## Varied views on regional school expansion bond issue

### Women Voters continue opposition to referendum

In addition to its previously stated reasons for opposing the proposed high school referendum, the Springfield League of Women Voters this week declared that it wished "to

### Ward answers LWV criticism of regional plan

The importance of "equality of education" is a major goal of the Regional High School District Board of Education, Avery Ward, board president, stressed in a letter this week to Mrs. Harry Einstein, president of the Springfield League of Women Voters. The letter was in reply to statements made by the LWV concerning the expansion bond referendum scheduled by the regional board on March 19.

Ward declared: "The regional board is most concerned with the attitude of your league about our expansion program and your suggestions that the referendum be opposed. The expansion program will provide equality of education which your group asks for, in that instructional areas will be provided and equipped for all advanced courses and they will be available for all students so inclined in all four high schools.

"Anything less than approval by the voters on March 19 can only result in less than a full-time education for all students in the regional high schools. This vital need for space must be provided through the expansion referendum."

Urging that the league reconsider its position, Ward invited all members to attend the public meetings being sponsored by the regional board to outline its plans. The first was held on Tuesday at Gov. Livingston Regional High School, Berkeley Heights.

Others are scheduled for tonight at Jonathan Dayton Regional High School, Tuesday at Arthur I. Johnson Regional, Clark, and next Thursday at David B. Brainerd Regional, Kenilworth.

point now to the disadvantages of one giant school within the regional district. Mrs. Harry Einstein, LWV president, released this additional statement:

"While recognizing the need for expansion within the Regional High School system, the League believes that the pending referendum would create a situation with major ill-effects from its creation of a giant high school in Berkeley Heights.

"The first of these shortcomings would be the potential inequalities of course offerings and physical facilities among the four schools if one school were to be disproportionately larger than the other three. Important also, is the knowledge that the creation of a giant high school would invite needless administrative headaches.

"The League advocates keeping the Regional High School population more evenly distributed to avoid creating one overly large school. An example of the problems this would create is available in a neighboring community.

"Faced with problems of bigness, the Maplewood-South Orange Board of Education has recently adopted a plan creating four sub-schools within Columbia High School, each with its own dean, guidance counselors, and faculty.

"This decentralization of services was deemed necessary to deal with problems of controlling student behavior, as well as problems of traffic within the building, guidance and communication between faculty and students.

"These difficulties arose in a school of approximately 2,100 students, 100 fewer than the proposed referendum envisions at Governor Livingston (Berkeley Heights) in 1974.

"A further problem exists in Berkeley Heights where the vast majority of students are bused to school. The community has voiced complaints about heavy traffic in the vicinity of the high school with only 1,640 students attending. By advocating maintenance of this level of enrollment at Governor Livingston, the League feels that the traffic situation near the school will not worsen as it would if close to 2,200 students were bused there.

"The Springfield League regrets that it cannot support the pending referendum. It believes that this plan for expansion does not show good judgment and will not forward the Regional Board of Education's basic tenet of equality of educational opportunity for all students."

### Regional High social studies teachers inspect collection at township library

The Springfield Public Library was host last Thursday afternoon to eight teachers from the social studies department and the librarian of Jonathan Dayton Regional High School. This was a return call from the high school as the reference department of the Springfield Public Library had met at the high school last November.

The purpose of these visits was to give the public library a chance to observe the holdings of the high school library and, on the other hand, for the teachers to see the extent of coverage in the area of social studies in the public library.

After school hours for study and research, such mutual awareness is helpful to both institutions, a library official said.

For many years Jonathan Dayton High School and the Springfield Public Library have worked together to facilitate the flow of study material for student assignments. Barbara Dimmers, high school librarian, forwards notices of assignments to the reference department of the Springfield Public Library, where Mrs. Virginia Parks is the reference librarian, assisted by Mrs. Doris Rawitz. Books are then upon-site for students to use for a specific assignment.

However, before Miss Dimmers can forward this information she must have the cooperation of the teachers. Pauline Keith, coordinator for social studies for the Union County Regional District, has been instrumental in channeling notices of assignments from the social studies department to the school library.

Among the teachers who visited the Springfield Public Library last week, in addition to Miss Keith were: David Carl, Mrs. Jean Cusumano, Dennis Fox, August Giebelhaus, Edward Jasinski, Paul Karish and Mrs. Clara Mason.

The Springfield Public Library has a collection of almost 60,000 volumes. Mrs. Helen Francis, director of the library, said the collection is now approaching a convenient size so that it can be representative of all fields of knowledge. As a municipal library, however, the collection must reflect the interests of the majority of its citizens, she said.

This means that some subject areas will be larger than others and some subjects may have less representation depending on the preferences of other borrowers who use the library. But there is, above all, a nucleus of essential informational material that serves as the backbone of the collection, namely the reference books, which do not leave the library and are therefore on hand for use at all times, Mrs. Francis added.

Following is a list of donor requirements: 1. Age: 18-59 (18-21 need written consent, unless married or in the service). "A blood donation is an excellent place for an older teenager to be of community service," the Red Cross said, "and it is hoped that many will do so."

2. Good general health. Persons who have had malaria in the past, but have had no attacks within six months are acceptable although their blood is not used for whole blood. Contrary to past policies, persons who have had hepatitis can no longer be accepted at all.

3. Weight: 110 pounds or more.

4. Eight weeks must elapse between blood donations, and no person should give more than five times a year.

### Referendum faces voters on March 19

Informal talks precede official meeting tonight

By ABNER GOLD

A wide range of views was expressed by local residents at the informal forum on the proposed regional high school expansion bond referendum conducted by members of the Township Committee Monday evening at the local office of the National State Bank of Elizabeth. Some 30 interested citizens took part.

The bond issue for more than \$4 million, with some \$750,000 earmarked for Jonathan Dayton Regional High School, Springfield, will be discussed in greater detail at a public meeting to be sponsored by the Regional District Board of Education tonight at 8 at Jonathan Dayton Regional High School in Springfield.

The proposal will go before the voters March 19 in the six communities constituting the district — Springfield, Mountainside, Berkeley Heights, Kenilworth, Clark and Garwood.

Virtually all participants appeared to agree that the renovation and expansion planned for Dayton were badly needed, but there was disagreement on whether the proposal as a whole merited support in Springfield.

The two local members of the regional board, Mrs. Natalie Waldt, and Dr. Benjamin Josephson, and a number of other speakers, urged a heavy vote in favor of the proposal. Some, however, indicated they felt the plan was too little and too late for Dayton, and objected to other aspects of the proposed expansion of regional facilities.

THE MEETING WAS arranged by members of the Township Committee, who stressed that they were acting as individuals in search of information. Committee member Philip Del Vecchio presided.

Committee member Arthur M. Falkin opened the discussion by asking, "Are we in Springfield going to come out of this with what we need for the future? Are we secondary to Gov. Livingston Regional in Berkeley Heights? Will this work be done, how will we compare with the better schools in the vicinity?"

Robert La Ventura, principal at Dayton Regional, commented that the possibility of Livingston to provide for 2,200 students will make it "larger, but not a better school than Dayton." He added, "I wish people would come out with facts, not generalities."

La Ventura stated that Dayton could house approximately 175 Mountainide students for two years during the construction period, but some inconvenience, but no loss in quality of education. He said there would be more teachers and that all facilities would be used to the maximum, including buses.

### Meisel represents district at national forensic congress

Myron Meisel, a senior at Jonathan Dayton Regional High School, will represent the Northern New Jersey District at the National Forensic Congress in St. Paul, Minn., in mid-June. Meisel was selected outstanding speaker of the district by students and teachers attending the District Student Congress at the Bergen County Courthouse, Hackensack, on Feb. 10.

The District Student Congress is run in the same way as the U.S. Congress, with bills under consideration for parliamentary debate. Issues considered at the Congress included sex education, the prohibition of the sale of cigarettes, escalation of the Vietnam war, and the ending of state support for busing to private and parochial schools. Meisel spoke on sex education and Vietnam.

Also representing Dayton were Lou Stein, Harold Lassers, Ian Starr, Jim Komett, Mitch Finkel, Bruce Schwartz and Robert Sternbach. Both Stein and Lassers were nominated as outstanding speakers in the House of Representatives.

Meisel has been active in forensic activities for four years, and is currently president of the Debate Club at Dayton. He was elected president of the Senate at District Congresses three times, served as a committee chairman three times and ran unsuccessfully for the National Congress last year. Meisel is this newspaper's high school sports reporter. He is the son of Mr. and Mrs. Philip Meisel of 45 Jauer Lane, Springfield.

David Carl and Dennis Fox serve as coaches for the Dayton debate and forensic team. The Springfield chapter is currently ranked first in the district in membership and degrees of accomplishment although Dayton is not one of the larger schools in the district, which includes all schools north of Asbury Park.

### Suspends jail term on plea of guilty to charge card fraud

Raymond D. Harlan of New York City, pled guilty Monday in Springfield Municipal Court to a charge that he had fraudulently used a Saks Fifth Ave. charge card in the company's local store. At the same time, Harlan waived his right to have the case heard before a grand jury. Judge Max Sherman imposed a 30-day suspended sentence and fined him \$100.

In a connected case, with three witnesses testifying before the court, the judge found Booker T. Showers of Livingston guilty of careless driving. Showers was charged with having passed a red light on Morris avenue and having hit a pedestrian. Judge Sherman fined him \$30.

Robert H. Levien of Union, accused of driving while impaired by alcoholic beverages, was fined \$105 and had his driver's license revoked for six months.

Stanley Zlobeck of Scotch Plains was fined \$40 for speeding 60 miles per hour in a 25-mile zone. Judge Sherman also revoked his license for 30 days.

Other motorists fined on Monday included: Paul R. Coy of Westfield, failure to yield the right-of-way on Rt. 22, \$15; Hal Brownstein of West Orange, passing a red light, \$20, plus \$25 in court costs; court charges for failure to appear previously.

Also, Lillian Benjamin of North Plainfield, careless driving, knocking down the traffic light at Morris and Mountain avenues, \$25; James W. Walsh of Piscataway, improper turn, \$10 and James Savage of Elizabeth, unlicensed driver, \$15.

### '67 members get pool applications

The Springfield Recreation Department has completed mailing application blanks to all 1967 municipal swim pool members. Those who were members last year have until March 30 to register. After that date the memberships are "open" on a first come, first served basis.

Springfield residents may indicate their desire by mailing their application form, check or money order (payable to the Township of Springfield) to the Recreation Department, Springfield. The swim pool memberships are open to all Springfield residents, with a family membership, \$65; a single membership, \$35, and the senior citizens' registration fee, \$15.

