## BAGATELLE BANNED HERE

### Ordinance Follows Action of Courts

Bagatelle in Springfield is ancient history. By Wednesday morning, upon order of Police Chief Runyon, all bagatelle machines in local eating places were removed from town by operators. Five other machines, scattered in taverns in the Springfield area, were allowed to remain until this morning, the deadline by which the township must be completely cleared of the gambling devices, or face confiscation.

### Mrs. Louisa James Died Early Yesterday

Mrs. Louisa Jane James, widow of the late John James, died yesterday morning at the home of her daughter, Mrs. Manning Day, Jr., of 23 Salter street. She had been ill for about a week.

Mrs. James, who was in her 93rd year, had resided in Springfield for 42 years, moving here from Millburn. She was born in England and came to the United States in 1857. For many years she was active in the Ladies' Aid Society of the Methodist Church and she was a member of Continental Chapter, O. E. S., of Millburn.

Mrs. James leaves, beside Mrs. Day, another daughter, Mrs. Bertha Low and a son, Charles, of Springfield; four grandchildren and two great grandchildren.

Funeral services will be held at Young's Funeral Home, 149 Main street, Millburn, on Sunday afternoon at 2:30 o'clock, with the Rev. Arthur H. Charlesworth, pastor of the Methodist Church, officiating. Burial will be in Hollywood Cemetery, Union.

### Elizabeth Gunn Receives Master of Science Degree

Elizabeth H. Gunn, daughter of Mr. and Mrs. John E. Gunn of 69 Morris avenue, received her Master of Science Degree this week from Cornell University. Miss Gunn was a former teacher of Home Economics at the James Caldwell School and Ithaca High School. She is now teaching in the Newark system.

A graduate of James Caldwell School here, Miss Gunn also graduated from Summit High School and St. Elizabeth's College, Convent Station. She took her examinations for the Master's Degree at Ithaca on Friday.

Action in eradicating the machines from Springfield was taken upon passage Wednesday evening by the Township Committee of a long-delayed ordinance banning them. The ordinance, following the decision of Supreme Court Justice Perskie which denounced the "pin-ball" games as gambling, was introduced by Police Commissioner Lewis F. Macartney and was passed unanimously on its first reading.

The Township Committee has long been considering a measure to regulate bagatelle machines, having previously pondered upon an ordinance which would eliminate the nuisance through high license fees. Passage of that ordinance was delayed indefinitely following protests from distributors of the machines.

The present ordinance authorizes police to "seize and hold" any bagatelle or pin-ball machines, and sets a maximum fine of \$200 or 90 days in jail for violation. Final hearing will be held at the March 11 meeting of the committee.

**Budget Adopted**  
No protests were registered against the 1942 budget which was adopted at its final reading, although members of the Springfield Defense Council were present presumably to answer any possible objections to the item for local defense in the budget. Indications were that there will be a five-point increase in the tax rate, the rate being increased from 4.93 to 4.98. Salary raises voted to the Police Department, increase in costs for garbage collection, and the defense appropriation were accountable for the increase, it was claimed.

The committee voted to join in the WPA sewing project, although in a letter read by Township Clerk Treat, it was announced that the cost of participating in the project had risen from \$8 to \$10 per person a month for the project.

### Auto Hits Pedestrian

Malcolm Aldridge, 45 years old, of 25 Rully street, received a right leg fracture and head injuries Monday evening when he was struck by the automobile of James Kysse of 79 Central ave., Madison. Patrolman Arthur Lamb, who took the victim to Overlook Hospital, reported that he was struck in Mountain avenue near Siles lane as he "darted" from a bus and walked into the path of Kysse's car.

### P. T. A. Will Feature Theme of Defense

MOUNTAINSIDE — "Defense Night," in which all local defense units will participate, will be the program for the next meeting of the Mountain Side Parents-Teachers Association, to be held on Thursday evening, March 12, at the school. Chairmen of all defense committees will speak, explaining the progress of their work. A large audience is anticipated for the meeting, one of the most important and carefully planned for the year.

Representatives will be present from the police and fire departments, the evening squad, the home extension group, and the Red Cross. All other defense units will have speakers. A First Aid demonstration will be part of the program, and a special treat in the way of refreshments is being planned.

