Would you choose flameless electric heating if the rate for the electricity you'd use went down drastically?

At Home

The rate for electricity in Total Electric homes has been cut by almost 20%. At this reduced rate, you can have room-by-room temperature control with electric resistance heating. You can have automatic heating and air conditioning with the electric heat

pump. Or you can have a ducted, central heating system without flame if you choose the electric furnace. Whatever your choice, you can have the cleanliness, comfort and safety of flameless heating at a much lower cost than you might think.

BALLET CLASSES SLATED TO START TO-WEEK COURSE

Four classes of ballet instruction for girls will begin a 10-week semester this coming week under the leadership of Mrs. Doris Garrity. It was announced by the Springfield Recreation Department. All groups will meet at the Raymond Chisholm School. Primary I, for beginners, aged 6 and 7, will meet Mondays at 3:30 p.m. Advanced ballet for girls 10 to 11, with previous ballet training, will meet Mondays at 1:30. Parents are advised to call Mrs. Garrity at 272-7148 before registering students for this class. Primary II, for students 6 to 8 with previous training, will meet Fridays at 1:30. Registration forms should be returned to the Recreation Department in Town Hall.

Meisel Pond Fire Is Left Untended By Chilly Skaters

Units of the Springfield Fire Department were dispatched to a property Sunday evening to put out a fire which had been started by skaters during the afternoon at the Meisel pond.

Earlier on Sunday, 74 skaters, a fire was dispatched to extinguish a fire in a car owned by Michael Dillon and parked on front of his home at 24th and Bryan ave. Department units showed extensive damage to the car.

Two calls were also reported on Saturday. An auto fire at the Green Shore Store on Rt. 24 at 3:30 p.m. was extinguished before the firemen arrived. At 7:35 a.m. smoke was reported in the basement of the home of A. E. B. at 30 Maple ave. The source was discovered to be a fire of butter and there was no fire.

Smoke in the area behind the Echo Plaza shopping center parking lot last Thursday was traced to an old engine compartment which was stopped from being started by the Department.

An alarm was set for Wednesday morning from the Central Laundry Co. on the corner of Center and B. A fire in a boiler was traced to a boiler in the laundry.

At home, Terry helps her mother with the housework and the dishes and when needed, babysits for the younger members of the family.

Taking on all her responsibilities requires stamina. Terry proved her physical fitness by spring, when she won the top award for an eighth grade ...

TOP PRIORITY, however, was to be a student and Terry is a high school student at the high school. Other interests include folk music, with special attention to Peter, Paul and Mary.

Terry also enjoys reading, particularly mystery and biography, and such sports as swimming and ice skating.

All her hard work has made Terry a healthy young lady. She does spend a little of her money for books of her own, but will accept an occasional second or third hand book.

Most of the staff, however, are not involved in a full-time job. They are mostly students at the high school.

When the staff is not working, they are often seen at the high school.

# Language Students Learn The Natural Way

By ABNER GOLD

Infants in France, Spain or Germany can learn to speak their native languages so easily, many people have long wondered, why can't we learn those same languages with equal ease?

We can, if we use the same methods they do — and a trio of language teachers last week showed members of the Springfield Board of Education just how students at the Florence Gaudineer School are learning foreign languages the natural way, by listening and talking.

The official name for this technique is the audio-lingual approach, and it was introduced into Basic English for heard members last week by Joseph Anderson, assistant superintendent, and the three teachers: Mrs. Anita Lania, for Spanish; Mrs. Rhode Gansler, for French; and Karl Dostal, for German.

The natural way to learn a language, they all stressed, is by speaking it. If a teacher confines her classroom remarks, as much as possible, to the language being taught, understanding by the students is unavoidable.

GESTURES HELP the youngsters learn the words for getting up and sitting down, for boy and girl and book and pen and window. The beginning language teacher today, it was amply demonstrated, must start with a talent for pantomime.

comes a knowledge of the culture of the country under study, and then the ability to read and understand written material in that particular language.

Mrs. Lania then took over, with the help of a group of her students. Taking part were eighth graders William Knelner and Steven Max and seventh graders Eileen Smith, Robert Quinn, Mary Ables, Bonnie Raskin, David Dubin and Diane Verlangieri.

They demonstrated one of the primary techniques — the dialogue, undoubtedly familiar to many parents who have been patient sounding boards for eager linguists.

THE STUDENTS learn to read and pronounce, and then memorize, a typical dialogue, in this instance in Spanish. The conversation which was demonstrated involved two young gentlemen heading for the library, with the trip complicated by the absence of notebook and the presence of several young ladies.

Once the dialogue had become familiar, Mrs. Lania went on to ask questions, in Spanish, about the subjects under discussion. By transposing the information, from first to third person, from present to past tense, the students were bringing into use their knowledge of grammar.

Also demonstrated were similar techniques with records and tapes. These are vital, the teachers stressed, since the youngsters thus become familiar with a variety of voices and accents.

The students completed their lesson, which Mrs. Lania said would normally take about a week, with impressive skill and comparatively few errors.

The teacher commented later that this material was not specially prepared for the occasion. She also noted that the students were a cross-section of several bright classes, and not just her linguistic stars.

work her students do to absorb a taste for French culture. She displayed several books her eighth graders recently completed about Paris, combining magazine illustrations and other pictures with original articles, in French.

HE EMPHASIZED that the students "at this age have a very good desire to learn. They develop remarkably good pronunciation. They have few of the inhibitions older students, and adults, develop, and they can imitate the sounds of a foreign language with great accuracy."

Mrs. Gansler also told the board members that the coordination of the language instruction at Gaudineer with the program at Jonathan Dayton Regional High School "is good now, and it is going better each year. We now rate our students at the end of the eighth grade, to assist in high school placement."

Since August Caprio, board president, is also coordinator of languages for the regional high school system, board members were able to achieve additional insight into the long-range effects of the Gaudineer program.

Caprio reported that students who had begun language studies at Gaudineer are often able to continue at an accelerated pace, and that more of them continue their language studies for a third and fourth year of high school credit than do those who did not begin as early.

He and the Gaudineer teachers agreed that one major problem is that of students who do not have the linguistic ability required, and could benefit from various types of remedial instruction in other subjects, but are pushed into language programs by parental pressures.

Aside from this one point, however, the teachers all agreed on the positive value of language instruction for youngsters in the seventh and eighth grades—particularly in a world where knowledge of other cultures is now a necessity for national survival, and no longer either a luxury or a status symbol.

## March Of Dimes Increases Pace For Local Drive

John P. Walsh, local chairman of the March of Dimes drive, announced this week that the campaign is "building up momentum." He expressed the hope that Springfield will make a sizeable contribution to the county drive.

He added that there is still "a limitless amount" of work to be done. Walsh appealed for "increased public support to meet new commitments in the fight against birth defects."

Underlining the necessity for additional volunteers and funds, Walsh stated: "Our programs to strike at the causes of birth defects, as well as their results, are being stepped up dramatically in 1966. We will be making a major effort to increase the opportuni-

ties for babies to be born healthy, while offering significantly improved diagnosis and treatment for substantially more birth defect victims."

The local appeal for funds has been highlighted by the distribution of March of Dimes collection containers to local business and industries. An appeal to the residents of the community is being made through the malls, and the response to the mailing has been quite successful, Walsh said.

The Mothers' March on the afternoon and evening of Jan. 21, will be the last appeal in his community for this year's campaign. Mothers and other volunteers will call on homes in the community for contributions.

Mrs. Donald Mantel, 27 Tudor court, chairman of the Mothers' March for Springfield, indicated that many mothers have already volunteered to aid in the Mothers' March.

# Mental Health Unit Schedules 'Suicide Prevention' Meeting

Can suicide be prevented or must we continue to pay the heavy toll of more than 20,000 lives per year to this deadly killer? Can we stop suicide attempts among children?

These are the problems which will be discussed at the 21st annual meeting of the Union County Association for Mental Health Monday evening at the Mountaintop Inn, Rt. 22, Mountaintop.

The speaker for the evening will be the Rev. Harry M. Warren III, Counselor of the "Save-a-Life League of New York," whose organization, since 1906, has worked with 60,000 would-be-suicides. The problem appears to be increasing steadily and is the concern of all mental health professionals, authorities say.

Two psychiatrists will discuss the prevention of suicide. Dr. Oscar Rozett, Medical Director of the Fair Oaks Hospital in Summit, and Dr. William E. Ganss, Medical Director of the Union County Psychiatric Clinic, Plainfield, will present papers on the problem of suicide-as-seen-from-a-psychiatric hospital and an outpatient psychiatric clinic.

