FAMED HISTORICAL AUTHORITY SPEAKS AT S. A. R. DINNER

Dr. A. L. Johnson Addresses 125 Persons in Presbyterian Church Monday

George Washington maintained headquarters here during the Battle of Springfield, June 23, 1780. Dr. A. L. Johnson told 125 persons at the annual "Patrick's Day" observance held Monday evening in the historical First Presbyterian Church, under the auspices of the Passaic Valley Chapter, Sons of the American Revolution, of Summit. Dr. Johnson, County Superintendent of Schools, president of the Elizabethtown Chapter, S. A. R., of Elizabeth, and an authority on early American history, based his belief on several letters he found in an Historical Society in Cleveland, Ohio, several years ago, signed by Washington, marked "Headquarters, Springfield, June 11, 1780."

Between the battle of June 7 at Connecticut Farms and June 23 at Springfield, Washington in order that he might be in touch with enemy activities and spies at New York and Elizabethtown, now Elizabeth, remained somewhere between Connecticut Farms and Springfield, Dr. Johnson remarked in his speech.

Delegates from chapters in Elizabeth, Roselle, Westfield and Maplewood attended the dinner. Harry A. Marshall, president of the Passaic Valley Chapter, was in charge, and introduced David L. Pierson, State Secretary of the S. A. R., who announced that the state society is planning an observance of the "Battle of Springfield" in June.

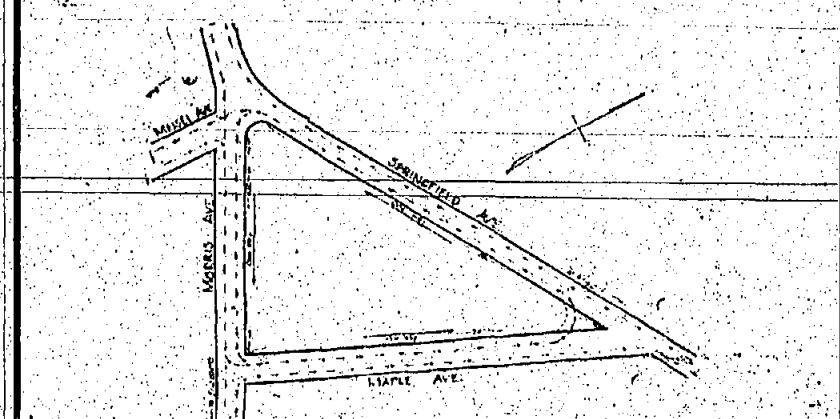

At the conclusion of Dr. Johnson's address, Robert W. Chastaney of Passaic Valley Chapter, gave a

CHARLES N. FOWLER FOUND GUILTY OF DRUNKEN DRIVING

Ex-Congressman's Son Fined \$200 In Court Monday—License Revoked

TESTIFIES BEING UNDER DOCTOR'S CARE

Charles N. Fowler, 48, of 618 Salem avenue, Elizabeth, son of ex-Congressman Charles N. Fowler of Elizabeth, was found guilty of driving an automobile under the influence of intoxicating liquor in police court Monday night by Recorder Everett T. Spinning and fined \$200 and costs, and his driver's license was revoked for two years.

He was arrested by Patrolman Selander in Morris avenue, April 6 at 1:35 a. m., after his car had crashed into two parked automobiles and lodged itself against a traffic light at the corner of Morris and Mountain avenues.

Dr. Henry P. Dengler, who issued the certificate that Fowler was under the influence of liquor and unfit to drive a car, testified that while the defendant showed signs of being intoxicated by reason of several tests, the smell of alcohol was not noticed on his breath.

The defense pleaded that the driver was under a doctor's care for nervous disorders, and was taking medicine a drug, cannabis indica, which might produce symptoms similar to intoxication. According to the defendant, the reason for the car colliding with the parked vehicles, was due to the right front tire of his car blowing out, and throwing the car ahead.

Dean Widmer, of 19 Center street, this township; George Freeman, 26 Union avenue, Maplewood, and Cyrus J. Berdan, 176 Main street, Millburn, the last two, owners of the damaged parked cars, corroborated the policeman's statement as to the condition of Fowler after getting out of the automobile.

If you had a friend at your home over the week-end or expect guests why not telephone Millburn 1256? Remember, it is of interest to read of visitors in town.

