

ARCHITECT'S SKETCH OF PROPOSED GARDEN APARTMENT PROJECT

PROPOSED GARDEN APARTMENTS FOR RINHART CONSTRUCTION CO. SPRINGFIELD, N. J.

Garden Apartment Plans Discussed By Joint Boards

Plans for the proposed garden apartment project in Morris avenue were discussed at an informal meeting Monday night of the Planning and Adjustment Boards, and will be further taken up at a conference Monday night in the Town Hall between the boards and Elmer N. Rinhart of Rinhart & Co. of Summit, who will build the structure.

An architect's sketch and layout of the project was studied by the joint boards Monday night, and several changes considered to be taken up with Mr. Rinhart. The apartments would cost \$500,000 and be of red brick, colonial construction, based on the same type of project as Manley and Kent Court apartments in Summit, also built by Rinhart.

Freshmen Report To High School On September 6

Freshmen entering Regional High School this year must report to the school at 8:30 A. M. on Wednesday, September 6. Tentative periods will be held to enable the new students to meet their teachers and get acquainted with their classes. Classes will close at noon on this day.

SUN Spots

THESE HAZARD NIGHTS are adding new woes in several sections of the township. Open windows, difficult sleeping and a stay-at-home policy is keeping about more radios to the discomfort of neighbors in at least two sections, we're told. In fact, it's supposed to be so bad that at times programs are drowned out by outside radios blaring at all hours of the night.

Lt. Col. John Lee Wounded July 26

Lt. Colonel John L. Lee, son of Mrs. Bessie B. Hollister of 184 Towner avenue, was seriously wounded in action July 26 in Normandy, according to a telegram received here Sunday from the War Department.

LT. COL. JOHN L. LEE

The highest ranking Springfield man in the U. S. Army, Lt. Col. Lee was with a reconnaissance group in Normandy France, Belgium and England training troops. He served with the Essex Troop, National Guard, before war broke out and entered the service as a captain, soon advancing to major and then to his present rank.

To Hold Paper Drive On Sunday

Otto Heinz, chairman of the local Salvage Committee, has announced that a collection of paper will be made throughout the township on Sunday from 2 to 6 P. M. Waste paper continues to be the number one critical item in the salvage effort, and everyone is asked to cooperate during the remainder of the month and September to make these collections a huge success.

Rahway River Water Polluted

A test by State Department of Health officials of water in the east branch of the Rahway River, at three different points, was taken on July 17 and revealed heavy pollution. Dr. Henry P. Dengler, health officer, reported Wednesday night to the Springfield Board of Health.

Here is the architect's sketch of the proposed \$500,000 garden apartment development, facing Morris avenue and situated at the southeast corner of Short Hills avenue. It is proposed to have two units and consist of 128 apartments. It would be identical to the Manley and Kent Court apartments built in Summit by the same owner, Elmer N. Rinhart & Co.

War Fund To Help Pay For Free Service Papers

Springfield's 1944 War Fund Campaign will actually represent a semi-Community Chest, it was pointed out at a committee meeting Monday night in the Town Hall, as Roy Waldeck, chairman, explained requests for funds will include Boy Scouts, Girl Scouts and contributing toward the expense of sending the Springfield SUN free of charge to all local men and women in the service.

Committee Votes Tax Exemption On Legion Building

A resolution was adopted by the Township Committee Wednesday night exempting the American Legion Building from tax assessments for 1944 and subsequent years, based upon an opinion from Counsel Herbert A. Kuhn, who last week cited several State statutes in which municipalities had been so favored.

Dividend For Baltusrol B & L

The 16th annual meeting of the shareholders of the Baltusrol Building and Loan Association was held on Monday evening at the office of the secretary, Edward A. Conley, 277 Morris avenue.

Business Men to Meet

The Springfield Business Men's Association will meet Thursday night at 8:30 in the Legion Hall, to further discuss adoption of by-laws. Frank Cardinal will preside.

War Fund To Help Pay For Free Service Papers

Mayor Wilbur M. Selander is chairman, ex-officio, of the committee and in addition to Mr. Waldeck, the policy committee is comprised of the following: Charles H. Huff, treasurer; Max Richard Gryniewicz, secretary; Richard T. Bunnell, business district; Mrs. Fred W. Compton, first district manager; Charles F. Heard, second district manager; and Eugene Entorf, third district manager.

Committee Votes Tax Exemption On Legion Building

The balance of the monies collected, less expenses to conduct the campaign, will go directly to the N. J. State War Fund where it will be allocated to 22 different agencies carrying on a worthy cause such as U.S.O., War Prisoners' Relief, Seaman's Relief and others.

Dividend For Baltusrol B & L

The association's auditor, Floyd P. Conklin, C. P. A., was on hand to render a report of the activity for the past fiscal year ended June 30. This report proved to be very satisfactory and the Board of Directors later decided to credit all shareholders accounts with a 2 1/2 per cent dividend and place the balance of the earnings in the reserve fund.

Claims Newer Homes Are Assessed "Out Of Scale"

Revision of the existing policy on township tax assessments was requested of the Township Committee last Wednesday night in a letter from Wilbur D. Schuster, who asked that equalization be made between "some of the newer developments" and the older sections. His letter follows:

"Since I know for a certainty that property owners in some of the newer developments are paying less tax dollars than owners of property many years older, such as mine, I urge you to correct this 'maladjustment' when properties are assessed October 1, 1944.

War Prisoners Aid

While War Prisoners Aid of the Y. M. C. A., a participating service of the National War Fund, provides materials for leisure-time activities, the prisoners themselves supply the indispensable factor—cooperation. Probably no men in the world do more for themselves than war prisoners. For example, they make lovely art, beautiful violins and ship models, out of mere waste materials. They build theatres, seats, stages and sets, and then produce, and sometimes write, the plays themselves. Prisoner-instructors teach the classes, and prisoner-clergymen are the camp chaplains.

War prisoners study, pray and play harder than most free men. Not only faith and ambition inspire them, but also the need to maintain sanity and balance in their somber world. They fight for their morale, like the soldiers they are.

It is perhaps natural that they should produce some remarkable leaders. Consider Sergeant Clyde Bennett, 22 years old—the youngest American in Staling 111 B—and nevertheless chosen camp leader by his comrades. His job is as responsible as, and far more difficult than, that of mayor of a good-sized city. Yet every report from visiting Y.M.C.A. representatives praises his vision, fact and administrative ability, and the resultant high morale of his camp.

Opportunity For Canning Offered At Public Center

With the canning season nearly over, it may be well to remind residents of Springfield and Mount Pleasant of the Canning Center available for their use at Regional High School. Many have welcomed the opportunity of using the kitchen, but there has been room for more. With the awareness of a probable shortage of canned goods in the approaching winter, a most cordial invitation to take advantage of this year time project, is extended to everyone.

