FOR EMERGENCIES—Top officers of the Springfield First Aid Squad display new resuscitators which are part of the squad's new oxygen patrol system. They are, from left, 1st Lt. Gerald Harvey, Capt. Robert Voorhees and 2nd Lt. Daniel Kalem.

Aid Squad oxygen units on alert throughout town

The Springfield First Aid Squad has launched a new program this week. There are now 10 emergency oxygen units, all resuscitators, placed around town at different squad members' homes. The units have been placed "out" (rather than only in the ambulances, where they have always been) in order to make oxygen and trained help more speedily available in the event of an emergency.

The new system is called an oxygen patrol. Squad members with the units in their homes are now required to answer oxygen calls in their own areas at any hour of the day or night that they are home to hear the call. All members of the oxygen patrol are experienced squad members with extensive training in the use of their equipment. They are responsible to the squad for the care and maintenance of the machine and to town residents to use the machines to their best advantage, however inconvenient the timing may be for the patrol member.

Oxygen patrol members with machines live on Briar Hill Circle, Irwin Street, Wentz Avenue, Mountain Avenue, Hillside Avenue, Stiles Street, Christy Lane, Henshaw Avenue, Alvin Terrace and Profit Avenue. Each new machine cost \$285 so that the squad has almost \$3,000 invested in the possibility that oxygen two minutes closer to a victim may save his life. All oxygen patrol members have been squad members for at least two years; most have more than six years of experience with squad work.

Members of the new oxygen patrol will remain at the scene of an emergency until the regular crew arrives with the ambulance and sets up its own equipment. Then the patrol member will leave; his is only an interim responsibility.

All of the new oxygen units are resuscitators (a resuscitator will actually breathe for a non-breather) as well as inhalators (just to give oxygen). Each unit is also equipped with an aspirator and airways, both essential parts of emergency procedure.

Squad Capt. Bob Voorhees stated that all calls for oxygen must go to the police at DR 6-0400, even if there is a unit next door. This is essential for speedy service and efficient response, he added.

Town firemen list difficulty reaching blaze in coal yard

Fire Chief Ormond W. Mesker expressed serious concern this week over a problem emphasized by a fire last Thursday evening in an abandoned coal pit at the rear of the Drake Fuel Sales Co. at 679 Morris Ave. The property, near the Summit line, is cut off from the rest of Springfield by present construction work for Rt. 24.

Access from Summit is also blocked by road detour and highway construction. Fire equipment can reach the property by using the unfinished path of the highway, Chief Mesker commented, but only when the ground is dry. When the alarm was received last Thursday at 6:55 p.m., however, the ground was too damp to permit use of the Rt. 24 right of way.

Fire engines were finally able to reach the site of the blaze by going along Troy Drive and then through the parking area and driveway of the Troy Village apartments. The chief also reported that the blaze had apparently been started by children playing in the area. He added that this was the second such blaze started by youngsters in the coal pit in recent weeks.

Fire Department equipment was also required last Friday at 12:10 p.m. to extinguish flames at the home of Lawrence P. Pine, 6 Redwood rd. Records showed that fat had apparently caught fire in the electric oven in the kitchen.

Another fire was reported Saturday at 6:35 a.m. at the home of Frank Battaglia, 207 S. Springfield Ave. Firemen removed a mattress which was emitting heavy smoke, carried it out to the lawn and put out the fire. They reported smoke damage to the interior of the house.

An alarm was received Sunday at 5:15 p.m. from 31 Norwood rd. Several pine trees were aflame on the property of Alton Margules, 18 Avon rd. Firemen reported that the blaze had apparently been started by juveniles.

Springfield Lions to sponsor benefit

The Springfield Lions Club will present its 21st annual variety show in Jonathan Dayton Regional High School at 8:15 p.m. tomorrow. Abel Del Vecchio, chairman, reported that proceeds from the show will be used for charity projects including a program for the blind, education, health and welfare and the student loan program.

Tickets, priced at \$2 each, will be available at the door, Del Vecchio said.

Direct link to Baltusrol Top coming

New street could speed development

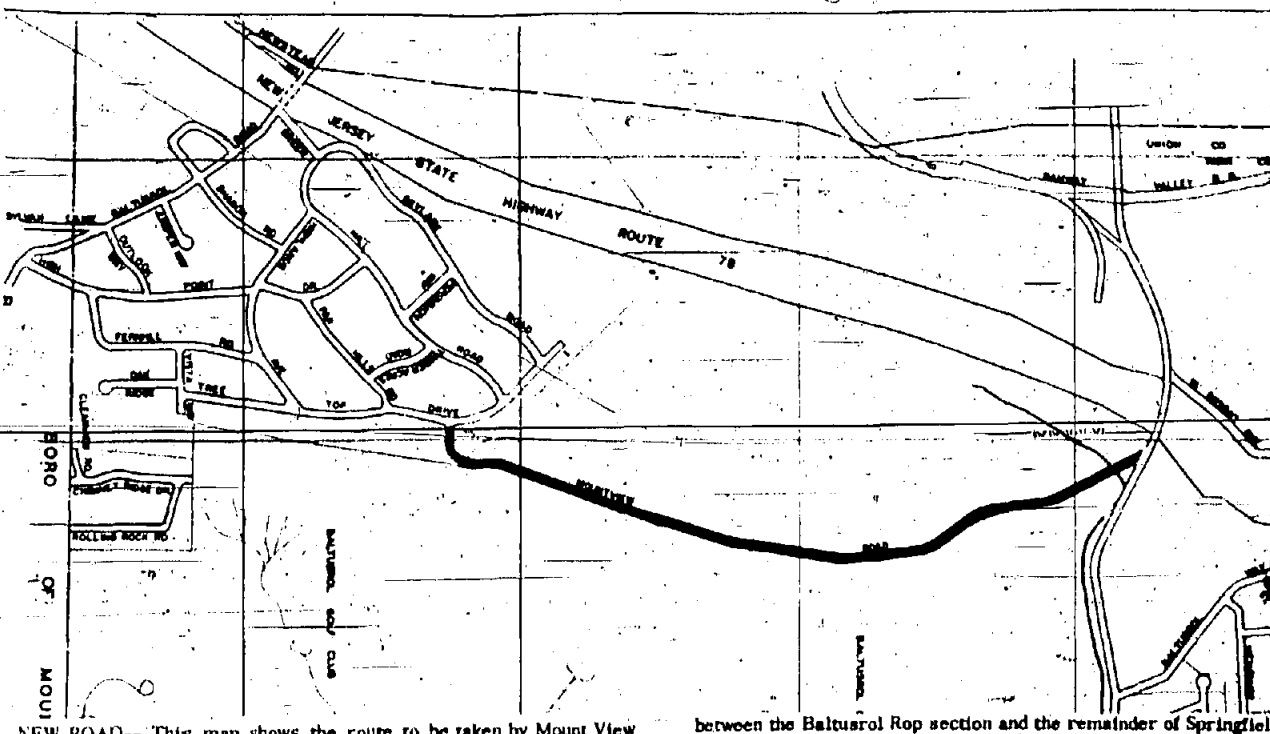

Road planned to border golf course, quarry land.

By ABNER GOLD

Township authorities expect a steady growth in development of the Baltusrol Top area, but not a sudden spurt in construction, following completion of Mount View road late this spring. The new road will provide the first direct link between the "Top" and the remainder of Springfield. Until now, this neighborhood could be reached only by driving through Summit or Mountside, Building Inspector Otto Fessler predicted a moderate but steady increase in construction.

The new street will run from Tree Top drive to Shunpike rd., just south of W. Bryant Ave. and Rt. 24. It lies roughly between the property of the Baltusrol Golf Club and Houdaille Quarry. Construction costs are being shared by the golf club and the quarry concern.

The quarry company "will definitely not run trucks through Mount View road and the Baltusrol Top area" in order to take the most direct way to Rt. 22, according to Township Committeeman Robert G. Plumer, who is police commissioner. He added, "I anticipate that there will be a formal restriction on use of Mount View road by heavy trucks."

