

POLICY ON CONTRIBUTIONS

Elsewhere in the SUN this week appears a letter from a reader who decries publishing the names of contributors to the Red Cross Fund Collection...

The Springfield Red Cross has been adhering to the policy of publishing the names of contributors and their specific donations for a number of years...

By publicly acknowledging generous donations, whether large or small, the local Chapter may thus avoid the necessity of furnishing individual receipts...

In the case of the 1942 Red Cross War Fund drive, this served as the only actual acknowledgment and its success prompted local Red Cross authorities to continue the plan this year.

If this brings about embarrassment to those who feel they can't give more generously than others, the contributor may be listed anonymously as many persons have already done.

Anyone with a clear conscience, satisfied inwardly that he has given not only what he can afford, but that which represents a considerable sacrifice, need never find himself in an uncomfortable situation...

For the 200 or more men and women in the Armed Forces at home and abroad from Springfield who read the SUN weekly, and the other 100 who don't, who are receiving the vast benefits of Red Cross service...

If so petty a condition can arise wherein Red Cross contributions are held back because of embarrassment, and public gaze at what is published, we hang our heads in shame over the antics of a few disgruntled fellow citizens.

MEN IN SERVICE

Staff Sgt. Lewis Murphy, son of Mr. and Mrs. Charles Murphy of 343 Mountain Avenue has been home on a fifteen-day furlough from an Army camp in North Carolina...

We received the following letter this week from Lieut. Frank Bolger, stationed at Camp McCall, N. C. "After being commissioned on February 1, I spent a few days in Springfield as I was the back to Fort Benning, Ga. on the 10th to start in the Parachute School...

Pat and Carl Sacco, sons of Mr. and Mrs. Pasquale Sacco of 46 South Maple Avenue, were guests of honor on Sunday at a dinner party held at the home of their aunt and uncle...

Word was received this week by Mrs. William Thompson of 295 Morris Avenue from Paul Vincent Shea of Paterson, formerly of town, that he has been stationed at the following address and he would like the readers of the SUN to write him...

Private George Beers, son of Mr. and Mrs. James Beers of 79 1/2 Crocker Avenue, is expected home today on a fifteen-day furlough from Fort George G. Meade, Md.

Whether your birthday falls next week, or next month, or next year, it is still your birthday. Our lists will carry over the date from year to year, so that it needn't be repeated.

"Happy Birthday" greetings are extended this week by the SUN to the following residents of Springfield:

- APRIL: Mrs. C. Arthur Smith, Mrs. Frank Burd, Mrs. Albert Crook, Mrs. Clifford Sippell, Horace L. Wright, Robert C. Baumann, Edward A. Conley, Miss Doris Marshall, Mrs. Alvin H. Dammis, Mrs. L. P. Olson, Mrs. Edward Friedrich, Mrs. William Wiedersheim, Paul W. Chapin, Arthur Van Pelt, Donald Gullans, George P. Davis, Robert Walsinger Jr., Barbara J. Dowd, Mrs. Henry Brueker, Mrs. Frederick Rebert, Bob Hayes

Give to the War Fund drive.

Mesker Appointed To Fire Department

Ormond W. Mesker has been appointed to the fire department, replacing Leslie Allen, who left last week for Trinidad, B. W. L. where he will be engaged in war work.

Mr. Mesker, who lives with his family at 46 Proffit Avenue, moved here from Maplewood four years ago. He is a former machinist and tool maker. He is married and has two sons, who attend the James Caldwell School.

He served as a volunteer fireman for the past year, and was with the Firemen's Auxiliary for two years. He was an assistant with the Maplewood Fire Department when he resided in that community.

Draft Board Names Off; Third Member Not Chosen

Frank J. Ott of Union has been named to Selective Service Board No. 2, replacing Richard J. Hill, who resigned. He is a supervisor of motor vehicle equipment for the New Jersey Bell Telephone Co.

Specialist George W. Morone, a Springfield member who also resigned, still continues, no appointment having been made yet. It was reliably reported, however, that a Springfield resident will be named.

Vincent deP. Slavin, secretary of the Board, is the only remaining member. Meanwhile, the Board's first conscientious objector, in the person of Hans Ludwig Weis, 18, of Union, turned up. He was passed by the doctor's examining industries, and his disposition of his case. He had been employed by a defense plant, but was discharged when the firm was notified of his action.

Those who appeared and protested were: August H. Schmidt, president of the Board of Education, which owns adjoining property for a future school site; Mr. and Mrs. Edwin Rose of Hillside Avenue, Mr. and Mrs. William C. Gorge of Hillside Avenue, and John Schaffernoth of South Springfield Avenue. Of 13 affected property owners within 200 feet of the property, only they appeared at the hearing.

TO SPEAK AT RALLY

Bill, author of the book, "Prisoners" will be the speaker at a Block Leader Rally to be held Tuesday, April 6, at the James Caldwell School at 8 p. m. Her topic will be, "My Life in Germany and My Escape To This Country."