In charge of the evening are Mrs. Roy Minton, program chairman; Mrs. Theodore V. Mundy, president of the association, and Mayor John Maxon.

The program originally scheduled for the meeting was on the subject of "Know Your Government," but in view of the importance of defense at the present time, it was deemed advisable to change the subject and to let residents know exactly what is being done in the borough to meet war emergencies.

### Morris Avenue Fifty Years Ago

MORRIS AVENUE, looking north toward Summit from the corner of Morris avenue and Main street during the 1890's before Flemer avenue was cut through. This fine view of Springfield's main thoroughfare of 50 years ago is one of many, which will be exhibited March 15 in the Legion Hall, at the tenth anniversary tea and photographic exhibit, sponsored by the Springfield Public Library.

### Anniversary Tea, Exhibit For Library

As part of the tenth anniversary celebration of the Springfield Public Library, an exhibition of pictures, showing Springfield and vicinity about fifty years ago will be held on Sunday, March 15, at the American Legion Building. The pictures have been collected for the library during the past three years by a special committee headed by Donald B. Palmer.

The exhibition will be interesting both to older residents who will probably remember the scenes and landmarks which the pictures depict; and to newer residents who will be enabled to see how the town has grown.

As part of the program, Mrs. Helen Smith, secretary of the library board, has invited as guest speaker for the afternoon, Miss Sarah B. Askew, secretary of the New Jersey State Library Commission.

The library expects to add to the collection from time to time and it will be preserved as a permanent feature of the organization.

### Joined Staff of Bank

Miss Virginia Wilson, daughter of Mr. and Mrs. John Wilson of 343 Mountain avenue, has accepted a position with the local First National Bank. Miss Wilson had been affiliated with the Fleetly Union Trust Co. of Newark for the past two years. She is a graduate of Roselle Park High School, and received her commercial training at Drake's School of Business.

### Taxpayers Opposed To Banning Notices

Threatening to "blackout" a major information channel through which citizen-taxpayers can maintain a close and intelligent watch of expenditure of their tax dollars, a bill pending before the New Jersey Legislature would repeal the law requiring counties and municipalities to publish annual budgets in the newspapers in a manner understandable to the public.

The New Jersey Taxpayers Association and other citizen groups have launched an all-out attack against the repeal, known as Assembly Bill Number 76, which, if enacted, would salvage important gains achieved by organized taxpayers toward making government the public's business. In this connection, the following statement was announced this week:

"Officials are now required by law to publish in the newspapers comparative figures which show year-to-year changes in county and municipal budgets. In enacting this law the Legislature recognized the value of such figures by providing that they be presented 'in bold face type . . . for the information of the taxpayers.' The lawmakers also recognized the value of newspapers as the best means for presenting such facts to the public quickly, efficiently and economically.

"Repeal of the law requiring full publication of county and local budgets would leave the war-time economy-seeking taxpayer 'on the bluff' with only a skeletonized set of figures insufficient to show what

### Final Collections Of Red Cross Drive Needed By March 10

The War Relief Fund of Springfield Chapter, Red Cross, has reached about \$3,700 although not all funds have yet been collected, Chairman Charles H. Huff announced yesterday. National headquarters has requested that all moneys be turned in by March 10, in which event any resident who has not yet contributed or desires to increase his donation is urged to communicate with Mr. Huff.

Of the deficit yet to be realized to attain the \$4,000 goal are several pending events, one of which is a food sale March 8 in Pinkava's showroom and the other a card party being arranged in a nearby community to aid the Springfield drive.

Collections of the past week are acknowledged as follows:

\$28.85
Miscellaneous cash
\$12.20
Country Club Estates Neighbors and Friends—
\$10
Anshore Home Builders
\$5
E. Kravis, Schaffer's Dedications
\$2
Anderson's Gas Station, Del Duca Florist, Eugleman-Goodfield Coal Co.
Total: \$67.15
Previous Total: 4,523.74
TOTAL: \$4,590.89

### Information Center Being Opened Today

The Home Information Center, sponsored by the Consumers' Interest Committee of the Springfield Defense Council, will open today at the Springfield Hardware and Paint Store, 359 Morris avenue. It was announced by Mrs. Elwood Carnation, public chairman. The center will be open from 10 to 12 this morning. The next day will be Tuesday, when it will be open in the afternoon from 2 to 4:30. Thereafter it will be open every Friday and Tuesday at those hours until further notice.

