A fire at the Springfield Shopping Center on Tuesday night caused the evacuation of about 100 people.

STAR SALESMEN — Young ladies who led last year in local sales of Girl Scout cookies overwhelm Mayor Robert G. Planer with samples of the merchandise offered this season. They are, from left, seated, Cynthia Cavagnaro and Cynthia Madison; standing, Dawn Sleasen and Linda Zara. Those few residents who have not had an opportunity to purchase cookies are advised to speak to the nearest Girl Scout.

To Act On Flooded Park Properties

The Township Committee on Tuesday unanimously approved its municipal budget for 1966.

There was a slight increase in county taxes from the figure previously announced. The budget calls for a municipal position of \$1,147,701.

They will be paid for by a 10 percent increase in the rate of tax on the real estate. The township will also receive a 10 percent increase in the rate of tax on the real estate.

Young Man Handles A Big Job Falkin Heads Bicentennial Conference

Arranging talks by six nationally known celebrities, planning for participation by some 125 student delegates from 50 colleges and universities throughout the nation and supervising all other plans for a three-day program expected to attract more than 2,000 college students—all this is the responsibility of a young man from Springfield.

He is Gary Falkin, chairman of the bicentennial conference to be held March 18 to 20 at Rutgers University, the state university currently observing its 200th anniversary.

"We picked our topic, 'Ethics In Our Time,' as one which will be relevant to the world around us and not just of academic importance," Falkin says.

He adds that the guest speakers will each deal with a specific aspect of the general theme, in formal addresses and in discussion groups.

THEY ARE Ayn Rand, author of "The Fountainhead" and other best-selling and controversial novels; Sen. Clifford Case, Republican of N. J.; Walter Ruther, president of the United Auto Workers; Roger Blough, president of U. S. Steel; Archibald Cox, former U. S. solicitor general and now a professor at Harvard Law School; and Robert Abernathy of NBC News.

Assisting Falkin with arrangements for the conference are three sub-chairmen, who supervise 15 committees made up of approximately 50 students from all branches of the state university. Rutgers and Douglass College in

GARY FALKIN

been a member of the Student Council for the past two years. He is also a member of Crown and Scroll, junior honor society, and of Alpha Epsilon Pi fraternity. Falkin is listed in "Who's Who In American Colleges and Universities."

He was graduated from Jonathan Dayton Regional High School, where he was editor of the Dayton News, vice-president of the senior class and a member of the National Honor Society.

He is the son of Mr. and Mrs. Arthur M. Falkin of 92 Jefferson ter.

Following his graduation from Rutgers, Falkin plans to attend law school. After that, he says, will come making a living. Far in the future, perhaps, he might enter politics.

If he does, he will be following the example set by his father, a member of the Town Committee and a former mayor.

New Brunswick, the branches in Newark and Camden and all the evening colleges.

Cumulation of all his work for nearly two years will come when Falkin presides at the conference sessions next weekend.

"After all the planning," he notes, "we really got down to work last June. We spent the summer writing letters, inviting the speakers and setting up the program."

HE SPENT five or six hours a week on conference arrangements from the start of the fall term until September, stepped up the pace to 10 or 15 hours a week at that time and expects to concentrate even harder on the final arrangements.

A Rutgers junior majoring in political science, Falkin has

Plan 20-Mile Hike On Historical Path To Morristown

Scouts of Troop 70, sponsored by the men's club of the First Presbyterian Church of Springfield, plan to hike the 20-mile Jockey Hollow Historical Trail from Peapack to the Ford Museum at Washington's Headquarters in Morristown Saturday.

Eighteen scouts under the leadership of Scoutmaster Murray Hurwitz, and Assistant Scoutmaster Dan Berber, are prepared to repeat this trek taken by troop members two years ago.

The troop recently camped for the week-end at the Raritan Council's Scout Camp at Delaware Water Gap.

Scoutmaster Hurwitz has been taking additional Scout Leadership training and recently received his Scouters Key.

The scouts plan their next weekend camping trip to Camp Winnebago in Marcella on March 25, 26 and 27.

The troop is celebrating its

Women Voters Ask Opposition To Dirksen's Amendment Plan

The League of Women Voters of Springfield has sent letters to Senators Clifford Case and Harrison Williams urging them to continue to oppose the Dirksen amendment, the proposal which would allow state legislatures to be appointed on factors other than population.

The local group is joining with League members all over the country to put into action a recent nationwide League consensus favoring the population standard for apportioning both houses of state legislatures.

The letters requested the senators to continue to vote against the "up-coming Senate Joint Resolution (SJR 103)," a modification of the Illinois senator's original proposal.

They stressed the possibility of this amendment weakening the equal protection clause of our 14th Amendment.

"This nation's strength is based upon equity. Free peoples of the world look to the United States Constitution as a model for representation of all the people," the League stated.

Mrs. Henry Huneke is Springfield League president.

The League position on apportionment stresses the conviction that population is the "fair and most equitable way of assuring that each man's vote is of equal value," the League president went on to say.

She added that other considerations taken into account by Springfield League members in reaching their conclusion included the strong conviction that a population standard is the fairest and most equitable way of assuring that each man's vote is of equal value in a democratic and representative system of government.

The U. S. Constitution should not be amended hastily or without due consideration because of an "unpopular" court decision, and individual rights now pro-

ected by the Constitution should not be weakened or abridged," Mrs. Huneke declared.

The Springfield League position is reflected in the "truly nationwide consensus" for upholding the population standard which the national League announced Jan. 12, according to Mrs. Huneke.

The national League of Women Voters received local consensus reports from local Leagues in all sections of the country, and there was no evidence of a rural-urban or geographic split, she said.

Tigers Closing Gap In Bowling League

The Tigers continue their charge toward first place in the Boys' Friday Afternoon Bowling League. Last week the Tigers captured a pair of games, while the Rangers dropped a pair.

As a result of this turn of events, the Rangers' former big lead was reduced to a single game. The boys roll at the Springfield Bowl each week in league competition sponsored by the Recreation Department.

The Bruins posted a two-game upset of the Rangers last week.

Billy Schwab paced the Bruins to this sweep as he posted a 253 total for the two games. Army Blumenthal with a 235 series was also effective for the winners. Mitch Wolff with a 283 two-game total topped all bowlers for the league-leading Rangers. Brian Ogonovsky also rolled well for the Rangers.

The Tigers swept a two-game series to move to within one game of the first place Rangers. The Chargers were the victims of this sweep by the Tigers. Perry Koplik paced the Tigers with a 277 series. Greg Spector and Peter Golwarg also rolled well for the winners. Greg hit a two game total of 246, while Pete tallied 251 for the series.

Jay Silverman was top bowler for the Chargers with a 263 series. Alan Schianger and Kenny Pearlmutter each rolled a 253 series to help pace the Chargers in this match.

The Black Hawks fell into third place as the best they could manage was a split of two games with the lowly Chiefs. Keith Singer rolled a high 273 series to pace the Chiefs and provide the winning spark. The Hawks were paced by the bowling of Gary Neitzel, who topped all bowlers in this match with a series effort of 289.

The final match of the day saw the Eagles rebound to take a pair of games from the Royals. Howie Levine snapped back from a month-long slump to pace the Eagles. Howie had his best series of the year as he topped the single-300 mark for the two games. Howie rolled a 314 series. Mike Levine at 251 was also a large contributor to the Eagle double victory. Steve Grau with a 246 series was top bowler for the Royals.

Mitch Wolff continues to run away with the league averages. Mitch has the high mark of 144 for the season. Jay Silverman with a 138 average is in second place. Henry Zachau holds third place with a 128 season mark, while Rich Freundlich is fourth at 123. Gary Neitzel is in fifth spot with a 122 season average.

 moved in at "that time." My father, who was retired then, came to live with us."
 Pancani sold that house in 1956, and moved into his present home at 3 Briar Hills circle. His wife, who was "born and raised and educated in Pine Island, N. Y. (that's Orange Coun-

ty, near Goshen), has been very active in the Ladies of UNICO, Springfield branch. She served as president of that organization, and she has been very active in St. James church."

The Pancanis' son, Richard, who is 25, was recently married to a girl from Elizabeth.
 "He was attending Parsons College in Fairfield, Iowa, majoring in economics. He took a year's leave of absence from school to get married, and he worked as an assistant superintendent of construction in Trenton."

"Now he has gone back to college to finish out his senior year."

Pancani mentions, with equal pride, that his daughter, Irene, who is 20, "is a sophomore at the College of St. Elizabeth, where she is majoring in education."

Pancani has a family of which he is extremely proud... and his pride, he insists, goes back for at least three generations.

Two Motorists Lose Licenses

Two Springfield motorists have lost their driving privileges for one month, according to a New Jersey Division of Motor Vehicles report released this week.

Walter E. Reicher, 30, of 33 Coffey st. will be suspended, effective March 11, under the 60/70 Excessive Speed Program. Clayton G. Trivett, 19, of 246 Morris ave. was suspended, effective Feb. 8.

New Road Signs Forbid Stopping On Area Highway

The New Jersey State Highway Department this week announced that no-stopping signs have been replaced by no-stopping or no-standing signs on Rt. 22 in Springfield.

A Highway Department spokesman said the no-stopping or no-standing signs are all inclusive, thus more easily enforceable. For example, the spokesman explained, a person might make a temporary stop at the curb and remain in his car while someone else runs an errand.

It approached, he may say he is not parking, only stopping for a moment. This defeats the purpose of the regulation to keep the roadway clear of standing traffic.

The no-stopping or no-standing sign clearly points up the fact that no stopping or standing, even temporarily, is permitted, the spokesman said. The regulation does take into account

New Books At Library Appeal To Variety Of Literary Tastes

A listing of new books was issued this week by the Springfield Public Library. With descriptions by the library staff, they are:

College
 Charles Doebler, "Who Gets Into College—and Why?" "Written by the dean of admissions

emergencies such as brief pauses to discharge or take on passengers at churches, schools and hospitals, he added.

