MACARTNEY TO REMAIN AS LOCAL RELIEF DIRECTOR

Persuaded to Remain, County Relief Deputy Informs Township Committee

DAY OFF WEEKLY FOR POLICE IS REJECTED

Lewis F. Macartney, municipal relief director, whose resignation to become effective May 31, had been accepted several weeks ago by the Township Committee, will continue to serve in that office, having been persuaded by County relief officials to remain in office.

Macartney had asked to have a successor named due to the amount of work involved. The Governing Body Monday night received a letter from Col. John H. M. Dudley, deputy county

Rambling Around Town

NEW MAPS OF SPRINGFIELD prepared by Arthur H. Lennox, township engineer, who is working with the Zoning Commission and its engineer to zone the township, will make their appearance shortly... a comprehensive description of the township with types of buildings indicated makes the map most valuable... it must be understood this is not a zoning map, but a mere outline of Springfield at the present time... now that someone sneaked ahead and had the cannons painted at the Municipal Plaza, the Rambling Reporter can say no more on that subject... an important factor in the naming of Charles D. Horster as "general utility man" for the new road and garage department, has been uncovered... Charles H. Ruby, present road department employee, who will be replaced, has been doing the work for the past few years with his team of horses and although not able to drive a car, has been taking lessons so he could be qualified to operate a truck should he get the job... it seems word reached the town fathers that Mr. Ruby, while learning to drive, accidentally stepped on the accelerator instead of the foot brake and the vehicle headed into a tree near the firehouse... the Governing Body probably thought "that would never do" and instead of retaining the present road supervisor, chose Mr. Horster... Donald B. Palmer, secretary of the Lions Club, the first Springfield Lion to be named deputy district governor in the Orange district, of which the local club is a part, is one of the most active workers among Lions in the district... in assuming the highest

Highlights at Session of Township Committee

1. Accepted letter from County relief department in which request was made to retain Lewis F. Macartney as municipal relief director.
2. Rejected day off a week for police due to "lack of funds" in maintaining extra men.
3. Adopted new policy to read minutes aloud instead of submitting only printed copies to board members.
4. Passed resolution asking State for \$2,350 for local relief in June; \$250 to be spent by township.
5. Rejected request of Carl Horster for reapportionment of taxes due from J. M. Sweeney concerning purchase of land until 1933 assessments are paid to date.
6. Approved refund of over-paid taxes to those who prepaid on basis of 1932 bills.
7. Authorized preparation of resolutions setting up separate bank accounts for township, clerk and recorder, as recommended by Auditor Arthur Terry.

draw his resignation as municipal director for the Township of Springfield, in fact, we positively refused to forward it to Mr. Colt, who is the only person who can accept it

"The power of appointing municipal directors is with the State director, upon recommendation of the County director, and Mr. Macartney's resignation had no chance in the world of getting through. I am sure you will agree with me that this is a very fine thing for Springfield."

"Will you please be good enough to extend to the Governing Body our thanks for its appreciation of Mr. Macartney's fine work and please say to Mr. Cannon, chairman of the Township Committee, that in the absence of Mr. Macartney, we would be most happy to accept the recommendation of Mr. Selander as Mr. Macartney's successor, but we feel, and I am sure Mr. Cannon will feel, that having persuaded Mr. Macartney to continue as director, with Mr. Selander as his deputy, no better arrangement is possible.

"Please convey to Mr. Cannon, Mr. Nulton's compliments and assurance of his approval in the work of the Emergency Relief Administration in Springfield."

The writer mentioned Mr. Cannon's name since the chairman has the privilege of recommending to the county and state the choice of municipal directors. Committeeman Wilbur M. Selander, local deputy, had been recommended. Under new arrangements, a larger advisory committee of representative citizens will work with Macartney, thus relieving the director of the burden of relief administration. The office staff of the relief department is functioning in orderly shape so that it is believed the department will

Methodists Greet New Pastor, Rev. H. Y. Murkland

Elizabeth Dist. Superintendent Enters Upon Work at Local Institution

REV. H. Y. MURKLAND

Rev. Harry Y. Murkland, D. D., former Elizabeth district superintendent, greeted the congregation of the Methodist Episcopal Church Sunday for the first time. He succeeds Rev. William I. Reed, who is being changed to Dunellen.

Dr. Murkland has had charge of the Elizabeth district of the Methodist Church for four years and only due to economy measures in abolishing the district and merging its churches, is he relinquishing the post.

