Town Committee Rejects Plan of Sewer Engineer

Rambling
Around
Town

LOCAL BUS COMMUTERS ARE evidently not interested in lower fares judging by the cool reception to the editorial which flashed across the SUN'S front page last week. . . the article entitled "Strike While the Iron Is Hot" took the Public Service Company to task for its unjust rates between here and Elizabeth, to Millburn and within town limits. . . perhaps only an organized movement would succeed in reducing fares. . . however, the matter will have to rest. . . there is a marked resemblance between Patrolman Nelson Stiles of the local force and Johnny Goodman of Omaha, recently crowned U. S. open golf champion. . . Dick doesn't play golf but the similar expressions of the two nevertheless are there. . . as usual, "Bell," dalmatian mascot of the Fire Department, carries dog license No. 1 this year as the "first lady" of the township. . . more and more, individualistic traits, rather than those found in a united smooth-working machine, are evidenced in recent actions of the Township Committee. . . cross opinions will do the community good rather than harm only if good judgment rises above petty animosities. . . the impression one gets from the committee's action this week to kill Mayor Cannon's plan for proper sewer supervision under the guidance of an experienced engineer rather than let the work continue in the hands of a layman, bears out this thought. . . it is true this column referred last week to economy. . . but there is a wise economy as well as a false economy. . . we're afraid holding the matter over belongs to the latter classification. . . "Buddy" Peer of the Maple Avenue Peers is referred to in an article in the current L. Bamberger & Co. monthly magazine for co-workers, "Counter Currents" as the "Speed King" of Springfield and that the police officers of our fair community know his worth. . . as least Newarkers can realize Springfield autoists are not so slow. . . didn't we once hear that Peer contemplated auto racing as a profession or was it two other fellows? . . . always a corker for parliamentary procedure, the Rambling Reporter claims the Governing Body failed to follow the law to a "T" by not passing an ordinance to establish the municipal garbage and road department or create the position held by the present general utility man. . . it could be termed as "illegal" if someone took a notion to be sort of critically inclined. . .

Scholarship at N. J. College For Women Awarded to Lura Anderson

Miss Lura Q. Anderson, daughter of Mr. and Mrs. Augustus B. Anderson of 36 Maple avenue, has been awarded a

LURA Q. ANDERSON

Voorhees prize scholarship by the New Jersey College for Women at New Brunswick. Names of the twelve members of the incoming freshman class who have won scholarships totalling \$2,050 were announced by Miss Fredericka Belknap, director of personnel and chairman of the college scholarship committee.

Miss Anderson is a graduate of Westfield High School and the James Caldwell School of Springfield. She had the distinction of being the youngest member of the 1933 Westfield graduating class. She is planning to major in home economics at the college. She is a member of the volunteer librarian staff of the Springfield Free Public Library.

The Voorhees prize scholarships, established in 1933 by the trustees from the income of the Voorhees fund, are being awarded this year for the first time. They provide ten competitive entrance scholarships of \$150 and are awarded on the basis of scholastic ability, general character and a competitive examination. They may be renewed for a second year if the recipient's freshman record is of superior grade.

Woman Killed in Route 29 Crash

Mrs. Georgia Tibbs, 53, Negress, of 169 Wilkinson avenue, Jersey City, died in Overlook Hospital Saturday night, three hours after being struck in Route 29 by a car driven by Louis B. Kirschman of 447 Colonial road, Roselle Park. She suffered a skull fracture, double fracture of the wrist, internal injuries and numerous contusions and bruises. The woman was crossing Route 29 at the Union line accompanied by her husband, Harry, having purchased several articles at a roadstand nearby when hit, police report. Kirschman told the police Mrs. Tibbs crossed in front of his car. Attempting to avoid her, he struck Tibbs' car which was parked at the side of the road. Kirschman took the woman to the hospital.

Police Chief Runyon preferred a charge of manslaughter against Kirschman and the latter was later released in \$1,000 bail through the prosecutor's office.

CHUCK WARD MANAGES VALLEY TAVERN INN

Charles "Chuck" Ward, Millburn High School baseball mentor and formerly a National League player, has opened the Valley Tavern Inn at 28 Valley street, Vaux Hall. In addition to the rathskeller, the inn has a private dining room and numerous private rooms for small dinner parties. Mr. Ward, who played professional baseball for fifteen years, stepped in to Honus Wagner's shoes as shortstop for the Pittsburgh Pirates after the old master left the smoky city team. Later, he played with Brooklyn having been a member of the 1920 pennant winners, who lost to the Cleveland Indians in the World Series that year.

