If you've been wondering what all the excitement's about in the skies over Middletown, New Jersey, it's simple. Florida nas arrived. Right here, in New Jersey. In the form of an actual

has arrived. Right here, in New Jersey. In the form of an actual Pine Ridge condominium home model that has been built right in Hovnanian's New Jersey office building on Route 35.

Naturally, bringing Florida north this way is extraordinary. But no more so than Hovnanian's unprecedented sales success. For months, New Jerseyans have been buying adult homes at Pine Ridge by the hundreds. Literally. And if that many smart people bought before the model was even here, you can imagine now fast these I and 2 bedroom homes are going to be snapped

For the first time ever, you can get a taste of Florida's good life just by going to Middletown. Because this furnished model home gives you a first-hand sampling of why all five Pine Ridge models are so popular. You'll see the thoughtful layouts, the quality construction that have made Hovnanian famous up and down the features. And best of all, the prices. \$33,750 to \$38,750 for some of the best looking homes under the sun. Believe it or not, that includes central air conditioning, carpeting, large private terraces and more, plus resort pleasures like a private swim club, shuffleboard courts, picnic groves and acres of nature, lakes and landscaping.

And here's another reason so many New Jerseyans are buying at Pine Ridge. Hovnanian guarantees — in writing — that your maintenance costs will stay at \$29 a month for at least the next 5 years!

Meanwhile, in the balmy Palm Beaches, Hovnanian is ready to begin construction of Section IV (more than a year ahead of schedule!). As fast as Hovnanian's good news travels, Section IV will probably disappear very quickly. Which isn't good news for some people. Because Section IV is the final section at Pine Ridge.

So this is the beginning of the end, you might say, of the Pine Ridge

Are you going to miss your chance at the very last Pine Ridge homes to be offered? Not if you're smart. After all, Hovnanian moved Florida to New Jersey for you! Our model is now open for your inspection in New Jersey.

Visit Florida today, Right here at 10 Route 35 in
