Meisel ave., South Springfield ave., Summit way, Summit rd. and a portion of Hillside ave.

"The moment it starts to snow," he said, "we spread chokers and salt. As soon as it starts to get about 2 1/2 to three inches deep, 14 men, including the supervisory staff, mount those loaders, plow trucks, jeep-plow and bulldozer and take off."

Kozub stressed the fact that "every snow storm is almost an emergency. Many people don't realize this fact. They don't really look at it this way, but we do.

"We MUST ALWAYS consider the possibility of a fire, where a fire truck must get through, or an emergency illness, where an ambulance must get through — the change is always there, a matter of life or death."

"If we could only stress the importance of keeping cars in driveways, rather than on the street. We implore people to get the cars off the street when they see that it is snowing. We've had some narrow misses with our snow plows, and there were times when a couple of cars were hit because they were in the way."

"One main purpose," Kozub explained, "is to open up the street so that they're passable. We must widen them from curb to curb, for the simple reason of emergency equipment getting through."

"If people would only realize this — especially when they've just cleared their driveway of snow, and get

"LET IT SNOW, LET IT SNOW, LET IT SNOW" — At least, that's the way the fellows over at Springfield's Town Hall feel about it. The township engineer, Walter Theodore Kozub, extreme left; William Trivett, road supervisor, next

need no longer wait until other trucks search 35 miles before coming to the aid of the disabled vehicle. The driver need only radio right away to the garage, and within minutes, help is on its way.

"A lot of the trouble," Trivett explained, "is encountered up in the mountains. Three years ago, we had an awful time trying to get through. The trucks just couldn't get up there and even if some of them did, they just couldn't move the snow — the snow was so hard."

"So now," Kozub added, "we have bulldozers up in the mountain. We even have a telephone up there — just in case the bulldozers get into trouble."

Kozub reiterated, "I can't seem to stress enough the importance of keeping cars off the streets. People should stay home during snow storms or they add to our many, many problems."

"WE GET THE COOPERATION of about 80 percent of the people in Springfield. But the few remaining are those who cause the most difficult problems."

"The road department personnel," Kozub stated, "really do a terrific job. Sometimes the men work 36 hours straight, plowing snow."

"They work on five plows, worth \$1,500 a piece; eight additional removal equipment units, about \$10,000 worth; trucks costing about \$5,000 apiece — altogether, \$85,000 worth of equipment.

"With a little cooperation, we can do a darn good job. We all realize the complaints

and if we can get 100 percent cooperation from the citizens of Springfield, everyone would be much better off.

"Because one never knows when a fire will break out — or if the family which has parked the car out on the street should be the same family to need medical aid or an emergency ambulance.

"It's all for their own good," Kozub sighed hopefully.

A NATIVE OF IRVINGTON, and an alumnus of Irvington High School and Newark College of Engineering, Kozub explained that he came to live in Springfield seven years ago. He and Mrs. Kozub have two children, Linda, 6, and Karen, 5. He has been with the township for seven years. Three years ago, he became township engineer.

"And we've had some pretty rough snow storms in these three years. We expect and are prepared for plenty more

**Entertainment Program Slated By Church Group**

The Fireside Group of the First Presbyterian Church of Springfield will hold its monthly meeting Wednesday at 8 p.m. in the Parish House. The evening program will begin with dessert and coffee served by Mrs. Sven G. Redstrom, hospitality chairman.

During the coffee hour, slides will be shown of the recent trip by four members to Buckhorn, Kentucky. The men, Robert Bennett, Robert Bevan, Fred Schenk and the Rev. Donald Weber, will provide commentary to the slides. They personally delivered clothing, toys, games, dolls, medical and stationery supplies to the Presbyterian Child Welfare Agency at Buckhorn in time for Christmas.

A return visit by the Summit Chapter of the Society for the Preservation of Barber Shop Singing will be an added entertainment feature. The chorus will present a program of traditional favorites reminiscent of the "good old days" at the corner barber shop.