### Board counsel OKs Anderson vote

Howard F. Casselman, attorney for the Springfield Board of Education, this week ruled that the board was within its authority in voting at its Feb. 19 meeting to renew the contract of Joseph Anderson, assistant superintendent of schools. The ruling was requested by Robert Southward, president, after a member, Mrs. Sonya Dorsky, had called the vote a violation of the board's by-laws.

### 100 pints is goal for Bloodmobile

Springfield's semi-annual Bloodmobile visit will take place Thursday, March 21, from 1 to 6:30 p.m., at Temple Shavey Synagogue. The goal is 100 pints. The Red Cross this week urged prospective donors who have not yet signed up with their donor group chairmen to do so as soon as possible. Persons not affiliated with the existing donor groups (PTAs, St. James and Presbyterian churches, Temples Beth Ahim and Shavey Shalom, and Hiram) have been urged to make their appointments directly by calling the local Red Cross Chapter or calling Mrs. Daniel Kalem at 376-0582.

Following is a list of donor requirements: 1. Age: 18-59 (18-21 need written consent, unless married or in the service). "A blood donation is an excellent place for an older teenager to be of community service," the Red Cross said, "and it is hoped that many will do so."

### 'Rock' musicians to offer melodies on Dayton stage

The auditorium at Jonathan Dayton Regional High School will roll with the music at a "Rock" concert to be sponsored by the Dayton Booster Club Wednesday evening, March 26.

Donna Marie, teenaged recording and concert star from Union, heads the list of featured entertainers. Sharing the spotlight will be the Mirrors Image, the Swift Kicks, Arnie Corrado and Tony Loydi.

Donna Marie has made two hit recordings for Columbia Records. They are "The Penthouse" with "Pretty Thing," and "The Whole Wide World is Watching Us," with "Through the Eye of a Needle."

She has appeared on the Peter Martin TV show and is scheduled for an airing on the Johnny Carson program. Donna Marie has also made personal appearances at Roosevelt Stadium in Jersey City and in such clubs as Hullabaloo, the Zoo and Clay Cole's Land of 1,000 Dances. She has presided over the "Good Guy" program on radio station WJAC.

A senior at Union High School, she also studies at the American Academy of Dramatic Arts in New York.

# Springfield students receive tuition aid at Union College

Fifteen Springfield residents are among 514 Union County residents who have received tuition aid grants of 240 for the spring semester at Union College, Cranford, under the tuition-aid plan financed by the Union County Board of Freeholders and the state.

## Dr. Davis directs workshop session

Dr. Warren M. Davis, Superintendent of the Union County Regional High School District, who is also secretary of the Middle States Association of Colleges and Secondary Schools, conducted a workshop in San Francisco for the National Accreditation Council last Friday and Saturday. The purpose of the workshop was to prepare chairmen to evaluate institutions for the blind and partially seeing, in the region west of the Mississippi River.

The National Accreditation Council, formed by joint action of most of the nationally recognized organizations for the blind, has recently begun a new program of accreditation for these institutions on a nation-wide basis. This has never been done before.

Of the five hundred institutions for the blind in the United States, many are believed excellent, some good, and some poor. It will be the function of the evaluation teams to determine which institutions are worthy of national accreditation, and which should be rejected or recommended for further study.

Dr. Davis was chosen for this work because of his long experience in preparing chairmen of teams for Middle States evaluating committees. At Christmas time he was the co-conductor of a similar institute in New York City for potential chairmen of evaluating committees for institutions east of the Mississippi.

Dr. Kenneth C. Mackay, Union College president, said students from all of Union County's 21 municipalities qualified this semester for tuition aid grants. Cranford has the largest delegation with 76 tuition aid grants, while Winfield has only one student benefiting from the program.

The totals for other Union County municipalities are: Westfield, 59; Linden, 59; Union, 49; Elizabeth, 42; Plainfield, 39; Clark, 25; Rahway, 23; Roselle, 22; Scotch Plains, 19; Roselle Park, 17; Fanwood, 13; New Providence, 12; Kenilworth and Berkeley Heights, 12 each; Hillside and Mountainside, eight each, and Garwood, seven.

Springfield residents who have received tuition aid grants for the spring semester at Union College are: Lawrence J. Baldwin of 151 Wentz ave., Thomas M. Brucker of 97 Troy dr., Linda M. DiNicola of 47 Skyline rd., Eugene A. Foley of 457 Malabar ave., Ronald F. Haseliman of 26 Rose ave., Paul A. Karpich of 38 Mohawk dr., Stuart M. Melinek of 35 Newbrook lane, Doris P. Moskowitz of 16 Woodside rd.,

Also, Dennis M. Penhoff of 27 Country Club lane, Joann G. Scurozo of 6 Essex rd., Sylvio T. Sparduto of 93 Lyons pl., Heidi D. Stelger of 371 Hillside ave., Robert E. Theile of 174 Hawthorn ave., Barry P. Toll of 84 Briar Hills circle and James C. Woerner of 77 Pitt rd.

IRVING MERKIN ROBERT C. KOHLER

# B'nai B'rith to hear speaker on 'Jews, Negro Revolution'

Irving Merkin, local Anti-Defamation League chairman, will present Robert C. Kohler as the featured speaker at the meeting of the Springfield Men's Lodge of B'nai B'rith to be held on Monday evening at Temple Beth Ahim, Kohler is the New Jersey regional director of the Anti-Defamation League of B'nai B'rith. His topic will be "Jewish Involvement in the Negro Revolution."

A lodge spokesman stated: "For generations, Jews have been involved in the struggle for equality and human rights. Commitment to brotherhood is no less important for the white man than for the black man. The word revolution refers to changes - economic, political and social changes. Some revolutions are achieved through peaceful, orderly means. Other revolutions are achieved through drastic militant process."

"It is within this frame of reference that Kohler's comments will be of special interest to the membership of B'nai B'rith." Kohler was formerly secretary to the Anti-Defamation League's national committee on race relations and served as associate director of the national community-service division. This division is responsible for the activities of ADL's regional offices.

He was educated at New York and Wayne State universities, the Rabbi Jacob Joseph Yeshiva and Herzliah Hebrew Teachers Academy. Kohler has been a guest lecturer and instructor at a number of universities, including Assumption University in Windsor, Ont.; Michigan State University; Arizona Central Michigan College; Virginia State College; University of Richmond; Mary Washington College; Rutgers University and Fairleigh Dickinson University.

He was appointed official consultant to the Piasatic committee on human relations by the mayor of that city. Another honor which recently came to him was his appointment to a state commission to study causes and prevention of crime in New Jersey. Reprints of his articles have appeared in leading national publications.

# Students discuss ideas in literature at library meeting

A discussion group met at the Springfield Public Library last Thursday, under the leadership of Sidney Krueger. Those attending the discussion were students from the seventh and eighth grades of the Gaudinier School. The group is open to all students from the seventh grade through high school who are interested in discussing ideas in poetry, play or prose form.

Krueger began by reading selections of descriptive poetry by the late Langston Hughes and concluded with poems on civil rights by other poets. A discussion period followed the reading of each poem. The group has decided to read the play "Rain in the Sun" by Lorraine Hansberry before its next meeting which will be held in the Springfield Public Library from 7:30 to 8:30 p.m. on Thursday, March 21. Copies of the play will be on reserve for members of the group at the circulation desk in the library.

Those attending this meeting were: Diane Andrus, Meryl Atkin, Annalisa Mirabella, Judy Orbach, Robert Roth, Esther Salatz, Diane Spiegel and Jeff Steinberg. Krueger, who is associate professor of literature at Newark State College, said he would welcome any students to the group from any of the schools in Springfield from the seventh grade through high school. If there is sufficient interest among older students, a separate discussion group will be organized.

REV. JAMES DUFFECY

The Rev. James Duffecy, director of Open Air Campaigners International, which advocates outdoor preaching, will speak at Evangelical Baptist Church, 242 Shunpike rd., Springfield, at 11 a.m. and 7 p.m. Sunday.

Mr. Duffecy, who was born in Sydney, Australia, worked for an Australian newspaper before joining the OAC staff. As field director for the organization, he was instrumental in founding Open Air Campaigners in New Zealand, and he headed the team of Australians who brought the movement to the United States and Canada in 1956.

He became North American director of the movement and, with its extension to other countries, was named international director. OAC now operates in Australia, New Zealand, Canada, the United States, Germany, the Philippines and England.

# The 30-second oven cleaner 7¢

(It takes just 30 seconds of your time to whisk away the dirt. Costs less than you're now paying.)

Ladies, get your heads out of the oven. Now you can have an electric range with an oven that cleans itself automatically, for an investment of about 7¢ and 30 seconds of your time per cleaning.

You just put the surface-unit drip pans in the oven and turn a switch to "Clean". Spills and splatters disappear from the oven, racks and drip pans during the average 1 1/2 hour cleaning cycle, and only a trace of powder remains. You whisk that away in about 30 seconds.

There's no worry about scrubbing the surface units either, because spills disappear from them while you're still cooking. Only electric ranges can give you this "total cleanability".

So throw out the oven cleaners, the cans of stuff, the brushes, the steel wool, and the dirty rags. Buy a new electric range with a self-cleaning oven. You'll find a large selection at the local appliance dealer displaying the familiar Reddy Kilowatt seal. He's open right now.

## Piller, Sobel head initial gifts section of UJA campaign

Wallace Callen, Springfield chairman of the 1968 United Jewish Appeal of Essex County, this week announced the appointments of Samuel Piller and Jack Sobel as chairman and vice-chairman of initial gifts in the Springfield drive which covers both the regular UJA and Israel Emergency Fund.

Piller served in the same capacity during last year's drive, and in a number of other posts in previous campaigns. He is vice-president of the Springfield B'nai B'rith Lodge and a member of Temple Beth Ahm.

Sobel has been active in UJA affairs for many years. He is vice-president of the B'nai B'rith Lodge and membership chairman of Temple Beth Ahm.

The Springfield UJA will hold an initial gifts cocktail party next Thursday, March 14, at the home of Jack Sobel, at which Judge Max Sherman will be honored.

The following are serving on the initial gifts committee: Meyer A. Blideman, Seymour S. Cohan, township committeeman, Arthur M. Falkin, Lawrence R. Goodman, Charles Hirsch, Arthur N. Kesselhaus, Howard Klesse, Edward Kurtzer, Rabbi Reuben R. Levine, Norman Lowenstein, Donald Mantel, Sidney Piller, Edward Segall, Robert F. Steinhart, Jack H. Stefelman, Jack Udin, Paul Weisman and Milton Wildman.

PLAN FUND DRIVE — Jack Sobel, left, vice-chairman of initial gifts for the Springfield United Jewish Appeal, and Samuel Piller, center, initial gifts chairman, go over plans for the campaign with Wallace Callen, chairman of the local drive.

