Thermometer 'Fair' In 4th War Loan, \$52,977 Pledged

With the thermometer at the Bank corner registering "fair weather" for the Fourth War Loan Drive in Springfield, there is still an indication that it will continue to rise.

James Price, drive chairman, reports that at the close of the first week Wednesday, a total of \$52,977 in war bond pledges were tabulated up to and including February 1.

Melvin Leonard, chairman of the Air Raid Wardens who are soliciting pledges from residents reports that subscriptions in his report cover \$37,187 as obtained by zone covers.

A detailed list follows:
Zone A, Alex Ferguson, \$6,837; zone B, Herbert Quilton, \$8,656; zone C, Eugene Jacob, \$3,200; zone D, Charles Nelson, \$3,100; zone E, William Young, \$5,450; zone F, Arthur Marshall, \$3,025; zone G, Wilbert W. Laying, \$4,700 and zone H, William Grunpp, \$2,825.

A contest was held several weeks ago in Regional High School to determine the best Fourth War Loan poster among the pupils, with results as follows: First, John Korbel of Garwood; second, Richard Corbett of Springfield, and third, Laura Morrison of Springfield. War stamps were given to the three who placed. The posters have been displayed in a store window in Morris avenue opposite Center street.

Postal Acknowledgment received from Mrs. Ellen B. Carmichael of Battle Hill avenue, whose war bond sale was first at the Post Office when the drive opened and accordingly sent a postal to a service man telling what the "folks at home are doing" received an acknowledgment Tuesday from Merritt Huntington, seaman first class, at the Maritime Service Officers' School, New London, Conn.

Mr. Bowman is known throughout the district for his fine work in Lintonism and in visiting the Springfield Lions Club, he will address one of the most active clubs in the district, at the Springfield Convention, the Springfield Club has a record of attendance as well as the record of increased membership. It is known throughout the district as one of the most progressive clubs.

Charles Nelson, a resident of Springfield for many years was formally received by the Club as a member Friday night at the weekly meeting. The club gave Nelson a rising vote of welcome.

State Official To Visit Lions

George W. Bowman, district governor, will address the Lions Club at their weekly dinner at the Orchard Inn on Friday of next week.

Petit Jurors Named

A third panel of petit jurors, serving from February 7 to 19, was drawn Monday as follows: Springfield—Frank H. Ritter of Crescent road and Mrs. Phoebe Sasane of 20 Martin street, Mountain Side.

Tax Rate Same In 1944 Budget

The 1944 municipal budget introduced by the Township Committee Wednesday sets forth the same tax rate as last year, 5.69. The complete budget, in legal notice, will be found on page 8 of this week's issue.

Appeals for More And Bigger 1944 Victory Gardens

The need for increased food production in 1944 will be even greater than in 1943. Because Victory Gardens were so very important in the production of fresh vegetables for civilian consumption in 1943, the War Food Administration has asked for a 10 percent increase in victory gardens for 1944, and a 25 percent increase in food production.

An appeal is being made by Don Richardson, chairman of Victory Garden Committee as follows: "The Springfield Victory Garden Committee working under Warren W. Halsey's War Service committee is here to help every householder in town to produce food. So as a starter why not try out the course on victory gardening now running in the High School. The Federal Government sponsors it, so it must be important. We are fortunate indeed to have such a thorough and capable instructor as Wilhelm Petzschel, Tuesday nights at eight."

"Your victory garden committee plans big things for 1944. First and foremost comes the 'Spinning of food' that why not have fun doing it? This year instead of boasting to Joe about how big your carrots are—he won't believe you anyhow—bring them to the Springfield Victory Garden Show. This shouldn't be mentioned yet, but why not? Plans are already under way. Mrs. Wallace Dusenberry is show chairman, and mid-September is the time. Keep it in mind—order your seeds early, dig deeper, plant carefully, kill bugs, grow and show in Springfield's own victory garden exhibition."

"Each section of the town is to be represented on the committee and it is hoped that anyone interested because of who are away from home doing our part, as best we see fit, feel that the folks on the home front are truly behind the gigantic struggle we are now undertaking."

Masons to Hear Dr. L. C. Hylbert

Master Masons have been invited to attend the regular meeting of Continental Lodge No. 199, F. and A. M. of Millburn, on Tuesday evening, when they will be addressed by Dr. Lewis C. Hylbert, past master of Stinlet Lodge of Massachusetts and Blue Lodge Chaplain of the All China District.

School Board Asks For Support of Proposals

Responding to reports that the Board of Education to acquire three pieces of land, being submitted to the voters Tuesday night, is "too high," the board has devoted its final series of informal articles on the actual expenditures.

Rolls will be open in the James Caldwell School from 7 P.M. to 9 P.M. Eugene W. Hatloff, C. Stuart Knutson, and James P. Herslow, candidates for three-year terms, are unopposed. The complete list of the propositions to be voted upon, will be found on page 8 of this issue.

The board's statement follows: "It has recently been asserted that the contemplated purchase price of property adjacent to the Raymond Chisholm and James Caldwell Schools is 'too high' and citizens have been requested to vote against the proposals at the school election on February 8."

