

Playground season concludes with splash landing at pool

The Springfield Recreation Department's summer playground program ended with a splash literally. The annual playground splash party was held last Wednesday and highlighted the week's activities. In addition to the fun of splashing in the pool, the PBA-sponsored achievement awards were presented to a boy and girl from each playground. The awards were based on attendance, participation, cooperation and good behavior.

"Batman Comes to Gunsmoke," the original play presented by the Alvin Players, was a great success and drew a large audience. The boys and girls and their playground leaders are to be congratulated for this creative activity, according to playground officials.

The day of reckoning finally came and the Sandmeier "Unbeatable" were defeated but it took a team of Springfield playground All-Stars to turn the trick. As they say in the big leagues, "Wait until next year!"

SMITHFIELD PLAYGROUND: Joan Harbeck. A splash party was held at the Springfield Municipal Pool, and all playground members were invited to attend. Awards were presented at that time to Debra Kesselhaut and Kenny Fingerhut. The awards were given on the basis of attendance, citizenship and participation.

In arts and crafts last week, colorful "God's Eyes" were made. The unusual and beautiful wall decorations were made from wool and sticks. Those who participated in this project were Lori Weinbach, Michele and Barbara Cannon, Steven and Randi Kessler, Debra Kesselhaut, Johnny and Kenny Fingerhut, Harvey Kalsh, Virginia Herbeck, Patty and Robby Crowley and Keith Widam.

A highlight of the week's activities was the making of paper bag masks. The masks were colored gaily with crayons. Steven and Sidney

The playground leader wished all the members a "very happy, healthy winter," commended them on their good behavior this summer, and said he hoped to see them all back next summer.

SANDMEIER PLAYGROUND: Arthur Buhner and Bruce Smith. The Sandmeier Playground enjoyed a very successful final week. The one disappointment was the loss of two ball games to the All-Stars. The final scores were 10-9 and 17-7.

In the first game, hits by Vincent Davis and Bernie Walker kept Sandmeier in the game. However, the "Unbeatable" could never catch up after allowing six runs on errors in the fourth inning. The starting line-up was first base, David Mitchell; second base, Gideon (Gast) Jones; shortstop, Robert Garner; third base, Bernie Walker; left field, Lee Goforth; center field, Jerry Jones; right field, Vincent Davis; catcher, Derek Goforth; and pitcher, Billy Neville. In the second game, Art James and Barry Alston did the pitching. Woody Young was at third base.

Scrapie ball playing by Jerry Jones saved a few more runs in both games. His dazzling speed caught up with many an "uncatchable" ball.

Other than the ball games, the usual games were played at Sandmeier this week. The game of 5-3-1 was played well by Larry Stewart, Robert Garner, Jerry Jones and Irene Murphy. A game of cards, called "Big," was still among the very high favorites. Best players in this were David Mitchell, Carol Novius, Gideon Jones, Art Goforth and Irene Murphy.

Congratulations went to Teddy Parker and Anna James, who won the citizenship awards. A happy and successful school year to all the children of Sandmeier Playground was wished by the playground leaders.

REGIONAL PLAYGROUND: Margot Penard. A talent show was held last week with Sally Gelger, Albert Diefert and Rachel Kemp as judges. Lucille Hardgrove won first place. Paul-Latak's acrobatics clinched second place for her, and Arthur Strauss sang and played an original song which took third place. Bicycle races were held with two divisions. The first was for Stingray bikes only. Edward Federovitch was first; Mike Palmer, second, and Randy Diefert, third. A race for all other bikes was won by Ricky Sierchio, Mike Palmer came in second, and Darlo DiLello, third. Others competing were Gail Lawrence, Craig Salardino, Arthur Strauss, Joey Silverman, Joe and Jeff Adamczyk, Adam Roller, Peggy Palmer, Robert Erskine, Bruce Rosow and Sally Gelger.

A homemade instrument contest was held, which Sally Gelger, Jeff Wenisch and Robert Erskine judged. Arthur Strauss' guitar came in first. The combined efforts of Gail Lawrence and Rachel Kemp produced a type of harp which gained second place for them. Lucille Hardgrove's comb placed third, and Ricky Sierchio received honorable mention.

A relay team composed of Bruce Rosow, Sally Gelger, Lucille Hardgrove, Arthur Strauss, Jeff Adamczyk, Adam Roller and Steve Novich managed to defeat Ricky Sierchio, Joey Silverman, Gail Lawrence, Joe Adamczyk, Tony and John Apicella and Robert Erskine. Individual races found Bruce Rosow, Robert

Erskine and Ricky Sierchio to be the biggest winners.

A thumb-decorating contest was also held with the requirement that the decorations must be things found around the park. Edward Federovitch won the award for the most original with the traffic light he made out of a paper towel and the rings from pop-top cans. Ricky Sierchio's soldier was chosen as most creative. Sally Gelger made a face out of colorful beads and won the award for the prettiest. The award for the ugliest was given to Randy Diefert for the bandage he made. Runners up were Tony Apicella, Gail Lawrence, Arthur Strauss, Peggy Palmer and Craig Salardino.

In a stuffed animal show, Lucille Hardgrove's cat was chosen to be the biggest. Arthur Strauss won the award for the "most out of this world," and Albert Diefert's dog was "most lovable."