Plan Is To Keep Traffic In Motion At All Times

LEGION PLANS TO SPONSOR BASEBALL COMPETITION HERE

Summit Post 138 Invites Local Boys to Join Nine—Anthony Schaefer Representative

Summit Post 138, American Legion, is inviting every boy in Springfield under the age of seventeen to enroll in their baseball league. After picking a satisfactory team, that group will take part in the county, district, and state championships. If any boy is interested, write to Anthony Schaefer, Battle Hill avenue, and he will be notified when to appear.

The Post wishes to remind ex-service men, that as a result of a bill passed in the Legislature recently, two hundred dollars will be given by the state towards a veteran's burial. This is an increase of one hundred dollars.

The County meeting was held in Summit Tuesday, and announcements were made that the county membership quota has been set at 125 more. Summit Post will hold a membership drive soon. Every local ex-service man is invited to join the post. Thirteen posts were represented at the county meeting, from every Legion Post in Union County.

TOWNSHIP COMMITTEE TO MEET WEDNESDAY

An ordinance to provide for the paving of Remer avenue will be brought up for second and final reading at a meeting of the Township Committee Wednesday evening at 8 o'clock.

Six Thousand Cars Use Thoroughfare In Three Hours At Present Time

RESIDENTS MUST ASSIST POLICE DEPT.

A plan to solve the traffic problem on Morris avenue between Seven Bridges road and Flermer avenue is shown in the sketch at the left of this article. The system to be used in keeping traffic on this street at the proper regulation is by means of a "loop," that is, causing automobiles to rotate around a certain triangle, so that traffic is always moving.

This loop is to be tried Sunday afternoon, and is a slight modification of that used last Sunday, which caused many local residents to remark that traffic was in better shape than ever before. This is to be an experiment only, and no plan is to be accepted until it is submitted to proper authorities. After it has been estimated that the flow of traffic on Morris avenue at the "Bottle Neck" between the St. James Catholic Church and the Presbyterian Church, has been secured at a minimum, then the plan will be used until the County and State relief finally comes.

Officers will be placed at certain strategic points to answer questions and expedite the movement of traffic. Local residents must aid the police department, else the solution will never be found, regardless of its efficiency or any plan which might be devised.

The theory used by Chief of Police Runyon in making this "loop" is outlined as follows:

1. At the present time, we have no county or state relief.

TROOP 66 TO EXHIBIT IN ELIZABETH MAY 17

Troop 66, Boy Scouts of America, is making plans to place on exhibition a model for a camp at the Merit Badge Exhibit, to be held in the Elizabeth Armory, Saturday, May 17. Every troop in Union Council, representing the entire county, will be given a booth to exhibit different phases of scout activities. The exhibit, opened to all, will begin at 3 o'clock in the afternoon and last until 10 o'clock in the evening.

Three candidates will be initiated into the troop tonight in the James Caldwell School.

**MORRIS AVE.
TRAFFIC "LOOP"**

(Continued from page one)

2. If state and county roads are to spread about, so that traffic is forced to distribute itself, that will mean more intersections.

3. More intersections means regulation and regulation has been proven to mean traffic congestion, and certainly regulation means stop and go methods.

4. Stop and Go methods prevent the full use of a roadway's traffic capacity. Elimination of stop and go methods must be used to answer the traffic problem.

5. To abolish stop and go thoroughfares, we could have overhead intersections or the "loop" system. With the overhead system, a municipality will find it difficult to finance this, and so the only temporary answer to the problem, is the "loop" system.

Maple, Morris, Meisel avenue and Seven Bridges road form an admirable triangle. If the corners were rounded, levelled and concreted, a rapid flow of traffic will result, at little or no inconvenience to the motorist or local merchant.

By studying the line of arrows in the sketch, one may be able to see the true benefits arrived at, by using this system of loop traffic, and certainly any transient motorist passing through Springfield will find that traffic moves at a steady gait.

**"Cohens, Kellys" -
At Strand Today**

Charles Murray, who is featured in "The Cohens and Kellys in Scotland," coming to the Strand-Summit today and tomorrow began his stage career in 1911. He is supported by George Sidney, Vera Gordon and Kate Price, the famous quartet of the "Cohens and Kellys." It is directed by William James Craft.

"When the Wind Blows" is the latest of the "Our Gang" comedies being shown on the same program, with the Roach's Juvenile Rascals. The eighth chapter of "The Voice of the Sky" is shown at the matinee tomorrow.

Greta Garbo's first all-talking picture, "Anna Christie" comes to the Strand Monday and Tuesday. In the cast are Charles Bickford, George Marion and Marie Dressler, who is said to give the greatest performance of her career. "Anna Christie" was taken from Eugene O'Neill's drama.

