

LIBRARY TO BE READY SOON

Most of the residents interested in the welfare of the Free Public Library are going to be in for a treat when the newly acquired Sarah A. Bailey house is soon opened to the public.

Alterations to the building are almost completed and this week shelves were being moved from the old quarters into the new location.

The Library trustees are doing an outstanding job and patrons of the Library, who have been deprived of the borrowing privilege briefly during the removal period, will be well rewarded when the regular lending is resumed later this month in the new building.

MEN IN SERVICE

The 14th Ordnance Battalion at Fort George G. Meade, Md., has announced the promotion of Private Charles C. Sommer to the grade of Private First Class, Pfc. Sommer, a welder with the 88th Ordnance Heavy Maintenance Company, is the son of Mr. and Mrs. Paul Sommer, of Evergreen avenue.

A letter was received this week from Corporal Sidney Schaffer, son of Mr. and Mrs. J. Schaffer of 246 Morris avenue, stationed in Sicily. It follows: "I should like to inform you of my new mailing address. And once again, I would like to repeat, although you probably hear it over and over again, from the Springfield boys in the service, that the longer I am away from home the more I appreciate receiving your paper."

Private Arthur Menzie Jr., son of Mr. and Mrs. Menzie of 4 Center street, is now attached to the Headquarters Co. of the Service Command in Dallas, Texas.

Since his induction in February, Pvt. Menzie has been in training with the Signal Corp at Camp Edison and Fort Monmouth. He graduated from Regional class of '42 and was employed by Western Union in Newark, before entering military service.

Staff Sergeant Herbert Schoch is home on a 15 day furlough visiting his parents, Mr. and Mrs. Herbert Schoch of 52 Marlon avenue. Sgt. Schoch is stationed at Fort Sam Houston, Texas, with the Finance Department. He will leave on Thursday to report back to duty. This is his first furlough in ten months.

We received a letter this week from Private Bernard Vetter, stationed at Jackson, Miss. He sends his thanks by saying "I am very glad to receive the Springfield SUN. It really makes a fellow feel happy to get the news about the town. I enjoy reading the personal mention column, which lets you know just what is going on back home. I have been in the Army over three months. I hope to see the home town around December sometime. I am really thankful to the staff, for sending me servicemen-the paper. I greatly appreciate the paper. I greatly appreciate your thoughtfulness."

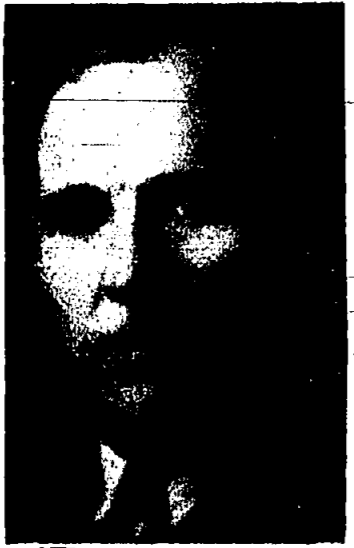

Happy Birthday!

"Happy Birthday" greetings are extended this week by the SUN to the following residents of Springfield:

Marshall Elected As Republican Chairman

ARTHUR L. MARSHALL

The Springfield unit of the Republican County Committee organized Monday night and elected Arthur L. Marshall, first district committee man, as chairman. He succeeds Richard C. Horner, outgoing chairman in the second district who did not seek reelection. The present executive committee nomination. Others chosen at the meeting held in Marshall's home, 74 Washington avenue, are: Vice-Chairman, Howard S. Smith; secretary, Mrs. Mildred C. Kees; treasurer, Mrs. Margaret Merkel, and executive committee representative, Mrs. Edith S. Hankins. All are new in their posts, except Mrs. Hankins. Marshall has been a committee man for many years in the first district and is the township planning inspector. He is also president of the present Executive Springfield Republican Club.

The Democratic County Committee has not yet been organized as only three out of eight possible posts are filled. Emanuel O. Holms of the third district, was the only candidate for whom petitions were filed at the recent primary, and in the fourth district, August Rillo and Mrs. Ollie Corby were written in and will accept the posts. Holms declared that an effort will be made to select persons to fill the vacancy and organize in the near future.

Status Of Essential Workers Is Clarified

When is a man in civilian life necessary for indirect support of the war effort? What activities and occupations should be considered as essential to the conduct of the National War Fund drive in a war period and how are they to be directly connected with the war effort?

