THE HEAT OF ELECTION COMES upon us in a hurry after we realize that Springfield will be, indeed, interested in the primary election next Tuesday although there are no local contests... whether Peter H. Meisel, Springfield's only candidate in the wild race for Freeholder, is successful, is of sufficient interest to many residents... there are some confused by the candidacy of present Freeholder Charles H. Huff for Tax Collector... his position on the Freeholder board expires when a new board is seated, elected from various parts of the county... it appears Springfield has a rare chance to elect its home-town representative... a local milkman contemplates using a team of horses in addition to his present truck... the Memorial Day parade this Spring will accomplish a desire of many who have always sought to have a Springfield Legion post-decorating local graves instead of outsiders... at any rate, the confusion last year of a contribution to either Summit or the Millburn post is not in the picture this year... the circus will be in town tomorrow, we see... softball started the hectic schedule once more and the editor just whispered into our ears that it's unfortunate no scores could be published this week due to an unusually active election week... but they'll be here next week, softball players... the interesting appeal case of the sanitary sewer assessments will be resumed Monday in Elizabeth and if any reader missed the proceedings when the case was held not so long ago, it's recommended that you be sure to grab a seat as the show starts with usually a full house... a fellow worker continuously reminds us that space is crowding this week and that the Rambling Reporter had better ramble elsewhere, so until next week, we'll be seeing you.

REPUBLICAN CLUB INDORSES MEISEL

The Springfield Republican Club last Friday night indorsed Peter H. Meisel for the Board of Freeholders. The club had previously indorsed candidates for local office, and Meisel, at the meeting, accused the president, Lee S. Rigby, of blocking his indorsement. Rigby failed to answer Meisel's accusations.

The indorsement of Meisel was proposed by the executive council of the club, which met on Wednesday night before the meeting. Twenty candidates for County and State offices spoke. There were about 100 members present.

Held Card Party.

The Springfield Democratic Club held its first of a series of Spring and Summer card parties last night in Spring Inn, Mountain avenue. The committee in charge of arrangements included William White, Ernest Reeves and Emanuel O. Holms. Dancing and refreshments were also enjoyed.

Primary Tilt Centers Here About Meisel

No Major Local Contests But
Unusually Heavy Vote is
Expected in Town

Considerable interest is being shown in the township in the Republican primary election Tuesday despite the lack of rivalry in local office due to the candidacy of Peter H. Meisel, Springfield aspirant for three-year term on the Board of Freeholders. In addition, the large number of candidates seeking a place on the Republican Freeholder ticket, a total of fifty-four in all, together with ten candidates in the race for Republican Assembly, indicates there will be an unusual heavy vote in Springfield on the Republican ballot in view of no local contests.

There is only one contest, however, in the third district county committee, Mrs. Dorothy Weber and Mrs. Joseph A. Oelling are candidates for Republican district leader. There are no other contests of local nature.

On the Democratic ticket, the unopposed candidates are: Township Committee, Milton G. Lott and Tax Collector, Edward A. Conley. In the Republican ranks, Charles H. Huff and Ebert B. Johnson are without opposition for collector and committeeman, respectively.

The Democrats also have a large number of candidates for the county and state offices. Otto F. Heinz of Springfield is unopposed on the Democratic slate for the office of coroner.

The polls are open from 8 A. M. to 9 P. M. For the benefit of readers, telephone messages will be handled at the SUN office for any information which may be available on the night of election returns. The difficulty in collecting results from various municipalities in the county may prove inconvenient in ascertaining the winners, but the SUN will make all effort to supply whichever data is on hand.

In addition to ballots for both Republican and Democratic tickets, a third ballot for the vote on the repeal convention delegates will be used. It is not necessary for a voter to designate his party in requesting this ballot, so that many independent voters who do not choose to commit themselves, may still avail themselves of the opportunity to vote on the liquor question.

DRUNKEN DRIVER GETS 90-DAY JAIL TERM

Charles R. Anderson, 46, Negro, of Hobart avenue, Short Hills, was sentenced to ninety days in the County Jail by Recorder Everett T. Spinning Monday night on a charge of drunken driving. It was his second offense and he will seek an appeal in the higher courts.

Dr. Henry P. Dengler declared Anderson unfit to drive. Patrolman Phillips arrested the defendant April 16 after a chase in Seven Bridges road. Anderson was arrested in Springfield several years ago on a similar charge but was acquitted.

Post to Have Social.