HENSHAW PLAYGROUND: Toby Kaplan and Connie Solazzi. The last week at Henshaw was devoted to several kickball games. Since the beginning of the summer, the children have really improved their kickball skills. Members of the winning teams were: Mary Dewey, Bonnie Miller, Bruce Rosow, Barry Cannon, Sal Solazzi, Gary Treason, Philip Zisman, Paul Duhin, David Kirshinbam, Durr DiCocco, Johnny and Jeff Kronert and Gail Hummel.

A new game which became very popular last week was bingo. The game was lent to the playground for the day and the children spent many enjoyable hours with it. The winners were: Janice Kriegerman, Philip Zisman, Bonnie Miller, Mary Ann Solazzi, Wayne Camp, Barry Gerst, Eileen Kuzik, Jody Baker and Diane Wendland.

The third scavenger hunt of the season was held by popular demand. The list of articles included everything from a 1943 penny to a pink toothpick. The first place winners were Danny and Gary Treason and Danny Solazzi. Second place winners were Barry Gerst, Greg Prusning and Sal Solazzi.

The highlight of the week was the splash party at the pool. The winners of the PBA awards from Henshaw were Mary Dewey and Barry Gerst.

ALVIN PLAYGROUND: Barbara Cannon and Leila Moore. As a climax to this summer's activities, the Alvin Park players presented "Batman Comes to Gunsmoke" to an audience of over 50 spectators. This original play was written

Awards presented by PBA to top playground children

Patrolman Benevolent Association achievement awards were presented by P.B.A. Robert Polewka, Springfield PBA president, to outstanding boys and girls from each of the township's 10 playgrounds at the splash party last Wednesday at the municipal swimming pool which highlighted the closing of the summer playground season.

More than 300 youngsters took part in the festivities. The awards went to the youngsters at each playground who had accumulated the most points for attendance, participation, cooperation, sportsmanship and good behavior.

Winners from the various playgrounds were:

Alvin: Kathy De Fino and Phil Puleo; Denham Playground: Cindy Rieg and Michael Monaco; Henshaw Playground: Mary Dewey and Barry Gerst; Irwin Playground: Laurie Powell and Arthur Strauss; Regional Playground: Patty Lalak and Arthur Strauss; Riverside Playground: Susan Aquilino and George Ganska; Ruby Playground: Paula Ross and Joseph Sangreola; Smithfield Playground: Debra Kesselhaut and Kenny Fingerhut; Sandmeier Playground: Anna James and Teddy Parker; Woodside Playground: Rosa Wylendowski and Leon Rawitz.

Town meeting

(Continued from page 1)

a year ago, when it was empty and it was a good buy. Now it has been renovated and is in full operation."

He stressed, "I oppose expanding a nearly empty parking lot." Bloom deprecated arguments that the parking lot will be inadequate when the new library is completed this fall, across Hannah street.

He also opposed buying the property at Morris avenue and Main street. Bloom termed

the beautification aspects of the purchase "an expensive way of dealing with an eyesore." He said that use of the land as access to parking area behind the garage was doubtful. Bloom commented that efforts to create co-operation of property owners in securing a parking area had failed "five times in the past five years."

The ordinance was also opposed from the floor by John Bortner, of 244 Hillside ave., Thomas Webster of 28 Rose ave, and Robert Reed of 38 Henshaw ave. They all objected to the expenditure as excessive for meeting present needs and stated that the purchase would remove revenue-producing property from the tax rolls.

Del Vecchio noted that school costs for children now living in the three houses on Center street more than offset the tax revenue from the houses. He said that an improved business district would produce more than enough in new taxes to make up for any losses. Del Vecchio added that the township "could always sell the land at a good profit" in the future if it turned out to be unnecessary for parking.

IN OTHER BUSINESS, Mayor Falkin noted that "votes on the various applications for a Holiday Inn Motel on Rt. 22 near S. Derby road would probably take place at the Township Committee's next meeting on Sept. 11."

Members approved the promotion of Patrolman William A. Sedlak from third class to second class. Del Vecchio stated that Sedlak had played a leading role last week in saving his son, Anthony, when the youngster had a severe allergic reaction after being bitten by hornets. He said that prompt treatment with oxygen by police and the First Aid Squad had been of great value before the boy could be taken by ambulance to Overlook Hospital for further treatment.

Local swimmers score in county championships

The 17 Springfield swimmers who competed in the annual Union County swimming and diving meet held at the Rahway pool Aug. 16 and 17 brought home four gold, one silver and three bronze medals for their efforts.

Paula Natello was Springfield's sole gold medal winner in the girls' races held last Wednesday night. Paula scored her victory in the 11-12 freestyle event, covering the distance in a very flashy 30.4 seconds.

Robin Geiger was the only girl from Springfield to win two medals. Robin appeared to have the 15-16 freestyle race all wrapped up until her arm caught a rope. The delay was enough to cost her the victory, but Robin's 29.2 earned a third place medal. Later Robin came back to capture a silver (second place) medal in the 15-16 butterfly event.

Vivian Geiger, swimming at the bottom of the 13-14 age bracket, turned in a fine performance to place fifth in the 13-14 butterfly and sixth in the freestyle events against outstanding competition.

A RECENT BIRTHDAY jumped Kim Harvey up to the 11-12 age group. Kim made the finals in both the 11-12 freestyle and butterfly events against the older girls. In the finals, Kim swam fourth in the butterfly and seventh in the freestyle.