Red Cross War Fund Drive Below Quota, Campaign Extended

With the total collections for the regular Red Cross War Fund Drive falling some \$3,000 below the quota set for Springfield on March 31, closing date of the campaign, Charles H. Huff, chapter chairman, announces that the drive will be extended through April. Staff assistants and other volunteer workers will continue to be on duty at the local bank for the entire month to receive additional contributions...

Boutot Is Named As Regional's Coach

Arthur Boutot has assumed duties as athletic director at Regional High School. He was named last Thursday night by the Teachers' Committee, but his appointment will not be officially confirmed until the next meeting of the Board of Education on April 6.

Mr. Boutot replaces Leslie Gaudin, who resigned to accept a similar position in Greenfield. The appointments in Regional are for the duration of the war, the post originally being left vacant by William J. Brown, who is serving in the Navy.

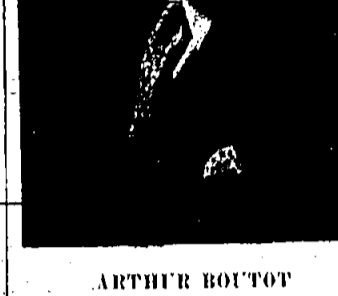

Mr. Huff today made public a letter which is being sent to all Springfield residents, explaining the urgency of this year's drive and the importance of meeting the quota.

"Our house-to-house canvass is almost over and we have still a long way to go to meet our quota and our budget. You all know that the Red Cross is trying to raise \$25,000,000, all of which is sorely needed to carry on our work for the men in the services. The work of our Chapter has increased tremendously because of the war. Our volunteers work many hours, day after day, without pay—but it costs money to maintain our services.

"We believe that many of you may not have understood the vital necessity of giving as much as you possibly can this year. Last year we had a Roll Call and a War Drive; this year we have only the one campaign for funds. Because of this postponement of the drive from November to March, we have a longer period to cover and, this time, it includes the Fund's quota to support our Public Health Nursing Service.

WAR PRODUCTION TRAINING PROGRAM

William L. Madsen, guidance director of Regional High School, announced this week that application blanks for a special war production training program have been distributed to students, and are available for others at the high school.

Selectees Reporting For Service Monday

The following Springfield residents will report for duty in the Service on Monday morning for induction at 10-A. M. in the Union Theatre, Union:

- Herbert Kurt Ebold, 496 Mountain Avenue, Alexander H. Huggan, 15 Rose Avenue, David E. Kramm, 14 Springbrook road, Edward G. Logan, 399 Morris Avenue, Joseph L. O'Neill, Angell Avenue, John Albert Schuch, 52 Marion Avenue, Frank H. Stevens, 17 Crest Place, John Davis Siles, Mountain Avenue, Eugene A. Watkins, 8 Diven Street, Formerly of Springfield: Harry B. Vonn Jr., Mountain Road, Gillette, N. J.

Applications for draft deferment of Springfield policemen were received by the Township Committee from Union Selective Service Board No. 2 at the regular meeting Wednesday evening.

The Committee had written the Board asking for a deferment on grounds that the good of the municipality might suffer if members of the police department were inducted. The forms will be filled out and returned to the board, with the probability that favorable consideration will be given the request.

A letter was ordered sent to Postmaster Otto Helms, chairman of the salvage committee, asking that the salvage dump at Hannah and Center streets be cleaned up.

Children at Play signs will be placed in the park. There are about ten homes in the Park that the Association will help care for while the owners are in the city.

Plan Public Meeting On Victory Gardens; Supervisors Named

William Pegelback, agriculture instructor at Regional High School, and W. C. Weber, local florist, will be the speakers at the public meeting for Victory Gardens which will be held next Wednesday evening at 8 p. m. Mrs. Donald Richardson, chairman of the program committee, has announced.

Mr. Pegelback will speak on soil preparation, while Mr. Weber will discuss methods of planning and planting the garden. A question period will follow the talks.

All gardeners are urged to attend this meeting, which is the only event of its kind that is planned for this Spring. The meeting is being arranged to provide a maximum of information for both experienced and inexperienced gardeners.

Otto Helms has been delegated by the committee to arrange for door prizes for the Wednesday evening forum.

The Victory Garden Committee is requesting the Township Committee to pass an ordinance to protect gardeners from vandalism of any kind.

Reports were made by various section supervisors indicating that most of the requests for the use of land, either private or township, had been filled.

The following are section supervisors: Springbrook-Park, Alvin Dammig, 121 Short Hills Avenue; Colonial Gardens, D. C. Cullum, 11 Town Drive; South End, George H. Schell, South Springfield Avenue; Henshaw Avenue, William Rosenthal, 18 Henshaw Avenue; Linden Avenue and Union Street, D. Richardson, 72 Linden Avenue; Mountain Road, H. C. Chikinger, 400 Mountain Avenue; Mountain Avenue, George T. Agar, 657 Mountain Avenue; and Rose, Satter, Bryant, Keeler, Center, Robert Champlin, 87 Satter Street.

Arrangements for plowing can be made through any of the section supervisors, or directly with H. V. Chikinger of 400 Mountain Avenue, who requests that phone calls be made before 6 p. m.

