## Republican Candidates Sweep Election Throughout

Rambling  
Around  
Town

THE ELECTION IS BEHIND US and although the Rambling Reporter, as well as any one, is anxious to forget the political campaign and dwell on more important things ahead, we ask just one last chance to comment upon the drive as should interest local residents . . . maybe it seems rash to mention it at this time but local Democrats who have worked hard in recent years to compete against the Republican organization must appreciate by now they have a tough battle on their hands to defeat the G. O. P. who appear each year to be growing stronger and stronger . . . no one will deny that if the Democrats ever had a chance to seat members on the Township Committee their grand opportunity was in the memorable years of 1931 and 1932 when general conditions prompted a drastic "bloodless revolution" of governmental control throughout the land in electing a Democratic President and Congress after removing old Republican legislators who were in office for over a quarter of a century . . . back to Springfield, it may be safely said that local Republicans will always seat on top until perhaps the population increases beyond means of organizing votes as simple as it is now to determine G. O. P. votes here and there . . . there remains one possibility and that a remote one, for Democrats to put for office a Republican and enlist the voting support of both Republicans as well as Democrats . . . it is to the credit of the local majority party that no charges of corrupt government or inefficiency on a large scale may be laid against its operation . . . one might ask, "Why have a Democratic party at all if it is nigh impossible to elect a standard bearer to office?" . . . the answer is simple . . . competition is the salt of business and arousing the best we may receive in value from public officials . . . checking up on the other man never harmed the welfare of any community . . . with a steady influx of new comers to our township, a choice is offered when political organizations strive to offer themselves as being the best in service . . . on the other hand, wouldn't it be a great world if local government was run without a political label at all? . . . but then, that takes time . . .

If it happened in Springfield, read it in the SUN.

### Fred Brown Seriously Ill After Operation in Elizabeth Hospital

Fred A. Brown of 28 Washington avenue, former Township Committeeman and well-known in local circles, who was operated upon last Saturday for acute appendicitis, was reported this morning to be in a serious condition at Elizabeth General Hospital, although he is slightly improved over his condition early in the week. Gangrene poisoning set in after the operation.

He was stricken Thursday of last week at the Standard Oil works in Bayway where he is employed and rushed home. It was thought advisable to keep him under observation but his condition turned to the worse and he was taken to the Elizabeth Hospital.

It was the first signs of an attack of appendicitis Mr. Brown had ever suffered. Although small in stature, he has experienced remarkable signs of strength at the hospital, it was said.

### Despite Trend to Change in Entire Country, Local Returns Stay with G. O. P.

#### New Legion Post Will Hold Public Meeting Thursday

#### State and County Officials to Present Charter, Also to Install Officers

Springfield's new Continental American Legion post will formally open as an active organization at a public meeting in the Lichtenstein Building, 240 Morris avenue, next Thursday night.

State Vice-Commander W. T. Regan of Elizabeth and Union County Commander Guido Foster of Summit will present a charter and assist in installing officers elected last week. Herbert R. Day is commander.

Charles S. Cannon, chairman of the Township Committee, will officially represent the township. Summit Post's drum and bugle corps will attend as well as delegations from Connecticut Farms Post in Union, Summit Post and neighboring units. Doughnuts and cider will be served and the public is cordially invited to be present. It is expected that the meeting will open at 6 o'clock sharp and last exactly one hour.

#### Timber Provided For Local Needy

Springfield needy will have about 400 acres of ground for timber-cutting purposes this winter as a result of action of Major Jones of the Baltusrol Golf Club to assist Lewis F. Macartney, local emergency relief director, in providing land of the club and that of the adjoining Commonwealth Quarry Company for that purpose.

Purely voluntary, Major Jones secured permission of the Quarry officials to grant their land to be placed at the disposal of Mr. Macartney, who will send unemployed men into the section to cut cord lengths of wood, the greater part of which are made up of fallen trees.

In addition, the Baltusrol Club grounds will also be open. The work will be under the entire supervision of the emergency relief head and wood will be probably cut into smaller pieces for distribution at a centrally-located place.

