United Fund door-to-door this Sunday

\$37,500 is sought for 14 agencies' needs

The Springfield United Fund campaign to raise \$37,500 for 14 character-building, welfare and charitable organizations will kick off its residential appeal Sunday.

"We urge all residents to consider a Fair Share gift and cooperate with United Fund volunteers at the time of the visitation," Jack Scifelman, general campaign chairman, said. "Fair Share giving suggests a gift of \$14 as the minimum gift with additional shares based on the family's economic conditions. There is hardly anyone living in Springfield who would not contribute at least a dollar to each of the 14 agencies if each agency made separate requests. The \$37,500 required to meet the needs of the agencies can be raised only if each resident and his family respond to Fair Share giving."

James Barrett, residential division chairman, said that immediate action by volunteer workers in contacting prospects could reach 50 per cent of the prospects in the first few days. The initial report meeting in the residential drive will be held Sunday, Nov. 19, at 8 p.m. at campaign headquarters, 237 Morris Ave., the former National State Bank building.

Barrett added that every campaign worker will have made his own pledge prior to any visitation of prospects. "We aim to let everyone know from the beginning," he said, "that the United Fund effort is a goal and every pledge is a big federated campaign. Their personal pledging has been done prior to requesting others to do so."

STEPHEN MAN ISUED an appeal to each volunteer canvasser to begin his solicitations immediately following the kick-off meeting. "It is important that we continue to make our community United Fund effort a goal and every pledge is a big federated campaign."

"Individuals interested in helping to make this year's campaign a success, who have not been enlisted by captains in their residential district, are invited to advise the office of their willingness to work by telephoning 379-7318, Scifelman added. "The 14 agencies participating in the Springfield United Fund have requested to provide workers for solicitation in their own residential districts as their responsibility to the effort by which the funds are raised to meet their annual operating expenses." Library presents drama discussions for young readers

The Springfield Public Library will sponsor a series of book discussions for teen-agers commencing next Thursday evening, Nov. 16, at 8 in the library, Sidney Kruger at Newark State College, will be the discussion leader for the series. Emphasis will be placed on contemporary American and English plays dealing with teen-agers.

The play "A Member of the Wedding" by the late Carson McCullers will be discussed at the first meeting. Those planning to attend the first session were advised to read the play before coming to the discussion, in order to be able to talk about it. In addition to the regular library copies, additional paperback copies are available for purchase at the library.

Kruger, who teaches courses on literature for children and adolescents, believes "adolescents in junior and senior high school English classes do not read enough drama in their own time. In too many schools, emphasis is placed on reading and dissecting plays, mostly classic at that, for the inevitable quiz or written assignment."

"The fact that Shakespeare is usually loathed rather than loved is no accident. A major objective of this new series is to enable teen-agers to read and talk about plays for their own enjoyment and pleasure. No tests - no homework."

Some of the other plays being considered for discussion are: "Blue Denim," by James Herlihy and William Noble, and "The Corn Is Green," by Emylin Williams. Other titles may be suggested by the group after it is organized.

Band Parents' unit to hold annual sale

The Jonathan Dayton Regional High School Band Parents' Organization will conduct its annual candy sale Saturday, Nov. 18. This annual event, sponsored by the Band Parents' Organization, provides funds for the activities of the band personnel as well as the school color guard and twirlers.

At each football game, refreshments are served to the school's musical contingent. In the spring of the year, an expense-paid trip to a place of event of interest is conducted.

In addition, the Band Parents Organization awards sweaters with school emblem to those members of the band who have been active for a period of three years.

This is the organization's only fund-raising project.

GOP gratitude covers the whole township, plus

By ABNER GOLD
"Thank God." That comment by Township Committeeman Philip Del Vecchio summed up the feelings of township Republicans who gathered in a converted restaurant on Main-

town avenue Tuesday night to celebrate the victory of Arthur M. Falkin and Henry J. Bultman in the Township Committee election.

Although the party faithful had expected victory, the margin of more than 500 votes appeared as a surprise which brought out highly emotional expressions of thanks to everyone in sight and, as noted above, in Heaven itself.

Former Mayor Vincent J. Bonadies, who headed the town's only Democratic administration, has been a principal object of GOP concern for a decade. His presence on the ballot this year, and the proportions of his defeat, seemed to be the reasons for the deeply emotional tone of the Republican festivities.

J. Scott Donington, campaign manager, who brought the gathering to order with a basketball speech, declared, "I thank every one of you for your tremendous efforts."

He later added, "I think Don Mantel, township Democratic chairman, did a nice job. He showed a gentlemanly quality in coming here to congratulate the winners."

Donington also said, "I thank the Springfield Leader for its cooperation and fairness to both parties in its bipartisan coverage of the campaign."

"I also thank the voters for returning the Republicans to office. This was a vote of confidence in the progressive administration we have had for the past six years."

BULTMAN TOLD the party workers and well-wishers, "I see all the faces that helped us. Everybody here was part of the team. Thank you from the bottom of my heart."

Falkin added his comments. "I'm glad I had Hank Bultman to carry me in. This is the greatest thing that ever happened in town. Whoever runs this town from now on will certainly do a good job." Falkin is currently mayor, but according to administration policy, the title will pass to one of his colleagues at the start of 1968.

David Zurav, GOP municipal chairman, commented, "I am very happy and gratified, both that we won and that the county candidates did so well here. The margin is a personal vindication of Hank Bultman and of his many past services to the community. He certainly deserves this opportunity to serve."

