Mayor Calls Upon Citizens to Join in Block-Aid

Rambling
Around
TOWN

SEEMS SOMEWHAT UNUSUAL TO read that the Union County Taxpayers' association backs the Board of Freeholders from attacks of former State Senator Arthur N. Pierson . . . instead of resorting to mainly accumulation of surplus funds, the senator is reported to have said, the board could have gone much further . . . a little bird and it's not a cuckoo told the Rambling Reporter to pass the word along to flood-sufferers in the vicinity of the Rahway River to keep their eyes about when the park commission puts unemployed men of the county at work next week in cleaning out the river . . . if the men are kept working for sufficient time the section will be relieved considerably . . . if not, the gesture will amount to practically nothing . . . hand labor is tedious and long and unemployed under relief supervision tend to become somewhat lazy at times . . . the school board received favorable consideration on its 1933-34 budget at the annual election this week in contrast to many nearby places which defeated their budgets . . . it seems fortunate that such a step was not effected here . . . the township's school authorities have done a fine job on the budget and it seems to have been appreciated . . . the economy measure of eliminating special policemen is causing no little concern at the Raymond Chisholm School crossing which is policed as much as humanly possible without seriously handicapping the department . . . the possibility of an uncovered crossing was cited before the police budget was adopted this year and residents who complain now should likewise have taken that in consideration when the detailed list of police expenditures was published early in the year . . . the Fire Department has enjoyed an enviable record in fighting fires for years and the secret is out . . . Jerry Potter, the company's "smokehound," tips the boys off when a blaze is about to start . . . "What about the Chateaufortusol fire?" he was asked . . . "Well," the answer came back, "I was asleep then and couldn't do anything about it!"

Study Group to Meet

The Child Study Group of the P. T. A. will meet in the kindergarten room of the James Caldwell School Tuesday evening at 8:15. The subject for discussion will be "Problems of Family Life on Which Parents Need Help of the Community." Some of these problems are movies, radio, magazines, etc. It will be the purpose of the discussion to determine what family values are involved and what can be done about them. Mrs. Herbert R. Day, group chairman, will preside.

The columns of this paper are open to all. Let us have personal notes about yourself or your neighbor.

PASS SCHOOL BUDGET AS VOTING IS LIGHT

Springfield voters by a large majority but small number in registry approved the 1933-34 school budget at the annual election Tuesday and re-elected three members without opposition. Only ninety-one votes were cast. G. Abhold Wright, president, was high with ninety votes and Walter White and F. C. Davidson, Jr. eighty-nine each. On the budget a slight variation was indicated. The current expense item of \$62,100 received eighty-one affirmative votes and seven negative votes. The only other item, \$720 for repairs and replacements, received eighty-one affirmative and six negative votes.

Warns Residents to Clean Flues

Residents who burn wood for heating purposes are warned by Fire Chief Charles Pinkava to keep the flues in the chimneys of their dwellings clean as a result of recent alarms resulting in neglect of the precaution. Firemen were called Wednesday at 12:40 P. M. to a four family house at 301 Morris avenue owned by Battle Hill Building and Loan Association where flying sparks from flames in the chimney threatened to ignite the roof of an adjoining house. The blaze started when flames from burning wood ignited an accumulation of soot in the flue. There was no damage as chemicals were used to extinguish the flames. The wood-burning menace is becoming more serious, Chief Pinkava pointed out, as additional families are daily turning to wood as a means of fuel. Residents, particularly those burning wood, should occasionally clean chimney flues, he stressed.

Democratic Club Elects Officers

Emanuel O. Holms was elected president of the Springfield Democratic Club at the annual meeting last Friday night in the Larchmont Estates office, Morris avenue. He succeeds Edward Cardinal. Vincent Shea and Patrick Tansy were elected secretary. William C. Davis, as treasurer and William White, chairman of the executive committee, will hold over in office until a later meeting. Activities for the year's campaign will be outlined in the near future.

Relief Administration Seeks Shoes For Needy

The local Emergency Relief Administration is in need of shoes for men, women and children to be distributed to local needy families under its supervision. The sizes of 8 and 9 for women are particularly sought. The relief quarters also has an urgent request for an oil heater, a go-cart or baby carriage. Should any reader be able to donate the article in want, kindly communicate with Mrs. Helen Smith, Milburn 6-0030.

No Contest in Fire Election

The annual election of the Board of Fire Commissioners will be held tomorrow in the firehouse from 3 to 6 p.m. Two positions on the board for three years will be filled. Charles H. Ruby and T. C. Davidson, Jr., candidates for reelection, are unopposed. Voters will also be asked to approve the annual budget which calls for \$6,285 to be raised by taxation, a drop of almost \$4,000 over that of last year due to surplus revenues on hand. Thus, the fire tax this year will drop from twenty-five points to approximately sixteen points. Any resident of the township is entitled to cast a vote at the election, provided he is qualified legally.

Community Choral Series Approved

The Springfield Choral Society has endorsed a plan suggested by John Potts, president, to sponsor a series of "Community Nights," the first of which probably will be held late in March. The society met after the weekly rehearsal Wednesday night and decided upon the group of events instead of the Spring concert which had been contemplated.

The singing of old and new popular favorites by the audience will constitute the major portion of the program and the society will also present several special selections. Herald A. Jones is director.

Local instrumentalists will be invited to participate in the programs. Due to Washington's birthday observance falling on Wednesday of next week, the usual rehearsal will be postponed until Wednesday, February 20.

No Special Type of "Liner"
The term "liner" has no reference to the type of ship, but rather to the trade in which it is engaged. It is any ship operating on a regular line. A liner can operate between river points. It is a liner so long as it maintains a regular schedule.

Town Committee Seeks to Clean "Eyesore" Stores

Order Letter Sent to Owners of "Problem" Building in Morris Avenue

Improvement shortly of the five vacant "problem stores" in Morris avenue at the foot of Center street will be realized as reported by Charles W. Weeks, township counsel, to the Township Committee Tuesday night. The stores have been called an eyesore and health menace and have been of concern to the Board of Health. The building is also reported to be a fire hazard due to its open front.