NEW ROAD—This map shows the route to be taken by Mount View rd., new street now under construction, as the first direct link between the Baltusrol Top section and the remainder of Springfield. This is a portion of the new township map.

ONE PROBABLE CHANCE

which may or may not be related to construction of the new road, is the rezoning of Baltusrol Top high school students from Gov. Livingston Regional High School in Berkeley Heights to Jonathan Dayton Regional High School in Springfield. All freshmen from the "Top" are expected to attend Dayton next year, regardless of the fate of other plans proposed by the Regional District Board of Education to relieve overcrowding at Gov. Livingston. In addition, an authoritative source stated that older students from Baltusrol Top would probably be permitted to transfer to Dayton, if they want to change.

Another possibility which had been discussed for some time in connection with Mount View road was that it might bring children on the "Top" close enough to schools so that bus service could be eliminated.

A quick check with the map, however, reveals that bus service will still be required. From the corner of Tree Top drive and Mount View road, according to a rough measurement, the distance to Dayton Regional will be just over the two - and - a - half miles needed to qualify for high school bus service. Younger children will still be perhaps 100 yards over the necessary two miles from either the Raymond Chisholm School or Florence Gaudinoor School, the two closest township schools.

THERE ARE NOW approximately six houses being built on Baltusrol Top, according to Fessler, the building inspector. He noted that there are no developments under way; the property owner has preferred to sell lots to individual families, who can then hire their own building contractors.

With about 45 homes sites now available on land already developed, Fessler predicted that there would be a substantial increase in construction with the opening of the new road. He

Noted author pays visit to Colby Club Gets award for contributions to youth

C. B. Colby, nationally known author of more than 80 children's books, spoke to members of the Colby Club at the James Caldwell School last Friday and was awarded a certificate of merit by the 82nd Airborne Division Association for his contributions to the youth of America, through his books and talks.

Tony Ciripulis acted as host and introduced each club member to both Mr. and Mrs. Colby. They had earned the position of honor by reading 44 Colby books, tops in the club.

Ted Johnson, a third grade student whose father is secretary of the 82nd Airborne Division Association of New Jersey, presented the certificate of merit in behalf of the organization. The certificate was issued by the officers of the 82nd Airborne Division under the authority vested in them by the members of the organization.

Colby drew many laughs with his story of how he gained permission from J. Edgar Hoover to write about the FBI, and of three later developments. Colby said that he liked the first two, but wasn't sure about the third. Hoover sent Colby an autographed photo with a note of thanks. Employees of the FBI bought over 3,000 copies of his book for their own children and to give as gifts.

Colby said that he liked these developments, but that he had different feelings when one of the "10 most wanted" men in the country decided to use "C. B. Colby" as an alias. Colby soon received copies of the "wanted" poster all over the country as his friends delighted in taking the posters from post office bulletin boards and mailing them to him.

A highlight of Colby's talk centered around an antique flintlock pistol. While showing how the gun worked, Colby explained the origins of "skunkin'," "hair-trigger," "half-cocked," "lock, stock and barrel," "flash-in-the-pan," "crosspatch" and "ramrod" -- expressions

which entered our language because of the flintlock guns.

Colby even fired the pistol (without either wad or ball, but with written consent of Chief Wilbur C. Selander of the Springfield police) in his demonstration.

In conclusion, Colby talked about some of the animals he has seen and studied. He played a tape that included animal voices of the loon, baby lynx, trumpeter swan, elk and a chorus of wolves.

Refreshments were served following a question and answer period. Dario Di Lallo presented Mrs. and Mrs. Colby with a cake which his father, Alberto Di Lallo, chef at the Arch Restaurant, had made in Colby's honor.

Proceeding the club meeting, the Colbys were guests of the James Caldwell School faculty at luncheon. Both Mr. and Mrs. Colby paid high tribute to the students for their superior manners, attention and intelligent questions.

Young man fined \$25 on charges he was loiterer

Acting Magistrate George L. Lombardi imposed a \$25 fine for loitering against Franklin J. Amiano, 18, of Berkeley Heights Monday in Springfield Municipal Court. The court was told that Amiano was apprehended in the parking lot of the White Diamond diner on Morris Ave., after he had been told to leave the area twice previously.

Magistrate Lombardi, who is magistrate in Union, presided on Monday in the absence of Springfield Magistrate Max Sherman.

He levied a total of \$80 in fines against Leo B. Chandler, 47, of Darlington, S.C. Chandler had been charged with careless driving, leaving the scene of an accident and driving with no New Jersey registration certificate in his possession.

Jeffrey L. Koek, 23, of West Orange, paid a \$15 fine on charges that he had been driving an un-registered vehicle. Also charged with driving an un-registered vehicle, Richard Freytag, another resident of West Orange, paid a fine of \$10.

Linda Goldfarb, 32, of Union was a third driver charged with operating an un-registered vehicle. She paid a \$10 fine.

Two motorists were charged with driving with no registration certificates in their possession. Each paid a fine of \$10. They were Glenn J. Goldner, 26, of Maplewood and J. Hatch, 51, a resident of Chatham.

Set clocks ahead

This weekend is the time for all readers to set their clocks ahead one hour for the beginning of Daylight Saving Time. Clocks should be advanced at 2 a.m. Sunday, and those who go to sleep earlier are advised to set their clocks ahead before they go to bed. The hour of sleep everyone loses this weekend will be made up next fall.

TV set vanishes from motel room

Springfield police this week reported the theft of a number of items from a room at the Howard Johnson Motel on Rt. 22. The theft was reported to police Sunday by the management of the motel.

The list of items taken included a portable television set, three blankets, two towels and four sheets. The room had been registered to a guest who stated that he was Albert Johnson of Trenton. Police records showed that the man's auto license plate number had been recorded. The investigation of the case was continuing.

Thomas to lecture in series at temple

Norman Thomas, civil liberties spokesman and six-time candidate for the Presidency of the United States on the Socialist ticket, will speak on "Dissent and the Quest for Liberty" at Temple Shalom, South Springfield Ave., Springfield, on Wednesday at 8:30 p.m.

Thomas' lecture is the second in the 1967 series being presented by the adult education committee of the Springfield temple. He will be followed on May 8 by Bayard Rustin, who will speak on "The Negro and the Quest for Justice," and on May 17 by Rabbi Shalom of Wayne, whose lecture is to be "The Jew and the Quest for Brotherhood."

Thomas, who is 83, is an ordained minister. He helped found the American Civil Liberties Union, has campaigned for world disarmament with international control and inspection, and is a member of the National Committee for a Sane Nuclear Policy. He is chairman of the Post War World Council and co-chairman of Turn Toward Peace.

According to Mrs. Herman Chrystal, chairman of the adult education committee, lecture tickets are available in advance at the temple office, at the door on the evening of the lecture, or by calling, 379-5387, 379-6594 or 379-9237.

Baltusrol Golf Club reviews yardage, pars for U.S. Open

The Lower Course at Baltusrol Golf Club, Springfield, will play to 7,015 yards with a par of 70 when the U. S. Open returns there June 15-18.

On a recent inspection of the course by Joseph C. Day, Jr., executive director of the U. S. Golf Association, during which he staked the course for the narrowing of the fairways, the following yardages were finalized, listed with hole, yardage and par: 1, 465, 4; 2, 379, 4; 3, 438, 4; 4, 194, 3; 5, 388, 4; 6, 470, 4; 7, 470, 4; 8, 365, 4; 9, 206, 3; 10, 449, 4; 11, 425, 4; 12, 193, 3; 13, 383, 4; 14, 392, 4; 15, 419, 4; 16, 214, 3; 17, 623, 5; 18, 542, 5.

Fairways will be narrowed to a width varying from 30 to 40 yards. The first five feet of rough on either side will be cut to two inches; from there on out the height will be four and a half to five inches.

Although the outward half is decidedly shorter than the inward, its par-34 will probably be harder to match than the 36 of the back nine. The feature of the first nine is the toughness of the par-4s, the first, sixth and seventh being 465, 470 and 470 yards, respectively.

