JOSEPH H. GUNN MAY BE STATE COMMITTEEMAN

Former Assemblyman Here In
1904, Springfielder Was
Active As Democrat

SELECTION TO BE MADE NEXT TUESDAY

A Springfield man, former Assem-
blyman Joseph H. Gunn, is certain
to be chosen Union County member
of the State Democratic Committee
next Tuesday at county headquarters,
when a successor to John J. McGowan,
resigned, is appointed.

Mr. Gunn has the backing of the
committee here, as well as sup-
port from numerous other county com-
mittee members.

He represented Springfield in the
State Legislature in 1904, being the
fourth to serve this community, for
more than 110 years. Born in this
township, and member of a family
residing in Springfield for about a
century, he is one of the most popu-
lar residents here.

Mr. Gunn played a large part in
the recent sesqui-centennial celebra-
tion of the Battle of Springfield, hav-
ing been chairman of the publicity
committee. He was also in charge
of distributing all advertising of the
affair, and was a member of the ex-
ecutive committee for the fete.

His experience in publicity has been
gained over many years as a news-
paper writer and advertising man.
He resides at 31 Colonial terrace.

MANY AT FUNERAL FOR MRS. PHEBE H. LEBER ON MONDAY

Many local residents and out-of-
town people were present at the fun-
eral services held Monday afternoon
at 2:30 o'clock for Mrs. Phebe Hattie
Leber, 77, of 184 Morris avenue, who
passed away last Friday, after an ill-
ness of many years. The Rev. Dr.
George A. Liggett, pastor of the First
Presbyterian Church and the Rev. Wil-
liam Hoppage, former pastor, officiated.
Interment was in the Pres-
byterian Cemetery.

The deceased who was suffering
with heart trouble for eleven years
was stricken Tuesday of last week.
Her condition became steadily worse,
and she suddenly succumbed on Fri-
day.

Mrs. Leber was a life-long resident
of Springfield, having been born in
the house located at 126 Morris ave-
nue, now occupied by Benjamin P.
Heard. She was the daughter of
Mark Smith Bailey and John Oliver
Sopher, and the wife of the late Char-
les H. Leber. After her marriage,
she moved with her husband to New-
ark and remained there for ten years,
returning to Springfield and living
here since.

Connected with both Presbyterian
and Methodist Churches in the town-
ship, she was active in the latter for
years before her marriage, and attended
the First Presbyterian with Mr.
Leber, after her marriage.

She is survived by her two daugh-
ters, Miss Hazel Leber, assistant to
Tax Collector Hoppage and organist
in the First Presbyterian Church, and
Miss Elsie Leber; her granddaughter,
Mrs. Helen Leber Brill, and two great
grand-children, Jenn and Edward
Brill, all of Springfield.

bert, Howard. Sitting, Mr. and Mrs. Manning Day, Sr.

GOLDEN WEDDING DATE IS OBSERVED

Mr. and Mrs. Manning Day, Sr., of
Morris avenue, observed their golden
wedding anniversary last Friday even-
ing, at the home of their son and
daughter-in-law, Mr. and Mrs. Howard
Day, of Morris turnpike. Mrs. Edgar
Jacobs, a daughter, was hostess at a
party held in honor of the couple.

Sixty-five relatives were present
from Long Island, Belmar, Newark,
Ocean Grove, Summit and Springfield.

The house was gayly decorated with
bouquets of flowers, and for a table
decoration, there was a miniature
golden boat, with bride and groom,
and Cupid as a boatman. Mrs. Day
read several selections and Howard
Day a grandson rendered violin selec-
tions accompanied at the piano by
Miss Dorothy Day of Summit.

The honored guests received many
beautiful gifts and pieces of gold.
Their older sons, Manning, Jr., of Sal-
ter street, Springfield; Herbert, of
East Orange, and James, of Rye
Beach, N. Y., were present with their
families.

PERMIT GRANTED FOR INDOOR GOLF

(Exclusive SUN Story.)
A permit to operate an indoor mini-
ature golf course was granted John H.
Conover, of Essex Falls, by the Town-
ship Committee Wednesday night.
The course will be located in the
garage formerly occupied by J. S.
Wintermute, in Flemmer avenue, next
to the Brookside Building.

A license fee of \$100 accompanied
the application, and this marks the
first indoor permit granted here.
Three other courses have licenses
here to maintain courses, making a
total of four in the township's limits.

Motorist Injured in Automobile Collision

Allan Berne Allan, Jr., of 738 Bailey
avenue, Elizabeth, was treated at Over-
look Hospital, Summit, early Satur-
day morning for a bad cut on his
head, after his car had collided with
one operated by James Littall, of
Prospect place, Bound Brook.

Police stated that the vehicles were
traveling in Mountain avenue, near
Shunpike road, when they came to-
gether. Both were towed away. Miss
Martha Littall, sister of one driver
and a passenger, suffered slight in-
juries. Patrolman Sturm investigated.

ENROLLMENT HIGH IN LOCAL SCHOOLS

(Exclusive SUN Story.)
With preliminary tabulations show-
ing a total enrollment of 736, the local
schools show an increase of 68 over
the 1929 figures of 668. Supervising
Principal Fred J. Hodgson disclosed
yesterday.

This year's figure includes 591 in
the James Caldwell School, and 145
in the Raymond Chisholm, as com-
pared with 544 and 124 for the pre-
vious enrollment.

