### BLOOD BANK QUOTA REACHED

It is gratifying to learn that Springfield will meet the necessary quota of at least 100 blood donors when the Red Cross mobile blood donors' unit arrives in the township July 28. There had been fears expressed that the quota would not be reached, but Mrs. Charles Phillips, Sr., chairman of the project, announces that the required number will be attained. Chairmen are asked to submit reports.

### WE'RE NOT EVEN ASKED TO GIVE

Those of us who aren't giving up everything—our jobs, our home life, our comfort, our plans, our families—who aren't being asked to risk our lives—who aren't being asked to "take out of the middle of our lives the years which mean so much"—have been asked to do a small favor, a very small favor. We have been asked to invest (not to give, mind you) a small fraction of our income each week or each month. Ten per cent is the amount. We have been asked to put ourselves to the slight inconvenience (and it may not be even that) of saving one dollar out of every ten and investing that much in war bonds or war stamps. We are being asked to do something which we ought to do anyhow—save some money.

Can anybody hesitate to do this little bit? Can the answer be anything except an explosive: "Here come the dollars"? Start now if you haven't started. Put at least 10 per cent of your income into war bonds and stamps every week, every month, every pay day. Let's make Springfield's answer to the call a roar of enthusiastic approval.

## Long State Prison Terms Meted Youths Who Attacked Girls

State prison sentences from 12 to 15 years each were imposed upon Frank Jones, 25, of Eighth street and Fred Putney, 23, of Eighteenth street, Kentworth, by Judge Walter L. Hetfield, III, in Common Pleas Court at Elizabeth on Monday. Both men, who are soldiers and now AWOL from Fort Knox, were called "in disgrace to the military service" for committing criminal attacks upon three thirteen-year-old Springfield girls April 7 in the Railway River Parkway, bordering on the Springfield-Kentworth boundary line.

A third defendant, John Grippo, of Ninth street, Kentworth, nephew of a former Mayor of that community, was likewise being held upon a charge of carnal abuse. All three changed their pleas from not guilty to non-vult. Grippo will be sentenced July 17, meanwhile being out on bail of \$10,000.

Jones was the first to be sentenced. "Your crime is one of the most heinous," Judge Hetfield declared, "you disgraced the uniform you wore. The Army will be better off without you."

## Medical Defense Is Keynote of Meeting

An audience of more than 200 defense and Red Cross workers filled the auditorium of James Caldwell school Wednesday night and heard talks by Dr. Watson B. Morris, who recently assumed the chairmanship of the medical division of Springfield's Defense Council, Dr. Charles H. Schleiter, of Elizabeth, Chief of the Emergency Medical Service of New Jersey, in charge of Union and Essex Counties, and his deputy in the same service, Dr. Jacob Reiner, also of Elizabeth, spoke. In addition, slides and moving pictures were shown. The program had been arranged by Dr. Morris in collaboration with Harold G. Noninger, local Disaster Relief and vice-chairman of the local defense council. Notices had been sent to all the Red Cross groups which have been trained to furnish personnel to the medical division in carrying out its plan for medical care in case of a disaster emergency, and also to the police and fire reserves, air raid wardens, and all other defense volunteers.

Dr. Noninger opened the meeting by welcoming the workers. Dr. Schleiter, whose topic was the functioning of the medical division at times of disaster, told of his appointment to the medical council six years ago by Dr. Morris, when the latter was president of the New Jersey State Medical Society. At that time he said, nobody thought the United States would be at war, although the conflict was raging in Europe. After Pearl Harbor, the necessity for planning an effective program for the emergency medical group became immediate. The moving pictures brought to the meeting by Dr. Schleiter, showing the work of the medical division at work taking care of the injured after a disaster, were of absorbing interest, and according to the comment of many in the audience, were both informative and enlightening. Dr. Reiner spoke on "What the Civilian can do in Defense." He pointed out that the shortages of nurses continues to be an acute problem, which can only be solved by a greatly increased enrollment of women in the nursing schools instituted by the Red Cross. Many were thousands of (Continued on Page Two)

## CONFIRMATION CLASS OF 1942 AT ST. JAMES CHURCH

Almost ninety boys and girls in the confirmation class of St. James Catholic Church as they appeared after confirmation exercises were concluded Sunday afternoon. It was the first class in three years at the church.

