KEEPING WARM WITH WOOD - Doug Velling of Roselle stirs the ashes in his hot-boiler stove. Velling got a permit to burn wood in the vintage heater from his local building inspector, Frank Bellusco. Also want beyond the required safety specifications, installing brick fireplace before putting in his stove. (Photo by Roy Graves)

Inspectors have final say on hearths

By DANIEL P. JONES. If you are considering installing a wood-burning stove or fireplace, you should know that safety requirements may vary from town to town. Putting in an alternate heating source may be a bigger project - in your town than in a neighboring community.

Local building inspectors differ in their interpretations of code requirements. Homeowners who are burning wood without a permit may be taking a risk, putting both lives and property in danger.

Harry Kolb, the Springfield building inspector, issued 34 permits to homeowners in 1979. Last year, 33 homeowners received permits, according to Kolb.

Precautions stop fires

"Will we have a rash of fires called by wood-burning stoves and fireplaces?" asks Roselle Fire Capt. Edward O'Grady. "Probably, we will," he says, "because we have a new generation of people buying, installing and maintaining them."

Board decides to keep schools open next year

By SAM FINNELL. The Springfield Board of Education Monday night voted, 5-3, not to close a school for the 1980-81 school year.

Board members George Gomes, Nancy Heller, Paul Pottig, Liz Simpson and John Westfield voted for the status quo, while Barbara Adler, Gregory Clarke and Eileen Dahmen disagreed. Board President Laura Rosenbaum was not at the meeting, but she told the board at its special meeting last week that she would not vote to close a school.

Rent bid sent back to board

By DANIEL P. JONES. The Springfield Township Committee Tuesday night passed a resolution sending an application for a rental increase for heating at Troy Village Apartments back to the Rent-Living Board.

The committee had received a resolution from the Rent-Living Board calling for an increase for heat, which would have been paid by tenants.

Roselle learned from the owner's attorney that the owner, David Margolis, was ill and would not be available for 30 days.

Churchwomen give dinners for shut-ins

It's possible that two dozen cooks will be busy in the kitchen at the Springfield Emmanuel United Methodist Church's Food for Friends program soon to have no prep time preparing hearty meals.

The five-year-old program is not a new program. "We try to perk them up with a little something," says Irene Kirchner of Battle Hill Avenue, who is in charge of the program in Food for Friends volunteer.

TESTING DEVELOPMENT—Arranging color blocks in a white tray, 17-year-old Darren Glat of Springfield is conducted through a series of physical and developmental assessment tests by Seton Hall nursing students Joyce Prabhakar (left) and Irving and Julie Adams of Toms River. The tests for children from the Jassa Preschool in New Providence were part of the family health program of Seton Hall University College of Nursing.

Di Francesco urges Bryne to sign 2 bills

Sen. Donald T. DiFrancesco (R-22) has petitioned Gov. Brendan Byrne to sign two energy bills that have unanimous approval in both houses, including one that has been on the governor's desk since June 1978. In a private meeting with the governor, DiFrancesco urged the chief executive's approval of the Life-Cycle Cost Analysis Act, which would require the consideration of solar power in public buildings, and A-307, a bill which would discourage construction of new nuclear power plants until safe waste disposal methods are devised and provide study of the use of coal to generate electric power.

Concert by Paxton will benefit Cooney

Tom Paxton, one of America's most popular folksingers and songwriters, will be the featured performer in a benefit concert in Springfield for injured folksinger Michael Cooney on Sunday at 7:30 p.m. Cooney, who is well known and loved throughout folk music circles as a singer and performer of traditional American music, was injured in an automobile accident in August. He has been ill and hospitalized since then, and will still be recovering for several months. Music organizations and individual performers around the country have been joining in the effort of helping Cooney through his time of need. Proceeds from this concert will go to the Michael Cooney Trust Fund, Shumpike Road. Paxton, a veteran folksinger with 15 albums released, has delighted audiences around the world as a headline performer in the biggest concert halls and folk festivals. He is a prolific songwriter whose love ballads and catchy contemporary folk songs have also been recorded by many musicians, including John Denver and Glen Campbell. In concert, Paxton entertains with a deep, clear voice and excellent stage presence. Four Union pianists to perform in recital