The Junior High School in the James
Caldwell unit has a population this
year of 190, or an increase of 22.

Figures from the senior high schools
in Westfield, and Summit, have not
been received, but it is evident that
they will indicate a substantial rise.
Only 3 students matriculate at the
third school, in Roselle Park. Seventy
senior high school pupils were en-
rolled last year in all schools.

The most crowded grade in the
system is in the first grade with 65
pupils in one class. Some definite
arrangement to improve the conges-
tion is being planned, and will be
used soon.

The enrollment figures often show
more of an increase a week after open-
ing, and more definite numbers will be
announced later.

MONTH'S BUILDING REPORT IS \$15,200

(Exclusive SUN Story.)
Buildings to the value of \$15,200
were erected here during the past
month, according to the report of
Building Inspector Reuben H. Marsh.
Of the four dwellings included in the
report, three were in Springfield
Square, in the "south" neighborhood.
This marks an increase of \$4,000 over
the previous month's report.

The permits issued are as follows:
Al VaEgin, 1-car frame garage, Ruby
street, \$200; William Robinson, 1-
family dwelling, Meckes street, \$2500;
W. W. Parsell, 1-family dwelling, Hen-
shaw avenue, \$5000; Gus Berth, 2-
car garage; Blumenscheidt avenue,
\$500; M. Lichtenstein, repair of gar-
age, \$500; Sherman Summers, 1-family
dwelling, Meckes street, \$3000; B.
Franklin, repairs and addition, Ruby
street \$300; George F. Bock, 1-car
garage, Tooker place; Mrs. A. Ed-
wards, 1-family dwelling, \$3000.

The total for the year to date is
now \$152,092.

Petition Presented Town Board With 557 Signers Causes Body to Consider Sunday Baby Golf

Chairman Larsen Casts Dec- iding Vote To Authorize Changing Present Law

BROWN AND MACARTNEY OPPOSED TO ACTION

Church Officials Speak Against Town Board's Proposal

With Chairman Larsen casting the
deciding vote, after the other mem-
bers were in a deadlock tie, the Town-
ship Committee Wednesday night
passed a motion authorizing the Town-
ship Attorney to draw up an ordi-
nance amending the present miniature
golf course ordinance, to permit open-
ing on Sunday. The action was taken
on the strength of a petition, bearing
557 signers presented the Committee
by Arthur D. Warner, of 8 Alvin ter-
race, who represented the owners of
the miniature courses within the
township's limits, together with those
in favor of Sunday opening.

Committeemen Leslie and Geiger
voted for changing the present ordi-
nance, while Committeemen Brown
and Macartney were opposed.

Mr. Warner did not speak very long
and in an answer to whether the
courses would open after church
morning hours, he stated they would
be glad to do so, and the proposed
ordinance will permit opening the
courses from 1 p. m. to midnight.

Walter White, of 126 Tooker ave-
nue, representing the Official Board
of the Methodist Episcopal Church,
asked whether the proper hearings
would be granted, before the ordinance
was adopted, and he was told they
would be. He objected to Sunday
opening on the strength of traffic
problems, and the precedent which
would arise. William McCarthy, Sr.,
of Salter street, also spoke favoring
Sabbath closing, and stated that the
petition did not represent a majority
of the legal voters in the township.
Both speakers stated that while they
did not favor strict enforcement of
the Blue Laws, they did believe the
Township Committee should not pass
the ordinance to permit opening on
Sunday.

An ordinance changing the name of
Wiegand street to Prospect Place was
passed on second and final reading.
George W. Wiegand, owner of a large
tract of land on the street, objected to
the change, but it was passed un-
animously.

An ordinance making Prospect Place
and Remer avenue, light-traffic streets,
prohibiting traffic heavier than 10,000
pounds gross, was passed on second
and final reading.

The Township Clerk was authorized
to request the Commonwealth Water
Company to lay water mains in cer-
tain streets in the "south" neigh-

hood, which the company failed to in-
stall a month ago. The thorough-
fares included are South Springfield,
from the Raymond Chisholm School
to Mountain avenue; Milltown road,
from South Springfield avenue to
State Highway Route 29; and in Hill-
side avenue, from Mountain avenue
to the State Highway. This would
enable every inhabited street in the
township, to have water mains.

A permit was granted Battle Hill
Council 120, Jr. O. U. A. M., of Spring-
field, to stage a carnival at Meisel and
Morris avenues, on September 25, 26,
27 and 29.

F. J. Noll, president of the Somers-
et Bus Company, applied for eight
additional bus permits through the
township, making in all twenty. A
resolution was passed, issuing the
extra permits. Mr. Noll explained
that with the added busses, a better
service is to be maintained.

A communication was received from
the Board of Freeholders that the
matter of erecting a bridge in Baltusrol
Way, over a tributary of Van Winkle's
Creek, has been referred to the
bridge committee.

Sanction of the new light-traffic
street ordinance was received from
the State Highway Commission.

Ervin Hess, of Mountain avenue,
asked support to organize a club for
young men in the township, over the
age of seventeen. He outlined the
purpose, and plans, and the matter
was referred to the Lions Club.

The Commonwealth Water Com-
pany notified the board that they had
remedied the poor condition of the
drinking water in the northeast sec-
tion of the township by flushing the
mains. The added that the matter is
to be cared for frequently, by occa-
sional flushing.

Application for appointment as a
regular policeman was made by Leslie
Joyner. It was received and filed.

