

THERE IS MORE TO FEAR THAN FEAR

By Frank D. Hutchinson

Professor of Journalism, Rutgers University

Official Washington cannot lay claim to an all-out war effort until someone turns on the power of advertising.

Too late and too little, in arousing our people at home is more deadly than failing to stop an aggressor on a foreign field.

Advertising which sold life insurance to America can sell national insurance to the nation.

Advertising is arousing, guiding, inspiring the British people to an all-out production effort.

It's time Washington started work on blueprints for a victory-minded America. It must be a planned, bought and paid program.

The government which pays for its every telephoned and telegraphed message from individual to individual, must assume the cost of the nation's grave message to the nation: Awake, work, fight, sacrifice.

Uncle Sam cannot hitch hike his way to national action. This is a national need which must be paid for by the nation.

We as a people can't bankrupt our press and still depend on it to sell our bonds, build unity and inspire us to the last ounce of effort.

There is a big job for advertising to do in our drive for Victory. And it will take advertising to do it.

Advertising which sold us the pleasure of soft living, can sell us the need for hard fighting.

Amateur efforts can't plan it, and contribution methods can't support it.

There is more to fear than fear - it's failure.

WEEKLY CANVASSING REAPED RESULTS

Housewife Mrs. Bernard Dodds Does Her Share Toward Victory By Steady Red Cross Collection Steps

The problem of what a housewife can do in the national war effort, in addition of course, to conserving necessities and feeding her family wholesome and nutritious food, has been answered in a unique and admirable way by Mrs. Bernard Dodds of 365 Melrose avenue.

Both the new Methodist minister and his wife left this country in 1923 to take up China missionary work in the Yen-Ping conference, in the city of Yen-Ping, where they were engaged in evangelistic activities for almost five years.

SUN SPOTS

BETTER HAS BECOME A NEW MEDIUM for advertising. The purchase of Defense Stamps, in one of our local eating places, the little square slab on your bread and butter plate, you will notice, with pleasant surprise, that it has been neatly stamped with these ubiquitous words, "Buy Defense Stamps."

IT MIGHT BE A QUESTION OF PRIOR INVITATION

It took Springfield and Mountaintop, however, to bring down the house. The Springfield group presented a musical skit, "The Long and Short of It," in which the entertainers were first scrupulously funny as "long" people, and then through the magic of a potion became "short" people.

Tap-dancing and vocal solos seemed to dominate in the show, with the most popular selection being "Deep in the Heart of Texas," in which the audience joined with loud clapping, and "I Don't Want to Walk Without You, Baby."

Make sure that every member of your family gets a properly balanced diet every day. The two important things are: (1) more milk; more fruit, more green vegetables; (2) preserve the vitamin content by proper cooking methods.

'Happy Mac' To Conduct Services At Millburn

Starting Tuesday evening, Walter MacDonell, or as he is better known to thousands, 'Happy Mac', will hold a series of services at the First Baptist Church, Millburn. The services will be part of the annual evangelistic campaign of the church.

For years 'Happy Mac' toured the country with such leaders of entertainment as Fred Waring and Eddie Cantor and made the show with his orchestra dancing. He had the reputation of having the fastest feet on any stage. About fourteen years ago, he gave up his career on the stage and since then has traveled every state as an evangelist, directing his talks particularly to young people. His ministry is unique in that his schedule takes him from the largest churches to the smallest. His theme is simple. His meetings will be held every night during the week at 7:15, except Monday and Saturday.

JERSEY CENTRAL POWER & LIGHT CO. To Keep your Appliances Operating Efficiently for the Duration!

Announcing Our New APPLIANCE CONSERVATION PLAN. ACTUALLY NEED COST YOU NOTHING! The cost of your APPLIANCE CONSERVATION Service Policies may be applied towards the purchase of new appliances when they are available. Thus, your Service Policies need cost you nothing. Credits, of course, apply only to the same type of appliances on which you have Service Policies. Minimum credit \$10 and maximum credit \$15. This will go a long way towards buying the new appliances you will want and need when the war is over. Buy U. S. Victory Bonds and Stamps. Under the Plan, all service in your home on your side of the meter will be charged for at regular rates. Emergency service will be available as usual. * To help save essential war materials and to help you prevent breakdown of your appliances when new equipment may not be available, all of your appliances should be checked and serviced NOW. That's why we have introduced our APPLIANCE CONSERVATION PLAN. Under this Plan, for a small sum, we will inspect and completely check your appliances and put all parts in top-notch working order. Top-notch working order means greater efficiency—thus saving time, fuel and food. It means more nourishing meals and freedom from inconvenience and worry. Our APPLIANCE CONSERVATION PLAN is more than insurance against breakdown—it is a SAVING PLAN that puts money in your pocket. Phone our office for full details. Learn how to save time and money NOW and avoid inconvenience later on.