## Lecture scheduled by minister serving city's night people

The third in the Lenten series being sponsored by the Springfield Presbyterian Church and the Wyoming Presbyterian Church of Milburn will be held next Wednesday evening at 8 in the Presbyterian Parish House, 37 Main St.

The Rev. Dr. John G. Gensel will talk of his ministry to the "night people" of New York City. Dr. Gensel is pastor to the jazz community at St. Peter's Lutheran Church, New York City, with a unique ministry to jazz musicians and others who labor at night. He has been described as an imaginative cleric giving modern expression to the ageless truth of the Christian faith. His ministry has been likened to having "a church in his pocket."

Between 1960 and 1965, Dr. Gensel divided his time between his regular congregation, the Advent Lutheran Church in Manhattan, and the jazz community of night people. Then, on May 1, 1965, he began full time to work with the jazz community and was given three to five years by the board of his church to develop this jazz ministry. An informal discussion period will follow Dr. Gensel's presentation.

## Local corner leading fender-bender derby

Springfield is Number One, at least in the terms of a traffic accident survey announced this week by Alfred H. Linden, chairman of the County Planning Board. The survey listed the 25 most hazardous county road intersections, based on reports for 1963 through 1965.

Tops on the list was the junction of Springfield avenue, Baltusrol way, Milburn avenue, and Morris avenue (Morris and Essex Turnpike), with 119 accidents during the three years, or 31 for each 10 million vehicles.

## Sgt. Sinclair serving at air base in Viet Nam

WITH U.S. COMBAT AIR FORCES, Vietnam—Chief Master Sergeant Charles B. Sinclair of Springfield, N.J., is on duty at Cam Ranh Bay AB, Vietnam. Sgt. Sinclair, a weapons superintendent, is a member of the Pacific Air Forces.

The sergeant, a 1941 graduate of Dayton Regional High School, Springfield, served during World War II and the Korean War. His wife, Gloria, is the daughter of Mr. and Mrs. William A. Brodhead of 58 Clinton ave.

## Supper, talk slated by Fireside Group

The Fireside Group of the Springfield Presbyterian Church will hold a pot luck supper next Saturday night in the Presbyterian Parish House dining room. Chateaus, salads and desserts will be shared by the members. Mrs. Joseph T. Hourani, wife of the assistant minister of the church, will address the group following dinner, telling of her experiences as a fraternal worker in the Middle East before her marriage. Mrs. Hourani was very active in the women's work of the church in Syria and Iran, where she served as a teacher and evangelist. Before going to the Middle East, Mrs. Hourani worked with migrant workers in Colorado.

special-purpose rooms not fully utilized this year.

The principal also noted that the additions would be "external," and that construction would not interfere with the present facilities. Internal renovations, he stressed, could be done in the summers, without interfering with regular classes. He also noted an anticipated increase of about 50 Springfield students and said that the school could also absorb those youngsters.

DEL VECCHIO asked what alternatives are planned if the referendum should fail of passage.

Mrs. Waldt replied that the board had no other plans, and that the high schools would eventually be forced to go on double sessions. She added that the fault for present obsolete or otherwise unsatisfactory conditions at Dayton, which was opened in 1937 as the region's first high school, lies with all the people of Springfield. "We didn't ask for things for 30 years," she declared, "and so we didn't get them."

Falkin commented, "We're tied into a package deal. We must take it all" by voting for the referendum "or get nothing."

Mrs. Waldt pointed out that the operating budget for next year includes \$70,000 for repairs at Dayton.

Committeeman Henry J. Bultman asked, "Why can't students be allocated differently within the district? Will we peak here in the number of students, then end up with empty classrooms?"

Mrs. Waldt declared that the educational trend is toward smaller class sizes and that "we will need all the space we will have."

In response to a question from Mrs. Harry Einstein, president of the Springfield League of Women Voters, La Vannure said that study periods will be held in the auditorium balcony and in the cafeteria, as appropriate. He stressed there would be no classes in either place.

JOHN GACOS, a member of the Springfield Board of Education, asked how far into the future school population figures had been projected in the new expansion plans; Mrs. Waldt said that the new facilities should suffice for at least 10 years.

Mrs. Ruth Weisman, another member of the local board, noted that the plans were based on predictions up to 1975. She added that school population should be stable throughout the district, except for Clark and Berkeley Heights.

In response to another question, La Vannure said that all regional facilities will be used up to or above their maximum during the construction period of the next two years, except for about 50 seats in Kentworth.

Mrs. Weisman commented that she feels expansion at Gov. Livingston "would be detrimental to the district as a whole. Should all this take place at the one school?"

La Vannure said that there is insufficient land for major expansion at Dayton or at David Greary Regional in Kentworth.

August Caprio, a member of the local board and an administrator in the regional schools, commented, "I have heard criticism that Gov. Livingston is the favored school, but the curriculum is the same in all four schools."

MRS. SONTA DORSKY, also a local board member, read a letter sent out last spring from Gov. Livingston, warning of the sacrifices which would be required if overcrowding is not relieved. She stressed that many of the sacrifices mentioned have been standard practice at Dayton.

La Vannure responded, "As principal, I would be the first to complain if we were overcrowded. We are not getting what we need for quality education. We will have special small class rooms, for example, to accommodate advanced classes with as few as four students."

Mrs. I. S. Yablonsky, president of the Dayton PTA, declared, "We are not being thinking people when we vote against our children's interests because other communities are getting what they need."

Committeeman Robert G. Planer closed the meeting by expressing thanks to the local school board members and high school staff who had attended the meeting, as well as to all others who participated.

## Play to be shown at Kaffeeklatsch

Highlighting the Summit YWCA's Wednesday morning Kaffeeklatsch on March 13 will be an original play entitled "Twenty and Three-Quarters." The satirical comedy was written by Mrs. W. F. McKissack Jr., of Summit and Mrs. William McKee of New Providence. The comedy spoofs some of our current ways of life.

Kaffeeklatsch will begin with coffee and conversation at 9:45 a.m., followed by the hour-long program. Concurrent dance and rhythm classes are available for preschoolers, and babysitting is provided for children 18 months and over.

### Caldwell play-offs keynoted by upsets in opening contests

Upsets and tightly-played games were the keynote for the opening round of the Caldwell Small-Fry League basketball play-offs. The biggest upset of the season took place last week, as the league champions, the undefeated Billikens, were defeated by the lowly Lakers by a 7 to 6 score. The Pistons were also upset and knocked out of further competition, as the Aggies halted them by an 8 to 7 score. The Bullets squeezed by the Knicks in another contest by a 15 to 14 score, and the Celtics advanced by downing the Nats, 15 to 10.

The Lakers triumph over the Billikens was a stunner. The Bills presented a powerful all-winning team during the regular season, while the Lakers were able to win but one of eight games played. Two weeks ago, the Bills crushed the Lakers 26 to 6 in a regular season game. The Lakers defeated the Billikens with stubborn defense and a final period rally sparked by Carl Melroy and Jerry Kaehlblein. Carl scored the winning bucket and led the team with three points. Kaehlblein, however, was the star of the game. Jerry tallied an opening period bucket and played a stellar court game. Joe Faranella added the Laker cause with two for two from the free throw line. Jim Catapano led the Bills' attack with three points and some strong board work. Kenny Mercer was outstanding in the Billiken lineup. Ken tallied a bucket and played a top game at both ends of the court. Mitch Buffington hit a key throw for the Bills.

The Aggies, with their vaunted zone defense, topped the Pistons offensively, pulled off another upset by an 8 to 7 score. The Pistons, who were the league's number two squad during the regular season, could not get untracked against the Aggies. Bob Fleischman played a top game for the Aggies at both ends of the court. Bobby led all scorers with six points. Elliot Melamed netted an important bucket for the winners. Ted Johnson and Gegg Prussing were outstanding for the Pistons. Teddy hit an opening-period bucket, and Gregg contributed three points. Both boys played well both ways for the losers. Steve Pepe also contributed a good game for the Pistons. Steve hit an early basket to get the Pistons away fast.

The Bullets tipped the Knicks in another opening-round game last week by a 15 to 14 score. Joey Knowles and Jeff McQuaid led the winners in this evenly played game. Joey was the scoring leader with six points, while Jeff was the spark to their attack. Jeff also scored well, as he netted four points. Jess Greenstein with three points and Jim Lopez

with a bucket were the other Bullet point makers. Dave Garner, Bill Phillips and Neal Lesser all played well in the Knicks attack, which drew within an eyelash of upsetting the Bullets. Neal and Billy each scored five points on two-goals and a foul, while Dave tallied a pair of goals. Keith Hoffman and Johnny Scarpone also played well in the Knick line-up. The Celtics were the last team to advance to semi-final play, as they knocked off the Nationals by a 15 to 10 score. Bruce Blumenfeld was the top player on the floor in this game, as he paced the Celts with 11 points and set the tempo of the game with his fine floor play. Sal Popililo and Phil Zisman each netted a field goal for the Celtics to add to their game winning total. Rick Morris was outstanding in a Nat uniform. Rick tallied six points, rebounded well, and directed the National attack. Brian Deutsch and Dennis Doros each hit a bucket for the Nats, who were dropped from further competition. The Celtics will go against the Aggie defense in a 1:30 p.m. semi-final contest this Saturday. This second semi-final game will feature the upset-minded Lakers against the Bullets.

chairman, Standing, left to right: Mrs. James Irwin, Auxiliary ways and means chairman; Mrs. D. Matthew Duff, president of the auxiliary; Mrs. Walter Groner, general Twig chairman; Mrs. H.F. Colvin, ticket chairman; Mrs. E.W. Martin, secretary, was absent.

### Overlook Auxiliary completing plans for fair, bazaar in spring

"Meet me at the fair," is the theme of the Women's Auxiliary of Overlook Hospital which will hold a fair and bazaar May 17 and 18 at the hospital in Summit. The hospital's lobby, auditorium and several other large rooms on the fifth floor will feature hundreds of items for sale. They will include baked goods and casseroles, white elephants, antiques, paintings, fresh flower arrangements and a variety of items, ranging from ceramics to patio slippers, made by Twig units of the auxiliary. The auxiliary has spent more than a year in preparations for the fair. An auxiliary spokesman declared, "If anyone has some of the following items to donate, the auxiliary is looking for white elephants, antiques and art treasures. Please call the bazaar town chairman, Mrs. John Donohue of 112 High Point dr., 277-6311, or the publicist,

### Tigers move into first place in Friday Bowling League

The Tigers, after being out of first place for a week, moved back into a tie for the top spot with the Falcons, as they tripped them in two important games last week in the Friday Afternoon Boys' Bowling League. The Tigers and the Falcons have been in a battle for first place for the past eight weeks of league play. The Falcons have never been removed from the top spot, although they have been tied by the Tigers on many occasions. The boys roll in this Recreation Department-sponsored league each Friday at the Springfield Bowl.