Arthur H. Lennox, enginee, was
authorized to prepare specifications
for the paving of Baltusrol Way. The
ordinance, providing for the paving of
the street, will be introduced at the
next meeting of the board.

Committeeman Brown was appoint-
ed to negotiate to select quarters for
a visiting nurse, who will be located
here, beginning in October. He re-
ported that two members of the police
force, Nelson Stiles and Albert A.
Sorge, were home with illness. Pat-
rolman Day was on vacation, leaving
only four regulars on duty. Special
Patrolman Ross was appointed dur-
ing Officer Sorge's absence, while
Patrolmen Joyner and Sturm are serv-
ing place of the vacancies.

It was decided to ask Freeholder
Charles H. Huff to request the Board
of Freeholders to place an automatic
signal light at the corner of Mount
ain avenue and Shunpike road, where
more automobile accidents occur than
any other place in the township. Both
are county roads.

Springfield B. B. C. to Stage Dance in Municipal Building Tomorrow Eve

A dance, under the auspices of the
Springfield Baseball Club, will be
held tomorrow evening in the Munic-
ipal Building, at 8 o'clock. Tickets,
at 50 cents, are being sold by members
of the team, and will be obtainable
at the door.

Music is to be furnished by the
Moonlight Sorenaders of Elizabeth.
It is expected that several prominent
ball-players including Mel Ott and
Bill Walker of the N. Y. Giants; Max

West and Tillie Walker of Jersey
City; Ed Fallenstein and Bill Zitz-
man of the Newark Bears, will be
present. Efforts are being made to
have Manager "Al" Mamaux, croon-
ing-songbird, of the Bears, attend and
render several numbers.

The Vagabonds of Melody, of Jer-
sey City, a quartet of singers, heard
every evening over Station WHOM,
will entertain with songs. "Ed" Fitz-
simmons, first-baseman of the Stars,
is a member of the group.

SCOUTS TO STUDY VARIOUS TOPICS

The first of a series of different educational studies for members of Troop 66, Boy Scouts of America, has been already arranged by Scoutmaster Grenville A. Day and will deal with the fundamentals of photography. Assistant Scoutmaster George Spinning, who is a photographer, will give all the instructions.

The initial lessons will start next week, probably on Wednesday evening, and will be held in the troop's new patrol quarters, in the rear of Chief of Police Runyon's home at 121 Tooker avenue. The chief is a member of the Troop Advisory Committee. The different lessons are as follows: first, instruction on the camera, focusing, and parts of the machine—second, developing and printing instruction—third, first outdoor class, instruction on taking pictures—fourth, practical developing—fifth, practical printing—and sixth, second outdoor class, taking pictures without any instruction. The two outdoor

lessons are to be held at Camp Brookside.

Those who successfully pass the requirements will be eligible to receive a merit badge in photography. Other studies as arranged for the next few months are wood-carving and leathercraft.

Scoutmaster Day and Assistant Scoutmasters Edward J. Hoagland and Harry Venn were at Camp Brookside for the week-end. Assistant Scoutmaster Venn returned recently from Camp Pequaharra.

The regular weekly meeting of the troop will be held tonight in the James Caldwell School at 8 o'clock.

Board of Education Session on Tuesday

The regular monthly meeting of the Board of Education will be held next Tuesday evening at 8 o'clock in the board room, on the second floor of the James Caldwell School. A favorable report from Supervising Principal Fred H. Hodgson on the increase in school enrollment for this year, is expected to be given.

HEAR MANY CASES IN POLICE COURT

A busy night was held Monday in Police Court by Recorder Spinning, when fines, totalling \$307 were collected, as well as \$11.95 for court costs. For allowing an unlicensed driver to operate his automobile, Frank Wilczek, of Newark, was fined \$50 and

\$1.10 costs. The driver, Leo Ottowski, also of Newark, paid a fine of \$10 and 65 cents cost. The owner pleaded not guilty to the charge, stating that he fell asleep, and the licensed driver whom he permitted to operate the machine, turned about and gave the wheel to Ottowski, without his permission.

Other fines enacted were: Thomas Clement, Westfield, improper plates, \$2 and 65 cents cost; William McComes, Newark, Newark, speeding at 50 miles per hour, \$15 and 65 cents; Benjamin Brown, Plainfield, improper plates, \$5 and 65 cents cost; Edward A. Guthrie, Madison, speeding at 55 miles per hour, \$5 and costs; Richard Tillis, Newark, speeding at 44 miles per hour, \$7.50 and 65 cents cost; Thaddeus Wojcik, Elizabeth, reckless driving, \$12.50 and 85 cents cost.

30-Day Jail Sentence For Drunken Driving

Charged by Patrolman Otto Sturm with drunken driving, John Zapititsky, 35, a chemical operator, of 34 Ohio street, Vaux Hall section of Union Township, was committed to the county jail for thirty days Monday night by Recorder Everett T. Spinning. The defendant could not pay his fine of \$200 and \$5.65 costs, and was given the jail sentence instead. His driver's license was also revoked. Zapititsky was arrested Saturday night about 10 o'clock in Morris avenue, and was declared unfit to operate an automobile by Dr. Henry P. Dengler. He pleaded guilty, and was removed to the jail in Elizabeth Tuesday morning.

What Price Haste?

A PERUSAL of the past several issues of the SUN might well make readers stop and think, "What price haste?"