These questions, asked in various ways by draft board members throughout the State as they consider the cases of registrants in borderline jobs, have led Col. Edgar N. Bloomer, State selective service director, to issue a clarifying bulletin. Draft boards have no alternative when it comes to dealing with men engaged in critical occupations or with those in non-deferrible jobs, but there are many registrants in the "twilight" zone between these extremes.

Colonel Bloomer's clarification is based on a quotation from the National Selective Service Act: "Activities which are in support of a State, area or local basis, unlisted activities related to transportation, food, clothing, fuel, housing, health, safety and other services required for the preservation and effectiveness of the life of a Nation at war." The term "unlisted" applies to activities not listed in the activities and occupational bulletins issued from time to time to the draft boards.

Recent sweeping revisions of selective service regulations designed to balance manpower needs between the armed forces and war plants made frequent use of the "in support of the war effort" phrase.

Don't lose your vote in the general election next November 2. You can register now at the Township Clerk's Office, October 5 is the deadline.

Springfield Given Quota of \$3,600 In National War Fund

At last week's meeting of Springfield's National War Fund Committee it was announced by Chairman Roy P. Waldeck that a quota of \$3,600 had been assigned to the Township by Guy L. Coddling, executive director of the N. J. State War Fund, 44th commitment.

considerable reduction from the amount originally asked, was accepted by the committee as a goal for the campaign which will open with a workers rally on Thursday evening, October 14.

As further preparation for the opening, the zone captains will meet with the committee on Monday evening, October 1, to complete enrollment of workers and to bring all arrangements up to date.

Since the National War Fund Drive is being run on the community chest basis, it will include all nationwide drives except that of the Red Cross. This means that one big effort will replace all small drives for national agencies. Springfield's allotment for the Union Council of Boy Scouts of America is included. So, too, is the local direct contribution to our boys and girls in service through the U. S. O., the United Seaman's Service, and the War Prisoner's Aid. In addition, help for the relief agencies of the various Allied nations is taken care of. Those who wish to do so may specify any particular group or groups to which their contributions should go.

Those who wish to assist with the drive are urged to contact their district chairman. The district north of the railroad and east of Mountain avenue is being handled by Robert Poppendack, that west of Mountain avenue by Herbert Day, and that south of the railroad by Jack Coyle.

Voting Registration Deadline On Tuesday

Voting registration will be taken by Township Clerk Robert D. Trent tonight, Monday and Tuesday nights from 8 to 10 o'clock, in addition to daily on those days from 2 to 4 p. m. Any citizen who wishes to vote at the general election, November 2, not previously registered, must do so before the deadline, October 5.

Arthur T. Lee, chairman of the Union County Board of Elections, has instructed municipal clerks to register voters from any section of the county. This will be beneficial to year workers who want to vote in November, but are not home during hours when their home-town clerks are open.

The election board has authorized publication in respective weekly newspapers, advertisement of 4,500 names of county voters who have been "taken from" active registers lists, for (1) failure to vote during one of the four past general elections; (2) persons who moved from their registered address without notifying the respective county election boards of their change of address; (3) persons who have been disqualified; and (4) those who have died.

The notice of such Springfield names to be checked off, will appear in the October 15 issue of the SUN. After publication, anyone who wishes to rectify any error, may arrange to do so by contacting the county election board, prior to October 27.

Springbrook Association Formed Wednesday Night

Members of the Springbrook Park Subdivision organized Wednesday night at the home of William Mendonhall of Baltusrol way, for the purpose of fostering improvements benefiting property owners in the recently developed section.

John W. Elsworth was elected president, and other officers are: Secretary, Mr. Mendonhall; and treasurer, Louis Pignolet. A committee comprising William Aug, Alvin Johnson and P. K. Carrough was chosen to draw up a set of by-laws.

The group voted to meet the first Wednesday of each month at the respective homes of members. The next session, however, will be held Wednesday evening, October 13, at the home of Mr. Augh.

Canteens Distributed For Cigarette Fund

Continental Post No. 228, American Legion, is staging an intensive campaign to raise funds to send cigarettes to service men overseas. A committee, of which Charles J. Wornell is chairman, assisted by Charles Zaehler and Alex E. Ferguson, is placing canteens in local stores, bearing this appeal. "Donate here and help purchase the cigarettes for our boys in the service, sponsored by Continental Post, American Legion."

