Eviction Delayed As 8-Child Family Seeks New Home

13-Room Residence
Stands In Location
Planned For Rt. 78

The Arnold Dreher family of 1-Morrison rd. has obtained a two-week stay of an eviction order obtained by the state Highway Department, until Sept. 10. Mrs. Dreher reported this week that moving day is still closer than she likes to think.

The family, whose 13-room house is to be demolished to make way for Rt. 78, has purchased a house at 10 Salter st. The new home has only six rooms, she added.

"We're still looking desperately at other properties," Mrs. Dreher said. "We hope we can find something larger. Fortunately, two of our eight children are married, and two more are away at college. When they come home, we'll just have to put them under a bed, or something."

Mrs. Dreher also disclosed that a hearing is set for early in October in the N.J. Superior Court on appeals from the court-established price of \$42,000 for their house.

Mrs. Dreher said that the family several years ago refused an offer of \$85,000 for the 13-room house, with five fireplaces, four bathrooms, a three-car garage and a lot of 200 by 125 feet. The Highway Department had offered \$30,000. Both sides are appealing the \$42,000 figure.

Mrs. Dreher's beauty salon is housed in a part of the present building, which adjoins the municipal swimming pool, but Mrs. Dreher said she has hardly had time to worry about the future of her business.

"We would need a zoning change to put up a separate building for the beauty parlor on our new property," she noted, "but right now I'm thinking mostly of getting a roof over my children's heads."

She pledged that she would stay in the present house "until I see the bulldozers coming. We have lived here for 24 years; there are so many memories that it will be hard enough to leave. It would break my heart to see vandals start to break the windows and ruin the house even before the state starts to tear it down."

"In the meantime, we just do what we can. We have started to pack and still live normally at the same time—but it's very hard."

Four Burglaries Listed By Police

Springfield police reported a series of four burglaries at local residences within the past week. They said there was no indication that the breaking and entering incidents were the work of any one group or individual.

The first theft came at the residence of Mrs. Tom, 417 Mountain ave., last Monday night. Patrolman Eugene Pederson reported that \$200 in scrip money (with certificates) was taken.

Sunday morning at 2:50, Patrolmen George Slesel and Howard Thompson discovered that a rear door had been forced open at Tabachnick's delicatessen, 770 Mountain ave. An undetermined amount of food was taken, the police reported.

The third case developed when a burglar forced a lock Sunday evening at the home of William Dolan, 458 Mountain (Continued on Page 3)

LEGION WILL HAVE PICK-UP OF PAPER

Springfield Continental Post of the American Legion will hold its monthly paper collection drive on Sunday, Sept. 8, though this is the Labor Day weekend. It was announced this week.

A Legion spokesman asked that all residents to their waste paper, and cardboard into bundles and deposit them at the curb by 10 a.m. He added that the paper collection will go on as scheduled, "rain or shine."

ACADEMIC PREVIEW—Sister Anne Jude, left, and Sister Angela, first grade teachers at St. James School, welcome new first grader Regina Irene Brennan. Regina will become the seventh Brennan to attend St. James when classes begin on Wednesday. Sister Alexandria is principal of St. James, which will open its 13th year with 515 students in grades one to eight. The faculty includes nine Benedictine sisters and five lay teachers.

Squad Members To Seek Cash Aid Financing 1st Aid

Starting Saturday morning, members of the Springfield First Aid Squad will be seen going in and out of every house and apartment in town.

Uniformed First Aiders will ring each doorbell and ask for the return of coin cards which were mailed to residents in the spring. Any other form of donation will be accepted, and receipts will be given.

If no one is home, squad members will leave blue envelopes at the door. They request that contributions be mailed. This will save squad members the time-consuming task of returning to each house or a call back.

Squad members will canvass the town weekend mornings and evenings, each week throughout the month of September. The final week of the annual drive will be spent in returning to homes whose residents have not had the opportunity to contribute.

The Springfield First Aid Squad is a non-profit volunteer organization. (Continued on Page 3)

YES Agency Lists New Registration

The Springfield Youth Employment Service this week announced that registration will be open Tuesday and Wednesday from 12:30 to 3:30 a.m., and on Thursday and Friday from 3 to 4:30 p.m.

Starting on Monday, Sept. 13, the regular office hours for job applicants will be 2:30-4:30 p.m. on Mondays through Fridays in the temporary YES office located in the Springfield Municipal Building. Potential employers may call DR 6-5800 to offer jobs and request information from 10 a.m. to 4:30 p.m. on weekdays, starting Sept. 13.

Republicans Hold Lawn Party, Beneker To Manage Campaign

Robert G. Planer and Robert D. Hardgrove, Republican candidates for Township Committee, and Fred M. Braun, candidate for tax collector, were hosts to over 300 friends and campaign workers at the home of Township Committee member and Mrs. Arthur M. Falkin on Saturday evening.

The lawn party, the fifth annual affair of this nature, was also the occasion of the candidates' announcement of their appointment of Frederick H. Beneker as their campaign manager. Beneker was the manager of last year's campaign for the Republicans.

Congresswoman Florence P. Dwyer and Springfield's candidate for the Assembly, Philip DeLoe, led a delegation of guests who attended the lawn party. They included Assemblymen Frank McDermott, Bill Collins and Mike Costello; State Senate candidate Assemblyman Peter J. McDonough; Freshholders Jay Stenmer and Raymond Moore and freeholder candidate Matthew J. Rinaldo.

Mayor William F. Koonz greeted the guests and gave his endorsement to the candidacy of

Dayton Home Rooms This Issue of the Leader Includes a Listing of All Students' Home Room Assignments for the Coming School Year at Jonathan Dayton Regional High School, Springfield. The listing is printed on page 3.

Planer, Hardgrove and Braun, in their remarks and messages, pledged to continue to base their campaign on a "positive and constructive" program. They hope to continue the progressive administration of our town to meet the needs of the community, stated the candidates.

Holiday Deadline

Because of the Labor Day holiday on Monday, observance of this newspaper's Friday news deadline for the issue of next Thursday, Sept. 9, is particularly important. All organizational, personal and social news items should be submitted by tomorrow for publication Sept. 9.

More Than 2,000 Students Scheduled To Answer Call Of School Bells This Week

A new school year will begin this coming week for some 4,182 students in the Springfield public school system, St. James School and Jonathan Dayton Regional High School. The regular school schedule will start on Wednesday in the Springfield public schools and St. James School. The high school will be open Wednesday for new pupils, with full operations slated to begin next Thursday.

John O. Berwick, Springfield superintendent of schools, said that he expected a slight increase over the total of 2,182 scholars on the local rolls last year. Final registration of new students is currently being conducted.

Civil Rights Leader To Receive Award

The Rev. Wyatt Tee Walker, who has assisted the Rev. Martin Luther King in activities of the Southern Christian Leadership Conference, will receive a second annual "human rights award" from the Springfield Chapter of the American Red Cross. Walker is chairman of the committee.

Mr. Walker will preach the sermon at the Sabbath eve service at Shurey Shalom on Friday. (Continued on Page 3)

First Aid Course Given At Poolside

The American Red Cross Chapter of Springfield reported that nine residents of Springfield this summer braved hot afternoons, rigid attendance requirements and distractions inherent in the choice of the Municipal Pool as a site for formal classwork, and completed requirements set by the American National Red Cross for its standard first aid course.

Those who completed the course successfully are Barbara Brown, Ruth Foster, Maryanne Eggen, Lucille J. Morris, Anne Ogonsky, Lucille Scelfo, Mary Ann Stenich, Roselyn Steinhart and Barbara M. Wundrich.

The standard first aid course will be given next in Springfield during the fall term of the Adult school on Thursday evenings at Jonathan Dayton Regional High School. There is no charge for this course; those interested are urged by the Red Cross to enroll.

CAMPAIGN COLLEAGUES—Congresswoman Florence P. Dwyer maps campaign plans in the Springfield area with Robert G. Planer, center, and Robert D. Hardgrove, Republican candidates for the Township Committee, at the GOF party Saturday evening at the home of Mr. and Mrs. Arthur M. Falkin. Planer is an incumbent member of the governing body, and Hardgrove has served as a Commissioner and as mayor.

Playground Finale At Poolside; Best Participants Win Awards

The Springfield Swim Pool was the site of a splash party Aug. 19 to mark the closing of the Springfield playgrounds for the 1965 season.

All the children from the 16 supervised playgrounds in Springfield attended. The children were supervised by all the summer recreation leaders and the pool lifeguards.

When the fun in the water had ended for the day, the children gathered for the preparation of the annual PBA playground awards. Each season the local chapter of the Patrolmen's Benevolent Association presents an award to the outstanding boy and girl at each of Springfield's 16 supervised summer playgrounds.

The awards are given to the boy and the girl who have shown the highest character traits throughout the playground season in sportsmanship, participation, helpfulness and citizenship. The winning boy and girl are chosen by the leaders at each individual playground.

This season Detective Sam Calabrese and Patrolman Robert Roessner were on hand to present the awards to the most deserving children. It was with particular pride that Patrolman Roessner presented the first award, for it went to his niece, Carol Roessner, the girl winner at Alvin Playground. Frank Russoletto won the award for the boys at Alvin.

The Woodside Playground winners were Warren Schlepner and Gail Wilson.

Ed Gerstein and Jodi Rothenberg were the award winners at

Township Official Will Aid Planning Of National Event

Mrs. Audrey Ruban of Springfield has been named a member of the Hospitality and Information committee for the 1966 annual meeting of the Association of School Business Officials of the U.S. and Canada. The meeting next year will be held in Atlantic City.
Mrs. Ruban is secretary and business manager of the Springfield Board of Education. She will attend the convention of the business officials' group next month in Minneapolis.
Her appointment to the committee for the 1964 convention was named a "distinct honor to your community". In a recent letter from Edward W. Kilpatrick, assistant state commissioner of education, to August Caputo, president of the local school board.
Kilpatrick also declared, "New Jersey is indeed proud to be the host for the meeting, which annually attracts nearly 3,800 registrants, and we are anxious that the meeting be the best ever held."

day, Oct. 15. Last year's award went to Dr. Joachim Prinz, rabbi of Temple B'nai Abraham, Newark, and president of the American Jewish Congress.
Commenting on the award to Mr. Walker, Byatt stated, "We Jews know, perhaps better than others, the simple truth: in the fact that the Negro's fight for equality in America is the fight of all people everywhere for freedom and the right to work, live and pray in peace.
"Their struggle is our struggle, and we cannot be free until they are. Mr. Walker's years of devotion to the cause of freedom make us proud to add our voices to the deserving honor he has received."
Byatt also declared, "Every major movement has its philosophers, its propagandists and its public heroes. Behind them stand the planners, the organizers and the field generals who translate the dreams into real action."
"Wyatt Tee-Walker, functioning as the chief of staff of King's Southern Christian Leadership Conference, was instrumental in making the non-violent concept of the Negro revolution successful throughout the deep South.
"The successful struggles for elementary human dignity waged in Albany, Ga., Birmingham, Ala., and many other key Southern cities stand as monuments to Wyatt Tee-Walker's planning organization and day-to-day leadership on the front lines."