"It is the right of a taxpayer to raise this question and it is the duty of those taxpayers serving as members of the Board of Education, to justify the proposals. In previous statements, issued in the SUN, we have endeavored to make it clear that we do not propose to pay any more than the true value of the properties. If they cannot be purchased for a fair market price, the board proposes to resort to condemnation proceedings. The amount requested on the ballot does not necessarily represent the amount that will be finally paid. It does represent the maximum amount that can possibly be expended. Before final agreement on the purchase of any of these properties, any interested citizens

MEN IN SERVICE

Privately Hartley Ferguson is home this week on furlough visiting his parents, Mr. and Mrs. Alex Ferguson, 41 Seventh avenue. Pvt. Ferguson is in training with the U. S. Army, stationed at Clemson College, S. C.

First Lieutenant Frederick Arthur Handville, U. S. Army, was promoted last month to captain. Capt. Handville, husband of the former Faith Shraw, daughter of Mr. and Mrs. Andrew Shraw of 23 Battle Hill avenue and son of Mrs. Edward Handville of 16 Van Dyke street, Wash.

"We have been assigned to a Casual Unit and in very short order we were assigned to the 342nd QM Depot Company, the organization we are assigned to at this point. We spent several months training with them in the United States and then shipped out for England."

"We have been assigned a few months, during which time we were awarded our 'Good Conduct' ribbon for one year of service with unblemished service records. The two of us being together all during our service may seem like a tale, but to make the story a little more interesting, our Army serial numbers are only 99 numbers apart."

Private Ruth C. Buell, daughter of Mr. and Mrs. Howard Buell of 41 Clinton avenue was inducted into the Marines on January 19 at 23 Pine street, New York city. She is a graduate of Nutley High School and prior to entering the Armed Forces, was employed by the Federal Telephone and Radio Co. in Harrison, as an expeditor. She also attended Webster Institute in Jersey City. Pvt. Buell will receive her basic training at Camp Lejeune, New River, N. C. Her sister, Betty D. Buell, will enter Cadet Nurses' Training in June at the Presbyterian Hospital, Newark.

Private Collette R. Moore, WAC, has been transferred recently from Fort Don Moines, Iowa to South Camp, Camp Hood, Texas. Pvt. Moore is the daughter of Mr. and Mrs. B. Moore of 42 Battle Hill avenue. She was graduated from Regional High School in June, 1941.

Overseas Director To Be Speaker at Red Cross Session

A speaker with a timely message, particularly to parents and men of service men overseas, has been obtained for the annual meeting of Springfield Chapter, Red Cross, in the Legion Hall Monday night at 8 o'clock.

James R. McLennan, stationed in the British Isles for ten months as Red Cross field director attached to an American engineering installation, will be the guest speaker at the meeting. He served the soldiers during construction of Andrews Field, first American-built and operated air field in England.

His principal duties were to undertake personal problems and contact the families of soldiers in his battalion. He also helped equip an American Red Cross Aero Club being built there for the use of ground crews and fliers who moved in when the Air Force took over the field.

The club has the facilities of five Nissen units containing two game rooms, lounge, library and snack bar. One of the first coffee and doughnut dispensing Red Cross ambulances, to operate in Great Britain visited Mr. McLennan's post regularly.

During his visit to many of the Red Cross clubs in leave areas throughout Great Britain, he talked to many of the service men who served in the Legion Hall for relaxation and entertainment. In addition to the Aero Club at Andrews Field, he visited other Red Cross stations at bases where our fliers relaxed between raids over enemy territory.

Augusta Unterwald And George Smith Married in Union

The wedding of Miss Augusta Unterwald, daughter of Mr. and Mrs. John Unterwald of 1975 William street, Union and George S. Smith, motor machinist's mate 2/C, U. S. Navy, son of Arthur H. Smith of Milltown road, took place on Sunday, January 23, at seven o'clock at the Second Presbyterian Church, Union. Rev. W. E. Sharritt performed the ceremony. Maid of honor was the bride's sister, Miss Margaret Unterwald. Best man was Robert Ward Smith, brother of the groom. A reception was held at the home of the bride's parents following the ceremony.

The bride wore a light weight white wool dress and carried a bouquet of white roses and snapdragons. The maid of honor wore a pale green silk jersey dress and a corsage of red roses.

Mrs. Smith is employed by the Prudential Insurance Co. Mr. Smith was home on leave from active duty in the Southwest Pacific where he participated as an engineer on a landing craft in the ODT district office, standing during trip to New York, he returned to the Pacific Coast, on Friday, January 23. Mrs. Smith will reside with her parents for the duration.

Owners of farm trucks and other truck operators are requested by the Office of Defense Transportation to cooperate in a reporting system which the ODT has established to help truck and bus operators with tire-procurement problems. Any operator eligible for tires but unable to obtain a tire certificate from his local rationing board because of exhausted quotas or other reasons, is asked to report that fact to his ODT district office, stating the reason given by the board for the denial of the certificate. This information will enable the ODT to determine the kind of action to be taken, if assistance is warranted.

TRADE AT HOME FIRST

BETTIQUETTE

SAYS

New York designers say that girlish looking dresses and soft dressmaker suits will be seen everywhere, with the coming spring. Sharp tailored lines are disappearing in favor of soft, rather low-gathered necklines. Weskit and unexpanded chest girths are definitely on the young side. Jumpers will retain their hold, ditto to the sun-back dress. The two-piece look achieved by two colors in one dress with the darker color on top is another sign of spring. Strong tropical colors predominate and the newest of these are saffron, ginger, citron, harlequin pink and pistachio. One of the most sensational style developments for spring is the carry-over of glitter onto warm weather fabrics such as gingham, chiffon and crepe.