William Kooz, former mayor who declined to seek re-election a year ago, said that he was "just a little bit homesick" during the victory celebration. He added, "This was a great election. What the administration has done has more than satisfied the people. I am"

509 votes margin for GOP ticket

Township voters join state Republican trend

Mayor Arthur M. Falkin and Henry J. Bultman were easy winners in the Township Committee election on Tuesday, joining their fellow Republicans in a state-wide march to victory. According to the final, unofficial tally, Falkin led with 3,219 votes, while Bultman received 3,060. For the Democrats, former Mayor Vincent J. Bonadies had 2,351, and Alvin R. Leonard, 2,075. The margin between Bultman and Bonadies was 509 votes. These figures do not include absentee ballots.

Springfield, which has had a tradition of supporting Republican candidates of the county level, even while occasionally electing local Democrats, followed the state-wide GOP trend on Tuesday. Republican nominees led across the board here, as they swept to victory in all county contests for the State Senate, the Assembly and the Board of Chosen Freeholders. In the Senate race, Frank X. McDermott of Westfield led the three winning Republicans here with 3,395. Matthew J. Rinaldo of Union had 3,395, and Nicholas S. La Corte of Elizabethtown received 3,244. The tally for the Democrats: incumbent Mildred Barry Hughes of Union, 1,928; Lester Wetner of Linden, 1,849, and James J. Kinneally Sr. of Rahway, Democratic county chairman, 1,675.

In the race for the county's at-large seat in the Assembly, Charles H. Irwin of Mountain side, a Republican, led his Democratic opponent, Everett C. Lattimore of Plainfield, 3,208 to 1,830.

Local voters also favored Republican candidates for the two Assembly seats in District 9-C, western Union County. Peter J. McDonough of Plainfield garnered 3,428 votes, and Hugo A. Cannon of Scotch Plains had 1,708, and George Perseley of Summit, 1,791. Among the candidates for freeholder, the Republican totals were: Jerome Epstein of Scotch Plains, 3,299; Charles S. Tracy of Hillside, 3,347; and Arthur A. Manner of Berkeley Heights, 3,158. Figures for the Democrats were: John W. Donahue of Roselle, 1,952; Joseph P. Kanis of Elizabethtown, 1,705, and Frank T. Cuchie of Cranford, 1,697.

THE SCOPE OF the local Republican victory is best illustrated by the fact that the GOP carried the 8th District, between Milltown road and the Rahway Valley Railroad, for the first time in recent history. Falkin had 243 votes; Bultman, 197; Bonadies, 183, and Leonard, 158.

Senate voting in the 8th showed Democrat Weiner in the lead with 202, followed by two Republicans, McDermott with 188 and Rinaldo with 181. The other figures were: Democrat Hughes, 180; Republican La Corte, 177, and Democrat Kinneally, 160.

A year ago, Democrat Gerard Vesza led Republican Philip De Vecchio, in the 8th. (Continued on page 4)

Women Voters act to oppose funds for non-public schools

The Springfield League of Women Voters this week reported that the State Legislature voted its opposition to the spending of state funds for non-public schools.

The state league issued the following statement: "The League of Women Voters of New Jersey is opposed to state legislation which spends tax money for non-public schools at a time when the needs of the public schools are not being adequately met. We oppose Assembly Bill 618 (providing for the purchase and loan of text books to private school pupils at \$10 per year, per child). We oppose any legislative move to increase state responsibility for the busi-

ness of private school pupils. We support efforts to repeal the busi-

Therapy started for drug addicts

Drug Addiction Rehabilitation Inc. (DARE), started by a group of former narcotics addicts, has begun operation of a new therapy program at 236 Sixth Ave., Newark.

Springfield Judge Max Sherman recently referred a defendant to the center on the recommendation of Det. Samuel A. Calabrese, narcotics officer.

The DARE program, a modification of those at Synanon in California and Dayton in Staten Island, N.Y., provides group therapy sessions three times a week.

It was started by Richard Roselli, an addict for 10 years who received treatment at both Lexington, Ky., and Dayton, and a small group of friends, assisted by professional advisors and consultants. Among these were Dr. Donald Lombardi, associate professor of psychology at Seton Hall University, and Dr. Eugenio Sims, advisor to the Essex County Medical Society.

Now operating entirely on contributions, DARE is a non-profit organization and charges no fees for treatment. Participation is voluntary, but DARE works in cooperation with local courts and other agencies. It is now applying for federal funds for a residential center and an after-care program.

AFTER THE FIRE—A Westfield fireman looks over the wreckage after Geiger's Cider Mill, Westfield, was gutted by a blaze last Friday morning. (Photo by Ed Cardinal Jr.)

Landmark in area, Geiger Cider Mill, destroyed by blaze

Only the shell of a famed landmark was left standing when the Geiger Cider Mill on S. Springfield avenue, Westfield, went up in flames in the early morning hours last Friday. Spotted by Mountside police who alerted the Westfield Fire department, the three-story mill was brought under control in two hours, but was not completely extinguished until five hours later. Chief M.D. Burke of the Westfield Fire department stated Squad No. 1, truck No. 1 and Engines Nos. 3-4-5 of his department, assisted by a pump from the Springfield Fire Department, were used to put the fire out. The Mountside Fire Department and an engine from the Plainfield Fire department stood by as an emergency precaution. The cause of the blaze is under investigation. Mrs. Bruce A. Geiger of Saddle Brook rd., Mountside, wife of one of the owners of the family business, commented that the mill and bakery were completely gutted, and the restaurant so damaged by smoke and water damage it was doubtful if any of the equipment could be salvaged. Mrs. Geiger also said the loss in the approaching holiday seasonal business was incalculable, but expressed gratitude that no one had been injured. The family plans to rebuild.

