

### Rambling Around Town

**EVEN FORMER SHERIFFS ARE** victimized by burglars and Lee S. Rigby of Springfield is no exception. . . . The loss of \$800 in firearms and jewelry from his hardware and sporting goods store, in Morris avenue, last Friday night by burglars who smashed a safe combination, removing store merchandise, in addition to about \$300 in jewelry retained in the store by Miss Lena Fisher, Rigby's bookkeeper, was the first time in recent years that such an incident had transpired. . . . police are trying to trace the goods by circular, in the hope that merchants in adjoining towns will be asked to look for the stolen goods.

The regional football team will be honored at a testimonial dinner in January, after reports following the benefit vaudeville show of the Boosters Club Wednesday night at the High School, which proved a social success. . . . the acts, arranged by Percy Watt of Garwood, master of ceremonies, were warmly received.

Spring Brook Park, development on Short Hills avenue, is to be decorated for the Christmas season, with plenty of holiday decorations on a large tree at the street's entrance. . . . Behlfield and Kony, developers, intend to adorn the tree with hundreds of bulbs, which should create a glow of illumination at the tract. . . . the Presbyterian Church will also shortly have its beautifully-decorated tree in front of the structure, on Morris avenue, ready for the holiday.

### OUR LIBRARY Use Your Library

Every afternoon, 2:30 to 6. Mon. and Fri. Evenings from 7:30 to 9. The Atlantic \$5,000 prize book, "LAND BELOW THE WIND," written by Agnes Newton Keith, has been purchased for the library and is grand reading from beginning to end.

The forty-nine drawings by the author adds to its interest. Mrs. Keith tells the story of her life as the wife of an English officer in North Borneo, as well as that of seventy-five white men who ruled there.

She has accompanied her husband on his expeditions deep into jungles, and far up the rivers and now after four years in the tropics, she has come home with an autobiography which will delight all Americans.

It tells of a country far away and is lively, authentic and pleasant to read.

"THE HERITAGE OF AMERICA" by Henry Steele Commager and Allan Nevins. Two of our most distinguished American historians have united their efforts in presenting a history of America covering the time from Leif Erickson to the New Deal. The book consists of two hundred and fifty-two readings taken mostly from the writings of actors of the time.

There are selections from Columbus's Journal, Franklin's Autobiography, and from the diary of a British officer who fought at Lexington, as well as others. Mr. Nevins has twice won Pulitzer prizes. A glance at the table of contents in the book will show how the plan for presentation is carried out throughout the book.

"BEN AND ME." Here is fun for the whole family. Its the life of Ben Franklin by his good mouse Amos, and is written and illustrated by Robert Lawson who drew "Ferdinand."

He tells of Amos, the little mouse who was guide and friend to poor Richard. It's a good story to read aloud after finishing the other two books—recommended if you would like to relax.

### 5 Years Ago This Week in the SPRINGFIELD SUN

DECEMBER 15, 1934

Andrew Wilson, of Bryant avenue, was called to Jupiter, Fla., by the tragic death of his brother, John Wilson, who perished in flames when fire destroyed his home. A niece and nephew of the local resident escaped from the house. John Wilson had been a former resident of Springfield and Short Hills.

Red Cross Roll Call fell short of its quota, it was reported by Mrs. Hattie Doerries, chairman. The 1934 campaign to date, not yet completed, showed collections of about \$352, or almost half of what had been received in recent years. A goal of \$700 had been set up.

Former Postmaster James C. Stiles, Sr., submitted an application to the Township Committee for re-appointment. Stiles was replaced by Lewis F. Macarney earlier in the year. The former overseer claimed that he be given his old position, since the latter assumes a place on the Township Committee January 1, 1935. Macarney has indicated he would resign the oversight job while serving on the governing body, as his five-year term had several years to run. The Stiles application was laid over for consideration of the incoming Township Committee.

# What IS this FHA PLAN

## for BUILDING HOMES? BETTER HOUSING PROGRAM

It's really very simple. We lend you money to build. Just how much depends on your circumstances, but frequently the building lot is sufficient to cover the down payment, which may be as low as 10 percent.

You repay this loan out of your income. The payments are fixed monthly sums, similar to rent. They are based on what you can afford to pay. With the new 4 1/2 percent interest rate, they average as low as \$5.81 per thousand, which includes principal, interest, and FHA insurance. (\$26.15 a month can pay off a \$4,500 insured mortgage on a \$5,000 home!)

These convenient payments make you a Home Owner.

## Haymarch Foods Leading Market At Millburn Township For Many Years

No market in Millburn or vicinity has, we feel, contributed more toward providing thrifty housewives of Springfield and the neighboring towns than Haymarch Foods at 327 Millburn avenue. This old established market carries a complete line of prime meats, fresh garden vegetables and nationally advertised groceries. Mr. Robert Haymarch, the proprietor, is a well known and respected Millburn business man, and in the five years that he has headed this reliable firm, he has, in our opinion always endeavored to give his customers full value for money spent. He pays special at-

tention to telephone orders and if a householder finds it inconvenient to market in person, she can feel free to telephone in her order, secure in the knowledge that Mr. Haymarch will see to it personally that she receives the same choice products as if she selected them herself. The phone for prompt, free delivery is Millburn 6-0355. We are pleased to recommend the Haymarch Food Market to all our readers, for we believe it is one of the best general markets in this area. A pleased customer has always been Mr. Haymarch's best advertisement.

# County Champs Opening Season At Springfield

## Brownmen Started Tuesday with Victory at Home Against Woodbridge

Regional and Linden, two of the strongest county squads in Union County, will clash tonight at the local gymnasium at 8:15 and from all appearances, a capacity crowd will witness a natural. The visitors had the best basketball record in the county last year, winning 21 straight games before being stopped by Rahway in the first round of the State tournament.

Their all-veteran team, rated with the best in the State, uses a zone defense and their offense is built about Oscar Givens, Negro center, and Dutch Woytowicz, crack forward, who is noted for his cover-up shots, throwing them in from all angles.

Coach Les Goodman took over the team last year when Ted Cooper, Linden coach, became ill. Since De Orange and Blue of Linden dropped only two games last year, Goodman was allowed to guide the team for the 1939-40 season. Tonight marks Linden's first contest of the current campaign.