A class of ninety boys and girls and adults were confirmed at a colorful ceremony Sunday afternoon in St. James' Church by Bishop Thomas A. Boland, rector of the Immaculate Conception Seminary, of Darlington.

Bishop Boland was assisted by the Very Rev. Martin J. Stanton, director of the Propagation of the Faith; the Rev. John M. Walsh, pastor of St. Anne's Church of Garwood; the Rev. James A. Coyle, assistant pastor of St. Rose of Lima's Church of Short Hills; the Rev. Stephen Lafferty, C.P. from the Passionist Monastery of Union City, and the pastor of St. James' Church, Monsignor Daniel A. Coyle. Weekly instructions had been conducted for a period of three months prior to the Confirmation by a group of Sisters from the Oak Knoll School of Summit, assisted by a number of lay catechists.

Among those confirmed by Bishop Boland, Auxiliary Bishop of His Excellency, Archbishop Thomas J. Walsh of Newark, were the following:

- George Allison, Francis Battello, Gilbert Battello, John Battello, Joseph Battello, Francis Duhler, Paul Burger, Henry Carrella, Corrado Casade, Nicholas Corro, George Thomas Conley, William Duhler, Patrick Duffey, William J. Dunn, John Faenza, Romeo Gerardiello, Robert Honecker, Charles

## USO Campaign Gets Under Way Shortly

Springfield will shortly conduct a USO drive for funds, it was indicated as a general committee made plans for a meeting in the Town Hall to further arrangements.

The meeting is being called tonight by W. C. Davidson, Jr., who has been selected a general chairman by Mayor Wilbur M. Schlander. The latter, who has been concerned about having Springfield contribute its share toward recreational advantages for the service men from town abroad or throughout the country, approached Mr. Davidson and secured his permission to take over the reins of a USO committee for the township.

Others who will serve on the USO general committee include Charles H. Huff, Robert Spindelbeck, Milton Keshen, Roy H. Gehl, Herbert H. Day, John Conley and Roy Waldack.

Mayor Schlander serves as honorary chairman and further plans will be announced in next week's issue of the SUN.

## Smathers Features Democratic Outing

U. S. Senator William H. Smathers opened his campaign for reelection Sunday at the annual outing of the Union County Democratic Committee in Singers Park. More than 3,500 Democrats heard Smathers promise to "kick the Republicans in New Jersey again."

He told the gathering that President Roosevelt told him he needs him in Washington to help win the war. Smathers said the Republicans "major" bastards already are going to call me "Red" just because I'm a Democrat. He also said that he will continue to work for the people of Union County.

Many county leaders were intruded by County Democratic Chairman Edward L. Whelan. Attendance fell off sharply in comparison with other years due to gas rationing and fire shortages.

Results Gratifying From Blood Donors

Mrs. Charles Phillips, Sr., chairman of the Red Cross Blood Bank committee, states that the registration of prospective blood donors has been gratifying. However, she emphasized that between the hours of 2 and 7 p. m. on July 28, when the mobile unit arrives in Springfield, there appears to be a lull in the number of hours between 3:15 and 5 p. m. Those who are unable to be available for that time are asked to do so.

Sunshine To Meet

The Millburn and Springfield Sunshine Society will meet Thursday at 10 a. m. at the home of Mrs. Arthur C. Prugh at 18 Washington avenue.

## Community Joining In Observance Of Independence Day

Arrangements have been completed for Springfield's July 4 celebration tomorrow which will begin at 1:30 P. M. in the auditorium of Regional High School, carry over to the Union County Park grounds off Meisel avenue an hour later, followed by a community picnic, band concert and community sing in the grove adjoining the High School and a block dance in Fleming avenue, directly in front of the Brookside Building. The program of

A revised list of all Springfield men in the service, eligible for American Legion honor certificates, will be found in this issue of the SUN on page 3.

events, in full, appears elsewhere on this page.

In case of inclement weather, the afternoon activities will be held in the High School and announcements of further information will be given at that time.