Union County Association for Mental Health will present its third annual citation for leadership in the field of mental health to Robert P. Nanno, M.D., Medical Director of the New Jersey State Hospital at Marlboro in this same meeting. This award is given in recognition of the outstanding work that Dr. Nanno has done since becoming the director of the State Hospital.

Before accepting this assignment, Dr. Nanno was professor and chairman of the Department of Psychiatry of Seton Hall, College of Medicine, for five years. Before that he held the post of assistant professor, Department of Psychiatry, Georgetown University School of Medicine.

In announcing this award, Thomas P. Prout Jr., president of the Mental Health Association, pointed out that the patient load at the State Hospital at Marlboro, since Dr. Nanno became director, has dropped more than 30 percent. He also cited the fact that Dr. Nanno instituted many new methods of treatment, both at the hospital and in the community.

Dr. Nanno is a fellow of the American Psychiatric Association and the Academy of Psychoanalysis.

The meeting will be open to the public at 8:30 p.m.

# Plea Is Continued In Fund Campaign Of Health League

Continuation of the Christmas Seal Campaign of the Union Tuberculosis and Health League was announced this week by Mrs. J. M. Wisan, honorary chairman for Union County.

"While contributions are still coming in," Mrs. Wisan said, "the League still needs \$17,900 in order to carry on next year's work without incurring a deficit. I urge everyone to consider the important work being done by the League and to contribute as much as possible to help support this work."

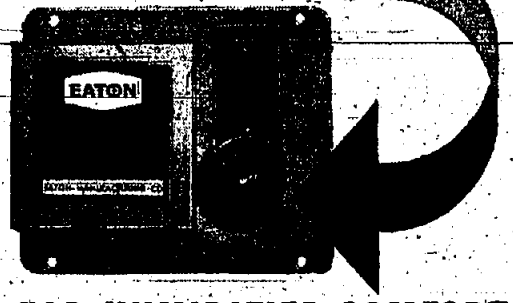

Mrs. Wisan noted that anyone wishing to learn more of the work of the League may request a copy of its annual report.

"As honorary chairman I have had a heart warming experience in seeing how many individuals and groups have pitched in to help get the Christmas Seals mailed and to distribute posters in the community."

Among the groups of young people who distributed posters for the Tuberculosis League were members of the Police Athletic League of Elizabeth; the Girls' Society at St. Michael's School, Cranford; Junior high school students in Linden; the Catholic Youth Organization of St. Mary's Church, Plainfield; a Boy Scout troop in Roselle; Key Clubs of Governor Livingston High School, Berkeley Heights, and Union High School and the Senior High Fellowship of the First Baptist Church, Westfield.

Other groups of school children and adults worked in the League's office.

TB LEAGUE RECOMMENDATION

# Answer To Cold — Gesundheit

What can you do about the common cold? "If of seasons" predictions about what to do for a cold and what not to do for it is the subject of a new publication of the National Tuberculosis Association, received this week by the Union County Tuberculosis and Health League.

Among the time-honored rituals that people perform to cope with colds, according to the booklet, are some that are useless, possibly harmful and at best, unproven by modern research.

"At the first sniffle, go to bed and stay there. If you have a good book to read, or if a steady diet of TV is your meat, you'll probably enjoy the vacation. But for a normal, healthy adult, bed rest is not necessary unless you have a fever.

"Wrap a piece of flannel around your throat at the first sign of scratchiness. The cold germ will have a good laugh. The flannel is only a substitute for the teddy bear you clutched as a baby.

"Take vitamin pills, and prevent colds. Excess vitamins serve no purpose, and may even be harmful. If you have a balanced diet, you don't need vitamin pills.

"Get under a pile of blankets, and sweat. This is supposed to flush out the poisons produced by the infection. It hasn't been proved.

"Cold buses and winter sleeping porches build you up so that you don't get colds. No they don't. Cold bath and cold air enthusiasts get as many and as severe colds as comfort lovers.

"Feed a cold and starve a fever. What do you do if you have a cold and a fever?"

"Common Cold, The Facts," is the title of the pamphlet, which explains the cause and transmission of colds and notes the lack of any drug presently known that can cure the common cold.

Some of the eight recommendations for relieving cold symptoms are:

"Your usual dose of aspirin helps your headache and aches.

"A vaporizer or a hot bath relieves congestion. (Don't get chilled afterwards.)

"A piece of hard candy soothes your throat.

"Liquids — fruit juices or water — make you feel better generally, though no one is sure why."

This pamphlet is one of a series about respiratory diseases and their causes. Others are air pollution, asthma, bronchitis, chronic bronchitis, chronic cough, cigarette smoking, dust diseases, emphysema, hay fever, influenza, pleurisy, pneumonia, shortness of breath, and tuberculosis. Copies of these and other pamphlets may be obtained from the Tuberculosis League, 7 Bridge St., Elizabeth.

These educational materials are made possible by funds contributed during the annual Christmas Seal Campaign.

The Tuberculosis League echoes the last word in the pamphlet about the common cold, "Gesundheit!"

## Farewell Reception Honors Clergyman

Nearly 100 clergymen and laymen attended a farewell reception held recently in honor of the Rev. Richard A. Bryan, who is leaving his post as pastor of the Presbyterian Church at New Providence to become Northwest Area coordinator for the New Jersey Anti-Poverty Program.

The reception was held at Temple Sinai in Summit with Rabbi Morrison Blal as host.

In tribute to Mr. Bryan, the Rev. James Golden Miller of Graystone Presbyterian Church in Elizabeth announced plans for

formation of a committee of clergymen which will meet to discuss and act on matters of public interest.

One of the projects proposed for this committee is support for President Johnson's peace efforts in Viet Nam, he reported.

Other representatives of churches and synagogues throughout Union County spoke of the guest of honor's contributions in the fields of civil rights, brotherhood and peace. Among them were David Ludlow of Summit, an officer of the American Friends Service Committee and Fair Housing coordinator for the area, and Rev. Charles Bonner of Knox Presbyterian Church in Kearney.

Chaplain David Wyatt of Overlook Hospital presided at the program and Rabbi Reuben R. Levine of Springfield presented a gift to Mr. Bryan on behalf of the clergymen.

## Record Dividends At Harmonia Bank

A record high of dividends totaling \$2,747,000 were paid to depositors of Harmonia Savings Bank, Elizabeth, in 1965; it was announced this week by Joseph P. O'Hara, president.

Surplus and reserves increased by \$168,000 during the year to a total of \$6,177,600 at year's end, the president reported.

The bank held 5,821 mortgage loans, including 3,078 conventional loans, 1,495 veterans administration loans and 1,248 F. H. A. loans. The mortgage loan portfolio totaled \$64,649,000.00. Harmonia helped more families in Union County than any other bank to home ownership, during 1965, he said.

Steady growth during the past five years is reflected in the increase of home mortgage loans from 35 to over 64 million, savings deposits from 52 to over 74 million and assets from 58 to over 91 million.

As Harmonia enters its 115th year, management looks to further growth in 1966 through the increased interest rates to 4 1/2 percent and 4 1/4 percent on investment and regular savings accounts; land-purchased, wide additional parking facilities, installation of a National Cash Register 915. On-line electronic computer system, and elevator, also safe deposit services at our Union Square office plus the exterior and interior modernization at the Morris Ave. and Union Square offices, said O'Hara.