Ellen Alexy turned in her usually fine performance in the 13-14 backstroke and gained a spot in the finals. Alexy placed sixth in the 13-14 backstroke. Alexy also placed sixth in her backstroke event—the 10 and under race. Alexy had the disappointment

of winning her heat in the 10 and under freestyle and yet not making the finals because eight swimmers in the other heats turned in faster times.

Elaine Schaffer, a newcomer to the Springfield swim team, made the finals and scored a seventh place in the 13-14 breaststroke event. Another Springfield swimmer, Susanna Grima (representing Baltusrol Swim Club) picked up an eighth place in the 13-14 freestyle.

WESTFIELD, by the sheer weight of numbers, dominated the boys' meet Thursday, but Springfield walked off with top individual honors as Jim Creede won an unprecedented three gold medals. Jim captured the men's open water diving event (15 and over) at the start of the meet. In the last event, Creede tied the pool record in the 15-16 butterfly as he touched out Westfield's ace, Jay Hoffacker, to win in 26.8 seconds. In between, Jim qualified first in the 15-16 freestyle in 25 flat and went on to take the gold medal in the finals.

JON TRENT, a Springfield youth diving for the Brook Hill Swim Club, won the third place medal, right behind Morgan Harrison, a Westfield diver.

Springfield's nine boys earned spots in 11 of the final races. Brian Hector, swimming for Baltusrol, was awarded a third place medal in the 10 and under freestyle as he swam the 25 yards in 14.1, just 3 seconds off the new pool record. Brian also made the finals in the 10 and under backstroke.

Rick Hector swam in the finals for the 11-12 freestyle and butterfly events but just missed a third place that would have earned him a bronze medal. Another Baltusrol swimmer, Dennis Holler, lost out in the finals of the 13-14 breaststroke.

Walt Geyer, a Springfield swimmer, captured the 11-12 and 15-16 freestyle. Both boys swam well. Walt came in fourth in his event.

Rick Fuchs turned out soon in the 13-14 freestyle and missed the wall. This cost him a spot in the finals. However, Rick came back in the butterfly to make the finals and take fourth place, 3 seconds behind the third place swimmer. Steve Alexy swam a strong race in the finals of the 15-17 butterfly event.

Bill Reichle, coach of the Springfield swim team, watched the meet from the stands and seemed pleased with the performances turned in by his swimmers.

complaint of Janice Garner's concert. The children participated in reviewing their favorite stories, including such old classics as "The Wizard of Oz" and "The Legend of Sleepy Hollow."

A great deal of credit was given by the library staff to pages Virginia Steinbach, Susan Anderson, Janice Garner, Kathy Johnson, Kate Napier and Elaine McConkey, and also to the volunteers—Mrs. Marion Driscoll and Judy Consoles, who were "active and steadfast" in keeping the program at a running pace. It's been a rewarding summer in spite of dripping weather," the announcement added.

Computer helps solve communications woes

A computer system named VISTA has just put two million pieces of paper out of work at New Jersey Bell. VISTA - short for Visual Information System Trunk Administration - is a computer crammed with millions of facts about New Jersey Bell equipment and cable routes. It is the only system of its kind now in operation in the nationwide Bell System.

Ask it a question and it snaps back the answer in about 1-1/2 seconds. Suppose there is a rush call for unusual communications arrangements, such as the Glassboro summit conference. Sit down at one of the 36 consoles New Jersey Bell has at its 540 Broad St. office in Newark, and before you can say "supercalifragilisticexpialidocious," VISTA flashes on a video-type screen descriptions of all transmission fa-

cilities immediately available. It can also offer suggestions on alternate routing. Or suppose a cable is damaged and you want to know which central offices are affected. Ask VISTA, and it will tell you.

VISTA HAS AN elephant's capacity for facts. It has already memorized 2,075,000 records about telephone transmission systems - cables, wires and microwave radio relay - and about switching and central office equipment, special service circuits and facilities that inter-connect central offices. But for all its knowledge, the part VISTA shows its public is a compact console which fits easily on a desk - a row of buttons on the right side is used to ask VISTA questions; a screen on the left side displays the answers.

The consoles are connected to banks of unglamorous-looking units which make up VISTA's logic and memory systems. For New Jersey Bell, VISTA means savings in time and

TRUNK LINE - Mrs. Mary Tarantino checks the screen of the VISTA computer system at New Jersey Bell's headquarters, Newark. VISTA - Visual Information System Trunk Administration - automatically provides answers to countless questions about telephone facilities and equipment. It replaces two million paper records. Improved customer service, access stations can be added. Although New Jersey Bell has been developing the system for the last six years - and pouring information into it for about 1 1/2 years - the system has been operational only a month.

Town swim team beats Maplewood, Bound Brook; league title meet is next

The Springfield swim team closed out its home schedule by taking the measure of a fine team from Maplewood, 117-102, at the Springfield Community Pool Friday night.

The final event of the New Jersey Recreation Swim League will be the championship meet which will be held tomorrow at the Cedar Grove Community Pool, Springfield.

Maplewood was especially strong in the middle and older age groups. They matched the Springfield swimmers with five struts and five seconds each.

Pete Cook, who could not swim 25 meters at the beginning of the season, again lowered the Springfield pool record for 8 and under boys as he took first place in 23.8 seconds.

Jim Edwards set two new pool records for the second meet in a row in the 12 and under backstroke. Gil Gleim lowered the record to 46.3.

In 36 that, later on, Jim dropped the 12 and under butterfly record to 50.4.