Barry Fink was once again the Tigers' leading bowler last week. Barry topped the 300 series mark for the first time this season, as he posted games of 190 and 116. Barry totaled 306 for the match. Steve Harris also rolled well for the Tigers. Steve turned in a 244 series. Joel Goldberg, rolling over his average, helped the Tigers with a 225 series. Mike Lovine was back on the team for the Falcons last Friday. Mike spun a 284 series for the birds. Billy Palazzi also was effective in the Falcons' column. Bill rolled a 249 series.

The Royals moved to within three games of the top, as they split two games with the Warriors. Arnie Blumenfeld paced the team, as he led the Royals with a 221 series. Perry Koplik rolled well for the Royals turned in a 251 series. Ed Gerstein and Roy Greenberg were the top men in the Warriors' charge. Ed rolled a 243 series, while Roy topped 234 pins in the match.

The Chiefs, a hot team in past weeks, took another pair of games last week, as they swept from the faltering Chargers. Gary Nelford paced the Chiefs with a 282 series. Gary, rolling at a steady pace, posted games of 149 and 133. Wayne Mungers, who has been coming like the wind, rolled a 231 series as he continued to move his average toward the century mark. Stuart Liebeskind, Thursday's top bowler, joined the Charger team last week and paced all bowlers with a 312 series. Stu rolled games of 161 and 151. The afternoon's final match ended in a sweep of two games for the Hawks over the Rangers.

Stu Garawitz paced the winning attack for the Hawks, as he rolled a 242 series. Tommy Lowy and Mike Kiarfeld were the pace-setters for the Rangers. Tommy led all bowlers in the match with a 285 series, while Mike finished in a highly respectable 265 series. Gary Nelford's 145 season average continues to pace the league's bowlers. Gary holds an 11-pin lead over his nearest rival, Tommy Lowy. Tommy is rolling at a 134 pace this season. Roy Greenberg is third with a 122 average. Arnie Blumenfeld is in fourth place with a 125 mark, while Perry Koplik holds the fifth spot with a 121 average.

# Memorial spends \$200,000 on new radiology equipment

Memorial General Hospital, Union, is completing an extensive renovation of its radiology department and is purchasing \$200,000 worth of new equipment for the expanded facilities, a spokesman said this week.

The renovation, part of the hospital's comprehensive expansion and modernization program, was begun last June and is expected to be finished this spring. Services have continued uninterrupted during the transition period despite the fact that the department's work load has increased 25 percent in the last year, the spokesman said.

The remodeled department will have approximately double the floor space of the original layout. The additional space was gained when the two operating and scrubbing rooms were moved to a different section of the hospital, allowing the x-ray department to use both sides of the west wing corridor

adjacent to the emergency room.

The renovation will increase the number of diagnostic rooms from two to four. There also will be an isotope room, technicians' room, secretarial and administrative offices, and offices for Dr. Samuel Santaspirt, department director, and Dr. Morton Abend, associate director.

THE DEPARTMENT HAS purchased two diagnostic x-ray units, each costing about \$70,000, which have special television hook-ups.

Additional new equipment includes a two 90-second film processors and a 10-second processor for operating room work. The latter is the fastest developed so far, the spokesman added.

A pho gamma camera, which Dr. Santaspirt calls "the ultimate piece of equipment for isotope studies," also has been purchased.

In addition, a bank of eight illuminators has been installed for physicians who formerly had to use illuminators in the director's office to scan x-rays. A new area with eight individual dressing rooms has been provided for patients.

"We are doubling our work and at the same time doubling our space and our equipment," Dr. Santaspirt noted. "But most important, the department is doubling its capability. When the renovation is completed, we fully expect to cut to one hour the time from patient examination to evaluated x-rays."

## ABC newsmen, NAACP aide to speak at rally in Vauxhall

ABC news correspondent Malvin R. Goode and NAACP executive Edward B. Muse will be guest speakers at the membership rally for the National Association for the Advancement of Colored People to be held March

22 at 8 P.M. at the First Baptist Church, 5 Hilton ave., Union.

"The rally may be particularly important because the long hot summer approaches and what Goode and Muse say may give some insight into the role the NAACP will assume in the next few months. Now the NAACP seeks widespread support from whites and blacks to join in a positive effort to do something about the conditions that lead to riots," a spokesman said.

## Series of programs to end at Beth Ahm with talk by lawyer

"Prelude to Victory" will hold its final program on Sunday evening, 8 p.m., at Temple Beth Ahm, Springfield. It was announced by Mrs. Marcus C. Nusbaum, president of the New Jersey Region, Zionist Organization of America (ZOA). The series is being co-sponsored by Temple Beth Ahm and Temple Shalom of Springfield.

Harry Torczyner, international lawyer and graduate of Columbia Law School, who served as counsel for political affairs to Africa and Latin America, will be the guest speaker. He is the chairman of the ZOA, Public Affairs Committee.

In his address "Aftermath of the Six Day War," Torczyner will analyze the problems posed by Israel's lightning victory. He will also speak on the relationship of Israel and world Jewry and the prospects of peace in the future. Torczyner brings to the lecture platform an authoritative grasp of current political trends, together with a deep understanding of the fundamentals of Zionism, Mrs. Nusbaum said.

Participating synagogues are: Beth Shalom, Dr. Elvin I. Kose, Union; Bnai Israel, Dr. Max Grossenwald, Millburn; Jewish Community Center of Summit; Rabbi William Horn, Summit; Temple Beth El, Rabbi Sidney Shanken, Cranford; and Temple Israel, Rabbi Gerald Zeltzer, Union.

## Show travelogue on Pennsylvania

"Pennsylvania," a color sound movie will be shown at the Union County Park Commission's Trailside Nature and Science Center, in the Watchung Reservation, Mountainside, on Sunday at 2 p.m.

The film, a travelogue, takes the viewer on a tour of the State of Pennsylvania from Philadelphia to Pittsburgh, with stops in the historic area of Valley Forge and Gettysburg.

On Monday, Tuesday, Wednesday and Thursday, March 14, at 4 p.m. each day, Donald W. Mayer, director of Trailside, and Miss Irma H. Heyer, educational assistant at Trailside, will present one-half hour nature talks for children. The topic to be discussed during the four days is "Life at High Altitudes." The lectures will be illustrated with color slides.

The Trailside Nature and Science Center is open to the public each weekday, except Friday, from 3 to 5 p.m.; and on Saturdays, Sundays and holidays, from 1 to 5 p.m. The public is invited to visit the Nature Center, view the thousands of indoor exhibits, and participate in the scheduled programs, a spokesman said.

## Vision Week under way

The importance of good vision and means of protecting it being stressed this week with the annual observance of Save Your Vision Week, Dr. Leonard Strulowitz, president of the Union County Optometric Society, announced.

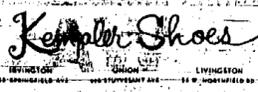

"Save Your Vision Week is a national, concentrated effort to draw the attention of the American people to their vision and its care," said Dr. Strulowitz. "Goals during this week are to remind people not to take their eyesight for granted, but to remember that it is their most precious sense; to remind them that proper care and safety measures are necessary if good vision is to be preserved, and that an annual professional vision examination is essential to detect any subtle vision changes and to detect any problem before it becomes serious.

"It is easy to realize the importance of good vision, to realize how much we depend on it for nearly everything we learn and do during a normal day -- how many could be done easily without good vision? Without full sight, we would be badly handicapped in our everyday lives. During this week, we hope everyone will ponder these things," Dr. Strulowitz said.

This is the 41st annual observance of Save Your Vision Week, which is officially proclaimed by joint resolution of Congress and by the President.

## SUNDAY'S SERMON

**FAME AND MEN**

Fame is not the greatest mark of worldly achievement, yet some men pursue recognition and worldly honors with great energy. They forget that, in the final analysis, it is not so much what a man does as how he does it.

Often, when some quiet man passes from the scene, he leaves behind a precious legacy -- the memory of a good life. Think of some friend you may have lost. Didn't someone say, and mean it, that "he lived a good Christian life?" There is nothing wrong with fame and achievement. Each man should strive to the fullest to use all of his God-given talents to make the most of his allotted time on this earth. But the good life is a life of giving and taking -- not just one or the other.

There is no greater life than a life of Christian service and devotion -- to God, to family and to friends, and to one's self.

The rewards are sometimes not great in this world we live in.

Yet for those who shall never become so great as to inscribe their name in history's pages, there has to be satisfaction in the knowledge they can leave some kind of mark along the trail of life. It is somewhat in the essence of a legacy or, if you prefer, a kindly remembrance in the minds and hearts of people they leave -- not along the way.

## 2 hikes slated this weekend

Two hikes are scheduled for the members and guests of the Union County Hiking Club this weekend.

On Saturday, Miss Irma Heyer of Elizabeth, will lead a six-mile afternoon hike in the South Mountain Recreation. The group will meet at the Locust Grove parking area, near the Millburn Railroad Station at 1:30 p.m.

On Sunday, Fred Douby of Union, will lead a 10-mile hike along the Kakiat Trail in the Ramapos. The hikers will meet at the administration building of the Union County Park Commission, Warnanco Park, Elizabeth, at 8:30 a.m.

Further information may be had by contacting the recreation department of the Union County Park Commission.

## City Federal plans new building start

Construction of the permanent building for the Cranford office of City Federal Savings and Loan Association will begin within the next 10 days, according to an announcement this week by Everett C. Sherbourne, president of the association.

A circular glass-walled structure with a curved cantilevered roof is the latest building designed by Edward Durell Stone for \$175 million savings institution. Van der Clute & Spies of Cranford as associate architects prepared the working drawings and will super-

vised construction. The general contractor will be Skinner and Cook of New York City and Roselle Park.

The building program, including design and construction, is under the supervision of Gilbert G. Roessner, executive vice president of City Federal Savings, assisted by S.S. Shannon, assistant vice president and building manager.

### PIANO TRIO CONCERT

Selections from Mozart, Beethoven and Schubert will be performed by Lois Shaffer, pianist, Joel Lester, violinist, and Fortunato Arico, cellist, at a Piano Trio Concert scheduled for Sunday, 3 p.m., at the New Jersey State Museum Auditorium, Cultural Center, Trenton.

## College host for seminar on science

In two-way conference held last week at Newark State College, Union, chairmen of the science departments of private and parochial schools from six New Jersey counties met for the first time to review the life-science curriculum planned at the college.

