OFFICIAL NEWSPAPER  
TOWNSHIP OF SPRINGFIELD

SPRINGFIELD, N. J., FRIDAY, MARCH 20, 1942

SUBSCRIPTION PRICE  
TWO DOLLARS BY THE YEAR

Price Five Cents

## BELONGS TO THE PEOPLE

"Belonging to the people" is the way Miss Sarah Byrd Askev described a public library when she spoke at the 10th anniversary celebration of the Springfield-Library-on-Sunday. And that, essentially, is what our library is, a possession of the township, organized through the efforts of the townspeople and run by the interest and enthusiasm of the townspeople. Nor many a town the size of Springfield can boast of such a library—such a young library and such a fine one. It is a credit indeed to the town.

But what is important is that it shall continue to grow and flourish. And with such people as Mrs. Schmidt, Mrs. Smith, Mr. Anderson and the others looking out for its interests, the library is sure to grow.

Mrs. Anderson, who was instrumental in establishing the library ten years ago, and who ever since has made it one of her principal interests, also deserves honorable mention.

With ten years behind it, five of them as a Free Public Library, the library can already look forward to the next milestone, the fifteenth anniversary. It is to be hoped by that time, the antiquarian society, which Mr. Anderson presented as an idea for an addition to the library will have been established, and that the library itself will be housed in its permanent home.

## WOULD IMPROVE SIREN

Further attempts are being made to give Springfield an effective air-raid siren. The early siren tests proved unsatisfactory, the noise not being heard throughout the township. The Defense Council, however, is trying again, this time with the old fire whistle on the pumping station. So it appears that there is a superfluity of fire hoses, don't be alarmed. It is simply that the old siren is being repaired and tested.

## MORE MEN HEREABOUTS

Now that the fishing season is over, and all the fish just about when they will be caught... caught in the draft we mean, there's an interesting sidelight that may have escaped our readers' attention. Union and Springfield probably have more men in the age ranks eligible for the Army, than any other town in the State. We don't have the exact figures handy for the first fishing season, but the number of Unionites and Springfielders between 21 and 35 was plenty high. In the new call, the number between 20 and 21, and 36 and 44, the two towns rated highest in the State with a total of 3,108 registrants. Which all means that there are a lot of young men around these parts who are just the right age to swell the ranks of Uncle Sam's armed forces... and it won't be long.

## MORE RATIONING SHORTLY

According to many reports from Washington, rationing is going to start soon. Since the headquarters for rationing will be the public elementary schools, and teachers in the schools will act as registrars, Supervising Principal Fred J. Hodgson has asked us to publish an important detail of the procedure. One person will be permitted to register for the entire family, but he must have, about every member of the family, the following information: Complete name (first, middle, and surname), address, height, weight, color of eyes, color of hair, and age (in years). Among other things, rationing will offer a good chance for members of families to get acquainted with each other.

## Springbrook Park Association Names Slate At Election

At its first annual organization meeting held Monday night in the Legion Building, the Springbrook Park Association elected Dr. George M. Hamilton as president. The association, a non-political group consisting of residents of Springbrook Park, was formed last December.

Other officers elected were: Vice-president, George D. Harrison; secretary, Frank J. Beebe; and treasurer, Henry J. Becker. Elected to the Board of Trustees of the group were: one year, Frank H. Best; two years, H. E. Powers and Harold Hansen; three years, Charles Tuncle and John George Keith.

Dr. Hamilton, who has been residing in the Park since December, is a dentist who practices in Maplewood. He comes originally from Ransom where he still holds the position of school director. A graduate of Villanova College, he also has a degree from Georgetown University. He and his wife and two small children live at 61 Park Lane in the Park.

A committee of three members was appointed at the meeting to look into the matter of incorporating the association. They include Mr. Beebe, Mr. Keith and Mr. Hinkle.

Plans were discussed for a card party to be sponsored by the group on Saturday evening, April 18, at the Legion Building. Mrs. Harrison was named chairman of a committee to take charge of refreshments for the affair. It is hoped that all residents of the park will attend the affair which however will also be open to the public.

## Teachers' Salaries Increased By Local Board of Education

In consideration of the rising cost of living and the fact that salaries in private industries are rising, the Board of Education Tuesday night voted salary increases of \$100 a year for fifteen of the 27 teachers in the Springfield school system, all earning under \$2,000 annually. The raises will be effective in September for the 1942-43 school year.

It was also decided that all teachers who are re-engaged for next year will be paid a 5 per cent bonus based on their 1941-42 salaries, to be given in two installments, one in September and another in March, 1943. All teachers, however, are expected to indicate whether they will sign their contracts.

The board granted permission to the Lions Club to hold their annual card party in the James Caldwell School on April 10. Since the affair is a charitable one, the use was given at a nominal fee.

The board announced that full co-operation will be given to rationing authorities and it will close the schools for whatever hours may be necessary for sugar rationing. It was also voted that manual training classes will aid the government in the making of model airplanes.

It was found necessary by the board to purchase two refrigerators, one for each of the township schools, in order to store milk, which, at the present time, is being delivered every two days, instead of the former daily delivery.

The board authorized the installation of ten tables and 20 benches in the lunchroom being equipped in the basement of the Raymond Chisholm School.

Charles Phillips, Sr. president, and Joseph E. Washington, Jr., new member, who was prevented from attending the February meeting because of illness, was installed.

## Assistantship Given John Laurence Kulp

JOHN LAURENCE KULP

John Laurence Kulp, son of Mr. and Mrs. John Kulp of 119 South Maple avenue, is among five students at Wheaton College, Wheaton, Ill., who has received assistantships for research and part-time teaching at various universities. Kulp will go to Ohio State University, Columbus, O., for his assistantship.

Each of the students, the others of whom will study at Columbia University, the Illinois Institute of Technology, and the University of Illinois, will receive an average of \$500 to \$600, plus chemicals and tuition, amounting to a total of about \$1,000. Kulp, who is a chemistry major, is working towards a Ph. D. degree.

RASPBERRY CARDS, in wide selection, grouped or special for parties. SUN Stationery Store, 8 Pioneer ave.

## Much Interest Shown At Consumer Center

"I will buy carefully, I will take good care of the things I have, I will waste nothing." Already a number of local women, all visitors at the Home Information Center at the Springfield Hardware and Paint Co., 267 Morris avenue, have joined the ranks of the millions of consumers cooperating in National Defense, and signed the consumer's pledge. The center is the headquarters for the Consumers' Interest Committee of the Springfield Defense Council.

Established only two weeks, it has made remarkable strides in giving information to the housewives who visit it on such subjects as nutrition, health, comparative prices, good buys, and market plentifulness. Although emphasis is placed on foods and nutrition, the center has a large collection of

DR. GEORGE HAMILTON, newly-elected president of the Springbrook Park Association, local group of residents in the development.

## Regional Board Will Not Pay Extra Bus Costs For Students

Regional Board of Education decided Wednesday night upon advice from Assistant Commissioner of Education Harding and County Schools Superintendent Johnson that the transportation of parochial school students would not be furnished by the board. Letters from the school authorities informed the board that the Regional district did not come within the scope of the bill passed by the Legislature last year to permit public school systems to give bus transportation to pupils attending non-profit institutions.

The board had sought advice on the measure, following a request from Garwood parents that transportation be supplied for their children attending the Holy Trinity High School in Westfield.

H. G. Merry of Garwood was criticized by board President Joseph Mulholland for his one-man insistence in having the measure approved.

"Your main interest is in the few Garwood pupils," Mulholland said, "but we are interested in the pupils and taxpayers of the Regional district."

Despite the warning from Superintendent Johnson that Regional would not receive the customary 75 per cent transportation allowance from the State if it decided to transport parochial pupils, Merry moved the measure be passed. No one, however, seconded his motion, and the board agreed to send copies of the Harding and Johnson letters to the parents interested.

In an attempt to adjust wages with the rising cost of living, the board voted a \$10-per-month bonus for all full-time employees and \$5 a month extra for two part-time cleaning women. The bonuses, permitted under legislation recently adopted, applies to all school employees receiving less than \$4,000 per year, and may be terminated at any time.

With Herbert Beck of Kenilworth and Merry opposed, the board voted complete appropriation for the agricultural course, some of the items of which Beck protested. The board decided to black out the tower clock light for the duration of the war upon the request of Police Chief Bingham.

Miss Johanna Tenschler was hired on a part-time basis at \$30 per month to replace Miss Ruth Albanese whose resignation was accepted by the board.

The board granted permission to the Springfield Defense Council for use of the auditorium for a rally to be held on April 24.

The following committees were announced by President Mulholland: Law and finance, John Potts, Mulholland, Thomas Nolan, James Duguid, and Isadore Himpel; building and grounds, Duguid, Edward Menerth and Beck; supplies, John Dushanek, Menerth and Beck; transportation, Himpel, Merry, and Potts; publicity and ways and means, Nolan, Merry, Dushanek, Menerth, Duguid, Mulholland, Dushanek, and Nolan; playgrounds and athletics, Mulholland, Himpel, Potts, and Merry.

## Sunshine Meets Thursday

The Millburn-Springfield Sunshine Society will meet on Thursday afternoon at 2 o'clock at the home of Mrs. James Tansy, 2811 Morris avenue, Union. There will be sewing for the Red Cross. Mrs. Walter Hall, vice-president, will preside in the absence of Mrs. William Stoeckel, president, who has not yet returned from Florida.

