COMMENDS LOCAL SCOUTS FOR MANNER OF CONDUCTING CAMP

"Finest Lone Troop Camp" Ever Visited, States Executive King

PRAISE FOR G. A. DAY, OTHER LOCAL HEADS

The officials and members of Troop 66, Boy Scouts of America, are quite proud after receiving a communication from A. W. King, Chief Scout Executive of Union County, in which he congratulated Scoutmaster Grenville A. Day, in the manner in which the Camp at Brookside was conducted the week of August 9 to 16. The full text of his letter is hereby reproduced:

Elizabeth, N. J.
August 13, 1930.

Mr. Grenville A. Day,
Morris Ave.,
Springfield, N. J.

Dear Mr. Day:

I want to take this first opportunity to extend to you my congratulations on the fine camp you are running. I felt so good about it that upon leaving you yesterday I expressed my opinion that I wished more of our scoutmasters would give their boys your brand of camping.

Frankly and honestly you had the finest lone troop camp that I have inspected since I have been here. There are probably a lot of things you do that you don't realize the effect they have on the boys or a casual visitor.

The neatness and wholesomeness of your entire camp and its surroundings is reelected in your boys. It is something indefinable that you can't quite explain. In the case of your boys they were neat, wholesome, happy and frank. In the second camp I visited the boys were just as sloppy as was the camp and what is more they had a hangdog look, were bickering with one another and also had the appearance that they wanted to get away with something.

Your many hours and thought and work for the troop is going to pay bigger dividends in the future than simply the happiness you are now getting out of a well conducted troop in camp. It is going to be reflected in the lives of a hundred men. You yourself may never be elected to the United States Senate or even the majority of Springfield but quite probably the good you will have done the world to these hundred or more clean lives will far exceed that of many a man in public life.

Again my congratulations.

Sincerely yours,

A. W. KING,
Scout Executive.

Mr. King refers to a second camp in his letter which he inspected, and in which he reported as being in a most shabby and ill-managed condition. His report of the local troop camp, which is submitted to the county officials, is herewith presented.

Troop 66 of Springfield
Brookside, N. J.

I have arrived in this camp fairly early in the morning unexpectedly. It was by far the neatest lone troop camp I have ever inspected. Their headquarters is an A wall tent and the boys were sleeping in pup-tents. The beds were made up when I got there. The wood was out for the night fire and the fire place was ready for their camp fire.

In the adjacent wood the troop has built a small log cabin that Scoutmaster Day can well be proud of. In and about the cabin everything was perfectly clean. Three boys were just finishing washing the breakfast dishes and the job was being done in as fine shape as it could be in their own homes. The cabin equipment

POLICE MAKE RAID IN SHUNPIKE ROAD; SEARCH FOR OWNER

Large Quantity of Liquor Is Found Yesterday in Rear of Old Dwelling

A still in the rear of an old dwelling in Shunpike road was uncovered by Chief of Police M. Chase Runyon and other members of the local department yesterday afternoon at 4 o'clock, and a large quantity of hard liquor was seized. The owner of the still, Hans Clauss, said to have been a "chemist" was not on the premises when the raid was made, and police are searching for him.

According to the police the evidence secured included ten 15-gallon kegs of "apple", three 25-gallon kegs of "apple", eighteen bottles of champagne, and other miscellaneous wines and liquors. Several pieces of distilling apparatus were also taken away. All the bottles, kegs and other evidence was removed to police headquarters.

Chief Runyon and Patrolman Scarles made the preliminary investigation, and Patrolmen Thompson, Sorge and Selander assisted in the raid. Due to the fact that Federal authorities could not search the premises without a warrant, they did not take part, but Chief Runyon is endeavoring to have the Federal department handle the matter and dispose of the case in their usual jurisdiction.

Lions Beat Millburn Trade Board Ball Team

The Springfield Lions Club were guests of the members of the Millburn Board of Trade at their annual outing held Wednesday afternoon at Doerr's Grove, Millburn, and obliged by winning over their nearby neighbors in a soft ball contest by the score of 32 to 27. On the local team were Richard and Robert S. Ruppel, Charles H. Huff, Nicholas G. Schmidt, Arthur H. Lennox, Louis J. Wiman, Hobart L. Benedict, Norman M. McCollum and Dr. William G. Huff, president of the club.