Although it is because of the emergencies of war that this center has been set up in Springfield, it is interesting to know that such kitchens have been successfully operating for many years throughout the country. Co-operative buying, canning in tin, stream-line production, are most interesting possibilities if the necessary amount of interest is shown.

To date, the canning has included garden produce, poultry and rabbits. Peaches and tomatoes will be at their best shortly. There is no charge for the use of the Center. A patron brings his or her own produce and jars, using the equipment in the kitchen for the work.

In order to be assured space for the canning desired it is necessary to make appointments. This may be done by telephoning Millburn 6-0850 during the hours the kitchen is open. At present, those hours are Monday 11 to 2 P. M., Tuesday and Wednesday, 9:30 A. M. to 5:30 P. M.

Why not make use of an opportunity to keep the "fuss and muss" and heat of canning out of your home? Stock your shelves with products prepared in the friendly, neighborly atmosphere of the Community Canning Center.

Canning Center Supervised By Mrs. T. V. Mundy

MRS. THEODORE MUNDY
Mrs. Theodore V. Mundy of Mount Pleasant, active in community affairs there, has been engaged to be supervisor of the Canning Center at Regional High School, operated under the Rural War Training Program.

She is a past president of the Mount Pleasant P.T.A., having resided in the borough for six years, and is the mother of three children. A son, Fred, is a sophomore at Regional High and Teddy, another son, is in the seventh grade at Mount Pleasant. A daughter, Alice Ann, is a fourth grader there.

Mrs. Mundy studied home economics at the Framingham State Teachers College in Massachusetts. During the past few years she assisted in the school luncheon program at Mount Pleasant, sponsored by the local P.T.A. She has also been a substitute in cooking and sewing in the Westfield school system for the past three years.

Revising the New Jersey State Constitution

(NOTE—This is the second of a series of educational and informational articles on the proposed revised State Constitution prepared and released by the New Jersey Committee for Constitutional Revision.)

From the rusty shackles of an ancient Constitution, fettered by thick cobwebs of antiquity and out of balance with modern times, New Jersey will soon have the opportunity of freeing itself. The proposed revised Constitution, which will be submitted to the electorate on November 7, has been cleared of the rust and cobwebs accumulated in the past 100 years. It's three-department power is as well-balanced as that of the Army's super-bomber, points out the New Jersey Committee for Constitutional Revision.

With an unchanged "Bill of Rights"—foundations of principles of democratic liberty and independence—but with a revised program of legislative, executive and judicial responsibility and control, the revised Constitution brings up-to-date the machinery of state government.

New Jersey residents, watching across the seas as well-coordinated and finely-balanced Allied forces fight a successful war against the Axis, today more than ever before must realize the need for a well-balanced and modernized Constitution. The Constitutional Revision Committee asserts.

The revision retains many of the time-proven concepts of state government, but as formulated by a Legislative committee and passed upon by the Legislature, the new Constitution is adapted to the needs of today and tomorrow. It sets up state government to establish a separation and balance of power among reconstituted legislative, executive and judicial departments.

Summarizing the major changes, the Constitutional Revision Committee points out that the proposed revision defines the functions of the legislature and concentrates activity of its members on lawmaking and general scrutiny and regulation of state affairs. The proposed revision establishes the governor as the chief executive and supervisor of a reorganized and consolidated state administration. It tightens the controls

FROM GARDEN TO SHELF

SOUPS FROM GARDEN REMNANTS
By MARY A. ARMSTRONG
County Home Demonstration Agent

Thirty homemakers make quilts from scraps of material, raffles from leftover yarn, and with odds

ends of the garden they make home-canned soups which rival a colorful quilt for beauty and which are fully as warming!

At many of last year's canning demonstrations nothing brought forth more enthusiastic oils and hints than the bright jars of soup mixtures. So if you have a few beans and a few peas and a few other vegetables clinging to your garden vines, but not enough for any one for canning, why not can them together as soup mixtures? It's thrifty, and what's more, the soups will be ration-free as well as delicious.

Any combination of vegetables pleasing to the family may be selected from the garden's crops. Combine four or more of the following: corn, lima beans, tomato pulp, carrots, okra, onions, turnip, peas, celery, sweet green and red peppers.

Each vegetable should be prepared as it would be for immediate table use; that is, the lima beans and peas are shelled, the corn is cut from the cob. Other vegetables are washed and cut into uniform pieces.

Cover the prepared vegetables with water or tomato juice and boil them for two minutes. Seasonings should be light, but small quantities of sugar, salt, white pepper, dashes of cayenne and garlic powder, if desired, may be added to this boiling mixture.

After the mixture has pre-cooked three to five minutes, pour it into clean hot jars. Have enough liquid in each jar to cover the vegetables and to prevent too dense a pack.

With a clean cloth, wipe all particles of food from the rim of the jar, and seal according to the directions for the type of closure you are using.

The processing time is important! It must be gauged by the time required for processing what ever vegetable in the mixture needs the longest processing. Therefore, consult your canning time table and gauge the processing time accordingly.

Hot Water Bath
If you process the jars in a boiling hot water bath, the same rule applies: process according to the time required for the vegetable needing the longest processing, and start counting time from the moment when the water boils again after adding the jars.

Special note: Soup processed in a hot water bath must be boiled in an open kettle for at least 10 minutes before being tasted or eaten.

We're glad to have advance notice on Springfield's one-day War Fund drive Sunday, October 8. It gives enough time to get the envelope ready for the collector.

You'll find a complete selection of office supplies at the Springfield SUN Stationery Store, 235 Morris Avenue—Adv.

Notes From Playground

MOUNTAINSIDES At the Echo Lake Playground last Thursday afternoon August 10 a cut-out contest was held. Ernest Conrad cut the best article out of paper without drawing it first. Erica Steinhilber second and Dolores Cechchitini was third.

MOUNTAINSIDES Half and Pals led out Birch Hill Monday night at Echo Lake Park, 5-4, to retain a slight edge in the team standing of the Adult Softball League. Today on their heads are the Rangers, a half game behind, who defeated Watch Hill, 12-11, in a contest protested by the latter. Not too far off of the race is Mountainside Inn, which had a walkaway, 17-1, over the lovely Orchard Park team.

On Monday a "step-back and remember" contest was held. The contestants were given three minutes to look at a sheet of paper on which about 30 articles were drawn. Each contestant was then given a minute to write a paragraph on each article. The winners were: Dolores Cechchitini was first in the contest, Kay Honecker second and Nancy Cechchitini third.

MOUNTAINSIDES Half and Pals led, 4-0, at the start of the second inning but Hill and Pals picked away and added two runs in the fourth and two more in the final fifth inning to win out. Darkness prevented further play. Lineups:

On August 24 at the Echo Lake Playground at 7 P. M. games will be held. The children who have participated in the games and contests at the playground will take part. The circus will be free with the exception of refreshments, which will be cookies, pies and kool-aid. Games such as bingo and "hit the bottle" will be free. There will be an admission to the side show. All games will be until 7:30 P. M. when the big show will go on. There will be a singing and tap dancing act, tumbling, bike act and clown act. A magician will show a woman in half. In the side show will be some of the smallest midgets in the world, a fat lady and others. Everyone is invited.