"When I told them he Newark" (Continued on Page Seven)

## Rezoning Proposal Rejected

Self-styled an "indignation committee," about fifty residents in the Meisel avenue section of the township protested before the Township Committee on Wednesday night the changing of a zoning ordinance affecting their neighborhood which would permit the building of duplex houses. The residents had been invited to the meeting by the governing Board to express their opinions on the zoning change after the committee had received an offer to purchase 20 lots on Meisel avenue for the erection of the duplex houses.

Mayor William M. Selander explained the situation to the residents, telling them that it was a case of either allowing duplex houses to be built, or one-family houses of low cost which "would be detrimental to your neighborhood." He implied that the committee favored the duplex houses, and passed pictures and plans of the proposed structures to the audience.

Harry E. Pfeiffer, a representative of Peterson and Stafford, builders, told the residents that the houses would be built at an approximate cost of \$10,000 per one-unit house, \$5,000 per side. In answer to objections on uniformity of color of houses, he explained that there would be certain restrictions in the deeds which would make the houses one color, and which would compel their owners to keep them in suitable condition.

Donald Lyons, a resident at 65 Meisel avenue, describing the group as an "indignation committee," told the committee that the people were "anxious not to have duplex houses on the tract." He said that the committee should be able eventually to sell the property "piecemeal" at good prices and that there should be no need to change the zoning ordinance. "We are a little disappointed," he declared, "that you as a committee would even consider such a proposition."

Another resident of the neighborhood added that "it shouldn't take us to tell you fellows that the committee that duplex houses are undesirable," and went on to imply that the committee had extended the invitation to the residents to express their opinions because members, themselves, were in doubt about the proposition.

In answer to that implication, Mayor Selander vindicated the committee's attitude by saying that the committee had invited the residents merely to find out how you people felt. He said that the committee couldn't refuse the offer for the property "arbitrarily," without giving a sound reason.

Mr. Pfeiffer corroborated the Mayor's remarks by saying that in weighing the offer, the first consideration of the committee was the people of Springfield.

Nobody spoke in favor of the project, and with an expression of "that settles it," the committee threw it out of the window.

## Government Policy Has Support of Gas Dealers

Whole-hearted support of the government's policy of conservation of gasoline was voted by the Union County Gasoline Dealers' Association at its meeting in Union Tuesday night. Harry J. Doyle, local service station owner, is held representative of the association.

Despite the rationing of gasoline which will cut their distribution 20 per cent, the dealers declared that they will cooperate with the Government.

## Springfield Resident Held In Fatal Crash

John Tuttle of 18 Crescent road, former president of the Newark Trolleyman's Union, was arrested last Thursday in Second Precinct Court, Newark, on charge of drunk driving which caused the death of a driver suffering fatal injuries, and was held in \$200 bail for Grand Jury trial on March 21 after pleading not guilty.

Tuttle was driving at Central avenue and Norfolk street, Newark, when his car was in collision with a delivery truck operated by Arthur Matti, 58, of 52 Bluff street, Dover, who died in St. Michael's Hospital of a skull fracture.

After the collision, Tuttle's car struck a pole and smashed into a store on Central avenue. He was taken to City Hospital with head injuries.

## Joseph McCafferty First Springfield Resident In Lottery

No. 411 made Joseph McCafferty of Meisel avenue the first man in Springfield to be drawn into the selective service in the national fish bowl drawing on St. Patrick's Day. "Luck of the Irish" is the way his wife describes it.

Mr. McCafferty was informed of his distinction when a reporter brought him the tidings over the telephone. The family had not yet turned on the radio to hear the drawing, when the telephone rang.

"The thing that they are selecting me for is not new to Mr. McCafferty. At eighteen, he enlisted to serve in World War I, and he served a year in France with the 29th Division, 11th Infantry. He is a Veteran of Foreign Wars. The McCaffertys have lived in Springfield for thirteen years. They have one daughter, Ruth. Mr. McCafferty is an automobile mechanic with the Wagner Pie Co. in Newark."

## Lions Donate Toward Pupil Luncheon Plan

The Springfield Lions Club voted a donation of \$25 to the School-Luncheon Committee at its meeting in the Half-Way House on Friday night. The money will be used to help set up four lunch counters for undernourished children in both the James Caldwell and Raymond Chisholm Schools. Food will be provided by the Surplus Market-Administration.

It was announced that Judge John L. Hughes of the Tidel Judicial District Court, Summit, would be the speaker at the March 27 meeting of the club.

The local club will be the hosts at the Regional Meet of the West Essex Region, which will be held on May 12. Two new members to the West Essex Union are the Morrismans and Dover clubs.

## Speaker For P. T. A. To Discuss Iceland

"Iceland" will be the topic of Mrs. Norma Bingham when she speaks at the meeting of the Springfield Parent-Teacher Association at the Raymond Chisholm School on Monday night. Mrs. Bingham, who is a member of the Educational Society of the Newark Evening News, is well known in Springfield having addressed the Parent-Teacher Association and other local groups on previous occasions. A native Icelandic, she is well acquainted with her subject.

Another feature of the evening will be the musical program which has been prepared under the direction of Mrs. Ruth Carocoran, musical supervisor of the church. She will consist of several selections by the combined orchestras of the James Caldwell and Raymond Chisholm Schools.

Hostesses for the meeting will be the teachers and class mothers of the first, second, and third grades. They are: Miss May Hunt, Miss Virginia Kane, Miss Ethel Groh, Mrs. Joseph E. Worthington, Jr., Mrs. Karl Ostberg, and Mrs. Robert Smith.

## 'Compromise' is Still Bane For Kennel Owners

The dog and dog kennel ordinance, over which there was an altercation between property owners and kennel owners when it received a public hearing last month, was introduced in revised form at the meeting of the Township Committee on Wednesday night. The new ordinance is an effort—upon the part of the governing body to effect a compromise between the kennel owners and the real estate men.

## Any Birthdays In Town July 29 or December 30?

Does anybody in town have a birthday on December 30 or July 29? We hosted a bit prematurely a few weeks ago about how rapidly our birthday files are growing, but on checking up more carefully, we discovered that for those two days we have no birthdays recorded at all. So, if your birthday falls on either December 30 or July 29, let us know, and you'll have the distinction of being the only one on our list for those days... that is unless more than one comes forth as a celebrant.

## Funeral Held Monday For Emmet Jennings

Funeral services were held Monday morning in East Orange for Emmet M. Jennings, 48 years old, of 29 South Maple avenue, who died instantly or last Thursday afternoon from what police said was a self-inflicted bullet wound. Interment was in Evergreen Cemetery, Elizabeth.

According to police, Jennings was found dead in his garage, shot in the right temple, a .32-caliber revolver beside him. His wife, Mrs. Ida Jennings, told Police Sergeant Albert Sorge that shortly after he had gone to the garage, she heard a shot. Dr. David D. Fischer of Millburn, who was called, pronounced Jennings dead.

A note was found in the garage written by Jennings telling of his intention of taking his life. The communication revealed that he had been undergoing treatment for an ailment which he believed to be incurable, and that he did not wish to be a burden to others.

Jennings was an employee of the Thomas A. Edison Co., West Orange. He is survived by his wife.

## Mrs. Mellberg Family Moving to Far West

Mrs. Carl Mellberg, wife of Rev. Dr. Mellberg, pastor of the Methodist Church, and daughters, Dolores and Betty Jean, are leaving tomorrow to live in Oregon. Dr. Mellberg, who is with the Army Air Corps, is captain and chaplain of a bombardment unit at Pendleton, Ore.

Mrs. Mellberg was honored Tuesday afternoon at a surprise farewell party given by the Ladies Aid Society of the church. Mrs. Frank Tharpward, president of the group, was in charge of arrangements. Thirty-five members present and Mrs. Mellberg was given a parting gift.

Betty Mellberg was guest of honor at a farewell party held in the parsonage on Tuesday evening by the High School Group of the Methodist Youth Fellowship. Miss Gladys Grimm of Seven Bridges road also entertained at a "going away party" for Miss Mellberg last evening.

Mrs. Mellberg's son, Cadet Carl Mellberg Jr., has been transferred from Ethel Pising School, Okla., to advanced training at Lake Charles, La., from where he will graduate on May 27 as a second lieutenant.

## Offering Travelogue and Movie Tonight at Church

A movie, featuring pictures of the first battle of Pearl Harbor, and a colored travelogue of Alaska and Mexico will be presented by the Senior Group of the Methodist Church this evening. The pictures are entitled "Remember Pearl Harbor" and "A Travelogue Through Alaska."

Miss Dorothy Mayer is chairman in charge of the affair. She is being assisted by Jean Boyd, Dorothy Bird, Pearl Straw, Alvin Schaffernoth, Alvin Mende, David Kraut, and Richard Tilly. A silver collection will be taken.

THE SUN REACHES THE HOME

Although the new ordinance retains the disputed clause which makes it mandatory for kennel owners to have their property at least 100 feet from the highway and adjacent property, there are loopholes by which they can avoid the requirements. The new ordinance provides that the "distance" clause may be overlooked, providing kennel owners adhere to certain restrictions in the maintenance of their kennels, which, it is hoped, would minimize the excessive barking against which, among other things, the property owners object.

Committeeman Arnold Wright, in discussing the proposed ordinance, urged the committee to be sure that before it spent the \$25 advertising fee for the ordinance, the public hearing on the new ordinance would not cause another change of mind. Mayor Selander declared that although the law "may not be perfect, it's definitely a step in the right direction."

In attempting to control the barking of dogs the ordinance requires that if the "distance" requirement cannot be complied with on the part of kennel owners, that each kennel must have a concrete floor, that there must be adequate runways and drainage, that they must be ventilated. Failure to adhere to these provisions would mean a fine of \$50 for each offense or 10 days imprisonment for each. Public hearing on the ordinance will be held April 8.

