Library's Tenth Anniversary Being Celebrated

Photo—Erwin S. Dierkes

TEN YEARS OF SERVICE will be celebrated March 15 by the Springfield Free Public Library, and in honor of the occasion, a tea and photographic exhibit of old Springfield scenes will be held at the Legion Building. Views of the library, above left, illustrate the interior, and at the right, the entrance on Morris avenue, a few doors from Plover ave.

KEEPING 'EM GUESSING

The Township Committee is evidently keeping both dog kennel owners and property owners guessing as to their action on a shelved ordinance restricting kennel property. The ordinance, slightly revised, was scheduled for introduction about two weeks ago, but nothing, not even a little rumor, has been heard of it since. It's kind of hard on the poor kennel owners. They must be in a pretty stew of suspense wondering just what the committee intends to do with their businesses. As for the real estate owners, they have had a kettle of fish for a long time now, and the chances are that the delay doesn't have much effect on them. The meeting on Wednesday night may bring matters to a climax.

BIRTHDAY LISTS GROWING

We didn't need the building inspector's report to tell us that the population of Springfield is expanding. All we have to do is refer to our birthday files which each week increases with the names, not only of recent births, but with those of new residents. Our list this week, which contains 53 names, is probably the longest for the year. On an average we have about 40 names per week, which makes approximately 2,000 persons in town to whom we extend best wishes. Our aim, however, is perfection. We'd like to have the birthday of every resident, in both Springfield and Mountainide, in our files. How about it? Just give us a buzz, or send us a postal card.

Happy Birthday!

Whether your birthday falls next week, or next month, why not have it listed here by calling the SUN, Mountainide, or by filling out a postal card. Our files will carry over the date from year to year, so that it needn't be repeated.

"Happy Birthday" greetings are extended this week by the SUN to the following residents of Springfield:

Restrictions Set For Aliens Living In Springfield Area

The proclamations of President Roosevelt on December 7 and 8, directing the conduct to be observed by aliens of enemy nationalities in the United States who have not been naturalized as citizens, were called to the attention of Springfield aliens this week in a statement made by Postmaster Otto F. Helz.

Advice was received from Washington this week that the deadline had been extended to March 31 for registration. To date about 105 aliens have registered in Springfield.

Mr. Helz placed emphasis on three of the regulations set forth in the President's proclamations. The regulations follow:

"Whenever an alien of enemy nationality who is a holder of a Certificate of Identification changes his name, residence, address or place of employment, a written notice shall immediately be given to the Alien Registration Division of the Immigration and Naturalization Service and the local office of the Federal Bureau of Investigation shown in the holder's Certificate of Identification.

"No alien of enemy nationality shall travel or move from place to place without having obtained permission of the United States Attorney for the judicial district in which he resides with the exception that such permission is not required for travel within the urban or rural community in which the alien resides, for commuting to business or for travel to places of worship or school, or to transact business with public officials. Such permission may be granted by the United States Attorney in accordance with the provisions of the Attorney General's revised regulations.

"An alien of enemy nationality who fails to comply with the provisions of the Proclamations and regulations prescribing the conduct to be observed by alien enemies, is subject to apprehension, detention and internment for the duration of the war."

Permission to travel may be obtained by addressing the U. S. Attorney, Trenton, N. J., who will provide the necessary forms to be filled out.

State's Complaint Dropped By Court

The State was allowed to drop its charge Monday of atrocious assault and battery with a truck at the trial of Andrew Castro, 26 years old, of 116 Mill street, Brooklyn. Permission was granted by Judge Edward A. McGrath, at the Court house, Elizabeth.

Assistant Prosecutor Louis P. Longobardi told the court that Joseph L. Kopp, Jr., of Irvington, principal complainant, was giving testimony that he had not disclosed either when questioned by investigators or before Grand Inquest a short time after the accident on which the indictment was found.

Kopp revealed on witness stand that he has civil litigation pending against other motorists involved, particularly Dr. Michael J. Hughes, an employee of the City of Newark. Kopp testified that the Hughes car had cut in front of Castro's truck before the latter careened across Route 29, near Dundar road in Springfield, on February 7, 1940.

Kopp was riding with his brother, William Kopp, who also lives in Irvington. Their car was driven off the road and they were injured by the impact of the truck. Police Sergeant Albert Sorgo, who was at the scene of the accident, was summoned to Elizabeth for the trial.

Kern On Jury Panel

Herbert H. Kern of 14 Alvin terrace was among those chosen on a fifth panel of January Term petit jurors, drawn Monday before Judge Edward A. McGrath by the Union County Jury Commission in Elizabeth. He will serve from March 9 to 21.

Glee Club Elects Charles Anderson

Charles Anderson, son of Mr. and Mrs. A. B. Anderson of 30 Maple avenue, was recently elected president of the Glee Club of Stevens Institute of Technology, Hoboken, Anderson, who is a Junior at the Institute, served as vice-president and treasurer of the Glee Club last year. The next recital of the group will be held on April 18 at Centenary Junior College for Girls in Hackettstown.