Spring prints are personal and full of whimsy. Included are broken dishes on white crepe, matchbooks, pussycat faces, ration points and steaks. Print dresses are shown with wool coats that have a matched but not married look.

A new spun rayon weave called "Lanature" made of Du Pont Rayon Tow, is being introduced for spring blouses. It is featured in front-button and attached details. Most of these models have short sleeves, jewelry necklines and button up the back.

HATS

Three of the country's top designers have formed the Millinery Inspiration Group. They are Lily Dreier, Sally Vidor, and John Frederic and their efforts influence the entire trade. Directly from this source come the new, latest hats fall generally into three major groups: the bonnet, the sculpture hat and the largest, brimmed models. The bonnets are mostly head-fitting, some with square top crowns. Featured is a double brimmed "Milk Maid" bonnet with a long spray of felt flowers cascading down one side. The half-hat results from the combined open back and off the brow line. Many versions have folded draped curved lines. If it is a large brim you date on, this season's models have cut out on the side and often open-backs as well.

As for materials, felt is the leader but you'll see plenty of straw braids, sometimes as trim on a felt hat and usually then in contrasting colors. Great originality is shown in the use of grainy ribbon for bands, bows and streamers. Patriotic motifs such as golden eagles, gold buttons and chevrons distinguish a group of more tailored felts. Bright shades, pastels

Varieties of Canned Carrots Are Described by Demonstration Agent

By Mary W. Armstrong
Home Demonstration Agent

That a rule about serving at least one green vegetable each day is just as important in January as it is in June. More so, perhaps, because most families are much more likely to eat green vegetables in the summer-time, when they can pick them in their own gardens, than they are in midwinter. In thousands of New Jersey households—and throughout the Nation—the family canning shelves are providing that daily green as yellow vegetable. Carrots, which fortunately are also available fresh, are one of the top favorites.

Not only are carrots adaptable to a variety of treatment at the hands of a clever cook, but by reason of their belonging to the yellow vegetable group they contain greater amounts of vitamin A than do their brothers in the white vegetable group. They offer other vitamins, too, of course, and they provide minerals in generous quantities.

If your carrots have been canned in a variety of treatment at the hands of a clever cook, but by reason of their belonging to the yellow vegetable group they contain greater amounts of vitamin A than do their brothers in the white vegetable group. They offer other vitamins, too, of course, and they provide minerals in generous quantities.

REGIONAL HIGH

Editor's Note: "Regional High" covers the happenings of interest about farms, public and what they're doing.

John Edward Bowley, fire cadet from 3/C, and Aviation Cadet Robert K. Bowley, sons of Mr. and Mrs. Kenneth Bowley of 317 Myrtle avenue, Garwood, are both graduates of Regional High School and enlisted in the Navy and Army Air Force, respectively. Fire Controlman Jack graduated from Regional High in 1940 and attended Union Junior College, Cranford. Prior to enlisting in the Navy on August 12, 1942, he was employed by the International Motor Co., Plainfield. He received his boat training at Newport, R. I., then was sent to school in Washington, D. C. to study range finding and was then transferred to Norfolk, Va. On December 18, 1942, he was assigned to a ship and in March of '43 he was transferred to the South Pacific, where he has been located since. During his schooling at Regional High, he was active in wrestling, cross country, track and indoor track.

Aviation Cadet Robert K. enlisted in the Army Air Corps on July 13, 1943, and has been stationed at Hiram College, Hiram, Ohio. He completed his five months' course in January, and is being sent this week to San Antonio, Texas to be classified as a pilot, navigator or bombardier. Prior to entering Hiram College, he spent eight weeks in Miami Beach, Fla., where he received his basic training. Bob graduated from Regional High, who he was active in football, track, cross country, wrestling, band and the swing band.

Corporal Edith Shapiro, WAC, daughter of Mr. and Mrs. Nathan Shapiro of 145 Bayview road in Clark Township, was home recently on furlough, but is now back to duty at the Subsistence Branch, Army Service Forces, Camp Blanding, Fla. In recent Army pictures, Cpl. Shapiro was shown with Master Sgt. Ray W. Malston, who operates the quartermaster's bakery, learning the Army's method of testing its home-made bread. Corp. Shapiro is in charge of all food rationing for personnel at Camp Blanding. She has been in service for ten months, receiving basic training at Fort Oglethorpe, Ga.

Brother Held by Nazis

Flying as a staff sergeant, the brother of Helen Kenney, of 747 Hunterdon Street, Newark, was taken a prisoner of war when his flying fortress was shot down over Germany. And that's one of the reasons Helen has been so eager to put her best efforts into her job of inspecting vital radio tubes for the armed forces made at the RCA plant in Harrison.

Helen Kenney
Brother is a P.O.W.