The Defense Council will sponsor an incendiary bomb demonstration late in the afternoon. It will follow the game period and Police Chief Runyon has consented to clear the field, probably in the area of the baseball diamond, off Meisel avenue. The exhibit will be under the direction of Mrs. Chief Pinkney. Mrs. Herbert Day is in charge of the women's unit and Clifford Walker is in charge of the men's unit of the First-Aid Squad, which will also put on a demonstration at that time.

Bring Baskets, Blankets

Residents are advised that in bringing their own lunch baskets, arrangements have been made to check packages in the agricultural field house, in the rear of the High School. In addition, it is recommended that blankets would also be helpful, since there will probably not be enough park tables and benches to accommodate the anticipated gathering.

For those who do not intend bringing their own picnic supper, Toy Stenors and Girl Scouts, with Scoutmasters Kenneth Houglund and James Housh and Miss Marjorie Gelin in charge, respectively, will sell soft drinks and ice cream and light refreshments.

The Red Cross committee of which Mrs. Robert D. Trent is chairman and Mrs. Gregg Frost is assistant, will have two tents at the grounds, one at the scene of sporting events with Mrs. Earl Rumpf in charge and the other in the grove annexed by the Red Cross first-aid squad of which Mrs. Herman Morrison has supervision. Mrs. Frank C. Geizer, nursing chairman, has arranged for services of the nurse.

Charles H. Huff, finance chairman, reports that the subscriptions toward financially carrying the burden of the project are being turned in by workers. Those who have not been solicited are asked to contribute to such committee chairman at the affair.

## War Bond Sale Slump Reflected Last Month

Sale of War Bonds dropped in Springfield during June to about \$9,000, Postmaster Otto F. Heinz reported yesterday. There had been an average sale of \$14,000 in the two preceding months and came as a disappointment to the Postmaster, who has envisioned a goal of \$18,750 or an \$18.75 bond monthly to 1,000 residents.

The Post Office figures do not include sale of bonds in other places, including the local bank. Despite the slump last month, Springfield is still running over \$100,000 a quota fixed here by the Union County War Savings Bond Committee.

## Marie Gunn Entering Smith College Study

Miss Marie P. Gunn, daughter of Mr. and Mrs. John E. Gunn of 63 Morris avenue has entered the advanced course of the School of Social Work in Smith College, Northampton, Mass. She is working for a Master's degree in psychiatric social work.

Miss Gunn graduated from New York University, and attended the N. Y. School of Social Work and N. Y. School of Social Research. She is an associate member of the American Association of Social Workers and a member of the Sussex County Welfare League. She has been on the medical staff of the State Hospital staff at Greystone Park as a psychiatric social worker since February, 1939.

## Pvt. John J. Childers Reported As Missing

Private John J. Childers, 21, son of Mrs. Margaret Childers of Lakeshore, former resident of Springfield, is reported as missing in accordance with the U. S. Army Department.

The youth, who is a nephew of Mrs. Phoebe Quick, of 499 Morris avenue, served in the Tank Corps on Italian Peninsula and his relatives are unable to learn whether he ultimately escaped to Corricorador.

Pvt. Childers attended the local grammar schools and was a member of the Methodist Church.

## Dinner Party Held By Reserve Police

Members of the Springfield Reserve Police and their wives in addition to invited guests and their wives, held a roast beef dinner Thursday night in the American Legion Building.

Police Chairman Lewis P. Macarino was toastmaster, with Robert Poppendick as singing leader and James Russell, WOR pianist, who played through the efforts of Raymond Forbes, a reserve police officer.

Namancy and Mayor Wilbur M. Schlander, together with Henry C. McMillan, chairman of the local Defense Council, praised the efforts of Chief Runyon on the organization which he had trained and expressed their thanks to the men for offering volunteer time and service to the entire community.

Mayor Schlander presented badges to the reserve police officers' staff, which totals 34 members. The dinner committee was comprised of Herbert B. Day, Al Smith, Charles Wrenthall, Frank Geiger and Harry Oberly. Mrs. Herbert B. Day and Mrs. Lewis P. Macarino arranged for floral and table decorations; Frank Jakobson and Samuel Sutphen were on the reception committee and other arrangements were handled by George W. Pultz and Edward P. Steltz.