Proceeds from several softball games played at the High School field has netted \$27.25 for the fund and a contribution was received this week of \$5.00 from the Springfield Boys' Association. Any resident who wishes to send a donation, large or small, may make checks payable to the "American Legion Cigarette Fund," and send them to Mr. Wornell at 21 Evergreen avenue.

When a unit of \$40 has been collected, the post sends the money to the Reynolds Tobacco Co. or Raleigh Tobacco Co., and purchases cigarettes at five cents per pack, the companies donating the reduced cost as their contribution to the war effort. Cigarettes are delivered by the tobacco firms in parcels or embankment, where actual distribution is turned over to division chaplains in charge, and it is understood that only overseas service men share in the Legion's cigarette campaign.

Lions To Arrange For Organizing Cub Scouts

The Springfield Lions Club at their weekly meeting Friday night instructed the sponsoring committee of the Boy Scout Cub Pack to make immediate plans to organize a Cub Pack for Scouts for Springfield. About sixty applications have been received from the parents of boys between the ages of nine and eleven years of age and in the near future a general meeting of the parents will be sponsored through the Lions Club which will include members of the Union Council of Boy Scouts and which will be held to discuss preparations for the complete organization of Springfield's Cub Pack.

HIGHER POST FOR JUDGE THOMPSON?

Mountainside Resident Mentioned As Candidate For Position On High Circuit Court Bench

MOUNTAINSIDE—Judge Lloyd Thompson, of Mountainside, a member of the Court of Errors and Appeals, is one of those mentioned as possible appointees of Governor Charles Edison for the Circuit Court bench at \$14,000 a year, to succeed the late Judge V. Clifton Palmer. In his present post Thompson receives approximately \$8,000 a year.

Before his elevation to the Errors bench, Judge Thompson was a Common Pleas judge in Union County, sharing the work with Judge Edward A. McGrath. Interest centers in the Governor's possible appointees of Governor Charles Edison for the Circuit Court bench at \$14,000 a year, to succeed the late Judge V. Clifton Palmer. In his present post Thompson receives approximately \$8,000 a year.

Farmers and Students Honored at Gathering

At an outdoor meeting recently of the Union County Board of Agriculture at the Hoppel Farm, Westfield road, Scotch Plains, several Springfield farmers were singly awarded prizes and a group of Regional High School agricultural course pupils came in for special awards.

Exhibits of vegetable classes included the largest number of varieties of different vegetables. In this group, second prize went to Arsenio Marquina of Mountain avenue, Springfield, with 29 different vegetables. The next class featured the ten most important vegetables as specified by the U. S. Department of Agriculture for intensive production during 1943. These included snap and lima beans, beets, carrots, tomatoes, corn, cabbage, cauliflower, egg-plant and peppers. Marquina also took a second prize in this event.

The local farmer exhibited an unusual vegetable, two Spanish Chubashes with a double pear shape (in pyramid) 20 inches in height. The fourth award to Marquina featured his selection of grapes, second in his class.

School Pupils Rewarded. Highlight of the meeting was recognition given to school boys and girls, who were congratulated for working on county farms during the summer. A total of 134 certificates were given to all boys and girls who spent at least 20 days working on the farm.

Twenty-eight boys and girls, of which eleven are from Regional High School, were given leather wallets, inscribed with the year 1943 and name of the Union County Board of Agriculture for having worked 60 days or longer on a farm. They are: Norman Eva, Donald Schwerdt, Stephen Terrel, George Volnden and Alfred Winters of Springfield; Earl Arnold and Edward Lawrence of Clark Township; Curtis Lederman and Harold Ley of Kenilworth; and Eugene Penzitt and Dorothy Welch of Garwood.

Scrap Drive Below Par Due to Lack of Trucks

The recent township scrap drive for collection of paper and tin in Springfield resulted in about two-thirds of the usual amount received. Salvage Chairman Otto E. Helz reported. Sufficient helpers were on hand to volunteer their services, but a shortage of trucks prevented the committee from taking in all of the paper and tin deposited at curbs.

BROTHERS REUNITED

Two Springfield overseas soldiers, unaware of the other brother's whereabouts, met by accident September 11 in a North African shop, according to a letter received this week from Mrs. Arthur Swanson of 668 Morris avenue, wife of one of the soldiers.

