Republican Women To Hear All G.O.P. Candidates Monday

Huff, Brown, King and Selander to Speak—Invite Roselle Park and Millburn Leaders

The three Republican candidates for Township Committeeman, Fred A. Brown, John J. King, and Wilbur M. Selander, and Charles H. Huff, Freeholder nominee, will be present and make addresses at a meeting of the Women's Republican Club to be held Monday evening at the home of the president, Mrs. Arthur P. Warner, of 8 Alvin terrace.

Mrs. Arthur H. Beers, president of the Roselle Park Women's Republican Club, and Mrs. John R. Voorhees, president of the Millburn Women's Republican Club, have been invited to attend, and will also speak. Officers of the Men's Club have also been asked to be present.

MEN AND WOMEN DEMOCRATS MEET

Both Men's and Women's Democratic Clubs met last night in the Villegianti Inn. Returns of the card party held Wednesday evening of last week were made, and plans for May activities were discussed.

The Men's Club will meet May 15 in the Villegianti Inn.

Berkhardt, Jack McHugh, Mickey Medwick, Walt Dorr, Larry Bruden, Hery Pennoyer, H. Geltner, B. Wade and C. Bosalvage.

Besides Springfield, members of the league are Plainfield, Linden, Hillside, Carwood, Westfield, Roselle Catholic Club, Elizabeth Braves, Elizabeth A. A., and the Roselle B. B. C.

Temperance Contest Winners Announced In School Monday

Winners in the essay contest sponsored by the Women's Christian Temperance Union among

local school children were announced in the James Caldwell school Monday morning by the president, Mrs. Edwin D. Pannell.

First prize in the ninth grade, \$3, was won by Russell Gogel, of 78 South Maple avenue; eighth grade, \$2, by Salvatore Casale of Springfield avenue; and seventh grade \$1 by Robert Brady of 24 Main street. The topic was "Why Flier and Driver Should Keep Free of Alcoholic Liquors." The essay prepared by Russell Gogel will be found complete in another column of this paper.

Honorable mention was given

to the following: Ninth grade, Ruth Hinz, Leonard Mayer, Doris Vitru, and Camille Ladner; eighth grade, Sidney Zubatkin, Edward Phillips, William Clark and Kathryn Blake; seventh grade, Marie Gunn, Anna Conley, Alice English and Alberta Schramm.

The three winners are eligible to take part in the county, state and national competition. Judges in the contest were Mrs. William I. Reed, Mrs. Walter White, Mrs. Elliott Hall, Miss Carol Day and Mrs. Robert D. Treat.

More than one hundred and fifty essays were turned in to the teachers, and they, in turn, selected the five best in each grade, the final winners being announced by the five judges.

"LOOP" SYSTEM PROVES SUCCESS

Chief Runyon Decides to Use Traffic Route Plan Every Sunday

The effectiveness of the "Traffic Loop" on Morris avenue last Sunday has prompted Chief of Police M. C. Runyon to use the method every Sunday afternoon between three and six o'clock.

Members of the Township Committee, riding in a testing automobile, found that traffic never held them up more than thirty-seven seconds, and declared that the "loop" was a good improvement.

Traffic was kept moving at a good gait throughout the afternoon, and with constant practice, may solve the situation. No doubt, many motorists, knowing of the loop, may decide to change their routes coming to Springfield from Summit, by turning in at Millburn ave. on their way to Maplewood, Millburn, Irvington, and Newark, or when going in the opposite direction, turn at Werner's way to Maplewood, Millburn, Irvington, and Newark, or when going in the way of Seven Bridges road.

CHURCH SOCIETY TO PRESENT PLAY

"Dutch Detectives," in Three Acts, at James Caldwell School Tonight

The Christian Endeavor Society of the First Presbyterian Church will present a three-act comedy, "Dutch Detectives," in the James Caldwell School tonight at 8:15 o'clock, and the proceeds will be turned over to the church fund.

The cast is as follows:

Miss Anita Sour Crout, Evelyn Schomaker.

Hortensy Matters, Mabel Allet, Katrinka Crout, Ruth Kaufman, Ambrosia McCarty, Anna Hinz, Gladys Howler-Coo, Marion Stiles, Augustus Howler-Coo, Robert Anderson.

Major Hannibal Howler, James Richards.

Jabo Grabb, William Wagner.