THE TWO par-5s come at the end of the round with the 623-yard 17th, the longest hole in U. S. Open history. Not even a Jack Nicklaus is likely to reach this green in two. The 18th is a great finishing hole of 542 yards. It dog-legs left around trees and water on the left down a descending fairway. At the 350-yard mark, the fairway starts to climb to an elevated, shalved green cut into a hillside below the clubhouse. A lone trap in front

of the green calls for carry all the way to reach the green in two. All chance of a lucky kick onto the green from the left front will be eliminated by a strip of rough which will be allowed to grow between two traps.

The rough will be allowed to grow in on the dog-leg at the third, seventh, thirteenth and eighteenth thus tending to lengthen the play of the hole.

The four par-3s will vary from 193 to 214 yards. Of these, the spectacular 194-yard fourth proved to be the toughest par-3 when the Open was last held at Baltusrol in 1954. This hole, played entirely over water, has been singled out by Sports Illustrated as one of the 18 best holes in America.

Summit YWCA to operate annual day camp program

Plans for the 13th season of the Summit YWCA day camp for young children have been announced this week. The youngest groups of campers will include kindergarten through first grade, and boys entering kindergarten or in kindergarten through first grade. Two sessions will be held, one from July 10 through the 21, and another from July 24 through Aug. 4. A third group, for girls now in grades four, five, and six will meet from July 24 through Aug. 4.

The younger campers will meet on Mondays through Fridays, from 9 a.m. to noon, on the YWCA grounds or in the building, at area parks and sites of special interest. Activities will include nature study, camp craft, dramatics, music, arts and crafts and sports. Swimming will be available for children in grades two and three, while wading in portable pools will be provided for kindergartners and first graders.

Girls in the fourth, fifth, and sixth grades will meet on Mondays through Fridays, from 9 a.m. to noon, with the exception of those days devoted to trips and overnights; when the time will be extended. Emphasis will be on the

Everything you need to call is here. Pick up the phone, and the push buttons are in the palm of your hand.

Rests easily in palm of hand. Now you just cradle the phone gently. No more gripping.

Push buttons light up when you pick up the phone, so you can always see to dial.

Easier to keep clean. Buttons stay hidden from dust and dirt when phone is not in use.

Comfortable earpiece. Broad surface covers EAR TUBES, makes listening easy.

Smaller base saves space. It's much smaller than ordinary wall phone, only 2 1/2" x 8".

Adjustable bell with new lower tone.

Recall button clears the line between calls. Lets you call again without reaching to hang up first.

Touch-Tone push buttons make dialing twice as fast. Musical tones trigger electronic connections to speed your call.

Fits in handy new locations. Since push buttons are in handset, you don't need to see the base to phone. Saves kitchen space by hanging on side of a cabinet, or beneath one, or under a counter.

Meet the Trimline® phone... with push buttons that come to you.

Forgive us if we sound like a proud parent. But we are proud. Not just of the many practical new features, but of this new phone's remarkable good looks. The Trimline phone is the world's only push-button phone to be selected for the famous Design Collection of the Museum of Modern Art in New York.

Yet a new Trimline phone costs just a few pennies a day. You can order it from your Telephone Business Office in wall or table models, with either Touch-Tone push buttons or a standard dial.

The new Trimline phone is the payoff of years of Bell Laboratories' research plus Western Electric's unique manufacturing skill. You might call our new baby Alexander Graham Bell's latest grandchild.

Springfield lodge to receive award from B'nai B'rith

At a recent meeting of the Northern New Jersey Council of B'nai B'rith, it was announced that Springfield Men's Lodge of B'nai B'rith was chosen, as the outstanding lodge in the council for the year 1967. The awards chairman, Sidney Sobel, stated that the lodge had been chosen in competition with other lodges in the council whose membership is under 450. He said that Springfield Lodge had received

the runner-up award in 1966 when Sidney Piller was president and that in 1967 "the lodge had outstanding accomplishments and had progressed tremendously under the leadership of Arthur Kesselhaut, the current president." The award will be presented to Kesselhaut at the District 3 convention of B'nai B'rith which will be held at the Concord Hotel, Kiamasha Lake, N. Y., from May 14 to 17. Governor Richard Hughes will be the guest speaker at the convention. In addition to Kesselhaut, other delegates who will attend from Springfield are Louis Spigel, incoming president; Wallace Callen, first vice-president; Sam Piller, second vice-president; and Sidney Piller, past president.

Lawrence Rogers, was first manager of Saks, Springfield

Lawrence J. Rogers of 72 Briar Hills Circle, Springfield, died on Saturday in Overlook Hospital, at the age of 39. Mr. Rogers was the first general manager of the Saks Fifth Avenue store in Springfield, serving in that post from 1957 to 1960. Since then, he was merchandise manager for the Young Elite Shops in Saks stores throughout the country. Mr. Rogers was born in New York and moved to Springfield 10 years ago. He graduated from the University of Wisconsin before becoming general manager in 1949 of the Saks stores in Southampton, N. Y., and Palm Beach, Fla. He then headed the store in Pittsburg before coming to Springfield. Mr. Rogers was a member of Temple Beth Ahm, Springfield. He leaves his wife, Mrs. Barbara A. Rogers; a son, Jeffrey, at home; three daughters, the Misses Carol, Allyn and Roberta, all at home; his parents, Mr. and Mrs. Manne Rosenblatt of New York, and a sister, Mrs. Marilyn Strauss of Long Island. Rabbi Reuben R. Levine and Cantor Israel Weisman conducted funeral services Sunday at the Riverside Memorial Chapel, New York.

Two new teachers named for Dayton

Two new teachers for Jonathan Dayton Regional High School, Springfield, were appointed by the Regional District Board of Education at its meeting last week. They are Diane J. Kohn of Cranford, who will teach French, and Jan S. Newman of Fair Lawn, who will instruct in social sciences and is also expected to serve as assistant wrestling coach. Miss Kohn is an alumna of Indiana University and will receive a master's degree this year from Rutgers University. She also studied at the Sorbonne in Paris. She served as a teaching assistant for a year at Douglass College. Her salary was set at \$6,650. Newman will receive his bachelor's degree this spring at Wagner College. He also studied at Fairleigh Dickinson University. His background includes substantial experience in athletics, particularly in wrestling. His starting salary will be \$6,000.

Luncheon planned by women realtors

The annual women's spring luncheon and fashion show of the Board of Realtors of the Oranges and Maplewood, Livingston, Millburn, Short Hills and Springfield will be held on Wednesday at the Chanticleer, Millburn. The fashion show, presented by Dorothy's Fashion Salon of Livingston, will feature models from the offices of board members. Madelyn Macaulay of Livingston is chairman of the luncheon, and Phyllis Grill of Millburn, vice-chairman. Local chairmen on the committee include Verna Anderson of Springfield. Women realtors, realtor's wives and saleswomen of the board have been invited; at the present time, there are 24 women realtors in the 38 offices making up the board. Sixty percent of the board's sales associates are women.

ANTHONY ARMENTO

To represent state in Latin America with touring band

Anthony Armento, band director at Jonathan Dayton Regional High School in Springfield, has been chosen representative in the All American Youth Honor Band for the state of New Jersey, the school announced this week.

The All American Youth Honor Band has been organized to give outstanding young American instrumentalists an opportunity to utilize their performing ability to further international understanding and to develop goodwill through music, a spokesman said. A 10-day summer concert tour to South America from June 11 through June 21 is planned for the band.

Armento, who is a graduate of Arts High School in Newark and Glassboro State college, has three years of teaching experience -- two years at Brick Township, and one year at Dayton. He will join 10 other band directors from throughout the U.S.

Pam Henry, a sophomore at Jonathan Dayton Regional High School, will make the trip to South America this year under the auspices of the All American Youth Honor Band which will be under the direction of Alfred Reed, associate professor of theory, composition and music education at the University of Miami School of Music.