Continental Post, American Legion, will meet Thursday night in headquarters, 240 Morris avenue, and hold a social meeting. Plans are being made to hold a dance on Friday, May 19, in Immergreen Park.

IN FREEHOLDER RACE

PETER H. MEISEL, only candidate for Freeholder from Springfield, who is seeking the Republican nomination at the Primary next Tuesday.

To Resume Sewer Appeals Monday

The case of appeals of property owners against sanitary sewer assessments levied in the township, will be resumed Monday morning in the Courthouse, Elizabeth, before Judge Frank L. Cleary. The case was postponed last month due illness of the Judge.

Witnesses will be called to resume where the trial had concluded. Charles W. Weeks, township counsel, is representing the township, and Jacob R. Mantel, Summit attorney, is counsel for the property owners.

Get Out G. O. P. Voters"—Rigby

An urge to get out the G. O. P. vote on Tuesday was sounded today by Under-sheriff Lee S. Rigby, president of the Springfield Republican Club. Citing the fine calibre of candidates for both municipal and county tickets that have been assembled this spring, the under-sheriff said:

"It is the duty of all Republicans of our township to work to the utmost in seeing that a massive vote is polled at this primary election. If we are to display our true strength in township and county in November this is the time to lead the way.

"If all Republicans stay patriotic to their cause on Tuesday we cannot help but see enormous majorities piled up throughout Union County. If all ardent Republican voters were to see that those neighbors, who may be party colleagues, exercise their political franchise such advantages could easily be attained."

Rigby likewise called attention to the qualifications of Ebert B. Johnson, running for the first time as township committeeman and Freeholder Charles Huff, who has relinquished thought of again aspiring for freeholder in order to become a contender for Township Tax Collector.

Plan Sport Hop.

The Collegian Club will hold its second annual Sport Hop the night of May 25 in the Haunted Lodge, Immergreen Park. Al Strand's Midshipmen, of Roselle Park, will play music for dancing which will be held until 1 A. M. There will be door prizes and several radio stars are to entertain.

MACARTNEY RESIGNS AS RELIEF DIRECTOR HERE

"Too Much Time Required"
Told as Reason By Former
Committeeman

WILBUR M. SELANDER TO BE NEW DIRECTOR

Lewis F. Macartney, municipal relief director for twenty months, resigned from his post Monday night in a communication to the Township Committee. It was received "with regrets" and Committeeman Wilbur M. Selander was recommended for the position, the appointment being made by the County and State relief departments.

Chairman Charles S. Cannon praised Macartney for the system he estab-

lished. He said the director was leaving the work in fine shape. Macartney's resignation goes into effect May 31. His office of overseer of the poor is not affected by the move and he will continue in that capacity. He expressed his reason for leaving due to the amount of time the job required, conflicting with business.

A resolution authorizing the purchase of a truck for the new consolidated road and garbage departments at a cost of \$950 was passed on Road Committeeman Frank C. Geiger's approval. Four applications, making five in all, were received for the position of "general utility man." They were from Charles H. Ruby, present road supervisor; Russell M. Silance, Harold R. Fraser and Louis B. Parsill, Jr. They were filed.

When questioned, Committeeman Geiger expressed the opinion that Ruby may be named. It had been reported that Charles D. Horster, first applicant, would be chosen. Horster had approached the committee with a plan to handle the work after its original decision to have a municipal garbage and road truck was being sidetracked in favor of the customary outside scavenger service. When public bids were received several weeks ago, they were rejected in favor of the proposed system and it was certain, at that time, Horster would be selected.

The committee appropriated \$25 to Continental Post, American Legion, for a Memorial Day celebration. An ordinance designating four light traffic streets was held over until a future date due to changes. Tooker avenue, one of the affected thoroughfares, was included, but after a discussion concerning the inconvenience afforded the Andrew Wilson factory at the end of the street due to the proposed restrictions, it was decided to omit that road. The board discussed the matter, but Mr. Cannon said the Wilson firm had not been thought of when the ordinance was first authorized.

Thomas J. Hankins, Jr., president of

Highlights at Town Committee Meeting

1. Accepted resignation of Lewis F. Macartney as relief director.
2. Passed resolution to purchase new truck for road and garbage at \$950.
3. Approved removal of Tooker avenue among proposed light-traffic streets.
4. Donated \$25 as contribution to Memorial exercises of local Legion post.
5. Filed three new applications for road and scavenger supervisor.