Don Gibson and his College Club Orchestra of Springfield play for dancing every Saturday night. Later, other nights with the orchestra will be provided. Spaghetti dinners will

Master Rus-Syl at Roth-Strand

An extraordinary stage attraction has been booked at the Strand Theatre all next week. The world's youngest mind reader, Master Rus-Syl, will appear in person from Monday to Saturday, inclusive, at both matinee and evening performances. "He sees all and tells all" as advance publicity heralds his coming to Summit.

"Tom Mix in 'Rustler's Round Up'" and "Midnight Warning" with William Boyd will be seen at the Strand, tomorrow. The two features Sunday and Monday will be "The Nuisance" with Lee Tracy, and Bebe Daniels in "Cocktail Hour."

Sylvia Sidney in "Jennie Gerhardt" adapted from Theodore Dreiser's most famous novel, will be shown Tuesday and Wednesday. The cast includes Donald Cook, Mary Astor, H. B. Warner and Edward Arnold. The picture chronicles the dramatic life of "Jennie Gerhardt" from 1904 up to the present date. Ken Maynard in "King of the Arena" is the added feature.

Nancy Carroll in "The Kiss Before the Mirror" will be seen Thursday and Friday. Phil Harris, famous leader and crooner of the Coconut Grove Orchestra in Los Angeles, makes his screen debut in "So This Is Harris," the added attraction.

be a splendidly and dinner parties may be arranged by appointment.

Mr. Ward aims to maintain a clean establishment. In order to give the tavern a "sporty" atmosphere, autographed photographs of prominent athletes will decorate the walls, many of whom are personally acquainted with the manager of the tavern. Beginning this week, clam chowder is being served free of charge on Friday nights.

ATTORNEY OPENS OFFICES IN TOWN

Abraham Gwosdof, Newark attorney, has opened law offices at 10 Flem-

SPRINGFIELD DOCTOR

DR. MAXWELL H. SHACK.

Dr. Shack to Start Residency at Soho

Dr. Maxwell H. Shack, son of Mr. and Mrs. Herman Shack of 279 Morris avenue, will begin his residency at the Essex County Isolation Hospital at Soho for contagious diseases, starting tomorrow. He recently completed a one-year internship at St. Elizabeth Hospital, Elizabeth.

Dr. Shack received his degree in medicine at the University of Maryland, having had three years of pre-medical training at Rutgers University. Upon his graduation, he took a special course in obstetrics at the famous Lying-In Hospital, New York City, during the Summer of 1931.

He was graduated from South Side High School, Newark, in 1925. His present residency appointment at the Essex County institution will be concluded the first of the year when he will receive an appointment as a member of the staff at Newark City Hospital for twenty-four months.

Dr. Shack passed the examination of the Maryland State Board of Medicine June of last year.

SERVICES HELD HERE FOR GEORGE DRAY

Funeral services for George Dray, fifty-nine, of 103 Tooker avenue, who died Tuesday of last week at the Presbyterian Hospital, New York, of a heart attack, were held Friday at the home. The Rev. Walter O. Kinsolving, rector of Calvary Episcopal Church of Summit, officiated. Interment was in Fairview Cemetery, Westfield.

M. Dray had been ill two weeks. He was born in England and lived in this country twenty-six years, the last fifteen years in Springfield.

He leaves a son, Frederick Dray of Millburn and three daughters, Mrs. Constance Dowling and the Misses Elsie and Edith Dray, all of Springfield. Four sisters in England also survive.

er avenue. A native of New Britain, Conn. and educated in schools there, Mr. Gwosdof was graduated from New Jersey Law School in 1927 and admitted to the bar in May of 1928.

He was admitted as counsellor at law in 1931. He has been engaged in the practice of law with offices at 810 Broad street, Newark. Mr. Gwosdof was an organizer of the Newark Taxpayers' Association and at present is its financial secretary.

Board Turns Down Move, 4 to 1, As 'Not Right Time'

A. Lennox Would Maintain Inspection at Salary Maximum of \$700

RESOLUTION PASSED FOR BEER PERMITS

By a vote of 4 to 1, Mayor Charles S. Cannon casting the dissenting vote, the Township Committee Monday night laid over the Mayor's plan to place the sanitary sewer system under direct supervision of Arthur H. Lennox, township engineer.