FOR SERVICES TO YOUTH — Adam P. La Sota, center, receives plaque from Springfield Rotary Club honoring him for his activities in behalf of young people. At left is Harold Chasen, club president. At right is Mayor Arthur M. Falkin, guest speaker at the dinner-dance last week.

Rotary Club honors La Sota for services to young people

A precedent was set for the Springfield Rotary Club at its annual "Past Presidents' Night" dinner-dance last week at the Chanticleer, Millburn, when Adam P. La Sota, a veteran Rotary member, was presented with a plaque for his contribution toward youth activities in the community. In previous years, awards have gone to men-and-women outside the club, such as Edward Ruby, Recreation Department head; Florence Gaudinier, school nurse; Ed Hoffert, also of the Recreation Department; and others. By giving the award to one of its own members, the club recognized La Sota's efforts with youth. La Sota is co-ordinator of diversified occupations at Jonathan Dayton Regional High School, having been with the high school system for 20 years. He first was employed as head of the vocational agriculture department at Regional High. He is a former president and secretary of the Rotary Club. He resides at 15 Country Club lane, Springfield. He and Mrs. La Sota have two children, Larry and Nancy. Max Weiss was honored as the past president and received a diamond lapel pin from Mel Horn, dinner chairman. Among the guests were Mayor Arthur Falkin and his wife. Also present for the event was Benjamin F. Newswanger, former superintendent of schools, who has been ill and unable to attend regularly. He is a past president of the Springfield Rotary Club and was presented with an honorary membership pin by his successor as superintendent, John Berwick, also a club member. District Governor Leonard Lenzon of Brielle made an official visit to the Rotary Club Tuesday at its weekly luncheon meeting in Mountside Inn, Route 22, Mountside. He met with the president, Harold Chasen, and officers in the morning at a conference, and later spoke at the luncheon meeting which followed. Next week will feature the Rotary Youth

\$850,000 campaign scheduled by Overlook

Overlook Hospital will open its fall fund-raising campaign next week with a 1967 goal of \$850,000 in a major program to air-condition and modernize its 1953 wings A & B.

"These are now the oldest original wings of the hospital and badly in need of renovation and updating," commented Robert E. Heinlein, Overlook's director.

"Air-conditioning has become a practical necessity today. The healthful benefits of air conditioning and more cheerful surroundings are conducive to faster recovery from a medical standpoint, as well from a viewpoint of physical comfort," he explained.

Overlook's admissions office is constantly faced with requests for accommodations in the newer wings - and great disappointment when they are not available.

In addition to air-conditioning, the wings will have improved lighting and redecorating, plus renovation of existing first floor areas for other needed purposes. This six-floor doubling section of the hospital contains some 425 patient accommodations, plus nursing stations, treatment rooms, corridors and solariums - comparable to a good size hotel. In physical expense.

possible through the renovation is a new cardiopulmonary laboratory, to be located on the first floor. This rapidly developing field of medicine will have its own highly specialized equipment and staff, offering new services of direct bearing on many illnesses, particularly emphysema, asthma and post-operative complications.

In the mail campaign this week friends of the hospital will receive a folder showing the new Overlook, both exterior and interior views, plus letters pointing up the hospital's current needs.

Renovations have already been made for the Union County Psychiatric Clinic's headquarters, currently housed at Overlook's old Morris avenue entrance.

New personnel offices to handle the employment and records of Overlook's 1100 employees are another phase of the planning, along with classrooms for the hospital's active-in-service nursing education program.

Veterans Day 1967: A nation remembers

Throughout recorded history, and no doubt for hundreds of thousands of years before that, it has been a tragic fact that the best of the young men have had to carry the burden of fighting the battles and the wars in which their families, their tribes or their nations have been involved.

During the Nov. 11 observance of Veterans Day, the nation will pause to honor those veterans, living and dead, who have served in the U.S. armed forces in time of war. It is especially fitting at this time that they be so honored.

was thought to be the war to end all wars. Nov. 11 was originally set aside by Presidential Proclamation as a time to commemorate the termination of hostilities in that war which came on the morning of Nov. 11, 1918.

But, the armistice did not last. Since that time many millions of American servicemen have fought this nation's battles on every continent of the earth. In recognition of this fact, the meaning of Armistice Day was broadened on May of 1954 when Congress decreed that this November day should be known as Veterans Day with a broader significance recognizing all those who have served this country in time of need.

Kiwanis Club to hear speech on state 'clean air' legislation

The State of New Jersey's air sanitation program is making steady and sensible progress in the battle to preserve and enhance the air we breathe.

Dr. Campton said the passage of the Federal "Clean Air" legislation, which makes available funds and scientific know-how, has enabled the New Jersey Department of Health's work to be greatly expanded.

Democrats

started to come into the building. When the Second and Third District results were put on the speaker paper tally sheet, Bonadies said sardoniously, "That's no good, no good."