The police reserves are as follows:

Kenneth Baydamer, William Corby, Edward Cardinal, Richard Curvey, Herbert Day, Harry Eberle, Raymond Forbes, Frank Geizer, Don Gibson, Andrew Jackson, Frank Jakobson, Milton Keshen, Frank Leo, Charles Mayer, Edward McCarthy, Jr., Edward McCarthy, Sr., T. C. Davidson, Fred Mulbach, Clifford Mulbach, Joseph O'Neill, Edward Osmanski, Lewis B. Parsell, Jr., George Pultz, Harry Quinzel, Richard Quinzel, Edward Ruckowski, Harold Soaries, Al Smith, Edward Steltz, Robert Poppendick, Samuel Sutphen, William Wagner, Charles Wrenthall and George L. Wright.

## Sale of Auto Stamps Dropped In Township

A slight decrease in the sale of Federal auto tax stamps as compared to several months ago is reported by Postmaster Heinz, including those issued up to July 1, the deadline for motor vehicles to carry such stamps. About 425 stamps were sold and Mr. Heinz anticipates that before the end of the month, a substantial bloc will also have been issued.

## American Legion To Meet During Summer

Continental Post 228, American Legion, is planning to meet regularly through the summer months, departing from former practice of abandoning sessions during vacation periods. Regular meetings will be held, as usual, on the first and third Thursdays in July and August.

Last night, the Post scheduled its meeting to vote on an alteration in eligibility of memberships, the results of which are yet to be announced.

It is being planned to hold a picnic during the summer for members and their wives. The membership in the Post represents 74 for the year and the membership committee anticipates raising it next year to 100.

tribute to Zoeller

tribute to the retiring Commander is contained in the July issue of "The Sun" regarding publications which editorializes: "To Charlie Zoeller goes the praise for leading the Post through its hardest year, a year in which the Legion had to meet changing conditions and ones which meant unending work of all kinds. In face of those obstacles, Charlie carried the post through with flying colors and to him goes all the credit of a tough job well done."

## Elizabeth Man Stricken In Singers' Park Picnic

William Neill, 45, last known to have resided at 834 New Point road, Elizabeth, collapsed and died at the Union County Democratic Committee picnic in Singers' Park Sunday afternoon. Police said death was due to a heart attack.

The Springfield Fire Department was called and the department's inhalator was used in an unsuccessful attempt to restore the man's life. Dr. George W. Horro, assistant county physician, ordered the body removed to Brewster's Morgue, Summit.

## Plainfield Man Fined For 90-Mile Hour Speed

Charged with speeding 90 miles an hour, George Haines of 611 West Fifth in Freehold, was fined \$22.50 and had his license revoked for four months by Recorder Everett T. Spinning in Police Court Monday night. Complaint was entered by Patrolman Leslie Joyner.

George Haines, of 122 West 17th street, Linden, was fined \$12.50 for speeding. On a similar charge, Donald L. Morris of Union was fined \$5 for speeding, and Walter Wynoski of 661 Morris avenue, was penalized \$5 for improper parking.

## SUN-SPOTS

TO 9-YEAR-OLD GEORGE DUN-

STER goes top honors in the Springfield rubber salvage campaign. Upon a tip from Dr. Henry J. Douglas, local health officer, George unearthed 1,500 pounds of old rubber in the rear of the physician's office and from its proceeds will realize a camping trip this Summer.

THE EDITOR'S 20-month old daughter, upon hearing the air raid siren Saturday noon invariably responds with a lustful "Moo-Moo." If such a young "moo" can hear the siren, certainly adult members can easily do likewise.

THE PUBLIC SERVICE bus driver, John Marshall of Union, deserves the plaudits of citizens who appreciate quick thinking when it really counts. Last week's evening fire at the local American store was averted as the busman jumped from his vehicle, sprayed the blaze with extinguisher fluid, so that firemen had less work to do when they got there soap after. Nice work, Johnnie.

## MEN IN SERVICE

Private John W. Stewart, son of Mrs. Louis Schweitzer of 188 Milltown road who is stationed at Georgetown, S. C., will arrive home on Saturday for a ten-day furlough.

Dan Russillo Sergeant in New Hampshire Camp

Sgt. DANIEL RUSSILLO

Sergeant Daniel Russillo, son of Mr. and Mrs. Thomas Russillo of 52 Main street, has been promoted to staff sergeant at Greater Field, N. H. He enlisted in the Army October 21, 1940, and was stationed at Mitchell Field, L. I., later being transferred to Greater Field.