The township will issue licenses, meanwhile, in accordance with its current ordinance, as amended and superseded by State law to provide licensing in January instead of June. In answer to a letter from the State Board of Health asking why no report had been received from Springfield on January licensing, Township Clerk Robert D. Trout was authorized by the Board of Health that the ordinance has been under consideration.

The committee confirmed the appointment of Postmaster Otto Heinz as a member of the Defense Council to replace Edward Pownley, who resigned because of pressure of business.

An ordinance increasing the salaries of the chief of the Fire Department and First Class fireman was approved on first reading. The ordinance provides for a two hundred dollar increase, raising the chief's wage to \$2,700 and the first class fireman's wage to \$2,200. Public hearing will be April 8.

## High School Parents Meet Thursday Night

"Sound Homes for Defense" will be the theme of the meeting of the Regional High School Parent-Teacher Association to be held at the school on Thursday evening. The program will feature a panel discussion of "The Round Table Family" with Robert Poppendiek in charge. A business meeting, presided over by Mrs. Gilbert Phinenger, chairman, will precede the program.

"The Round Table Family" will consist of the following members: "Father," portrayed by Paul K. Davis of Mountainide; "Mother," Mrs. E. W. Severs of Garwood; and "Children," Marjorie Gelger of Springfield, Roddy Lester and Ann Hodelquist of Kenilworth, and Ernest Cooke of Clark Township.

Rev. Roland R. Ost of the Mountainide-Union Chapel will represent the church in the discussion, and Michael F. Gatti, head of the Social Studies Department of the high school, will represent the school.

William Cook, head of the music department, will be in charge of the musical part of the program, for which there will be several vocal ensembles. Many of the selections will be from "H.M.S. Pinafore," the opera which was recently produced with such success by Regional students.

Representatives will be in charge of Mrs. P. H. Macdonald of Clark and her committee, Herald A. Jones is program chairman.

At the conclusion of the meeting, there will be a sale of home-made cakes in the cafeteria, proceeds of which will be used for the student fund.

## Happy Birthday!

Whether your birthday falls next week, or next month, why not have it listed here by calling THE SUN, Millburn 4-1236, or put it on a postal. Our files will carry over the date from year to year, so that it needn't be repeated.

"Happy Birthday" greetings are extended this week by the SUN to the following residents of Springfield:

- MARCH:
- 20—Mrs. Phobe Wilcox  
Miss Marie Volk  
Mrs. Russell Poyer  
Mrs. Dorothy Knibach  
Miss Mary Galvin
  - 21—Paul Maddalena  
Gregg L. Frost  
Donald Knowlton  
Jack Voelker
  - 22—Fred Van Pelt  
Mrs. Ernest Swisher  
Mrs. George G. Olah  
Mrs. Rhos Parsell
  - 23—Joseph A. Oelling  
Charles G. Nelson
  - 24—Mildred Spaeth  
Donald Morrish
  - 25—Arthur H. Lentox  
Carl Homer Jr.  
Mrs. Christine Rantow  
Mrs. Salvatore Del Duca
  - 26—Mrs. Eugene W. Hultoff  
Walter Ledogar  
Miss Chaire Cannon  
Jane Berster  
Tunis Elveth  
Harold Howard, Sr.

Mrs. Mark Brady of 24 Main street has been confined to Overlook Hospital with illness.

Mrs. William Eichhorn of Severna avenue entertained her bridge club on Tuesday evening. Members of the club are Mrs. Robert Slaughter, Mrs. James Haggard, Mrs. Walter Charles, Mrs. George Paltz, Mrs. Edward Seitz, and Mrs. Donald Lyons, all of town; also Mrs. William Wisnar and Miss Hilda Wisnar of Union.

Mrs. William Belliveau of 419 Morris avenue spent the week-end with relatives in Connecticut.

Mr. and Mrs. Robert Slaughter of 46 Severna avenue entertained for supper Sunday evening Mr. and Mrs. John D. Messner of Millburn, and Mr. and Mrs. E. J. Demarest of Patterson.

Eberle-Dunnican Wedding Held At Methodist Church

The marriage of Miss Alice Eberle, daughter of Mr. and Mrs. Oscar Eberle of Edmund terrace, Union Township, to Roland A. Dunnican, son of Mrs. John F. Dunnican of Baltimore, was held Saturday afternoon at the Methodist Church, Rev. Arthur R. Charlesworth officiated. Miss Lillian Magnusson was maid of honor, and Chlam Applefield was the best man. A reception followed the ceremony at the Eberle home. Mr. Eberle is a member of the Union Township Board of Education.

Betrothal Announced Of Lieut. William H. Felmeth

Announcement has been made by Mr. and Mrs. Herman B. Porter of Watertown, N. Y., of the engagement of their daughter, Miss Katharina Jermann Porter, to Second Lieut. William H. Felmeth of the 118th Field Artillery, Fort Leonard Wood, Mo., son of Dr. and Mrs. William G. Felmeth of Elizabeth. Lieut. Felmeth is well-known in Springfield, having served for a time as assistant pastor of the Presbyterian Church.

Miss Porter graduated from the Albany School for Girls, Albany, N. Y., and the Katherine Gibbs School, Boston. Lieut. Felmeth is a graduate of Henry School and was graduated with honors from Harvard University, class of '39. Until January, 1942, when he was called to active duty, he attended Princeton Theological Seminary. He was ordained to the ministry in January.

Completed Training. Mrs. Christine Rauter of 61 Proffit avenue was among those who successfully completed the Red Cross First Aid Instructor Training Course held recently by L. Grant McCauley of the National Red Cross Staff in Morristown.

BETTIQUETTE

SAYS

Social event of the week was the tenth anniversary tea and exhibit held for the Library on Sunday afternoon at the Legion Building. Mrs. Nicholas C. Schmidt, president of the Board of Trustees, was chairman for the afternoon, and in her concluding remarks she expressed the sentiments of all who were present when she said that none of the success of the affair was due to the beauty and pleasant atmosphere of the building.

Mrs. Chase Remyon, wife of our police chief, was present in a conservative, smart brown outfit. The three sisters, the Misses Katherine, Elizabeth and Emma Kessler of Short Hills avenue, wore soft pastels; and Mrs. Peter T. Meisel, who always is well-dressed, wore a purple hat. Purple, by the way, promises to be one of the most popular spring shades this year.

We found Mrs. Phoebe Quirk a willing guide among the number of pictures which were part of the exhibit. One of the pictures was a photograph of her father, George Mulford, who was very active in the formation of early Springfield. Donald Palmer was the center of a circle of people congratulating him on the excellent job he made of the photographic exhibit of Springfield as it was many years ago.

DEFENSE NEWS

As Furnished From Headquarters Town Hall, Springfield

Judge W. O. H. McEnroe, deputy director of the State Defense Council, Newark Branch, was guest of honor at the meeting last Thursday night of the Springfield Defense Council. He told members of the council of the various defense activities that were being held throughout the State.

Postmaster Otto F. Heinz was appointed to the council to take the place of Edward Townley, whose resignation, due to the pressure of business, was accepted. As vice-chairman of the Salvage Committee, Mr. Heinz reported that for purposes of salvage the Township will be divided into four districts with superintendents and assistants in charge. They will collect salvage at specified monthly periods.

Richard C. Horner, chairman of Air Raid Wardens, reported that there were 100 air raid wardens and potential wardens on his list. Forty of them are taking the required First Aid course, and 56 others are in training. Arthur H. Lemox, township engineer, reported that he had five volunteer emergency repair men trained and ready for work.

Mrs. Lewis F. Macartney announced that the Shelter Committee will accept old, battered blankets, which will be patched and repaired and stored for refugee, first aid, blackout, and other emergency uses. Pieces of blanket that are suitable will be cut out, patched, and sewn together to make useful blankets. This work will be done under the supervision of Mrs. E. Huttoff, 166 Milltown road, De-

Dr. Henry P. Dengler was appointed chairman of the Committee on Decontamination, and announced that two decontamination squads will be organized. The Medical Division, under Dr. Dengler, announced that every resident owning an automobile should have a First Aid kit in the car. If you will get in touch with this division, they will be glad to recommend the type of kit to be used. It is important also to replace any articles that are used from time to time.

younger generation would not recognize the peaceful scenes of Morris avenue as they are depicted in Mr. Palmer's collection as compared to the traffic and pedestrian-filled street of today. Miss Phoebe Briggs, assistant librarian, who is also president of the Alethea Bible Class, looked very attractive in a Spring outfit topped with a pink bonnet. It was also who helped plan the book exhibit, the latter coming under the supervision of Mrs. Richard T. Bunnell.

The tea table was very attractive with its gleaming silver and lace tablecloth, its coffee urn and tea-pot, both antiques. Surrounding the beautiful center bouquet were lighted candles in silver holders. Mrs. Benjamin Woodruff, head librarian, and Mrs. A. B. Anderson poured. Mrs. Woodruff, who usually wears antique jewelry, had her simple and smart dress trimmed with a lovely gold mesh chain.

Delicious tea sandwiches decorated the table and were served by the assisting committees. The whole event was one of the most delightful of the year, and the committee in charge deserves the highest praise. There was a large group of people present, yet the entire thing was run off with a charm and decorum that is a credit to our township.

QUESTIONS AND ANSWERS

Question by Mrs. R.: What can you suggest as a cover for an occasional face blemish? Answer: Send self-addressed envelope. We will be glad to send the name of a 10 cent preparation which is efficient and doesn't spilt with the climate.