A WEEK OF THE WAR

A summary of information on the important developments of the week made available by official sources through the Defense Advisory Committee of the National Editorial Association.

War Production Chairman Nelson, speaking in New York City, said the United States have now outstripped the Axis in war production. He said the accumulated reserves of the enemy, however, "we have not yet won the battle of production," he said. The President War has said by July of this year the U. S. will be producing more war material than any other nation in the history of the world.

The WPB said as of April 1 the Government had disbursed more than \$23 billion on the war effort. Chairman Nelson asked all prime contractors to establish subcontracting departments, and to make subcontracting needs known to the nearest WPB field office. He also asked that workers' vacations be staggered, and overtime and employment of substitutes be increased so vacations will not disrupt war production. The figure listed the first 500 plants to set up voluntarily labor-management committees and launch production drives.

Manpower Mobilization

Federal Security Administrator McNutt was made Chairman of a five-man War Manpower Commission set up by the President to "bring about the maximum use of the nation's manpower." Mr. McNutt said the Commission will establish a labor priorities system to allocate manpower on a voluntary basis. If this system fails, he said, he would ask for authority to assign men and women to specific jobs. He reported an additional 10 million workers will be needed in war production this year, many of whom will have to be obtained through recruiting of women, young people and retired workers.

The President proclaimed the week of May 3 as National Employment Week and asked employers to train and employ women and older men as a means of avoiding a labor shortage. The President's Committee on Fair Employment Practice ordered 10 companies holding large war contracts to cease discriminating against workers because of race or religion.

The War Front

War Secretary Stimson told a press conference the U. S. Army is almost ready for the offensive. Army Communications reported 13 Australia-based American bombers, in a 4,000-mile round-trip raid on Japanese installations in the Philippines, sank four enemy ships, damaged four others and caused widespread damage. The Army and Navy withheld comment on reports that American bombers had raided Tokyo, Yokohama, Kobe and other Japanese cities and inflicted extensive property damage.

Gen. MacArthur named the members of his staff assisting him as head of the United Nations Southwest Pacific Command. Gen. Wainwright said "Corregidor Island could and would hold out." He said an estimated 40,000 American troops are fighting on the island. American troops on Batavia are now in the hands of the enemy. Eight United Nations ships were reported sunk by enemy submarines in the Atlantic.

Foreign Relations

The White House reported Lend-Lease aid amounted to more than \$3 billion by the end of March. War supplies sent to Russia in March were two and a half times as great as those sent in February. President Roosevelt notified Ambassador to Vichy, Loubet, to return to his country for instructions, because of the domination of the new government of France by the pro-German Laval. The State Department said three American ships scheduled to carry food and clothing to France and North Africa are being held here pending clarification of the Vichy situation.

Army and Selective Service

The War Department said organization of 32 new divisions this year is being carried out on schedule. The Department said the Army Medical Corps strength will be doubled to meet demands of the expanded Army. Physicians under 45 years and dentists under 35 will be eligible for commissions as first lieutenants. The Department also announced formation of a new combat force, the Tank Destroyer Command, which will be based in Texas and will be ready to move to the front.

The Department said it will grant furloughs of 10 days to inductees after their processing at reception centers, if local boards recommend such action for men who need the time to clear up personal affairs. Selective Service Director Hensley said the supply of men classified as 1-A probably will be exhausted by the end of summer and the calling of men of 1-B classification probably will start in the fall.

Navy and Air

The Navy Department said the Bureau of Yards and Docks will act as contracting agency for the Department for all construction accomplished by private agencies, including works subcontracted under a prime contractor. Two new destroyers were launched and a third was commissioned. The President directed Navy Secretary Knox to take over three plants of the Brewster Aeronautical Corp. in order to increase their production.