The splendid response of the public to the questionnaires recently distributed by the members of the Victory Garden Committee, would indicate that gardening prospects in Springfield will be of major importance this year.

Air Raid Test Tomorrow Noon

A new all-clear signal, a ten-second blast of the sirens, will get a try-out in New Jersey tomorrow noon, when the air-raid sirens will sound.

This was announced yesterday by Leonard Dreyfus, State Director of Civilian Defense. The test will be conducted by the Army and civilian defense agencies to acquaint the residents of the state with the new all-clear, designed to clear up difficulties which have arisen since the new signals were inaugurated in February.

At 12 noon tomorrow, the red siren will sound for ten seconds, and the new signals will be sounded, and will last 2 minutes. At 12:02, the blue siren, a sustained blast for two minutes, will sound. At 12:05 the all-clear—a short, steady blast for 10 seconds will be sounded.

Opposes Publicity On War Fund Amount

To the Editor of the SUN: In recent issues of your good paper there appeared the War Fund Committee's report on Red Cross collections to date. This report itemized not only the names of the contributors, but also the amount of their donation.

During times like these nothing could do more harm to a worthy organization collecting funds for good cause, than a publication of this nature. There are no doubt many families who in these hard times feel that they are unable to donate even the smallest sum, and therefore they should not be embarrassed in the eyes of their community. Those who have made small contributions in the past will naturally refrain from donating to future drives now that they are aware lists of contributors are being published, lest they be again exposed to similar embarrassment.

On the basis of their present quota, the Springfield Chapter of the Red Cross cannot afford to lose any contribution however small, if they hope to attain their goal.

The above represents only my personal opinion and it is trusted that it will be taken in the proper light.

Plea Is Rejected On Dwelling Conversion

The Board of Adjustment held a hearing Tuesday night at the Town Hall on an appeal from the decision of Building Inspector Ivan H. Meach, refusing a permit to convert a one-family dwelling to a two-family dwelling on premises formerly known as the Murray Farm, on the northwesterly side of South Springfield Avenue.

After hearing protests from neighbors affected by property owners, the board unanimously voted to reject the application, on the grounds it would place a "definite hardship on surrounding residents and property owners."

Those who appeared and protested were: August H. Schmidt, president of the Board of Education, which owns adjoining property for a future school site; Mr. and Mrs. Edwin Rose of Hillside Avenue, Mr. and Mrs. William C. Gorge of Hillside Avenue, and John Schaffernoth of South Springfield Avenue. Of 13 affected property owners within 200 feet of the property, only they appeared at the hearing.

REGISTRATION LINES BRING BACK GOOD OLD DAYS—FOR A WHILE

The good old days before rationing returned briefly this week when long lines of people gathered outside of motor vehicles registration offices of Richard T. Bunnell, local agent. In fact, only the comparative shortage of cars lining the streets was a gentle reminder that current A tickets must last until July 21.

Two days of rain to round out a month of winds, rain and brush fires, failed to dampen the determination of car owners to get their new tags. The lines here started forming as early as 8 A. M. although the Bureau doesn't open until 9. The long queue extended down Pleasant Avenue past the municipal parking lot. Many persons came prepared for a long wait, equipped with rubbers and umbrellas.

Ration books of registered owners not obtaining new plates must be returned to the rationing board. This, combined with the fact that a gallon and a half of gas a week is better than no gas at all, is believed to have been responsible for many persons who had not planned to renew their plates at this time, changing their minds and swelling the line.

While no official count of the number of registrants is available, it is believed that it is pretty near normal. Registrations throughout the month, however, have been lagging behind that of previous years.

Fine of \$175 for Trout Caught Out of Season

Frank Malvosti of Summit \$175 in Recorder's Court, Monday night. Recorder Everett T. Spilling levied fines of \$100 for residing in an office, \$20 for each fish, totaling \$60 and \$5 costs on each count, amounting to \$175.

Charges were preferred by Game Warden Andrew Shraw, who said that he found Malvosti fishing in the Rahway River, near Washington Avenue, on the fish bank into the river when Shraw approached, and fled in his car. Shraw gave chase, finally cornering him in back of Millburn police headquarters. Millburn police released him in \$50 bail on charges of reckless driving. Hearing on the case has not yet been held.

W. Gordon Stratiff, who resides with his wife and two pre-school children at 24 Springbrook road, moved here from New York, where he resided for four years, from Colorado. He is a member of the technical staff of the Bell Telephone Laboratories in Murray Hill.

A Victory Garden program is being sponsored by the Association, and prizes will be awarded at the end of the Summer for the best and most productive garden in the Park. Size, Mr. Stratiff emphasized, has nothing to do with the manner in which gardens will be judged.

The Association plans to erect warning signs at the entrance to the Park, he said.

"Some cars drive around there at quite a speed," he added, "and we get a bit concerned over the safety of our children. We think 'Warning' signs will help."

WILL CONTINUE TO CLEAN UP LOTS

Springbrook Park residents aiming to add several more to task, planning Victory Garden Program.

