

OUR GUEST CORNER

From time to time the SUN invites its readers to contribute to "Our Guest Corner." This week's article is written by Mrs. H. JOHN KAZMAR, New Providence, R.I., Mountaintide.

For many years the New Jersey Extension Service in Home Economics has been an active agency carrying out an educational program for homemakers. While the Extension Service is not a war agency its varied activities have been an active agency carrying out an educational program for homemakers.

All of our leaders in the war effort agree that the housewife plays an increasingly important part in this emergency. As shortages occur, and as more ingenuity is required to circumvent these conditions, more originality plus knowledge will be needed.

Just at this time training courses for community leaders are being held on renovation, remodeling and conservation of clothes. As the war goes on and as new materials become more scarce, this re-working of used materials will become increasingly important.

It is an acknowledged fact that homemakers in America (wives) spend the bigger part of our annual income. Before the war, poorly managed finances affected only the family. But for the duration it is vital that we plan wisely and follow a plan carefully so that we may have enough money left over to buy War Bonds and Stamps and to meet the increasing needs of the war effort.

Mountainside Holds 2 Runaway Soldiers. MOUNTAINSIDERS—Two runaway soldiers from a camp in Louisiana were apprehended after a quick-thinking service station proprietor in Route 29 last Wednesday became suspicious and as a result, the pair were found to be driving a stolen car after deserting.

Happy Birthday! Whether your birthday falls next week, or next month, why not have it later here by calling The SUN, Millburn 5-1236, or let it on a postcard. Our files will carry over the date from year to year, so that it needn't be repeated.

SUN SPOTS. YOU DON'T SAY! The Springfield Defense Council notified the Township Committee last week that during a recent blackout test the Town Hall, of all places, actually was not all blacked out.

SEND IN YOUR NEWS.

A WEEK OF THE WAR

A summary of information on the important developments of the week made available by official sources through the Defense Advisory Committee of the National Editorial Association.

Rubber Administrator Jeffers, acting on two important recommendations of the Bureau Rubber Committee, directed the Office of Defense Transportation to limit driving speeds to 35 miles an hour and to the Office of Price Administration to prepare to ration gasoline throughout the nation on the same basis that it is now rationed in the East.

The limitation on speed will go into effect October 1 for all vehicles except those operated by common carriers. Common carriers, trucks and buses operated on regular schedules over regular routes will be given until October 15 to adjust their schedules to the new top speed. Enforcement of the new speed limit will be left up to the States for the present, OPA announced.

Nationwide gasoline rationing—designed to reduce mileage so as to save rubber rather than gasoline—will become effective about November 22, Price Administrator Henderson reported. By that time ration books will have been distributed to approximately 20 million motorists in the unrationed area. The present rationing program will be integrated with the new gasoline rationing program and there on all cars will have to be submitted to OPA for "on-wheel inspection every 60 days to insure proper care."

The OPA said fuel oil consumers in the 30 rationed East and mid-West States will have to get along this winter with one-third less oil than usual because the originally announced ration of one-fourth would not be sufficient. On the basis of last winter, however, which was about 10 per cent warmer than usual—the cut will only be about 20 per cent, the Office said. The quota of new adult bicycles for rationing in October was set at 88,000, compared with the September quota of 90,000.

The War Front

Gen. McArthur's headquarters in Australia reported September 28 that U. S. Army Flying Fortress hit and probably sank a 15,000-ton merchantman in an attack on the enemy base at Rabaul. It was the fourth straight day of attack by the Fortresses on the biggest enemy base in the Australian zone. In previous raids the bombers probably sank an 8,000-ton ship, and scored direct hits on three medium-sized ships. Australian forces supported by new artillery were reported driving the Japanese from their outposts in the Owen Stanley mountains, 32 air miles from the Allied base of Port Moresby. Heavy rains complicated the Japanese supply problem.

The U. S. Marines in the Solomons, sometimes outnumbered 10 to 1 by the enemy, have beaten off all attacks and their positions remain secure. Marine headquarters in the islands announced. Reinforcements and supplies have reached the Marines. U. S. Army Bomber Commander Baker in London stated U. S. and British planes will work together in day and night raids to give Germany a long winter of bombing. He said "I believe it is possible to destroy the enemy from the air. There is hardly a corner of Germany we cannot reach."