Plunk Jarleck, Martin Fleck, Otto Schmultz, "Dutch Detective," Alvin Warner.

Miss Sophia Lamb is the coach.

PROHIBIT WORK IF ROADS ARE NOT FIXED IMMEDIATELY

Town Board Notifies Sewer Builder That Work Begins May 1

Acting upon the advice of the Township Committee, Thomas F. Bowe, consulting engineer, has issued an ultimatum to the sewer contractor, E. J. Flaherty, that the streets which have been excavated, due to the sewer constructions, must be repaired at once, else he will be prevented from continuing any further work.

It appears that the ground has sufficiently set, to insure hardness, and since residents and property-owners have become impatient waiting for road reconstruction, it was deemed best to force the contractor to quickly every street that is in the same condition before sewer work began.

STRAW VOTE WILL BEGIN MAY 26

The Sun's Straw Vote primary among the three Republican Township Committeeman candidates, Fred A. Brown, Wilbur M. Selander and John J. King, begins the week of May 26. The County Board of Elections has set the primary date for June 17, and the last date of filing petitions for May 22. Since no ballots can be printed until the Township Clerk be given petitions, the contest cannot begin until three weeks hence.

The polling place is at the Huff Hardware Company, next door to the Post Office, and ballots may be cast at certain hours, Mondays and Tuesday, 5 to 6 o'clock; Wednesdays and Saturdays, 12 noon to 1.

A list of registered voters is being prepared from the election board's registration books, and as each voter is given a ballot and deposits it, his name is removed from the list. Thus, no person may vote twice.

Why The Census Taker Asks About "The Radio Question"

The question "Have you a radio?" was included among the questions asked in the 1930 census primarily for the purpose of aiding the Government in its important task of administering the radio problems of the nation. Secretary Robert L. Lamont of the Department of Commerce, has declared.

"The question has absolutely no connection with possible taxation, or any other associated idea, the Secretary states. Government officials believe that exact information as to the number of receiving sets and their location will be of assistance in promoting satisfactory radio reception throughout the country, and it is for this reason and this reason alone that the question was included. Secretary Lamont has pointed out. In discussing the value of the query to the Federal Radio Com-

mission, Maj. Gen. Charles McK. Siltzman, chairman of the Commission, declared that the data which will be procured as a result of the radio question will be of "greatest possible benefit to the Commission in allocating broadcasting facilities in its endeavor to serve the public."

By ascertaining whether a particular household has a receiving set, he added, the Commission will be able to gauge the "radio population" of particular areas throughout the country. At present, Gen. Siltzman explained, there is no authoritative information available as to the number of receiving sets in use or as to the density of sets in certain areas. He pointed out that with this information at hand, the Commission will be enabled to distribute broadcasting facilities and apparatus power so as to serve the maximum public interest.

CARNIVAL VOTES ARE ON SALE NOW

Firemen's Pete Tickets May Be Obtained at Lyons-Conley Office

Tickets for the Firemen's Carnival, June 9 to 14, which also serve as votes in the "Most Popular Girl" contest, are available today at the office of the Lyons-Conley Company, 277 Morris avenue, or from any member of the fire department.

A fifty-dollar wrist watch, the prize in the contest, is to be purchased soon and placed on exhibit to serve as an incentive for the contestants. Any girl, living in Springfield, fifteen years of age or over, is eligible to sign up as the Lyons-Conley office. The greatest number of votes gained by sale of subscriptions toward Grand Drawing for a General Electric Refrigerator, will determine the winner.

Have You Been Counted In The Fiftieth Census Yet?

April 26, 1930, Editor, Springfield Sun:

Dear Sir: In behalf of the Census Bureau at Washington I have been asked to make a special request to all newspapers in the 8th Census District of New Jersey for co-operation in securing the names of persons who have not been enumerated through the press.

Kindly call to the attention of the readers of your paper to the effect that if any persons have not been enumerated to call the Census Bureau at the Federal Post Office Building, Elizabeth, Telephone Emerson 8784, or by mailing a post-card or letter to the Census Office stating that they have not been enumerated. We are prepared to mail out schedules for them to fill out or have the enumerator call at their place of residence.

