Chisholm School issue to dominate campaign

Committee votes two staff changes

Topics discussed by the Township Committee at its meeting Tuesday night at Town Hall ran the gamut from recreation to waste disposal, with side trips along the way to touch on speed limits, zoning and flood relief. The audience swelled to seven by the end of the evening.

Regional Board election Tuesday

The Regional High School Board of Education election will be held Tuesday from 2 to 9 p.m. in the six communities making up the district. Springfield polling places are Jonathan Dayton Regional High School, for Districts 1 to 6, and the Edward Walton School, for Districts 7 to 13.

OK school tab; \$279,415 hike over last year

The Springfield Board of Education Tuesday night adopted a \$2,347,137.20 budget for the 1969-70 school year. The budget is an increase of \$279,415 over the 1968-69 tab.

The public hearing at Gaudineer School was lightly attended. The budget will go before the voters on Feb. 11 in the annual school election.

Course scheduled in framemaking by recreation office

The Springfield Recreation Department is planning a framemaking workshop designed to interest artists, art lovers and interior decorators.

Robert G. Planer, the governing body voted to change two recreation Department staff members from part-time to full-time status. They are Mrs. William Johnson, program coordinator, and Mrs. Ann Lisa, secretary.

Committee member Arthur M. Falkin, recreation commissioner, and Mayor Philip Del Vecchio stressed that the changes are needed for an expanded recreation program, with use of the old library building to begin in the next few weeks.

Planer objected, however, that he felt the recreation staff was growing too rapidly. Del Vecchio said the added services are required to "develop continuity" with Edward Ruby, recreation director, expected to retire in August.

PLANER REPORTED that the committee is investigating alternate means of solid waste disposal, for use in the event prices for garbage collection continue to increase.

At the same time, committeemen girded to repel an anticipated new effort to raise the limit on S. Springfield avenue above the recently adopted 35.

Committee member Raymond Forbes reported on a letter from the N. J. Division of Motor Vehicles, asking for a new speed check on the recently repaved portion of S. Springfield avenue, to determine if the new 35 mph limit is sufficient.

The committee voted to reply that the "time is not propitious" for a speed check, at least until the paving is completed by county workers, and that the township has no interest in any sort of raising the speed limit.

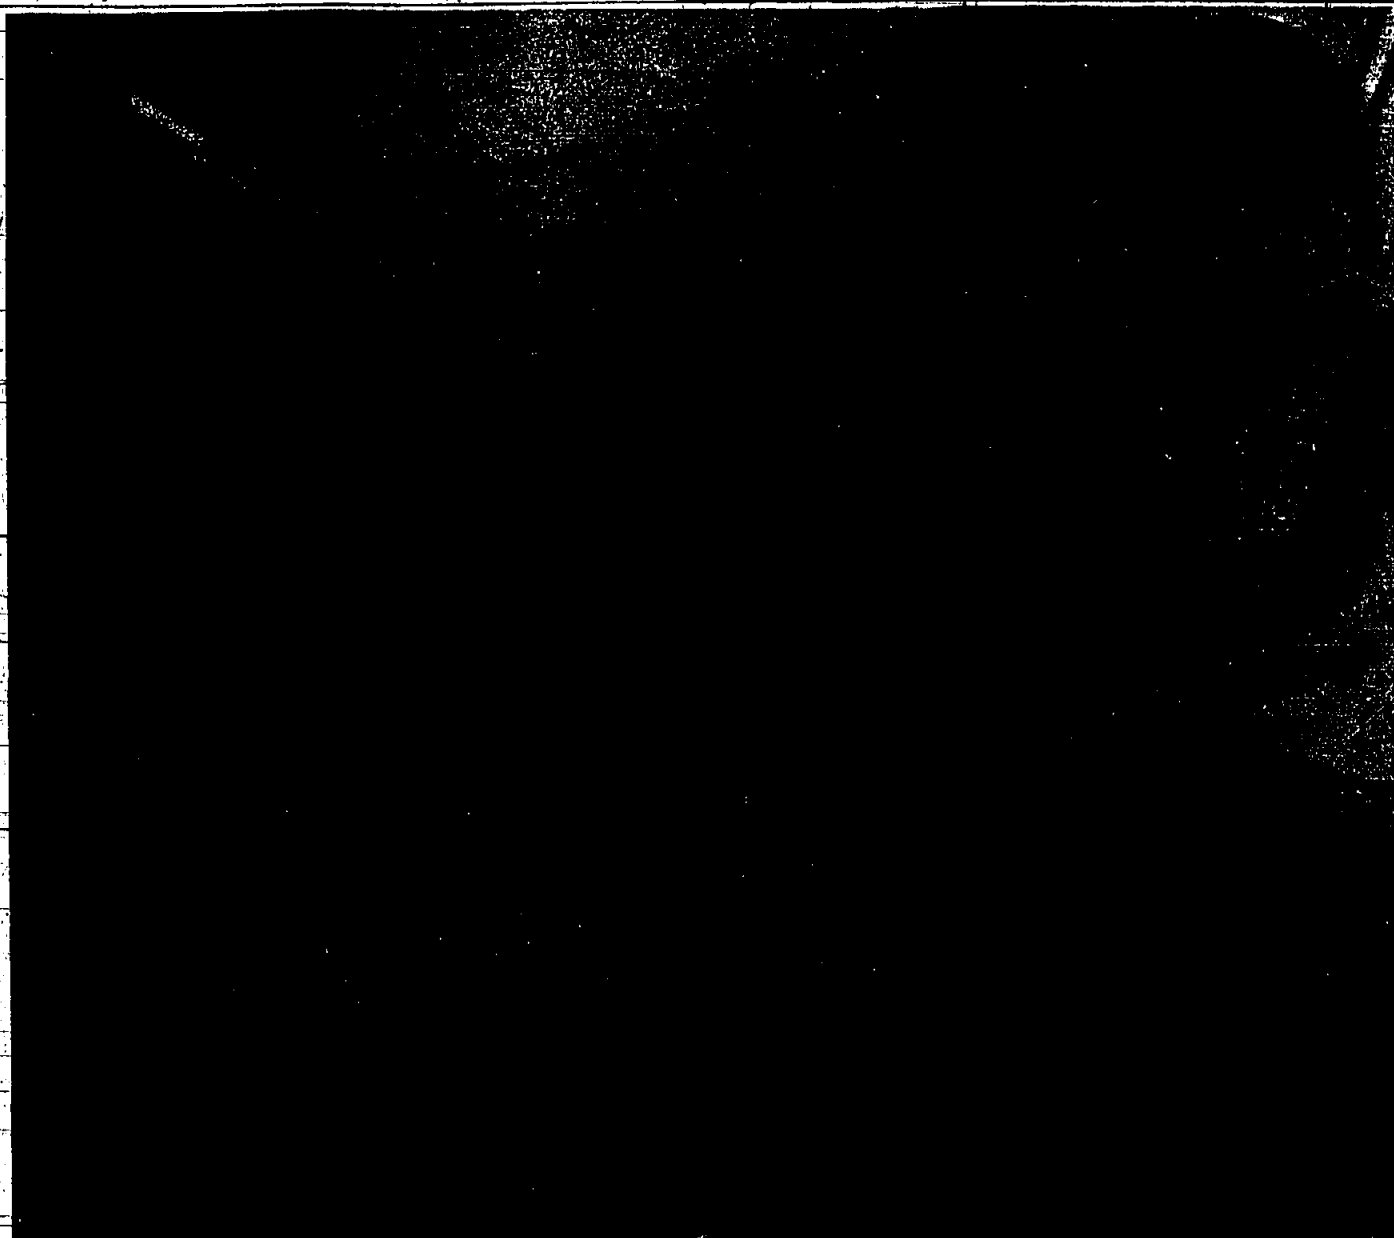

Edward Cyr, town traffic consultant, commented that the letter seemed to be an encroachment on municipal authority.

Committee member Henry Bultman reported that the Union County Planning Board had endorsed a local proposal to change traffic patterns at the intersection of S. Springfield avenue, Shumpke road and Milltown road, in the vicinity of the Raymond Chisholm and Florence Gaudineer schools, St. James Church and school and Temple Shalom.

Bultman also reported receipt of \$14,100 in federal funds to pay for damage to mind.

Volunteer firemen to hold fund drive

Members of the Springfield Volunteer Fire Department will conduct their annual fund drive on Sunday, Feb. 8, according to Ralph DeFino, fund drive and dance chairman. The drive is held to raise funds for the operation of the Volunteer Fire Department.

HANDS OF FRIENDSHIP — Mrs. Melvin Zeller, right, and Mrs. Peter Eick display signs which will indicate homes of block parents under the new 'Operation Helping Hand' project at the Edward Walton School. Looking on, from left, are Misses Joan, Joyce, Peter and Andrew Allan, principal Mrs. Zeller is president of the Walton PTA, sponsor of the project.

'Operation Helping Hand' will start in Walton School district next week

'Operation Helping Hand' will go into effect next week in the Edward Walton School district. According to Mrs. Robert D. Hardgrove, juvenile protection chairman of the Walton Parent-Teacher Association.

Open meeting planned Feb. 6 by New Democratic Coalition

An invitation to Springfield residents has been extended by the New Democratic Coalition of Springfield to attend an evening called "Chicago on My Mind" on Feb. 6 at 8:30 at the National State Bank.

Local Democrats hear address by county chairman

James J. Kinneally Sr., Democratic chairman of Union County, addressed the Springfield Democratic Committee at its January meeting. Kinneally has been active in Union County politics more than 30 years.

Dr. Siegel speaker tonight at meeting of high school PTA

Dr. Siegel is a new member of the staff this year, and this will be the first opportunity for parents to hear him. In his position, which has been newly created, he works directly with the coordinators and principals for the improvement of instruction, curriculum development and articulation with constituent districts.

PRAYING TOGETHER — Local clergymen taking part in the service of Christian unity held last week at St. James Catholic Church were, left to right, Msgr. Francis X. Coyle, St. James; the Rev. James Dewart, Springfield Emanuel Methodist; Rev. Paul Koch, St. James; Rev. Dr. Bruce Evans, First Presbyterian; Rev. Kenneth Stump, Holy Cross Lutheran; Rev. Rocco Constantino, St. James; Rev. Clarence Alston, Antioch Baptist; Rev. Edward Oehling, St. James.

Dr. Siegel has degrees from Union College in Schenectady, Harvard University and Teachers College, Columbia University. He has had a varied experience in teaching in the Schenectady area including lecturing at Union College. His work has included that of curriculum consultant as well as coordinator and/or instructor of courses in reading materials, language arts workshops and teaching of disadvantaged.

Candidates at odds on elimination

Viewpoints expressed at Gaudineer meeting

BY ABNER GOLD
Just one consensus emerged from the annual Springfield Board of Education candidates' night Monday at the Florence Gaudineer School, as the candidates strove to emphasize their independence of opinion as representatives of the community.

The one matter on which they all agreed is that the proposal to work toward elimination of the Raymond Chisholm School is the central issue of the campaign. The four candidates taking part, however, displayed at least three different approaches to the question.

Speakers were David W. Brown, August Caprio, Robert H. Johnson and Sanford Lieb. Caprio and Johnson are incumbents. A third incumbent, Mrs. Ruth Weisman, was unable to take part because she was out of town. The five candidates are running for election Feb. 11 to the three seats open this year.

Most of the questions from the nearly-100 citizens in the audience concerned the Chisholm School. The board is considering a proposal to start closing the school, one grade at a time, starting in 1970 because of an anticipated decline in elementary school enrollment and a belief that portions of the school are not suitable for continued use.

Parents, primarily in the Chisholm School area, have been strongly opposed, on the basis of educational philosophy and because they have questioned the figures presented by the board's advisory school planning committee to back its proposal.

The board is reportedly checking its figures on pre-school population, following a charge at its last meeting that its tabulations were incorrect.

IN RESPONSE to a question about their specific views on the Chisholm School proposal, Lieb stressed his strong opposition to any phase-out. He is the only candidate living in the Chisholm School area, and he has directed most of his remarks during the campaign against the proposal.

Caprio, running for his fourth three-year term on the board, stressed that he saw no alternative. He expressed doubt that any new figures could affect the predictions of a registration decline. Caprio said that keeping Chisholm open would lead to classes so small that they would be unsound, both financially and educationally.

Local Democrats hear address by county chairman

James J. Kinneally Sr., Democratic chairman of Union County, addressed the Springfield Democratic Committee at its January meeting. Kinneally has been active in Union County politics more than 30 years.

The major theme stressed by Kinneally was the importance of minority representation on town governing boards. Noting that Springfield was "one of a small number of communities in the county that does not offer its citizens the benefit of bi-partisan government," Kinneally chided the local Democrats and urged greater effort toward achieving this end.

The remainder of Kinneally's comments were directed toward orienting the municipal committee on the role of the county Democratic organization in state and national politics. He detailed county activities in the selection of candidates in 1969 for the offices of freeholder, assemblyman and governor.

A lifelong resident of Rahway, Kinneally devotes full time to the office of county chairman. He was delegate to the Democratic National Convention in Chicago last August.

Donald Lan, Springfield Democratic chairman, announced that the next regularly scheduled meeting would be Feb. 10 at 8:30 p.m. at the National State Bank building.

IN HONORED GROUP — Checking over library data are the five appointed members of the board of trustees of the Springfield Public Library, which will be awarded the annual B'nai B'rith Citizenship Award on Feb. 9. From left, they are George Gleim, Mrs. Winifred Yuckman, Milton Kapstatter, Mrs. Anita Epstein and Robert Halsey. Other members of the board are Mayor Philip Del Vecchio and Superintendent of Schools John O. Berwick.

Honored library board has varied background

When the Springfield Men's Lodge and Women's Chapter of B'nai B'rith present their 1969 Citizenship Award to the trustees of the Free Public Library of Springfield at ceremonies to be held at Temple Beth Ahm on Sunday, Feb. 9, at 8 p.m., they will be honoring seven people with varied backgrounds.

Under the laws of New Jersey, the board of trustees consists of seven members. Mayor Philip Del Vecchio and Superintendent of Schools John O. Berwick are mandatory members of the board because the law provides that of the seven members, one shall be the mayor and one shall be the local superintendent of schools. The other five members are appointed by the mayor for staggered five-year terms.

While the actual operation of the library is handled by the library director, Mrs. Helen C. Francis, and her staff, the board of trustees holds in trust and manages all property of the library.

The board has statutory authority to rent rooms, construct buildings for the use of the library, purchase books, pamphlets, documents, papers and other reading matter, hire librarians, and other necessary personnel, and fix their compensation, make proper rules and regulations for the government of the library, and generally do all things necessary and proper for the establishment and maintenance of the library. The trustees receive no compensation for their services.

In addition to Mayor Del Vecchio and Superintendent of Schools Berwick, the board is made up of Milton Kapstatter, Robert Halsey, George Gleim, Mrs. Anita Epstein and Mrs. Winifred Yuckman.

MILTON KAPSTATTER, who resides at Glenview dr., is acting vice-principal of Weequahic High School in Newark, where he was formerly chairman of the business education department. He has been a teacher in the

Early movies to be shown at Heights library

The Springfield Public Library announces a film showing of classic silent and early talkie films at the Berkeley Heights Public Library, 290 Plainfield ave., Berkeley Heights, on Thursday nights in February. The series is part of a mutual art grant shared by Springfield, Berkeley Heights and Plainfield and is free of charge to residents of Springfield.

The films are from an extensive collection owned by Warren H. Rothenberger of Warren, N.J., a professional motion picture cameraman of long experience. He will show the film, give commentaries and lead discussion during intermission. The programs will begin at 8 p.m.

A World War I air spectacle, "Lilac Time," starring Colleen Moore and Gary Cooper, will be the featured film on the opening program, Feb. 6. This will be followed Feb. 13 by "Merry-Go-Round," produced in 1923 by Eric von Stroheim and Rupert Julian. This print, according to Rothenberger, is one of the few complete versions available in this country. On Feb. 20 and 27, the films to be shown will be chosen from Rothenberger's collection by vote of those attending the series.

Reservations may be made by calling the Springfield Public Library, 376-4930/4931, before Feb. 1. A seating capacity of 120 in the meeting room at the Berkeley Heights Public Library limits registrations to the number in order of receipt. Anyone under 21 years of age must be accompanied by a parent.

Sponsored by the local library and the Plainfield and Berkeley Heights public libraries, the programs are presented without charge through an incentive grant of funds made to these libraries by the New Jersey State Library Development Committee and the New Jersey Council for the Arts, for cooperative programs in the field of the arts.