War Production

Maritime Commission Chairman Land, in a progress report to President Roosevelt, said that from September 27, 1941, through this month deliveries of completed ships will total 488, aggregating about 5,450,000 deadweight tons. "September deliveries to date and those scheduled to October 1 total 90 ships, of approximately one million deadweight tons, an average of three ships a day. . . . Scheduled deliveries for the remaining three months of 1942 should bring us to the 8,000,000-ton goal of your directive," Admiral Land told the President. He also said the 1943 directive of 16,000,000 deadweight tons "appears reasonably certain of accomplishment."

War Production Chairman Nelson said "Right now approximately 40 per cent of our entire production is going for war. By the middle of next year that proportion has got to be around 60 per cent." WPB Vice Chairman Knowlton said at present war production is three and one-half times that of 10 months ago. "We're beginning to recognize the truth of the situation, to know we've been behind the eight-ball," he said.

Transportation

WPB Chairman Nelson directed the Office of Defense Transportation to set up a priorities system governing movements and use of all tank cars, with priorities to be given, first, to shipments of materials for the Army, Navy, Maritime Commission and the Lend-Lease Administration; second, to 350 specifically listed chemicals, foods and other essential products; and third, to petroleum and petroleum products into the Eastern shortage area.

The ODT said congestion on rail and bus lines over the week-end is still growing. Weekly passenger travel must be shifted from the week-end to the middle of the week by at least another 8 per cent, the Office said.

Food Requirements

Agriculture Secretary Wickard said that unless the nation acts promptly and with energy "our food situation will become serious. . . . Our supply is rapidly diminishing." He outlined a six-point program to help alleviate the farm labor shortage. Included were proposals to retain on farms as many as possible of the experienced managers who understand year-round farm operations, to transport workers to farms, and to use greater numbers of women and young people on farms. He estimated agriculture would lose 1,000,000 workers between July 1, 1942 and July 1, 1943, if an 8,000,000-man Army is mobilized by the latter date.

In order to implement the wartime meat program, the WPB Food Requirements Committee: (1) placed the limit of total packer-deliveries during the last quarter of 1942 at the following percentages of such deliveries during the final quarter of 1941—beef and veal, 80 per cent, lamb and mutton, 95 per cent, and pork, 75 per cent. The committee asked all civilians to hold their meat consumption to 2 1/2 pounds per person per week.

Printing Prices

The OPA set ceiling prices for the sale of 175 printed products, as well as for the printing services used in producing them. The regulation covers services for and sales of such articles as greeting cards, loose-leaf binders and folders, labels, pads, composition books, etc. The articles and services listed by the regulation are exempt from all price-control measures when sold by publishers, which total sales, under the 1941 act, amounted to \$29,000,000. The regulation covers about 25 per cent of the industry's \$2,500,000,000 volume of business.

The Armed Forces

The Army issued a call for 3-A men up to and including the age of 34 to volunteer for anti-aircraft officer training. A nationwide quota of 500 such candidates per month was set for the Anti-aircraft School at Camp Davis, N. C. Selective Service Local Boards will supply detailed information, the Army said.

War Secretary Stimson announced the Canadian-Alaskan military highway will be ready for use about December 1, several months ahead of schedule. Ballot applications have been sent to soldiers overseas and in Army camps in this country, the War Department announced. The Department said members of the Army Nurse Corps will not be permitted to resign because of marriage unless replacements are available.

Navy Secretary Knox announced a new Navy recruiting drive, ending October 3, in connection with the launching of the new aircraft carrier Lexington (BB-3), a new training station for Seabees (Navy Construction Battalions), accommodating 25,000 officers and men and constituting the Navy's largest construction training station, will begin operation about October 15 on the York river near Williamsburg, Virginia.

("A Week of the War" summarizes information on the important developments of the week made available by official sources through noon EWT, Monday, September 28.)

Homemakers Convene Tuesday At Elizabeth

Twenty-four homemakers representing 10 different towns in Union County, met Tuesday at the Home Economics Extension Service to discuss Clothing Conservation. These women who are seeking volunteer leaders for community groups of one sort or another will all conduct similar meetings with their local groups following the training meetings.