I trust the manufacturers of your

town, business men and merchants through themselves or their officials or foremen to co-operate with us by informing their employees at the factories or whatever the place of business it may be, to get in touch with the Census Office in Elizabeth if they have not been enumerated. By this method we feel that if all hands co-operate we will be sure to have 100 per cent enumeration of Union County.

I also request the kind co-operation of all merchants and factories who have distribution schedules to fill out, to do so at once in order that the distribution work may be completed with the population.

Again I ask all persons who have family schedules to fill out, especially those living in apartments and those who have been vacationing over the Easter week to kindly

First Prize in W.C.T.U. Essay Contest

(Among Ninth Grades)

If a person were to take a bottle full of poison, he would be thought of as foolish. In my mind, however, the man who will take alcoholic drinks day after day is just foolish.

Alcohol effects the greatest, most marvelous piece of machinery in the world. This piece of machinery is the brain. Mankind's greatest wizards cannot replace a disabled brain. The noted surgeon, Dr. Charles Mayo, in addressing a large convention of boys recently, said in part, "You can get along with a wooden leg, but you can't get along with a wooden head."

If a man who has been used to drinking wishes to drive a car, he must either give up drinking or make up his mind that it is useless for him to try to drive a car. An auto in the hands of a man under the influence of alcohol is as dangerous as a revolver in the hands of a maniac.

The flier also increases greatly the chances of accident if he is under the influence of alcohol. The most important part of flying is taking off and landing. This calls for quick judgment, clear eyesight, and most important, a good sense of balance. A flier under the influence of alcohol has poor eyesight, thinks slowly, and his sense of balance is poor.

If a flier fails to land right or take off right, he may injure some spectator, wreck his machine and kill himself. If one would count up the number of lives lost, the number of machines wrecked, and the number of positions lost, it would seem incredible that all this happened because people allowed the demon, alcohol, to become their master. The United States is the first to take a step forward by passing laws prohibiting the use of, sale of, or possession of alcohol. As with all new laws, it is meeting with stiff opposition. Bootlegging has been making some men rich and they do not intend to see their demon destroyed. But as Mr. Reitel, of the University of Pittsburgh says, "John Barleycorn has been caught in the fast revolving machinery of American industry and there is no hope for him." True, it will take years before alcohol is completely abolished, but it is putting up a losing fight. Let us hope that other countries, like ours, will pass laws prohibiting alcohol.

Men and women the country over, since you have passed these laws, live up to them! Kill this demon which is threatening the peace, prosperity and happiness of our country. By RUSSEL GOGEL, 78 South Maple Ave.

NAB PLAINFIELDER AS "TIPSY DRIVER"

Charged with driving an automobile while under the influence of intoxicating liquor, Alexander A. Crane, a sewing machine salesman, of 721 South avenue, Plainfield, was arrested by Patrolman Santos, in Mercer Avenue, in Friday morning at 3:30 a. m. Arraigned before Recorder Spangler the same day, he was released on \$250 bail to appear in court Monday night.

He was charged with driving a car while intoxicated.

Three new members were initiated into Troop 66, at the meeting in the James Caldwell School Friday. They were William Clark, of Molter Avenue; Harvey Brigg, of Morris Avenue; and Richard Spangler, of Morris Avenue. Wilbur M. Selander, chairman of the troop committee, District Scout Commissioner Harry Quick, and Scoutmaster Keive of Troop 65 of Union, together with friends and parents, were present.

The meeting tonight will be held at Camp Brookside, and all members of the Troop Committee, will attend.

fill out their schedules at once and return to the enumerator in their district or to the Census Office in Elizabeth.

I have inaugurated a special Investigation Department at the office to take the proper steps and action against all persons who refuse to give any information as per the request of the enumerator.

I hope that it will not necessitate for us to make any Federal charges against anyone in the county, as we feel that Union County has co-operated so splendidly in the enumeration work so far and that the persons or families who have refused to give this information to the enumerators will gladly do so within the next few days or call personally at the office so their names may be stricken from the list.

The staff of the Census Office have been working overtime so that within the next week the whole county may know its population.

Trusting that you will co-operate with us through your paper in every respect in regard to this matter and kindly send me a copy which contains the above request, I am,

Very truly yours, PETER J. OLDE,

Supervisor Union County, 8th Dist., N. J.

(Note): If you have not been enumerated fill in the coupon in another column of this paper and mail it to Mr. Olde.