Principal purpose of the Center will be to coordinate the interests of the homemaker with the national defense program. It will make available such information as market prices, nutrition values of foods, and plentifulness. It will also offer advice and helpful suggestions to the housewife.

The price checking committee, under the chairmanship of Mrs. William Cosgrove, have been working all week to secure information which will be available at the Center today on market prices. A low cost menu, which will be prominently displayed, will also be one of today's features.

Many pamphlets dealing with homemaking will be kept on hand in the Center. The titles offer information on such subjects as "How to Buy Staple Foods Wisely," "Consumers' Information About Meat," "Marketing Wisely for Better Meals," and "Sugar Substitutes."

Mrs. Lewis F. Macartney, chairman of the Consumers' Interest Committee, has been appointed to replace Dr. Ann Robinson, as the Springfield representative on the Union Council to Name in Council. Dr. Robinson is resigning from the Council, to have time for further study at Columbia University.

Mrs. Macartney, Mrs. Arthur F. Staebli, and Mrs. Cosgrove attended the conference on "Conservation for Victory," Wednesday in Elizabeth, sponsored by the Home Economics Extension Service of the Council. Mrs. Robinson was present both Wednesday and yesterday.

### Plan Elizabeth Concert

The Elizabeth Philharmonic will present its third concert of the season Tuesday evening, March 10, at the Masonic Temple, Elizabeth. August May, the orchestra's conductor since its inception ten years ago, will be on the podium. The piano soloist will be the famed Alexander Brailowsky, who will be heard in the Tschakowsky Concerto.

### SUN SPOTS

PINBALLS FOR DEFENSE might very well have been the slogan of New York City for the past month. A ton of pinballs taken from some 3,000 machines seized by the police were turned over to Mayor La Guardia as a contribution to the city's metal-salvage campaign. In case you're interested statistically to what it all adds up to per machine, here are the figures: about 780 feet of wire, 100 to 150 high bulbs, a transformer, 100 or more electrical relays, many fuses, and a one-hundredth horsepower motor.

ONE READER, whom we shall call Mrs. H. with a lot of homespun spunk, called our attention this week to a new angle on two letters we published in our last issue. Both of those letters were from people who were no longer residents of Springfield, and both were complimentary to our paper. "How many of your readers," Mrs. H. writes, "noticed that Mrs. Alfred G. Trumble and Corp. Lawrence Smith last week paid tribute not only to the SUN, but to Springfield, which still spells 'home' to them? There is something about our town. . . ."

### FINIS TO BAGATELLE IN SPRINGFIELD

Few tears are being shed in Springfield, with abolition of bagatelle or pin ball machines, first by Supreme Court action, followed by the county prosecutor's orders to local police and finally, when the Township Committee kept in step with every other community in the State and prohibited machines by legislation.

There are many police enforcement agencies who share the views of the local department in witnessing an end to a racket which has proven profitable to their owners; a headache to storekeepers in some instances and lastly, a bane to parents whose youngsters have wasted nickels on gambling devices, fixed at the outset to prevent too high a percentage of profit to those who played with the idea of winning more than they spent.

Coincidentally, exactly a year ago this week the bagatelle issue was revived when after Counsel Charles W. Weeks declared them illegal, Chief of Police Runyon added they were a racket.

The editor of the SUN, who has constantly advocated either high licensing to keep them out of town, or outright banning, will now have to think of something else, for we feel that pin ball games have joined "the things of the past."

### Fred Pierson Held For Action of Grand Jury

Fred Pierson, 57 years old, of 75 Main street, was held for Grand Jury action Friday by Recorder Sterner in Hillside on charges of embezzlement. According to notice, Pierson took a total of \$250 from the gas station of George Wagner on Route 20, Hillside, during December and January. Pierson was employed at the place at that time. He disappeared last month and gave himself up Friday at Hillside police headquarters.