In Army Camps This Week

To the Editor of the SUN:

Now that it is almost impossible to reach home, the slight of a home town paper is more cheering than ever. Springfield will always be "home" to me no matter what part of the world we may go to free it. Please continue sending the Sun.

It's great.

PVT. CHARLES SOMMEL
Fort Bragg, N. C.
Feb. 25, 1942.

Lieut. Joseph H. Mitchell of 31 Satter street has been selected to attend the battery officers' course at the Field Artillery School, Fort Sill, Okla. Lieut. Mitchell is stationed at Fort Bragg, N. C.

Pvt. John MacKenzie of Tinker avenue who is stationed at Mitchell Field, L. I., was home for the weekend.

Pvt. F. Edward Hocking, son of Mr. and Mrs. F. E. Hocking of 141 Milltown road, visited his parents over the week-end from Fort Monmouth, where he is stationed.

Edward E. Phillips, son of Mr. and Mrs. Charles Phillips, Sr., of Bartle Hill avenue, underwent an appendectomy Tuesday in the Marine Hospital, Stapleton, Staten Island. Phillips is with the U. S. Coast Guard stationed at Perth Amboy.

Regional P.T.A. Plans Barn Dance Friday

Grab your partners and get set for the big barn dance which the Regional Parent-Teacher Association is sponsoring at the high school on Friday evening, March 13. Proceeds of the dance will be used for the benefit of the student aid fund.

Mrs. John Cordes, chairman of the Ways and Means Committee of the organization, is in charge of arrangements for the dance. She is being assisted by Marjorie Geiger, student representative. There will be refreshments and prizes. Admission is 35 cents, tax included.

Banking Official Will Speak Monday

Alvan B. Sohn, vice-president of the Essex County Chapter of the American Institute of Banking, will be the speaker Monday night at the regular monthly meeting of the Springfield Republican Club, to be held in the Legion Building at 8 o'clock. Mr. Sohn will talk on the subject of "The Bank's Place in the Community." A discussion period will follow his address.

Mrs. Edith Hawkins, president of the club, will introduce Mr. Sohn, who has been invited by Mr. Henry Kees, chairman of the entertainment committee. All members and friends of the club are urged to attend the meeting.

Completed Estimates On Sugar Rationing

Yesterday marked the deadline on which all city and county superintendents of schools were to complete estimates of the number of persons expected to register at each public school for sugar rationing. It was announced by Mrs. Irma Nowell, Deputy State Rationing Administrator.

All superintendents of schools have been asked to make an estimate of anticipated registration figures in their respective areas, and also to deliver to the local rationing boards a list of the names and addresses of all schools located within the rationing board's area.

This is the first step in the program of sugar rationing. The next step will be the registration of retailers, hotels, institutions, and others using more than the normal family quota of sugar, to be followed by four days of civilian registration at public schools. While no definite dates for registration have been set, it is expected that sugar rationing will get under way late in March.

Rationing of new passenger cars went into effect on Monday of this week, and local rationing boards are now receiving applications for the 4,399 new passenger cars which compose New Jersey's quota for the three-month period from March 2 to May 31.

The new passenger car rationing regulations set up a list of eligible purchasers similar generally to the list of persons eligible to purchase new tires and retrofits. Farm veterinarians, and travelling salesmen engaged in selling farm equipment are eligible to purchase new cars if they can meet the strict requirements of the rationing regulations.

SUN SPOTS

THERE'S NO HOLDING DOWN the Regional Grappler. Despite the absence of Coach Battaglia, who underwent an appendectomy last week, the boys journeyed to Roselle Park Saturday and came out first in their district preliminaries for the State wrestling championship. Tomorrow they go to Elizabeth for the finals. It's a cheerful enough note to speed anybody's recovery.

OVERHEARD ON MAIN STREET: An old Negro gentleman, approached the driver of the one of the Public Service buses. "Could you all tell me," he asked, "how could I get to Pickaminy Arsenal?"

Practical War-Time Refreshments Planned

MOUNTAINSIDE As part of the "Defense Night" program, which is being held by the Parent-Teacher Association on Thursday evening at the school, the refreshments which will be served will be in strict accordance with war-time conditions. All cakes and cookies will be baked with substitutes, which, in addition to giving them the regular appetizing flavor will also maintain a high nutritional value. Honey and molasses, for example, will be used instead of sugar.

The plan was worked out through the efforts of Mrs. H. J. Kazmar, head of the local nutrition group, and Mrs. Theodore V. Mundy, president of the Parent-Teacher Association, as being exceedingly suitable for the general defense motif of the program. Mimeographed copies of the recipes from which the refreshments are made will be distributed at the meeting.

Mrs. Harry Boynton is hospitable chairman for the group, and acting as co-hostess for the evening will be Mrs. Fred Wagner, classroom mother, for the first grade.

Amaranth Election Set For Thursday Evening

Election of officers will be held at the meeting of Plover Court, Order of Amaranth, at the lodge rooms, Millburn, on Thursday night. In addition to the regular business, including reports, there will be a rehearsal for the crowning and uncrowning, which will be held at the following meeting. A birthday party, celebrating the 11th anniversary of the group, will also be held on Thursday night.