Cathy Alexy teamed with Kim Harvey to bring Springfield its first sweep in the 9-10 freestyle all year.

These four girls scored 40 points in the Maplewood meet. Paula Natiello took the 12 and under backstroke and 11-12 freestyle with ease.

These fine performances gained Jim red awards in both the 12 and under backstroke and butterfly events.

These boys carried six ribbons home from the Bound Brook meet. Steve picked up an important third in the 13-17 fly and swim a tremendous butterfly leg in the medley relay event.

Kim Harvey was back in top form with a "three blue" day. Kim won the 9-10 freestyle by 3 second in a half-raiser.

result of the strap-up relay victory. The "C" (Graessle-Galpa) breaststroke duel resulted in another record-breaking performance.

SPRINGFIELD'S ABILITY to score two swimmers in an event played an important part in winning the meet.

Maplewood's superior breaststrokers dominated their four events. Sue Foster and Rich Galpa were third in the 12 and under, and And Margulies and Walt Galpa captured second place.

Coach Reichle hopes to have his team at full strength for the championship meet.

A jubilant Springfield swim team got back in the winning column at the expense of Bound Brook last Tuesday night at the Springfield Community Pool.

In the Bound Brook meet, Springfield pool records were broken seven times by Jim Edwards.

In talking about the team, Coach Reichle mentioned that the swimmers work out at the pool four mornings a week from 10 to 11:45.

Freestyle winners who helped Springfield down Bound Brook were: 8 and under; Sally Geiger, 2nd; Lori Schulman, 3rd; Pete Cook, 3rd.

Butterfly: 12 and under: Kim Harvey, 1st; Jim Edwards, 2nd, 13-17: Robin Geiger, 1st; Jim Creede, 1st.

Relay: Ellen Alexy (back), And Margulies (breast), Vivian Geiger (fly), Linda Bultman (free), Bob Hamon (back), Ed Graessle (breast), Steve Alexy (fly), Rick Fuchs (free).

These boys won ribbons in the 25 meter freestyle events: 5 and under: 1; Sid Kaufman (21.1); 2: John Sheehan (23.4); 3: Pete Cook (23.6).

Township lists plans for tennis tournament

Plans were announced this week for the annual Springfield Recreation Department tennis tournament, to be held Sept. 9, 10, 16 and 17.

Course to be held in contract bridge

The Springfield Recreation Center will again offer a course in contract bridge on Thursday afternoons from 1 to 3, beginning Sept. 21.

- 13-14: Vivian Geiger, 1st; Linda Bultman, 2nd; Rick Fuchs, 1st; Ed Graessle, 2nd.
- 15-17: Robin Geiger, 1st; Jim Creede, 1st.
- Relay: Kim Harvey, Paula Natiello, Ellen Alexy, Robin Geiger.

Robin Geiger, Hector receive racing awards

Robin Geiger and Brian Hector won trophies for their top performances in the annual Optimist Club swimming meet held at the Springfield Community Pool Saturday morning.

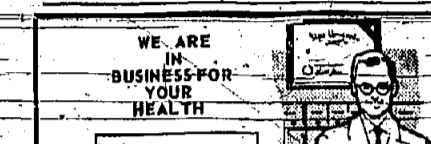

Two boys broke the existing freestyle records. Brian Hector sliced 1.1 seconds from the former 9-10 record when he outsped the field in 16.4.

- 8 and under: 1; Jeri Repka (23.4); 2; Linda Frost (33.1); 3-10: 1; Carol Bultman (19.7); 2; Diane Schaffer (20.5); 3; Cathy Alexy (21.8).
- 11-12: 1; Paula Natiello (35.1); 2; Kim Harvey (39.2); 3; Carol Roessner (40.6).
- 13-14: 1; Sue Grimm (34.6); 2; Linda Bultman (35.5); 3; Ellen Alexy (36.2).
- 15-17: 1; Robin Geiger (32.6); 2; Jill Williams (39.2); 3; Maryann Finney (40.5).

Fires in single day caused major part of 6-month losses

Fire damage during the first half of this year in Springfield amounted to \$161,298, according to the semi-annual report prepared by Fire Chief Ormond W. Mesker.

Two blazes that day caused extensive damage at the Investment Casting Co. factory at 60 Brown ave., and in the home at 60 Pig rd.

Ask Amy

By AMY ADAMS

Dear Amy:

I don't know what wild thoughts my husband was thinking when he chose my birthday gift, but he gave me the most impractical, useless, yet expensive, lingerie. For a woman my age (I'm 52), who needs it!

Is it advisable to return the gift for something more in keeping...with sleeping? No Juliet. Dear No: I wouldn't advise returning the gift. It could have been prompted by an over-anxious sales-

girl or an under-anxious wife. Wake up!

Dear Amy: Up till now I thought you gave out very intelligent answers, I have followed your writings with the greatest of interest, but when you gave that nasty busybody word to report her neighbor to the income tax people, I thought it was in very poor taste on your part. As she said herself, she was jealous of the neighbor getting nice things. That's her only motive: Jealousy!

God knows the Internal Revenue socks us plenty. Our Congressmen and Senators take their families to Europe and have a wonderful time on our hard earned tax money. The government throws away billions in Europe, and in my opinion, the worst of it all is spending billions on that "moon" bit instead of putting it to some good use in this country.