At present inspection and maintenance of the sewer is vested in the municipal road department, and one day a week is allotted for that purpose. In submitting the plan, Mr. Cannon stated the sewer needed engineering supervision and cited sewer troubles encountered by other municipalities, particularly Cranford, where lack of proper care resulted in added and needless expense to repair. Under the plan, a maximum compensation of \$700 would be paid as yearly salary. He said an investment of \$790,000 was worth the small expense to safeguard it. The money would be taken from the sewer maintenance appropriation.

Committeemen Geiger and Gaskill said such supervision was not needed and that the sewer was functioning under present supervision. The lack of funds, both agreed, warrants laying the matter over. Committeeman Sclander approved the plan, but opposed the expense at this time. Committeeman Trundle did not enter into the discussion.

Lennox, under the plan, would prepare a base sewer map and copies in addition to making an inspection of the entire system at intervals. Thus, minor leaks would be discovered before becoming enlarged. Recommendations would be made where cleaning is necessary for the road department to perform.

In voting on the subject, Mr. Cannon asked that a record of his approval of the plan be spread on the minutes. The responsibility, he said, is then relieved since he had, at least, brought up the issue.

BEER REGULATIONS ACCEPTED

A resolution was passed fixing the same beer license fees for the extended period of the temporary state law to September 1 as for the original period to May 25, which was later extended until June. Permits will be obtained within five days and are retroactive to May 25.

Beer permit applications, including one from John B. Schott, were referred to the police committee for investigation. Schott said his butcher and grocery business at South Springfield avenue and Ruby street had fallen off and he wanted to give it up and open a beer garden. The committee may consider applications at a special meeting Monday night.

Since the new state act permits Sunday sale as well as bars, local authorities are in favor of the move. It is expected that lunch cars and other places, prohibited prior to the act by the state regulations, will be granted licenses in town.

Several Scouts from Troop 66, headed by Assistant Scoutmasters Harry Venn and Willard Day, attended the Board of Review this week in Union and received merit badge awards in firemanship, swimming and leathercraft.

Since this column is to feature camping hints, etc., it is most fitting that we start this week with the subject, "Fires." Before building a fire, there are two questions to be answered. "Can you and will you put out the fire when you are through with it?" Above all, learn how to control your fire. These are a few simple hints to follow:

1. Never throw away lighted matches, cigars or matches. Make a habit of breaking matches in two before throwing them away.

SEND IN YOUR NEWS

Readers of THE SUN are invited to send in news.

Clubs, organizations, lodges and other bodies are also extended an invitation to make use of the columns of this newspaper.

There is no charge for news items. The only requirement is that the article be signed. Your name is not published. This is required as evidence of good faith.

When writing news, be sure to mention the proper names, place, and when.

The SUN is your only home-newspaper. Help make it more interesting.

Address your envelope, SPRINGFIELD SUN, and mark News in the lower left-hand corner.

For publication the same week, all news must reach the SUN office by noon Thursday.

2. Clear out a circle of bare ground before starting your fire. Many forest and brush fires start due to neglect of this rule.

3. Avoid underground fires by lining fireplaces with stones.

4. When you leave the fire, be sure it is covered with wet dirt, water or any other material which will not burn. Leave your campgrounds clean of garbage and papers.

5. Never build a campfire against a living tree.

6. When you see someone disregarding these rules, do not scold. Explaining will produce more satisfactory results.

The above material was obtained from "Camp Fires and Camp Cookery" by E. Laurence Palmer, professor of

AT MILLBURN
Irene Dunne in "The Silver Cord" with Joel McCrea and "Girl in 419" starring James Dunn and Gloria Stuart, head the attractions Sunday and Monday during holiday week at the Millburn Theatre.

On Tuesday, Independence Day, and Wednesday and Thursday the presentation will be Marion Davies in "Peg O' My Heart" in addition to "The Life of Jimmy Dolan" featuring Douglas Fairbanks, Jr. and Loretta Young.

Janet Gaynor and Henry Garat in the latest of romantic vehicles, "Adorable" will be shown Friday and Saturday. The second attraction will be "Oliver Twist" with Dickie Moore

rural education, Cornell University. THE NEWS SCOUT.

SUNDAY SCHOOL PLANS PICNIC AT ECHO LAKE

The annual picnic of the Sunday School of the Presbyterian Church will be held at Echo Lake Park, Mountaintide, on Saturday afternoon, July 8. Those attending will bring a lunch.