Almost every week the paper records some accident with sad results where a little more knowledge and a little less hurry might have changed the "Journey's End". Among the most pathetic accidents are those involving little children upon whom no blame can be rightly laid.

No owner would think of allowing his prize cow to wander about the township unaccompanied or his thoroughbred collic to cross the highway alone. Yet the cow has a nervous system and the dog a muscular development and co-ordination far better fitted than those of most children to deal with the traffic situation. Yet scores of parents do not hesitate to allow their children to cross streets difficult even for an adult to navigate safely.

It is common knowledge among psychologists that human action is prompted largely not by thought but by habit. If this be true of the grown-up under normal conditions how much more true should it be of the child under normal conditions.

In solving the accident problem there is always the human equation to figure on. Theoretically, there is a perfect driver but practically there is not. We have known several excellent drivers to tell of times when they have stepped on the brake and the car has gone blithely on. We know of one case where a man had a three months old car completely gone over before making a long trip and the first time he had occasion to use the brakes they failed him. Other first class drivers have gotten bugs in their eyes or overtired, have slanted at shadows and misjudged distances. It is our belief that under some set of circumstances every driver is liable to do the wrong thing in the emergency. It is human to err.

How foolish then for the pedestrian to risk his life or limb for a swaggar. How ignorant for the motorist to prattle about his "right of way". How criminal for the parent to send a child unequipped with any precautionary habits to walk alone?

Hundreds of children ride bicycles at dusk or night without a light. In a lighted car the motorist can scarcely distinguish them in time to avoid an accident even if the brakes are good. If the car or the bicycle skids—what?

Children and adults in town are frequently seen both during the day and at night walking in the road or street. Often they do so even where there is a sidewalk. The motorist does not expect to see them there. If he overlooks them or either he or they become panicky and side start this way or that—what?

How Good Roads Help

THE one-room schoolhouse is passing, and at a fairly rapid rate. At the close of the 1928 school year there were 153,306, a drop of 8,225 over the 1925-1926 school year.

Consolidation of schools is the reason, for there are now in the neighborhood of 20,000 "educational mergers."

Education and roads, two prime requisites of a progressive community, go hand in hand. Until the coming of the motor transportation era consolidated schools were practically unknown. But today with some hundred thousand miles of hard surfaced pavements in service, small communities in great numbers are grouping their school activities and installing bus service for carrying children much longer distances than father and grandfather trudged or "buggied" over not so long ago.

These 20,000 consolidated schools employ some 45,000 buses to carry one and a quarter million country children to school—schools which, through pooled money, for the most part are as thorough and efficient as those in cities.

And believe it or not, the old-fashioned horse is still playing a part in educating the youth of the land. In 1928 no less than 5,691 horse drawn vehicles were carting children to school. These horse drawn vehicles for the most part are in Connecticut, Indiana (where authors are made), Maine, Minnesota, New Hampshire, Tennessee and Wisconsin. But like the one-room schoolhouse time consuming Dobbins is also passing out of the picture.

But pavements are stimulating education in another way aside from their influence in consolidating schools. Gypsies are spoken of as the leading nomads, but whether they nor any other people on earth see as much of the open country as the American motoring tribe.

If there is one significant thread running through history it is that no country has prospered mentally, socially or commercially without roads.

Five Years Ago

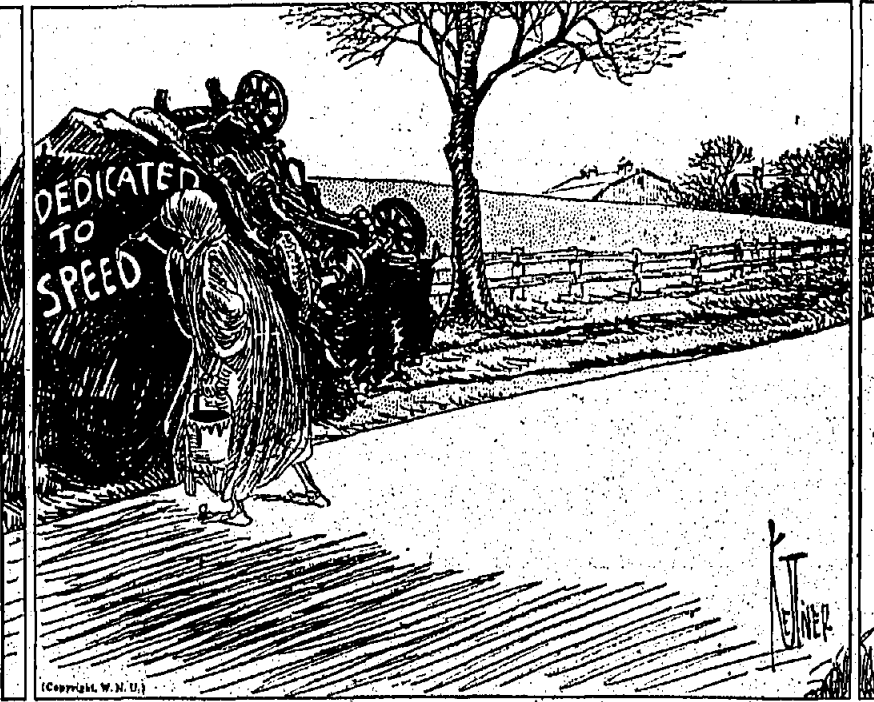

September 12, 1930.