I say "Hurray" to this hard-working barber and to h-1 with the jealous neighbor. Broke From Being Taxed

Dear Broke: Jealousy should not be the motive behind reporting tax evaders, I see this situation in a different light. Should our government need additional revenue, would you like to volunteer twice the amount that everyone else will contribute to make up for what one tax evader is getting away with?

Dear Amy: I am a girl of 15 and my brother is 6. My brother is so spoiled that my parents aren't even doing things for his own good any more. He eats only what he wants...and fancy foods at that. Just lately, when he gets into bed at night, my mother must sleep with him. If he gets-and-comes-when he has a dentist's appointment, my mother is ready to say that he doesn't have to go. When I try to correct him, my parents say I'm picking on him.

Crime doesn't pay... taxes.

The victims of crime aren't the only ones who pay its penalty. Your tax dollars must support more police, more correctional institutions, crime doesn't pay taxes... it eats into them. The Democratic Legislature believes one answer is crime prevention... with such measures as strict gun controls, expanded watch on consumer frauds, uniform crime reporting, laws against unlawful intrusion into schools. Of course, some didn't like it. But we needed the laws. And we got them.

The Democratic Legislature.

The courage to do what is right.

Unit urges safe speed for driving

George G. Traver, executive vice-president of the New Jersey State Safety Council, this week urged motorists to avoid extremes of speed, either greatly above, or greatly below posted limits. He cautioned drivers to ad-

just "their speed to the prevailing conditions, not only by slowing down when conditions are hazardous, but also by speeding up when it is safe to do so, especially if traffic is backing up, or the slow driver is being passed frequently."

"On multiple-lane highways, however, there is justification from the standpoint of better operating economy and reduced wear and tear on the vehicle for operating slightly below posted limits. Provided he keeps to the right, the driver desiring to do this should not unduly interfere with other traffic which can usually pass freely. But on a two-lane road, the driver going even 5 miles per hour under the advisory speed limit can soon acquire a substantial following," said Traver.

Herbert J. Klar, chief of the Bureau of Engineering and Planning, Traffic Safety Service, New Jersey Division of Motor Vehicles, at a recent traffic safety committee meeting, was quoted as saying, "If you want to drive slowly, you should avoid main roads, but on any road you must be aware of the effects of your slow driving on others. Keep well to the right to give faster traffic as much room to get by as possible. Or if possible, pull off the road periodically to let accumulated traffic pass. If all else fails," he concluded, "speed up to match the general flow of traffic. Other drivers will be grateful to you."

Drive closes to cars, opens to cycles

The Park Drive in Warinanco Park, Elizabeth and Roselle, will be closed to motor traffic on Sunday mornings, beginning Sunday, Sept. 10, to enable residents of Union County to enjoy a morning bicycle ride, it was recently announced by the Union County Park Commission.

Effective Sunday, Sept. 10, and continuing on Sunday, Sept. 17, and Sunday Sept. 24, all motor traffic in Warinanco Park will be prohibited between the hours of 7 p.m. and 10 a.m., and adults and children may ride bicycles during this period along the two-mile Park Drive. It was noted that the program will be on a trial basis for the three Sundays, and if interest is favorable the program will be continued in Warinanco Park.

This program will offer family groups and individuals an opportunity to participate in a personal physical fitness program and will enable family groups to enjoy a family activity. Parking for autos will be available along the concourse adjacent to the Warinanco Park stadium field.

In other business transacted at last week's meeting of the Union County Park Commission, concern was expressed on the lack of communication and information from the State Highway Department concerning Route #78 which proposed to take 130 acres of the Watchung Reservation for road purposes and separate another 130 acres from the main portion of the reservation.

From recent newspaper items it was reported that the State Highway Department is acquiring land directly east and west of park lands. The commission was led to believe by state officials that they and their consulting engineers will study the proposed route and ascertain if the route could be adjusted in any way to decrease the highway taking through the natural woodlands of the Watchung Reservation, according to a commission spokesman. The state has not indicated if a study was or will be made or if the alignment would stay as proposed. The commission requested its counsel to investigate the legal actions available to protect park lands.

The commission approved a request from the Union County Outdoor Education Center to use an additional building in the "Deserted Village" area of the Watchung Reservation for the expansion of the outdoor education program. The Outdoor Education Center will have the use of five cottages and Masker's Barn in the village area for their program beginning in September. The facility is available to all school children in Union County. The park commission will invite the members of the Union County Board of Chosen Freeholders and other county officials to participate on a tour of the park system on Sunday, Sept. 17.

THINNING PAINT
It is generally not necessary to thin your paint -- but if you need to, be sure to carefully follow the thinning directions on the label. Thin down only the amount of material which is to be used at once. Most paints have the required amount of thinner in the formula, so don't try to "stretch" your paint.

MISSIONARY DISCUSSES

BONN (UPI)—The Christian churches working in Africa may have to rethink polygamy theologically, according to a German missionary—recently returned from—Pastor Karl-Udo Bräsen told a missionary meeting recently returned from Tanzania. Pastor Karl-Udo Bräsen told a missionary meeting that an African minister recently baptized several Masai tribesmen living polygamously.

Polygamy, Pastor Bräsen said, cannot be eliminated from the life of the Masai and other African tribes without destroying their whole social structure. The churches, he said, must decide whether the Scriptures automatically exclude polygamy from Communion, or whether monogamy isn't rather the result of years or generations of living within the faith.