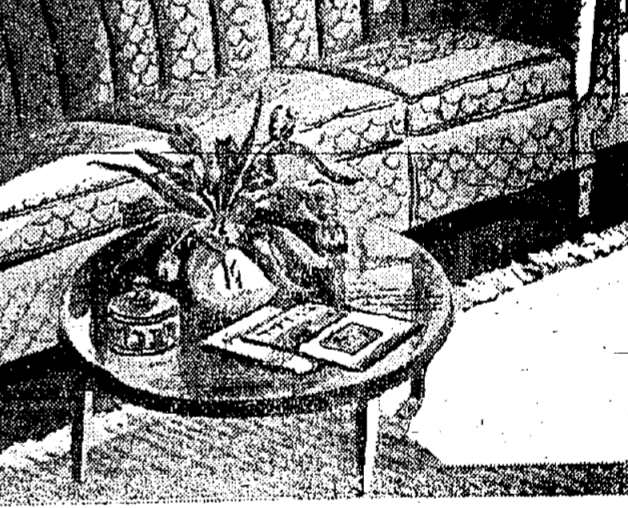

"I like the work," says Miss Kenney, "especially because the equipment we're making is going to the front where it will help bring my brother back home soon."
Apply for a war job at the RCA employment office, Sussex and Fifth Streets, Harrison, New Jersey, daily between 8 a.m. and 5 p.m.; or Thursday until 8 p.m.

Why are Fisher's Prices on Better Furniture so much LOWER?

Our recipe for success is simple. We take one part quality, one part style, and add the ingredient of the lower prices made possible by our on-the-highway location. The result is a delightful dish of greater value. We scour the markets of Jamestown and Grand Rapids constantly, for better buys in better furniture. We choose only the best products of America's better makers. That's why so many women tell us we've brought a "Fifth Avenue store to their back door." Your inspection is invited.

LOOKING AHEAD
 BY GEORGE S. BENSON
 President, Harding College,
 Severy, Arkansas

America Lead—George Washington never rode a wheel. If he had lived until the bicycle was invented, he would have been 110 years old. In Washington's day the United States with its Constitution, its popular vote and its representative law-making bodies was laughed at by people who discussed it in far-away lands. They called it a queer government experiment in a frontier country. Now look at us.

Last week this column said that anybody who wanted to change the American system could win an enemy of humanity, and we promised to say why. The reason is that America leads the world in benefiting all mankind. Since George Washington's day, America has used freedom that he and his contemporaries protected with the Constitution, to show the world how to live and make progress.

High Achievement
 Mental man never created anything of more value to the race than America's system of open competition—Private Enterprise. Out of every 400 people on earth, 25 live in the United States, only 6.25 percent, but we send more young people to high school and college than all other countries combined. Our farmers are richer than Solomon. They never saw a golden scepter nor a jeweled crown perhaps, but their homes and barns hold many useful things that Solomon would have enjoyed but could not buy.

Things not available to Solomon which any American can get now through Private Enterprise are countless. Imagine: Solomon's personal car was horse-drawn; he had to guess what time it was on cloudy days; he never saw a movie and all the news he ever got was hearsay. The royal palace was not wired for electricity, had no telephone and no radio. The king ate what grew in Palestine and liked it because transportation and refrigeration both were in the early stages of makeshift.

Nothing Is Perfect
 Between Solomon's reign in Canaan and Washington's administration in U. S. A., (well it 2,000 years) there was surprisingly little gain in human well-being. That progress was made in America, where rewards of Free Enterprise inspired vast numbers of people to set their minds and hands to work doing worthwhile things. Out of it came the culture, convenience and wholesome enjoyments of the age in which we live.

America has passed through some periods that everybody in the country thought were bad. Our political leaders and industrial barons have made mistakes which anybody can see by looking backward. No longer ago than 1936 when employment was low, our jobs, "unfortunate" changes to their relief work in private motor cars. When the American people's spirit was at its lowest, our national income was larger than that of six foreign countries—any six.

A Better System
 For purposes of comparison with America's living standards, almost any citizen of the United States would select Europe, and rightly so. Europeans are most like Americans and best understood by most of us. I have often contrasted life here with existence in the Orient where I spent eleven years, but the differences are too marked for comparison. Asia is still in Solomon's time. Europe has advanced beyond

YOUR RED CROSS

BLOOD DONOR'S PRAYER

Give to me no lesser love, God, than that by my giving. Some wear-spent but courageous eager son may keep on living. Grant that the faithful rhythm of my veins, and my hearty singing.

May bring an urgent quickening, and stay his soul's far winging.

Because I have no stalwart lad by birth to call me mother, I ask this small maternal share in one dear to another.

Then shall I walk a quiet but exalted way glad in the knowing.

I feel the flame and for some unknown son life is still glowing.

NEIL GRIFFITH WILSON,
 Kenwood, Sangamon County, Cal.

THINGS YOU SHOULD KNOW

Gertrude Neidinger, a famous satirist who has gained a wide reputation as a master of the monologue will be one of the guest entertainers at the opening rally for the Red Cross drive on February 28 at the Legion Hall. Four Boy Scouts and four Girl Scouts in full uniform will participate at the rally meeting.

Springfield's only girl quartet, headed by Lorraine Keller will have a prominent spot on the rally program.

Refreshments will be served by the Red Cross Canteen at the rally meeting.

Mayor Wilbur M. Selander, Charles Huff, Harold Nemlinger and Ray Waldeck will head the speakers' program at the rally meeting.

The canteen service on Tuesday of this week served a modest hot luncheon to the surgical dressings workers in the Methodist Church. Last Tuesday the volunteers joined other Springfield folks in the luncheon served by the ladies of the church.

Mrs. Lewis F. Macartney, chairman of surgical dressings, praises highly the attendance on Tuesday, but regrets that unless the attendance on Thursdays, which has been so meager, increases, it may be necessary to abandon the Thursday meetings.