Douglas MacIntosh, who is not a member of the Lions Club but who resides in Springfield, hurried for the victors. A feature of the contest was a home run by Mr. Benedict over the right-fielder's head.

The committee in charge of the affair consisted of Robert Marshall, chairman, assisted by Frank M. Rudolph, Harvey Tigor and Fred Happersberger, all of Millburn.

The program included a shore dinner, quoits, golf putting and a few acts of entertainment. About sixty persons were present.

was also in fine shape, the cabin swept up, and the tables clean.

Conditions are very sanitary and the drinking water is taken from a wonderful spring 25 to 35 yards from the cabin.

LOCATION: The camp is ideally situated in the heart of the woods. While in camp the boys will have practically no contacts other than those of his camp associates. The woods are clean and wholesome and not contaminated by rubbish, and refuse from picnics, etc.

Respectfully submitted,

A. W. KING,
Scout Executive.

Free Passes Again to Union Theatre

Many readers took advantage of a free admission to the Union Theatre, in Union, through a free pass in last week's issue of the SUN, and the offer is being continued all of next week. Clip the coupon on page 5, and be entertained at any evening's performance of the Union Theatre from Labor Day, September 1 to September 6, inclusive. There are no "strings" attached to the offer—simply use the coupon at the theatre's entrance—ABSOLUTELY FREE OF CHARGE.

COUNTY PARK ENDS SEASON WITH FETE

A special program Wednesday evening marked the official ending of the season for the Union County Park Commission's playground in Flemmer avenue. The field was decorated with Japanese lanterns which were illuminated at night, and awards were made, in the form of medals, to certain boys and girls who had excelled in all-around participation in the various daily contests and games. About three hundred children and adults were present.

Those who were given second-year medals, having won awards last year, were Arthur Bjorstead, 285 points and Katherine Blake with 200 points. The first-year winners were Grace Freeman, 215 points, and Ralph Parse and William Buckalew, 200 points apiece. Honorable mention is due the following, who scored 100 points and over: William O'Neill, Vincent Plakava, William Schoemer, Dorothy Blake, Jennette Houck, Marie Pieper, Alberta Schramm, Luella Welter and Joseph Thomas.

Different pieces of handcraft were on exhibit. The eighteen girls who took part in a Flag Drill at the "circus" several weeks ago in Warmanco Park, performed in another demonstration. Carl Gordon gave a toe-dancing exhibition, and Fred Pieper, a jackknife game display.

Baseball Today

A return match between the local baseball nine and the members of the Union playground will be held this afternoon at Union, and following that a pennant hunt will be held at the local grounds. The playground is to be open tomorrow, and shall wind up its activities then.

The Springfield team defeated Union Monday afternoon by the score of 7 to 6. In the local lineup were: Fred Pieper, Harry Anderson, Vincent Plakava, Frank and Arthur Kasperen, Albert Quinzel, F. Kussillo, Daniel Dandrea, James Widmer, William Buckalew, Arthur Bjorstead and William O'Neill.

A game was held Tuesday evening between the older boys against the older boys of Union, and Springfield was again victorious, to the count of 21 to 3. The lineup consisted of Martin Kasperen, Donald Cooper, "Butch" Zigler, W. Thompson, Bjorstead, D. Seriba, Elmer Adams and C. Williams.

Union 2 0 0 0 1 0 — 3

Union-Springfield Matches

Following the ball game Monday afternoon, elimination matches between the champions of both Springfield and Union playgrounds were held, with the following results: quoits, William Buckalew, Springfield, won over Herbert Melzger of Union; horseshoes, William Buckalew won over Herbert Marlon, of Union; jackstones, Dorothy Blake, Springfield, lost to Mildred Winchester of Union; checkers, Ralph Parse, Springfield, won by forfeit when his opponent

REQUIRED \$106,364.73 TO OPERATE SCHOOLS HERE FOR 1929-1930 TERM

Annual Report of District Clerk Gives Interesting Data on System

AVERAGE COST PER PUPIL IS \$113.54

(Exclusive SUN Story)

The total cost of operating Springfield's Public Schools during the school year ending June 30 was \$106,364.73, according to the annual report of District Clerk William Hoppaugh as submitted to Dr. A. L. Johnson, County superintendent of schools. This total includes \$18,521.14 paid on redeeming bonds, authorized notes and interest. The grand total of school costs, without the bond interest and redemption payments was \$87,843.59, while for the previous year it was \$87,708.88.