The area in which the old signs are being replaced is along both sides of the westbound roadway of Rt. 22 between Stern ave. and South Springfield ave.

at Brown University, this book is considered to have the best overall treatment of the subject—so far. The author discusses frankly a career versus education, parental domination, testing, school guidance and how decisions for acceptance are made. Invaluable to parents and students as they begin to consider a college education."

One Man, One Vote
 Howard Hamilton, ed., "Legislative Apportionment, Key to Power." "A small paperback book intended to give citizens

the background to the present 10-year reapportionment struggle. Chapters include how to reapportion, and standards to use

The book concludes with a state-by-state summary."

Hollywood Moppets
 Norman Zierold, "The Child Stars." "This is the incredible story of famous child stars in the 1920s and 1930s: Jackie Coogan; Shirley Temple; Jane Withers; Judy Garland; Deanna Durbin and many others. Illustrated."

Garden Time
 Norman Taylor, "The Guide to Garden Shrubs and Trees (including woody vines)." "Five hundred species of shrubs, trees, and woody vines most likely to interest the home gardener are described and illustrated. Most of the plants mentioned

can be grown in a variety of garden soils. Indexed."

Dominican Republic
 Juan Bosch, "The Unfinished Experiment." "The Dominican Republic for 35 years has been dominated by two men: Trujillo and Juan Bosch. Although Bosch was president for only seven months, he has continued to occupy a focal position. This is the story of the bitter civil war of last spring, the election campaign that followed and the courageous efforts to bring democracy to the country."

Younger Readers
 "A Coat for Private Patrick," by Lee McGiffin. "Dan Patrick was only 13 and did not even have a coat of his own when he decided to join the famous Morgan Riders in the war between the states."

Small Fry
 "Echoes," by Bernice Kohn. "This is an informative and exciting book about echoes. What

are they? Where do they come from? Why are they useful? Well illustrated."

Not Feeling Well?
 "Bacteria and Viruses: Friends or Foes?" by William and Nellie Slaton. "Black and white drawings. An easy to follow book which explains what these mysterious organisms are and how they exist."

Program Scheduled On 'Impressionism'

J. Julien Grunberg will present a program on "Impressionism in Painting and Music" at the Summit Art Center at 8 p.m. on Thursday, March 24. Ask Amy

BY AMY ADAMS

Dear Amy:
In an effort to raise funds, the church to which I belong holds frequent dinners. I am in charge of the financial affairs, and since no one checks me, I have been keeping a good portion of the collection for myself.

You see, my son is a First Class burn. He will not work and runs around with married women, etc. I give him money from the church money I collect. Do you think I am doing the right thing?

"Rose"

Dear "Rose":
You know you are doing wrong or you wouldn't have asked. Where is your sense of moral integrity? I feel sorry for a mother who finds it necessary to steal from church funds to support a bum of a son.

Resign your position at church. Tell your minister why and prevail upon him to help you and you son to regain your moral and social decency.

Dear Amy:
I need your help! I've always gotten along well with my mother, but no where's something I find hard to tell her.

I'm pregnant!

I'm a 15-year old student and my marks are good. I don't even date much, although I do have a boyfriend who comes to the house often.

My mother appears to like him quite well, but she'd never forgive him if she knew the truth. How can I tell her?

Troubled

Dear Troubled:
It is quite obvious that you have a boyfriend who comes to the house often... too often! You are as responsible for this unfortunate situation as is the boy. Tell your mother immediately. You need her help... NOW!

Dear Amy:
I am a 17-year-old girl who didn't finish high school. Today I saw an interesting ad in the paper offering a home study course leading to a high school diploma. Do you know anything about these "schools"? No one in our family has ever done anything like this before, and I was wondering if it were the same as going to school.

Interested

Dear Interested:
I cannot keep on top of every ad that offers "get your high school diploma at home." Some home study courses are legitimate and some are not.

I suggest you seek out the help of your local high school counselor or the current list of accredited home, high school courses leading to the diploma you want.

I'm marking you "E" for effort... and good luck!

Tips for Today's Homemaker

Upholstered furniture that is dull and dirty can be cleaned and made fresh looking by using a shampoo technique. There are several commercial products on the market that are convenient to use. Or you can make your own shampoo to accomplish the same end.

If you are considering shampooing an upholstered piece, decide to do the job before it gets too dirty. The older the dirt, the harder it is to remove. Vacuum clean the piece carefully and thoroughly to remove all the surface dust.

Pre-test the type of shampoo and your cleaning technique on the back of the furniture or the underside of the cushion. This will determine if the color runs, the fabric shrinks or water spots.

Make your own shampoo by using a mild laundry detergent to make a lot of foam. Use a soft-bristled brush and apply the foam only. Rub the foam in a circular motion and overlap small areas. Avoid soaking the fabric when shampooing.

When several small areas are covered with foam, wipe away the soil with a dry bath towel. Repeat for extra soiled areas such as arm and head rests.

After the entire piece has been cleaned, aim an electric fan at it to hasten drying. When thoroughly dry, vacuum clean the entire surface again.

Commercial shampoos are available in concentrated liquid, applicator and aerosol types. The applicator and aerosol types are more convenient to use, but also cost more.

Read the directions carefully and follow them explicitly to get the best results.

Check the area of coverage for the aerosol type to determine how many cans will be needed to do the entire job. To run out of shampoo halfway through the job will be costly in results, time, energy and disposition.

Spring Program Announced By Y

A program of spring activities was announced this week by the Five Points YMCA, Union.

Mrs. Richard McElroy, chairman, said there is a number of openings for pupils to be enrolled in the Jack and Jill cooperative nursery program.

Dr. Joseph Errington and Mrs. Robert Thwaites said a program of swimming instruction for boys and girls from first through sixth grades will be offered on Tuesday and Thursday afternoons.

A gymnastic class for junior high school youths will be held Monday evenings under Henry Katz. Arthur Guenther will lead men's (age 18 and over) basketball workout on Tuesday evenings.

A gymnastic skills and arts and crafts class will be held for elementary school girls at Newark State College on Wednesday afternoon. Miss Phyllis Katz will supervise. The men will meet Wednesday evenings for conditioning exercise and volleyball led by Robert and Richard Hampp.

Mrs. Joseph Volpe will lead a gymnastics session for ladies on Thursday evenings. Another gymnastic program for boys will be offered at Newark State under William Hoppel. Baton and modern dance instruction will be held for girls on Saturday mornings.

Persons interested in these programs were invited to register at the YMCA headquarters at 218 Salem rd., Union.

Sons Of St. Patrick To Hold 'Irish Night'

The Friendly Sons of St. Patrick of Union County will hold their "Irish Night" on Tuesday, March 15, at 7 p.m. in the Suburban Golf Club, Union. It was announced by Joseph G. Higgins, president.

The by-invitation-only affair is open to Union County residents of Irish extraction. There will be one change from the Irish dinner menu, according to Higgins, and that is a switch from the traditional corn beef and cabbage to steak.

The Friendly Sons of St. Patrick dinner had its beginning in Union County in 1870.

Currently assisting Higgins are the vice president, Daniel P. O'Hara; treasurer, Francis P. Carroll and secretary, Charles P. McGinley.

Attendance must be limited to 150 because of the Golf Club's facilities. It was pointed out in Higgins' announcement.

Named to the dinner committee to handle the arrangements are: Walter F. Cuff, J. Carroll Dolan, Edward L. Fox, Peter J. Johnson, Dr. Paul J. Kreutz, Lawrence A. Ryan, Richard Cummings, William G. Dowd, Alfred F. Germaine, Edward F. Kelly, Edward A. McGrath and Edward L. Whelan.

A highlight of the affair will be awards given to Carroll and McGinley for their service to the association for the past five years, Higgins said. A reception will be held at 6 p.m. in their honor.

Pingry Alumni Plan Cocktail Party, Dance

H. Russell Morse Jr., president of the Pingry Alumni Association, has announced that the annual cocktail party and dance, sponsored by the graduate organization, will take place from 7 to 7 p.m. April 16 at the Short Hills Club, Short Hills.

In charge of arrangements is J. Lloyd Harbeck Jr., chairman of dinners and reunions. The members of his committee are Robert C. Hall, Andrew H. Campbell, H. James Toffey Jr. and Theodore L. Mayhew.

To Hear Speaker From Broker Firm

Stewart Baker, manager of the White Plains, N. Y., branch of Shields and Co., a stockbroker, will be guest speaker next Wednesday night at 8:30 at the meeting of the Young Adults of Eastern Union County of the YM-YWHA of Elizabeth, 1034 E. Jersey st., Elizabeth.

He will speak on finances, according to David Levy, Young Adult vice-president.

Recreation Dept. Seeks Umpires

Applications are now available for membership in the Union County Umpire Federation through the Recreation Department of the Union County Park Commission. The Federation includes baseball and softball.

Established umpires may automatically qualify for membership and individuals interested in becoming umpires may qualify for membership by attending spring clinics and passing exams in baseball or softball or both.

The Federation will charge no dues and members will be free to work where they please. The main purposes of the organization will be to train new umpires and to make available to leagues a directory of umpires who meet certain standards with respect to ability, knowledge of the game, uniform, etc.

To date 25 umpires and prospective umpires have indicated a desire to join the Federation. Applications should be filed as soon as possible.

GOP Freeholders Rap Thoughts Of Tax

Opposition to any State broad-based tax was expressed this week by Republican Freeholders Edward H. Tiller, Walter E. Ulrich and Harry V. Osborne Jr.

The three Freeholders said they are urging the State Legislature to see that more than \$50 million of surplus funds not yet expended by the various administrative agencies of the State are utilized rather than imposing a State income or sales tax on hundreds of thousands of New Jersey residents.

"The national Democratic administration is considering a tax increase, prices are rising rapidly under this inflationary trend which is not being halted by the Washington authorities, yet the Governor of New Jersey is attempting to harness the electorate of the State with a new and heavy tax," Freeholders Tiller, Ulrich and Osborne pointed out.