President Roosevelt and Canadian Prime Minister Mackenzie King announced jointly that all United Nations with air training programs under way in the U. S. or Canada will confer in Ottawa early in May on "further united military efforts."

Shipping

The War Shipping Administration requisitioned all the remaining American-owned ocean-going vessels which had not been taken over by the Government previously. Every detail of operation—cargoes, routes of travel and time of departure—for ocean-going vessels can now be specified by the WSA. The President authorized the Maritime Commission "to acquire, use and dispose of" any real or personal property needed for the building of merchant ships. He also authorized the Commission to award medals to members of the nation's merchant marine for distinguished conduct.

War Bonds and Stamps

The Treasury said a campaign will be opened May 1 to secure voluntary pledges from all persons in the U. S. to purchase War Savings Bonds and Stamps with at least 10 per cent of their incomes. The campaign will include the establishment of war savings committees in every county of the nation. It will attempt to double the monthly volume of bond and stamp purchases. The WPB said War Bond sales totaled almost \$5 billion as of April 1.

Rationing

The Office of Price Administration reported the first sugar ration will be one pound per person in two weeks period. The office said rationing books will not be issued to persons who already have more than six pounds of sugar. Persons with two pounds on hand but not more than six will have stamps removed at registration time, at the rate of one stamp for each pound over the first two. Each sugar ration book holder will be permitted to receive a special allotment of not more than 176 pounds of sugar a year for home canning or preserving of fresh fruits and vegetables.

Civilian Supply

The WPB ordered production of medium and heavy trucks for civilian use discontinued after existing quotas have been completed. The board froze all stocks of new plumbing and heating equipment, with the exception of retail sales of \$5 or less and orders bearing a preference rating of A-1 or higher. The board also prohibited manufacture of oil burners and coal stokers for residential use. Amounts of stencils used in the manufacture of phonograph records were restricted to 30 per cent of 1941 consumption.

Housing and Construction

National Housing Administrator Handford said he will establish regional offices, tentatively set at 10, to shift more responsibility for planning the billion dollar war housing program to the communities it will benefit. Responsibility for building the projects will remain in Washington. The WPB reported military and other essential construction in 1942 will give the industry its greatest program in history, 20 per cent above the 1941 record.

"A Week of the War" summarizes information on the important developments of the week made available by official sources through 5 p. m. Monday, April 20.

Track Opener From Summit Team 65-52

Regional High School's 1942 track team opened the season Wednesday afternoon at home against a last-minute makeshift opponent, Summit, and won, 65-52. Doves, the original scheduled, Monday, cancelled its appearance Monday owing to the gasoline and tire situation, making it necessary for Coach Joe Hughes to quickly arrange for a meet with Summit.

Summit's brilliant Group 3 State champion in the 100-yard dash, Pease, bore the load for his team, collecting first in both dashes, high jump and running broad jump and then slipping into the shot put field for a second place, a total of 23 points. This far surpassed the best efforts of the local boys in which George Smart with 9 points and Fred Anderson with 8 points shared second and bronze with 5 points apiece.

The Orange and Blue, Hill, looked their best in the hurdle events and in the pole vault and field classes. Next Wednesday the Weequahic High School team of Newark visits Springfield in the second match of the season. All originally scheduled matches, except with Roxbury which was also cancelled, remain unchanged.

The summaries:

Our Library

Use Your Library

Every afternoon, 2:30 to 5. Mon. and Fri. evenings, 7:30 to 9.

Books are still being received at the library for the Army, Navy, and Marine Corps, even though Victory Book Week is over. Donald Nelson gives us this slogan: "If you have books which you especially prize, give them!"

A new reference magazine has been substituted for use of the library. It is "Current Biography," published monthly by H. W. Wilson Co. It contains the biographies of the leaders of today. Up-to-date biographies are necessary to followers of the daily, history-making events for those who are unable to wade through masses of material. In the latest number of the magazine you will find biographies of such famous leaders as President Roosevelt, King George VI, Winston Churchill, Benito Mussolini, Joseph Stalin, Francisco Franco, and Adolph Hitler.