Her husband, Tech. Sgt. Swanson and his brother, Lieut. Edward Swanson, son of Mr. and Mrs. John Swanson of 416 Morris avenue, enjoyed a short furlough after the meeting. It was the first get-together for the Swanson brothers in a year.

Campbell Will Seek 1944 Sheriff Post

ALEX CAMPBELL

Undersheriff Alex Campbell of Scotch Plains announced Wednesday that he will be a candidate for the 1944 Republican nomination for sheriff. Campbell was obliged to make known his plans due to rumors emanating from the Courthouse that he would give up the undersheriff post, to seek a new job, possibly paying equally to the \$8,000 a year he now draws as first undersheriff.

Since the present State Constitution does not permit a sheriff to succeed himself, there were reports early in the week that Sheriff Charles E. Aytes was considering designating another undersheriff, to make the primary race in the Spring of 1944. The proposed State Constitution revision lifts the ban of a sheriff succeeding himself in office.

Campbell is chairman of the Union County Republican Committee's executive committee and is a former Mayor of Scotch Plains. He was sheriff before the incumbent. He is also campaign manager for the county's Republican nominees and is expected to again head the executive committee of the county GOP.

War Bond Sale This Week Totals \$50,000

Sale of bonds in the Third War Loan in Springfield this week totaled \$50,000. It was announced yesterday by Carlyle H. Richards, cashier of the First National Bank of Springfield, through whom the bonds were purchased.

All raid wardens and block leaders are conducting a house-to-house canvass in the local drive, as organized by the Springfield Defense Council headed by Ralph Clifton. The latter pointed out several members of the Lions Club are approaching business houses in the campaign.

Price Named As Head Of War Savings Campaigns

James Price of 105 Lyons place has been appointed to the War Services Committee as War Savings Chairman. His duty is to conduct all future war bond drives in town. He is helping Richard Horner, chief air raid warden, in the present drive. Mrs. Joseph Kovalick of Baltusrol way has also been appointed to the committee as Nutrition Chairman.

An Interesting Visitor Will Greet You

Within the next few days and throughout the duration of the Third War Loan campaign volunteer defense workers will try to greet you with their message. This is a call to arms that should not be ignored. Your boys are dying to protect you! Are you trying to protect them?

School Board Fixes Rules For Heating, To Fit Oil Rations

The Springfield Board of Education at its meeting Tuesday of last week, adopted rules recommended by Walter M. Brown, building and grounds chairman, for heating the Hammond Chisholm School this year with a reduced oil ration of 7,700 gallons. Last year 9,000 gallons were used.

The building will not be used outside of school hours. Heat will be turned on at 8:30 a. m. and shut off at 2:30 p. m. The thermostat will be set at 70 degrees. The fresh air unit will be turned down at 2:45 p. m.

The Local Defense Council, which had been advised that the building could be used evenings this winter without heat, informed the school board it would continue to hold various group meetings, despite the lack of heat.

The school board renewed the 1943-44 transportation contract with Somerset Bus Co. of Mountainside at \$2,792.20. A 5 per cent bonus approved last year was increased to 10 per cent, permissible under State regulations. Two buses are used to transport pupils to the Raymond Chisholm School.

Miss May P. Stanton was engaged as first grade teacher in the James Caldwell School at \$1,600 per year. Supervising Principal Fred J. Hodgson reported that a manual training teacher could not be obtained "at any price" and the subject will not be taught this year, in the absence of an instructor.

Mr. Hodgson was empowered to obtain a teacher to combine first grade and kindergarten to eliminate crowding in that class.

Dr. Henry P. Dangler, school physician, suggested a letter be sent parents advising them to avoid sending children to school with any illness, rather than encourage spreading sickness. He reported the annual immunization clinic will begin soon.

The school doctor explained to board members that the health of the average local grade school pupil was better than average. Request of the Colfax Civic Association to hold meetings in the James Caldwell School was approved, with a provision that expense for janitorial service be paid by the group.

Argentina Defended By Speaker To P.T.A.

An interesting and broadening picture of Argentina, the great "giantism" of South America, was delivered before a large audience of parents and Teachers Monday evening in the James Caldwell School by Dr. W. Hays Snyder, authority on South America and professor at Montclair State Teachers' College. It marked the first full session of the Springfield Parent-Teacher Association. Mrs. Donald K. Wolf presided.