Newark school system for the past 30 years and is a past president of Temple Beth Ahm. He has served as a trustee since 1963.

Robert Halsey lives at 72 Denham rd., and has served as a trustee for eight years. Aside from his interest in the library and its activities, his other pursuits are education, sports, conservation, travel and photography. A graduate of Rutgers University, he works in the investment field.

George Gleim of 181 Meisel ave., is employed by the EBS Research and Engineering Co. He is a graduate of Rensselaer Polytechnic Institute and has been a library trustee for four years. He is an elder of the First Presbyterian Church of Springfield and has been active in the youth baseball leagues in town.

Mrs. Anita Epstein resides at 67 Forest dr., and is the wife of Joseph Epstein, who is an attorney. Mrs. Epstein has been active in community projects in Springfield and throughout Union County. She works as a free-lance accountant and is interested in creative stitching and other hand crafts.

Mrs. Winifred Yuckman makes her home at 28 Fieldstone dr., and is the wife of Dr. Ben Paul Yuckman. She has been a resident of Springfield for 21 years and is a past president of the combined Springfield PTA. She is an officer of the Union County PTA and has acted as chairman of several charity fund drives in Springfield. Mrs. Yuckman serves on the Alumni Council of the College of St. Elizabeth and has been a library trustee since 1962.

TOP ESSAYISTS — Valerie Gurrera and Charles Spiegel, eighth graders at St. James School, receive top prizes in the recent essay contest of Springfield Council, Knights of Columbus, from Charles Jacques, right, grand knight. Looking on is Tony Graziano, chan-

cellor. The essay topic was, "Comparison of Columbus with Today's Astronauts." The winners' parents are Mr. and Mrs. Joseph Gurrera of 48 Briar Hills circle and Mr. and Mrs. Charles Spiegel of 10 Janet lane.

Youth of temple host to conclave

On the weekend of February 7 to 9, the Youth Group of Temple Shalom, Springfield, will be host to its ninth annual interfaith, inter-racial conclave. This year's theme will be "Unity and Diversity: Can America Overcome?"

The other groups participating will be from churches around the Boston, Mass., area. They are: The Charles Street African Methodist Episcopal Church of Roxbury, the First Unitarian Society of Upton and the West Parish Church of Andover.

The group will discuss current topics and problems, attend worship services and participate in several social functions. A highlight of the weekend will be a trip to New York to see the Broadway show, "Great White Hope."

Two licenses suspended

The New Jersey Division of Motor Vehicles has announced suspension of drivers' licenses of two Springfield residents. The license of Lynn Allen, 20, of 48 Center st. was suspended for two months, effective Jan. 14, under the state's point system, and James C. Woerner, 24, of 77 Platt rd. had his license suspended for 30 days, effective Dec. 20, under the 60/70 excessive speed program.

FESTIVE BOARD — Peter J. Degnan, left, new president of the Board of Realtors of the Oranges and Maplewood, Millburn, Short Hills, Livingston and Springfield, watches the happenings at the board's annual installation dinner-dance last week at the Chanticleer, Millburn, with two trustees from Springfield, Georgia McMullen and Allen K. Harris.

Troop 70's Marsha 11, Burns get Boy Scout Eagle Badges

Boy Scout Troop 70 of Springfield had a court of honor recently at the Presbyterian Parish House at which Scouts Marc Marshall and Vincent Burns were awarded their Eagle badges by Phil Halpur of the Northern District commissioner's staff, a national wood badge instructor.

Marshall, the son of Mr. and Mrs. Richard Marshall of Briar Hills circle, is one of the youngest scouts in the council to have earned this highest rank. He is the son of Troop 70.

Burns, the son of Mr. and Mrs. Lawrence Burns of Stiles street, is the assistant senior patrol leader of Troop 70.

Special Citizenship Citations from the American Legion Post were presented to the Eagle Scouts by Commander Oliver Owens of the Springfield Post of the Legion.

Other advancements honored at this court of honor were:

Crestmont lists assets at record \$85 million

Year-end figures released by Crestmont Savings & Loan Association reflected another year of "sound growth combined with increased reserves," with assets reaching a record total of \$85 million.

A record total of \$3,046,000 in dividends was paid to savers and investors. The president's report also reflected lending activity involving the placement of 909 mortgage loans totaling \$15,430,000. Of particular importance was the bringing of the Association's reserve accounts to an amount in excess of \$4.6 million.

During the past year, Crestmont Savings opened an office on the Green in Morristown, at 28 Park place. The Crestmont office in Madison also was completely renovated during the year. The newly enlarged interior, with twice as much floor space, has been designed around a colonial theme. A new walk-up window was added for additional convenience.

Crestmont Savings also has regional offices in Morristown and Springfield. It is the only state-chartered savings and loan institution in three counties—Morris, Union and Essex.

Dolly Madison Industries, a family restaurant, which opened recently at 570 Morris ave., Springfield, is one of the restaurants owned and operated by Dolly Madison Industries of Philadelphia. The new restaurant offers a menu of daily specials for their luncheon customers and an unusual "all-you-can-eat" supper twice a week for families or individuals with large appetites.

The restaurant features a variety of pancakes, sandwiches and steak dinners. The specialty of the house is a complimentary Dolly Madison ice cream cone with every serving. Their Dolly Madison ice cream is available in fresh pack or pre-pack containers for carry-home convenience.

Dolly Madison Industries plans an additional 25 stores in the New Jersey - New York - Pennsylvania area shortly. The local manager is William Colombaris of West Orange.

The Arts and New Jersey will be the topic at the Summit YWCA's Wednesday morning Kaffeeklatsch on Feb. 5. Speaker will be Mrs. Love Dineen, whose gallery features New Jersey artists as well as artists from other states and Europe, also designs and works in leaded and fused glass and needlepoint wall hangings.

YWCA sets 50th annual conference

The 50th annual meeting of the Summit YWCA will be held on Wednesday evening, beginning with a reception at 6:30, and followed by dinner at 7. Mrs. George E. Springer Jr., president of the board of trustees, will preside. Results of the election of board members as well as the 1969 nominating committee, will be announced by Mrs. Robert Dunsmore, chairman of tellers.

Guest speaker for the evening will be Mrs. Robert W. Claylor, president of the YWCA of the U.S.A. She will be introduced by Mrs. J. Ross Tuttle, honorary president of the national board of the YWCA. Mrs. Claylor has held many important positions as a twice as much floor space, member of the national board of the YWCA of the U.S.A. in the World YWCA Council in Geneva. Active in many national, state and local organizations, she also currently is on the advisory committee of the Michigan Welfare League and the State's Youth Commission, and is a board member of the Michigan United Fund. She also is serving as a member of the National Women's Advisory Committee on Poverty.

A graduate of the University of Minnesota, which in 1968 presented to her its Outstanding Achievement Award, Mrs. Claylor served, early in her career, as a group worker for YWCAs in Trenton and Kansas City and was a member of the staff of the national board. She is the wife of a physician and the mother of three children, Roger, W. Wilkins, director, community relations services, U. S. Department of Justice, the son of her marriage to the late Earl W. Wilkins, a brother of Roy Wilkins, and two daughters, Judith and Sharon Claylor.

YWCA members, their husbands, and friends have been invited to attend the meeting, which marks the YWCA's 50 years of service to the community. Deadline for tickets is tomorrow.

Babysitting is available for children of mothers attending daytime classes. Further information may be obtained by telephoning the Summit YWCA at 273-4242.

Jersey arts group topic

The Arts and New Jersey will be the topic at the Summit YWCA's Wednesday morning Kaffeeklatsch on Feb. 5. Speaker will be Mrs. Love Dineen, whose gallery features New Jersey artists as well as artists from other states and Europe, also designs and works in leaded and fused glass and needlepoint wall hangings.

Kaffeeklatsch begins at 9:45 a.m. with coffee and conversation. The hour-long program follows, finishing at 11:15 a.m. Concurrent dance and rhythm classes are available for pre-schoolers as well as babysitting for infants 18 months and over.

Further information about the current program or future ones may be had by telephoning Mrs. Allan Ballard, program director, at the YWCA, 273-4242.

Stitch class at Summit Y

Registrations are now being taken for two classes in sewing at the Summit YWCA. Both beginners sewing and intermediate sewing will begin on Monday, Feb. 10, with beginners meeting from 1-2:30 p.m. and intermediates from 9:30-11 a.m.

Beginners sewing will include tips on using the sewing machine, reading and cutting a pattern, zipper insertion, and pattern alterations. Each student will make a "simple dress" under the guidance of instructor Mrs. Phyllis Zlatin, a graduate home economist and experienced teacher in YWCAs, schools, and extension service.

Mrs. Zlatin will also teach the intermediate group, emphasizing proper pattern and fabric selection as well as fitting. Each person in the class will make an underlined dress using advanced dressmaking techniques. Since enrollment in all classes is limited, immediate registration is urged, a spokesman said.

WORKING TOGETHER—Springfield Mayor Philip De Vecchio, center, was among municipal officials who met with state legislators Saturday at the Hotel Suburban, Summit, to discuss joint action against common problems. Shown with him, from left, are Acting

"An ordinance limiting and restricting to specified districts and zoning therein buildings and structures according to their construction and the nature and extent of their use and the nature and extent of their use of land in the Township of Springfield in the County of Union and State of New Jersey; and providing for the administration and enforcement of the provisions therein contained and imposing penalties for the violation thereof."

1. The Zoning Map of May 1968, adopted September 1968, shall be amended to show Lot 2, Block 23, to be in the C-1 Commercial Zone and Lot 2, Block 23, to be in the C-1 Commercial Zone for a depth of 300 feet off Millburn Avenue and in the R-2 (Single-Family Residential) Zone for the rear and balance of the lot.

2. 13-B New Car Agencies.

New car agencies may be permitted as provided for in Section 7 of this ordinance provided that all provisions of Section 8-C are complied with.

3. The Zoning Map of May 1968, adopted September 1968, shall be amended to show Lots 29 through 50 inclusive, Block 96, to be in the R-2 (Single-Family Residential) Zone, 4. 8-11-70.

Notwithstanding the Lot Area and Lot Width requirements, a single family dwelling may be erected on any lot separately owned and not adjacent to any lot in the same ownership at the effective date of this ordinance, providing all other requirements are complied with.

5. This ordinance shall take effect immediately upon publication after final passage according to law.

Editorial Comment

I'm sure you must meet such interesting people

One of the most interesting complaints and requests cover such a tremendous range. Now that the Small Fry basketball season is in full swing, we recall the lady who called several years ago to complain that her son had scored the winning "home run" in his basketball game and did not have his name mentioned in the write-up.

in the report of her minor auto accident. The only part of the article that was correct, she commented, was her age and that she could very well afford to pay for it. Then there was the lady who called in a state of considerable agitation about her speeding ticket. She didn't really object to a news item, but was terribly worried about her age. She had never told her husband she was two years older than he was, and she didn't want him to find out like this.

In Past Tense

ONE YEAR AGO MRS. SONJA DORSKY, incumbent member of the Springfield Board of Education, says the position of assistant superintendent of schools for curriculum should be eliminated, speaking at the annual candidates' night forum of board of education aspirants. The other three candidates for three seats are FRANCIS SHIMSHOCK, CANO A. CASALP, both incumbents, and JAMES ADAMS. MRS. HOWARD F. HEERWAGEN is elected the first woman elder of the First Presbyterian Church, oldest house of worship in the community. RABBI REUBEN R. LEVINE is selected by B'nai B'rith to receive its annual citizenship award for his "outstanding work within the community."

PROFILE-David W. Brown

By BEA SMITH David W. Brown of 22 Redwood rd., Springfield, a candidate for the Springfield Board of Education, says he has a twofold interest in the school system. "I have children in the school system and I am a taxpayer."

DAVID W. BROWN

"I HAVE DONE some teaching in our educational program with Public Service. I taught courses for the Chamber of Commerce, an action course in practical politics. I even did some instructing when I was in the Army during World War II."

the eight counties. I spent six months looking. One of our very early choiced was Springfield. It seemed to offer more to us than any other town. Also, it had a very good school system as to the educational values of Springfield. Springfield rated very high.

Preparing your tax return

(This is the first of a series of articles prepared by the New Jersey Society of CPAs on money-saving tax "tips" in preparation of the 1968 Federal Individual Income Tax Return.) Did you goof in figuring your tax last year and end-up paying the Government more than necessary? Did you overlook the sick-pay exclusion you were entitled to? Did Aunt Hattie finally turn out to be a bona fide dependent, entitling you to a \$600 exemption which you didn't claim?

Report from Trenton

By State Senator Matthew J. Rinaldo The Legislature last year took several important steps that should lead to improved morale and better performance among police and firemen and ultimately to better law enforcement. I am particularly proud of my sponsorship of a bill that was enacted into law permitting the establishment of scholarships for policemen. I also was happy to have been the sponsor of a law enacted to have hours spent on court appearances by policemen counted as on-duty time.

School budget

(Continued from page 1) It was indicated last week that financial aspects of the teacher contract had been wrapped up and discussions are continuing on non-financial matters. "Nurses' contracts are also included in the negotiations. The board has asked for \$33,175 in health salaries this year. Salaries for transportation will be almost doubled from \$6,400 last year to \$12,300 this year. The increase reflects the proposed addition of a combination bus driver-custodian who will be employed mainly to drive school buses on field trips during the next school year."

Candidates

(Continued from page 1) Johnson, seeking a second term, and Brown, making his first run on the basis of long experience working with Springfield youngsters both sought a middle ground. They declined to take a stand until all the facts are in, noting that the board was still studying the problem. Both refused to indicate how they would vote, despite some heated demands from the floor. Both said that any decision would have to be made in the best interests of all the children in the community.

Letters to Editor

Letters to the editor must be submitted no later than Monday of the week they are to appear. They should not exceed 250 words in length and should be typed with double spacing (not all in capital letters, please). All letters must be signed. Writer's name will not be withheld if the letter is of a political nature. This newspaper reserves the right to edit or reject any letter.

Course scheduled

(Continued from page 1) The class aim will be to introduce many craft media. Mrs. Lillian Johnson, director, plans to invite guest demonstrators and instructors who are specialists in their craft. Some of the crafts explored will be rug hooking, weaving, stained glass, flower making, mosaics, batik and needlework.

New Democrats

(Continued from page 1) held a rally and workshop at Rutgers University in New Brunswick which drew an attendance of over 2,500 people. Among many attending were Sen. George McGovern of South Dakota, Rep. Allard Lowenstein of the 5th Congressional District in New York and Rep. Frank Thompson of the 5th Congressional District of New Jersey.

Academy parent groups to conduct joint meeting

Mrs. Michael H. Scoppetolo of Short Hills, president of the Mothers' Association of Newark Academy, and W. George Parker of Glen Ridge, president of the Newark Academy Fathers' Association, have announced plans for a joint meeting on Tuesday, Feb. 11, at 8 p.m.

Communion breakfast planned by K of C unit

Springfield Council 5560, Knights of Columbus, will hold its annual family communion breakfast on Sunday morning, Feb. 9, following the 8:15 mass, at the American Legion Home.

Regional Adult School still has some openings

The Union County Regional Adult School has announced that room is still available for registrants in a number of courses scheduled to begin next week at the regional high schools in Springfield, Clark, Berkeley Heights and Kentwood.

Science Topics

MICROBES stowing away on space probes sent to Mars could completely mess up tests checking for Martian life. They might even mess up Mars. So scientists working at the University of Minnesota's environmental health department are setting up standards and methods for sterilizing a spacecraft. It must be so clean that there is less than one chance in a thousand that even one live bacterium could get loose on Mars, even if the spacecraft crashes to bits.

Science Topics

IF YOU'RE AN AVERAGE AMERICAN you drink about 20 gallons of soft drinks last year. To put the "fizz" in all the soda pop consumed in this country, Carbox, Chicago, estimates more than 200,000 tons of carbon dioxide were required.

Gaposis, glug, fund, campy, meshuga

Growing dictionary hard put to keep up

The English language seems to be undergoing what might be called a "language explosion."

Dictionary editors are hard-pressed to keep up with it. For instance, the 1969 edition of World Book Dictionary contains 14,000 words and phrases that were not in the 1968 edition. Editors had to add 150 pages to jam in all the new words.

But where do the new words come from? The editors found 14,000 new words in such sources as:

It seems as though forming new words is everybody's business — the politician, the scientist, the economist, the fashion designer, the man on the street, and of course, the teen-ager.