### Interest Is Mounting In "Babyland" Contest; Peter Grimes At Top

Parents, Grandparents, Aunts, Uncles, Et Al., Are Out-Working For Their Favorites; 90 Youngsters Are Now Competing

Peter Grimes, young son of Mr. and Mrs. John P. Grimes of Summit climbed to the top of the list in the popular "Who's Tops in Babyland" contest being conducted by The SUN, Summit Herald, and over 50 of the progressive stores in Summit. The second official count shows many changes in the Honor Roll, it was announced this week at Babyland headquarters at 346 Springfield avenue, where an exciting thing may happen. "Watch the Honor Roll each week and support your favorite with your votes," Fred Askew, the contest manager advised.

Closely bunched were the "adorable candidates" as they passed the second milestone in the contest—so closely bunched that a single day's voting might make a tremendous change and send any one of a number of names to the top.

"Look over the complete list of entries in this issue and see where your favorite baby is. Then determine that he or she shall not stay there, but move up the line toward the top. If you will hit hard enough, and work hard enough, you can see your favorite ahead at the end of the next count. That is the way to win a contest—the only way that can be won," Mr. Askew stated.

### Oratorical Contest Won by J. Teuscher

JOHN TEUSCHER

John Teuscher, Springfield honor student, won the oratorical contest at Regional High School, which was sponsored by Continental Post 238, American Legion, of Springfield, in which over 350 Seafors and Juniors participated. The contest was in connection with the course of United States History, the subject being "What the Constitution Means To Me."

Best papers were chosen by Michael Gatti and Robert Popperdeck, heads of the Social Studies and English Departments respectively. Sentors also assisted in the choice. The contestants read their papers before a double session of Seafors, after which they were thoroughly discussed, and the best ones chosen.

Fifteen dollars which the Post donated to be distributed among writers of the best essays was divided as follows: John Teuscher, \$4; Sherman Williams of Springfield, \$4; John Kroehling of Springfield, \$2; Janet Holson of New Providence, \$2; Henry Pfeiffer of Garwood, \$1; and Ernest Gurzler of Springfield, \$1. Presentation of the awards will be made at an Assembly in the Regional auditorium.

Teuscher, whose essay makes him representative of Regional in the county contest, has been president of the Student Council, and is president of the Senior Class. He is the son of Mr. and Mrs. Hans Teuscher of Milltown road.

SEND US YOUR BIRTHDAY

"It is the final vote that counts, and your candidate, even though he may be far down on the list today, may be at the top next week. It is up to you, and remember, it is the vote at the finish that counts. So make every effort by Saturday to get into Babyland Headquarters at 346 Springfield avenue with as many merchant coupons and subscriptions to The Summit Herald or Springfield Sun as possible. The more votes turned in by this Saturday, the more the baby's standing is helped when the next Honor Roll is published.

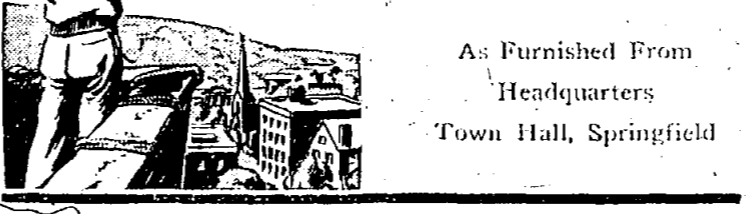

"And remember another important thing. It is not too late to put in new entries. A baby entered to day may receive the title of King or Queen of Babyland, the beautiful loving cup and \$200 in cash. "Early voting is important also, and in order to stimulate the casting of ballots now, all merchant coupons and subscriptions to The Summit Herald or Springfield Sun are worth three times as much as they will be worth during the last week of the campaign. So now is the time to lay the foundation of success for your favorite. Get the votes in and get them in now.

"Remember, a subscription to this newspaper will count for many votes to a baby entered in the contest."

Your Garden This Week

BY FRED D. OSMAN, County Agricultural Agent.

Be prepared to start outdoor gardening operations the first week in March. Perhaps the weather won't permit you to start that very week, but if it does you will not want to be doing the chores which could have been done in February.

