Springfield Lagging On Paralysis Drive

The local chairman of the drive for infantile paralysis reports that Springfield is the only community in Union County that did not equal the amount raised for this cause last year. It is impossible to understand that the residents of Springfield will forsake a cause as worthy as the fight to combat infantile paralysis. There is still time to send your donation to Chairman Otto F. Holuz, postmaster of the local office. The sum of \$150 is needed to put us slightly over last year's total. It is urgent that we raise this sum of money to maintain our reputation as generous and cheerful givers, and as Joseph S. Abrams, executive secretary of the Betty Bacharach Home in Wildwood, N. J., says, "In nothing do men approach so nearly to the Gods as giving health to children." That is the spirit in which we should loosen up our purse strings and give.

Bronze Palm Awarded To Hambacher

ALLEN HAMBACHER

MOUNTAINSIDE—Typical example of the enjoyment a boy can derive from Scouting is 18-year-old Allen Hambacher, assistant scoutmaster of Troop 70, who was recently awarded a bronze palm for his scout activities during the year. Allen, who is the son of Mr. and Mrs. Jacob Hambacher of New Providence road, was made an Eagle Scout two years ago after he decided to join the scouts. "That's not at all," he declared. "I'm not a scout, but it is a record for Mountain Side, and a record for any scout to strive for."

Unlike many boys, who join the Boy Scouts in their early teens and lose interest, Allen has enjoyed scouting "as a hobby." It has been his chief interest for the past four years. "I'll stay in as long as I can," he says decisively. And although at the present-time his job with the Telephone Company interferes somewhat with the pursuit of his hobby, he is still earning merit badges.

Asked which of his merit badges he enjoyed earning most, he had a difficult time in deciding. "All merit-badges are fun," he declared. "But I guess I like camping best."

His career as a scout, however, is not limited to his merit badges. For Allen has a total of 32 merit badges, twenty-eight of which he earned in the lightning period of six months. And as for camping, he has gone on camping and hiking trips through New England, particularly New Hampshire, every Summer since he became a scout. Most of those trips he has made alone, although one Summer he was accompanied by a friend.

Allen is not the only member of his family who is interested in scouting. His father, Jacob Hambacher, is chairman of the troop committee of Troop 70, and his younger brother Jim, is also a member of the troop. Jim is a senior at Regional High School, from which Allen graduated last year.

Not only is Allen an Eagle Scout, and now the possessor of a bronze palm, in addition he is a member of Honor Degree of Westfield, the society for local scouts in which membership is an honor, indeed.

SUN SPOTS

A LITTLE LATE came the letter of Dr. Watson B. Morris to champion the cause of property owners against the broads of kennel owners. A week late to be exact. Dr. Morris' letter was read to the Township Committee Wednesday night just a week after the fire and smoke of dog kennels vs. real estate had erupted. It emphatically urged the passage of the ordinance that would mean doom to kennel owners and which the committee tried to revise. The committee by the way is still revising. No mention of dogs, cows, pigs, or other animals was heard at the Wednesday meeting.

LIKE A FAIRY STORY was the way Professor Alfred B. Cookman, whom Regional students know as their teacher of biology, described the good fortune of his daughter. Good fortune! It's a windfall! A windfall to the extent of one-third of a million dollars. Because that's just what Cookman's 15-year-old daughter, Marilyn Ann, recently inherited. Marilyn Ann, it turns out, was the favorite niece of one, Charles Phinckel, very very wealthy New England textile mill owner. And so boys and girls, take your lesson from Marilyn Ann, and who knows, you, too, may become the favorite niece or nephew of such Uncle Toby.

TWO BROTHERS who share the same birthday are SPECIAL OFFICER Charles Schaffernoth and Anthony Schaffernoth. They celebrated yesterday. Charles, however, was born three years earlier than Anthony.

Regional Re-elects Mulholland Despite Merry's Maneuver

President since his inception, Joseph Mulholland of New Providence was re-elected to the post at the organization meeting of Regional Board of Education on Wednesday night. John Potts was re-elected as vice-president.

A move was made by Henry G. Merry, Garwood member, to nominate Herman Beck of Kentworth for the presidency. Beck, however, declined in favor of Mulholland and the vote was unanimous. Merry, who has been constantly at odds with the majority of members during his year on the board, was recently taken to task by Mulholland for unnecessarily wasting the board's time.

Merry was nominated by Beck for the vice-presidency to oppose Potts, but in a secret ballot received two votes to Potts' five, with one blank ballot cast.

Because of illness, Mulholland was absent from the meeting, and committee appointments were postponed until the next meeting.

The board adopted resolutions of regret at the termination of the services of Mrs. Kate Shapiro of Clark Township, and Lewis James of Kentworth, retiring members, and in a brief talk James paid tribute to Supervising Principal Warren W. Halsey and thanked representatives of the press for continued co-operation with the board.

Isadore Himpele and Thomas H. Nolan succeeded James and Mrs. Shapiro, respectively.

"Pioneers' Day" and "Fathers' Night" were observed at the meeting Monday night of the Springfield Parent-Teacher Association in the James Caldwell School. The meeting celebrated the 45th anniversary of the National Congress of Parent-Teachers and the 12th anniversary of the local organization. Past presidents participated in the ceremony by lighting the candles on the birthday cake.

Past presidents of the group are Alfred Trundle, Mrs. Charles Nelson, Mrs. Herbert Day, Mrs. Frank Geiger, Austin Gridley, Mrs. Grant Thomas, and Mrs. Lawrence Robinson. Mrs. William Baumstihl is present president.