He and Miss Jeannette Paquin of Manchester, N. H., will be married tomorrow in the Air Base chapel at camp. On Sunday, the couple will visit Springfield and be honored at a bridal supper here.

From Seaman Arthur H. (Pete) Smith, at the Naval Training Station in Newport, R. I., comes this letter to the editor: "I want to thank you for sending me the SUN."

I appreciate hearing the news from my town. . . Thank you for your consideration and keep your good work by sending the SUN to the men in uniform."

Daniel A. Stachle, son of Mr. and Mrs. Arthur Stachle, of 42 Colonial terrace, was recently named in aviation class from the former station in Jefferson Field, Mo., he was transferred to the Classification Center, Maxwell Field, Ala.

## Temperance Union Marks Sixteenth Anniversary

Its sixteenth anniversary was celebrated by the local unit of the W.C.T.U. at its meeting this month at the home of Mrs. Raymond Alley, Seven Bridges road. A cake, decorated with candles, was part of the refreshments honoring the occasion. At the business session of the meeting, all officers were re-elected for the ensuing year.

Mrs. Fred Brown and Mrs. Raymond Gogel were in charge of refreshments for the meeting and presented the cake. The union was founded in 1926 in the Presbyterian Church by Mrs. W. P. Chase, wife of the pastor of the Baptist Church of Livingston.

It was decided to send two delegates to the Year's Temperance Council Encampment at Peddie Institute, Hightstown, July 27-29, to which many of the W.C.T.U. units of Union County are sending representatives.

The meeting marked the closing of annual activities for the year, no meetings being held during the summer. The next meeting of the group will be held in September at the home of Mrs. Raymond Gogel, South Maple avenue.

MOUNTAINSIDE—The Public Library will exhibit posters of school children tomorrow in the "Enjoyment of Books Through the Summer" contest.

## Plans Completed On July 4 Celebration

MOUNTAINSIDE—Plans have been completed for the community July 4 celebration tomorrow on the grounds adjacent to the borough school.

Mrs. John Pfeiffer will lead the singing of the National anthem, and Mayor John Moxon will deliver a patriotic address.

Exhibits will be displayed by the Red Cross and Public Library, the latter being open throughout the day.

Refreshments will be sold; proceeds of which will be used for Defense Council expenditures.

In addition, the Library will feature an exhibit of newly-acquired children's books obtained from contributions of pupils, themselves, as well as from fund-raising for the Library Fund.

## Whippoorwill Way Is Being "Beautified"

MOUNTAINSIDE—Residents of Whippoorwill way, composed of civic-minded property owners, have gathered together to make their "circle" a delight to the eye as well as a spot of pride to the community.

Edward Grassman of Elizabeth, real estate developer of the vicinity, has donated a tree pole for the center of the circle.

These residents, who have not contributed in actual manual labor, such as spading and seeding, have raised a purse to cover financial details of the project.

A brief informal flag raising ceremony is scheduled tomorrow and will be the feature of a contributory neighborhood picnic supper on the grounds of Mr. and Mrs. Theodore V. Mundy.

## Daily Nursery School Planned For Borough

China's Hero, Chiang Kai-shek One of the outstanding leaders of the world today is Generalissimo Chiang Kai-shek of China. He is now well known as a Christian general. But at one time he was the leader of those who used such slogans as "Down with Imperialism!" "Return All Concessions to China!" "Abolish All Unequal Treaties!" "Boost the Power of the Kuomintang (the people's party) Above All Else!" and he established a military academy for the training of a modern army and promoted a violent anti-foreign campaign.

What brought about the change in General Chiang? The remarkable story of the transformation in his life will be told in the forty-fifth issue of the Sunday School Times, Philadelphia, by the Rev. William Henry Webb, a missionary of the China Inland Mission, who on several occasions was invited by Madame Chiang Kai-shek to speak in their home to a group of China's government officials.