Sunday's clean-up of several lots in Springbrook Park was so successful that others are being planned. W. Gordon Stratiff, recently elected president of the Springbrook Park Association, announced this week. Originally one lot at the corner of Crest Place and Springbrook road was scheduled for a start, but the group worked so hard and so fast that they had time to clean up several more before they called it a day.

## Firemen Answered Sixteen Calls Throughout Week

Sixteen brush fires, eight of them last Thursday, were extinguished last week by the Springfield Fire Department. All available manpower in the township was called out Thursday to help handle the calls. Mayor William M. Schaefer headed the list of volunteers, which included police reserves, local business men and students at Regional High School, who helped the regular department.

The largest fire during the week was on Thursday, when between 200 and 300 acres of land in the rear of Chateau Baltusrol caught fire, threatening a development of new homes.

Fire Chief Charles Pinker said that Indian tanks were a "big help" in fighting the blazes, as the tanks may be re-filled from small brooks or ponds near the fires.

## Fred Osman To Speak At Session of D.A.R. Chapter

Fred Osman, Union County agricultural agent, will be the speaker at the monthly meeting of the Beacon-High Chapter, D. A. R., April 15. His topic will be "Gardens," and following his address, a question period will be held. Illustrations will be used.

The Chapter will meet at the home of Mrs. John Morgan, 107 Beechwood road, Summit, at 2:15 P. M. Mrs. Romeo Betts will be the hostess.

The 52nd annual Continental Congress of the D. A. R. will meet April 17 and 18, at a place yet to be announced. Usually the group meets in Washington, D. C., but because of crowded conditions in the capital, it is expected that another city will be selected.

## MULBACH-VEEFKIND NUPTIALS HELD

Mr. and Mrs. Peter W. Veeffkind of 15 Baltusrol way, announced the marriage of their daughter, Joanna, to Private Clifford Mulbach, U. S. Army, son of Mr. and Mrs. Fred Mulbach of 39 Warner avenue on Wednesday evening at 8 o'clock in the Methodist Church. Rev. Charles Peterson officiated.

The bride was given in marriage by her father. Maid of honor was Miss Marjorie Yeager of town. Best man was Pvt. Jack McCarthy of town, stationed at Fort George Meade, Md.

The bride wore a light-blue street length dress with red accessories and a corsage of orchids. Miss Yeager wore a navy blue dress with pink accessories and a corsage of pink and white roses.

A reception was held for forty-five guests at Otto's Spring Inn in town. After an eight-day wedding trip in New York City, Pvt. Mulbach will return to Fort George Meade, Md., where he is stationed. Mrs. Mulbach will live with her parents for the duration.

Mrs. Mulbach, a graduate of Regional High School, is employed by the Prudential Life Insurance Co.

## New Club Is Formed

A newly-organized girl's club, known as the J. D. S. C. is meeting weekly on Wednesday evenings at homes of members to help with Red Cross work. Besides gathering, the girls are working on surgical dressings. Members include the Misses Doris Young, Marie Turner, Lois Chastin, Carol Hart and Doris Dornier. The next meeting of the group will be held at the home of Miss Mohr, in Tower drive.

## Girl Scout Activities

Troop 3 attended a cooking session last Tuesday at the Virginia Plaza's Kluge's Hamburgers. The girls were given instructions on how to make Minny Cake Muffins and dairy tea cookies. Each girl took part in the making. The girls agreed it would be a wonderful idea to make these for the soldiers. Seventeen out of the troop of eighteen girls were present, under the leadership of Mrs. Lee Andrews, assisted by Mrs. August Nanz. Miss Elizabeth Corsky, a member of Mrs. William Grampp's troop was Troop 3's guest for the day.

## Police Court Fines

Charles Ledel, of 531 South Broad street, Elizabeth, was fined \$16 for speeding by Recorder Everett T. Spaulding in police court Monday night. Philip Neri of Newark paid \$17.50 for reckless driving, and was assessed \$2.50 costs for not having his registration. Mariano Russo of Madison was fined \$8.50 for speeding.

Francis Jones, 18, and William G. Donnelly, 18, both of Newark, were given suspended sentences and assessed \$2.50 court costs each on charges of disorderly conduct. They were turned over to Newark police for investigation.

# YOUR RED CROSS

More than 12,000 motion picture theaters throughout the United States will participate in Red Cross War Fund week in the theaters April 1 through 7. The War Activities Committee of the motion picture industry reported to the Red Cross that...

Meat and Cheese	Amount	Points
Beef, hamburger	1 lb.	5
Veal heart	1 lb.	5
Beef, shank, brisket, or plate with bone for flavoring	2 lbs.	8
Pork, shoulder, shank half (picnic) with bone	3 lbs.	18
American cheese	1 lb.	5
Fats	1 lb.	5
Margarine, with vitamin A	1 lb.	5
Bacon, plate, or bowl squares for flavoring, frying	1 lb.	5
Lard or other shortening		63

This leaves a credit of one point for the remaining week. The suggested alternatives for rationed meats for the remaining two days are fresh fish or poultry, unrationed, and baked beans, obtainable under processed food ration cards. The balance of all the meats can be filled out with unrationed eggs, vegetables, fruits, cereals and breads.

