Fight for Sight dinner-dance slated July 15

The Fight for Sight League of Northern New Jersey will hold its annual dinner-dance July 15 at Mayfair Farms, West Orange.

The theme of the evening will be "Fete Internationale," and all decorations will reflect that motif, stated Helen Thall of Maplewood, co-chairperson of the event. Co-chairperson with her is Buth Schwärz. chairperson with her is Ruth Schwärz of Springfield. Edythe Nelwirth of Union is president

of the League, and Fran Brody of

Westfield and Amelia Radler of Union comprise the president's council.

Music for dancing will be provided by Scott Russ and His Orchestra. vision treatment and research the past 23 years. In the metropolitan area, four eye clinics have been established by league funding. One of these is the Eye Institute of New Jersey, at 15 S. Ninth

st., Newark.
The League has also taken on a new-aspect for detecting problems in children very early. Trained volunteers-visit public and private nursery schools visit public and private nursery schools to conduct eye-screening lests. The process detects visual problems in youngsters three to five years old, who seem to have formal vision. An intellectual difficulty is often an eye problem which can be easily corrected, according to the organization.

PRIME TIME

Other 'generation gap' -- just a continuation?

died when we were still relatively young adults, we never got to know for ourselves what it is like to have reached indide age—or even early old age—while one's elderly parents are still indidended to diving the socially turbulent. Millions of people our age, however.

are personally experiencing this no-longer-unusual relationship, and are thus part of a rapidly growing phenomenon that is adding yet another broad body of self-help literature (aimed primarily at the middle-aged children rather than at their parents)

on coping with the possible pressures

It has also given birth to what may supporting-financially and-or emotionally—their adolescent or young adult children on one side, and their

own parents on the other.

Despite the intense attention being paid to middle aged children and their situations have changed drastically, but the gap remains essentially the parents, there is still considerable wider in others.

A more perceptive perspective can be found in "Aging Parents," a new Andrus Gerontology Center book.

"The Other Generation Gap: The Middle-Ageli and Their Parents," by Stephen Z. Cohen, a University of Stephen Z. Cohen, a University of "You and Your Aging Parents" (after Illinois social work professor, and the title of the excellent book by Bruce Michael Gans, a news feature
writer and novelist. Though generally
filled with sound, helpful advice, the
spring.

provocative title. · Pointing to the problems that many of late 1960s and early 1970s, Cohen and Gans declare that deep divisions within families were common. A phrase

was coined to describe the problemthus part of a rapidly growing phenomenon that is adding yet another layer of intricacy to the complexity of aging in America today.

the generation gap.

Consequently, they argue that "this experience may stand you in good stead as you begin to face the other The trend has, in fact, become so, generation gap—the one that has arisen aging parents."
As the father of two young adults, I

of gaps in understanding between my generation and its children, but these gaps are hardly unique to our times. Generation gaps—whether they were called that or not—have always existed prove to be a whole new terminology.

The "sandwich generation," for instance, consists of those middle-aged people who suddenly find themselves somehow lost sight of is the responsibility of the generation gap between middle-aged saddled with the responsibility of the generation gap between middle-aged that aging parents is somehow lost sight of is the reality that aged children and their aging parents is the very same one that existed when both parties were much younger. They

same-narrower in some cases, ever

would be the last to deny the existence

provine mignic-aged conferen, older parents and members of the aging field with the background and insights essential to understanding the newest phase of this oldest of relationships. While many conferences seek to address a mixed audience of professionals and lay people, few

succeed in accomplishing this as well as the Andrus Center gathering did.

And when part of that audience is composed of the very people who are the conference's topic, the proceeding drama. After all, what a professions gerontologist may be talking about objectively today, he or she may be experiencing quite subjectivel

spoken presentations into a highly readable book. Pauline Ragan has produced an informative volume the will be of great value to profession and non-professional alike. While i does not offer the same kind of advice to be found in the best of the self-help books, "Aging Parents" should be read by both middle-aged children and their aging parents.
Unfortunately, the Andrus Center does not sell its books thorugh stores, so

if you want a copy, you'll have to send \$5.40 to Publications Office, Andru Gerontology Center, University of Southern California, University Park Los Angeles; Calif., 90007. It's a rather roundabout way to buy a book but, ir this case, it'll be worth the bother. (Cyril F. "Cy" Brickfield is the executive director of the non-profit non-partisan American Association of Retired Persons And National Retire Teachers Association in Washington

From the New Jersey Taxpayers Association

N.J. COUNTY DEBT SETS RECORD A record annual increase in total gross debt of New Jersey's 21 counties pecurred in 1978, the New Jersey Taxpayers Association reports. The governmental research organization is renton-from county-debt-statement on file with the State Division of Local Government Services showed a nise of \$111.4 million in 1978 over 1977, to a total of \$993.6 million on Dec. 31, 1978. Gross debt is defined as debt authorized, issued and not issued.