Election

299 to 170, although Del Vecchio went on to win the election by 519 votes. Falkin also won Tuesday in one other normally Democratic district, the 10th, south of Milltown road.

Vasselli is named Dayton delegate to Chemical Caravan

John Vasselli, vice-president of the senior class, has been selected to represent Jonathan Dayton Regional High School, Springfield, at the eighth annual Chemical Caravan to be conducted at Rutgers University on Friday, Nov. 17.

JOHN VASSELLI

C.A. Hansen, regional chairman of the Chemical Council of Manufacturing Chemists Association of New Jersey, which is sponsoring the caravan, said that approximately 200 scientifically talented juniors and seniors representing secondary schools throughout New Jersey have been invited to attend the day-long series of lectures, demonstrations, and tours of plants and municipal facilities.

The theme of this year's caravan is "Careers in Environmental Science" (the study of air quality, water management and other chemical and physical aspects of man's relation to his environment), and will afford the students an opportunity to examine the importance of this field, Hansen said. "In addition to investigation careers in this new field, the students will see for themselves what part environmental science plays in the many facets of the chemical industry, in both theory and practice." The day's schedule will include talks, lectures and demonstrations by Rutgers professors and industry scientists, tours of chemical plants and a luncheon.

Walter Holm, science coordinator of the Union-County Regional District, said Vasselli was selected on the basis of his ability and interest, as well as his maturity and experience in college-preparatory chemistry.

You buy a new flameless electric dryer and we'll throw in Lady Pepperell permanently pressed sheets and pillowcases as a Special Bonus.

And when you throw these permanently pressed sheets and pillowcases into your new flameless electric dryer, they'll come out looking as soft and fresh and crisp as the day they were made. In fact, the makers of permanent-press fabrics recommend "tumble drying" as the best way to keep materials wrinkle-free and textures soft. This is just one of the many reasons why women prefer flameless electric dryers to a wide margin. Other reasons are: They're clean, safe and cost less to buy, and they don't require a special fire, so you can install one wherever you please.

Your Special Bonus, double bed set of Lady Pepperell Miratex sheets and pillowcases comes in the beautiful Rose Tolle print pictured above. The set consists of one full flat 81" x 104" top sheet, one double fitted all-over-bottom sheet, and two 42" x 36" pillowcases. It will make an elegant addition to your bedroom.

New classes for officers

Col. Joseph A. Driscoll, commandant of the New Brunswick-U.S. Army Reserve School, this week announced a new series of programs for officers interested in improving their professional competence.

Offerings include the Career Officer Course (Common Branch) to be given at the Kilmer USAR Center, the Monmouth USAR Center (Ft. Monmouth) and in the Mt. Freedom-Morrisstown Areas under the auspices of the New Brunswick Area USAR school faculty.

Also being given are Command and General Staff Courses for officers who are branch qualified and wish to pursue further command training, Col. Driscoll said.

These courses are open to Reserve or National Guard officers and officers currently on active duty who want to complete a Command and General Staff College Course in their local areas.

Anyone interested in further information on these programs may contact Miss Ruth Monzone, administrative assistant, Building 1000, Camp Kilmer, phone 985-5250. The final date for registration is Nov.

Ask Amy

By AMY ADAMS

Dear Amy: My husband is very affectionate. We have two teenagers and he doesn't care if they are around or not. He is always putting his arm around me and kissing me in front of them. I told him a hundred times not to in front of the children, but he does anyway. Should I feel embarrassed or not?

Mrs. L. K.

Dear Mrs. L. K.: Certainly not! Children who are brought up in a home filled with love and affection grow up to be lovely children.

According to my mail, there are a few hundred women who would literally give their bruised right arm to change places with you!

Dear Amy: An argument has arisen which I hope you can clarify. Is it proper for the immediate family to give a shower for an expectant mother... of her fifth child?

Perplexed

Dear Perplexed: A baby shower is given by friends rather than relatives.

Showers should be limited to the first baby in the family. In my opinion, it's an outright imposition upon others for a mother to expect a shower for each subsequent child.

Anyone who wants to send a baby gift doesn't need an invitation to do so!

Dear Amy: I am 3 years, 2 months and 14 days older than my girlfriend and I want to know if you see anything wrong with this age difference? I have kissed her and she tells me her father doesn't approve. I am going along with her father on that, but I ask you if you think kissing is too premature for a boy of 13 and a girl of 10?

Bewildered

Dear Bewildered: Your thoughts and actions are all too premature! Simmer down, son. At your age you should be more interested in scoring with a bat than scoring with a girl!

CRUISE THE CARIBBEAN THIS WINTER!

KUHLEN TRAVEL, Inc.

974 Stuyvesant Ave. UNION CENTER (Opp. Shop-Rite) MU 7-8220

Dear Amy: An argument has developed between my future-in-laws and myself. I am having a big wedding and my family is paying for everything except the flowers and drinks (whiskey, beer and pop) because we have always held that the groom or his family should pay for that.

I find that many people agree with the thoughts of my family on this matter, but my fiance's mother is giving him a hard time by saying he is a "sucker" if he does pay for this part of the wedding. He, in turn, not wanting to argue any further with me (after all he is going to spend the rest of his life with me) is willing to supply the flowers and drinks.

Amy, at this point I am only interested in doing what is right.