Speaker of the evening was Michael Channells of Haines and Channells, Newark law firm, professor of law and president of the Social Service Bureau of Newark. Mr. Channells spoke on "The Law as Pertaining to the Home," covering his subjects from the time of marriage until death. He included in his talk such topics as signing of deeds, responsibilities of home owners, wills, etc.

Entertainment was provided by Mrs. Edith Widmer Wick of Orange, pianist. Hostesses were Mrs. Henrietta Dreyer, Mrs. Russell Pfeiffer, Mrs. Lucy Forsythe, Mrs. William Baumstihl, Miss Grace Prochaska, and Mrs. H. Scott.

The next meeting of the organization will be held at the Raymond Chisholm School on Monday evening, March 23. Mrs. Norma C. Blingham of the Newark Evening News will be the speaker.

Springfield P.-T. A. Observes 2 Events

Wilbur C. Husk, of 82 Park place, South Orange, father of Mrs. J. Grant Thomas of Springfield, died suddenly at his home on Sunday of a heart ailment. Mr. Husk was with the Chase National Bank in New York 40 years before retiring 10 years ago.

Funeral services were held Wednesday at the Knapp Funeral Home, South Orange. Rev. Dr. Henry L. Lambdin of East Orange officiated. Burial was in Prospect Hill Cemetery, Caldwell.

In addition to Mrs. Thomas, Mr. Husk is survived by his wife, Clara; Johns Husk, another daughter; Mrs. Raymond Rust of Bloomfield; and a brother, Peter Husk of Easton, Pa.

Bus Transportation Discussed By Board

The Regional School Board deferred action Wednesday night on a request made by the State Legislature that it provide transportation for Garwood pupils attending the parochial school in Westfield. The request was in the form of a recent, controversial law passed by the Legislature authorizing school boards to pay for transportation "along established routes" of pupils attending non-profit making private schools.

Although board members said they would be glad to meet with the request, they wanted the advice from state educational authorities on its position regarding it. For buses which transport Garwood pupils to Regional High School are at present overcrowded, it was pointed out, and they operate on a schedule that is at wide variance with closing hours of the parochial school. The board has written to the authorities for the opinion on its position.

On suggestion of James Duguid of Springfield, building and grounds chairman, the board voted an appropriation of \$300 to move and renovate a building formerly used by GCC as an office, now on Union County Park Commission property, for use as a temporary workshop for the architectural department of the school. Plans to erect a permanent building through NYA funds had been shelved because of shortage of labor and materials.

Robert L. Reed, English teacher, was granted a leave of absence to enter the Army. Miss Frances M. Mhill of Westfield was appointed to replace him on a monthly basis. A similar appointment was given to H. Lawrence Hill of Plainfield to replace John Coston, science teacher, who has entered military service.

The suggestion of a parent that Spanish be added to the school curriculum was referred to Supervising Principal Warren W. Halsey for study.

West Orange Man Killed in Crash At Mountainside

MOUNTAINSIDE—Eugene H. Sneden, 42, of 8 Lawrence avenue, West Orange, was killed Sunday when his automobile jumped two safety islands on Route 23 and crashed against an electric light pole near Mountain avenue. Police reported that Sneden, who was driving east on Route 23, lost control of the car in attempting to make a left turn off the highway and head toward Springfield.

Mr. Sneden and his wife, Mrs. Hermance Mercier Sneden, had been visiting friends. He had gone on an errand at the time of the accident, Mrs. Sneden said, and was alone. He was pronounced dead by Dr. Leon Anson of Garwood, who arrived on the scene shortly after the accident.

Born in Kearny, Mr. Sneden lived in Passaic before moving to West Orange three years ago. He was employed as a general manager of the oil burner division of Delec Products for Baker Bros. of Newark. Besides his wife, he leaves a 7-year-old daughter.

Investigating officers were Police Chief Herman Honecker, Christian Fritz, Fred Roeder, and Harry Boyton.

Recorder Everett T. Spinning is being honored by friends and business associates for his 40 years of service with the Eugene C. Pierson Real Estate and Insurance Co. of 55 Union place, Summit.

It recalls that when he first came to work for the company, on February 17, 1902, he had to fight his way through a heavy snow-storm.

Long Prison Term Meted Burglar

Sent to State prison this week for twelve to fifteen years was Theodore Ridge, of 666 Fourth avenue, Elizabeth, who was sentenced by Judge Edward A. McGrath on charges of breaking, entering and larceny by night, and burglary. The offenses, to which Ridge pleaded guilty, occurred in Springfield a month ago, except for an incident of last year.

Ridge was accused of burglary at the home of William Grampp, Hillside avenue, and of breaking and entering at the homes of Walter P. Malsbacher, 45 Park avenue, and William George, Hillside avenue. The prison terms are four to five years consecutively on each of the three allegations.

Found Guilty On Topsy Charge

Edward Cooke, 31 years old, of 293 Park avenue, Brooklyn, pleaded guilty before Recorder Everett T. Spinning Saturday night to charges of drunken driving and was fined \$200, plus \$17.50 costs, and had his privilege of driving in New Jersey revoked for two years.

Cooke was arrested by Patrolman Wilbur C. Selander early Saturday when he failed to stop for a red light in Morris avenue near Springfield avenue. He was examined by Dr. Henry P. Dengler and pronounced intoxicated.