POSTMASTER HEINZ, who was named to Defense Council this week, where he serves as salvage chairman.

Give the blankets to her home, or call her and she will arrange to have them picked up.

Mrs. Macartney, as chairman of the Consumers' Interest Committee, reported that a Balanced Meat Exhibit will be on display in Di-Giovanni's Barber Shop window, 288 Morris avenue. She also reported that two persons on her committee are taking extension courses on Nutrition in Elizabeth.

The Home Information Center, sponsored by the committee, is open at the Springfield Paint and Hardware Store, 269 Morris avenue. All housewives are welcome.

Carl Z. Alexander, chairman of the fire-rationing board, reported that six applications for tires had been received, with three refused, and three certificates approved. The balance as of February 28 leaves no tires on hand, six bus and truck tubes on hand.

The next meeting of the Council will be held at the Municipal Building on Thursday evening, March 26 at 8 o'clock.

Daughter to Krauses

Mr. and Mrs. Walter Krause of 88 Linden avenue announce the birth of a daughter, Gail, last Thursday at St. Mary's Hospital, Orange. Mrs. Krause is expected home this week-end.

Dog House Club Plans Program for Ladies

Plans were made by the Dog House Club at a meeting held last Thursday night at the home of the treasurer, Frank Vogel, in Union, to hold a "Ladies' Night" in April. Arthur Marshall, president of the club, appointed a committee to make arrangements for the affair, which the club hopes to make an annual function.

It was announced that the card party which the club sponsored last month in the Legion Building was successful, with practically the entire group present and twenty-five tables in play. Sam De Flago is in charge of publicity for the club.

Mellberg-Smith Troth Announced This Week

The Rev. Dr. and Mrs. Carl C. Mellberg of 46 Main street announce the engagement of their daughter, Dolores, to Roland Smith, son of Mr. and Mrs. Ned Smith of 22 Clinton avenue.

Miss Mellberg is a graduate of High Bridge High School and is in her sophomore year at Montclair State Teachers College. Mr. Smith graduated from Regional High School.

No date has been set for the wedding.

### Our Library Use Your Library

Every afternoon, 2:30 to 5:00 p.m.  
Mon. and Fri. evenings, 7:30 to 9:00 p.m.

Among the books recently purchased for the library will be found **PIRE FROM THE AIR**, the A.B.C. of incendiaries, by J. Enrique, professor of Chemistry at Columbia University. The book is written in simple language and is addressed to those whose duty it would be to organize and execute plans to counteract the fires that might result from possible attacks from the air, and to do so quickly enough to prevent conflagrations which are the chief cause of fire from the air.

**FIVE ACRES AND INDEPENDENCE** by M. G. Kains is a practical guide to the selection and management of the small farm. It discusses peas and peas of fruit and vegetable crops, dairy, cows, hogs, poultry, and bees. It covers every problem that the small farm owner is likely to encounter. It also tells how to select, finance, and develop such a place, and points out mistakes to avoid as well as methods that insure success.

**NEW HOPE** by Ruth Suckow. This is the story of a small community town in Iowa at the turn of the century. The chapter headings, "The Church," "The Town," "The Country," and "Festivals" describe the things written about. Chiefly through the eyes of two children, one gets the story of most of the characters in the book. There is beauty and tenderness in it, and good reading for these hurried times.

**THE GAY GALLIARD** by Margaret Jewell is the love story of Mary, Queen of Scots, a romance giving one of the strangest dramas in history. The mystery that centers around Darnley's death is one of the most fascinating plots in the story.

### Noted Speakers For Union Now Rally

Herbert Agar and Stringfellow Barr are scheduled to speak at the rally planned for April 20, by the Summit Chapter of Federal Union, Inc. The rally will be held in the auditorium of the Summit High School.

Herbert Agar, who is widely known as the editor of the Louisville, Ky., Courier and Journal, twice winner of the Pulitzer Prize; chairman of the Fight for Freedom Committee, president of Freedom House, has most recently gained attention as columnist on P.M., writing under the column heading, "What Are We Fighting For?"

Dr. Stringfellow Barr's innovations in the educational field have won nationwide and international interest. Dr. Barr is president of St. John's College, is popularly known for his articles and book reviews in the New York Herald-Tribune, "The Nation," and the New Republic. He recently was heard on the Town Meeting of the Air.

### Daughter Born Thursday

Mr. and Mrs. Frank Phillips of Linderest Apartments, Linden, announce the birth of a daughter, Hope Bennett Phillips, last Thursday in the Rahway Memorial Hospital. Mrs. Phillips is the son of Mr. and Mrs. Charles Phillips, Sr. of 82 Battle Hill avenue.

**WHERE TO BUY THE SUN**  
The SUN is on sale every Friday morning at the following newsstands in Springfield: Seal's, 234 Morris avenue; Melchior's, 247 Morris avenue; Sellers, 279 Morris avenue; Phillips, 161 Morris avenue; Fritz Gossner's, 19 Morris avenue; Paul Maddolena, Millburn avenue, near Morris avenue, and Ludwig's, South Springfield and Evergreen avenues. In Mountainside, at Blivise's, 1 Springfield Rd.

### READING & WRITING By Edwin Seaver and Robin McKown

INTEREST IN HARRY SCHERMAN'S "The Last Best Hope of Earth" is so wide-spread that the Book-of-the-Month Club, in cooperation with the Council for Democracy, is sending this thoughtful "philosophy for the war" to its entire membership, which numbers over 500,000 American families.

HARRY SCHERMAN

The key idea, Scherman points out, which explain every aspect of the war, is that all the peoples of the earth are now bound together, inseparably, in an economic world-union. This union, the result of a long evolution, has now advanced very far, and the world continues to move inexorably in that direction.

The war, says Scherman, is "an avowed attempt on the part of the Nazis to control that economic world-union for the prime benefit of the German people. The bedrock issue, therefore, is whether this economic world-union is to be finally perfected for the benefit of a single people or of all."

"The United States is not only an inseparable part, but because it does about two-fifths of the business of the world, is by far the most important part of the existing economic world-union. As Scherman states, any effort on the part of one people to control this union cannot help but be crucially damaging to our existence as a nation, and to the livelihood of every individual in it.

John Gunther, whose "Inside Latin America" is now nearing the 400,000 mark, reports that he had only one run-in with the British censor during his recent six weeks' stay in London. Invited to appear on Clifton Fadiman's "Information Please" program, from London, Mr. Gunther cabled a friend in New York: "Look for information please November 14." He received a call from the censor immediately. "What's this information you're asking your contact in New York to look for November 14?" the censor asked.

If you don't know what ails you, perhaps you should try poetry. In "The Advancing Front of Medicine," George W. Gray tells of a young woman who developed so strongly all the symptoms of tuberculosis that her doctor sent her to a sanatorium for observation. He could find no organic defect, but still the symptoms continued. Then one day a friend sent her an anthology of poetry. It proved a godsend. As the patient read, she forgot her condition, until suddenly she realized that the choking sensation she had had was entirely gone. Thereafter she found she could always relieve herself of pain by reading her favorite poems. And, eventually, she was cured.

At a recent interview, Pearl Buck was asked if the Chinese considered themselves superior to the Japanese. "Well," she said, "the Japanese consider themselves superior to everybody. But the Chinese have a sense of humor—even about themselves—and you can't consider yourself superior to other people when you feel that way."

John Steinbeck has completed the dramatization of his forthcoming novel, "The Moon Is Down," and it will come to Broadway just about the time that Book-of-the-Month Club members will be receiving the novel on which the play is based.

### Henry Merry Appointed

Henry G. Merry, Garwood representative on the Regional School Board, was also appointed to the Garwood Board of Education at a meeting last Thursday night of the trustees. His election, which was unanimous, was to fill the vacancy created last month by the resignation of William H. Phair.

### Johns-Manville Sales Corporation Moves

Johns-Manville Sales Corporation has announced the opening of its new office and warehouse, located at 80-82 Franklin place, Summit. The firm was formerly located at 326 Broad street.

### Harry Nulph Is Drawn

Harry B. Nulph of Hillside avenue was among the jurors to be summoned for duty in the county courts from March 23 to April 4, drawn before Judge Edward McGrath in Elizabeth Monday by Under Sheriff Alex C. Campbell, Commissioner William A. Bonifant, and Clerk Benjamin G. Karh.

# Springfield Sun

"LET THERE BE LIGHT"

Published every Friday at the Brookside Building, 8 Elmer Avenue, Springfield, N. J., by the SPRINGFIELD SUN PUBLISHING COMPANY. Telephone Millburn 4-1224. Entered as second class matter at the Post Office, Springfield, N. J., under an Act of March 3, 1879.

**EDITOR** MILTON KESHER  
Subscription price—\$2 per year in advance. Single copies, 5 cents. Communications on any subject of local interest are welcomed. They must be signed as evidence of good faith. Unsolicited letters will not be published. The SUN reserves the right to print only those articles which it feels are worthy of publication. All communications and contributions must be in our office not later than noon on Wednesday. Articles received later will not be published that week. It is important that this rule be observed.