They observed that, in addition to millions of dollars which have not been spent, the Legislature has other taxing resources at its disposal which, although considered nuisance levies, will not impose a heavy drain on the income of the average family as would a sales or income tax.

"With the Governor asking for

income tax this month, it is time for straight-talking," Freeholders Tiller, Ulrich and Osborne asserted. "The people of New Jersey cannot afford to pay State income tax. Many are wondering where they will find funds to pay the federal income tax, which never has been reduced to the extent promised a few years ago."

"By the same token no one in the State is anxious to pay a sales tax which will bear heavily upon those families with a number of children. The cost of living in this State is so high that the prospect of either type of broad based tax being pushed by the Governor would constitute an imposition on every New Jersey resident."

The trio of Republican Freeholders said surveys made in every section of Union County

Rifle, Pistol Range Set To Open

The rifle and pistol ranges, operated by the Union County Park Commission, will open for the season at 1 p.m. on Saturday. The ranges are located in Lenape Park, off Kenilworth boulevard, Cranford.

The rifle ranges, with shooting permitted from the prone position through paper, can accommodate 20 shooters on the 50-yard range and ten shooters on the 100-yard range. Only .22 calibre single-shot rifles are permitted. The Union County Rifle

League shoots at this range most Monday through Thursday evenings from the beginning of May to the end of September.

The pistol range has been the center of activity for the Union County Police Pistol League and the Union County Civilian Pistol League. Ten ports can be used at any one time; a 15-yard and a 25-yard range make up this facility.

The rifle range was first opened on Nov. 10, 1929, and in the spring of 1930 the pistol range

PART-TIME STUDENT

She Wins Awards With Kids And Dogs

Mrs. Thomas Tupper teaches teen-agers to train dogs — that's the truth, not just a tongue-twister.

Mrs. Tupper, leader of the D.O.G. 4-H Club, has followed, pushed and inspired 25 Ocean County boys and girls into becoming one of the most active, award-winning 4-H clubs in New Jersey.

She also works full time as a computer programmer, manages a home in Lakewood, for her husband and teen-age son, Ted, and studies at Rutgers University.

The D.O.G. 4-H Club specializes in what its name implies — dogs, dog obedience and dog grooming. The club has produced two national 4-H winners in dog training, Marysu Bennett, the 1965 winner, and Mary Louise Mulligan, who won in 1964. Another club member, Martha Henry, came close to the national award several years ago but was a few weeks too

young to qualify.

In addition to advising the D.O.G. Club, Mrs. Tupper serves as president of the Ocean County 4-H Leaders' Association, a group of adults who serve as volunteer advisors to 4-H clubs. She works with the Department of the Army at Fort Monmouth.

At one time Mrs. Tupper was a student at North Carolina State College in Raleigh, with an eye on a degree in engineering.

Marriage changed that goal, but didn't destroy the desire for knowledge. She now takes three courses at Rutgers each semester — "one for work, one for the College (required course) and one for me."

This year the three are computer programming, English and a sophomore course in psychology.

Rutgers occupies an important place in Mrs. Tupper's life, both because she studies there and because the state-

Larger Program Sought To Train Practical Nurses

An expansion of 50 percent in the training program for licensed practical nurses, by the Union County Technical Institute, 425 Park ave., Scotch Plains, was proposed at a meeting of the Institute Advisory Committee last week to meet the present and anticipated need for trained personnel.

While today's supply of licensed practical nurses is lower than the need, the situation will worsen considerably with the advent of Medicare, with the large

increase in hospital and nursing home patients that will result from it, it was reported.

Mrs. Marie Brennan, director of nursing, Rahway Hospital, suggested a program at that hospital to supplement the programs now being run by the Institute at Elizabeth General and Runnells Hospitals.

The third program is possible with no increase in Institute facilities because it consists of 16 weeks of classroom instruction at the Institute followed by 32 weeks of clinical instruction and practice at the hospital.

Among those present was Mrs. Marion L. Selbe, director, Visiting Nurses Association, Plainfield, who recently employed Mrs. Lillian Nelson of Plainfield, a graduate of Union County Technical Institute. The only

other licensed practical nurse in the Visiting Nurses Association is Mrs. Barbara DePass, president of the Licensed Practical Nurses Association of New Jersey. She formerly held a similar position with the Visiting Nurses Association.

Manager Named At Country Club

Dr. Emanuel Stanton of Springfield will act as general manager of the Spring Garden Country Club, Florham Park, for the second consecutive season during 1966. It was announced by the board of trustees of the swim club.

President since its inception 11 years ago, Dr. Stanton is one of the original founders and owners of the club. A pioneer in the swim club field, Dr. Stanton was responsible for many innovations when he took over the reins as general manager last year.

Dr. Stanton said one of the new features of the club this year will be a day camp for children, in addition to the nursery camp for toddlers which will be kept at the regular schedule from 1 to 5 p.m.

Teachers' Group For Union County To Hold Banquet

The Union County Conference of Teachers' Associations will honor national and state legislators from this area at their 32nd annual banquet tonight at the Washington House, North Plainfield.

The Springfield Teachers' Association will be host to August Caputo, president of the Springfield Board of Education; John O. Berwick, superintendent of Springfield schools; Joseph H. Anderson, assistant superintendent of Springfield schools; Robert G. Pluhar, mayor of Springfield; and Mrs. Robert D. Hardgrove, secretary of the Springfield Council of P.T.A.s.

Springfield teachers who will represent the Springfield Teachers' Association at the dinner include Mrs. Lynda Henick, Edward V. Walton School; Robert Senkowsky, Florence M. Gaudineer School; Mrs. Joanne Harback, Raymond Chisholm School; Mrs. Millicent Kraverman, Theima L. Sandmeter School; Mrs. Marilyn Parkins and Mrs. Mary Edna Snider, James Caldwell School.

The president of the Union County Conference of Teachers' Associations is Mary Froustet of Union.

Chemist Selected As Vice-President Of Gen. Aniline

Dr. Leon Katz of Springfield, corporate director of research and development for General Aniline & Film Corporation, has been elected a vice-president by the board of directors, it was announced this week by Dr. Jessa Werner, chairman and president.

Dr. Katz began his career with GAF in 1953 as a senior chemist, at the firm's Linden chemical plant. In 1957, he became section manager for pigments and in 1960, was named technical director of the pigment division.

In 1962, Dr. Katz was appointed director of research and development for the company's dyestuff and chemical division, the post he held until being named corporate director of research and development last October.

Prior to joining GAF, he was associated with the American Cyanamid Corporation and Schenley Laboratories.

Dr. Katz received his B. S. degree in chemistry from Trinity College, Hartford, Conn., in 1950, his M. S. degree in chemistry from the University of Illinois in 1952, and his Ph. D. degree at the University of Illinois in 1954.

Dr. Katz, who saw service with the Army Air Corps during World War II, is a member of the American Chemical Society, the American Association for the Advancement of Science, the Association of Research Directors, and the Sigma Xi, Phi Kappa Phi, and Phi Lambda Upsilon fraternities.

He resides at 16 S. Derby rd., Springfield, with his wife, Blossom, and their three children: Stanley Gordon, 15; Barbara Diane, 13; and Nancy Lynn, 3.

Scout Troop 62 Slates Meeting To Recruit Boys

A special meeting for boys in the 11 to 14 age bracket, and their parents, interested in an active Boy Scout program has been scheduled for Tuesday at 7:30 p.m. in the Florence Gaudineer School-auditorium.

This event is being sponsored by the Gaudineer Parent-Teacher Association. Former present, and potential members of Troop 62 may attend.

Stanley P. Mikus, district executive of the Union County Boy Scout Council will be the guest speaker. Mikus will discuss the advantages and opportunities of participation in scouting generally as well as organizational steps, camping plans, badge advancement, outdoor projects.

Previous Boy Scout membership is not required in order to join this troop, Mikus said. "We are trying to reach this age group of Springfield boys in order to develop their skills by participation in our vast Boy Scout program while stressing good fellowship and community service," he pointed out.

The troop will be under the leadership of Jack P. Gill and Richard J. Hanley who will also guide the Springfield personnel. Troop meetings will be called for Tuesday evenings at the Gaudineer School.

Thinking Day, Girl Scout Week Observed By Various Troops

In commemoration of Girl Scout Thinking Day, Troop 683 had as a guest Barbara Baxter, Senior Girl Scout, at its recent meeting in Gaudineer School. Miss Baxter was one of the scouts selected to attend Round-Up last year in Idaho. The 16-year-old senior from Union showed colored slides of the entire trip to Idaho and the events. Miss Baxter has been in scouts for nine years.

Troops 765 and 583 have a display, in the showcases at Florence Gaudineer School, of maps showing the countries that have scout programs. The dolls in the display were given by Debbie Michaels.

Troop 583 is celebrating Girl Scout Week by visiting a collection of 300 dolls at a home in Cranford and by contributing its dues for the evening to a child who was hurt in a tobogganing accident.

St. James Brownsies, Girl Scouts and their leaders began the first day of Girl Scout Week by attending 9 a.m. Mass in St. James. The Juniors and Cadettes then joined with the Girl Scouts from other parishes to celebrate a holy hour at St. Mary's Church in Elizabeth from 3 to 4 p.m. Mrs. Robert Zeigler and Mrs. Anthony Graziano were in charge of the Scouts. Mrs. Lee L. Andrews Jr. acted as adult usher at St. Mary's Church.

A roller skating party has been planned by the Scouts of Troop 273 to observe one of the days of Girl Scout week.

The St. James Scouts and Brownsies will and the week with a communion breakfast at the School Saturday after the 8 a.m. Mass. Information on tickets may be obtained by calling 378-0731.

The first lesson on the folk dance badge was held at the Evergreen Lodge Saturday. Approximately 150 Scouts attended. Mrs. Arthur Wels was the instructor, with the help of the leaders in Springfield. The next session is scheduled for March 19 from 1:30 to 3:30 at a place to be announced.

A Splash Swim Party scheduled for May is cancelled. In its place will be a community encampment May 13 to 16. Mrs. Zeigler is the chairman.