There will be no coal orders this winter and had the timber offer not been made, a serious problem would have confronted local welfare officials.

#### ST. VINCENT DE PAUL GROUP PLANS BENEFIT

The St. Vincent de Paul Society of St. James Catholic Church will hold its annual card party and dance next Thursday evening in the Haunted Lodge, Immergruen Park. Tickets are fifty cents and may be obtained from members of the society.

Proceeds will be used to aid unemployed and needy members of the parish. William C. Davis is president of the society.

#### Selander High, Geiger Second With Sweeney and Heinz Next in That Order

#### HOOVER AHEAD IN PRESIDENTIAL VOTE

Springfield in a record vote of 1,853 ballots cast upheld its reputation of a rock-ribbed Republican stronghold at the general election Tuesday by giving pluralities to all Republicans, including Wilbur M. Selander and Frank C. Geiger, candidates for the Township Committee. Mr. Geiger is now serving on the board.

Selander polled the highest vote of the local candidates, 1,027 and Geiger received 970 votes. John M. Sweeney and Otto F. Heinz, their Democratic opponents, received 762 and 604, respectively.

Evidence of a split in certain Republican tickets is indicated by the plurality given President Herbert Hoover, 1,168 to 749 for Roosevelt. The Republican state and county tickets ran slightly ahead of the local slate, and Heinz, lowest of the local Democratic candidates, averaged about 140 more votes than his state and county running mates.

The G. O. P. victory retains Republican control of the Township Committee. Lewis F. Macartney, present Republican member, is not seeking reelection. There is one Democratic member of the board.

Geiger is chairman of the roads and sewer committee of the Governing Body and Selander is a former member of the Board of Education.

Although the referendum to establish a small Board of Freeholders was successful in the county, Springfield was one of the few municipalities to oppose the measure by a vote of 806 to 486 to favor a large board.

The Hobart Enforcement Act repeal issue was approved, 1,125 to 354, and the two state relief issues were passed, the first to reduce the debt, 1,085 to 250, and the second to create relief, 956 to 308. The smaller plurality in the last issue leads to favorable action by several members of the local Taxpayers' Association to approve the reduction referendum but defeat the new issuance of relief bonds. The association, however, has gone on record in favor of both issues.

Out of a total registry of 2,203 almost 85 per cent of Springfield voters came to the polls, the township being divided for the first time at a general election into four districts, a new district having been added this year.

Complete returns, district by district, will be found in another column of the SUN.

#### Start Red Cross Roll Call Today

Plans for an intensive campaign in the form of a house to house canvass for the Red Cross Roll Call, beginning today and ending Thanksgiving Day, have been announced by Mrs. Hattie Doerries, Roll Call Chairman of the Springfield Red Cross.

# Methodists Observe 105th Anniversary of Church

## Special Program Held This Week; History Reviewed

### Founded in 1827, Church Has Had Colorful Existence; Birthday Party Held

Exercises to commemorate the 105th anniversary of the founding of the Springfield Methodist Episcopal Church were held this week, with a program on Sunday evening and events throughout the week.

The Rev. J. Edgar Washbaugh, Newark district superintendent, delivered a sermon Sunday evening. A special musical program was held with Miss Juanita Gross in charge of the Junior Choir, Mildred Thomas at the organ, and Howard Day, violinist, and William Rosset, cornetist. A birthday reception was held Wednesday evening by the Ladies' Aid Society for members in the church. The Rev. J. B. Shook, pastor of the Morristown Episcopal Church, was the speaker.

It was in 1827 that a circuit rider from Philadelphia, seat of the annual Methodist Episcopal conference, came to Springfield, summoned the farmers for miles around and inspired the organization of the denomination in this community. The meeting was held in the stone farmhouse of Philemon Dickerson in Millburn avenue, and the first board of trustees was elected. The history of the old church records the fact that Mr. Dickerson applied to the trustees of the Springfield Academy for permission to meet in its auditorium in 1828, but that the academy trustees "deemed it inexpedient to grant such a request."