Petition, signed by 400 residents, asked Township Committee to grant permit to Somerset Bus Company to operate busses, through Springfield. Morris County Traction Company and Long Bus Company also applied. The latter's plan is to go to Irvington, where it may in time, be extended to as far as Newark. After much discussion, it was referred to the franchise committee.

Supervising Principal Fred J. Hodgson reported that the school enrollment showed an increase of 50 pupils. "No part-time classes are necessary, but all class rooms are crowded," Mr. Hodgson stated. "The condition is due to be relieved next year, when construction begins on the new school addition." Miss Colman, author of a reading text-book used in the local system, visited the Caldwell building, and gave a lecture to the teachers on proper reading instruction.

Sam Anderson, colored, of Summit, went on a rampage because he was fined \$9 for being disorderly, and stabbed a man, fractured the skull of another which resulted in the loss of an eye, and slightly injured another. They were taken to Muhlenberg Hospital, in Plainsfield. The fray took place in the Blue Lantern Manor, where Anderson is said to have stated, "He would turn the place red." After launching a knife at Gerald Chapman, colored, an innocent spectator, a free-for-all fight ensued. Anderson was arrested by Chief Ruban and held in \$1,000 bail for atrocious assault and battery.

COMMENTS FROM SUN READERS

September 9, 1930.
To the Editor of the SUN:
May I present my personal opinion on the action of the Township Committee last night, when they approved of changing the name of Wiegand street to Prospect Place.
I arrived a bit late at the meeting to present my petition, which was signed by a large number of residents, opposed to the change, and I feel that the cause of "Pioneering," which is advocated in the petition, was not considered by the Governing Body with just cause.
I have appeared before the board before with a similar petition, stating that I would present it at some later date, but it was not apparently thought of by the body with proper reasoning.
As stated before, I do not believe it was fair to the signers of the petition, opposing the action, to be slighted in this manner.
Truly yours,
JOHN J. KULP,
119 So. Maple Ave.

Editor, of the SUN:
Growing weeds on vacant lots should be made a public nuisance. They are unhealthy and unsightly. In addition, there is decided objection to it because many persons suffer from hay fever at this season as a result of weeds.

People who hold vacant lots are more interested in reaping the "un-earned increment" from the increasing location value of lots, which value is created by increasing population, than they are in reaping weeds from their lots in summer, or clearing snow from the sidewalks in winter, if they even have sidewalks.

The surest way to clear vacant lots of weeds is to get rid of vacant lots. That can be most effectively done by increasing the tax on vacant lots. This will make unprofitable the holding of unused lots. They will then be put to some useful purpose such as growing foodstuff; for public recreation and playgrounds; for factories which will give more employment, or for more and better housing at lower rents.

City and town officials could well take an active part in permanently ridding their communities of the vacant lot nuisance by having a bill introduced in the state legislature which will permit municipalities to levy an increased tax on unused land, just as there is in western Canada, where the tax on wild land is from half of one percent in some Provinces, to five per cent in other Provinces. This would also provide a much needed increase in public revenue to help avoid increased taxes on homes, industry and farms. There is no doubt that such legislation would add to the popularity of any official or candidate for public office who would advocate it.

Hindu Spring Festival

Sarajini Naidu, in a footnote in her volume of poetry, "The Scythian Flute," says that the Vasant Panchami is the spring festival when Hindu girls and married women carry gifts of lighted lamps and new-grown corn as offerings to the goddess of the spring and set them afloat on the face of the waters.

POLICE REPORT SHOWS ACTIVITY

That a great number of arrests for criminal offenses and motor vehicle violations were made during August, is shown in the monthly report submitted to the Township Committee by Chief M. C. Runyon.

The detailed report is as follows: motor vehicle violations, 21; drunken drivers, 5; bastardy, 1; issuing bad checks, 1; disorderly persons, 1; embezzlement, 1; refusing to license dog, 1; for investigations, 2; assault and battery, 1; grand larceny, 1; manufacture and possession of liquor, 1; and vagrants given night's lodging, 9.

Motor vehicle fines collected totaled \$90.50, together with \$600 for drunken driving penalties, the sum of which is all turned over to the State Motor Vehicle Department, at Trenton.

William J. Collict

Funeral services for William John Collict, 71 years old, of 186 Morris avenue, who died Wednesday of last week, were held at the home Saturday afternoon, at 2 o'clock. Interment was in Locust Hill Cemetery in Dover.

Mr. Collict, who was born in England, was a resident of Springfield for seven years. He lived in Dover until twelve years ago, coming there but when a boy. He was a member of Dover Lodge, I. O. O. F.

Besides his wife, Mrs. Elizabeth Collict, he is survived by two sons, Joseph G. Collict and Harry Collict, of Springfield, and two daughters, Mrs. Mary Cleave of Dover and Mrs. Mabel English of Springfield.

STATE WILL OPEN ROUTE 29 SUNDAY

State Highway Route 29, from Union to the Raritan-Somerville boundary line, will be officially open for traffic beginning this Sunday, according to a report from the State Highway Commission. The stretch measures eighteen miles.

The highway is expected to be carried through Hillside to link up with Route 25 at Newark Junction, near the Newark airport, and lead to the Holland Tunnel in Jersey City. On the other extreme, it will run from Raritan through Hunterdon county to join the already paved link of Route 29 from Lambertville to Ringoes.