A member of the Fireside Group, Robert Bennett, is a singer in the barber-shop chorus.

**TELEPHONE CALL SEEN AS HELPING CRIME DETECTION**

A daylight burglary Tuesday in the Balfour Top area prompted Springfield Police Chief Wilbur C. Selander to urge all residents to report any suspicious or unusual happenings to the police immediately.

Burglars forced entry through a locked screen and rear door in the home of Harry Weinschner at 33 Highland Ave. A neighbor saw two young white men loading a variety of heavy objects into a car in front of the house, but took no action. The loot included two motion picture projectors and a sewing machine, as well as an undetermined amount of jewelry.

The chief also reminded property owners of their responsibility to remove or cover with sand all snow or ice on their sidewalks, within 12 daylight hours after the snow stops falling.

He noted that the department had received nearly 150 complaints following the ice storms early in the week. Penalties can range up to a \$50 fine or 10 days in jail.

WELL-PLANNED INDUSTRIAL PARKS GIVE IMPETUS TO NEW JERSEY'S GROWTH

The photograph above is of the Great Falls of the Passaic River, Paterson, New Jersey. It is the site of America's first industrial park. The year? 1791! The man? Alexander Hamilton! He helped form an organization known as 'The Society for Establishing Useful Manufactures', the country's first planned industrial complex 'where should be gathered the most skilled artisans of the entire world under whose trained eyes and hands should be all the country independent.'

tinuing appeal to industries of all kinds is a strong indication of healthy economic growth within the State. It is important for New Jersey to continue attracting industry for new industry means more jobs for its citizens. For many years, Public Service Electric and Gas has been advertising the advantages of New Jersey in nationally-known and nationally-circulated newspapers and magazines. We are part of an industrial team working together for the benefit and economic growth of the entire State. Efforts such as this on the part of its citizenry, combined with the national advantages offered by New Jersey, give assurance of the future.

# Minutemen To Play Youngsters From Newark Recreation Unit

By SCOTT DONINGTON

The Springfield Minutemen will play the second game of their 1965 basketball schedule this Saturday evening when they meet a team from the Newark Recreation Department. The game will be played at the Gaudineer School, with game time set for 7:30.

The Minutemen are a team of boys from the Springfield Recreation Department's youth basketball program. The boys are the "cream of the crop" from the Ivy League. The Ivy League is the final stage in basketball development for the

## Bluebirds Retain Leading Position In Girls' Bowling

The Bowling Bluebirds continue to dominate the Springfield Recreation Department's Girls' Bowling League. This past week saw the Bluebirds win their 18th consecutive bowling match. The Bluebirds are the league's youngest team.

Last week their top bowler, Lisa Brown, once again paced her team to victory. Lisa rolled a fine 200 series for two games. Jennifer Spaninger also rolled well for the Bluebirds as she turned in a 195 series. The Bluebirds bested the Wildcats in the two games last week. Michelle Widom with a 217 series paced the leaders.

The Bowlettes won two games last week and remained in third place in the standings. The Bowlettes two victories came over the Lucky Charms. Barbara Crump, with a 204 series and Robin Ries with a 209 series paced the victors. Kathy Tonko was the top bowler for the Lucky Charms.

The Four Strikes also were victorious in two games bowled last week. The Strikes defeated the Knockouts. Sharon Gagnon paced the winning Four Strikes team with a 210 series.

Nancy Morlino with a 105 average continues to pace all bowlers in the Girls' Bowling League. Alyse Cooper, who has rolled in fewer games, is a close second, also with a 105 average. Sharon Gagnon is in the third spot. Her average is 100. Lisa Brown of the Bluebirds team is in the fourth spot with an average of 97. Michelle Widom is the fifth place bowler. Michelle's average is 96.

## Levit's Bowlers Continue To Lead In Temple Action

High games in the Both Arm Bowling League at the half-way mark were rolled by George Widom, 285; Ed Kurtzer, 255 and Lenny Seroff, 284. High series honors belong to Widom, with 630; Kurtzer, with 618 and Jules Wasserman with 594.