In Army Camps This Week

Ball and Chain Meets

There will be a meeting of the Ball and Chain Ring of the Methodist Church on Wednesday evening at the home of Mr. and Mrs. Richard Groendyke of Koeler street.

Goal of \$2,000 By Community Body At Mountainside

MOUNTAINSIDE—A goal of \$2,000 has been set by the newly formed Mountainside Community Association according to an announcement made this week by Theodore V. Mandy, president and campaign manager. The campaign will be held between March 5-19.

Organizations to be benefited this year include the Boy Scouts, the Girl Scouts, and the Visiting Nurses Association, to which Mountainside residents formerly contributed through the Westfield United Campaign. The budget also includes funds for the Rescue Squad, the Mountainside Library, the forwarding of community recreation activities, and the founding of a community center.

Expansion of the free service of the Rescue Squad which is on 24-hour volunteer duty makes necessary greater public support. The ambulance is equipped for the treatment of every type of emergency. Last year it answered 63 calls, 42 per cent of which were for transportation from homes to hospitals. Past financial support has been largely from the contributions of friends.

The Community Association Campaign will supercede a library drive for private memberships to provide funds needed for purchase of books and for current expenses. Representatives of the organizations which are to share in the 1942 Community Association Fund met with the vice-president and budget committee recently to draw their proposed budget and goal of the campaign, since approved by the Board of Directors of the Association.

Officers of the group include Mr. Mandy, president, vice-president, George B. Danenhour, secretary, Mrs. Albert B. Wolfe, Jr., treasurer, Mrs. John Moxon. The association was formed at a public meeting held at the Mountainside School on January 28.

Retain Committee To Study Problems

It was voted to continue a special committee, formed last year, to study future needs of the school system at the meeting of the Springfield Board of Education Tuesday night. Other committee assignments were made by President Charles Phillips, Sr.

The special committee, consisting of Harry B. Nulph, chairman; Henry C. McMullen, and Joseph B. Worthington, Jr., will keep close track of development in the community so that the board would be constantly posted on school building needs.

Standing committees were named as follows: Finance and Auditing, August H. Schmidt, John E. Gunn, and C. Stuart Knowlton; building and grounds, Waldo M. Brown, William Grampp, and Knowlton; school government, McMullen, Schmidt, and Nulph; books and supplies, Nulph, Gunn, and Brown; printing and law, Grampp, McMullen, and Worthington.

The proposed 1942 Defense appropriation amounts to about 60 per cent of a proposed \$2.50 increased tax on each \$5,000 assessed valuation—a very reasonable assurance—and the emergency appropriation of 1941 is financed out of surplus funds of that year. With the foregoing statements of the organization, as required by law, and the relating cost clearly defined, the Defense Council feels that the citizens of Springfield will appreciate their course to date.

"A public rally is now being formed for the near future, when more detailed information will be made available."

Sunshine Society To Convene On Thursday

The Mt. Pleasant Sunshine Society will hold its regular meeting on Thursday afternoon at 2 o'clock at the home of Mrs. William Shawcross, 70 Pioneer avenue. In the absence of Mrs. William Staacke, president, Mrs. Walter Hall, vice-president, will be in charge.

Plan Of Refreshments Dropped For Duration

Except for some special treat at its yearly anniversary meeting in June, the local chapter of the W. C. T. U. voted at its last meeting that no hostess is to serve refreshments for the duration of the war. The group will meet again on Tuesday afternoon at 2:30 at the home of Mrs. George Hall, Linden avenue.

Mrs. J. Hitchcock of Scotch Plains, formerly of Trenton, will conduct the Devotions and a final collection of all dues will be made that the union may have the honor of being a "Hold Fast Union."

Drawn For Jury Panel

Frank Jakobson of 262 Mountain avenue and Henry B. George of 80 South Maple avenue were chosen for a new panel of January term of petit jurors, drawn by the Union County Jury Commission Monday before Judge Edward A. McGrath in Elizabeth. They will serve from February 24 to March 7.

Red Cross Reveals Year's Activities

Two Red Cross-services which have been outstandingly successful in the Springfield Chapter work during the past year, Junior service in the schools and instruction in home nursing, were featured in the entertainment presented at the annual chapter meeting Friday night in the Raymond Chisholm School. The school stage presented an appropriate background and the meeting was attended by over 100 members and friends.

Relected chapter officers were: Chairman, Mrs. Leslie Joyner; vice-chairman, Mrs. Charles G. Nelson; secretary, Mrs. Frank C. Geiger; and treasurer, Mrs. Stephen Wladisch. In addition to the secretary's annual report, individual reports were submitted by various committee chairmen, including production, motor corps, first-aid instruction, home nursing instruction, home service for men in the U. S. Armed Forces and their families, disaster preparedness, Junior service, braille and nutrition. The Roll Call report showed 1,256 memberships enrolled, which is more than 25 per cent of the entire township population, and \$235.90 in contributions. Charles H. Huff, who, in addition to having been Roll Call head, is also in charge of the War Relief Fund campaign, announced at the meeting that more than \$2,700 had been realized thus far for the \$100,000 goal.

"Your Defense Council is organized by statute of the New Jersey Legislature to provide for an adequate defense of the citizens against any emergency arising out of the present war. To this end, we have thoroughly trained and equipped a reserve police force of 20 men, each capable of performing all duties of regular policemen and in addition, we have been training another class of 19; and 20 reserve firemen capable of functioning as regular firemen."