Compared with the total cost for the school year 1928-1929, the amount for the year closed was \$194.85, increase with the number of pupils enrolled this past year being 63 more.

Based on an average enrollment of 765 for the past school year, the cost per pupil in the Springfield schools was \$113.54, while based on the average attendance of 708, the cost was \$122.68 per pupil. In the previous report for 1928-1929, the average enrollment was 702, and the average attendance 639, making an encouraging increase of 69 in average attendance.

Instruction proper was the division of school activities, which naturally cost the greatest amount during the school year, the clerk's report indicates. The total expended for instruction proper was \$49,761.64. Teacher's salaries accounted for \$38,008.75, and other sizeable items were sup-

ported to appear: mumblepeg, Fred Pieper, Springfield, defeated C. Furman.

On the next day, Tuesday, championships were held at Warmanco Park and William Buckalew was the champion of the entire county system in quoits, and fourth in horseshoes. Ralph Parse was runner-up in checkers, and Fred Pieper third in mumblepeg. Springfield was second to Wheaton Park of Rahway, for group team number of champions.

Mr. Van Hart, director of the local playground, will resume fall his activities as physical training instructor at Alexander Hamilton Junior High School of Elizabeth, when the local playground closes while Miss Hudgins, his assistant, will be in the Warmanco Park playground for the fall.

Results of the pet show last Friday afternoon were as follows: Largest dog—Luella Welter, Malcom, Balvin, Joseph Thomas; smallest dog—Marjorie Deller, Harold Ross, Ruth Beck; largest cat—Mary Galvin, William Hubbs, Jane Cooper; smallest kitten—Arthur Bjorstead, Buddy Buckalew, Grace Freeman; most unique pets—Marie Schoemer, a small fish (goopy), and Luella Welter, a bald-headed canary bird; most beautiful pet—Luella Welter a canary—Ruth Beck, a dog, and Marjorie Deller, also a dog. The judges of the show were Mrs. M. Denton of Morrison road; Mrs. Frank Parse of Walnut court, and J. C. Carter of Tooker avenue.

HEALTH BOARD MEETING

The Board of Health will hold its regular monthly meeting on the first floor of the Municipal Building next Wednesday evening at 8 o'clock.

Claire and Ruth Dannefeller, daughters of Mr. and Mrs. John A. Dannefeller of 24 Governor avenue are at camp in Glen Wilde.

ples, \$2,072.74 and text books, \$1,368.77. There were 24 teachers in the system this year, of which 2 were part-time, while last year there were 23 full-time, one more than this year.

There were four full-time and two part-time teachers in the system this year, with four full-time in 1928-29. Salaries for the men ranged from \$2,000 to \$2,499. Salaries for the women teachers ranged from \$1,300 to \$2,499.

The total cost of operation for the past year was given as \$8,423.12. The largest figure in this account was the janitor's and engineer's salaries, \$3,490. A total of \$1,593.03 was expended for fuel, and the total maintenance costs were \$6,144.36.

Seventy pupils attended outside schools and the average cost per pupil for the term is \$101.29.

Springfield's school system has an estimated value of \$277,500, the report shows. All of the figures presented following are given as actual costs when the buildings were erected or when the land was purchased. The actual cost of the original James Caldwell school is \$30,000 and the annex \$133,000, or a total of \$163,000, the most valuable school building. The cost of the Raymond Chisholm school building is \$88,000.

The land upon which the James Caldwell school is situated costs Springfield \$5,100; the Raymond Chisholm school \$2,400; and the High school in Flemmer avenue \$20,000.

The equipment of the James Caldwell school costs \$6,000 while that of the Raymond Chisholm school is \$2,000.

Land owned by the school system is worth perhaps a greater figure now than its actual cost which is a total of \$27,500, buildings \$231,000; and equipment \$19,000.