Tuesday's meeting was the first of a series of three devoted to Clothing Conservation. The effect of war on clothing and textiles was discussed by Mrs. Mary W. Argstrom, Union County Home Demonstration Agent, who recently represented the New Jersey Extension Service at a Clothing Conservation conference arranged by Washington officials to study the clothing situation. The importance of cloth as a weapon in winning the war was stressed by Mrs. Armstrong. Among the exhibits shown illustrating the possibilities for using materials on hand was a Billie's two-piece navy blue wool suit and white sailor blouse made from a woman's spring coat and a man's shirt respectively, at a cost of only fifty-five cents for patterns, buttons and trimming.

Following the afternoon period of clothing conservation, the next meeting of the county leaders scheduled for Tuesday, October 6, and Tuesday, October 13, respectively will be concerned with "Repairing a Man's Suit" and "Taking Care of the Family Wardrobe", respectively.

Plan Nickel Luncheon

The Ladies Aid Society has arranged a nickel luncheon Wednesday at 12 o'clock noon in the Methodist Church. Mrs. Ralph H. Tirley heads the committee on arrangements.

COMING EVENTS

Oct. 2 (Fri.) Lions Club, weekly supper meeting, Half-Way House, 8:30 P. M.

THE GREAT A & P TEA COMPANY

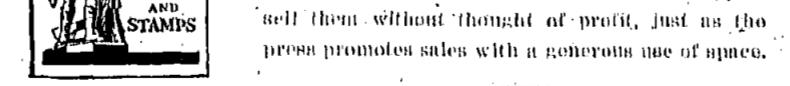

We Have Much in Common

Newspapers and banks have much in common, even though there is little similarity between a printing press and a vault.

Each is an important institution in a community, without which the business life of the town could not thrive and grow.

The bank provides a reservoir of financial strength on which the individual business calls in times of stress or when planning expansion.

In war as in peace the bank and the newspaper march shoulder to shoulder in the cause of victory, and the sale and promotion of War Bonds and Stamps is a good example. We are happy to sell them without thought of profit, just as the press promotes sales with a generous use of space.

Sunday School Held Rally-Day Program

Mountainside—“Rally Day” was observed Sunday afternoon in the Union Chapel Sunday School, featuring program exercises and an address by the Rev. A. T. Williamson, pastor of the Gospel Tabernacle of Passaic, formerly of the Christian Missionary Alliance Church of Plainfield.
The program was under the direction of Richard Greaves, Sunday School superintendent, and Rev. S. Thomas Barus, pastor of the chapel.
Musical selections were presented by a trio composed of Clyde Street, Robert Brokaw and Mr. Burns.
Members of the beginners department who were advanced to the primary department were: George Robbins, William Knaubach, Harold Englehorn and Richard Seveovic; from the primary department to the junior department promotions were: Robert Maier, Allan Zimmer, Richard Fugmann, Mariel Pfeiffer, James Hall and Donald Gangaware.
New members of the intermediate department who were advanced from the junior department are: Margaret Conrads, Sonia Myers and John Eversen. Lois Jane Koell, Myrtle Messina and Ruth Westberg were advanced from the intermediate department to the senior department.

Happy Birthday!

“Happy Birthday” greetings are extended this month by the SUN to the following residents of Mountainside:

New York Man Held For Annoying Woman

Mountainside—Paul Klein, 36 years old, of New York City, was arrested by borough police last Thursday on a charge of being a disorderly person. He is said to have annoyed a Mountainside woman, who in turn gave his automobile license plate to the authorities. Officer Christian Fritz was riding in Route 29 when he spotted a car bearing Klein's number.
Police said Klein admitted to the charge of annoying the local woman and further admitted attempted attack upon Mrs. Charles G. Foster of 251 Sylvania place, Westfield, occurring September 2.
According to police, Klein said he followed Mrs. Foster from near Newark, when she passed his car in Route 29. She was returning from New York, where she had taken her husband, a merchant marine captain, to board his boat.
As she entered the driveway of her home, Mrs. Foster told police a man jumped from behind some shrubbery and grabbed her. When she screamed, he escaped in his car. Klein, who is a widower with two children, works in Belle Mead.