He came to the Central Methodist Church of Newark in 1913 from the New York Conference and was there until 1920 when his work proved so satisfactory that Orange, with its wealth and influence, was his next advancement. He was in Orange for nine years before assuming the office of district superintendent, where his abilities could be used over a wider range of activity.

Springfield residents feel particularly fortunate in securing Dr. Murkland's services. That he should come to Springfield is a compliment to the township in his desire to assume the local pastorate since a man of his calibre and position is usually consulted before making changes in the Methodist Church.

Recognition of his fine work is not confined to the church alone. Dr. Murkland is a Past Grand Chaplain of the Grand Lodge, F. and A. M., of New Jersey. He is a member of St. John's Lodge No. 1, F. and A. M., of Newark.

D. OF A. TO HOLD MEMORIAL SERVICE

State officers and delegates of D. of A. Council throughout the State will attend memorial services Sunday night in a body in the Methodist Episcopal Church. Rev. H. Y. Murkland, D. D., pastor, will conduct services. Mrs. Josephine Murray of Roselle Park, district deputy of Union County, will have charge. Miss Juanita Gross, soloist, will be heard in several selections.

Girls to Sell Poppies in Township Tomorrow

"Poppy Day" will be observed in Springfield tomorrow, Saturday, and an even dozen girls will be on the main streets in town selling poppies. Continental Post, American Legion, local service organization sponsoring the work, urges residents to buy poppies tomorrow. The cost is up to you and the benefits received from the sale are many.

Reforestation Recruits Leave

Six Springfield youths are stationed at Camp Dix where reforestation army recruits are in training. The local delegation, having passed physical tests, left for camp last Friday.

In the Springfield group are the following: John Tate, 20, of Meeker street; Isaac Harmon, 18, and Pate Lee, 18, both of Diven street; George J. Kemp, Jr., 18, of 74 South Maple avenue; Raymond Hendershot, 18, of Hillside avenue, and Edward Kimball, 23, of 232 Morris avenue.

Under restrictions set forth by the government, the men are paid at the rate of \$1 per day. Out of the \$30 paid monthly, at least \$25 is sent home to be used for dependents in their respective families. The quota allotted Springfield is six.

Local Lion Named to High Position

Donald B. Palmer, secretary of the Springfield Lions Club, was elected deputy district governor of the Orange District of Lions Clubs at the regional meeting last Thursday night in the Maplewood Country Club. He is the first Springfield Lion chosen for such a high position in the district.

There were about eighty members present and the South Orange Maplewood Club was the host. Springfield and Summit tied in the attendance contest, but since Summit had already won two legs on the cup it was given permanent possession as the local club has only won it once. Springfield's name will be inscribed on the cup, however. A new cup will be put up at the next regional meeting with three legs necessary for permanent keeping.

Motor Vehicle Commissioner Harold G. Hoffman was the principal speaker. The retiring deputy district governor, Al Clarke of the Orange Club, presided.

D. of A. ENTERTAINMENT TO BE HELD TONIGHT

Pride of Battle Hill Council No. 17, D. of A., will hold an entertainment and card party tonight in the Municipal Building at 8 o'clock. A revue will be presented by the Francis Hart Dancing School and cards will be played after the entertainment. Miss Frances Hart who is coach of the production, is a vaudeville head-

Local Units Marking Holiday For First Time in History With Neighboring Town

Springfield will join with Millburn in a parade and grave decorating ceremonies Memorial Day this year for the first time. The local American Legion and Fire Department will participate in addition to Troop 66, Boy Scouts of America.

The parade will include the local delegation, police, massed colors, cars with disabled veterans and Benjamin Dearing, sole G. A. R. veteran in Millburn; Millburn Band, Boy Scouts of Springfield and band in addition to the legion and firemen.

Formation will be at Whittingham terrace and Mountain View road, Millburn. The Springfield group will assemble at 8:45 A. M. at the Millburn Town Hall and march to the starting point. Preceding the parade, Rev. Hugh W. Dickinson, rector of St. Stephen's Episcopal Church of Millburn, will conduct services at the three memorial trees in Taylor Park at the Mountain View road entrance.