The maximum width of the super-highway is thirty feet, but at intersections and other links, it varies from forty to sixty feet. Each of the three lanes are ten feet in width with tar lines serving as a permanent lane marker. The center lane is to be kept free for passing other vehicles.

AT THE STRAND

Lupe Velez, featured player in "Hell Harbor", to be at the Roth Strand theatre today and tomorrow, was the toast of Tampa for the twelve weeks that she remained in Florida while working in the picture. Floridians honored her at the American Legion Hall where she was pronounced queen and idolized her in her many public appearances in their theatres.

Joan Crawford who designs most of her own clothes, assisted Gilbert Adrian, noted stylist, in creating costumes for the Albertina Rasch ballet number in "Our Blushing Brides," her new all-talking picture at the Roth Strand Theatre Monday and Tuesday.

An hour of absorbing entertainment, according to reports, is "Lawful Larceny," starring Bebe Daniels,

at the Roth Strand next Wednesday and Thursday.

It is an adaptation from an original stage success, presented by a group of former stage celebrities, including Lowell Sherman, Olive Tell, Kenneth Thompson, Purnell Pratt, Lou Payne, Bert Roach, Maude Turner Gordon, Helene Millard and Charles Coleman.

Sherman fresh from his triumph in "He Knew Women", directed the production and also enacted an important role.

Miss Daniels is presented in an entirely new and powerfully dramatic role, that of a wife who sets out to steal her husband back from the modern-day "siren" who stole him.

Alice White—who plays the feminine lead in "Sweethearts on Paradise," as the Strand co-feature next Wednesday and Thursday, is a living

illustration of the fact that it takes both energy and perseverance to establish oneself as a motion picture star. Before she finally got a real break offered.

IT'S WISE TO CHOOSE A SIX

Stars Tied For First Place Again By Copping 2 Games

SHARE LEAD WITH 4 OTHER TEAMS IN COUNTY LEAGUE

The Union County Baseball League experienced one of its most surprising upsets for one week-end last Saturday and Sunday when the Elizabeth Braves, leading the pack, dropped two games; the Westfield Hawks, second-place occupants, split two and the Springfield Stars and Elizabeth A. A. each captured a pair of wins, and the result showed all four tied for first place. With only one game left for each team this week-end, it appears as if a triple tie is to exist, since the locals will meet the Braves. The Elizabeth A. A. scored the heaviest upsets by throwing both Westfield and the Braves for reverses, after beating the Stars the week previous. The Springfield outfit beat Garwood on Saturday, 15 to 9, and Roselle Park the next day, by the overwhelming score of 11 to 1.

Saturday
Garwood never had a chance against the Stars from the second inning when the locals jumped away to a 7 to 0 lead. The home team scored four runs in its time at bat, and Springfield, to show its superiority, shoved across four runs in the fifth frame, three the next, and another one in the seventh. Garwood made it four runs in the eighth off Jake Jackson, who was hurling to allow Jack McHugh a rest. McHugh finished the ninth frame, and Garwood was blanked in its time at bat. McHugh rang up five strikeouts while Conlin, who started for the losers, fanned seven, and Banyas, succeeding him, whiffed three. Bennett was the hitting star of the game, collecting a double and three singles. Artie Lamb and McHugh each hit a triple. Lawson and Jackson were credited with two safeties. McKeon of the Garwood nine hit for a circuit blow.

Sunday
Herbie Pennoyer's hitting, the like of which has not been seen in these parts for quite some time, was enough to defeat the Roselle Park team on Sunday. The Cardinals were all set to bowl over the locals after having beaten the strong Braves the day previous in an eleven-inning contest, 10 to 7, at Bayway Field, in the biggest upset of the season and were confident of adding the Stars to their collection. Having won but five games in the second half, the boroughites had an idea of bettering themselves from ninth place at the "higher-ups," expense but they failed to reckon on Pennoyer.

All Mr. Pennoyer did in the nine innings of play was to lambast a triple with the bases full in the fifth frame, scoring three team-mates; after having drove home a run in the inning before with a healthy single. Apparently not satisfied with this, he also connected for a double.

The other Stars were also there with their bludgeons, collecting seven clean blows, most of which figured in the run making. In the eventful fifth inning, Lawson opened with a walk, Fitzsimmons fanned, but Allen worked the pitcher for a pass, advancing Lawson to second. Duke Thorne was hit by the pitcher, filling the sacks. Lawson came home on Boslavages' hit to second base, as the runner was being thrown out. As Walter Thorne was being thrown out, Allen scored. Herbert Pennoyer's triple cleaned the bases. Some daring base-running by Bennett, after he had sent Pennoyer home with a bunt, resulted in the last. The speedy left-felder, stole second, then third and scored on Lawson's infield out. Fitzsimmons ended the frame with a fly to the outfield.

That the Stars were playing smart baseball was shown by a clever delayed steal used by Artie Lamb, in the ninth inning. Bennett was hit by the pitcher and moved on to third base when Lamb singled to right field. With "Ernie" Pennoyer at the bat, Lamb feinted to steal third base on a double steal. The ball was whipped to second base, and Lamb halted in his tracks. As the Cardinal infielders

were tossing the pill between the bases, Bennett came home.

A wonderful throw by Duke Thorne from center field prevented a Roselle Park run in the sixth inning. Starr, first-baseman, for the Cardinals, was perched on third base, with one down. A high ball was hit to Thorne, and he in turn, after catching it, made a remarkable heave to Lamb, catching the runner. The local backstop didn't have to move one inch to tag the player.