The four most popular books of fiction on the May shelf of the library are:

- THE MOON IS DOWN by John Stetson
- DRAGON SEED by Pearl Buck
- WINDSWEEP by Mary Ellen Chase
- FRENCHMAN'S CREEK by Daphne Du Maurier

Non-fiction books which are most popular are:

- FLIGHT TO ARRAS by Antoine

CHARLES W. GILLILAN

MOUNTAINSIDE Lewis W. Gillilan, 35 years old, of 104 Maple street, Summit, traffic services superintendent of the New York Bell Telephone Co., was found dead Sunday night about 7:15 from monoxide poisoning in his auto parked in Summit park, adjacent to the company park reservation. A wrecker towed the car through the exhaust of the car at the back of the driver's seat in which Mr. Gillilan was seated.

Mr. Gillilan was found by William Brown, a resident of Summit late. The motor of the Gillilan car was still running when Mr. Brown shut off. The latter notified Chief of Police Charles Honecker. The Mountainide Rescue Squad worked for an hour with artificial respiration and inhalator in a futile effort to revive the Summit man. Dr. Louis J. Aksent of Garwood, aided, and pronounced Mr. Gillilan dead. The victim had been in poor health for some time, Mr. Gillilan had supervised the Mountainide branch-exchange activities, which recently included 22,000 private switchboards, since its transfer in 1928 from the American Telephone and Telegraph Company, where he was a traffic engineer. Before going to the A. T. and T. he was with the Mountain States Telephone Company, as Colorado toll manager, Denver toll manager, division traffic supervisor, Denver traffic chief and toll traffic chief.

A native of Athens, Ohio, Mr. Gillilan was graduated from Salt Lake City High School in 1910. He engaged in farming in Springville, Utah, and he entered telephone work in 1917.

He had been awarded a twenty-five-year honor card. He was a member of Central Presbyterian Church, Summit.

The deceased leaves a wife, Mrs. Ellen B.; four daughters: Pamela, at home; Mrs. Marjorie Buchanan, Newark; and Lois, Ann Arbor, Mich.; a son, Robert, Fenwood; his mother, Mrs. Lizzy McRay, Greensburg; three sisters: Mrs. Anne Welsh, Springville, Utah; Miss Elizabeth Gillilan, New York; Mrs. Charles P. Kakin, Pittsburgh, and a brother, Paul, Erie, Pa.

Funeral services were held Tuesday afternoon at the Brexiter Funeral Home, with the Rev. Dr. Leonard V. Buschman, minister of Central Presbyterian Church, officiating.

Serious Accident Monday At Highway, Evergreen Ct.

MOUNTAINSIDE Two persons were seriously injured and six others suffered cuts and bruises in an accident Monday on Route 29 near Evergreen Court. According to police, the cars were operated by William J. Sabar of Marlwood and John J. Zaccagnino of Canonsburg, Pa. Zaccagnino's 1937 traveling west, is reported to have figured in the safety alert. Sabar's car was going east.

Anna Sabar, 15, daughter of the driver, is in Overlook Hospital, suffering a leg fracture. Mrs. Sabar was treated at the hospital for cuts on the head and face and was released. Mr. Zaccagnino suffered a fractured left arm. Others in the Zaccagnino car who were also treated at the hospital and released included Albert Debra, Camillo DeJohn and Miss Betty DeJohn, all of Canonsburg, Pa., and Lee Landa of Washington, Pa. Mr. Sabar was also treated and released.

The injured were taken to the hospital by the Mountainide Rescue Squad. No charges have been filed as yet.

Garden Club Wins Prize At Contest

MOUNTAINSIDE The Mountainide Garden Club won a third prize in the "Hill to the Hill" classification at the annual table setting contest of the Federated Garden Clubs of New Jersey, sponsored by L. Harberger & Co. on Wednesday. Mrs. Elliot Ranney arranged the table for the club, assisted by Mrs. Frank L. Goucher of Westfield.

Many members from the local club attended the competition, in which there were entries from garden clubs from all over the state. The tables will be on exhibition at the store until tomorrow.

Mountainside Notes

Frank Salzer of 204 Mountain avenue, and Salvatore Coppola of 2005 Avenue, were among those who were inducted into Army service yesterday. Salzer is a member of the Mountainide Police Department. He was guest of honor at a farewell party Tuesday night given by friends and fellow members of the department at the Halfway House.

