BAND MEMBERS INVITED

A project that will enable the musically talented to express themselves and at the same time bring much enjoyment to the township is underway. Sponsored by the local American Legion post and other prominent local organizations, a group of young Springfielders are organizing a concert band, and are trying all residents with even the slightest mastery over a band instrument to come out and join. The invitation not only includes local citizens, but is extended to all people in the Regional High School district.

Planning to start as soon as possible with rehearsals in the American Legion Building, the young promoters hope to have at least 24 enrolled in the beginning. When ready, they plan weekly concerts to be held on the green in front of the Town Hall. The band will be under the direction of David Russette, band director of Regional. It is hoped that the response will be immediate and all who have the slightest musical affinity with an oboe, clarinet, or a French horn, are asked to get in touch with Richard Tomkins at Millburn 6-0653-J, or Herbert Day at Millburn 6-2029-J.

TIN COLLECTION TOMORROW

Tomorrow, Saturday, is the day you've been saving all your old tin cans for. So be sure and have your salvage ready for collection. Be sure the tin cans are cleaned and flattened, especially flattened. Put the stuff on the curb in front of your house and the town truck will whisk it away. Boy Scouts will warn you of the truck's approach and give you a hand if your contribution is especially large. The collection will be held all day. Do your bit to make this a record breaking collection.

WE LIKE THE LETTERS

"It does a fellow good to read what is happening in the home town," a soldier writes us, and we'd like to answer that it makes us feel good to know that we are doing a little bit to brighten the lives of those boys who are training to fight for us; that we are helping in easing that pain, which, of all pains, is the most heart-breaking, homesickness. At present we send over sixty papers each week to boys stationed in practically every camp on the eastern seaboard, and not a week passes but that we receive a letter expressing gratitude. We like to receive those letters and frequently we publish excerpts from them. In this newspaper game, in which readers take things for granted and brickbats are more numerous than bouquets, those letters are tangible evidence that we render a service. We'd like to answer Lieut. Russell Stewart, part of whose letter we publish in our Army camp column today, that we certainly intend to "keep it up." We intend to keep it up for the duration.

Happy Birthday!

Whether your birthday falls next week, or next month, why not have it listed here by calling THE SUN, Millburn 6-2255, or let it be a matter of our files which carry over the date from year to year, so that it needn't be repeated.

"Happy Birthday" greetings are extended this week by the SUN to the following residents of Springfield:

Girl Scout Cabin To Be Built In Borough

MOUNTAINSIDE — On recommendation of the Board of Adjustment, the Borough Council Tuesday night granted permission for a Westfield Girl Scout cabin to be erected on Upper Summit road. Permission for the building had been previously denied by the Building Inspector on "technical grounds" and an appeal had been made to the Adjustment Board. There had been no objection from property owners who were notified.

The Council denied a license to the Southern Kitchen, an eating establishment on Route 29, until recommendations are made by the committee on licenses, of which Councilman Merle Hoy is chairman. It was announced the restaurant, whose premises were approved by the Board of Health at its last meeting, was operating under the misapprehension that the Board of Health's sanction was equal to the sanction of the council. Mayor John Moxon ordered Police Chief Charles Hoenacker to give notice that it must cease operations within three days. The matter was referred to the license committee, to be brought up at the next council meeting.

Mayor Moxon announced that there would be a special meeting of the council on Tuesday, June 23, to consider license renewals. All applications for renewals must be received by June 16, he added.

Baltusrol Road Tract Sold to Diamond Hill

The Diamond Hill Corporation of Elizabeth has purchased 15 acres of land east of Baltusrol Road bordering on the lands of Allen Paltout from Robert J. Craig of California. Archie R. Wolfe of Summit was broker in the transaction. The purchaser was represented by Albert J. Sauer of Elizabeth, and the seller by Kaplan & Kaplan of Summit. Title to the property will be insured by the New Jersey Title Insurance Co.