## Businesses Up, Says D & B Report

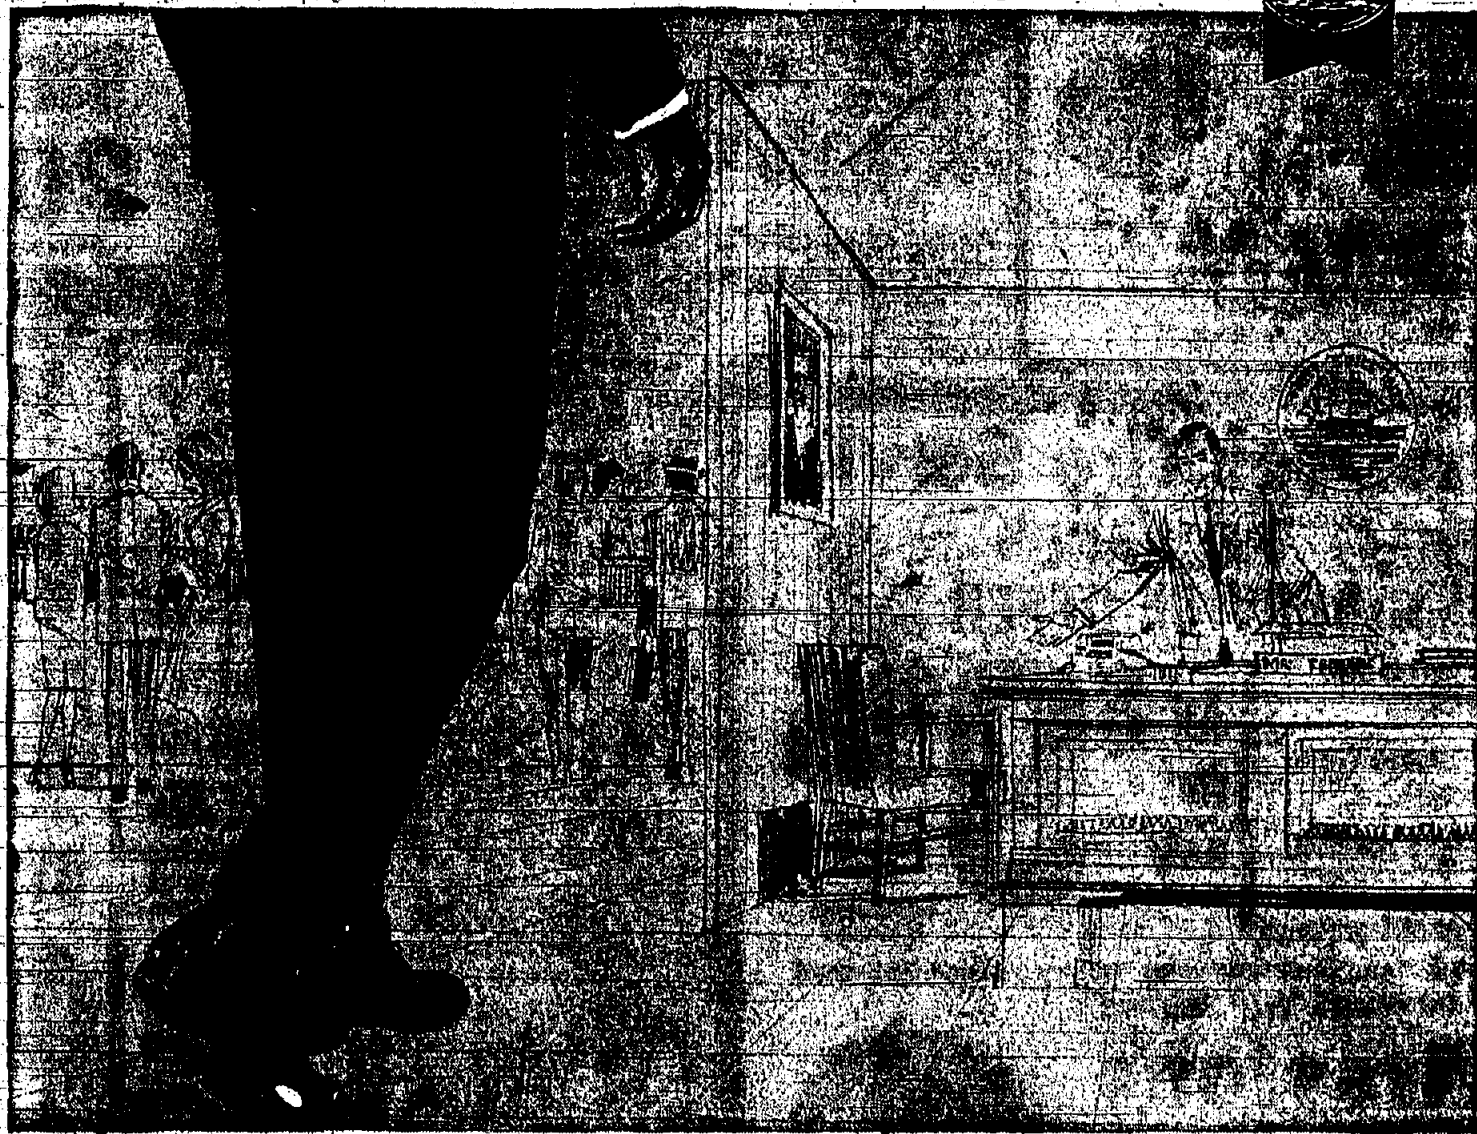

The business population of Union County increased eight tenths of one per cent between January, 1965, and January, 1966, according to a report released this week by Richard F. Morgan, district manager of the Newark office of Dun & Bradstreet, Inc.

Basing his facts on a physical count of the businesses listed in the Dun & Bradstreet Reference Book, Morgan reports 7,916 businesses listed in January, 1966, whereas there were 7,850 listed at the same time last year.

According to the report, Linden had the highest increase in business population of the five principal communities in Union County. Linden had 648 listings in 1965 and 685 in 1966 representing a 5.7 per cent increase. Union dropped one per cent from 783 in 1965 to 775 in 1966.

## LEADER PROFILE

(Continued from Page 4)

From the West Coast, she moved to New Brunswick. "My parents' family lived there. I attended Rutgers University in New Brunswick on my own work study program. And I worked for a manufacturing company as personnel manager."

MRS. EINSTEIN started as a liberal arts major at Rutgers, "with a view toward political science or law . . . and in the last part of college, toward economic and commercial law."

Four years later, she obtained an "ideal job as a labor statistician with Squibb and Sons in New Brunswick." But she was with the company less than a year, she says, because when her fiancé, the then Capt. Harry Einstein ("whom I'd known since I was 14 years old") returned from Europe (after serving almost four years in the European theater as a pilot and engineer officer of a troop carrying squadron), Harry Einstein and Bea Pincus were married.

"He was in service for another while, so we traveled around the country. He's a wonderful person . . . a very, very nice man . . ." she added. "After the service, he went into an industrial business. He now has his own organization, the Nebeco Engineering Co. in Roselle . . . a mechanical engineering firm that designs and develops automotive devices."

(The Einsteins have a son, Ned, 18, who is a freshman at

Rutgers University in New Brunswick, and a daughter, Bella, 14, who is a freshman at Jonathan Dayton Regional High School.)

"I first became active by working for the Sisterhood of Congregation Emanuel in New Brunswick," Mrs. Einstein said. "I'm a trustee there now."

"WHEN I MOVED TO Springfield, I became a member of the board of directors in the Springfield League of Women Voters, and participated in the Title 40 Study. I had been legislative chairman. I was (and am) very concerned with the fact that the public is allowing politicians to reapportion the state. It's such an important subject—the redistricting of counties and towns or the abolishment of county and town."

How did Mrs. Einstein become involved in the library situation? "I have always been interested in libraries," Mrs. Einstein said. "Good libraries! As a matter of fact, even before we moved to Springfield, I checked the libraries of various towns before we made our final decision about moving. A good library is so close to me . . . so dear to my heart."

"So, when I checked the Springfield library, I was truly impressed with the library staff and its smooth-running operation. Frankly, I believe that the real heroes of the library projects are the members of the library staff and particularly Mrs. Helen Francis, the librarian."

"THE STAFF is always planning new projects, new ideas for public consumption. And

## Sherman To Direct Program For Ruby

MAX SHERMAN

Magistrate Max Sherman heads the B'nai B'rith committee planning an award to Ed Ruby for "outstanding community service."

The fourth annual B'nai B'rith Citizenship Award plaque will be presented to Springfield's recreation director on Sunday, Feb. 6, at 8 p.m. at Temple Beth Ahm, 80 Baltusrol way, before lodge members, township officials and Springfield citizens.

As the Springfield B'nai B'rith citizenship and civic affairs chairman in charge of the program committee, Magistrate Sherman plans a "most inspiring and entertaining evening for

303 Alden rd. with his wife, the former Martha Jan Keltz. He has two children, Mrs. Rosella Conli and Richard Sherman, 16, a student at Newark Academy.

The award program will feature another prominent attorney from the northern New Jersey area as main speaker. He is Abraham Brenman, past president of the Paterson Lodge, past president of the northern New Jersey Council, and a past president of District Grand Lodge No. 2.

The program will also include the Jonathan Dayton Regional High School Choral; Sidney Piller is president of the Springfield B'nai B'rith Lodge.

### Polka Party Planned For Dance in Summit

A polka party and regular ballroom dancing will be featured at the Summit YWCA's Saturday night social dance from 8 p.m. to midnight this week. Music will be by the Moodmakers, and refreshments will be served during the evening.

The YWCA's social dances held on the second and fourth Saturday evenings of the month, are open to all single young adults of post-high-school age, who may attend with or without a date.

RENT THAT ROOM with a West Ad. Only 10¢ per ward (min. \$2.40). Call 486-7700.