Weeks presented a letter to be sent the Franklin Washington Trust Co. of Newark which recently acquired title to the property to urge the situation be remedied. It is the desire of the company officials to have something on record and immediately repair the stores, the counsel advised.

Difficulty in ascertaining the actual owner of the property has hindered the abatement of the condition. Jacob Heinochowitz, former owner, had retrieved the property on several occasions after foreclosure proceedings.

The committee granted an application of Frank Heronberg for a gasoline station permit in South Springfield avenue near Hillside avenue. Committeeman Geiger said residents did not object. Committee Chairman Cannon said future applications would be turned over to the newly-formed planning board and zoning commission.

Arthur H. Lennox, township engineer, reported fifty unemployed would be put to work cleaning the east branch of the Rahway River in co-operation with the Union County Park Commission, to bring about flood relief for residents there. The engineer said work would begin at the railroad bridge, believed the worst section. If permission of a property owner could be obtained, the river next would be cleaned at the south end of Angell avenue, Lennox stated.

Over 350 Attend Court of Honor

All attendance records for this district were broken at the Court of Honor exercises last Friday night in the James Caldwell School auditorium for troops of Springfield, Kenilworth Union and Vaux Hall. Over 350 persons attended.

It was a sweeping success and spectators were treated to excellent demonstration by the scouts.

Five troops, totalling 150 scouts, participated. Several outside troop officers were also present. Cub Scout Pack No. 5 of Springfield was in the delegation present.

Troop 66, local organization, made a good showing as many of its members were awarded badges and other trophies. Deputy Commissioner Grenville A. Day of the district, a Springfield man and former local Scoutmaster, received the envied Scoutmaster's Key.

The program opened as the scouts marched into the hall in formation to the tune of the bugle and drum corps, went outside again and returned to seat themselves in the audience.

Highlights of the evening: Stirring piece played by bugle and drum corps . . . the natly appearance of the Sea Scouts present . . . Deputy Commissioner Day's simple but thorough explanation of the Hoover Award . . . the neat "front and center" executed by Scout William Jackson of Troop

Cannon in Appeal to Organizations For Co-operation

Declares Campaign Will Get Under Way in Accordance With State's Wishes

Calling upon citizens of Springfield to join in a united Block-Aid Movement to aid unemployment relief in the township, Mayor Charles S. Cannon today issued a statement, a copy of a letter which will be sent to every local organization to announce that such a drive will be held shortly.

The Citizens Committee, an executive group headed by the Rev. William I. Reed, pastor of the Methodist Episcopal Church and president of the Lions Club, will meet tonight to further Block-Aid plans.

The letter follows: "In the early part of March, it is expected that the Emergency Relief Block-Aid drive will begin under the direction of the Rev. William I. Reed and his executive committee.

"This is to be an extensive campaign covering a period of twenty weeks, and the funds collected are to be used in caring for the needy of the township, now numbering 100 families.

"In order to receive State aid, it is necessary for the township to guarantee a certain proportion of the amount required each month. The total cost for the current month is \$1,500 and the amount needed each month is steadily increasing.

"The State has recommended that the Block-Aid system be used in raising the required amount and this will mean a complete canvass of the township. The time and method of collection will be announced by Chairman Reed within a few days.

"I am addressing you in advance of this notice, however, to request that in so far as possible your organization will co-operate with the Committee by refraining from any activities that might conflict with the progress of this drive.

"You probably are acquainted with the seriousness of our unemployment situation and your earnest co-operation with the Emergency Unemployment Relief Committee during their campaign will be greatly appreciated."

67 of Vaux Hall . . . presentation of those shiny badges to "Sunny" Day, Ed Hoagland and Harry Venn by Don W. Moyer, Scout Executive . . . Mr. Moyer's short talk . . . the campfire scene presented by an outside troop . . . the investiture ceremony performed by Troop 64 of Union . . . the play entitled "These Fathers" as acted by members of Troop 67 . . . our town Irishian dance over which Assistant Scoutmaster Venn is well pleased, having done much work in arranging it . . . the Indian costume worn by Scout Raymond Schmidt in this dance . . . the brisk step and erect carriage of our Scoutmaster Hoagland as he went forward to receive the blue "Hoover Award" ribbon for Troop 66 . . .

We hope to see as many Scouts present at tonight's meeting as present last Friday. Annual inspection will be held in Union February 24. — THE NEWS-SCOUT.

Flag Salute Optional
The saluting of the flag each day in the public schools depends entirely on the regulations of the individual schools.

First Skycraper
The first United States skyscraper is said to have been the Home Insurance Building of Chicago, erected in 1884.

Twenty-Four Springfields in U. S.; Clinton Most Popular Town Name

There are twenty-four Springfields in the United States, according to the latest issue of the United States Postal Guide. If someone were to ask you what is the most popular town in the country, what would you guess?

Of course, Washington would suggest itself as well as Springfield, possibly Paris. But neither stands in the front rank, although Washington has twenty-eight towns of that name.

The most popular town-title in the United States is Clinton, of which there are thirty having post offices.

Next comes Chester, Florence with twenty-eight towns of each name; then Clayton, Madison, Marion and Troy, twenty-seven; Glenwood, Kingsport, Newport and Salem, twenty-six; Ashland and Centerville, twenty-five. There are twenty-four Clevelands.

Other names range from this number downward. There is only one New York; but two Chicagos, six Philadelphias, and eight Detroits.

The outstanding popularity of the name of Clinton is somewhat difficult to understand, although two statements of that name were very prominent in the early days of the republic.

George Clinton was the first governor of the State of New York and was vice-president of the United States at the time of his death in 1812. His nephew, DeWitt Clinton, was also governor of New York and was unsuccessful candidate for the presidency, being defeated by Madison.

Without further explanation, Clinton is still the most popular name for towns in the United States.