Group issues call for end to bombing, start of peace talks

A group of Union County residents, who supported Dr. Robert Allen for Congress in the last election, this week issued a new call for the United States to stop the bombing in Vietnam and begin peace negotiations.

Among the signers of the appeal were Mr. and Mrs. Milton Zisman of Springfield.

The appeal was drawn up following a recent talk on "Vietnam -- the Quest for Peace" in Springfield by Sen. Wayne Morse (D-Ore.), critic of Johnson Administration policies in Vietnam.

The signers said that Sen. Morse's speech in Springfield "would continue the much-needed dialogue started during the election campaign to bring clarity and discussion of the Vietnam issue." They added that the senator's talk "indicated that not all questions on Vietnam can be answered by further bombing and escalation and that, indeed, such actions have set us on a collision course to a major land war in Asia."

The statement also said: "We...applaud this initiative and hope the people of Union County will join Senator Morse in his campaign to stop the bombing and start negotiations now so that our boys can be brought home as quickly as possible."

WALTER E. GAIPA

Director appointed by brokerage firm

Walter E. Gaipa of Springfield, a 15-year veteran in the field of insurance sales and training, has been appointed director of training for Shearson, Hammill & Co., Inc. of New York, N.Y. Stanley Krusen, president, announced this week.

Before joining the nation-wide brokerage firm, Gaipa had served in Newark as associate director of the corporate training division of the Prudential Insurance Company of America. A chartered life underwriter, he also had taught at the College of Insurance in New York City and had served on the board of education in Stamford, Conn., where he was born.

In his new post, Gaipa will be responsible for Shearson's continuous training program designed to train promising candidates to become investment executives in the firm's 53 offices throughout the United States, in Canada and abroad. Approximately 500 registered representatives have been trained by Shearson since the school was begun seven years ago.

The 41-year-old Navy veteran entered the insurance business in 1952 as a salesman for the Metropolitan Life Insurance Co. in 1954 he was promoted to assistant sales manager.

He served as an aerial photographer with the Naval Air Corps during 1944-1946 and served on anti-submarine duty with the Atlantic Fleet. Married and the father of three school-age sons and a daughter, Gaipa lives with his wife and family at 30 Lewis dr., in Springfield.

County bar group announces annual Law Day program

Judge Donald H. McLean of Elizabeth, will be the principal speaker at the 10th annual Law Day, U.S.A., observance by the Union County Bar Association, to be held at the County Court House in Elizabeth on Monday at 9:30 a.m.

Judge McLean has been a practicing attorney in Union County since 1913. He served six terms in Congress. He is a former Prosecutor of Union County and for a period of eight years sat as a judge of the Superior Court of New Jersey, until his retirement.

Also participating in the Law Day ceremonies will be Father Salvatore Busicchio of Our Lady of Peace Church in New Providence; the Rev. Bruce Evans of the First Presbyterian Church of Springfield; Walter L. Hetfield III, assignment judge of the Superior Court of Union County; William P. Elliott, president of the Union County Bar Association, and Walter G. Halpern, clerk of Union County.

Judge Frank A. Pizzi of Summit, as chairman of the Union County-Bar Association's Law Day committee, will be the master of ceremonies for the program.

He will be assisted by Max Sherman, Springfield magistrate, and James M. Cawley, township attorney, as co-chairman of the local activities.

Law Day, U.S.A., was first observed in 1958 when it was proclaimed by then President Dwight D. Eisenhower and a joint resolution of Congress, and has been conducted by the American Bar Association with the cooperation of the state and local bar associations, "to foster respect for the law, to increase public understanding of the place of law in American life, and to point up the contrast between freedom under law and governmental tyranny under Communism."

This year's Law Day theme is "No man is above the law, and no man is below it," a quotation from President Theodore Roosevelt.

New senior troop formed in township

A new Cadette-Senior Girl Scout troop has been formed in Springfield with meetings being held at the Springfield Recreation House. The troop, led by Mrs. Robert Ziegler, plans to meet every other Wednesday evening from 5 to 6:30.

Plans for the future as well as service and trips are in the process of being formed. All members of the troop will be capped as seniors at the October community meeting in Springfield.

Any girls who are presently in the 10th, 11th, or 12th grades have been invited to join the troop. Information on membership may be received by contacting Mrs. Ziegler at D19-6816.

STANLEY GROSSMAN

Selected as officer by teachers' group

Stanley Grossman, coordinator of industrial arts and vocational education at the Union County Regional High School District No. 1, was elected first vice-president of the New Jersey Vocational and Arts Education Association at its annual convention at Asbury Park on April 17.

Grossman, who is a graduate of Newark State College and has a master's degree from New York University, has been with the Regional District for 11 years. He has also served as president of the Union County Industrial Arts Association, as well as the New Jersey Industrial Arts Education Association. Grossman resides at 28 Pitt rd., Springfield, with his wife, Ruth, and their three children, Alan, David and Michele.

Dean's list student to be honored

Dr. Allan Morehead, dean of Montclair State College, will honor students on the Dean's List for the past semester at a reception Wednesday at 4 p.m. in the College's Chapin Hall. Among them is Arthur Morey, 108 Irwin st., Springfield, a sophomore English major.

DEAD OF CANCER

Some 305,000 persons in the United States will probably die of cancer in 1967. Many of them who will die might have been saved by proper treatment received in time. Support of the American Cancer Society's 1967 Crusade will further the fight to help save the lives of thousands more cancer patients.

Honored at Springfield

Nancy Mumford, daughter of Mr. and Mrs. Leroy Mumford of 954 S. Springfield ave., Springfield, has been named to the dean's list at Springfield College, Springfield, Mass. A freshman, Miss Mumford is majoring in physical education at Springfield. She is a 1966 graduate of Jonathan Dayton Regional High School.

said there are now just over 100 homes built and in use on the "Top," as well as a substantial amount of land still undeveloped.

He noted that most of the homes in the area, as well as the land now available, are zoned for 120-foot frontage on half-acre lots. Some of the older homes in the area, however, are zoned for 75-foot frontage.

Fessler also commented that expansion of Baltusrol Top will be limited by the boundaries of Baltusrol Golf Club and Houdaille Quarry; as well as the right of way for Rt. 78. He expressed the belief that land in Springfield north of Rt. 78 is not suitable for residential use.

Spinster's day

KANSAS CITY (UPI) -- The founder of Mother's Day, to be celebrated Sunday, May 14, this year, was Anna M. Jarvis, a spinster schoolteacher in Grafton, W. Va., according to researchers at Hallmark Cards.

Miss Jarvis, a tall, attractive red-haired woman, arranged the first Mother's Day observance at her mother's church in 1907. Ironically, she never married and consequently never shared in the honors bestowed on mothers on the day her initiative set aside for them.

This includes consumer and trade publication advertising, trade show exhibits, point-of-sale displays and other dealer aids, as well as public relations and publicity.

Area 'Y' to teach flower arranging

Reservations are still being accepted for the Summit YWCA's new spring class in flower arranging. The five-lesson series will meet on Thursdays from 9:30 to 11:30 a.m., beginning on May 11.

Instructor Mrs. Roswell N. Rait is a nationally accredited flower show judge, and an experienced teacher and lecturer. For her first-class, she will demonstrate the use of building and flowering branches to shape an arrangement, which can then be changed by adding flowers. Creative table centerpieces as well as church arrangements will be shown by Mrs. Rait.

Jobs outpace population in county

Union County is among the counties in the New York - New Jersey - Connecticut metropolitan area where the number of jobs has grown "substantially faster" than the population in the last five years.

This was reported by the Regional Plan Association this week in a new survey of the area's economy.

Tables giving employment and population by thousands showed an 18.1 percent increase in employment in Union County, from 194,2 in 1959 to 229,4 in 1965, with a 7.0 percent increase in population, from 504,3 to 539,5, over the same period.

Over-all figures for the area showed a 7.8 percent increase in population.