Cookies will be on sale until the end of this month. If anyone is not contacted and wishes to help by purchasing some cookies, he may contact the chairman, Mrs. Fred Sells, DR 3-8517.

TEEN MUSICIANS OF HIGH SCHOOL PERFORM ON TV

The Whala, a rock and roll quartet composed of four students at Jonathan Dayton Regional High School, Springfield, was featured on the Channel 47 TV show, Zachery's Discotown, last Friday.

The musicians are Joe De Cristoforo of Kenilworth, lead guitar; Jeff Solondz, drums; Mike Deitz, guitar and lead singer; and Steve Kaplan, accordion. The last three are all from Springfield. The group is now entered in the TV show's competition, with a recording contract as the top prize.

Lions Will Honor Regional Seniors In Varsity Sports

Thirteen Jonathan Dayton Regional High School senior athletes in soccer, wrestling, and basketball, and their eight coaches, will be guests of honor at the Springfield Lions Club dinner at the Mountaineer Inn tomorrow at 6 p.m.

August Caprio, chairman of the dinner committee of the Lions Club, said that this is an annual event in which recognition for the efforts of the senior athletes is provided in the form of a certificate awarded to each senior.

Larry Budish, Jordan Denner, Michael Heineke, Robert Morones, Ira Pillar, Robert Waldman and Ira Rutkow will receive certificates for soccer.

Glenn Douglas, Steven Hariz and Ernest Milner will receive wrestling certificates while Ronaid Beegard, Leroy Mathis, and Kerry Tompkins will receive awards for basketball.

Herbert Palmer, Raymond Yanchus, Tom Santoguida, Mike Jannelli, Tom McCabe, Vincent Albano, Louis Piccolo and John Peld make up the list of coaches.

Mrs. Helen Frank To Teach Course

Mrs. Helen Frank will teach a 10-week course, sponsored by the Springfield Recreation Department, in basic drawing and introduction to outdoor watercolor painting.

The first class will be held on Monday, March 21, with classes running from 12:45 to 2:45 p.m. Tuition for the ten weeks is \$10.

Mrs. Frank, who studied at Cooper Union, Yale University School of Fine Arts, the Tyler School of Fine Arts of Temple University and the Art Student's League, has exhibited paintings throughout the country and is the recipient of a number of prizes in oils and watercolors.

Recently she was represented by a painting at the Huntington Hartford Museum in New York City.

Paintings by Mrs. Frank are owned by the New York Mets, Overlook Hospital and the Deborah Hospital.

Classes will be conducted at the Recreation House, 59 Caldwell pl., Springfield.

Wright Running For County Clerk

Henry S. Wright, Springfield's perennial candidate, this week filed a petition for the Republican nomination for the office of county clerk.

In a statement issued this week, Wright listed his qualifications and pledged to "maintain the same brand of efficiency" shown by County Clerk Henry G. Nulton over the past 30 years he has been in office.

Wright has an eleven-year record as President of the United States, freeholder, Township committeeman and district leader. His most recent loss was in a bid for a seat at the Constitutional Convention. He served a term as district leader.

A Correction

An article last week incorrectly stated that an auto accident took place Feb. 24, between cars driven by Frank Christie of 94-B Wabeno ave., Springfield, and Robert Martin of Orange, after Christie's car had skidded. Police records show that Christie was turning into a driveway when the other vehicle skidded into him.

Booklet To Explain Medicare Prepared By Social Security

A new, easy-to-read booklet on Medicare is now being made available all over the country, according to Ralph W. Jones, social security district manager in Elizabeth.

The illustrated booklet, called "Medicare Health Benefits Can Help You," features large print and simple language. The booklet was produced for use in Operation Medicare Alert, a joint project of the Social Security Administration and the Office of Economic Opportunity in which older people are working to provide Medicare information to shut-ins and other hard-to-reach groups in the older population.

The eight-page booklet shows how the two parts of Medicare will work, and reminds people now past 65 to enroll for the doctor bill insurance by March 31st, if they want its protection beginning July 1st.

Nationally more than 13 1/4 million of the 19 million people over 65 have signed up for the doctor bill insurance, Jones said. But in the Union-Somerset County area, an estimated 6500 people still need to take action. Many of these folks are up in their 80s and 90s and may not be able to read, even with glasses, or may be cut off from the usual channels of communication by poor health or other reasons. The Social Security Administration, through such projects as Operation Medicare Alert, and through former employers, relatives, and friends, hopes to locate these people and inform them of their Medicare rights and how to protect them.

People who are not getting social security, railroad, or civil service retirement benefits need to apply for Medicare at the social security office. The Elizabeth office is located at 288 North Broad street.

County's Pitch, Putt Scheduled To Open

The nine-hole Pitch and Putt golf course at the Galloping Hill golf course, Kenilworth and Union, and the nine-hole Pitch and Putt golf course at the Ash Brook golf course, Scotch Plains, will open for the 1966 season on Saturday, weather permitting, it was announced by the Union County Park Commission.

The Galloping Hill course will be open on weekends from 9 a.m. to dark until March 21 when daily play will begin. The Ash Brook course will be open on Saturdays from 9 a.m. to dark until early April when daily play is expected to begin.

The course at Galloping Hill will be opening for its 10th season. The entire course measures 615 yards long. Each hole calls for a par three, a pitch shot to the green and two putts.

In 1962, 30 floodlights were placed on the course to enable night activity at this facility. Night play is expected to begin early in April at the Galloping Hill Pitch and Putt golf course. During the 1965 season 49,000 people enjoyed this facility.

The Ash Brook Pitch and Putt course, five acres in size, and measuring 673 yards, officially opened to the public on April 17, 1965. During its first eight months of operation this nine-hole facility attracted over 11,625 participants.

A special rate of 25 cents will again be offered all women and men over 65 years of age on Mondays, except holidays, from 9 a.m. to 6 p.m. A fee of 50 cents per round will be charged on weekdays to 6 p.m., and in the evenings and on Saturdays, Sundays, and holidays a fee of 75 cents will be charged.

February Rainfall Above Estimate; 3.62-Inch Total

Precipitation in February totaled 3.62 inches or .47 inches above the estimated normal of 3.15 inches. Harold Duffoco, meteorologist at the Union Junior College Meteorological Station, Cranford, reported in his monthly report this week to the U.S. Weather Bureau.

This compares with the 2.15 inches recorded a year ago — the lowest total in the six-year history of the UJC station — and 4.31 inches recorded in 1962. February's greatest precipitation was 1.87 inches on Feb. 13. Measurable amounts of precipitation were recorded on nine days.

Precipitation for the first two months of 1966 totals 7.08 inches.

Snowfall during February totaled 11.5 inches, bringing the total for the winter season to 28.5 inches. The greatest snowfall was six inches on Feb. 23. Snow fell on February 2, 3, 16, 19, 24 and 25.

Snow mixed with rain during the night of Feb. 24 and the morning of Feb. 25 caused considerable damage to trees and falling wires throughout the area.

The average temperature for February was 32.9 degrees, as compared with the estimated normal temperature of 33 degrees. The maximum temperature was 55 degrees on February 12, and the minimum temperature was 5 degrees on Feb. 7. The average maximum temperature was 40 degrees, and the average minimum was 24.6 degrees.

Feb. 14 was the warmest day with a daily average temperature of 47 degrees, while Feb. 7 and 20 was the coldest day with a daily average temperature of 19 degrees. The February temperature on record at the UJC station was 4 degrees in 1961 and 1963.

During February, 899 degree days were recorded, bringing the total for the heating season which began September 1 to 3,852. In 1965, 873 degree days were recorded, and the total for the heating season was 3,888.

Fog occurred on Feb. 10, 11, 12, 16, and 24. The prevailing wind direction was northwest.

Rutgers Hillel Choir To Present Concert

On Monday evening, at Temple Beth Ahim, the B'nai B'rith Springfield Lodge will present the Rutgers-Douglas Hillel Choir to its members and guests. This choir, under the direction of Bernard Stark, consists of approximately 20 Douglas College and Rutgers University students. The range of music sung includes liturgical, Israeli, Yiddish, Chassidic and American folk tunes. This evening also marks the completion of arrangements for a site for the new Rutgers Hillel Foundation, construction of which is scheduled to begin in the spring of 1966. Rabbi Julius Funk has been the director of The Hillel Foundation at Rutgers University since 1948. He will attend the Springfield concert.

Elks To Sponsor 9th Annual Dance On This Weekend

The Springfield Lodge of Elks will hold its ninth annual charity ball Saturday evening at the Hotel Suburban, Summit, featuring gifts for all who attend, entertainment and prizes. Richard Lord is chairman for the evening, assisted by John A. Grifo, Thomas Brogan, Charles Morrison and John Sayer. George Krug is exalted ruler of the Elks Lodge. Plaques will be presented at the ball to the lodge's three immediate past exalted rulers. They are Saul Freeman, John Luciano and John A. Grifo. Among the Elk's project which will benefit from the charity ball are the Crippled Children's Fund and two scholarships presented each year to graduates of Jonathan Dayton Regional High School. The lodge also supports a variety of other philanthropic projects.

TOWNSHIP OF SPRINGFIELD AN ORDINANCE TO AMEND AND SUPPLEMENT AN ORDINANCE ENTITLED "AN ORDINANCE PROVIDING FOR THE REGULATION AND CONTROL OF THROUGH TRAFFIC ON ONE-WAY STREETS, YIELD INTERSECTIONS, WEIGHT LIMITATIONS AND PROVIDING PENALTIES FOR THE VIOLATION THEREOF," BY ESTABLISHING PARKING METER ZONES AND SUPPLEMENTING LIGHT TRAFFIC SIGNS.

Section 1. The streets and avenues specified in Schedule XI are hereby designated as parking meter zones. Section 2. Motor parking shall be permitted and effective within the meter zones, as specified in Schedule XI. Section 3. It shall be unlawful to deposit or cause to be deposited in any parking meter, any coin, device, or metallic substitute for a coin of the United States. Section 4. It shall be unlawful for any person to tamper with, open, willfully break or destroy any parking meter.