William Manze Will Join Army June 19

William L. Manze, director of guidance at Regional High School, will be inducted into the Army on Friday, June 19, at Newark. Entering as a Volunteer Officer Candidate, Mr. Manze will complete during his basic training period, for appointment to Officer Training School. He expects to be assigned to the Signal Corps.

Mr. Manze became director of guidance at Regional High School, after three years as head of the Science Department. Previously he had taught at North Plainfield High School and at Metuchen, N. J.

A Bachelor of Arts and Master of Arts from Montclair Teachers College, Mr. Manze has completed all courses for the degree of Doctor of Education at Rutgers University. He has been active in professional associations in New Jersey for the past nine years and this year was on the Board of Governors of the State Guidance Association. Mr. Manze has contributed to several professional magazines.

During high school and college years he spent three summers at Plattburg Military Training Camp. Following this, he enlisted in the U. S. Marine Corps Reserve and was made a sergeant, a rank which he held for four years. While in the Marines, Mr. Manze trained at the Quantico Marine Base, the 19th Regiment, to which he belonged, has since served in Cuba and Iceland.

Methodists To Hold Children's Exercises

"Children's Day" will be observed on Sunday at the Springfield Methodist Church with the program in charge of the Sunday School. Mrs. Elwood Marshall, who supervises the Beginners' Department, and Mrs. Charles F. Peterson, and Mrs. Ralph Tiley, who supervise the Primary and Junior Departments, will direct the exercises.

Mrs. J. Grant Thomas, organist of the church, will assist with instrumental preludes and offertory by the Sunday School orchestra. The first selection will be a composition by Arthur Sullivan, the second, "Bloom Ye Flowers." Members of the orchestra are: Betty Benkert, Muriel Chisholm, Joyce Neuhinger, Catherine Tiley, Ruth Tiley, Harry Spencer and Wilbur Thomas.

The Junior Choir of the Sunday School will offer "Make Someone Happy" and "Treasure for the King." Junior choir members are: Ruth Arey, Betty Benkert, Marilyn Chase, Muriel Chisholm, Doris Coyle, Ethel Lydlson, Joyce Neuhinger, Irene Howard, Blodine Peterson, Margaret Robinson, Catherine Tiley, Ruth Tiley, Doris Weber and Karen Torp.

Daughter to Hinkledeys

Mr. and Mrs. Charles Hinkledey of Cranford, formerly of 21 Rose avenue, announce the birth of a daughter, Elizabeth May, on Monday at Elizabeth General Hospital. Mrs. Hinkledey is the former Miss Dorothy Adams of town. The Hinkledeys have two other children, Dorothy and Karl.

Protests Raised By Citizens to Grove, Complain of Noises

Claiming that Old's Spring Inn on Mountain avenue is "now operating as a picnic grove," and protesting against the "trespassing, cavorting, singing, yelling, and blowing of horns at all hours of day and night," a group of residents on Mountain avenue appeared before Township Committee on Wednesday night and requested it "to restrict the site and severance and suspension of licenses for the barroom and dance hall of this inn and tavern." The protest in the form of a petition with nine signatures, was amplified by the residents with Nelson Siles as spokesman.

"The condition has grown to the proportion where it is a disgrace to the neighborhood," Siles told the governing body. "It is a nuisance to the neighborhood. This condition was rectified by Charles Beckmann, another signer of the petition.

The matter was postponed until the next meeting of the committee when the proprietor will be requested to appear, and the petitioners again present their grievances. At that time, according to Mayor Wilbur M. Selander, the thing will be "thrust out." Meanwhile the police department was authorized to investigate the situation and control it.

The committee approved the transfer of a liquor license from Schott's Tavern to the Springfield Towers, a restaurant operating on Route 29, more popularly known as "Howard Johnson's."

An active bidding, 240 lbs. of old A. A. White developed off Mountain avenue offered for sale by the Township Committee at public auction, were sold to Harry Taylor, a representative of Frank H. Taylor & Sons, of East Orange, for an unnamed client. The selling price was \$41,000, with 10 per cent down, and release clauses. Bidding against Taylor was Robert S. Bunnell, Springfield broker, who was bidding for his clients, Chiffon Estates.