Four Union residents—three of them young people and one adult—will be among 18 piano students of Harriet O'Leary-Cuevas of Irvington who will take part in a program at Carnegie Recital Hall in New York City at 8 p.m. Saturday. The adult, a number of three, is Elizabeth Spielmann-Zelinka, who studied piano from nine years of age until she was 15 and then dropped it for more than 20 years. She resumed studies with Cuevas one and one-half years ago. In the New York recital, she will play Schubert's "Ave Maria," the "Blue Tarantule" by Strauss and the Brahms and Debussy's "Suite Bergamasque." Jennifer Armenti, a fifth-grader at Washington School, has been studying piano for one and one-half years. She is a member of the school choir and studies gymnastics at the Five Pagnis YMCA. She is the daughter of Mr. and Mrs. Anthony Armenti. The other girls are daughters of Mr. and Mrs. Leslie Friedlieb. Katharine is a student at Central Six-Jefferson School, where she is in the program for the gifted and talented and a member of the school choir. Her sister is a fourth-grader at Washington School, where she plays violin in the school orchestra years ago. At the recital, Katharine will play Schubert's "Ave Maria," the "Blue Tarantule" by Strauss and the Brahms and Debussy's "Suite Bergamasque." Tax forms for '79 include few changes

The 1979 federal income tax forms are in the mail to three million residents of New Jersey, according to Cornelius J. Coleman, director of the New Jersey Tax District. The new forms, whether the 1040 or 1040A, are very similar to those of last year, he said.

Among the tax changes affecting the 1979 forms are several new items that will reduce taxes, and a few that will increase taxes. "Whether or not an individual will realize a tax reduction," explained Coleman, "will depend upon which of the new tax changes affects the individual, and whether or not income increased or decreased. In general, a person with the same income as last year will file the same type of tax form and pay the same amount of tax. The tax brackets have been widened to reduce the chance of inflationary increases in income pushing an individual into a higher bracket. The personal exemption allowed each taxpayer and dependent has been increased from \$750 to \$1,000. As in past years, those who are blind or over 65 can claim an extra exemption.

The "zero bracket amount," the standard deduction in pre-1978 years, still is built into the tax tables and tax rate schedules, but has been increased to \$2,300 for single taxpayers and \$3,400 for married persons filing joint returns.

The tax credit for political contributions for low-income wage earners with a dependent has been increased to 20 percent of the credit. This credit, which is based on 20 percent of the expenses for child care, has been increased to \$200 for single taxpayers and \$300 for married persons filing joint returns.

The child care credit has been revised so that payments made by relatives who are not dependents can qualify. A Form 7061 is used with the Form 1040 to claim this credit, which is based on 20 percent of the expenses for child care.

For low-income wage earners with a dependent income tax credit, a direct payment from the government to compensate in taxable income, be required to include a portion of their own income in the computation in taxable income.

Nuclear Energy Forum

Public Service Electric and Gas Company has invited distinguished scientists to participate in this forward-looking forum on nuclear energy. No special fee is required of any kind from those who wish to attend. The forum will be held at the Princeton University School of Public and Environmental Affairs, 307 GFD Building, Princeton, N.J., on Friday, February 24, 1979, from 10:00 a.m. to 4:00 p.m.

THREE MILE ISLAND

"The Three Mile Island accident showed us that nuclear stations are even safer than we thought!"

The above statement may come as something of a surprise to you. But the facts support this conclusion. According to the President's Commission investigating the Three Mile Island accident, the damage was contained despite human errors and mechanical failures. Even in the case of complete core meltdown, the containment vessel would most probably have prevented the release of any significant amount of radioactivity. No one was killed or ever injured.