So why not finish pruning, get coldframes ready and loosen the mulch on the perennial border now? Loosening mulches is important. Some perennials may start to grow under mulch and the young shoots will be injured if the covering is packed down too tightly.

If you want to grow good annual poppies, larkspurs and cornflowers, you can sow seeds of these bright flowers any time the ground can be cleaned off by raking. Freezing and thawing during these next few weeks will cover the seeds and they will come up the first thing in the Spring.

Sweet peas can also be started in individual pots in a coldframe and transplanted to the open ground about the first of April. In sowing, plant one or two seeds to each pot; they will generally start promptly in a frame provided the glass is covered nights with some protection to retain the heat.

# A WEEK OF THE WAR

Secretary of War Stimson told his press conference this nation is confronted with a situation in which we cannot "buy our way out or produce our way out," and the only way left is to "fight our way out by intelligent offensive action." Every effort is being made to build powerful armed forces, he said, and when conditions warrant, they will "seize every opportunity" to strike at the enemy. In the meantime, the U. S. must be prepared to take sporadic attacks along its coast, Mr. Stimson said, because "if we scatter our forces for the defensive, it is the surest way to defeat."

President Roosevelt told his press conference that under certain conditions enemy planes could bomb cities as far inland as Detroit, or enemy ships could shell New York City. Congress completed action on the \$100,000,000 appropriation for the Office of Civilian Defense, to provide fire-fighting equipment, gas masks, protective clothing and emergency medical supplies.

Assistant Secretary of State Berle, speaking in Des Moines, Iowa, said the U. S. is determined to fight an aggressive war, rather than a defensive one, and "the fruits of victory will be available to every free people throughout the world." Mr. Berle said "We can no longer think of ourselves as a supply base. . . . Our work is more than that of making guns and planes and tanks. Winning the war is now America's job." He said all signs point to big offensives this spring against the Italian States.

## Foreign Relations

President Roosevelt announced a new loan to Russia is planned because the original Lend-Lease authorization of a billion dollars has been obligated for future deliveries. Commitments for making American war materials available to Russia were maintained up to schedule until December 7. Delivery of supplies for the Soviet Union slowed down in December and January, he said, but will be brought back up to schedule by March 1. Under Secretary of State Welles said answers from the Vichy Government to this country in regard to French aid to Axis forces in North Africa were considered unsatisfactory. Mr. Welles said the French Ambassador had reported, however, no commitments have been made by the French to Japan in regard to Madagascar.

## Production and Conversion

The War Production Board announced war production of the "big three" automobile companies—General Motors, Chrysler and Ford—will be running at a rate of almost \$1 billion when they reach peak production on present orders. The companies will need 800,000 to 1,000,000 workers as compared with a peacetime peak of 550,000. The Board said war expenditures authorized by Congress, including pending bills and Lend-Lease, totaled \$145 billion on February 15. Chairman Nelson issued a set of regulations regarding the employment of dollar-a-year men by the Government. The Army Ordnance Department ordered ordnance chiefs in the 13 districts of the U. S. to provide engineering assistance to small manufacturers whose plants could be converted to arms production.

## Army

The House passed and sent to the Senate the new \$32 billion War Appropriation Bill which provides \$23 billion for the Army and more than \$5 billion for Lend-Lease. The Senate passed a bill to authorize payment of allowances for one year to dependents of military personnel captured or listed as missing. Voluntary enlistments in January totaled 50,000—double the highest World War I figure. The Army announced formation of the 1st Philippine Infantry Battalion at Camp San Luis Obispo, Calif., to provide loyal Filipinos a means of serving in the U. S. armed forces, and the creation of opportunity of fighting in their homeland. The War Department reported American pilots in the Chinese Air Forces "are giving Japanese airmen their worst beating of the war. . . . knocking down more than 10 Jap planes for every loss of their own." The Army Signal Corps is seeking civilian engineers to fill radio and telephone positions in Civil Service jobs paying \$2,600 to \$3,800 annually.