"Our disaster relief committee has organized a force of 200 trained workers, including 25 registered nurses, 25 nurses-aides, 60 trained first-aiders, 75 food, clothing and shelter workers, also a staff and personnel. The chief air raid warden is now training a class of 40 in first-aid, fire and gas defense, which will be expanded to a total force of at least 120 workers. Our rationing committee is charged with the responsibility of rationing automobiles, tires, rubber, re-caps, and re-hoses, possibly sugar and all other materials to be designated by the O.P.A. in Washington."

"In addition to these services recited, there are at least 100 additional workers in fields of Consumers' Interest, Public Relations, Communication, Motor Transport, Engineering and Salvage. This number will increase as necessities require and facilities are provided for training of Decontamination, Demolition, Rescue and Repair groups."

"The proposed 1942 Defense appropriation amounts to about 60 per cent of a proposed \$2.50 assessed valuation—a very reasonable assurance—and the emergency appropriation of 1941 is financed out of surplus funds of that year. With the foregoing statements of the organization, as required by law, and the relating cost clearly defined, the Defense Council feels that the citizens of Springfield will appreciate their course to date."

"A public rally is now being formed for the near future, when more detailed information will be made available."

Tableaux Presented

Twenty pupils of the fifth grade of the Raymond Chisholm School took part in a series of tableaux depicting Red Cross activities at work. The displays, simply and appealingly presented, showed the children as they really looked and acted while busy making articles for the Red Cross. It was evident to observers that children cannot help but absorb the "spirit of service" while thus unselfishly working for the welfare of humanity. Shirley Brodhead was the narrator and told before each tableau what the picture would symbolize. "Angel of Mercy," the Red Cross song, was sung by Betty Dinkley, accompanied by Clara Dentinger.

Among the Junior activities reported by Mrs. Nelson, Junior chairman, were the following: Prizes made for tableaux, buttons collected and cards for Production, covers made for Braille books for blind, 15 baby bonnets made for babies, two nightgowns knitted from left-over wool, 25 bed pads made for Disaster Relief, scrap books for hospitals, packing of 45 Christmas boxes, 300 men's covers made for the U. S. Navy, which were highly commended locally by National headquarters for article design and general finish.

In addition to these projects, the Juniors also stuffed animal tans and presented them last Christmas with books to the Home for crippled children at Mountainside, and contributed to the National Children's Fund. Praise has been extended to the "Junior sponsors," faculty members in local schools, for inspiration and guidance afforded to the pupils.

These included: Miss Ruth Johnson, James Caldwell School; Mrs. Nell Jacobsen, Raymond Chisholm School; Miss Helen Crawford, Regional High School, assisted by Miss Beverly Mithen, home economics teacher, and Miss Katherine Johnson; arts; Herbert Bohlmann, manual training, and Miss Evelyn Porter. Among the articles now being made by the Juniors in the manual training shop is a cloth which the Springfield Defense Council will use to store articles necessary in civilian defense.

Members of the recently-completed class in Home Nursing were given certificates, each accompanied by an old-fashioned banquet. Presentations were made by Mrs. Marjorie Gullek, nursing teacher, and Mrs. George W. Morton, department chairman.

An original skit, written by Mrs. William H. Corby, described the women gathered together, sewing and knitting for the Red Cross, meanwhile discussing other ways in which they could be of help. Then it was decided to take instructions in Home Nursing and the second act demonstrated the right and wrong methods of nursing in mounting emergencies. Class members included Mrs. John Conroy, Mrs. George Phillips, Mrs. Arthur H. Lennox, Mrs. Arthur A. Grogans, Mrs. John J. Coffey, Mrs. Roland Nye, Mrs. Anna Ladner, Mrs. Fred Maherts, Mrs. Bert Jones, Mrs. John Damselner, and Mrs. Corby.

A piano solo by Miss Phyllis Bunell.

(Editor's note: It being impossible to embody in one article a detailed account of all the Chapter services as presented in the annual report, the services will be discussed in dividually in future issues of "Your Red Cross" column.)

Budget Introduced

MOUNTAINSIDE—The budget was introduced at a special meeting of the Borough Council on Tuesday night. The delay in preparation of the budget was explained by Mayor John Moxon as due to "circumstances beyond control of the council." Public hearing will be held on Tuesday evening, March 10.

Park Police Report For Year Compared, Warnings Decreased

Only two-thirds as many warnings for various violations of park ordinances were issued to visitors in the Union County Park System last year as compared with 1940, according to Acting Chief Norman F. Gibbs of the park police. The number of hearings held before Acting Chief Gibbs dropped from 479 to 339 although the number of offenders summoned to appear in court in local police courts increased from 425 in 1940 to 511 in 1941.

The decrease in warnings is explained by Acting Chief Gibbs as being traceable to the fact that the various areas are better marked as to parking regulations; and the increase in offenders hailed into local courts is explained in the same manner since leniency of parking regulations is considered less excusable because of more adequate marking.

More than 90 per cent of the offenses for which summonses were issued for appearance before Acting Chief Gibbs or in local courts concerned the operation or use of automobiles in the parks. Parking in a restricted area and parking after dark without lights were the two offenses for which 50 per cent of all summonses were issued.

For damage to park property, much of which resulted from driving over lawn areas, 17 offenders were assessed \$255.65.

Motorists Major Offenders

Although motorists were the major offenders in the parks, they also received the greatest assistance, 170 having been helped when in various kinds of trouble during 1941. Other assistance rendered by the park police included cooperating with local police and fire departments at scenes of accidents

and fires, finding and returning lost children to their parents or guardians, finding and returning lost articles to their owners, including the recovery of four automobiles, and miscellaneous services.