### Capt. Carl Mellburg Writes From Arizona

June 18, 1942.  
To The Editor of The SUN:  
For the first time in many months, our family was reunited in the heart of the Great American Desert. It was a notable occasion when my son, Carl, arrived after having earned his wings and attained his commission in the Army. He had a 15-day leave, and chose to spend it all with Dad, Mrs. Mellburg, arriving from Pendleton, Oregon, just a few days before his return to Colorado Springs for duty.

### Restrictions Are Lifted For Oil Burning Change

The Springfield SUN finds its way to us every week and makes us feel as though we were still a part of the old town. News about the church and my buddies in the American Legion make me rejoice about the progress at home. In the midst of this rubber salvage drive, I'll bet the old town is coming through with the honor towns of New Jersey.

Tucson, Arizona, is a likable place, after one becomes accustomed to the heat. The friendly spirit of the townspeople has made us feel thoroughly at home. My demands are being made upon this office than we are able to satisfy. I really believe that if all requests were granted, I would have more than five speaking engagements per night, Sundays included.

L. Lund, former teacher of the Woodbridge High School, has recently been assigned to this office as a Special Service Officer. Having known Mr. Lund in Woodbridge, his coming at this time has given much aid to the program we are endeavoring to advance. From an administrative point of view, New Jersey is well represented.

Although we do not know what our next assignment will be, we are fished and ready to accomplish any task that lies ahead. Our confidence is based upon the sacrificial loyalty that is evidenced by the folks at home. That's real partnership.

CARL C. E. MELLBURG,  
Base Chaplain.  
Davis-Monthan Field,  
Tucson, Arizona.

### Local Schools Held Project on Aircraft

Springfield public schools have completed their quota of 50 model aircraft in conjunction with the U. S. Navy Department project whereby the nation's schools construct model aircraft for use by the Bureau of Aeronautics. The Springfield quota has been shipped to the Navy Department. Supervising Principal Fred J. Hodgeson announced, and suitable recognition of student participation has been made through granting certificates of awards issued by the Bureau of Aeronautics. Allen Lushner, instructor of manual training at Union High School, was judge.

Stephen Terrell and Arthur Silva received the rank of Lieut. Aircraftman (Junior grade) for doing the largest amount of work on the project. Harry Spencer, Robert Schaeffer, Arthur Smith and Robert Conley received the rank of Lieut. Aircraftman together with thirty-five other boys who received the rank of Cadet Aircraftman for completing a model which was accepted.

Springfield schools began their project, when, shortly after the war began, Secretary of Navy Frank Knox announced that the Bureau of Aeronautics had need of a large number of model aeroplanes built to scale, for such purposes as recognition, range estimation, and determination of cones of fire, and the nation's schools were enlisted to supply the models.

The models were constructed according to plans and specifications furnished by the Bureau of Aeronautics, the smallest having a wingspread of five and one-half inches (The Russian Fighter), the largest 25 inches (The Bunting Clipper), while the majority of the models have less than a twelve-inch wingspread. The models have been made of such woods as white pine, poplar, and bass.

The national project involved the construction of at least 10,000 model aircraft of each of 50 types of planes, or a total of 500,000 models, including those of United States, Great Britain, Russia, the Netherlands, Italy, Germany and Japan. The models were built to a scale of 1 inch to 72 inches with one inch equaling six feet of the plane. The model was painted black so that it would be recognized from a design standpoint rather than color or insignia.

One method of training the cadets with the models is to place the model in a box completely closed except for an eye opening. As the instructor flashes a light in the inside of the box, the student must be able to recognize the plane. Models are also studied through the standard ring sight on aerial mounts for training in range estimation as well as identification. A model seen at approximately 35 feet appears exactly as an actual plane seen at one-half mile.

### SCHOOLS PREPARED FOR GAS REGISTRY

Registration for new gasoline ration cards will be held in the local grammar schools from 2 to 4 p. m. July 9, 10 and 11. Motorists need not register in person. They may have their registration card prepared by the motorist's club or representative to procure the new ration card.

The last A ration unit in the permanent rationing system to go in effect July 22 will be four gallons, 16 gallons a month. Only motorists who do more than 1500 miles of "occupational driving" a year will be eligible for supplemental rationing.

Applications for supplemental rationing can be filed by motorists next week when they register for gas ration books.