Thereupon, the history adds, the owner of a nearby grain mill threw open his building to the newly-organized worshippers and permitted them to pray on bales of hay, sacks of oats and piles of corn. Later, the meetings were held in private homes until, in 1831, land on which a church building was to be erected was purchased. Mr. Dickerson, Elias Tooker, Aaron F. Ross, Solomon Dean, Calvin H. Gardner, Osac Roll and Ammon Barnum were the trustees delegated to supervise the construction. The cornerstone was laid at the end of that year by Rev. Edward S. Jane, who later became a bishop.

The church was formally dedicated in 1834, the choir of Franklin Street Church of Newark assisting in the ceremony. Two outstanding pastorates in the church's history are those of Rev. George S. Vancleve, in 1842, in which there were 250 conversions, 153 baptisms and 130 members added to the congregation, and of Rev. Thomas T. Canfield, in 1852, in which there were 250 conversions.

From the Springfield church sprang the Methodist Episcopal churches in Hilton, Irvington, Westfield, South Orange, Maplewood, Summit and Vaux Hall.

## Epworth League to Hold Pageant

The Epworth League will present a pageant, "The Growth of the Church," in the Methodist Episcopal Church Sunday evening at 8 o'clock. It is being held in connection with the 105th anniversary of the founding of the church.

The cast includes: George Spinning, Henrietta Schaffernoth, Alice Reed, Grenville Day, Edna Smalley, Edward Hoagland, Bertha Parsil and Mae Parsil. Alice Bell is director. W. Hawes of Drew University will also take part. The public is invited.

## Girl Scout Notes

Instead of a regular troop meeting in the James Caldwell School Monday night, a Halloween party was held and the following won costume prizes: prettiest, Lillian Marshall; most original, Katherine Gunn; funniest, Jeanette Houck and Lucille Welter won a prize for deriving the greatest number of words out of "Halloween."

Refreshments were served. The presence of older members has fallen considerably in late weeks. Come on, girls, we need you and your help to make a bigger and better troop.

An officers' meeting was held last night at the home of Lucille Welter. Regular meeting Monday night at 7:15.—SCRIBE.

## Red Cross Drive

(Continued from page one)

Enrollment in the Red Cross is \$1, fifty cents of which is sent to National headquarters for disaster relief in the United States and other countries. Other membership are \$5, \$10 and \$25, and of these sums, \$4.50, \$9.50 and \$24.50 respectively remain in the local treasury for the support of local work.

The nursing service is the main activity of the Springfield Red Cross for which funds are needed and stress is laid on the donations which it is hoped the residents will make in this community, as more funds than can be obtained from \$1 memberships are needed to adequately support the service. More than \$600 was collected last year, and it is hoped to exceed that amount in the present campaign.

The names of the workers are Louis J. Wiman, Richard T. Bunnell, Mrs. Phoebe Quick, Mrs. C. B. Meeker, Mrs. L. F. ## Officers Renamed by Library Group

Officers and trustees were reelected at the annual meeting of the Free Public Library Association Wednesday evening in the Lions Club Rooms.

They are as follows: president, A. B. Anderson; vice-president, Mrs. Nicholas C. Schmidt; secretary, Charles Phillips, Sr., and treasurer, Mrs. Ralph H. Tuley. The trustees are Township Committeeman Alfred G. Trundle, Supervising Principal Fred J. Hodgson and Mrs. Benjamin M. Woodruff. The assistant treasurer, Mrs. Richard T. Bunnell, an appointive office, was renamed.

Reports were heard from the various committees. A gift of Redpath's "History of the U. S." was received from Mrs. John S. Quick and a framed picture of the Liberty Bell in Philadelphia was received from Marion Briggs, only junior member of the association.

Lack of space prevents a complete list of the report and a comprehensive survey of the library's first year will be presented in the next issue of the SUN.

## TEMPERANCE UNION TO MEET TUESDAY

The W. C. T. U. will meet next Tuesday afternoon at the home of Mrs. Frank Bohl of Morris avenue, instead of the regular meeting date, November 22, due to the conflict with the Thanksgiving holiday.