The survey also showed "a sharp swing from factory production to office work and services over the past decade—so sharp that studies based on statistics to the mid-1950's could not foresee the extent of the change, although they forecasted the trend," the association said.

IT NOTED THAT industrial productivity rose fast enough for fewer production workers to produce more goods, with employees no longer needed to produce commodities being absorbed mainly in office work but also in schools, stores and other services.

In Union County the number of manufacturing production workers decreased by 1.6 percent. Tables giving figures by thousands showed a total of 61,6 for the county in 1954, compared 60,6 in 1963.

The report said that about 55 percent of the area's employees are now white-collar workers and about one-third are blue-collar, while about one-eighth are service workers.

"The significance for regional development of this dramatic change in the nation's economy has not been widely considered," according

to C. McKim Norton, president of the Regional Plan Association.

"In many years, people following metropolitan development have had their eyes on factory locations and assumed a regional development pattern to match. But the pattern for offices is far different.

"MODERN FACTORIES NEED extensive tracts of land. A typical new factory, with parking area and landscaping, has 15-20 employees per acre. A typical office building in a small city central business district has about 500 per acre, and a large new Manhattan office building is likely to have ten times that number per acre.

"Furthermore, office workers often have to meet with other office workers, so links to related activities are important.

"This means that transportation needs are entirely different for offices than for factories. The factory typifies employment in what Regional Plan has called 'spread city,' thenewly-developing areas beyond the older suburbs, in spread city, jobs are scattered and houses are widely spaced. The only way to get to work for almost everyone is his own automobile. By contrast, offices tend to cluster in compact centers and can best be served by a balance of public transportation and automobile."

Norton explained that the drop in factory production workers will not mean an end to factory building over the rest of the century, the report pointed out. First, office workers in factories will increase more than enough to make up for the production worker decline. Total workers in factory buildings, both blue collar and white collar, are projected to rise from 1.9 million in 1965 to 2 million in 2000.

Second, modern factories will replace older ones, and on the whole, much more space per

worker will be provided, so there will be a substantial increase in manufacturing floor area. This generally means that new factories will be built in the outer areas of the region where large, inexpensive tracts of land can be purchased easily.

"THE DECLINE in factory production jobs and their movement out of the most congested places in the Region's Core mean healthy over the long run for the Region as a whole, but the pace of decentralization is tremendous, and there is a transition problem to be overcome," Norton said.

"Between 1954 and 1963, the number of production jobs in manufacturing within the Core of the Region (New York City without Staten Island, plus Newark and Hudson County, New Jersey) dropped by 155,000, from 903,000 to 747,000. Nearly 80 percent of this drop took place in Manhattan.

"In fact, if Manhattan continues to lose factory jobs at the same annual rate as in the past decade and a half, there would be none left by 2000.

"The transition problem is that many new factory workers cannot easily move out of the Core when their jobs do.

"In manufacturing industries as a whole, including executives as well as assembly line workers, two out of five men earn less than \$5,000 a year in the Region—over half a million men in all. Nearly all women working in manufacturing in the Region earn under \$5,000—well over half a million.

"Housing in the suburbs or in newly-developing areas beyond the suburbs generally costs too much for families with such low incomes. Furthermore, a car is necessary to live there, adding to costs.

"Race discrimination in housing is another obstacle to factory workers' moving outside the older cities when their jobs move out."

"Therefore, Regional Plan has encouraged efforts by New York City and the Economic Development Council to find suitable sites for modern manufacturing processes in the City such as Floyd Bennett Field. We have also worked for many years for planned industrial development in the Hackensack Meadows in New Jersey.

SOMERSET TIRE Has AVAILABLE NOW FOR YOUR CAR

The tire that's original equipment on America's finest new 1967 high-performance cars!

Firestone SUPER SPORTS WIDE OVAL

the tire shape of the future... nearly 2 inches wider than the tires on your present car!

This high performance passenger car tire got its start from Firestone racing research. Like Firestone racing tires, the wider from side to side than from road to rim.

The Super Sports Wide Oval tire puts 20% more rubber in contact with the road than our original equipment Deluxe championship tires—helps you steer in 20% shorter distances.

This remarkable new tire has been tested and proved to give you the ultimate in safety at today's turnpike speeds.

It's not what Firestone gets out of racing that counts... it's what you get from our racing experience... tires like the amazing Wide Oval!

Look at these exclusive Firestone speedway-proved features!

- RACING STABILIZER SHOULDER GROOVE
- BOLSTERED RACE DESIGN
- HIGH (RACING) SUPER-WIELD CONSTRUCTION
- TIRES - NOISE SUPPRESSORS
- SHOULDER VENTS
- CORD ANGLE

HOW MUCH DOES IT COST?

The Firestone Wide Oval... the most revolutionary new tire in a decade... costs you only a few dollars more than conventional tires... but you have a whole lot more going for you. Let us put a set on your car today!

LL to open new season

A parade starting at 1 p.m. Saturday will mark the opening of the 1967 season of Little League.

Jack Dunn, league president, announced that the line of march will be from St. Theresa's playground along Monroe ave. to Michigan ave., south on Michigan to the Boulevard, along the Boulevard to 14th st. and right on 14th st. to the Little League field.

At the field, opening day ceremonies will be highlighted by selection of a Little League Queen. Her name will be drawn by James Jarosz, 1966 bat boy, and she will be crowned by Christine Jadelis, former queen. Finalists in the queen contest are Barbara Ann Stiles, Kathleen Harms, Donna Belfert, Jeanne Riles, Maureen Graver and Laura Riley.

Joseph Vitale, a member of the White Laboratories team, will lead the Little Leaguers in the official Little League pledge.

An exhibition game will be played between the American League Allstars and the National League Allstars. Three boys from each team have been chosen to play in the All-star game.

In case of rain, the opening ceremonies will be postponed until Sunday, with the parade starting at 2 p.m.

NSC homecoming to feature award for 'alumnus of year'

The Alumni Association of Newark State College, Union, will make its annual "alumnus of the year" award for service to education at a dinner-dance that will highlight annual homecoming activities Saturday, May 6, on the Morris ave., campus.

Registration for the day's events, which will begin at 1 p.m. and continue until midnight, will be held in Townsend Hall, where campus tours are scheduled to begin. A reception by Dr. Eugene G. Wilkins, president of the college, will precede the

alumni business meeting. Entertainment will include competitive sports events, a performance of music and folk dancing and gymnastics, a concert by the women's chorus of the college and a fashion show featuring alumni models. An exhibition of original work by fine and industrial arts students will be shown in the fine-arts wing. Entertainment at the dinner will be a performance by the winners of the annual "Greek Sing," a musical competition among college fraternities and sororities.

In charge of the day's activities are the following alumni: Mrs. Michael Walke, Scotch Plains, president of the Alumni Association; Mrs. David Mills, 415 East Westfield ave., Roselle Park, vice president; and Mrs. B. Belnick, 106 West Henry st., Linden. Also serving on the committee are the following faculty members: Edward Martin, Plainfield, alumni executive secretary; Dr. John H. O'Meara, East Paterson; Mrs. John J. Adler, Berkeley Heights; Dr. Herbert F. Robb, Atlantic Beach; Dr. Ronald B. Reicher, 218 Strecher ave., Union; and Mrs. Kenneth Rystrom, East Orange.

New scouts eligible for Winnebago

Boys who join a boy scout troop this spring will be eligible to go to camp with their troop this summer, according to Edgar A. Brownlee, chairman of the camping committee of the Union Council, Boy Scouts of America.

More than 64 troops are signed up for Winnebago Scout Reservation located near Marcella, New Jersey. Scout troops are recruiting new members this spring as part of the year-long "Scouting-rounds-a-guy-out" program, Brownlee said.

Even troops from the northern district of Union and Springfield will attend camp. They are: Troop 63, Washington School, Union; Troop 64, Hamilton School, Union; Troop 65, Franklin School, Union; Troop 67, Barzle Hill School, Union; Troop 68, Connecticut Farms Church, Union; Troop 69, St. Michael's Church, Union; Troop 70, First Presbyterian Church, Springfield; Troop 71, Lions Club of Union; Troop 73, St. James Church, Springfield; Troop 85, Holy Spirit Church, Union; and Troop 167, Connecticut Farms School, Union.