In addition to proving the inherent safety features of nuclear stations, we learned that their reliability can be improved by placing greater emphasis on operator selection, training and evaluation; and by a more efficient display of the state of the reactor by modern instrument panels.

Several nuclear stations have already made changes as a result of Three Mile Island to increase even further the safety of their operation. Additional improvements will follow.

"Despite what people say, you believe, it is most remarkable that after more than 20 years of producing electricity with commercial nuclear energy in the USA, we are paying for our lessons in dollars, not in lives!"

"Three Mile Island will cost \$500 million dollars, but not a single life. We must pay for safety, even after we pay the price, nuclear energy is still the cheapest source of electrical power.

"The so-called 'problems' of nuclear energy exist only because of political indecision or unfounded public fear. Nuclear wastes which cause so much difficulty are, in some foreign countries, already being processed for final disposal.

"The anti-nuclear propaganda we are hearing from a small but vocal minority puts democracy to a severe test. When our economic existence is at stake, we cannot blindly afford to turn our backs on any practical source of energy. We need to use them all."

It is my personal belief that we must carefully evaluate the risks and recognize the great benefits of nuclear power for energy independence and for the survival of our American free society.

Humorous comedy will open tomorrow

By BEA SMITH
In "Starting Over," a delightful, well-timed romantic comedy, director Alan Pakula has managed to elicit strong emotions from Burt Reynolds, Jill Clayburgh and Candice Bergen, while keeping a level stream of continuing humor. The picture, which will open tomorrow, on a double bill with "King of the Gypsies," at the Elmore Theater, Elizabeth and...

Mastectomy workshops

One of the most important goals of the American Cancer Society is letting cancer patients know that they are not alone. Thousands of other people are battling the same illness and cured cancer patients are always willing to help through the Society to talk about the fears, problems and hopes associated with the disease.

Rinaldo mail: let's get tougher to free hostages

Hundreds of letters and telephone calls have been pouring into the office of Rep. Matthew J. Rinaldo since Iranian terrorists captured 50 American hostages.

In recent weeks, the once-patient and restrained mood of the public is turning more and more in the direction of tough, firm action against the Ayatollah Khomeini. Many of the letters have been coming in as steady streams from constituents in Union, Mountaineer, Kenilworth, Roselle, Roselle Park and Springfield.

"The public is not ready to abandon President Carter's restrained approach because it realizes the hostages would be killed if we attempted military action to rescue them," Rinaldo said.

But it is clear that the public is not satisfied that the United Nations can do the job of demanding that Iran's hands be cut off from the hostages. In the U.S. at least, the letters are almost unanimous in demanding that the United States cut off food supplies to Iran.

A sampling of more than 1,000 letters and phone calls Rinaldo has received shows that the public is convinced the Iranian government will not budge until the U.S. takes a much stronger position.

What surprised Congressmen was Rinaldo's display of posters by high school students in Roselle at a recent rally in front of Borough Hall. A few of the signs declared, "Nuke Iran." But there is no support, or even any discussion, in Washington of using nuclear weapons in the Iranian crisis.

"I've talked with hundreds of people at meetings, on the street, in my office," Rinaldo said. "I've seen the letters and I can remember a single person who said we should use nuclear weapons in Iran," Rinaldo said.

He added that the U.S. government has other weapons to use against Iran in order to free the hostages. Some of them are on the high seas, including Kennedy's proposal, made two days after the hostages were seized, to resume U.S. arms shipments to Kurds, rebels and other ethnic minorities in Iran.

Among other actions that Rinaldo has asked the White House to consider: sending a U.S. Navy task force into the Persian Gulf, occupying three islands off Iran's coast; leasing the Sinai air bases and the former British base at Oman; and "blackening" food supplies to Iran and cutting off the country. Earlier, at the outset of the crisis, Rinaldo has urged the State Department and the President to increase CIA activities throughout the Persian Gulf to assist protesters living in the region.

Rinaldo's constituents have responded to his proposals.