Sol Levitt's team continues in first place with a one-and-a-half game lead over Gil Wolfe's team. Levitt's team has won 31 1/2 and lost 18 1/2, while Wolfe's team has rolled 30 wins to 18 losses.

Sam Fox was the recipient of the bowling ball last week for bowling a high series. The league bowls at the Hy Way Arena.

Other teams, their captains and their standing in the order are as follows:

Sam Fox, 28 1/2-19 1/2; Sam Greenfield, 27-21; Lynn Roth, 37-21; Mary Gould, 27-21; Mill Billett, 26-22; Stan Bruder, 25 1/2-22 1/2; Mill Koplik, 25-23; Joe Klein, 25-23; Jack Weiner, 25-23; Lenny Seroff, 24 1/2-23 1/2; Nat Krowne, 24 1/2-23 1/2; Hal Dault, 24-24; Barney Gerstein, 23 1/2-24 1/2; Max Popper, 23 1/2-24 1/2; Jerry Tille, 23-23; Dave Adler, 22 1/2-23 1/2; and Bernie Cole, 22-26.

younger boys in Springfield. Last season the Minutemen averaged other town and school teams in 22 games. A winning record was posted.

One starter from last year's season returns to the team this season. He is Ralph Losanno. Ralph is a tall boy, who is expected to carry much of the scoring and rebounding load.

Other boys who played on this season a season ago and who should comprise the nucleus of the team are: Dennis Lester, forward; David Margulies, forward; Teddy O'Connell, guard; and Joel Schwartz, guard.

Tommy Carroll is a boy who moved into town over the past summer and is expected to see action at a forward post. Gary Haydu is another boy who should see much action this year.

Kenny Kurnor is another veteran Ivy League, who will back up the starters at the forward position. Ken is a big boy and should be much help under the boards.

Two boys just up from the

## Wrestlers To Face Franklin Township

Jonathan Dayton Regional High School wrestlers will face their third and fourth opponents tomorrow, at 3:30 p.m. at home, when they host the Franklin Township squad, and Wednesday, at 3:30 p.m., when they travel to Clark Regional to take on the Crusaders.

Tomorrow's match is against a formidable Franklin Township squad, coached by a former Dayton assistant wrestling mentor, Garland Harris, who has already defeated a strong Bound Brook team and is striving to secure his first victory over

the Bulldogs since starting relations a few years ago.

The Wednesday match against the Crusaders of Clark Regional pits the talents of Coach Robert Hooper, former major league pitcher with the Cleveland Indians and Panzer College wrestler, making his debut this year as head coach at the sister school, against those of former Notre Dame wrestler and head coach, Jerry Sachel, of Dayton.

The Bulldogs opened their dual meet season on Saturday by searing the devil out of the Blue Devils of Westfield as they dropped a heart-breaking 25-21, after leading 21-20 going into the final event of the evening.

Jeff Lang of Westfield turned the tide as he pinned heavyweight Richard Zehnder of Dayton to give Westfield the five points it needed to turn defeat into victory.

Coach Sachel, although disappointed at the outcome, was especially pleased with the drive of Bill Marino (142) who upset Dave Wolf of Westfield by a pin in 4:54. Wolf took first place in the Montclair Invitational Tournament last month, while this was Marino's second varsity match. Marino was behind 5-0 in points before he pinned the talented Wolf.

Other Dayton winners included: Jeff Karlin (107) by forfeit; Pat Scorsone (116) pinned Peter Anderson; Mark Muller (124) reclaimed Page Stephens; Ed Korczyk topped Bob Madden; Tony Riccio (188) defeated Tony Moninger; and

The following lost to Westfield: Stu Cohen lost to Dick Wright (98), 5-1; Gary Furze dropped a tough 1-0 match to Westfield; Harold Bowers was bowled over 7-1 by Rich Minno (160); Al Silverman was pinned in 4:20 by Al Delchart (170).

