BOARD OF HEALTH DECIDES FOR AND AGAINST KENNELS

Some Are Nuisances, Others All Right, Is Decision Of Governing Body

REPORT SHOWS MEASLE EPIDEMIC HAS PASSED

Dog kennels which have been started in the past two or three years are proving to be a public nuisance, while the older kennels which have been here for close to thirty-five years are not, was the opinion of the Board of Health at a meeting Monday night after a complaint was received that the dog kennels are exceeding their bounds and are making it undesirable to bear.

At the present time, there are fifteen dog kennels in Springfield, of which only two or three have been here for a long period of years, being erected when homes were some distance apart, and the barking of dogs was not complained of, but more than ten of these kennels have been brought here in the past few years, in the midst of residential districts, and are to blame for being nuisances the Board decided. An investigation was ordered, in answer to the complaint.

The report of the Clerk, Robert D. Treat, showed that the measles epidemic is over, since no report was received for several days prior to the meeting. The report is as follows: births, 5; deaths, 4; measles, 45; German measles, 4; mumps, 6; scarlet fever, 1; a total of 56 reportable diseases. Nine plumbing licenses were issued.

The Board also decided to serve final notice upon several property owners to clean their cesspools and leave them in a suitable condition or be liable to court action.

HOFFMAN REVOKES FOWLER'S LICENSE

The driving license of Charles N. Fowler, Jr., of Elizabeth, son of Ex-Congressman Charles N. Fowler, also of Elizabeth, convicted by Recorder Everett T. Spinning April 21, on a charge of drunken driving, was ordered revoked for two years by Commissioner of Motor Vehicles Harold Hoffman, Thursday of last week. Fowler is planning to make an appeal in the Court of Common Pleas in Elizabeth.

Among the other licenses revoked by the Commissioner was that of John J. Knox, of Newark, convicted here April 14.

WHEN DO WE EAT

Members of the Women's Republican Club are in for a treat. If they should ever attain a membership of five hundred, they will be tendered a dinner, at no expense to themselves.

Peter H. Meisel, at a meeting of the club held Monday evening at the home of the president, Mrs. Arthur D. Warner, of 8 Alvin terrace, stated he would give a dinner to all the ladies when they reached that amount of membership.

While Mr. Meisel, no doubt, wished to encourage the women to have a large membership, perhaps many present will become serious and take advantage of his offer, and strive to secure five hundred members.

"POPULAR GIRL" CONTEST BEGINS

Eight Candidates Have Entered Firemen's Competitive Race

Eight contestants have entered the "Most Popular Girl" contest, being sponsored by the Volunteer Fire Company, in preparation for their carnival, which will be held June 9 to 14, at Meisel and Morris avenues.

Entered thus far are the Misses Marion Pinkava, Lillian Parsell King, Alice Reid, Gladys Chennells, Grace James, Ruth Ray, Helen Welter and Virginia Anderson. Many more are expected to sign up at the Lyons-Conley office this week, and then the fray is to be watched with interest. Votes in the contest are tickets towards the drawing for an electric refrigerator, to be awarded on June 14. Each ticket bears the name of its buyer, and his favorite in the contest. A fifty-dollar wrist watch, the prize in the popularity contest, will be purchased next week and placed on exhibition as soon as possible.

A meeting of the Carnival Committee will be held in the fire house Monday evening. T. C. Davidson, Thomas J. Hankins and Reuben H. Marsh are in charge.

Well-planned, small-scale advertising is more effective than unorganized large-scale advertising.

SPRINGFIELD VS. PLAINFIELD AT COUNTY PARK

Union County League Entrants Hope To Take Opening Before Home Crowd

LOSE PAIR OF SLUG-FESTS OVER WEEK-END

Mayor Gabriel Larsen will throw out the first ball at the home opening of the Springfield Baseball Club, local entrants in the Union County Baseball League, against the Plainfield nine, Sunday afternoon at the County Park, in Flamer avenue, opposite the Municipal Building, at 3:30 p. m.