Special investigations, totaling 162, were undertaken at the request of various individuals and other departments of the Park Commission. Nearly 200 persons received first aid from the park patrolmen. Half of these were minor injuries, but 11 injured persons were taken to doctors, 51 to hospitals, 12 were taken home, and 4 were advised to see their family doctor.

The department's pistol average for the year, 87.39 per cent, was slightly below the record established in 1940 of 87.58 per cent. Park Patrolman Albert D. Macentlay again led the force, his average of 97.25 per cent establishing a new individual record.

Chief of Police Lyman L. Parks was granted a leave of absence on March 25, at which time he was called into active service as a Major in the United States Army. Norman F. Gibbs was promoted from sergeant to lieutenant and named acting chief during Major Parks' absence. Three first class patrolmen were advanced to sergeants on December 15. In addition to these men, the force consists of 15 patrolmen, and seven special officers who are called upon for assistance at various special events such as community nights, fireworks displays, football games, etc.

In closing his report, Acting Chief Gibbs states that the men in his department, "are to be congratulated and commended for the service they have rendered the public."

Your Garden - This Week

BY FRED D. OSMAN
County Agricultural Agent

Several worthy new types of Buddleia, the Butterfly Bush, have recently been introduced. In most of these the characteristics of Buddleia David are prominent. This species, a native of China, is easily grown from seed. One of its dwarf, free flowering types, which has been especially useful is Buddleia nanhoensis. Originally it produced flowers in various shades of lavender or blue, generally with a yellow or orange eye. Some of the newer seedlings bear flowers with quite distinct red shades blended with purple. In fact, one of the latest introductions is known as Royal Red.

One advantage of these new seedlings is that all of the flowers of the spike open at about the same time, which provides more brilliancy for the plant and its cut flowers. Similar varieties of previous introduction are: Charming, a lavender pink; Duhannei, a dark reddish purple; Hartwegi, a bright lavender, and De De France, a rather dark rosy purple. All of these varieties are better than older types.

Seed of these dwarf types is now available. It should be sown in the house in March and will generally show some bloom the first year. However, it is usually better to purchase plants for the seedlings are variable and many of the colors are dull mauve or dull lavender.

The branches of this shrub are not entirely hardy in the central part of the United States but roots persist and new growth produced annually from them will bloom profusely even if you cut it back to the ground each Spring. In fact, the bushes are generally kept in better shape if this is done. Even the smallest cutting planted and well cared for will bloom the first year. They will grow well in any productive, well drained garden soil, which is not too acid. They are one of the easiest plants to grow and under suitable conditions, will almost take care of themselves. This is the type of plant material we need during war times for our gardening time may be limited.

STATISTICS OF SPRINGFIELD

Population—1942, 5,000; assessed valuation—1942, \$5,219,926; tax rate—1941, 43.50 (Township)—\$2.11; schools, \$1.70; state and county, \$1.60.

Springfield was settled in the early 1700's. Its township form of government was established April 14, 1794, and was incorporated in 1857.

Springfield is essentially a community of homes, with little industry except for farming, nurseries and auto parts. It is situated on the New York City to Newark, Elizabeth, Summit and Plainfield, and the Valley Railroad, with a freight station in the township.

The highway valley railroad, with a freight station in the township, affords easy access to Newark, Elizabeth, Summit and Plainfield, and four other county municipalities.

It has good streets, water, gas, electricity and modern sanitary sewer system, excellent police, fire and school facilities; mail carrier delivery system, and zoning regulations for the protection of the individual property owner.

Of interest in Revolutionary history is its historic Presbyterian Church, where the Rev. James Caldwell preached "Give ten walls, boys!" in the midst of the Battle of Springfield, fought on June 23, 1780. Several colonial landmarks are to be found in Springfield, one of the oldest communities in Union County.

Books for the Boys On Land and Sea! Clear Your Shelves!

A new fashion is sweeping the country—bare bookshelves. Give books to the boys in service.

Which books?

This life of Winston Churchill is too new to give away—but how those boys would read it! Dozens of them, probably. We can always get another copy. Let's start with that. Here's a perfectly good history—and an old-text—but they wouldn't want dry stuff like that. They would? Yes, of course, these men do have to study and work. Here they are, they're welcome to these. But even so, in off hours they'll surely like this row of mysteries—any man would!

Just for fun, let's put our name and address in each volume—maybe the service man will wonder as much about the folks who gave these books as we do about those who will soon be reading them! So we add a few more to the pile and take them to the Public Library, where they will help the Victory Book Campaign, which is sponsored by the American Library Association, the American Red Cross, and the United Service Organizations, to reach its goal of ten million books for our men in service.

We leave our books and come home. And as we look around our emptied shelves, we can't help wondering where this volume or that one will go. Will it be read in tents or barracks? Will it bring joy on shipboard or on transport duty, maybe? Where will these books be going? Who will read them?

But after all, it doesn't matter who, of our vast Army and Navy, or where, in the course of the duties defending our nation, these books are read. It does matter, a great deal, that the books will find contented readers who will be entertained, instructed, amused, refreshed.

As for us—we have that pleasant satisfaction of sharing treasure—our shelves are fashionably empty and it hasn't cost us a cent!

Republican Leaders From Here Help Honor Sen. Pascoe

Republican leaders from Springfield and Mountainside helped to honor Senator Herbert J. Pascoe at a "Victory Dinner" held in his honor last Thursday tendered by the Elizabeth Republican City Committee at the Elks' Auditorium, Elizabeth.