Section 5. It shall be a violation of the provisions of this article for any person to deposit, or cause to be deposited in a parking meter one cent coin or one or more 1-cent coins for the purpose of extending the parking time beyond the maximum time fixed herein. (b) SCHEDULE XI. PROHIBITED STOPPING OR STANDING, ETC. Article II, Section 2-3 shall be supplemented as follows: 1. It shall be unlawful to park any vehicle at any time upon any street for the purpose and during the process of unloading and delivering to a consumer thereof and therefrom goods, wares and merchandise.

(d) SCHEDULE X. IN ACCORDANCE WITH THE PROVISIONS OF SEC. 6-1 TRUCKS OVER 4 TONS GROSS WEIGHT ARE HEREBY PROHIBITED FROM THE FOLLOWING DESCRIBED STREETS OR PARTS OF STREETS. Schedule X shall be supplemented as follows: NAME OF STREET LIMITS Milltown Road From Meisel Avenue to the Union line

2. DEFINITIONS. Whenever any words and phrases are used in this ordinance, the meaning respectively ascribed to them in subtitle 1 of this 39 of the Revised Statutes of New Jersey shall be deemed to apply to such words and phrases used herein. 3. EFFECT OF ORDINANCE. If any part or parts of this ordinance are for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. 4. SEVERALTY. (a) All ordinances or parts of ordinances in conflict herewith and with the provisions of this ordinance are hereby repealed. (b) Chapter 18 of the Revised Ordinances of the Township of Springfield, New Jersey, as amended, is hereby repealed, effective March 10, 1966.

Astronauts And Anesthesia Work Together

Overlook Hospital in Summit has the astronauts to thank for new life-saving anesthesia equipment the hospital is installing, first of its kind in New Jersey.

Developed as a result of research into new and lighter types of metals and plastics for the space program, the new anesthesia machines offer features that could mean the difference between life and death to the patient, according to Dr. Henry A. Connelly, Overlook anesthesiologist.

Outstanding advance on the new equipment is a fail-safe system with an audible alarm. Should the oxygen supply to the patient be cut off in any way, the machine automatically shuts off all other gases and sounds the alarm to notify the anesthesiologist.

The new machines have their own emergency oxygen tanks, ready to go into service instantly should the central oxygen supply fail. Each unit has its own built-in electrocardiograph and electroencephalograph monitors, each also with its own alarm. This enables continual evaluation of the patient's heart

and brain condition while he is under anesthesia. In cases of cardiac arrest during surgery, not a second is lost. An emergency cart and defibrillator stand in readiness to resuscitate the patient.

"THIS IS A tremendous protection to the poor-risk patient or in cases of severe, major surgery, the type of cases the new equipment is

especially designated for," pointed out Dr. Connelly.

The equipment is also color-keyed for additional safety, with different colored tubing to match each different type of gas container. Modern type anesthesia offers possible combinations of oxygen, nitrous oxide, ether, penthrane, fluothane, cyclopropane, or helium. It is vital that the tubing be

connected accurately so the correct gas can be regulated.

More efficient vaporizers on the new machines also permit more precise dosages. This is important since the smallest dosage that will do the job is most beneficial to the patient.

A special circulator on the machine, made of one of the new "astronaut" metals, also eliminates the "dead" space

in the tubing that was unavoidable with former equipment. This is especially important with babies and means the machine can be used from newborns through adults.

"These four new anesthesia machines will cost \$13,800 another 'hidden' hospital cost that few people see or realize — added for their safety," Dr. Connelly concluded.

Symphony Society Schedules Concert

The Springfield Symphony Society is planning a repeat performance of its initial concert recently held at Jonathan Dayton Regional High School. The orchestra has accepted an invitation from Saint Barnabas Hospital, Livingston, to perform in its auditorium on Sunday, March 27, at 2 p.m. The public is invited to attend without charge. The announcement added: Geza Pizol, music director, will conduct a selection from the "Water Music," by Handel; "Suite for Strings," by Grieg; Prismatic Variations, by Gatus and "Simple Symphony," by Benjamin Britten.

RAINFALL IN AREA DURING FEBRUARY VIEWED AS HEAVY

February rainfall was substantially above the 26-year average, according to the Canoe Brook Weather Station of the Commonwealth Water Co. in Short Hills. The total rainfall last month was 4.19 inches, while the average had been 3.05 inches.

The average temperature was 29.5 degrees last month, close to the 26-year average of 29.4 degrees. The temperature rose to 35 degrees on Feb. 13, and it dropped to eight degrees below zero on Feb. 7.

Averages Topped In Skittler Action

Pearl Shinnhook and Ruth Wood both exceeded their averages last week in the Skittlers League at Springfield Bowl. Pearl, who maintains a 128 average, rolled a 520 series with a 166 high game. Ruth, with a 139 average, bowled a 503 with a 201 game.

Nancy Falcone missed a 170 tripple by seven pins in her last game while turning in a 503 set. The Lucky Strikes, hottest team in the league with a nine-game victory streak, set the loop series mark at 2209.

Other high games were rolled by Jackie Glassen, 184, 187; Lorraine Vosburgh, 182, 187; Nancy Burkhardt, 179; Adele Colandrea, 174, 156; Mabel Henshaw, 173; Marge Bullman, 160; Irene Wells, 166; Anne Graziano, 164, and Ruth McManis, 160.

Senator Urges Support For Anti-Smut Bill

State Senator Richard Hughes, of the 15th district, today urged support for an anti-smut bill which he introduced in the Assembly. The bill is designed to prevent the sale of obscene materials in public places.

She said the bill was introduced in the Assembly last year, but it was not passed. She said she is reintroducing it this year, and she hopes it will be passed.

The bill is designed to prevent the sale of obscene materials in public places. It defines obscene materials as any material which is so patently offensive as to offend contemporary community standards of decency, and which depicts or describes in a lascivious manner the human body or its parts.

The bill also prohibits the sale of obscene materials in public places, such as hotels, restaurants, and public houses. It also prohibits the sale of obscene materials to minors.

Senator Hughes said that the bill is necessary to protect the public from the sale of obscene materials. He said that the sale of such materials is a threat to the moral fabric of the community, and that it is necessary to take action to prevent it.

He said that the bill is supported by a wide range of community groups, including the Parents and Citizens Association, the Women's Auxiliary of the Arbor Inn, and the Union County Figure Skating Club.

Senator Hughes said that he will continue to work for the passage of the bill, and that he hopes it will be passed by the Assembly.

Senator Hughes was quoted as saying that the bill is necessary to protect the public from the sale of obscene materials. He said that the sale of such materials is a threat to the moral fabric of the community, and that it is necessary to take action to prevent it.

FIGURE SKATERS WILL HOLD SHOW THIS SATURDAY

The annual ice show, presented by the Union County Figure Skating Club, will be held at the V. F. W. Hall in Union, N. J., on Saturday, March 12, from 7 p.m. to 11 p.m.

The show will feature a variety of skating acts, including solo, pair, and ice dancing. The public is invited to attend, and admission is free.

The show is a one-and-a-half-hour program, and it is held in support of the club's activities. The club is a non-profit organization, and its funds are used to support its members and to promote the sport of figure skating.

The show is held at the V. F. W. Hall, which is located at Stuyvesant Ave., Union, N. J. For more information, contact the Union County Figure Skating Club at 686-7700.

Club Meets Tonight

The regular monthly meeting of the Union County Figure Skating Club will be held tonight at 8 p.m. in the auditorium of the Union County Park Commission's Training Nature and Science on the Watchung Reservation, Monticello. The club is a non-profit organization, and its funds are used to support its members and to promote the sport of figure skating.

Fraternity Donates \$40 To Palsy Fund

The Cerebral Palsy League of Union County is the recipient of a gift of \$40 from the Nu Sigma Phi Fraternity of Newark State College, according to Julius R. Pallansch, president of the League.

The contribution represents the proceeds from the fraternity's Road Rally, held last week, in which more than one-hundred students participated.

Weiner Is Named Winner Of Award From Men's Club

Jack Weiner will receive an outstanding achievement award from the Temple Beth Ahm Men's Club at its meeting next Thursday, March 17, at 8:30 p.m. at the temple. He will be cited for his work to aid the youth of the congregation.

The night's program is designed for members of the Temple's United Synagogue Youth group, for high school students, and Pre-USY groups. Herb and Betty Warner will entertain with rock and roll music, songs and comedy.

Weiner is a trustee of the Men's Club and is in charge of athletic activities for the youth groups. He has organized and supervises four basketball teams and softball and baseball programs.

Mrs. Samuel Weinberg is the temple's social director for USY and Pre-USY activities. Bernard Shapiro is president of the Men's Club.

On Honor Roll

Andrew Besen of 25 Park Lane, Springfield, a student in the fifth form (11th grade) at Kings School, Hillside, has been named to the honor-roll for the third marking period.

Princeton Has One-Game Lead; Four Squads Tied For Second

Princeton stands alone at the top of the Recreation Department's Ivy League. Four teams, however, are tied for second place, just a game away from first-place Princeton, with one week remaining in the regular basketball season.

Princeton holds first place with a record of six-and-three. Yale, Dartmouth, Columbia and Cornell have season marks of five victories and four losses. This has been the most evenly balanced Ivy League race in many years.

The boys meet in competition every Saturday afternoon at the Regional High School Gymnasium.

Princeton Wins
Princeton took an early lead in its all-important game with Cornell last Saturday and withstood a Cornell rally to ring up a 22 to 17 victory.

Frank Bucci paced the Princeton team as he tallied 10 points. This total led both teams in this big game. Bucci scored most of his points during the second period when Princeton took its big lead.

Gary Fox scored eight points for the league leaders and rebounded well throughout the game. Gary distributed his scoring evenly throughout the game. Johnny Edwards tallied seven points to pace the Cornell team. Most of John's points came from the free throw line. Edwards tallied on five foul shots. Jay Silverman and Alan Schlanger

also played well for Cornell. These two top rookie performers in the Ivy League paced a determined Cornell rally during the second half, which fell short of victory.