Highway Mishap Involves 4 Autos

Two cars were towed from the scene Friday afternoon after a four-car, chain-reaction accident on Route 22, and one woman was taken to Overlook Hospital by the Springfield Fire Aid Squad. The accident occurred in the highway's east-bound lane, east of the Lido Diner, at 4:40 p.m.; according to the police report.
James P. Lambrug, 46, of Bethel Park, Pa., was forced to stop to avoid a collision with an unidentified driver, the report stated. He was then hit from the rear by Ann C. Forjone, 21, of Union. Next to hit the accident chain were Tania R. Garriga, 21, of Elizabeth, and Maria Diaz, 22, also of Elizabeth.
Maria Colada, 28, of Elizabeth, a passenger in the Garriga vehicle, was taken to Overlook. She was released after treatment for a sprained leg muscle. The Garriga and Diaz cars both had to be towed from the scene.

EDMUND F. BAXTER

"I'm just getting my feet wet," mused Edmund F. Baxter, new chairman of the Springfield Red Cross chapter, during an interview the other morning.

"Actually," explained the retired businessman from Springfield, "I've never worked with the Red Cross before. But it seems that one of the Red Cross directors lives in my neighborhood in Short Hills Village — and that factor probably contributed to it."

"Seriously," Baxter pointed out, "one of the reasons I decided to go into this because now that I'm retired, I have more time to devote to a worthy cause. I might mention that the Springfield Chapter is relatively small, and I hope that we can increase the membership participation.

"It's entirely voluntary," he said, "and those local members are doing a magnificent job. But there just aren't enough of them. I hope we can get more people to participate — to spread the load."

BAXTER MENTIONED that although he's still new at it, perhaps it would be a good idea to list the many activities of the Red Cross, and to acquaint people, who have only a passing knowledge of its functions, with its "unique objectives."

"The American Red Cross serves mankind in times of need. The unique organization, which operates under a charter from Congress, provides services in war and peace to members of the armed services and their families. And it maintains a program of disaster relief.

"The Springfield Chapter," he continued, "tries to carry out its services effectively, such as assisting local families, who have members in the armed services.

"For example," he said, "if there's a death in the family or cases of serious illness, we're the ones who communicate with the field director at the serviceman's base. The Red Cross endeavors to arrange for temporary passes — for the serviceman to get home on emergency leave. We never communicate with the commanding officer or individual directly.

"By communicating directly with its field director, the Red Cross, I believe, does a very effective job of getting information there promptly, and assistance to the families in need.

"OUTSIDE OF the continental United States, we would naturally deal through national headquarters."

Baxter paused, and after a thoughtful moment, said, "I suppose there will be a step up with more men being drafted these days. The procedure," he explained, "is that as soon as a man enters service, we find out whom, in his family, he wants to contact in cases of emergency. And we make known what our services are."

Among the other major activities of the local chapter, he went on to say, are the voluntary community blood bank, the Red Cross sponsored first-aid and water safety courses, the Motor Corps, which provides transportation for those requiring periodic treatment at hospitals and clinics, plus canteen service and assistance at East Orange Veterans Hospital.

Baxter, who was born in Waverly, N.Y., was graduated from Cornell University, class of 1922 ("I was Phi Beta Kappa there").

"Then I went to work for the Bell system — first with American Telephone and Telegraph Co. as a student trainee, then a year later, with Bell Telephone Securities Co. I was with them for five years, then went with Western Electric Co. (a manufacturing and supply unit of the Bell system) as assistant treasurer.

"This was at the end of 1928, and I believed the job would last only a few years. Well," he smiled, "I stayed with them throughout the rest of my business career."

IN 1946, Baxter said, he "took on an added job as treasurer of Western Electric, and held this job until I retired at the end of April of this year."

Baxter explained that he has lived in Springfield since 1956. "Prior to that, I lived in Summit, and prior to that, for many years, in Garden City, Long Island. I was somewhat active in civic affairs in Garden City — which really was a very unique community.

"It was a planned community of A.P. Stewart, predecessor of Wannamaker," Baxter recalled. "It was one of the first communities in the East (and probably in the United States) to have zoning. It had always been in the forefront — a sword in municipal planning.

"Well," he continued, "this was a very well governed community — entirely non-partisan. There were no political parties. I'll explain how it worked. There were our property owners' associations. Nominated from each of the four sections were candidates for the board of trustees, who, in turn, were endorsed by the other property associations. The mayor's office rotated each term among the four property

LETTERS TO THE EDITOR

PLAUDITS TO POOL

I want to go on record to give plaudits to the young men and women Red Cross swimming instructors at our Municipal Swimming Pool.

From my observation, they worked tirelessly all season teaching their classes with skill and patience.

They got results in our family as two of our boys, ages eight

and five, under their able instruction, are now able to swim in water over their heads a good distance without fear, and they are enjoying this great sport.

The work these instructors do has more than dollar value, as they are giving to the very young some of the talents with which they are endowed.

NOTE OF THANKS

May I take this means of expressing my deepest appreciation to the many kind people and my friends in Springfield who have indicated by phone and letters their concern over my recent illness?

I am very happy to report that I will soon be released from the hospital and back at my desk in the Municipal Building.

Exhaustive tests have indicated nothing more needed than a good rest necessitated by an exhausted condition.

My many thanks and deepest appreciation for all the very kind expressions of good will and hopes for speedy recovery.

Censorship-An Old Enemy That's Still With Us

(This is the fourth in a series of back-to-school articles prepared by Don Rosser for the New Jersey Education Association.)

About 250 B.C., the father of the Chin dynasty burned the teachings of Confucius. In the 1950s, a North Carolina fundamentalist preacher burned a page from the Revised Standard Bible. Censorship — of which book burning is a dramatic form — is almost as old and durable as the written word.

Because so many books are used in the classroom, censorship is a special problem to the schools, says the New Jersey Education Association. It is the enemy of academic freedom: the right of the student to read about or of teachers to explore, all topics — even the most controversial — and to consider all sides of a question.

Ideology is the major excuse for citizen attacks on textbooks, and obviously is the excuse for attacks on literature. Would-be censors generally feel themselves capable of withstanding any "dangerous" written work but insist that the "weaker" remainder of the population be sheltered.

Often, complaints object to superficial things — language rather than ideas, says NJEA. And some demands for censorship stem from almost unbelievably trivial complaints.

One would-be censor objected that Robin Hood stole from the rich and gave to the poor — the philosophy of socialism. Another struck at Tarzan because the Ape Man and Jane were never formally married.

Complaints have been lodged against textbooks because they described the U.S. as a democracy rather than a "republic" or gave "too much attention" to internationalism, the New Deal, the United Nations or the graduated income tax. One book was attacked because it referred to "George Washington and his comrades."

Schools sometimes yield to belligerent threats and vague references to the backing of powerful forces, says NJEA. As a result, students are denied the right to read without due process, a specific charge, a filed complaint or a chance for all interested parties to be heard. The parents who want a broad education for their children are victims of the few who do not.

On occasion, the complaint of one influential parent or self-imposed critic has been enough to banish a book from the school or library shelf.

Because the success of much censorship depends upon stampeding unprepared officials into an unwise course of action, NJEA advises schools to invite an objector to file his complaint in writing or to have a questionnaire, ready for such occasions. A standardized procedure will take the sting from the first outburst of criticism. When the responsible objector learns that there are channels for his complaint, he is satisfied that he will be properly heard. The idle troublemaker, on the other hand, may well be discouraged from taking action.

A good questionnaire will make the complaint official; identify the complainant; reveal

the size of his backing; require him to clarify his thinking; make an intelligent statement on his specific objection; and establish to what extent he is familiar with the book.

Textbook complaints are most often aimed at the agency which selected the book in the first place and at the teacher who uses it in the classroom.

In three states, one committee selects the basic text to be used statewide in each subject. The book is mandated; there is no choice.

In 17 other states, local school systems can use only books placed on an "approved list" by a state committee. The remaining 27 states, including New Jersey, leave textbook selection to the local district.

It is almost impossible for a subversive textbook to reach an American school child because of the many processes a book must go through before it enters the classroom, says NJEA. Usually the manuscript is examined by an editor, a teacher, a scholar, and an expert on teaching methods. After the text is printed, it must go through the hands of hundreds of state and local selection committees. If it is widely adopted, it will be examined by countless teachers, students and parents. Any one of these could expose any attempt at indoctrinating children along un-American lines.

About literature, NJEA says the English teacher is best qualified to choose books for his own course. But every English department should be prepared to explain why literature is taught

and by what standards books are chosen.

Generally, in New Jersey, an English teacher presents a list of literature choices at a meeting of the English department. If any book is questioned, the teacher who selected it has a chance to defend his choice. Such support from fellow teachers and administrators whenever someone objects to a book.

But a committee of English teachers should not blindly defend the use of substandard, un-literary materials or the presentation to children of books suitable only for mature readers, says NJEA.

Teachers generally do not encourage students to read "adult" books. If a work contains con-

cepts or situations beyond the student's maturity level, the teacher will prepare the child to understand what he is going to read. But teachers have little control over what children read outside of school.

Teachers, of course, are trained to put ideological or controversial material into a perspective that their students can tolerate or understand, says NJEA. They place controversies into their proper context, contrast them philosophies against those of our own society, and take the sting out of strong language.

Attempts to censor books used in the public schools are not likely to disappear, NJEA cautions. The book has not yet been written to which someone could not object.

owners' associations. There were no political labels. Here the office seeks the man, rather than the man seeking the office.

BAXTER WENT ON to explain that he served as director of one of the property owners' associations — the Central Garden City Property Owners' Association, for six years. And I was a member of the Board of Zoning Appeals for four years; and on an advisory committee on zoning.