Mrs. Weinstein is first vice-president in charge of membership for the council and a past president of the Springfield chapter.

An orientation meeting for all participants in the campaign was to have been held last night at 8:30 at the home of Mrs. Sam Gan, 55 Smithfield dr., Springfield, according to Mrs. Weinstein. She announced that the theme of the campaign will be "Your Wish Is Our Command," and the campaign will be launched Sept. 12, 13 and 14 by the Springfield Chapter of B'nai B'rith Women.

Among those attending the meeting were council personnel Mrs. Grossman; Mrs. Nathan Schanen of Linden and Mrs. Arthur Kesselhaut of Springfield.

Representing the Springfield Chapter were Mrs. Arthur Falkin, president; Mrs. Sidney Piller, membership vice president; Mrs. Menche Jaffe, Mrs. Harold Fried, Mrs. Martin Karp, Mrs. Simon Hetschuber, Mrs. Paul Miller, Mrs. Moe Schlanger, Mrs. Lewis Gash, Mrs. Frank Hodes, Mrs. Paul Nikita and Mrs. Max Raab, all of Springfield.

**Choice large
 in selecting
 new range**

By MABEL G. STOLTE
 COUNTY HOME ECONOMIST

When you start thinking about selecting the best range for your home, you have many decisions to make.

First, do some thinking about the kind of range you want. Do you want gas or electric? Do you want a built-in wall oven and surface units, a wall range or a conventional free-standing range? What size do you want? How many ovens?

The old wives' tale of gas being faster than electric but dirtier is no longer true with a new range. The reliability of service for gas and electric within our community is more important. If the power fails, how long must you wait for a return? How do the monthly charges compare? Then, too, if you consider switching types, remember to obtain some installation estimates.

A built-in will give your kitchen a custom look and may be more easily placed at a convenient height. It is purely preference, however, whether you prefer having top of stove cooking separate from the oven. Watch out that your built-in doesn't take up valuable counter space and make ventilation more expensive than you realized it would be. Some cabinet work is inevitable, so figure on that, also.

Free standing ranges come in a variety of sizes with one and two ovens. Electric ranges have four surface burners and gas may have four or six. Some ranges have built-in or plug-in griddles on top.

Range storage space has been found inefficient and today's trend is toward a large oven. Your over-all kitchen arrangement, storage and family's baking needs should determine the size you buy.

Self-cleaning ranges are gradually becoming more within the price range of "Average Mrs. Consumer." Remember, like every other convenience feature, you have to pay for it. The initial cost is bound to be higher and the life of the equipment will probably be shortened. The latter fact has yet to be researched.

**Unionite returns
 from Atlanta visit**

Mrs. Alfred Stein of 959 Caldwell ave., Union, returned home Sunday evening after a 17-day visit with the family of her son-in-law and daughter, Mr. and Mrs. Roger Worden, at home, David and John, of Atlanta, Ga. Mrs. Stein, accompanied on the trip by a teenage granddaughter, Miss Joann Daseki of Livingston.

During the Atlanta visit, the family took a tour of the State Capitol, and had a chat with Governor Lester Maddox in his office. They also visited the Atlanta Baseball Stadium, Stone Mountain and Grant's Park's Cyclorama.

PLUMBING HINTS
 If you're building a new home, make sure it has plenty of cleanout plugs and shutoff valves at all major plumbed-in equipment. Cleanout plugs make it possible to remove obstructions in the pipe without a lot of trouble and expense. Shutoff valves enable you to shut off the water at one fixture, should an emergency arise, without shutting off the water in the rest of the house.

Trailside visitors offered a choice of two programs

The Sunday afternoon visitors to the Union County Park Commission's Trailside Nature and Science Center, in the Watchung Reservation, will have a choice of two programs being offered on Sunday.

James B. Hawley, of Summit, will conduct a tour of the historic "Deserted Village," located in the valley between the first and second ridges of the Watchung Ranges.

The guided tour is open to the public and will start from the Trailside Nature and Science Center at 2 p.m. and proceed to the site of the "Village," a short distance away.

Hawley will discuss the 300-year history and tradition of the area from the time of the Indians and earliest settlers to its present state as unit of the Union County Park System. He will point out many historic features and identify and tell interesting facts about both the native and exotic plants and animals that exist in the area.

The second program offered will be a color sound film to be presented in the auditorium of the Trailside Nature and Science Center at 3 p.m. The movie, entitled "Happy Holidays... Anywhere in Michigan," is a travelogue taking the viewer on a tour through Michigan by car. Visits include historic Greenfield Village, Detroit, Mackinac Island, and Soo Locks.

On Monday, Tuesday, Wednesday, and Thursday, Aug. 21-24, on each day, Donald W. Meyer, director of Trailside, and Miss Irma H. Meyer, educational assistant at Trailside, will present one-half hour nature talks for children. The topic to be discussed during the four days is "Saginaw Wildlife." The talks will be illustrated with color slides. Following the lectures on Wednesday and Thursday a half hour walk will be conducted on the nature trails adjacent to the Nature Center.

The Trailside Nature and Science Center is open to the public every day, except Friday, from 1 to 5 p.m.

Social security warns of delay in filing

About one of every five applicants for social security disability benefits delays so long before making his application that he risks possible loss of some payments, Ralph W. Jones, district manager of social security in Elizabeth, said this week.