### STATISTICS OF SPRINGFIELD

Population—1912, 5,000; assessed valuation—1942, \$5,321,270; tax rate—1941, \$2.07 (Provisional)—\$2.11; schools, \$1.75; state and county, \$1.33. Springfield was settled in the early 1700's. Its township form of government was established April 11, 1791, and was incorporated in 1857. Springfield is essentially a community of homes, with little industry except for farming, nurseries and coordinated manufacturing for these. 45 minutes from New York City on the Lackawanna R. R., with two stations at Millburn and Short Hills, less than a mile away; 7 miles to Elizabeth; 7 miles to Newark; excellent bus connections to Newark, Elizabeth, Summit and Plainfield. The Railway Valley Railroad, with a freight station in the township, affords service for factories, commercial and industrial purposes. The Highway 25 makes New York City accessible by auto in 30 minutes. Site of the \$100,000 Union County Regional High School, serving Springfield, Mountainside and four other county municipalities. It has good streets, water, gas, electricity and modern sanitary sewer system, excellent police, fire and school facilities; mail carrier delivery system, and zoning regulations for the individual property owner. Of interest in Revolutionary history with its historic Presbyterian Church, where the Rev. James Caldwell erected "the old water house" in the midst of the battle of Springfield, fought on July 23, 1780. Several cabinet landmarks are to be found in Springfield, one of the oldest communities in Union County.

MILLBURN 6-0100

## Community Campaign Shows Almost \$1,000 Has Been Collected

MOUNTAINSIDE—Latest figures for the campaign of the Mountainside Community Association show that \$998 has been collected, almost half of the quota of \$2,000 set by the association. According to reports of Theodore V. Mundy, president and campaign manager, all the pledge cards have not yet been turned in, and it is expected that a sum beyond that figure has been collected.

Since many of the cards are still out, and all residents have not been canvassed, it has been decided to extend the drive until March 28. At that date, it is hoped the drive will officially close. The drive is the first of its kind that has ever been launched in Mountainside, and thus far, the response has been enthusiastic and generous. Urged to give that extra bit that will bring the contributions nearer the quota.

## Nyack Young Men Taking Charge of Chapel Service

MOUNTAINSIDE—A group of young men students from the Missionary Training Institute at Nyack, N. Y., will be in charge of the evening services at the Union Chapel on Sunday. They will conduct both the young people's service at 8:45 p. m., and the regular evening service at 7:45 p. m. Bradford Hess, a senior student at the institute, will be speaker at the service. A musical program will be given by "The Ambassadors," a male quartet.

## MOUNTAINSIDE CALENDAR

- March 22 (Sun.)—Special service, in charge of students from Mission Training Institute at Nyack, Union Chapel, 8:45 and 7:45 P. M.
- March 25 (Wed.)—Defense Council, meeting, Borough Hall, 8 P. M.
- Mar. 25 (Wed.)—Ladies' Aid Society, meeting, home of Mrs. Deborah Noto, Mountain side, 2 P. M.
- Mar. 26 (Thurs.)—Volunteer Fire Department, meeting, firehouse, 8 P. M.

## Engagement Announced Of Frances M. Roeder

FRANCES M. ROEDER

MOUNTAINSIDE—Announcement has been made by Police Lieut. and Mrs. Fred Roeder of Route 29 of the engagement of their daughter, Frances Marie, to Frank La Fleur, Jr., son of Mr. and Mrs. Frank La Fleur of Hartigen. Miss Roeder is a graduate of Regional High School and is employed by the Aluminum Co. of America in Garwood. Mr. La Fleur graduated from North Plainfield High School and is employed at the Calco Chemical Co., Bound Brook.

## Engagement Is Announced Of Catharine Van Doren

MOUNTAINSIDE—Announcement has been made by Mr. and Mrs. Abraham E. Van Doren of Route 29 of the engagement of their daughter, Miss Catharine Case Van Doren, to Robert Bruce Penton, son of Mrs. John W. Penton of Saugatuck, Conn., and the late Mr. Penton. Miss Van Doren attended Kent Place School, and graduated from Smith College, Mr. Penton attended Purdue University and Alfred University. He is attached to the Signal Corps of the United States Army, and is now stationed at Fort Monmouth.

## Happy Birthday!

"Happy Birthday" greetings are extended this month by the SUN to the following residents of Mountainside:

- MARCH
- 22—William Richard Van Ness
- 23—Marion Eleanor Britton
- 26—Mrs. Edward Menerth
- 28—Charles W. Rinker
- Mrs. Jacob Altman
- Mrs. Carrie Pfeiffer
- Mrs. Ina Petersen
- Richard Peterson
- 30—Edward Gangaware, Jr.
- APRIL:
- 3—Bernie Lantz, Sr.
- 4—Frederick H. Spitzhoff
- Evelyn Gangaware
- Louis Heekel
- Martha C. MacMartin
- H. J. Kazmar
- Herbert Barry
- Miss Carolyn Laling
- Miss Elizabeth Outson
- Charles McKay, Jr.

## Honorable Mention Is Awarded Garden Club

MOUNTAINSIDE—Honorable mention was given to the Mountainside Garden Club on Monday for its exhibit of an informal luncheon table at the International Flower Show, this week, at Grand Central Palace, New York. The arrangement was made by Mrs. Elliott Ranney, assisted by Mrs. Harold Brooks. It consisted of a centerpiece of fruit and ivy, with luncheon dishes of Spode china. Many members of the club attended the show on Monday, its opening day. Among them were Mrs. Robert W. Davidson, president of the club, Mrs. R. E. Powell, Mrs. Donald G. Maxwell, Mrs. Leigh M. Pearsall, Mrs. M. A. Payton, Mrs. J. W. Cutler, and Mrs. Stephen G. Van Hoessen.

Mrs. Ranney, Mrs. Davidson and Mrs. Powell were guests on Tuesday afternoon at a tea sponsored by the New York Horticultural Society at the Park Lane Hotel. Invitation arrangements were done by Mrs. Ranney both on Wednesday and today for the Garden Club of New Jersey and the Federated Garden Clubs of New Jersey, respectively. In addition, Mrs. Ranney had an individual entry in the blue predominating class yesterday. Mrs. Brooks has an individual entry in the green predominating class for the show.

Because of the show the regular meeting of the club which was scheduled for yesterday will be held instead on Tuesday. It will be held at the home of Mrs. J. W. Cutler, Canterbury lane, Westfield. Guest speaker for the meeting will be Mrs. Roderick M. Vandergort, authority on geraniums, who will talk on that species of flower.

## Publicity On School Budget Set By Bill

A bill designed to "remove the shroud of secrecy now hiding school budgets from the taxpayers by requiring annual publication of the budgets in local newspapers" was introduced last week in the New Jersey Legislature by Assemblyman C. Culhnan Hardy of Essex County. The bill is backed by the New Jersey Taxpayers' Association and other civic organizations. Support of the bill is based on the claim that in many communities the taxpayers are not informed of proposed school budgets until the time to vote is almost at hand.

In announcing his bill, Assemblyman Hardy said: "It provides that local Boards of Education prepare tentative budgets at least 35 days before the annual school elections held the second Tuesday in February. The tentative budgets, with a statement showing comparative annual appropriations in the school districts, would then be published in the local newspapers at least one week prior to the public hearings to be held at regular January meetings of the school boards. "This would give taxpayers opportunity to identify study the proposed school spending program for the ensuing year. They could sift out possible instances of ex-

## Mountainside Notes

Mrs. Arthur Datsman of Central avenue returned Tuesday from Virginia where she had been visiting friends for the past two weeks.

Supervising Principal Charles Wadas and a group of boys will go to New York Monday evening to attend the semi-finals of the National Interscholastic Basketball Tournament at Madison Square Garden. Bill Mateer, athletic director, will be in charge of seeing the group together.

James Herriek, son of Mr. and Mrs. Charles Herriek of Parkway, has enlisted in the United States Marines, and will leave for service April 6. He is a graduate of Regional High School.

Scout charter for Troop 70 will be presented on Friday night at the meeting of the troop in the Mountainside school. A special program and investiture service will be prepared for the occasion. There are twenty active members of the troop.

Two parties were held last week in celebration of the birthdays of Steve and Jack Kazmar, sons of Mr. and Mrs. H. J. Kazmar of New Providence road. Party for Steve, who was seven, was held on Tuesday, with the following guests: Linda Sue Wheeler, Alice Ann Mundy, Harold Engleman, Billy Twyman, Donald Pittenger, Arthur Brahm, and George Dobbin. Jack's party was held on Saturday. He was ten. His guests were Teddy Mundy, Frank Chapel, Randolph Major Jr., Bobby Twyman, David Smith, Buster and Donald Minton, Douglas Evans, and Richard Toblins.

Dr. Maya Unna of Evergreen Court was guest at the meeting last evening of the Parent-Education group held at the home of Mrs. H. J. Kazmar. The meeting was the second of a series of three dealing with the Pre-School child, with particular emphasis on the effects of war-time conditions on the young child. The last meeting of the group is scheduled for April 2.

Mrs. Edward Menerth of New Providence road, was elected to the executive committee of the Union County Youth Welfare Council on Tuesday night. Mrs. Menerth is president of the Union County Congress of Parent-Teacher Associations.

There will be a meeting of the Defense Council on Wednesday evening at the Borough Hall.

LEE S. RIGBY, Freeholder of

Springfield, who was re-named chairman of the Union County Youth Welfare Council this week.

## What SUN Advocates

1. Sidewalks wherever needed.
2. Se bus fare to Union Center.
3. Extended local telephone service to Newark and Elizabeth.
4. Federal Post Office buildings.
5. Removal of dilapidated buildings which are sore-spots.
6. An active Board of Trade to stimulate "Try Springfield First" in purchasing.
7. Full-time position for the Township Clerk's office.
8. Encouraging clean industry, to increase tax ratables.
9. Municipal parking lot.
10. Extension of mail delivery by local R. F. D. routes, to all portions of the township.

MOUNTAINSIDE—Restlan J. Lebert of Partridge run was among the jurors to be summoned for duty in the county courts from March 23 to April 4, drawn before Judge Edward McGrath in Elizabeth on Monday by Under Sheriff Alex C. Campbell.