One Mountainide resident wrote: "Enough is enough. Whatever is necessary to free our fellow Americans and teach the lunatics of this world that such behavior is beyond the pale of acceptability must be done."

Another letter-writer went so far as to Washington to see President Carter. He declared: "If we have to go to

war, let's do it. Every conservation program is necessary to decrease our dependence on OPEC."

A woman in Springfield expressed the fear that the hostages might suffer mental breakdowns if they are not released soon.

Senator Kennedy's criticism of President Carter's handling of the Iranian crisis led one constituent to write: "He should be told to keep his mouth shut. Kennedy will only make it worse for the hostages."

"We have been praying for the President," wrote another woman. "He must do something definite for our citizens, and we don't use them any more."

An Air Force major, who lives in Springfield, offered a seven-point plan to Rinaldo to deal with the Ayatollah Khomeini, including "any method, covert or overt, to bring down the heinous regime of the Ayatollah, including support of the Kurdish rebels."

"The American people are hoping and could not care less about conditional questions, legal due process or any other shenanigans behind the scenes," he stated in his letter to Rinaldo. "The American people are not ready to accept a resolution designating a volunteer force of 2,000 who will work door-to-door throughout the country to raise money for the chapter's programs."

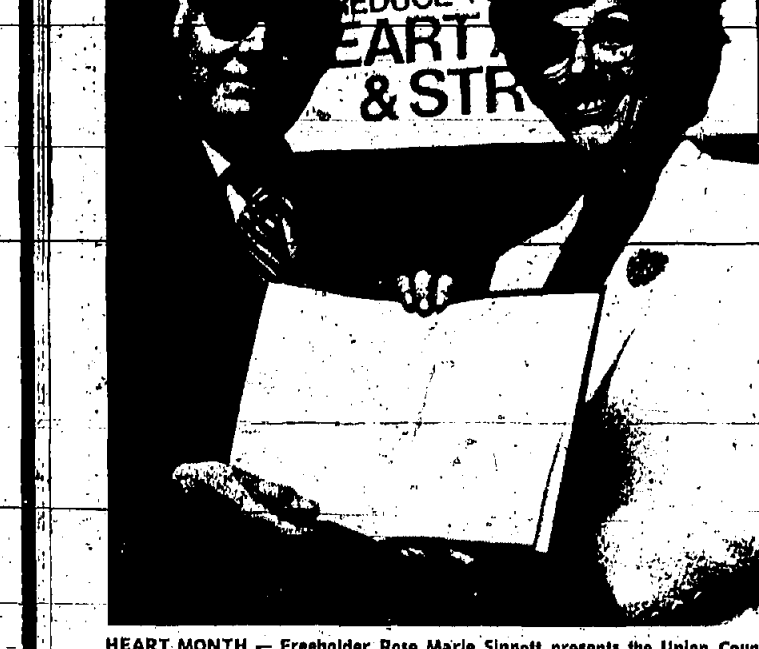

Sinnott has been active in Heart Pund work for many years, serving as a member of the Union County Chapter Board of Directors, and chairman and treasurer of the New Providence Heart Fund. She has been chairman of the county Heart Fund drive for the last four years. "I'm honored to be chairman for a fund drive as important as the Heart Association, and urge everyone to support it," she said.

Sinnott was elected to her first full term on the Board of Freeholders in November 1976. She is a graduate of Marymount College, Tarrytown, N.Y. "We are very pleased to have someone who is so highly respected in the community and who has worked so hard for us for so many years as chairman of our 1980 fund drive. We are sure it will be a success with Mrs. Sinnott as chairman," Dr. Roberts said.

"The number of deaths caused by heart and blood vessel disease, particularly heart attack and stroke, is overwhelming. They claim over one million lives a year. Heart attack alone will kill more than 100,000 in 1980. In Union County, more than 54 percent of all deaths are due to heart and blood vessel disease, compared with 52 percent nationally. This is unacceptable, and that's why I'm calling an all-out effort to help us in our fight to save lives from still, America's number one killer, heart disease."