Motorists may apply for supplemental B or C books if they believe the A book is not enough. They must prove that occupational driving is in excess of 1500 miles a year. That they have formed a sharing club to take three or more other persons to and from work, or that they are unable to form such clubs, and that alternative means of transportation are inadequate.

Supplemental B books with 16

**Victor Herbert Play Opens At Paper Mill**  
Of all Victor Herbert's compositions there is none that excels in beauty and charm and vivacity that of "Sweethearts" which opened Monday night for two weeks' run at the Paper Mill Playhouse, Millburn.

Dorothy Sandlin is perfectly cast in the role of "Sylvia" the adopted daughter of Dime-Paula, proprietress of "The White Goose" laundry. She is admirably supported by Paul Reed as Helen Franz, Donald Gage as Lieutenant Karl, Ralph Riggs as Mike (generally known as Mike) and Ivy Scott as Dime Paula.

The book and lyrics are also above the average of musical comedy. The story of "Sylvia" the little foundling who was left in Dime Paula's tully garden by a man in the guise of a monk and subsequently turns out to be a princess, carries suspense and intrigue upon intrigue until the grand finale when her identity is divulged and she becomes betrothed to Prince Franz who defies all convention by loving and remaining true to the little foundress.

Some of the song hits that are setting the audience to whistling and humming are: "On Parade," "Jennette And Her Little Wooden Shoes," "The Game Of Love," "The Cricket On The Hearth"; and the famous "Rigoberto Of Love."

Ralph Riggs' talents as a comedian were never shown in better advantage. He and Ivy Scott are racking the house with their quips and antics.

# "The Mission Had Been Accomplished"

"A running fight between the bomber and the 18 Japanese pursuit planes continued for 75 miles continued until the remaining pursuit ships exhausted their ammunition and turned back. With two engines gone and the plane practically out of control, the American bomber returned to its base after dark and made an emergency landing. THE MISSION HAD BEEN ACCOMPLISHED."

—President Roosevelt, in his Fireside Chat, April 28, 1942

There is, in the words of President Roosevelt, is one of the war's most stirring episodes—a demonstration of how, with one man killed, another man's hand shot off, and a third man injured, our American boys stuck to the fight, bombed their objective, and brought their plane home.

Undoubtedly you felt a thrill when you heard it over the air, and maybe you'll have another thrill reading it again.

But your thrills won't win the war!

It takes planes—thousands of them—and tanks—thousands of them—and shells—millions of them—and bullets—billions of them! It needs ships and guns and jeeps . . .

It takes money.

It takes the money of all of us—the girls at their typewriters, the men at their machines—the clerks, the farmers, the messengers, the bookkeepers and the salesmen.

It needs a surging, patriotic Nation of people who love their country enough to buy a share of America by investing 10% of their wages every payday—a dime from every dollar—in War Bonds.

It needs—and it's getting it!—the cooperation of Labor and Management to put the Payroll Savings Plan over the top.

Your money in War Bonds—10% of your salary every payday—not only will help pay the bill to create the most powerful blasting force ever put together—but you'll do yourself and your family a favor, too.

Because every time your savings amount to \$18.75, you'll get a War Bond—worth \$25 in ten years.

You don't give your money—you invest it, both for Victory, and for your own personal security.

That's your mission—will you accomplish it?

### SEEK RENOMINATION

### PRESENT TERMS EXPIRE

Three Republican members of the Union County Board of Chosen Freeholders whose terms are expiring, announced this week that they will seek re-nomination in September. Charles L. Bauer, Jr., of Elizabeth (top), has been a member since the formation of the small board, while James H. Ackerman, of Plainfield (center), and Leo S. Ribby, of Springfield (bottom), are candidates for their second full terms.

## Commonwealth Co., Asking Surcharge, Shows Rise Since '35

Testimony by witnesses for Commonwealth Water Co., of Summit, which is seeking Public Utilities Commission approval of a 15% surcharge for the duration, was heard Thursday at Newark. The hearing will be resumed next Thursday. H. C. Millholland, valuation engineer, submitted exhibits and his statements were corroborated by L. E. Shaffe, controller, and William T. McName, manager, Summit.