Carl Mellberg, Jr. Named Lieutenant

Aviation Cadet Carl L. Mellberg, son of Rev. and Mrs. Carl C. Mellberg of Main street, who is stationed at the Bald Pate School, Okla., has been appointed a lieutenant in the Aviation Cadet Detachment at that school.

Mellberg, member of class 42-1, was appointed when class 42-1 left to take up training at advanced flying schools, and caused 42-2 to become the upper group at the new pilot training field.

Cadet officers and non-commissioned officer act as supervisors over other cadets in both their own and lower classes. They carry their ranks through the rest of their basic training period.

Mellberg's class will finish pilot training at advanced flying schools May 27 and its members will be commissioned Second Lieutenants and rated as U. S. Army Corporals at that time.

Rev. Carl C. Mellberg, father of Cadet Mellberg, is chaplain of the 34th Bombardment Group stationed at Penikese, Ore. He is pastor of the local Methodist Church.

"H.M.S. Pinafore" To Be Repeated Tonight

Walk a little faster, all you Savoyards, for tonight is the last night you can see Gilbert and Sullivan's "H.M.S. Pinafore" at Regional High School, and a more rollicking, frolicking, humorous performance of that musical sweetmeat, we'll wager you have never seen. The "every model of a modern major-general," "poor little Buttercup," and that arch villain Dick Deadeye relate their story of intrigue and conspiracy with a gusto and melodious enthusiasm that the Regional auditorium has seldom seen.

It's all due to the hard work and long rehearsals of the drama and music departments of the high school, under whose joint sponsorship the operetta is being produced. Supervising the musical portion of the operetta is William Cook, head of Regional music department, and taking care of the blood and thunder is Miss Ruth Kaplan, who has had wide experience in theatricals.

Principals in the cast are Edward Monerth, Cornelius Sullivan, Roddy Lester, Harold Broome, Harley Ferguson, William Alexander, Ruth Laurence, Adele Roeder, and Phyllis Binnett. Student director is Barbara Danenhour.

Mr. Department, has conducted a poster contest to publicize the operetta, and posters have been on display throughout the nearby grammar schools and in the high school. Other committees in charge of putting the show over are: Publicity, Barbara Danenhour; announcements, Miss Kaplan; student publicity, Betty McCarthy; tickets, Miss Helen Crawford; Miss Johnson, and Mrs. Ann Dunn; usher, Miss Carolyn Leht; stage manager, Joseph Sott; and costumes, Miss Beverly Milten.

Student heads of committees are: Publicity, Barbara Danenhour; properties, Edith Kramm, Fred Belliveau; lights, John Sweeney; William Beatty. Students who participated in the poster contest are Van Potts, Harry Spelcher, Donald Sullivan, Fred Edwards, Richard Roewe, Lore Eberhardt, Florence Ograsnik, and Ruth Hofacker.

A special performance of the operetta was given Wednesday afternoon for children of the grammar schools in the Regional District.

Reception Tonight To Honor Episcopal Pastor

The Women's Guild of St. Stephen's Episcopal Church of Millburn, will hold a reception this evening in honor of the twentieth anniversary of Rev. Hugh W. Dickinson's service as rector of the church. The reception will be held at 8 o'clock in the parish house, and all members and friends of the church have been invited.

A special service was conducted at the church on Sunday in honor of the occasion. Speakers were Rev. Lewis Zaeker, rector of the Church of St. John Baptist of Brooklyn, and the Venerable Archdeacon Victor Morj of Morristown.

Sunshine Society To Convene On Thursday

There will be a regular meeting of the Millburn-Springfield Sunshine Society on Thursday afternoon at 2 o'clock at the home of Mrs. Charles Quinze, 102 Plover avenue. Part of the meeting will be devoted to sewing for the Red Cross.

DEFENSE NEWS

As Furnished From Headquarters
Town Hall, Springfield

Mrs. Russell Pitzinger, chairman of the Nurses' Committee of the Springfield Defense Council, announces that there will be a brush-up course for nurses at the Overlook Hospital Nurses' Home, Summit, starting Monday evening at 8 o'clock. Any nurse in the township wishing to refresh her nursing knowledge is urged to take the course, which will include a series of four meetings.

The meetings on Monday evening and the evening of March 16 will be devoted to demonstrations given by the Mountainide First Aid Squad. The squad will give demonstrations of traction, artificial respiration, and bandaging. It is suggested that all who attend the first two meetings wear slacks if possible, and all are requested to bring triangular bandages, 40 inches.

For the meeting of March 16, there will be a lecture by Dr. Watson B. Morris, Dr. Morris, whose subject "What To Do, What To Know" will touch upon anti-toxin, burns, and gas, will illustrate his talk with slides.

On April 1, Miss Hazel Bopp will offer a review of First Aid, including such necessary topics as bandaging, tourniquets, and pressure points.

Fire Chief Charles Pinkava outlined this week the latest methods of fighting fire bombs approved by the U. S. Office of Civilian Defense. "Everyone must know what to do in case of an air attack," said the Chief, "not only so we can keep fire damage as low as possible, but also so we can all face such an emergency with calmness and self-confidence. Panic is the only thing to be afraid of."