The southern district will be represented by six Linden troops, among them Troop 31, St. Elizabeth's Church; Troop 34, Reformed Church; Troop 35, Methodist Church, and Troop 39, School No. 3 of Linden; Troop 41, Moriah Baptist Church; Troop 42, St. Theresa Holy Name Society; Troop 149, Highland Avenue School; Troop 188, School No. 8; Troop 230, Suburban Jewish Center Men's Club; and Troop 330 of St. John the Apostle Church.

College receives re-accreditation

Union Junior College, Cranford, has been re-accredited by the Commission on Higher Education of the Middle States Association of Colleges and Secondary Schools. It was announced this week by Dr. Kenneth C. MacKay, UJC president.

An evaluation team headed by Dr. Charles W. Laffin Jr., president of the State University Agricultural and Mechanical College, Farmingdale, N.Y., visited the Union Junior College campus from Feb. 19 to Feb. 22. Prior to the team's visit, UJC submitted a 179-page self-evaluation report prepared by members of the faculty and staff.

Union Junior College was first accredited by the Middle States Association in 1957, and it is customary to make re-evaluation every 10 years, Dr. MacKay said.

western district, will be represented by Troop 51, First Presbyterian Church; Troop 53, St. Paul's Methodist Church; Troop 56, Rotary Club; Troop 60, St. Joseph the Carpenter, and Troop 160 of St. Joseph's Church all from Roselle. Kenilworth will be represented by two troops: Troop 82, Community Methodist Church, and Troop 83, St. Theresa's Church. Troop 52 of the Community Methodist Church of Roselle Park will also attend summer camp.

Activities—from the flag ceremony in the morning until 'taps' at night—will include swimming, boating, canoeing, different types of hikes, instruction and parties of scoutcraft—skills, scout-advancement, merit badges, campfires and camp-wide games, Brownlee said.

LT. RICHARD MILITANO

Lieutenant graduated

Richard Militano, son of Mr. and Mrs. Joseph Militano of 175 Locust dr., Union, was commissioned as a second lieutenant in the Army Reserve on Monday at the Infantry Officers Candidate School, Fort Benning, Ga.

Lt. Militano received six months of intensive training in weapons, infantry tactics, leadership, physical conditioning and counter-guerrilla operations at Fort Benning. After completing three weeks of airborne training at Fort Benning, Lt. Militano will be assigned to the 82nd Airborne Division at Fort Bragg, N.C., as an airborne infantry rifle platoon leader.

The 22-year lieutenant attended St. Benedict's Prep School, Newark, and Union High School. Before he was drafted he was employed by the Simonds Saw and Steel Co., Union.

Mr. and Mrs. Militano and another son, Joseph Jr., attended the graduation services at Fort Benning. Their daughter, Miss Mary Jane Militano, a Montclair State College student, was unable to attend.

Benefit scheduled to aid Viet children

Author William F. Pepper and two young folk singers, Evelyn Challa and Dede Favreau, will appear in a program to be presented at Summit Senior High School at 8:15 p.m. May 13 for the benefit of the Committee of Responsibility to Save War-Burned and War-Injured Vietnamese Children.

The committee is seeking to raise funds to bring injured children from South Vietnam to the United States for treatment.

Ex-drug addict takes to pulpit

Evangelist Bobby Black will be the speaker at the Trinity Pentecostal Church at 417 Pennington st., Elizabeth, at services to be held beginning Tuesday through May 14. Rev. Jesse Owens, pastor of the church, has invited the public to attend.

Black, a former drug addict and alcoholic, will direct his remarks to youth. He will also discuss his life as a rock and roll singer and *golden gloves* boxer.

Black attended Bethany Bible College in Santa Cruz, Cal. Services will be held each night except Mondays and Saturdays at 7:45 p.m. and on Sundays at 10:45 a.m. and 7:30 p.m. at the church.

Register's Office lists high revenue

Joseph F. Durkin, Union County Register, announced this week that the revenue for his office for the year 1966 reached an all-time high of \$244,499.25. This is the second successive year that the Register's Office has been self-sustaining and the second successive year that the Register's Office is not only self-sustaining but have produced "a handsome profit" for the county, Durkin said.

In 1965, the total revenue of the Register's Office was \$201,407.50 and the profit \$38,121.50. Last year brought in revenues amounting to \$244,499.25 with a profit of \$65,886.04.

**Springfield library receives
new travel, vacation volumes**

Among the new books now available at the Springfield Public Library are the following titles, with comments by library officials:

- "The Myth of the Machine," by Lewis Mumford. This is but the beginning of a whole series of radical re-interpretations, based upon both ancient and recent sources, of the whole development of man.
- "TRAVEL AND VACATIONS" — "Frances Koltun's Complete Book for the Intelligent Woman Traveler," by Frances Koltun. Written with flair and common sense, this book is packed with hundreds of practical tips and inside advice on every conceivable travel problem.
- "An Alaskan Reader 1867 - 1967," ed. by Ernest Gruening. Published in honor of the 100th anniversary of the Alaskan Territory purchase, this book offers the reader a striking panorama of this vast land of contrasts, where primitive peoples may still be found but also ultramodern hotels, seafood canneries and automated mills.
- "Erie Water West," by Ronald E. Shaw. A comprehensive history of the planning and building of the Erie Canal, a product and a symbol of that great age of American expansion between 1815 and 1860.
- "The Battle of Vimy Ridge," by Alexander McKee. The entire, authentic story as told by more than a hundred witnesses, which results in the re-creation of the Battle of Vimy Ridge as it really was.
- "Tall Trees, Tough Men," by Robert E. Pike. The author relates the genesis, apogee and extinction of an unique breed of men—the New England loggers and drivers. Illustrated with rare photographs.
- "The Story of Loehngren," retold by Doris Orgel. A beautiful book based on the opera by Richard Wagner and beautifully illustrated by Herbert Dana.
- "Paint, Brush and Palette," by Harvey Weiss. Another title for the beginning artist's library, this deals with the basic ingredients—painting—color and form. The book contains reproductions of great paintings to illustrate the ways artists have responded to the problems of color and composition.
- "Have a Good Year," by Gertrude Thompson Bryant. A charming book, a meaningful story of the move of a country family to a city home for a year—a disappointing move for little Lubbe but one that eventually brought new interests.

Kadimah to attend Hillel Foundation lunches, dinners

The Kadimah Chapter of Cranford, Kenilworth, Clark and Roselle Park will be among those participating as units of Northern New Jersey Council of B'nai B'rith Women, who will prepare and serve a series of Passover luncheons and dinners for the students at the Rutgers-Douglas Hillel Foundation in New Brunswick today through Tuesday.

There are more than 90 Hillel Foundations on college campuses in the United States and Canada, which are part of B'nai B'rith's Youth Service Program. They carry on their work of teaching, counseling and providing for the religious needs of Jewish students on 200 college campuses throughout the world. B'nai B'rith women serve as hostesses and chaperons at the foundations and open their homes to students during the holidays. Some students are assisted through scholarships provided by B'nai B'rith Women.

The B'nai B'rith Women, Northern New Jersey Council will sponsor a seminar for chairmen tonight at 8 at the Coronet in Livingston. Among the members from the Kadimah Chapter who will attend are Mrs. Harry Baron, Mrs. Fred Lefkovic, Mrs. Nathan Kaye, Mrs. Martin Friedman, Mrs. Albert Schwatzbach, Mrs. Dave Lefkovic, Mrs. Martin Radley, Mrs. Louis Levine, Mrs. William Grunstein and Mrs. Lester Leitman.