# A WEEK OF THE WAR

A summary of information on the important developments of the week made available by official sources through the Defense Advisory Committee of the National Editorial Association.

War Production Chairman Nelson said man-hours now being put into military production could be doubled if all equipment involved were used 24 hours a day. He asked manufacturers for monthly reports to show how rapidly industry is being converted to war work, the degree of utilization of equipment and any factors interfering with maximum production.

The WPB reported 95 per cent of the radio and phonograph industry, which ceases civilian production April 22, will be completely converted to war work before June 30. Production of communication equipment needed by the military services is expected to exceed a rate of \$125 million a month by the end of the year.

Chairman Nelson announced 31 regional conferences of labor and management representatives from prime contracting plants engaged in making guns, ships, planes, tanks and machine tools will be held during the next two weeks. The meetings will be held in order to exceed the production goals announced by the President. The WPB ordered the production of domestic laundry equipment to be discontinued by May 15 so the entire capacity of the industry can be devoted to war production.

The WPB said during the three months following Pearl Harbor more than \$72 billion had been made available for the war effort. Appropriations by Congress and additional funds made available through the RFC were larger than all the funds authorized for defense during the 18 months before the attack. The total for the 21 months amounted to almost \$140 billion.

## Rubber, Gasoline and Oil

President Roosevelt in a letter to State Governors proposed speed limits of 40 miles per hour be established throughout the country to conserve rubber. He also proposed the States enact regulations requiring frequent checking of tires to insure repair and retreading at proper times. The Office of Defense Transportation and Department of Justice offered their assistance to local business enterprises seeking to pool delivery services as a means of conserving trucks, tires and other equipment.

The WPB said deliveries of gasoline to service stations and bulk consumers in 17 Eastern States, the District of Columbia, Washington and Oregon will be cut by one-fifth beginning March 19. Service stations in the curtailment areas must limit their operations to a maximum of 12 hours in any one day and to a total of 72 hours a week, except to provide service for certain essential civilian users. To conserve stocks of fuel oil in coastal areas, the Board curtailed installation of new fuel-oil burning equipment in the same States affected by the gasoline order. Price Administrator Henderson asked filling station attendants to impress on motorists the necessity for saving automobile anti-freeze for use next winter.

## Rationing

The Office of Price Administration announced men in the armed forces and their families will be able to sell their new possessions as without restriction. The OPA placed used typewriters under a complete allocation program, prohibiting their sale until April 13, but authorizing unrestricted rentals under a 60-day price ceiling based on rates prevailing March 5. Allocations will be handled by existing auto and tire rationing boards.

## Shipping

Maritime Commissioner Vickery reported the 1942-43 "Victory" ship construction program has been increased from 18 million to 20 million dead-weight tons to produce 3,000 ships in two years. Admiral Vickery said U. S. ship production will be greater than all the rest of the world combined. The Commission's over-all program calls for 2,877 ships to be commissioned by the end of 1943. War Production Chairman Nelson congratulated 4,000 shipyard workers at the Bethlehem Shipbuilding Yards at San Francisco who offered to donate a Sunday's work without pay in order to get maximum production of war vessels.

## Air

The Civil Aeronautics Administration announced expansion of its programs in order to train 45,000 men a year in elementary flight training instead of 25,000, and 30,000 men in secondary courses instead of 10,000, and to inaugurate training of 21,000 ground technicians annually. Priority in the training will be granted students eligible for appointment as aviation cadets. The Army Air Forces' first class of Flying Sergeants were graduated as military pilots. An Air Corps Officer Candidate School will be established at Miami Beach, Fla., to train Air Corps enlisted men.

## Army and Navy

Army Chief of Staff Marshall said reorganization of the Army has reduced the General Staff from about 500 officers to 98 who will concern themselves primarily with planning of military operations. The War Department's Construction Advisory Committee and the Contract Negotiation Board were consolidated into the Construction Contract Board which will recommend and negotiate contracts awarded by the Engineers Corps. Navy Secretary Knox announced Admiral E. J. King, Commander in Chief, U. S. Fleet, will also be Chief of Naval Operations. Admiral H. R. Stark was named Commander, U. S. Naval Forces operating in European waters.

## The War Front

United States forces in one raid on Japanese shipping sank two Japanese ships, set four more on fire and beached one. In another action U. S. naval forces sank a heavy destroyer and a large transport and put three cruisers and one aircraft carrier out of action. U. S. forces also sank three freighters and one passenger cargo ship, shot down five enemy bombers, and destroyed three Japanese-held airbases in New Guinea. The Navy reported 12 United Nations' warships were lost in the battle for Java, including the U. S. cruiser Houston and the U. S. destroyer Pope. Two U. S. tankers and two freighters were sunk in the Atlantic. Gen. MacArthur reported no activity on Bataan Peninsula. Civilian Defense

On behalf of the Board of Trustees, I wish to thank all those who worked with my committee to make our 10th anniversary party a success. HELEN R. SMITH, Secy., Library Board of Trustees, Springfield, N. J., March 17, 1942.

## Prices

President Roosevelt, in a radio address, said the fight "against inflation is not fought with bullets or with bombs, but is equally vital. . . It calls for mutual good will and willingness to believe in the other fellow's good faith. . . The Labor Department reported the average family's food bill jumped 25 per cent between mid-January and mid-February. The Department said that in many defense cities were raised during the last quarter of 1941 on as many as one in every eight rationed items. The Bituminous Coal Division of the Interior Department, and the OPA said they are prepared to take whatever steps are necessary to prevent wartime inflationary prices for coal.

## Priorities and Allocations

Purchases, sales and rentals of various types of new office machinery were halted by the WPB, except to persons possessing high preference ratings. The Board extended the ban on use of "bright work" to all types of motor vehicles and prohibited its use in replacement parts. Manufacture of bicycles was curtailed, and production of the retraining and reequipping equipment was suspended except on preference-rated orders. The Board directed owners to set aside for the Government considerable quantities of their 1942 pack of fruits and vegetables. Maintenance and repair of existing plumbing and heating installations in farms, residences, and office and apartment buildings was facilitated by a new order.

"A Week of the War" summarizes information on the important developments of the week made available by official sources through 5 p. m. Monday, March 16.

## Flower Frolic Will Feature Church Sale

Flower Basket Frolic, the annual Lenten sale of St. Stephen's Church School, Millburn, will be held in the Parish House on Saturday afternoon, March 28, from two to six o'clock. A gala occasion, the sale is expected to draw a large attendance from both Millburn and Springfield.

Plans have been completed to include a food sale at the affair, where cake, bread, pie, candy, baked beans, and other good things, all home-made, may be purchased. There will be a Grab-Bag for the children, six to sixty, and plants, flowers, shrubs, and small evergreens for early Spring planting will be on sale. Refreshments, including afternoon tea or coffee, hot dogs, and ice cream, will be served all during the afternoon at the kitchen window.

## Editors' Mail

### Expresses Thanks For War Relief Responses

To the Editor of the SUN: On behalf of the Springfield Chapter may I express to the citizens of Springfield our sincere thanks for the response which has been made to the War Fund of the American Red Cross. We are nearing our goal, in fact we need but \$110 to go over the top. If there is anyone who feels they would like to assist us in reaching our quota, please hand your subscription to your neighborhood worker or to the writer.

We do not need to tell you that the duties and opportunities for service on the part of the Red Cross is increasing daily, and it is important that each Chapter reach its quota, so that the funds are on hand for the services in which the Red Cross is obligated. Again thanking all who worked and contributed, and with the hope that our quota is soon reached, I am sincerely, CHARLES H. HUFFP, War Fund Chairman, Springfield, N. J., March 18, 1942.

### From Library Secretary

To the Editor of the SUN: On behalf of the Board of Trustees, I wish to thank all those who worked with my committee to make our 10th anniversary party a success. HELEN R. SMITH, Secy., Library Board of Trustees, Springfield, N. J., March 17, 1942.

### WHO ARE OUR LEGISLATORS

From time to time, subscribers ask the SUN, "Who are our representatives at Washington?" and "Who are our representatives at Trenton?" For the information of our interested citizens we publish below the names of our representatives: United States Senators, Hon. W. Warren Barbour, Hon. William H. Smith, Senate Chamber, Washington, D. C.; Congressman, Hon. Donald H. McLean, House of Representatives, Washington, D. C. Union County representatives in the New Jersey Legislature: State Senator Hon. Herbert J. Patsen, 1328 North avenue, Elizabeth; Members of Assembly, Hon. Thomas M. Mair, 302 Grant avenue, Plainfield; Hon. John M. Kernor, 328 Palman road, Dunellen; Hon. Frederick E. Sheppard, 136 Springfield road, Elizabeth; Hon. Milton A. Peller, 517 Burnham road, Elizabeth.

### Realty Transfers

Brookside Construction Company to John J. Niece, Jr., property known as 22 South Maple avenue. Mr. and Mrs. William Louis Morrison to Mr. and Mrs. Leonard Field, property in the northwesterly lot of Satter street 210 feet from Lyon place, if produced.

# Gardeners Can "Help Win War And Write the Peace" Through Intelligent Planting, Growing

War Gardens, Defense Gardens, Victory Gardens! They have a familiar ring. History repeats itself within a generation. The last war brought us such slogans as "Can the Kaiser"; now its "Vitamin for Victory."

Many home gardeners in Springfield and vicinity are debating the question of whether or not to continue their activities, increasing them in scope or to abandon them completely, leaving the growing up to the professionals. Those who are eager to do their bit to help "win the war and write the peace" by growing vegetables and flowers should give the matter serious thought before proceeding with the plan, a survey of opinion among nurserymen, landscape contractors and garden supply firms in the vicinity.