Darkness played a factor in the Rangers' victory over Watch Hill. Going into the last half of the seventh inning, Watch Hill was ahead by 11 to 1 as the Rangers chukled by four runs to draw closer and it was difficult for the defending Watch Hill team to see their opponents. Umpire DiPasquale decided to call the game at this point, but the Rangers at bat, refused to comply.

MOUNTAINSIDES Request from the Borough of Mountainside that Deer path, from its intersection with Aelerman road to Tanager way, and Tanager way from Deer path to Coles avenue, be taken over as county roads, was received by the Board of Freeholders in Philadelphia last Thursday. It was referred to the road committee.

Play was resumed and while the Watch Hill players groped in the dark, seven more runners crossed the plate and the Rangers called it quits as they had the sufficient one-run margin for a win. A protest by Watch Hill is expected.

Firemen's Picnic To Be Held On Sunday

MOUNTAINSIDES The annual picnic of the borough firemen and auxiliary firemen will be held on Sunday at 2 P. M. at the Hill-top in King Lake Park. The Mayor and members of the Council are invited to attend.

Joseph Hershey is chairman of the committee in charge of the activities, which include Charles Condon and Henry Seveovic. A softball game will be the outstanding feature of the afternoon.

Girl Scouts On Trip

MOUNTAINSIDES Mrs. Henry Seveovic of Beech avenue and Mrs. John Metzger of Central avenue chaperoned the following Girl Scouts to Seaside Park last Saturday: Lucille Savatoricelli, Phyllis Ingate, Ruth Eberenz, Barbara Murphy and Lorraine Seveovic. The girls stayed at the cottage of Mr. and Mrs. A. E. Eberenz of New Providence road, until they returned on Wednesday.

Ernesfine Roeder Is Engaged to Dan Glynn

MOUNTAINSIDES Police Lieutenant and Mrs. Fred Roeder of Highway 20 announce the engagement of their daughter, Ernestine to Seaman first class Daniel Glynn, son of Mrs. M. Glynn of 41 West Broad street, Westfield.

Public Notice is hereby given that an ordinance of which the following is a copy was introduced, read and passed on first reading by the Council of the Borough of Mountainside at a meeting held August 8, 1944, and that the said Council will further consider the same for final passage on September 2, 1944, at eight o'clock P. M. in the Borough Hall, Mountainside, N. J., at which time any person who may be interested therein will be given an opportunity to be heard concerning such ordinance.

ROBERT LAING,
August 8, 1944. Borough Clerk.

GENERAL ORDINANCE NO. AN ORDINANCE TO PROVIDE FOR THE PAYING OF A PORTION OF EVERGREEN COURT, FOR THE INSTALLATION OF A STORM SEWER IN A PORTION OF EVERGREEN COURT, AND FOR THE INSTALLATION OF BELGIAN BLOCK CURBING IN PORTION OF EVERGREEN COURT, IN THE BOROUGH OF MOUNTAINSIDES, COUNTY OF UNION AND STATE OF NEW JERSEY.

YOUR RED CROSS

Services to the Armed Forces Overseas
"Something to read" is one of the first desires of the boys on hospital ships. In Red Cross tents near the front, and even in fox-holes. There are never enough books in hospital libraries, and ships long at sea sometimes wear out their stock before it can be exchanged. There are no Army libraries in the South and Southwest Pacific theatres, and sometimes Red Cross consignments have to remain in base warehouses, since priority is naturally given to troops and war materials. But whenever possible, books are available to servicemen in Red Cross clubs and hospitals. A total of 2,832,826 books and pamphlets were sent overseas last year.

Another popular pastime with servicemen in hospitals and clubs is arts and crafts. An exhibit from each of the different theatres would certainly show a great diversity of articles. There would be weaving from Labrador, ivory from Alaska, carved coconuts from the South Seas, polished wood till they look like ebony. Painting is popular in metropolitan areas, probably because supplies are available, and galleries and exhibits stimulating. Some remarkable pictures have originated in Iceland, and many have been sent back to the States from the Pacific Islands.

"Convalescent servicemen who cannot yet make the effort required to work in wood, metal, or heavy netting, enjoy using their hands on lightweight materials. A hospital worker wrote recently from India: "No matter what the

stage of the patients' illness, they spread out their handiwork for admiration, eyes shining and faces wreathed in smiles."
Not only is handiwork popular in hospitals, but also on long voyages of troopships. The men indulge in their hobbies, and often have competitive exhibits of their work during the trip.
Prisoner of War News
A new post-card for information of war captives in the Far East has been printed by the American Red Cross. The reason for this is that Japan has refused to accept letters of more than 24 words for prisoners. The new post-card is designed to hold a message of this length. The card, which requires no postage, will facilitate censorship, and save weight and space in transportation. You will be able to get these cards at your local Red Cross headquarters. There are 28,000 prisoners of war and civilians officially listed as held by Japan.
The contents of the Prisoner of War packages which are packed in New York, Philadelphia, and St. Louis, has been changed. There are six different standard food packages being sent now, instead of the one which was sent before. The old food parcel contained biscuits, cheese, chocolate bars, cigarettes, coffee, corned beef, chocolate, jam, liver paste, dried milk, oleomargarine, prunes, salt, molasses, and sugar. The new package will include a different kind of biscuit, tuna fish instead of salmon, corned beef hash instead of plain corned beef, honey for jam, meat and vegetable stew for chopped ham, and will contain some new items. Once a month

FREEDOM FROM WANT OF FOOD

Make sure that your family will enjoy freedom from want of food. Keep your Victory garden producing throughout the entire growing season.
And plan to grow a surplus crop for storing and preserving for fall and winter use.
Remember that watering, not sprinkling, your garden will help to keep it growing.
• Watering should be done early in the morning or in late evening.
• And then the soil should be soaked.
• Do not water again until the soil is dry.

Youth Held For Breaking In At Service Station

MOUNTAINSIDE—An 18-year-old youth who wore an Army shirt, pants and cap but carried a 4-F draft classification card, was apprehended by borough police authorities Sunday of last week, in connection with alleged breaking in, entering and larceny.

The youth, listed as Robert Russell Trump of Graysburg, Fayette County, Pa., admitted breaking into Dunn's Service Station, Route 29 and New Providence road, and two buildings in Scotch Plains.

Trump was arrested by Patrolman Harry Boyton early Sunday morning, when he was seen by the officer coming from the rear of the gas station and had cut on both hands.

The youth was taken to Invescoletto Chevrolet and some change from the cash register in the station. He gained admittance through the rear of the building by breaking a window with a bottle, police said.