Capt. Ebert urges probe of Goddard talk on drugs

Union Police Capt. Donald J. Ebert, president of the New Jersey Narcotic Enforcement Officers' Association is supporting a call for a Congressional investigation into what he called "irresponsible statements" made by Dr. James Goddard, Food and Drug Administration commissioner, in "minimizing" the danger of marijuana.

Capt. Ebert reported that the Union County Medical Society has requested Rep. Florence Dwyer, a member of the Intergovernmental Relations Sub-Committee, to start the investigation.

"I have sent a wire to Mrs. Dwyer voicing the objections of our association concerning Dr. Goddard's statements and supporting the request for an inquiry into Dr. Goddard's irresponsibility," the Union police officer said.

He said Dr. Goddard "minimized the dangers involved in the use of marijuana" in a speech at the University of Minnesota on Oct. 17.

These statements "were not only irresponsible for a man in his position but were highly deleterious to law enforcement's efforts to re-

duce trafficking and use of this dangerous drug," Capt. Ebert said. He added:

"Dr. Goddard exceeded his sphere of responsibility of pharmaceutical drugs and infringing on other areas of law enforcement. He is not responsible for the control of marijuana, but his official position results in considerable import and acceptance of his comments by an innocent and uninformed public.

"I hesitated initially to issue a statement concerning this matter so as not to enlarge the original excessive publicity, but I feel I must do so now as a result of other groups becoming concerned about his conduct.

The state association which Capt. Ebert heads is an affiliate of the International Narcotic Enforcement Officers' Association.

A fast enough fastback.

Put a Volkswagen fastback in a race with the rest of the fastbacks around today and it would lose hands down.

Even at top speed it would stand a chance against a 350 h.p. job. (Our fastback cruises at about 84).

Today a lot of people spend a lot of money on a car because it's big and fast.

But the strange thing is when they buy a car with so much speed and power, they seldom stop to think where they'll be able to use it.

Do you need a 350 h.p. engine to take you downtown?

Or for a ride in the country?

Or for that once-a-year vacation trip? (Even on the highway you can't use a hundred-mile-an-hour car. Remember, the fastest you can go on most highways is only 70.)

This is exactly why we made the VW fastback the way we did. Its 65 horsepower engine gets you out on the thruway quickly. And with that many horses in a Volkswagen, there's plenty of power for highway passing.

Our fastback has its engine in the rear and it's air-cooled. (That means no water or anti-freeze.) And since it doesn't have a lot of idle horses to feed, you'll still be able to get up to 27 miles on a gallon of gas.

You can buy a sensible fastback like this for the sensible price of \$XXXX.

And never miss the power you didn't pay for.

Nathan Levin of Rahway, will lead a trail clearing expedition on Sunday. Soccer squad wins; Campbell tallies 2 goals

By MYRON MEISEL
The Jonathan Dayton Regional High School soccer team scored another victory last week as the Bulldog booters trounced David Brearley Regional High School, 4-1, with two goals by Tommy Campbell. The team now has a record of 2-9-2, excluding Tuesday's concluding game with Hillside High School, which will be reported next week.

The Brearley Bears jumped into the lead in the first minute, thanks to a defensive lapse by the Bulldogs, but after that Dayton dominated play. Early in the second quarter, inside right Darren Danziger tied it up. A splendid cross from outside left Howie Spielman allowed Campbell to head the ball in for the winning goal. Spielman and Campbell repeated in the third quarter to seal the victory, while Dave Pearson at right wing scored the fourth goal with a shot to the upper right corner of the net. The Dayton defense held solid throughout, except for the initial let-down.

The starting team for Dayton: goalie, Joel Millman; left fullback, Jeff Morris; right fullback, Richie Falkin; defensive rover, Don Dabberley; left half, Joe Frieri; right half, Bob Stecher; offensive rover, Derrol Brooks; outside left, Howie Spielman; inside left, Tommy Campbell; inside right, Warren Danziger; outside left, Ty Chin.

Also playing for the Bulldogs: Fred Gold, Steve Lee, David Miniman, left fullback, Ray Williams, left half, Dave Pearson, right wing, John Edwards, left fullback, Frank Bucco, inside left, Mike Robinson, right half, Hal Kelly, left wing, Fred Gold, Steve Lee, Derrol Brooks, Richie Falkin, Tommy Campbell, John Edwards, Mike Robinson, and Lewis Lee. The team is under the direction of Lou Piccolo and Mike Ianneli.

WINGED-FOOTMEN — A consistent bright spot this fall for Jonathan Dayton Regional High School has been the success of the cross-country team. Dayton eleven seeks victory Saturday at Roselle

By MYRON MEISEL
The Jonathan Dayton Regional High School football team will travel to Abraham Clark High School of Roselle this Saturday morning at 10:30. The Bulldog gridgers are now 0-7, following a 35-0 loss to Westfield High School last Saturday.

"We made a good showing for three quarters," stated head coach Jim Horner. "We controlled the ball for most of the game."

We ran eleven more plays than they did, accumulated more passing yardage, and more first downs. But we also fumbled twice on their 20, failed to score on their seven, and fell apart in the fourth quarter. Until then they had only one sustained drive. You can't give such breaks to a team like Westfield.

"As for Roselle, it is 3-4 in its Garden State Conference. We've been playing tough competition, and it's time we started winning ball games."