Mrs. Charles H. Huff will lead the devotional program and the president, Mrs. Edwin D. Pannell, will give a report of the state convention which she attended in Bridgeton. Speakers at the state session included Col. John D. Pennington, prohibition administrator for this district; Mrs. Ella A. Boole, national president; Mrs. Sara H. Hoge, national secretary, and Mrs. D. Leigh Colvin, New York state president.

# RELIEF WORK of the AMERICAN RED CROSS

Student nurses are taught Red Cross first aid and water safety methods.

A quarter million tons of free feed was given to save the livestock of the north-west.

Use of trucks was donated and unemployed men distributed free Red Cross flour in many counties.

By-products of Farm Board wheat given Red Cross—first, flour; second, bread; third, a dress for the little girl, made from the sack.

The American Red Cross gave unemployment relief to 3,000,000 families during winter, spring and summer of 1931-1932.

This relief included:

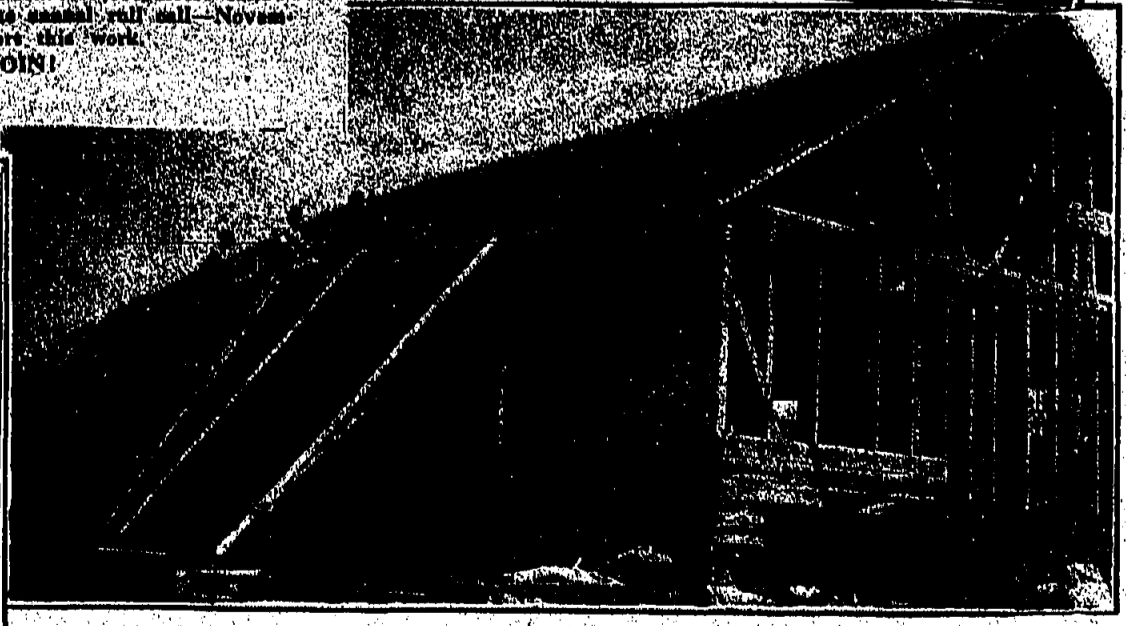

- Red Cross flour made from Farm Board wheat distributed free to more than 2,500,000 families.
- Grain feed to about a quarter acre, given free to more than 315,000 families.
- Food, clothing, medical aid, school lunches and milk for children, and other necessities to 300,000 families, including aid in mining communities.
- 2,200 Red Cross Chapters organized in areas where no relief was available.
- More than 400,000 war veterans and their families were aided by 9,716 Red Cross Chapters.
- 750 Red Cross public health nurses made 1,335,000 visits to aid the sick and teach health methods. Thousands of unemployed are dependent upon Red Cross stores in times of stress.
- Red Cross volunteers made 10,000,000 home visits for the needy.
- The Red Cross also gave relief to 24 districts during the year—total of major projects included funds in Mississippi and Louisiana where 20,000 persons were fed and a typhoid in southeastern states where 150 persons were killed and 100,000 given 2,000,000 doses of M&B. \$250,000 was expended by Red Cross in typhoid relief.
- In addition to these extraordinary demands, special relief was given:
- 700,000 school children were helped by a plan Red Cross.
- 75,000 persons were enrolled at late harvest.
- 55,000 persons received First Aid certificates.
- 35,000 persons took Home Hygiene courses.
- Aid was sent in 22 districts in India and foreign countries.
- Volunteers made 3,700,000 surgical dressings; transmitted 300,000 pages of health news; served 100,000 persons in nurseries and made 24,000 motor calls.