FLASHES

The Cardinals woke up in a trance after their lacing on the Stars.

If anyone ever mentions Herb Pennoyer in Roselle Park again, watch out!

Who's ever thought the Braves would lose two straight, after copping three straight the week-end before? And it took the Cardinals, the same outfit, that lost to Springfield on Sunday, to win over the Indians in eleven innings, 10 to 7, on Saturday.

The Stars were all there on Sunday. Beautiful fielding, smart base-running, hard hitting, and good hurling all united to make the Roselle Park team lay down and allow the locals to walk all over them.

The Elizabeth A. A. have certainly been of great help to the localites. Beating both Westfield and Braves in successive days is no small feat. The Sunday before the Stars were the victims, 14 to 6.

Cecil Spittler is expected to hurl against the Braves this week-end. A defeat for the home town boys means "so-long pennant," while on the other hand, a local win will enable the boys to be in a play-off with either Westfield or Elizabeth A. A. The latter have soft games this week-end, again St. Joseph's and Linden, respectively. The Linden team is a surprising lot,

Springfielder Wins Championship Shoot

William J. Gaddis, of 23 Brook street, won high gun prize and the championship title at the annual corn roast and shoot of the Climax Gun Club, held last Saturday afternoon at Plainfield. On the first 100 targets, he was tied with Charles Sherer of North Haledon at 99. The Springfield man won the shoot-off when he broke 25 straight to Sherer's 23. Fifty-six shooters were entered in the various competitive events.

and may surprise a bit in refusing to allow the Betsydowners to romp away with an easy victory.

Did you ever know that Al Lorenzo, manager of the Elizabeth nine, was Springfield's snappy catcher during the 1927 Lackawanna League season when the locals slaughtered every opposing team for miles around?

With Hillside, champs of the first half, playing such sloppy ball during the past few weeks, it might be a runaway for the winners of the second half, when the series to decide the circuit's best for the year is held. The winning outfit will meet the champs of the Lackawanna League, Maplewood, in a post-season set of games.

With Ed Fallenstein, "Kiggle" Coplan and Bill Mullen in the Stars lineup, against the Braves, everything looks rosy. Coplan was the bad boy during the '27 Lackawanna season, hitting some 16 or 17 home runs at Flemer Oval, besides smashing out plenty of other circuit blows at other grounds.

Tuscan Farmers Will Clash With Maplewood

Two Strong Teams Should Provide Plenty of Action

Game at Olympic Park Seen As Contest Between Two Leagues

OPPOSITION BOASTS LINE-UP OF STARS

Two important games and one of lesser import will make a busy weekend for the Tuscan Farmers nine which made its bow to the sporting world at the beginning of the current baseball season, and which has won forty-five games, many of them against the strongest opposition that could be found.

Sunday morning at 10.30 at Olympic Park they will meet the Maplewood club, leaders of the Lackawanna League. Both teams will be on their mettle to decide the supremacy between the Lackawannans and the Irvington Municipal League, which the Farmers are now leading.

Before this game is played the Tuscan Farmers are expected to clinch the championship of the Irvington League in a game Saturday afternoon against the Independents. This contest, the last of the league, will be staged in Myrtle avenue playground. The Farmers have not tasted defeat in the Irvington League, and a victory Saturday will make them champs without a blemish on their shield.

Sunday afternoon the Farmers will travel to West Orange to take on the West Orange Baseball Club, a team which they have previously defeated this season, 8 to 2.

When they cross bats with the Lackawanna leaders Sunday morning, Maplewood will go into the fray with the following line-up:

Left field, Regan, formerly of the Eastern Shore League; first base, Demarest, formerly of the Pittsburgh Pirates; center field, Mameo, formerly of the Newark Bears; second base, Burnett, of Springfield; short stop, Forman, of the Piedmonts; short stop, Brause, who played with Joe Sachs Westinghouse Team; third base, Harry, McEnroe, of South Orange; right field, H. Pennoyer, of Albany; catcher, Al Mink; pitchers, Garrett of the Rutgers team, Burkhardt of the Fidelity Union and Hersher of the Kolster team.

Although the Maplewood team has lost to South Orange, they have established a kind of supremacy over that strong outfit by the round-about way of beating the Bushwicks, of Brooklyn, who defeated South Orange. When the latter outfit took the Maplewood team into camp, Maplewood led 4 to 0 up to the seventh inning, when the pitcher blew up and South Orange dashed to the front to win 8 to 4.

FARMERS WIN FROM HAVANA CUBA TEAM

9 to 5 Finish Gives Tuscan Forty-Fifth Victory

Setting back to the Havana Cubans 9 to 5 at Olympic Park last Sunday morning the Tuscan Farmers of this township scored their forty-fifth victory of the season before a capacity crowd.

The Cubans scored early in the first frame, a hit, sandwiched between two errors, netting them two runs. However, the visitors' lead was short-lived. In the following inning the Tuscan Farmers tallied three times and thereafter remained in the lead.

Eddie Grot, on the mound for the Milkmen, limited the slugging Southers to five safeties, while his teammates found Tuneto for thirteen. He also led with the bat, his double and two singles outstanding. The game marked the appearance of Schnell and Rhattican, well-known semi-pro stars, in the Tuscan lineup. Both played good ball.