YOUNG GROUP OF W. C. T. U. FORMED

A Young People's Branch of the Women's Christian Temperance Union was organized Monday evening at the home of Mrs. Edwin D. Pannell, of 318 Main street, Millburn, president of the Springfield-Millburn union, under whose auspices the new unit will function. New officers elected are as follows: president, Roderick Bohl of Springfield; vice-president, Doris Berstler, of Millburn; secretary, Henrietta Sshaffernoth; treasurer, Eunice Bohl, both of Springfield. The branch will meet the third Monday evening of every month in the lecture room of the Methodist Episcopal Church at 8 o'clock. The next session will be held September 15, when committees will be appointed by the president.

Several members of the Roselle W. C. T. U. and a member of the Young People's Branch of that place, attended the organization meeting. They were Mrs. F. E. Nodocker, who is also vice-president of the county union; Mrs. A. A. Wells, state and county director of periodicals; her daughter, Miss Grace Wells, member of the Roselle Y. P. U.; and Mrs. I. E. VanCleave, vice-president of the Roselle W. C. T. U. Miss Wells gave an account of the activities at Delanco, N. J., on the Delaware River, where a summer camp is conducted by the Young People's Branch of the state union.

The local union met Tuesday afternoon at Mrs. Pannell's home, and decided to meet the fourth Tuesday of every month, instead of the first, in the lecture room of the Methodist Episcopal Church.

SENATOR SUGGESTS POLLUTION REMEDY

Kean Has Plan To Benefit The Beaches of New Jersey

United States Senator Hamilton F. Kean has proposed as a solution to the beach pollution of the Jersey coast that New York City build pipe galleries alongside of its subways to extend to a point in Long Island where the garbage and refuse can be incinerated and dumped into the harbor. Speaking at a conference recently in New York City on beach pollution, Senator Kean stated that New Jersey had spent millions of dollars in sewer disposal works while New York City has done nothing. Senator Kean told the conference that the sewerage dumped into the New York harbor was so dense that it killed fish and insects that bored thru pier pilings. For years, the senator has been fighting beach pollution. He is a member of the commission on international beach pollution. New Jersey has a suit pending in the United States Supreme Court against New York City for the abatement of pollution of the Jersey beaches.

proved greens and several tricky courses. The eighteenth hole in particular is especially difficult because of three small openings through which to place the ball to approach the hole.

Another innovation of this course is an automatic rubber pick-up on the end of the putter. This eliminated the need of stooping down and is especially popular with women. Another advantage is that while writing down the score the player may use two hands, one to hold the score-card

and the other to write with his pencil, while the ball rests on the end of the putter which he may carry under his arm.

Water Buffalo's Habits

Although it is true that the water buffalo is very fond of water and remains near it as much as possible, it can live quite easily without being in water. It must have water to drink like all other animals, but living in water is a matter of comfort and not of sustaining life.

The Publicity Racket

DETERMINATION of the Post Office Department to wage aggressive warfare against publicity hounds who endeavor to inject their "stories" into news columns by threatening publishers with loss of display advertising will be universally approved by the American press. The publicity game has in some cases become a racket which is thoroughly objectionable and which, if unrestrained, might exert a dangerous influence upon public opinion.

Self-respecting newspapers reserve their columns exclusively for the publication of legitimate news stories and editorial opinions.

The Post-Office Department takes the position that publication of advertising matter in the guise of news or editorials is in the nature of a conspiracy to deprive the government of its just revenue. For this offense, the penalty may be a fine of \$10,000 or imprisonment.

Mere announcement of the inherent illegality of the publicity game in its extreme form will no doubt serve to scare off some of the worst offenders. As for the press itself, no statement of penalties is necessary. The average editor is adept at spotting propaganda, and seldom hesitates to consign it to the waste-basket where it belongs.—Rahway Record.