Dartmouth Hangs On
Dartmouth's dramatic surge last week as it dropped Columbia from first place with a very narrow 23 to 22 victory. Dartmouth was far down in the league standings at the start of the season but has rallied of late to be in a challenging position for the regular season crown.

The Big Green took an early lead in the contest, built up the margin during a hot third period, and then withstood a tremendous Columbia rally to take the victory.

Dave Epstein played a strong game for the winners. Epstein collected countless rebounds and scored six points. Phil Stokes tallied six points and getting up many other points products.

Vital Games
The final games of the 1966 regular season will take place next Saturday afternoon at the Jonathan Dayton Regional High School. Anything can happen in the Ivy League and there is a very good possibility that four teams could tie for first place.

The opening game at the High School court next Saturday will feature Cornell vs. Dartmouth. The winner of this contest will be in a position to tie for first place. Columbia will oppose Harvard in the middle game. Columbia needs a victory to be in a position to tie for first.

The final game will be the big one. In this game Yale will face Princeton. A victory by Yale could produce a four-way tie for first place, while a Princeton triumph will give it the Ivy League crown. The games will start at 1:15 p.m.

With just one week of play remaining, Bob Janukowicz of Yale has a firm grip of the scoring crown. Bob has tallied 96 points through nine games and is a cinch to hit the magic figure of 100 for the season.

When Bob wins the crown, it will mark the first time a seventh grader has ever won the scoring crown of the Ivy League. Bob is probably right near the finest basketball prospect in Springfield.

Rich Deusch of Columbia is second in scoring with 76 points, while Frankie Bucci of Princeton is close behind with 72 season points. Rounding out the top five are Gary Fox of Princeton with 60 points, and Jay Silverman of Cornell with 50 points.

Bombers Break Tie For 1st Place In Boys' Bowling

The Bombers moved out into sole possession of first place in the Boys' Bowling Afternoon League. The Bombers broke their first-place tie with the Hurricanes as they won one of two games, while the Hurricanes were dropping a pair. The boys' roll at the Springfield Bowl, in a league sponsored by the Recreation Department.

The Bombers split a pair of games with the Pirates last week. As a result of this split, they moved off into first place. Eric Wasserman rolled his finest series effort of the year to pace the Bomber surge. Eric rolled a 337 two-game series. Jimmy Bullard also had an effective 250 series was also effective for the league leaders. Mark Berkowitz topped all rollers for the Pirates as he tossed a 287 series. Mark has been one of the league's hottest bowlers of late.

While the Bombers were winning one game last week, the Hurricanes dropped from first place as a result of a double defeat by the red-hot Rockets. All the Rocket bowlers topped 200 for a series mark. The winners were paced by Ted Ramos with 240 for his series, while Marc Hollander rolled 237 for the two games. Todd Herman, with a mark of 258 was the top bowler for the Hurricanes.

The Atoms continued their late season rise toward the top as they defeated the faltering Greenbacks last week. Atom surge as he scored 250 for two games. Bob Blum with a 234 score for the series was also effective. Carl Goldstein with a series of 211 was the most effective bowler for the Bullets.

The first match of the afternoon saw the Raiders roll a pair of high scoring games to defeat the Jets down to two defeats. Joel Millman topped the magic 300 series mark for the Raiders, as he rolled 309 for the two games to see all bowlers in the match.

Dave Epstein and Fred Gold also rolled very well for the Raiders. Dave scored 287 for two games, while Fred hit 268 in the series. Danny Weiss and Gary Katz were high for the Jets. Danny rolled 254 for two games, while Gary had a series effort of 243.

Dave Epstein's 130 average continues to lead all the league's bowlers, as the season draws to a close. If Dave should capture the crown it will be his third consecutive high-average crown.

Jim Sarkin at 130 is in second place, while Bob Shindler is third with 128. Merv Hollander and Joel is rolling 126.

Disorderly Conduct
William J. Behrens, 18, of 34 Richland dr., Springfield, was fined \$25 for disorderly conduct by Magistrate Max Sherman Monday night in Springfield Municipal Court. Behrens was charged with being at the White Diamond Diner on Morris ave., after he had been warned to stay away.

Texas Outscores Utah To Win State Basketball League Title

Texas met its biggest challenge of the basketball season last week and came away victorious. Texas thus stands alone at the top of the State League at the conclusion of regular season play. The Big Red team of Texas dropped its first game of the season. It then ran off a string of eight consecutive victories to gain the league crown.

Texas, coached by Phil Meisel, will now enter the league playoffs as a strong favorite. Action in the State League is sponsored by the Springfield Recreation Department. The site of all play is in the Florence Gaundineer gymnasium, every Saturday afternoon.

Texas Victory
The feature game last week was the big battle between Texas and Utah. Texas downed a fighting Utah team by the score of 24 to 21. This victory led the regular season crown for Texas.

Bobby Meisel played one of the finest games ever played in State League competition as he paced the Texas team. Bobby was both play-maker and scorer. Bob, who has paced the winners all season, hit on clutch shots when Utah was pressing near the end of the game. The Texas star finished the game with a total of 14 points, which topped both teams. The early scoring of Craig Nowinski also aided the Texas victory.

Utah was paced in this game by a fine trio of players. Jim Sepech handled most of the work for Utah. Sepech scored five points and was a ball of fire at both ends of the court. A bright future is predicted for young Mr. Sepech. Rich Freundlich played a hustling game for Utah, as did Phil Argyris. Richie tallied six points and Phil scored five for the Utes.

Florida Scores
In the second of five games played in State League action last Saturday, Florida tripped Idaho by the score of 25 to 15. Florida again presented a well balanced squad, lead by a fine rookie, Kenny Baroff. Baroff paced the orange-shirted Florida team with nine points.

Ira Schulman, Florida's big man, tallied six markers for the winners. Peter May and Ronnie Shapiro each hit for four points for the victors. Bobby Quinn and Mark Tannenbaum led the Idaho team throughout the game. Both Bob and Mark tallied game highs for Idaho of six points.

Iowa Coast
Iowa held its second place position last week as it defeated California by the score of 18 to 8. Iowa returned to winning form after dropping two straight decisions.

Ray Danziger paced the Iowa squad, as he tossed in 13 points.

Helps Plan Meet
Howard Heerwagen of 27 Lewis dr., Springfield, is a member of the committee planning a statewide youth gymnasium meet at the Newark YM-YWCA March 10.

Ray's fine scoring this season has provided most of the Iowa offense—Iowa's strong point, however, is the fine defensive ball, which is played by the entire squad. Mark Berkowitz with three points was the high scorer for California.

Kansas Romps
Kansas primed itself for the play-offs as it topped Ohio last Saturday by the score of 34 to 18. Kansas is returning to early season form, which showed it to be a high-scoring team. A well rounded team, Kansas showed eight players in the scoring column.

Reid Hagerly with 10 points for Kansas was the top point getter and played his best game of the year. Reid has taken up much of the slack which was left when the top star, Scott Prussing, was called up to the Ivy League.

The Gacos twins also played well for Kansas. Chris scored eight points, while Jamie hit four points. Jeff Slater with six markers was another fine asset to the Kansas team. Howie Levine with eight points topped Ohio's scoring.

Wyoming Triumphs
The final game of the regular season, played last week, saw Wyoming trip Oklahoma by the score of 20 to 17. Bobby Reichman, a buzz-saw player, paced the Wyoming team and scored five points. Larry Sternbach, with five points, equaled the game high for the winners. Wyoming also received good games from Bob Goodman, Bob Zuckler, Tom Malone and Bob Fox.

Mark Weber, called up from the Small-Fry League, played well and tallied four points for the Utes.

Play-Off Action
Tonight, California will oppose Oklahoma and Wyoming will take on Idaho in an elimination round, prior to the start of the State League Play-offs.

The winners of this evening's actions will move into the eight team single elimination play-offs set to start next Saturday at the Gaundineer School. The two games tonight will start at 7 at the Gaundineer School.

Play-off action to start Saturday will feature the following first round games: Utah vs. Kansas the winner of the California-Oklahoma tilt, Ohio vs. Iowa, Florida vs. Kansas and Texas vs. the winner of the Wyoming-Idaho elimination game.

WYOMING TRIUMPHS
The final game of the regular season, played last week, saw Wyoming trip Oklahoma by the score of 20 to 17. Bobby Reichman, a buzz-saw player, paced the Wyoming team and scored five points. Larry Sternbach, with five points, equaled the game high for the winners. Wyoming also received good games from Bob Goodman, Bob Zuckler, Tom Malone and Bob Fox.

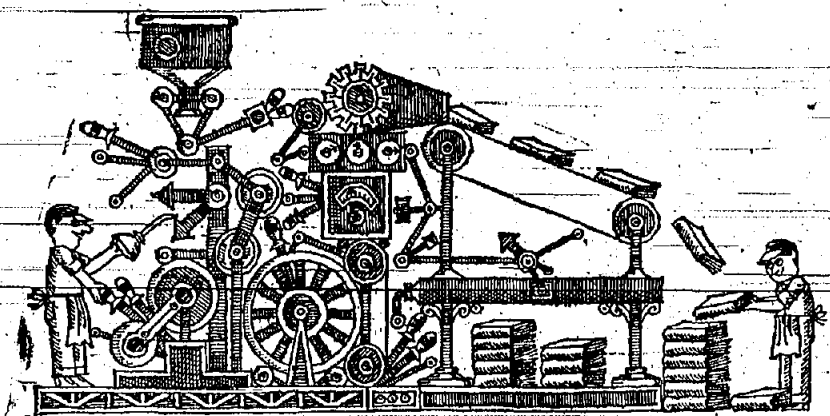

OKlahoma was paced by Gary Nefeld. Gary hit a game high of six points to pace both squads

A new phone book is now being prepared for the Morris Area

Here's how you can make your phone book listing more helpful.

If you fit one or more of the descriptions in the checklists below, an additional phone book listing will make it easier for people to reach you. It will help you avoid missing calls—and possibly losing business.