Counties with the largest gross debt t the end of 1978 were Bargen (\$107.8 million). Camden (\$92.3 million) iiddlesex (\$81.1 million), Essex (\$79.6 million) and Ocean (\$60.5 million).
Counties with the lowest debt are
Warren (\$1.9 million), Salem (\$2.1
million) and Sussex (\$8.6 million).

NJTA's annual tabulation of county debt showed that Union County's gross capital debt totaled \$60,330,000 at the end of 1978. Compared with 1977 gross capital debt. of \$37,841,000, this was an increase of \$12,867,000. Essex County's gross capital debt otaled \$79,005,000 at the end of 1978. Compared with 1977 gross capital data of \$79,536,000, this was an increase of

Berliner loses in tourney final

Alan Berliner of Springfield was runnerup in singles for boys 18 and younger in the Mayor's Tennis Tournament held recently at the Rallye Racquet Club in East Orange: In the quarter finals, Berlin defeated Jeff Brewer, 7-6 (5-2), 6-3. In the semi-finals, Berliner best Paul-Johnson, 6-1, 6-2. In the first three games of the first set. Berliner lost only two points as he piled up a 5-0 lead. His serves were on target, his base-line

volleys crisp and deep and his net play

Arnold, 3-6, 5-7, in a grueling struggle. After drouping the first two games of the firsts . Alan rallied to win the ne three ganies but could not sustain the momentum. A seesaw battle develore in the second set. During the first 10 games, each player alternately won and lost as the score stood at five game

all, before the match ended.

REAL ESTATE MART

Gity Suburbs Farm Country Lake Shore Court ruling a big step for mobile homes

A recent state Supreme
Court ruling is expected to have a major effect on the use of manufactured housing in New Jersey.

A March 20 ruling by Justice Nathan Jacobs held that municipalities appointed by Governor buse in the right to tax special instances and where certain on the New Jersey positions exist. He called on the New Jersey positions exist. He called on the New Jersey past six months, the conversion: Owners of homes in mobile home parks now pay a municipal fee in lieu of taxes.

"This decision is seen as conventional homes....but also are more and more being constructed to look specifically mobile homes, multi-sectional homes are the only type of housing, now built lo a federal construction code established by HUD. Homes built for the Northeast call for a special insulation package on the next 60 days, For the conversion; on the next 60 days, For the conversion has been gathering information and holding public hearings on holding public hearings on holding public

axes. man body, consisting of kitchen, one or two baths, ... "This decision is seen as legislators, industry 960 square feet of living another indication of the representatives and sells for approximately \$19,500.

East increasing its share of the Mew recommendations.

parity of "This decision can open of a ranch-style home.
anufactured housing the door to a variety of This home now accounts with site built housing, land uses for this is another step in that manufactured homes," said Dyer. "As a for New Jersey and sells for around \$25,000.

In presenting his taxpayer, the mobile decision; Justice Jacobs home owner should have anoted that "These modern his choice of private lot, homes not only have all of a mobile home nark for manufactured housing technology today, coupled with name land use

An energy-saving home in an energy-saving location. PRE VIEWS! Bayside Villa.

The townhomes at Bayside Villa have been designed and are being built with today's high fuel costs in mind. So you and your family benefit from the measurable savings provided by full thick wall insulation, 9" thick ceiling insulation, thermal windows and doors, insulative sheathing and a brand new Honeywell programmed thermostat for efficient heating and cooling system. But that's only part of the savings.

the savings:

Bayside Villa — by virtue of its location alone
— can also mean thousands of dollars saved on

travel energy. You'll be in the heart of town,
with virtually everything within walking
distance. Schools, churches, stores,
restaurants, Italins, buses, clubs and
organizations, tennis, the fine marina.
Consider all this, When you do, you'll make
the decision to move to Bayside Villa, like the
smart businessmen and professionals who
have already made its sister community.

Bayside Villa is all new. Bayside gives you the

Bayside letrace; their home.

Bayside Villa is all new. Bayside gives you the choice of owning a one-family or two-family income-producing townhome. Bayside gives you in-city convenience with the privacy of a luxury estate. Bayside gives you the option of "designing" your own home.—floomby-floor—from prepared floorplans. Come see Baysid Villa during this prepared.