Ballantine group plans reception

P. Ballantine and Sons Benevolent Association will host its 33rd annual reception and ball this Saturday evening in the Terrace Room of Symphony Hall, 1020 Broad st., Newark.

The reception will be held at 7:30, with dancing starting at 8:30. A Broadway floor show is also scheduled.

Peter Thier of Union, is president of the association. John D'Angelo, treasurer, and John Hannon, recording secretary, are both of Union.

CARPENTERS—ATTENTION! Sell yourself to 30,000 homes with a low-cost "Want Ad." Call 686-7700.

What new words or expressions have the dictionary givers recently? Well, there's "conspiracy of silence," which means "conspiring to keep something wrong, damaging, etc., from being divulged."

And then there's "gaposis," meaning "any conspicuous or abnormal deficiency, etc." Now when you read about the credibility gap, you'll understand gaposis.

The scientist gave us "endogallopoids." The designer, bless them, came up with "mind-dress" and "mintskirt."

The man on the street and the voluble teen-ager gave us even more, enriching our language with slang. There's "chinfest," which means just sitting down and talking, saying what you mean. And there are "fud," "glug," and "glug."

World Book Dictionary now has more than 204,000 entries, including the 14,000 added to the 1969 edition.

HERE IS A HANDEUL of the new words

Discussions series to start on Feb. 5

A view of American affairs on international and national levels—from the standpoint of business and industry, government and the academic world—will be presented at Newark College of Engineering this Spring through the College's Senior Convocation series.

The 15-part series, arranged through NCE's department of industrial relations, features key speakers commenting on events of pertinence to seniors. It is presented weekly on Wednesdays at Noon in the NCE Ballroom. Admission is free. The series begins Feb. 5 with a keynote address by Dr. Roy B. Helfgott, chairman of the industrial relations department.

Among the topics to be offered in the subsequent weeks will be discussions of the Middle East, Viet Nam and China, together with a broad look at economic development, trends in management, in labor and in overseas business; New Jersey's economic future and the national picture; welfare, the cities, and the technical society. Concluding segments of the series will deal with the student point of view; and with one example of a philosophy of life.

Guest lecturers at NCE will include Herbert Russell, author of "The Sahara"; Prof. Robert S. Browne, Fairleigh Dickinson University; Carl Riskin of the East-Asian Institute, Columbia University; and Dr. H. W. Singer, Office of Technical Cooperation, the United Nations.

and phrases added to the World Book Dictionary for 1969. How many can you identify?

-- aerial jeep, Alsteen, ballhawk, beat man, beefcake, body check, brain-picking, British English, campy, car-fockey, center-left, chicken colonel, cliffhang, Colonel Bogey, cutesy,

-- dawn patrol, daymare, deep six, defang, didact, diploma mill, disadvantaged, dodo ball, ducky, dysphemism, earthshaker, easy money, eck, em, Escoffier, eye-popper, familygram,

granophile, groupthink, gucky.

-- Head Start, hobbit, in-joke, inner space, instant replay, I-Thou, Jane Q. Public, jet-bus, knuckleballer, lachrymist, loudland, make-do, Medicaid, megacity, meshuga, Mitry, nebbish, NFL, nudnik, off-hour, old-shoe, ordered pair, plain-Jane.

-- R and R, read-in, rice Christian, roadco, schlepp, schlock, shells, shook-up, ski bum, slanguage space gun, sqaw winter, suitcase farmer, swingback, Synanon, telephonite, ten-center, tin god, tin pants, underground film, video recorder, Vietnik, walling wall, yoo-hoo.

Some of these words and phrases have been around for a long time, of course, as slang or argot. But now that they're in the dictionary they're official.

No fair asking anybody. Look them up!

Seton Prep Auxiliary plans dessert bridge

The Mothers' Auxiliary of Seton Hall Prep will hold its annual dessert bridge on Friday, Feb. 14, at 7:30 p.m. in the Archbishop Walsh auditorium, South Orange. The affair will have a Valentine's Day theme.

Mrs. Gunther Runke of Union will serve as co-chairman of prizes. The event benefits the Student Activities Fund.

HORACE BIER

Dinner-meeting slated by council

Horace Bier, president of the Northern New Jersey Region of the United Synagogue of America, announced this week that the regional Presidents' Council dinner-meeting will be held next Tuesday at 6:30 p.m. at the Ambassador Caterers in Teaneck.

Ralph W. Wolf of Fair Lawn, a vice-president of the region and chairman of the Presidents' Council will preside.

The guest speaker will be Jacob Stein of Great Neck, N.Y. He will speak on the question, "Whence Cometh Our Future Synagogue Leadership?"

Fashion highlight

Even in this day of fast-moving fashion, reports the American Institute of Men's and Boys' Wear, the quick acceptance of flared bottom slacks is noteworthy. These range from modest flare all the way up to the 22 to 24" bottoms. They're selling successfully in the conventional men's and department stores and are even bigger in the "boutiques."

'Nothing to do in Springfield & Four out of six teenagers agree

This is the first in a series of interviews sponsored by the Springfield Teen Council... Question used for the following interviews: Do you think that the statement, "There is nothing to do in Springfield," is valid?

Maddie Geddes agrees that the statement is valid. However, she feels that something can be done to improve the town situation...

Bruce Colandrea feels that there is plenty to do in Springfield. He says that the kids should make use of what they have. No matter how the situation in town was to be im-

proved, the kids still would not be satisfied. Bruce believes that the only way to do it could be to have more dances, although there were quite a few during the summer.

Rich Jarman concurs that the statement is valid. He says that there is nothing to do in Springfield that draws kids from other towns. You see your Springfield friends in town every day, but you don't have a chance to meet kids from other towns. The dances held by the town situation could be improved by having more dances, a recreation center, and even better bowling lanes.

Rick Weck feels that there definitely could be more things to do in Springfield. Nevertheless, in the summer, he says that the situation

is pretty good, and this is because of the block dances. There aren't too many dances now or other activities to go to. Rick thinks that a recreation hall could be a good thing, especially if it had some sports equipment. You can't go to any gym and walk in and so something, he states, like shoot baskets or play volleyball. He feels that now it is difficult to do things outside. During the winter, all that there is to do is go to a basketball game or just visit a friend's house. Rick wants to see something done to improve the town situation...

Diane Verlangeri agrees that the statement is valid because there is actually nothing to do in Springfield besides just "bumming around."

The teenagers need something else. She feels that the best thing that you can do is sit up at Coyne's corner, and even then you look like a bum. You can't go to the bowling alley, she says, because it is so crowded and expensive. Teens go to a restaurant after school so they can be with their friends; but they are not allowed in at night unless they pay the high prices. She says that the owners don't want it to be a hangout. On Friday and Saturday nights you just have to walk around town and look for something to do. She says that now, she states that all that a lot of kids want is a place where they can go and be with friends. In the past few months, there has been no place to go. Diane feels that the situation is even worse for non-drivers because it isn't easy to go to some other town. A possible solution could be a recreation house for teens, where one could be with his friends, although Diane is not sure whether this would be a success. She feels that the

teens would like to have more dances in town that they could go to, possibly once a month or some such setup. Also, if there were concerts with good groups, Diane says that there would always be a big turnout. At the present time, she feels that there is nothing to do in Springfield.

Rich Stender feels that the statement, "There is nothing to do in Springfield," is valid because so far this year on Friday and Saturday nights there has been nothing to do. He says that now, with the basketball season underway, some Friday nights are taken up by the games. However, he says, Saturday nights remain open with nothing to do in many cases. A movie shown a few weeks ago was a failure because it was not recent and lacked a strong plot. There should be more dances or other social events which the teenagers can attend, Rich believes that not enough is being done for the teenagers of Springfield.

Dayton JVs out to top .500 against Cranford tomorrow

The Jonathan Dayton Regional High School junior varsity basketball team, with a 5-5 record, will face Cranford tomorrow night at 6:30.

Coach Mike Janelli points out that most of Dayton's games have been very close. Springfield has beaten some teams by wide margins and the biggest margin of defeat for Dayton has been 13 points against Roselle.

Janelli says that Dayton has done an excellent job and that no team should be superior to Springfield by more than two or four points. The attitude of all the boys has been excellent and the spirit of the club is very high. Every boy has given a great deal to the team.

Janelli also points out that only two starters who played on last year's undefeated freshman team, Allan Schlanger and Jay Silverman, are playing on the junior varsity squad. This means that some boys are now starting for the first time and are doing an outstanding job. Janelli remarks that the boys who are used as substitutes have contributed to the team's play and are doing very good work.

A great deal of Dayton's success has been due to co-coaches Schlanger and Silverman. Their leadership qualities have been the impetus to Springfield's success. With these boys leading the team, the attitudes of all players remain at a peak level and success will continue.

It ended up as a 'divided' day in Friday Bowling League

Last week in the Friday Afternoon Boy's Bowling League, all eight teams split their two-game matches. The Lions continue to hold a one-game lead over the Chargers, with the Falcons two games out of first. The boys roll at the Springfield Bowl, The league is sponsored by the Recreation Department.

The Hawks managed a split with the front-running Lions. Steve Harris of the Hawks led all bowlers with a 305 series on a second game 194. Scott Herman also rolled well for the Hawks with a 236 total. Howie Forman also

impressed for the Hawks. Russ Gabay led the Lions with a 221 series. The Raiders and the Chargers also divided as Barry Fink led the Raiders with a 293 series on an opening game effort of 184. Alan Lipson (238) and Norm Schneider (226) also rolled well for the Raiders. Wayne Magers led the Chargers with a 259 series.

In a high scoring match between the Rangers and the Falcons, Mike Levine, the league's top bowler, paced all bowlers last week with a 326 series for the Falcons on games of 146 and 180. Robbie Lee (238) and Sandy Fineman (226) also rolled well for the Falcons. Tommy Lowy had a 300 series for the Rangers with games of 155 and 145. Drew Shulman (255) and Art Freeman (241) helped the Rangers.

The Chiefs split with the Jets as Mark Jacobs paced the Chiefs with a 296 series on games of 165 and 131. Ed Gerstein (256) also rolled well for the Chiefs. The Jets' attack was led by Don Fink's 255 series. Joel Goldberg also aided the Jets' victory. Mike Levine continues to raise his league-leading average, bowling at a 146 pace. Steve Harris, in second place, has moved his average to 136. Tommy Lowy is third with 132, followed by Art Freeman, 127; Ed Gerstein, 125; Steve Rosenberg, 124; Barry Fink, 123; Danny Gerkin, 123; Stu Garowitz, 122, and Mark Jacobs, 121.

Scout Pack Derby lures nearly 200 to see 'autos' race

Almost 200 parents, relatives and friends attended the annual Pinewood Derby of Cub Scout Pack 172 at the James Caldwell School, Springfield, last Friday. The small cars made by the Cubs and their fathers raced down the inclined runway.

The winners of each Pinewood Derby receive a ribbon. The final winners will receive trophies at the "Blue and Gold" dinner in February. When the last race was run, these were the results announced:

Grand Champion: Mean Machine, Jimmy Force; Cub First Place: Mean Machine, Jimmy Force; Webelos First Place: Rampaging Rifle, Steve Clark; Webelos Second Place: Golden Eight, William-Francois; Cub Second Place: Fantastic, Jeffrey Bernstein; Cub Third Place: Lumpy Lump, Bruce Grigg.

The job of judging the races was handled by Dave Brown, John Flockhart and Murray Hurwitz. Pete Clark served as starter.

Before the races, pack chairman Richard Marsanti announced plans for the Scout re-dedication program Saturday, Feb. 8. Scouts and Cubs will gather at the Caldwell School at 8 a.m., and will march to the center of town for a flag-raising ceremony at 9. From 10 to 4, the Cubs will participate in a live display of "craft work in the Grand Union store."

Temple teen choir to sing tomorrow

The Junior Choir of Temple Shalom, Springfield, will be featured in its first appearance at the Shabbat evening service tomorrow evening at 8:30. At that time they will be joined by the regular choir and will introduce four new pieces of music written for the service by Ron Brown, music director of the temple. The members of the Junior Choir are all seventh grade members of the temple's Religious School.

At the same service, Rabbi Israel S. Dresner will deliver a sermon entitled "The Rape of Czechoslovakia." The rabbi and his wife were in Prague on their honeymoon at the time that the Russians invaded Czechoslovakia and remained there for three days following the occupation. Films showing the invasion and the Czech resistance taken by Mrs. Dresner will be shown.

New Scout troop in weekend camp at Stokes Forest

A new Boy Scout troop sponsored by the Springfield Lions Club has started in Springfield. The troop's number, assigned by Union Council, is 172. The troop meets every Wednesday from 7:30 to 9 p.m. at Edward V. Walton School. The Scoutmaster is Carl Furl, an Eagle Scout now on the teaching staff at James Caldwell School.

The troop traveled this past weekend to Stokes State Forest where the scouts camped out. Activities included instruction on how to set up tents and cooking over an open fire. Early Sunday morning the troop participated in a five-mile hike. Members were allowed to bring skates and those who did went ice skating. Others participated in other sports. All 1000 members completed the activities. The troop plans to have overnight camping trips each month and will take part in council programs with hikes at least once a month.

Mobile unit used for industrial training to be at Jonathan Dayton in February

Dr. Warren M. Davis, Superintendent of the Union County Regional High School District No. 1, has announced that the mobile industrial training unit, a pilot project sponsored by the state of New Jersey, Department of Education, will be at Jonathan Dayton Regional High School in Springfield from Monday to Feb. 26, for use by the students of the Regional District.

The mobile industrial training unit - which was secured through the efforts of Stanley Grossman, coordinator of industrial arts and

vocational education, and Dr. Donald Merachnik, director of special services - is a trailer 60 feet long and 10 feet wide, and contains its own air conditioning and heating systems. It is designed to provide work exposure, training and evaluation for students with special needs. The instructional unit utilized in this trailer will provide a transition for students from school to the world of work. Thirty junior and senior class students who are working or preparing for a

work-experience program next school year will attend classes in this mobile unit. The students will be offered experiences in industrial procedures, techniques, and practices within the mobile classroom. This is equipped with all types of instructional materials such as: closed circuit TV, a movie projector, blackboards, bulletin boards, calculating machines for solving production problems, a complete conveyor system and equipment including a time clock, automatic tape dispensers, quality control scales and a built in AM/FM radio and intercom system. Office space which measures nine feet by nine feet and which is used for interviewing, counseling and program preparation is also available in the unit.

The division of vocational education of the New Jersey State Department of Education will provide instructional staff for the trailer.

'How to Help Mentally Ill' - topic at chaplaincy seminar

"How to Help the Mentally Ill" and Their Families" was the subject of a seminar presented by the Overlook Hospital Chaplaincy Service last week, as one of its quarterly symposiums on topics of meaningful interest both to clergy and the community. Panelists included Arnold R. Sorvino, psychiatrist on the Overlook medical staff; Mrs. Barbara Cornwall, Overlook's psychiatric social service worker; and the Rev. Randolph L. Jones, Overlook's chaplain.

Dr. Sorvino pointed out that mentally ill patients greatly need stable, dependable, non-hostile people in their environment. There is a tendency for people to shy away from the mentally ill and their families. They just don't know what to say or do. Dr. Sorvino commented, "Mental illness should be regarded just as any other illness - there are very few families that have not been touched by it, or alcoholism or drugs," he pointed out.

Suggesting that neighbors can help by giving concrete support to the family of a mentally ill patient - helping with children, shopping, errands, and acting as normally involved as if the problem were purely physical. Mrs. Cornwall, the psychiatric social service worker, pointed out that it is easy to drop away from a family involved with mental illness when they really need the emotional support of their friends.

She stressed the importance of getting counsel and help early, when a change in life pattern begins to become obvious.

Further professional counselling. "Many people benefit from an evaluation by a professional counselor, who can help with problems before they reach a critical stage," Chaplain Jones pointed out. "The clergy is in an ideal position to see such needs in a family and he knows community resources for help with family and individual problems."

The chaplain also stressed the importance of clergy's establishing early contact and interaction with counselling resources and psychiatrists in the community. "The mid-night crisis situation gets far worse help when the contacts are known, not just a stranger's voice on the telephone, calling for help," he emphasized.

Overlook's short term psychiatric unit, one of the major advances made possible by the hospital's newest wing, provides psychiatric care in the normal hospital setting. Functioning as an open unit, with voluntary admission on the part of the patient, the new unit has an average length of stay of only two to three days. Indicators of the help that can be given to mentally and emotionally ill patients on a short term basis.

Springfield woman TV show winner

Mrs. Helen Burwell of Springfield has won \$2,240 playing "Jeopardy," the daily game show, set on noon on NBC-TV, Channel 4.