REMER AVENUE PAVING ORDERED

An ordinance to provide for the paving of Remer Avenue with a six-inch penetration macadam pavement, and to install concrete curbs and gutter, gutter being eighteen inches in width, was passed on second, third and final reading at a meeting of the Township Committee Wednesday night. Eleven property-owners appeared to remove the wording "concrete gutters" to reduce the expense, but being informed that the additional cost was slight, they changed their minds. This street will be the first ever paved by the township which is not a water-bound pavement, and it is believed that the penetration job, together with concrete gutters will prove to be one of the finest thoroughfares in Springfield, even at a price suitable to property-owners.

An ordinance was passed on first reading that the Springfield Township Water Company be authorized to handle water contracts here for a term of fifty years.

Bids for the paving of Remer Avenue will be accepted between 8 and 8:30 p. m. Daylight Saving Time, on May 11. Bids will also be received for the curbs and gutters.

Prehistoric Water Jar

A prehistoric storage jar of black and white pottery, having a capacity of eight and one-half gallons, the measure was discovered in the Navajo National monument, Arizona.

COMING NEXT WEEK

At the Strand-Summit next Monday and Tuesday Charles Farrell and Mary Duncan, in "THE CITY GIRL,"

"NOT SO DUMB" AT THE STRAND

Two recent recruits from the stage, now enjoying new popularity as screen juveniles are to be seen and heard for the first time together in "Not So Dumb," Marion Davies' new starring feature, which will open today and tomorrow at the Roth-Strand, Summit.

They are Elliott Nugent and Raymond Hackett. Nugent won fame on the stage in his own plays, "Kempy" and "The Poor Nut," and made his screen debut in "So This Is College," and the screen version of "Kempy," now titled "Wise Girls." Hackett scored on the stage and screen in "The Trial of Mary Dugan," and later played the dramatic son role in the picturization of "Madame X."

Harry Langdon in "The King and the Wild Waves," and a Mickey Mouse cartoon are included in the program. The Saturday matinee special is the ninth chapter of the "Voice from the Sky."

Mary Duncan and Charles Farrell are co-featured at the all-talking, "The City Girl," Monday and Tuesday.

Elinor Glynn's fascinating romance, "Such Men Are Dangerous," comes to the Strand Wednesday and Thursday. Warner Baxter and Catherine Dale Owen are in the lead, supported by Albert Conti, Hedda Hopper, Claude Allister and Beba Linnoss. It's an all-talking picture.

Springfield is situated only 55 minutes on the Lackawanna R. R. from New York City (20 miles) and has excellent bus connections to Newark, Elizabeth, Summit and Plainfield. The Rahway Valley R. R. has a freight station in Springfield, giving service for factories, commercial and industrial purposes.

With the completion of the new State Highway No. 29, this year in the southern section of Springfield, it will be possible to get to the downtown part of Newark by automobile in eleven minutes, within speed limits. The Holland Tunnel in Jersey City will be reached in twenty-five minutes.

Two building and loan associations, one national bank, and two schools as well as excellent fire and police protection, are afforded.

The sanitary sewer system, covering nearly all of the township, part of the Rahway Valley Trunk Sewer, will be completed early next year. Water is available in all parts of the township.

Four churches: First Presbyterian, Methodist Episcopal, St. James Roman Catholic and First Colored Baptist.

THE TRAFFIC "LOOP" STAYS

The traffic "loop" system was given the test last Sunday and passed with flying colors, successfully. While the flow of traffic was not equal to that sometimes dealt with, nevertheless, it compared with the ordinary, and except for certain minute details, traffic was kept moving at all times.

As was expected, there were some who were opposed to the "loop" for three reasons—Springfield should not seek to aid the transient motorist, dust in Maple and Mountain avenues is too dense, that the stop-and-go regulation method is "good enough," but in all, the majority of interested gazers were of the opinion that conditions were improved, and that, after constant practice and the roads are repaired, the "loop" will temporarily answer the traffic congestion problem.

MAPLE avenue is being repaired this week, and action on fixing Mountain avenue is promised. With the old method of stop-and-go regulation it was difficult for a motorist to drive out of Marion, Washington, Battle Hill avenues and all the thoroughfares in that vicinity. However, with the wide space between automobiles there, during the use of the "loop" system, it was by far simpler

to dash from those streets into Morris avenue or vice versa.