Dayton opened explosively against the Blue Devils, driving 60 yards to the Westfield 20, only to fumble away its chance. Another Dayton fumble on the 33 set up the first Westfield touchdown. A well-fired 30-yard pass put the Blue Devils on the goal line, and halfback Bruce Otzman, a junior, ran off tackles to score the first of his three touchdowns for the day. Dayton fumbled again on its return set of downs, this time on its own 13, and Westfield ran two plays to reach the end zone.

Dayton fumbled again, but despite the Blue Devil drive from the Bulldog 40 to the seven, tight Dayton defense threw Westfield for three straight losses, and the subsequent field goal attempt failed.

IN THE THIRD QUARTER, Dayton kicked a bad punt deep in its own territory to give Westfield the ball on the Bulldog 20, and four downs later, Otzman drove through the center for another score.

Dayton returned with a 63-yard drive, opening with a well-run reverse that Nate Edelman carried for 13 yards. Then, despite a complete screen pass to Charlie Foster, Dayton was forced to punt on fourth down. The Blue Devil receiver fumbled Ralph Losanno's kick and quick-moving Tom Farnasid recovered for Dayton on the Westfield 29. Steve Jupa carried for three yards, and then Edelman made a superb catch on the ground for a gain of 14. Losanno managed to drive to the seven, but two incomplete passes to the end zone removed the Bulldog threat.

Dayton received its next chance on the Westfield 44. A screen pass complete to Larry Stewart carried Dayton for the first down. Then Losanno crashed hard through a tough Blue Devil line for two gains of seven yards each, and another first down. Then the Bulldog attack stayed stymied on the Westfield 20.

Westfield hammered away at Dayton's defense, pushing the Bulldogs 80 yards to the end zone. The Blue Devil halfbacks were constantly breaking loose, and only the defensive work of Sal Miniccozz saved Dayton from several touchdown plays. After 12 plays, Westfield scored for the fourth.

Dayton failed to gain a first down and Westfield took possession on the Bulldog 36. On the next play, behind excellent blocking, Otzman dashed all the way to, square. Dayton took the kickoff return to their own 31 and drove to the Westfield 24 as time ran out. This final drive was highlighted by three completions, two from quarterback Jon Schoch to end Richle Bromberg and Larry Stewart, and one from halfback Jupa to Schoch.

The final match of the day saw the Raiders and the Atoms divide a pair of games. The Raiders, behind the bowling of Gavin Widom, edged the Atoms by five pins in the first contest. The Atoms then went on to score a 100 pin victory over the Raiders in the nightcap. Widom's series total of 234 was high for the Raiders. Harriers to race in sectional meet

The Jonathan Dayton Regional High School cross-country team will compete in the North Jersey, section two, meet this coming Saturday at Warhanc Park. The meet is the first of several leading to the state championships.

The Bulldog harriers, under the direction of Marty Taglienti, competed yesterday in the Watching Conference meet, which also doubled as a triangular meet with Hillside and Cranford high schools. The results will be reported next week. The cross-country team has a record of 9-1-1.

Falcons win 2, other teams split in boys' bowling

The Friday Afternoon Boys' Bowling League opened its 1967-68 season last Friday at the Springfield Bowl. The league is sponsored by the Springfield Recreation Department and is a brother league to the one on Thursdays. Both leagues operate on the same rules and are open to all Springfield boys in the sixth, seventh, and eighth grades.

The Falcons were the only team to escape a defeat in the opening week of bowling competition. The Falcons topped the Chargers in both ends of their two-game series, while the other six teams divided their matches.

Tommy Falcons, who rolled for the Falcons last season, paced them last week with a 220 series. Robert Lee also rolled well for the Falcons, as he posted a 204 series. Steve Rosenberg was the top scorer for the Chargers with a 194 series.

The Rangers, defending champions, split two games with the Royals. Tommy Lowy of the Rangers led both teams, rolling 154 and 130 for a 284 total. Drew Shulman with a 233 series also rolled well for the Rangers. Larry Ogden was the top gun on the Royal team. Larry posted a 252 series. Larry's second-game effort of 140 earned the split for his team.

Gary Neifeld of the Chiefs hit a 326 series score to lead his team to a split with the Warriors. Gary's top effort was the best mark of the early season, and could very well stand up all season as a high score. Gary's first game score of 184 was the best rolled in either Recreation League to date. John Katz with a 198 series was high man for the Warriors. The final match of the afternoon resulted in a two-game split between the Tigers and the Hawks. Barry Pink with a 214 series was high for the Tigers, while Jeff Davis rolled a 201 series to lead the Hawks.

Methodist women plan joint session, Guild as host unit

The Wesleyan Service Guild of Springfield Emanuel Methodist Church, Main st., at Academy Green, will entertain all the women's groups at a joint meeting and program on Tuesday evening at 8 p.m. in the sanctuary.

Guest speakers will be the Rev. Leopold Schneider Jr., and the Rev. Arturo Smenter of Calvary - Holy Trinity Methodist Church in Elizabeth, who will describe the Inner-City Mission of the Methodist Church in that city. Mr. Schneider, senior pastor of the Elizabeth church, served 10 years as minister of Davis Memorial Methodist Church in Harrison and prior to that in Jersey City and Weehawken. His father, the Rev. Leopold Sch-

neider Sr., was minister for 25 years of Emanuel Methodist Church, Newark, which merged in 1964 with Springfield Methodist Church. Mr. Smenter is in charge of the Spanish-speaking ministry of the congregation in Elizabeth, having given much service to Cuban refugees.