A large crowd is expected to be present and cheer the home team to victory. Manager Ed Ruby will use his strongest line-up to insure a victory: Thorn, cf; Jackson, ss; Meisel or Fitzsimmons, 1b; Lamb, c; Ruby, 1f; Lawson, 3b; Penoyer, 2b; and Anderson, rf. The pitching selections have not been announced yet.

The locals lost two slugging contests last week end, and the results will be found in another column of this newspaper. They will play tomorrow afternoon against the strong Elizabeth Braves, at Elizabeth, at 3:30 p. m., who incidentally are leading the league-chase with two victories and no defeats.

WHAT? NO GARBAGE

Mente Brothers, the new scavengers, started their first day's work Friday morning at 7 o'clock and reaching the lower section, near Springfield park, saw no garbage cans, or piles on the street.

"This is one clean neighborhood," must have been the thought going through the driver's mind. He finished his work throughout the whole town in the late afternoon, and that night, received a call from the Commissioner of Garbage Disposal, Fred A. Brown, that people living in Washington avenue, Battle Hill avenue, South Maple avenue, Colonial terrace, were in distress with their garbage still out on the sidewalks and the scavenger having finished his labors that day. Mente gladly took the garbage away Saturday morning.

The perplexing problem was solved this way: Mr. Tavormina, the scavenger before Mente Brothers, always began on the right side of Morris avenue, coming from Elizabeth at 7 o'clock, went through to the top of the Farmers' Hotel and returned on the opposite side. Therefore residents in Washington avenue, as an example, had their garbage collected about 3 in the afternoon. But Mente brothers are using a slightly different system.

All garbage should be left outside Monday and Thursday nights, and will be collected in the morning. Collections are made Tuesdays and Fridays. To insure that garbage be taken away, it is best that it be crated and packed the night before.

NINETY DAYS FOR DRUNKEN DRIVER

Plainfield Man Found Guilty Of Second Offense—Pleads Not Guilty

Alexander A. Crane, 36, a sewing machine salesman, of Plainfield, was committed to the county jail for ninety days by Recorder Everett T. Spinning Wednesday night at a special court session, on a charge of drunken driving, and also for a second offense. Crane was arrested by Patrolman Searles April 25 in Meisel avenue at 3:50 a. m. and was declared under the influence of liquor by Dr. Henry P. Deigler.

Crane pleaded not guilty, stating that he had taken only several drinks of wine. He asked for sympathy on the grounds that he was the father of eight children and his business required the use of a car. His attorney stated he would seek an appeal in the higher court.

Everyone is invited to attend a meeting of the Business Men's Association in the Lions' Club rooms, in the Brookside Building, 6 Flamer avenue, Monday night, for the purpose of celebrating the 150th anniversary of the Battle of Springfield, with a public observance and possibly a parade.

The Battle was fought on June 23, 1780, and the demonstration is being scheduled for Saturday, June 20.

While the Sons of the American Revolution are planning to erect a fence around the old Revolutionary Cemetery of the First Presbyterian Church in Main street, near the corner of Morris avenue, and unveil a memorial tablet, about the same time, the Business Men's Association is not conflicting with that and is desiring of a celebration, to be sponsored by residents of Springfield.

Everyone is asked to attend the meeting in the Lions' Rooms Monday night. Charles H. Huff, president, will be in charge.

STATE SECRETARY ADDRESSES P.O.S.A.

Official Speaks To Local Camp at 3rd Anniversary Tuesday Night

Speaking before more than 80 persons at a special third anniversary reception of Camp 209, Patriotic Order Sons of America, in the Municipal Building Tuesday evening, George W. Smith, of Phillipsburg, State Secretary, defied any one in the audience to challenge his statement that "The Patriotic Order Sons of America gave more men in the service of the United States in time of war than any other fraternal organization." Mr. Smith, a member of thirty-one organizations, stated he knew of no other which gave 90 per cent of its members in the Civil War, in 1860, and a large percentage in the World War, never to come back alive, such as the P. O. S. A. Mr. Smith told of the history of the order, its founding in 1847 and its success till this day. He said that

Thirty-five farms were enumerated in this area. The 1930 figures

are preliminary and are subject to correction.