Religious Play to be Presented

The Young People of the Presbyterian Church will present a religious four-act play, "The Lost Church," in the church Sunday evening at 8 o'clock. A silver offering will be taken for the debt fund of the church. The public is invited to attend.

The characters are: father, Frank Jakobsen; mother, Lillian Drake; son, William Wagner; Spirit of the Church, Anna Hinze; younger son, Bernard Schramm; poor woman, Marjorie Lipps; neighbor, Kenneth Shew; Sunday School teacher, Marjorie Lipps (double part); Spirit of Ignorance, Ruth Hinze; Spirit of Spiritual Darkness, Alberta Schramm; Spirit of Sin, Dorothy Pierson, and Spirit of Social Injustice, Ruth Cushing. The play was coached by Mrs. Arthur Lamb.

Due to the play, the regular weekly Christian Endeavor Society exercises will be omitted.

FUTURE EVENTS

(Future happenings are listed under this heading in accordance to a well-considered plan in plans of local organizations. The SUN will be pleased to list your future date, if information is forwarded this column.)

- Friday, February 17
 - Spring conference, superintendents of Union County Presbyterian Sunday Schools, Springfield Presbyterian Church.
 - Lions Club, meeting, Marguerite Inn, Route 20, 6:30 p. m.
 - Springfield Citizens' Committee, meeting, Municipal Building, 8 p. m.
 - Junior Order, meeting, P.O.S.A. Hall, 8 p. m.
- Saturday, February 18
 - Dancing classes, Municipal Building, 10:45 a. m.
 - Election, Board of Fire Commissioners, firehouse, 3-9 p. m.
 - Monday, February 20
 - Battle Hill B. & L. Association, meeting, Brookside Building, Flemer avenue, 7 p. m.
 - Board of Health, meeting, Municipal Building, 8 p. m.
 - Tuesday, February 21
 - Annual Washington's Birthday supper, Ladies Aid Society, Methodist Episcopal Church.
 - Bowling, Springfield Municipal League, Woodruff Alleys, 7:15 p. m.
 - P. O. S. A., meeting, lodge rooms, Morris Ave., 8 p. m.

School Notes

RAYMOND CHISHOLM

POST OFFICE

We built a post office in our room. We wrote letters to people in our room. We took part playing postmaster. Robert Clutting brought a stamp for us to put the date on each letter. We started a stamp collection. George drew a portrait of George Washington. William McGeehan drew a picture of Abraham Lincoln. CARRELL McNULTY, third grade.

MUSIC FESTIVAL

A music festival was held last night in the James Caldwell School at 8 o'clock. The admission was ten cents and it was open to the public. All the classes from the first grade to the sixth were represented. Our class was represented to be Southerners. We hope the show was enjoyed. DOROTHY NESSMAN, 5 and 6C.

FIRST GRADE NOTES

Wednesday is Washington's birthday. We will sing songs about him. We will have a parade. There will be no school on that day. First grade.

PAINTING SCENE

Charles Roll and George Richelo are painting the "Arc de Triomphe" in a scene for our costume song recital. Our class is preparing an Assembly program for George Washington's birthday. FRED VAN PELT, fifth grade.

CLASS BASKETBALL

The seventh grade has formed four basketball teams under the leadership of Mr. Nies. The 7B teams are "Lightning" and "Gold Streaks." The 7A teams are "Cubs" and "Golden Eagles." MARY VAN VEEN.

PLAN TOURNAMENT

The seventh grade boys are going to have a basketball tournament in the gymnasium. The teams are 7B first and second teams and 7A first and second teams. We are playing to see which team will play the sixth grade champions in the near future. FREEMAN HUNTINGTON.

WEATHER CALENDAR

We have a calendar to tell the weather and the day. We put the weather on it every day. We cross out numbers after the day is over. We read the day and date every morning and tell the kind of weather it is. In February we have six cloudy days. We have eight sunny days.

and one snowy day. The month ends on Tuesday, February 28. DOROTHY LAKE, first-grade.

GRADE 3 ACTIVITY

We are going to have a grocery store. We wrote stories about Abraham Lincoln. We drew pictures of log cabins and had prizes. Dick Clark won first prize, Hartley Ferguson second and Van Potts and Arthur Menize won third. ARTHUR MENZIE, third grade.

START STORY BOOK

We started a class story book. We are going to put in this book stories that we have written about pictures. We are going to put this book on our library table so everyone can read it. THOMAS STRIBET, third grade.

VALENTINES

We made valentines and had a valentine box in our room. WILLIAM PETZ, second grade.

How Bad Do We Need Zoning?

GASOLINE stations in this corner and roadstands in the other corner. In the middle of the ring stands a row of dog kennels and in the distance approaching stands a row of undesirable "shanties."

Must this condition be tolerated in Springfield? Talk of zoning has been hurled back and forth across the township for years and finally stands an excellent chance to materialize. Economic conditions may hinder its early completion but the fact that a planning and zoning board is working quietly is some consolation. When we realize that the present influx of new gasoline stations will soon enlarge the number of businesses in town, the haste of zoning cannot be stressed too much.

At the session of the Governing Body this week, one application was granted for a gasoline station and another referred to the planning board for consideration. It was expressed there that three or four similar projects will soon be submitted for approval of the Township Committee.

Mayor Cannon's trend to the theory that "this is the proper time to zone" could never be more substantiated than by the facts as they really exist. The principle will be for construction of any type of building on any site at any cost and the township as a whole will suffer. Outbursts that there is no building at present is not a sound reason to hold up zoning. It is all the more reason. Fewer structures will be affected by the restrictions to be followed out. "The horse before the cart" is enough to bring to the attention of progressive residents that zoning before Springfield is developed will later bring about less friction and a clearer understanding as to the type of community planned with an eye to the future.

Self

To rule one's self, how hard, but how glorious!