The Little Bear Bulldogs of JV coach Jerry Vinella started out very impressively against the Westfield Juniors as Pete Mullin (98) tied Tony Trager of Westfield; Bruce Borrus defeated Bob Baldo (107) of Westfield; Joe Sarro (116) pinned Bill Brown of Westfield to give Springfield a 10-2 lead in team scoring. Larry Johnson (114) of Springfield was pinned by Al Berdett to narrow the team score to 10-7.

Red Haselman (128) increased the Springfield lead to 13-7 as he pinned Larry West of the Blue Devils. Westfield then swept the seven remaining weights to pile up a 34-13 edge.

Tom Williams, Larry Carrey, Tom Martin, Jeff Arthur, Glenn Douglas, and Barry Libowitz were the Dayton wrestlers who succumbed to the wave of Westfield pins and decisions in these last seven matches.

Coach Sachel, although disappointed at the outcome, was especially pleased with the drive of Bill Marino (142) who upset Dave Wolf of Westfield by a pin in 4:54. Wolf took first place in the Montclair Invitational Tournament last month, while this was Marino's second varsity match. Marino was behind 5-0 in points before he pinned the talented Wolf.

## D'Andrea Wins 2 Leads Municipal

In the Springfield Municipal League at the Springfield Bowl the D'Andrea team took two games from Polcarpio to lead the league with 31 victories and 17 defeats. The Polcarpio team is in second place with a 29 1/2-18 1/2 record.

High individual scorers were: Robert Jones, 202-221; Robert Bunnell Jr., 224; Robert Henshaw, 214; Dom Pacifico, 211; Robert Bock, 208; Harold Burdett, 208; Dave Bernhoff, 205; Ralph Polcarpio, 203; Stan Burdett, 200; and Adam Wenz, 200.

## Riker's 273 Tops Sports Bowlers

The Springfield Sports Bowlers were led by Phil Riker's 273 at the Springfield Bowl last week. Eight other bowlers hit the magic circle with better-than-200 games. John Ehrhardt, with a 222, led his team to a three-game victory over Conte's Dellalassen. Conte's holds a 32-10 record and the Ehrhardt Television five have won 31 games and lost 20.

Other high pinners were Sam Casternova, 215; Ronnie DeSantis, 217; George Brenn, 212; Ed Cardinal, 200; Dom Galante, 208; Robert Zelser, 206; and Mike Rizzolo, 202.

# Regional Quintet Takes 3, To Face Westfield, Linden

By DONALD LEWIS

After losing the first four encounters, the Dayton Regional basketball team swept three victories in the last 10 days. On Dec. 24, the team took its first triumph at Roselle, by the score of 67-50. The following Wednesday, the team traveled to Berkeley Heights to face the second victory of the season from Gov. Livingston-Roseland, 65-51.

Friday, Feb. 5, the Bulldogs played host to Linden and won the victory 65-50 in an overtime period.

Coach Jay Vanohus of Dayton attributed his new success to the fact that the team is playing its best basketball since the season began in the first 10 days. On Dec. 24, the team took its first triumph at Roselle, by the score of 67-50. The following Wednesday, the team traveled to Berkeley Heights to face the second victory of the season from Gov. Livingston-Roseland, 65-51.

The lead changed hands twice in the next minute and then, with 30 seconds remaining, Neigel sank a jump shot to put Dayton ahead 49-47. However, Sandy Fishman had shot another remaining and broke free on the fast break to tie the score as the period ended.

In the three-minute overtime period, jump shots by Neigel and Fishman tied the score 51 all with 1:48 remaining. Hillside began a 60-second stall that ended in a missed foul shot. Finally, with seven seconds left, Mike Kreutzer stood on the foul line for Dayton and rapped a foul shot, though, and sank a jump shot on the rebound to win the game for Dayton.

Roselle Defeated

Dayton's first victory came last Monday night at Roselle, by 27-20. Sparked by Keith Neigel's 27-point effort, the Bulldogs secured to pull together as a team for the first time this season.