The conference included a demonstration of the Gamma-50, first gamma irradiator ever developed for nuclear science experimentation in schools.

Exchange of ideas and review of high school requirements for college candidates took place in a series of discussion periods during the afternoon. During the cooperative seminar, it was pointed out that new teaching methods, techniques and laboratory tools will be needed for study of nuclear science in the 1970's.

The seminar was conducted under the direction of Dr. Herman Lepp, chairman of the Science Department of Newark State. In conjunction with Milton Packin, president of Radiation Machinery Corporation, Parsippany, Packin's company recently developed the new Gamma-50, first gamma irradiator ever made for classroom use. Radiation machinery has provided a unit for use in Newark State's science department. The Gamma-50 will be used in a new curriculum planned by Dr. Lepp for life-science studies at Newark State. The unit was displayed and its uses explained to educators at the conference.

BRUSHING UP FOR EXHIBIT -- Mrs. Jerome Miller, left, and Mrs. Stanley Levy, both of Union, discuss upcoming art exhibit sponsored by the YM-YWHA of Eastern Union County to be held March 16-20 at YM-YWHA on Green Lane, Union.

## Art exhibit scheduled at 'Y' building in Union

The YM-YWHA of Eastern Union County will hold its annual art exhibition and sale from Saturday, March 16 through Wednesday, March 20, at the YM-YWHA, Green Lane, Union. The show, under the sponsorship of the organization's Women's Division, will include lectures and gallery tours, two ladies day luncheons and three children's workshops.

The show will be launched at an opening night reception and preview showing for patrons and sponsors on Saturday evening, March 16. The 200 patrons will receive a lithograph by contemporary artist Neil Blaine, specially commissioned for the occasion.

On Sunday, March 17, the first full day of the show, gallery tours will be conducted by art critic Edward McCarthy at 3 p.m. and by artist Louis Spindler at 8 p.m.

Ladies Day luncheons are scheduled for Monday and Tuesday, March 18 and 19 beginning

at 11:30 a.m., and at 1 p.m. on both those days. W. Carl Burger, Assistant Professor of Fine Arts at Newark State College, will conduct a gallery tour. A similar tour will be given at 8 p.m. Monday by Michael Lenson, Newark artist and newspaper critic.

Three children's workshops in arts and crafts will be held Sunday afternoon from 1 to 2, 2:15 to 3:15 and 3:30 to 4:30 under the direction of George Troglor, art instructor in the Elizabeth public schools.

On Wednesday, March 20 at 9 p.m. there will be a drawing for a painting by a major artist. Nine residents of Union are serving on various art show committees. They are: Mrs. Ramon Altman, Mrs. Leon Goodman, Mrs. Francis Gordon, Mrs. Robert Kaiter, Mrs. Alex Kramer, Mrs. Herbert Levenberg, Mrs. Stanley Levy, Mrs. Jerome Miller and Mrs. Phillip Owen.

## Six colleges start student leader unit

The Day Session Student Council of Union College, Cranford, will be host Saturday at the first official meeting of the New Jersey Student Government League of Junior Colleges.

Four-man delegations are expected to attend from Union College, Atlantic County College, Camden County College, Mercer County Community College, Middlesex County College, and Ocean County College.

The league adopted a constitution at a recent meeting at Middlesex County College, Edison. The organization's objectives are to promote intercollegiate spirit through an exchange of programs, ideas, and experiences, to serve as a channel of communication among the junior colleges in New Jersey, to stimulate mutual cooperation among the junior colleges in New Jersey, to express a united opinion in support of its individual members, to aid and assist new junior colleges in New Jersey, and to provide a nucleus of cooperation and coordination whose influence will have a definite effect in the shaping of New Jersey's educational policies and practices.

All the member colleges are public institutions except Union College, which is an independent "two-year college of the academic disciplines."

Among those representing Union College will be Donald Goerlich of 2043 Stowe st., Union.

## Sabbatical begun by UC president

Dr. Kenneth C. MacKay, who has been president of Union College, Cranford, for the past 20 years, began a year-long sabbatical leave on Friday, Dr. Kenneth W. Iversen, dean, has been appointed acting president by the board of trustees.

On Tuesday, Dr. MacKay left for Paris where he will serve this spring as a consultant to the American College in Paris, a two-year liberal arts college serving children of American families stationed overseas.

Dr. MacKay also plans to serve on several evaluation teams for the Middle States Association and to do some consulting in the two-year college field.

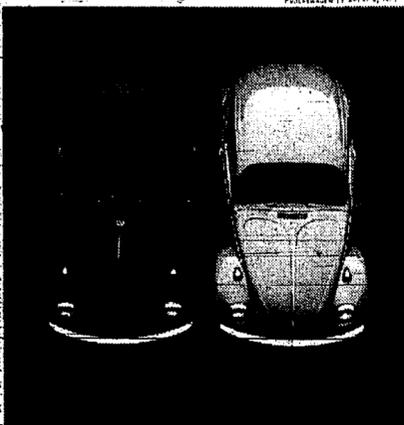

Dr. MacKay's other plans are still indefinite. He will, however, continue to serve on the executive committee of the Commission on Higher Education of the Middle States Association of Colleges and Secondary Schools, and the New Jersey Higher Education Facilities Commission.

Dr. Iversen will represent Union College on the board of directors of the New Jersey College Fund Association, and on the Association of Independent Colleges and Universities in New Jersey.

## Swackhamer elected by professors' group

Prof. Farris S. Swackhamer, chairman of the chemistry department of Union College, Cranford, was elected president of the Union College Chapter, American Association of University Professors, at its annual meeting yesterday.

Prof. Swackhamer, who was elected vice president a year ago, has been serving as president since July, 1967, when Prof. Saul Orkin of Hillsborough Township, chairman of the Social Sciences Department, resigned when he accepted a position as dean of the new Somerset County College, Somerville.

There are a lot of good cars you can get for \$3400. This is two of them.

If you don't happen to need two cars, there's only one thing that you need less. One car that costs as much as two cars.

Unless you want to pay a lot of money for a lot of horsepower that you'll never use. There's only one state in the country where you can go faster than a Volkswagen—Nevada. (No speed limit—they're big gamblers out there.)

The only extra horsepower you really need is for all those power gadgets. Which you need to drive a car that size. Which has to be that size to hold all those horses.

All of which also makes the average car cost almost as much to run as two Volkswagens. Considering a VW gets as much as 27 miles to a gallon of gas.

But if you're still not sold on the idea of two bugs for the price of one beast, why not take advantage of this special introductory offer: one Volkswagen for half the price of two.

## Dun & Bradstreet lists County firms

Richard F. Morgan, district manager of the Newark office of Dun & Bradstreet, Inc., announced this week that the business population of Union County is 8,400 basing his facts on a physical count of the Jan. 1968

Thursday, March 7, 1968 - edition of the Dun and Bradstreet Reference Book.  
The reference book lists those manufacturers, wholesalers and retailers who seek or grant commercial credit, but it does not include some of the service and professional businesses, such as beauty and barber shops, security dealers and real estate brokers. Therefore, the figures for total business in the US would be higher than the three million business concerns listed in the book.

## Two hearings next week on school district study

The New Jersey Committee to Study Reorganization of School Districts will hold public hearings in central and northern New Jersey next Monday and Tuesday.

On March 4, a hearing will be held from 7:30 to 9:30 p.m. in the first floor conference room of the State Education Department Building, 225 W. State st., Trenton.

On Tuesday, a hearing will be held from 7:30 to 9:30 p.m. in the band practice room of the Clifford J. Scott High School, East Orange.

Mrs. Ruth D. Mancuso, chairman of the study committee, said that individuals

or groups who want to express their opinions in writing should forward them to Louis A. Dughi, 225 W. State st., Trenton or present them personally to the committee at the hearings. Dughi is director of the State Department's Office of Federal Assistance.

Mrs. Mancuso said that the purpose of the hearings is to give citizens and groups an opportunity to express their views on reorganization and consolidation of school districts. The study committee was formed in January, 1967, by the State Department of Education. It has received a base-line study report from the school consultants firm of Engelhardt, Engelhardt and Leggett. The committee expects to complete its report and recommendations by June 1.

Mrs. Mancuso, a member of the Glassboro Board of Education, is president of the National School Boards Association. The 19-member study committee is composed of school business officials, school superintendents, county superintendents and members of local boards of education.

Mrs. Mancuso has contacted several education organizations, soliciting their opinions. These include the Federated Board of Education, the Association of School Administrators, the New Jersey Education Association, the Secondary School Principals Association, the Elementary School Principals Association, the New Jersey Congress of Parents and Teachers and the Federation of District Boards of Education.

## Record enrollment expected at Seton summer sessions

Advance indications point to a record summer school enrollment at Seton Hall University this year with eight different programs being offered on a daytime and evening educational basis in South Orange and Paterson from June 3 through Aug. 9.

Miss Miriam O'Donnell, director of the summer school, said that study will begin in South Orange with a three-week daytime inter-session from June 3 through 21.

The School of Business Administration will present a graduate session in South Orange on Monday and Thursday evenings from June 17 through Aug. 8. A special science and mathematics offering consisting of two four-week sessions will be conducted on the South Orange campus from June 24 through Aug. 16.

The School of Nursing will present a special eight-week program in South Orange during the same period.

Evening sessions will be presented in South Orange and Paterson on a Monday through Thursday basis from June 17 to July 12 and from July 15 to Aug. 9. Paterson College will also have two three-week daytime sessions from July 1 through Aug. 9.

The South Orange campus will also be the site of a seven-week NDEA Institute for high school and elementary teachers of Chinese and Japanese from June 24 to Aug. 9. The Department of Asian Studies will conduct a three-week Media Institute for college and university teachers of Chinese and Japanese from June 2 through 22 under the auspices of the U. S. Office of Education.

## Veterans finding jobs quickly after discharge from service

WASHINGTON -- Military veterans returning to civilian life found jobs faster in 1967 than during any previous year since 1958, Secretary of Labor Willard Wirtz has announced.

During 1967, ex-servicemen's longest period of unemployment averaged 5.5 weeks, compared with 5.9 weeks in 1966, 7.1 weeks in 1965 and 7.9 weeks in 1964.

The 1967 record is the lowest since the present unemployment insurance program for veterans began in 1958.

During the final half of 1967, the longest spell of joblessness for discharged veterans fell to an average of 5.1 weeks, compared with 6.1 weeks during the first half of the year.

President Johnson's program launched last August to provide returning military veterans with maximum assistance in finding jobs has been a major factor in this improvement, Wirtz said.

More than 300,000 returning veterans have been offered assistance in finding jobs by the staffs of the nation's 2,000 public employment

service offices since last August, he disclosed.

The program features direct personal contact with the returning veterans by representatives of State employment service agencies affiliated with the U. S. Employment Service.

About 850,000 GIs are expected to enter civilian life this year. In 1967, about three-quarters of a million were separated from military service.

## Director of OMI lists milk prices

The minimum prices for milk sold out of stores during March in New Jersey will be 26 1/2 cents a quart, 48 cents a half-gallon and 90 cents a gallon, according to Dr. Donald R. Nicholson, director of the New Jersey Office of Milk Industry.

In accordance with the State OMI formula, prices for home-delivered milk are three cents a quart, six cents a half-gallon and 12 cents a gallon higher than the minimum out-of-store prices.

# Coed at home diving off board or into books

Maybe it's a man's world, but nobody told Kathleen Flicker, a first-year student at Rutgers School of Law in Camden.

The youngest and only female member of the law class, Kathy has been changing masculine apprehension to admiration since she was 10 years old and started serious training as a springboard diver.

Her dedication to the sport led her to the New Jersey State and Junior National championships. As a member of the United States Maccabiah team, she won three gold medals in Israel during two of the world-wide competitions.

The 20-year-old coed believes that all girls should be athletes. She says diving has developed her coordination and has given her an opportunity to travel and to meet people.

"It's really good," Kathy admits, "you must dedicate yourself to the sport, there is as much leisure for social life, but you don't waste time waiting for the phone to ring."

The daughter of Dr. and Mrs. David J.

# Four girls' teams split their matches

The four teams in the Tuesday Afternoon Girls' Bowling League split their matches last week and the status quo held in league competition. The Strikers retained their big six-game lead over the Stars and Dancers, who are tied for second place. The girls' league is sponsored by the Recreation Department, and the girls roll at the Springfield Bowl.

Liz Simpson was the top bowler for the first-place Strikers last Tuesday. Liz paced all bowlers in the Strikers' two-game match with the Stars. She rolled a 227 series. Miss Simpson also had the top game in the match, as she rolled a first game 130. Barbara Owens was off her usual pace, but still contributed to the Striker attack with a 206 series. Carol Roesner was the top bowler for the Stars, Carol, with another steady performance, rolled a 224 series.

The Charms and the Dancers also divided two games. The other match rolled last Tuesday. Debbie Kuskin of the Dancers was the top bowler, as she posted a 246 series. Debbie's effort was the best of the day, as was her first game effort of 131. Loreta Losanno with a 190 series was also effective for the Dancers. Janice LaMotta led the Charms, Janice hit a 195 series to keep her average on the rise. Lorena Shute and Hollie Quinton also rolled well for the Charms. Both girls found the range for a 165 series.

Although Barbara dropped a few pins on her league average, she continued to hold a huge lead in the individual average race. Barbara is setting the pace with a 154 average. Carol Roesner is in second place, as she has been through most of the season. Carol is battling the pins at a 109 clip. Debbie Kuskin moved her average over the century mark last week and placed among the top bowlers. Debbie is rolling at a 101 season pace. Darlene Panckerl is fourth with a 92 average, while Ann Marie Calmus is in fifth place with a 90 season mark.

The remaining five girls among the top 10 are: Joann McGrady 84, Sue-Murphy 83, Nina Kahn 84, Liz Simpson 78 and Janice LaMotta 77.

The reason for the rush was the 1963 Olympic trials.

Kathy, who comes from a medically-oriented family, enrolled at Indiana University, which, she says, "has a good science department and one of the country's top diving coaches, Hobie Billingsley." Although she did not qualify for a berth on the U.S. Olympic team, she did place fifth in the national tryouts and "had the fun of competing."

Deciding that medicine was "not for me," Kathy said she turned toward law after earning her bachelor's degree because "it is challenging and can lead to work in many fields."

Still "knocking holes" in the "frail-female" chestnut, she is merely extending a philosophy developed in sports that women are good competitors.

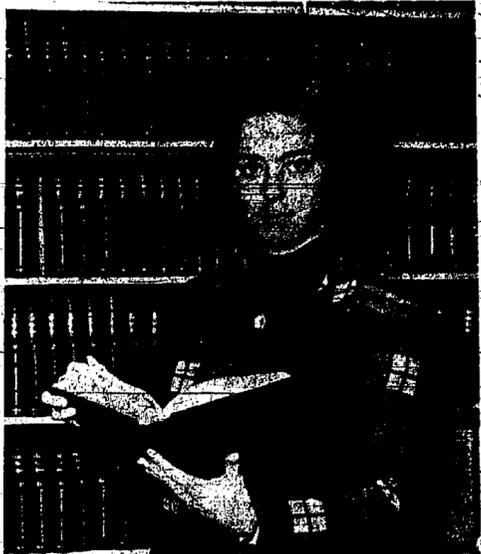

"After all, we get a lot of practice in the classroom and even in finding husbands." Marriage and a family are part of the pretty law student's future plans. But first she is combining living with learning at the Rutgers Camden campus where "I'm establishing a means of support should I ever find it necessary to provide for myself and children."

Kathy believes the existing skepticism about women in law is "simply habit." She says these built-in prejudices are breaking down and more real opportunities are becoming available to women each year.

Man's world it may be, but that hasn't stopped Kathy Flicker who wants to make her own capable way in it "because that's where I'm happiest."

BOOKS AND BOARD—Kathleen Flicker of Milltown, youngest and only female member of the first-year class at the Rutgers School of Law in Camden, is a champion springboard diver. The 20-year-old coed

says the discipline required for athletic competition is excellent training for a career in a field dominated by men.

# Foot care covered now by Medicare

Local residents over 65 years of age who are eligible for Medicare coverage are now also covered for foot care by podiatrists as a result of amendments to the Medicare section of the Social Security Act which became law in January.

Dr. Donald A. Fischer of Roselle, chairman of the Union-Excess County Division of the New Jersey Podiatry Society, said this week that the law now provides that all forms of surgical treatments of the foot, along with post-operative care, all injuries to the foot (acute trauma), treatment of infections and ulcers of the foot (as with diabetes, for example) when treated by a podiatrist are now covered for payment under Medicare.

Routine foot care, which includes hygienic care, nail cutting, treatment of calluses and warts are not services covered by Medicare, Dr. Fischer explained, nor is the cost of therapeutic devices.

Podiatrists will be paid directly by Medicare, he said, for all covered services. Since podiatrists are now included under the definition of the term "physician" in the Medicare law, for the treatment of foot ailments, the determining factor is an M.D., D.O. or D.P.S.C.

## Volkswagen introduces the automatic stick shift.

After to these many years our humble little bug has gone automatic. Gone is the clutch. Gone is the wifely whine, "It's cute, but I can't drive it." Gone is an era of Volkswagendom. Sniff. And in its place? A Volkswagen you can drive all over town without shifting. Only on the highway do you shift. Once, this is an economy move. Which, after all, is still the name of the game! But you do have a choice in the matter you can drive it the easy way I described above. Or you can start out in low and take it through the gears like a regular stick shift.

The automatic stick shift is an option you pay a little more. But you do a little less.

is the world's first fully electric typewriter at a half-way reasonable price.

**ROYAL**

ROYAL TYPEWRITER COMPANY, INC. A DIVISION OF LITTON INDUSTRIES

The new Ultronic by Royal has an electric carriage return before available at a price this low. It also has an electric tabulator, electric backspacer, a repeat space bar and a motor twice as powerful as any comparable electric. It has four electric repeat characters: underline, hyphen, period, and apostrophe. It's a fully electric typewriter in every way. Except price. In the past, the most powerful fully electric typewriter cost \$250. And even then it didn't have such Ultronic features as Magic Margit, Margit Meter scale, electric margin, electric half margin, and a detachable cord. The Ultronic is a great typewriter at any price. At \$179.50 it's in a class by itself.

### Spring fashions set by Research group, members to model

"Cruising into Spring" will be the theme for a fashion show, sponsored by the Ruth Eschin Goldberg Memorial for Cancer Research on March 18, at the Patricia Caterers in Livingston.

Fashions will be by The Clothes Nest of South Orange, owned by Mrs. Sylvia Blumenthal, and Bootery by Mrs. Jay of Millburn; all to be modeled by members of the organization.

Mrs. Carroll Berman, director of the Theater School of Maplewood, will do the commentary.

Two grants, totaling \$18,600, will be presented by the organization's president Mrs. Allan Forman to Dr. Barbara Jacobs of the American Medical Center, Denver, Colo., and Dr. Harold Somberg of the Newark Beth Israel Hospital Research Foundation.

The chairman of the evening will be Mrs. Harry Schneider and Mrs. Jules Traighten, tickets, Mrs. Alan Coen, Mrs. William Ginsburg and Mrs. Leo Richman; door prizes, Mrs. Harold Esler, Mrs. Harrison Elliott, Mrs. Abraham Muskat and Mrs. Rubin Shafritz, favors, Mrs. Leon Feldstein and Mrs. Robert Gorlin; and decorations, Mrs. Dora Pollock and Mrs. Harold Shapiro.

TEEN FASHION BOARD—Mrs. Liz Wershipl, left, and Mrs. Gloria Dempsey show one of the Stan Sommer's spring line to three members of their new teen fashion board. Looking on are (left to right) Alina Ross, Union High School; Linda Bartolomeo, Benedictine Academy, and Minda Mantell, Union High.

### Teens getting a fashion-able education

By PAT BAIRD

A well-dressed group of 16 girls and one boy, met last week in "Sommer's Alley" at Stan Sommer, 985 Stuyvesant ave., Union, for the first meeting of their teenage fashion board. According to Sommer, the store had wanted to start a fashion board for some time. "We want to know what teens in this area want. We'd like to know what their clothes budgets are, and what price ranges are best for them. We'd also like to know what styles and lengths are popular in their schools," he said.

The Sommer's board represents nine high schools in the area. They are Union High School, Cranford High School, Westfield High School, Hillside High School, Benedictine Academy in Elizabeth, Girls Catholic High School in Roselle, Abraham Clark High School in Roselle Park, and Arthur L. Johnson Regional High School in Clark. Also scheduled to participate are David Breairey Regional High School, Kenilworth, and Governor Livingston Regional High School, Berkeley Heights. According to Sommer's assistant and fashion coordinator, Mrs. Dorothy Morrison, the board members will receive a well-rounded fashion education.

EACH MONTH A different school will be represented. The students from that school will put up posters and banners and will be in charge of "trimming" one store window. All the girls will receive beauty tips and will do intermittent modeling on Saturdays. They hope to present a major fashion show at the end of the year. The board members will also have the opportunity to work at the store in their spare time.

According to Sommer, "girls should be girls and should be fashion-minded. We want to promote fashion that teens want, but not so far out it's in bad taste."

Assisting Sommer and Mrs. Morrison will be Mrs. Frank Weisnapi and Mrs. Gloria Dempsey.

The board members are Jayne Kurisko and Sallie Matthews, Cranford; Kathleen Morris and Mary Ellen Peskey, Roselle Park; Rene Haltem and Lesley Friedman, Hillside; Debbie Dunn, Minda Mantell and Alina Ross, Union; Linda Bartolomeo, Union; Kathie Eyles, and Gwyn Buttmore, Westfield; Sandy Holzhauser, Karen Herman and Sandy Weber, Clark; and Sandy Schiff and Denise Judd, Roselle.

### Suburban Carh-Ons to meet Tuesday night

The Suburban Carh-Ons, local chapter of CARH (Children's Asthma Research Institute and Hospital) will meet Tuesday at 8:30 p.m., in the B'nai Israel Nursery School, Snyvesant Avenue, Irvington.

Guest speaker will be Richard Rosenthal, director of DARE. His topic will be "Drug Addiction and Dependency." Refreshments will be served by Mrs. Bernard Brownstein and her committee.

### Legion, Auxiliary groups mark birthday during month of March

The Connecticut Farms American Legion and Auxiliary are celebrating their birthday during the month of March. A party is scheduled today for the patients in Lyons Hospital, and one will be held March 18 at the East Orange Veterans Hospital. Unit 35 will hold a bingo party at the East Orange Hospital. Prizes will be distributed, and refreshments will be served.

County visitation night will be observed at the next regular meeting of the Connecticut Farms Unit 35, American Legion Auxiliary, Tuesday, when Union County president Mrs. Patrick Colicchio, and her staff of officers will be guests of the unit. Following the meeting, a Chinese auction will be held under the direction of Mrs. Alfred Stein.

The members of the auxiliary will attend a corned beef and cabbage supper to be held by the post Saturday, March 16.

A combined post and unit birthday party will be held for the members at the post home, Saturday night, March 23. Mrs. William McNamara, president of the unit, appointed Mrs. Wacker as chairman of the affair. The 27th meeting was made at the group's Feb. 27 meeting at the post home. Among the other appointments made by Mrs. McNamara were Mrs. Paul Kifer to the county nominating committee; and Mrs. McNamara and Mrs. Wacker

as representatives at the county convention corporation meetings; and Miss Barbara Banks as chairman of the unit's birthday party to be held in May.

As a community service project, under the direction of Mrs. John Pally, a donation was made at the meeting to the organization YES (Youth Employment Services) of Union. Mrs. Pally also announced that tickets are available for the annual card party to be held at the post home on the evening of March 29. The affair will be open to the public and tickets may be purchased by calling Mrs. Pally at 686-9118.

The Auxiliary will observe Child Welfare month in April. A request was made at the meeting that each unit in the county donate money toward purchase of a gift for every child in various hospitals and institutions throughout New Jersey. Mrs. Robert Andriaman is the unit's child welfare chairman, and announced that the group will make a donation toward the project.

Mrs. Robert Kosnick and Mrs. Andrew Knox were hostesses for the Feb. 27 meeting.

### Extension Service plans series for public on consumer education

What was your last major purchase... carpeting or an electric appliance... Plumbing for your bathroom?... a car?... a house? Have you been satisfied with the purchase or did you feel ripped? Were you responsible for making the final decision?

An afternoon meeting, "How Informed Are You?" will be the first in a series of seven open meetings, beginning Wednesday. All meetings will be held at the Clark Public Library, 303 Westfield ave., Clark, from 1:15 to 2:45 p.m. Sponsored by the Union County Home Economics Extension Service, the first meeting will attempt to help you become aware of the many consumer services available to Union County residents who are wise consumers.

How many know where to look for help to locate a reliable realty agent? local plumber or architect, to remodel a home? When and where can one register a complaint if a laundry or dry cleaner loses an item and offers to replace it with one half as expensive? Do you recognize and do you understand the difference in meanings behind symbols such as "Coca-Cola," "Good Housekeeping Seal of Approval" and "ERMA"?

What are your "responsibilities" and "rights" as residents of Union County?

A panel discussion by George T. Adams, special investigator, Office of Consumer Protection, Newark; Douglas Wurzburger, manager of membership development, the Eastern Union County Chamber of Commerce, and John A. McManus, representing the Elizabeth Retail Merchants Association ("ERMA") will be moderated by Miss Mabel G. Stolte, Union County Extension Home economist. An opportunity for questions and answers will conclude the meeting.

The library is located next to the police station on Westfield Avenue. Parking is available at a municipal parking lot across the street. Somerset bus stops at Westfield avenue and Raritan road, two blocks from the library. Schedule may be checked with the bus company.

### Secretaries slate meeting Tuesday

Mrs. Cora Hoag, president of the Union County Association of Educational Secretaries, has announced that a meeting will be held Tuesday at 7:30 p.m. at the Beechwood School, Woodacres drive, Mountainside.

Mrs. Mary Finelli of the Madison School in Rahway, program chairman, has arranged to have Mrs. Ruth W. Seward as guest speaker. Mrs. Seward, manager of special events of the United Air Lines, will discuss wardrobe for women who are traveling by air. She has appeared on radio and TV and at meetings and conventions to discuss all aspects of air transportation.

The Mountainside Teachers will be Mrs. Jean Ott, Mrs. Maxine Buck, Mrs. Lois McGiffin, Mrs. Mailla Bouker, Mrs. Irma Smith, Mrs. Blanche Keller, Mrs. Joan Leggett and Mrs. Helen Spohn.

### Young Adults set dance

St. Patrick's Young Adult Club in Elizabeth, for people 21 and over, has invited young singles to its first dance of the year, tomorrow from 9 p.m. to 1 a.m. at the Parish Hall, Court street, Elizabeth. The Feathering, who record for Kapp Records, will entertain. Refreshments will be available.

### Lecture series set by 'Parents' group Tuesday evenings

A series of lectures and professionally-led, discussion groups are being offered as a community service by Parents Without Partners, Inc., Tuesdays through April 2 at the Madison YMCA, 1 Ralph Sodard dr., Madison. Sessions begin at 8 p.m. and admission is free. This is the group's 1968 SOS program.

A panel program will be held this Tuesday, moderated by Robert Alsop, Ph.D., clinical psychologist. Participants will be separated and divorced parents who will answer questions from the audience.

Mrs. Margaret Harrigan, executive director of the Summit Family Service, will discuss problems in divorce of children and their parents, on March 19.

The legal aspects of divorce will be the topic on March 26 as Jacob R. Mantel, counselor at law, discusses divorce and the law from all viewpoints.

James G. Ranck, Ph.D., clinical psychologist, will discuss on April 2 the divorced person and what he owes himself and others in the making of a new beginning.

Oscar-nominee film now in its 5th week

"The Graduate," which won a number of Academy Award nominations, began its fifth week yesterday at the Millburn Cinema, Millburn. Filmed in color and directed by Michael Nichols, the picture stars Dustin Hoffman, Anne Bancroft and Katharine Ross. It concerns an awkward young man directly out of college, who is in conflict with himself, his life and his future.

'Great Swamp' movie premiere

The only public showing of the conservation education television film, "The Great Swamp," before its release to the 133 educational television stations across the nation will be presented March 17, at the Governor Morris Inn, Morristown, the North Jersey Conservation Foundation announced this week.

With the exception of the opening New York City scene, the film, a chapter of National Education Television's "What's New" series, was filmed entirely within the Great Swamp National Wildlife Refuge located in Morris and Somerset Counties.

The 30-minute colored film is a story of a 12-year-old city boy who is exposed for the first time to an outdoor experience and some of the natural resources upon which his world will depend.

## Great abundance of dairy products on today's market

Dairy products are plentiful now and should play a major role in your menu plans, says Anne L. Sheelen, County Home economist.

Milk, cream, butter, cheese, and ice cream will all be in greater abundance during March and prices should be lower.

Dairy products are an essential ingredient for a balanced diet because of the calcium they provide. Calcium is used in the body by the bones and teeth. Each day adults should have two servings; teenagers should have four servings; and children should have three servings of milk or another dairy food. The lack of calcium in the American diet is one of the facts revealed in the recent report by Orville Freeman, United States Secretary of Agriculture.

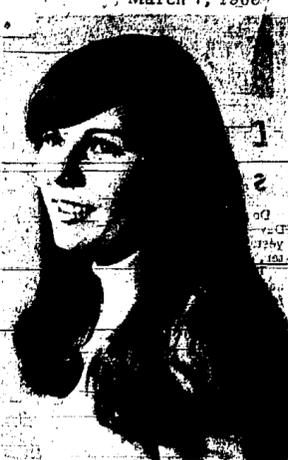

Interesting ways to include milk in the diet are achieved by serving combination dishes that have a high proportion of milk. Nautical Chowder, recipe given below, is an example of such a dish.

Whole milk, vegetables and fish are combined to produce this chowder which is hearty and nutritious. It is such a hearty suggestion that it is almost a meal in itself. A topped salad, rolls and butter, a simple dessert and beverage, are all that would be needed to complete the menu.

**NAUTICAL CHOWDER**

- 1/2 cup chopped onion
- 1/2 cup sliced celery
- 1/4 cup butter
- 3 cups diced potatoes
- 2 cups water
- 2 tablespoons flour
- 2 cups milk
- 2 teaspoons salt
- 1/2 teaspoon commercially blended herbs
- 1/8 teaspoon pepper
- 1 can (1 lb.) salmon or
- 2 cans (7-oz. each) tuna, drained and flaked
- Chopped parsley
- Lemon Juice

Saute onion and celery in butter until tender and lightly browned. Add potatoes and water; simmer until potatoes are just tender, about 15 minutes. Blend flour into 1/2 cup milk; add to remaining milk and stir into potato mixture. Add salt, herbs and pepper. Cook until soup is smooth and slightly thickened. Add fish and allow to heat. Garnish with chopped parsley and serve with few drops lemon juice for each serving. Makes seven cups chowder enough for six to eight servings.

BILL COSBY, surrounded by small boys in a touch football huddle. This is part of the opening sequence of "The Bill Cosby Special," his full-hour comedy variety program in color on NBC-TV Monday, March 18, 8-9 p.m.

### Station Breaks

Children are Bill Cosby's specialty, particularly his own. Childhood scenes will form a large part of "The Bill Cosby Special," his full-hour comedy variety show Monday, March 18, 8-9 P.M., in color on NBC-TV, and one of the scenes revolves around dozens of child pictures of all kinds hung so that the comedian can proceed from one to the other during his monologues.