"The Union County Chapter of the American Heart Association is working hard to reduce these deaths."

Commenting on one of the more ambitious programs, Sinnott added, "The Union County Chapter has been working for over two years to implement training programs in the life-saving techniques of cardiopulmonary resuscitation (CPR) in our community schools."

HEART MONTH - Freeholder Rose Marie Sinnott presents the Union County Board of Freeholders resolution designating February as Heart Month to Dudley A. Roberts, M.D., president of the American Heart Association-Union County Chapter.

Freeholders designate February Heart Month

Under the leadership of Freeholder Rose Marie Sinnott, the Union County Board of Freeholders recently approved a resolution designating February as Heart Month.

Sinnott, of Summit, has been named chairman of the 1980 fund drive of the Heart Association. She will direct a volunteer force of 2,000 who will work door-to-door throughout the county to raise money for the chapter's programs.

Sinnott has been active in Heart Pund work for many years, serving as a member of the Union County Chapter

Board of Directors, and chairman and treasurer of the New Providence Heart Fund. She has been chairman of the county Heart Fund drive for the last four years. "I'm honored to be chairman for a fund drive as important as the Heart Association, and urge everyone to support it," she said.

Sinnott was elected to her first full term on the Board of Freeholders in November 1976. She is a graduate of Marymount College, Tarrytown, N.Y. Jury pool includes motorists

Under the terms of legislation recently signed by Governor Richard J. Hughes, New Jersey will now select only one out of two from lists of registered voters. Licensed drivers have now been added to the jury pool for jury service.

The fact that the State Department of State has calculated that over 15 million licensed drivers have now been added to the jury pool for jury service is an "expansion" of the pool.

"Expansion" of the pool means that more than 15 million licensed drivers will now be eligible for jury duty. The pool of potential jurors is now being expanded to include all registered voters, including those who are not licensed drivers.

Hospital gets accreditation

St. Elizabeth's Hospital in Jersey City has received accreditation from the Joint Commission on Accreditation of Hospitals. The accreditation is a national standard of quality.

The hospital is celebrating its 75th anniversary of accreditation. The hospital is a full-time teaching hospital for the University of Medicine and Dentistry of New Jersey.

Nine courses to be added

Nicholas L. Welner, coordinator of the Adult School office at the high school or more new classes have been added for the spring semester that begins on Monday, March 10.

The courses include: Spring semester that begins on Monday, March 10.

Wins first honors

Frederick W. Schneider, son of Francis and Fred Schneider of Garden Street, Union, has won first honors for the first semester of his freshman year at Boston College.

Schneider's achievements include a perfect score on his SAT exam and a perfect record in his classes.

Improving girls' team drops pair

By DAVID GOLD
Jonathan Dayton's girls' basketball team last week lost to Millburn and New Providence. Dayton's next test will be a tough Caldwell squad as it seeks its first victory in eight games.

New Providence's snugging man-to-man defense was too much for Dayton in its 29 decision.

Dayton started out well in the first quarter, using a 1-2-2 zone defense and a patterned offense. The Bulldogs were unable to keep up with New Providence and trailed at the half, 24-18.

"We seemed sluggish," commented Coach Ed Townsend. "We didn't run the offense the way we did in practice."

Dayton was led by Linda Graziano (12 points), Kathy Clarke (8), Theresa Young (6), Debbie Brahm, Debbie Barron and Lynn Murray. Dayton was effective in the fourth quarter using full court press but was too far behind.

Dayton played the same kind of game losing to Millburn, 54-33. Dayton again outscored its opponent in the first and fourth quarters but lost the game in the second and third quarters.

"The difference was our own mistakes," said Townsend. The Bulldogs by 11 points in the second period, by 14 points in the third. Dayton was led by Graziano (8 points), Young (8), Clarke (7), Brahm (6) and Barron (4).