REUNION HELD BY MELLBERGS

When Capt. Carl C. E. Mellberg, former pastor of the Methodist Church, who was born and reared in Springfield, returned to his birthplace in 1941, he was met by his parents, his brother, and his sister. The reunion was held at the home of his parents, Mr. and Mrs. Carl C. E. Mellberg, at the airbase this week. It was their first reunion in nearly a year.

Red Cross To Receive Golf Range Proceeds

Through arrangements with the local chapter, the Baltusrol Hills Golf Range of Mountain avenue, has set aside Saturday, June 20, in which the entire proceeds of the day will be turned over to the Springfield Red Cross.

Al Blair and Pat Lorch, who recently took over the range, conferred Wednesday with Mrs. Robert D. Treat, Red Cross Roll Call chairman, and in a spirit of contributing patriotically to the local group, offered the use of their premises to swell the Roll Call fund. It is being provided that the soft drink concession will also be at the disposal of the Red Cross. An alternate date of Sunday, June 21, has been set aside in case of rain. Local Cross workers will operate the range on the day and further details will be announced in next week's SUN.

Scouts Arrange For Program In Church

A First Aid demonstration, a lecture, and moving pictures will feature the entertainment this evening when Troop 70, Boy Scouts, will entertain parents and friends at a gathering in the Presbyterian Church. The troop committee will also hold a meeting after the conclusion of the program.

Assistant Scoutmaster Richard Benkert will be in charge of the First Aid demonstration in which Robert Holmman, Stephen Torrel, Jack Himmelman and Douglas Cook will participate. Cook, an Eagle Scout, is a recent member of the troop.

Professor Alfred Cookman of Regional High School, well-known ornithologist and lecturer, will speak on birds. Moving pictures of members of the troop, collecting and canvassing for newspapers and salvage, will be shown.

Two new members will be present at the meeting of the Troop Committee. They are Edward Weensky, Eagle Scout, and representative from Springfield to the Union County Council, and L. Howarth.

Planning Picnic

The Aletha Bible Class of the Methodist Church held its weekly meeting last night in the church. Plans were discussed for a picnic at Echo Lake Park in July. Mrs. Charles Peterson, wife of the pastor, has been appointed leader and teacher of the class.

July 4 Celebration Committee Approves Program Tentatively

A tentative program of events for the Independence Day celebration in Springfield, under the auspices of the Citizens' Committee, was arranged Tuesday night at a meeting of the general committee in the Town Hall.

Flag ceremonies and pageantry will open the exercises at 1:30 on the Town Hall green, with appropriate music by the Regional High School Band and arrangements in charge of the American Legion.

An hour later, games and contests for the young and old will be held on the Union County Park Commission grounds off Mosel avenue with prizes to be awarded in the form of War stamps. A Red Cross tent, with Boy Scouts and Girl Scouts as messengers, will be set up near the activity of games and events.

From 5:30 to 7 p. m. a picnic in the grove adjacent to the Regional High School is being planned and at 7:45, the Regional High School Band will return to present a concert, interspersed with the community singing of patriotic songs and popular airs.

To conclude the day's events, a block dance will be held either in the vicinity of the Town Hall or on Plemer avenue in front of the Brookside Building, properly blocked off, with music to be furnished by a local popular dance orchestra. Neighborhood Stresses

General Chairman Robert Poppendieck sounded the policy of the committee in emphasizing that neighborhood and township spirit should be the prime purpose of the July 4 celebration. To acquaint all of the township residents more readily with their fellow residents, the use of tags with the name of each person affixed thereon, is being favorably considered.

Combined Children's Classes to Perform

All Sunday school classes of the Presbyterian Church will participate in the annual "Children's Day" program which will be held Sunday morning at the church. Special preparations have been made for the occasion by the Beginners', Primary and other departments.