HOME PHONE LISTING FOR:

- A wife who is active in clubs or groups.
- A relative living with the family.
- Teen-agers in the family.
- Several adults residing together as a single household.

BUSINESS PHONE LISTING FOR:

- A businessman with customers in areas covered by other phone directories.
- A key employee who is frequently contacted by customers.
- A businessman whose firm is known by more than one name.
- A businessman who wishes customers to call another number after hours.

Call the Telephone Business Office to arrange for additional listings in the new phone book now. It's the only complete guide to phoning in your area, and additional listings cost surprisingly little.

If you make many calls to other New Jersey areas, we would be happy to send you the new directories for these areas without charge. Just call the Telephone Business Office.

Special Note To Businessmen: The Yellow Pages directory also closes soon. Be sure your ad appears in this handy buyers' guide.

***Federal deductibility reflects the deduction of a state tax from total income on the federal tax return and the resulting decrease in the federal income tax. This saving in the federal tax reduces the state tax burden. Most families in the lower income brackets use the short form and thus cannot take the additional saving resulting from the addition of a state tax.

Minutemen Gain Even Split In Two Basketball Contests

The Springfield Minutemen split a pair of basketball games last week, and their season record now stands on the winning side of seven victories against five losses.

The Minutemen dropped a 51 to 50 double overtime decision to the Jefferson School team of Union at the Union court last Wednesday evening.

The Springfield squad returned home Saturday evening to defeat the Irvington PAL by a score of 54 to 38. The squad is composed of seventh and eighth graders.

Fred Gold in the backcourt for the Minutemen, excellent Fred tallied five points but passed for many other buckets. Fred scored on one of the prettiest plays of the season, as he drove the length of the court and scored a three-point play on a twisting lay up.

Gary Fox and Jay Silverman each played well in spots for the Minutemen. Fox was at his best during both overtime periods, as he rebounded and scored. Silverman turned in some of the best defensive work of the season with steals and defensive rebounds. Silverman, who is a seventh grader, will return next season. A bright future is predicted for Jay.

Irvington Defeated. The Minutemen met the Irvington P.A.L. in a return engagement at the Florence Gaudineer School last Saturday evening. The Minutemen took their second victory of the year over the Irvington team as they fashioned a 54 to 38 victory over the visitors.

Springfield took an early lead in this game only to see the lead vanish during a third-period rally by the Irvington team. The Minutemen, however, dug in for the final period as they tallied 20 points, while holding the visitors to four points.

Gary Fox, who received his first starting assignment in this game made his chance good as he tallied 14 points for the team. Gary sparked Springfield to its early lead by tallying 10 points in the opening period. Springfield's fine center, Bob Janukowicz, picked up the scoring during the second half, as he tallied 14 of his game high of 20 points.

It was the play of Richie Deusch during the final period that turned the tide for Springfield. Richie was scored through his hard driving and then pass for easy buckets. Richie also scored well as he tallied 10 points.

Richie has been a big asset to the Minuteman team this season. His fine play last Saturday evening was the highlight of the season.

Minutemen Lose In Final Seconds; Three Players III

The Springfield Minutemen, who will play their next game this Saturday night at the Florence Gaudineer School gymnasium, dropped their sixth game in 13 decisions Monday night at the Gaudineer Gym.

The Springfield team, playing without the services of two starters and a top reserve, lost a close battle to the Albena team of Colonia. The final score was Colonia, 45, Springfield, 42.

The Minutemen were hard pressed in this contest as their playing strength was greatly depleted by illness. Keith Brownlee, Frank Buccl and Jay Silverman were all absent from the competition.

The Springfield team, however, took an early lead and increased its advantage through the third period, before falling to a late Colonia rally. The Springfield boys simply ran out of gas in the final period.

The Minutemen had the further disadvantage of playing a major portion of the game without their star center and leading scorer, Bob Janukowicz. Bob got into foul trouble early and watched a good portion of the game from the bench.

This game had many high moments for both teams and the finish was as exciting as a game can get. Colonia wore down Springfield's lead and took a one-point advantage with 30 seconds remaining to play. The Minutemen called a time out.

When play resumed they worked the ball to Janukowicz, who hit a jump shot to give Springfield the lead.

John Cilento of Colonia hit a returning jump shot with time running to put Colonia up once more. A last second effort by Springfield failed and Frank LaFranco of Colonia hit two foul shots after the final buzzer.

David Epstein also played well for Springfield. David came off the bench when Janukowicz was in foul trouble. Epstein helped keep the team together during this period, as he worked the ball and rebounded well.

Rich Deusch was high scorer for Springfield with 13 points. Frank LaFranco of Colonia hit for 18 points.

MEETING TO PLAN MEN'S SOFTBALL FOR THIS SEASON

The season's first meeting of the Springfield Recreation Adult Softball League will be held on Monday evening, March 21, at the offices of the Recreation Department. The time will be 8 p.m.

Eight teams were active last year in the circuit, playing all of their games on the new Municipal Swim Pool field, which was illuminated for night softball starting in June.

Frank Millman Distributors, Somerset Bus Company, Community Sales Shoppe, A. R. Mosker, Gonio's Deli, Spring Liquors, Springfield PBA and A. Best Pharmacy were members of the league.

A Best Pharmacy won the regular season championship and also captured the league playoff crown.

The March 21 meeting will be devoted to league bylaws, team uniforms, umpires and length of schedule.

Any teams which were not active last year were requested by the Recreation Department to have representatives present.

In another game last week, the Chargers fashioned the first real upset of the play-off tournament when they defeated the highly rated Raiders. The final score was Chargers, 10; Raiders, 7.

The Chargers, playing determined basketball, took an early lead and posted a late rally to produce the upset victory.

Gary Shtuman of the Chargers stole the show for the afternoon. Shtuman with eight points topped all scorers in his first round. Gary was also effective as a ball handler and playmaker.

The Chargers also received a great assist from the rebounding strength of Scott Herman. Scott rebounded at both ends of the court to keep the ball for the Chargers.

Jeff Sporkin paced the attack for the Raiders and scored four points. Jeff played a very good game, showing much aggressive drive. Better luck on some of Jeff's shots might have resulted in a different decision.

Carroll Bowlers Attain Tie For 1st

Carol Stamping defeated Enhardt Television in Springfield. Sports bowling action last week at Springfield Bowl to the point. The TV bowlers for first place were, when bowled twice from MUMON LIGHTS, moved into a tie with Milton's first place bowlers.

Dave Torrey had the scores, 213-214-618. Other top men included Howard Selander, 211; Joseph Pepp, 213; Neil Keller, 213, and Dom Galante, 205.

Sandmeier Fives Gain Semi-Finals Of Title Tourney

Four teams advanced to the semi-final round of the Sandmeier Small-Fry League Play-offs on Saturday afternoon. The action was fast and furious at the Thelma Sandmeier School gymnasium last Saturday during the opening round of the play-off competition.

The Rockets, Tigers, Chargers and Comets met and defeated their opposition to keep their individual hopes alive for the play-off championship.

The Rockets advanced in the first of four games played last Saturday, as they downed the Pirates by the score of 14 to 2.

The Rockets were the favored team going into this game and quickly proceeded to put the game out of reach.

The Rockets took a large early lead and coasted to their first-round triumph. Robert Wallick paced the Rocket attack, as he tallied eight points. Bob scored early in the game to provide his team with the early cushion. Mike Klarfeld hit five points to help the Rockets gain a victory.

The second game of the day was by far the most exciting contest. This game saw the Tigers take a narrow 10 to 9 victory from the Comets. This was a hard fought battle from the outset, as two evenly matched teams were pitted against each other.

The Tigers led at half time only to see their early margin melt away during the second half.

Gavin Widom with seven points paced the Comet attack. Five of Gavin's points came during the second-half rally by the Comets.

Mark Fisher paced the attack for the Tigers. Mark hit for six points. This important game was decided by a fourth-period free throw.

In a battle for the ball at mid-court Roger Frank of the Comets fouled Leon Rawitz of the Tigers. Rawitz stepped to the line and hit the free throw. This gave the winners a three-point lead, enough to offset a late Comet basket.

In another game last week, the Raiders and scored four points. Jeff played a very good game, showing much aggressive drive. Better luck on some of Jeff's shots might have resulted in a different decision.

The final game of the day showed why the Comets won the regular season championship and earned the top-seeded position in the play-offs. In this game the Comets crushed the Jets by the score of 20 to 5.

The Comets were in complete control of this game from the outset. Steals and driving baskets by Tom Lowy and Larry Silverstein of the Comets were the key to the victory. Both boys played outstanding games and equally contributed to their team's victory.

Other boys who scored heavily for the Comets in this game were Matt Teltser, Mike Harder and Peter Gelwarg. Arthur Freeman of the Jets played a top-notch game for his squad. Art paced the Jet scorers with three points.

The semi-final round of the Sandmeier Small-Fry League play-offs will get underway this Saturday at the Sandmeier gym. The first game is scheduled to tip off at 1:20 p.m. with the Rockets meeting the Tigers.

The second game is set for 2:30 and will feature the Chargers vs. the Comets. The winners will meet on Saturday, March 19, for the play-off championship.

Sweep Lessens Lead In Bowling

The race in Springfield Municipal bowling competition at Springfield Bowl grew tighter last week as the top team, Policarpo Brothers, was swept by Snap-On Tools. Policarpo now stands at 49-28 with Springfield Market second at 44-31.

D'Andrea Driveways, in third spot, swept from Bunnell Brothers.

Leaders in high-scoring action were Hal Eicholz, 232-223-625; Matt Burkhardt, 243-202-618; Matt D'Andrea, 202-223-602; Jerry Colantone, 211-210-588; Marty Kreise, 215-203-583; Mark Conte, 213-214-565; Robert Anderson, 212; William Smith, 213; Frank Katz, 209; Ted Hulus, 204; Walter Schramm, 212; and Tom Kennedy, 204.