In the first inning Monchille and Garrote of the Cubans reached home following a single by each, a double steal and a wild throw by Rhattican, the Farmers' catcher.

Monchille scored again in the third by walking, stealing second and third and running in like lightning while the ball was being passed around in the infield.

The Cubans' only earned run came in the last frame when Garrote singled, Sergio singled and the former worked his way around to the plate.

The first inning was unfruitful for the Tuscan Farmers, but in the second Baehr singled, Eckmeder sacrificed, Rhattican was hit by a pitched ball and Grot singled to score Baehr. Denton walked and Schnell singled, scoring Rhattican and Grot. Conlan fayed out and Jacobus walked to fill the bases. With two out, Bavlaequa fanned.

Three more runs were brought in in the third inning. Baehr and Eckmeder singled, Rhattican sacrificed and Grot singled, scoring Baehr and Eckmeder. Denton singled, stole second and Schnell sacrificed Grot home. Grot hit a two-bagger. M. Denton singled. Masson substituting for Schnell sacrificed Grot in. McGovern hitting for Conlan sacrificed. Jacobus singled, scoring Denton, and Jacobus scored on Lipkin's double.

In the first three innings Grot, the

Farmers' moundsman, struck out eight out of a possible nine. The game was enlivened by a continual chattering in Spanish when the Cubans were in the field.

Stars vs. Eliz. Braves at Flemer Oval Tomorrow In Important Contest

Whether Springfield is to win the second half of the championship of the Union County League rests upon the outcome of its contest against the Elizabeth Braves at Flemer Oval, opposite the Town Hall, tomorrow at 3:30 p. m.

With the two teams deadlocked for first place with Elizabeth A. A. and the Westfield Hawks, one or the other is certain of elimination. Since the others have "soft" opposition, a three-cornered tie is probable. Following a play-off to decide the second-half winners, another looms with the Hillside A. A., champs of the first half. The winner of the last struggle will meet the winners of the Lackawanna League, in a sort of "World Series."

Manager "Ed" Ruby is banking his chances tomorrow on either "Ed" Falenstein, of the Newark Bears, or "Bert" Garrett, one of the most popular pitchers ever turned out of Rut-

gers University, to hurl the local nine to a victory. "Ocell" Spittler, slim right-hander, is available to duty if needed. Art Lamb will bear the catching burden. Harry "Kiggle" Coplan, slugger extraordinary, will play first base for the locals.

The lineup is as follows:
Bosalavage, lf.
Jackson, ss.
Mullen, 2b.
Coplan, 1b.
W. Thorne, rf.
Lamb, c.
Bennett, cf.
Lawson, 3b.
Garrett, p.
Fallenstein, p.

Chime Combinations
With chimes of 12 bells it is estimated that it would require 91 years to ring all the possible changes or sequences, at the rate of two strokes per second.

Lackawanna Bowlers Open New Season Thursday at Boonton

The opening matches in the 10th annual tournament of the Lackawanna Bowling League get under way next Thursday when Springfield meets Boonton, away, and the Millburn five bowls Chatham at the Woodruff Alleys, in Center street.

At a meeting of the league held last Thursday night, two new teams were added, making a total of sixteen. They are the Knights of Columbus of Morristown, and the Prospect Gun Club of Dover. The other teams in the league excepting Springfield and Millburn, are as follows, Boonton, Chatham, Dover, Tapkno, Madison, Summit A and B, Morristown A and B, Union, Royal Arcanum of Dover, Rockaway.

The local quintet will consist of Captain Charles H. Huff, Herbert Pen-

noyer, A. H. Schmidt, H. Widmer, and Rae, the same members at last year. The full schedule of the league will cover thirty weeks, until April 16, about four weeks longer than in other years, due to the new teams which have been added.

"Founder's" Advice
Forget not, I pray you, the right of personal freedom. Self-government is the foundation of our political and social institutions. Seek not to enforce upon your brother by legislative enactment the virtue that he can possess only by the dictates of his own conscience and the energy of his will.—John Quincy Adams.

REAL ESTATE AND BUILDING

Here is a house which may to advantage be placed on a narrow lot without submerging one's individuality. The plan is a familiar and popular type but is arranged with unusual convenience and regard for the amenities of home life. The kitchen arrangement is exceptionally complete and compact . . .

THE IDEAL HOME FOR A NARROW LOT

The narrow lot always provides a problem for the home builder who appreciates exterior appearance and good design.

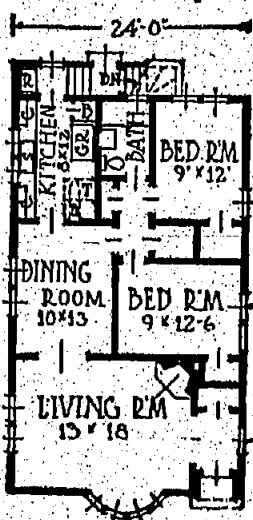

Compactness, which makes possible the use of this home on even a forty-foot lot, has not detracted from the living convenience of the design.

By placing the heavier gable to the rear and sloping the roof to the front, the architect has minimized the appearance of bulk and at the same time given space for five pleasant rooms.

Every foot of available space has been profitably utilized. The architect has managed withal to provide an unusual amount of storage area for a home of this size. In addition to the linen closet handy to the bath, there are four large closets including a cloak storage in the entrance hall.

Because of its compactness and the natural insulating value of its attractive wood shingle (or siding) walls, this cottage will be very economical to heat.