Selective Service Headquarters reclassified new Army physical standards for inductees with permit reclassification as Class 1-A of thousands of men now deferred due to teeth and eye defects. S. S. Director Hershey instructed local draft boards to defer labor leaders and Government labor-liaison men to permit continuance of their work in aiding war production and to defer men engaged in maintenance of essential agricultural activities. Men registered February 15 will be called for induction only after local boards have exhausted their existing lists, he said. A lottery in March will determine the order of classification and induction. Questionnaires on vocational experience will be sent to every registrant who has not yet been called for service.

## The War Front

Gen. MacArthur reported continuous fighting on the Bataan Peninsula and battery attacks on the fortifications throughout the week. The Navy announced the destroyer Shaw, previously reported lost at Pearl Harbor December 7, arrived at a U. S. West coast port, is being repaired and within a few weeks will be in service again on the high seas. A U. S. tanker was torpedoed in the Atlantic area, while U. S. forces inflicted enemy losses which included: 10 planes, one large and one small enemy transport and one 5,000-ton cargo ship sunk, and two enemy barges destroyed.

## Navy

Navy Secretary Knox said the Navy, operating over three-fourths of the globe under the heaviest burden in its history, must now protect U. S. shores and coastal waters, strategic areas vital to our defense, the American Republics, and the flow of supplies to Great Britain. It must check Japanese aggression until "we can muster our forces and send it hurrying back whence it came." The Navy announced launching of a battleship, four destroyers and a submarine chaser. The Navy said 1,000 Naval and Marine Corps officers and enlisted men and 1,200 civilians in the Pacific war area presumably were taken prisoners of war by the Japanese after December 7. The Portland, Ore., recruiting office topped all others in January with 114 enlistments for each 100,000 persons in its area. The nation's schools started work on a program to make 500,000 accurate scale models of United Nations' and enemy warplanes for U. S. naval, military and civilian defense forces.

The Chief of Naval Operations ordered representatives of local Naval District Commandants to arrange with ship owners to do preliminary work when ships are in port loading or unloading to speed unloading of American merchant vessels. The House passed and sent to the Senate the War Appropriation Bill providing nearly \$1 billion to expand the merchant fleet. The Senate passed a bill authorizing an additional \$100,000,000 appropriation for expanded Navy manufacturing and production facilities.

## Rationing

Price Administrator Henderson announced three consumer forms for sugar rationing are expected to be printed and distributed by March 7. He said there will be two registrations for rationing cards—one for housewives and another for small commercial users. Petroleum Coordinator Tokes said nation-wide rationing of petroleum products may be necessary if other methods fail to prevent shortages on both coasts. He announced regulations governing sale of fuel oil to all East coast consumers to keep stocks at a reasonable minimum and to prevent hoarding. The Justice Department said it is prepared to prosecute all violators of wartime industrial regulations, including priorities, allocation, rationing and price control.

## Protection From Sabotage

President Roosevelt authorized the Secretary of War to move out of vital defense areas any persons "believed inimical to the U. S. war effort"—citizens and aliens alike. Attorney General Biddle said the FBI has apprehended almost 3,000 alien enemies since the outbreak of the war. Approximately one-third of these are Japanese from California, Oregon and Washington.

## Priorities and Allocations

The WPB froze all stocks of new mechanical refrigerators except those in the hands of retailers, in preparation for conversion of this \$250,000,000 industry and its 20,000 workers to war production. All refrigerator production will end April 30, the Board said. It also assumed full control of the entire 1942 raw cane sugar supply, curtailed use of critical materials in manufacture of all musical instruments, and restricted use of natural gas.

REV. HUGH W. DICKINSON, whose 20 years of service at St. Stephen's Episcopal Church will be celebrated at special services on Sunday.

## Episcopal Pastor Marks 20 Years Of Service At St. Stephen's In Millburn

Many passersby, impressed by the scenic gateposts and the luxuriant foliage of the landscape of what appears to be a secluded private estate on Millburn avenue, Millburn, frequently stop to ask the caretaker who lives there.

"People live there," is the humorous reply. "Quite a few people live there. . . . but they're all sleeping."