Roland Young, who has played in mysterious dramas in his last three pictures is again with us in "The Bishop Murder Case," coming Wednesday and Thursday. Taken from the novel by S. S. Van Dine, the cast includes Lila Hyams, Basil Rathbone and Alec Francis. The plot is built around the mind of a diabolical fiend, who disposes of his victims with curious "Nursery Rhymes." It affords several hours of thrilling entertainment.

The Rev. Dr. George A. Liggett, pastor of the church, and chaplain of the Passaic Valley Chapter, made a short address and after the singing of "America," pronounced the benediction.

The committee arranging for the reception consisted of Charles R. Reeve, chairman, A. N. Aylesbury, Robert W. Chastaney, Rev. Dr. George A. Liggett, and Harry E. Marshall.

Dinner was served by members of the Ladies' Benevolent Society, with Mrs. George A. Liggett, president, in charge.

Criminals Efface Their Crimes by Desperate Heroism

A VERITABLE RAGING INFERNO was the Ohio State Penitentiary at Columbus when desperate men, in an attempt at jailbreak, threw a burning torch into one of the barracks with the result that old, overcrowded buildings licked up the flames and proved a torturous hell to those entrapped behind prison bars. But the one bright spot in the mournful picture was the heroism of the convicts, life termers for murder, desperate bank robbers, and those prisoners who, because of their lawlessness, were denied ordinary privileges, who proved the bravest and best in the rescue work. Time after time they retraced their steps through the smoke-filled corridors, around which the flames were licking, to release and carry to safety their overcome fellow convicts. Their desperate natures proved desperately courageous when their brothers had their backs against the wall. By their heroism they wiped the slate clean and expiated whatever youthful crimes they had committed. Picture telephoned shows workers tagging and arranging the remains in the temporary barracks in the state fairgrounds.

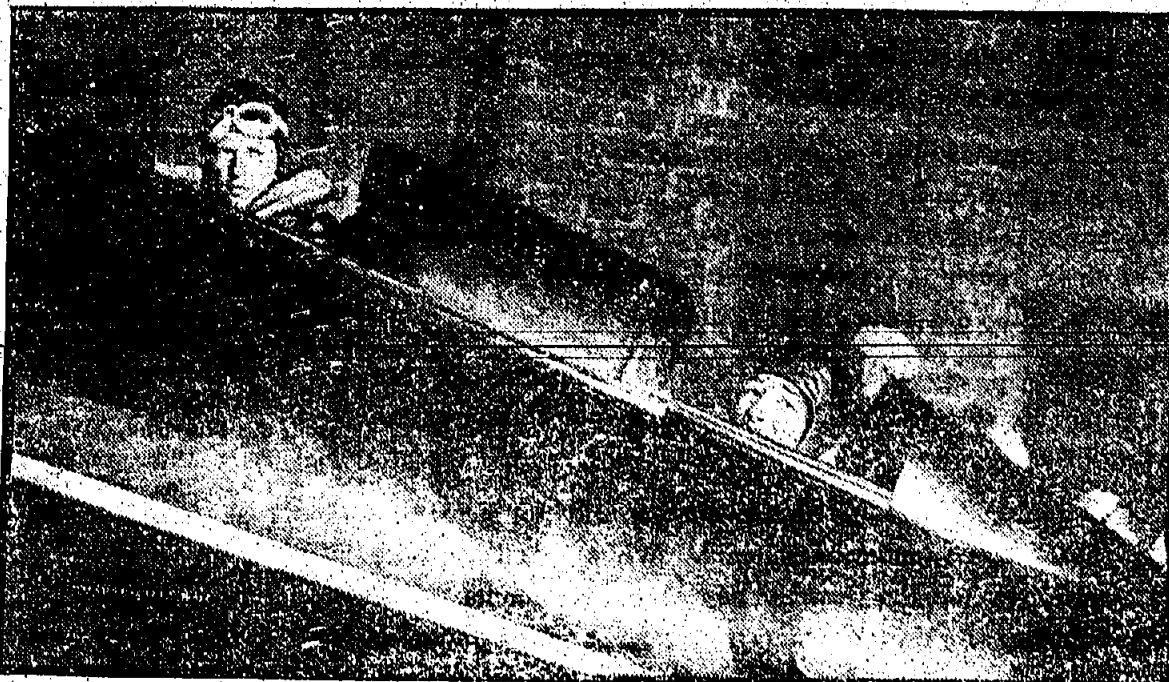

RED HOT BARS caged 319 convicts, who died in Columbus, O., penitentiary when flames ran through ancient fire trap. Further complications arose when keys were misplaced so long that cell locks fused in intense heat and could not be opened. Investigations now under way blame guards for not promptly releasing convicts. Special telephoto shows improvised prison yard morgue where remains of those who died were arranged for identification.