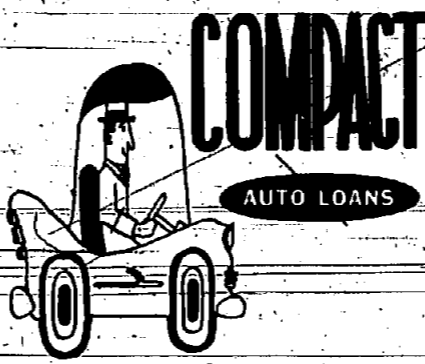

In an effort to remedy this situation, the Social Security Administration is asking anyone who might possibly qualify for disability benefits to get in touch with a social security office as soon as possible.

"Some people fail to apply because they don't realize that they can benefit from the program," Jones said. "Younger people often think that social security payments are only for people in their sixties, whereas the disability program was specifically set up to protect the wage earner who is forced to stop working before he is old enough to collect retirement benefits."

A person under 65 can receive monthly payments if he has a physical or mental impairment that has kept or will keep him from working for a year or more. Individual benefits range from \$44 to \$152 a month. If the worker has dependents, total family benefits can amount to as much as \$332 monthly.

"Others don't file because they are under the impression that they have to be permanently disabled. This was generally true before a 1965 change in the law, but now payments can go to a person whose disability has lasted, or is expected to last, for 12 months or longer," Jones pointed out.

Benefits begin after a person has been disabled for six full months. No benefits can be paid for months during this "waiting period." Also, the law limits the back benefits a person can collect to the 12 months before the month in which he applies.

worked under social security for at least five of the 10 years before he became disabled. Benefits continue for as long as the disability lasts, or until the beneficiary reaches 65. At age 65, disability benefits are converted to retirement benefits, without any change in the amount.

Currently, over a million disabled persons—plus more than a million of their dependents—are receiving benefits under the program.

When we talk about recreation, it means more than "play money" to New Jersey

Vacationers come from all over the country to enjoy New Jersey's famed resort areas and cultural facilities. And so do industries. It's an accepted fact that business locates in areas where there are abundant and varied recreational facilities for their employees.

Public Service has been conducting national advertising campaigns to be sure that America's business community is fully aware of the good life to be found in the Garden State. We feel it's an important function because when a firm moves into our state, new jobs immediately open up, "new" money circulates and New Jersey's entire economy is stimulated. It's as simple as that.

UJC raises lab fees
 Union Junior College, Cranford will increase its basic laboratory fee from \$10 to \$15 per course each semester. It was announced this week by Dr. Kenneth C. MacKay, president. The new rate will go into effect with the start of the fall semester, Dr. MacKay said. He said the laboratory fee for advanced courses will remain at \$20.

Manager named at savings and loan

The City Federal Savings and Loan Association in Elizabeth has announced the appointment of Alfred E. McClure of Lyndhurst as manager of its newly formed department of research and development. It was announced this week by EVERETT C. Sherbourne, president of the association.
 Sherbourne said that the creation of the new department was necessitated by the expansion of banking facilities since City Federal's merger with the Triumph Federal Savings nearly three years ago.
 McClure, who holds a bachelor of arts degree in political science from the Rutgers University in Newark, has worked for City Federal since 1965. He is currently pursuing a law degree at the Seton Hall University Law School in Newark.

BAD STORM
 One of the most disastrous storms of recent years was Hurricane Flora, which in 1963 killed about 5,000 persons in Haiti and more than 1,000 in Cuba and left about 750,000 persons homeless, according to World-Book Encyclopedia.

Best Pharmacy regains league lead in close competition in men's softball

A Best Pharmacy moved back into temporary possession of first place in the hotly contested pennant race in the Springfield Adult Softball League with the pharmacists' league position the result of fewer losses. Last week Best rolled to a pair of victories over Anderson Plumbing and March Advertising, while Spring Liquors was charged with a loss as the result of a 6 to 4 setback at the hands of Wilpat Associates. Meanwhile, the red-hot Remlinger Real Estate squad is suddenly making it a three-team race. Remlinger unleashed its big bats again last week to win another pair of games.

The Spring loss to Wilpat remains very much in dispute, although it must be counted as a loss until an official decision is reached. With six innings completed and Wilpat commanding a 6 to 4 lead in this important contest, a power failure brought an abrupt end to the contest. A league meeting will in all probability be held to determine the future of this game. Wilpat opened the game with four consecutive hits to set the stage for the upset victory. Singles by Norby Wroblewski, Tony Mistrza, Gary Faucher and Rick Soriente scored two runs and put two men on before an out was recorded. John Mistrza drove home the third run of the inning with a sacrifice fly, and Vince Pala delivered the fourth run with a two-out single up the middle.

Spring countered with two runs in the first inning, when Frank Monticello reached third on an outfield error. Monticello immediately scored when Ted Soriente singled to left. Another error put Soriente on third, and he was delivered on Mike Pisano's fly ball. Spring tied the game in the top of the fourth when George Keller doubled and Jim Lies beat out a bunt single. Both base-runners scored when Frank Monticello singled sharply to right. Wilpat tallied the winning margin in the bottom of the fourth. A two-out error put Norby Wroblewski on base. Tony Mistrza followed with a single. Gary Faucher then delivered the big hit of the game, as he doubled off the left field fence to score both men. Bill Savarin pitched for Wilpat, while John Ehrhardt handled the mound duties for Spring.