# Report On Summer Camping Notes Past, Present Trends

A report entitled "Summer Camps in New Jersey" was announced this week by Commissioner Robert A. Roe of the State Department of Conservation and Economic Development. It is one of a series of open space monographs that studies the various land uses that contribute to open space patterns in New Jersey. Others in the series have included: "Gold Coasters in New Jersey," "Air Facilities and the Land-Use Pattern," and "Parks and Recreational Land Use in New Jersey."

All of these have been undertaken as a part of the inventory phase of the Statewide Planning Program of the Division of State and Regional Planning.

In releasing the report Commissioner Roe said, "Camping has become one of this nation's most popular forms of recreation. Summer camps provide a recreational as well as open space function and a study of them is important in developing a comprehensive plan for the future use of the State's land resources."

The report lists both past and present trends. An inventory of existing camping facilities, both residential and day, is included in the appendix.

The findings conclude that the number of existing children's camps is inadequate to meet the need and the rate of increase of

camping facilities is not keeping pace with the demand. Many existing and potential camps are being encroached upon as development spreads out from urban centers. In and around urban-suburban areas, where pressures for development are greatest, the residential camps have given way to day camps, which are themselves increasing more slowly than the rate of development.

"But day camps cannot be considered as replacements for residential facilities," the report notes. Much of the true value of camping may be lost in urban settings where even the summer camp program is necessarily restricted.

The significant influence of camps on the land use pattern as open space, and the need for camps as a recreational facility are indicated in the report with respect to the possibility of regulations or procedures to protect camping facilities and provide continuing opportunities for future generations.

The report is available from the Department of Conservation and Economic Development, Division of State and Regional Planning at a cost of 75 cents. Orders may be addressed to the Division of State and Regional Planning, Post Office Box 1978, Trenton.

## Focus On Pupils At Temple Rite

Students of the Aleph Class in the Elementary Department of Temple B'nai Israel Hebrew Academy of Irvington will be consecrated to their Hebrew studies at Sabbath Eve services tomorrow at 8:15.

They are Richard Lee Barnett, Jeffrey Ira Bernstein, Sheri Lynn Buckner, Edward H. Friedman, Wendy Kaufman, David Ramo, Daniel Wolf, Eric Yourish and Meryl Yourish, all of Irvington; David Howard Turkel of Maplewood; Gary Richard Pastow, Steven Ross Lefkowitz, Michael Bruce Lester, Louis Morrison, and Larry Sabel, of Union.

Ronald Landau of Union is chairman of the Academy education committee. Members of the PTA will host the Oneg Shabbat in honor of the consecrants.

Landau also announced the following Irvington and Union students of the elementary department who achieved the "Rabbi's List" for the first marking period:

Class I: Sheri L. Buckner, Wendy Kaufman, Daniel Wolf, and Meryl Yourish of Irvington; and Gary R. Pastow, Michael B. Lester, and Louis Morrison of Union.

## YM-YWHA Plans Viet Nam Debate

Challenge, a new community forum series, sponsored by the YM-YWHA of Essex County, will present its opening debate on "What Are We Doing in Viet Nam" Wednesday at 8:30 p.m. at 255 Chamberlain ave., Newark.

Milton Waldor will support the United States policy in Viet Nam, and Dr. Frederick Waring, Jr. will speak against participation in Viet Nam.

Waldor, an attorney in Newark, is the national commander of the Jewish War Veterans and has recently returned from a personal tour of the battlefields of Viet Nam.

Dr. Waring, a history professor at Rutgers University, is a Phi Beta Kappa, a member of the American Historical Society, a graduate of University of California, and a former member of the U.S. Naval Reserve.

Martin Green of Springfield, social studies instructor at Westquahk High School, will moderate the debate. A question and answer period will follow, as well as an opportunity to meet the speakers.

## Steady Growth Forecast For '66 In Howard Report

Steady, though not spectacular, growth should characterize general business activity during 1966, according to the 1966 Prospective of the Howard Savings Institution, released by John W. Kress, president.

"If the major motivating forces in the economy go forward at their present pace," said Kress, "the outlook for the nation as a whole — and New Jersey in particular — favors further gains on every front."

The economic picture, Kress said, is "remarkable" for two reasons. "First we are entering an unprecedented sixth straight year of business expansion, and second, the forecasts of the experts are virtually unanimous in taking a favorable view of the next 12 months," Kress said.

"However," Kress stated, "I feel bound to call attention to one factor which may increase the risk of a recession — the expansion of the Negro economy. I refer to the State's outmoded banking statutes, particularly those which limit the establishment of branch banks to the counties within which a bank's home office is located."

**WAR AT HOME**

About 200,000 American lives were lost during the four years of World War II. During the same four-year period, more than 2,300,000 Americans died of heart and blood vessel disease, according to the Union County Heart Association.

## Sales Tax Gets 83 Percent Of Vote In Jersey AAA Members Survey

A state sales tax rather than an income tax is still strongly preferred by members of the New Jersey Auto Club (AAA), according to a survey conducted last week by the club's executive director, reported this week.

Schulz said a current sampling of opinion shows sales tax support among 83.7 percent of the AAA membership. A questionnaire included in the Club's December issue of "The New Jersey Automobile" asked, "If new taxes were necessary, which would you prefer — a sales tax or an income tax?"

Survey have been coming in from the Club's tri-county area of Essex, Union and Morris at the rate of about 35 a day since late December, said Schulz. Among 387 received by last Thursday, 320 favor 83.7 percent a sales tax, 33 or 8.6 percent an income tax. There were 28 votes for neither tax despite phrasing of the question.

"The trend has held steadily ever since the first replies began coming in," said Schulz. Responses are pretty evenly spread in numbers and in preference among the three counties, he said.

**Saving Deposits Total Over 2 Billion In State**

Deposits in the New Jersey mutual savings banks at the end of 1965 totaled more than two billion dollars, Edmund J. Sauer, Jr., president of the Savings Bank Assn. of N.J., said that the \$2,037,000,000 on deposit at the end of the year was \$212,000,000 more than the 1964 year-end total.

The association has 21 member banks with approximately a million depositors. Deposits have been doubled in the past 10 years, Sauer said.

**Rose Society Slates Meeting Saturday**

The North Jersey Rose Society's 12th Anniversary meeting will be held Saturday at 2 p.m. at the First Methodist Church, Montclair. Rose expert Frank Bernadella of River Vale will be guest speaker.

J. William Dreier of Roselle is corresponding secretary of the society. Kasimer T. Neimazysk of Union is chairman of public rose gardens.

# Mrs. (Sen.) Hughes Happier As New Jersey Senator

Mrs. Mildred Barry Hughes said she is busier but happier as a State Senator than she was as an Assemblywoman.

Mrs. Hughes, of Union, has become the first woman ever to serve in New Jersey's State Senate. She said this week that her workload already has more than quadrupled over that of when she served in the Assembly. She added, however, that she is happier because "the frustration of the minority days are gone."

She referred to the last two years in the Assembly, when she not only was the lone Democrat in Union County's

Legislative delegation but also was a member of the minority party since the Republicans were in control of both houses of the Legislature. To give an example of the frustration this meant, she recalled that she introduced a bill to aid Bayway residents being displaced by highway construction, but the Republicans turned it down, and then, to add insult to injury, they reintroduced it, slightly altered, as their own creation.

"Now I will have something to say, and the power to combat such political maneuvering," said Senator Hughes.

"There is another 'plus,' Mrs. Hughes added laughingly. "It's much better being called Senator than Assemblywoman. After all, isn't Assemblywoman an awkward sounding word?"

"Turning serious again, Senator Hughes pointed out that her switch from Assembly to Senate and the Democrats' control of the Upper House for the first time in 47 years are both transitional movements that will take time to work out. She emphasized that this may mean some of her answers to letters might fall a little bit behind for a while, and some other "hitches" might develop. She expressed the hope that her constituents throughout Union County will realize this and will be considerate.

"It will take a few weeks to 'oil the machinery,'" Senator Hughes commented. "After all the years the Republicans were in power they didn't pass

along anything to help us get into high gear in a hurry."

"Since I became a Senator," Mrs. Hughes continued, "my mail has more than quadrupled. The fact that I am a member of the majority party has something to do with this. Most people with problems and questions and requests prefer to communicate with a Senator of the majority."

"Now I am one of two representing one-half million people, whereas in the past eight years, I was one of four or five. Assembly members representing that large number. This increases the workload. Besides, in the Senate, with 20 members, each has about twice as many committee assignments as in the Assembly, where there are 60. But I'm not complaining."

"The heavier workload holds no terrors to me. Any woman who has brought up a family doesn't fear extra work. In fact, being a housewife primed

me for the Legislative burden,"

Senator Hughes pointed out that the Legislature allows her to have only part-time secretarial help, and it does not supply any office or equipment. In contrast, she noted, Congress allows about 30 times more money for secretarial help for a member representing the same number of people.