Parent-Teachers To Meet At Mountainside

Mountainside—The Mountainside Parent Teacher Association will hold its first meeting of the year on Thursday, at 3:15 P. M. The main feature of the meeting will be a tea for the teachers where parents and friends will have the opportunity to meet the school staff. This tea will start promptly at 3:15. A short business meeting will be held later at which time plans for the year will be discussed. Because of the unusual times, with new demands on people's time—and also because of requests from civic bodies for presenting material at Parent-Teacher meetings, many changes have been made in the program which had been set up last June for this year.
During the meeting, Mrs. John Moxon, president of the local library board will talk on plans and activities for the Mountainside Public Library. There will be an exhibit of some of the newer books recently purchased for the library.
Charles Wadas, Supervising Principal of Schools, will give a talk of interest to both parents and teachers.
Mrs. Theodore V. Mundy, the president, will preside. The other officers are: Mrs. William Parkhurst, vice-president; Mrs. Harry Parsons, secretary; and Mrs. Malcolm Cady, treasurer.

MOUNTAINSIDE MEN IN SERVICE

The SUN presents herewith a partial list of Mountainside men in the Armed Forces. In the event of omissions or corrections, readers are requested to contact the SUN, Millburn 6-1256. County P.-T. A. Will Meet At Elizabeth

The Union County Council of Parents and Teachers will hold its Fall meeting on Friday, October 16, at the parish house of the Second Presbyterian Church, East Jersey street, Elizabeth. All associations in the county will be represented and a large delegation is expected to attend from both Springfield and Mountainside units.
It will be an all-day session, with lunches being served. However, those intending to be present, are asked to make reservations by no later than October 12.
The principal speaker will be Edwin H. Bell, director of Cooper Union, New York City. It has been arranged that activities begin at 9:45 A. M. and be concluded by 2:15 P. M., thus avoiding afternoon and commencing traffic of other years.

MOUNTAINSIDE CALENDAR

Garden Club To Resume

Mountainside—The Mountainside Garden Club will hold its first meeting of the Fall on October 15, Mrs. William M.L. Bristol, Jr., president, announces the following committee chairman appointments:

Citizens of Mountainside support the Community Association drive Oct. 9 to Oct. 30. Your help is needed!

Mrs. V. R. Garfals of Mexico City has been a guest at the home of Mr. and Mrs. R. V. Whetsel of Partridge run.

Around the Borough

Officers have been elected at the Mountainside School as follows: President, Rosemary Honecker; director of girls' athletics, Jean Boyton; director of boys' athletics, Robert Shomo; chairman of entertainment, Susanna Trautman, and chief of police, Robert Pfeiffer.

Birch Hill Members To Hold Party October 31

Mountainside—The Birch Hill Civic Association, at a special meeting last Thursday night at the home of its president, E. Royel Zettler of Oak Tree road, made plans for social activity of the fall. A Halloween party will be held Saturday evening, October 31, in the Mountainside School. The purpose of such arrangement, it was pointed out, is to promote good neighborhood, to provide a good time so that members of the community may conserve gasoline and rubber.
Mrs. Joseph H. Hershey was named chairman of the dance program committee, assisted by Mrs. Harry L. Brown, Mrs. E. D. Nesbitt, Mrs. Wallace Wheeler and Mrs. George Bader.
Mr. Zettler will head the decoration committee, aided by George Bader, William Poeter, Austin Johnson and H. L. Lewis.

Your Garden This Week

BY FRED D. OSMUN
County Farming Agent
Many gardeners are now thinking about fall planting. This job, of course, calls for harvesting summer's crop first. And although it is a bit early to take up all the plants which are stored over winter, one thing can be done and that is the harvesting of early planted gladioli.

Citizens of Mountainside support the Community Association drive Oct. 9 to Oct. 30. Your help is needed!

Mr. and Mrs. A. Juergensen of Deer path have been having as their guest the latter's mother, Mrs. Ralph Locke of Calais, Maine.
Jacqueline Revaz, daughter of Mr. and Mrs. Fred Revaz of Whip-poorwill way returned home last week after convalescing in a hospital in Worcester, Massachusetts, for treatment of severe burns suffered at the family's summer home.
Councilman Merle Hoy of 1 Tanglewood lane spent last week on a fishing trip at Watchaugusset, Va. Mr. Hoy was accompanied by Charles Erickman of Red Bank and J. J. Knodell of Rumson.

Our men need tanks, ships and guns. The steel for these must be made from 50% scrap metal. But the Nation's steel mills don't have enough scrap on hand to last even 30 days more! Keep 'em running. Help build up a huge scrap stockpile—the bigger the better.

YOUR NEGLECT WILL COST SOME BRAVE BOY'S LIFE!