Year membership in the annual roll call—November 11 to 24—will support this work.

#### Now That Election's Over—

CONTROL of local governmental affairs still remains with the Republican party, the election is over and a number of important questions, neglected in the midst of the political campaign, remain to be effected by the townfathers.

Budget time is coming and interest in proposed expenditures will be stimulated by the new "town auditors at-large," the Springfield Taxpayers' Association.

Intelligent economy must be practised. Rash cuts must not be tolerated in any department without careful consideration and the assistance and co-operation of residents to pay their taxes promptly when due December 1 is extremely vital to ease the need of further town borrowing to meet current expenss.

To Democrats and Republicans alike, a temporary truce looms ahead as we look to signs of a quick and effective means to bring back to normal, business and social recovery from present economic distress.

#### FUTURE EVENTS

(Future happenings are listed under this heading as a convenience to avoid conflicting dates in plans of local organizations. The SUN will be pleased to list your future date, if information is forwarded this column.)

#### What the SUN Advocates

Believing that the following improvements are vital necessities to nourish Springfield's betterment and substantial progress, the SUN advocates:

1. A high school.
2. Removal of dilapidated buildings which are "sorespots."
3. Sidewalks wherever needed.
4. Encouraging clean factories, to increase the ratables.
5. Establishment of a Taxpayers' League.
6. Postal-carrier delivery.
7. Reduced bus fare within town limits and to Millburn R. R. station.
8. Full time position for the township clerk's office.
9. Set of Building Zones, before township is developed.
10. A county park.

**SPRINGFIELD**  
Population—1930 census 3,725; 1920, 1715. Assessed valuations—1931, \$5,481,774. Tax rate, 1932—Township, \$3.22; state and county, \$1.06. Incorporated 1897; settled early in 1700's. Springfield is essentially a township of homes. It is 55 minutes from New York City on the electrified D. L. & W. Railroad and has excellent bus connections to Newark, Elizabeth, Summit and Plainfield. The railroad stations at Millburn and Short Hills are less than a mile from Springfield Center. The Rahway Valley Railroad has a freight station in Springfield, giving service for factories, commercial and industrial purposes. State Highway Route 29 makes it convenient to reach New York in thirty minutes by car when completed. Numerous state and county highways pass through the township. It has "good streets; water; gas; electricity and a newly opened sanitary sewer system. Of interest in Revolutionary history with its historic Presbyterian Church where Rev. James Caldwell cried, "Give 'em warts, boys," in the midst of the Battle of Springfield fought on June 23, 1780. Several colonial landmarks are to be found in Springfield, one of the oldest communities in Union County.

## MATTER of OPINION

A Woman Looks at Springfield

There is a noticeable feeling of relaxed tension, now that the election is over. The announced co-operation of the President and President-elect for the hoped-for economic improvement has made a good impression. There is food for reflection in the statement made in a Newark Evening News article that there are to be no sudden upheavals in the Roosevelt program, and that the fate of countless banks and business enterprises is dependent upon continuation of Reconstruction Finance Corporation aid. It is to be expected, apparently, that much of the machinery which was put in motion by President Hoover to provide economic stability and relief will be continued in use by the incoming administration. History will tell which of the two presidents shall receive the credit for leading the country out of the morass of depression and despair. We are too close to the situation to judge at this time.

All over Newark, a notoriously "wet" city, signs like this have blossomed over-

### Using Unemployed to Grade River

Ten unemployed men, supplied by the local Emergency Relief department and the Union County Mosquito Extermination Commission, have been at work grading the Rahway River bed through the center of the township, repairing the bank of the river and removing excess material in the stream.

