NOW YOU CAN BUY MEAT THE WAY YOUR BUTCHER BUYS IT.

Save on large quantities of meat, and have it cut to order free.

Most likely, you've never bought a Beef Outside Round or a Whole Beef Rib. That's because they're the big "primal cuts" your butcher buys from the packing plant.

Here's what some of our "primal cuts" yield. For example, buy a Whole Beef Rib and get 1 Rib Roast, 6 to 8 Rib Steaks, 3 to 4 Boneless Club Steaks, 2 packages of Short Ribs, 2 packages of Ground Beef, and three packages of Lean Stewing Beef.

A Beef Top Sirloin yields 2 to 3 Boneless Steaks, 5 to 6 Thin Sliced Sandwich Steaks, 1 to 2 Roasts, and 1 package of Ground Sirloin. A Whole Pork Loin yields 1 Rib End Roast, 5 to 6 Loin End Pork Chops, and 24 to 28 Center Cut Pork Chops.

WHOLE Roast Beef \$1.22 lb. # Beef Top Sirloin 8-LB & OVER Ground Chuck 79c lb. CALIFORNIA Iceberg Lettuce 4 HEADS \$1. EXTRA LEAN Baked Ham \$1.69 lb. UNION JERSEY CITY

Editorial comment NOW IS THE TIME

How is the time for good news to come to the aid of the party, according to the old adage, but it should be retained in the light of current developments.

While the leaders of our party are busy looking for little, favorable Committee candidates, they should certainly not overlook that half of the population which votes a little, here or there, in the many other communities. We have had success in appointing persons, but success in the very recent Primary Board, Board of Adjustment or the central governing body.

Other women have held posts in the governmental structure, as township clerk or currently as tax collector, but they are not the ones who are being sought.

The candidates do have a female educational background, and they have certainly shown a special ability to qualify for the job for the November election. They are not the "other" women of the past, but they are the women of the future.

This is not a plea for a woman's quota, but a plea for a woman's competence. We have had success in appointing persons, but success in the very recent Primary Board, Board of Adjustment or the central governing body.
