# Enriched Flavor'cigarette sparks whole new taste era in low tar smoking.

Not too long ago, smokers believed that if a cigarette had less tar, it had less taste too. Low tar cigarettes simply didn't

Then along came MERIT and a whole new taste idea called 'Enriched Flavor' tobacco. And in three short years, smoking

- 1. No other new cigarette in the last 20 years has attracted so many smokers as quickly as MERIT!
- 2. MERIT has swept past over 50 other brands in record time.

  -3. MERIT is continuing to attract high tar smokers—the most taste-conscious smokers of all!

It's clear: MERIT taste is changing attitudes toward low tar

knowledge, and thus must be set apart.

established to make known to all

concerned that a physician has

completed prescribed training and is

proficient in a particular field of

medicine of surgery," argued Borys

Kobrynski, a physician with "20 years

and the United States," in a letter to the

"New England Journal of Medicine."

"In the absence of certification in

geriatrics." he asked: "what criteria

could be applied in the selection of

nly effective means of attracting high quality medical students and residents.

Underlying

Within the growing, but still board-certified specialty," the IOM relatively small, coterie of physicians report declared that "the care of the aged should be the responsibility of whose practices are devoted primarily to the medical problems of the elderly, there is a queitly raging debate, the outcome of which could have a profound effect upon how health care become the private professional will be available to older people in the not-too-distant future. At issue is whether geriatric

medicine should be developed into a full-fledged specialty (such as internal medicine, cardiology, neurology, etc.) recognition as accomplished specialists (such as internists, cardiologists, This is far more, however, than just a

opinion between the advocates of two conflicting philosophies of medical practice. Although the doctors on both sides of the question are undeniably dealistic about their basic beliefs here is no denying that the stakes in is contest extend beyond the essentia over exclusivity of entry into what is quickly shaping up as the medical growth area of the future. Historically, these are virtually the same considerations that entered into the establishment of the medical

profession's present profusion of specialities, but geriatric medicinedue mainly to the anticipated expansion of its patient population—possesses the more rapid growth than most of the existing specialities did at the time of their inception. Thus, for all intents and purposes, geriatric practice is where the medical action of the near future is is hardly a new one, but has always been discussed quietly-and out of the

public eye. With the issuance earlier this year of the influential Institute of Medicine's study of "Aging and Medical Education,!' the debate has

Almost in anticipation of Dr. Kobrynski's question, the IOM report had strongly urged "relevant medical specialty organizations (to) take steps Agreeing with "the American to assure the development and

certified as a specialist, one will be able to assume that this physician possesse an adequate background in th geriatric aspects of his or her ov particular specialty.

There may indeed be valid medica

preserve of a comparative few, but should instead be required of all reasons for making geriatric medicine a separate and distinct specialty, and that is something the leaders of the medical profession will have to decide recommendation was its concern that for themselves. As a potentia "if geriatrics were to be a specialty, pressure for tens of thousands of such consumer of geriatric medica services, however, I think I would fee specialists would occur (a demand, far safer if I could be assured that al incidentally, which our nation's physicians-and not just a few medical training facilities are simply specialized geriatricians-were unable to fill). This could draw properly prepared to treat older attention, energy and resources away from needed improvements in the Should an older person have to be numbers and training of nurses...and

> a board-certified geriatrician-and, I diagnose the symptoms correctly, a patient could be lost. Or, are all ambulance drivers going to be instructed to deliver elderly patients only to special geriatric hospitals? Then, too, there is the question of a what age a person is supposed to stop geriatric physician. And, if geriatric does finally become a specialty, wil this mean that older people will then have to be treated by geriatric neurologists, geriatric cardiologists geriatric gastroenterologists and so or physicians is procreated unto

As the medical profession continue to wrestle with the future fate of geriatric medicine, it is hoped that it physicians who are well prepared to members will address these executive director of the non-profit, non-partisan American Association o Retired Persons and National Retired Teachers Association in Washington