## Your Victory Garden This Week

After the garden has been planned and the seeds ordered, the next step is to arrange for the materials that will nourish the plants.

Some form of organic matter. All things considered, half-rotted well rotted manure is the best. Alternatives would be compost if you have prepared it, leaf-mold, peat moss, dried or dehydrated manure, sewage sludge, even chicken pig or goat manure if these should be available. If you are raising poultry, it is a good plan for the garden to use peat moss, screened compost or some such material on the dropping board.

## WHY A VICTORY GARDEN?

If the manure or compost is used, an application of 100 to 200 pounds to 100 square feet is advisable. This will give the ground a coating of 2 to 4 inches, not solid but as it is spread. With the dehydrated manure, peat moss, sewage sludge or fresh poultry manure, about half the quantity is needed. The reason for using this organic matter is not so much for its fertilizing value as for its effect upon the condition of the soil. It helps the soil drainage and at the same time helps it to retain moisture. It assists in keeping the soil open so that roots can enter as they grow. It aids in releasing fertilizer elements in the soil so that they are available to plants and also helps to hold these elements in the soil. It is of value in preventing the surface soil from baking and cracking. It is of great value in the whole range of soils from sandy to heavy clay, provided the soil is subsoil. Organic matter used in these quantities is not a substitute for fertilizer.

Time is another material that serves to condition the soil. It adds calcium and magnesium, elements that the plant uses. Lime helps to make a heavy clay soil more permeable and better drained. It is recommended for use. Most soils

**"Alexander Graham Bell" GOES DOWN THE WAYS**

Thousands of telephone calls — more than 63,000 at the shipyard alone — helped to build this cargo vessel, named for the inventor of the telephone.

When you think of the millions of calls being made each day to speed completion of war equipment all over this country, is it any wonder that telephone lines and switchboards are crowded? Telephone facilities cannot be increased to relieve this situation because war requires the materials.

To help make more room on the wires for important messages, please avoid unnecessary calls, particularly to Washington, D.C. and other war-busy centers.

## What SUN Advocates

1. Sidewalks wherever needed.
2. 5c bus fare to Union Center.
3. Extended local telephone scope to Newark and Elizabeth.
4. Federal Post Office building.
5. Removal of dilapidated buildings which are sore spots.
6. An active Board of Trade to stimulate "Try Springfield First" in purchasing.
7. Full-time position for the Township Clerk's office.
8. Encouraging clean industry, to increase tax rates.
9. Extension of mail delivery by local R. F. D. routes, to all portions of the township.

In New Jersey are acid, so an application to the soil of the vegetable garden has become a recommended practice. If a garden is to be made on soil that has not been in cultivation for years, it might be wise to have it tested for acidity. Even in such cases, however, lime in an amount equal to 5 pounds for each 100 square feet should prove effective. For example, a garden 25 feet by 25 feet would receive an application of 32½ pounds, but 35 pounds could be used without danger. If the only source of lime available is hydrated lime, use 3 pounds to 100 square feet. Most dealers in garden supplies have ground limestone for sale.

The statement has already been made that manure in the amount recommended will not take the place of fertilizer. It should be a complete fertilizer to supplement it. This year only one grade of fertilizer is authorized for the Victory Garden. The gardener may obtain it in uniform packages of 5, 10, 25, 50 and 100 pounds. It is labeled "Victory Garden Fertilizer—For Food-Production Only." This fertilizer contains 3 per cent nitrogen, 8 per cent phosphoric acid and 7 per cent potash. Agronomists agree that this 3-8-7 grade is probably the best formula that can be made available to the Victory Gardener during the wartime emergency.

However, on places where other grades of fertilizer are authorized for use, as on a farm, the grade on hand may be used in the garden. Any other grade on hand prior to September 1942 may also be used. Fertilizer requirements for the Victory Garden will be, on the average, 3 to 4 pounds to 100 square feet. On well established gardens, 2 pounds to 100 square feet will be sufficient. Directions for fertilizer use in established gardens will be given in a later article. Coal ashes have no fertilizer value. Hard coal ashes, however may be used on open soils to help make them more open. Wood ashes contain lime and potash only. As it varies in composition, the only indication that can be given for its use is to spread it on until the soil is covered. Those who like to use lime meal will find that 3 pounds of bone meal to 100 square feet, in addition to either the wood ashes or one-half pound of muriate of potash, will give good results. Where a supply of poultry manure is available, put on a good covering and use 3 pounds to 100 square feet of superphosphate, or a fertilizer with the analysis 11-1-7.

These figures will give you a basis for calculating your needs. Do not buy more than you need.

