operates flawlessly, Louis Reiss, the retiring chief custodian for the Edward Walton School in Springfield, is receiving the praise that kind of effort "I am really going to miss him,"

Robert Fried, 10, a lifth-grade student at Walton, said. Some students commented on the kindness Reiss exudes toward

"I like him and really will miss him when his is gone," Elleen Brumley, 10, also a fifth-grade student, said. Walton school administration per-

sonnel also heaped praise on the shy and modest Reise "Lou is a very good human being, and has a easy going attitude," Eunice Samer, principal of Walton

"Lou has never refused a job, and is always there when you need him. '

amer sald. "In considering the children's safety, Lou worries about them as if they

were like hts own grandson." Samer

maintenance of the outside grounds. Samer said Reiss does things even before he is asked. I like doing everything around the chool, and I always keep busy.". Reiss said.

Once during a snowstorm, Reiss had a path cleared for the school administration, staff and school children well before the opening of school, according to Same "Lon gives a lot of consideration to all of the persons in our school, and he anticipates if there is a problem,"

Samer said. "I try to help make the kids behave elves, and with children you have to reinforce the rules for their own safety," Reiss said "Mr. Reiss is very nice to everyone,

and he helps when we have a problem," Richard Yabionsky, 10, a student at the Walton school, said. "He once helped fix a portable , heater during a cold winter day, and

he removed a bunch of gypsy months that were lying on a bench," Yablon-

"When you have no one to talk to, he will always take the time , Kenny James, 11, a fifth-grade slude Reiss, a resident of Belleville, travels to Springfield by bus, train and foot

-"Every morning and afternoon] walk to and from school from Spr-ingfield Center on Morris Avenue, and arrive at school at 6 a.m " Reiss said.

"Once for a two-week period he worked consecutive 11-hour days, and had the responsibility of maintaining the operation of the school all by himself, Samersaid. According to the students, Reiss has always gone out of his way to help

"He onced stopped eating his lunch to go and return a ball from the roof of the school," Adina Lubetkin, a fourth-

grader, said "When he leaves, the whole town will miss him," she said. As for his retirement. Reiss said he

plans to work in a garden shop in Springfield and still commute from Belleville.

"I won't be far away, and always can still visit." Reiss said.

will retire at the end of this month after 61/2 years on the job. Pictured are Walton pupils Steven Marchetti, Richard

Storage wrap

When preparing beef for the freezer, it is important to use a storage wrap that seals out air and locks in moisture. The National Live Stock and Meat Board suggests using specially coated freezer paper, aluminum foil, heavy-duty transparent polyethylene and heavy-duty plastic bags. Regular thin plastic wrap and wax paper should not be used for freezer storage.