Stresses Unity
Mutual confidence and unity, rather than partisanship, must be the rule in the Nation at this critical period, it was declared by H. Alexander Smith, Republican State chairman, speaking to an overflow crowd of more than 700 persons at the dinner.

Every municipality in the county sent delegations, and State departments as well as both branches of the Legislature were represented. The club auditorium was jammed, and an adjoining hall was utilized to serve the diners who could not be accommodated under the original plans.

Senatorial President L. Grant Scott, of Cape May; Senator Harold Peterson, of Morris County; Mayor James T. Kirk, County Judge Walter L. Hatfield, H. Edward L. Whelan, Democratic county chairman, and George D. Rankin, Republican county chairman, were among the speakers, all of them felicitating Pascoe upon his recent elevation to the State Senate after fourteen years in the Assembly.

Senator Pascoe was given a \$100 Defense Bond and a bound book containing the autographs of all those present. Assemblyman Milton A. Feller was toastmaster.

Others at the speakers' table included Board of Works Commissioner William Runyon, Pascoe's campaign manager, Edward A. Roszel, Elizabeth, city committee chairman and head of the dinner.

Firemen's Dance Set For Tonight

Scenes From Souvenir Journal

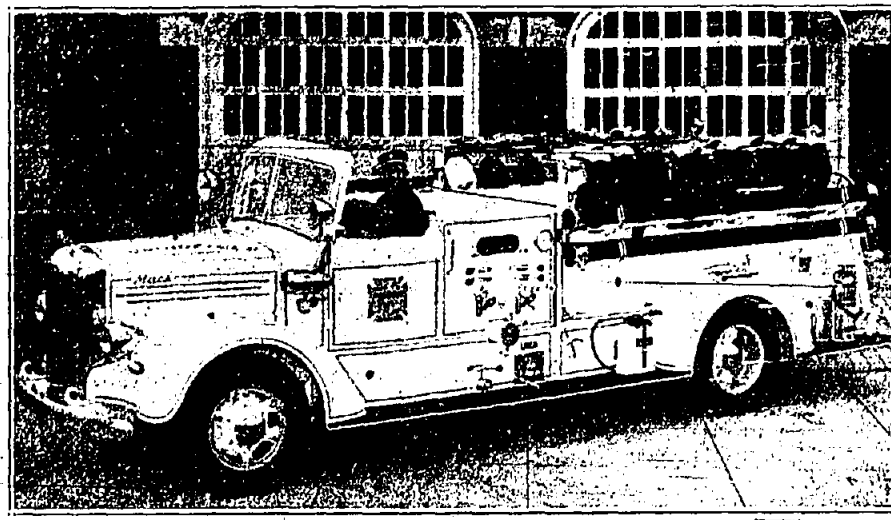

Photo—Erwin S. Daerlin

APPARATUS of the Springfield Volunteer Fire-Department prepared for any call. On the left is the combination hook and ladder and pumper, with Fireman Charles Schilling at the wheel. Arthur Schramm is in the driver's seat of the new Mack pumper...