## WE CALMLY EAT CHICKEN ANY DAY

By Mary W. Armstrong Home Demonstration Agent

The plump little hen who makes her dignified entrance with undeviating regularity at the Sunday dinner table (roasted in winter, fried in summer) is now turning up so frequently in some of our households that she can no longer be considered a once-a-week treat. America is probably eating more poultry these days than it has ever consumed before, eating it and liking it in a variety of new and interesting dishes that are appearing more and more often as meat becomes more and more scarce.

The basic rules for cooking poultry are simple and easy to follow. First, there's that question of temperature. Keep it between 325 and 350 degrees Fahrenheit if you want the meat to be evenly done, juicy and tender. Intense heat hardens and toughens the proteins of poultry just as it does any other meat. For broil as it does any other tender, well fattened birds, Poultry birds, past their prime for roasting, should be broiled in a casserole or in a covered roaster until tender. Very old birds need long, slow cooking in water or steam to make them tender all the way through.

All poultry is perishable and must be kept cold when it is raw. It should be quickly chilled after cooking if it is not to be eaten at once. Following are two unusual ways of serving chicken. Both suggestions make it stretch for more generous portions.

**Casserole Fowl with Vegetables**

4 to 5 lb. fowl  
Salt and pepper  
Flour  
2 tbsp. fat  
3 carrots  
1 bunch celery  
1 onion  
1 green pepper  
1 cup hot water  
1 cup milk

Cut up the fowl, season with salt and pepper, sprinkle with flour, and brown in the fat in a frying pan. Remove the browned pieces to a casserole. Chop the vegetables and pour them into the frying pan to let them absorb the browned fat. Then transfer them to the casserole with the chicken, add the cup of hot water, and cover. Cook in a slow oven (275 degrees F.) for three to four hours, or until the bird is tender. Add more water from time to time, if necessary. Just before serving, remove the pieces of fowl and skim excess fat from the mixture of broth and vegetables. With

It's a mere boast, but we can't pass over the opportunity to glow over the fact that if any take place in Springfield isn't listed in "Coming Events," then there's something wrong. But, if we're wrong, help us with your item. 2 tablespoons of this fat mix in equal quantity of flour, and add with the milk to the contents of the casserole. Cook 10 minutes longer, season to taste, and pour the vegetable sauce over the fowl, or replace the pieces of meat in the sauce and serve from the casserole.

**Chicken Soffo**

2 or more chopped cooked chicken  
1 qt. chicken broth  
1 onion, chopped  
2 tbsp. butter or other fat  
3/4 c. rice  
Grated cheese

Making a risotto is an excellent way in which to use left-overs of chicken or other birds. Take the meat off the bones and chop (or stew the bones in enough water to make a quart of broth and add any gravy on hand that will furnish chicken flavor. In a large frying pan cook the chopped rice for 10 minutes in the fat, add the chicken broth, and when it boils up rapidly, sprinkle the rice in slowly. Cover the pan, simmer the rice for about 25 minutes or until the grains about and become soft, shaking the pan from time to time to keep the rice from sticking. Do not stir it unless absolutely necessary. By the time the rice is done, it will have absorbed the broth and the grains will be large and separate. Then add the small pieces of chicken, salt to taste, and turn the mixture out on a hot platter. Sprinkle generously with grated hard cheese.

Every afternoon, 2:30 to 5 P. M. and Fri. evenings, 7:30 to 9 P. M. from Major Edward Bowes, a special edition of Archbishop Francis J. Spellman's new book "THE ROAD TO VICTORY" was received at the library during the week's purchases of an average family of four. Designed to feed two moderately active adults and two children between the ages of 7 and 15, the list is high in food value, low in point value, and provides vitamins and minerals recommended by nutritionists in available, inexpensive meat cuts.

The list totals 64 points (64 is the maximum for the family) and provides meat for four days and meat alternatives on the remaining three. Here are the suggestions:

Millions of American women whose former major headache was budgeting the family income, today face a new mathematical problem — how to feed ravenous husbands and children on a meat, cheese and fat ration of 16 points per week for each person.

To help distracted housewives handle the initial obstacles of the new rationing system, the American Red Cross Nutrition Service has prepared a suggested list of one week's purchases for an average family of four. Designed to feed two moderately active adults and two children between the ages of 7 and 15, the list is high in food value, low in point value, and provides vitamins and minerals recommended by nutritionists in available, inexpensive meat cuts.

Francis Spellman is Archbishop of New York and Military Vicar of the Armed Forces of the United States and his book is highly recommended by the library.

Among other worth-while books are "CHILL" by Erna Ferguson, who has just returned from China with a book full of interesting facts about that country; "INTO THE VALLEY" a skirmish of the Marines by John Hershey; and "A MARTIN AMERICAN SPEAKS" by Quintanilha, commander of the Mexican Embassy in Washington.

## BETTIQUETTE

SAYS

Dear readers: with your kind consent and the permission of "Gag" April issue we reprint the following bit of chuckling humor. It is called: "HOW'S YOUR BETTIQUETTE?"

Ques. If a lady drops her handkerchief, should a gentleman retrieve it for her?

Ans. No. If she drops it from the top of a thirty story building.

Ques. If a house guest loses his topie, is it the host's duty to replace it?