Miss Flora Day will be in charge of the Primary Program. The following classes and members will participate: Miss Virginia Wilson's class, Guy Selander, Clinton Meeker, Jane Boiles, Lois Wagner, Edward Knibish, Ralph DeLano, and Robert Priddy; Miss Margaret Richard's class, Howard Danks, Duncan Douglas, Ormond Mesker, Clifford Smith, William Smith, David Schramm, Harold Kruse and Robert Zinner; Miss Mildred Swanson's class, Marilyn Bluder, Barbara Charles, Rozor Ross, Lolan Boers, Nancy Wildner, Donald Richardson, William Gutcheol, and William Herford.

Also Miss Miriam Richard's class, with Betty Anne Dandig, Jacqueline Unson, Dottie Jane Jacquelin and Nancy Smith.

The program for the Beginners' Department will be under the direction of Mrs. M. Chase Runyon. Teachers for the department are Mrs. Elsie Leary, Miss Doris Hoering, and Miss Jean Smith. All children will participate in the program for which there will be several selections of group singing. Richard Lewis will give the welcome, Lois Wagner will sing a welcome song, and Carol Poppendieck will give the closing prayer.

There will be a party and rehearsal for the Beginners' Department tomorrow afternoon at 3 o'clock in the chapel.

BETTIQUETTE SAYS

Now that so many people are cooking, many local residents will be planning "back yard" parties. The Springfield Sun Store handles many of the indispensables for such parties, including a complete line of paper table-linens, plates and cups, which may be bought in matched sets or singly.

We have an inside tip that the Citizens' Committee, headed by Robert Poppendieck, is planning a very interesting July 4th program for all the local citizens. The day's activities will include band and children's singing, a picnic in the late afternoon. So we suggest you mark the fourth of July on your calendar as a day to get together with your neighbors.

Q.—Should bacon be cooked rapidly? A.—No. Bacon should be started in a cold frying pan, cooked slowly, turned frequently, and the drippings poured off from time to time.

Q.—Should veal chops be broiled? A.—No. Veal chops should be broiled. Veal is from a young animal and is not fat enough to be broiled.

Q.—When should broiled meats be seasoned? A.—Each side should be seasoned after it is broiled, when the chops and steaks are turned, and when they are done.

Large Attendance For "Fun Night" Exercises

A large audience was present last Friday night at the "Fun Night" program sponsored by the Presbyterian Church by the Christian Endeavor Society, to raise funds to build a new building for the church in Hills-town, in July. The program, presented by members of the Sunday School, was enjoyed by all and the purpose of the entertainment was achieved.

Two playlets were presented, "Pyramids and Pilgrims" directed by Gerald Jones, and "A Woman's Way" directed by Mrs. Charles G. Nelson. Vocal selections were given by Joan Wagner and Annette Cook, and the Motley Trio, consisting of Mrs. and Irene Lamb and Marjorie Gebert, sang several numbers accumulated on the piano by Robert Swisher.

Installation of officers will be held at the meeting of the group on Friday evening, July 4, at the Legion Building. Guards of the lodge will take part in the Flag Day Parade on Sunday in Warramano Park, Elizabeth.

Kulp Will Graduate Monday With Honors

John Lawrence Kulp, son of Mr. and Mrs. John Kulp of 119 South Maple Avenue will graduate with honors Monday from Wheaton College, Wheaton, Ill. He will begin graduate work in the fall at Ohio State University, where he has received a graduate assistantship in chemistry, being selected from a large number of qualified college students. Kulp is a graduate of Wheaton High School.

A WEEK OF THE WAR

A summary of information on the important developments of the week made available by official sources through the Defense Advisory Committee of the National Editorial Association.

Pacific Fleet Commander Nimitz reported two and possibly three Japanese aircraft carriers and a destroyer were sunk, and three battleships, six cruisers and three transports were damaged in the battle of Midway Island. All planes on the two carriers definitely known to be sunk were lost, Admiral Nimitz said. One U. S. carrier was hit and some planes were lost, but casualties among the U. S. personnel were light, he said. Admiral King, Commander in Chief of the U. S. Fleet, said the enemy fleet has apparently withdrawn from the Midway area but battle maneuvers are continuing in the Hawaii-Dutch Harbor area. The Navy said the first Japanese attack on Dutch Harbor on June 3 resulted in few casualties and no serious damage, appearing to have been made "primarily to test our defenses." The Japanese planes which flew over the harbor six hours after the initial attack were "engaged solely in reconnaissance," the Navy said.