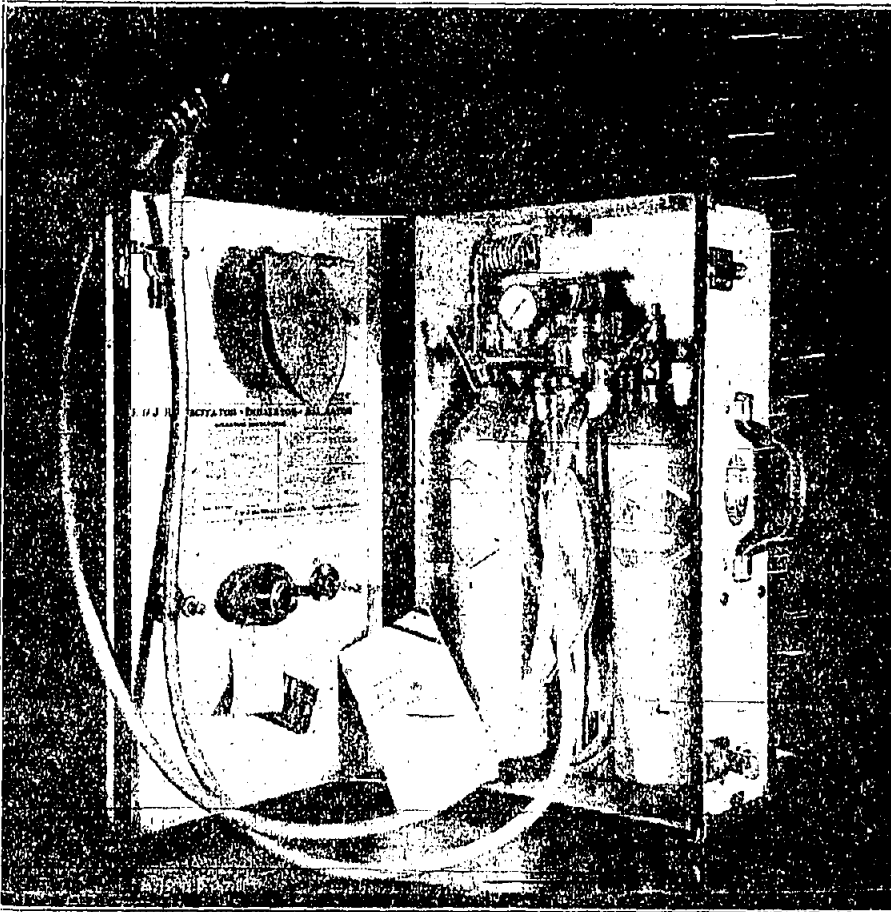

Photo—Erwin S. Daerlin

DURING THE YEAR the Firemen's Auxiliary Reserve has been organized under the direction of Chief Charles Pinkava. They are pictured above, as follows: Left to right, front row—Ormond Mesker, Donald Palmer, William J. Thompson, Jr., Chief Pinkava, William Lynn, Frank Clark, Stephen Schmidt and Rochford Ern. Second row—Robert Briggs, Frank Valentine, Harold Howard, Fred Kosches and Richard Sherry. Rear—Stephen Windisch, Joseph Janchus, Henry Appleby, James Telfer, Francis Dunleavy, John Conley, Robert Slaughter and Henry Ruban.

LATEST ADDITION to the fire-fighting forces of the Springfield department was the arrival in November of the 750-gallon Mack pumper with booster and hose wagon. It represents the most modern apparatus of its kind yet built.

Photo—Erwin S. Daerlin

THE PROCEEDS of last year's dance enabled the Volunteer Fire Department to present, as a gift to local taxpayers, the E & J resuscitator, inhalator and aspirator combination machine shown above. It can be used for adults, children or infants and has already proven extremely valuable on call, just a short time after being acquired by the department last year.

"Dance for Moderns"

Miss Sybil Shearer and Miss Allison Choate will present their "Dance for Moderns" in the Regional High School assembly this morning. This program is entirely unlike other programs presented for the high school students. Miss Shearer is quite sure that audience will wonder about the ultimate aim of the program.

"The whole purpose of the arts, we dancers feel, is to help people live more keenly and with better appreciation of the forces in nature and in themselves." Miss Shearer continued, "Through the dance and an appreciation of movement people will not only understand the dance, but will be more conscious of movement in nature, a quality as beautiful in its way as color, shape, and sound."

Miss Shearer attended Skidmore College and the Benjamin School of Dance, after which she joined with the Humphrey-Weldman Group. She has recently been a member of the faculty of the Academy of Allied Arts in New York and an associate artist with the Agnes DeMille Company.

Miss Allison Choate, who assists Miss Shearer, has conducted her own studio classes in Portland, Maine, and like Miss Shearer has a record of unusual interest in the dance.

Freshmen to Dance

The annual Freshmen Dance will be held on Friday night, February 27. It will be a Victory Dance and the gym will be decorated in red, white and blue. Music will be furnished by popular Vince Sabia and his orchestra.

The committees in charge of production preparations are: Decorations, Gordon Swanson, Dick Palmer, Larry Brothers, Eugene Soren, Bob Jones, Joyce Neuninger, Harry Nash, Nancy Bushman and Karen Torp; publicity, Phyllis Bunnell, Jane Alexander, Jean Cosgrove, Alfred Pratt and Ethel Lydlison; band, Nancy Hart, Pat Donovan and Gilbert Snowden; ticket, Ted Sadowski, Pat Oberdahn, Steve Schmidt, George Canley and Muriel Melbourn.

Miss Mary Conway and Milton Hart, freshmen class advisors, are able to assist the freshmen in their production attempt.

Regional Courtmen Open Tonight In County Tourney

Bulldogs Opposing Cranford Team At St. Mary's Court

The first round of the Union county basketball tournament finds Coach Brown's Regional five in action tonight at 9 o'clock against ever-dangerous Cranford in St. Mary's court in Elizabeth.

Regional, seeded No. 2 behind last year's defending champion, Rahway, will be facing an opponent it defeated twice before, but local followers recall that Cranford usually finishes the season in fine fashion, as it will be remembered two years ago when they went to the finals against Regional, only to lose to the locals in an extra period.

Against Hillside Friday night, the Orange and Blue showed their ability at top speed and although the Hillers have lost many games, not by such a margin had they been defeated.

The Regional-Cranford winner faces the ultimate Jefferson-Roselle winner, and according to most of the so-called experts, the Jefferson quintet is the tournament dark horse. Should the Brownmen get by Cranford and overtake the Elizabeth team, they have the formidable Rahway squad yet to meet and tough as Coach Earl Walter's boys have been this season, the Bulldogs have been known in county tournaments to excel their regular season's record.

Entire net proceeds of the tournament will go to the Red Cross and Infantile Paralysis Fund.

GEORGE-MORTON, together with Zabelski, will form the nucleus of next year's Regional basketball squad. His scoring in recent games has been one of the season's bright spots.

JOHNNY WANCA, mainstay of the local high school combine, who has scored a cool 300 points in 20 games this season, an enviable record in any man's league. He is undoubtedly one of the best players turned out of Union County in recent years and is expected to earn All-State honors when the post-season rankings are announced.

Wanca Excelled For Bulldogs This Year

"The best all-around player in the section" is the way coaches have described Johnny Wanca, Cranford basketball star, who will lead his team in the county championship tournament which opens tonight. Wanca, six feet, one-hundred and sixty pound cager, is finishing his fourth and final year on the Regional varsity, having built up a reputation for himself that has brought him renown throughout the county, and which will probably give him a place this year one of the three All-State teams.

Past, a natural pass-setter, Wanca has broken through in almost every Regional game to outscore not only the members of his own squad, but also members of rival squads. His shooting total for Regional's twenty games has been an even 100, an average of fifteen points per. In the contest with Orange, whose Cal Irwin has a record as a consistently high scorer, Wanca held Irwin to his lowest score this year, 5 points, and netted one point above his own average for himself.

Wanca, who is from Garwood, has been a basketball letter man at Regional for three years. This year, with Zeke Zabelski, also from Garwood, he co-captains the Regional squad. Last year, he received honorable mention on the All-State team. Of his playing Coach Bill Brown says: "He's the best of defensive player, the best defensive player. He has all-around qualities." Rahway's Coach Earl Walter, whose team took the county championship last year, and is quoted as calling Wanca "the best all-around player I've seen in the section," which is definitely not faint praise from a rival coach.

Runs in the Family

Basketball, runs in Wanca's family. His brother, Frank, who graduated from Regional in 1939, was captain of the basketball team and one of the best the school had known in its short history. Continuing with success in the sport, Frank, this year led the Elizabeth industrial league in scoring.

With Johnny's graduation this June, Coach Brown still has two outstanding varsity men left in Zabelski and George Menon. Zabelski, co-captain with Wanca, is guard and Menon, a Springfielder, plays forward. Both have made good records this year, and will probably form the nucleus of next season's squad.

A summary of Wanca's points by game for the year follows: Union, 20; Linden, 11; Jefferson, 19; Rahway, 12; Plainfield, 13; Atmani, 14; Carteret, 12; Cranford, 11; Somerville, 15; Hillside, 9; Chatham, 15; Union, 15; Plainfield, 15; Rahway, 23; Orange, 16; Bound Brook, 11; Cranford, 22; Edison, 16; Linden, 16; Hillside, 22.

Matmen Outpointed Somerville, 39-10

Well on the way to completing their second undefeated season, the Regional matmen visited Somerville last Thursday to take over the Somerset County grappling, 39-10. It was the fifteenth consecutive victory for Coach Dattaglia's boys, and they let their hosts have only two of the twelve matches.

Surprise match of the afternoon was the short tussle in the heavy-weight class in which Gerald Brodsky pinned Somerville's 285-pound colored Rufus Mangault in 1:25. John Kroehling also turned in a good performance in holding Somerville's captain, Adams, to a draw. Roger Alleroff won his fifteenth straight dual meet.

Summaries of the matches follow:

95-pound class—Cardella, Regional, defeated Dougherty, by decision, 6-0.

102-pound class—Hund, Regional, defeated Bowley, by forfeit.

112-pound class—Art Sachel, Regional, defeated Charles Haug, by decision, 4-2.

TRUE OR FALSE?—YOU SAVE MONEY AND SERVE UNCLE SAM IN PROTECTING YOUR WATER PIPES

True, teacher—true!

Burst pipes and frozen plumbing take metal replacements now needed for arming America. And with plumbing supplies limited your repair costs rise.

This winter save yourself extra expense—and help conserve metal—by protecting the water pipes at home.

Right away, stuff all cracks around basement openings... wrap exposed pipes... shut off and drain outside services.

And in freezing weather let water trickle all night from one faucet (a quart a minute is enough). Costs a few cents—but saves you dollars in damage.

Union Wrestlers Snap 15-Straight Streak Of Locals

One of the largest crowds ever to witness a county wrestling match, estimated at 800, saw Union snap Regional's two-season fifteen game winning streak, 39-11, on its own mats Tuesday night. The meet was originally scheduled for Springfield, and was anticipated as one of the close matches of the season, Union and Springfield being placed one and two, respectively, in the tentative State rankings.

Saddest defeat for Regional was that of Roger Alleroff, who with the squad had a total of fifteen consecutive victories to his credit. Alleroff lost a 5-1 decision to Dalgin Captain Bill Testino. Alleroff's record also stretched over both seasons.

Over Charles Haug, Regional's Lister, Regional captain, also had his season's amateur record broken when he lost by decision to Phil Krug. Union falls were scored by Jim Krug, Al Merkle, Joe Ertter, Roy Smith, Fred Hulme, and Harry Horan, the last four being undefeated for the season.

Summaries of the matches follow:

95-pound class—Jim Engel, Union, defeated Mat Cardella, by fall, arm scissors, 6:12.

Regional High Varsity Avenges Three Defeats Last Season By Decisively Whipping Hillside Quintet At Home

OPEN ACTIVITY IN COUNTY TOURNEY TONIGHT

In its final game of the season of the Hillside cagers, twice on before it enters the county tournament tonight as one of the seeded teams, the Regional quintet breezed through a game with Hillside Friday night on the home court, 48-28. It was the second game of the season in which the Bulldogs found Hillside an easy rival, having previously defeated them by better than 20 points.

Regional enters the county tournament with a seasonal record, second only to Rahway, defending champion. The game Friday night, their fifth consecutive victory, was their fifteenth of the season. Their losses total four.

Johnny Wanca, Regional ace, again led the homesters' attack, chalking up twenty-two points himself. Regional managed to finish the tight first quarter with a one-point lead, which they bettered in the second chapter by leading, 22-16. Hillside kept the Bulldogs under control in the third frame, but in the final stanza Coach Brown's boys broke loose to assure themselves a victory by tossing in 17 points.

Wanca was given good support by "Zeke" Zabelski, center, who netted fourteen points, and Charles Yawlak, who kept close guard on Hillside's high scoring forward, Bob DeProsop.

Regional's two victories over the Hillside boys are in the nature of revenge. For last year the Bulldogs suffered three defeats at the hands of the Hillside cagers.