Following arraignment before Recorder Wallace Winkler, the youth was turned over to county authorities for further investigation.

Evergreen Court Ordinance Passes In Altered Form

MOUNTAINSIDE—The Borough Council Tuesday of last week introduced a revamped ordinance for the improvement of a portion of Evergreen court, installation of a storm sewer and Belgian block curbing. Funds of \$7,500 are provided for its cost, with the curbing charge to be assessed against the abutting property owners and the paving and storm sewer costs borne in general taxation.

A previous ordinance, calling for regrading and repaving of Evergreen court was introduced in June but tabled when residents protested against proposed grades. The new legislation adds the storm sewer and curb provisions, and does not affect the grades as originally specified.

An ordinance to buy land and building in Route 29 several hundred feet from the Borough Hall for a firehouse, was adopted. The premises are now occupied as a gasoline station and garage.

Annual Picnic Held by Union Chapel School

MOUNTAINSIDE—The annual picnic of the Union Chapel School was held Saturday afternoon at the "Hilltop" in Echo Lake Park.

Games were provided for all ages and prizes were awarded to the following winners of various games: August Pelly, Arnold Decker, Richard Dietz, Alan Zimler, Gene Bryant, Rudolph Roberts, Mildred Seibold, Johanna Decker, Jenn Cook, Margaret Conrad, Peggy Peterman and Rose Marie DeNude.

Donald Pittinger was the winner of a treasure hunt. An egg throwing contest entered into by the leaders of the groups and a water drinking contest with baby-sitters by the women-lead-ership. The winner of several prizes was awarded in the egg-throw contest and distributed to the losers, Fred Rodgers and Mrs. S. Thomas Burns, who were given a basket, and raffle, respectively.

At 5 o'clock everyone gathered together for picnic supper and the Sunday School supplied ice cream for all.

As in past years, the children of the Coxes Memorial Home attended the picnic. The day closed with the usual softball game, single boys and girls against the married men, the single boys and girls winning.

Revised Constitution

FOR THE STATE OF NEW JERSEY

To Be Voted Upon as a Whole by the Voters of New Jersey at the General Election, Nov. 7, 1944

ARTICLE II, and Sections I and II of ARTICLE III (with part of Schedule)

ARTICLE II
DISTRIBUTION OF THE POWERS OF GOVERNMENT

1. The powers of the government shall be divided among three distinct branches, the legislative, executive, and judicial. No person or persons belonging to or constituting one of these branches shall exercise any of the powers properly belonging to either of the others, except as expressly provided in this Constitution.

ARTICLE III
LEGISLATIVE SECTION I

1. The legislative power shall be vested in a Senate and General Assembly.

Qualifications of Legislators

2. No person shall be a member of the Senate who shall not have attained the age of thirty years, and have been a citizen and resident of the State for four years, and of the county for which he shall be chosen one year next before his election; and no person shall be a member of the General Assembly who shall not have attained the age of twenty-one years, and have been a citizen and resident of the State for two years, and of the county for which he shall be chosen one year next before his election; but no person shall be eligible as a member of either house of the Legislature who shall not be entitled to the right of suffrage.

Sessions of Legislature

3. The two houses shall meet separately, in regular session, annually on the second Tuesday in January and shall adjourn sine die within ninety days thereafter; the two houses shall meet separately, in special session, whenever called by the Governor and shall adjourn sine die within fifteen days thereafter; but no limitation on duration of a regular or special session shall prevent the continuance of any such session until six weeks after the date of transmittal of an executive order or its approval, whichever is sooner. The Senate shall meet at other times only at the call of its President or of the Governor to receive or act upon nominations, or at the call of its President to try impeachments. The General Assembly shall meet at other times only at the call of its Speaker to consider impeachments.

4. Special sessions of the Legislature shall be called by the Governor upon petition of a majority of all the members of each house and may be called by the Governor at such other times as in his opinion the public interest may require. In either event, the call for a special session shall specify the matter or matters to be considered, and no other matter shall be considered at such session which is not specified in such call or in any other message from the Governor delivered during such session.

5. Legislative Committees, created by joint or concurrent resolution of the Legislature or created by resolution of either house thereof, shall continue with all powers delegated to them, notwithstanding any adjournment of the Legislature, unless restricted by the Legislature or house created therefrom.

SECTION II

1. The Senate shall be composed of one Senator from each county in the State elected by the legally qualified voters of the counties, respectively, for a term beginning at noon on the second Tuesday in January next following his election and ending at noon on the second Tuesday in January four years thereafter.

Composition of Legislature (1, 2, 3)

2. The members of the Senate shall be elected in two classes so that, as nearly as may be, one-half of the total number shall be elected biennially.

3. The General Assembly shall be composed of members elected biennially by the legally qualified voters of the counties, respectively, each for a term beginning at noon on the second Tuesday in January next following his election and ending at noon on the second Tuesday in January two years thereafter. The members of the General Assembly shall be apportioned among the said counties as nearly as may be according to the number of their inhabitants. The present apportionment shall continue until the next census of the United States shall have been taken, and an apportionment of members of the General Assembly shall be made by the Legislature at its first session after the next and every subsequent census, and when made, shall remain unaltered until another census shall have been taken; provided that each county shall at all times be entitled to one member; and

the whole number of members shall never exceed sixty.

Vacancies

4. Vacancies in the office of Senator or Assemblyman shall be filled by election for the unexpired term only, as may be provided by law.

ARTICLE XI—SCHEDULE—SECTION II

"The 'Schedule' provides for ready transition from the old to the new Constitution. In the official text it appears as a single Article (XI) at the end of the Revised Constitution. For ready reference, however, the Schedule is being printed in appropriate parts with the Articles to which it relates."

1. The first session of the Legislature under this Constitution shall meet in regular session on the second Tuesday in January in the year one thousand nine hundred and forty-five.

2. Special sessions of the Legislature may be called by the Governor in the year one thousand nine hundred and forty-five for the enactment of laws necessary to make this Constitution fully effective, and such special sessions shall not be subject to the provisions of this Constitution limiting their duration or the subject matter which may be considered thereat.

3. Each member of the General Assembly, elected at the election in the year one thousand nine hundred and forty-four, shall hold office for a term beginning at noon on the second Tuesday in January in the year one thousand nine hundred and forty-five and ending at noon on the second Tuesday in January in the year one thousand nine hundred and forty-seven. Each member of the General Assembly elected thereafter shall hold office for the term provided by this Constitution.