The two-pound magnesium bomb is the type military authorities expect will be used," the Chief continued, "and, depending upon conditions when you find a bomb, use either sand or water spray on it. Wait about a minute before attacking it, so as to be sure all the violent sputtering is over. Then, if the bomb has not set fire to surrounding combustibles, it can be covered with sand, dumped into a metal pail and removed from the premises.

"But if the bomb has started a fire by the time its violent reaction is over, water spray must be used. Be certain to use a solid stream strike the bomb, because that may cause an explosive reaction. The spray of water may be a gas, but in a house or any fire extinguisher containing water or a water solution. However, since water supplies may (Continued on Page Two)

So Long, Boss. It seems as though we get a letter something like this about every day: "Goodbye boss, I'm off to fight the Japs. With so many of us leaving, you're going to be pretty busy taking care of all those customers. I guess they'll understand, though, if you're a little slow in getting around. Harry can take over for me when you teach him all the things I learned. Be sure to take care of Mrs. Gorton's range, and don't forget Mr. Burrow's refrigerator. Keep those defense plants running back there, and I'll do my part up in front. So long, boss, I'll be back to work soon." Jersey Central Power & Light Co.

LOOKING BACKWARD

10 Years Ago

March 6, 1932
 Objections by the City of Rahway to the specifications for the Rahway Valley Trunk Sewer disposal plant were outlined at the meeting of the Joint Trunk Sewer Body. Rahway officials were insistent that pumps or some mechanical means be taken to prevent Rahway from receiving backflow sewage. Representatives of the other municipalities maintained that pumps were not necessary. No action was taken.

Several hundred residents and passing motorists were on hand to watch the moving of a two-family house from its former location at 272 Morris avenue to a plot in Center street adjoining the township garage. The work caused a traffic delay and detour in Morris avenue for nearly six hours.

The Epworth League of the Methodist Church presented a three-act comedy, "Over the Garden Wall," in the James Caldwell School auditorium. A special dance act by the Misses Peggy Ammerman, Lorraine Smith, Gloria Spencer, and Eleanor Voepfhus featured the evening's performance.

The Township Committee appointed Charles H. Ruby as temporary road and sewer maintenance man on a part-time basis at a salary of \$5 per day.

5 Years Ago

March 6, 1937
 A celebration of the fifth anniversary of the Springfield Free Public Library was being planned, with Mrs. Alfred G. Trundle in charge of the committee of arrangements. Special ceremonies were to be held in the Methodist Church with several outstanding speakers, including Dr. George Paul Schmidt, professor at New Jersey College for Women, Miss Ethel Brown of the New Jersey State Library Association, and Frank Carington, director of the Paper Mill Playhouse, participating.

A number of brush and grass fires were keeping the Volunteer Fire Department busy. A total of thirteen calls were answered by the men in one week, ten of them being of the brush and grass variety.

The Lions Club were staging a monster benefit vaudeville show in the James Caldwell School auditorium. Lee S. Higby had engaged the services of several "big time"

performers for the affair. Tax Collector Charles Huff was acting as general chairman for the show.

Mrs. Lewis F. Macartney, chairman of the Springfield Red Cross Flood Relief Drive, reported that the town had gone "over the top" in the collection. Contributions totaled almost two hundred dollars over the quota.

 Regional matmen finished their season undefeated, having chalked up eight straight victories. Coach Battaglia's boys led the distinction of winning more dual meets during their season than any other State team.

Merle Patten, retiring member of the Regional Board of Education, was feted at a testimonial dinner given by Board members. County Clerk Henry G. Nulton was principal speaker, and Dr. Arthur L. Johnson, county superintendent of schools, also paid tribute to Patten for his services on the board.

Despite protests, the Township Committee was determined to proceed in its plans to enact an ordinance which would curb pinball and other forms of bagatelle in Springfield.

Regional High School held its first annual "Caper Night," whose purpose was to help students in the choice of a vocation. Parents, students, and teachers heard talks delivered by qualified persons in various fields of business, professional and vocational endeavor.

Ray Schmidt, star Springfield athlete, ended his college basketball career at Springfield College, Mass., when the team, of which he was captain, defeated the nationally-mighty Rhode Island State team, 59-50. Schmidt is now in service, stationed in the Panama Canal Zone.

Dividend Declared

The Board of Directors of Jersey Central Power & Light Company have declared the regular quarterly dividends on their preferred stock payable April 1, 1942, to stockholders of record on March 10. The dividends are \$1.75 per share on the 7 per cent. preferred stock; \$1.60 a share on the 6 per cent., and \$1.375 a share on the 5 1/2 per cent. preferred stock.