The work, which has been in progress several weeks, will take in almost a mile of the river from the ballfield section in Flomer avenue, across to Morris avenue to the vicinity of the water pumping station in the northern part of the township. It will require a total of about five weeks to finish the work.

Richard Sherry of this township is foreman on the job for the mosquito board. The advantage of the work is readily seen in the rainy spells experienced within the past few weeks as draining is vastly improved and the neatness about the center of the township is noticeable.

### Were in Atlantic City

Mr. and Mrs. William B. Young of this township were guests the past week at the Hotel Ludy, Atlantic City.

Please mention the SUN in patronizing our advertisers.

drunkenness may be expected at the wheel of motor vehicles, and greater care is necessary when driving or crossing streets.

Something to be thankful for—that the referendum authorizing the bond issue for relief funds, was passed.

How lovely, last night, were the moon and stars. And have you noticed the green, green grass?

Consoling thought, the more rain now, the less snow this Winter.

### You Can Always Judge A Bed By Its Cover

AS a matter of fact, people judge all your linen by its appearance — a judgment decidedly unfair to those who have not yet discovered our service.

WHEN laundered by us, your linen will always look its very best — crisp and clean — for bed or table. Isn't so satisfactory and economical a service worthy of a trial?

### 14 Years Ago Today

The War Beast watched the nations reel,  
Just fourteen years today,  
And ground them 'neath his iron heel,  
Just fourteen years today!  
The monster licked his foaming lips  
And leered at battered, sinking ships,  
While brothers came to dying grips,  
Just fourteen years today!

Then suddenly the firing ceased—  
Just fourteen years today!  
Blood sated was the surly Beast—  
Just fourteen years today!  
"The Armistice is signed!" we cried,  
And laughed and danced, and wept and sighed,  
And kissed the ones who had not died!  
Just fourteen years today!

Wild flowers bloom where heroes fell  
Just fourteen years today!  
A Paradise where it was Hell,  
Just fourteen years today!  
The songbirds sing a glad refrain—  
O Master, let their songs remain,  
Or else the sacrifice was vain  
Just fourteen years today!

### Patrolmen's Ball Held Last Night

About 250 attended the annual ball of the Springfield Patrolmen's Benevolent Association last night in Immergruen Park. The Vikings Orchestra furnished music for dancing.

Talks were given by Recorder Everett T. Spinning, the Rev. William I. Reed, pastor of the Methodist Episcopal Church, the Rev. Thomas B. Larkin, rector of St. James Catholic Church, and others.

A feature of the affair was afforded as members of the association attended in formal clothes. Officers of the association are: president, Leslie Joyner; vice-president, Nelson Stiles; secretary, Wilbur C. Selander, and treasurer, Arthur W. Phil-

lips. The P. B. A. takes this opportunity to thank residents who co-operated in making the ball a successful affair.

### Red Cross to Enlist Great Army of Members to Fight Distress

Last year 4,004,459 men and women joined the American Red Cross as members during the annual roll call, Armistice Day to Thanksgiving Day. A peace-time army even greater than this will be needed in 1932-33 to support and carry on the nationwide relief work of the Red Cross. There are 3,639 Red Cross Chapters and they have 10,000 branches.

### THE HAPPY OYSTER

He's Putting 20,000 Men Back to Work . . . He's Science's Pet . . . and He's Still the Epicurean's Delight

OYSTERS R IN SEASON again and lovers of blue points on the halfshell, like Mary Faber, New York, left, aren't the only ones who are happy. The oyster industry is putting approximately 20,000 men back to work . . . that's spreading real happiness. Photo above shows men sorting oysters in a Long Island plant.

© Ewing Galloway, N. Y.

THIS is no time for blue points to be blue. With a new "R" month at hand the oyster season is officially — and actively — opened and 20,000 men are going back to work.

The benefits from this additional employment extend to 19 states, where this \$18,000,000 industry operates. More than 70,000 people are regularly employed in the harvesting and distribution of the bivalve.

Alternating with the salmon industry, the oyster business ranks first in value of fisheries. Its annual volume represents the world's greatest underwater crop, the value per acre exceeding that of any land crop.