No Posters

Announcement has been made by the Westchester County Republican Campaign Committee in New York State, that posts will not be used in the election campaign this fall. An aggressive civic group has carried on warfare against sign boards and posters in that County for years, even to the point of going out and ripping down objectionable signs which mar the beauty of the countryside. This group has appealed to the Democratic organization to take similar action. It would be well for every County in every State of the union to follow suit. There is nothing more unsightly than the general run of campaign posters, indiscriminately nailed to every tree and pole along the road by over-zealous workers. While some of the pictures of candidates may be good-looking enough to adorn the galleries of any studio, they are decidedly out of place when competing with the beauties of nature. And after election, these portrait posters are almost always left to tatters and finally becoming just so much more litter along the road. That the movement to do away with such a nuisance is finally coming from political leaders themselves augurs well for its success. In New Jersey there is a State law prohibiting political posters except in designated places, but this is seldom enforced.—Cranford Chronicle.

Five Years Ago

August 29, 1925.

Walter S. Jacobus was named cashier of the First National Bank of Springfield at a directors meeting held the latter part of this week. Of thirty applicants received, Mr. Jacobus was the lucky one. He has been connected with the Fidelity Trust Company of Newark, for twenty-three years, beginning as an office boy and working his way up to a high position. Dr. Watson B. Morris, president of the bank, expects the opening to be held about October 1. He said, "While we are not planning anything elaborate, we hope to have something worthy of distinction."

The directors have not as yet decided to appoint an assistant cashier. The plans for the bank were first crystallized last summer when the ball was started a rolling by Dr. Henry P. Dangler and it was taken up by prominent merchants and professional men in the township. An application was made for a charter and it was received about three weeks ago. The bank will occupy the premises now held by the Springfield Light Company.

The coming to Springfield of such an institution marks but another step in a growth never before experienced in the township.

Eugene Morrison of Springfield, driving an automobile in Union, struck William B. Jacoby of Hilton avenue, Union.

Arrested For Larceny of Automobile Parts

Charged with attempted larceny of automobile parts, Frank Klein, 43, a machine hand, of 88 Aldine street, Newark, was held in \$50 cash bail for appearance before the Grand Jury when arraigned before Recorder Spluning Tuesday night. Klein was apprehended by Patrolman Joyner late Tuesday afternoon on a complaint made by Mrs. Virginia Cooke of Milltown road that the defendant was removing parts from her automobile, which was parked near the dwelling.

Klein pleaded guilty to the charge. Mrs. Cooke told the police she had been on watch for several days in an attempt to catch the thief who had been stealing parts from the car. According to the police, Klein said he was not responsible for the alleged theft prior to his arrest, but admitted that he was driving past the Cooke when he was attracted to the automobile and was attempting to remove the frames off the windshield.

12-Year-Old Boy Hurt

Robert Davis, 12, son of Mr. and Mrs. George Davis of Diven street, suffered skull injuries Tuesday night at 10 o'clock in South Springfield avenue near Ruby street, when he was struck by an automobile, driven by Mrs. Nellie Hinds of 550 Colonial avenue, Westfield. He was taken to Overlook Hospital in Summit, where x-rays showed his injuries not to be serious.

According to witnesses, the Davis boy was walking south from Springfield to Mountainside on the left hand side of the road with a companion Richard Keefe of Ruby street, when he attempted to cross the road to the right side. Patrolman Nelson Stiles investigated.

TIPSY DRIVER IS JAILED, BAIL OTHER

Arthur C. Davis, 25, of 17 Rutgers street, Newark, was committed to the county jail yesterday noon, by Recorder Everett T. Spinning, on a charge of drunken driving, preferred by Patrolman Stiles. He was arrested yesterday at 3:20 a. m. in Morris avenue and pronounced unfit to drive, by Dr. Henry P. Dengler. Davis pleaded guilty to the charge and was fined \$200 and \$5.65 costs, and his license was revoked. He could not pay his fine and was sent to the Elizabeth jail.

Thomas George Conway, Jr., of Kings road, Chatham, pleaded not guilty to a charge of tipsy driving before the Recorder, and was freed on \$250 cash bail for appearance in court September 8. He was apprehended by Patrolman Selander and Stiles in Morris avenue an hour after the Davis arrest, and examined by Dr. Dengler.

Plan Monster Card Party September 26

Pride of Battle Hill Council No. 17, Daughters of America, is making arrangements to stage a monster card party in the Municipal Building, Friday evening, September 26. The council met last Friday evening and also discussed plans for a hat social to be held next meeting night, September 12. Mrs. Ida Martyn is in charge of details for both affairs.