4. Each member of the Senate elected in the year one thousand nine hundred and forty-two, one thousand nine hundred and forty-three, and one thousand nine hundred and forty-four, shall hold office for the term for which he was elected, except as follows:

The terms of the incumbents of those seats in the Senate that would become elective in the year one thousand nine hundred and forty-five, had this Constitution not been adopted, shall be extended for an additional year, and of such seats, two seats as chosen by the Senate in the year one thousand nine hundred and forty-five, shall be filled by election in the year one thousand nine hundred and forty-six for a two-year term, and the balance of such seats shall be filled by election in the year one thousand nine hundred and forty-six for a four-year term. Seats in the Senate that would be filled by election in the year one thousand nine hundred and forty-six, had this Constitution not been adopted, shall be extended for an additional year, and such seats, together with the two seats filled for a two-year term by election in one thousand nine hundred and forty-six, shall be filled by election in the year one thousand nine hundred and forty-eight and every fourth year thereafter.

STATISTICS OF SPRINGFIELD

Population—1944, 5,000; assessed valuation—\$44,967,225; tax rate—1944, \$2.97 (Township—\$2.21; school \$1.67; state and county \$5.99).
Springfield was settled in the early 1700's. Its township form of government was established April 14, 1794, and was incorporated in 1837.
Springfield is essentially a community of homes, with little industry except for farming, nurseries and co-ordinated manufacturing for these: 45 minutes from New York City on the Lackawanna R. R. with two stations at Millburn and Short Hill, less than a mile away; 7 miles to Elizabeth; 7 miles to Newark; excellent bus connections to Newark, Elizabeth, Summit and Plainfield.
The Highway Valley Railroad with a freight station in the township affords service for factories, commercial and industrial purposes. State Highway 29 Newark-Newark City—connecting by express in 20 minutes. Site of the \$600,000 Union County Regional High School, serving Springfield, Mountaintop and four other county municipalities.
Electricity, gas, water, sewerage, telephone, electric and modern sanitary sewer system, excellent police, fire and school facilities, mail carrier-delivery system, and zoning regulations for the protection of the individual property owner.
Of interest in Revolutionary history with its historic Presbyterian Church, where the Rev. James Caldwell cried: "Give 'em wattle, boys!" in the midst of the battle of Springfield, fought on June 23, 1780. Several colonial landmarks are to be found in Springfield, one of the oldest communities in Union County.

WHAT THE SUN ADVOCATES

1. Sidewalks wherever needed.
2. 5c bus fare to Union Center.
3. Extended local telephone scope to Newark and Elizabeth.
4. Federal Post Office building.
5. An active Board of Trade to stimulate "Try Springfield First" in purchasing.
6. Full-time position for the Township Clerk's office.
7. Encouraging clean industry, to increase tax rates.
8. Extension of mail delivery by local R. F. D. routes, to all portions of the township.

Some people drive as if they were anxious to have their accident quickly and get it over with.

One reason black-marketeering has been so successful is that, from the start, it has been conducted on a cash-and-carry basis.

It takes thousands of telephone calls to build a bomber

... and this country is making more bombers than ever before

More planes, more ships, more of everything for war mean more Long Distance calls. And right now things are moving double-quick. That's something to remember when you're telephoning Long Distance and the operator says—"Please limit your call to 5 minutes." More calls get through quicker when everybody helps that way.

CONSUMER'S VICTORY PLEDGE:

"As a consumer, in the total defense of democracy, I will do my part to make my home, my community, my country ready, efficient, strong.
I will buy carefully—and I will not buy anything above the ceiling price, no matter how much I may want it.
I will take good care of the things I have—and I will not buy anything made from vital war materials which I can get along without.
I will waste nothing—and I will take care to salvage everything needed to win the war."

Consumer Division
Office of Price Administration

LADIES! Here's everything you want to know about sewing and at the same time, help win the war!

Ideal for today's needs! Contains elementary rules for beginners, advanced tips for experts. All you need to know about sewing, mending, dressmaking, etc. Prudently illustrated, with easy-to-follow diagrams. A vital contribution to save time, man-power and money in these times. You'd expect to pay up to \$5.00 or more for so complete a book as this—yet you can make it yours, right now, for the astonishingly low price of only \$1.98! Only a large print-order makes this possible.
It's becoming increasingly difficult to buy the nice clothes you'd like to wear, the little things you want to make your home cheerier—and it's going to get more difficult as the days go by! Prices are going up. Materials are growing more scarce. Manpower for manufactured articles is a real problem.
That's why more and more sewing is being done in the home. But you want sewing to be a pleasure—not a chore. So here's the answer to your needs—wholly new, full and complete, amazingly simplified—a book as necessary to every woman as a cook book—the NEW ENCYCLOPEDIA OF MODERN SEWING. Compiled by widely known authorities to help you sew more easily, more expertly, with greater assurance and fewer mistakes. It will actually teach you more of "what every woman should know" about sewing than anything you've ever read!

SAVE FOR TAXES AND BONDS BY MAKING THINGS—INSTEAD OF BUYING THEM AT TODAY'S HIGH PRICES!

Imagine making things—according to easily followed directions—that would cost you many times their cost to buy! These savings you can invest in War Bonds, use to help pay increased taxes, transfer to your household budget to help meet the higher cost of living in a wartime economy.
In the NEW ENCYCLOPEDIA OF MODERN SEWING, for example, you can learn how to make over for yourself a beautifully tailored suit that costs nothing but time and finding. You can make a slip-cover for \$6 that would cost at least \$15 to have made in a store. You can make hats, dresses, children's clothes, for almost nothing. Simple instructions to make these and scores of other articles will save you many times the modest price of the book! Even if you have only taken up sewing, with this amazing book you will soon surprise yourself with the skill and competence you'll develop.

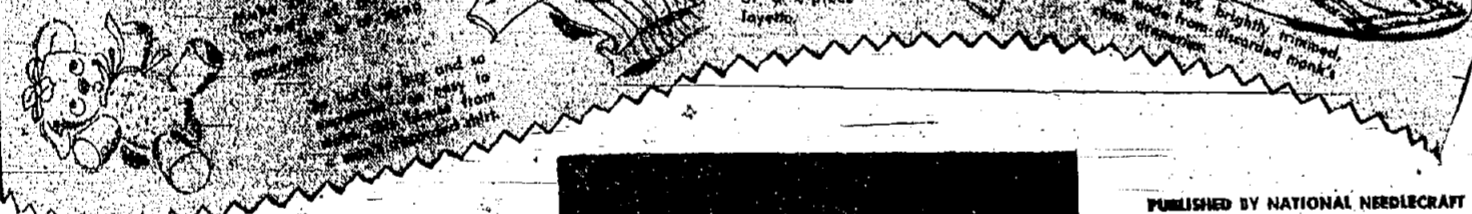

NOT A STEP OVERLOOKED FOR BOTH BEGINNER AND EXPERT!