Gen. MacArthur reported within six days Allied naval and air forces sank seven and possibly eight enemy submarines, two heavily loaded armed supply ships and an armed transport, and also damaged a 7,000-ton vessel. Allied losses in the Southwest Pacific were two cargo vessels. In air raids over Rabaul, Lae, Salamaua, Alamboga, Tulagi, Koroheppa and Dili, and Burma, 12 enemy planes were destroyed, one enemy tanker sunk, and runways, airfield installations and parked planes damaged. Three Allied planes were lost. The Navy said Allied merchant ship losses totaled 21 during the week, including nine U. S. ships.

U. S. production of planes has reached the level of "nearly 5,000 a month," and by next year we will have reached the President's goal of 10,000 a month, the Senate Appropriations Committee announced. Army Air Forces Commander Arnold congratulated the Vega Aircraft Corporation at Burbank, Calif., on being six months ahead of schedule on production. WPB Chairman Nelson, after a tour of the automotive industry in Detroit, said American industry could "more than double present production by 1944." He also said the Government synthetic rubber program would be able to take care of "all war production and essential civilian needs" by 1944. Despite the fact that almost twice as many light arms are required per man since the development of parachute troops, the Army has enough weapons to arm every soldier in the U. S., and all it can send abroad under present shipping conditions, War Under Secretary Patterson reported. He said over-optimism regarding production schedules is unwarranted, however, because of rubber, nickel and copper shortages.

A record total of 58 ships were delivered into service during May, while 65 other ships were launched and keels were laid for 75, the Maritime Commission reported. This compared with 36 delivered and 61 launched in April. The President asked Congress for an appropriation of \$1,100,000,000 for the WSA to acquire and operate merchant vessels to carry American arms.

Federal agencies asked labor-management committees in 809-war production plants to keep American workmen fit and healthy because sick and injured war production workers are now causing a loss of 6,000,000 work days every month.

War Declared Against Balkan States

The U. S. declared war against Bulgaria, Hungary and Rumania. The President said the three countries previously declared war on the U. S. as instruments of Hitler, and currently they were engaged in military operations against the United Nations and are planning to extend those operations. The Justice Department said enemy alien restrictions will be applied against nationals of the countries in the United States. Assets of these countries here have already been frozen.

Foreign Relations

The U. S. signed a Lend-Lease agreement with China, substantially the same as its aid to Britain, and proposed Lend-Lease agreements on the same terms with the Norwegian, Belgian, Polish, Greek and Netherlands Governments in exile. Lend-Lease Administrator Stettinius said under the joint control of the combined boards in London and Washington the resources of the United Nations are now, in effect, one big pool, with each nation contributing in the extent permitted by its resources and military position. Reciprocal aid from nations receiving supplies from the U. S. is providing material for American troops abroad without dollar payments, he said. The Agriculture Department reported 5 billion pounds of farm products were delivered to United Nations representatives between April 1941 and May 1, 1942. The American Red Cross said it has aided almost 750,000 war victims in the Middle East, and distributed more than \$2 million worth of relief material there, largely purchased with U. S. Government allocated funds. The State Department said 153 persons, including many U. S. citizens who have been awaiting passage in Sweden, arrived in New York on the SS Gripsholm, and 10 Axis officials and approximately 930 Axis civilians sailed for Lisbon on the Drottningholm.

The Armed Forces

The House passed and sent to the Senate a \$3 billion supplemental Naval appropriations bill to provide 200,000 tons of submarines, 500,000 tons of auxiliary vessels, \$150 million for aviation plant facilities, and other funds. Chairman Vinson of the House Naval Affairs Committee said approximately 59 more combatant ships will be commissioned during the remainder of 1942. Three more destroyers were launched. The GAA and the Navy completed arrangements to train 20,000 Naval Reservists as pilots at 600 CAA training centers during the coming year. If money is appropriated, U. S. Army training films, especially those showing mechanism and tactical use of U. S. equipment, are being recorded in Universal Spanish, Portuguese and Chinese, the War Department said, for exchange with other members of the United Nations.