### Flowers For Morale

John Jennings, general manager of the F. & P. Nurseries, Inc., Morris avenue, Springfield, quoted from the Secretary of Agriculture Claude R. Wickard's address before the National Defense Garden Conference, held recently in Washington, in which he said: "Gardening is one activity that has great possibilities as a useful outlet for that urge to do something. There is a spiritual uplift in seeing things grow; I think it's probably that as much as anything which makes a man determine to be a farmer."

"I'm sure we recognize the health value in getting fresh air, sunshine and exercise—as well as vegetables out of the garden. So there are many reasons why the Nation needs gardens—and a national gardening program." The F. & P. Nurseries, Inc. has used the excerpt from Wickard's address on their 1942 catalogues. "It is the consensus of opinion," Mr. Jennings stated, "that it is wiser to keep our flower gardens from a pleasure standpoint, and then if you have extra space, grow vegetables, than to tear up your lawns and flower gardens for this purpose. We need flowers for their esthetic value."

### Flowers Necessary

Miss Martha Schmidt of the J. H. Schmidt & Sons nursery firm in Morris Turnpike, Short Hills, declared that "we should keep up our morale with flowers."

### GARDEN HELP

Advice is available to those who desire to have a vegetable or flower garden. Circulars on soil management, fertilizers and lime, and planning and managing a garden may be secured by writing Fred Osman, Union County Agricultural Agent, or to the Agricultural Experiment Station, Rutgers University, New Brunswick, New Jersey.

## Miss Pamela Lyall New President of Overlook Auxiliary

MISS PAMELA W. LYALL

Miss Pamela W. Lyall, 31 Tully street, was elected president of the Women's Auxiliary of Overlook Hospital at the annual meeting held Monday at the Nurses' home. Miss Lyall succeeds Mrs. Arthur D. Welch, who has headed the newly-elected president, served as head of the Summit Fortnightly Club during the last year, was secretary of the Board of Education for 18 years. A charter member of the Summit branch, America Association of University Women, Miss Lyall has also been secretary of the Council of Social Agencies.

Other officers elected included Mrs. Edwin C. Treat, first vice-president; Mrs. Nathan C. Lentz, treasurer; and Mrs. Harold M. Foster, corresponding secretary. Miss Moses Palante was re-elected second vice-president and Mrs. George T. Hain was re-elected recording secretary.

As guest speaker, Dr. Walter C. Russell, Professor of Bio-chemistry at Rutgers University, discussed food requirements for healthful living with emphasis on vitamins. The Auxiliary now numbers 44 paid members, according to Mrs. Horace Bromfield, Chairman of Membership, an increase of 34 members in the past year. Other chairmen generally reported increasing accomplishments for their various committees.

Mrs. Stuart Walker, heading the House Committee, reported purchase of many furnishings with repairs and changes keeping the Hospital's rooms modern and attractive. Mrs. Albert L. Stiles, Chairman of Linens Committee, reported such large volume of linens purchased as 60 dozen pillow cases, 70 dozen sheets of various sizes, 140 dozen towels, 150 dozen wash cloths, 65 dozen each of napkins and tray cloths, 1,000 yards of surgical toweling, 2 bales containing over 4,000 yards of muslin among other items.

Voluntary sewing from service groups was under the chairmanship of Mrs. L. W. Gillian, who read a list of literally thousands of articles made for the Hospital by these voluntary workers. Among the items are T-squares, diapers, operating room covers, glove cases, binders, etc. Report of Mrs. Frederick Lum III, Chairman of the Book Club Committee, which has been in operation since last year, was also given.

# Your Garden This Week

BY FRED D. OSMAN  
County Agricultural Agent

Toward mid-March every garden enthusiast wants to get busy out-of-doors. As soon as the ground is ready, seeds of Sweet Peas and other hardy plants can be sown in the open ground, and later in the month herbaceous perennials may be transplanted, but right now the thing to do is loosen mulches around borders.

Loosening mulches is particularly beneficial for plants starting to grow under their coverings, and as soon as these plants are well started and somewhat hardened, mulches should be removed. But for the present, be content with loosening them and letting air in around the crowns of plants.

When you think the time has come to sow seeds of hardy plants, test the soil first to see if it is sufficiently dry. Don't try to work the ground when it is too wet. Be sure it crumbles when handling. Ground which is dug when too wet in the spring of the year usually gives trouble all through the year. It is apt to bake and form hard clumps, and does not handle to advantage. A good test for the correct condition for working the soil is to hold a ball of it in your hand and then release it. If it crumbles readily, it is all right to work, but if it sticks together compactly and you have to pull it apart and it shows moisture when you break it, it is too wet to handle. This is a test that is rather difficult to describe, but if you try it a few times, you can soon tell whether the soil is in the right condition or not.

# YOUR RED CROSS

According to the report of Mrs. George W. Morton, chairman of home nursing instruction, the classes are now being extended to cover a thirty hour period. Since the sessions consist of two hours of instruction weekly, the course will run for fifteen weeks, instead of twelve, as heretofore. The next class to graduate will be completed in late May. Mrs. Morton wishes to announce that no further classes will be formed until September.

Mrs. Edgar H. Jacobs, chairman of first aid instruction, has arranged a class for women in advanced first aid which will start on Monday evening, March 30th, at eight o'clock in the James Caldwell School. Mrs. Peter Green will teach the class. Registrations should be made with Mrs. Jacobs.

The safe arrival of seven American Red Cross workers to serve with the armed forces in Australia, with headquarters at Sydney, has been announced. The American Red Cross will establish two service clubs for soldiers, sailors and marines from the United States now on duty in Northern Ireland. Safe arrival of two field directors in Aruba and Curacao to serve with American armed forces in offshore bases has been reported.

WARMER IN WINTER COOLER IN SUMMER

# THEY'RE GIVING THEIR ALL

# Won't You LEND Yours?

*All right, America! Let's face it.*

We know now that victory may be dear. But we know too that freedom is priceless. And we're in this war to win, no matter what the cost. In the immortal words of John Paul Jones, "We've just begun to fight!"

True, we can't all fight. But we can all help. We can—we must—back the boys in the fighting forces. We can—we must—provide them with the tools they need to finish the job.

They're giving their all—won't you lend yours?

For just as we are counting upon them to keep the aggressor from our shores, they are counting upon us

for the guns and planes and tanks they need. These cost money—billions. To help pay the cost, Uncle Sam asks you to lend—not give—your savings. That is the American way, the volunteer way, the Defense Bond way!

Remember that every bond you buy is a blow at the aggressor—that every dollar you invest buys an essential part of some much-needed weapon to protect your home, your freedom, perhaps your very life. Invest to the very limit of your powers, so that, in the President's own words: "No matter how long it may take us to overcome this premeditated invasion, the American people in their righteous might will win through to victory!"

**You Get a \$25.00 U. S. Bond for only \$18.75**

### FACTS ABOUT DEFENSE BONDS—(SERIES E)

HOW MUCH DO THEY COST? YOU LEND UNCLE SAM	UPON MATURITY YOU GET BACK
\$18.75	\$25.00
\$37.50	\$50.00
\$75.00	\$100.00
\$375.00	\$500.00
\$750.00	\$1,000.00

**When is maturity?** Ten years from the time you buy the Bond. If you need the money before then, you can cash the Bonds at any time after 60 days from their issue date. A table of cash-in values is printed on each Bond. Naturally, the longer you hold the Bond, up to 10 years, the more money you'll get back. But you'll never get less than you put in.

**What's the interest rate?** When held to maturity, the Bonds yield 2.9% per year on your investment, compounded semiannually—you get back \$4 for every \$5.

**Where do I go to buy a Bond?** To your local Bank, Post Office, Savings and Loan Association, or other Defense Bond Agency.

**What about Defense Stamps?** Buying Defense Stamps is a convenient way of saving money with which to buy a real Defense Bond. Stamps are sold for as little as 10¢. **When should I buy a Bond?** Start now; buy regularly. If your company has a Pay-Roll Savings Plan, take advantage of it NOW. INVEST IN SAFETY—WITH PERFECT SAFETY!

**Remember—**You can start buying Defense Bonds by buying Defense Stamps for as little as **10c**

- 10 cents in Defense Stamps buys 5 cartridges.
- 25 cents in Defense Stamps buys a soldier's mess kit.
- \$1.50 in Defense Stamps buys a first-aid kit.
- \$2.00 in Defense Stamps buys a good warm blanket.
- \$10.00 in Defense Stamps buys 2 steel helmets.

**The More Defense Bonds You Buy  
The More Planes Will Fly**

**BONDS...OR BONDAGE?**  
*Make this your answer!*

**JOIN THE PAY-ROLL SAVINGS PLAN**

**Employment** Under the voluntary Pay-Roll Savings Plan (approved by organized labor) you simply save a part of your pay every pay day toward the purchase of Defense Bonds. Tell your foreman or department head you want to ENROLL NOW!

**Employer** Do your part. If you haven't already offered your workers a Pay-Roll Savings Plan, write or wire Treasury Department, Pay-Roll Savings Section, 709 Twelfth St. N.W., Washington, D. C., for full particulars.

America Needs Men . . . Materials . . . Money—and the Money must come from YOU

# Rahway Pushes Locals Out Of Tourney, 45-40

Misfortune dogged the Regional quintet on Friday night when, despite a desperate last half rally, they failed to stop the Rahway steam rollers at Linden High School Court and were eliminated from the State Tournament, 45-40. Regional, however, has the distinction of being the only team to keep Rahway from an unbeaten seasonal record, the Bulldogs having defeated them earlier in the year. The final record for the Springfielders shows a total of 17 wins and seven losses, including both season and tournament games.