Line of March

The line of march will be: in Millburn, South in Whittingham terrace, west in Ridgewood road, north in Main street and west in Millburn avenue to St. Stephen's Cemetery; west in Millburn avenue and north in Short Hills avenue to St. Rose of Lima's Cemetery; south in Short Hills avenue into Springfield, east in Severna avenue, south in Prospect place, east in Morris avenue, north in Main street to the Springfield Methodist Episcopal Cemetery and north in Main street to the Springfield Presbyterian Cemetery.

At the Presbyterian Cemetery the parade will divide, each township's unit returning to its respective township hall. Mr. Dickinson will conduct services at all cemeteries except St. Rose of Lima's where Rev. Michael C. Zarillo, assistant pastor of that church, will officiate. Graves of firemen and veterans will be decorated in each cemetery. Firemen will decorate graves of their dead before Memorial Day and will send flowers to cemeteries in Summit, Westfield, Caldwell, Morris town and Long Island, where former department members are buried.

At The Graves

Springfield Legionaires and firemen will each conduct services in the Presbyterian and Methodist cemeteries. Taps will be sounded at each grave over which services are to be held. After services, the Firemen, Legion and Boy Scouts will march back to the local Municipal Building, where they will disband.

The local committee in charge of arrangements assisting the Millburn units, is composed of Post Commander Herbert R. Day and William H. Young.

lined and associated with the New York Metropolitan Company in the role of a solo dancer.

Tickets for the affair are thirty-five cents for adults and fifteen cents for children. Part of the proceeds will go to the Springfield Block-Aid Committee for emergency relief.

TURN DOWN DAY OFF FOR POLICE DEPARTMENT

Committeeman George B. Gaskill, police chairman, reported that his committee felt it inadvisable to grant the request of the Patrolmen's Benevolent Association for one day off each week. At present the men work four days at twelve hours each day to get two days off each month. He said lack of funds would not permit adding an extra man to work and it would be necessary to put on more men in the event a day off is granted.

Since it is required that the entire force work on Sunday, the heaviest traffic day, a man would be off every day, he said.

Upon the recommendation of Committeeman Wilbur M. Selander, poor and alms chairman, a resolution was passed requesting \$2,600 to be spent on local relief during June, of which \$250 is expended by the township and the remainder from the State on a special grant.

Carl J. Horster, of Mountain avenue, appeared before the board and explained he was seeking a construction loan to erect a house on property of John M. Sweeney of Shunpike road. He said before he could make progress he needed a reapportionment of taxes due on the property so that he could obtain a free and clear title. Upon the advice of counsel, Charles W. Weeks, it was decided not to grant a reapportionment of taxes until sewer assessments and 1933 taxes are paid in full. Sweeney is among the property owners appealing the sewer assessment in the higher courts and Mr. Weeks advised against splitting up the levies.

Action of Tax Collector William Hoppaugh to refund over-paid taxes to residents who took advantage of a discount by paying their 1933 taxes ahead of time, before the striking of the 1933 rate, based on the 1932 assessment, was approved.

The clerk was ordered to prepare two resolutions authorizing separate bank accounts for the clerk and recorder, as recommended by the auditor, Arthur Terry. Instead of turning over revenue in the form of currency to the treasurer, checks will be drawn

upon the respective accounts. The clerk reported not having heard further from Millburn Township regarding making Short Hills avenue a light traffic street as planned in a proposed ordinance. Since a part of the thoroughfare extends into the neighboring community, local officials felt it best to consult Millburn authorities before taking definite action. Millburn is expected to cooperate.

Wilbur D. Schuster, of 43 Warner avenue, in a letter complained of the condition of pavement of Warner avenue. The matter was referred to the road committee and Mr. Schuster was notified of the action taken.

A communication was received from the Springfield Taxpayers' Association that the group will not need the use of the Municipal Building for meeting purposes until September. The clerk was ordered to notify the Union Park Commission that, effective June 1, the township will inaugurate its own garbage collection system and use the dumping grounds at the Chemical Works property.

A new policy was introduced in having the meetings of preceding meetings, as well as bills approved, read aloud. Heretofore, members received printed copies which were acted upon as submitted. The board is expected to continue this policy of reading the minutes aloud.

office in the district, which also includes clubs of Summit, South Orange, Maplewood, the Oranges and Vailsburg, an honor is paid to a Springfield man. . . it's a known fact around the Center that when Don Palmer works on something it's done right and evidently the Lions in neighboring communities took that into consideration. . . good luck, Don! . . . one of our good friends asks: "Why is there no such thing as a man an even six feet tall, instead of six feet one, two or three inches, and why does a man insist on being five-foot eleven in height instead of a mere inch taller?" . . . will some kind reader supply the answer?