Soda or ice-cream will be provided by the Sunday School. Frank Jakobsen is general chairman or arrangements.

Cars will leave the chapel at 2 P. M. and return at 8 o'clock in the evening. Games, contests and sports of various kinds are being planned.

Taking the Chase Out of Purchase

ADVERTISING benefits the man who buys as well as the man who sells. It is part of the Golden Rule of Business and it works both ways.

Don't miss the advertisements in this newspaper. Many of them are interesting just because of their news and educational value alone.

But more than that: Advertisements take the chase out of purchase and make every penny do its full duty.

This last statement is one particularly to be remembered when common-sense economy is not only a national duty; but an individual necessity.

DON'T MISS THE ADVERTISEMENTS

Communications on any subject of local interest are welcomed. They must be signed as evidence of good faith. Unsigned letters will not be published. The SUN reserves the right to print only those articles which it feels are worthy of publication. All communications sent for publication in the same week's issue, must be in our office not later than noon Thursday. Articles reaching us later, will not be published that week. It is important that this rule be observed.

Friday, June 30, 1933.

Makes Better Appearance

THE appearance of Morris avenue has been greatly improved as a result of cleaning gutters along the thoroughfare by the road department, acting under Committeeman-Geiger's instructions.

No better impression could be reflected in the minds of thousands of motorists who pass through town that our community is a clean place in which to live. Co-operation by residents in keeping streets clean is most valuable, although a very minor detail. As a suggestion, a "clean up week" from time to time, would do no harm.

Springfield deserves proper flag decorations on the forthcoming Independence Day holiday, don't you think? Patriotic as Springfield is, there has been a decided lack of display of colors, on holidays in the past. You have been reminded—Let us see what benefit is derived.

Mr. and Mrs. Phillips M. Goodwin and daughter, Janet, and Mrs. Robert D. Treat and Mrs. Sarah Armstrong of Bryant avenue, will leave tomorrow to spend the Summer at Belmar.

NOTICE OF SETTLEMENT NOTICE IS HEREBY GIVEN, That the account of the estate of CHARLES F. WEGLE, deceased, will be audited and stated by the Surrogate, and reported for settlement to the Orphans' Court of the County of Union, on Friday, the 21st day of July next at 1:30 P. M. Daylight Saving Time. Dated June 10th, 1933. MARIE E. WEGLE, JOHN C. WEGLE, Executors. JAMES H. VREELAND, Executor. 141 Washington St., Newark, N. J. Fees \$5.20 June 16-33

SPRINGFIELD Population—1932 4,000 (est.) 1920, 1715. Assessed valuations—1932, \$5,485,519. Tax rate, 1932—Township, \$3.21; state and county, \$1.06. Incorporated 1831; settled early in 1700's. Springfield is essentially a township of homes. It is 55 minutes from New York City on the electrified D. L. & W. Railroad and has excellent bus connections to Newark, Elizabeth, Summit and Plainfield. The railroad stations at Millburn and Short Hills are less than a mile from Springfield Center. The Rahway Valley Railroad has a freight station in Springfield, giving service for factories, commercial and industrial purposes. State Highway Route 29 makes it convenient to reach New York in thirty minutes by car when completed. Numerous state and county highways pass through the township. It has good streets; water; gas; electricity and a newly opened sanitary sewer system. Of interest in Revolutionary history with its historic Presbyterian Church where Rev. James Caldwell, called "the white boy" in the midst of the Battle of Springfield fought on June 23, 1780. Several colonial landmarks are to be found in Springfield, one of the oldest communities in Union County.

What the SUN Advocates

Believing that the following improvements are vital necessities to nourish Springfield's betterment and substantial progress, the SUN advocates:

- 1. A high school.
2. Removal of dilapidated buildings which are "sorespots."
3. Sidewalks wherever needed.
4. Encouraging clean factories, to increase the ratables.
5. An active Board of Trade to stimulate "Buying in Springfield."
6. Postal-carrier delivery.
7. Reduced bus fare within town limits and to Millburn R. R. station.
8. Full time position for the township clerk's office.
9. Set of Building Zones, before township is developed.
10. A county park.

"OUR LIBRARY"

OPEN Monday, 7:30 to 9:30 P. M. Wednesday, 2:30 to 5 P. M. Friday, 7:30 to 9:30 P. M.