Company property was valued at \$8,065,333.82, as of last December 31. This compared with a valuation of \$7,271,538 as of 1935, which was the basis for a utility commission allowance of 4 per cent for water rates in 1939. Mr. Millholland said conditions to company property since 1935 totaled \$1,223,549 and work in progress as of last December 31 amounted to \$109,497. Retirements of obsolete property was estimated at \$149,573.

Mr. Millholland said costs of material and labor had risen substantially in the six-year period, but that his figures showed only actual costs to the company. Generally, he said, base labor costs for installing six-inch pipe had increased 65 per cent, general construction 30 per cent, skilled labor 10 per cent and common labor 16 per cent.

Council for Summit, West Orange, Livingston, New Providence, Millburn, Springfield, Marlwood, Union, Hillsdale and Irvington, which had sought adjournment of the hearing, agreed to have the testimony put in. They will conduct cross-examination of witnesses and interpose any objections after they have studied the figures presented by the company's expert.

## YOUR RED CROSS

An intensive instructor's course in emergency motor vehicle driving has been completed by Mrs. Henry Applby, a member of the chapter's motor corps. Mrs. Applby was one of a class of 70 who for three days attended the sessions at the Morristown High School, where the instructor and examiners provided by the New Jersey State Motor Vehicle Agency gave lectures and demonstrations and made tests of the pupils' driving skills.

The work-room of the sewing group under the direction of Mrs. Leslie Chisholm, chairman of the chapter's production committee, has been moved from the Municipal building to the second floor of the James Caldwell school. Boy Scouts assisted in the moving, carrying materials and equipment. More workers are needed to assist in the sewing program. All day Wednesday is devoted to the work at the school, and those who sew may bring their lunch.

Those wishing to sew at home may call at the work-room for materials or, if that is inconvenient, may telephone to Mrs. Chisholm, from 10 a. m. to 10 p. m. and on Sunday, from 1 to 6 p. m. there was instruction in driving under black-out and other difficult emergency conditions; instructions in minor repairs, such as changing tires etc. were included.

A special meeting of the executive board was held last Thursday afternoon, at the home of Mrs. Harry Spencer, 6 Prospect place.

A meeting of the committee on nursing activities, with Mrs. Frank C. Geiger presiding, was held yesterday in the Red Cross room in the Town Hall.

James Beers of 79½ Tonker avenue was among the group of county residents who were inducted as new citizens or repatriated last Thursday afternoon in Naturalization Court, Elizabeth, before Judge Walter L. Hatfield, III.

### SCOUTING

The first week of the summer first week camp standing will be a wide contest between four patrols of Scout Troop 70 to determine which secures the greatest number of points on passing merit badge tests, got under way this week. Boys met with the respective troop committeemen and the Scoutmaster Herslow of Troop 70 is stressing collection of salvage rubber by the boys, in patrol divisions, as before on the salvaging of paper, tin and other materials.

and Mrs. William Cosgrove. Harry Salzman of South Orange instructed the group as to their duties July 8, at which time local storekeepers will submit data concerning ceiling prices. The inspectors are doing this work to gather information, not to report violations. The communities of South Orange, Maplewood and Millburn are co-operating with the canvass in their respective places.

## THIS ANTI-AIRCRAFT GUN COSTS \$50,000

YOUR HOUSE may not be a military target, but bombs don't stop to inquire. Bombs don't ask your name or the names of your children, either. In this war, as in no other in history, we are all targets. Blackouts merge soldiers and civilians alike. "War is hell" . . . for all of us. And it is costly . . . for all of us.

Take the anti-aircraft guns that must be counted on to protect your home, your family. Did you know that just one costs \$50,000? Just one—and we need 20,000 at once . . . for the fighting front as well as the home front.

Who's going to pay the bill? Not only for the guns but for the tanks and ships and planes our boys must have to smash the Axis?

Who? Why, all of us . . . you and me and the man next door. Because we are all in this war, and because blood and tears and sweat don't mean a thing if they do not come from everybody. Everybody must put every dime and dollar he can spare into Bonds and Stamps, even if it means going without something else . . . remembering that we are apt to go without everything, unless we win. Here is one sure way to turn your patriotism into action and help win this war—go to your local bank, post office, or other official agency for Bonds now!

Remember you can start buying Bonds by buying Stamps for as little as 10 cents and that you get a \$25 Bond (maturity value) for only \$18.75.