Women's Republican Club Hears Prominent Leaders

Addresses by Mrs. Florence Simpson of Elizabeth, member of the Union County Republican Committee; Mrs. John R. Voorhees, president of the Women's Republican Club of Millburn; the three Republican candidates for Township Committeeman, Fred A. Brown, John J. King, and Willbur M. Selander; Charles H. Huff, Fregholder nominee; and Peter H. Meisel featured the meeting of the Women's Republican Club

held Monday evening at the home of the president, Mrs. Arthur D. Warner of 8 Alvin terrace.

Mrs. Simpson spoke of the strength of party organization and Mrs. Voorhees told of the various civic departments of the Millburn Women's Club, as well as the political and general welfare interest the members of her club showed. Mrs. Simpson invited the members to attend a tea

to be held this afternoon at the Hotel Winfield Scott in Elizabeth, at which will be present Mrs. Dwight W. Morrow and Mrs. Joseph Fre-

linghuysen, wives of the Senatorial candidates, who will both make addresses. Mrs. Simpson declared that both women are fine characters, and that the county committee has not as yet decided upon one of the other to give its support. Surrogate George Johnson, county chairman, will make his decision on the candidates as

soon as he has heard both declared their opinions on the issues, and also when he feels one of the two is the right one to be elected.

Mr. Meisel told of his experience as freeholder twenty-five years, and gave the members valuable information on political routine. He also spoke of his remembering the convention form of selecting candidates, which superseded the primary election.

Mr. Brown stated that he had given six years of efficient service and would continue to do so if re-elected as committeeman. Mr. King congratulated the members on their organization and wished them success, while Mr. Selander told of his experience as a member of the Board of Education.

Mr. Huff told of the Home Extension Course, being sponsored by the Board of Freeholders, and discussion was made of having a speaker attend a future meeting and give a lecture on one of the different subjects in the course.

The committee in charge of the card party held April 8, reported profits of \$61.07. Mrs. Montague Martyn was elected treasurer to succeed Mrs. Fred O. Wicks, who moved recently to Union.

Montague Martyn, vice-president of the Men's Republican Club, representing the club, spoke on the good work of the women in organizing. Ten new members were enrolled, and about thirty-five persons were present. The next meeting will be held in June in the Municipal building, but the actual date has not been set, so that it will not conflict with other meetings here.

Don't You Hear Those "LIONS" Roar?

NO, the noise you heard was the rush for tickets to get a chance on the automobile to be given by the Lions' Club to the lucky holder the first week in June.

The Lions will not roar until the tickets are all sold and a large amount has been realized for charity.

Every effort is being put forth by this club to make the event of drawing for the automobile a great success.

For several years the Lions' Club has given liberally to the poor of Springfield without an appeal to the public for funds. Not only have they given at Christmas but throughout all the year. Now, they are asking everybody to do something.

Every citizen who can, is asked to buy a book of tickets for five dollars, which will entitle the holder to twenty chances on the car.

This fund will be as large as you make it. Will you co-operate by doing your part to make this affair a great success—and at the same time, give yourself a chance to win this beautiful new car?

THE LIONS' CLUB.

"HIT THE DECK" AT THE STRAND

Radio Picture's musical comedy, "Hit the Deck," at the Strand today and tomorrow, featuring Polly Walker and Jack Oakie, includes one of the most striking dance numbers ever presented on the talking screen. The mermaid dance is the novel number which has attracted considerable attention. More than three hundred persons form a background for the number. Besides flashing sev-

eral dances, Oakie and Miss Walker sing several duets.

Clark and McCullough in "All Stand Up," and Disney's Silly Symphony Cartoon, "Autumn," are the principal short subjects for the program. The final chapter of "Voice from the Sky" will be shown at tomorrow's matinee.

"The 3 Sisters," an unusual story of Northern Italy, opens at the Strand Monday and Tuesday. Louise Dresser gives a marvelous performance as the mother struggling against fate and is supported by Tom Patricola, Kenneth MacKenna, with Joyce Compton, June Collyer and Addie McPhail as the "Sisters," and many others.