BEST PHARMACY moved back into the top spot by winning a pair of games. Last Tuesday in a two-night contest, the pharmacists topped Anderson Plumbing by a 14 to 2 score. Best broke open an otherwise close game with a four-run fourth inning and a seven-run fifth frame. Four Best hitters belted out three hits each in this game. Those collecting three hits were Jack Apper, Rick Soriente, Tom Burke and Joe Pepe. Lou Lurz was high man in the RBI department with four, while Burke had three runs batted in and collected a home run. Bob Levicchi hurled the victory for the pharmacists. Bob held the plumbers to eight hits, while chalking up his third victory of the campaign without a loss.

Anderson tallied its only two runs of the game in the fourth inning. Gus Huth opened the frame with a double, and Jack Brenner drilled a single to left. After one out was recorded, Gary Falkin delivered both runners with a sharp single to center. Huth with two hits was high for Anderson. Harry Anderson pitched and was charged with the defeat.

BEST RETURNED to the swim pool field last Thursday and spun a strong March Advertising team by a 9 to 1 score. The story of this contest was the strong pitching performance displayed by the pharmacists' pitcher, Scott Donington. Donington weathered a rough first inning, when March touched him for three hits and one run. After the opening frame when the advertising men left the bases loaded, March was able to muster only three harmless singles off the Best pitcher.

March earned its tally in the top of the first on Roger Keelin's double and Andy Longello's single. Best rebounded for four runs in the bottom half of the inning. Jack Apper belted a triple and was pushed across on Stan Falkin's bunt single. A pair of walks loaded the bases, and then consecutive hits by Keith Neigel and Joe Pepe delivered the base-runners. Another four-run inning by Best in the sixth gave the pharmacists important insurance runs. Larry Doyle's double highlighted the inning. Jack Apper with three hits led all players on the field in this department.

WHILE BEST AND SPRING continue to slug it out for the top spot in the league standings, Remlinger Real Estate has quietly moved it-

self into a serious contending position. Remlinger, which had been in an early-season batting slump, has really snapped out of it. Last week it topped Somerset Bus, 17 to 16, and tripped PBA, 15 to 9. While the Remlinger-Somerset game was not the best played game of the season, it did set a new mark for runs scored by two teams. Remlinger hit heavily in the opening inning to take an early lead. Vince Pilone and Charlie Haas delivered extra base blows in this frame, when the real estate men scored six runs. The game was marred by many errors and bases on balls.

Varsity physicals set at high school

The dates for the annual physical examinations for football, soccer and cross-country athletes at Jonathan Dayton Regional High School were announced this week by Herbert H. Palmer, athletic director.

This Monday at 10 a.m., cross-country and senior football candidates will be examined at the high school health office. At the same time on Tuesday, junior and sophomore football candidates will be examined.

At 10 a.m. Wednesday in the high school health office, freshman football candidates will be examined. At the same time next Thursday, Aug. 31, all soccer candidates will be examined. Varsity physicals will be given on Wednesday and Thursday.

REMLINGER RELIED on its bats to take a 15 to 9 victory over the PBA last Wednesday evening. Remlinger belted three home runs in this game, and although each came with the bases empty, each was a hard hit ball. The four-baggers were belted by Joe Blaine, Vince Pilone and Charlie Haas. Blaine hit his shot in the third inning, while Pilone and Haas hit home runs back to back leading off in the fourth frame.

Pilone and Haas were the biggest hitters in a hard-hitting Remlinger lineup. Both players went four for five. Pilone had a double and two singles in addition to his four-bagger. Vince drove home two runs. Haas belted a pair of doubles and added a single to his

four-base blast. Charlie drove home three team-mates. Stan Waisniewski and Fred Kooyenga, entering the game in the fourth inning, each had a perfect night with two hits in as many times at the plate. Kooyenga's two hits were a triple and a double, good for two RBIs. Don Casanova pitched for Remlinger, and took his 11th victory of the season. Don tied with John Ehrhardt of Spring Liquors as the league's winningest pitchers. PBA came up with some hard hitting of its own during this contest. Two four-run innings for the policemen kept the game close. In the third frame, Al Parker opened with a double. Ron DeSantis then cleared the center field fence to score two runs. Bob Interdanto followed with a base hit and scored as Butch Bell drove the inning's second home run over the left field barrier. A Frank Jazkoff triple accounted for a PBA run in the fourth. The four-run PBA sixth inning was featured by hits by Tom Baker, Frank Jazkoff, Al Parker, Ron DeSantis, Bob Interdanto and Burch Bell. Sam Calabrese pitched for the policemen and was tagged with the loss.

Anderson Plumbing and Heating won its second game of the season last Wednesday when it took an extra-inning battle from A.R. Meeker by a 17 to 16 score. Anderson tallied the winning margin in the top of the eighth when the Anderson third baseman, Al Silverstein, lashed out his fifth hit of the long game to score Jack Brenner with the 17th run. Silverstein provided Anderson with the game's tying run in the top of the seventh, when he belted a lead-off home run. Reggie Bonco and Jack Brenner each had four runs batted in to pace the squad. Matt Allen had a perfect day at the plate for Anderson as he went five for five. All of Allen's hits were singles and were good for two RBIs. Meeker has many hitting heroes of his own in this game. Frank McHugh and Tom Mount-

ford stroked home runs for the printers, while Bill Baker drove in four runs. McHugh also had four runs batted in during the game. In another game played late last week, March Advertising topped the Somerset Bus Co. by a score of 24 to 9.