Economically, Dr. Snyder pointed out, Argentina is on the crest of a gigantic wave. Her products are and will be in great demand. She has large quantities of meat, wheat, linseed oil, minerals and the richest farmland in the world.

The speaker emphasized that Argentina is neither anti-British and anti-German nor anti-United States. She is wholly pro-Argentina. Dr. Snyder compared the country to that of an underdog in a play who has a last opportunity to play the winning role and he thought it would be well for our country to recognize this fact. Argentina is coming into her own, he concluded, and unquestionably will be one of the most important post-war world powers.

Benefit Card Parties

It was announced that fifty hostesses will hold card parties in their respective homes, to raise funds for the P. T. A. Each guest will pay 50 cents and prizes will be donated by the association. It was expressed that parties be held in October, so that money could be turned in by November 1.

Following the address by Dr. Snyder, a social hour was held with refreshments served by class mothers of the eighth grades and executive board.

Attendance prizes were awarded to Miss Velda Thompson's first and second grade class in the James Caldwell School, and a tie between Miss Thelma Lake and Benjamin P. News-wanger's classes in the Raymond Chisholm School.

Don't lose your vote in the general election next November 2. You can register now at the Township Clerk's Office, October 5 is the deadline.

Regional High Former Pupils And What They're Doing

Sergeant William "Bill" T. Glowacki, 23, son of Mr. and Mrs. William Glowacki of 330 North avenue Garwood, enlisted in the U. S. Army Air Corps and left for duty on December 23, 1941.

In 1938, while a sophomore, he spun in a difficult shot from directly under the basket with just three seconds to play to bring his team a one-point victory over Rahway in the County Conference Tournament final.

In a letter to his family, Bill stated that he talked to one of the German prisoners who was in North Africa. The German told him that he was born and educated in New York City and that in 1939 he went to Germany and joined the German Army.

Bill's many friends from Regional hope that he will continue to do as well in military service as he did in school, as one of Regional's best athletes in the school's history.

Sergeant Lester Neville has been graduated from the Armored School Tank Department at Fort Knox, Ky., as a tank mechanic.

BETTIQUETTE SAYS

MEMO TO MRS. HOUSEWIFE There'll be more bed springs, kitchenware, furnaces, and safety pins for civilians this fall, says WPB.

Plenty of history for us women, say the manufacturers. Made of cotton and rayon, they'll serve the purpose, but are a far cry from the silk and nylon stocking days.

Washington experts say the approaching food shortage will make it a harder job for inflation fighters. It takes about 30 per cent of the average family's income for food.

Enough milk was wasted through careless handling in 1943 to supply 1,116 soldiers with a pint a day for a year.

Quick frozen baked beans are becoming popular, and will be plentiful.

TOWN and FARM WAR TIME

The new shoe stamp, No. 1 on the "airplane" sheet in War Ration Book Three, which becomes valid November 1, probably will have to last six months. OPA has announced. At the same time OPA said that stamp 18, originally scheduled to expire October 31, is extended indefinitely and will cover the next stamp. OPA's present plan is to eliminate expiration dates on shoe stamps and to make new stamps valid as soon as supplies warrant. This enables a person to save shoe stamps until shoes are needed.

More leather will be available for repair of civilian shoes, as the result of a recent WPB order.

Consumers will have greater soap supplies within a few weeks. The War Food Administration has announced a program to provide for a 28 percent increase in soap production for civilian use. WFA emphasized that there will still be no excess and urged soap-saving by every possible method.

Idle used trucks may be requisitioned by district ODT offices or Agricultural County War Boards to transport vital agricultural products where such transport service is vitally needed. Requisitioning will be necessary only where owners of idle used trucks are unwilling to allow the use of their vehicles in this service.

War Ration Book Four, which will last approximately two years, will be issued to more than 120 million persons through schoolhouse distributions during the last 10 days of October. OPA has announced. The book contains points and unit stamps. It has eight pages containing 384 stamps, printed in blue, red, green, and black.

More than one million 10- and 17-

year-old boys will be enrolled in voluntary civilian pre-induction training courses in the nation's schools this fall, according to the War Department. Representing an enrollment of more than half of all physically able boys at these age levels, the students are taking courses that will prepare them for more effective service in the armed forces. Officers at Army Reception Centers record all pre-induction training on the soldier's permanent record card. This training is taken into consideration in making assignments to further training and Army jobs.