This book is so easy to follow, so ABC-like! You'll wish you had had it years ago. Chapter-by-chapter—it takes you through fundamental steps in sewing—progressively so that with every page your sewing improves. It will make you look upon the things you once shied away from, because you thought them hard and difficult, as really easy and simple.
From simple pinafores—through such handy household articles as aprons, pot-holders and towels—to clothes for children, for yourself, "make-overs," of old clothes, slip-covers, draperies—the NEW ENCYCLOPEDIA OF MODERN SEWING opens up a new world of ease and delight in making things yourself with needle and thread.
Once you see it—even if you just glance through it—you'll agree that this book is worth many times the price at which you can now make it yours. You'll wonder how it can be sold for only \$1.98!

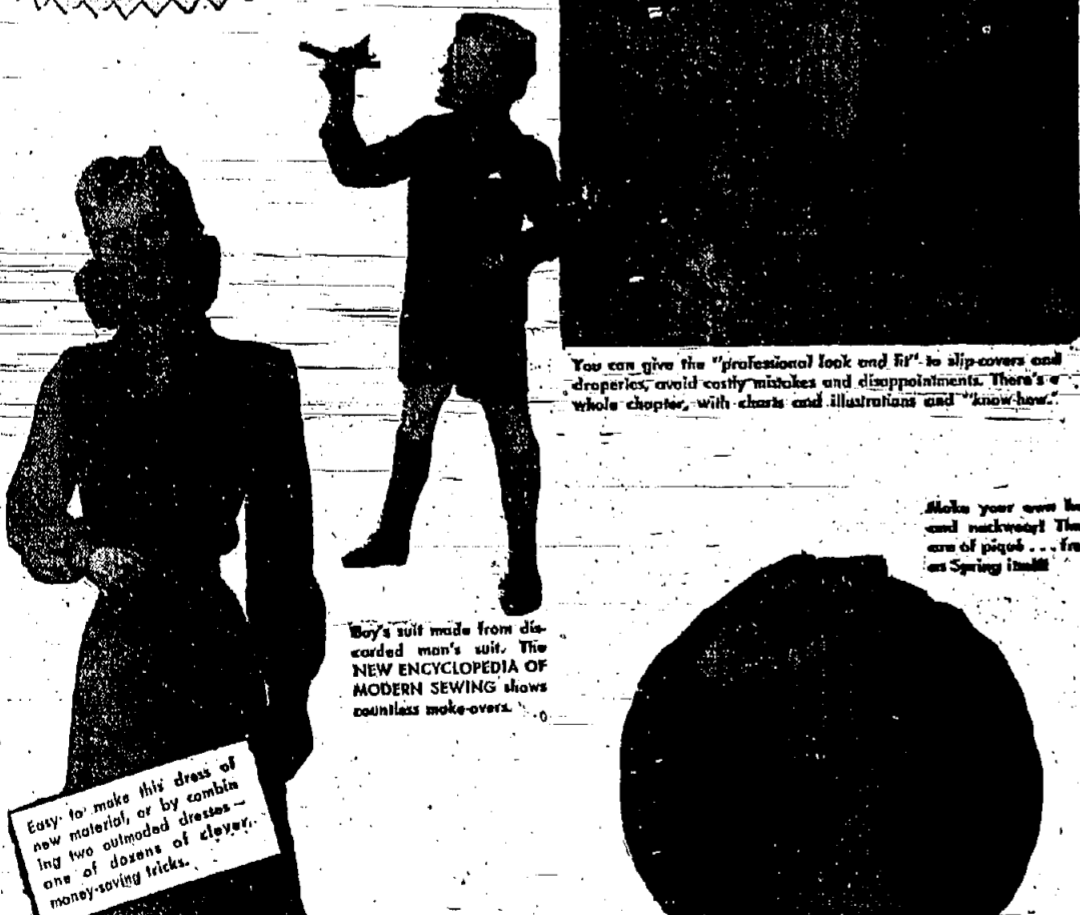

PHOTOGRAPHS AND DIAGRAMS MAKE SEWING FUN!

The book contains over 500 illustrations in all—scattered through 320 fascinating pages. Beautifully printed in large type on heavy special stock. Sturdy cloth covers. Size 6 1/2" x 9 1/4" overall. Hundreds of diagrams and sketches to make the simple instructions even more graphic. Complete fabric guide. New, practical ideas by the hundreds! The NEW ENCYCLOPEDIA OF MODERN SEWING is a "must" book for every household!

EVERYTHING YOU NEED KNOW TO HELP YOU "SEW AND SAVE!"

PUBLISHED BY NATIONAL NEEDLECRAFT BUREAU—the great organization that has given you National Sew and Save Week, Radio Sewing School of the Air, and National Sewing Contest; and edited by FRANCES BLONDIN, Editor of "Make and Mend for Victory" and "The Learn How Book."

You can give the "professional look and fit" to slip-covers and draperies, avoid costly mistakes and disappointments. There's a whole chapter, with charts and illustrations and "know-how."

Make a four-piece layette from one basic pattern, easily drafted yourself. Here are the dress and sequé—quick, simple and inexpensive to make.

Make your own hats and neckwear! There are of pique... fresh as Spring itself!

Boy's suit made from discarded men's suit. The NEW ENCYCLOPEDIA OF MODERN SEWING shows countless make-overs.

Easy to make this dress of new material, or by combining two outmoded dresses—using one of dozens of clever, money-saving tricks.

THE NEW ENCYCLOPEDIA OF MODERN SEWING ACCLAIMED BY LEADING WOMEN

LILY PONS, Metropolitan Opera star, says: "With your handsome ENCYCLOPEDIA OF MODERN SEWING almost any woman can sew at home. I congratulate you for publishing this complete and practical guide."
MABELINE CARROLL, Special Representative of United States Service CDE instructor, says: "The ENCYCLOPEDIA OF MODERN SEWING seems to have all the answers to what and how to sew during the present emergency."
HEA... says: "The ENCYCLOPEDIA OF MODERN SEWING is a comprehensive and practical guide."
MRS. YOUNG, WOR... says: "The ENCYCLOPEDIA OF MODERN SEWING is a comprehensive and practical guide."

County Legion Is Against Coddling Prisoners Of War

The Union County Committee of the American Legion last Thursday went on record against "coddling" of war prisoners in this country's prison camps. A resolution sponsored by Argonne Post 6 of Elizabeth, was approved at the session in the Elizabeth Y. M. C. A., and will be sent to State Legion headquarters for ultimate transfer to National headquarters and consideration at the National convention.

Election of county officers was conducted and Jack Tenenbaum of Continental Post 228, was re-elected sergeant-at-arms.

John F. Dills, a past commander of Rahway Post 5, and county vice-commander for two years, was elected county commander. He lives at 157 Grant Avenue, East Roselle Park.

Other officers were elected as follows: Vice-commanders, Wilbur H. Cox, of Hillside, John Schreiber, of Elizabeth, and Bertram Stewart, of Union; department executive committeemen, Joseph G. Curly, Plainfield; chairman, A. E. Brandt, Roselle Park; historian, Charles O'Brien, Roselle; judge-advocate, Joseph Turko, Elizabeth; sergeant-at-arms, Jack Tenenbaum, Springfield.