### **Brochure describes** fall courses in county A 24-page brochure announcing all County are eligible for free tuition in all

fall course offerings at Union College, -Cranford, and Union County Technical Institute-Vocational Center, Scotch Plains, has been mailed to all esidences in Union County. Richard Lucas, director of the Union County Coordinating Agency for Higher Education, said the publication contains the fall schedule for all day and evening classes—a total of more than 155 credit and non-credit coursesas well as complete course descriptions, dates, tuition and fees. Also included in the brochure are application procedures for registering by mail at either institution. This is a cooperative effort of the two institutions, which comprise the Union County Community College System,

along with the Coordinating Agency, according to Lucas. . At Union College, credit courses in liberal arts, physical and natural sciences, business administration and evaluated as finalists in the program. criminal justice will be offered as well as non-credit courses in the areas of line, arts, management and business, psychology, real estate, and communications. The fall semester begins Sept. 4. Both vocational and technical rses, as well as workshops and community services courses, will be

conducted at UCTI-VC during its fall semester. The Vocational Center's session begins Sept. 5, the Institute's Senior citizens who live in Union Beekman has

to Red Sox, Tigers

The Red Sox were crowned the Upper Wolf, Ellen Halper, Fran Clemson and League (Grades 6, 7, 8, 9) champions in Scott Henkle the Springfield Recreation Girls' Softball League... defeating the Royals earlier. Through

advancement, they were matched up Indians earlier in the same week against the Cubs who had also earned. Through advancement, they faced the this spot by defeating the Orioles. The · White Sox who had carned this spot by Red Sox edged the Cubs by the score of Michele Calabrese was the winning championship 31-5 pitcher with strong relief from Kathy Drummond, Joanna Fusco, Carol Lombardi, Marie Ann Branco and Plais, Traci Kennedy and Jodi Simon

Traci Kennedy was the winning pitcher, going the full distance. Mary Donna Baltus added to the offense with had a field day at the bat. The other their many hits. Lori Vogel sparkled at members of the championship team shortstop with a sparkling catch to end included Denna Agrillo, Stephanic the game. Other members of the Red Federovitch, Holly Macaluso, Amy Sox were Stacey Gravina, Kathy Greenman, Laura Talarsky, Tina Dahmen, Liz Doerrler, Kim-McGrory, Schenerman, Patty Cameron and Tarantula, The coaches for the Red Sox Tigers were Barbara Marianino, Jill Jacobs and Ricky Marech.

The White Sox were outslugged throughout the game. Dawn Pohlman maintain surong position in the game was the losing pilcher.—Dawn pitched for the first three innings. Lori well throughout the season, but was hit

loss on the mound, Doreen McCrossan, Members of the White Sox included Lori Smith, Sherri Solomon, Bianca Justine Chrystal, Raence Kolmel, Abby Isreal, Sheryl Smith, Dawn Pohlman Dena Calabrese, Dawn Posnock, Karen Wnek, Virginia DiGirolamo, Donna Tedesco, Stacey Schneiderman Kim Kosten, Alaina Halsey, Marisa and Marnie Fromkin. The White Sox Craco, Kim Singer, Beth Teilelbaum were coached by Theresa DeFino. and Roseann Cajazzo. The Cubs were Laura Policastro, Theresa Pittenger

### Loretta Lynn recalls wedding night-at 13

Soon millions will be good it was to marry me munching popcorn while young because he raised one of his kids. watching Sissy Spacek create Loretta Lynn's life story in the soon-to-bereleased motion picture. I'm not a little girl anymore and I don't think to please him. On the "Coal Miner's Daughter" anymore, and I don't think to please him. On The country-Western he's all that happy with other, you're furious that

star's career began 15 what he's brought up.

Years ago on a local halfhour radio program heard
in Butcher Holler, Ky.

Dressed in a skirt and

Sweater she had bought and the same little hour time.

Star is an inat nappy with the same time other, you're furious that he's never treated you like a full person.

LYNN: That's true. You can love a man and hate him at the same time. sweater she had bought not the same little boy I him at the same time.

for 10 cents apiece at the married. No man's like I know I owe him a lot Salvation Army, a timid they are when you first and "backward" Loretta marry 'em, They grow But still, I did it myself. It first sang in public. The older, too.

Queen of County Music
tells all in an incredibly think young marriages are MAURICE: You LYNN: No! Like when I person making it in life

LYNN: Listen, when I going when he wanted to, LYNN: Let got married, I didn't know his ordering me around don't care.

what was going on. My Doo still tries it. When I mother and father had go home to our house in MAURICE: W