THE Township Committee rode around the "loop" fifteen times between 4:30 and 5 o'clock Sunday, and reported not being held up more than thirty-eight seconds the entire trip. And it is said the police did not discriminate for the testing automobile. To insure a decision, the writer, himself, toured the "loop" several times about 5 o'clock and was satisfied that the system was for better and not for worst.

WHILE the "loop" may not form the perfect answer to the situation, it is certainly better than stop-and-go regulation, and Police Chief M. C. Runyon should continue the system every Sunday afternoon during the heavy spurge of traffic.

Vandenberghe was taken back to New York Saturday morning.

JRS. PLAN FLAG IN EVERY HOME

Battle Hill Council, 120, Jr. O. A. M., is striving this spring to place the American flag in every home in the township, and are even willing besides selling the flag at cost, to erect it at the home.

If anyone is interested, notify Montague Martyn, recording secretary; Albert A. Sorge, 51 Battle Hill avenue; or Nelson Stiles, of Mountain avenue, and a 4 by 6 flag, together with a 12 foot pole, with sidewalk or lawn socket, will be placed into position at your home, for three dollars. The council is extending its efforts, not to make any profit, but for its patriotic fundamentals.

A meeting will be held tonight in the Municipal Building, for the purpose of discussing plans for the card party to be held May 16. The committee in charge of the affair consists of Montague Martyn, John H. Schuster, Harry C. Stewart, and Otis M. Hooper.

Listen, friends!

Shoes may be repaired in any form of fashion with cheap leather and at a low price, but how long will it be before you'll repair them again? Our price is reasonable, and our leather is Oak Tanned. Tanned Leather, seasoned by the old "Vat" Method, gives twice the durability and what's more, Oak Tanned Leather will form a perfect shoe balance, and reconstruct the entire shoe.

Why deny yourself the luxury of a well-constructed shoe, built to stand hard wear, and at the same time, fit comfortable when "we rebuild them and make them look like new."

TAKE NOTICE, that an ordinance entitled as above was regularly passed and approved in final reading at a special meeting of the Township Committee of the Township of Springfield in the County of Union, State of New Jersey, held on the 30th day of April, 1930, at 8 p. m., Daylight Saving Time, in the Municipal Building of said Township. Dated May 1, 1930. R. D. TREAT, Township Clerk.

TOWNSHIP OF SPRINGFIELD

IN THE COUNTY OF UNION AN ORDINANCE AUTHORIZING SPRINGFIELD TOWNSHIP WATER COMPANY, A CORPORATION OF THE STATE OF NEW JERSEY, ITS SUCCESSORS AND ASSIGNS, TO LAY, REMOVE, REPAIR, REPLACE AND MAINTAIN ITS WATER MAINS, FIRE HYDRANTS, SERVICE LINES, FITTINGS AND APPURTENANCES IN AND ALONG ANY STREET, AVENUE, PARK, PARKWAY OR HIGH-

WAY IN THE TOWNSHIP OF SPRINGFIELD IN THE COUNTY OF UNION AND STATE OF NEW JERSEY, FOR A TERM OF FIFTY YEARS.

Whereas, Springfield Township Water Company has heretofore duly incorporated under the provisions of an act of the Legislature of the State of New Jersey entitled "An Act for the construction, maintenance and operation of water works for the purpose of supplying cities, towns, townships, villages, boroughs and other municipalities in this State with water," and the supplements and amendments thereto for the purpose of supplying the Township of Springfield in the County of Union and State of New Jersey and the inhabitants thereof with water; and Whereas, said Springfield Township Water Company has filed with the Clerk of said Township of Springfield its petition for the consent of said Township that said Company, its successors and assigns, may lay, remove, repair, replace and maintain its water mains, fire hydrants, service pipes, fixtures and appurtenances in and along any street, avenue, park, parkway or highway within said Township for a term of fifty years; and Whereas, due notice of the filing of and hearings upon said petition has been published and posted as required by law; and Whereas, the construction and maintenance of such water works distribution system will be advantageous to and for the best interests of the Township;

Be It Ordained, by the Township Committee of the Township of Springfield in the County of Union and State of New Jersey:

SECTION 1. That the Springfield Township Water Company, its successors and assigns be and they hereby are granted the right to lay, remove, replace and maintain its and their water mains, fire hydrants, service pipes, fixtures and appurtenances, in and along any street, avenue, park, parkway or highway now or hereafter laid out within said Township, for a term of fifty years from the effective date of this ordinance;