Two classes in Home Nursing have recently completed the twelve weeks course, two hours per week. The class of Mrs. F. M. Kerr, registered nurse, consisted of the following students: Mrs. F. Maronick, Mrs. R. J. Powell, Mrs. Edward Breeze, Mrs. J. Nishubur, Miss Lillian Marshall, Miss Grace Carmichael, Miss Edith Bohl, Mrs. William Smith, Mrs. George Harrison, Jr. and Mrs. D. Baker.

In the group led by Mrs. Thomas J. Koppel are the following: Mrs. E. Hultlof, Mrs. R. Klusey, Mrs. J. Weigang, Mrs. H.

Hanbald, Mrs. Edward Wronsky, Mrs. J. Andrews, Mrs. E. Leonard, Mrs. J. Polizotto, Mrs. P. Portnoy.

All who have successfully completed the course will receive certificates, and when they arrive from Washington, a little party will be given for the class to celebrate the event.

Mrs. Morris Lichtenstein is forming new classes to start in March. Those who are interested in taking this valuable course are urged to register as soon as possible by calling Red Cross, Millburn 6-2603, as soon as possible.

Arrangements will be made to meet the desires of registrants for evening or afternoon classes; also, if groups prefer to hold life class sessions in individual homes, rather than at the Town Hall, Mrs. Lichtenstein will try to adjust the schedule accordingly. Please express preference and call headquarters without delay.

PLANNING SPRINGFIELD

Nearly every community is adjusted somewhat to the topography or natural features of the land on which it is built, and to the convenience and needs of its citizens. Many times, however, because no one has considered the future, mistakes have been made in the development of the community which are costly and sometimes impossible to remedy. Areas are built up with no regard for parks or playgrounds. Streets are laid out without regard for

proper grade or for construction or maintenance costs. The economical division of lots and building of houses is ignored. Disarranged neighborhoods and scattered developments are allowed. The natural advantages of the community are disregarded. Run-down neighborhoods and eventually slum areas are the result. In order to avoid the mistakes of the past and in order to make the most of the future, a community must be planned. Extensive studies must be made and a definite program must be decided upon. Planning assists in the orderly development of the community and tends to focus attention

on the necessity of planning. Planning is a procedure commonly enough applied to man's personal affairs—to the building of his house, to the management and expansion of his business, but many times with little regard where the future of the community is concerned. Planning is the exercise of intelligent foresight. It helps to avoid costly mistakes. It helps to avoid unnecessary waste of effort and resources. It can be the means of supplying better public service at less cost. Planning is not an excuse to create jobs or to promote or to sanction unneeded expensive public improvements. Analysis of ex-

isting conditions in a community may indicate conditions which should be corrected and may emphasize the lack of certain needed improvements and services. Planning aims to improve the community in the future, not only in the aesthetic sense, but from practical and economical angles. Proper planning assures a more beautiful community, a more practical community, and at a minimum of expense. The best time for planning is in the beginning. But this does not mean that if the beginning is past, planning is useless, because the necessity for planning then increases. Change and develop-

ment are constantly in progress. In twenty or thirty years the population of many communities doubles. In twenty or thirty years the built-up areas of many communities are entirely rebuilt. In practically all communities, large public and private investments are made each year in constructing buildings, streets, and other general improvements. The purpose of planning is to provide that the construction and improvements are accomplished in accordance with a well-defined program and not regarded as separate projects without consideration for the future welfare of the community as a whole.

Light Voting Is Expected Tuesday At School Polls

MOUNTAIN SIDE - Light voting is expected in the district school election in the Mountainside School Tuesday night. The polls will be open from 7 P. M. to 9 P. M.

Austin Johnson is unopposed for reelection for a full three-year term and Leslie Smith, who was appointed last year to fill an unexpired term, will be a candidate for a two-year term.

The following items will be submitted: Current expenses, \$20,615; repairs and replacements, \$2,000; manual training and domestic arts, \$565; and capital outlay, \$300. A total of \$23,480 will be raised by taxation of \$23,567.

Rangers to Don New Uniforms

MOUNTAIN SIDE - The Mountainside Rangers, an athletic club recently formed by Charles Wadwa, has been ordered to don new uniforms. The suits will be purchased by Ralph Sandler, of the Mountainside Drug Store and the jackets will be purchased by Harry Blawie.

Meeting Plans Changed By Birch Hill Members

MOUNTAIN SIDE - The Birch Hill Civic Association met Tuesday night at the home of Mrs. Joseph Hershey of Oak Tree road. It was decided for the duration to meet quarterly instead of every month, unless special business required immediate attention. The next regular meeting will be in May.

Brothers on Furlough

MOUNTAIN SIDE - Pvt. John Rumpf and Pvt. Fred Rumpf, sons of Mr. and Mrs. Fred Rumpf of Route 20 were both home on furloughs last week. John has just been assigned as instructor in motor vehicles in the armored force, and left Wednesday for Fort Knox, Ky. where he is stationed. Fred is a permanent party at Fort Dix and returned to his station last week-end.

SCHOOL NOTES

At the lower grade assembly on Wednesday morning the first grade presented a play on "The Snowman." A patriotic sound motion picture entitled "Star-Spangled Banner" was also shown.

After school athletics are enjoyed by many boys every Monday, Thursday and Friday afternoon, under the direction of Charles Wadwa, supervising principal.

Eight pupils have been placed under quarantine by the Board of Health in the second grade to stop any epidemic of chicken pox. Two children came down with chicken pox in this grade and the Health department felt that by quarantining their phymates, it would prevent an epidemic from occurring.

Miss Frances Featherstone and Mrs. Herman Gold, teachers, took 27 children to the Opera in New York City on Friday.

Mrs. Igor Paulson, the former Miss Frances Martin, who was granted a year's leave of absence, has resigned and will not return next Fall. The vacancy has not yet been filled.

Mr. Wadwa will attend the Progressive Education Association meeting in New York City on Friday and Saturday.

WHO'S WHO in MOUNTAIN SIDE

CHIEF CHARLES HONECKER

MOUNTAIN SIDE - Chief Charles Honecker has been serving the borough for the past ten years as Chief of Police. Prior to his appointment he served two years as a special police officer and two years as a marshal. He came here 25 years ago with his parents and settled on the Hamilton Farm. He was in the contracting business before becoming a "long arm of law and order." He was married to the former Matilda Arnold of Elizabeth in 1923 and they have two sons, Charles, Jr. 19, who is with the Paratroops in England, and Robert, 15.

Chief Honecker was a member of the Board of Education, first aid and fire department at one time. He is now a member of the International Chiefs' Association and the State Chiefs' Association. He has always been interested in baseball and a few years back, managed the Mountainside A. C. when they were in existence. Records show that they garnered quite a number more bingles than their opponents. He played second base and center field, and also cuts a good figure on the dance floor.

An interesting incident in his career as Chief, was in tracking down suspects in a series of robberies on the Mountainside Drug Store in 1936, owned at that time by Milton Soskin. The chief, in cooperation with Newark police, brought an end to robbing gangs. Three young men made plans to take the receipts at the drug store and two of them, at the appointed time, leaving the third man out and adding a new one, stole a large sum of money. A few weeks later, the third man who was left out, organized his own gang and robbed the store. The chief made it a practice to attend all meetings in this section in an effort to apprehend the bandits who held up the store and after relentlessly pursuing a slim clue, and hearing a chance remark in a police lineup, all suspects were eventually caught and apprehended. The robbers involved three convicts from State Prison, a bandit leader who acted as a night club operator and his confederates.

When Chief Honecker first served, he was the lone police officer in the entire community, subject to duty on a 24-hour basis, as compared to today's enlarged police force. It was not an unusual occurrence at that time to see him on school crossing duty, patrol or any detail assigned to the routine of every day police protection.

Editor's Note - A sketch of Mountainside personalities in borough affairs, "Who's Who" will appear each week with a different subject, man or woman, public office or a local personality worth knowing something about.

Many Springfield SUN readers are surprised for what you have to sell. Why not sell "What's Who" in the SUN's classified section. It's inexpensive and productive.

Instructions for Car Owners Told

MOUNTAIN SIDE - Chief C. Hoy, chairman of the Defense Council has been asked by the Office of Civilian Defense to issue the following instructions to car owners in all local papers:

1. Watch the newspapers and radio weather predictions for expected snowstorms.
2. If snow is predicted, park your car off the public streets and highways to permit proper operation of snow plows and prevent your car from being buried.
3. If it is impossible for you to park entirely off the street, do not park on any main street or highway, but park on a side street as directed by your police authorities.
4. Put chains on your car at first sign of snowfall.

Only 15 Out at Regional Polls

MOUNTAIN SIDE - Fifteen voters turned out in favor of the proposed budget by the Regional Board of Education for 1944-45, on Tuesday night at the school. There were no dissenting votes. The amount to be raised by each of the six districts is based on last year's assessed valuation. The amount raised last year by Mountainside was \$6,815.17, and the amount that will be raised for next year's budget is \$7,055.01, an increase of \$239.84.

Youth Hurt in Wheel at Park

MOUNTAIN SIDE - Taken to Muhlenberg Hospital, Plainfield, on Sunday in the Scotch Plains Rescue Squad ambulance was Lawrence Ruzicki, 12, of Edgar road, Westfield, who was injured on the water wheel in Echo Lake Park. He was climbing around the wheel with several companions when it turned and pinned him against the stanchions. He was injured in the chest and arm.

Attended Meeting

MOUNTAIN SIDE - Charles Wadwa, supervising principal attended the monthly meeting of the county superintendents and supervising principals held at the Park Hotel in Plainfield on Wednesday, in honor of Dr. A. L. Johnson's 30th anniversary as county superintendent. The members presented Dr. Johnson with a wrist watch as a token of their esteem.

Let's All BACK THE ATTACK!

WHAT WOULD a wounded soldier think of you if he could hear you say, "I can't afford to buy an extra War Bond?"

He might remind you that he couldn't "afford" to go to war! But he went, and now he's making more sacrifices . . . for you. No wonder he expects you to do something that will help him!

Especially when all you're asked to do is to buy an extra \$100 War Bond this month. So check over your budget . . . see if you can't swing at least an extra \$100 . . . or \$200 . . . or \$300 . . . or even \$500 for extra War Bonds. You'll find that you can . . . and it's no sacrifice, either. For War Bonds are the best investment in the world today!

WHAT THE SUN ADVOCATES

1. Sidewalks wherever needed.
2. 5c bus fare to Union Center.
3. Extended local telephone scope to Newark and Elizabeth.
4. Federal Post Office building.
5. An active Board of Trade to stimulate "Try Springfield First" in purchasing.
6. Full-time position for the Township Clerk's office.
7. Encouraging clean industry, to increase tax ratables.
8. Extension of mail delivery by local R. F. D. routes, to all portions of the township.