Park Commission Gets Local Gift

Announcement has been made by the Union County Park Commission of the gift of 600 young magnolia trees of several varieties from the well-known F. & F. Nurseries of Springfield. These fine young trees have been planted temporarily in the Commission's nursery located in the Watchung Reservation, Mountainside, and later on will be set out in a permanent location in the Springfield section of the Rahway River Parkway. Land in this area was donated to the Park System by Mrs. Agnes G. Flemer; Carl H. Flemer and F. & B. Inc., and it is proposed to create a display of magnolias here as a memorial to the late William Flemer, who was one of the early advocates of the establishment of the Union County Park Commission and particularly fond of magnolias.

REPUBLICAN WOMEN TO MEET THURSDAY

The Women's Republican Club of Springfield will meet next Thursday night, May 18, at the home of Mrs. Walter J. Speicher of 36 Clinton avenue. Mrs. John J. King, president, will preside.

The club is making a vigorous drive in support of Peter H. Meisel of Springfield, who is a candidate for nomination for a 3-year term as Freeholder. The group has already indorsed Meisel and Ebert B. Johnson and Charles H. Huff, unopposed Republican candidates for Township Committee and Tax Collector.

Peter H. Meisel

EVERY eligible voter of Springfield in the Republican primary next Tuesday, should cast his ballot for Peter H. Meisel for the Freeholder nomination. The SUN feels it is the duty of each and every resident to sponsor the candidacy of its own home town aspirant, regardless of personalities.

The cry in times such as these days is to "keep the ship steady." Don't change from experienced leadership to the gamble of the inexperienced would-be officeholder. Mr. Meisel has the experience needed to properly fulfill the needs of the office he seeks. For more than a quarter of a century he has served on the large Board of Freeholders and can carry on under the small board rule, thoroughly acquainted with a comprehensive instant knowledge of county affairs. He has been director of the Board of Freeholders seven years. Evidence of his fine work was reflected in his being appointed purchasing agent when that position was created.

Among the other fifty-two candidates in the Freeholder race there are many equally efficient men as Mr. Meisel, but we challenge any person to contradict the truth that by virtue of his experience, there is no better man in the field more capable of knowing the doings of the county government than the former Director.

It will be conceded that Peter H. Meisel is not as popular with many of his fellow townsmen as might be. That, however, is true under similar circumstances, in any town or hamlet. But in choosing a man to fill public office, we must weigh his qualities, his experience, his ability and then act accordingly. Personalities must not enter into the question.

Thus far, we have dealt with Republicans since they, alone, have the right to nominate Republican candidates. To the independent and Democratic voters who make up the remaining total of Springfield voters and there are many, to you there is an added message. "Will you support a Springfield man to represent your municipality in county affairs or will you back an outsider, uninterested, maybe ignorant of your particular needs? Do you realize the vast difference in having your fellow neighbor at the county helm when you seek the services you may need from time to time? Finally, do you value experience over personalities? If you answer these questions with a clear conscience, you will unite in making Mr. Meisel the successful candidate. If Mr. Meisel is nominated and we are

What the SUN Advocates

Believing that the following improvements are vital necessities to nourish Springfield's betterment and substantial progress, the SUN advocates:

1. A high school.
2. Removal of dilapidated buildings which are "sore spots."
3. Sidewalks wherever needed.
4. Encouraging clean factories, to increase the ratables.
5. An active Board of Trade to stimulate "Buying in Springfield."
6. Postal-carrier delivery.
7. Reduced bus fare within town limits and to Millburn R. R. station.
8. Full time position for the township clerk's office.
9. Set of Building Zones, before township is developed.
10. A county park.

confident he will be, your support as well as that of Springfield Republicans, should work in the same direction at the November election.

Mr. Meisel was fortunate in drawing first place on the ballot. He is running for a three-year term. Will Springfield put him across with a bang? Your vote, Mr. Republican, will tell the story whether our township will see its way clear to heartily support one of its own sons!

The township loses the services of a conscientious and efficient worker in Lewis F. Macartney, municipal relief director, who has announced his retirement effective May 31, due to the conflict of the position with his business activity. He will, however, retain his office of overseer of the poor. Mr. Macartney has done his work well during the twenty months he directed relief in Springfield.

In recommending Committeeman Wilbur M. Selander to carry on, the Governing Body has chosen a fitting successor. His position as chairman of the Poor and Alms Department of the Township Committee, fits him to follow Mr. Macartney.

Macartney Thanks many who Helped in Relief Work

To the Editor of the Sun: After serving as municipal director of Emergency Relief for the past twenty months I find it essential that I give up this position.