Civilian Supply

WPB Materials Director A. I. Henderson said vital materials can no longer be used except for war and maintenance of those things necessary to the war because from now on "it will be a continuous problem to provide materials to meet the needs of our fighting forces." The WPB said preferred applicants for new telephones cannot obtain service unless they prove the service is essential to the discharge of their responsibility for public health, safety or security. The Board issued an order referring from residential-lumber deliveries for more than 100,000 of the most essential housing units now under construction. The FHA authorized its field offices to begin insuring to the extent of \$500,000,000 loans of private lending institutions for construction of housing for war workers. A Food Requirements Committee, headed by Agriculture Secretary Wickard, was set up to control production and allocation of all civilian and military food supplies.

Rationing

All motorists will receive A books containing a year's base supply of 48 coupons under the new permanent gasoline rationing system which will be established in the East about the first week of July, OPA said. Supplementary B books with an additional 16 coupons will be issued to motorists who prove need for extra rations, providing they are members of a car pool. No unlimited privileges will be granted any one, but C books containing 36 coupons will be issued to some motorists. B books for trucks and buses, good for a four month period, will cover just enough fuel for the mileage allowed in forthcoming OPA regulations. Motorcyclists will receive D books, good for 40 per cent as much gasoline as A books. Under the new system service stations and distributors will be required to turn in collected coupons when purchasing new stocks. The OPA released about 10,000 bicycles to war production plants qualified to buy them for transportation of workers. ("A Week of the War" summarizes information on the important developments of the week made available by official sources throughout noon, Monday, June 8.)

"Bell," Pet of Fire Department, Is Dead

"Bell" is dead. The thirteen-year-old female Dalmatian of the Springfield Fire Department, ancestress of many fire dogs in and around Essex and Union Counties, was given a mercy death Wednesday when it was discovered that the infirmities of age had got the better of her. Her spotted figure, so long familiar around the firehouse, has already been sadly missed.

Bell has been on the decline during the past year. She survived the death of one of her first puppies, "Taps," mascot of the Bloomfield Fire Department who died last year. "Doty," another of her offspring, however, still rides the fire with the Madison Department, and another puppy is mascot of the Yaux Hall Company. Still another is following the family tradition with the company in Elizabeth. "Bell" was the gift of a Connecticut family to the local firemen as a young pup in 1930 after a two-year search, and came to Springfield through the efforts of Russell Morrison. An ardent fire buff up to the time of her death, "Bell" was the personal possession of Springfield Dog License No. 1.

Your home is a "front line" on the war front and the production front. Every dollar you save on your household budget, invested in War Bonds, is a Victory dollar added to your country's quota.

ACTIVITIES OF MOUNTAINSIDE

Fire Salary Ordinance Approved By Council

MOUNTAINSIDE. Despite a letter from the Taxpayers' Association suggesting a compromise in the new Fire Department ordinance that will allow "negotiating" salaries, for the duration of the war at least, at levels during the proposed ordinance for the current fiscal year, the Borough Council unanimously passed the ordinance on first reading Tuesday night. Salaries for the current fiscal year are \$25, \$30, and \$50 for regular firemen, Assistant Chief and Chief, respectively. The proposed increases over a period of three years would reach the maximum of \$90, \$110, and \$150, respectively.

In adopting the ordinance of the letter, P. H. Steidman, taxpayers' president, declared that although the association agreed that recommendation received by firemen was small, at present "many people are being asked to serve without pay and are volunteering for public functions."

In reply to Mr. Steidman, Fire Chief Herman Honecker reported that the number of voluntary workers was "over-rated." He stated that at present there are only twelve active firemen in the department of a roster of 15, and that the department was "very much undermanned." He also said that the number of fires were increasing and that the increase in salary would prove an incentive for more active members.