"The Woman Who Was Forgotten," with Belle Bennett as the "Woman," will be screened at the Strand Wednesday and Thursday as the theatre's attraction during American Educator's Week. Dedicated to the "American School Teacher," it involves a young teacher, who gives her entire career to this work after her sweetheart, also a teacher, is

killed while saving a young lad from a waterfall.

The picture has been endorsed by hundreds of educational heads, and plans are being made to have a road-show of the story made. Part of the proceeds will go towards a National Home for Disabled Teachers. Everyone interested in the life of the school teacher, should not fail to see this epic, which ranks favorably with "Humoresque" and other great pictures.

DRY HUMOR

A French sentinel in Algeria had for colonel a very tall, lanky, round-shouldered man. This round-shouldered colonel one night was making a quiet inspection. Passing the sentinel, he found, to his rage and indignation, that he was not challenged. So he returned to the man and roared:

"You didn't challenge me!"
"No sir," faltered the sentinel, saluting.
"Well, why didn't you?" the colonel demanded.
"Excuse me, sir," said the sentinel, "but I thought—I beg your pardon, sir—I thought you were a camel."

Springfield is situated only 55 minutes on the Lackawanna R. R. from New York City (20 miles) and has excellent bus connections to Newark, Elizabeth, Summit and Plainfield. The Rahway Valley R. R. has a freight station in Springfield, giving service for factories, commercial and industrial purposes.

With the completion of the new State Highway No. 29, this year in the southern section of Springfield, it will be possible to get to the downtown part of Newark by automobile in eleven minutes, within speed limits. The Holland Tunnel in Jersey City will be reached in twenty-five minutes.

Two building and loan associations, one national bank and two schools as well as excellent fire and police protection, are afforded.

The sanitary sewer system covering nearly all of the township, part of the Rahway Valley Trunk Sewer, will be completed early next year. Water is available in all parts of the township.

Four churches: First Presbyterian, Methodist Episcopal, St. James Roman Catholic and First Colored Baptist.

FLAG IN EVERY HOME

BATTLE Hill Council 120, Junior Order United American Mechanics, is putting on a drive to place the American Flag in every home in Springfield during the coming patriotic holidays and every holiday. To accomplish this, the council is willing to furnish the flag and erect it at a nominal sum.

A member of a great patriotic organization in a historical town, it is no wonder that the Junior Order of United American Mechanics should desire to see the flag in every home.

NOT advocating purchasing the flag from anyone other than the council, but of the opinion that the council is showing a good spirit in wanting the flag in every home, see that you order the "Stars and Stripes" for the coming patriotic celebrations and have it decorating your residence or place of business.

FIREMEN'S CARNIVAL

SPRINGFIELD boasts of its well-equipped Volunteer Fire Fighters, with excellent trucks and why not? Without affording the township any great expense as is required in the larger municipalities, any resident feels perfectly safe that his home is protected at times of fire. Therefore, the same resident might show his appreciation of the company's good work by aiding the volunteers in their Carnival, to be held in Meisel and Morris avenues, June 9 to 14.

PROCEEDS will go to the company, to be used for equipment, etc. Tickets are being sold now at ten cents each. An electric refrigerator awaits the winner, and as an added attraction, each ticket serves as a vote in the "Most Popular Girl" Contest. The winner will be awarded a beautiful wrist watch, valued at fifty dollars.

LET everyone assist the First Department in making the 1930 Carnival a huge success!

WATER IN "SOUTH NEIGHBORHOOD"

WATER in the southern section of the township is without a doubt, the greatest improvement afforded that vicinity, with the possible exception of the sanitary sewer. Now that they are both, as well as good land, state and county thoroughfares running through, good transportation facilities, electricity and gas, no one can discredit the remark that the "south neighborhood" will in time be one of Springfield's choicest districts.