#### Practically Perfect Food

Tens of thousands of dollars have been spent in research by the oyster industry in recent years, and science has revealed many significant findings concerning the oyster's contribution to bodily needs.

Most important, the food chemist has discovered that the oyster supplies, next to milk, a more balanced and complete diet than any other food.

The oyster is rich in calcium, phosphorus, iron, copper, and manganese, to say nothing of vitamins A, B, and C, and quite a little vitamin D. Raw oysters boast of 200 times as much iodine as eggs, milk, and steak. Oysters are easy to digest and are now pronounced beneficial as a cure for certain types of anemia.

As a result of science's disclosures, the time is rapidly passing when the American public eats its luscious blue points on the half-shell or oyster stew and remains oblivious only of their delightful flavor.

Nevertheless, millions of oyster lovers still hold that, regardless of what the good doctors have found, there is no reason like the original one for eating the oyster.

Most of us just like oysters—and that's that.

### Woman's Club to Hear Lockharts

The Woman's Club of Millburn has announced Friday evening, December 2, as the tentative date for the appearance of Gene and Kathleen Lockhart, first of the Education Department's series of four lectures and entertainments, in the auditorium of the Short Hills School, Hobart Avenue, Short Hills. The Lockharts were originally scheduled to appear in Millburn, Friday, October 28, but as insufficient support was given the project up to that time, the booking was advanced to the later date. Reservations may be made with Mrs. Robt. McC. Johnstone, Nottingham Road, Short Hills, up to November 20, when it is hoped sufficient support will have been received to

warrant the rebooking of the Lockharts and the other artists.

The second meeting of the Education Department will be held Monday, November 21, 2:30 P. M., at the home of the chairman, Mrs. Robt. McC. Johnstone, Nottingham Road, Short Hills. Mrs. A. S. Ross, Short Hills, and Mrs. J. M. Whitfield, Millburn, will present papers on China; Mrs. Wm. H. Shepard, and Mrs. Frederick N. Schierbaum, of Short Hills, will give papers on Japan. There will be a roll call on Current Events. Tea will be served.

### STUDY GROUP IN SESSION TUESDAY

The Child Study Group will meet Tuesday evening at 8:15 in the kindergarten

room of the James Caldwell School to discuss "Family Relationships" which is the subject being used by the Leader Group meetings each month in Elizabeth.

These leader meetings are conducted by Miss Flora Thurston, well known in child welfare work, and are experiments being tried in Union County to see how successful this type of leadership may be. Results are being carefully noted by Parent-Teacher groups, study groups and professional educators throughout the country. Everyone interested is invited to attend and to contribute ideas and suggestions at the local meeting Tuesday, so that Springfield may have a successful report to submit at the next Leader Group meeting. Mrs. Herbert R. Day, local chairman, is leader and Mrs. Ralph Hantzsch, alternate, who attend the Elizabeth meetings.

## MILLBURN THEATRE

"Grand Hotel," with Greta Garbo, John Crawford, John and Lionel Barrymore, Wallace Beery and others, will be the week's headline at the Millburn Theatre Sunday, Monday and Tuesday. Slim Summerville will also be seen in "Officer, Save My Child!"

The remaining attractions are: Wednesday and Thursday, "Downstairs," with Mr. and Mrs. John Gilbert, and Karen Morley in "The Phantom of Crestwood;" and Friday and Saturday, Harold Lloyd in "Movie Crazy," with Constance Cummings.

## AT THE STRAND

"Madison Square Garden," starring Jack Oakie, Marian Nixon, William Boyd and Thomas Meighan, will be shown at the Strand today and tomorrow. "Chandu the Magician," with Edmund Lowe and Bela Lugosi, is the associate feature.

Mr. and Mrs. John Gilbert are seen in "Downstairs," the first picture in which the star appears with his wife, the former Virginia Bruce. "The Painted Woman," starring Peggy Shannon, is also shown.

"Hat Check Girl," with Sally Eilers and Ginger Rogers, will be presented Wednesday and Thursday. "Thirteen Women," from Tiffany Thayer's novel, will be screened as the associate feature with Myrna Loy, Irene Dunce and Ricardo Cortez in the principal roles.