SPRINGFIELD

Population—1933—4,000 (est.) 1920, 1716. Assessed valuations—1933, \$5,488,310. Tax rate, 1933—Township, \$3.22; state and county, \$1.00. Incorporated 1871; settled early in 1700's. Springfield is essentially a township of homes. It is 55 minutes from New York City on the electrified D. L. & W. Railroad and has excellent bus connections to Newark, Elizabeth, Summit and Plainfield. The railroad stations at Millburn and Short Hills are less than a mile from Springfield Center. The Railway Valley Railroad has a freight station in Springfield, giving service for factories, commercial and industrial purposes. State Highway Route 29 makes it convenient to reach New York in thirty minutes by car when completed. Numerous state and county highways pass through the township. It has good streets, water, gas, electricity and a newly opened sanitary sewer system. Of interest in Revolutionary history is its historic Presbyterian Church where Rev. James Caldwell cried "Give 'em wattle boys." In the midst of the Battle of Springfield fought on June 23, 1780. Several colonial landmarks are to be found in Springfield, one of the oldest communities in Union County.

What the SUN Advocates

Believing that the following improvements are vital necessities to nourish Springfield's betterment and substantial progress, the SUN advocates:

1. A high school.
2. Removal of delapidated buildings which are "sorespots."
3. Sidewalks wherever needed.
4. Encouraging clean factories, to increase the ratables.
5. An active Board of Trade to stimulate "Buying in Springfield."
6. Postal-carrier delivery.
7. Reduced bus fare within town limits and to Millburn R. R. station.
8. Full time position for the township clerk's office.
9. Set of Building Zones, before township is developed.
10. A county park.

Letters to the Editor

Thanks Those Who Helped Red Cross Chapter

To the Editor of the SUN:

Several times, through the medium of your columns, the Springfield Red Cross has been afforded an opportunity to thank those who have assisted in various ways in the work which the Red Cross has been called upon to do. Our workers have been so busy that there has been no thought of making a record or breaking one. The past year has been a strenuous one, and not since the World War has the organization been confronted with so great an emergency. Our own community has no welfare agency of any kind, so the Red Cross, having something definite and valuable to offer in its distribution of flour and clothing, was very glad indeed to co-operate to the fullest extent with the Emergency Relief administration. The Executive Committee was both astonished and gratified to learn, from the annual report of Newark Chapter, that Springfield Branch last year led all the six branches affiliated with Newark in the number of volunteers and the amount of service rendered by them, and also in the number of Red Cross service activities sponsored by the National organization.

The six branches are Irvington, Millburn, Harrison, Kearny, Pompton Plains and Springfield. Our nursing service is our most important service carried on. In addition we have the Gray Ladies' Hospital service, a surgical dressings committee; knitting committee, health aides, assisting in the baby clinics, and a Motor Corps. Further, there has been the Roll Call, with a canvass of the entire township; weekly flour and clothing distribution; and finally, the Junior Red Cross.

The importance of the Junior Red Cross service is stressed, because no organization can go on as a living force unless the coming generation is educated to its aims and purposes. Mr. Hodgson, supervising principal, with the deliberate consideration which is one of his characteristics, did not accede to the first requests to take the Junior Red Cross into the schools, but having finally decided to do so, he has established a record. No other branch of Newark Chapter has a Junior service, excepting Kearny, and in that town only the High School is enrolled. Every child in the Springfield schools is a member of the Junior Red Cross. There are no dues, but if the children wish, they may bring one cent or more, and are urged to earn the contribution by their own efforts. The children are helping in many ways to relieve the distress which unemployment has brought and in doing these things they are absorbing the ideal of service to humanity. All this they are doing in the name of the "Greatest Mother of the World," the Red Cross.

In this short letter, I can only touch high spots. Two of our local Scout Leaders, Grenville A. Day and Edward Hoagland,

received their training in First-Aid in classes sponsored by the Newark Red Cross, and obtained their certificates as qualified lay instructors in First Aid, from National Headquarters, through Newark Chapter. Life Saving and Braille are the only two Red Cross services which Springfield Branch does not carry on. Splendid co-operation was given by the church societies and the Parent Teacher Association in emergency garment production.

Mrs. A. Palmer Brill, our new chairman, Mrs. N. C. Schmidt, vice chairman, Mrs. A. H. Richards, treasurer, and Mrs. Frank C. Geiger, secretary, are the new officers now directing Springfield Branch. Mrs. Lewis F. Macartney has taken over the clothing distribution, which will probably be completed by Spring. The flour will be given out until June. Mrs. Doerries is already looking forward to next year's Roll Call. Renewed impetus is given to all branches of Red Cross service in Springfield, and all are working willingly to accomplish the things the Branch has set out to do. All the Red Cross objectives are for the welfare of the people. What we are doing in Springfield reaches out and touches the Red Cross service in other communities. In ever widening circles the service spreads and reaches all around the world.