Records of the Bureau of Naval Personnel show a steady increase in the number of allotment and family allowance checks stolen or lost after delivery. To prevent loss, the following suggestions have been offered: (1) be sure your name is on your mail box or door; (2) watch for your check and deposit it promptly in a "family" place; (3) if you move, notify your postmaster and other the Allotment Division of the Bureau of Supplies and Accounts, Navy Department, Cleveland, Ohio.

The Army is spending more than a million dollars a month for recreational and athletic equipment for its fighting men at home and overseas, the War Department reports. Equipment is provided for the favorite outdoor sports of the fighting men, particularly baseball and football. Those preferring less active recreation have the choice of cards, dominoes, darts, chess, checkers, backgammon, or bingo. Included among the purchases are musical instruments.

All school, college, and other football teams have been asked by the Office of Defense Transportation to confine the sale and distribution of tickets to the residents of the local area of the cities in which the games are to be played. By so restricting sales, ODT pointed out, football games can be held without increasing the already heavy load on intercity buses and trains.

The public is asked to use a soldier's Army serial number in every case where inquiries are made to official agencies concerning either officer or enlisted personnel. Much time and material is wasted if the number is not given, according to the War Department.

"Permanent types" of anti-freeze will be available for use in passenger automobiles throughout the nation beginning October 1, according to a recent WPB amendment to Limitation Order L-51.

Continental Chapter, Order of the Eastern Star will hold a fair and chow mein supper on Wednesday evening between 5:30 and 7:30 in the lodge rooms of the Millburn Bank Building. Chairman of the affair is Mrs. Robert Slaughter of town, ways and means chairman.

QUESTION: What is a "War Job"? ANSWER: First—a job in a war production plant. Second, a job in an essential service—such as laundries, milk and fuel distribution, restaurants, communications.

QUESTION: Could I work part-time? ANSWER: There are many part-time jobs. Inquire today. See address at right.

QUESTION: I've never worked in a factory. Will I be able to do the work? ANSWER: Don't worry about that. There is just the job for you. A simple job, like pulling cord through holes, or drawing a line along a ruler. Or, more difficult jobs, for which you will get special training, if you like. Your job is waiting for you. So apply today.

QUESTION: If I took a war job, wouldn't my husband be drafted sooner? ANSWER: NO! NO! NO! It won't affect your husband's position in the draft in any way.

QUESTION: How much will I earn? ANSWER: Every job pays well. Some more than others. Each has a scale of wages. You begin at learner's pay. Increases are rapid.

QUESTION: Who will run my home if I take a war job? ANSWER: Millions of other women have reorganized their homes to be able to do their part in war work.

QUESTION: Would my work be important? ANSWER: There is NO job in wartime that is not important.

QUESTION: How do I go about getting a war job? ANSWER: Talk to a sympathetic person at War Job Headquarters, or nearest U. S. E. S. Office NOW!

## BACK THE ATTACK with WAR BONDS

America's fighting forces are to be ten million strong—ready to fight to the death if necessary, to save our country . . . our future. They can fail, only if you fail them! America's war plants have been turning out tanks, planes, ships, rifles, grenades; helmets; clothing, equipment worth billions of dollars. All can be lost, only if you cause a halt in their production.

We know that each individual shrinks from the thought that the war is a personal responsibility; but it is millions of persons which constitute a nation, and therefore this is each American's war! Our men in uniform are now waging the major offensive—the decisive offensive against a still-powerful enemy. Don't let past victories go to your head! Don't think you can do any less than your best—or buy any less than the most War

Bonds you can manage to pay for—until Victory is certain. And it will be certain only when unconditional surrender becomes a fact!

While our men attack—we can't sit back! We must back the attack—with War Bonds. War Bonds to pay the Axis for its infamy. War Bonds to honor every American hero living, or wounded, or already dead! War Bonds that speak for your willingness to put as quick an end as possible to this war—by sacrifice: just as our fighters' willingness to die for Victory proves their faith in and evaluation of democracy! It's almost sacrilege to call it sacrifice—to just buy an extra \$100 in War Bonds this month, when we stop to think of the supreme sacrifice made daily at every battle station—life itself. You really can't call it sacrifice at all, when you realize that you get your money back—with interest—when your Bonds mature.