A large attendance was present at a peach and ice-cream festival held after the business meeting last Friday evening. Mrs. Josephine Murray of Roselle, district deputy and state conductor, was present as a guest. Entertainment was furnished by the Harrod Singers, a quartet of male voices.

W. C. T. U. FORM BRANCH

(Continued from Page 1)

A "Red Letter Day," was held, to commemorate the memory of Mrs. Anna Wittenmyer, first president of the National W. C. T. U., who is famous throughout the United States for her missionary work during the Civil War in home missionary movements, as well as being one of the chief organizers of the temperance movement to form a unit opposed to liquor traffic and demanding reform, which later grew into the first national convention held in 1874. She was national president for three years.

Departmental heads of the local union for the coming year are as follows: narcotics, health and medical temperance, Mrs. Charles H. Huff, Christian citizenship and international relations, Mrs. J. Gratton,—evangelistic and Sabbath observance, Mrs. August Evers,—temperance among soldiers and sailors, Mrs. Mark M. Brady,—child welfare, Mrs. Ellwood Marshall,—periodicals and literature, Mrs. E. B. Clayton—soldiers and sailor's relief, Mrs. C. B. Meeker and Mrs. J. S. Quick—scientific temperance instruction, Mrs. Walter White—flower mission and relief, Mrs. William J. Reed—publicity, Mrs. John A. Courtney—membership chairman, Mrs. Frank Bohl—socials and Red Letter Days, Mrs. Frank Carter—temperance and missions, Mrs. Fred A. Brown—Loyal Temperance Union, Mrs. J. S.

Y. P. B. BRANCH

Members of the union are planning to attend an institute to be held Thursday, September 25, under the direction of the Plainfield union. A county convention is also being included in the program, and arrangements are being made to have a speaker present at an evening session. Mrs. Pannell will announce further details at a later date.

The topic of the September meeting of the Springfield union will be "Medical Temperance" and Mrs. Huff will be in charge. The devotional exercises will be under the direction of Mrs. Baker.

SPRINGFIELD BABY GOLF COURSE OPENS

The Springfield Miniature Golf Course opened last Monday at the corner of Alvin terrace and Morris avenue. More than three hundred persons played the snappy eighteen-hole course and were well pleased with the fine greens and obstacle barriers at each of the holes. The lights of the course were powerful enough to spread enough illumination over the entire layout. Arthur D. Warner, proprietor of the baby course, stated he was catering to many out-of-town people as well as a large number local residents.

2,000,000 Chevrolet Sixes now on the road

Since January, 1929, Chevrolet has produced over 2,000,000 six-cylinder automobiles—nearly five times the record of any other manufacturer over an equal length of time.

These 2,000,000 buyers have chosen Chevrolet because it offers scores of desirable qualities not obtainable in any other car so low in price.

Yet, despite its many fine car advantages, the Chevrolet Six is unusually economical. Its gas, oil, tire and upkeep economy is unsurpassed. And any model can be bought for

Braves' Game Off
The Stars contest with the Braves Saturday at Taylor's Field, Millburn, was postponed on account of rain, and will be replayed at a later date. All other tilts were called off.

Excellent pitching by Johnny Vachal of the Westfield outfit was responsible for the Stars' first reverse in six starts. The Hawks' hurler allowed but three bingles, including one triple responsible for the locals only scoring, and fanned six. Cecil Spittler, local ace, started and was followed by Bill Mullen, who drove in a run in the ninth inning with a triple, bringing home Walter Thorne, on first base. Both pitchers yielded between themselves, eight safes, and Spittler struck out four. Mullen getting two.

L. Pecina, hard-hitting Westfield right fielder, collected three hits, while Walter Thorne, Mullen and Bennett gathered in all of Springfield's hits.