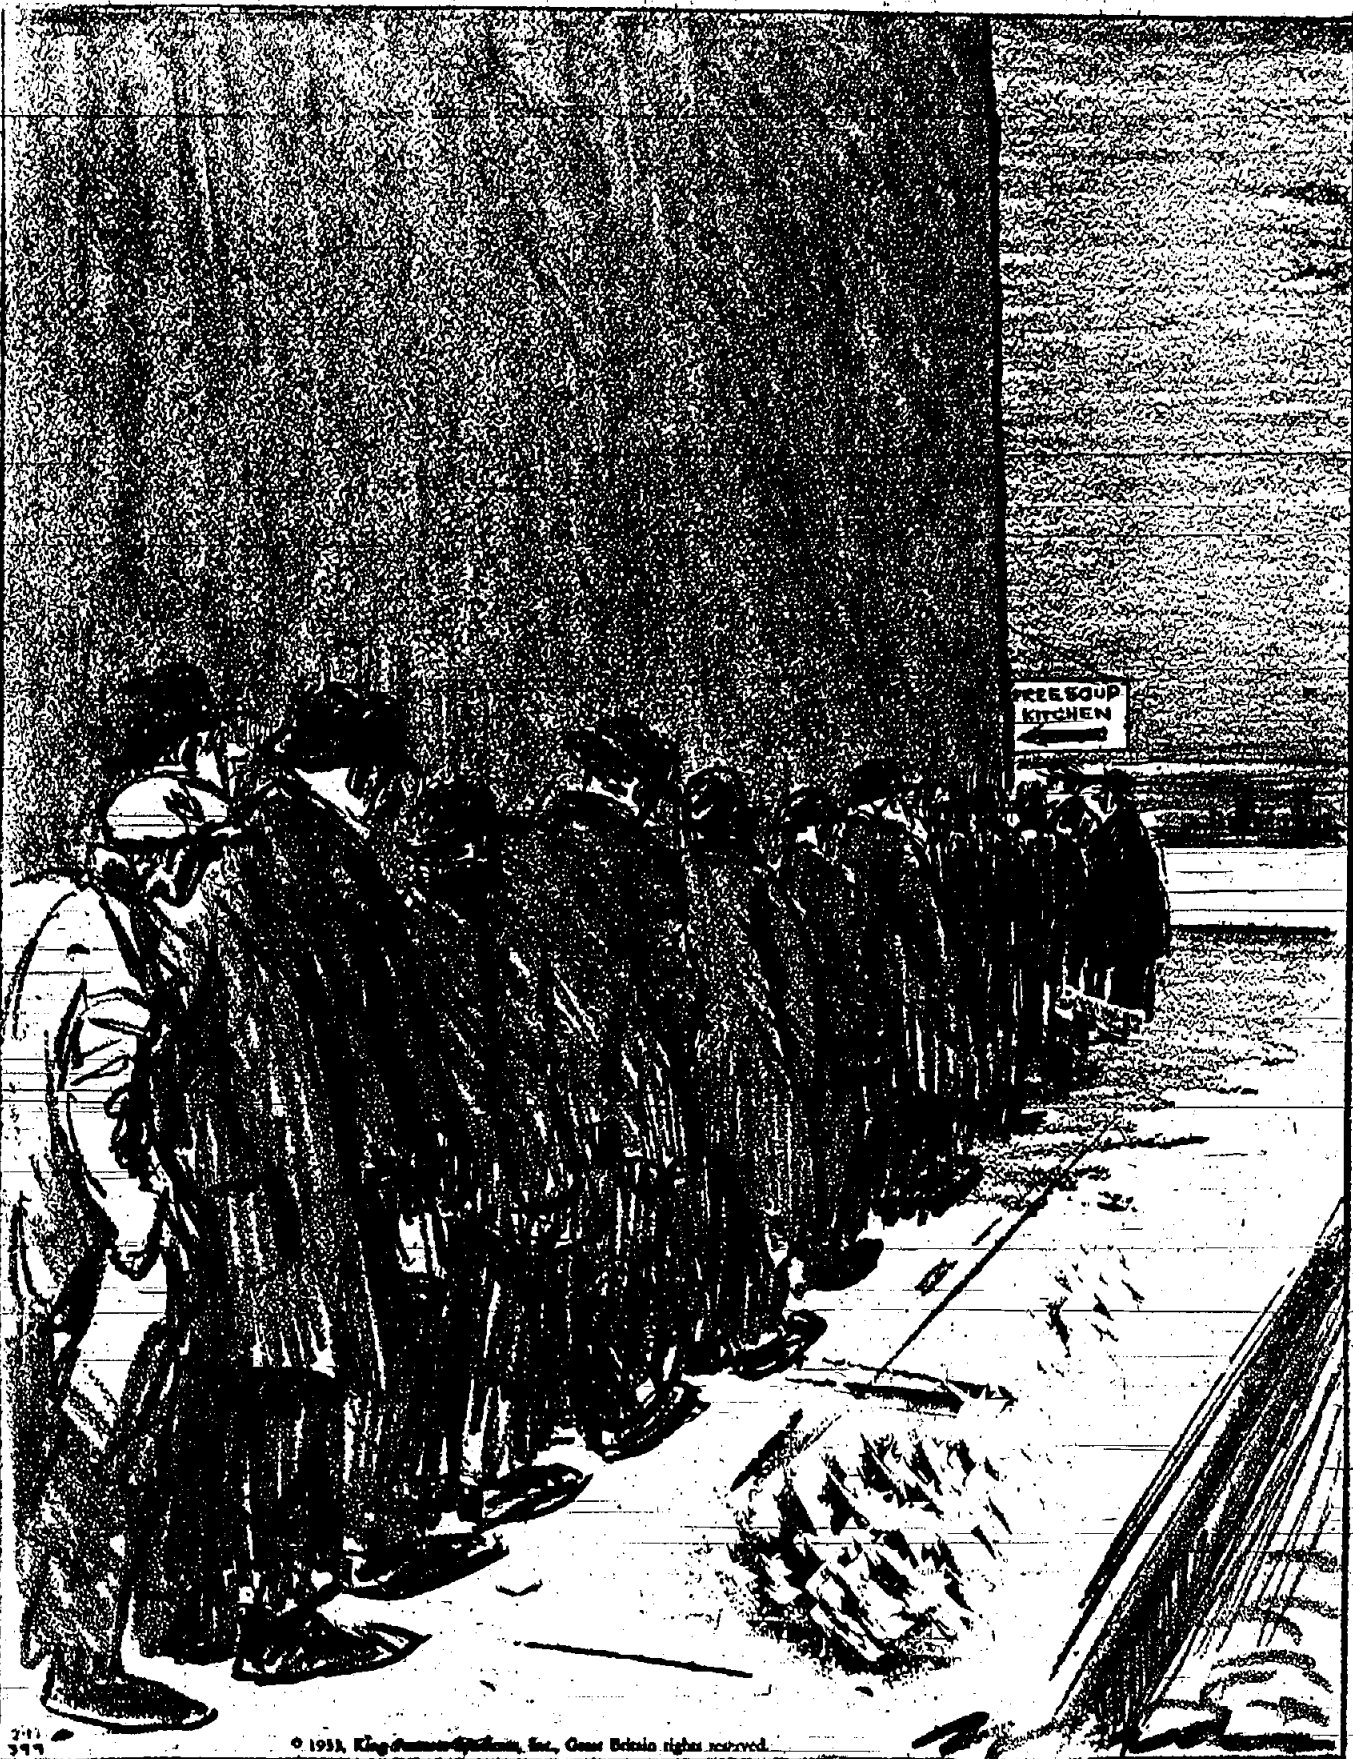

MATHILDA M. HORSTER.