STILL undeveloped, an excellent future is in store for Springfield's advancement if this portion be opened up for stores and homes. Occupying more than two-thirds the total area of the township being close to the great metropolitan cities, we may feel assured that the "south neighborhood" and all Springfield is bordered on all sides with a rosy hue; in discussing future possibilities for development.

POLICE NAB CHICKEN THIEF AFTER CHASE

Found with stolen chickens in his possession, Thomas McManus, 45, living with the Cookes in Milltown road, was arrested by Patrolman Selander Sunday night after a long chase, in which the alleged thief suffered a serious injury to his eye when he fell in a trench in the dark.

A call was sent in to police headquarters some time before by A. Barty, of Milltown road, that someone was prowling in his chicken coops. Patrolman Selander was sent to the scene, and saw no one in the vicinity, but after discovering a trail of blood, followed it, and it led to a tent in the rear of the Cooke home. Here, he found McManus in a drunken condition, with two dead

MAKES MINIATURE MODEL OF FIRST PRESBYTERIAN CHURCH

Records have been preserved through many years of the history connected with the Old First Presbyterian Church; poets have written verse of the actions of the Parson Caldwell on the steps of the Church entrance at the Battle of Springfield; and now a young artist has made a miniature model of the church, complete, with shingles of wood, the side walls being three-eighths inches thick; grass in front, with the steps leading up to the entrance; the steeple, the belfry, the clock, seventeen windows, as well as two tablets on both sides of the middle door.

It was made by Kenneth Fischer, of 24 Maple avenue, Irvington, a model maker of note. Mounted on a base, measuring eighteen by twenty-four inches, and standing at its greatest height, twenty-six inches high, it is a perfect replica of the Old Church. Using a scale of one-quarter inch equal to one foot, the entire proper occupies a space of four and one-half inches by twelve, and is one forty-eighth of the actual size. It took Mr. Fischer four weeks to complete his work.

Every shingle on the sides of the building is placed piece by piece, and the roof is of a special material. It was stated that the model would last for a term of years.

The model maker is experienced in his profession, having completed for the Public Service Company miniatures of their buildings in various New Jersey Cities, placed on different exhibitions. He also makes models for architects. It was while riding through Springfield that he became acquainted with the church, and after taking photographs and taking actual measurements, started the work.

Every Purchase you make in the shops of Springfield merchants contributes to the growth and prosperity of the community. The more prosperous this community becomes, the more opportunities there will be for you and everybody else.

Springfield merchants have practically everything you require and at just as low, if not in many instances, at lower prices than you can purchase from mail order houses and chain organizations.

The Springfield Baseball Club, local representatives in the Union County Baseball League, opened its season at Linden Saturday and lost to that team by the score of 14 to 12 after holding the lead several times, but being nosed out in the eighth by Linden's three runs. The locals were given another beating at the hands of the Hillside nine Sunday at Hillside by the score of 15 to 13, when their opponents scored thrice in the ninth.

Fitzsimmons, Lamb and Anderson featured Saturday's game, with nine hits between them, including doubles by Fitzsimmons and Lamb, and a home run by Anderson. Bobby Knothe pitched for the locals, and yielded fourteen hits, one more than given by the Linden pitchers, Voynick and Palmer. Springfield made six errors, while Linden made double that number.

Springfield started the Hillside game with five runs, saw its lead diminished by their opponent's eight runs in the second inning, came back in the fourth, fifth and sixth innings to even matters up, and after scoring two runs in the eighth to be ahead by the score of 13 to 12, saw Hill-

side place three runs over the plate and sew up the game.

Lamb continued his heavy hitting with two doubles and a single, while McHugh, pitcher, also connected for three hits, one a triple. Fitzsimmons, who made three hits in Saturday's game, hit a home run and a single. The league standing:

Notations by A. G. BALCOM

It has been my pleasure to see and hear the sound motion picture entitled, "The Woman Who Was Forgotten." Here is a fine, wholesome film with rather impressive music and, in the main, is a portrayal of life as we meet it from day to day.

I believe that people of discriminating taste would like to see more films of this character.

The acting of Belle Bennett, who takes the part of the teacher, Miss Miller, is very satisfying.