Lindys Spend Easter on Two Coasts

SKEPTICAL customs guards look for liquor everywhere when they are properly suspicious. Here they are drilling holes in concrete floor of schooner Almaco, captured by coast guardsmen. Capt. Joseph White and crew were arrested after 1,000 packages of fine liquors were found under floor.

FIRM OF "WE" AND "SHE" make record dash from California in 14 hours and 45 minutes, lowering record by more than three hours. Mrs. Lindy acted as the navigator for the flight, which at times reached a "ceiling" of 20,000 feet. Lindy flew the plane at an average of 185 miles an hour. And he says it's only one of a series of similar flights. Left, Lindy himself, and right, Mrs. Lindy, the former A. C. Morrow.

Springfield is situated only 55 minutes on the Lackawanna R. R. from New York City (20 miles) and has excellent bus connections to Newark, Elizabeth, Summit and Plainfield. The Rahway Valley R. R. has a freight station in Springfield, giving service for factories, commercial and industrial purposes.

With the completion of the new State Highway No. 29, this year in the southern section of Springfield, it will be possible to get to the downtown part of Newark by automobile in eleven minutes, within speed limits. The Holland Tunnel in Jersey City will be reached in twenty-five minutes.

Two building and loan associations, one national bank, and two schools, as well as excellent fire and police protection, are afforded.

The sanitary sewer system, covering nearly all of the township, part of the Rahway Valley Trunk Sewer, will be completed early next year. Water is available in all parts of the township.

Four churches: First Presbyterian, Methodist Episcopal, St. James Roman Catholic and First Colored Baptist.

THE LIONS' CHARITY RAFFLE

EVERYONE should help contribute his share towards the Lions' Club Charity Raffle, which will be held in June. A choice of two different automobiles is offered, and the proceeds of the raffle will be turned over to the Charity Fund of the club.

PERHAPS there would be a greater response to the drive if it were known that the profits to be made from the raffle will form the nucleus for a Community Chest. The Lions, part of an International organization, hold as one of their cardinal purposes, the distribution of charity among the poor and needy. Thus, it is not surprising that the idea of a Community Chest is co-relative with the functions of the local association. Five thousand tickets, at twenty-five cents apiece, are being distributed now. Let us all help the Lions' Club in their campaign for the relief of the poverty-stricken.

STRAW VOTES

IT was announced last Friday that this newspaper will conduct a straw vote, among the contestants for Township Committeeman. Since the Democratic Party is without any opposition in its ranks, the vote will center around the three Republican candidates. However, if any further petitions being circulated in both parties, the straw vote contest will include both Democrats and Republicans.

THIS paper is independent in its choice of public officials, and its sole purpose in a contest of this nature is not solely to satisfy curiosities, but to encourage registered voters to employ use of their franchise. This cannot be done by force. The straw vote will do by means of rivalries.

MANY voters do not take part in the primaries, but how is one to vote for his favorite if he is not chosen at the primary?

NO doubt, the results of this contest will not guarantee or prophesize the winner, or winners. While it is the choice of the majority, it's the primary day vote that counts. But, if the number of primary voters this year exceeds those of other years, then this paper shall deem its efforts in a straw vote, successful, in encouraging more citizens to take interest in primary elections.

CATHOLIC WOMEN TO HEAR FAMED SPEAKER

Rev. James M. Gillis of the Paulists Fathers will speak at the Lincoln School Auditorium, DeForest avenue and Beechwood road in Summit, Tuesday, at 8.15 p. m. under the auspices of the National Council of Catholic Women. He is a great reader and has chosen for his topic, "What Can Literature Do for Me?"

Father Gillis has had an extraordinary wide experience as a preacher and lecturer. He has occupied pulpits of Cathedrals from New York to San Francisco and his broadcast of "Timely Topics" is heard weekly over the Paulist Radio Station, WLWL.

Due to an extensive lecture tour Father Gillis will probably not be able to make another personal appearance in this part of New Jersey this year and it is for this reason that delegates from adjoining councils of the N. C. C. W., including Springfield, Madison, Morristown, Stirling, New Providence, Short Hills, Chatham and Millburn will participate in order not to miss this opportunity of personally seeing and hearing one of the outstanding figures on the lecture platform and on the air.

Gillis; tables, Mrs. Elsie Selving, Mrs. Max Smith; chairs, Mrs. Fred J. Howard and Mrs. William Seayfield.