"We drafted new zoning ordinances—I was a member of the board of trustees of the village for three years—during that time I had the departmental assignment of controller of the village one year, and department of public works one year as assistant-commissioner and the other year, as commissioner."

Baxter, who married Helen Sullivan in 1930 ("she is originally from Douglaston, L.I.") has three married children.

"Our son, Edmund J. Baxter," he said proudly, "was gradu-

ated from Princeton University, and is with Esso Standard East-ern here in New Jersey.

"And Helen and I have two married daughters, both alumnae of Rosemont College, Rosemont, Pa. They are Hope (Mrs. William E. Giesmer) of Short Hills and Nora (Mrs. Martin E. Weber) presently in Randolph, Mass., but soon to be in Montreal.

"Her husband is an assistant professor at McGill University. And we have five grandchildren, including a pair of year-old identical twin boys."

Baxter is a member of St. Rose of Lima Parish in Short Hills ("We live on the border line of Springfield and Short Hills and this is the nearest Catholic church"), the Canoe Brook Country Club, Summit, and the Sky Top Club and the East Orange Lawn Bowling Club, "where we bowl on the green."

"That is," he added, smiling, "when I'm not too tied up with our very efficient Red Cross."

Life-Saving Tests Stated This Week

The second session of the American Red Cross Junior and Senior Life-Saving courses at Springfield Municipal Pool is in its final week.

Sixteen Junior life-savers and three Senior life-savers have spent the last two weeks learning life-saving and water safety theories and techniques.

In this final week, the life-savers are practicing approaches, defensive and offensive moves, and carries. The life-savers also are reviewing previously-learned life-saving material.

The final examination will consist of a water practical and a written test which will be given at the conclusion of the course.

SPEEDING CHARGED
Richard Credidio, 21, of Newark, was fined \$50 Monday night in Springfield Municipal Court by Magistrate Max Sherman on a charge of speeding 59 mph. in a 25 mile zone on Melsel ave. His license was revoked for 30 days.

Police Catch Young Lady Driver After High-Speed Rt. 22 Chase

Springfield police charged Rita Sics, 20, of Murray Hill with reckless driving and disorderly conduct for attempting to elude a police officer, following an eight-mile chase back and forth along Rt. 22 and several side streets through Union and Springfield last Wednesday night.

She was released on \$100 bail to face hearing Sept. 20.

According to the police, her boy friend, Robert D'Arpa of

She then allegedly sped along the highway, cut through the Burger 'n Shake drive-in in Springfield, back to the pizza drive-in, through that again, west on Rt. 22 to the Burger 'n Shake, through that along the highway to a turn-around in Union and then back to Hillside ave., Springfield.

At speeds up to 85 miles per hour, the report added, she headed down Rt. 22 into Union. Miss Sics then cut through the parking lot of the Gabby's Pizza drive-in restaurant.

The chase began at 8:10 p.m. last Wednesday, and the arrest took place at 8:23, according to Sgt. Daniel Madding.

"I don't like to have a police car chasing me," Miss Sics said when brought to headquarters. Sgt. Madding reported.

Richard E. Kohn and Co. Reports Merger Soon With Walston And Co.

The securities brokerage firm of Richard E. Kohn and Company of Newark is to merge with Walston and Co., according to

Mrs. Elsa D. Wagnan of Springfield, an account executive with Kohn.

The Kohn partners will become officers and stockholders of Walston & Co. with present offices continuing under the same management and personnel both offices remaining the same, she stated.

Among advantages in the merger to Kohn clients is the fact that Walston and Co. are regarded as pioneers in the use of electronic equipment in stock-market analysis, it was observed.

Olympic Park Announces Features For Closing Week Of 1965 Season

Five days remain, counting today, in Olympic Park's 1965 season. The holiday weekend will close the Irvington-Manhattan amusement park's 50th anniversary year.

The free circus for the final week features Bob and Lauren Top who skate on a six-foot circular platform atop a 60-foot

flagpole. Top learned to roller skate on the sidewalks of New York; his wife was a concert harpist in Santiago, Chile, when he met her.

Lena Antelek and Her Cadettes, an unusual dog troupe, and Leo Gasca, Mexican tight wire performer, round out the bill being offered at 4 and 9:30

p.m. daily through Monday. Concerts by Basile's Olympic Park Band will be presented afternoons and evenings in The Grove.

The four-million-gallon swimming pool also will be open through Monday. Nearly 1,000 swimmers won certificates there Saturday on successful completion of classes conducted by the Newark Red Cross.

Peace Pilgrimage Set For Sept. 19

Thousands of Knights of Columbus members in New Jersey will travel to Williamsstown on Sunday, Sept. 19, for the 15th annual Pilgrimage of Peace.

Exercises are scheduled to begin at 2:15 p.m. at the monument on Main st. where Steward A. Schroeder, state K of C deputy, will place a wreath to commemorate the community's war dead.

Uniformed members of the 4th Degree will then escort the delegations from around the state in a mile-long march to the sanctuary and shrine of St. Mary's Church prayer garden where Magr. Francis J. Cosgrove will lead the recitation of the rosary.

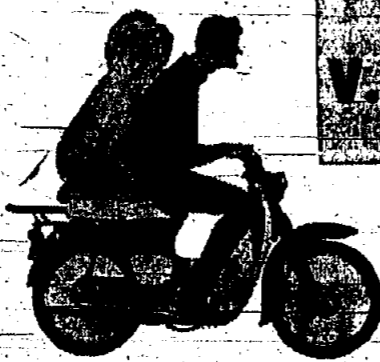

The pilgrimage is sponsored by the New Jersey State Council of the Knights of Columbus.

Truck Theft Reported In Super Market Lot

Union police are investigating a stolen truck reported Friday by the A & P Food Store on Morris Ave.

The truck, a panel model belonging to the Fectner Plumbing and Heating Company, was last seen being driven toward Springfield from the lot by an employee of the company. The registration was in the glove compartment.

Jersey Ranks 4th In Aid Shipments To New Countries

New Jersey ranks fourth nationally in the overseas shipment of goods to developing nations, the State Department of Conservation and Economic Development announced recently.

The standings were contained in the semi-annual report of the Agency for International Development.

New York, Pennsylvania and Ohio were the only states to top the New Jersey output. The Agency for International Development conducts the nation's foreign aid program to the developing countries of the world.

In the first six months of this year New Jersey supplied a total volume of goods valued at \$15,448,809 or 7.8 percent of the national total. The total figure for 1964 was \$18,607,756. In the first six months of 1965, the state shipped goods valued at \$443,891 more than her total output in 1963.

Robert A. Roe, head of the Conservation Department said, "An examination of New Jersey's recent participation in this aid program reveals that officials and manufacturers in the State are increasingly aware of the important opportunities for economic growth offered by expanding trade relations."

"Current figures show New Jersey in action as an international trade state. New programs now being developed will insure overseas trade opportunities and further improve our State's excellent position."

SLOW LEARNERS

More than half the children who are slow in learning to read have vision problems, according to the New Jersey Optometric Association.

Tobia's Appliances Opens Contest For Gals To Push Refrigerators

Tobia's Appliances at 1321 Liberty Ave., Hillside, will be local headquarters for entry blanks for The Great Hotpoint Roll-Up Derby.

The local Derby Trial which is open to ladies 18 to 80 takes its theme from the "easy-rolling" feature in the Hotpoint refrigerator. Contestants are required to push a refrigerator on wheels for 12 feet, load the freezer compartment with frozen foods and then continue on an additional 12 feet to the finish line. Tests have shown that it can be done in less than a minute.

The winner will get a \$25 gift certificate for frozen foods and a chance to compete in the Grand Finals at Shea Stadium in New York, Oct. 18, during a halftime of a Jets football game. Twelve winners will share in \$5,000 in prize refrigerators and supplies of frozen foods. Entry blanks may be had at Tobia's.

SINGLE CASES

Poor vision is probably the greatest single cause of poor scholarship among children of normal intelligence, states the New Jersey Optometric Association.

They Love Martha, But 'Opal' Is Lovelorn At PM

By WILLIAM H. BRUCKER

Having occupied a neighboring fox-hole during a nasty air raid on Maison Blanche sidewalk-outside-of-Ajajaw-in-the-east-days of the African invasion in World War II, I regard Martha Raye as practically a blood brother. She is a fellow Short Snorter, too. And that is thicker than any lodge or Greek letter fraternity.

Irving Malamut; Services Today For Union Man

Funeral services will be held at noon today at the E. Bernheim & Sons Memorial Chapel, Newark, for Irving Malamut, 44, of 1258 Harding Ave., Union, who died Tuesday at Beth Israel Hospital, Newark.

Mr. Malamut leaves his wife, Pearl; two children, Jay and Sherry; his parents, Mr. and Mrs. Michael Malamut of Newark, and a sister, Mrs. Molly Friedman of 1252 Harding Ave., Union.

A former resident of Newark and Irvington, Mr. Malamut had lived in Union for some 12 years. He was a graduate of Irvington High School and was a veteran of World War II. He was a partner in the Argus Service Co. of Hillside.

Interment will be in Beth Israel Cemetery, Woodbridge.

N. J. Graduates' Club Sponsors Function

The College Graduates' Club of New Jersey has invited single men and women between the ages of 20 and 38 who are college graduates, college students and those whose employment has professional status, to a dance which will be held Friday, Sept. 17 at 8:45 p.m. in the Regency Room of the Cornet, 925 Springfield Ave., Irvington. Live music will be provided for dancing.

The club, now in its second year, was started for the purpose of bringing young people together socially.

(1) M-T-H-E-R (2) S-H-E-M-O-N

So I must claim some kind of professional exemption from doing a well-earned hatched job on "Everybody Loves Opal," now at the Paper Mill Playhouse, Millburn.

Nearly everybody loves Martha Raye. I did in the early thirties when I watched her at the Paramount for a quarter, massive chest out, flapping her arms, opening her mouth wide, please, and-singing "Mr. Pagani!"

At the Paper Mill, many in the audience whose tastes have remained the same practically fell off their chairs laughing and having a good time. (This reminds me that I should re-appraise Joe Penner's "Wanna Buy a Duck?" and conclude why people laughed). My taste has changed a bit.

There is nothing that Miss Raye's generous and generating personality can do for a painfully weak play by John Patrick, who would have known much better.