A fan of the show, which requires contestants to come up with the questions rather than the answers, Mrs. Burwell is a housewife and mother of three children. Her husband, Edward, works in public relations and industrial editing.

Mrs. Burwell appeared on "Jeopardy" January 22 through 25. "Jeopardy" required wide general knowledge from comics and sports to history and music. But, "knowledge is not the only requirement for success" on "Jeopardy," according to Mrs. Burwell, whose hobbies are cooking and skiing. "Calm nerves and quick reflexes are almost as important," she said.

College alumnae

The Garden State Club of the College of New Rochelle alumnae will hold a luncheon and fashion show entitled "Accent on style" at noon Saturday, Feb. 8, at Stouffer's on the Mall, Short Hills. It has been announced by Mrs. Joseph P. Wodzenski, Scotch Plains, president.

The affair will be a benefit for the building fund at the college, a Catholic liberal arts college located in New Rochelle, N.Y. Serving as chairman of the luncheon is Mrs. John J.opoulos, Bloomfield. Modesty, cruise and casual wear from Abercrombie and Fitch Co. will be alumnae members.

Rocket sweep cuts lead of Hurricanes to 3 over Bombers

The Hurricanes lost a portion of their lead in the Thursday Afternoon Boy's Bowling League when they were upset in two games by the Rockets last week. The Hurricanes, however, still hold a three-game lead in the Recreation Department-sponsored league. The boys roll at the Springfield Bowl.

Bob Wallick paced the Rockets last Thursday as they swept past the league leaders. Bob rolled his top series in bowling competition, a 200 series.

Matt Levine was equally effective in the Rockets' attack, rolling a 275 series with a 131 and 144. Joe Pepe, the league's bowler, again paced the Hurricanes. Joe led a 250 series. Don Hetzel hit a good series for the Hurricanes, as did Bob Dorsky and Walt Phillips. Kevin Mercer posted a 200 series to help the Rockets' sweep, while Dave Brown and Steve Roll also contributed to the Rockets' attack.

The Bombers moved to within three games of first place with a sweep of two games from the Bullets. Andy Mendelsohn led the Bombers with a 281 series. Andy rolled a 164 in the opener. Larry Fridkus with a 244 series also rolled well for the Bombers as did Marc Shipman who rolled a 225 series. Tommy Moore was the top bowler for the Bullets last week. Tom rolled an even 200 series.

Joe Pepe continues to lead all bowlers for the top average prize. Joe is rolling at a 128 pace. Rick Schwert is holding second place with a 123 average. Andy Mendelsohn is a close third at 122, while Larry Fridkus is fourth with a 118. Bobby Wallick and Skip Moore are in a virtual tie for fifth place. The two boys are bowling at a 114 pace. The other boys among the top 10 are: Matt Levine, 113; Brian Ogonowsky, 112; Marc Shipman, 110; and Kevin Mercer, 107.

500 are invited to orientation of freshmen Monday

Approximately 500 students and their parents have been invited to participate in the fourth annual freshmen orientation program which will be held in Halsey Hall of Jonathan Dayton Regional High School, Springfield, on Monday at 8 p.m., according to Charlotte Singer, director of guidance.

The program will be divided into two periods: the first for discussions and the second for visitations. During the first period there will be a brief explanation of the "High School Program of Studies" booklet, of scheduling procedures, including techniques used for determining grouping, and of summer school opportunities for incoming ninth grade students. Students were urged to bring their copies of the booklet for reference during the course of program activity.

During the visitation period, students will have an opportunity to meet with the coordinators and ninth grade teachers of the various departments. They will also have time to inspect and visit all areas of the school and to discuss with school personnel any question regarding a specific subject.

Robert F. Lavanhur, school principal and guidance counselor, Marie Gianico, Helen Crawford, Mel LeFever and Frank Clancy, will be in attendance. Questions regarding the program should be directed to Miss Singer at 376-6300.

First Aid Squad hears physician

Members of the Springfield First Aid Squad saw pictures of three of their patients during a lecture presented by Dr. George Hewson, an orthopedist on the staff of Overlook Hospital who was guest speaker at the monthly drill. The program on fractures was highlighted by a series of color slides showing various stages of healing.

At Overlook Hospital, the squad saw a cardio-pulmonary resuscitation (CPR) color film. The film, "Prescription for Life," showed the chief aims of CPR were to replace the heart, in beating, replace the lungs in functioning and circulate blood.

Presently there are 18 fully qualified, registered members of the squad. The current course will enable additional "first aiders" to qualify. The squad continued to stress the need for additional volunteers to continue its record of 20 years of uninterrupted 24-hour coverage. Daytime crews in particular are under a heavy

Ladies' group sets aid squad program

"A First Aid Squad - Its operation and the needs it fulfills" will be the theme of Clifford W. Zimmer Sr., guest speaker at next Wednesday's meeting of the Ladies' Beneficent Society of the Springfield Presbyterian Church. The group will hold its monthly meeting in the Presbyterian Parish House at 1:30 p.m.

Zimmer is a former resident of Short Hills, now residing in Springfield, who has been a member of the Millburn-Short Hills First Aid Squad for six years. During this time he has served as vice-president, chairman of the headquarters building committee, Wednesday night crew chief, squad captain and is currently president of the squad.

Mrs. William P. Wood, newly installed president of the Ladies' Society, will preside at the business portion of the meeting. Refreshments will be served by members of the February Circle.

Looking for a Bargain on Carpeting?

Before you buy, read these facts. You may not get what you bargain for!

HERE'S WHAT TO WATCH OUT FOR!

- UNBRANDED CARPET.** Many stores sell unbranded carpet or carpet with a label you never heard of. Most of this carpet is made with small, odd lots of leftover yarn. If you wanted to match it at a later date you'd be out of luck. Quite often a factory with idle machinery will buy up odd lots of yarn and make it up into poor quality carpeting.
- NO FIBER IDENTIFICATION.** Beware of carpet that doesn't have a fiber identification label. Don't take a salesman's word that the fiber is wool or acrylic or whatever, just because he says so. It's illegal to mis-label any product, but who can prove what the salesman says? If you are offered carpet with no fiber label, be suspicious.
- SWITCHING.** There have been many cases of consumers who bought one carpet and received a similar-looking carpet that was actually of poorer quality.

HERE'S WHAT TO WATCH OUT FOR!

- THE CARPET BUSINESS.** Like many others, has its share of fast-buck retailers. They charge as much as the traffic will bear for carpeting, without regard to quality. And they couldn't care less what happens to it after it's in your home.
- THESE STORES ARE ABLE TO OPERATE SIMPLY BECAUSE CARPETING IS ONE OF THE SO-CALLED "BLIND" ITEMS.** The average consumer judges carpeting largely by its price. She cannot tell by looking at the carpet whether its quality is good, fair or poor. Often she will judge just by the height of the pile alone. But high pile does not necessarily mean high quality.
- LOW "BAIT" PRICES.** You see ads in the papers every day offering low "bait" prices as a "come-on." Once you're in the store they try to sell you up to a more expensive carpet. In many cases, if you were to insist on the low-priced, advertised carpet, you would be told that it was already sold out. In truth, the store probably didn't have enough to "carpet a closet in the first place. It was all verted just to "bait" you into the store.
- UNBRANDED CARPET.** Many stores sell unbranded carpet or carpet with a label you never heard of. Most of this carpet is made with small, odd lots of leftover yarn. If you wanted to match it at a later date you'd be out of luck. Quite often a factory with idle machinery will buy up odd lots of yarn and make it up into poor quality carpeting.

5 Important Things to Consider Before You Buy Any Carpeting!

1. The quality of the carpeting
2. The integrity of the store
3. The services the store offers
4. The quality of the installation
5. The price

HERE'S WHAT HAPPENS WHEN YOU BUY YOUR CARPETING AT BREHM'S. You are assured of being waited on by an experienced carpet salesman. Your Brehm's man will give you all the information you want on any carpet. Few carpet salesmen could qualify to work at Brehm's. We have six... with a combined 118 years of experience.

QUALITY. You are assured of getting only the finest quality carpeting. We sell no unbranded carpeting. We carry only the best... Karastan... Bigelow... Masland... which you know, quality you respect.

PERSONAL ATTENTION. If your carpet is to be installed wall-to-wall, the salesman who sold you the carpet comes to your home to measure. He oversees the job from start to finish. He lets you know if there are going to be any seams and where they will fall. Other stores never do this. It's an important point that can save you a lot of grief later on!

CAREFUL, QUALITY INSTALLATIONS. Materials you never see. Plus the skill of the installers, have a lot to do with the way your carpet looks on the floor. Cheap material and care-free installations show up fast. Brehm's uses only the best installation... the best padding... guaranteed for the life of the carpet! We don't stock cheap padding!

OUR OWN INSTALLATION TEAMS. Brehm's has probably the finest installers in the state... some of them with us for 20 years! They are proud of their work and take great care that it is done to the best of their ability. We use no sub-contractors. We take full responsibility for the complete job.

PRICES. We don't carry "junk" carpet that sells for 3.95 and 4.95 a yard. What we do carry, we price competitively. Our prices are as low as anyone's on quality carpet.

1-YEAR FREE MAINTENANCE GUARANTEE! Brehm's maintains every carpet installation FREE for 1 year! We fix it if it stretches... repair seams if they open... and within 24 hours in an emergency! Even after 1 year, Brehm's will continue to service the carpet, whenever required, and charge only for the mechanic's time.

Now you know the hard facts about many "bargain" offers. If you buy on price alone you're begging to be cheated. The only real bargain is good quality carpeting at a fair price that INCLUDES honest installation and conscientious service — the kind you'll find at

HERE'S WHAT TO WATCH OUT FOR!

The carpet business, like many others, has its share of fast-buck retailers. They charge as much as the traffic will bear for carpeting, without regard to quality. And they couldn't care less what happens to it after it's in your home.

These stores are able to operate simply because carpeting is one of the so-called "blind" items. The average consumer judges carpeting largely by its price. She cannot tell by looking at the carpet whether its quality is good, fair or poor. Often she will judge just by the height of the pile alone. But high pile does not necessarily mean high quality.

LOW "BAIT" PRICES. You see ads in the papers every day offering low "bait" prices as a "come-on." Once you're in the store they try to sell you up to a more expensive carpet. In many cases, if you were to insist on the low-priced, advertised carpet, you would be told that it was already sold out. In truth, the store probably didn't have enough to "carpet a closet in the first place. It was all verted just to "bait" you into the store.

UNBRANDED CARPET. Many stores sell unbranded carpet or carpet with a label you never heard of. Most of this carpet is made with small, odd lots of leftover yarn. If you wanted to match it at a later date you'd be out of luck. Quite often a factory with idle machinery will buy up odd lots of yarn and make it up into poor quality carpeting.

NO FIBER IDENTIFICATION. Beware of carpet that doesn't have a fiber identification label. Don't take a salesman's word that the fiber is wool or acrylic or whatever, just because he says so. It's illegal to mis-label any product, but who can prove what the salesman says? If you are offered carpet with no fiber label, be suspicious.

SWITCHING. There have been many cases of consumers who bought one carpet and received a similar-looking carpet that was actually of poorer quality.

Station Breaks

By MIL T. HAMMER

In 1955, a French group known as the Swingle Singers burst onto the recording scene. The album met with immediate success, and the Swingles were on their way. Today they are regarded as one of the top vocal groups in the world today.

Since their "Back" LP, the Swingle Singers have turned their attention to other areas, including the music of such composers as Handel, Chopin and Schubert. They've also given us their unique vocal interpretations of three centuries of music from Spain and even had an "Encounter" with the Modern Jazz Quartet. Now the Swingles have returned to the scene of their first critical triumph: the music of Bach. They've gone BACK TO BACH and the results have never been more satisfying. (PHILIPS PHS 600-288).

Also on the PHILIPS label, the original motion picture soundtrack of the film ZITA, The French film relates the wanderings of a young girl (Joanna Shimkus) through the streets of Paris while her Aunt Zita lies dying at home. What Miss Shimkus encounters during her prou through the French city forms the basis for a most unusual film. As haunting as the motion picture is, so is the soundtrack of 12 musical selections. (PHS 600-287).

"The Carol Lawrence Show," a musical special starring the versatile singer-dancer-actress Carol Lawrence, with her guest stars the Nicholas Brothers and Julius Wechter and the Baja Marimba Band as her special guests, will be presented tomorrow night on WGBS-TV at 11:30 p.m.

"Miss Lawrence will open the show with a rendition of 'Free Again.' Throughout the show, Miss Lawrence will change moods and pace as she alternates between singing and dancing to such numbers as 'I Get Along Without You Very Well,' 'The Shape of Things to Come,' 'I'm Gonna Wear Your Love,' 'Flamingo Again' and others. The Nicholas Brothers have been dancing and entertaining for more than 30 years, will join Carol for a specially arranged version of 'That Old Black Magic.' Julius Wechter and the Baja Marimba Band, Carol's special guests for her first television special, will play 'Brazil,' 'Say a Little Prayer,' 'Flying High' and 'Sunrise Sunset.' Carol will join the group for a novelty number called 'Thank You Weenk.'

FRANK SINATRA, JR. SHOW
By ROBERT LYONS

With the lights of New Jersey as his background and a press and celebrity-packed crowd as his foreground, Frank Sinatra Jr. opened his Manhattan engagement at that penthouse in the stars, The Rainbow Grill.

For one who won't miss covering a Frank Sinatra Jr. opening, let it be said here for the last time: Frank is his own man. He has his own style; a free, relaxed, unimposing approach and an instinctiveness for playing to all sides of a room. He moves well and always with a purpose. He sings the upbeat, swinging songs of the 1940s and 1950s with a sense for the original mood, but he brings them to us from within.

And his comedy is a delight. If I saw his takeoff on sister Nancy's singing style every night it would make me laugh. While doing it he seems to be making himself, "I wonder how she makes this work?" Therein may lie the measure of Frank as a present and future performer. For he has an honesty that comes to a smooth stop at infectiousness.

Predictions are always fanciful in show business, but for me Frank Sinatra Jr. has shown that kind of thrilling growth that makes him eligible to perpetuate the grand tradition of American saloon singing.

Ole! Trovadores transform Flagship into bit of old Spain

By BEA SMITH

There's a Spanish flavor in the atmosphere of Larry Dixon's Flagship dinner theater on Route 22 in Union these evenings. And this flavor is enhanced by 12 singers-dancers-accompanists combining a troupe called Los Trovadores de Espana, who will remain at the Flagship through next week.

The 12 young men and women, traditionally adorned, make enough vital music and gaiety and sound in the night spot that it would be advisable to do away with the stage microphones. These handsome men and lovely women are versatile and extremely talented. When they do a rendition of "Granada" (naturally), there is much foot-tapping and hand-clapping in the audience.

For additional flavor, the troupe throws in a "Hava-Nagilah." This reviewer has never heard the number done quite like they do it, the Flagship—but it's a tribute to the young Spanish group.

Among Los Trovadores are Willy Maramba (the trumpet), Gil Seyil, Ricardo Gullot, Maria Soriano, Laura Soso and Sole Cortez, with Michele Faffard at the drums.

All in all, it's a real entertaining evening—something a little different for the Flagship—but an asset all the same.

Kidd stages dances for Bellevue 'Star'

Michael Kidd, who served as choreographer for "Star!", which is in its last weeks at the Bellevue Theater, Upper Montclair, has returned to Hollywood for this film after a 12-year absence. Kidd had been lured back to filmland after winning four Tony awards and other citations for Broadway shows.

Julie Andrews is starred in the title role of the famous stage actress, the late Gertrude Lawrence.

The film, which was produced by Saul Chaplin for 20th Century-Fox and directed by Robert Wise, has Daniel Massey in the role of Noel Coward and Richard Crenna as one of Miss Lawrence's husbands.

Symphony talent hunt for singers

A talent search for aspiring singers to perform with the New Jersey Symphony Orchestra has been launched statewide.

According to Geoffrey Platt Jr., symphony manager, the competitive search is open to all residents of New Jersey, with vocal students being particularly encouraged to participate.

Lewis is anxious to open the door to new talent as a part of the symphony's obligation to foster and assist those interested in serious music throughout the state," Platt said.

At least three of the remaining concerts of the season require a soprano and a tenor—for performances in Carl Nielsen's Symphony No. 3. It is for engagements at the Montclair and Millburn High Schools on March 7 and 8, and for a special added concert in Westfield on March 22, that the search for talent is being conducted.