Legion posts throughout the county have a membership of 4,771, the highest in the history of the county legion, Stanley Sorter, of Westfield, membership chairman, reported.

Another resolution adopted by the committee called for tightening of regulations governing naturalization for recent immigrants. This was presented by Connecticut Farms Post, 35, of Union.

William Nevins, Westfield, county commander, presided. Cox substituted for James Tommaso, of Linden, adjutant.

Board Adopts 2 Ordinances

Two ordinances were adopted on final passage by the Township Committee last Wednesday night. One, introduced by Committeeman Brown, regulating removal of soil from the township, provides that before excavating is started, a permit be obtained and contour lines established with the township engineer.

Sharp declivities will be eliminated and trucks used for removing soil will be restricted to certain streets. Modeled after an ordinance passed a year ago in Union Township, it is aimed at preventing creation of low areas which might breed mosquitoes and unsightly tracks having only barren subsoil.

The second ordinance amended the zoning act and placed under stricter control the opening of gas stations, filling stations, public garages. Permit must be obtained through application to the Board of Adjustment, which in turn furnishes recommendations to the Township Committee.

Three parcels of township-owned land were sold at auction, with no outside bids received. Two lots at Morris and Short Hills Avenue were sold to Herman Kravitz for \$1,500, a lot in Hillside Avenue went to William H. Kenny of 245 Pomona Avenue, Newark, for \$700, and James M. Palmer purchased two lots in Mapes Avenue, for \$200.

It was decided to install a stop street sign at Remor and Mountain Avenues.

Christmas Mail for Services

Army postal officers are preparing to move about twice as many Christmas parcels as were handled last year, while the Navy Mail Service expects nearly four times the volume of gift handled this year through Fleet Post Offices in New York and San Francisco. Packages should weigh not more than five pounds and have combined dimensions of not more than 38 inches. Officials advise.

Armed Forces

Second Lieutenant Russell B. Frost, son of Committeeman and Mrs. Greer L. Frost of 315 Morris avenue recently completed an orientation course designed to

RUSSELL B. FROST

bridge the gap between training in the States and combat soldiering against the enemy in Europe. At the AAF Service Command Station in England, he presented a series of lectures given by battle-wise veterans which included instructions on chemical warfare defense and pertinent tips on staying healthy in a combat theatre.

His next station will be one from which America's fighting planes cover our liberation of Occupied Europe. Before entering the Army Air Forces, he was employed as a bookkeeper by the Beneficial Management Corp. of Newark. Lt. Frost's brother, Private Gregg R. Frost, U. S. Army, has recently arrived in Hawaii.

Mrs. Warren Cubberley of 6 Perry place received word this week from her son, Seaman second class Robert Cubberley, of his arrival in Hawaii. Seaman Cubberley was home recently on his "boat" leave and upon his return to Baltimore, Md., was transferred out to the West Coast. Another son, Fire Controlman third class Henry Cubberley has been in the South Pacific for the past year.

Fleaman second class Robert Hoagland was home on Monday visiting his parents, Mr. and Mrs. J. Edward Hoagland of 151 Tooker avenue. Hoagland has recently been transferred from Norfolk, Va. to New York.

Aviation Cadet Charles B. Johnson has been transferred from the California Aero Academy, Ontario, California to Williams Field, Chandler, Arizona. Cadet Johnson is the son of Mr. and Mrs. William Johnson of Washington avenue.

Walter Sommer, son of Mr. and Mrs. Paul Sommer of Evogreen avenue has been promoted from Corporal to Sergeant at Camp Bowie, Texas. Sgt. Sommer is the husband of the former Phyllis Morton, daughter of Mr. and Mrs. Harry Morton of South Maple avenue. The Sommers' other son, Private First Class Charles Sommer is stationed at Camp Hawze, Texas.

Flight Officer Albert W. Douglas left on Tuesday for Chanute Field, Ill., after spending ten days with his parents, Mr. and Mrs. Thomas R. Douglas of 202 Morris avenue. Flight Officer Douglas received his wings on August 4 at George Field, Ill.

Thomas E. Patten, son of Mr. and Mrs. Merle Patten of 91 Morris avenue enlisted in the Navy on June 26 and was called to duty on Tuesday of last week. Apprentice Seaman Patten is receiving his "boot" training at the Naval Training Station at Sampson, N. Y. A 1941 graduate of Regional High School, Patten was employed by Doggett Pile Laboratories in town, prior to entering the service. His brother, Corporal Merle Patten is expected to be stationed in France.

Richard Nelson of Battle Hill avenue gave a surprise party on August 1 for Seaman Patten, honoring his 18th birthday. Among those now beginning a nine-weeks pilot training course on four-engine Liberator bombers at Maxwell Field, Ala., is 2nd Lieutenant Alfred O. Schmitz, husband of the former Elizabeth Sarge, daughter of Police Sergeant and Mrs. Albert Sarge of 51 Battle Hill avenue. Lt. Schmitz was hand-picked by Army Air Forces experts as having those qualities needed to become a commander of four-engine battle-planes, and his training will be as completed and thorough as the AAF can make it. On completion of the

course here, he will receive further training within the AAF Training Command.

After a 30-day leave, Kenneth Sargent, Motor Mechanic's Mate first class, has returned to duty at Boston. Sargent, who, prior to his leave, had been stationed in Trinidad, spent his leave with his wife and son of Staten Island and his parents, Mr. and Mrs. Eugene Rochelle of 62 Marion avenue.

Mrs. Chester Winters of 62 Marion avenue has received word from her husband, Pvt. Winters, U. S. Army, of his arrival in France.

Henry Itzen, seaman second class was home over the weekend visiting his wife, the former Aline Richardson, daughter of Mr. and Mrs. William Richardson of 65 Severn avenue. Seaman Itzen is stationed at Williamsburg, Va. and has been in the service for two years.

Second Lieutenant Thomas C. Street, one of six sons of Mr. and Mrs. Thomas C. Street to become a member of the Armed Forces, was recently awarded his wings and commission from the Aviation Cadet Corps at the Tuskegee Army Air Field, Tuskegee, Ala. Lt. Street is a graduate of Jonathan Dayton Regional High School, where he was a member of the football squad and captain of the team in '41. He is now undergoing transitional training at this station. Lt. Street's five brothers in the service are: Sgt. Harding Street (Quartermaster), Cpl. John

Street (Quartermaster), Pvt. Irving Street (Engineer), Pvt. Ernest Street (Army) and Robert Street (Navy).

Editor's Note:—When your service man or service woman has been home on furlough, been promoted, graduated or transferred, why not mail it to the SUN or phone this office. Many of those in the service, miles away from home, like to read of the whereabouts of their friends, former schoolmates and relatives. We will be pleased to accept a photo of your service man, if we do not already have one in uniform. If we do, we'll be pleased to return the picture with a news item at your request.

foreign soil, miles from home, some in prison camps, others in hospitals in strange lands, the need of the war carried on through the War Fund cannot be too strongly emphasized.