The author of the tender and witty "Teachuses of the August Moon" has written a very transparent play about Opal, a trusting, and disorganized nut who deals in junk and Christian charity, and houses an unholy trio who cannot resist from taking advantage of her gullibility. They insure her and make diverting plots to do her in and become her beneficiaries. However, good-heartedness wins out, because everybody loves Opal.

There are several low comedy situations that seem to break up everyone but the audience. There were many gag lines that were stoned by the silence.

And Martha wandered in and out of the play at lib. But she had a field day with the physical part of the role. She is hit on the head by a plot-laden chandelier. She is dragged around the stage after being hit by an automobile. She drinks a micky and is prepared for burning by kerosene. It is the sneakers she wears that keep her in condition. The Springfield Recreation Committee's Adult Softball League championship play-off is scheduled to conclude tomorrow night. Semi-finals are scheduled for this evening.

Past playing indicates that Best Pharmacy, Spring Liquors, PBA, Millman and Conte's Deli should survive till the finals. The first of tonight's two games will begin at 8:30. Tomorrow's final will start at 8:15 p.m.

Conte's Deli is in a fourth place tie with Millman in the league. On Tuesday, Conte's de-

ated Community Sweet Shoppe, Conte's Deli, A. H. Meeker, Community Sweet Shoppe, Somerset Bus.

Community Sweet Shoppe remained on the field to face A. H. Meeker, and won, 11-7. Charles Hays and Stanley Weiznowski had three hits each.

On Wednesday night, Conte's continued its winning streak by defeating Millman by a forfeit. League standings are:

Alumni Of Dayton Remain In Action Playing Football

A number of former football players for Jonathan Dayton Regional High School, Springfield, are getting ready for further gridiron action this month at all levels from the top professional arena to the smallest college.

Curt Metz, all-state end for the Bulldogs a decade ago, heads the list. He is now a regular at guard for the Kansas City Chiefs of the American Football League. Marty Sica, center and linebacker, is also playing professional football for the Newark Bears.

Ivy League gridiron rosters include Charlie Roll, at Cornell; Mike Adickman, Dartmouth; and Bob Blythe, at the University of Pennsylvania.

Missouri Valley College players include Tom Venice, Richie Bittle, Tom Baker and Tom Tonkin, whose acceptance was disclosed last week. Harold Bell and Ron Puorro will play for Montclair State.

Other Dayton alumni donning shoulder pads include Danny Bissett and Carl Yaxas, Virginia Polytechnic Institute; Allan Greenberg, Rutgers; Dave Rocco, Maryville College, Tenn.; Richie Basta, Lebanon Valley; Frank Haydu, Muhlenberg; Bob Rles, Delaware; Earl Glasco, Knoxville; and Harland Bower, St. Paul's, Va.

Springfield Gets 5th Place Award In Swim Contest

The Springfield Swim Team came in fifth place in the championship meet of the New Jersey Recreation Swim League. The local team scored a total of 24 points.

Springfield received its first five points when Paula Natello took the 8 and 10-year-old girls free-style prize. Ellen Alexy placed fifth in the 11 and 12-year-old girls' back stroke. Linda Bultman took third place in the 11 and 12-year-old girls' breast-stroke, and Vivian Geiger, third place in the 11 and 12-year-old girls' butterfly. Vivian also placed fourth in her class's free-style race.

Backfield Strength, Depth, Marks Dayton Grid Squad

As the Jonathan Dayton Regional High School football team began its pre-season practice yesterday, head coach Herb Palmer expressed modest optimism about the prospects for this fall. Dayton opens Sept. 25 at Gov. Livingston in Berkeley Heights.

"The team now looks as good as it did when we started a year ago," Palmer said. "We have some key players back on hand, especially in the backfield. Of course, we have a number of fine players whom we must replace."

Tempering his optimism however, is the Watchung Conference schedule facing the Bulldogs. "The conference this year, as it always is, is tough," Palmer commented. "The top teams should be Westfield and Scotch Plains. We will do very well to match last year's record of 6-2-1."

HERB PALMER

Associate coaches for the gridiron season include Vinnie Albano, line; Bobe Lomper, backfield; Ray Yanchis, ends; Joe Mills and Mike Iannelli will coach the freshmen, and Lumber and Aibing will also handle the freshman.

One reason for Palmer's confidence is the large number of players moving up from last year's junior varsity, which compiled a record of 5-2-1. He added that there are several good prospects in the 1965 crop of sophomores.

Returning starter "We have just one returning starter," Palmer said. "But he is a good one. Danny Ginter is the regular (tailback and defensive safety) man last season. "We expect a good year from him. Ginter has a lot of ability. In particular, he gives us the speed which we have lacked for many years. He does the 100 yards in 16 seconds flat, and he can really move with a football."

In addition, the coach noted, "we have a good group of backs with about equal ability. Right now, they look like the best we have had in quite a while."

Mark Anthony, a senior

senior AJ Lobatto may be at one defensive end spot, with the other assignment still wide open, the coach stated.

Manning the offensive tackle spots will be big Richie Zender, a 215-pound tackle from Kenilworth, and possibly Lobatto. Other contenders are senior Greg Baskin and John McGeyna, a senior from Kenilworth.

Tom Matrin, a senior from Kenilworth, is all set as one guard, Palmer said, "but the other guard spot is wide open. We will have to make one."

Linebackers On defense, Martin and Mark Anthony are the regular linebackers. The middle-guard spot will have to be filled. Billy Gold, who was expected to be a regular in this assignment, will be out as a result of a motorcycle accident this summer.

At center, Palmer gave his nod to Billy Burnett, a junior from Kenilworth. He also cited "two other good ones, Art Marshall and Dominic Fabrizio, both juniors."

Although last year's freshman team had an unimpressive record, lacking any players from Kenilworth, Palmer said he had several promising youngsters coming up.

Braverman, a back; Richard Bromberg and Willis Ruiz, ends; Larry Zuckerman; center; Greg Jones, "a good back"; Kevin Koller, "a big guard, 190 pounds, hard and solid"; Ronald Parry, at tackle; Johnny Schoch, a quarterback, and Ronald Wilson, a guard.

Summing up, Palmer said, "We should be good. Just how good is hard to tell. We know how much we lost at graduation, and how well we can fill in, but we don't know how well the other teams will be able to solve their problems."

Quarterback Palmer has Steve Hartz, a senior, backed up by Bob Gartlan, a junior who can also run at halfback. "Hartz is not a big boy," the coach said, "but he throws very well and he has a lot of poise. He's the first good running quarterback we've had in some years."

The defensive backfield Palmer said will have Ginter and Gartlan as safety men, with Krupinski as an alternate. The corner backs will be Hansen and Joe Jupa, a senior who can also play end on either offense or defense.

The offensive ends will be Jupa and Jimmy Licz, another

TOP GIRLS' NINES TO MEET SUNDAY AT POOL DIAMOND

Two of the top girls' teams in Eastern Major Softball League play will be on display at the Springfield Municipal Swim Pool diamond on Morrison rd. this Sunday afternoon at 2:30, when the Elizabeth Marauder Girls engage the Linden Arrian in an EMGSL game.

These teams are traditional rivals, with most of their games closely contested, and providing popular entertainment. The Marauders will probably start the veteran Chots Leonard on the mound, with Shirley Moran, the catcher. Other players standing for the Marauders are shortstop Ginger Damiano, third baseman Fee-Wee Spocco and left fielder Doree Place.

The Linden Arrian will start Gladys Meyer on the mound, with Bobby Leichman as the catcher. Other Arrian standouts are shortstop Linda Otter and centerfielder Est Willis, with Ruth Wehrenberge the home run threat.

Medicare Frauds Precaution Issued By Regional Director

Elderly citizens should not pay money for Medicare coverage to individuals posing as representatives of the Social Security Administration, Joseph B. O'Connor, Regional Director of the Department of Health, Education, and Welfare, warned this week. "In this most recent racket, which is spreading across the country," O'Connor said, "a con man alleges he is connected with the Social Security Administration and is authorized to sell Medicare insurance policies, or

says he can enroll a person over 65 in the Medicare Program. He may offer a discount to anyone giving an immediate payment, but in any event will collect what money he can and then disappear.

"There have been other rackets at various times in the past including impersonators who have offered sums of money, allegedly representing an increase in Social Security benefits, as a device to gain entry into homes and find out whose money is kept. If the opportunity arises, a purse or wallet containing money is then stolen," O'Connor said.

"To guard against these deceptions, Mr. O'Connor stressed the following: 1. Those receiving Social Security or Railroad Retirement benefits will qualify automatically for Hospital Insurance, and will receive an application card for Medical Insurance benefits in the mail in September, October, or November. All others

over 65 will have to apply for Hospitalization Insurance which they will receive at no cost and will also have the option of enrolling in the Medical Insurance Program. No enrollment will begin until September 1, 1965.

2. Hospital and Medical Care coverage will not be effective until July, 1966, so the \$3 monthly payments by individuals for Medical Insurance benefits will not begin until that time.

3. There will be no discount rates of any kind under the Medical Insurance Program.

4. Any contact in which cash is requested should be reported to the local Social Security District Office immediately. Bonafide Social Security representatives can identify themselves either through official cards bearing their pictures, or through the local Security District Office. O'Connor assured the public. No Social Security representative, however, is authorized to collect money for Medicare enrollment.

HAIR 'PLANTED' ON BALD DOMES
TRANSPLANTS of small pieces of hairy scalp have been successful in regrowing hair on bald spots, reports the American Medical Association. Some of the

skin grafts were so small that they contained only two or three hair follicles. The total number of grafts required to cover a bald area may vary from as few as 20 to as many as 500 or more, and the placing of the grafts requires meticulous attention to detail.

NEWLY FILLED tooth won't be quite so sensitive if research at Georgia Tech is successful. The scientists have discovered that if dental filling materials are exposed to ultrasonic frequency when they are placed in the tooth, they harden in minutes instead of hours, minimizing pain. THE WORLD is headed for the greatest catastrophe in history — famine for hundreds of millions of people — says the American Chemical Society. Food production lags while the populations of Asia, Africa and Latin America are expected to increase by 900 million in the next 20 years. Unless measures to increase food production and decrease the birth rate are taken, the political and economic consequences will be massive and far-reaching, says ACS.

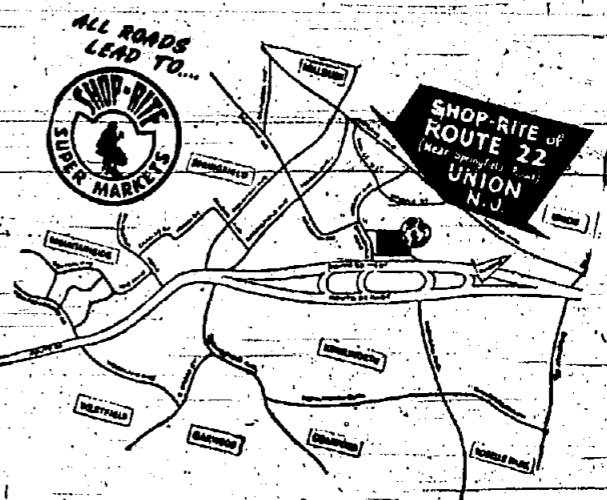

COLORFUL fertilizers will make life easier for the farmer or gardener, says Holland-Suco Color Co., which recently introduced a line of pigments for coloring agricultural chemicals. Coloring the fertilizers makes it easier to see what land has been covered and what kinds of chemicals have been used. Hues available include yellow, orange, red, violet, blue and green. PRE-NATAL brain testing procedures are being studied by scientists at the University of Rochester. They are trying to find a system for recording infant brain waves during delivery, to establish a normal electrical pattern. Such tests, made with an electroencephalograph, would help in diagnosing and treating brain damage. Also, deviations from the normal pattern might be clues to causes of brain injury during delivery.

THE SKULL of an "ape man" believed to have lived 800,000 to 900,000 years ago has been found by Chinese anthropologists. The skull, discovered in northwestern China, may be the oldest such specimen ever found. Yale University paleontologists theorize, however, that the ancestor of Big First true man existed 14 to 15 million years ago.

Volunteers Aiding Runnells Hospital
 Two new areas of volunteer service have been inaugurated at the John E. Runnells Hospital for Chest Diseases in Berkeley Heights.
 The hospital has opened a visitor's entrance in Mary Connolly Hall, with the Visitor's Information Desk there staffed by hospital volunteers trained by Mrs. Dorothy L. Walton, director of patient services.
 The volunteers are assigned in teams of two and report for service on a regularly scheduled basis. Since the inception of the program volunteers on the Visitor's Information Desk have contributed more than 400 hours of service to the hospital.
 Also new is the hospital's messenger service, with volunteers trained by Mrs. Walton. The volunteers, now all teenagers between 16 and 19, work three hours at a time.
 Among the 42 current volunteers in Miss Sara Elwood of Mountaineer.

FEASIBILITY STUDY

Rinaldo Calls For 'Automated Alimony'

Matthew J. Rinaldo of Union, Republican candidate for freeholder, this week called for a feasibility study of the use of Union County's proposed new computer to process alimony payments made through county courts. Noting that the volume of such payments has been rising steadily over the past several years, Rinaldo said the new data processing system to be installed by the county should be explored as a "possible cost-cutting tool in the processing of alimony checks." Rinaldo said he believes the data processing system could handle the receiving and dis-

bursing of payments while maintaining a journal of all transactions. Rinaldo, while a member of the Board of Freeholders in 1946, sponsored a resolution that resulted in the creation of a "Little, Little Hoover Committee" that studied ways of effecting greater efficiencies in county government. "The committee was charged with finding areas where more efficient procedures could save the taxpayers money," he asserted. "The recommendations of the committee I helped to launch are beginning to be implemented. My suggestion that alimony payments be au-

tomated is only one area in which fuller utilization of the tools of the electronic era could benefit the taxpayers. I sincerely believe this proposal merits serious consideration."

Expect More Boys In Scouting

A dramatic advance in getting Scouting to more boys is expected as the result of the Breakthrough for Youth program of the Union-Council, Boy Scouts of America, according to Dr. Kenneth N. Albrecht, the council president this week. Nearly 110 Cub Scout packs, Boy Scout troops, and Explorer posts in Eastern Union County are setting new goals that will expand the quality of the Scout program and ensure the reaching of a substantially greater

number of boys, Albrecht said. The goals affect trained leadership, membership, program, advancement, service and activities. "Breakthrough for Youth means that scout leaders are determined to use scouting's great potential to build a new generation of American boys," Albrecht said. He pointed out that a recent study of school dropouts shows an almost complete lack of skills and either a total lack of confi-

dence or a misguided confidence not backed-up with ability. "Scouting can do much to help," he said. "Scouting skills and the advancement program bolster confidence. Our merit badge program provides opportunities for boys to explore over a hundred subjects under the guidance of fine adult citizens from all walks of life."

OPEN DAILY 9:30 A.M. TO 10 P.M. OPEN LABOR DAY

Paint Portraits, Seascapes, Landscapes 'Live'

The 17th Annual Trilside Art Show, which will be held at Watchung Reservation on Sept. 19 (rain date, Sept. 28) will feature 11 professional artists who will work "on location." Visitors to the show will be able to observe portrait painting, quick sketching, still life, seascapes and landscapes develop as they watch. The show will be open from 10:30 a.m. to 5:30 p.m. Ballot

boxes for popular voting will close at 3:30 p.m. and visitors are urged to come early if they wish to see the paintings clearly and cast their ballots. Admission to the show is free, a spokesman for the show said. The subject of an oil portrait by Miss Mary Ellen Silkoich of Dunellen, will be Donald L. Ferguson of Westfield, president of the Union County Park Commission.

Also doing portraits and sketches will be Mrs. Hella Ballin of Union, who will work in oils; Mrs. Hannah Hoffman of Elizabeth, who will work in pastels and charcoal, and Mrs. Dorothy Kelly of Union, who will work in oils. Mrs. Ballin received her training in Europe. Mrs. Hoffman studied in Newark and lectures and demonstrates painting techniques. Mrs. Kelly

attended school in Newark and New York and now teaches portrait painting at her own studio and in Union and Roselle Park Schools. Painting a landscape in water-colors will be Lee Gaskins of Fairwood. Frank Zucarelli of Somersat has elected to do a seascape in oils. Herbert S. Wylie of South Plainfield will do an oil study of flowers and Jane Whipple Green of West-

field will work on a semi-abstract in oils. Ann Miserendino of Union will do a still life in oils. Mrs. Miserendino has studied locally and now teaches in her own studio. She also teaches for the Linden and Roselle Park Art Associations. She was a prize winner in last year's Trilside Show. Albert Bross of Summit will demonstrate his artistic ability

by painting a landscape in oils. Helen Drake Hocker of Short Hills will demonstrate the difficult technique of painting a still life with a palette knife. Seven hundred and fifty feet of snow fence will be provided to display the works of approximately 500 artists. Seven each have its own "little show," a spokesman said. A separate section will be provided for adult independent artists, under the supervision of Mr. and Mrs. Eugene Holland and Mr. and Mrs. H. A.

Price. A special teenage exhibit will be provided under the direction of Mrs. June Coles of Cranford and Mrs. Doris Haskell of Westfield. Approximately \$75 in prizes and ribbons will be awarded to winners at the show. Artists were reminded that

entry blanks are due Sept. 10. These are available through art groups, at local libraries and art supply stores. The spokesman added. They are also available at the Trilside Nature and Science Center. The show is free to all Union County artists. Further information regarding the show may be obtained from the show chairman, Mrs. Blanche Holland, 8 Middlebury lane, Cranford; BRIDGE 4-3610 or from the assistant chairman, Mrs. Verne Ibrams, 1034 Seward ave., Westfield, ALDams 2-4838.

TOO MANY
It is estimated by the New Jersey Optometric Association that there are approximately 6,000,000 children in grammar schools in the United States who have uncorrected vision defects.

THERESA GARGALOWITZ FUND

Childrens' Fairs Benefit Girl In Coma

Because of a story of an unfortunate girl who has been unaware of the world around her for 18 months, Union neighborhood children have taken advantage of the summer months to help raise money for the Theresa Gargalowicz Fund. Backyard carnivals, concerts and cake sales have added to the ever mounting donations being used by the Gargalowicz family to pay for hospital expenses and nursing care. Delda Daly and Jody Egan, two nine-year-old girls from Union, collected \$8 from a fair recently held in the Dalve backyard at 109 Parkview dr. The fair featured a fortune teller, white elephant booth, wishing well, games and refreshments.

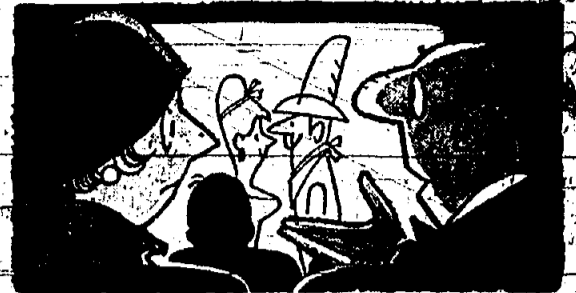

Café residents deviated from their regular block party format this year and held a rock and roll concert and dance, the proceeds which were contributed to the fund. The Countdowns and The Bellwoods, two neighborhood bands, provided free music for the entire neighborhood. The boys making up both bands are: Ted Reimlinger, Ben Perrone, John Raymond, Carl Hirdes, Ray Kozlask, Fred Zirpoli, Chuck Kutlye and Tom Baylock. A collection of \$55.10 enriched the fund. Cake was donated by Zelenitz Bakery and paper goods were given by Larry's Dellestessen, both of Chestnut st., Union.

Six Union girls, all residents of Colonial Arms rd., went on a baking spree. They made cookies, cakes, brownies and pies and then called up the neighbors asking for orders. The orders were filled and delivered and the \$30 collected was put toward the growing fund. Shop Rite in Union donated a \$5 gift certificate and each girl donated as much as possible to purchase the ingredients. The neighbors were contacted and the ovens were lit. The bakers were: Marcia Zuckerman, 33 Shelly Kaplan, 13 Joan and Claire Alper, 12 and 16 respectively, Penny Berger, 18 and Nancy Dorb, 14.

The condition of Miss Gargalowicz, a 20-year-old Fairleigh Dickinson co-ed, remains the same, said a hospital spokesman. Theresa was injured critically in April, 1964, in an automobile accident that occurred on Morris and Springfield ave., Springfield. Attempts to move Theresa to Morristown Memorial Hospital, where she was supposed to undergo patterning treatment, have failed due to a recent attack of pneumonia. The decision came about after it was learned that nothing more could be done to improve her condition at Overlook Hospital. Summitt, according to Philip Portnoy of Union, head of the Theresa

Gargalowicz Fund. Her condition improved slightly two weeks ago but she still remains in a coma where she has been for more than a year.

Classes Resume At Studio School

The Studio Arts School of Maplewood, in the Maplewood Theatre building, 153 Maplewood ave., inaugurates its 12th season on Sept. 13 with an expanded program of instruction in fine and professional arts. Classes have been scheduled for adults, teenagers and children in water color, oil and acrylic polymer painting, basic and advanced drawing, pen and ink and Japanese brush techniques. Twilight classes will be held for teenagers in fine arts, portfolio and college requirements will be stressed. The drama department, under the direction of Mrs. Dorothy Rudolph, offers instructions on the amateur, semi-professional and professional levels. Detailed information may be obtained by calling the school offices at SO 3-4719 or SO 3-1802.

TWILIGHT COMBO IN ATLANTIC CITY

The Twilight Combo, a band from Union, is now appearing on the Tony Grant Show at the Steel Pier in Atlantic City, through the Labor Day weekend. Members of the combo are Dave Gad of Union who plays lead guitar; Ted O'Connell of Springfield who plays the organ and is lead singer; Earlie Rolig of Metuchen, drummer; and Dennis Gad of Union who plays rhythm guitar.

Tenny Appoints Glen Region Sales Manager

Thomas R. Glen of Scotch Plains, sales engineer with Tenny Engineering, Inc., Refrigeration, Heating and Air Conditioning Products Division, Union, has been promoted to regional sales manager. It was announced this week. Sid Shapiro, a vice president of Tenny who heads the division, has assigned him to a territory covering eastern New York state, including New York City and Long Island, New Jersey, eastern Pennsylvania, Delaware, Maryland, Washington, D.C. and Virginia. Glen, who joined Tenny in 1953, was previously a sales engineer covering a portion of the district for which he is now fully responsible. He is a member of the board of directors of the Garden State Chapter, Refrigeration Service Engineering Society.

Judith E. Grabarz Is Wed Saturday In Springfield's Methodist Church

Springfield Emanuel Methodist Church was the scene of the marriage Saturday of Judith E. Grabarz, daughter of Mr. and Mrs. Henry F. Grabarz of 231 Baltusrol ave., Springfield, to James E. Johnson, son of Mrs. Gladys Johnson of Charleston, W. Va., and the late Mr. Paul Johnson.

The Rev. Donald Weber officiated at the 4:30 p.m. ceremony. Reception followed in the Home Suburban, Summit.

Kathleen Hopping of Springfield served as maid of honor. Serving as bridesmaids were Dale Dauser and Renee Rojahn, both of Springfield.

Lanny F. Willes of N. Wilkesboro, N.C., served as best man. Ushers were Bernard Horton of Norwood, N.C. and Henry F. Grabarz Jr. of Springfield, brother of the bride.

The bride is an alumna of Jonathan Dayton Regional High School and Ringling School of Arts, Sarasota, Fla.

Her husband, also a graduate of Ringling School of Arts, was graduated from Charleston, W. Va., High School. He is employed as an artist by the Charlotte, N.C. Observer.

Following a wedding trip, the couple will reside in Charlotte.

Youth Is Charged After Auto Crash

A young man from Mountaintop was charged by Springfield police with careless driving and possession of an alcoholic beverage in his car after the vehicle crashed into a tree early yesterday morning.

The police reported that Lindley H. Leggett, 4th of 1463 Forster dr., Mountaintop, had just turned from Morris ave. into Caldwell pl., Springfield. He lost control of the car, the report added, and it smashed into a tree in front of 23 Caldwell pl. The entire left side of the car was damaged, and it had to be towed away.

A 16-year-old boy also in the car was charged with juvenile delinquency. The police stated that the beverage mentioned was a partly-consumed pint bottle of Southern Comfort, a 100-proof liqueur.

courage understanding of the various schools and forms of valid art, he said.

However, according to Brodman, most of the students prefer to work in the ultra-conservative art form. Brodman made his comments after noting that Union County residents are expressing more interest in art appreciation and in painting than ever before.

"When suburbanites go shopping for a painting for their home," he declared, "they want to know what they're talking about and what they're buying."

Brodman, an art teacher in Jonathan Dayton Regional High School, Springfield, also teaches a course in oil painting in Union County Regional Adult School. Each year, about 3,500 Union County adults attend classes offered at the three schools: namely, Governor Livingston Regional High School, Berkeley Heights, Jonathan Dayton Regional High School, Springfield, and Arthur L. Johnson, Clark.

Brodman pointed out that when a few years ago, there was always room for additional registrants, now it is difficult to place everyone in an art course because of increased enrollment for the painting courses.

According to Brodman, county residents who begin to select paintings for their homes also start showing interest in learning how to paint. With more leisure time, their interest begins to stimulate their limited art ed-

Ask Amy
BY AMY ADAMS

Dear Amy:
I am 17 years old and I've been married one year and we've always lived with my mother-in-law. Well, we (my husband and I) bought a farm which we've had about seven months. But, my mother-in-law took the house over, she took the yard over, she took the gar-

den over, and she's taken over everything but my husband and she's almost got him, too. I want what every married woman wants. I want a home (that's mine and to live alone with my husband. We do not have any privacy here in our supposed 'home'. Many times I have wanted to tell my mother-in-law off but I haven't the nerve to say anything and it's driving me crazy. I liked her a lot when we were married, but when she claimed my house, I felt myself beginning to hate her. I've tried and tried to get along with her but I can't. She has other children with whom she could live. But she doesn't. Please tell me what to do!

Had IIII
Dear Had III:
According to the results of a recent survey, young marrieds were warned to watch out for marriage wrecker — MILF — mother-in-law trouble. Urge your husband to put his mother up elsewhere . . . far enough so that she can't visit too often. (It's surprising, but distance lends enchantment.)

Tips for Today's Homemaker

From MARY ARMSTRONG, County Home Economist

"Help wanted! Can you offer some suggestions in the newspaper for cheap sandwich fillings?"
This S.O.S. was received in my mail last week from an Elizabeth homemaker. A few days later came a telephone call from a Hillside wife and mother telling how she "saved a great deal" on her husband's packed lunches. Both indicate that varied sandwich fillings at low cost are the concern of many.
For the lady who sent the S.O.S. we thought of two very tasty sandwich fillings that were developed during "depression days" when few people had much extra money. One recipe uses baked beans — the other cheese and dried beef, both with tomato soup. Both recipes make 25 sandwiches and can be successfully frozen for a short time.
Frankfurter and cottage cheese also make a tasty and inexpensive combination sandwich filling. Tuna fish, egg and pickle filling is popular with many; also, it is much better than plain tuna and is a change from egg and pickle alone.
Chicken giblets and celery filling make good use of parts of the chicken, sometimes a surplus commodity in contrast to other chicken meat. Cook Your Own Meat And Freeze for Sandwiches.
The Hillside housewife, noting the suggestion in an Extension Service release that home cooking had become much less expensive for sandwich filling than ready prepared sliced boiled ham, offered her experience. She reports buying several chickens at one time, cooking them, removing the meat from the bones, and packaging separately — whole breasts and other small light and dark meat for freezing. The small pieces are used for very good sandwiches at very low cost.
She also reports buying lean beef roasts on special at 79 cents a pound, cooking them and, after serving at one hot meal, slicing some beef thinly for her husband's luncheon. She has found that these roast beef sandwiches cost less than half what ready-to-eat cold sliced roast beef costs.
Baked Bean Sandwiches — 5 cups Baked Beans (Boston style) 1 1/2 No. 10 cans 1 teaspoon salt 1/4 cup Chili Sauce 1 teaspoon onion juice 80 slices bread (whole wheat)

Bohemian Sandwiches
1/2 lb. American cheese 1/4 lb. dried beef 1 cup cream of tomato soup 4 eggs 50 slices of bread or 25 buns
Heat tomato soup. Grind cheese and beef together. Add to soup. Cook 3 minutes, stirring constantly. Add beaten eggs, cook 1 minute. Serve hot or chilled by spreading a generous layer between thin slices of bread or in buns.
Combine and blend 2 cups spoons butter or margarine, 1 can (8-1/2 ounces) minced dried onion, 2 cups chopped hard-cooked eggs, 2 tablespoons five-chopped mild cucumber pickles, 1/8 teaspoon each monosodium glutamate and 2 tablespoons mayonnaise or salad dressing.
GIBLET-CELERY
Roll 1 set chicken or poultry giblets as usual and put through the food chopper. Add 2 tablespoons butter or margarine, 1/4 cup minced celery, 1 fine-chopped hard-cooked, 1/8 teaspoon onion salt and monosodium glutamate and 2 tablespoons mayonnaise or salad dressing.

BETTE CHARNIGA TO STAGE, DIRECT PARISH MUSICALS
Miss Bette White Charniga of 31 Ridgewood ave., Irvington, has been contracted to stage and direct dance and musical numbers for the fall musicals at St. Michael's Parish, Union, and the Sacred Heart Parish, Bloomfield.
Dance classes will resume at her studio, 28 Sloan st., South Orange, on Oct. 1. Registration can be made by mail or at the studio on Sept. 17 and 18. Classes are offered in ballet, tap, jazz, modern, teenage discoteque, pre-school creative, adult elimination and belon-twirling. No recitals are scheduled. However, students wishing to perform appear in the school's Red Cross Show troupe.
An alliance with the Studio Arts School of Maplewood has been scheduled this fall. Students from both schools will audition for a musical production which is under the direction of Mrs. Rudolph of the school and the choreography will be done by Miss White.
Miss Linda Larson, Miss Holly Smith and Miss Barbara Lieberman are students who have danced professionally this summer.

TOO EARLY
The New Jersey Optometric Association states that, although children today carry very heavy reading loads beginning at age six and seven, many studies show that the visual mechanism is not ready for these requirements until a child is eight or nine.

MISS CAROL ANN ROSCOE

ROSCOE NUPTIALS ARE ANNOUNCED FOR JANUARY

ROSELLE — Mr. and Mrs. William Roscoe of 568 W. 7th ave. have announced the engagement of their daughter, Miss Carol Ann, to Peter Lohosky, son of Mr. and Mrs. Peter Lohosky of Jersey City.

Miss Roscoe, an alumna of Abraham Clark High School, Roselle, attended John Robert Powers Modeling School, Millburn. She is a secretary for the Federal Bureau of Investigation, Newark.

Her fiancé, who was graduated from Seton Hall College, Newark, is a supervisor for the All State Insurance Co., Jersey City.

A January wedding is planned.

COMPARE COSTS ON LOW-CALORIE, REGULAR FOODS

BY ANNE L. SHEELAN

COUNTY HOME ECONOMIST

Specially processed low-calorie foods have gained much popularity in the United States within recent years. During the past two years the sales for these food products have increased 14 percent.

Be a keen buyer when you purchase these foods. Read the label and the price tag to evaluate cost and estimate comparisons with regular foods.

As with all food products, the information on low-calorie food labels is controlled by law through the Federal Food, Drug and Cosmetic Act. The law states that if a food claims to be of use in controlling body weight, the label must include the following information:

1. The percentage by weight of carbohydrate, fat and protein.
2. The available calories in a specified quantity of food.
3. The percentage by weight of any ingredient that is not utilized in normal metabolism, and next to the name of this ingredient the word "nonnutritive" must appear.

4. If the nonnutritive ingredient is saccharin or saccharin salt, the label must read: "Contains _____ per cent by weight of saccharin or saccharin salt, a nonnutritive, artificial sweetener which should be used only by persons who must restrict their intake of ordinary sweets."

The above label information can guide you in making the most economical purchase. Artificially sweetened ice cream can cost twice as much as standard ice cream and offers only a small saving in calories.

A one-half cup serving of artificially sweetened ice cream contains only 24 fewer calories and a one-half cup serving of ice milk contains only five calories less than the same size serving of ice cream.

Low-calorie bread is usually cut in thinner slices and may be priced higher than regular sliced bread. On a comparable weight basis, both loaves of bread contain approximately the same number of calories.

Often, fruits packed in water, not syrup, are less expensive than their low-calorie, dietetic counterparts.

Some frozen and canned fruit juices are packed without the addition of sugar. These juices have fewer calories and are usually priced the same as those juices which have sugar added to their contents.

Canned tuna packed in water has fewer calories than tuna packed in oil and costs about the same.

Record Enrollment Seen At Union Junior

Union Junior College, Cranford, will open its 33rd academic year on Sept. 17 with an expected enrollment of 1,500—an all-time high, but only 60 more than a year ago.

Dr. Kenneth W. Iverson, dean, said this week about 800 full-time students are expected in the Day Session and 700 part-time students in the Evening Session. There are 104 student nurses from the Schools of Nursing of the Elizabeth and Perth Amboy General Hospitals enrolled in the pre-clinical nursing program.

The Day Session freshman class of about 450 students was selected from more than 2,000 applications processed, Dr. Iverson said.

Dr. Kenneth C. MacKay, UJC president, said no substantial increase in enrollment will be possible until additional facilities are provided.

Pattern Alteration Series Scheduled For Leaders

Home sewers who want help in solving pattern-alteration problems, may attend the leader training series in Pattern Alterations to be conducted by the Union County Home Economics Extension Service.

For convenience, homemakers may register for either the Elizabeth series on Wednesdays, Sept. 15, 22, 29, and Oct. 6, 1:15 to 3 p.m. in the Home Economics auditorium, 7 Bridge st., Elizabeth; or the Scotch Plains series on Thursdays, Sept. 16, 23, 30 and Oct. 7, 9:45 to 11:45 a.m., South Side Five House, Raritan rd., Scotch Plains.

Each person attending will be measured accurately for proper pattern size and will make a perfect fitting basic muslin pattern for herself.

The requirements for registration are attendance at all four sessions of either series, and a willingness to help at least five other people learn how to alter their pattern. There is no charge for the course, but registration is limited.

Mrs. Carolyn F. Yuknus, County Home economist, will conduct both series. She has announced that class members should bring a tape measure, a piece of string about 40-inches long, a pencil and notebook to the first session.

To register for either series write the Home Economics Extension office, 1'06 Elizabeth ave., Elizabeth, N.J., or phone 353-5000.

Holiday Deadline

Because of the Labor Day holiday on Monday, observance of this newspaper's Friday news deadline for the issue of next Thursday, Sept. 9, is particularly important. All organizational, personal and social news items should be submitted by tomorrow for publication Sept. 9.

Children's Art Used For Summer Camp

The creative art of several Union County children was put to use this summer at Kawasch Camp, Honesdale, Pa. Owners and directors of the camp which emphasizes foreign languages and dramatics in addition to regular sports and camping experiences are Mrs. and Mrs. Peter Niceforo of 1109 Karen ter, Linden.

The Niceforos have been using a large barn on the camp property as a center for the children's art work. The main function of the building is as a dining and recreation hall. The exterior of the building, however, is enhanced year after year by children's art work.

The main facade of the building displays an Indian theme designed, carved and painted by the youngsters under the direction of Jack Rolan, teacher and art major in the elementary school system of Union. Children who participated in the project are Keith Young, Daniel Weiss, Bruce Ronald and Alan Selgal, all of Union.

A group of teen-age girls who completed a mural of Indian warriors on the building's exterior included Paula Sakaton, Julie Getzler, Jana Dick, Jane Weiss and Helen Kohler, all of Union; Sami Segal of Springfield and Wendy Lubin of West Orange.

Helping to build a rifle range at the camp this summer were Judy Weiss, Lisa Roland, Alan Roland, Jules Getzler, Ronald Troom, Randy Laub and Robert Green, all of Union.

Trailside Holding Pre-Show Exhibit

Members of the Trailside Garden Club of Union will conduct a demonstration on flower arrangements and preparation of specimens of flowers, fruits, and vegetables at the Union County Park Commission's Trailside Nature and Science Center, in the Watchung Reservation, Mountaintide, on Sunday at 3 p.m.

The purpose of the demonstration is to show how to prepare exhibits for the Annual Fall Flower Show to be held the following weekend, Saturday, Sept. 11, and Sunday, Sept. 12, from 1 to 5 p.m. each day.

On Tuesday, Wednesday and Thursday, at 4 p.m. each day, Dr. Harold N. Moldenke, director of Trailside, will conduct one-half hour nature talks for children. The topic selected for the three days is "Moths and Millers." The talks will be illustrated with color slides.

Prizes Awarded To Two Nurses By Shiril Conway

Patricia Green of 68-D Washington ave. and Patricia Murphy of 14 S. Maple ave., nurses from Springfield, were among the winners in a recent essay contest for northern New Jersey nurses.

Miss Green, registered nurse at Overlook Hospital Summit, and Miss Murphy, a licensed practical nurse at the Colonial Rest Nursing Home, Springfield, received their prizes from the TV-actress, Shiril Conway at the new Celebrity Wig Fashions department, W.T. Grant and Co., Clark, for their entries on "Beauty Culture: Wigs, Wiglets as a Therapeutic Aid To Patients."

The Clark program included a fashion show depicting nurses' uniforms through the ages. Miss Conway, head nurse in the show, "The Doctors and the Nurses," was the emcee of this part of the program and was also judge of the show. She announced a question and answer period at the end of the show.

The nurses modeled hairstyles incorporating wigs created to look attractive under the many different caps from various nursing schools.

The program, attended by 500 people, was sponsored by Celebrity Wig Fashions, Inc. The hairstyles for the nurses were created by students from the Wilfred Beauty School, Newark.

School At Temple Sels Final Dates For Registration

Registration is now in process for the coming term in the Hebrew School at Temple Beth Ahm, Springfield. It was announced by Edwin Schoffman, principal.

The final opportunity to register children will be next Wednesday and Thursday, Sept. 8 and 9, from 7 to 10 a.m. Instruction will be offered in the Sunday School, for seven-year-olds; the three-day-a-week Hebrew School, for children eight to 13, and the Confirmation classes, for an additional two years. Classes will get underway later this month.

The school requires that all children now eight years old, as well as those who will be eight by Nov. 30, enroll now to enter the five-year Hebrew School course leading to the Bar Mitzvah ceremony for boys and the Bat Mitzvah for girls, as well as to graduation.

Instruction is offered for six hours per week in the Hebrew language, liturgy, history, ethics and customs.

The Sunday School, designed as preparation for the Hebrew School, provides Bible stories, readiness preparation for learning Hebrew, holiday observances and arts and crafts.

OUR DEADLINE is noon Friday for organization, club, social, church news.

Springfield Antique Dealer To Join In Flea Market At Fair In Delaware

Women's S.S. Benefits Outlined

The Social Security Amendments of 1955 include several provisions especially for women, and it's important for women to know what these changes in the law can mean to them.

Besides health insurance for the aged, Jones stated, there are many major changes in the old-age, survivors, and disability insurance program. Of these changes, three affect women directly, and all the others have a "woman's angle."

Less directly affecting women is the provision that allows for the payment of benefits to the children of retired, disabled, or deceased workers up to the age of 22—if the children are full-time students.

The provisions especially for women are: payment of reduced benefits to widows as early as the age of 40, wife's and widow's benefits for divorced women who were married for at least 20 years before the divorce; and benefits for women 72 or older who were not eligible for benefits previously because they or their husbands had not worked long enough under social security.

PREDICTS RECORD HIGHWAY DEATHS FOR WEEKEND

Fred Rosenberg, Safety Director of the Motor Club of America, said this week that he expected the Labor Day Weekend to yield even more fatalities than the Fourth of July weekend in which 10 New Jerseyans lost their lives and a new national toll of 52 was established.

"All the indications point to a tragic weekend filled with auto fatalities," said Rosenberg. He condemned the "depressing sense of the driving public's indifference" toward their own safety and that of others.

Rosenberg urged that drivers practice "both strategic and defensive driving habits" throughout the long weekend and the entire year.

Nancy Jo Lynn School-Registration To Be Held Sept. 10, 11 in Roselle

Nancy Jo Lynn's School of the Dance, 117 Chestnut St., Roselle has announced that registration of students will be held Friday Sept. 10 from 2 to 5 p.m. and Saturday Sept. 11 from 11 a.m. to 2 p.m. Adult classes are also available. Classes will resume Tuesday, Sept. 14.

Miss Lynn, the daughter of former Councilman and Mrs. Joseph E. Humenik of Garwood, was graduated from Arthur L. Johnson Regional High School, Clark.

A former member of the June Taylor Dancers, Miss Humenik was a student of the Jack Stanley and June Taylor dancing schools in New York City and also attended the St. Petersburg, Fla., Charm School. At her dancing studio she teaches tap, toe, ballet, acrobatics, baton (whirling), modern jazz and ballroom dancing.

During her five-years with the June Taylor Dancers, she was captain of the troupe and choreography. Miss Humenik has given benefit performances at veterans' hospitals and military installations and has been featured as a specialty dancer with the Elizabethan Variety Players and the Foot-lighters of Garwood. A pianist also, she has appeared in theatres, night clubs, fairs and on radio and television shows in this country and Canada.

Receive Awards At Graduation Of Tech Institutes

Walter Schaefer of Irvington, Michael Hoffman of Dover and Walter Triebel of Union won awards for scholastic excellence at the recent combined graduation exercises of Union Technical Institute, 2000 Morris Ave., Union, and Morris Technical Institute of Dover. Exercises were held at the Coronet in Irvington.

Triebel was presented a U. S. Savings Bond by William Beule, president of Electronics Laboratories, Kenilworth. Another award went to Leroy Moran Jr. of Union.

Louis N. Pazienza, historian and principal in the Elizabeth public school system, was the guest speaker on the subject, "Challenges of Free Men in the World." Andrew Popp, engineer for Public Service, discussed "The Past and Future of Electronics."

The graduation marked the completion of a two-year program in electronics technology as junior electronic engineering aides. The program includes mathematics, physics, electronic drafting, electronic theory, electronic lab and technical English. Paul J. Barotta is school director.

Free To Erickson From Highlands U.

BOROUGH OF ROSELLE, UNION COUNTY, N. J. NOTICE OF SALE OF PROPERTY FOR NON-PAYMENT OF TAXES, ASSESSMENTS AND OTHER MUNICIPAL LIENS

Public Notice is hereby given that pursuant to the provisions of Chapter 237 Laws of 1916, entitled, "An Act concerning unpaid taxes, assessments and other municipal charges on real property and providing for the collection thereof by the creation and enforcement of liens thereon," together with the amendments thereto, together with the general laws of the State of New Jersey, and the amendments thereto, the following property of the Borough of Roselle, Union County, New Jersey, will be sold at Public Auction at the office of the Borough Clerk, in the Borough of Roselle, N. J., on Tuesday, the 14th day of September, 1965, at 10:00 o'clock A.M. (Eastern Daylight Saving Time) the properties described and listed below. Said properties will be sold for the amount of unpaid taxes and other municipal charges and interest thereon as computed and shown on the list plus interest on said amount from July 1, 1965 to date of sale, and costs incident thereto.

Said sale is for 1964 taxes and other unpaid taxes where so stated and is subject to other municipal liens, if any, accruing after July 1, 1965, but exclusive however, of the lien for taxes for the year 1965.

Said taxes will be sold in such portions as will purchase the same plus fee for recording at the lowest rate of interest, but in no case in excess of 4 1/2 per centum per annum.

Any of the said parcels of lands may be released from sale by the payment of the amount due plus costs and interest before sale takes place.

The purchase price of any property must be paid before the redemption of the sale of the property will be made.

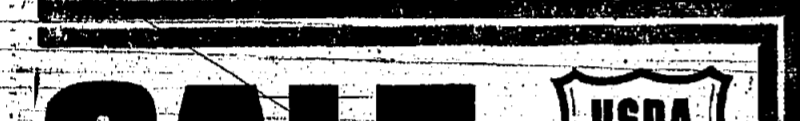

Any parcel of real property for which there shall be no other purchaser will be struck off and sold to the Borough of Roselle, in fee for redemption, at 4 1/2 per centum per annum and the municipality shall have the same remedial rights as other purchasers including the right to bar or foreclose the right of redemption.

Given under my hand this seventeenth day of August, 1965.
EDWIN R. SHAW, Collector.

LABOR DAY

As we approach Labor Day-1965, it is fitting that we pay tribute to the men and women of American Labor. Behind the greatest standard of living the world has ever seen are these men . . . who build our fine homes and well-paved roads . . . who bring us our good food and clothing . . . who in so many ways make life richer and sweeter for us all. We salute American Labor whose great skill has helped to make this nation great and free . . . and so very bountiful.

Confirmation Units Slated At Beth Ahm

Meyer Biddelman, president of Temple Beth Ahm, Springfield, has announced that the confirmation classes at the temple will begin Sunday, Sept. 10.

Confirmation I will be taught by the temple's rabbi, Reuben R. Levine, who will concentrate on "The History of the Jews in America." He will cover the growth of Reform and Conservative Judaism, and there will be periodic discussions of current problems and ethical questions relating life today to the answers of the Jewish tradition.

Confirmation II will be taught by Mrs. Aimee Neibart, who will concentrate on the establishment and growth of the state of Israel. There will be readings in the Bible as a living document, and the class will examine portions of various types of Biblical literature, including biography, legend, myth and poetry.

There also will be a class on Jewish views of marriage and the family, teen-age problems and ethical questions.

Both confirmation classes will be visited by an occasional lecturer and there will be trips to different places of Jewish interest.

The classes will be concluded with a confirmation evening ceremony.

Parents who are interested in enrolling their teen-agers are requested to contact Mrs. Biddelman, principal at DR-2-2987, at the temple.

Two Autos Damaged In Crash On Main St.

Two cars were damaged early Monday morning in a collision on Main st., Springfield, just north of Morris ave.

James J. Parsippany, 30, of Parsippany, was driving south on Main st. at 8:45 a.m., according to the police report.

His car collided with one driven by Raymond M. Badger, 21, of 240 Morris ave., Springfield. Badger was driving out of a driveway into Main st., the report stated.

Requested to contact Mrs. Biddelman, principal at DR-2-2987, at the temple.

The Reality of Man

is his thought, not his material body. The thought force and the animal force are partners. Although man is part of the animal creation, he possesses a power of thought superior to all other created beings. —Baha'i Writings.

Holiday Deadline
Because of the Labor Day holiday on Monday, observance of this newspaper's Friday news deadline for the issue of next Thursday, Sept. 9, is particularly important. All organizational, personal and social news items should be submitted by tomorrow for publication Sept. 8.

State Fair-Entries Deadline: Sept. 16
Entries in the domestic arts department, always a feature at the New Jersey State Fair, Trenton, will be received until Wednesday, Sept. 15, and those for the canned goods, pastry, and candy divisions until Sept. 16. The fair will open on Saturday, Sept. 18, and close on Sunday, Sept. 26.

Entries should be sent to Mrs. Florence Cok, 26 Woodland ave., Trenton, who is the superintendent. All exhibits will be judged Friday night, Sept. 17. Blankets may also be obtained from Arthur B. Topp, fair manager, Box 669, Trenton.

There are 26 divisions in the department including one for Arts and Crafts and Fine Arts. There is also a section for amateur photographers covering land and seascapes, portraits, still life, animal and action shots, both in color and in black and white. A special section has been set aside for boys and girls, 10 to 17 years of age. It includes exhibits of hand sewing, rug and leather work, doll and bird houses, airplanes and woven bead work among the awards. There is also a division for the best collection of mounted insects and butterflies and for stamps.

For those with hobbies there are premiums for woodwork, metalwork and jewelry, leather work, ceramics and displays of methods of transportation by air, land and water.

Wild And Cultivated Plants Responsible For Poisonings

An estimated 12,000 children were poisoned last year after eating cultivated or wild plants growing in their backyards, according to statistics from an article in a recent issue of Pageant magazine. "The lives of these boys and girls were endangered because enough people do not know that many plants are poisonous," writes Henry L. Verhulst, poison control chief of the U.S. Public Health Service.

Nature itself often aids in the deception by combining poisonous and edible-parts in the same plant, he points out. Such apparently harmless foods as rhubarb, tomatoes and potatoes have dangerous chemicals in their leaves and vines.

Verhulst adds, "Even adults fall victim to the innocent beauty of plants they have grown at home." Among the most dangerous are lily of the valley, rhododendron and larkspur. Christmas plants such as the cherry poinsettia and mistletoe can be fatal if the leaves or berries are

chewed or eaten." —John M. Kingsbury, New York College of Agriculture botanist, has identified 700 species of plants, shrubs and trees which are considered dangerous. The Pageant article lists many of them and identifies the symptoms and harmful effects. It says, "Where there is any suspicion of plant poisoning call the doctor so that he can contact the nearest Poison Control Center for specific treatment. Warn children of any age to keep plants out of the mouths, unless served to them by an adult as a food," concludes the article.

Record Turnout At Conventions Seen By Legion
The Annual Department Conventions of the New Jersey American Legion and its Auxiliary will be held simultaneously at Briarwood on Sept. 11-12. Attendance is expected to exceed that of any previous year.

U. S. Senators Clifford P. Case and Harrison A. Williams, Jr., several N.J. Congressmen, Governor Richard J. Hughes and State Senator Wayne Dumont, Jr., will head a list of national and state officials addressing the conventions. The Directors and Superintendents of Federal and State Veterans Hospitals and Homes will also address the Legionnaires. The Armed Forces will be represented by the commanding officers of Fort Dix, McGuire Air Force Base, the 4th Army National Guard and the State Department of Defense.

Important matters affecting the health and economic security of veterans will come before the conventions. Other pertinent matters in the fields of Americanism, child welfare, national security and community service will also be on the agenda.

Some 15 to 20 thousand persons are expected to see Legion's drum and bugle corps contest and four-hour parade on Sept. 11. The national champion "Cavaleros" Senior Corps of Hawthorne and the National Champion "Garfield Cadets" Junior Corps of Garfield, will compete with numerous other crack New Jersey Corps in both events.

Stephen B. Lopez, Carney Point, Department Legion Commander, and Mrs. Richard Diehl, Morristown, Department Auxiliary President, will preside at business sessions of the two organizations.

Varied Racing Slate At Flemington Fair
The 100th annual Flemington Fair, jammed with entertainment for every member of every family, will feature auto racing in four programs starting Saturday afternoon and ending Labor Day afternoon.

In between will be Saturday night and Sunday afternoon events, too. Once the Fair is completed, the week's Saturday night races will resume, lasting into mid-October.

The American Racing Drivers Club will start the schedule Saturday with a midget car program starting at 2 p.m. and after heat races and consolation have established, the main event lineup will end their activities with that 25-lap grandstand attraction.