BARNUM CIRCUS IS COMING TO NEWARK

Ringling Bros. and Barnum and Bailey Combined Circus—this year celebrating the Golden Jubilee of the Ringling Brothers, who fifty years ago began their triumphal march to world circus supremacy—is scheduled to exhibit at the show grounds in Newark June 5 and 6 in Frelinghuysen avenue, opposite the Durant factory.

Outstanding among the almost countless new features of the Golden Jubilee gala performances is the most magnificent opening spectacle ever produced by this colossus among amusement enterprises. It is an authentic and dazzling reproduction of The Durbar, the world famous coronation ceremonial at Delhi, India. The Ringling Bros. and Barnum & Bailey Pageantry, opulent and staggering in its immensity, employs over 2,000 people and animals, including fifty elephants in gem-studded coronation robes and lavish headdresses. East Indian Marimba and British Imperial

foot-guard bands, scores of festival tongas, bearing rajahs and ranees, will be in the van of the pageant. A golden temple, designated by Gandhi Mood of Delhi, ornate ceremonial cars and gorgeous royal howdahs add immeasurably to the splendor of The Durbar.

Vying with the resplendent impressiveness of The Durbar is the most unusual and weird importation that even The Greatest Show on Earth ever brought out of the Orient—the Royal Padaung giraffe-neck women from Burma. These strange oriental women, with their incredibly long necks encircled with brass and copper rings, carrying sixty pounds of copper ornaments on their arms and legs, are unbelievably aloof from all mankind. They are like no other racial group in all the teeming East. The rings, soldered upon their necks, are constantly superimposed from infancy until maturity, until these slow-eyed oriental beauties resemble nothing so much as the giraffe.

THE FRIENDLY ROBIN

We have some large bushes growing by the side of our fire escape. A robin has built its nest on a branch. There are four blue eggs in the nest. We hope no one will disturb the eggs. We want to see them hatch.—MARIE WRABACK, Grade 4.

DISCUSS COMMENCEMENT

The ninth grade graduating class held a meeting Friday, May 19, and Mr. Hodgson acted as chairman. The class discussed how the pupils were to attire commencement night. It was decided the girls will wear afternoon dresses of pastel shades and white shoes and the boys will wear white flannel trousers, dark blue coats, white shirts and blue ties.

The trip to Asbury Park was also discussed. Mr. Hodgson consented to allow the class to go, under the supervision of two teachers. The following were named on a committee to arrange the trip: Lucille Welter, Jack Mohler and Raymond Schmidt.—MARJORIE HARTWELL.

MEMORIAL DAY PLANS

Everyone is invited to attend our Memorial Day Assembly in the auditorium Monday at 1 P. M. A play, "Friends in Need," will be shown. The first episode is about France helping America in the Revolution and the second is about America helping France.—FLORENCE STEWART, Grade 5B.

HAVE DISCUSSIONS

At the close of each school day, the classes hold a short period, in which we discuss care of school property, such as the furniture, how to keep desks and chairs in good condition and care of school books. We know we should not write in books and we should keep covers on them.—WILLIAM CAMPBELL, Grade 7B.

PAINTED PICTURE

We painted a picture. It is about "Little Halfchick." Six pictures tell the story. We took turns making them.—Grade 1.

GRADE 4 NEWS

Pupils in our class are making a geography booklet, called "Our Travels." In them we are placing pictures of lands we studied this term. We already made a picture of a scene near Bagdad. We have a music board with a list of songs we have learned. There are fifteen already.—KARIN NELSON, JOHN ANDERSON.

BASEBALL

When we go out with Miss Quinn, we play all kinds of games. The last few weeks we have been playing baseball. After enough practice, we will play against the boys. We hope to win.—MURIEL JOHNSON, Grade 5-6C.

MADE MEMORIAL PICTURES

Our class has been making pictures for Memorial Day. There are pictures about Peace. The flowers in our window box are coming up very nicely. The third grade has finished its geography book. We played ball on the playground this afternoon.—BETTY PIEPER, Grades 3-4.

A SHIPWRECK

We have a picture in our room of a boat called the "Scinde." Thirty-one years ago, it was wrecked on the Jersey shore in a heavy storm, and part of the "Scinde" is still on the beach at Ocean City.—BOB NUMRICH, Grade 2.