Following the program, presented under the direction of Mrs. Patricia Kretzer, vice-president of the Guild, all the women will join in the annual birthday party in the Mundy Room with tables decorated for each month of the year by the various women's groups.

Caldwell School PTA to hold classroom-visitation, cake sale

The James Caldwell School PTA, Springfield, has announced final plans for the annual open house and cake sale to be held Monday night.

Mrs. Joseph Knowles, president, stated that the meeting will begin at 7:45 to allow full time for parents to locate their children's classrooms and to participate in discussion.

Each teacher will present a summary of curriculum aims for the year and the approach, techniques, and teaching materials used. This general background will provide a better understanding of what the child is doing in school. It also will be invaluable

background for understanding of the individual teacher-parent conferences scheduled for later in the month, she added.

Mrs. John L. Dysart, program chairman, urged all parents to attend. She said that time has been scheduled carefully to enable parents with more than one child at Caldwell to attend sessions with each of their children's teachers.

Mrs. Walter T. Harm, finance chairman, announced that the annual fall cake sale will begin at 8 p.m., prior to the meeting, and continue following the classroom visitations. Cakes, pies, cookies, and other homemade goods may be purchased. Persons contributing baked goods are to deliver them to the school between 2:30 and 3:30 Monday afternoon or that evening, she stated.

Fires start at 3 homes

Springfield firemen responded to three alarms from private houses the past week, according to department records. Four units were needed to extinguish a blaze at the home of L. J. Wake, 47 Warner ave., on Saturday at noon. The flames started near the collar and went up through the walls, Deputy Chief Robert Day reported.

An alarm Sunday at 4:30 p.m. from the home of Leon Anker, 49 Country Club lane, was caused by gasoline which had been set afire on the lawn. Monday at 2:15 p.m., a blaze was reported at the home of John Flood, 175 Short Hills ave. The flames reportedly started in the color television and stereo phonograph unit and set fire to the living room. There was substantial smoke damage in the remainder of the house.

Department records also listed a brush fire Sunday at 9:10 p.m. in Houdaille Quarry property along the new Mount View road, and a car fire five minutes later on Springfield avenue. The auto was owned by Steve Passarelli of Millburn.

A Springfield fire truck joined Westfield units for three hours early last Friday morning in battling the flames which gutted Geiger's Cider Mill, Westfield.

REV. JOHN S. GRAUEL

Minister to speak before B'nai B'rith about Middle East

The Rev. John Stanley Grauel will be the guest speaker at the meeting of the Springfield Men's Lodge of B'nai B'rith to be held on Monday evening at Temple Beth Ahm. He will speak on the current situation in Israel, a lodge spokesman stated.

"Mr. Grauel is a legend, but unlike most legends he is still alive. He was born in Worcester, Mass. His family were Methodists and he received his education in institutions of the church. He aspired to the ministry and after due course became pastor in a sea parish on the coast of Maine.

"The war and its first reports of Nazi persecutions led him to resign and join the American Christian Palestine Committee, an organization dedicated to the establishment of the state of Israel. After a short association with that group he decided to join the Hagannah for more direct action. He soon appeared in the underground in Europe, a mysterious figure, known to his co-workers as John the Priest. His most celebrated exploit remains his participation in the Battle of the Exodus.

"For over two decades he has continued his unceasing efforts on behalf of the state of Israel. He has not been idle in other fields. At present he is active in programs connected with civil rights and social action."

'War Game' opens at Art

The Academy-award winning film, "The War Game," which engendered much controversy last year in England, and which deals with the effects of nuclear war in England, opened yesterday at the Art Theater, Irvington Center. The picture, which was written and directed by Peter Watkins, caters to young audiences, and highlights realistic photography and a cast of non-professional actors.

CAROL CHANNING CUTS QUITE-A-FIGURE
November seems to be the month for Carol Channing.

On Thursday, November 16 (9:00-10:00 p.m.), "Carol Channing and 101 Men," the first of her ABC-TV Specials in color, guests on the Special are Walter Matthau, Eddy Arnold, The Association and the U.S. Air Force Academy Cadet Chorus.

On Nov. 18, 1963, Carol stepped on the stage of the Fisher Theatre in Detroit to play the role of Dolly Gallagher Levi for the very first time in "Hello, Dolly!," the musical version of Thornton Wilder's "The Matchmaker."

Three years and seven months later, on June 11, 1967, on the stage of the Jesse Jones Auditorium in Houston, Texas, Carol Channing played Dolly quite possibly for the last time, thereby culminating a saga unprecedented in the history of the legitimate theatre anywhere on this planet.

Nature screened in Biblical movie

In the Dino De Laurentiis' epic film, "The Bible," which continues on screen at the Bellevue Theater, Upper Montclair, photographer Ernest Haas tried to capture some of the primordial power and beauty in translating the highly poetic passages of Genesis into a visual medium.

Off the coast of Iceland, Haas shot a newly-born volcanic island, aglow with hot lava spilling into the sea and forming clouds of steam. From Iceland he traveled to Ecuador and the nearby Galapagos Islands to catch the snow landscapes and the lush foliage of the rain forest. His pictures are accompanied in the film by the narrative of Creation as read by director John Huston.

A FEMININE LOOK ... AT AFRICA 1967

(Commentary on a National Newspaper Association Study Mission to eight African countries south of the Sahara.)