A few of the singers who have appeared in recent concerts with the New Jersey

Symphony Orchestra include: Marian Anderson, Roberta Peters, Jan Pearce, William Warfield and Marilyn Horne, the wife of Henry Lewis. Auditions are scheduled for Feb. 19, at the Millburn High School Auditorium, at 1:30 p.m. Those interested may contact the Symphony offices at 1020 Broad St., Newark, by letter or by phone at 624-8203.

Popular O'Toole on screen again

Peter O'Toole and Jeanne Moreau share acting honors with Zero Mostel and Jack Hawkins in the Technicolor production of "Great Catherine," Warner Brothers Seven Arts production of George Bernard Shaw's play, which opened yesterday at the new Union Theater in Union Center and the Ormont Theater, East Orange.

Gordon Fleming directed the film about the Empress of Russia, a woman of much character, but few morals. Akim Tamiroff, Angela Scoular and Marie Lohr have stellar roles.

Art has 'Negatives' on screen this week

"Negatives," British adult film about a couple who have a fetish about masquerading as a famed British spy and his wife, opened yesterday at the Art Theater, Irvington Center. The picture, which is filmed in color, and directed by Peter Medak, stars Peter McEnery, Diana Clement and Glenda Jackson.

The associate feature at the Art is "The Stranger," French psychological film inquiring into man's relation to himself and others in society. The movie, in color, has Marcello Mastroianni and Anna Karina and was directed by Lucchino Visconti.

Banana gunman splits scene Weird insurance claims told

Heard the one about the bungling banana bandit? He figured in one of the daffiest of Aetna Life & Casualty's annual collection of bizarre insurance claim cases.

The young desperado approached a cashier in a San Diego grocery inadvertently

draw a ripe banana instead of his revolver, and boldly proclaimed a stickup. The date was panic when he discovered his mistake, the callow Clyde with the bonnie banana sully managed to fumble out his real gun and split with \$745 before the laughter died.

Here are some more of the best "weirdies" from among the 14 million claims handled

played a prominent role in the "Oddities of 1968." For example, a "Phantom motorcycle" was used by a utility pole to avoid hitting a motorist who dashed into the street. Traffic was the least of the latter's problems—he was being hotly pursued by a woman waving a revolver.

Strikes up during '68

The proportion of working time lost through strikes in 1968 was the highest since 1959, the Labor Department's Bureau of Labor Statistics announced this week.

A preliminary estimate put the loss at 0.27 percent of all working time, compared with 0.25 percent in 1967, and 0.50 percent in 1959.

The number of stoppages beginning in 1968 was 4,930,

largest number since 1953. Stoppages in 1968, however, involved fewer workers than in 1967, 2.6 million workers as against 2.9 million.

BLS records show 33 stoppages beginning in 1968 which involved 10,000 workers or more; these accounted for somewhat more than two-fifths of the total of 47 million man-days of idleness and almost two-fifths of the 2.6 million strike-idled workers.

The largest stoppage — at the American Telephone and Telegraph Company — involved 250,000 workers. Other large strikes occurred in the glass container manufacturing industry — 47,000 workers, the New York Public Schools, 47,000 workers, the Atlantic and Gulf Coast longshoring in-

another tale of ludicrous larceny. This one started a shoplifter who bit an arm and leg of a vigilant drug store clerk in a mad dash to freedom.

AND WHILE A Milwaukee homeowner's watch dog had the right to bite, he became so nervous after an encounter with burglars that his owner took him to a vet—to see what could be done about his state of mind. The pooch's prescription was for tranquilizers.

A Missouri policyholder was anything but tranquil after being shaken up in an auto accident. And even 120 days after the minor mishap, he claimed that he was still too nervous to return to his job—racking up pool bills.

And a dog owner who left his car briefly with the engine running was unnerved when his impatient "mutt" hit the automatic shift, rolled down an Ohio street, and crashed into—what else—a fire hydrant.

Flying high last year were a soused simian and a pack of pickled pig's feet. The revelling Rhesus monkey molested tourists at a Florida zoo after being fed whiskey by an unidentified, but obviously over-spirited, employee. And in Houston "a person or persons unknown" heaved a jar of hog's hoofs through the windshield of a claimant's pickup truck.

NCE to offer program for high school students

Science-minded teenagers will again have the chance to spend a summer at Newark College of Engineering learning the details of how to conduct realistic research, NCE's research agency announced this week.

Announcement of the 1969 summer training program in research for outstanding high school students was made by NCE's Foundation for the Advancement of Graduate Study in Engineering, who said they had received an \$11,575 grant from the National Science Foundation to finance the activity.

The NCE high school research training program will be directed by Dr. Avner Shilman of the College's department of chemical engineering and chemistry.

This will be about the 10th year that Newark College of Engineering has offered this specialized training. Usually the College has from 400 to 500 applicants for the 30 summer openings available through the program. Participants must be highly recommended by their high school science teachers and principals, thus usually representing a superior segment of New Jersey students.

The object of the Newark College of Engineering program is to acquaint young people with the working aspects of research and to give an understanding of engineering and science. As part of the program the students work directly with NCE's faculty

researchers but they also have the opportunity to engage in research of their own.

Format announcements of the NCE program will be circulated to high schools in the region soon. Qualified students will be asked to submit applications in the Spring.

SEVEN-MILLION It will take six million CARE food packages, at a dollar per package, to complete programs that will help feed 28 million hungry people in 33 countries during 1969. Contributions to the CARE Food Crusade, New York 10016, deliver U.S. commodity donations or buy other foods as needed.

State cites 608 for air pollution

A total of 608 cease-and-desist orders against violators of the State Air Pollution Control Code were issued by the State Department of Health during 1968, Richard J. Sullivan, director of the Division of Clean Air and Water, announced this week.

Chapter 11 of the code, which deals with the control and prohibition of air pollution from incinerators, was the chapter most frequently violated. This chapter went into effect on Aug. 15, 1968, and immediately became the subject of intensive enforcement. By Dec. 31, 1968, 213 orders had been issued to violators of Chapter 11.

SOUTHERN SWEET Chocolate Pudding is a close cousin to its famous relative, sweet chocolate pie. Its rich creamy filling is made with sweet cooking chocolate; the crunchy topping is pecans and flaked coconut.

The food sleuth uncovered recipe for choice dessert

From Virginia, the Carolinas, Georgia, Alabama, as far around the Gulf as Texas, the letters came. May we have the recipe for this delicious dessert? It wasn't pecan pie, though it was something like that. The filling was softer, creamier, had coconut and pecans in it, had sweet chocolate. Was it chess pie then, made with chocolate instead of lemons? Well, it was something like that, too. But with a crunchy topping. How do you make it? These were the letters that started a home economist searching for a recipe on behalf of the many women who took the trouble to write for it. The trail led first to Charleston, South Carolina. One writer had mentioned the restaurant where she'd eaten it. A taste test was held. The chef's version and two of those prepared by the Gen-

eral Foods Kitchens were compared. The Test Kitchen's dessert was close, but not quite the same texture. The chef refused to divulge his recipe. That was in June. In October, the reporter was in the Atlanta, Ga., airport. She asked if he served a creamy chocolate pie with pecan and coconut topping. Yes, ma'am, but not this week. Any chance of getting the recipe? Yes, ma'am, but the chef was gone for the night. Next day, the chef gave his pie recipe which called for pounds of butter and pounds of sugar. Six tests later, these were converted to home-size measurements for this pie and its pudding variation. It bakes to form two delicious layers; one, a creamy filling; the other a crunching topping. The dessert is kin to what the English call, chess pie. The word became chess pie in the southern colonies, and the texture of the dessert is

Citrus fruits are at peak and plentiful

Load up your shopping cart with fresh citrus fruits. Oranges, tangerines and grapefruit are both plentiful and at their peak of seasonal perfection, the county home economist says.

The nation's citrus groves are having a bountiful crop. Such an abundance should make their prices favorable. The nation's citrus groves are having a bountiful crop. Such an abundance should make their prices favorable.

CURRIED CHICKEN with Almond-Currant Rice—Almonds and currants add flavor to the packaged enriched pre-cooked rice served with the contemporary version of curried chicken. Traditional garnishes are toasted coconut, hard-cooked egg, and preserved kumquats. (Courtesy of Minute Rice.)

Good way to curry favor with international dishes

International travelers report as many varieties of curry dishes in the Far East as pasta specialties in Italy. A typical gala dinner in Singapore, for instance, might include liver, lentil, egg, beef, buffalo, crab and fish curries. English settlers in India and Singapore first coined the word curry, adapting it from the Hindustani *curkar*, meaning a dish of meat or vegetable served with a spicy gravy. Rice and condiments, served in separate bowls, became part of the curry ceremony. Curries became known as two-boy or three-boy, according to the number of servants needed to bring in the garnishes. In the western way, with curries has been to tone down the seasonings, but keep the fascinating condiments. These are presented in separate dishes or combined with the rice, as in almond-currant rice. With Minute Rice, the almonds and currants can be added directly to the water used in preparing the rice. The flavorings are absorbed into the rice during the brief preparation period and the rice emerges fluffy and savory. Curried Chicken is an excellent way of using leftover cooked poultry in a distinctive but easily prepared sauce. Toasted coconut, chutney, diced hard-cooked eggs, chopped nuts, and preserved kumquats are some of the traditional accompaniments. Another chicken dish for company entertaining, especially when you don't want to up-end the piggy bank, is Chicken Continental with Rice. **CURRIED CHICKEN WITH ALMOND-CURRANT RICE** 1 cup chopped onions 1/2 cup chopped green pepper 1/4 cup butter 3/4 cup unsifted all-purpose flour 5 cups chicken broth* 1-1/2 teaspoons salt 2 tablespoons curry powder 4 cups diced cooked chicken Almond-Currant Rice *Or use 3 cans (12-1/2 oz. each) chicken broth. Sauté onions and green pepper in butter in skillet until tender. Stir in flour. Gradually blend in chicken broth, salt, and curry powder. Cook until thickened, stirring occasionally. Then add chicken and cook until thoroughly heated. Serve over Almond-Currant

1 can (10-1/2 oz.) condensed cream of chicken soup 2-1/2 tablespoons grated onion 1 tablespoon chopped parsley 1/2 teaspoon celery flakes 1/2 teaspoon salt 1/8 teaspoon ground thyme Dash of Pepper 1-1/3 cups water 1-1/3 cups packaged enriched pre-cooked rice Empty seasoned coating mix into the plastic shaker bag. Moisten chicken pieces with 1/4 cup water. Shake off excess water. Shake 2 or 3 pieces at a time in the bag until evenly coated. Arrange chicken in plastic shaker bag. Bake at 400 degrees for 30 minutes. Meanwhile, combine soup, onion, and seasonings in a saucepan, mixing well. Gradually add 1-1/3 cups water, stirring to blend thoroughly. Bring to a boil over medium heat, stirring constantly. Push chicken to sides of pan. Pour rice into center of pan. Pour soup mixture over the rice; stir until rice is moistened. Then arrange chicken over top of rice. Re-

Southern Sweet Chocolate Pudding

1 package (4-oz.) sweet cooking chocolate
1/2 cup butter
1-2/3 cups (14-1/2 oz. can) evaporated milk
1-1/2 cups sugar
3 tablespoons cornstarch
1/8 teaspoon salt
2 eggs
1 teaspoon vanilla
1-1/3 cups (about) flaked coconut
1/2 cup chopped pecans

Melt chocolate with butter in a saucepan over low heat, stirring until blended. Remove from heat; then gradually blend in evaporated milk. Mix sugar, cornstarch, and salt thoroughly. Beat in eggs and vanilla. Gradually blend in the chocolate mixture. Pour into an 8-inch square pan. Combine coconut and nuts; sprinkle over filling. Bake at 375 degrees for about 40 minutes, or until top puffs and cracks slightly. Cool at least 2 hours before serving. Serve with cream, ice cream, or prepared whipped topping, if desired. Makes 9 to 12 servings.

Note: If oven-proof baking dish is used, reduce baking temperature to 350 degrees.

General Foods Products Used: Baker's German's Sweet Chocolate, Baker's Angel Flake Coconut.

Southern Sweet Chocolate Pie

1 package (4-oz. sweet cooking chocolate
1/2 cup butter
1-2/3 cups (14-1/2 oz. can) evaporated milk
1-1/2 cups sugar
3 tablespoons cornstarch
1/8 teaspoon salt
2 eggs
1 teaspoon vanilla
1 unbaked 10-inch pie shell, fluted

Melt chocolate with butter in a saucepan over low heat, stirring until blended. Remove from heat; then gradually blend in evaporated milk. Mix sugar, cornstarch, and salt thoroughly. Beat in eggs and vanilla. Gradually blend in the chocolate mixture. Pour into pie shell. Bake at 375 degrees for 45 to 50 minutes, or until top is puffed and browned. (Filling will be soft, but will set while cooling.) Cool at least 4 hours before serving. Makes 10 to 12 servings.

Note: If topping browns too quickly, cover loosely with aluminum foil during the last 15 minutes of baking to prevent overbrowning.

General Foods Products Used: Baker's German's Sweet Chocolate, Baker's Angel Flake Coconut.

Benefit concert is slated at Newark St. March 30

Another concert has been added to the New Jersey Symphony Orchestra's winter schedule. The program — March 30 at The Theatre for the Performing Arts, Newark State College in Union — will begin at 8 p.m. It is being sponsored by the B'nai B'rith, Union Lodge No. 1782, in Union.

Herbert M. Fried, president of the Union Lodge, said it is believed to be the first time any B'nai B'rith organization in the state has ever sponsored such a concert. "We are particularly pleased to have this opportunity, which we consider to be our greatest undertaking," Fried said.

This will be the first time the orchestra will have appeared in Union with its music director, Henry Lewis, who took up the post in June. Benjamin Plotkin, of Union, who has been appointed chairman for the event, said, "The Lodge is sponsoring the concert to raise funds for the philanthropic and charitable works carried out by the National B'nai B'rith organization."

Other members of the committee for the concert include Herbert Blaustein, Jerome Glassman, Jack Persoff, Irving Stroth, Joel Conron, Lew Schwarz and Norman Ring, all from Union. For ticket information contact the concert chairman, Benjamin Plotkin, at 1056 Kensington ter., in Union, or by phone at 688-5728. Tickets, which will be available through other centers in Union within the next few days, are priced at \$7, \$5.50, and \$3.50, by reservation only.

FRIDAY DEADLINE
All items other than spot news should be in our office by noon on Friday.

4 openings listed by Welfare Board

Four staff vacancies have been announced by the Union County Welfare Board. They include a caseworker, clerk, clerk-transcriber and clerk-typist.

Minimum requirements for the caseworker opening are graduation from a four-year course at a college of recognized standing and a valid New Jersey driver's license. Requirement for the other positions is graduation from high school or a high school equivalency certificate.

Interested persons may contact the Welfare Board. All positions are subject to Civil Service examination, but temporary appointments will be made pending the results of the examination.

PLAN BENEFIT CONCERT — Members of the concert committee of B'nai B'rith Union Lodge 1782 discuss plans for concert at Newark State College, Union, March 30 by New Jersey Symphony Orchestra. From left are Jerry Glassman, fund-raising chairman; Herbert M. Fried, lodge president, and Benjamin Plotkin, concert chairman.

'68s weather just average Reports UC's meteorologist

The year 1968 was just average weather-wise, according to the annual report of Harold Duflocq, meteorologist at the Union College Meteorological Station, Cranford.

Duflocq said temperatures during the year averaged 52.8 degrees, which was 0.3 degrees above the normal.

Precipitation during 1968 totaled 41.97 inches, less than two inches short of the normal of 43 inches.

Days were fairly evenly divided as to good and bad weather, with 177 days of good weather and 183 days of bad weather.

Summarizing the year's weather, Duflocq noted that the highest temperature was 98

degrees July 17 and the lowest was minus 5 degrees Jan. 12. The highest monthly average was 76 degrees in July and the lowest monthly average was 26.5 degrees in January. The warmest day of the year was July 17 when the temperature averaged 85 degrees.

May gets credit as the wettest month with a total precipitation of 8.38 inches. February was dry with a recorded 1.09 inches of precipitation.

The heaviest snowfall recorded over a 24-hour period also occurred in May with 5.19 inches of rain falling May 28 and 29.

Trailside to show movie about U. S. skiing team

"The United States Ski Team in Action in Europe," a color, sound film, will be shown at the Union County Park Commission's Trailside Nature and Science Center, in the Watchung Reservation, on Sunday at 2 p.m.

The film shows the United States ski team on a tour of Europe prior to the 1968 Olympics competing in various European ski competitions.