Scanning the current issue of "The Reader's Digest" we find two quotations of importance to us right here. "It is what we read when we don't have to, that determines what we will be when we can't help it." Education is progressive and never finished. Our library is at hand to assist.

"Ranged shelf on shelf in many a home are books that never know the touch of human hand save when they are dusted. They are spent books, as little use to us as an exploded fire-cracker. Would it not be better to bundle them all off to some home (ed. our library) that can find use for them—clear the shelves to make room for books that meet our needs today?—House and Garden."

If only every unused or 'idle' book could be accumulated here where those unable to buy books could read freely and without cost! Our volunteer librarians are giving of their time and efforts. Let's all make their services more effective. Books will be called for, if desired.—F. P. L.

TO HEAR APPEALS

Tax appeals from Springfield will be heard next Thursday by the County Board of Taxation in Elizabeth. There are 6,000 appeals to have hearings throughout the county.

Crafted and Anshin

MATTER of OPINION

Next Monday is scheduled as the opening day of the supervised recreation provided by the Union County Park commission at the Flerer Avenue Playground. Year after year, an increasing number of our people, young and not so young, are finding relaxation at this spot, either by active participation in the various games, or as spectators keenly interested in the contests staged there. We do not care to vision what our town would be like, during the months that the schools are closed, were this summer playground to be discontinued. Each day there is something interesting here for idle hands to do, and in the freemasonry of games the supervisors find many an opportunity to teach the sportsmanship which is so important in character building. We have a suggestion to make, however, and that is that more tables and comfortable benches be provided for the mothers who wish to take their children to the playground, and remain there all day. We recall one mother who lives about a half-mile from the grounds, and who last year was a faithful visitor several times weekly, arriving there in the morning with the two-smallest ones in the baby carriage, and the four or five older ones, all neat and clean, trudging behind her. At four o'clock, tired but happy, not quite so neat and clean, they straggled homeward, ready for supper and bed. And only mothers who know the strain of trying to keep safely and happily at play a brood of six active youngsters, within the limited confines of a meagre home, can realize the blessed relief which come from the lifting of this strain. The boys and girls of the restless adolescent age, so often misunderstood at home, and now constituting an enormously increased problem in these days when little or no money is available for outings or amusements, find in the playground an outlet for their exuberance. There are others, however, who are missing the benefits they might derive from this recreation spot. The young business women and young married women could find several activities there to interest them. Paddle tennis, which is increasing in popularity each season, is played there, as are also volley ball, basket ball, ring tennis and quoits. Sneaks or shoes without heels are required on the paddle tennis court.

difficulties which are encountered by the city of Newark and some other Essex County municipalities, it becomes apparent that the whole situation of

delinquent tax payments is a cumulative one, which must inevitably grow worse for a considerable time, even after there is a general improvement in employment and in business. This is because there was a belated reaction on the part of municipalities to the effects of the depression. Although it is now almost four years old, there was no noticeable retrenchment in municipal spending until two years ago, and in some instances only during the past six months has there been a real facing of the disquieting conditions. We may all be deathly tired of the subject of taxes, but we cannot get away from it. It is with us every minute of the twenty-four hours of the day.

It is to be supposed that every one of us who has to do without things we have long been accustomed to enjoying, is more or less grouchy these days. We have been told quite frequently, of late, that Americans are doing a lot of "abominable whining." It is true that the "pioneer spirit" which upheld the early generations of Americans has been thinned out considerably. When you feel that you have a particular grievance against the depression, read the short story "Let the Hurricane Roar" by Rose Wilder Lane. This can be read in an hour or two, and for several days you will be too ashamed to whine about your troubles or deprivations. A copy or two of this story on the shelves of Our Library will probably help some of us to grow a back bone again, instead of the spineless wish bone we have been cultivating.

Mrs. Frank R. Kohler of 3 Bryant avenue is having as her guest for several weeks her sister, Mrs. A. D. Williams of Youngstown, O.

Go to Church Sunday

Join the Happy Throngs

Have you ever noticed the faces of people as they emerge from church out into the sunlight? They are bright faces, faces with faith shining in them, their burdens are lightened, their joys are increased, because they have stopped for a moment in the House of God. Your church holds the same happiness for you, a happiness in being one with your Creator, a happiness derived from good fellowship and love of mankind, a happiness found in doing good—this is only a part of what your church will instill into your heart. If you want a balanced, happy life, join the happy throng on their way to church next Sunday.