SECTION 2. All rights hereby granted to the Company shall be subject to the right of the Township to make and enforce reasonable regulations with respect to the use of its streets, avenues, parks, parkways and highways;

SECTION 3. The Company shall with reasonable promptness, fill all excavations made by it in the streets, avenues, parks, parkways or highways of the Township and shall restore the surface thereof to as good a condition as the surface was in prior to such excavations. In the event that the Company fails to fill in any such excavation and restore the surface as aforesaid, the Township may cause such work to be done and shall then be entitled to collect the expense thereof from the Company. The Company shall save the Township harmless and shall reimburse it against and for all liability, loss, expense, or damage of any kind incurred by the Township on account of the failure of the Company to comply with the requirements of this section;

SECTION 4. Upon receiving signed application for service, the said Company shall extend its mains so as to accommodate additional consumers of water in accordance with the rules and regulations governing such extensions prescribed by the Board of Public Utility Commissioners of the State of New Jersey or by its successors or successors in authority;

SECTION 5. The rates to water consumers and all matters of regulation and service shall be determined by the Board of Public Utility Commissioners of the

State of New Jersey or by its successor or successors in authority;

SECTION 6. This ordinance shall become effective when it has been accepted in writing by the Company or its successors or assigns, and has been approved by the Board of Public Utility Commissioners of the State of New Jersey.

J. R. D. Treat, do hereby certify that the foregoing Ordinance was introduced for first reading at a special meeting of the Township Committee, held on Wednesday

evening, April 30, 1930, and that said Ordinance shall be submitted for consideration and passage at a regular meeting of said Committee to be held on Wednesday

evening, May 14, 1930, in Springfield Municipal Building, at 8 o'clock Daylight Saving Time, at which time and place any person who may be interested therein will be given an opportunity to be heard concerning such ordinance. Dated May 1, 1930.

WE WOMEN

by Betty Brainerd

A DRAMATIC RECITAL!
 "Dear Miss Brainerd: I am writing you this letter to ask you to deliver a message for me.
 "You can reach so many more people than I and I want the world to hear—the world of women! It will do their little, sweet, well-meaning hearts good to know it. You see, I am not bitter. I attribute it to their lack of knowledge—and I hope, for their sakes, I am right.
 "I want to tell them how silly it is to be dramatic. That's all. Dramatics are most stimulating where they belong—on the stage. Beautifully portrayed by fine actresses, they are touching and heart-rending. But at home in a simple little 2 by 4 kitchen, or 4 by 8 living-dining room, with a bungalow apron for props, they just don't work. It is wasted effort to try.
 "You write like the person who was offered a book for Christmas. He declined the offer, saying he already had one.
 "Just because you know a woman who resorts to hysterical antics in off moments you should not assume that our entire sex is addicted. I agree with you wholeheartedly when you mention the incongruity of a simple Mrs. Smith trying to emulate the subtlety of a talented actress. And I agree with you that some women attempt it. But you are sadly misinformed concerning the intelligent, self-sufficient woman of today.

The woman of today is far more resourceful than her dainty, delicate sister of yesteryear—though there are still a few of the latter kind in existence. The modern woman finds no need to resort to childish, over-emotional pranks to adjust a situation, for she has common sense and an intelligent viewpoint. She can cope with any man on his own level. And she does.
 Her sense of justice is much too strong to allow for the chivalrous partiality shown her sex in the past. Besides, it isn't necessary. She is capable of holding her own against any odds, so why should she accept the handicap?
 Wake up, man, and look around. Lift your eyes from your limited vision and see things as they are today. You are cheating yourself out of a stimulating and wholesome friendship with a fine woman of today.
 Hysteria is a mental disorder—not peculiar to woman only. Man is just as susceptible. Hysteria and dramatics go hand in hand. The greatest stimulus to dramatics is applause. Denied this encouragement, it cannot exist. Your particular patient may be cured through this indifferent treatment.
 Betty Brainerd wishes to help her readers whenever possible. Write her, sending stamped, self-addressed envelope for personal reply.

INTERPRETS the MODE

Could gray fox be lovelier on anything than a pink marocain ensemble, part of which is this smart coat? (Courtesy of Drecoll Beer, Paris)

PARIS, May 1—As we were saying about Court presentations for this May, there are a few more compulsory details besides colors and designs. One of the train which falls cape-like from the shoulders, the regulation length being no more than two yards. The other is the three small ostrich plumes which are worn with white tulle veils that must be no longer than forty-five inches. Long gloves are always worn, and fans or bouquets may be carried.
 It is well known that the Queen dislikes extremes of any kind, and this is possibly the reason why all of the models which one may see at the Lord Chamberlain's are unquestioningly adopted by those about to be presented to Her Majesty.
Our Model Primer
 Sportswear is distinctly confined to sportswear. For the beach one must have a one-piece bathing suit, a sand costume, to slip on over that for lounging on the sand, something else again to put on for strolling on the board-walk or sipping a cup of tea. And beach sandals, and a beach hat. Vivid colors are in order, tussor, shantung and crepe de Chine the materials. Beach pyjamas are more popular than beach dresses, but beach dresses make their appearance, usually with an accompanying cape or three-quarter coat.
 Remember the pink crepe marocain dress of Drecoll-Beer with the navy blue and white stripes that I sketched for you a few days ago? There was such a lovely matching coat with a grey fox collar that went with it, that I just had to sketch it for you today in all of its incrustated simplicity. And then so that you wouldn't forget the dress and see the whole as an ensemble, I sketched the dress again.
 You never thought you'd be a shoemaker, did you, until you started reading the Dahray Collum and then you knew you could make ANYTHING in the world, almost, even French mules! And you know by now that all you have to do is send a stamped, self-addressed envelope to the Dare Department of the Rahway News for the illustrated leaflet about how to do it. Could there possibly be an easier way to become a cobbler, all for a stamp, as it were? And they are really, truly French mules that you make, too.

OBITUARY

JOSEPH G. BECKMAN
 Services were held Monday afternoon in the St. Stephen's Episcopal Church, Millburn, for Joseph G. Beckman, 63, who passed away at his home in South Springfield avenue Friday noon, with cancer. Interment was in the Clinton Cemetery, Newark, and the Rev. Hugh W. Dickinson, pastor of St. Stephen's Church, officiated.
 The deceased is survived by his wife, and had no children, nor members in his immediate family living. He had been ill for three months, and up until two weeks ago, remained at the Newark Memorial Hospital, in Newark, when he was taken home. He was stricken Friday and was being rushed to the hospital when he died.
 Masonic services were held at his home Sunday evening. The late Mr. Beckman was a member of Continental Lodge 190, F. and A. M., of Millburn; Order of the Shrine, and a Knight Templar. He had been an active member of the St. Stephen's Church, and served as a vestryman for nine years. Several days prior to his death, he was re-elected for three years. He was a deputy to the Diocesan Convention of the Newark Diocese, and had lived in Springfield ten years, coming here from Palmyra, N. J.

ELMER E. TAYLOR
 Funeral services were conducted in Young's Funeral Parlors in Millburn Saturday afternoon, for Elmer E. Taylor, 68 years old, or Morris turnpike, who died suddenly Friday evening with a heart stroke at the home of friends. Interment was in the First Presbyterian Cemetery, and the Rev. William I. Reed, pastor of the Methodist Episcopal Church, officiated.
 The late Mr. Taylor was survived by his wife and a daughter, Mrs. Dorothy Rummig. The deceased suffered a stroke several years ago, but was in good health since. He was a member of Success Council No. 171, Jr. O. U.

CAMP TO FETE
THIRD BIRTHDAY
P.O.S.A. Arranging Special Program in Town Hall Tuesday Evening

An elaborate program of speakers and entertainment has been arranged by Camp 209, P. O. S. A. for the celebration of the Camp's third anniversary, to be held in the Municipal Building Tuesday evening.

State Secretary George W. Smith, of Phillipsburg, noted for his oratorical ability, will be present and deliver an address, and as a special treat, the Crowell Hawaiian Radio Artists, have been engaged to provide entertainment.

The ceremonies will begin at 8.15 o'clock with an overture by the Radio group; the invocation by the Rev. Dr. George A. Liggett, pastor of the First Presbyterian Church, and chaplain of Passaic Valley Chapter, S. A. R.; an address of welcome by the Camp President Theodore G. Betzler, and the speech by Mr. Smith.