TUSCAN NINE WINS FROM ZIMMERMAN, PLYMOUTH TEAMS

Union Outfit Collects Dozen Hits While Miller Holds Invaders to Five

Although their opponents played errorless ball the Tuscan Farmers, of Union Township, added two more to its string of victory at Olympic Park Sunday, taking Helme Zimmerman's Brooklyn Giants into camp in the morning, and downing the Plymouth A. C. of Newark, in the afternoon. The Farmers beat the Zimmerman outfit 6 to 4 and the Plymouths 4 to 3. Collecting thirteen hits, while Miller was holding the New Yorkers to five, the Tuscans made quick work of the Pros. The winners hammered the offerings of the Giants' pitcher to such an extent that he was forced to retire in the third frame. Bobbie Knothe, an Irvington boy, worked on the mound for the New Yorkers after Peltzer was benched. Colon, Baehr, Jacobus and Masson bore the brunt of the winner's willow attack. Helme Zimmerman, former Giant and Cub star third baseman, played second and collected two hits.

AT THE STRAND

"Hell's Island," the sensational dramatic production is scheduled to come to the Roth-Strand tomorrow. Jack Holt and Ralph Graves, that inimitable screen team who have laughed and fought their way through such successes as "Submarine" and "Flight," play the featured roles. Dorothy Sebastian, a charming and talented player, interprets the feminine lead.

Ethel Wales provides scenes of hilarious antics in the robust novelty comedy, "The Dude Wrangler," at the Roth-Strand Theatre next Wednesday. Her acting with Clyde Cook furnish moments of considerable fun in this gay western story. Miss Wales plays the role of a prim-looking, unromantic spinster, who is in quest for excitement.

Mona Maris, feminine lead of "One Mad Kiss," at the Strand also next Wednesday was born at Buenos Aires, Argentine. Father, Spanish; mother, French. Educated in public schools, and in a convent.

During war participated in many entertainments for soldiers. Sensation as child performer.

Lillian Gish stars in "One Romantic Night," at the Strand-Summit Thursday and Friday of next week. James Smith, who edited this all-dialogue production, is also responsible for the editing of "The Birth of a Nation," "Way Down East," "Broken Blossoms," and other memorable pictures of yester-year in which Miss Gish starred for D. W. Griffith in the days of the old Biograph Studios.

Rockefeller Origin

The Rockefeller family association says that the name Rockefeller is originally from the French, Roquefeuille, meaning literally rock leaf. The ancestral home of the family is the Chateau Roquefeuille, in France, in the town of Croissy. It was so named because the rocks in that vicinity show a peculiar leaf formation which is the result of petrification. A branch of the family comes from the Palatinate.

TOWNSHIP OF SPRINGFIELD COUNTY OF UNION

AN ORDINANCE TO REGULATE MOTOR VEHICLES AND OTHER TRAFFIC UPON FLEMER AVENUE AND WIEGAND STREET IN THE TOWNSHIP OF SPRINGFIELD IN THE COUNTY OF UNION.

BE IT ORDAINED by the Township Committee of the Township of Springfield in the County of Union:

SECTION 1. That from and after the effective date of this ordinance, no motor vehicle, horse drawn vehicle or vehicle drawn or propelled by any means, whatever, shall be operated in, over or along either Fiemer Avenue or Wiegand Street in the Township of Springfield while said vehicle is carrying a load, which added to the weight of the vehicle, shall be in excess of 10,000 pounds.

SECTION 2. Signs shall be placed at the intersection of said Fiemer Avenue and Wiegand Street with all intersecting highways at a place or places where such signs may be easily read by operators of vehicles.

SECTION 3. Said signs shall indicate that said highways are light traffic streets and are not to be used by vehicles carrying a load in excess of that specified in Section 1 hereof; and said signs shall be of the size and character provided in the Act entitled:

"An Act providing for the regulation of vehicles, animals and pedestrians on all public roads and thoroughfares, and prescribing and regulating process and the service thereof and proceedings for the violation thereof and proceedings for the violation thereof for said violations, and granting authority to townships, cities, boroughs and townships, under certain restrictions, for the adoption of ordinances further regulating vehicles, pedestrians and animals, and designating the authorities to enforce its provisions, and defining their powers and their authority (Revision of 1928)."

SECTION 4. Any person or persons violating any of the provisions of this ordinance, upon conviction thereof, shall pay a fine not exceeding \$100.00 or be imprisoned in the County Jail for a period not exceeding ten (10) days, or both.

SECTION 5. This ordinance shall take effect immediately and all ordinances or parts of ordinances inconsistent herewith are hereby repealed.

I, Robert D.