SYNOPSIS OF MINUTES OF BOARD OF FREEHOLDERS

Regular meeting of the Union County Board of Chosen Freeholders was held at the Court House, Elizabeth, N. J., on Thursday, June 1st, 1933, at 2:30 p. m. Director McMane presiding. Roll call showed twenty-three members present and two absent. Resolution that all bills approved be ordered paid was adopted. Copy of a resolution from Township of Scotch Plains authorizing Chairman and Clerk execute agreement with the County for improvement of Westfield Road was received and filed. Communication from P. V. G. Mitchell of Summit calling attention to condition of his property on Glenside Avenue was referred to Road Committee. Communication from the Register advising of leave of absence without pay of Laura B. Durant was received and filed. Communication from the City of Plainfield enclosing two bills for storm sewer construction was referred to Bridge Committee No. 3. Communication from Township of Woodbridge requesting bridge work over Rahway River be hurried, was referred to Railway Drawbridge Committee. Resolution of May Term Union County Grand Jury recommending erection of fence at John Wheeler Park was received and filed. Communication from Helena C.

SAFE AND SANE FOURTH

Independence Day of old was celebrated with a reckless abandon. Many persons lost their lives playing with guns, explosives and fireworks. Others were drowned or killed in motor accidents. The Fourth in fact shares honors with almost any week-end for catastrophes, except that people have been made more safety conscious, through ceaseless efforts of safety organizations and accident and fire prevention workers.

Last year, on the "morning after" the Associated Press reported 119 motor vehicle deaths, 90 drownings, 10 firework fatalities and 26 deaths from other causes—a total of 245, no one knows the extent of serious or minor injuries because only a fraction of them are reported. The National Society for the Prevention of Blindness estimates that 50 persons lose complete sight of one or both eyes and that more than 500 more suffer minor eye injuries every year from fireworks alone.

In order not to jeopardize the safety of yourself or others see that your car is in a safe operating condition drive safely and not too fast do not attempt to pass another car unless you can see 500 feet ahead, watch out for pedestrians, if you go swimming—swim in safe places, watch out for tides and currents. Stay within your limits, wait two hours before going into the water after eating and take a friend along for safety's sake. If you use fireworks, be on the alert every minute. Keep from inflammable material. Keep away from smaller children and animals. Cauterize all small cuts and bruises immediately—tetanus is swift and deadly. Remember these rules and help make a "Safe and Sane Fourth".

Doyle of Cranford complaining of Tree Spray damaging her porch, was referred to Road Committee. Monthly reports of Fifth District Court, Third District Court, Home Extension Service, Jail Committee; Jail Physician, Road Supervisor, County Engineer and Sealer of Weights and Measures and Mills and Company, Auditors, were received and filed. Report and Resolution by Bridge Committee No. 2 recommending County to pay its share of construction of conduit crossing Jerome Street, Roselle Park, upon signing agreement and approval of State Highway Commission, was adopted. Report and Resolution by Committee on Engineer's Office granting Henry C. Smith, Jr., leave of absence without pay was adopted. Report and Resolution by Bridge Committee No. 3, recommending payment to City of Summit for new construction of catch basins at Locust Drive Bridge, was adopted. Resolution by Finance Committee authorizing Director and Clerk to sign release for damage to Sheriff's car was adopted. Resolution by Grounds and Building Committee recommending the temporary appointment of Andrew Slochman as elevator operator, was adopted. Resolution by Finance Committee approving and confirming resolution authorizing issuance of \$120,000 tax revenue bonds of 1932, also approving and confirming sale of \$100,000 of the bonds at 90% of par and accrued interest was adopted. Resolution by Finance Committee approving sale of \$50,000 of tax anticipation bonds at 6% to A. C. Allyn & Company was adopted. Resolution by Grounds and Buildings Committee recommending fixing wages of four milk clerks at sixty cents per hour less the 10% for 1933 was adopted. Resolution by Grounds and Buildings Committee upon the recommendation of the Examining Board for Non-Competitive positions recommending the appointment of four male clerks was adopted. Resolution by Grounds and Buildings Committee recommending temporary appointment of three engineers was adopted. Resolution by Grounds and Buildings Committee recommending George Rabig at his request be relieved as night engineer and re-assigned to duties of clerk was adopted. Resolution by Finance Committee recommending request of Judge McGrath for appointment of secretary be referred to Finance Committee with power, was adopted. Resolution by Freeholder Sweet requesting Director to appoint Special Investigating Committee to examine entire County staff and eliminate any dual positions, reporting back to Board was adopted. Resolution by Freeholder Sweet requesting contract of Otis Elevator Company for maintenance, be terminated was lost by a vote of two to twenty. Resolution by Freeholder Sweet demanding County Attorney make immediate arrangements to impound a sufficient portion of \$213,500 found in safe deposit box of slain men in Elizabeth Hotel was referred to County Attorney and Prosecutor. Resolution by Freeholder Sweet amending by-laws to meet twice a month was lost by a vote of 9 to 13. Resolution by Freeholder Sweet amending by-laws to meet twice a month in the evening, was lost by a vote of 2 to 20. There being no further business and upon motion of Freeholder Harrigan, duly seconded and carried the Director declared Board adjourned until Thursday, July 6th, 1933, at 2:30 p. m. CHAS. M. AFFLECK, Clerk.