She said she and her part-time secretary, Mrs. Bernard L. Grayson of Westfield, are working out procedures to keep up with the volume of

mail, including requests for low-income numbers.

The Democratic Senator paid tribute to Miss Frances Donovan of Elizabeth, who served as part-time secretary the past two years but whose regular employment did not permit her to take on the heavier duties connected with the Senate, and Mrs. Harold L. Kray of Cranford, who was secretary the six previous years but could not continue because of personal affairs. She complimented both as "wonderfully efficient."

## Center To Show California Film

"California — World in a Week," a color, sound film, will be shown at the Union County Park Commission's Trailside Nature and Science Center in the Watchung Reservation, Mountaintop, on Sunday, at 3 p.m.

The film, a travelogue, takes the viewer on a tour of the State of California with special emphasis on the vacation areas of the State.

One-half hour nature talks for children will be conducted by Dr. Harold N. Moldenke, director of Trailside, at 4 p.m., next Monday, Tuesday, Wednesday and Thursday. The topic selected for the four days is Camouflage in Nature. The talks will be illustrated with color slides and admission is free.

## Governor Slated To Speak At Fete For Sen. Hughes

GOV. RICHARD J. HUGHES

Governor Richard J. Hughes will be one of the principal speakers at an inaugural dinner honoring State Senator Mildred Barry Hughes of Union County on Sunday night at the Elizabeth-Cranford Hotel. The affair will celebrate Sen. Hughes' election as the first woman in the New Jersey State Senate.

Union County Sheriff Ralph Oriscello, dinner chairman, reported an unprecedented demand for tickets and predicted a capacity audience. Mrs. William Lee, ticket chairman, reported that more than 500 tickets have already been sold. Tickets will not be sold at the door.

The speakers committee announced that Mayor Thomas G. Dunn of Elizabeth will deliver the address of welcome and that Democratic chairman James J. Kinneally has accepted an invitation to be a guest speaker.

## Tract Of Land, House Purchased By UJC

A half-acre tract fronting on Springfield ave. adjacent to its present campus has been purchased by Union Junior College, Cranford, it was announced this week by Dr. Kenneth C. MacKay, president.

The tract, containing a one-family house, a large garage, a small shed, and a barn, was purchased from John A. Lazarok.

Dr. MacKay said the college has no definite plans at this time to utilize the new property, which is adjacent to a half-acre tract the college purchased in July, 1965, from Mr. and Mrs. Frank E. E. Tudor.

## Astronomers Hear Visiting NASA Aide

The Mariner Mission to Mars will be the topic of a lecture-demonstration by an official of the National Aeronautics and Space Administration at a meeting of Amateur Astronomers, Inc., tomorrow, at 8 p.m. in the theater of Union Junior College's Campus Center, Cranford.

The speaker will be Andrew Edward, Jr., program engineer for NASA's Mariner-Pioneer Office. Anthony Paoze of Westfield, AAJ president, will introduce the speaker.

## Negro History Program Scheduled By 2 Organizations In Westfield

The Westfield Negro History Club and the Westfield Civic Improvement Association will present a program on Negro History Feb. 19 at 8:30 p.m. at Westfield High School.

They will feature Voices, Incorporated Musical Theater from New York City in an evening of Negro music, drama, humor and dance.

The New York Times praised the Voices for their Carnegie

Hall debut, and they have appeared in the U. S. State Department auditorium. A first place award was given to them by Ohio State University for a 1961 series on NBC-TV.

They have appeared at numerous state and college and won acclaim from educators for their educational TV work. Comprised of eight singer-actors and a narrator, they use song and drama to portray the Negro's life in this country.

### HOME OF THE WEEK:

## Early Americana Brought Up To Date At Somerset's Homestead Village

The Carlisle Colonial model at Homestead Village sells for \$24,990. Home includes 4 bedrooms, 2 1/2 baths and is built on full wooded acre.

The wide open spaces of Somerset County is the setting for Homestead Village in Hillsborough. "Where Early Americana is brought up to date" reads the sales brochure and the motto is an appropriate one. The "Early Americana" is provided by an abundance of touches such as red cedar shake exteriors, 6 over 6 Colonial windows flanked by shutters, and cupolas atop garages. The "up-to-date" features include the Honeywell central electronic air cleaning system that traps 70-95% of the dirt, dust, and pollen entering a house, an automatic humidifier controlled by a humidistat, and an RCA dishwasher in every home.

Located just south of Somerville off Route 206, the community is minutes away from Route 22 and the new Route 287 Freeway as well as the Central Railroad. Some 26 homes have been custom built here, selling from \$22,990 to \$38,000. Another 13 lots are currently available. All the homes are spaciously set on full acre plots. Sanitary sewers have been installed. Three basic designs are offered at Homestead Village

— a ranch, a split-level, and a Colonial with a myriad of exterior elevations. The Raritan Ranch is 65 feet from end to end with eight rooms including a 16 ft. kitchen with windowed dinette, a rear-facing family room with sliding glass door and optional fireplace. It sells for \$22,990.

The Somerset Split-Level is a large house with over 2,000 sq. ft. of space and offers many options including 3 or 4 bedrooms, 1 1/2 or 2 1/2 baths, and 1 or 2 car garages. The Somerset sells for \$23,990.

The Carlisle Colonial, selling from \$24,990, is an 8 room, 2 1/2 bath home featuring 4 bedrooms on the second floor, a large living room, formal dining room and family room.

Foursome Builders, Inc., headed by Joseph Iarussi, developers of Homestead Village, have long specialized in smaller "customized" tracts, most recently having built homes in Basking Ridge, South River and Lakewood.

# Propose Combining 6 State Colleges Into Second State University

THE STATE BOARD OF Education today proposed a plan to combine six state colleges into a second state university, to be known as the State University of New Jersey.

The plan, which was approved by a 10-0 vote of the board, would create a new state university system consisting of two universities. The first would be the State University of New Jersey, which would include the State College of Education, the State College of Arts and Sciences, the State College of Business Administration, the State College of Forestry, the State College of Maritime Studies, and the State College of Public Administration.

The second university would be the State University of New Jersey at Newark, which would include the Newark College of Arts and Sciences, the Newark College of Business Administration, the Newark College of Education, the Newark College of Forestry, the Newark College of Maritime Studies, and the Newark College of Public Administration.

The board also proposed to create a new state university system consisting of two universities. ### Youth Examined For Head Injury After Car Crash

A Union youth, taken to Overlook Hospital in Springfield following a car crash early Sunday morning in Springfield, was discharged by the hospital following examination and head X-rays.

He was Kenneth J. Warren, 16, of 725 Arnold St., Union. Warren told Springfield police that he was driving south on S. Springfield ave. and that he was being chased by an unidentified driver at speeds reaching 80 to 70 miles per hour, police records disclosed.

His car collided with one driven by Richard Glasson, 25, of 55 Rose ave., Springfield, who was making a left turn from Evergreen ave. south into S. Springfield ave. The time of the accident was 1:03 a.m.

Warren was taken to Overlook by the Springfield First Aid Squad. Glasson's wife, Mrs. Charlotte Glasson, told police that she would obtain treatment from her own physician. Both cars were badly damaged and were towed from the scene.

are awaiting volunteer manpower for the coming Circuit Assembly of Jehovah's Witnesses in Plainfield, High School, Friday and Saturday, Jan. 27-28.

to make the organization run smoothly. A number have responded to the call for help already. Mr. Episcopo commented: "It is quite strange that in John's House of 1000 Overlook ter, Union, public administration."

According to the Witnesses, at these gatherings anyone may come in and hear the Bible teachings free of charge and enjoy sitting in on a free Ministry School session. Volunteering help makes this possible, the Witnesses quickly point out. "All full-course du-

ness are called for, not only for the assembly, which makes attendance at the assembly open for all, regardless of their circumstances," Mr. Episcopo explains.

The purpose of such gatherings, the Witnesses say, is to improve Bible understanding which they believe fosters peace and unity among people of the community. They believe that living by Bible principles "will give us peace for ourselves and feel their assembly are a prime example of people of all walks

**B'nai Brith Women To Cite Prexy, Slate Scholarship**

B'nai Brith Women, Northern New Jersey Council, will honor their District No. 3 president Mrs. Charles Kausch at a testimonial luncheon on Sunday afternoon at the Robert Treat Hotel, Newark.

Mrs. Kausch, who has served as chapter president for two years, council president for two years, held four vice-presidencies for District No. 3, which comprises four states: New Jersey, West Virginia, Pennsylvania and Delaware.