COMMENDS COUNTY DEPARTMENT

To the Editor of the SUN:
I wish to commend the Union County Taxpayers Association, for the excellent service the Association is rendering the taxpayers of Union County. The common sense reasoning and fairness displayed in presenting the question of economy in government to public governing bodies, surely deserves no adverse criticism.

I am pleased to note that the Union County Association is not pursuing a policy of singling out and advocating the abolition of or the curtailing of

"All the World Is Waiting for the Sunrise"

MATTER of OPINION

All the world is shocked at the attempt to assassinate the President-elect, and all are hoping that the persons wounded by the shots, will recover. We hope we may be forgiven for one thought which persists in obtruding. We think Mrs. Roosevelt was not quite so casual as she tried to appear, on hearing of the attack on her husband.

Happenings that are almost incredible are of daily occurrence, and because they are not actually taking place in our door-yards, we go about the business of life without being very much exercised over the strange accounts we read in the newspapers. It is amazing that the term "the

force of any one department to such an extent that it cannot function, thus, if carried out, turn a good asset into a liability. In some counties and municipalities the weights and measures department have been subjected to such action. Backed by fourteen years of experience, I have found that few persons are familiar with the weights and measures department's functions or realize the benefits they derive thru it. I fail to see how anyone acquainted with the facts could or would think of abolishing or curtailing the functions of the weights and measures department.

Of course, if their respective weights and measures department is not functioning as it should, then it is either because it is not properly equipped, under-manned or poorly directed.

I am pleased to say that the Union County Department does function and

is proclaimed by the State Superintendent of Weights and Measures as the "banner county department" of the state.

Knowing and appreciating as I do the valuable service the state, county and municipal weights and measures departments render to the consuming public, I hope there will be no movement to hamper the good work they are doing.

F. C. CONKEY, Secretary.
Central N. J. Coal Exchange
223 Grove St. Elizabeth.

Held House Party

Miss Agnes Murray of 100 South Maple avenue entertained last week-end at a house party in honor of Miss Lillian Bennett of Stratford, Conn. Guests were the Misses Joan Voorhees and Vera Grant of East Orange and John Manning, William Valentine and Douglas MacDonald of New York and Douglas Murray of Springfield.

SYNOPSIS OF MINUTES OF BOARD OF FREEHOLDERS

Regular meeting of the Union County Board of Chosen Freeholders was held at the Court House, Elizabeth, N. J., on Thursday, January 19th, 1933 at 2:30 p. m. Roll call showed 21 members present and 4 absent. Minutes of the Organization and meetings of January 5th, 1933, were approved as per printed copies on the members' desks. Freeholder Rankin reported at this time. Resolution that all bills approved be ordered paid was adopted. Letter of thanks from Mrs. Gross of Summit for her resignation as a member of the Welfare Board was received and filed. Resignation of John T. Wurga, Investigator in Probation Office was received and filed. Communication from Sheriff requesting advance of money for jury account was referred to Finance Committee. Communication from State Highway Commission enclosing copy of letter sent to Gov. Moore, was received and filed. Letter of thanks from Miss Marion H. Keeler for her resignation as member of the Board of Managers of Bonnie Burn was received and filed. Communication from the County Clerk requesting transfer of Miss Josephine Walsh, Clerk Bookkeeper in Shade Tree Commission to his department was referred to Finance Committee. Communication from Metropolitan District Cricket Club requesting Board to make appropriation to Park Commission as liberal as possible was received and filed. Communication from Civil Service Commission approving deduction in salaries of County Officers and employees was received and filed. Copy of a resolution from the James B. Furber, Democratic Club of Linden demanding that Freeholder Sweet be given greater representation on Committees was referred to the Director. Two certified copies of orders from the Prosecutor granting increases in salary was referred to Finance Committee. The monthly report of the Fifth District Court and Home Economics were received and filed. Monthly report of the County Treasurer and annual report of Mills and Company, Auditors of the Sinking Fund Commission were received and filed. Report of Finance Committee on examination of the several hospitals showing number of free days treatment given by each Hospital was received and filed. Resolution by Finance and Publication Committees appointing Elizabeth Daily Journal official newspaper and fixing rate, was adopted. Resolution by Freeholder O'Donnell recommending the appointment of Michael Budrecki as morguekeeper of Linden District was adopted. Resolution by Finance Committee ordering name of Arthur Sharp Englemann, be taken from the payroll as his services terminated, was adopted. Resolution by Finance Committee authorizing County Treasurer to pay Sheriff \$10,000 for Juries per diem fees, was adopted. Resolution by Director McManis transferring Chas. O. Ylch from the Engineer's Department to the Road Department, was adopted. Resolution by Director McManis recommending repairs to all bridges be under supervision of the Road Committee was adopted. Resolution by Finance Committee appointing Miss Josephine

Walsh to the office of County Clerk was adopted. Resolution by Finance Committee recommending Shade Tree work be hereafter under the supervision of the Road Committee was adopted. Resolution by Finance Committee authorizing County Treasurer to Hospitals monthly payment from

the appropriation was adopted. Resolution by Finance Committee recommending the adoption of Budget for 1933 was adopted by a vote of 18 in the affirmative and three in the negative. Resolution by Finance Committee authorizing County Treasurer to borrow \$700,000 from time to

time in anticipation of taxes was adopted. There being no further business and upon motion of Freeholder Brooks duly seconded and carried the Director declared Board adjourned until Thursday, February 2nd, 1933, at 2:30 P. M. CHAS. M. APFLECK, Clerk

the CASH REGISTER

THE delicate clang of the cash register keys, accompanied by an insistent obligato of cash drawers opening and closing is music to the merchant's ears. What annoys most merchants today is the extremely slow tempo in which this commercial music is played on their cash registers. Today, as yesterday, accelerating the pace of your cash register is accomplished by tuning up on your advertising. The SUN reaches the Home, those purchasing markets that still make purchases, that still builds for merchants, that still read the local paper for news of bargains, seasonal merchandise, innovations, and competitive prices—markets that will keep your cash registers busy. To set your cash registers clanging, get the people derived from advertising in the SUN.