STATISTICS OF SPRINGFIELD

Population—1942, 5,000; assessment valuation—1942, \$5,241,290; tax rate—1942, \$2.75; Township—22; schools, \$1.25; state and county, \$1.00. Springfield was settled in the early 1700's. Its township form of government was established April 14, 1791, and was incorporated in 1857. Springfield is essentially a community of homes, with little industry except for farming, nurseries and co-ordinated manufacturing for these: 45 minutes from New York City on the Lackawanna R. R. with two stations at Millburn and Short Hills, less than a mile away; 7 miles to Elizabeth; 7 miles to Newark; excellent bus connections to Newark, Elizabeth, Summit and Plainfield. The Railway Valley Railroad, with a freight station in the township, affords service for business, commercial and industrial purposes. State Highway 29 miles New York City convenient by auto in 30 minutes. Site of the \$500,000 Union County Regional High School, serving Springfield, Mountainside and four other county municipalities. It has good streets, water, gas, electricity and modern sanitary sewer system, excellent police, fire and school facilities; mail carrier delivery system and zoning regulations for the protection of the individual property owner. Of interest in Revolutionary history with its historic Presbyterian Church, where the Rev. James Caldwell cried: "Give 'em warts, boys!" in the midst of the Battle of Springfield fought on June 23, 1780. Several colonial landmarks are to be found in Springfield, one of the oldest communities in Union County.

ACTIVITIES OF MOUNTAINSIDE

Mountainside Parent-Teacher Association Arranges Extensive Meeting For Thursday; All Defense Group Heads Slated to Speak

GIFTS FOR SOLDIERS WILL BE COLLECTED

MOUNTAINSIDE—An important and extensive program, covering all aspects of local defense activities is being planned by the Mountainside Parent-Teacher Association for "Defense Night" which will be held on Thursday evening at the school. Heads of all defense organizations are scheduled to address the meeting and explain the respective progress of their groups in a defense emergency work.

A short meeting of the Parent-Teacher Association will precede the program, at which Theodore V. Mundy, president and campaign manager of the newly organized Mountainside Community Association, will outline the aims of the association and report on its drive.

First speaker on the program will be Supervising Principal Charles Wadas, who will tell of the school's preparations in defense. Representing the Red Cross, which has been meeting regularly on Wednesdays and Thursdays for sewing sessions at the school, and the Transportation Corps, of which she is chairman, Mrs. Wynant Cole will report on the activities of these groups.

The Police Reserves will be represented by George Force, and the Air Raid Wardens will have Edward Monerth, chief warden, as their spokesman. Fire Chief Herman Honecker will speak on the work of the Volunteer Fire Department.

Both the Girl Scouts and the Boy Scouts will be accounted for with Miss Ruth Rinker, councillor, representing the former group, and John Keller, scoutmaster, the latter group.

Mrs. H. J. Kazmar, member of the Home Extension Service and head of local nutrition activities in the borough, will speak on emergency nutrition measures.

Progress in such significant fields as first aid and rescue work will be reported upon. Dr. K. Unna will tell of the new casualty station, and Austin Johnson, who has been instructing a class in First Aid, will report on first aid measures in the borough. Richard Keller, head of the Rescue Squad,

Fire Threatened Barn

MOUNTAINSIDE—A field fire on the Voorhees property off Route 23, which threatened a nearby barn, was extinguished last Thursday afternoon by the Volunteer Fire Department. It was reported. Record of the department shows that no damage was done. Fire Chief Herman Honecker was in charge.

Boro Rescue Squad Plans Demonstration

CAPT. RICHARD KELLER

MOUNTAINSIDE—Under Captain Richard Keller, several members of the Mountainside Rescue Squad will go to Overlook Hospital, Summit, Monday night and the following Monday night to give a demonstration on road first aid before a class of nurses, who are taking a brush-up course in connection with defense work. The group will illustrate special first aid techniques for road casualties.

Mr. Keller, who taught a first aid class in the borough during the winter, is now finishing another course, in which forty persons are registered, at the Blue Mountain Farms. In addition to heading the Rescue Squad, he is active in many borough activities, especially those pertaining to defense.

Community Drive Began Yesterday

MOUNTAINSIDE—The first drive for funds of the Mountainside Community Association began yesterday, with all workers starting their canvass of the entire borough. The workers, who are representatives of every social and civic organization in the borough, received their pledge cards Tuesday for the canvass which will continue during the next two weeks. Theodore V. Mundy is chairman and campaign manager of the association.

There are sixteen volunteer workers enrolled in the campaign. This week, eleven more workers were named to assist in the drive. They are Fred Wagner, Henry Sawcote, Edward Hanswiler, C. B. Murphy, Ralph Dietz, Wynant Cole, Mrs. Henry C. Pfeiffer, Mrs. Gilbert Pfeiffer, Charles Wadas, Richard Keller, and Mrs. Wilfred C. Hand.

First returns on the campaign are expected to be turned in to Mr. Mundy on Tuesday.

Library Report Given

MOUNTAINSIDE—A report of the monthly activities of the library was given at the meeting of the Library Board on Monday evening. Book circulation for the month was 787, magazine circulation 22. Among the new books added to the library is "Saratoga Trunk" by Edna Ferber.

What SUN Advocates

1. Sidewalks wherever needed.
2. 5c bus fare to Union Center.
3. Extended local telephone scope to Newark and Elizabeth.
4. Federal-Post-Office buildings.
5. Removal of dilapidated buildings which are fire spots.
6. An active Board of Trade to stimulate "Try Springfield First" in purchasing.
7. Full-time position for the Township Clerk's office.
8. Encouraging clean industry, to increase tax rates.
9. Municipal parking lot.
10. Extension of mail delivery by local R. F. D. routes to all portions of the township.