MY POEM

What a beautiful sight we see
When we look at an apple tree,
And all the blossoms white and pink
Make the prettiest dress, I think.

What a lovely sight we see
When we look at the cherry tree
She puts on her gown of pink and white
Which shines like the stars at night.

JACQUELINE MANTZ, Age 10.
RUTH CHISHOLM, Reporter.

GRADE 3 ACTIVITY

We made circus animals and put them on our sand table. Richard Kemp drew a good picture of a clown and an elephant. We have been studying birds. William McGeehan drew a picture of a blue jug and Chester Smith drew a picture of two Baltimore orioles.—ARTHUR RITTER.

PLANTED TREES

Eighty young evergreen trees were planted this week around the grounds of the Methodist-Episcopal Church. Work started yesterday morning and was expected to have been completed this afternoon. The ground officials at this time wish to thank Clarence W. Gillis for his efforts in conjunction with the planting.

WILL MARK GRAVES

Sunday School-children of the Methodist Episcopal Church will place flags on soldiers' graves in the church cemetery Sunday morning at 11 o'clock, under the joint supervision of A. Lennox Crane, Sunday School superintendent, and John Courtney, superintendent of the cemetery. There will also be special music.

Golfer Responsible for Ball He Drives

New York.—A golfer is legally responsible when a ball he has driven injures another person, the appellate division in Brooklyn decided in upholding a Supreme court justice.

The defendant in the case was Tennis S. Fiero, who was sued on behalf of John Clifford Simpson, eleven, a caddy. While playing at the Pocatello Country club at Middletown, N. Y., last August 16, Fiero's drive struck young Simpson.

Although the point was not involved in this case, the Appellate court said in effect that if young Simpson had been Fiero's caddy it would have been his own duty to watch out for the ball, but that since he was caddying for another player, Fiero was responsible.

A Practical Policy, Indeed

TAXPAYERS, watchful of the activities of their municipal government, should be interested in the new policy of the Township Committee to read minutes of its preceding meetings aloud, instead of the customary printed copies submitted to members and approved as prepared, under present conditions.

Heretofore, a screen of mystery could easily be attached to proceedings of the Governing Body performed in special session, which would ultimately lead to unfavorable and distasteful criticism. At the start, it may appear inconvenient to hold up public meetings with the reading of the minutes despite the length. If the town fathers are really mindful of their responsibilities and taxpayers and residents agree that the minutes of the board are most important, then the practice must be continued and encouraged.

Springfield is essentially a township of homes. It is 35 minutes from New York City on the electrified D. L. & W. Railroad and has excellent bus connections to Newark, Elizabeth, Summit and Plainfield. The railroad stations at Millburn and Short Hills are less than a mile from Springfield Center. The Rahway Valley Railroad has a freight station in Springfield, giving service for factories, commercial and industrial purposes. State Highway Route 29 makes it convenient to reach New York in thirty minutes by car when completed. Numerous state and county highways pass through the township. It has good streets; water; gas; electricity and a newly opened sanitary sewer system. Of interest in Revolutionary history with its historic Presbyterian Church where Rev. James Caldwell cried, "Give 'em warts, boys," in the midst of the Battle of Springfield fought on June 23, 1780. Several colonial landmarks are to be found in Springfield, one of the oldest communities in Union County.

What the SUN Advocates

Believing that the following improvements are vital necessities to nourish Springfield's betterment and substantial progress, the SUN advocates:

1. A high school.
2. Removal of delapidated buildings which are "sorespots."
3. Sidewalks wherever needed.
4. Encouraging clean factories, to increase the ratables.
5. An active Board of Trade to stimulate "Buying in Springfield."
6. Postal-carrier delivery.
7. Reduced bus fare within town limits and to Millburn R. R. station.
8. Full time position for the township clerk's office.
9. Set of Building Zones, before township is developed.
10. A county park.

Music Sunday morning will be in keeping with the observance of Memorial Day. The organ selections by Mildred Thomas will be as follows: Prelude, "No Shadows Yonder," from Gaul's "Holy City"; offertory, "One Sweetly Solemn Thought," by Ambrose, and postlude, "America, My Wonderful Land," by Neidlinger. The Junior Choir will sing "Come, Thou Almighty King," by Stults and William Rosselet will give an instrumental trumpet solo. The Epworth League will meet Sunday night at 7:30 in the lecture room. Howard Day, president, will conduct the services.