## "CHANDU" COMING TO UNION SCREEN

Adapting "Chandu The Magician" to the screen from a popular series of radio broadcasts proved to be a graphic demonstration of the greater descriptive powers of the motion picture camera over the spoken word.

Whereas much of the nightly fifteen minutes of the radio time was given over to describing the setting of the mystery drama, the screen version gets this across in one flash of the camera eye, and with far more realism and effectiveness. Thus, in the Fox feature film, coming on Sunday, Nov. 13, to the Union Theater,

the radio episodes of over a year are presented in tense dramatic form that is said to be thrilling entertainment.

"Chandu," he of the hypnotic eyes and command of Egyptian wizardry, the beloved "Uncle Frank" of the story, is portrayed by Edmund Lowe, who once before in "The Spider," gave a splendid performance as a magician.

Princess Nadji, Chandu's beloved, is played by Irene Ware, New York "Vanities" beauty who makes her screen debut in the picture. Roxor,

A globe trotter was standing at the bar of a tavern in a tropic land when a young and handsome Fijian walked in. "Didn't I leave my walking stick here?" he said. "Jove, I'd hate to lose it. JAMES CALDWELL School Notes

CITIZENSHIP CLUB We have a club called the Citizenship Club. We are going to try to make our class the best. William Edwards is Mayor and Charlotte Harris is secretary. We have yet to choose a chief of police, assistants, department of public works and health department.—LEROY WATKINS, Grade 5.

6A NOTES We have elected these officers in the sixth grade; president, Herman Mende; vice-president, Marjorie Grimm; and secretary, Arthur Albanese. The following pupils in our class are on the October Honor Roll: Eleanor Ackerly, Marie Volk and Jessie Marshall.—HAZEL FREEMAN.

GEOGRAPHY BOOKLETS Our class has been reviewing geography. We have just made some booklets. In them we drew pictures, wrote short stories and made maps. Booklets marked "A" or "B" were hung up in the room.—AUDREY YOUNG, Grade 4.

BUSY ANIMALS In the autumn the squirrels are busy animals. They work all day gathering nuts, and put walnuts, hickory nuts and chestnuts in their storeroom. They find the

nuts on branches of trees and under bright colored leaves.—VITO STRICCHIOLA, JOSEPH KRAMER, PAULINE LIEBRAND, CHARLES FIRESTINE, TEDDY SMITH, Grade 2, Chisholm School.

OUR RECORD Last month our class record was better than the month before. We have two pupils on the Honor Roll instead of one. There weren't so many pupils with red "E's". We hope to do even better in November.—RICHARD YEAGER.

8A NOTES The flowers in our room are growing nicely. The latest addition was a fern. In our history class we have been learning a great deal about the way the President and other officials are elected. We are reading the papers and making a chart of the electoral votes and popular votes the candidates are receiving.—E. MEEKER.

ARMISTICE PROGRAM An Armistice program was held by the sixth grade in Assembly yesterday. After the band played, we heard a story, "The Man Without a Country." The story is about a man who would not hear the name of the United States mentioned.—CLARA TORALLO, Grade 6.

STUDYING INDIANS We are studying about the Indians. We are weaving rugs like the Indians do. We have bows and arrows in school. Two boys made tepees. We will use these in the Indian village we are making. We are making Indian beads. We like to study about Indians.—JEAN CARMICHAEL, Grades 1 and 2.

Plans Steel Tower Over Mile High

FRANKLIN HUGH ELLISON, engineer-architect of New York city, standing beside some of his tower models, including one, at right, for a proposed "super-super steel tower" more than a mile high, which he has submitted for erection at the Chicago World's fair next year. The structure, 6,500 feet high, is planned to have 48 floors or landings, one dedicated to each state in the Union. There is an observation platform more than a mile above land, and a 350-foot airplane landing platform on top. The structure is designed to house two or three dozen planes, 50,000 automobiles a day, and both the Akron and Macon dirigibles simultaneously, as indicated in the model. It is estimated by the designer that the fees for passengers and automobile parking space would alone be more than enough to pay the \$7,500,000 estimated construction cost.