Which is a way of telling the curious that they have indirectly complimented one of the most beautiful spots in Millburn Township, St. Stephen's Episcopal Church. The cemetery is one of the pet projects of Rev. Hugh W. Dickinson, who this week will observe his twentieth anniversary as rector of St. Stephen's Church.

In all those twenty years, "100 long," Mr. Dickinson says with a smile. . . . a large portion of his very active and fruitful labor has gone into the renovation and landscaping of that cemetery. From an almost complete wilderness he has, through unflagging effort, transformed it into "a thing of beauty."

"If I were to leave any sort of remembrance, or monument," he says, "I wish it to be St. Stephen's Cemetery."

Tall, rather heavy-set, always beaming with friendliness, Mr. Dickinson is a familiar figure in both Millburn and Springfield. Although most of his activities have centered in Millburn, almost all members of his church, their children and the women belong to the Women's Guild, the ladies' organization of his church. His parish, covering both towns, is a large one, and he kept on the go as its religious overseer, seeking constantly to improve his church and inspire his ever-increasing congregation.

And in his long service, many improvements have been accomplished.

than the war to hold up that morale." And as for religion in these troublesome times, he believes that the "people are realizing that God is the only refuge."

"People," he declares, "are more conscious of their responsibility to be submissive to God's will."

This Sunday he will hold a special service at his church to commemorate his twenty years of service. The service will be held at five o'clock, and he has extended invitations to all parishioners and friends. On Friday evening, the Women's Guild will celebrate the occasion with a special party in his honor at the Parish House.

## G. O. P. Leaders Indorse Roesel

Edward R. Roesel, Elizabeth Republican city chairman, won a 22-to-9 vote indorsement by the Union County G. O. P. executive committee Friday night for the job now held by William J. Seeland, veteran member of the Union County Board of Elections.

A proposal to send the report as well to the male state committee men, George C. Warren, Jr., of Summit, was defeated.

The meeting at Elizabeth attracted representation from each community, in addition to the county committee officers. All others except Senator Herbert J. Pateo and Mrs. Julia Hazzard, state committee woman, were excluded. Robert J. Murphy Sr. of Summit presided.

Mrs. Katherine M. Card of Summit nominated Mr. Seeland, who was seconded by Mrs. Mary S. Reiss.

Jefferson Pushes Regional Courtsters Out of County Play, Holding Wanca Down; Cranford Easy Victim In Opening Round

IN LOSING, BULLDOGS HIT LOW SEASON SCORE

In an upset that was a "thriller" from start to finish, Thomas Jefferson eliminated regional from the county tournament Saturday night, 27-29. Using a tight zone defense, Jefferson held the Bulldogs to their lowest score of the season, and almost succeeded in holding Johnny Wanca, regional sharpshooter, without a field goal for the first time this season.

Wanca's four points were all gathered on foul shots. Although Jefferson defeated the Bulldogs earlier in the season, the locals, being seeded No. 2, were expected to win based on records.

Regional jumped into the lead during the first few minutes of the game when George Morton broke away for three quick baskets. The Jeffs soon began to click, and at the half had chalked up 12 to Regional's 9.

Regional's 9. Neither team scored in the second quarter, although both missed many chances and were often guilty of taking wild shots.

It was Morton's night for scoring, leading both teams with eleven baskets. Norman Rappaport led the winners with nine.

Regional, Westfield Pitted For Opener

Although Coach Bill Brown's Regional basketball squad were ousted from the county tournament at the hands of Thomas Jefferson Saturday night, they yet await action in the State tournament which gets underway shortly.

For their opening round opponent in Group 3, North Jersey section No. 2, the Bulldogs will face Westfield. Morristown which recently was dropped from Group 4 to Group 3, will meet Rahway, one of the tournament favorites.

The second round will have both winners engaged to decide the sectional title.

REGIONAL ACTIVITIES

Students At High School Will Present Their First Operetta, "H. M. S. Pinafore"

"Our Little Buttercup," Josephine, Ralph Backstrom, and Dick Deady will direct their drama of music and jollity at Regional High School on Thursday and Friday evenings when students present that perennial Gilbert and Sullivan favorite, "H. M. S. Pinafore." The operetta, under the joint supervision of the music and drama departments of the high school, is the first of its kind to present to that perennial Gilbert and Sullivan favorite, "H. M. S. Pinafore."