Mountainside Notes

A nursing group will be organized tomorrow under Dr. K. Unna. The women, two of whom are registered nurses, with the others having extensive nursing training, will meet at the newly-created casualty station. The group includes Mrs. William Kuvach, Mrs. Carl Evans, Mrs. Joseph Wilfred, and Mrs. Gilbert Pittenger.

Election of officers will be held Sunday morning at the Sunday School of the Mountainside Union Chapel.

Robert Braun, son of Mr. and Mrs. Arthur Braun of Central avenue, was guest of honor Sunday at a party celebrating his fifth birthday. Guests included Richard and Lorraine Scoville, Muriel and Robert Pfeiffer, George Robbins, William Kuvach, Carol and Virginia Werle, Robert and Donald Pittenger, and Margaret Lamb.

The Story Hour, sponsored by the Mountainside Library, will be held as usual on Saturday afternoon from 3 to 4 o'clock at the home of Mrs. John Pfeiffer on Central avenue. Attendance at the story hour has increased from nine to eighteen children, and at the meeting last Saturday Mrs. Pfeiffer entertained the group with a puppet show.

Murphy Seen As Secretary Of County Election Board

Robert J. Murphy, Sr., of Summit, probably will be the next secretary of the Union County Board of Elections, a post which pays an additional \$1,000 above the \$2,000 per annum salary all board members receive.

The board will organize this morning at 10 o'clock in the Court House, Elizabeth. Election laws permit organization on the second Tuesday in March. If more convenient, within the month's first 20 days.

It is expected Arthur T. Lee of Hillsdale will remain as chairman. Should the board be deadlocked, an unexpected situation, the oldest member in point of service would automatically become chairman. That would be Mr. Murphy.

The secretaryship could pay \$1,500 a year, if he had a full-time occupation but, the 1942 budget does not provide for it.

Injured In Accident

MOUNTAINSIDE—Edward Rinker of West Third street, Plainfield, was injured Tuesday when his car was in collision with that of William Tierling of Elizabeth on Summit road. Police reported that he was taken to Overlook Hospital where he was treated for injuries.

MOUNTAINSIDE CALENDAR

- Mar. 10 (Tue.)—Public Hearing, municipal budget, Borough Hall, 8 P. M.
- Mar. 12 (Thurs.)—Mountainside Parent-Teacher Association, meeting, school, 8 P. M.

New York Exhibit For Garden Club

MOUNTAINSIDE—Members of the Mountainside Garden Club are making preparations for their exhibit in the 29th Annual International Flower Show which will be held at the Grand Central Palace, New York, during the week of March 15-21. In addition to an exhibit in the club competition of the show, two members of the local group will enter individual competitions, and others will serve as hostesses at the show.

Both Mrs. Elliott Ranney of Tanglewood lane, and Mrs. Harold L. Brooks of Westfield, will enter an exhibit for the club in the club competition, and both will have entries in individual contests. Mrs. Ranney will have an entry in the Blue Predominating Class on March 19, and Mrs. Brooks will have one in the Green Predominating Class on March 20. Mrs. Ranney is also doing an invitation exhibit on March 20 for the Federated Garden Clubs of New York.

Two members of the local group will serve as hostesses at the show on the afternoon of March 20. They are Mrs. M. P. Chaffin of New Providence road, and Mrs. Walter Dent of Westfield.

Mrs. Robert W. Davidson of 548 Woodland avenue, is chairman of the club. Because of the Flower Show, the regular monthly meeting of the group has been postponed to March 24. It will be held at the home of Mrs. J. W. Cutler, Canterbury lane, Westfield. Mrs. Roderick M. Vandervort, authority on geraniums, will be the guest speaker.

50th Anniversary Being Observed By Mountainside Home

MOUNTAINSIDE—Report of the activities for 1941 of the Children's Country Home on New Providence road, which this year is celebrating its fiftieth anniversary, was issued this week. From its small beginning in 1891, the home today is one of the leading institutions in the State for the care of orphaned children, being associated with the New Jersey Orthopedic Hospital and approved by the American College of Surgeons.

The report shows an increase in almost all the activities of the home. Up to January 1, 1942, there were 199 children admitted to the home as compared with 173 the previous year. Children discharged during the year totaled 185. Other details are as follows: total days of care, 1940, 17,921. 1941, 20,765; average occupancy, 1940, 49; 1941, 56; children in the home, 1940, 52; 1941, 66.

Children at the home receive expert care. In addition to a staff of outstanding regular physicians, the home has a long list of consulting physicians. The latest equipment is used. Both the recreational and educational care of the children are amply provided for, with playgrounds for those who are able to use them, and other recreational equipment for those children who must remain bedridden; classes are held under the supervision of the Mountainside Board of Education, including a summer school program.

Disbursements for the year amounted to \$52,261.02. Most of the home's revenue is derived from local and suburban charity organizations; from Federal, State, and County funds, and from private endowments.