### Potok novel, Hassidism Bank funds

Rabbi Samuel M. Blumenfeld will discuss "Hassidism—A Museum Piece or a Message for the 20th Century?" and "Reflections on 'The Chosen' by Chaim Potok at the Reform Temple of Union County Friday evening, March 15.

In observance of Purim, the congregation has invited the public to attend the program at the Masonic Temple, North Broad street, Elizabeth, at 8:15 p.m. Services will be followed by a reception and Purim refreshments.

### Bank funds up 11 percent

Total resources of New Jersey's banks increased to \$15.8 billion during 1967, according to figures compiled by the New Jersey Bankers Association here. There were 230 commercial and 21 savings banks in New Jersey as of December 31.

"This marks the first time that total resources of New Jersey banks have passed the fifteen billion-dollar figure and represents an 11 percent increase in the period between December 31, 1966, and year-end 1967," said NIBA President W. Robert Davis, president, Camden Trust Company.

The statistics also show an increase in total deposits from \$12.8 billion to \$14.2 billion during 1967, or 11.3 percent. In the same period the dollar value of outstanding loans held by New Jersey banks increased by \$662.7 million, or 8.2 percent.

### Gymnastics program set

A Mid-Atlantic Gymnastic Camp will be held in four sessions this summer at the Florham-Madison Campus of Fairleigh Dickinson University.

Students may register for any one of the four sessions: July 7-14, July 14-21, July 21-28, and July 28-Aug. 4. The program will offer morning, afternoon and evening instruction in all gymnastic events.

A fee of \$90 for the program includes meals, insurance, instruction, air-conditioned lodging and videotaping facilities. Applications and additional information are available from Carl Deck, North Main St., Southampton, N.Y. 11968.

### Seton Hall offers language institutes

Seton Hall University in South Orange will offer two institutes for Chinese and Japanese language teachers this summer.

From June 3-22, an Educational Media Institute for college teachers of Chinese and Japanese, under the direction of Dr. Ruth Cornfield, will feature the examination of new instructional materials, the introduction of new educational media, the evaluation of new teaching methods and the opportunity for exchange of ideas in the teaching of Chinese and Japanese on the college level.

Further information may be obtained by contacting Dr. Ruth Cornfield, director, Division of Educational Media at the university. The university will also offer an NDEA Summer Institute for elementary and secondary teachers of Chinese and Japanese from June 24-Aug. 9.

The institute, under the directorship of Prof. Fred Fungyu Wang, will be concerned with the following objectives: Introduction of the latest teaching materials, media and methodology, the imparting of a fundamental knowledge of applied linguistics, the providing of both a practical and theoretical understanding of Chinese language structure and the elevation of overall language competency.

Further information may be obtained by contacting Prof. Fred Fungyu Wang, director, NDEA Chinese-Japanese Institute at Seton Hall.

# Ask Amy

Dear Amy: I would like to know how you feel about pecking—with my girl, of course. I've been dating her steadily for about a year, I'm in my thirties and very normal in every way, but she says I'm abnormal. Do you see anything wrong in it?

Dear Amy: I'm 19 years old and I have been going steady with a boy for over a year. Lately I've been hearing things about him and one of his ex-girlfriends. He is supposed to have had two children with this girl.

He tells me these things aren't true, but I know that they are. I'm sure he's in love with both of us, and I don't want it this way. I love him too much to break up with him. What do you think I should do?  
Sallie

Dear Sallie: If the stories you hear about this boy are in fact true, stop seeing him immediately. It's not important how much you love him, what's important is how much he loves you.

If he has fathered two children with another, sans marriage license, it sounds to me like you're his next conquest.

Dear Amy: I have a son whom I love very much but at times he provokes me to the point that we have words. Mainly over money. He owes us more than we can afford or I care to state.

For the past six years we have been helping him support a failing business which he refuses to give up. He blames all his "bad luck" on everyone else but never himself, saying no one ever helped him in any way.

Recently we refused him a large sum of money for the first time, and in not getting it, he became very angry and said that he was forgetting all the other debts he owed us.

My question is: how do I get through to a 28 year old man? We've had it! I still love my son but I'm tired of buying his love and being used.  
We've Had It

Dear Had It: Unfortunately your son lacks confidence in himself, is immature and obviously has not learned to stand on his own two feet. The more you indulge him, the worse it will get.

Give him advice if he asks for it, but no more money. He must learn to think and act like a man, even if it necessitates getting professional help.

Dear Amy: It's that old problem again: Doing homework or watching television? I feel my parents are too strict, in not letting me enjoy a few favorite shows each night. They insist that I do my homework first, and if it takes me until it's time to go to bed, I'm to go to bed. I'm entitled to some relaxation, also, aren't I?  
Too Much Homework

Dear Too Much: You are too much! Many a student who watches television for hours will go down in history—not to mention Arithmetic, English and Geography.

### Princess to attend benefit March 15

Princess Margaret and the Earl of Snowdon will be the guests of honor at a "Gala Evening of Musical Theater" co-sponsored by the New Jersey Association for Brain Injured Children, in the Pelt Forum of Madison Square Garden on Friday evening, March 15.

Robert H. Zimmerman of Short Hills, chairman of the affair, said proceeds will help augment the organization's services to the estimated 120,000 neurologically-impaired boys and girls in the state.

Among the performers will be Tammy Grimes, Kitty Carlisle, Richard Harris, Lisa Minelli, Frank Sinatra Jr., Dionne Warwick and others.

Tickets may be purchased from the association's office at 67 Lincoln St., East Orange.

### MERCY FLIGHT

A mercy flight by J.E. Russell, Methodist, earned him the DFC. This first humanitarian trip by air of a doctor to a dying man on Beaver Island in Lake Michigan was made in February 1925.

### \$3.1 million spent per week by Bell for improvements

New Jersey Bell spent more than \$3.1 million a week last year in the construction and improvement of communications services. This brought the total for the year to a record \$163.5 million, it was disclosed in the company's annual report for 1967, which was released today.

Company sources have indicated that this record will be surpassed in 1968, when New Jersey Bell plans to spend more than \$20 million for construction and improvement. The cost of New Jersey Bell's Bell Telephone Service is in excess of \$1.66 billion, or 200 years ago when the company was formed. In those four decades it has grown from 580,956 telephones to 4,056,284 at the end of last year.

The company reports that its 2.2 million customers placed 17.9 million calls on an average business day last year, compared with the 2.25 million a day placed by 428,000 customers 40 years ago.

Gross operating revenues rose \$55 million during the year to \$539.2 million. Operating costs went up to \$313 million from the previous year's \$289.7. Earnings per share in 1967 were \$1.88, a decrease from \$1.97 in 1966, when there were fewer shares outstanding.

First-class telephone service included \$175.2 million in taxes in 1967, or approximately 32 cents for every revenue dollar. These taxes averaged \$79.85 for each customer.

Approximately \$129 million in taxes were paid to the federal government, and \$46 million to state and local governments. More than one third of the federal taxes, the tax was levied directly on customers.

New Jersey Bell lowered its rates twice in 1967, the report continues. The first, in February, amounted to a saving for customers of over \$4 million. About \$3.4 million of the saving resulted from reductions in night and Sunday long distance calling rates.

The second reduction went into effect in November. It applies to interstate calls and will save customers about \$1 million a year. At the end of 1967, the company announced another \$6.7 million reduction, which will be in full effect by mid 1968.

Trimline telephones, the ones with the dial or push buttons in the handset, were introduced in February of 1967. At the end of the year the company had installed 91,085 of the instruments.

Push button telephoning—Touch-Tone service—was available to nearly 87 per cent of the company customers at the end of the year. Touch-Tone installations numbered 184,151 during the year, bringing the total in service to 470,270.

### 35 students take part in art class at Hillside

Fifty-five students attended the Hillside Art Club art class held last week at the Union County Trust Company in Hillside. Ed Hughes was teacher.

The course, sponsored by Hillside Creative Arts, will continue for four consecutive weeks from 7:30 to 9:30 p.m. Mondays. It is open to all interested persons, a spokesman said.

### Federal Tax Facts

**HUSBAND AND WIFE TAX RETURNS**  
 Many married men pay more Federal income tax than necessary. They do not realize that they may file a joint return, taking advantage of a lower tax rate, even though their wives do not work or have separate income. In such cases a joint return always results in a lower tax liability.

According to New Jersey IRS Director Joseph H. Shotz, if the wife did work or had other income, they may file either joint or separate returns. He recommends that married couples in this category figure their taxes both ways and use the method which results in the least total tax liability.

All income and all deductions of both husband and wife must be reported on a joint return. Both social security numbers must be entered, both must sign the return and both are jointly liable for payment of the tax.

Failure to enter required social security numbers and to sign the return held up the refunds of 39,000 New Jersey taxpayers last year.

If they file separate returns, it is particularly important that this is reported on the tax

return. (Line 1c on Form 1040 or Line 4c on Form 1040A.) Neither can claim the other as a dependent. Both must use the same type of standard deduction, or both must itemize their deductions.

#### SOCIAL SECURITY NUMBER.

Income tax refunds of 141 taxpayers in New Jersey, who filed Forms 1040 and 1040A without correct Social Security numbers, are being held up in processing.

Even if the IRS is able to verify the correct number from Social Security Administration records, there is a delay in processing the refund, Shotz said.

If the IRS has to contact the taxpayer to obtain a correct Social Security number, which is typical in identifying the return for processing by computers, there is generally further delay, he said.

Other types of taxpayer errors are slowing IRS computer processing at the IRS Service Center in Philadelphia, where New Jersey returns are processed, Shotz noted.

### Three promotions announced by First State Bank of Union

A. Joseph Coburn of Madison has been named manager of the main office of The First State Bank of Union, Coburn, who is also secretary of the bank, had been manager of the Highway Branch. He is succeeded in that position by Laurence T. Cohen of New York, assistant treasurer. The promotion of H. Richard Minette of Springfield to manager of the Towhney Branch was also announced. Coburn has been with First State since 1957. He was manager of the Highway Branch from 1959 until his transfer to the main office. A native of Sandwich, Mass., he attended New York University and took courses given by the American Institute of Banking. He is active in Union community affairs as second vice president of the Exchange Club and assistant

treasurer of the Chamber of Commerce. A native of Richmond, Va., Cohen was with Chemical Bank New York Trust Company before joining The First State Bank last year. He has taken courses sponsored by Fordham University, the Henry George Institute and the American Institute of Banking. Cohen is active in the National Association of Police Reserves of New York, the Young Men's Aid Society and the Pelham Bay Little League. Minette is a graduate of Jonathan Dayton Regional High School, Springfield, and Bloomfield College, where he earned a bachelor of science degree. A resident of 85 Hawthorn ave., Springfield, he is treasurer of the Union Community Concerns organization.