Call or drop us a card, and we will send a representative who will explain in detail the benefits derived from advertising in the SUN.

SUN

Bowling Leaders Still Intact As Final Stretch Begins

Gypsies Drop to Fifth Place

GYPSIES— No excitement was afforded spectators at the weekly Municipal Bowling League matches Tuesday night as the third quarter ended and the standing remains about the same. The A. & P. Gypsies dropped to fifth place by losing three games to the Diner Indians.

The Five Aces in first place and Recreation following lost no ground despite their matches with the Junior Order and Hook and Ladder, respectively, who each won one game.

The Hose Company made a sweep from Battle Hill and managed to get the last game by one more pin. The bowling of Dean Widmer with a 604 total and Jim Rae with 659, placing both at the top of the individual average list, was more than sensational. As "Schonzzle" Jimmy Durante would say, "It was colossal!"

The columns of this paper are open to all. Let us have personal notes about yourself or your neighbor.

SHERIFF'S SALE—In Chancery of New Jersey. Between Interstate Building and Loan Association, a corporation, complainant and Alfred Parker, et al, defendants. Fi. fa. for sale of mortgaged premises. By virtue of the above-stated writ of fieri facias to me directed I shall expose for sale by public vendue, in the District Court Room, in the Court House in the city of Elizabeth, N. J., on

WEDNESDAY, THE 1st DAY OF MARCH, A. D. 1933, at two o'clock in the afternoon of said day.

All the following tract or parcel of land and premises hereinafter particularly described, situate, lying and being in the Township of Springfield, in the County of Union and State of New Jersey, to BEGINNING at a point in the southerly line of Diven Street at a point therein distant two hundred seventy two feet and forty three one hundredths feet from the intersection of the said southerly line of Diven Street with the westerly line of Springfield Avenue; thence running (1) south forty five degrees thirty eight minutes west one hundred one feet and thirty two one hundredths feet to an iron bar; thence (2) north forty four degrees twenty two minutes east thirty nine feet to an iron pipe; thence (3) north forty five degrees thirty eight minutes east one hundred one feet and thirty two one hundredths feet to an iron pipe in the said southerly line of Diven Street; and thence (4) along the said southerly line of Diven Street south forty four degrees twenty two minutes east thirty nine feet to the point and place of BEGINNING. This description being in accordance with a survey made by R. S. H. Baker, C. E. Summit, N. J. dated June 10th, 1924. Being known and designated as lots 21, 22 and 23 in Block D as laid down upon a certain plot or map entitled "Springfield Square" Springfield Township, Union County, New Jersey, of E. E. Manham & Son owners, No. 13 Park Row, surveyed January 1925 by Luster & Seymour C. E. 286 North Broad Street, Elizabeth, New Jersey, which plot or map is now on file in the title department of the Fidelity Trust Company of the City of Newark, New Jersey.

There is due approximately \$2,537.74 with interest from December 27th, 1932, and costs.

NATHAN H. BERGEL, Sheriff.
EDJESS, Feb 3-41

RICHARD DIX PICTURE AT R. K. O. MUSIC HALL

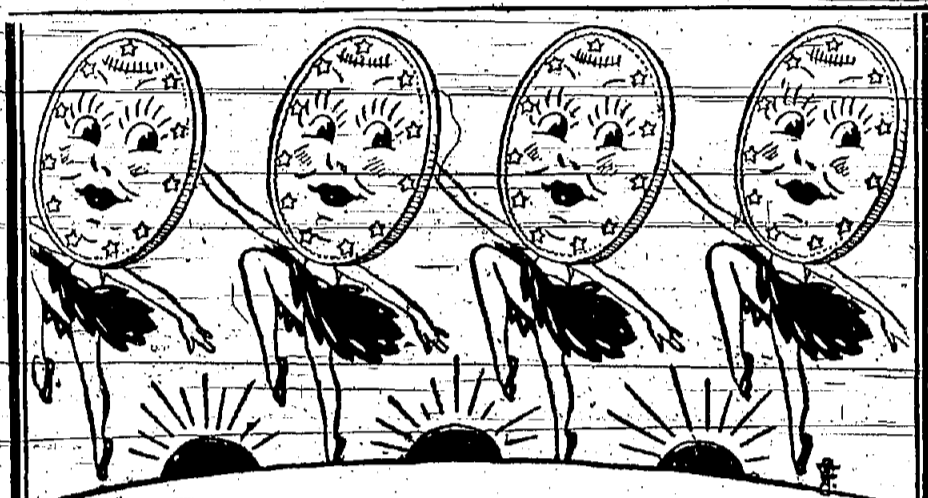

The operetta masterpiece of Rudolph Friml and a series of beautiful and romantic episodes of old Venice will delight audiences at the Radio City Music Hall this week, where these sumptuous numbers form the bulwark of the stage bill surrounding first screen showing of Richard Dix's new starring film, "The Great Jasper."

Under the general title of "Frimliana," some of Friml's loveliest melodic gems are presented by Erno Rapee's Radio City Symphony, a group of distinguished soloists and the noted resident ensembles of the Music Hall. Natalie Bodansky, Soprano, John Pierce, Joseph Macaulay and the Music Hall Male Chorus sing some of the stirring

melodies from "Rose-Marie," "The Vagabond King" and others of the composer's most charming works.