Children's theater conference slated Sunday afternoon

The third annual conference on "Theater for Children," sponsored by the New Jersey Theater League, will be held Sunday afternoon at the Molly Pitcher Hotel, Red Bank, Mrs. June S. Price of Springfield, is chairman of the conference and area vice-president of the league. She also is past president of the Greater Dramatic Club of Union, founder and director of the Teen Strayers of Union and a member of the Strollers of Maplewood-South Orange. Mrs. Price has announced that anyone interested in drama is welcome to attend. Guest speakers at the conference will be Dr. Nancy Foell Swartzel, assistant professor of Educational Theater at New York University and Princeton University who will conduct a directing and producing seminar; Robert De Mura, set designer for "The Coach With the Six Sides," and Ben Sablik, professor of speech and drama at Montclair State College and costume supervisor at the University of Nebraska.

A question and answer period will follow. Reservations for the conference may be made between 12 and 1 p.m. at the hotel on Sunday.

BRITISH PRODUCTS
Terylene polyester is the name for the fiber used in some imported blouses. It's a British product and is the same as polyester fibers produced in this country. An imported blouse made from Terylene polyester has the same qualities and needs the same care as a blouse made with a polyester fiber produced in the United States.

Officers are listed by Catholic group at recent meeting

Mrs. James C. Heston presented a partial slate filling the outgoing offices of second and third vice-presidents, recording secretary and treasurer at a recent meeting of the Catholic Woman's Club of Elizabeth.

The new officers for the season of 1967-68 will be Mrs. Joseph A. Cox, second vice-president; Mrs. J. Abell Mills, third vice-president; Mrs. Thomas C. Mahon, recording secretary; and Miss Alice O'Donnell, treasurer. Installation of officers will take place at the May meeting.

The Rev. Joseph J. Walter, S.J., who served as guest speaker, discussed "Personal Commitment--What It Means To Me." Fr. Walter is associated with the Catholic Medical Mission Board in New York.

The receiving line consisted of Mrs. Adolph Eberand, Miss Eileen P. Kellan, Mrs. Joseph Chausser, Miss Margaret E. Chausser and Mrs. Fred J. Dittermer.

Presiding at the tea table were Miss Valeria M. D'Annely and Mrs. John J. Crilly.

Dayton trackmen to face strong Westfield varsity

The Jonathan Dayton Regional High School track squad will visit a strong Westfield High School team this afternoon and will entertain sister school Governor Livingston Regional High School of Berkeley Heights Tuesday.

Dayton gave Cranford a tough time in the field, as both teams tied with 27 points apiece. The Cougars, however, outpaced the Bulldogs around the track for a 43-29 edge, despite strong showings by both Derrol Brooks and Larry Stewart in the hurdles and a first-place mile by Ken Shatten.

Candidate for office

Robert Edmondson of 135 Hawthorn ave., Springfield, is a candidate for the office of vice-president of the Bloomfield College Student Association. He is a member of the class of 1968.

Gartlan pitches, bats for victory

The Bulldog diamond varsity has finally pulled into the winning column. The Jonathan Dayton Regional High School baseball team, led by Bob Gartlan, trounced Hillside High School in a rescheduled game last week.

Dayton began to look like a shabby ball club in the Hillside game. After a host of losses due largely to a multitude of errors, the Bulldogs' defensive play held itself to only one error in the seven innings.

Above all, the winner of the game was Bob Gartlan, who stood on the mound all the way, not only hurled a four-hitter, but also batted four for four, including two singles, a double and the first Bulldog homer of the year.

BULLDOG FIREPOWER went into action right in the first inning. Kurtz led off with a single and advanced to second on a passed ball, and Richie Campbell walked to fill up first and second.

DAYTON LOST NONE OF ITS MOMENTUM in the second inning. Third baseman Jon Schoch walked, and Kurtz stepped up to the plate for his second swing.

IN THE FIFTH, Gartlan also took first on a left field ball, managing to round three bases to score on Steve Jupa's single.

SPRINGFIELD WILL REPLY the Hillside Comets this week, in what amounts to a double-header with a long break.

THE STARTING LINE-UP for the contest: Gary Kurtz, shortstop; Richie Campbell, second base; Ron Azarewicz, left field; Bob Gartlan, pitcher; Steve Jupa, right field; center fielder, Fred Volpe; catcher, Ralph Lussano, first base; Tom Brownie, center field; and Jon Schoch, third base.

DEVORE COMPILATED A RECORD OF 12-15 in the sabre competition, ranking 17th among 28 men entered. He is a junior at Rutgers.

Robert Freda, instructor in the language department of Jonathan Dayton Regional High School, will be chairman and speaker on May 13 at the annual meeting of the New Jersey Modern Language Association at Rider College in Trenton. A panel discussion will deal with the ways in which foreign language classes can be coordinated with other subjects taught in high schools.

Freda and Joseph Trinity, instructor of the Dayton Regional advanced dramatics II

class, are developing this new educational experience by combining classes in Spanish II and dramatics II. The Spanish II classes are presenting dramatic scenes and readings under the direction and guidance of the dramatics II instructor.

such combined classes, meeting several times a year, offer a new dimension in learning for their respective classes. At the May 13 meeting, the possibility of combined classes in languages joining with other subjects such as music, art, physical education or social studies will be explored and evaluated.

Freda, who is a Montclair State College graduate, is completing his fifth year at the Springfield school. He is the senior class advisor.

Old bowling record broken by Nowinski, Wolff, Schwab

Action in the Boys' Thursday Afternoon Bowling League was highlighted by the finest bowling of the season by the league as a whole. The boys were really hitting the pins in this Recreation Department-sponsored league. No less than three boys topped the previous high series mark. Craig Nowinski rolled the highest series, as he established a new league record with a 382 total for two games. Mitch Wolff rolled a 379 series, while Billy Schwab had a

series effort of 364. The boys roll each week at the Springfield Bowl.

The Hurricanes who clinched the league crown two weeks ago, split a two-game match with the second-place Rockets. This series featured the best bowling of the season, as Craig Nowinski paced the Hurricanes with his record-breaking performance, and Mitch Wolff paced the Rockets with his near-record 379 series. Marc Hollander of the Rockets also rolled well in this match, his best posted a 275 total. Nowinski established the new 382 mark with games of 184 and 198. Wolff rolled games of 181 and 198.

THE ATOMS topped the Jets twice last Thursday to clinch third place in the league standings. Jay Silverman and Dave Minnman turned in really top efforts to lead the Atoms. The league's top bowler, Silverman led the Atoms as he also topped the old series mark. Jay rolled a 362 series with duplicate games of 181. Dave rolled two 171 games to roll a good 342 series. Bob Janikowicz was also effective for the Atoms with a 280 series. Bob holds the league's high game with the 293 game he rolled last week. Bill Schwab rolled his top series to pace the Jets in this match. Bill had games of 174 and 190 for a 364 total. Steve Glover's 273 two-game total was also helpful in the Jet attack.

Ranger team takes bowling league title in action on Friday

The Rangers highlighted action in the Friday Afternoon Boys' Bowling League, as they clinched the league crown with a sweep of two games over the second-place Tigers in an important match played last week. The Rangers' team of Scott Prussing, Dave Dubin, Mike Deemer, Brian Ogonowsky and Drew Shulman rolled to the championship during mid-season when they bowled 19 consecutive victories over various opponents. The Friday League is sponsored by the Springfield Recreation Department. All the action is at the Springfield Bowl.

Scott Prussing and Drew Shulman were the big guns in the Ranger attack last week, as they put the clincher in. Scott rolled a 261 series, while Drew turned in his best performance of the year with a two-game total of 252. Steve Silpe was the top bowler for the Tigers. Steve rolled a 237 series.

THE WARRIORS and the Falcons split their two-game series in another midweek match. Both teams clinched their respective positions for the 1967 season. The Falcons finished third, while the Warriors placed fourth. Both teams qualified for the play-offs with the Thursday League. Stuart Liebeskind was the top bowler in the Falcon attack, with a 291 series. Roy Greenberg paced the Warrior attack. Roy had a two-game total of 269.