William V. Capris of New Providence road, was among those who showed flags Monday night at the meeting of the Union County Garden Club at the Warminster Park Administration Building, Elizabeth.

There will be a meeting Wednesday evening of the Mountainide Club at the home of Mrs. Edmund Frey, Summit road.

Miss Mildred Weber, daughter of Mr. and Mrs. Henry Weber of Central avenue, visited her home Sunday from Overlook Hospital, where she is finishing her first year of training.

Paul Ousken, member of the Police Department and Rescue Squad, is in the Rahway Memorial Hospital since Saturday when he underwent an amputation.

Bill Lutz, son of Mr. and Mrs. Barney Lutz of Birch avenue, who is in service with the U. S. Navy, is in the Marine Hospital at Waukegan, Ill., with tonsillitis. He will undergo a tonsillectomy at the hospital before being released.

Plans for serving hot lunches to school children beginning next fall, were discussed at a meeting at the Mountainide School on Tuesday afternoon. The project will use surplus commodities and will be under the sponsorship of the Parent-Teacher Association. Mrs. Josephine Rand, head of the Home Economics Department of Rahway Highway School, addressed the meeting.

Lydia Frey's Betrothal Announced Last Night

LYDIA FREY

MOUNTAINSIDE A family dinner party last evening, which also celebrated her birthday, Mr. and Mrs. Edmund Frey announced the betrothal of their daughter, Lydia, to Roger Masoner, son of Mr. and Mrs. George Masoner of Terrell road, Scotch Plains.

Miss Frey is a graduate of Regional High School, and is employed by the Aluminum Dye Corp. in Garwood. Mr. Masoner graduated from Scotch Plains High School and attended Union Junior College. He is engaged in the florist business in Scotch Plains.

Salvage Collection Arranged On Sunday

MOUNTAINSIDE The Salvage Committee of the Mountainide Defense Council, announces a borough-wide salvage to be held on Sunday afternoon at 1 o'clock, when collectors expect to canvass the entire borough for waste paper and rags. P. H. Stedman is chairman of the committee, assisted by Charles Wadas. Roy Scott Troup will participate in the collection. Citizens of the borough are requested to leave their waste paper and rags on the curb line in front of their homes from where they will be removed into the collection trucks. The Boy Scouts will precede the workers to assist, where asked, in unloading and carrying bundles to the street.

Newspapers, paper cartons, magazines, scrap paper, paper boxes, books, bags, etc., can be collected only when placed on the curb line. All packages must be packed or tied securely, if possible, separate books and magazines from papers, and other items.

Although the cans, from rubber, and other items will not be collected this Sunday, the committee urges residents to save these materials for another collection in the near future.

In case of rain, collection will be made on the next clear Sunday.

Sugar Rationing At Local School Tuesday

MOUNTAINSIDE Sugar wholesalers, retailers, institutions, and commercial users of sugar will register in the sugar rationing on Tuesday and Wednesday at the Mountainide School from 2 to 9 p. m. Civilian registration, that is for individuals and families, will be held at the school on May 4, 5, 6, and 7.

Trade registration is scheduled for public high schools, but since Mountainside does not have a high school registration will be handled in the grammar school with Charles Wadas, supervising principal. In charge, Assistant Mr. Wadas, will be William L. Munz, teacher at Regional High School, of which Mountainside is a district, who has been appointed to the post by Warren W. Halsey, principal of Regional.

Halseys Move Here

Principal Warren W. Halsey of Regional High School recently moved into a dwelling he purchased at 72 Doolan street, with members of his family. The Halseys formerly resided in Garwood.

Please Do Not Call "Information" for Numbers that are in Your Telephone Directory.

THESE are times when we need to make good use of all the service the telephone can give.

*** Yet every day in New Jersey, 98,000 calls are made to "Information" for numbers that are in the telephone directories of the persons calling. That's as many calls as a city of 60,000 people makes daily.

*** These calls waste time and use equipment and lines needlessly. Actually it is quicker to get the number from your own directory and call it, rather than to call both "Information" and the number desired.

*** "Information" furnishes numbers not in your telephone directory. By calling her only for such numbers, you will help to make the telephone still more effective at a time when its service is needed most.