Roselle grabbed the lead as the game opened on the last jump shot by Bruce Dowd. Dowd and Jeff Randolph continued to score from the outside for Roselle throughout the game. Each scored a total of 10 points.

At the end of the first quarter, Roselle led 10-15. The Bulldogs looked much improved, however, from the foul line.

### Rehearsals Planned By Choral Art Society

Rehearsals for the March concert of the Choral Art Society of New Jersey will begin at 8 p.m. Tuesday at the First Baptist Church on Elm st. in Westfield.

Anyone wishing to sing with the group may apply at the church on Tuesday night. Further information is available by calling CH-1-4882.

## Savings Institution Plans To Buy Bank

The Howard Savings Institution of Newark has announced plans to acquire the assets of the Irvington State Bank, according to John W. Kress, president of the savings institution.

### Unit Cites Need For Computers In County Offices

The Union County Commission on Efficiency and Economy has recommended the installation of automatic data processing equipment. The committee was formed in April at the suggestion of former Freeholder Matthew J. Binardo of Union.

The report dated Dec. 28, said that a "modest computer" should be installed in the welfare board to handle work for the department as well as for the probation department and Rutherford Hospital. Consideration should also be given to additional accounting machines in the treasurer's office to handle payroll and budgetary work, the committee said.

Six meetings were held by the committee, which was formed to find ways of increasing the efficiency of county government. Three computer manufacturers—IBM, NOR and Burroughs Corp.—were invited to submit proposals. Estimates of equipment costs ranged from \$1,100 per month to \$5,800 a month. The committee interpreted the variance in price to the companies' "different understandings of what should be done, and what equipment is necessary."

The committee strongly recommended that the machines be rented or leased, rather than purchased. Members of the committee were: former Freeholder Director Jay A. Steiner, Freeholder Harry Osborne, former Freeholder Thomas Dunn, Rinaldo Thomas Gallagher, John Wernier and Albert H. C. Wiegman. The latter three were citizens.

### Thieves Rob Laundry Of Cash And Whiskey

Ten bottles of whiskey and \$561.22 in cash was reported stolen last week from a safe of the Laundry Center at 960 Koeh ave., Union police reported.

A side door was pried open, and the safe door also was pried open the night of Dec. 28, a representative of the center told police. He also reported the place had been ransacked.

assets of the Irvington State Bank, according to John W. Kress, president of the savings institution.

He said that an application has been made to the N.J. Department of Banking and Insurance for approval of the acquisition, including the continued operation of the Irvington bank's two offices as Howard branches.

Irvington State Bank stockholders are scheduled to meet Tuesday at 10 a.m. to vote on the sale of its assets and subsequent liquidation, as recommended by its board of directors.

The Irvington bank has assets of approximately \$10 million. The bank was chartered in 1958. According to Howard L. Mason, president of the bank in a letter sent to stockholders, it is estimated that stockholders will receive in liquidation approximately \$37 to \$40 per share for stock. Irvington State stock had initially sold for \$18 a share.

The Howard, in addition to its main office at 768 Broad st., Newark, has additional suburban offices in South Orange and North Caldwell, as well as five branch offices in Newark.

### Sound Color Film At Nature Center

"South America," a color sound film will be shown at the Union County Park Commission's Trailside Nature and Science Center, in the Watchung Reservation, Mountainside, on Sunday at 3 p.m.

The movie takes the viewer on a tour of the continent of South America. The customs and traditions of the people south of our border are depicted in the film.

On Monday, Tuesday, Wednesday and Thursday at 4 p.m. each day, Dr. Harold N. Simons, director of Trailside, will conduct one-half hour nature talks for children. The topic selected for the four days is "Water Birds." The talks will be illustrated with color slides.

The above programs will be conducted in the auditorium at Trailside. The main exhibit rooms at Trailside will be closed to the public during the week in order to complete the painting and redecorating work now under way at Trailside.

ART EXHIBITION  
An open contemporary art exhibition will be held for artists living in five New Jersey counties at the Somerset Hills YMCA, April 24 through May 2, 1965.