FIRST PRESBYTERIAN

Rev. Dr. George A. Liggett, pastor. Sunday School, 9:45 A. M. Morning service, 11 A. M. Christian Endeavor Society, 7:45 P. M., in the chapel.

The second "Dramatic Night" of the Christian Endeavor Society will be held in the church Monday night at 7:30. Several Sunday School classes will present one-act plays. A silver offering will be taken.

"Scoops," a three-act comedy, will be presented in the church the night of June 7 by the Ty-An Club. Tickets are twenty-five cents.

The Bethlehem Jubilee Quartet of Newark, a Negro group, will be guests of the Christian Endeavor Society June 11. The four represent some of the best Negro singers in this vicinity and will sing a number of Gospel selections.

RIGBY RENAMED HEAD OF COUNTY COMMITTEE

Undersheriff Lee S. Rigby was re-named chairman of the local Republican County Committee for the fourth year at the organization Tuesday night. Harold W. Cain was elected vice-chairman, a newly created office.

Mrs. Ida H. Martyn was named secretary to succeed Mrs. Charlotte A. Treat, who is not a member of the new County committee.

Local Democrats will meet sometime next week to reorganize. Vincent A. Shen, chairman, is expected to be re-named.

MATTER of OPINION

The problem of trying to find a "painless" tax, that is to say, a tax which will not be felt by the taxpayer, continues to bother officials, Federal, State, County and municipal. President Roosevelt is giving Congress time to devise a tax which will raise the immense fund which is needed to finance public works designed to relieve the unemployment situation, and of course it must be a method of taxing which will not raise to much of a squawk from the "folks back home" whose votes are so important. Governor Moore is insisting upon a thirty-five per cent reduction in municipal budgets and it is probable that a law will be passed to make this obligatory. Harassed municipal officials are in a dilemma something like an irresistible force meeting an immovable object. Their constituents want all the expensive services the community has been accustomed to, but... the tax rate must be reduced.

How easy it is to teach the law of "mine and thine" to the youngsters when they are small, but how hard to teach respect for other people's property if a boy has acquired the habit of vandalism. A well-kept hedge is a thing of joy to its owner, a deprivation to the home grounds, and thus an asset, which adds to the community's attractiveness. Yet there are school boys who make it a daily practice when passing a hedge to throw another boy off his balance so that he falls into the hedge and breaks it down. Too many parents leave the training of their children in the decencies of life, entirely to the school.

The management of the hotel in Elizabeth, which was used as North Jersey headquarters by bootlegging gangsters operating a beer racket, who paid \$800 or \$900 each week to the hotel, has probably decided by this time that it was not very profitable to have accommodated "the boys on the eighth floor," in view of the objectionable notoriety following the murder of

two of the gangsters. Monmouth County is also due for cleanup, now that the partnership between the racketeers and the officials sworn to enforce the law, is being exposed by the press. And in Essex County, a political leader who has too long unworthily dominated his party to the indignation of decent men and women active in the organization, is on his way out if the determined campaign against him can accomplish that end. The limit is reached when a political leader can openly boast that he "kicked the door of opportunity off its hinges" and made a couple of hundred thousand dollars in the bootlegging game, and hope to retain the support of men and women who place any value on decency. The women are making something of a crusade against Jesse Salmon.

Have you ever felt that you would like to sit in the mind of some person and know what his thoughts are? Some such idea came to me recently. We humans can always find some thought to justify our actions, however mean or contemptible. Yet, how could a woman justify herself when she gave to a man who had completed a job that called for both skill and hard work, for a period of almost half a day, three and a half hours—to be exact, the magnificent sum of 25 cents. The man accepted the money, because he was too flabbergasted to make any protest. He should have gone back and returned the two bits to the woman, with the remark that she must certainly need it more than he did; she should also have been told that if she was too poor to pay fair wage, she should perform her own labor. Further, her name and the circumstances should have been reported to the municipal employment bureau as a means of preventing the same humiliation being suffered at her hands by any other worker. Such an experience cannot fail to have a bad

FROLIC AND DANCE AT ST. STEPHEN'S

A garden frolic and dance tomorrow by the Young People of St. Stephen's Episcopal Church of Millburn will close the events featuring the eightieth anniversary week at the church. The frolic will be held on the church grounds and the dance in the parish house. George Martin's Orchestra, of Summit, will play.