Ans. Sure, Rover. (Gagge dies), won't miss a few strands from his tail.

Ques. I'm having my first date with a sailor tonight. I can't decide if it would be proper for me to kiss him good night.

Ans. HE'll decide.

Ques. During a bridge game, is it polite for a husband to kiss his wife's cheek to keep her mind on the game?

Ans. No. It's too hard on the stockings.

Ques. What should one do if the lady friend uses loaded dice in a crap game?

Ans. If she uses loaded dice, she ain't no lady!

Ques. At the opera, what is the proper way for the ladies and gentlemen to file into the box?

Ans. We wouldn't know, but we can give you some good tips on flipping peanuts from the top gallery.

Ques. What is the correct way to serve coffee in the drawing room?

Ans. (1) The footman proffers a tray of cups and saucers, followed by the butler, who pours coffee. (2) Kneel open the door to the kitchen and yell, "Gimme a mug of snids."

And that's our humor injection for the week.

### MEMO TO MRS. HOUSEWIFE

Postoffice Department plans to employ a large number of women. Probably few will be letter carriers, too strenuous.

Don't lose your ration books! They're worth more than money for they can buy things money can't buy—gas, shoes, and eventually clothes. British advertisement stress cost in ration points.

Horses have their shoe problems too. A set lasting about three weeks, hakers and farriers who switched to horse-drawn delivery wagons are having trouble getting them shed.

### Students Presented Unique Program At P-T. A. Founder's Day

Regional High School students presented a unique program at the Parent-Teacher Association's Founder's Day at the Regional P-T. A. at school last Thursday night. Students standing for various branches of service in the war gave talks, some of which were highlighted by movies, on the Army, Navy, Air Force, Marines, the home front and the production line. Juniors and seniors are receiving preliminary training for these lines of endeavor. The program was under the supervision of Miss Helen S. Ladavay, French and English teacher. The Girls' Club sang several songs from "Victory Over I," with Miss Betty Backer as soloist. The boys made choruses singing during the evening, and the School Band, under the direction of David E. Russett, played several selections. A cake with 46 candles was presented, and several Kenilworth residents took part in an impressive candlelight ceremony honoring Founder's Day.

### Volunteers Giving Kenny Treatment

MOUNTAINSIDE—Mrs. Wynant C. Cole is chairman of more than sixty women who are enrolled as volunteer aides in the Children's Country Home in the borough. ### CAPITALISM SUPPORTS THE WAR EFFORT

A few lines from the publicity department of Public Service Corporation "jolted" us into realizing that our war program could be in bad shape were it not for the long systematized efficiency of the great capitalist organizations. All of them have been subjects of attack by soap-box orators, by politicians seeking votes through scolding the rich, and by the reformers born of the New Deal, and they wouldn't be here if their opponents had had their way.

The few lines told that Public Service had furnished more gas during the cold days around February fifteenth than at any time in its history. And we wondered what would have happened if Public Service hadn't prepared for the demand. Both people and industry would have suffered in a gas famine if Capitalism had given ground or surrendered to the great army of kickers and class-haters that has been trying to destroy it.

We have no dividends coming from Public Service stock, nor do we defend or champion an advertiser for what he spends. We have, however, a great appreciation of the comforts and conveniences that have come to us from corporations that have grown rich providing them. We never have sympathized with the proposals to turn the utilities over to Government management and operation by politicians instead of by trained people, stimulated by the promise of good salaries.

There are many who do not share this opinion, and they could have grounds for disagreement in normal times; but now they must concede the importance of a strong corporation that has kept ahead of demands and has been able to meet the emergency need of a war. Not only has there been enough gas, but we still enjoy non-rationed electricity. As to the transport branch of Public Service, had it not patiently awaited the wearing out of opposition and bought in weaker lines, to form a near-monopoly, it would be too bad today for everybody who works at a place beyond walking distance.

A socialistic system in which the Government would provide everything could be ideal under honest politicians, but it could not organize or operate until many years had been spent upon its construction. It would be unfortunate if a war broke out during the constructive years. Since the "antis" haven't yet succeeded in greatly damaging the capitalist system, we are using it to win a world war.

Public Service, the Fords, General Motors and many other "capitalist octopuses" have made it possible for this country to excel all other nations in the production of war materials. Which is something for the would-be destroyer of capitalism to write down in his book.

### Yankees in Newark For Sunday Game

Baseball will be ushered into the Metropolitan area Sunday afternoon when the Newark Bears and New York Yankees move up from their respective camps at Plainfield and Asbury Park and clash at Ruppert Stadium, Newark. The game, following a Saturday contest between the teams at Plainfield, will mark the Yankees' first visit to Newark in ten years.

The game will be doubly exciting for local fans since it will bring back to Newark, Charlie Keller, Joe Gordon, Bernie Bonomo, Hank Bonebrake, Blaine Brown, Bud Mathis, Benny Blair, Steve Swisher, Tommy Byrne, Bill Johnson and all the other Yankees stars who first gained the headlines by their International League performances.