Tommy Dorsey Pawilowski

Walter Pawilowski, first trombone player in the Regional band, was chosen by elimination to be a member of the All-State band. The contestants went to Plainfield where they were chosen by testing each one.

Sells Defense Stamps

The sale of Defense Stamps is progressing under the management of the Inter-City League.

Regional Artwork in Bamberger's Exhibition

A costume plate by Laura Morrison, of Springfield, a freshman, was chosen to hang in the New Jersey Scholastic Exhibition of High School Art at Bambergers, a jury of selection, representing the state, chose the best pieces of art in the state on February 11.

Cow Girl Yodeler

Regional is very fortunate in having a talented young girl who sings and yodels. She is Helen Karwowski, a freshman from Garwood. She also sings professionally for the boys at camp, having sung at Fort Dix, Lyons Hospital, and is scheduled to sing at Fort Monmouth and Fort Hancock.

Held Faculty Tea

The Library Council of Regional held its annual faculty tea on Thursday of last week. Decorations were in a patriotic motif.

M. on Wednesday, March 12, at 8 P. M., to consider the offer of Louis Karasik, under date of February 19, 1942, for the purchase of certain lands more particularly described in the offer annexed hereto and made a part hereof; and the Township Committee may confer and confer and make a modification thereof, provided that no higher price or better terms shall be bid for said property by any other person.

The offer is as follows:

**FORM OF PURCHASE TERMS**

The undersigned offers to purchase from the Township of Springfield, in the County of Union, and State of New Jersey, the following described premises located in the aforesaid Township:

Lots No. 109 and No. 110, Block 14, as shown on the Tax Assessor's map of the Township of Springfield, New Jersey.

The undersigned agrees to purchase the above premises for the sum of seven hundred (\$700) dollars and pay the said consideration in full on the day of closing of the sale, subject to the conditions and covenants as hereinafter stated.

Upon the signing of this offer, the receipt whereof is hereby acknowledged, the balance of \$600.00 on the day of closing of title, and simultaneously with the delivery of the deed of conveyance.

The covenants are to be conveyed by a Bargain and Sale Deed, free and without any liens or encumbrances, except as hereinafter stated. The said conveyance shall be made subject to any restrictions or conditions of title, if any, standing hereon, that said restrictions will not prohibit the erection of a building and garage, to cost not less than the sum of five thousand (\$5,000) dollars. The deed of conveyance is to contain the following covenants:

- No house shall be erected on any lot having a frontage of less than fifty (50) feet, and
- No house erected on any lot shall have a living space, as shown by the ground floor plan, of less than 1,200 square feet; and in the case of single story houses, the living space shall not be less than 800 square feet.

Promises are also to be conveyed subject to such facts that an accurate survey will disclose.

It is understood and agreed that the Township of Springfield has obtained the necessary consent through its municipal officers, clerks or deeds executed and delivered in full of said purchase agreement of this offer. It is disclosed that the Township does not have a good and marketable title, and that the Township of Springfield will return to the undersigned the deposit of two hundred dollars, paid hereunder, and they shall not be responsible for any damages or title examination expenses; and this agreement of purchase shall be null and void.

These covenants shall run with the land.

The Township of Springfield shall indicate its acceptance of this offer by the necessary resolution so providing, and authorizing its officers to take the necessary steps to close the title under sixty days from the date of said resolution and in accordance with the terms of this offer.

The necessary steps to close the title in the Municipal Building, Springfield, New Jersey, and upon the receipt of said resolution, this offer and the resolution shall constitute a binding contract, and upon the receipt of said resolution, the Township of Springfield shall pay to the undersigned the balance of the purchase price and take the within one hundred and sixty days hereinafter set forth, the sum of \$200.00 is hereby fixed and settled as the purchase price.

IN WITNESS WHEREOF, Louis Karasik, has hereunto set his hand and seal this 19th day of February, 1942, at Springfield, New Jersey.

LOUIS KARASIK.  
Signed, Sealed and Delivered  
in the presence of  
WILLIAM PROUT.