Go down into your basement—your storeroom. Climb up to the attic too. Look at the unused stuff you're sure to find, and realize how important these odds and ends can be.
Important to a kid half way around the world. Important to a blue-clad gobbler—to a flyer, racing to reach the target before some Knifing Messerschmitt can find its mark.
That old metal means steel for these men. And steel means armor plate for safety—weapons and ships for Victory.
Without it they'll die. They're not afraid of that—but it's better to give a life for a cause than to be sacrificed by thoughtlessness. And it's better yet to live, knowing that the folks back home didn't let them down.
And we won't let them down! Monday starts our big scrap collection drive—and you're going to help make it a good one. Don't let up because you see a full junk yard or a brimming salvage depot. That's the way they've got to be to make sure the mills won't run out!

Watch this paper for details of the big scrap drive and what you must do to help

THE MEAT SITUATION TODAY

(Continued from Page One) The meat situation today is a complex one. It is our way of life in a free land and the quickest way to impair the morale of America is to encourage days of rationing. To win the war is of course very important and a move in the right direction is desirable.

BETTIQUETTE

It was our pleasure to attend the first big dance of the Fall season sponsored by the local Red Cross Friday night at Slings Park.

TOWNSHIP OF SPRINGFIELD COUNTY OF UNION Township Clerk's Office OCTOBER 2, 1942

NOTICE OF GENERAL ELECTION Pursuant to the provisions of an Act entitled "An Act to Regulate Elections" (Revision of 1930), approved April 18, 1930, and the amendments thereto and the supplements thereto, notice is hereby given that the

DISTRICTS BOARDS OF REGISTRY AND ELECTION In and for the Township of Springfield will meet in the places hereinafter designated, on TUESDAY, NOVEMBER 3, 1942

between the hours of Seven (7) A. M. and Eight (8) P. M., for the purpose of conducting a general election for the election candidates to fill the office mentioned.

The following polls elected in the coming General Election, are as follows: A United States Senator.

Four (4) Members of the General Assembly from the County of Union. A Coroner for the County of Union.

Three (3) Members of the Board of Union Precincts for the County of Union.

One (1) Member of the Township Committee for the full term of three (3) years.

One (1) Member of the Township Committee for the term of one year, to fill a vacancy.

Five (5) Members of the Peace for the full term of five (5) years.

Officials-Addressed Colfax Association

How the Springfield township government functions was outlined by Mayor Wilbur M. Schuler and Township Committeeman Lewis F. Marzany to members of the Colfax Civic Association Monday night in the Legion Building. Their remarks were well received. President Cecil Bonadoni presided.

It was reported that all residents in Colfax Manor, comprising Colfax road, Denham street and several homes in Severn avenue, are enrolled in the association, a 300 member membership of 49 persons. Of this number, 44 attended Monday's meeting. Refreshments were served at the conclusion of the business meeting.

The group will not meet again for three months, except for trustees-meetings, which are held from time to time, between scheduled meetings.

Park Facilities Free To All Service Men

Responding to an invitation extended to the enlisted personnel of the Army, Navy, and Marine Corps earlier this year, the Union County Park-Commission calls attention to the fact that soldiers, sailors, and marines, whether stationed in this vicinity or home on furlough, are allowed the free use of certain recreational facilities for which a charge is usually made.

W. R. Tracy, Engineer and Secretary of the park commission, states that such facilities, at this season of the year, include golf at 27-hole Galloping Hill Golf Course, Kenilworth and Union; tennis at the clay courts in Warnance Park, Roselle and Elizabeth; and rifle shooting at the Union County Park Rifle Range, Kenilworth Boulevard, Cranford.

Attendance at meetings of the Union County Cinema and Camera Clubs, and later on, the Warrenton Amateur Ski Club, is also invited. These groups generally meet at the Administration Building, Warnance Park.

Free use of park-owned toboggans at the Galloping Hill Park slides this winter is also included in the offer to enlisted military personnel.

During the past summer, swimming facilities at two park-operated pools and rowboating on five Union County park lakes were also available to these men at no cost.

Son Born to Millers

Mr. and Mrs. Charles Miller of 216 Milltown road announce the birth of a son, Peter Charles, on September 21, at Overlook Hospital, Summit.

Did you write this week to someone in the service? It builds up morale—especially if the news is good news.