The romance and glamor of the Bride of the Adriatic are colorfully presented in the Venetian scenes. Natalie Bodansky and Joseph Macaulay sing in "Venetian Moon," in which the Music Hall Roxyettes also appear. The ballet of the week appears in "On the Canal," with Patricia Bowman, premiere danseuse; Charlotte Ayres, Rene and Co., sensational dancers; John Pierce, vocal soloist; the Ballet Corps, Roxyettes and Choral Ensemble.

Twelve young members of the resident ensemble, assisted by the Vocal Chorus, present a unique episode of music and dance.

Glorifying Thrift

It glorifies THRIFT. That's what the Frigid-aire Meter-Ice plan does. Put 25 cents a day in the coin box of this beautiful superlative refrigerator after it has been delivered free of charge, and you own it when these small payments equal the purchase price... You save on food spoilage alone more than the quarter deposited daily. THAT'S GLORIFIED THRIFT

Jersey Central Power & Light Co.

OUR LIBRARY

Monday, 7:30 to 9:30 P. M.
Wednesday, 2:30 to 5 P. M.
Friday, 7:30 to 9:30 P. M.

This particular library is peculiarly fortunate in its friends and workers. Think what it means to us all to have an additional 750 books to place before our regular borrowers on the free shelves.

In this latest of gifts are a nine-volume encyclopedia and a two-volume dictionary, both very much needed as funds this year will not permit buying up-to-the minute equipment of this nature.

Our non-fiction shelves are rapidly filling up now. There are works to be found on many diverse subjects. Whether one is interested in study or merely entertainment there is a wealth of material at hand.

Carvel Wells has given us a great account of the out-of-the-way part of the globe in his "Six Years in the Malay Jungle." Then again we find a narrative by J. W. Ley about Charles Dickens contemporaries entitled "The Dickens Circle."

Right at this time of the year it is appropriate to mention George Washington. Rupert Hughes wrote a book—biography if you please—and thereby "started something" as the expression goes.

We are really becoming quite a center for authentic information as well as entertainment.—F.P.L.

ORGANIZATION PLANS SMALL BOARD TICKET

The executive committee of the Republican County Committee went on record last week at Republican headquarters, 120 Broad street, as favoring an "organization ticket" for members of the small board of freeholders.

Dr. Egel's plan is to give the county representation, rather than have one or two of the larger communities dominate the new board. There would be three members named from Elizabeth and one each in the other six districts.

A resolution was passed favoring a change from June to September in the primary election.

Dr. Egel declared he would soon call another meeting of the committee to further the proposal of naming candidates for the small board. He will present a map of the districts at that time, he said.

CHEVROLET SALES INCREASE 12%

Chevrolet dealers reported delivering 16,826 new cars and trucks to consumers in the last ten days of January, bringing the total of retail sales for the month to 39,701 units, compared with 35,199 in January of last year.

January sales were the largest since June last year, and the last ten-day sales were larger than any reporting period since June 20—just prior to establishment of a federal excise tax—and compare with 13,438 sales in the last ten days of January, 1932, a gain of 25.2 per cent.

To date over 60,000 of the new

1933 models have been placed in owners' hands since announcement of the new line despite the fact that a field shortage existed. With field stocks at normal now, he said he expects February sales to score a considerable gain over February of last year.

In the first ten days of January dealers delivered 10,168 units, in the second ten days 12,713 units and 16,826 in the last period, the increase reflecting the availability of cars for delivery, Mr. Klingler stated.

He said the National Automobile Show sales indicated the upturn experienced all over the country during January. At the Chicago show, just closed, Chicago Chevrolet dealers sold 1,052 new units during the week of the show as compared with 710 in auto show week last year, a gain of 48 per cent; and secured 1,756 prospects as compared with 1,323 in the like 1932 week.

Comparable results were obtained in New York, and at other automobile shows already held throughout the country, attendance, interest and his company's sales generally are running higher than at any time since 1929, according to the Chevrolet executive.

A FAREWELL TO ARMS TO PLAY IN MILLBURN

Frank Borzage's production of Ernest Hemingway's "A Farewell to Arms" featuring Helen Hayes and Gary Cooper, which plays at the Millburn Sunday, Monday and Tuesday, is considered one of the class pictures of the season.

The film is a faithful reproduction of the novel telling the story of an American lieutenant in the Italian ambulance corps and a British nurse who meet and love against the background of war. An army surgeon played by Adolphe Menjou, a "war brother" to Cooper, the lieutenant, is an important role.

Also on the bill is Warren William in "Employee's Entrance" with Loretta Young. The remainder of the week's program shows on Wednesday and Thursday, "The Animal Kingdom" with Ann Harding and Leslie Howard and "No More Orchids" with Carole Lombard.

The attractions Friday and Saturday will present James Cagney in "Hard to Handle" and Mitz Green in "Little Orphan Annie."

AT THE STRAND

"Washington Merry-Go-Round," based on the sensational book of that name and starring Lee Tracy will be shown at the Strand Theatre in Summit tomorrow, Saturday. The associate feature will be "Deception" with Nat Pendleton and Barbara Weeks in the leading roles.

Frederic March and Claudette Colbert are starred in "Tonight is Ours" to be presented Sunday and Monday. The second feature will be "Second Hand Wife" with Sally Eilers and Ralph Bellamy based on the Kathleen Norris novel.

"The Bitter Tea of General Yen" with Nils Asther and Barbara Stanwyck in the leading roles will be screened Tuesday and Wednesday. A brilliant supporting cast is also seen in the picture which scene is laid in a Chinese Civil War. Ed Wynn in "Follow the Leader" is also on the program.

The attraction Thursday, Friday and Saturday of next week will show Private Clayton K. Slack, one of the late war's outstanding heroes and winner of many medals for heroic exploits, in "Four Aces," a picture revealing many hitherto unpublished occurrences of American participation in the World War.