Simon's 236-583 Tops Week's Play

John Simon rolled a 583 series with a 236 game to pace all competitors in the Church Bowling League at Springfield Bowl last week.

Other high bowlers for the evening included: Adam La Sota, 224; Walter Schramm, 211; Albert Scott, 211; Thomas Geddes, 208; Sven Hedstrim, 208; Charles Boardsley, 202; Bart Henry, 202, and Elbert Moreland, 200.

The Wunderlich team maintained a one-and-a-half game lead over Oskman. Zarrell is in third place and Lord and Moreland are tied for fourth.

College Weekend

Carl H. Adickman of Springfield visited his son, Michael, at the recent Freshman-Father's Weekend at Dartmouth College, Hanover, N. H. Michael is an alumnus of Jonathan Dayton Regional High School, where he played varsity football. Samu 380, uniform from all parts of the country joined in weekend activities.

Dayton Keglers Compete In State Bowling Tourney

The Jonathan Dayton Regional High School bowling team rolled up a season record of 6-0 under the direction of coach Pete Sococa. The season culminated in a second place in the Bullfrog Keglers in the Union County tournament last Friday.

The team started slowly, but gained momentum, finishing with the steep showing in the county tournament. Coaching emphasis throughout the season was on the basic fundamentals: speed, angle, lift and footwork. All the players improved and gained greater consistency as the season continued.

Prospects Good For Wrestlers; Experience Cited

The Jonathan Dayton Regional High School wrestling team is looking forward to improved prospects for next winter's season under the guidance of head coach Tom McGee. The number of experienced men returning could provide one of Dayton's better years.

In the 108-pound division the team is strong with Pete Mollen and Jon Brenn, as well as with Pete Sayki at 98. All three grapplers compiled strong records during the regular season.

At 115 two fine wrestlers are available: Howard Goldammer and Stu Cohen. Gaps fill the middle weight divisions of the squad.

At Silverman, who won third place in the district tournament at 167, is backed by Brian Zabelski, a novice district finalist at the 167 pound-level. It is hoped one of them might fill the space left by the graduation of Eric Miller and Glenn moving to Kentworth of Walt Bamfield. Greg Baskin and Marty Liebowitz are counted on in the unlimited division.

Other fine wrestlers include Gary Vosburgh, Gary Haydu, Larry Johnson, Tom Small, Howard Rubenstein, Glenn Douglas, and Dave Pierson. The team should eclipse this year's record of 2-0. The JV's turned in a winning season with 6-5, beating many of this year's top squads. This augurs well for next year.

High Game Wins Photo For Kegler

Loretta Zeidner bowled a 483 set with a 198 game to win top bowler of the day honors in the Sisterhood of Temple Beth Ahm League last week at Hi-Way Bowl, Union. Loretta was awarded an 8x10 photograph of herself by the lanes for high game.

Other high-scorers of the day included: Shirley Kurtz, 453-165; Bernice Kurzier, 427-176; Audrey Cole, 444; Sue Kaufman, 401; Marilyn Lipton, 463-166; Myrna Wasserman, 428-171; Carol Popper, 497-188; Millie Hodes, 417; Joanne Silverstein, 155-84; Shelley Raab, 401; Shirley Wolfe, 409; Shirley Adams, 428-192; Flo Baroff, 429; and Sue Sanders, 461-167.

The race for first place remains very close as only three games separate the first-place Lichter team and the fourth-place Popper squad.

Lead Is Increased By Rockin Bowlers

Lorraine Ciccon's league-leading average continues to top Lorraine's good series last week raised her top average to the high figure of 137. Lorraine seems a certainty for the high average crown.

With but five weeks and ten games of bowling remaining in the 1966 girl's bowling season, the Rockin' Bowlers are near clinching first place. The Rockin' bowlers set their league lead by winning two games with a pair of victories last week.

The Girls' Bowling League is sponsored by the Recreation Department. The girls roll at the Springfield Bowl each Tuesday afternoon.

Lorraine Ciccon paced the Rockin' Bowlers to a pair of victories over the Alleles last week. Lorraine once again topped 300 for a series—she topped 309 series last week. Alyse Cooper, who rolled a 254 series in this match, swept all bowlers for the Alleles in this series.

The Strikers dropped further back last week, as they split a pair of games with the Charms. Diane Opopowsky and Virginia Vogt paced the attack for the Strikers. Ginny rolled a 212 series, while Diane was high with a 215 total for the two games. Barbara Owens with a fine 204 series was also effective for the Strikers. Sally Halmes was high for the roller for the Charms in this series. Sally had a 217 total for the two games to lead all bowlers.

The final match of the day saw the Alley Cats continue their latest surge and move into a tie for third place in the standings. The Alley Cats defeated the Alley Cats twice.

Eileen Francis, Bonnie Raskin, and Kathi Summerer all rolled well for the winners. Eileen topped the tie with a 208 series. Bonnie rolled 207 for the two games, while Kathi hit a 205 score for the winning series effort. Gretchen East scored the best for the Alley Cats. Gretchen

OUTSTANDING ACHIEVEMENT AWARD — Richard C. Murphy, right, managing director of the Bellevue Theater, Upper Montclair, is shown accepting a citation from Alex Arnsvalder, New York branch manager for 20th Century-Fox Films, for breaking all attendance records for road show engagements of "The Sound Of Music" currently in its 38th week. It continues to play to capacity audiences. All seats are reserved and advance reservations are being made through June.

'The Boy Friend': The Cat's Meow

By WILLIAM H. BRUCKER — Having previewed (Hil Stanley Kaufman), reviewed and post-viewed—"The Boy Friend"—through six or seven performances these past dozen years I must say that it remains for me a great big grin. This present production at the Paper Mill Playhouse has the intimacy of a river boat show, the middle of the stomach appeal of those old

HURT IN BRAWL — Jean-Paul Belmondo accepts attention of Jeanne Moreau in scene from "Banana Peel," French suspense-comedy, currently showing at Castle Theater, Irvington, on the same bill with "Moment Of Truth," authentic bull fighting film photographed in Spain.

hats in the attic, the good cheer of a 25th reunion and must rank with the best. Satisfying Wilson, as formidable a theatrical triple threat as his Meredith namesake, wrote the book, music and lyrics and bridged the gap between accurate research and non-witnessed interpretation with a flair for spoof that is the ultimate. He has not written a burlesque of the twenties, but he has given it a pop art touch by riddling his music and lyrics with clichés that take on a new dimension, intensifying the gestures, making the obvious flamboyant, and by involving his characters in a piddling plot that just has to be believed in because it's there.

Mostly there is relief and release from these kinetic-kinetics, and it brings one back to a basic line of virtuous plots: music you can whistle, slabs of nostalgia, traditional man to woman dancing and a pace that rarely falters after six viewings. Refreshment is uncomplicated and complete.

As in the tradition of musicals of the period "The Boy Friend" has three acts, rather than the present two, and takes one from the drawing room of Madame Dubonne's finishing school for daughters of million-

'DARLING' IS HELD
The Art Theater, Irvington Center, is holding over its joint top feature bill, "Darling" and "The Ipcress File" for another week.
"Darling," adult film drama concerning an ambitious model who claws her way to fame, stars Laurence Harvey, Julie Christie and Dirk Bogarde.

RITA TUSHINGHAM STARS ON SCREEN IN ORMONT FILM
Rita Tushingham, award-winning young British actress, is top cast in "The Leather Boys," new adult film attraction at the Ormon Theater, East Orange.

Based on the novel of the same title, the picture concerns a sloven, unkempt young wife, who drives her husband from his home to join the leather boys — on motorcycles. The husband's friendship with one of the leather boys and his preference for his company appears to be the cause of a nearly wrecked marriage.

'Transfer Problems
"Problems of Transfer" will be discussed by Robert Blunno, director of admissions of Newark Rutgers, at a meeting of all Union Junior College sophomores at 1 p.m. today in the theater of the Campus Center, Cranford. Blunno will discuss how and when to go about applying to a four-year college or university.

Senator Williams Reports

AN OUNCE OF PREVENTION
WASHINGTON—The Senate today passed a bill to create a new federal agency to coordinate the activities of state health departments, nursing homes, and other health care facilities.

Our physicians are overworked and overburdened with an ever-increasing number of patients. If you visit your doctor, you can count the number of patients waiting to be seen.

Many hospitals have waiting lists for more than 100 patients. It is estimated that only half the hospital beds which are needed. It is difficult to find it impossible to have adequate nursing staffs.

Because of the shortage of places available for medical treatment, the patient's physical and mental health is often neglected. In some cases, the patient's health is so poor that they come worse than when they came in the year immediately ahead.

The impact of the bill is expected to be significant. That is one of the reasons I introduced in the Senate legislation aimed at establishing a program to call "Preventive Care."

Preventive care is a program of voluntary health screening for "at-risk" persons. It is aimed at detecting chronic disease at an early, curable or controllable stage. The screening would be done

within two-and-a-half-hour sessions which more than 40 tests could be administered, and the results analyzed and compiled into a readable form.

The conferees would be limited to testing. The results analyzed and compiled into a readable form would be given to the participants. The program would be made in the form of a pilot study. A total number of 100,000 people would be screened in a few regional screening centers.

Some 40,000 persons a year are screened there, at an average cost of \$25 per participant. It is estimated that the cost for a comparable physical examination performed in the hospital would be \$200 and would take 20 to 30 minutes.

The savings in money and medical services, including especially doctors and hospital, which could be effected by this program, are immense.

Among individuals 65 years of age, more than half have some ailment which is functionally limiting. Many of the most common diseases often show no symptoms until they are well advanced.

If we could find these ailments early, we could save not only money and medical services, but we could save untold suffering and preserve many elderly people for productive and enjoyable retirement years.

Hearing Postponed
 Hearing on drunken driving charge against Henry S. Wright of Springfield were postponed for an indefinite period last week in South Orange Municipal Court.

The charge arises from an incident on Jan. 30, and the case was to have been heard last week. The complaining officer underwent surgery the day before the scheduled hearing, however, and reportedly will be unable to testify for some time.