More than 500 people will be in attendance, including dignitaries from all four states. Chairman for the afternoon will be Mrs. Nat Juman of Union. Mrs. Edward Rothbart of Newark, Mrs. Lewis Schwartz of Irvington and Mrs. Harry Schwind of Newark.

Mrs. Daniel Zweben, president of the Union Chapter and members of the chapter will be present. They will serve as hostesses for the afternoon. Following the luncheon a "musical diary" will be presented honoring Mrs. Kausch.

The B'nai Brith Women of District No. 3 will present a book scholarship to a girl active with the B'nai Brith Youth Group for a minimum of two years (including her senior year in high school). She is required to write an essay, approximately 250 to 300 words, typewritten and double spaced on the topic: "The Role of B'nai Brith in the American Jewish Community." The mother of the applicant must be a member of B'nai

Brith Women in or near her community. The applicant must apply for further study after high school.

### Methodist Official of National Board Is Church Visitor

Dr. Glenn Gothard, staff member of the General Board of Education of the Methodist Church, with offices located at Nashville, Tennessee, will speak to the building committee, members of the official board and commission on education and other interested members of Springfield Emanuel Methodist Church at a meeting tonight at 8 in the Mundy Room, according to a church spokesman.

Traveling extensively for the Methodist Church to aid churches in planning buildings and equipment that will meet Christian education needs, Dr. Gothard comes to the local church through the efforts of the Board of Christian Education of the Northern New Jersey Annual Conference of the Methodist Church, the spokesman said.  
 Joseph Gleason, chairman of the local building committee, anticipates that opportunity will be given to ask questions relative to the program which the building committee is pursuing under the guidance of Finne, Lyman and Finne, architects of Elizabeth.

**Slate Folk Ballet At Symphony Hall**  
 The Rumanian Folk Ballet with gypsy orchestra, scheduled for a single performance at Symphony Hall on Jan. 30, at 8:30 p.m., offers a program reflecting the varied and colorful traditions of this Balkan nation.

The 90-member troupe, making its first U.S. tour under S. Hurok's aegis and being presented in Newark by Moe Sogge, ranges in its repertoire from the sombre folklore of Transylvania to the peasant frolics of Wallachia and Boragan. Ballet master Gheorghe Popescu has also stylized the wild jamborees of rugged Carpathia and the mysterious rituals of Romya gypsies, both highlighting the athletic prowess of the male dancers. A series of allegro Horas are danced and sung. Dincule's "Hora Staccato" offers a tour-de-force for violinists.

**'ZORBA' STARRING AWARD-WINNER SHOWS AT ART**  
 "Zorba, the Greek," Michael Cacoyannis' outdoor adventure film, entirely photographed in Greece, started the second week of its exclusive engagement at the Art Theater, Irvington Center, yesterday.

**'Oklahoma' To Open '66 Theater Season**

Meadowbrook impresario Gary McHugh, Carol Sawyer and associate John Beaumont launch their 1966 season with "Oklahoma," the Rodgers and Hammerstein hit, with Zina Bethune as the featured star, opening next Thursday.

"Oklahoma" ran on Broadway for five full years. Young Zina Bethune was starred in "The Nurses" television program for the last three years and appeared as Anna Roosevelt in "Sunrise at Campobello," her fourth movie. She also appeared in "Most Happy Fella" and "Nutcracker Suite" on Broadway and in stock for the last four seasons.

The 20 year old pro has more than 20 different T.V. programs to her credit. An accomplished dancer, she will do her own difficult specialty numbers as well as singing in "Oklahoma." The combination of skill like Zina Bethune's and a musical like "Oklahoma" assures the Cedar Grove Dinner Theatre of a smash for their season opener, a spokesman said.

## Grapplers Rally For 2 Victories; First Of Season

### Squad Hits Road For Two Contests; Coach Optimistic

The Jonathan Dayton Regional High School wrestling team gathered momentum last week as it scored its first two victories against Arthur L. Johnson Regional High School of Clark, 21-14, and Hillside High School, 25-20. The Dayton grapplers will visit Scotch Plains Fanwood High School tomorrow at 8 p.m. and will travel to Rahway High School next Wednesday at 3:30.

The Bulldogs improved to 2-3 as a result of the two contests. Clark, a team that had bested Dayton earlier in the pre-season invitational tournament, could not match Bulldog maturity, particularly in the lighter weight classifications. The Dayton squad has come a long way during the season's experience and training, and it showed considerable ability in the Crusader match.

Dayton rushed ahead to an early lead, and never was seriously challenged. At 96, and at 105, Pete Sayki and Jon Brenna, both sophomores, pinned their respective opponents. Howard Goldhammer followed in the next bout at 115 with a one-sided, 11-2 decision. Dale Lies, at 130, also pushed up the Bulldog score with a victory. Ed Camerini, stalwart at 136, pinned the opposing Crusader. In yet another Bulldog Glen Behrens at 147, pinned his opponent. At 158, Tom Martin won on a decision.

The heavier contenders did not come out as well; only Al Silverman at 168 raised the margin of victory, tying his bout. Other varsity wrestlers included: Gary Vosburgh, Steve Hartz, Ernie Milner, and Gene Beckin. The Hillside contest proved to be a real cliff-hanger. The usually dependable lightweight met exceedingly tough opposition. Sayki met his first defeat of the season. Brenna and Goldhammer likewise dropped their matches, as did Lies at 130, Hartz at 141, and Behrens at 147. Sophomore Gary Vosburgh, at 123, who won a one-point margin decision, accomplished a fabulous one minute of riding time. Ed Camerini managed a 7-2 decision.

As the 157-pound bout came up, Dayton appeared to be hopelessly behind, 20-6. Not another bout could be lost or tied, and two pins were necessary for a Bulldog victory. Then Tom Martin wrestled the crucial bout. Martin rallied the Dayton spirits, pinning his Comet opponent. The Bulldog rally was on.

At 167, the next category, Al Silverman waged an aggressive battle to a lopsided victory, nearly gaining the essential pin. The contest still appeared out of reach. At 178, Ernie Milner turned in his best bout of the season, gaining the vital pin necessary. Dayton, however, still trailed, 20-19. The final bout, in the unlimited classification, saw Gary Baskin, despite a slight injury, wrap up an amazing comeback, in a 9-2 decision over the Comet heavyweight. The Dayton grapplers displayed a fine battle of spirit and wrestling, winning the match by the slight edge of 20-20.

## Skiffers Honor To Mrs. Meyers

Nancy Meyers of the last-place Jokers was leading lady with 103-195-511. In Skiffers' bowling action last week at Springfield Bowl, The Jewels clung to first place with a record.

## Cornell, Princeton Teams Hold Lead In Ivy League Basketball

The games during the second week of activity in the Recreation Department's Ivy League were hotly contested. The boys were moving into a groove as the caliber of basketball was improved over their initial efforts. Two teams remain undefeated after league play of two weeks.

## Minuteman Victory Launches Schedule

The Springfield Minuteman basketball team opened their 1966 season on a successful note Monday when they rolled to a 37-22 victory over St. Elizabeth Grammar School of Linden. The game was played at the Florence Gaudinier gymnasium.

The Minuteman squad is made up of seventh and eighth grade boys who participate in the Recreation Department's Ivy League basketball program.

## Perfect Records In Small-Fry Play By Nats, Billikens

The Nationals and the Billikens remain at the top of two unbeaten teams in the Caldwell Small-Fry Basketball League.

With two weeks of play concluded, the youngest of all leagues in the youth basketball program is proving to be an active group with much promise for future basketball players, according to the Recreation Department. Each week eight teams meet Saturday afternoon at the James Caldwell School to meet in competition. The first game starts at 1 p.m.

The Nats were impressive Saturday, as they drove to a 19 to 4 victory over the Aggies. Mike Levin returned from a 14-point effort last week to lead all scorers again this week. Mike tallied 15 points in pacing the Nat victory. Kenny Blanton scored all the points for the Aggies.

The second game saw the Billikens rebound to even their record for the season. The Billikens showed a light defense in downing the Lakers by a score of 13 to 1. Howie Tannenbaum and Robert Hydock paced the winners in the scoring column. Each boy tallied four points. Merv Marshall sunk a foul shot to provide the Lakers with their lone point.

The Pistons received a strong effort from Johnny Belliveau last Saturday to defeat the Celtics by the score of 9 to 3. The Pistons victory put both squads at one victory and one defeat for the season. Joey Pope played a good floor game for the winners, and chipped in with two points. Bruce Blumenthal tallied all the points for the Celtics' squad.

## First-Place Jam In Sports League

Ehrhardt Television took two games from the VFW to the Carol Stamping, league leader, which lost three games to Milton Lenoir in action in the Springfield Sports League recently.

Milton Lenoir is now one game behind the leaders. High games bowled this week were by Dick Weber, 213; Alf Giese, 205; Mark Combs, 224; Roland Adams, 215; Mark Lies, 208; Joseph Papp, 205; and Richard Schwartz, 202.

corned countless rebounds. Lou Vaslow also played well for the winners. Lou tallied five points.

Phil Stokes and Keith Brownlow paced the Dartmouth attack. Phil hit for five points, while Keith tallied six markers for the losers. Brownlow was particularly effective during the final-period rally by Dartmouth.

Cornell moved to its second victory of the season in the mid-die contest last week. The Big Red team moved the ball well in posting a 24 to 12 victory over Columbia. Jay Silverman and Alan Schlanger paced the attack for the winners. Jay scored nine points, and Alan chipped in with seven points.

Captain Fred Gold moved the attack for Columbia and led his team in scoring by tallying six points. Columbia was at a disadvantage without Richie Deutsch, a top scorer, but put on a final-period rally to make the score respectable.

The final game of the day last Saturday afternoon saw Princeton roll to an impressive victory over Harvard by the score of 32 to 18. Frankie Buger scored 17 points to lead all scorers for the day.

Gary Fox also played a top game for Princeton to aid in the victory drive. Gary scored 11 points and grabbed a large number of rebounds. Jim Sarokin scored well for Harvard as he scored six points. Danny Wells turned in another fine game for the Crimson as he tallied five points. Dan D'Andrea and Don Lan also played well for Harvard in this game.

Harvard will meet Dartmouth in the opening contest at Jonathan Dayton Regional High School this Saturday afternoon. This first game will start at 1 p.m. and the game will feature two squads without a victory. Other contests will pit Columbia against Princeton and Cornell against Yale.

## Three Teams Tied In State Basketball

Florida, Utah and Iowa moved out in front of all other teams after two weeks of play in the Recreation Department's State Basketball League. All State League games are played at the Florence Gaudinier School, starting at 1 p.m. each Saturday afternoon.

The opening contest Saturday saw Texas rebound from a bad game last week to score a 21 to 15 victory over the Aggies. Coach Phil Meisel had his Texas team moving the ball, as the Texans scored an impressive victory.

Texas center Karl Mendel paced all scorers in this contest as he tallied 10 points. Karl gathered most of his markers on rebounds. Robert Meisel played a stifling floor game for Texas and chipped in with eight points in the scoring column. Mark Tannenbaum with six points and Stan Mazieka with five points topped the scoring for Idaho.

Ohio scored an impressive victory last week as the team rolled over California by the score of 33 to 13. Barry Pomp turned in another good game for the winners as he tallied 12 points to lead all scorers. Bob Karlsberg and Todd Herman had nine and eight points, respectively, to help the Ohio attack. Leon Markakis, who tallied nine points, paced the scorers for the California team.

Iowa remained undefeated as they defeated Wyoming in the middle contest last week. The final score was Iowa, 16, and Wyoming, 8. Ray Danigges topped the scorers for Iowa as he hit for six points, while Pete Demmer scored five points for the winners. Larry Sternbach was the top point man for Wyoming as he scored six points. Bobby Reichman played a fine floor game for the losing squad.

Utah kept its record unblemished as they rallied to score an overtime victory over Kansas. The final score was, 17 to 15, for Utah. Utah, down six points in the final period, saw baskets by Rich Fandrich, Jim Schoch and Mike Gardner put the game into overtime. Schoch and Gardner hit again during the overtime period to offset a bucket by Reid Hagerly of Kansas and win the game for the Utah squad.

Jim Schoch paced the winners with six points, while Chris Giese, with seven points, was high for Kansas.

The final match last week was Florida vs. Utah in a final period

## Rockin Bowlers Hold First Place In Girls' League

The Rockin Bowlers, at 17-9 continue to hold their commanding three-game lead over the remainder of the competition in the Girls' Bowling League. This league meets at the Springfield Bowl each Tuesday afternoon, and is sponsored by the Springfield Recreation Department.

The Rockin-Bowlers split a two-game series with the Charns last Tuesday afternoon. Pacing the league leaders were Lorraine Cicconi and Debbie Klieber. Lorraine fashioned a fine 245 series for the two games bowled. Debbie hit the pins at a 190 total for the two games. Sally Haines was the top bowler for the Charns team. Sally rolled a 210 series.

The Allettes moved into a second place tie with the Strikers during the next week. The Allettes moved into this position on the strength of a two-game sweep over the Alley-Oops.

Alyse Cooper rolled a 275 series to pace this double victory. Alyse's score was the second highest of the season. Alyse rolled a fine 155 game as part of her top notch effort. Sharon Gagnon with a 208 series and Francine Ship with a 190 series also rolled well for the Allettes. Eileen Francis rolled a 215 series to lead the Alley-Oops for the afternoon. Linda Muehlteer at 107 for two games was also effective.

The final match of the day saw the Alley Cats and the Strikers divide a pair of games. Carol Hamman and Karen Luber both bowled very well for the Alley Cats. Carol rolled a 248 series to record her top effort of the season, while Karen turned in a good series of 225. Virginia Vogt with a 205 series was the top bowler for the Strikers. Barbara Owens rolled well with a 158 series, while Nancy Utson had a 189 series to be effective for the Strikers.

Lorraine Cicconi continues to pace all the bowlers in the league. Lorraine is maintaining a league high average of 126. Alyse Cooper is in the second spot with an average of 120 for the season. Karen Luber is the third best bowler. Karen's average is 104.

Sharon Gagnon has moved into fourth place with a season average of 102. Virginia Vogt, also at 102, is a fraction behind Sharon and in the fifth spot. The remaining girls among the top 10 in averages are: Diane Ognowsky, 101; Sally Haines and Linda Mutschler, 99; and Lisa Brown and Eileen Francis, 97.

## Race Stays Close In Church Action

Leading scorers last week in Church Bowling League action at Springfield Bowl included Joseph Fedesco, 235; Harold Oakman, 221; Fred Schenk, 216; Silver Gagnon, 213-202; Joseph Walsh, 213; Sylvester Boettcher, 212; Robert Beven, 209; and Robert Bennett, 202.

The Del Guercio team clung to a narrow margin in first place with point total of 4274. Next, in order, came Wunderlich, 4274; Oakman, 41; Moreland, 39; Zarrull, 38; Condon, 37, and Eppinger, 36.

## Bulldogs Drop 2 In Week's Play

Fred Clayton, whose shooting and rebounding skill was extraordinary, broke open the game in the second quarter, outscoring Dayton, 15-2, in the last three minutes of the half.

Steve Hirschorn turned in another slick backcourt game, as well as serving as the scoring mainstay for the Bulldogs with 13 points, and six assists. Mike Lester, also turned in a strong performance with 18 points.

The Linden contest was too much for the Bulldogs. The Tigers seem to be the strongest team in Union County, and their ability was painfully clear to the Bulldogs. But the home team put a valiant effort, and gave Linden some very close moments.

The first quarter made the contest appear almost even, thanks to strong Dayton defenses. During the first quarter, the team did a good job, particularly on defense. We managed to frustrate their men often, perhaps with the greatest degree of success of any of their previous opponents, commented head coach Ray Yanchus.

At the end of the first quarter, Linden had been stymied to a 10-10 tie with us. For the remainder of the game, we put up a good fight, but were baseli- sally out-classed. They had the height, speed, and rebounding ability that our talent could not match. However, it should be noted that our pressure on defense, despite their large lead, forced the Tigers into a zone-press in the second half.

## Policarpo Leads Municipal Circuit

Policarpo Bros. won two games this week to increase its lead to 5 1/2 games over the Springfield Market, which lost two to the Cardinal Garden Center, in the Springfield Municipal Bowling League.

Bowlers scoring in the 200s this week were Don Pierson, 218; Ray Schramm, 212; Marty Kriesel, 210; Art Mutschler, 208; Mario Laticca, 202 and Lester Joyner, 200.

## Lipton Bowlers Hold First Place

The Lipton team, with a record of 27-12, has a narrow lead in the Temple Beth Ahm Sisterhood Bowling League, Springfield, following last week's competition at Hy-Way Bowl. The Perstein quintet leads the leaders by only a half-game, with the Liptons leading a half-game further behind in third spot.

Top scorers last week included Sue Sanders, 443; Mikki Davis, 172-416; Flora Lichter, 409; Shirley Straus, 178; Joanne Silverstein, 403; Audrey Cole, 447; Irma Rosenblat, 432; Phipps Cohen, 425; Shirley Kaye, 455; Shelley Wolfe, 170-427; Dennis Koplick, 404; Lisa Kaish, 180-459; Sharyn Perstein, 414; Carol Popper, 405; Sue Kaufman, 410; Marilyn Lipson, 447; Dotty Weinberg, 417; Bernice Kutzler, 189-447; Matty Heller, 433; Shelley Raab, 429.

## DAYTON QUINTET DEFEATS CLARK TO GET REVENGE

The Jonathan Dayton Regional High School basketball team pushed up its record to 2-8, following a Bulldog victory over Arthur L. Johnson Regional High School of Clark, 53-40, on Tuesday. The Dayton squad played its finest game of the season against the Crusaders, who had previously beaten it.

All the faults that contributed to that loss: rebounding, passing, and a weak offense, became the Bulldogs' greatest assets. Dayton captain Kerry Tompkins played an unusually fine game.

## Rockets, Comets In 1st-Place Orbit After Two Weeks

After two weeks of play in the Sandmeier Small-Fry Basketball League, only two teams of the eight quintets have undefeated records. Last Saturday, the Rockets and the Comets scored impressive victories to move their squads into first place.

The opening game last Saturday afternoon at the Thelma Sandmeier School saw the Rockets roll to victory over the Chiefs by the score of 17 to 2. Mark Webber paced the attack for the victors as he tallied five points. Bob Wallick was also impressive for the Rockets as he scored four points. John Zurnoff was the lone point-maker for the Chiefs.

The second contest last week saw the Comets nab the victory in the first game by posting a 19 to 2 victory over the Pirates. Seven players for the Comets hit the scoring column, with Mitch Marder leading the way with four points. Chuck Friedman tallied the two points for the Pirates.

Another contest played last week saw the Raiders score a final period victory over the Chargers, by the score of 8 to 7. A foul shot hit by Bruce Cohen during the final minute of play marked the victory for the Raiders. Bruce paced both teams in the scoring column as he tallied five points. "This was the high score for the Chargers as he scored four points.

The final game of the day saw the Tigers withstand a final period rally by the Jets to post a close 11 to 10 victory. A basket by Robert Lee of the Tigers in the final period salvaged the victory for his team. John Slesal of the Jets paced all scorers for the day he hit for eight points.

In this week's action at the Sandmeier School, the Chargers meet the Jets in the first contest, starting at 1:15 p.m. Other games to follow, in order, are: Comets vs. Pirates; Chiefs vs. Pirates and Tigers vs. Rockets.

## Westfield 'Y' Program To Attract Members

Men and boys not presently members of the Westfield YMCA have been invited to be guests of members during National YMCA Week, according to Harry Olden, Bohman membership secretary of the "Y".

The Men's "Be Our Guest Program," will be held all next week, while boys will have "Buddy Days" on Wednesday and Saturday of that week.

Telephone Raises Total Of \$831,634 In Three States

The 15th annual United Cerebral Palsy Telephone, held over the past weekend, grossed \$831,634 in pledges, according to Julius R. Pollatschek, president of United Cerebral Palsy Association of New Jersey.

"This represents the participation of 115 in pledges, which will be fair both to the home-owner and to the businessman. Our Association is an all-out advocate of any plan that will avoid the stifling of economic growth and equitably serve the interest of all the people of New Jersey. Significant emphasis," said Taylor, "rests with the word 'equitably'." Taylor noted, "that while hard core opponents for any tax whatever continue their unbridled criticism, the Association asks simply and constructively that there be facts and figures to demonstrate that new taxes are needed."

"Experience in the 47 states that have either a sales or income tax or both, provided no clear evidence that the answer lies in a broadening of the tax base. Even some of the hard-core supporters of income taxes or selective taxes appear to agree on this score."

"One element on which all factions are in positive agreement, is that real property taxpayers in New Jersey are bearing an unjust proportion of the tax load. Isn't it pertinent to ask that any program of action should automatically insure that such injustices be erased and that portions of revenues raised from a new tax be earmarked for the relief of local property taxes?"

Taylor referred to a recent report prepared during immediate Past President David E. Feinstein's administration, for the Real Estate School of Business Administration, Rider College, Trenton, which bears out a prevalent fear by New Jerseyites that unless a program earmarking funds for relief of property taxes is made part and parcel of any broad based tax, the property owner is hardly short-changed. It is the hope of Taylor that sometimes he receives only token relief and such relief is of fleeting duration. The commitment of our Association," observed Taylor, "is to genuine tax relief only, and not with ill-contrived schemes offered as panaceas."

Quoting again from the report dealing with the broad base question, Taylor stated that, "The experience across the nation of 47 states that have either a sales or income tax or both is not very encouraging. Of the 10 states that have the highest percentage of property tax burden per capita, four have both a

Real Estate Boards President Cites Urgency In Tax Reform

The New Jersey Association of Real Estate Boards continues to support in full measure the need for urgency in tax reform. The guideline to a fruitful and constructive solution," declared Harry A. Taylor Jr., president of the 3700 Realtor members of the Association, "lies in measures which will be fair both to the home-owner and to the businessman. Our Association is an all-out advocate of any plan that will avoid the stifling of economic growth and equitably serve the interest of all the people of New Jersey. Significant emphasis," said Taylor, "rests with the word 'equitably'." Mortgage Closings Hit New High In 1965

The year 1965 was the most successful in the history of the Jersey Mortgage Company of Elizabeth, Carlton S. Stallard, president, said this week. During the year, the company closed in excess of \$54,000,000 in mortgage transactions compared with the approximately \$28,000,000 in mortgages closed during 1964. Almost all of the transactions involved were in New Jersey, Stallard said. The bulk of the closings were on residential properties and income loans, he said. Stallard also revealed that mortgage commitments pending closing reached a new high record of approximately \$90,000,000 during 1965. As the year approached its end, the company was servicing approximately \$267,000,000 in mortgage accounts as compared to approximately \$238,000,000 in 1964.

In a survey conducted by "American Banker" during the past year, Jersey Mortgage Company ranked first in mortgage servicing volume in New Jersey. This is the second consecutive year that Jersey Mortgage has held the top ranking. Jersey Mortgage Company is mortgage loan correspondent for the Metropolitan Life Insurance Company, The Mutual Benefit Life Insurance Company, The National Life Insurance Company of Vermont, and 55 other large institutional investors.

"Signaling ahead to 1966, Stallard foresees another good year in the mortgage financing field, shadowed by imponderables such as the war in Viet Nam, the recent rises in interest rates sparked by the Federal Reserve Board and increased taxes.

# All About People

EUGENE TYE CO.

He was a homely, happy kid with a great gift for joking and laughing. But in his heart he nursed a desire that almost engulfed him. More than anything he wanted to be a major league ballplayer.

For years he kicked around the minor leagues hoping for the chance to move up to the majors. Then in 1921, this happy-go-lucky kid from Kansas City got the call to try out with the Boston Red Sox. He had the time of his life working out with the Red Sox. He found something that went in around him. All the players loved the bubbling spirits of the kid and laughed at his jokes and antics on the diamond. Nothing seemed to suppress his good humor.

But in spite of his personality and good spirits, the kid didn't have enough baseball ability to stick in the major leagues. It was with sadness that the Boston manager finally told him that he didn't have it and was shipping him back to the minors. As usual, the kid took the news with good humor and managed to crack another joke to cover up his chagrin. And he made the trip back to his home town of Kansas City.

Even though he could still make a living playing baseball, the spark was gone. For he knew that he could never be in the big time.

One day, he and a teammate, to kill an afternoon on an off-day, took in a vaudeville show at the local opera house. As they sat watching a third-rate comedian trying to peddle his wares, the teammate turned to him and said, "Kid, you could put that guy to shame. Why don't you work up an act and hit the vaudeville circuit?"

So the kid did. He quit baseball and entered the world of show business. He's still laughing and cracking jokes. He's still homely and happy. For the kid who didn't become a major league baseball star, did become the world-famous comedian...

# Library Offering Large Size Print In New Volumes

The Springfield Library has announced its new books in a special series of large type editions. The books are designed for readers who need or prefer a book that is easier on the eye than the usual paperback. Sometimes these books are called "books for tired eyes."

# Region II Orchestra Members Selected

Two downtown Princeton Regional School District High School students, Joseph and Margaret, have been selected for the 1966 Region II All-State Orchestra. They will compete against members from Region I and III in a contest for the All-State Orchestra at Trenton High School on March 19.

# Hiking Club Planning Ramble Of Five Miles

An afternoon ramble on the South Mountain Reservation is planned for the members of the Union County Hiking Club. The hike will start at the entrance to the reservation at the intersection of the New York State Thruway and the New York State Turnpike.