Governor Moore was the principal speaker in the church before an audience of 1,000 Sunday morning, at which time elaborate exercises were held. Rev. Hugh W. Dickinson, rector, who conducted the services, welcomed the speaker. Stanley Richards, of Springfield, was master of ceremonies and cross bearer. Members of the Millburn Township Committee attended as well as delegations from the Millburn Rotary Club, Police and Fire Departments, and Washington-Rock Square Club.

JR. LEGION SQUAD STARTS WITH WIN

The Springfield Junior Legion baseball team started its season in an auspicious manner Saturday at Flemer Oval, defeating Hillside, 7-2. Coach Mill Brown's boys were ahead from the start and promise to make an impressive record this year. Continental Post, local Legion organization, is sponsoring the team which is comprised of youngsters under seventeen years of age. A schedule has been arranged with junior Legion teams in the county and vicinity.

The local squad will meet Hillside tomorrow afternoon.

effect on the morale of any unemployed man.

Why do we torture ourselves by brooding over the small hurts and slights of every day living? We brood over these things until they are magnified out of all proportion to their importance, or unimportance. Nothing anyone says or does can hurt us unless we take their words or actions into our own consciousness, and wound ourselves by dwelling on the slight. The sun shines on the just and unjust. If we "shine" hard enough we can transmute every unkind act or word directed at us. If you do not hear unkind things said about you, they don't bother you. If you do hear them, refuse to give them entrance into your consciousness. Just keep on shining!

Go to Church Sunday

Join the Happy Throng

Have you ever noticed the faces of people as they emerge from church out into the sunlight? They are bright faces, faces with faith shining in them, their burdens are lightened, their joys are increased, because they have stopped for a moment in the House of God. Your church holds the same happiness for you, a happiness in being one with your Creator, a happiness derived from good fellowship and love of mankind, a happiness found in doing good—this is only a part of what your church will instill into your heart. If you want a balanced, happy life, join the happy throng on their way to church next Sunday.

 OOOOOOOOOOOOOOOOOOOOOOOOO

It is particularly difficult when all outdoors seems to call one to an open road or into the woods to concentrate on so commonplace a thing as a column. There is so much wonderful about Spring that it dwarfs other subjects of thought. (We shall not burst into poetry, however!)

"The Wood Carver of 'Lympos," by Mary E. Waller has some remarkable description for just this time of the year. There is a charm to her work which can only be accounted by a great sympathy and love of nature which is her's.

Speaking of the beginning of things, "O! Man Adam An' His Chillun" by Roark Bradford is packed with humor yet a serious vein runs through it all. There is a directness of thought found in Negro preaching which will lead one into interesting speculation. Refreshing, is this volume.

What the mountains or forest is to some, the ocean is to others. Tales and yarns suffice in their way but real thrill is to be had from the actual because anything can happen at sea. Frederic A. Fengler gives us a wonderful account. We almost forgot to finish the column, having paused to glance into "The Cruise of Diablosse." Oh well, we hope our supper is not all cold. —F. P. L.

Home Correspondence School Offers Short-Story Training

Story writers are made as well as born. The better one's talent is, the more careful the training should be.

It has been proved that success in the writing of short-stories and articles for magazines is due to the proper professional coaching in these subjects, which can easily be done at home.

The Home Correspondence School, of Springfield, Mass., has for forty years specialized in teaching by mail. Their courses are endorsed by leading editors, writers and members of college faculties. Let no person who feels the ambition to write fail to get in touch with this splendid institution, and ask for information and catalogue.

Some of the best-known writers of today are graduates. Every issue of

"The Writer's Monthly" (ask for sample copy) prints a long list of students who have just sold their first manuscript and are in line for further success.

Results This Week

Independents 31, Legion 2.
 Indians 29, Legion 1.
 Fire Dept. vs. Republican Club (postponed, wet grounds).

The Indians lead the Playground League the second week due to two victories, against the Firemen last Thursday night in a close tussle, 5-4, and an easy win against the Legion Tuesday night, winning in a walk-away, 29-1. The lowly Legion also was trimmed Monday night by the Independents, 31-2.

The Legion will require a steeper and more experienced lineup unless similar scores are to be seen in future games. The contest Wednesday night between the Firemen and Republican Club was postponed until a later date due to wet grounds.

Games next week are scheduled as follows: Tuesday, Phantoms vs. American Legion; Wednesday, Republican Club vs. Diner-Indians, and Thursday, Fire Department vs. Independents.