Have You Filed Your Income Tax Return?

Have you filed your Federal income tax return? If you come within the group from whom returns are required, you have only until midnight, March 16, in which to file a return. Single persons who earned as much as \$1443 a week for the 52 weeks of 1941; or married persons living together who had aggregate earnings of as much as \$2886 a week for the year, are required to file returns. The instructions attached to the forms describe the method of preparing returns, but if further information is necessary it may be obtained at the local bank.

If income tax returns are placed in the mail, they should be posted in ample time to reach the collector's office on or before the due date—that is, midnight on March 16 for calendar year returns. Taxpayers subject themselves to a penalty for failure to file the returns on time.

A WEEK OF THE WAR

President Roosevelt wrote War Production Chairman Nelson "The months just ahead are the critical months of the war. Victory depends in large measure on the increased war production we are able to get from our factories and arsenals in the spring and summer of 1942. This is total war. We are all under fire—soldiers and civilians alike. We are all belligerents. To win we must fight."

Chairman Nelson announced a "continuing national drive" has been undertaken "to increase production immediately in plants which now have war contracts and to convert other plants to war production as speedily and as completely as possible." He said the program will entail 168 hours work per week for every machine in war plants, awards for outstanding industrial accomplishment, and establishment of joint labor-management war plant committees to consider suggestions "from all quarters" for increased production.

The President, in a radio address, said "We Americans have been compelled to yield ground, but we will regain it. . . . Soon, we and our enemies will have the offensive; we, not they, will win the final battles, and we, not they, will make the final peace. . . . Actually we are taking a heavy toll of the enemy every day that goes by. . . ."

Mr. Roosevelt said "Germany, Italy, and Japan are very close to their maximum output of planes, guns, tanks and ships. The United Nations are not—especially the United States of America. . . . We asked Americans not to stop work "for a single day . . . until the war is won," not to demand special privileges for any one group, and to give up conveniences cheerfully when necessary.

Foreign Relations

Under Secretary of State Welles announced two agreements signed with Brazil to strengthen hemispheric solidarity and to provide Lend-Lease aid for January reached \$462,000,000, and actual shipments have now exceeded two billion dollars. Allocations for Lend-Lease purposes totaled more than twelve billion dollars as of February 19.

The United States and Britain signed a pact postponing indefinitely final settlement of Lend-Lease costs. The pact commits both nations to virtually unlimited free trade, and provides final terms of the settlement "shall be such as not to burden commerce between the two countries." Mr. Welles announced the Vichy French Government has given the United States assurances it will not aid the Axis beyond terms of the armistice agreements.

Production and Conversion

The War Production Board said conversion of peacetime industrial plants to war production will be "over the hump" by late fall. Complete conversion of the automobile industry is expected by September 1, the Board said. The Board announced its industry branch heads are determining amounts of each product needed for the war effort, preparatory to the converting of each industry to war production.

Rationing

Price Administrator Henderson stated national registration for sugar rationing books will be held over a four-day period, probably during the last week in March. Approximately 1,400,000 school teachers will serve as registrars, and 215,000 schools will be used. One adult may register for each "family unit."

The WPB announced a rationing program beginning March 9 for 150,000 new trucks and truck trailers which will be available for rationing during the next 22 months. The rationing will be administered jointly by the WPB and the Office of Defense Transportation. Mr. Henderson said State quotas provide 120,000 new 1942 passenger automobiles for eligible buyers during March, April and May. Total number of cars earmarked for civilian purchase during the next 12 months is 340,000. No passenger car rations will be available in March, he said.

The War Front

The Navy reported U. S. Naval forces sank 53 enemy ships between December 10, 1941, and February 24, 1942, probably sank seven more and damaged five additional. The Army announced from December 7 to February 27 it probably sank at least 19 Japanese ships, seriously damaged 21 others, and shot down 246 enemy planes—not including 165 Japanese planes shot down by the American volunteer group serving in the Chinese Army. The Navy said in the first two months of this year 116 ships of United Nations registry were attacked in the western half of the Atlantic, and 56 attacks were made by the Navy on enemy submarines. Three U-boats are believed sunk and four are believed damaged.

Gen. MacArthur's troops attacked enemy lines in the Philippines and advanced one to five miles all along the front. Two more U. S. tankers were torpedoed off the Atlantic coast.

Army

Congress completed action on the new \$2 billion dollar Appropriation Bill, providing more than \$3 billion dollars for the Army. Five billion dollars for Lend-Lease, and the remainder for expansion of the merchant marine. The President by Executive Order reorganized the Army to speed up and coordinate military action. The President set up three basic units under the Army Chief of Staff, for ground forces, air forces, and "services of supply"—each with its own commanding general.

The House passed legislation increasing from one month to one year the period of the salaries of members of the armed forces captured by the enemy. The legislation would also increase the pay of officers and men serving outside continental U. S. by from 10 to 20 per cent. The President established the Army Specialists Corps, a unit of unformed civilian employees who may be appointed to War Department positions regardless of Civil Service status. War Secretary Stimson announced soldiers are no longer required to obtain permission before they can be married. He said men with dependents may enlist or reenlist if they sign a statement that their dependents have sufficient means of outside support.