By outplaying Coach Brown's men in the early part of the game, Rahway piled up a 23-14 lead in the first half, started badly in the third quarter, and was almost overtaken early in the fourth. Regional crept within three points, 34-31, at one stage, but Alex Hoodow, and Dan Nymtze, Rahway stars, came through with goals.

GEORGE MORTON, Springfield boy on Regional five, who led the locals in scoring against Rahway Friday night.

Johnny Wanca, Regional crack-jack, was guarded all through the game, and although he played a grand floor game, he was unable to break away to score. A fix was on all his pivot shots, causing them to roll off the edge of the rim time and time again.

High scorers for the night were Regional's George Morton and Bill Loh. Morton led the boys with 14 markers, and Loh chalked up 12. In the third quarter, when Regional was making a stirring effort to even things, holding Rahway to two points, Loh hit the net for four field goals and a charity toss.

A Regional victory would have offered a strange coincidence. In 1937, Coach Brown's boys and the locals' first team won the County Championship. They lost their opponent to Rahway, then took eighteen straight. In the State tourney, Rahway took them over.

On Friday night Rahway entered the game with eighteen wins. It lost to Regional in the third game of the season, and then began a winning streak that included the County title. Regional could have repeated the circumstances of five years ago in reverse, if it had taken Friday's game.

Summary of the team follows:

Rahway (15)		Regional (10)	
Nymtze, G.	12	Wanca, J.	6
Hoodow, A.	6	Warchol, F.	2
Bonchick, E.	4	Naschok, F.	1

## Frank Geiger Enjoying Fine Record at Rutgers

Among Regional athletes who are making names for themselves in college sports is Frank Geiger, son of Mr. and Mrs. Frank C. Geiger of South Springfield avenue. Frank, who is a student at Rutgers University and a member of the Rutgers swimming team, recently helped his alma mater successfully defend its Eastern Collegiate Swimming Association title. He is one of the three swimmers on the track Rutgers 20-yard medley relay team, which covered the distance in 3:02.9 in the recent meet, bettering Pittsburg's top mark of 3:05.4, chalked up in 1940.

## Outdoor Track Is Only Spring Sport At Regional High

With the dropping of baseball, golf and tennis for the season because of a lack of interest on the part of students, outdoor track will be the only interscholastic spring sport at Regional High School this year. Coach Brown will issue his first call for track try-outs on March 23. He has already announced the team's schedule.

The opening meet for the season with Dover will be held on April 22 on home grounds. Another home engagement will follow with Weequahic on April 29. For its third meet the team will travel to Linden on May 6. The last three meets on the schedule will be held at home as follows: May 13, Cranford; May 19 or 20, Union; and May 25, Rahway.

The county meet is scheduled for either May 28 or 29, and the boys will then meet Roxbury at home on June 7 before entering the State trials on June 8.

A number of veterans are expected to return to the team this year. George Smart and Tommy Street will be ready for either the broad jump or dash. Smart is good for anything from the 100-yard dash to the 440, while Street works from the 100-yard dash to the 220-yard run. Both boys were members of the 880-yard relay team which was county champ last season.

Fred Dummela, who last year was county champ in the pole vault, and who rated second in the State meet, will undoubtedly be on the team. In pole vault, there is also Roddy Lister, who took third in the county meet in 1941. Lister and Ray Schramm will also provide the local competition in the high jump. For discus there will be Bob Keller and Don Irving, and for both high and low hurdles, John Kroehling and Herb Kent will provide competition.

## Dive Bombers Win

The Springfield Dive Bombers got revenge Saturday night for an earlier beating by Westinghouse, defeating the Bloomfielders 42-21 on the Summit "Y" court.

Although the Bombers led throughout, they never were able to fashion a margin sufficient to permit a let-up. Expecting the Bloomfielders to explode any minute, they played cautiously, guarding closely on defense and showing superiority on the offense, setting up plays and making every shot count. What ever hope remained at the end of the third period for the visitors, faded rapidly as the Bombers went on a spree, scoring nine successive points to start the final period.

The Bombers showed accuracy at the foul line also, converting six of their seven tries.

Rae led the locals with 5 field goals and 4 fouls for 14 points.

# REGIONAL ACTIVITIES

## Consumer Center

(Continued from Page One)

The work we are doing," Mrs. Lewis P. Macarney, chairman of the Consumers Interest Committee and organizer of the center, told The Sun. "They were astonished at the progress we had made. But actually we have just begun. We hope to have a center that will be a model set-up, as ideal a set-up as we can possibly have for other towns to follow."

As yet, the center is small, but its material is displayed to advantage. Mrs. Macarney hopes to use the windows of Joe's Barber Shop at 258 Morris avenue for additional advertising for the project. "There's no cut to what we can do," she explained. "We hope to have displays of balanced menus and low cost menus. We want to get across the importance of certain foods for their nutritive values, especially now when nutrition is so important."

Nutrition and the value of vitamins in foods is the principal business of the center. Posters, showing the effect of diets on rats, with deficiencies in such necessities as iron, calcium, phosphorus, and proteins, are a conspicuous part of the center's exhibit. Other charts explain the comparative values of these necessities as they are found in various foods, milk, greens, fruits, and meats.

"We do not attempt to answer scientific questions," Mrs. Macarney said. "We leave those for the people trained to answer them."

Such questions, for example as "What vitamins are good to offset a cold?" or "What vitamins are good for sinus troubles?" are written down and sent to the Home Extension Service in Elizabeth for answers.

Help in answering scientific questions, however, is given by Dr. Ann Robinson, vice-chairman in charge of nutrition on Mrs. Macarney's committee. Miss Carolyn Lee, who is instructor in Home Economics at Regional High School and who is at present teaching a course in nutrition for the Springfield Red Cross, also gives her services to the committee in an advisory capacity.

Other women who serve on the committee are: Mrs. William Cosgrove and Mrs. A. S. Staehle, who have charge of marketing and price checking; Mrs. Elwood Archibald, who handles publicity; Mrs. A. B. Anderson, corresponding secretary; and Mrs. A. H. Richards, who is chairman of invitation for the Red Cross chapter.

## SIMON TRAINS AT BEY'S

Abe Simon is completing sixteen days of training at Bey's Camp, Chatham Township, for his Army Emergency Relief Fund rifle-competition world's heavyweight championship hunt with Joe Louis in Madison Square Garden, New York on March 27.

New Jersey's Fish and Game Commission noted this week that 90.88% of the sportsman's dollar in this state goes toward conservation, preparation, distribution and protection of game and fish.

## Speaks to Young People

(The following material is contributed by the Journalism Club of Regional High School.)

M. R. Perlman, Regional High School studies teacher, spoke at the Springfield and Cranford Epworth League on Sunday. His topic was, "The Jew and his attitude toward the International Situation."

Mr. Perlman enjoyed speaking to the group. He was introduced by a former Regional student, Richard Titley, now president of the Senior Youth Fellowship. Mr. Charlesworth, Local Methodist minister, presided.

## Young Interior Decorators

Students of Miss Kay Johnson's Interior-Decorating class went on an annual trip Tuesday. They each spent an imaginary six hundred dollars furnishing a three-room apartment. Stoves visited included, flames, hamburgers, Kresge's and Ludwig Baumgarters.

Students who participated were: Jean Damberg, Mary Walls, Daisy Herder, Doris Reynolds, Jean Doffbus, Ada Nippins, Viola Egler, Minerva Shallerross, Claire Smith, Laura Morrison and Mae Shubert.

## Sophomore Dance

Sophomore dance will be celebrated at the High School this evening. The gymnasium will be decorated in black and white, with electro records as the theme for the night.

Decorating Committee—Chairman, Arthur Salsedel, Percy Perrotta, Lee Schultz, Amy Innocenti, Frank Cree, John Nahan, Pete Szabo, Doris Lamb, Viola Egler, and Carol Cushing; orchestra, Chairman, Harriet Schneider, Charlie Campbell, Margaret Shepell, Robert Cull; publicity, Chairman, Raftalia Palumbo, Peggy Jones, Hanna Bluber; Tickets—Chairman, William Gilbert.

HERBERT T. STRONG  
Herbert Thompson Strong, color consultant at the New York Museum of Science and Industry, spoke at the Regional High School students yesterday on the subject, "Exploring the Magic World of Color." Mr. Strong's talk was greatly appreciated. He demonstrated spectacular, as well as scientific, principles of light.

Mr. Strong has done research work with Dr. William Heche, famous naturalist, in Reframin and performed experiments using the ultra-violet light. Miss Geta Frey modeled costumes, whose colors were beautifully enhanced by the ultra-violet lamp.

The same program was repeated at the evening for adults.

## Catholic Forum

The Catholic Forum of St. Teresa's is busily engaged in rehearsing a cast of 100 in preparation for a stage production to be presented April 29 and May 1 in St. Teresa's auditorium. Popular performers will entertain again as in years past.

Make Your Money Right — With Defense Bonds!

She doesn't wear a uniform... but she is in the thick of war activity just the same. THROUGH her switchboard hundreds of telephone calls speed daily to points near and far. Many of these calls—she never knows which—deal directly with the war emergency. Their swift completion may speed production of planes and ships and guns and other needed war supplies. These are days when the tradition of telephone service stands clearer than ever, before every telephone worker—"The Message Must Go Through." Nearly four million calls now travel over New Jersey telephone wires daily.