The team is starting to pass and play better together. It has good spirit but lacks experience.

STEVE DULTZ, of Springfield, is the women's fencing coach at Drew University. Dultz is married to Mrs. Louis Dultz of Gail Court, Springfield. Dultz is a 1974 graduate of Jonathan Dayton Regional High School, Springfield.

California, Florida, Ohio still unbeaten

By CRAIG CLICKENGER
After three weeks of Springfield State League play, three basketball teams—California, Florida and Ohio remain unbeaten. Florida won last Saturday.

Florida started back without Oklahoma, 16-13, which took a 9-2 lead in the second quarter. Florida rallied in the second half. Joe Cierri finished with 10 points, Adam Cohen four and Andy Zidel two. Tim Kisch and Eric Yuss scored in good games.

Chris Clemons led Oklahoma with 5; Eddie Fanning had four. John Sekella '60 and Lovett Bayrashi two.

Ohio edged Alabama, 17-15. Christian Bettin led Ohio with 11 rebounds and seven points. Brian Cole had six points and David Markstein four. Jim Walker '60 earned in a fine key performance. Alabama was led by Robert Fuesco (five points), Anthony Buffa (four) and Chuck Sata and Jim Rubin (three each). Nick Ruggieri was strong off the boards.

California overpowered Kansas, 17-10. Jim Tazewell led the winners with six points; Kenneth Gargullo added five. Tom Ellenberger four and Barry Hubbard two.

Adam Jacobs (six points) and Bruce Oberhand (four) led Kansas with support from Craig Parker, Jeff Feinberg, David Rickman and Courtney Brenier.

Utah beat Texas, 18-13, on a fourth quarter comeback. Gregg Kanger led the game with 2-20 remaining for Utah. A 1-45, Kahn hit again to take the lead and John Baron's eight-footer at 1:40 kept the victory. Kahn nine points and seven rebounds led his teammates. Tom Meixner added six and Baron two. Michael Gallary played well.

Texas' Richard Francis, Allen Gross and Brian Bromberg each had four points and Todd Wasserman one. Jeff Ginsberg turned in a tenacious performance.

Bulldogs stun Millburn, 51-46; then lose to New Providence

By PENNY LEVITT
The Jonathan Dayton Regional High School basketball squad upset Millburn, earning an exciting 51-46 victory. After the first quarter ended in a 14-1 tie, the Bulldogs pulled ahead for the decisive triumph.

Anthony Cicelli's 16 points led the Bulldogs. Adam Joseph had 11 and Larry Walker 6. Craig Clickenger, once again named "defensive player of the week," had seven points. Albert Gargullo five and Billy Ventura and Kenry Klebus two each.

The Bulldogs were not able to duplicate the feat Friday, losing New Providence, 49-29. Joseph led the Bulldogs with 16 points. Clickenger had 12 points, "substitute of the week" Doug Melaner II, Cicelli six and Walker two points. Also in action were Albert Gargullo, Kenry Klebus, Billy Ventura, Ricky Marech, Jeff Englehardt, Tyrone Hayes and Robert Steir.

The freshman squad, coached by Art Krupp, has a 5-0 conference record. The boys' Bulldogs defeated Millburn by eight points last Tuesday and edged New Providence Sunday, 49-39. Krupp feels the unselfish spirit and enthusiasm of his players has helped them remain unbeaten. Kyle Hodgins, leads the team with an average of 22 points per game. Ron Puseo is an excellent two-way player and strong floor leader. Jimmy Price helps out, with his tough outside shot and Glen Delaney and Pat Esplanerio are superior defensive players. The team is supported by an outstanding bench.

David Johnson, Jim Walker, Mike Bertner and Louis Rodriguez.

Dayton's Varsity will be at home tomorrow against Caldwell. Next Tuesday, the team will be at West Orange.

"We are wrestling better," commented Coach Rick Iacono. "They're great kids and they're trying hard."