Soft drinks will be served from the company's booths. Tickets are on sale now at fifty cents each.

New members will be initiated into the council at the meeting to-night. Further plans for the card party will also be considered.

CYCLIST BADLY HURT IN AUTOMOBILE CRASH

Tpoko Kroyzurka, of 216 Arlington street, South Plainfield, was seriously injured in South Plainfield avenue near Mountain avenue Tuesday afternoon at 4:25 o'clock when the bicycle he was riding was struck by an automobile driven by Miss Norma C. Seaman, of Fairfield Circle, Westfield. He was taken to Overlook Hospital in an unconscious condition and regained his senses Tuesday evening. His condition was said to be improving slightly. He had cuts on the head, and under his left arm.

Mrs. Seaman told the police that

she was driving south, when she was struck in the right front wheel by the cyclist. Jacob R. Vogel, of Mountain avenue, Springfield, was a witness to the collision. The bicycle was not damaged.

Frank Carter, local builder, who has erected more than twenty dwellings, has broken ground for two houses, one in Wentz avenue

and the other in Reiner avenue. Three houses are being constructed in Mapes avenue by Miller and Fisher.

AIR-FLIGHT

Principle TIRES have created a place for themselves no other line of tires has ever occupied

—that's a pretty big ticket! but nevertheless thousands of motorists in changing to these new and better tires have found that there is a vast improvement in the Air-Flight Principle Tires over those constructed in the ordinary manner. From their larger Air-Chambers all the way through to their road-shaped tread these modern Tires by Fisk are packed with exclusive features that bring to your car a new interpretation of Riding Comfort along with a greater mileage than the average motorist will ever need. The costly delays and inconveniences of tire trouble will vanish into thin air and take their place among the "has-beens" of the past, once your car is equipped with Tires by Fisk.

Approximately 20% of all the new cars built during 1930 will enjoy the Trouble Free mileage and Greater Riding Comfort which Tires by Fisk alone can give. Leading automobile manufacturers selecting these highly perfected tires, first subjected them to a series of competitive tests under conditions many times more severe than they would ever receive in actual use. Their preference is conclusive evidence of a superiority which is being recognized by wise motorists the world over.

CARNIVAL TICKETS AVAILABLE SOON

Votes In Popularity Contest To Be Distributed By Volunteers Next Week

Tickets for the Firemen's Carnival, June 9 to 14, will be ready next week. Selling at ten cents a piece, each stub will count one vote in the girls' popularity contest. Great interest has been aroused in the "most popular girl" drive, and the competition is expected to be keen.

Every vote will also be used in the grand drawing for a General Electric Refrigerator, and is to be signed by the purchaser. All tickets will be left at the Lyons-Conley office, 277 Morris avenue, three doors west of the post office, and girls who wish to enter the contest may register their names at the office.

First prize in the "Popularity Contest" is a wrist watch, valued at fifty dollars.

W. C. T. U. PLANNING "CHILD WELFARE DAY"

"Child Welfare Day" will be observed Tuesday afternoon, May 6, at the monthly meeting of the Women's Christian Temperance Union, in the lecture room of the Methodist Episcopal Church. Mrs. Elwood Marshall, chairman of the child welfare committee, is to be in charge, and efforts are being made to have the county president, Mrs. Edith M. Currie, of Cranford, attend.

Mrs. Edwin D. Pannell, president of the local union, announced this week that the winners in the essay contest have been selected, and will be made public Monday morning at the school auditorium, and the prizes will be awarded then.

DENTIST'S OFFICES IN BANK BUILDING

Dr. William G. Hanrahan, has opened dental offices on the second floor of the Bank Building, at the corner of Morris and Flemer avenues. A graduate of the University of Pennsylvania, Dr. Hanrahan has had years of practical experience, and is registered to practice in the State of New Jersey.

He has been engaged in his primary work abroad, studying the system in Newark, and has spent time in European hospitals. He has been active in fraternal and

civic duties in Newark. The equipment in the new offices are of the most up-to-date modern type and includes an X-ray machine.

Dr. Hanrahan will practice general dentistry as well as removable bridge work, and his rates are to be moderate.

METHODIST LADIES' FOOD SALE TOMORROW

The Ladies' Aid Society of the Methodist Episcopal Church will hold a food sale tomorrow morning at 10 o'clock in the vacant store next to the post office, for the benefit of the building fund of the church.

Mrs. Charles Stearns, assisted by members of the society, will be in charge of the sale. All sorts of home-made foods will be available.