Oppose Drainage Project

Another letter was received from the Taxpayers' Association protesting against intended drainage projects in the Birch Hill area of the borough. Several reasons were listed why the project should not be financed by the borough, among which were: the setting of a precedent, the proposed property owners should bear the cost, the fact that many sewerage systems in the area were not properly constructed, and the fact that "the sewer difficulties" cited by members of the Birch Hill Association are the same which have confronted all the residents of the borough for the past several years.

In answering the protests, Councilman Winfield Rau, declared that "the letter is based on a misunderstanding" and that "there is no intention of improvement of individual property." He said the project was aimed to "remedy the blocking up and the continuous stream that is the problem on Birch Hill road. He added that that was "the borough's responsibility."

E. Royal Zeller, president of the Birch Hill Association, told Mr. Rau that the residents of Birch Hill were interested in the matter of assessment and asked for what percentage of the cost property owners would be assessed, and how they would be assessed should improvements be made. He added, however, that "we are completely against any assessment, since the problem is not the fault of the property owners."

Mr. Rau admitted that the problem of assessment was one of long discussion and debate, and as yet no solution had been reached.

Mayor John Nixon said that since overflow from sewage tanks added to the drainage problem, the Board of Health would have to take an active part in the situation. He said that the borough would take care of the clean water, but that the polluted water was the property owners' responsibility.

Borough Councilman Alan Thompson, in summarizing up the legal aspects of the problem, acknowledged that the road should never have been accepted by the borough, but that the council was legally responsible for correcting conditions on the street. He said that the sewage tank condition was up to the property owners. "The situation will have to end in a compromise of one kind or another," he concluded.

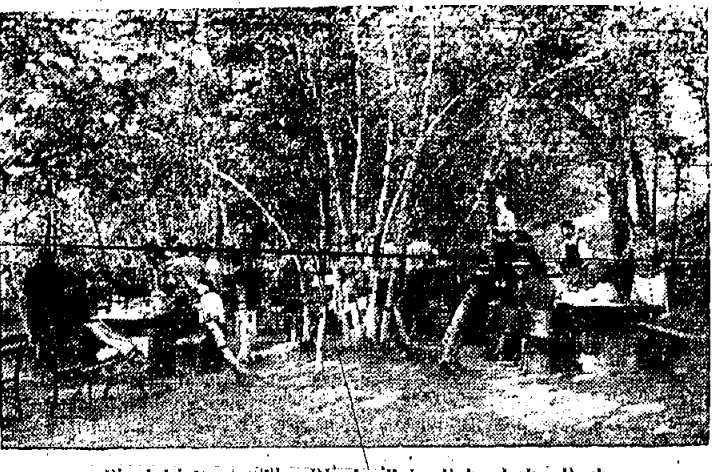

"We are not going to put in storm sewers until the sewage problem is cleared up," Mayor Nixon said, in referring the matter for further consideration to the roads committee and the Birch Hill Association.

Councilman William Parkhurst, in answer to Mr. Zeller's question concerning the holes on Birch Hill road, said that he would write to the Public Service Gas & Electric Co. to repair the holes since they were made by the company's trucks.

To Preach Sunday

P. W. Herborn will preach the gospel Sunday at 2 o'clock at the weekly revival being at the Branch Mills Gospel Chapel, Springfield avenue near Echo Lake Park. Mr. Herborn's topic will be "Preach the Word," 11 Tim. 4:2. The public is cordially invited to attend.

Don't waste anything, for that means wasted money. Wasted money is wasted lives in wartime. Every dollar you can save should go toward War Bonds to help your state meet its quota.

Picnicking at "The Birches" in Echo Lake Park.

MOUNTAINSIDE. One of the most popular of all picnic areas in the Union County Park System is "The Birches," at Echo Lake Park. This has been true, P. S. Marchese, superintendent of recreation for the park commission reports, since the commission started accepting advance reservations for picnic areas years ago.