THE SCHOOL ELECTION

If the Regional school voting this past week reflects the interest in affairs of our local educational systems, we stress the importance of three public questions to be submitted to the voters Tuesday night by the Springfield Board of Education.

The school board, believing that in the near future, expansion to the James Caldwell and Raymond Chisholm Schools is inevitable, has studied the situation and asks the public to consider acquiring more land.

A true expression of a course to follow by a large number of voters would be more in keeping with our democratic way of government, than if as few as 22 voters turn out, as they did at the past Regional district election. Such large expenditures by municipal boards deserve a more representative stamp of approval, even if nobody objects.

13 Big Improvements Needed Now

Here is what is needed immediately
to modernize your hospital:

1. A blood bank and a physiotherapy department in a new laboratory extension, including modern equipment and fixtures.
2. New Medical instruments.
3. A new fireproof roof to replace the wooden non-fireproof shingle roof on the main hospital building.
4. Modernization of kitchens, with new hygienic tiling of walls and floors.
5. New and more adequate kitchen equipment.
6. A dishwashing machine installed in a new room.
7. A separate heating plant.
8. New furnishings for the nurses' home.
9. Reconstruction of pharmacy and general store rooms, to achieve greater efficiency as well as space.
10. A new surgical supply room, centrally located.
11. Enlargement of the emergency clinic and out-patient departments.
12. Extension of sprinkler protection system.
13. Maintenance equipment.

All these items will cost \$152,000. Over \$112,000 has already been raised. If you have not already been called on by one of the volunteers, please send in your check, or your pledge.

If you have already made a gift to Overlook, increase that gift if you can.

Triangles, Severnas Tied for Top Spot In Bowling League

A deadlock between Triangles and Severnas Avenue for top place in the Municipal Bowling League resulted Monday night as Colonial Rest, with Dean Wildmer in the lineup, tripped up the Triangles for 2 out of 3, and Severnas took a clean sweep from the Air Wardens.

But the biggest surprise occurred when the lowly Regional trio, winners of 15 games all season, rose to the heights, bowled three good scores to shut out Funcheons, 3 to 0. As the result, the latter dropped from seventh to tenth place in team standing.

Bound Brook No Match for Locals

The luckless Bound Brook five, losers in all of their games this season, were no match against Regional at their court Tuesday afternoon and were swamped, 64-37, in the biggest scoring spree of the year for the locals.

Regional Upsets Roselle Parkers

Regional's improved basketball squad upset a favored Roselle Park opponent at home Friday night, 35-23, snapping their opponents' four-year winning streak which extended over such teams as Westfield, North Plainfield and Cranford.

The Parkers were ahead until the final stanza, when the Bulldogs forged to the front in a 11-4 rally. The Jayvees won easily, 31-19, in a similar contest. Roselle Park's juniors were on the short end of a 22-19 count, but were shut out in the closing period.

Continuing to Play Tuesdays

The weekly meeting of the recreational group playing basketball is being held as usual in the James Caldwell School on Tuesday nights. This group sponsored by Continental Post 228, American Legion, plans to be ready for a tournament. Ted Ganska is acting as referee.

MEN IN SERVICE

Mrs. Clifford E. Denison of Baltusrol road, Summit, formerly of town. She is a graduate of Regional High, class of '39, and has been employed as a switchboard operator in the Office of Dependency Benefits. Her sister, Edna, is an apprentice seaman in the WAVES, and also graduated from Regional High, class of '41. Mrs. O'Grady's husband, Staff Sergeant Billie G. O'Grady, is in the Army Air Corps, stationed overseas.

Another surprised serviceman, Corporal John J. Corbett, sends us the following letter, telling of his witnessing the Army and Navy film on "The Old Home Town." "Gosh, was I surprised! There before my very eyes were flashed scenes that, up until that very moment, were nothing but fond memories—our friends and neighbors, our town and our achievements. All this occurred to me as I sat watching the eighteenth edition of the Army and Navy Screen Magazine, entitled "The Old Home Town," Springfield, New Jersey. It was a film vividly describing how much you folks back home have been missing us, and how much our letters mean to those we love.

"Since this film is restricted to Army and Navy personnel, I doubt if it will be released to the public, but I am sure of one thing, that if you could see this film, you would be as pleased and as proud of Springfield as I am.

Corporal Corbett is the son of Mr. and Mrs. John J. Corbett of 27 Keeler street, and is stationed in Arizona.

Otto J. Hoffer Jr., son of Mr. and Mrs. Hoffer of 15 Evergreen avenue left on Tuesday for the U. S. Army at Fort Dix. Prior to entering the service, Pvt. Hoffer was employed by Potter's Aircraft Co. in Maplewood, as a toolmaker.

(Editor's Note.—When your service man or service woman has been home on furlough, been promoted, graduated or transferred, why not mail it to the SUN or phone the office. Many of those in the service, miles away from home, like to read of the whereabouts of their friends, former schoolmates and relatives. We will be pleased to accept a photo of your service man, if we do not already have one in uniform. If we do, we'll be pleased to return the picture with a news item at your request.)

How much does it cost to bomb Berlin?

SUPPOSE, in the dusk of an English evening, 1,000 huge bombers soar over the Channel and head for Berlin:

By the time those planes return to England, their motors will have consumed 2,400,000 gallons of gasoline!

The cost . . . of the gasoline ALONE . . . will be more than \$380,000.