THE HAWKS tripped the Chiefs twice last week and moved into fifth place. Tommy Lowy rolled the highest series of the afternoon to lead the Hawks. Tommy had a two-game mark of 301, as he rolled games of 137 and 164. Mickey Harmon was also effective in the Hawk attack. Mickey rolled a 260 series. Top bowler last Friday for the Chiefs was Bob Fox. Bob rolled a 255 series.

THE FINAL MATCH of the day saw the Royals bury the Chargers in last place, as they swept a two-game series over the Chargers. Steve Zwillman led the attack for the late-surgng Royals. Steve rolled a 241 series. Mark Berkowitz was the top bowler for the Chargers. Mark had a two-game total of 239.

Stuart Liebeskind has captured the league's high average trophy. With one week remaining on the schedule, Stuart has a 142 average and a nine-pin lead over Scott Prussing, who is in second place with a 133 average. Roy Greenberg has a healthy hold on third place with his season average of 130. Bob Goodman is in the fourth spot with a 126 mark, while Steve Harris holds fifth with a 125 average.

The remaining five boys in the top 10 are: Gary Nefield, 125; Howie Levine, 125; Mickey Harmon, 122; Tommy Lowy, 119, and Mark Berkowitz, 119.

THE BULLETS moved into a challenging position for fourth place with a sweep of two games over the Hornets. Gregg Spector and Scott Prussing paced the Bullet victories. Gregg put together games of 110 and 187 for a 297 total. Scott rolled a 266 series. Steve Grau, returning after being out with a broken arm, rolled a 252 series to lead the Hornets.

THE FINAL MATCH of the day resulted in two victories for the Bombers over the Raiders. Richard Freundlich and Danny Silverman paced the Bombers with series efforts of 248 and 236, respectively. Mike Denner and Bobby Reichman were the Raider pacemakers. Mike hit a 295 series with games of 143 and 152, while Bobby had a 292 two-game total. Bob rolled games of 111 and 182.

Jay Silverman seems a clinch to capture the league's high average crown. With one week remaining in the season, Jay holds a six-pin lead over Craig Nowinski. Jay also seems set to establish a new season average mark. Jay is rolling at a 146 pace this season. The old high average mark was set last year by Mitch Wolff, who ended the 1966 season with a 144.5 season average.

Craig Nowinski is the second highest bowler with a season mark of 140. Bill Schwab, who is rolling at a 138 pace, is in third place. Mike Denner and Mitch Wolff are fourth and fifth. Both boys are holding 136 season scoring averages.

The remaining five boys in the close battle for the league's top 10 average positions are: Steve Glover, 133; Marc Hollander, 132; Steve Grau, 129; Dave Minnman, 128; and Tom Herman, 129.

UNSUCCESSFUL BILL — James Hay of West Virginia was the first Congressman to introduce a bill for a military aviation corps. Introduced in January, 1910, it failed to pass.

Strikers reassert claims to top place in league for girls

The Strikers jumped back into first place in the Tuesday Afternoon Girls' Bowling League. The Strikers, who had lost their league lead to the Charms a week ago, came with two close victories over the Charms Jan. Tuesday in one of the most important matches of the season. With two weeks remaining in the season the two top teams must meet in one more match.

Virginia Vogt turned in her finest performance of the season in leading the Strikers into their first place position. Ginny paced the sweep over the Charms with games of 147 and 120 for a two-game total of 267. Lisa Brown, the team's top bowler, also rolled well for the Strikers, as she topped 235 pins in the match. Gretchen Kraft, one of the league's most improved bowlers, paced the attack for the Charms. Gretchen rolled a 184 series.

THE STARS kept their championship chances alive last week with a two-game sweep over the Wildcats. The Stars are three games from the top with two weeks remaining. The Stars once again received top efforts from their three headliners. Donna Pfeiffer paced their attack and led all bowlers in the match with games of 124 and 157 for a 281 total. Ellen Alexy was equally effective as she rolled a 279 series by posting games of 139 and 140. Eileen Francis, the third member of the Stars' trio, rolled a 255 series to help pace the double victory.

THE FINAL MATCH of the day saw Diane Ogonowsky turn in the best bowling of the day to pace the Alley Cats to a sweep of two games over the Bowling Anchovies. Diane, with games of 136 and 161, rolled a 297 series. No other bowler in the league with the exception of Donna Pfeiffer, has rolled that high this season. Bonnie Rankin also rolled a good series for the winners. Bonnie turned in games of 146 and 133 for a two-game total of 279. Cathie Tonko was the high bowler for the Anchovies. Cathie rolled a 238 series.

Donna Pfeiffer has all but wrapped up the league's high average trophy. Donna, with but two weeks to go, has a 21-pin lead over her nearest rival. Donna is topping the pins at a 142 pace this season. Diane Ogonowsky is in second place with a 132 average. Ellen Alexy is all alone in third place with a very respectable 115 season scoring average. Fourth place belongs to Lisa Brown, who has a 110 season mark, while Eileen Francis holds fifth place with a 109 average.

The remaining five girls among the top 10 average bowlers in this Recreation Department-sponsored league are: Bonnie Rankin, 109; Debbie Graveman, 105; Virginia Vogt, 103; Cathie Tonko, 103, and Linda Murschler, 101.

STEEL AND IRON ORE

Two factors determine steel's 1967 outlook: volume and efficiency. Widespread efficiency gains have been achieved through completion of new basic oxygen furnaces (BOFs), wide-gauge high speed rolling mills, better blast furnace economy and other helpful measures. A good example was last year's fourth quarter — when many steel companies showed improving profit margins in the face of declining volume. The process of plant upgrading is still in full swing and will continue throughout the '60s. The question for 1967 is: Will the newly won profit margin betterment suffice to offset the anticipated decline in industry volume?

At this time, no larger decline than perhaps five percent seems likely. In other words, domestic shipments of finished steel may still reach a fairly high level of 85-86 million tons in 1965 and 1966. On that basis, the earnings of major steelmakers should hold close to last year's levels, and some could even show improvement, thanks to higher product prices and recent completion of major capital projects.

One segment of the steel industry — iron ore pelletizing — is relatively little affected by annual fluctuations in shipments of finished steel. This industry is currently showing strong growth. Over the past several years, emphasis has been gradually shifting from natural iron ores to marble-size pellets with a uniform stepped-up iron content. Steelmakers' growing preference for pellets, as a more economical blast furnace feed, has provided an entirely new source of growth for iron ore producers. Several leading ore companies are now engaged in major expansion of pelletizing capacity, and their prospects for continuing sales and earnings growth appear favorably defined well into the '70s.

Stocks of the eight major steel companies are currently priced at nine times estimated 1967 earnings, compared with an average 13.9 for the past decade. At present, these stocks yield on average 5.3 percent (dividends of several were increased last year.)

The payments aren't very big, either.

Just \$356.00 down, and less than \$50.00 a month for 36 months.*

Plus you get a little financial help from the car.

It uses about 5 pints of oil instead of 5 quarts.

It takes you about twice as far on a set of tires.

It doesn't need anti-freeze because the engine's air-cooled.

And although it does need gas, it doesn't need much of it (usually a gallon every 27 miles or so).

If you'd like to stop by, there's more to tell you than there's room for here.

This ad isn't very big, either.

Don't let the low price scare you off.

\$1639

That's the price of a new Volkswagen. Some people won't buy one because they feel they deserve something costlier. That's the price we pay for the price we charge.

And some people are afraid to buy one because they don't see how we can turn out a cheap car without having it turn out cheap.

This is how:

Since the factory doesn't change the bug's shape every year, we don't have to change the factory every year.

What we don't spend on looks, we spend on improvements to make more people buy the car.

Mass production cuts costs. And VWs have been produced in a greater mass lovelier 11 million to date than any car model in history.

Our air-cooled rear engine cuts costs, too, by eliminating the need for a radiator, water pump, and drive shaft.

There are no fancy gadgets, run by push buttons. (The only push buttons are on the doors. And those gadgets are run by you.)

When you buy a VW, you get what you pay for. What you don't get is frills.

And you don't pay for what you don't get.