I wish to thank the members of the Red Cross, the Sunshine Society, clergy, religious organizations, storekeepers, building and loan associations, physicians, Mr. Hoagland, the Boy Scouts, school teachers, members of the Police and Fire Departments, Springfield Sun, American Legion, Junior Red Cross, Republican and Democratic clubs, and workers for the Block-Aid for their assistance in this work. Those who have so generously contributed to the Block-Aid Campaign may be assured that their help is appreciated by the recipients of relief.

I wish to also thank at this time Major Jones of the Baltusrol Golf Club

Pussy Walks 21 Miles for a Chicken Dinner

Luray, Va.—A Luray resident decided to get rid of his cat when it developed gastronomic fondness for chickens.

Shunning the sack and stone method of disposal, he took the cat in his automobile 21 miles across the mountains, and left it.

Forty-eight hours later the cat came back, tired, hungry—and looking for more chickens.

Girl Hops Trains in Evening Dress

Pittsburgh, Pa.—The food at the county jail tastes "mighty good" to Betty Wilson, twenty-year-old Denver girl who started hitch-hiking home from New York in evening clothes. She's glad also to be indoors with a snowstorm raging outside, she told attendants.

Betty was ordered held for five days by Magistrate Thomas D. Jones in Morals court when arraigned with two young men. Railroad detectives said the three were found sleeping under newspapers in a box car in the B. & O. yards at Glenwood.

She told Jones that for more than a year she saved her money to get to New York, but once there she lost her job. So she decided to go back home. Without funds she started hitch-hiking, but in Connelsville she boarded the freight train with the two youths whom she declared "perfect gentlemen."

Fire Lighters

A cylinder soaked in paraffin makes a splendid fire lighter. Soak it overnight, then place in grate and build paper and small coal above it in a pyramid. No wood will be necessary. Coal dust sprinkled in newspaper and twisted in lengths of about 12 inches also obviates the use of wood when kindling fires.

Nest in High Altitude

A ranger in Mount Rainier National park recently reported finding a grouse's nest in the White river section at an elevation of about 5,000 feet, that was situated at the base of a hollow nearly two feet deep in the snow. The hen apparently had made her nest in a slight depression in the snow, with no lining of grasses, and the warmth of her body had melted out the hollow to its surprising depth.

Glass Decanters

For the beginning of glass decanters one must go back to the Eighteenth century. The decanter was the logical development, since wine while aging develops the sediment which spoils its color, and with the decanter it could be siphoned off and brought to the table clear. The decanters were at first plain, but later became more elaborate. They were labeled with a tag of silver or enamel bearing the name of the wine.

RICHARD J. HARRIGAN

In an interview with the press yesterday afternoon at his home, Richard J. Harrigan, candidate for three year term on the Board of Chosen Freeholders issued the following statement:

"I am a candidate for freeholder for many reasons, some of which I will tell you about. I have been requested to and have frequently been mentioned as a likely candidate for Registrar of Deeds. I decided to run for that office because I knew that I could serve the people of Union County better if I were a Freeholder." My past experience as a member of the board is a great asset.

"I, like every other property owner and business man, have had to economize. I believe in strict economy and so pledge myself, but the man elected to the Board of Freeholders must understand where and how to economize so that the people of the county will suffer no harm. There have been numerous occasions in the past year where public bodies have carried their economy idea so far that patients in county institutions have suffered from it and county property has been neglected. This is not my idea of economy.

"During my thirteen years on the Board of Freeholders I have been on every committee. The functioning of Board will not be a new experience. I am certain that what I have learned in this time will be very useful to me to fulfill my duties.

"I am very much gratified with the support which has been given me during the past campaign. I have had a rather hard time to keep up with all the meetings that I have been asked to attend, but nevertheless I am sure that my efforts will be repaid. I am prepared to put in all the time necessary to carry out my duties in a business-like and efficient manner. I shall act according to the wishes of the

We've Moved

Dear Friends,—

We have been serving you at 261 North Broad St. for 10 years but are now moving to a new home at 1162 East Jersey St. (opposite Elizabeth-Carteret Hotel).

We sincerely hope you will approve of the new location as well as the appearance of our new store.

In addition to our regular stocks of Stationery, Office Supplies, Greeting Cards, Typewriters, etc., we will now operate a well equipped Circulating Library.

Our new Greeting Card display will be the largest in New Jersey.

We eagerly await your inspection and criticism.

Respectfully,

C. ARTHUR OAKLEY