THE PRICE OF BUSINESS SPEED

Banking Institute Speaker Says That Bank Failures Followed Business Failures

CHICAGO, Ill.—Many appear to think that failures occur only to banks, but the complete story of business shows that failures of American banks have followed the failure of business enterprises, and have not been a cause of those failures, Dr. Harold Stonier, National Educational Director of the American Bankers Association, declared in a recent address here before the American Institute of Banking. "It is true that we have had more failures in our banks than in the banks of a number of other countries," he said. "It is also true that we have had more failures in drug stores, grocery stores, railroads, and in every other type of business enterprise. At the same time, it must be said that we still have left after all our failures, more drug stores, more grocery stores, more railroads, and more banks than any other country." People do not realize, he said, that we have in excess of 103 banks which have been in existence over a century and we have more than 2,000 banks which have been in existence over 50 years. "In other words, we have more banks over 100 years of age than any other country—we have more banks over 50 years of age than any country in the world," he declared. "The American banking system has not fallen down—it is not in danger of decay. Such failures as it has experienced are due to the price we pay for too rapid development of business enterprises, but that is the American spirit."

Speed of Wild Ostriches

Wild ostriches can run as fast as 50 or 60 miles an hour for short distances. Ostrich hunters find little difficulty in corralling the birds because they invariably run in circles and can be overtaken by horses.

U. S. GOVERNMENT GREATEST BANKER

Runs Fifty-two Financing Institutions With Investment of Two Billion Dollars—Thirty-nine Agricultural

AMERICA'S biggest banker today is the Federal Government, which is now operating fifty-two financing institutions, says Professor John Hanna of Columbia University in the American Bankers Association Journal.

"Forty of these are owned entirely by the Government," he says. "In twelve more the Government has already a two-thirds interest. Thirty-seven are intended to be permanent. Twenty-five of the permanent ones and fourteen of the temporary ones are agricultural."

"The capital stock held by the United States in these banks has a par value of \$1,380,000,000. The Government's total investment is nearly \$2,000,000,000. Resources of these institutions exceed \$5,000,000,000. In addition the Government has detailed supervision over fifty-one mortgage banks, operating under Federal charter."

"The Government also supervises 4,600 local agricultural loan associations with Federal charters. All this takes no account of the relations of the Government to the twelve Federal Reserve banks, nor of the authority recently given to the Reconstruction Finance Corporation to buy preferred stock in national and state commercial banks."

The President has ordered the consolidation of the agricultural credit agencies into the new Farm Credit Administration, says Professor Hanna. He expresses the opinion that before the consolidation of the agricultural financing agencies too much machinery had been created to administer the financing institutions which the Government either owns or supervises.

"Existing institutions represent a considerable differentiation of function and any consolidations should be preceded by a careful survey of the actual activities of the various institutions," he continues. "The only consolidation the Administration has announced is that of the agricultural credit agencies in the Farm Credit Administration. As a permanent solution this arrangement is too closely bound up with politics."

"A better scheme would be to create a finance corporation under Federal charter to take over either the agricultural finance activities of the Government or all its lending agencies."

"The Government's financing and banking activities should be kept severely apart from subsidy and other schemes for raising the prices of farm products. One is business, the other is major political policy. The advantages of the corporation over bureau control for the business functions are real and significant."

Old Surgical Requirement

When the surgeons of Edinburgh were in 1505, incorporated under the denomination of surgeons and barbers, it was required of them to be able "to read and write."

Sex of Smugglers

Women make 90 per cent of the attempts to smuggle articles through the United States customs. Collier's Weekly.