Dayton has been relying on its middle weight wrestlers because of inexperience in the upper and lower weight classes. To make up for this, the Bulldogs may have to concentrate on training and drilling rather than on conditioning.

The Bulldogs should have the time tournaments start in February.

Bowlers finish on top by game after 1st round
First round action in the Suburban Conference Bowling League will end this afternoon at the Plaza Lanes in Madison when the Jonathan Dayton Regional High School bowlers face Millburn. Conference standings: Dayton 18-2, Summit 9-3, Verona 8-4, New Providence 6-6, West Orange 6-9, Caldwell 4-11 and Millburn 2-10. Kenilworth is 10-5 in exhibition games.

Last week, Dayton dropped its first match in Verona, 2-1. Monday and kept Kenilworth, 2-1. Thursday, Kenilworth edged the Bulldogs, 7-7. In the first game he played on Wednesday, 40-30, he had 500-700 victories, led by Steven Klein (179), Mike Steinberg (210-570), Richard Zirkel (178), Dan Frostman (180), and Barry Sherman (172).

Mike Pine posted a 206-522 series to pace a 740-713 final game victory after 790-800 and 805-800 losses to Verona. Second round play begins Jan. 28 and 31 when the Bulldogs take on Summit and West Orange.

Nettes beaten by Caldwell
The Springfield Nettes basketball team for junior high girls lost a tight contest to Caldwell last week, dropping their season record to 1-2. The game, which was lost in the third period, ended in a 38-26 final tally. The Nettes stayed on pace in the first quarter (8-3) and a tie at the half (18-20), but were squelched in the third stanza. A fourth quarter rally was to no avail.

Jill Denmark was the hot hand for Springfield with 17 points. It was Jill's first contest after recovery from a seasonal ailment—Linda Heckerler and Mary Pat Paredes combined for all the other scoring with six tallies each. Tracy Karr, Cathy Dahmon and Cathy Drummond were all big contributors despite the loss.

Pistons shade Bills; Raiders top Lakers
The Springfield Small Biz-League's third week of play was marked by exciting basketball. The Pistons and Raiders remained undefeated and the Bills and Lakers also won.

The Pistons beat the Bills, 19-18, in a close game. The Pistons' defense was superb. The Bills' offense was not as good. The Pistons' defense was superb. The Bills' offense was not as good.

The Raiders beat the Lakers, 27-16, in a 14-8 first quarter. Adam Miller and John Baron's eight-footer at 1:40 kept the victory. Kahn nine points and seven rebounds led his teammates. Tom Meixner added six and Baron two. Michael Gallary played well.

The Pistons beat the Bills, 13-11, with 10 points in the fourth. Lenny Sata led with six points. Scott Summers and Chris Monaco two each. Seth Hammer and Jim Gross played well.

The Bucks beat the Bulls, 22-18, as Matt Lynch scored 10 points. Spencer Pinter, eight and Dumirich Barone, four. Lenny Hamline, work down key rebounders.

Eric Schobel led the Bulls, with 12 points. Stanley Paderewich added four and Charles Weiss two. David Brooks played scrappy defense.

Wrestlers win first: join New Providence

Jonathan Dayton's wrestling team scored its first victory of the season last Saturday by defeating New Providence, 21-16. The Bulldogs (1-1) will face Madison this weekend.

Going into the last hour of the day.

Juniors win 3 for 9-2 mark; Nenner stars
By CRAIG CLICKENGER
The Springfield Junior Minutemen have boosted their basketball record to 9-2 with victories over Scotch Plains, West Essex and Summit.

Scotch Plains was beaten, 55-39. Wednesday as the Juniors exploded to a 20-5 fourth quarter out-pur. Mitch Nenner, directing the attack, finished with 24 points, three assists and four steals. Carlos Hernandez had 11 points and 14 rebounds. Dan Klinger eight points and nine assists. Peter Petino six points and 15 rebounds and Mike Jitaball six points. Joel Greenberg and Anthony D'Allesio came off the bench for support.

