- Ada Brunner,

You can have 52 weeks of your Community newspaper delivered to your

all state, local and private grants coming or able to replace the work conWhat the Union County unit of the
kined.

ACS needs are more volunteer researwithout LSC's financial contributions, the vast majority of these programs would almost certainly shut
down, thereby sharply curtailing acgrams would almost certainly shut down, thereby sharply curtailing access to legal help for millions of low
associations and several hundred duestionnaires to 10 families each. The indiges have publicly sought continuajudges-have publicly sought continuation of LSC. Last year, a New York person 45 years or older. The Times/CRS noll showed that nearly 80 respondents will be followed for a Times/CBS poll showed that nearly 80

important to clients but of little interest to anyone else.

On behalf of the students and staff at a student back and forth to school. If estimate the costs.

But LSC does have serious shortcomthe James Caldwell School, I want to you drive, expenses for gas, oil and car Sports carry their own kind of exmeans, legal aid lawyers frequently have forced federal, state and local of ficials to pay benefits mandated by social welfare legislation, improve shashed the LSC budget by 25 percent, from \$221 million to \$241 million. The reductions forced the corporation to swift in the proposal same than \$250 miles and dismiss about 1.770 lawyers. As a result, LSC is more critics argue that the government of word attorneys per 10,000 poor people (the national average is 20 lawyers for every:10,000 persons).

But LSC does have serious shortcomings. A good many are traceable to last year's budget cuts, in which lawmakers may sincere thanks and appreciation to the many volunteers who might have to pay for private bus service. Look into money-saving solutions, such as car pooling, CPAs say. If you might during games and practices; and a thorough medical exist might be required. While most should 1.770 lawyers. As a result, LSC is now further away than ever from meeting its "minimum access" goal of sudents who qualify. Decide which is the most economical and convenient more than 250 offices and dismiss about 1.770 lawyers. As a result, LSC is now further away than ever from meeting its "minimum access" goal of sudents who qualify. Decide which is the most economical and convenient means.

Sports carry their own kind of expresses for gas, oil and car might have to pay for private bus service. Look into money-saving solutions, such as car pooling, CPAs say. If you will rely on mass transportation, check into the availability of discount fares for students who qualify. Decide which is the most economical and convenient might be needed, such as a tennis racket or track shoes. Finally, you might want to buy protective devices, such as safety glasses.

Don't-forget-to-include your own cost for participating in school activities.

OTHER MEETINGS

many thanks! DR. ROBERT BLACK JR. Principal, Caldwell School

OPPOSE SHOPPING MALL The Cranford Jaycees, with overwholming support of its general membership, voted at its August meeting to oppose the planned location

of a shopping mall in Springfield. This opposition centers largely on the

President, Union Garden Club

Now is the time to make three to 3-4 inch cuttings of geraniums and impa-tiens for taking indoors for next year. With a clean knife, cut just under a leaf node. Remove the two bottom leaves. Hide geraniums under a shrub or lowgrowing plants for 2-3 days of a "callous" to form on the cut. It helps make the cutting root better, for some reason. Then wet one inch of the cut BLOCK LOT end, dip in root one and plant in mix of

which services up to \$1,000. Insurance companies feel that these types of property present special risks and should be handled on an individual basis. Most insurors are willing to increase the limits on these properties for an additional charge.

Question: My business fire insurance guestion: My business fire insurance that it is an 80 percent "coinsurance" policy. Does this mean that the insurance company will pay \$0 percent of this loss?

Which serves the Springfield community among others, is asking the Board of and, pealmoss or verniculite. Press of soil gently to make stem contact the soil soil gently to make stem contact the soil sandy so remove air pockets. Boxes or and a 36.7 percent increase in rates in the Springfield area and so remove air pockets. Boxes or and a 36.7 percent increase in rates in the Little Falls district. Ex-Police Captions and pealmoss or verniculite. Press of soil gently to make stem contact the soil sandy so remove air pockets. Boxes or and a 36.7 percent increase in rates in soil gently to make stem contact the soil soil gently to

cent of this loss?

Answer:: No. It means you are promising the insurance company that you will carry an amount of insurance equal to 80 percent of the value of your property. If your property is worth \$100,000, for example, you must carry at least \$80,000 of insurance. If you carry the proper amount of insurance, the company will pay the claim up to the amount of the policy.

Constitution White it doo's current the restriction where it is promoted to the post of the value of your property. If your property is worth \$100,000, for example, you must carry at least \$80,000 of insurance. If you carry the proper amount of insurance, the company will pay the claim up to the amount of the policy.

Constitution where it doo's current the restriction where it is promoted to the post of the end of August and first half of the post of the end of August and first half of the end of August and to FORTY-FIVE YEARS AGO Your weeds or else use a weed killer.

State Scriators LESTER CLEE and Not all weed killers kill all weeds, so

the company will pay the claim up to the amount of the policy.

Question: What if I don't carry the required amount of insurance?

Answer: Then your insurance company can penalize you if you present a claim. The penalty works this way: If you carried only half the amount of insurance required, the company will pay half of your claim; if your carried? opercent of the claim. The only exception to this is if the property is totally destroyed. Then the insurance company pays the total face amount of the policy.

The outer team for the New York and the holds of the you and do in times of the policy.

Youth season starts Tuesday in synagogue

this week

gregation Israel of Springfield will Mountain Avenue. The congregation's chaper of the National Conference of Synagogue Youth (NCSY) Junior Division will meet at 7 n.m. The congregaion's senior NCSY Chapter will meet at 8 p.m. The youth program will be supervised by the congregation's co-directors, Elliott Auerbacher and Helen

The chapters will outline their activities for the coming year. It was announced by Sheldon and Rachel Kohn, youth activities chairmen, that the programs will feature social, recreations and cultural events. Children, who are in the sixth, seventh and eighth grades of public or private day schools are invited to attend the junior meeting. The senior meeting is open to all Jewish students in public or private high schools. Membership in the congrega tion is not required for enrollment.

Helen Simon, youth director, is a student at Stern College in New York and is a former president of the Englewood Chapter of the New Jersey ETZ Chaim Region of NCSY. Another youth direc tor, Elliot Auerbacher, a student at Baruch College, has been a member of The Mountainside Gospel Chapel will the ETZ Chaim Regional board and an begin its regular Sunday School pro-gram at the chapel this Sunday. The Chapter.

In addition to the Kohns, Abraham and Sharon Borenstein and Rabbi Israel E. Turner also are on the NCSY

This Sunday, rally day will be held for Slichot services set church service beginning at 11 a.m.
