Product hazards now reportable any hour of day

WASHINGTON—The U.S. Consumer Product Safety Commission has established a 24-hour toll-free telephone number for consumers to report product hazards.

The toll-free system will make it possible to communicate with a CPSC staff member after regular working hours and on weekends. The toll-free number is 1-800-368-4437. The same number used during normal working hours.

HOW'S YOUR HEARING?

Free hearing tests are available at the Springfield Hearing Center. The center is located at 1000 N. 10th St., Springfield, N.J.

Drew attempts to 'humanize' process leading to admission

The College of Liberal Arts at Drew University, Madison, N.J., has modified its admissions process to make it more "humanized."

The college's new admissions process will allow applicants to be interviewed by faculty members. This process is designed to provide a more personal evaluation of each applicant.

State aid cutback shocks Psychiatric Clinic head

Director of the state psychiatric hospital, Dr. Joseph J. Haddock, said today that he is shocked by the state's decision to cut back aid to the hospital. Haddock, who has been in charge of the hospital since 1963, said the state's decision to reduce funding by 10 percent for the fiscal year beginning in July is a "stunning blow" to the hospital.

Haddock said the state's decision to cut back aid to the hospital is a "stunning blow" to the hospital. He said the state's decision to reduce funding by 10 percent for the fiscal year beginning in July is a "stunning blow" to the hospital.

Bicentennial financing is discussed

The financing and administration of the Bicentennial celebration is being discussed by the Bicentennial Commission today. The commission is made up of representatives from various state agencies and is headed by Governor James Florio.

The commission is currently working on a plan for the celebration, which is to be held in 1976. The plan is to be presented to the Governor for his approval.