The Minutemen again needed a strong final period to beat West Essex, 62-55. This time, Joe Graziano came off the bench with super defense, key steals and key plays in offense to spur the Juniors to victory.

Petino was high scorer (17) and top rebounder (10). Nenner had eight steals and 15 points, Graziano two assists and eight points. Klinger and Hernandez seven points each. Jitaball four and D'Allesio two points.

At a slow start, the Juniors simply blew out Summit Saturday to win 67-47. Nenner had 21 points, eight assists and four steals and Klinger 12 points. Petino and Hernandez combined for 18 points and 24 rebounds. Jitaball had eight points.

Anthony Graziano hit three foul shots and D'Allesio and Eric Kahn each made a basket. John D'Allesio posted in a free throw. Jeff Pollock, Barry Stipski and Michael Pruck were also off.

Nettes beaten by Caldwell
The Springfield Nettes basketball team for junior high girls lost a tight contest to Caldwell last week, dropping their season record to 1-2. The game, which was lost in the third period, ended in a 38-26 final tally. The Nettes stayed on pace in the first quarter (8-3) and a tie at the half (18-20), but were squelched in the third stanza. A fourth quarter rally was to no avail.

Newest Wave Of Smoker Research: MERIT favored 3 to 1 over high tar brands in tests comparing taste and tar level.

Merit Sweeps New Tests!

Smokers Report: MERIT Taste Matches High Tar Cigarettes.

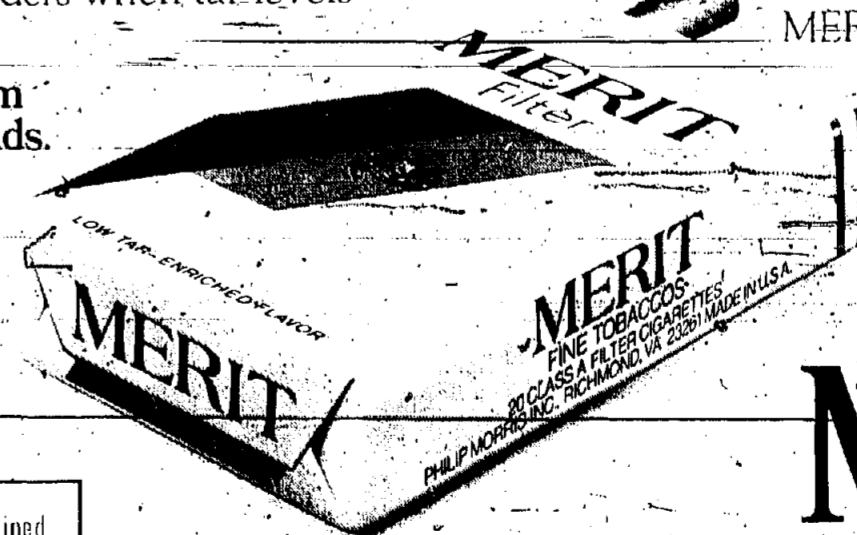

New taste tests with thousands of smokers prove it. **Proof:** A significant majority of smokers rate MERIT taste as good as—or better than—leading high tar brands. Even cigarettes having twice the tar! **Proof:** Of the 95% stating a preference, 3 out of 4 smokers chose the MERIT low tar/good taste combination over high tar leaders when tar levels were revealed.

MERIT: Proven Long Term Alternative To High Tar Brands.

New national smoker-study results prove it. **Proof:** The overwhelming majority of MERIT smokers polled feel they didn't sacrifice taste in switching

from high tar cigarettes. **Proof:** 96% of MERIT smokers don't miss former high tar brands. **Proof:** 9 out of 10 enjoy smoking as much since switching to MERIT, are glad they switched, and report MERIT is the best tasting low tar they've ever tried.

You've read the results. The conclusion is clearer than ever: MERIT delivers a winning combination of taste and low tar. A combination that's attracting more and more smokers every day and—more importantly—satisfying them long term.