"The Birches" and three other picnic areas in the county parks, as well as a hundred other picnic spots available on a "first come, first served" basis, are expected to receive more active use this year than ever before, due to the curtailment of travel to more distant recreational areas.

The picnic spots, many of which are located in wooded areas along the shores of Lake Surprise in the Watchung Reservation, the two lakes in Echo Lake Park, Mountainside and Westfield, and along the banks of the Halfway River, are also scattered through other units of the park system.

Stone or brick fireplaces, and picnic tables and bench combinations are available in all areas, while at several there are attractive log or stone shelters, which prove useful when sudden showers develop.

An indication of how popular picnicking has become in the Union County Park System is seen in the attendance reports turned in by the park police for Memorial Day week-end, when nearly 10,000 persons were reported as having participated in family or group picnics. This is nearly 25 per cent of the attendance reported for organized activities for the week-end holiday.

Reservations for picnics may be made by Union County residents and organizations by letter, telephone, or personal visit to the recreation department in the Administration Building, Watchung Park, Elizabeth, N. J. Although the park commission does not prohibit the use of picnic areas or other park facilities by non-resident residents, it does not reserve any areas in advance for such individuals, who must take a chance on finding an area that is not in use or reserved by anyone else.

Of Mutual Interest

MOUNTAINSIDE. Two Army men, one from Mountainside, and another from Springfield, both of whom are stationed at Pine Camp, N. Y., and who have become fast friends, find another mutual enjoyment each week in the SUN, which is a link between their respective hometowns.

Sgt. Louis R. Heckel, son of Mr. and Mrs. Alfred G. Heckel of Summit road, writes "Every since my buddy, Sergeant Edward L. Brill, started receiving the SUN I always managed to find out what activities are going on around my home town. Sergeant Brill came into the Army from Springfield and I came from Mountainside. We have become the very best of friends since we arrived here at Pine Camp, N. Y. We have been here for over a year now, and we continually discuss the home events as they appear in your paper."

Chapel Elects Officers

MOUNTAINSIDE. Clyde Steiert of Cedar avenue was elected president of the Mountainside Union Chapel at the annual meeting held recently. Other officers elected were: Vice-president, Jack Brokaw.

Borough Restaurant Allowed To Reopen

MOUNTAINSIDE. The Board of Health Monday last week granted permission for the Southern Kitchen, an eating place on Route 29, to reopen after being closed for a year. Permission was granted after the place was inspected by William Wilsey, health officer. The establishment had been closed a year ago because of violations, it was reported.

Charles Wadas, chairman of the board, appointed a Plumbing Board consisting of Wallace Winkler, Henry Pfeiffer Sr., and Albert J. Benninger.

It was announced that all employees of local eating places who handle food must get their health cards from their own physicians by July 1. The previous procedure whereby the employees came to the health officer for their cards was found unsatisfactory, Wadas indicated.

FINE SHOWING FOR LOCAL TRACKMEN

Freddy Danneman Takes State Honors in Group Three In Pole Vault at Montclair, Others Also Score

Regional made the best showing at Union County track teams competing in Group 3 in the State meet Saturday at Montclair.

State Vault Champion

Fred Danneman, Regional's pole vault star, set a new record in that event leaping the bar at 12 feet 3/4 inches.

George Smart, crack Regional racer, added to his tally by scoring seconds in two dashes, the century and the 220.

The State meet climaxed a successful track season for Regional.

To Be Christened Sunday

William Andrew Yeager, son of Mr. and Mrs. William Yeager of 8 Arcadia place, Vaux Hall, will be christened Sunday by Rev. Dr. George A. Lizzell.

YOUR RED CROSS

What could be more pleasant than the surprise experienced by Mrs. Robert D. Treat.

Regional Senior Ball

Instead of annual Class Night, members of the Senior Class of Regional will sponsor the first Senior Ball.

Council Officers Elected

In the annual elections of Student Council officers Betty Packer of Garwood was elected president.

Commencement

The commencement program of the class of '42 was written competitively by the Senior Class.