Waldeck said, "We sent the boys over there; it's our solemn duty to take care of them now, to help them in every way possible. This is your opportunity to help. Remember, \$1.50 per year keeps your boy in touch with home through the free mailing of the local newspaper. Visualize yourself, thousands of miles from home, lone and tired and sometimes blue. What would you give to just read a paper from back home or to receive a helping hand from one of the 22 agencies included in this work?"

One-Day Campaign Waldeck announced that because everyone is so busy on the home front, it would be difficult to get workers who could spend 8 or 10 days ringing doorbells to collect the War Fund goal. Thus, one day, Sunday, October 8, has been set aside as Springfield's Semi-Community Chest Day.

Sufficient workers will be organized so that no one will have over six homes to visit on that day. He urged that residents should decide now how much they will give and place it in an envelope, and have it earmarked for that day. To successfully conduct the one-day campaign, 225 collectors will be needed. The township will be divided into three districts to have three teams each. Each team will consist of 25 collectors. Volunteers are asked to send a

QUOTES OF THE WEEK

"You talk to the coconut trees and think nothing of it. But when the trees start answering back..." —South-Pacific G. I., reporting on loneliness.

"You are engaged in work that is second only in its responsibility to the most important work of the government itself." —Secretary of State Hull, to the press.

"Women voters now outnumber male voters by about 500,000." —U. S. Census Bureau.

"The planners plan much better for themselves than they do for the people. The payroll proves it." —Indianapolis News.

"Small business is a large export is the basis of our free enterprise system." —Emil Schram, pres. N. Y. Stock Exchange.

"The first step in securing post-war employment is to get more employers. I am sure the government cannot compel men to become employers." —John M. Hancock, co-author Baruch-Hancock report.

"It was the green countryside of the Middle West as we flew over it at dawn." —Commander Harold Stassen, asked first impression returning to Minnesota from Pacific.

PLAYGROUND ACTIVITIES

On Friday of last week, Mrs. Mildred Rulison, county nature supervisor, spoke on the topic

"Trees." Over thirty-five children participated in an activity program under the direction of Mrs. Rulison. The children found small leaves which they pressed in clay. Removing the leaf, the impressed clay with a surrounding cardboard collar was filled with plaster of paris. The smaller casts had a safety pin inserted in the back to make a novelty pin. The larger casts made excellent paper weights. All were to be painted the following morning in hand-drawn spray. These, together with some sprayed leaf patterns on colored paper and several mounted butterflies caught by the children, will be collected today by Mrs. Rulison, to be exhibited as representative of the Springfield Playground, at a general exhibition in

the Tullside Museum, Mountside and Summit. Contests held this past week and the winners are as follows: On Wednesday of last week, mumble peg contest, boy winners, Clifford Walker, Louis Lurz and Richard Sherry; girls, Earline Shea, Margaret Caggiano and Betty Nanz. The nine men mill contest was held on Thursday of last week and the winners were Clifford Walker, Herbert Penneyer and Richard Sherry for the boys and Ethel Howard, Ray Nathan and Betty Nanz for the girls.

Shuffleboard doubles contest took place on Friday, with Louis Lurz and Richard Sherry, first and Mack Coburn and Harvey Karlin, second. In this contest,

the winners for the girls were Dottie Jare Runyon and Gail Runyon, first and Barbara Farr and Esther Smith, second. A peanut hunt was held on Saturday, the winners being Billy Jorghead, Richard Sherry and Esther Smith. Twenty-four children entered the peanut hunt on Saturday. The peanuts were hidden beneath trees and on the lawn of the Regional Athletic Field adjoining the playground. Three peanuts colored blue, red and yellow respectively constituted first, second and third prizes.

On Monday, a foot race was under way with Bill Ziegenfuss, Bob Ziegenfuss and Edward Wilson the winners for the junior boys; Margaret Engstrom and Elaine Comisky, the winners for the

senior girls and Roberta Comisky, Lois Walker and Dorothy Walker, the winners for the junior girls. Bill Ziegenfuss, Jack Ziegenfuss and Clifford Walker were the first three winners in a dodgeball contest held on Tuesday. The contests for next week will be: Picture puzzle contest, Thursday, August 17; flower show, Friday, August 18; lolly pop hunt, Saturday, August 19; quilts, doubles, Monday August 21; volleyball, Tuesday August 22; treasure hunt and wicker and marshmallow roast on Wednesday final night program, with awarding of certificates, August 23.

Mrs. Rulison's topic today is "Snake Alive." She will exhibit several live snakes in connection with her talk.

Your Hahne & Co. Big Sisters are here to answer the questions you'll want to ask about college. They are in college now—they know the things you'll need when you get there (and those you won't need), the right clothes for your particular campus, what you can expect to be doing socially, the "customs" of your campus. Meet your Big Sisters at the coke bar, on our Fashion Floor, and ask your questions at the "Information Please" booth.

They say:

"Ours is a slacks campus. Gabardine, flannels or blue jeans. With them, heavy plaid wool slacks." —Virginia Norden, Oberlin.

"Bring the warmest clothes you can buy. We get 20° below zero and nights. Bring all the make-up and toiletries—and soap (shoes you'll need for a month at least)." —Doris Haring, St. Lawrence.

"No slacks allowed on our campus. Plenty of sweaters and skirts are essential, though. And don't forget your tennis racket and ice skates, you'll use them." —Alice Belbey, St. Elizabeth.

"Bring along your bathing suit and some cotton dresses to use right away—before cold weather. You'll need ski pants when Winter comes." —Jane Kennedy, Syracuse.

"You'll need a knock-out formal dress right away—for pledge dances and other affairs. We wear heavy boots and socks when it's cold—and that's very, very cold." —Louise Throckmold, Michigan.

"Don't forget your white outfit for the first day here, freshman. Cotton dresses for all year 'round, because we have the co-operative system here. Have a dressy wool and a crepe—and ski boots." —Kay Belvett, Vassar.

"We're right near Boston, and spend a lot of the week-ends there. So we need plenty of dressy clothes—suits and dresses of both wool and crepe." —Berniss Coyne, Lasell.

"Get the best rain coat that you can afford. Boots, if you have them, and other rain wear. Freshmen can't wear red at N. J. C.—that includes everything!" —Barbara Faherty and Dorothy Lawrence, N. J. C.

"Freshmen need a good black dress for the times when the whole college assembles for some special function. Later on you'll have your cap and gown for those affairs." —Joan Cunningham, Chestnut Hill.

The clothes shown here were chosen and approved by the Hahne & Co. College Board. The members of the board are:

- Alice Belbey, College of St. Elizabeth '45
- Louise Throckmold, University of Michigan '47