To pay for the gasoline used on ONE such raid, 96,000 Americans would have to invest at least 10 percent of their next pay check in War Bonds!

You get a big kick out of reading about those 1,000-plane raids. You know that such raids, if repeated often enough, will soften up the Axis. But . . .

What are YOU doing to help pay the cost of those raids? (In addition to the gasoline they use, it costs Uncle Sam TWO HUNDRED MILLION DOLLARS to build 1,000 4-motored bombers . . . plus the cost of training the 10,000 men who make up their crews!)

Modern war is expensive business . . . its cost runs into fantastic figures. 30,000,000 American wage earners are now putting an average of 10 percent of each pay check into War Bonds every pay day . . . but still it isn't enough!

Our air raids on the Axis are increasing in frequency and intensity. When land operations really get going, the cost will be staggering!

More and more Americans must join the Pay-Roll Savings Plan . . . more than those already in the Pay-Roll Savings Plan must begin to jack up their War Bond purchases . . . must start to invest more than 10 percent!

Remember . . . War Bonds are the finest investment in the world today. You get back \$4 for every \$3 you invest. And . . . the more War Bonds you buy now, the quicker the Axis will be licked . . . and the less the war will cost in the long run.

Think it over. And every time you're tempted to put a nickel in something you don't absolutely need—put it in War Bonds instead!

Local Budget Notice—Year of 1944

It is hereby certified that the budget annexed hereto and hereby made a part hereof is a true copy of the budget approved by resolution of the governing body on the 2nd day of February, 1944.

ROBERT D. TREAT, Clerk.

It is hereby certified that the budget annexed hereto and hereby made a part hereof is a true copy of the budget approved by resolution of the governing body on the 2nd day of February, 1944.

FREDERICK J. STEFANY, Registered Municipal Accountant, Drake Bldg., Irvington 11, N. J.

BE IT RESOLVED, that the following statements of revenues and appropriations shall constitute the local budget for the year 1944:

BE IT FURTHER RESOLVED, that said budget be published in The Springfield SUN in the issue of 4th day of February, 1944.

Notice is hereby given that the budget and tax resolution was approved by the Township Committee of the Township of Springfield, County of Union, on February 2nd, 1944.

Any hearing on the budget and tax resolution will be held at Municipal Building, on 25th of February, 1944, at 5:30 o'clock, at which time and place objections to said budget and tax resolution of the Township of Springfield for the year 1944 may be presented by taxpayers or other interested persons.

STATEMENT (Required by Revised Statutes, Section 402-14)

Table with columns: Local Taxes, 1944, 1943, Actual 1942. Rows include: Taxes for (a) As shown by Budget Less Bank, (b) As shown by Budget Less Bank, (c) Bank Stock Tax, (d) Local District Schools, (e) Regional High School, (f) General County, (g) County District Court, (h) State School.

EXPLANATORY STATEMENT The Budget for the year of 1944 has been prepared on a "Cash Basis" in accordance with the Local Budget and Cash Basis Acts.

The Township Committee has no control over the amounts to be raised for Local District Schools, Local Regional High School or State and County Taxes.

Both the Local School District and Regional High School District, taxes are higher in 1944 than in 1942.

Total Municipal Appropriations for 1944 are lower than in 1943 due to Decreased Debt Service Appropriations.

Receipts from Collection of Delinquent Taxes, Title Loans and Miscellaneous Revenues are anticipated at a lower figure in 1944 than in 1943 but these decreases are offset by a higher anticipated collection of current year taxes.

Continued increased tax collections during 1943, plus receipts from the sale of surplus property, resulted in sufficient surplus on hand at the close of the year to permit the use of part thereof in preparing the 1944 Budget.

The Tax Rate for 1944 is estimated at 5.69 compared to 5.09 in 1943 and 4.80 in 1942.

ANTICIPATED REVENUES

Table with columns: General Revenues, Anticipated 1944, 1943, Realized in Cash in 1943. Rows include: 1. Surplus Revenue Cash Appropriated, 2. Miscellaneous Revenues, 3. Special Items of General Revenue, 4. Receipts from Delinquent Taxes.

APPROPRIATIONS

Table with columns: GENERAL, 1944, Appropriated for 1943, As Modified by Transfers, Expended in 1943. Rows include: 1. OPERATIONS: (a) Operations, (b) Administration and Executive, (c) Public Properties, (d) Streets and Roads, (e) Sanitation, (f) Health and Charities, (g) Recreation and Educational.

DEFICIT BY TREATY—Chapter 5, P. L. 1942. The deficit revenues anticipated during the year 1944 from Dog Licenses are hereby anticipated as revenue and are hereby appropriated for the purposes to which said revenue is dedicated by statute or other legal requirement.

DEEDS

NOW IS THE TIME...

Now is the time for all wise men to come to the aid of their water pipes.

Winter's fury may be just around the corner. Burst water pipes mean inconvenience to you, due to lack of running water, and costly repair bills.

In these days of shortages, both manpower and critical materials, neglect of water pipe protection against cold weather is unpatriotic.

Here's what to do:

• Wrap exposed water pipes with old newspapers, rags or burlap.

• Make your basement air tight. Repair broken window panes. Stuff cracks in walls, around windows and around doors which admit cold air.

A warm basement conserves heating fuel and protects your pipes and plumbing against freezing, which is important now. Material to repair burst water pipes and plumbers to do the work are extremely difficult to obtain in these days of material and manpower shortages.