Ballet workshop at Eastern 'Y'

A ballet workshop will be conducted from 6 to 8 p.m. today, by Sonja Nikol, ballet instructor, at the Eastern Union County YM-YWHA, Green Lane, Union.

Participating will be Mrs. Nikol's students from various classes, including some from the 'Y'. The program will be divided between the beginners, the intermediate and advanced classes in barre exercises, steps and variations.

For the second half of the program, Mrs. Nikol will present "A Fantasy" with music by Coppelia, Divertisment and the Fairy Doll Ballet.

The workshop is open to parents and friends of the participants as well as interested observers. There is no admission fee.

Earnings reports due by April 15

Ralph W. Jones, district manager of the Elizabeth social security office, announced this week that all persons entitled to monthly social security checks who worked last year and earned over the yearly limit of \$1,680 are required to file an annual report of their earnings by April 15. The report is necessary so that people will not be paid social security benefits for which they were not entitled.

She has never married and seems to feel sorry for her

Dear Amy: Our Ethnic Club was asked by its president for a donation to his particular church...the same denomination as all of us only located in another parish than most of our members. The amount was set

at \$100.00. I am not asking if our club has done this sort of thing before or if this was a "first." (After the meeting, I found it was the first time). The club is 30 years old with \$10,000 in the treasury, and though the cause was very noteworthy, etc., our club's purpose is for other things.

A check was turned over to our president who presented it to his church. This was in May, 1968. During the summer months we did not have any meetings. Our first meeting was in September and nothing was mentioned by the secretary about a note of thanks from the church. So I asked our president if our club had received an acknowledgment from this church to which he replied, "I thank you personally." I replied that the donation was not made to him but to his church and that his church should have sent the club a "Thank You" note.

The president became furious and said that \$47,000 was collected during this drive and surely I did not expect that every contribution would be acknowledged. Our president further said that I was casting doubts on his character and integrity.

Amy, this was the furthest thing on my mind. If it was out of order, in insisting that a note of thanks should have been received, I will apologize to him. What do you say?

Dear Mrs. J.P.: You were quite right in expecting the church to acknowledge the gift. It was in extremely bad taste on the part of the church regardless of what your president says.

What sort of an organization fails to thank me for a gift, they do not get another! (I recently received a beautiful note from the Heart Fund for a five dollar donation I sent in memory of a friend).

Selective Service questions and answers

Colonel Joseph T. Avella, State Director of Selective Service, has issued the following series of questions frequently asked of the Selective Service System, along with appropriate answers.

Q: My local board Executive Secretary who will subsequently notify you of the time and place where you may confer with the Government Agent. A free pamphlet entitled "Taking Appeals from Selective Service Classifications" is available to you at your local board.

I have requested a personal appearance before my local board and I want my father, who is a welder and can assist in my apprenticeship in welding to go with me. How do I arrange this?

Regulations say that only you have the right to appear in person. However, your local board has the discretion to permit another person to appear with you. Check with your local board Executive Secretary to see if arrangements might be made for your father to accompany you.

Recently I telephoned some information to my local board concerning a physical problem I have. I have been called today I obtained written evidence from that of my doctor. Should I mail that evidence to the local board and, if so, will they relate it to my earlier call?

You should mail the documentary material to your board along with a letter which relates it to your earlier call. It is important to remember that whenever you give your local board any information orally, you should follow it up immediately in writing.

Modern art to be shown

The Post-Army Decades, an exhibition of some 57 paintings, dating from 1915 to 1955, by pioneers of the modern movement in American art opens at the Montclair Art Museum, Montclair, on Feb. 9 continuing through March 2.

The nucleus of the selection is drawn from the museum's permanent collection, and is supported by works that have been lent by other museums, galleries and private collectors.

Two paintings are from the Alfred Seigitz collection and are on loan through the Weyhe Gallery - Marsden Hartley's "Landscape #2, France" and Alfred Maurer's "Ripid of City." Among the artists represented in the exhibition are Joseph Stella, Walt Kuhn, John Marin, Stuart Davis, Preston Dickinson, Georgia O'Keeffe, Max Weber, Gus Mager and Louis Lozowick.

The list of lenders includes the Whitney Museum of American Art, the Newark Museum, Kennedy Galleries, Knoedler Galleries, Maryborough-Gerson Gallery and a number of private collectors.

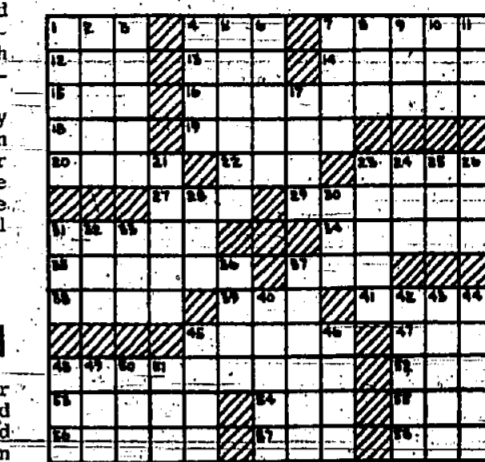

HATS ON, MEN!
Chicago's health commissioner, Dr. Morgan J. O'Connor, recently urged men to wear hats this winter to: (1) Reduce the possibility of head colds (or worse) due to exposure and (2) Avoid drying out of natural hair oils.

Freshmen at NCE 'different' Backgrounds shown in survey

Scratch a Newark College of Engineering freshman and you're going to find a somewhat different breed of cat than those inhabiting the campuses of other institutions.

NCE's freshmen are apparently more resolute in their plans for the future, more independent, plan more often for graduate study, and have worked to save for their own education. They usually have had a strong academic background and have taken part in some aspect of their high school's extracurricular program.

The freshmen reported they felt that the academic reputation of the college was the principal factor (noted by 75 percent of the class as opposed to only 49 percent nationally), followed by the relatively low cost of attending NCE (a contributing factor for 44 percent of the NCE freshmen and only 20 percent nationally).

Such differences are noted in a massive nation-wide survey conducted among 300,000 freshmen this fall at 435 institutions by the American Council of Education's Office of Research. About 100 of the colleges participating in the survey offer engineering programs.

ACE's data is compiled to offer the colleges national norms on entering freshmen and to assist the individual institutions in confirming student trends. Each college is supplied with statistics on its own freshmen as compared to national characteristics.

Three out of four NCE freshmen anticipate study beyond the BS in engineering, more than 50 percent are already planning toward a master's degree and 18 percent are aiming toward an eventual doctoral degree. National percentages are lower.

Since NCE is keyed directly to engineering, its freshmen class is pretty sure that this is the field of study they want and are almost unanimous in their convictions that they will make engineering, or a related profession, their career. Nationally, 11 percent of college freshmen state they are undecided in their plans for the future.

Many NCE freshmen were influenced by parents, relatives and high school counselors in deciding to attend NCE, but such dependency is less than the national norm.

Civil Service asks new sight minimum

John J. Farrell, Chief Examiner and Secretary of the New Jersey Department of Civil Service, announced this week that the vision requirements for the entrance level positions of patrolman and fireman in those local government jurisdictions operating under the Civil Service Act have been changed.

In order to meet the vision requirements for these positions an applicant must have not less than 20/50 vision in each and both eyes without artificial correction. Artificial correction would include glasses, contact lenses or any other device used to improve or correct vision. This revision was approved by the Civil Service Commission.

Individuals interested in further information regarding patrolman or fireman examinations or other information concerning job opportunities in New Jersey State or local governments under Civil Service may contact the main office located in the State House, Trenton or any of three branch offices located at 211 E. State St., Trenton; 08625-1100 Raymond Boulevard, Newark, 07102, and City Hall, Camden, 08101.

Collegians fight poverty

College students are being brought to the front lines of the war on poverty through a Department of Labor program called SAGA (Starting a Generation Alliance). During the next year, volunteer students will help locate, counsel, test, and coach the disadvantaged jobless in eight U.S. cities.

Time To Spare

THE VERSATILE TAPE RECORDER
Last week I was at a tea in the community center when someone put a record on the player. Usual enough, except that this time no music came out.

Instead of Mozart or Victor Herbert or Duke Ellington, we heard a long, loud, high-pitched hoot, plus the clash of wheels thundering down a track. The sound emerged from the distance, careened past, and diminished until it was barely a faint, faraway hum. You might consider this a strange kind of recording to play at a community tea. And, in fact, it's not my cup of tea—if you'll forgive the expression. Still, many members like those sounds which don't ordinarily make the grade as entertainment.

hinking as they descend from the sky or rise from the water. This development is, of course, a matter of technology. People have found that tape recording is as easy as handling a camera. More and more of them, after exposure to the results, are taking up the hobby. If your taste runs to more musical sounds than the ones I've mentioned above, well, you can have them too. Tape recordings of choice portions of Beethoven symphonies are not unknown in this fraternity of sound aficionados.

Dr. and Mrs. Boris Gildenberg of 515 Yorktown rd., Union, have announced the engagement of their daughter, Carol Phyllis, to Les Steven Dichter, son of Mr. and Mrs. Samuel Dichter of Haverstown, Pa.

The bride-elect was graduated from Boston University Sargent College of Allied Health Professions, where she majored in physical therapy. She is a California registered physical therapist working in Oakland.

Her fiancé, who was graduated from Villanova University, where he majored in accounting, attended the University of Delaware Graduate School for Food Marketing. He is presently serving in the United States Navy on the USS Hoel and is stationed in San Diego, Calif.

A February wedding is planned in New Jersey.

Rosarians to see movie on Hawaii

The St. James Rosary Altar Society of Springfield will hold its regular monthly meeting on Monday evening in the school hall following Novena devotions.

The program for the evening will include the showing of a movie film of Hawaii, presented through the courtesy of United Airlines.

Preparations for the "covered-dish supper" are underway according to Mrs. Lawrence Kammen, chairman. The supper will take place at the Society's March meeting, and details will be discussed at Monday's meeting.

Also on the agenda for discussion will be the annual luncheon to take place in the spring.

Following the business meeting and program, refreshments will be served.

MISS NANCY DE FALCO

DeFalco-Gregorio troth is announced

Mr. and Mrs. Daniel J. De Falco of Verona have announced the engagement of their daughter, Nancy Carol, to William P. Gregorio, son of Mr. Nicholas V. Gregorio of Union and the late Mrs. Pauline Gregorio.

The bride-elect, who was graduated from Essex County School for Practical Nursing and Central School for Medical Assistants, is a licensed nurse employed by a neurologist at Summit Medical Group, Summit.

Her fiancé, who was graduated from Union High School, is a member of Carpenters Local 620, Madison, and is employed by P.J. Herberich Co., Inc., Maplewood.

Louis Treppuntis mark golden year

Mr. and Mrs. Louis Treppuntis of Isabella avenue, Irvington, formerly of Union, were feted on their golden wedding anniversary Sunday at a reception for family and friends at the Briarwood Room of the Four Seasons.

Mr. Treppuntis and the former Teresa Valentini were married Jan. 25, 1919 in Spira, Sicily.

The Treppuntis have a son, Phillip, of Union; three daughters, Mrs. Phillip Cuttari and Mrs. Joseph Savastano, both of Union, and Evelyn Treppuntis of Irvington, and seven grandchildren.

Small buying economy

Buying in small quantities may mean a larger outlay of cash for each food item—but could prove economical in the long run if fewer stale or spoiled products are thrown away. Let family size determine your food buying habits.

WELL DONE

In India, a CARE project to build a well in a waterless, destitute village was at a standstill: the men had gone to other areas seeking work. When word spread, 3 volunteers—a watch repairman, bicycle repairman and an auto mechanic—moonlighted after their regular jobs in a nearby town, to drill the well and sink the shaft.

On honeymoon

Mr. and Mrs. Louis P. Skierski Jr. of 2182 Balmorel ave., Union, spent their honeymoon recently at the Bermudians in Hamilton, Bermuda.

Mrs. Skierski is the daughter of Mr. and Mrs. Andrew Sabatos of 1352 Orange ave., Union. Her husband is the son of Mr. and Mrs. Louis P. Skierski of Elizabeth.

Force feeding...

The Atlantic salmon, whose numbers have diminished in recent years, once was so plentiful that some indentured servants in the 1700s demanded contracts specifying that they would not be forced to eat salmon more than three times a week.

Shurkin-Schwartz engagement is told

MISS MIRIAM SHURKIN

Mr. and Mrs. Bernard Shurkin of West Orange, have announced the engagement of their daughter, Miriam, to Sanford A. Schwartz, son of Mr. and Mrs. Sam Schwartz of Springfield.

Miss Shurkin is a graduate of Columbia High School and is a senior at Hofstra University, where she is a member of the speech honor society.

Her fiancé, a graduate of Jonathan Dayton Regional High School, Springfield, is a senior at Fairleigh Dickinson University, where he is majoring in accounting. He will attend law school in the fall.

A June wedding is planned.

Past Presidents hear author talk

Members of the Past Presidents' Club of the Seventh District of the State Federation held their annual January meeting last week at the Summit Forthright Club, with Mrs. Kenneth R. Robson, president, presiding.

Among the past presidents of the Woman's Club of Connecticut Farms, Union, who attended were Mrs. Frank Tell, current club president; Mrs. Michael Perlmutter, Mrs. Alfred Steln, Mrs. E. Butler Hehl and Mrs. August Prange.

Following a brief business meeting, the program of "Old Houses of New Jersey" was presented by Harry Devlin of Mountain Side, author of several books on old houses in New Jersey—among them, "To Grandfather's House We Go" and "What Kind of House Is That?" He illustrated his lecture with an exhibition of oil paintings of houses shown in his books.

Study hangtags

Study the hangtags when you buy a new garment. The tags give the licensed trademark of the fabric, instructions for proper care of the garment and usually, a guarantee the item will last for a certain length of time under normal wear.

Correct bleach needed

Bleach helps to keep white garments bright. It leaves a clean, chlorine bleach that leaves yellow and brown spots on fabrics if there is iron in the water. With an oxygen type bleach, there should be no staining in water that contains iron. A bleach, however, doesn't take the place of enough detergent to prevent a buildup of soil.

YOUTH CORPS

In its four years of existence, the Neighborhood Youth Corps—an anti-poverty program administered by the U.S. Department of Labor—has given work experience and training to more than 1,700,000 young Americans.

State Museum's art exhibition accepting Jerseyans' entries

Artists from New Jersey may submit entries to the New Jersey State Museum's Fourth Annual Juried Exhibition, Art from New Jersey 1969, according to Dr. Kenneth W. Prescott, director.

Wages up 6.6 pct. in building trades

WASHINGTON—Average hourly wage scales for building trades workers rose 6.6 percent during the year ending July 1, 1968, the U.S. Department of Labor, Bureau of Labor Statistics has reported. This gain—the largest annual increase since 1947-48—brought the bureau's index of union wage scales for building trades workers to 154.1 (1957-59 equalled 100).

The bureau's annual survey in cities with a population of 100,000 or more showed that scales averaged \$5.14 an hour, up 32 cents over the previous year.

Union hourly scales on July 1, 1968, averaged \$5.43 for journeymen and \$4.05 for helpers and laborers, up 34 cents and 24 cents, respectively, from a year ago.

Scale increases were recorded for 97 percent of the workers surveyed, reflecting both newly negotiated agreements and deferred advances.

Employer payments to health and welfare insurance, pension, and vacation funds averaged 54 cents an hour for all building trades workers. Such employer contributions averaged 58 cents an hour for journeymen and 42 cents for helpers and laborers.

The works selected by an out-of-state panel of three nationally-known American artists will be juried the week of March 31 and will be on display at the Museum's Main Galleries May 3 through June 29. Painting entries will be accepted from March 17-22; drawings, prints and sculpture from March 24-29.

Any professional artist (one whose total income from a creative expression in any given direction) 18 years or older, currently living or working in New Jersey, may submit one entry. Works must be original and should have been completed since 1965.

The prospectus for the 1968 Annual includes entry blanks and deadlines for submissions in all media as well as detailed regulations. It will be mailed to all artists of record on the Museum's list of New Jersey artists, beginning Feb. 21. Interested artists not on the Museum list may add their names by writing the Bureau of Arts, N.J. State Museum, Cultural Center, Trenton, 08625.

Purchase awards for works which will become part of the State Museum's permanent collection, will total approximately \$15,000. Prize money includes the \$5,000 Governor's Annual Purchase Award and an additional \$4,000 donated by the recently formed Association of the Arts for the New Jersey State Museum.

Additional award money comes each year as gifts from private donors—interested New Jersey citizens and businesses.