The meeting is open to the public, both men and women invited. There will be dancing and card playing, if desired. Refreshments will also be served. The committee arranging for the anniversary consists of A. D. Nichols, chairman, Charles M. French, Otto M. Hopley, Charles S. Quintzel, Lewis B. Parsil, Jr., Montague Martyn and Edward Ecker.

A short business meeting will precede the program.

BALTUSROL HILLS
SALES INCREASING
Bunnell Bros., Managing Agents, Report Activity at Development in Henshaw Ave.

Seven homes have been built and sold in the Baltusrol Hills development, according to a report of the managing agents, Bunnell Bros., realtors. Begun about a year ago, this rapidly growing section, owned by the Henshaw Realty Company, has been showing great strides, and today five homes are being built; two by Wilbur W. Parsell, one by Percy F. James, and one each by August Keller and Benjamin Kraemer.

The sales have been such that nothing is available in Baltusrol Hills until the five homes are completed and more erected.

ADMITS STEALING
CAR FROM PASSAIC

Admitting stealing the car which he was operating, after being questioned for improper plates, William Schweizer, 18, of 2822 Second avenue, Lyndhurst, was arrested by Patrolman Searles in Morris avenue about midnight Friday night.

The policeman stopped Schweizer and made several inquiries as to the license and plates. The driver could not produce the proper registration card, could not explain about the false plates, and was unable to account for an extra pair of plates. He finally confessed having stolen the car. Later, it was found to have been the property of Mrs. Pearl Steiner, of 241 Brook street, Passaic. The police of that place took him back the next day.

W.C.T.U. MEETING
CHANGED TO MAY 23

The regular monthly meeting of the W. C. T. U., which was to have been held Tuesday afternoon in the Methodist Church, has been changed to Friday, May 23, due to an invitation by the Roselle Park-Roselle Union to attend their meeting the same day and listen to an address by Mrs. Hames Lippincott, of Camden. Five or six local members are planning to attend the Roselle Park-Roselle meeting.

The topic at the local union's meeting Friday will be "Child Welfare" and several White Ribbon Recruits will be consecrated. Mothers are invited to bring their infants to the meeting and have them consecrated. Mrs. Elwood Marshall, chairman of the committee on "Child Welfare," will be in charge. Mrs. Edith M. Currie, County President, is expected to attend.

The Loyal Temperance Legion, the young people's branch of the local union, which was organized April 16, will meet Wednesday afternoon in the Methodist Church. Officers are: president, Edward Gerow; vice-president, Helen Thorpe; secretary-treasurer, Barbara Rude. Mrs. James S. Rude of Millburn is secretary-director of the organization.

Wall Paper Cracks
Tear out a piece of wall paper like that on the wall to patch wall paper cracks, starch it well and use a mangle to roll its edges smooth. Patches cut with scissors show the paper but tears do not.

Fingers Moved Fast
A violinist has played a piece consisting of 4,800 notes in four and a quarter minutes, which means that his nimble fingers were producing separate sounds at the rate of about 15 a second.

PLAN TO ORGANIZE N. J. COMMITTEEMEN

The New Jersey Farm Bureau is calling a meeting on May 9, at the Sterling Hotel, Trenton, of all members of the Township Committees in New Jersey. It is the intention of the Bureau to organize committeemen in a state group, similar to the State Association of Freeholders. This move is in accord with the Farm-to-market Road Program of the State and National Farm Bureau, and is to acquaint the Township Officials to what is being done for Township Road Relief. Also to perfect a permanent organization to consider future and mature benefits.

IT'S WISE TO CHOOSE A SIX

A demonstration tells you why it's wise to choose a six

Everywhere, buyers are agreeing "It's wise to choose a Six." And if you want to know why, get a demonstration of the Chevrolet Six.

Learn what an amazing difference two more cylinders make—in smoothness, in silence, in flexibility and in comfort.

And learn what a difference all of Chevrolet's other modern features make—the four long semi-elliptic

springs—the four Lovejoy hydraulic shock absorbers—the weatherproof 4-wheel brakes—and the sturdy hardwood-and-steel construction of the luxurious Fisher bodies.

It will take only a few minutes to confirm all the reasons why it is wise to choose a Chevrolet Six. So come in today. See it. And investigate Chevrolet's easy payment—an

one of the most liberal in the automotive industry.