By TRUDINA HOWARD

Twenty-fifth in a Series TOURIST IN SALISBURY
When we were in Rhodesia we stayed in an integrated hotel.

and one night at the Jameson Hotel they became roommates—which they ordinarily were not.

"Oh," said the two men on duty, "as soon as we get our cat back in we'll be right with you."

THE MYSTERY NEAR SALISBURY— Some 30 miles out of the city in an area strewn with large rocks balanced one upon the other...

A hippopotamus bug. Anyway, either name indicates how large the insect must have been. "It does come about six inches broad," someone else said. So Fred was very right. It WAS a monster. But it is harmless—we were all glad to hear.

Rhodesia offered many interesting things besides unusual insects. There were beautiful people and beautiful experiences in Rhodesia and I hope to see it again one day soon.

The walk, taken into a section of the wild forest at the brink of the waterfall where there is continuous rain because of the spray from the falls, was sheer magic. I chose to go in without an umbrella or raincoat (as most tourists do) for the temperature was about 95, the humidity was about equal, and the sky was pure gold.

Rhodesia offered many interesting things besides unusual insects. There were beautiful people and beautiful experiences in Rhodesia and I hope to see it again one day soon.

shrubs, but they are carefully maintained and tended. Livingstone House, the tallest building in Salisbury, is 20 stories of civilized steel and glass, and was designed by a Swiss woman engineer.

Also, on one of the days in Salisbury we met with dapper mayor Frank Gordon-Harper at the very handsome city hall to have tea; and sat in Parliament during a rather biting discussion between some black Rhodesian members, and some white.

One of the evenings we attended a posh cocktail party given by the Ministry of Information at the elegant-ish Madles Hotel, and on some of the other evenings we wandered into the cozy cocktail lounge of the Jameson Hotel on our own, and met some Rhodesians, both black and white. It was here that we heard the dissatisfaction with the Unilateral Declaration of Independence.

Despite the friction between Zambia and Rhodesia and all that is said about them, the two countries apparently still consider doing business together, particularly in mining. When we were at Victoria Falls, a train that seemed to be a miles long, crossed over the high Zambesi River bridge at the Zambia-Rhodesia border, loaded with material.

FOR THE BIRDS

By FARRIS S. SWACKHAMER, professor, Union Junior College

The Pharaoh entombed in the Step Pyramid at Saqqara, Egypt, had hundreds of ibis mummies buried with him. Most were sacred ibis but some were glossy ibis. If he were fortunate after death, he might induce one of them to carry him across the water on its plumes to the fabled field of YARU.

Until the turn of the 19th century, glossy ibis were unknown in the western hemisphere. Before that time they bred irregularly in southern Europe and Asia and in Africa. There are no recent records of nests or young however in Egypt, Ceylon or Spain. Prior to 1817 an undetermined number of the birds were apparently blown westward from Africa or southern Europe by the northeast trade winds. In that year one was collected in Great Egg Harbor, by a Mr. Oram who didn't even know what he had. The whereabouts of the new world popula-

tion remained a mystery for over 90 years although individuals were sighted from time to time. In 1909, an Audubon warden in Florida spotted the first nesting pair near Orange Lake. Twelve hundred nests were later found at Lake Okechobee, Florida in 1934. Florida resident glossyys are non-migratory.

During the late 1940's and early 1950's, severe drought in the Lake Okechobee area made conservationists pessimistic about the future of the glossy ibis. Many deserted their former homes but proved adaptable. In 1940 the first pair to be seen nesting north of Florida was spotted in North Carolina. The northward spread of the species continued, reaching Stone Harbor Sanctuary, N.J., in 1952, Brigantine National Wildlife Refuge, Oceanville, N.J., in 1957 and Virginia in 1959.

THE MOST NORTHERN breeding ground reached to date is the Jamaica Bay Wildlife Refuge where the first three nests were found in 1961, almost in the shadow of Kennedy International Airport's control tower. In 1965, 33 pair were counted there, and in 1966, 70 nests tallied. Those northern birds are migratory, arriving about the middle of April and leaving by the third week in October.

Glossy ibis are medium-sized marsh waders. Uniform bronze-brown, they appear black at a distance. The dark overall color and long, down-curved bill distinguishes them both on the ground and in flight. Nests, generally in bushes or trees or occasionally on the ground in heronries, are commonly built of marsh reeds or sticks.

Like many marsh birds, glossy ibis frequently take a trip north when family duties are over, perhaps traveling to Canada or west to Colorado.

They feed in fresh or salt water marshes, standing with their feet planted wide apart, bill between their legs, looking at the world upside-down. Their diet includes crayfishes, cutworms, grasshoppers and other insects, and snakes.

Pack 73 conducts 1st meeting of year

The first pack night of the season was held recently by the St. James Cub Scout Pack 73 of Springfield. The pack retired their old American Flag and received a new one. The following new den mothers were installed: Mrs. Corine Eckman, Mrs. Joan Richards and Mrs. Victoria Ragucci. The following boys were inducted into the pack: Martin Pledle, William Koetz, Joseph Ragucci, Patrick Smith, Robert Richards and Robert O'Connell.

Achievement awards were presented to Neil Patrone, Steven Labor, Thomas Wisniewski, John McGovern, Wayne Dostal and Joseph Corrigan.

All the boys in the Webelos dens received their new Webelos badge colors and neckerchiefs. The pack had its annual homemade mask contest, followed by their Halloween party.