HALF-PAST TEEN

Time to seed your lawn! that's right, in the winter

"Come Spring 1969, an increasing number of home owners are going to learn the satisfaction of having a beautiful, early new stand of grass, without working for it." So says Garfield Williamson, Inc., makers of Wonderlawn Lawn Seed sold by Channel Lumber Co.

Not for them the old, time-worn and muscle-weary routine of—"turn the soil, break it up, rake out debris, pulverize, sift, smooth, seed, water and pray"—and water and water!

They're the lucky ones who have learned about and tried Wonderlawn's dormant seeding formulas. In other words, why do all the work when nature will do it for you, via the dormant seeding cycle—with special winter-kill-resistant lawn seed mixtures. Dormant seeding consists of simple overseeding of lawn areas during the cold winter months—December, January, etc. Then, simply refrain from fertilizing until early spring,

and you've practically got it made—your lawn, that is. Seed remains dormant during cold weather, and alternate ground freezing and thawing and snow melt cycle embeds seed firmly and naturally. The result is that germination takes place 30 to 40 days earlier than any spring-planting. Another benefit is that earlier established, deeper roots discourage weeds and drought injury.

NCE lists scholarship aid to frosh

Newark College of Engineering will give \$1,000 Trustee Scholarships to 14 academically outstanding freshmen this fall, in a continuation of its program of encouraging superior students to attend the College.

Neil D. Holzman, NCE's director of admissions, said the students selected as Trustee Scholars will be named this spring. At NCE the Trustee Scholarships are awarded on the basis of demonstrated academic achievement and capability.

In addition to using his scholarship funds to underwrite the usual costs of tuition, fees and books, the recipient may also use portions of the monies to cover extraordinary educational expenses, transportation or other special needs.

Newark College of Engineering began its Trustee Scholarship program last spring when it received an unrestricted grant through the Program of Financial Assistance to Colleges and Universities of the Bethlehem Steel Corporation. An additional grant this year has allowed NCE to increase the number of scholarships for academic excellence.

Brain-injured subject of talk

The Essex-Union Section of the New Jersey Association for Brain-Injured Children will hold its monthly meeting on Tuesday, Feb. 11, at 8:30 p.m. at the Taylor Park Recreation House, Millburn.

Arthur Brisbane Child Treatment Center.

The topic for the evening will be: "Emotional Difficulties Faced by Children with Brain Dysfunction."

Navy will cachet Apollo 9 covers

NORFOLK, VA. — Manned Spacecraft Recovery Forces of the U.S. Navy will provide collectors with "Recovery-day" cachet and cancellation services for the upcoming Apollo 9 manned space flight.

Philatelic coordinators designated for Atlantic and Pacific Fleet Recovery Forces (Task Forces 140 and 130) will receive all such envelopes and make the distribution to assigned ships.

To permit adequate time for required handling of covers, collectors should mail pre-

stamped, self-addressed envelopes to reach the appropriate coordinator prior to Feb. 13. Covers received after this deadline will be cancelled at Norfolk or San Francisco.

Due to popularity of this service and postal facility limitations on recovery ships, the coordinator for Task Force 140 will accept only six envelopes while Task Force 130 will accept 8 covers from each individual collector.

Addresses for Atlantic and Pacific coordinators are: TASK FORCE 140, Public Affairs Office (Apollo 9) Manned Spacecraft Recovery Force, Atlantic Building SP-71, Naval Air Station, Norfolk, Virginia 23511. TASK FORCE 130, Chief-in-Charge (Apollo 9) Navy Terminal Post Office, PFO San Francisco, Calif. 96610.

Counselor named for study league's overseas program

Mrs. Mary Ann Rodas, assistant professor of English at Union College, Cranford, will serve as counselor for area students participating in the Foreign Study League's summer overseas program.

The league is offering a course in English literature for qualified students, 15 to 19 years of age, to be given at Oxford University this summer.

Prof. Rodas will meet with interested parents and students on Thursday, Jan. 30, at 7:30 p.m. at the home of Mrs. J. J. Rodas, 1000 College Road, Cranford.

The Foreign Study League is a private educational institution which provides young American students with the opportunity to attend summer schools abroad. In 1968, over 7,000 students took advantage of this opportunity.

The group of 10 students assigned to Prof. Rodas will study "British History and Culture," "The English Novel and Short Story," and either "The Romantic Poets" or "Modern British Drama." While at Oxford, students will live at historic Queen's College founded in 1431.

As an extension of the curriculum, students will visit some of the historic sites associated with their literary studies, such as Stratford-upon-Avon, Milton's cottage and Stokes Poges Church. There is also provision for four days of sightseeing in London and three days in Paris.

The group will fly to London July 14, returning by ship Aug. 29.

Interested students who are unable to attend the program Jan. 30 may write to Prof. Rodas at Union College for additional information.

Prof. Rodas is currently on leave from Union College and is enrolled in a doctoral program at Teacher College, Columbia University, in the Department of Language and Literature.

Annual Heart Fund campaign begins; \$90,000 goal announced for county

A goal of \$90,000 for the February Heart Fund drive was announced last night at a kickoff rally in White Laboratory, Kenilworth. State Senator Matthew J. Rinaldo, chairman of the Union County Heart Association's fund drive, said the 1969 goal was a little more than 10 percent higher than the \$81,110 netted last year.

"However, we are confident that the people of Union County are sufficiently aware of the need to support the activities of the Heart Association," he said.

The goal in Union is \$9,500, an amount only slightly in excess of the \$8,912 raised last year; in Roselle and Roselle Park, where \$3,371 was raised last year, the goals are \$1,600 and \$2,100; in Springfield, where last year's total was \$2,443, the goal this year is \$2,600; in Linden, where \$5,564 was raised last year, the goal is \$5,800; in Mountainside, where \$1,920 was contributed last year, this year's goal is \$2,200, and in Kenilworth, where \$1,601 was raised last year, the goal is \$1,800.

Chairman named for symphony ball

Mrs. Walter Margera Jr. of New Vernon has been named state chairman of the 1969 New Jersey Symphony Ball, to be held April 19 at the Robert Treat Hotel in Newark.

This year's ball, to be entitled "Jewel Ball," is a fund-raising activity for the symphony and helps to underwrite concert and educational activities.

The orchestra must raise a large sum each year to cover operating expenses according to provisions of the Ford Foundation grant, which was made to the New Jersey Symphony in 1966. The "Jewel Ball" and other major fund raising projects of the symphony are geared to this goal.

Dr. Lawrence Gilbert, director of thoracic surgery at Beth Israel Hospital, Newark, was guest speaker. Dr. Gilbert discussed advances in cardiac surgery.

Mrs. Henrietta Froehlich, executive director of the Union County Heart Association, served as moderator for a panel discussion on fund raising. Panelists discussed door-to-door solicitation, mail appeals, business gifts and special donations.

Senator Rinaldo said the panel discussion format was adopted last year. "We want to arm our volunteer workers with all possible information, so they can collect the most money possible during this campaign," he said.

The headlines dealing with heart transplants in the past year have made the American public more aware of the need for funds to defeat our number one killer, this is it."

Hiking club plans three rambles

Three rambles have been planned for members and guests of the Union County Hiking Club this Saturday and Sunday.

On Saturday, Miss Irma H. Heyer of Elizabeth will lead a six-mile afternoon ramble in the Watchung Reservation.

On Sunday, Robert Evers of Irvington will lead two rambles in Jockey Hollow Park in Morristown. The first is a four-mile morning trek beginning at 10 a.m.

Overlook Hospital received a total of \$20,000 for its stroke rehabilitation project and \$5,000 for a coronary intensive care unit. Grants of \$5,000 each were presented to St. Elizabeth's Hospital, Elizabeth; Alexian Brothers, Elizabeth; Memorial General, Union; Muhlenberg Hospital, Plainfield; and Rahway General, Rahway, to help pay the costs of establishing cardiac intensive care units.

In addition, the Union County Heart Association has made grants of nearly a half million dollars to various hospitals and research projects during the past 17 years.

Student artists invited to exhibit in show at UC

Student artists at Union College, Cranford, have been invited to exhibit their work in the Cranford Creative Art Group's coming art show in the Judge Nicholas Tomagallo Art Gallery at the college. The annual show will open Feb. 7 and continue through Feb. 21.

Mrs. Frances Lieber, show chairman, has announced that James Rawlins of Rutherford will serve as student chairman.

"The Imaginative Approach" is the theme of the exhibit and abstract, non-objective and abstract expressionism work is being sought for exhibit.

TB grants to be given to 8 doctors

Alfred A. Vonderas, president of the TB-Respiratory Disease Association of Central New Jersey—sponsors of the Hudson, Monmouth and Union County Christmas Seal Campaign—this week announced that the association will award scholarships to eight physicians to attend a post graduate course on pulmonary function.

The scholarships, provided by funds derived through the annual Christmas Seal Campaign, will enable the physicians to attend the 19th annual conference, "The Measurement of Pulmonary Function in Health and Disease," to be held March 24 to 28, at Boston, Mass.

Sponsors of the program, which will be directed by Dr. Edward J. Welch, prominent specialist in chest diseases, include the American Thoracic Society, the Massachusetts Tuberculosis and Health Association, the Massachusetts Thoracic Society, the Medical Schools of Boston, Tufts and Harvard Universities and the Harvard School of Public Health.

In announcing the grants, Vonderas said that the course is designed for physicians interested in diseases of the chest who wish to acquaint themselves with the methods used in the evaluation of pulmonary function.

The course offers the participating physicians an opportunity to study in depth the breathing problems created by emphysema, asthma, chronic bronchitis and other chronic obstructive pulmonary diseases.

The physicians who will receive scholarships will be selected by the association's medical advisory committee.

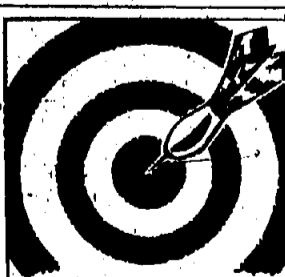

Secretaries plan safety program

"Rally Round the Flag for Safety" has been selected as the 1969 Program of the Year by the National Secretaries Association (International).

According to Miss Audrey Berry, president of the Union County chapter, the program has been scheduled for Feb. 27 at 6:30 p.m. at the Windfield Scott Hotel, Elizabeth.

The guest speaker will be William F. Wastick, director, Family Youth Division, New Jersey Safety Council, Trenton, New Jersey. His topic will be on safety and will include a film on "You and Office Safety."

Bulldogs meet Cranford tomorrow in final home game

By ARNOLD GERST
The Jonathan Dayton Regional High School basketball team extended its winning streak to three games by defeating Union, 79-60, in a Springfield record 15-11-2, and tomorrow night at 8 Dayton will meet Cranford in the final home game of the season.

Dayton built up an eight-point lead at the conclusion of the first period, 15-8, but Union bounced back in the second period. Led by

SIX-FOOT, four-inch Bob Weber, who scored 21 points for Union, the Farmers cut Dayton's lead to five points at the half, 33-28. Weber, Jack Fingerhut and Dave Daniels combined for 47 of Union's points.

Springfield was able to maintain this five-point lead because of Frank Buccini's pinpoint shooting. Buccini scored 14 points in the first half, while Ralph Losanno scored 11 and played a major part in controlling the boards.

Dayton broke the game wide open in the

final quarters of the contest. Dayton's defense and Fingerhut's control of the boards let Springfield overpower Union in the fourth quarter.

The Bulldogs scored 28 points in the final period and 46 points in the second half. Both of these figures are season highs. Because Buccini was able to hit on short jump shots, Dayton outscored Union, 16-5, with half of the fourth period gone. At the 4:38 mark Dayton

led, 67-50. Losanno, scoring nine points in the last period, played a major role in the Bulldogs' surge. His aggressive play sparked Dayton's offense, and his all-round performance was a highlight of the game.

Coach Ray Yanchus remarked that Losanno followed his shots well and shot well over Union's zone defense. Losanno finished with the game high of 23 points.

Yanchus said that Bob Janukowicz and Ed

Graessle did good jobs for Springfield. Janukowicz, a sophomore appearing in a starting berth for the first time this year, scored four points and played very well in a starting position. Graessle, another sophomore, did a good defensive job and was able to stop Dave Daniels, who scored 14 points in the game, but did not score in the fourth period.

Yanchus also commented on Charley Foster, who on many occasions has substituted

for center Dave Margulies. Yanchus said that Foster is a good jumper and defensive player. His shooting is constantly improving and he has a great deal of poise on the court. Foster, in the future, should provide some scoring from the center position.

Springfield, in its final home game tomorrow night, will face a Cranford team which has won one game this year. Cranford is using many sophomores on its varsity level and is in a rebuilding stage this season.

Linden hands Minutemen first defeat after Springfield runs streak to eight

The Springfield Minutemen's winning streak was stopped at eight games last Saturday evening, when a tough Linden team caught the Springfield boys on a cold-shooting night and sent them down to a 72-56 defeat. Dreams

of an unbeaten season ended with this game. Last Wednesday evening, the Minutemen had won their season's victories to eight in a row with a 78-48 verdict over the Irvington PAL.

The Springfield-Irvington game saw the

Minutemen spurt to an early lead and continue to build on the lead throughout the game. The Minutemen cleared their bench in this contest, and 17 players entered the scoring column. Big Vinnie Davis did most of the scoring for the Minutemen. While in the game, Vinnie had almost complete control of the backboards. Davis tallied a game high of 17 points in this game and captured 10 rebounds. Both of these marks came in brief appearances at the start of the game and at the start of the third

period. This was a complete team victory for the Minutemen. Mark Weber hit seven points; Al Wilbourn, four points, Kenny Baroff, five points, and Jerry Jones, four points. Gary Tiss and Dino DiCocco both hit three buckets for six points, while Gary Weiner tallied five points.

For the entire last quarter, the Minutemen played with a team of several starters. For the first time, Jim Zerkoff worked well under the boards, while Bobby Hydock, Billy Palazzi, and Frank Zarrello worked outside. The backcourt combination was particularly effective. Palazzi and Zarrello connected for four points each, while Hydock hit on a jumper. Kevin Mercer, a Springfield sixth grader, entered the game late and hit for three points.

Springfield opened up an early lead in this contest only to see Linden turn many Minutemen into fast break baskets. In the second half, the Springfield boys attempted various defenses in an effort to stop the Linden offense. Their shooting did not improve in the second half and the desperation press to make up lost ground led to many easy Linden buckets as the Linden club was able to break the press. The game was a rout in the final period when Springfield lost its board control, as both Vinnie Davis and Mark Weber went to the bench with five personal fouls.

Regional wins in final seconds

Jonathan Dayton Regional High School's basketball team scored a last-second, 63-62, victory over Gov. Livingston Regional of Berkeley Heights Tuesday. Dayton, with a record of 12-2, will meet Cranford at 8 p.m. tomorrow in the final home game of the season.

Dan D'Andrea was the hero for the Bulldogs. With just 15 seconds remaining, D'Andrea stole the ball from Jeff Burdette and scored a layup. D'Andrea turned the bucket into a three-point play by sinking a foul shot.

Springfield's biggest lead was six points, 42-36, with 3:45 remaining in the third period. The game was tied at 52 with five minutes remaining, and Berkeley Heights led by four, 62-58, with 37 seconds left. Dayton drew within two at the 24-second mark, and then D'Andrea scored his winning three-point play.

Springfield was very sluggish, but four starters did hit in double figures. Ralph Losanno scored 15, Frank Buccini and D'Andrea, 13, and Dave Margulies, 11. Dennis Lester did a masterful job on heights star Burdette. Although Burdette scored 21 points, he did not sink a field goal in the second half.

Dayton now has a four-game winning streak and leads the Watchung Conference with an 8-0 record.

Dayton wrestlers gain initial victory of season

The Jonathan Dayton Regional High School wrestling team registered its first victory of the season, defeating Jefferson, 32-14, but then lost to Scotch Plains, 39-3, to make its record 1-2 Saturday. The Bulldogs will meet

Berkeley Heights at 2 p.m. in a road contest. Against Jefferson Kemper Morse (106), Dave Pierson (130), Barry Snyder (136) and Dennis Marino (168) won by pinning their opponents. Gary Branning (115), Mike McGourt (123), Randy Hutton (148) and Gary Haudt (157) won by decision.

Coach Richard Cook was very pleased with the performances of Morse, Hutton and Mike LeGrange who at 96 pounds, was the only wrestler to win in the Scotch Plains meet. Morse is battling Andy Kriegman constantly for Dayton's varsity berth at 106 pounds, has wrestled twice on a varsity level and has pinned his opponent both times. Hutton, who wrestled for the first time on the varsity against Jefferson, has looked impressive and shows very rapid improvement.

LeGrange has been the freshman standout all season. He is very aggressive in all matches and is becoming an outstanding wrestler.

Springfield's wrestling team is very young but shows constant improvement and will be strong in the future.

Ivy League resumes play this evening

The Recreation Department's Ivy League basketball schedule, which was interrupted last Saturday because of a wrestling match at Jonathan Dayton Regional High School, will be resumed tonight at the Florence Gaudreer School.

Two games will be played in the boys' gym and two games in the girls' gym. Players and coaches have been requested to be at the boys' gym at 7 p.m. for assignment.

Bowlers edged by Clark; IVs win 2 matches

The Jonathan Dayton Regional High School bowling team lost to Clark and its record is now 3-4. The Bulldogs will meet Rahway on Feb. 3 at the Echo Lanes.

Bruce Gerstein led the Bulldogs with two 200 games and Lew Stein averaged 175. Ray Haines and Mike Greenhouse bowled below their normal levels. Bob Shillinger, a junior, and Steve Gleason continued to improve. Shillinger is still averaging in the 160s, while Gleason is rolling at 157. Coach Peter Socca points out that he is thinking of moving Ted Rosenkrantz, whose average is close to 180, to the varsity.

Dayton lost, 850-835 and 875-870, so once again the Bulldogs were within reach of victory.

Dayton remains three games out of second place in the Watchung Conference.

On the junior varsity level, Rosenkrantz has been doing an excellent job. His consistent improvement has been a bright spot on this team.

Henry Kinzie and Todd Herman, a junior, are becoming very strong bowlers and of great help in the junior varsity ranks. Because these three players have greatly improved in the past few weeks, the junior varsity won its last two matches by 3-1 scores.

Gems boost lead; Dancers move up in Tuesday league

The Gems increased their lead to four games in the Tuesday Afternoon Girls' Bowling League last week. The Gems split their two-game series with the Strikers, while the closest competitors, the Stars, lost two games at the Springfield Bowl. This league for grammar school girls is sponsored by the Recreation Department.

Liz Simpson of the Strikers was the outstanding bowler in the Striker match, leading both teams with a 236 series. Norell Geoghan also rolled well for the Strikers. Cindy Zahra's 194 series paced the league leaders. Diane Searies had a 188 series and Cathy Alexy also was in good form for the Gems.

The Dancers, who continue to move up in the standings each week, moved within a game of the Stars last week, as Dona Hays led the sweep with a 221 series. Sue Foster (196) and Kathy Brennan (172) also rolled well for the Dancers. Carol Roessner paced the Stars with a 227 series. Karen Peters (184) also rolled well for the Stars.

The Pacesetters beat the Charms in two games. Jodi Rothenberg rolled her best series of the season for the Pacesetters, topping all bowlers for the day with a 257 series on games of 145 and 112. Jo Ames (212) was also outstanding in the Pacesetters' attack. Karen Landow (172) once again paced the Charms.

Debbie Kuskin (120) holds a one-pin lead over Carol Roessner for high average. Jodi Rothenberg (101) has moved into third, followed by Jo Ames, 100; Diane Searies, 99; Liz Simpson, 98; Dona Hays, 97; Chris Klech, 97; Karen Peters, 95; and Joanne McGrady, 93.

Oklahoma, Iowa continue unbeaten in State League

Oklahoma and Iowa stayed on top of their divisions in the Recreation Department's State League basketball play last Saturday afternoon. Both squads are unbeaten after four games at the Florence Gaudreer School.

Iowa kept its record intact with a 9-12 victory over Kansas in the last of three Eastern Division games. Gary Prellaff again led the Iowa attack with seven points. He was outstanding on defense. Timmy Pimpplish was also impressive for Iowa, as were Rich Feldman and Russ Gabay. Al Geist and Art Cook held the Kansas attack together through three periods. Al was the ball controller, while Art did great board work for Kansas. Each boy had four points. John Roth also played well for Kansas.

Florida beat West Virginia, 26-22, in overtime. Buckets by Gregg Prussing and Leon Rawitz in the overtime period spelled the difference between the two clubs. Bruce Blumenfeld paced Florida into the overtime with a fine all-round performance. Bruce led all scorers with 13 points and showed great ball control ability.

Gregg Prussing, in addition to sharing game winning honors, played a top defensive game for the victorious Florida team.

Joey Knowles was the top player for West Virginia. Joe topped his team in scoring with eight points and controlled the squad's attack with a showing of court leadership. Neal Lesser gave the Virginians a good defensive effort, while Jess Greenstein was impressive on offense with six points.

North Carolina and Indiana also went into overtime last week and Indiana came away with a 23-22 verdict. Alan Wehman scored a bucket in overtime for Indiana, and Johnny Garding added the important free throw. These scores offset a driving bucket by Dave Kessler of North Carolina.

Clayton Heitzke paced the winners with eight points and some fine shooting. Clayton was four-for-four from the line in the second period to give his team a cushion in the early play. Al Wehman and John Gartling both played strong games, as did Bobby Manheimer, John Biranck and Cal Ackerman. Wayne Rutz was outstanding for North Carolina. He was strong on defense and led all scorers with 10 points. Al Lipton and Bob Roth also starred for Carolina. Al hit five points and Bob three points. Dave Kessler's overtime bucket gave him four points for the game.

Oklahoma held on to first place in Western Division play with 18-16 victory over a scrappy Utah squad. Oklahoma held on in a torrid final quarter to register this victory. Bobby Fleishman, just up from Small-Fry play, fit right into the Okie style, packing the Okies in the final period when he tallied five of his total of seven points. Bobby tallied one field goal in this game and was good on five shots from the free throw line. Fleishman shared game honors with Ricky Goldhammer, who also dropped seven points through the hoop for Oklahoma. Mitch Tabkin again looked good for Oklahoma. Mitch impressed with some fine play-making, and added four points.

Matt Levine led a late Utah rally, which was thwarted only by Fleishman's fine play. Matt gave a good all-round performance and contributed four points. Joel Goldberg also tallied four points for the Utes, while Barry

Stolhof and Ken Steinbach each scored three points. Mark Pezzuto was again strong off the boards and contributed two foul shots.

Wyoming, improving each week, rolled over Texas, 17-13. A big rebounding game by Tom Moore led the way for Wyoming. Mark Seymour was very impressive for Wyoming. Mark set up many buckets for team mates and tallied six points. Larry Klarfeld also hit six points for the winning Wyoming team. Larry Burns led the Texas squad with a fine ball control effort. Larry was the Texas playmaker and showed a good dribbling talent. Mitch Kirtzer was the high scorer for Texas with eight points.

The final game of Western Division play saw California hold off a stubborn Arizona to take a 27-24 verdict. Ray Jones and Alan Spellholz paced the California victory. Ray was again terrific with another fine dribbling display. Ray also hit five points, with four coming during the final period when California was holding off a strong Arizona rally. Spellholz gave California a fine all-round game as he played well at both ends of the court.

Skip Moore gave California its scoring punch, as he led all scorers with nine points. Other boys contributing to California's well balanced scoring attack were: Chris Stadler, Kenny Kaplan, Mike Kosnet and Dave Steinhart. Arizona was led by Frank Geiger. Frank was strong off the boards and tied for high scoring honors. Frank hit six points and had a great number of rebounds. Steve Lipschultz also hit six points for Arizona and was the driving force behind the fourth period rally. Steve gave Arizona a scrappy performance that brought it from far back. Billy Bohrod and John Noco also looked good for Arizona. John hit four points. Sandy Pinesman's foul shot and Don Heitzel's bucket completed the day's scoring.

Pirates only team still undefeated in Small-Fry League

The Pirates were the sole undefeated quintet at the end of play last Saturday afternoon in the Sandmeter Small-Fry League. Upsets and close decisions highlighted play in this Recreation Department basketball league. The Pirates were one of the few favorites to succeed.

The Pirates saved their undefeated record by the skin of their teeth against a stubborn Charger team. The Chargers rallied in the final period on a pair of late goals by Mark Buzin. Mark's buckets narrowed the gap to two points. The Pirates managed to save the day with some great foul shooting. All but two of the Pirates' game total came from the free throw line. The Pirates hit seven shots from the foul line going into the final period when Doug DeLeonard hit one from the field to give the Pirates a 9-7 victory. Doug was the high scorer with six points. Mike Rosenberg, Jeff Feld and Rich Jones each hit a foul shot for the league leaders, while Rich Segi and Bob Pine scored from the line for the Chargers.

THE JETS KNOCKED the Rockets from the ranks of the unbeaten in an overtime thriller. The Jets came out on top by a 15-14 score. Dave Shulman put the game into overtime for the Jets with a last-second driving shot. Dave then took charge in the overtime period to nail the victory with another driving shot. Shulman's marker in overtime offset a free throw by Mark Roslin of the Rockets. Shulman finished with a game high of 10 points.

Keith Widom was outstanding for the Jets during the final period rally. Keith calmly stepped to the line three times in the game and hit all three foul shots. Freddy Watkins hit an all-important bucket for the Jets. Mark Roslin was high for the Rockets with nine points and was outstanding at both ends of the court. Brian Deutsch also played well for the Rockets as did Mike Greenberg, who hit 3 points.

The Chiefs took their first victory of the campaign with a 9-7 victory over the Raiders. Kenny Fingerhut's fine performance for the Chiefs held off the late rally of the Raiders. Kenny was high in this game with six points. A strong second period was the story of the game. Fingerhut, with help from Freddy Parker, did the damage in this period. Buckets by Rick Weber, Kevin Walker, and Hal Sherron late in the game spearheaded a Raider rally that fell short. Bob Hardgrove hit a free throw for the Raiders to narrow the score. Teddy Parker had three points for the Chiefs.

IN THE OPENING CONTEST of the four games played last Saturday the Tigers put on the best offensive show of the season as they crushed the Comets 20-5. Andy Armour, Eric Carter and Andy Beerman were the stars. They worked well together to give the Tigers their high-powered punch. Brenner led all scorers with seven points, as he showed a good shooting eye throughout the contest. Armour was particularly effective in getting the ball for his teammates. Andy was tough off both boards in the game.

Eric helped the Tigers get away early in this game with three quick points and then helped the squad keep the lead with some top floor play. Brenner tallied seven points. Geist five and Armour four. Steve Lalor and Mike Davis were also important in the Tiger attack as each boy contested once from the field.

Steve Schlein was the only Comet to produce points in this game. Steve with a fine hustling effort hit for five points on two buckets and a foul shot. Eric Davis and Gary Shulman also played a hustling brand of ball for the Comets, as did Kevin Mitchell.

Wrestling coach praises JV team

Although the Jonathan Dayton Regional High School junior varsity wrestling team has an 0-5 record, Coach William Horne points out that there are many bright spots on the team.

Kurt Hutton at 148 and Kemper Morse at 106 have been wrestling on a varsity and junior varsity level. Stephen Max at 123 and 103, Dan Williams at 168 (a first year man), Karl Meyer at 98 and Mitch Kaplan, recovering from an injury, have, according to Horne, done a tremendous job. Horne said that most of these boys are first and second-year competitors and show a great deal of desire.

On the freshman level, Ross Plichton at 98, Frank Frieri at 106, Bob Weiner at 115, Paul Kopitck at 123, Mark Jaffe at 130, Gary Patigan at 136, Don Hempel at 141, Joe Hernandez at 157, Rich Lan at 168 and Don Astley at 178 have all done outstanding jobs and will help the varsity a great deal.

Frosh will host Rahway cagers

The Jonathan Dayton Regional High School freshman basketball team, with a 4-5 record, will be host to Rahway at 3:30 p.m. Friday.

Coach Lou Piccolo noted that John Barry has been Dayton's most consistent scorer, averaging 20 points. Kurt Mohns, the second leading scorer, is Dayton's ablest rebounder. Ron Steel and Ed Cook have done some scoring while Don Connors, Jim Schach and Bob Zucker play in the back court.

Piccolo said that Dayton's defense still needs work and the team must show more overall improvement. Dayton must score when the opposition goes into very tight defensive play.

Freshman victories have come against Kawanee 42-38; Clark, 38-40; Cranford, 38-36; and Berkeley Heights, 53-47. The Bulldogs have lost to McManus, 65-51, and Scotch Plains, 91-67 and 65-35.

CAST -- Pictured above are Dorothy and some of her friends from the cast of the "Wizard of Oz" to be presented at the Eastern Union County YM-YWHA, Green Lane, Union, Sunday, Feb. 9 at 2 p.m. by the Traveling Playhouse, an adult professional company performing for children. Tickets are available at the 'Y' office.

SUNDAY'S SERMON

YOUR FELLOW MAN
One-way streets help move traffic in the city. The only inconvenience is that sometimes you must drive around the block to reach a particular address.
One-way people, on the other hand, will run over you if you get in the way. More often than not, they're moving against the grain, forcing others to make room for them as they charge blindly about.
Consideration of the other fellow. If this is not true, then the road of life leads to no worthwhile destination.
No man is an island. No one can really walk alone. Choose your own road, uphill or downhill, along the crowded streets or off the beaten pathways and you will meet someone along the way.
Nowhere on this earth can you really get away from your fellow man. Doesn't it make sense that you should recognize him when you see him? Should you acknowledge him? He has a destination of his own -- and the right to travel his own way so long as he shares the road with you?

Public Notice
TOWNSHIP OF UNION
PUBLIC NOTICE is hereby given that the ordinance set forth below was introduced at a meeting of the Township Committee of the Township of Union in the County of Union, New Jersey, on January 28, 1969, and that the said ordinance will be further considered for final passage at a meeting of the said Township Committee at Municipal Headquarters, Frisberg Park, Morris Avenue, Union, New Jersey, on February 11, 1969 at 8 o'clock P.M.
MARY E. MILLER
Township Clerk

Public Notice
AN ORDINANCE AUTHORIZING THE ACQUISITION OF CERTAIN LANDS AND PREMISES ON VAUGHALL ROAD BETWEEN BURNET AVENUE AND COMMERCIAL AVENUE REQUIRED BY THE TOWNSHIP OF UNION IN THE COUNTY OF UNION IN CONNECTION WITH THE PROPOSED WIDENING OF SAID VAUGHALL ROAD. MAKING AN APPROPRIATION FOR SAID ACQUISITION AND TO PROVIDE FOR THE FINANCING THEREOF BY THE ISSUANCE OF BONDS AND BOND ANTICIPATION NOTES.
BE IT ORDAINED BY THE Township Committee of the Township of Union in the County of Union: That the Township Clerk is authorized to execute and file in the County of Union a certain instrument of acquisition of certain lands and premises located in the Township of Union in the County of Union on both sides of Vaughall Road from Burnett Avenue to Commercial Avenue as said lands and premises are more particularly described on a certain plan entitled "PLAN SHOWING PROPOSED WIDENING VAUGHALL ROAD FROM COMMERCIAL AVENUE TO BURNET AVENUE, TOWNSHIP OF UNION, COUNTY OF NEW JERSEY" which said plan is on file in the office of the Clerk of the Township of Union and in the office of the Engineer of said Township; said lands and premises to be used for the purpose of widening said road between said aforementioned streets as set forth on the aforementioned plan.

Public Notice
TAKE NOTICE that the following recommendations for zoning variances from the Board of Adjustment were heard by the Township Committee of the Township of Union in the County of Union on the 28th day of January, 1969 at 2 P.M. in the Municipal Building, Frisberg Park, Morris Avenue, Union, New Jersey.

Board of Adjustment Number	Name and address of Applicant	Location of property	Variance Requested	Decision of the Township Committee
1753	Papapato Const. Company 310, 18th St. Kerlinworth, N.J.	1923 Vaughall Rd. Union, N.J.	demolish present dwelling and erect and install three-family dwelling.	Approved
1757	Gilbert M. and Nora Fried 2842 Crane Pl. Union, N.J.	2936 Clover Terrace Union, N.J.	Erect one-family dwelling with greater than 250 sq. ft. front yard and less than 100 sq. ft. rear yard.	postponed to Feb. 11, 1969
1758	Herbert Kilgus 2414 Morris Ave. Union, N.J.	Route 22 at Vaughall Rd.	Two Separate Office Buildings with off-street parking.	Approved

The resolution relating to the action of the Township Committee respecting its decision in each of the foregoing matters has been filed in the office of the Township Clerk of the Township of Union in the County of Union and is available for inspection at the Clerk's office in the Municipal Building, Frisberg Park, Morris Avenue, Union, New Jersey.
