#### THE GOALS ARE TRUTH

We had hoped that we had made our views on the current Florence Gaudineer School controversy clear enough in editorials in two successive issues last month, but pparently we did not. We regard personal attacks on the Gaudineer principal, Dr. Thelma Sandmeier, as an unwarranted action which for many school-minded citizens of Springfield has undercut whatever validity the

critics might have sought.

Despite what we feel are the outstanding achievements of the Gaudineer School under Dr. Sandmeier's leadership, there is always room for improvement. The criticisms before the Board of Education, which might have led to strengthening of an already fine program, have now fallen to a

personal level which can only harm.

It's just as easy. And dialing saves you money.

You always save when you dial direct, without the services of an operator Because the rates are always lower than for calls which require an operator, such as credit eard, collect, third number billed, person-to-person, and coinphone calls to other states.

It makes sense, then, to dial all your calls direct. On calls to other states from your home or business phone, simply dial

## Dayton loses two, play three games away next week

By CLIFF ROSS

The Jonathan Dayton Regional Buildogs dropped two games last week, one of them in the Suburban Conference, as they were drubbed 9-1 by Summit in a five-inning, rain-shortened game and were nipped by Hillside, 5-4, in extra imings. The Buildogs host Millburn today and will try to avenge an earlier 5-1 defeat. The Buildogs then go on the road for three games as they travel to West Orange on Monday Union County Catholic on Wednesday and Madison next Thursday.

Summit put the game away early-against Springfield with four rains in the first inning and five more in the second inning. Jim Gross opened the first inning with a single. He stole second and came around on Willie Wilson's double. A walk, followed by a triple by Bill George, brought two more runs home. George

the second and, after Gross reached on an eighth as they got a man around to third with error, Wilson followed with a two-run blast of two outs, but Mollen's towering fly to left was his own. George Gross doubled and scored gathered in by Jim Weinberg. The Bulldogs scored their only run in the fourth inning as Joe Pepe drew a walk, Jim Lafredo singled him to third, and Frank Zarello bounced into a double play, allowing Pepe to After Hillside scored single runs in the first and second inning to take a 2-0 lead, the Buildogs came back to knot the score in the third. Daye Moilen opened the rally with a single. Brian Mullen followed with a walk, and after Tim Pimpinelli was called out on strikes. Mark Weber hit what appeared to be a perfect double play ball. However, Mullen went crashing in at second and forced the Comet shortstop to throw the ball over the first baseman, allowing Mollen to score. Lehman brought Weber home from second with a single

Our residents really enjoy the pleasures of retirement living. Because we give them more First of all, our five beautiful retirement homes are priced at a low \$21,690 to a modest

Each and every one of them is individual and set on its own lot. (Their comparable value elsewhere is at least \$3,000 more). And a home at Holiday City is even a bigger value when you consider the surroundings you'll be living in. There is a gently flowing stream. A screne lake,
And a refreshing sea breeze tells you you're justa few minutes from Barnegat Bay, and the Atlantic Ocean. Which means you've got some of the best boating and fishing practically in your own back yard.

For your added enjoyment all residents have exclusive use of our pools, shuffleboard courts, and our spacious clubhouse with its huge den with fireplace, quiet library, carpentry shop, card room, billiard room, movies, dances, and numerous clubs, and a social director who is always planning trips and tours.

Holiday City can be all play and no work. Especially when you consider that there is only a nominal charge (\$12 to \$14) a month, for

which you're entitled to full club membership; your lawn will be mowed, snow removed, and you have use of our own private bus service. Take a drive down today. We're just 65 miles from New York City, 45 miles from Newark, and one mile from charming Toms River. Come see how much more you get out of life here. And see a community where the overwhelming majority of homes were bought through the

word of mouth recommendation of our residents.