Commissions For Men With Dependents

The Army announced a new policy by which men with dependents may enlist for the sole purpose of qualifying as officers, and if they fail to make the grade may be transferred to the enlisted reserves. They would not then be called for active service until their previous classifications in the draft were called. Age limits are 18 to 45. All candidates must serve four months in replacement centers or field units before being eligible for officer-candidate schools. The new policy is designed to meet Army needs this year of 75,000 new officers selected from 35,000 candidates.

Selective Service

Selective Service Director Hershey reported the third national lottery to determine order numbers for February 16 registrants will be held in Washington, March 17, but new registrants probably will not be called before May.

Agriculture

The Agriculture Department announced farmers' 1941 cash income reached almost 12 billion dollars—highest since 1929, and 29 per cent greater than 1940. The WPA said its employment schedules for March will be reduced by 62,000, with an equal or greater reduction tentatively set for April, to help meet seasonal farm labor demands. Agriculture Secretary Wickard asked State and county Department of Agriculture War Boards to aid local draft boards in determining occupational deferments of farmers, by furnishing necessary information. Sixteen Agriculture Department agencies were consolidated by Executive Order into three new agencies.

Housing

To eliminate duplication and overlapping of effort, the President by Executive Order consolidated 16 Government housing agencies into one organization to be known as the National Housing Agency, with John H. Blanford, Jr., Assistant Director of the Budget, as Administrator. At the same time, the President abolished the Federal Loan Agency and transferred all non-housing units of this agency to the Department of Commerce.

JOSEPH SZIGETI, who will appear as violin soloist with The New Friends of Music Orchestra of New York Monday evening, March 9, at the Mosque Theatre in Newark.

Warren Lashes Roesel Choice To Elections Board

Appointment of Edward A. Roesel of Elizabeth to the County Board of Elections rekindled this week a controversy in Union County Republican ranks over the reelection of William J. Seeland, who served on the board for 19 years. Naming of Mr. Roesel was denounced in a letter to State Chairman H. Alexander Smith by State Committeeman George Warren Jr., of Summit, who, with State Committeewoman Julia J. Hazard, had backed Mr. Seeland.

Mr. Roesel was endorsed 22 to 9 on February 20 at a meeting of the county Republican executive committee and also had the support of State Sen. Herbert J. Pascoe.

Mr. Warren's recommendation of Mr. Seeland was forwarded after this meeting.

"I emphatically protest the nomination of Roesel," said Mr. Warren in his communication to the state chairman. "If members of the state committee are to receive so little consideration from their chairman, may I ask what is the use of having a state committee? My recommendation should have been the deciding factor. You knew there had been intimidation by Senator Pascoe, and you surely knew the committee vote did not reflect the judgment of the party. It seems incredible that you would ignore the recommendation of both Union County members of the state committee."

Young G. O. P. Name Convention Chairman

A State Committee meeting of the Young Republicans of New Jersey, held Sunday at the Studio in Morris township, named Councilman Frederick G. Sigler of Summit, as chairman for its annual convention to be held June 12, 13 and 14 in Atlantic City. Councilman Sigler, a former chairman of the Union County Young Republicans, has been for two years chairman for the State convention.

Among State and county officials attending were Senator Herbert J. Pascoe, Freshholder Charles Bauer, Legislator Edward Bauer, Assemblyman Milton Peller, Surrogate Charles Otto and Deputy County Clerk Grover Tranter.

Would Seize Aliens' Vehicles: A resolution urging the government to impound enemy alien-owned vehicles, as a means of combating subversive activities, was passed.

Copies of the resolution were ordered sent to President Roosevelt, J. Edgar Hoover of the F. B. I., Representative Martin Dies and U. S. Senator and Congressman from New Jersey.

Senator Pascoe complimented the Young Republicans on the resolution.

Improvement Made On New Car Stamps

Springfield's post office has been supplied with the new issue of the federal automobile use tax stamp that went on sale this week. Postmaster Otto F. Holzn announced on Monday.

Defects found in the first issue of auto tax stamps have been corrected. The new issue, while identical in color and design with the old stamp, has no mullage on the front side.

On the back of the new stamp are spaces in which the owner may write in the make, model, engine number and license number of his car.

Costing \$1.57 apiece, a decrease of 42 cents from the first issue of stamps, the new stickers will be good until July 1. It has been estimated that the price will decrease at the rate of about 40 cents a month until the last stamps for the first half year are issued in May.

Postmaster Holzn emphasized Monday that motorists who have already purchased stamps are not obliged to buy the new ones. The new issue will cover automobiles put into use since February 1

CHECK YOUR "LONG DISTANCE" CALLING WITH THIS CURVE

UNDER PRESSURE of war action, New Jersey's use of long distance telephone service has become the greatest ever known.

The calling reaches three high peaks each day with deep valleys in between them. In the peak periods all lines are heavily laden, and the traffic is naturally heavier on the circuits to military and war production centers.

Call, when you can, before 10 a. m.; between 11:30 and 2 at mid-day; 4:30 and 7 p. m.; and after 8:30 at night.