Manager Bill Meyer of the Bears hasn't nearly approached selection of the Newark lineup for 1943, but the veteran leader has a promising squad under his direction at Plainfield and the International League champions should hold their own, as usual.

Only Gene Corbett, Al Gerhanzer, Ken Holcomb, Steve Russo and Joe Page return from the 1943 Newark club, but all of the newcomers are up to the usual Yankee organizational standard—the best double A players available.

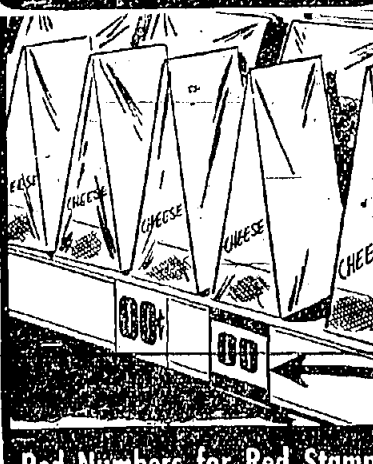

The Newark lineup this year will include several New Jersey boys: Alfred Clark, South Amboy; Don Savage, former Bloomfield High star, who now lives in Nutley; Joe Dwyer, the veteran Orange outfielder, and Joe Buzas, the former Phillipsburg High fielder.

Following the Yankee game, the Bears will return to Plainfield, but will be back in Newark, Friday to meet the Boston Red Sox. The Boston Braves will be encountered a week from Sunday and Washington and Jersey City will also play at Newark before the season opens on April 29.

The SUN is equipped to fill your job printing needs. Millburn 6-1236.

TOWNSHIP OF SPRINGFIELD  
COUNTY OF UNION

**NOTICE OF AUCTION**

TAKE NOTICE that the Township of Springfield in the County of Union will offer at public auction to the highest bidder, certain lands and tenements for public use, upon the terms and conditions hereinafter set forth, said public auction to be held in the Municipal Building of April 14th, 1943, at 8:00 P. M. Eastern Standard Time.

The lands to be sold are:

Lot 33 in Block 88, fronting on South Springfield Avenue.

The Township will consider only all cash offers and no offer of less than \$5,000.00 for said premises will be considered.

The Township of Springfield obtained title to said premises by tax of

**Millburn Women List**  
**Events For April**

The American Home Department of the Women's Club of Millburn will present Miss Joan Perry, of the Herald Tribune Club Service Bureau, Wednesday at 1:30 P. M. at a meeting at Taylor Park Recreation Center, Millburn. Miss Perry will speak on "Romance of Fabrics."

Food rationing has made it necessary to dispense with the usual luncheon, but dessert and coffee will be served. Following the talk, Miss Perry will conduct a "Celestine Quiz," in which the winner will be awarded a dress length of choice of her own choice to be made from the fabrics displayed.

Claudia de Lys, world's foremost authority on superstitions, will be the guest speaker at the meeting of the club Friday, April 9, at Wyoming Church at 12:30 P. M. Guests are asked to bring a box lunch and coffee will be served.

The club will meet April 14 at the Recreation Center to hear Mrs. Charles Cramer, Federation Chairman of Welfare. She will discuss high lights of welfare work. A Spring Victory Market, to be held before Easter, is planned by the club.

**OPA Items**

The OPA today announced the following ration news items:

Farmers and others who hire help for seasonal work—two periods of less than 30 days can obtain special allotments of rationed foods by applying to local rationing boards. This procedure is open to all persons except Group 2 and 3, which are institutional users of food which include restaurants, hotels, public eating places, hospitals, sanatoria, etc.

Separate certificates will be issued for processed foods, sugar, and coffee. Rations on meat, fats, and cheese have not yet been made public.

Price officials issued a reminder that the dollars and cents ceiling prices on all pork cuts went into effect yesterday, and that the official list is available to butchers at all local rationing boards. The lists must be displayed prominently in all meat stores.

**Army Night Postponed**

Continental Post No. 228 of the American Legion, has announced that "Army Night," scheduled for April 15, has been indefinitely postponed.

**Shoe Rationing**

The shoe rationing division advised all shoe dealers that they will be required to open a ration banking account beginning April 15. A special bulletin of instructions for retailers, wholesalers and manufacturers will be available April 6 at banks throughout the state which have checking account service.

These accounts must be opened if persons in the shoe industry wish to continue to operate after April 17.

As a guide to consumers for purchase of meats, fats, and cheese, the OPA suggested the following weekly allotment of points: One and one-half pounds of meat, (9) a quarter pound of cheese (2) a quarter pound of butter (2) with three points remaining per person for canned fish, canned meat and other fats and shortenings.

All-rationed householders have been cautioned by OPA to keep the identity stub of their heating ration, as it must be presented when next winter's rations are issued.

Collections of waste kitchen fats during January fell far short of the goal. New Jersey set a new record of 304,142 pounds collected during the first month of this year.

**Troop Court of Honor**  
**Will Be Held Tonight**

The following awards will be made or confirmed at the Troop Court of Honor, which will be held tonight by Springfield Boy Scout Troop No. 70:
