FRIENDS!!

Up until this week the man who has been in the news at General Greene Village... on Monday and Tuesday the wind and rain delayed progress somewhat, but the forecast is still full speed ahead and that's exactly what's happening... motorists and passersby are amazed at the rapidly with which the horizon is beginning to change on one of the most historic pieces of property in the state... Nicholas Angelino, owner and builder, says his first group of apartments will be occupied by March, and, from all appearances, he knows what he's talking about... with regard to the business end of the development, lots of big dollars are in the works and we should be hearing definitely within a week or so.

The winners received awards presented by Mrs. J. R. De Ridder, chairman of the Roadside Planning Committee of the Garden Club of New Jersey, at ceremonies sponsored by the New Jersey State Chamber of Commerce in the auditorium of the Griffith Building, Newark.

Fracton-pohl, 48 Myrtle avenue, Maplewood. Palmer, a member and past-president of the Antique Club of New Jersey, will tell how to identify authentic antiques by means of tool marks. Mrs. Donald W. Taylor, chairman, will introduce the speaker. Coffee and dessert will be served.

Regional Cheerleaders

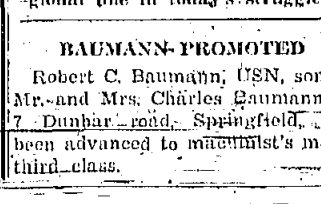

Here are a dozen reasons (not eleven) why the Bulldog eleven has an edge as it goes into battle with Rahway at Riverside Park today for the county football championship. The Regional cheerleaders, left to right, front row, Mary Pepe, Diane Brad-

RAHWAY STARS

Chuck Amasio, power-driving fullback of Rahway. It was his long run which scored the Scarlet's only touchdown against Regional last year. The ace back is expected to battle the Regional line in today's struggle.

Nate Smith, the speedy seat-back of Rahway. Highest scoring back in the county, the Scarlet speed merchant is expected to play a potent role in today's game. Last year Regional had him stymied.

Local Civic Club Wants Jr. Patrol

Monthly meeting of the Shunpike Association was held last Wednesday evening at the Baltusrol Country Club.

Tom Sawyer Story Thrills Town Kids

Last Saturday more than 600 Springfield children either yelled joyously in unison or retreated into their seats in deepest sympathy as they watched "Tom Sawyer," the second in the series of three plays being presented here this season by The Salomo Gaynor Theatre for Children. The play, sponsored by the local P.T.A., was given at the Regional High School auditorium and represents another "first" in Springfield. For the first time many local children saw story book people brought to life by legitimate actors—an unforgettable experience in the annals of childhood.

Local Civic Club Wants Jr. Patrol

The possibility of a Junior Police Patrol for the protection of the small school children at the corner of Mountain avenue and Shunpike road was discussed. It was felt that present traffic lights were inadequate.

The Theatre Committee, headed by Mrs. Bruce F. Lusk, has worked diligently to bring good theatre to Springfield children, and parents who have attended both shows to date have enthusiastically endorsed the Gaynor productions.

P.T.A. Will Hear Children's Author

Members of the Springfield P.T.A. are promised an interesting evening next Monday when they come out to hear Phyllis R. Fenner, author of Children's Books. She will speak on "Assessing Your Child's Interest in Good Books."

REGIONAL STARS

FRANK FESTA, powerful bulwark of the Regional line. Festa, an all-county tackle choice last year, has been the mainstay of the forward wall all year. He hopes to be in the Rahway backfield most of the game.

FRANK VICENDESE, the Bulldogs' all-around backfield star. The New Providence star is expected to do the passing and punting for Regional's undefeated squad.

Both teams have powerful lines but Frank Festa, another New Providence boy, gives the Regional line an edge. Festa, an all-county tackle last year, is head and shoulders above all linemen on the field, on the basis of performance to date. Art Larson is another powerful tackle. Regional line three good defense players in their lightweight center Johnny Speranza, and Bob Rittwegger and Frank Riva, the guards.

Rahway has plenty of line strength with Bob Nolan at center, Jim Polacco, guard; Pat Abate, tackle and Len Robinson, end. The power is concentrated primarily on the right side.

mileage of any of the forty-eight states, may be proud of her state. He told the group that attractive highways of the modern industrial design are not enough in themselves to tell the story, as residents would like to see. He paid tribute to the part New Jersey industry had played in the Garden State contest.

Parents Stress Hobbies Over TV

"It is quite easy for one's children to become robots habitually sitting in front of a television set letting other people entertain them," said Mrs. Carol Kenny, in her talk before members of the Parent Education Group of the Springfield Parent Teacher Association, last Thursday evening. "Working at a hobby," she said, "makes routine work less unbearable, and, besides providing pride in accomplishment it is a stimulus to mental development. Hobbies also help one develop socially by providing a common meeting ground through discussion work, and play." She continued: "Since play and hobbies are

synonymous until a child reaches the age of 10 or 12 he can be interested in a hobby at any time from now on. We are helping him to develop creatively by providing him with a variety of toys and tools and a place to work or play." On display was a splendid selection of games and hobby kits from nearby shops with a few of the many books which can be borrowed at the local library and which will be of help to the budding hobbyist.

Mrs. A. Russell Hillier, chairman of the group presided, and announcement was made of the next meeting to be held January 11, when Miss Lela Chapin, Guidance Director at Roselle Park High School, will speak on the subject, "What Adolescence Is Like."

IN JAPAN

Pfc. Ormond R. Mesker, USMC, son of Pfc. Mesker and Mrs. Ormond W. Mesker, 53 Mountain avenue, notified his parents last week by mail that he was now stationed with the Second Infantry Battalion at Kyoto, Japan.

Phyllis Feener is a graduate of Mt. Holyoke College and holds a B.L.S. from the school of Library Science, Columbia University. She has several books and

collections of selected stories to her credit. The November meeting of the P.T.A. will start at 8:15 p.m. at the James Caldwell School, next Monday, November 27. A short business meeting will precede the guest speaker's address. Through the cooperation of the local library board, there will be an exhibit of children's books. Parents looking for Christmas suggestions will find many good ideas from the books on display. Phoebe Briggs and Mrs. H. T. Bunnell, of the library staff, will be present to recommend suitable books for various age levels.

18 Civil Service Openings Listed For Union County

Eighteen job opportunities are open for Union County residents, twelve of them State-paying positions, one on the county payroll and the remainder in four municipalities, according to a list just released by the New Jersey Department of Civil Service.

The department announced that November 30 is the closing date for filing applications for open competitive tests.

The county job is that of cancellation clerk, responsible for the cancellation of mortgages and other documents. It pays \$1,440 annually. Preference will be given to Elizabeth residents applying for a job as senior librarian in the circulation department of the city system. The salary is \$2,640 to \$3,240 a year.

Other municipal employment is offered as follows: Linden, municipal superintendent of weights and measures, \$1,000 to \$2,600; Plainfield, social case worker, \$1,800 to \$2,400; Union collector of delinquent accounts, \$35 weekly; Elizabeth, watchman, \$2,672 annually.

The following State jobs are available to Union County residents: Chief, planning section, Department of Conservation and Economic Development, \$5,220 to \$8,420; assistant landscape architect, \$3,120 to \$4,020; clerk, \$1,500 to \$2,100; clerk-stenographer, \$1,600 to \$2,400; clerk typist, \$1,680 to \$2,280, and file clerk, \$1,580 to \$2,160.

Coles played in the line last year. Should any of the Rahway backs be injured, the chances of the Scarlet would be dimmed.

The records indicate Regional has a stronger defensive unit but the Bulldog schedule has not been as tough as that of Rahway. No one has suggested the game could end in a tie. But the possibility exists and such an event certainly would not satisfy the 12,000 fans. Anyway, this will be the four-

teenth meeting between the two schools. Rahway has won ten and Regional three. The Orange and Blue never has won consecutive games. The only time the Bulldogs won at Rahway was the war year of 1944.

A-Bomb Survivor To Talk Sunday

Rev. Kiyoshi Tanimoto, distinguished Japanese Christian and minister of The Methodist Church of Hiroshima, will be the guest preacher at Sunday morning services in The Methodist Church of Springfield. His topic will be "Hiroshima and World Brotherhood." He will speak at both the early and late services which begin at 9:45 and 11 a.m., respectively.

The Rev. Mr. Tanimoto, who personally witnessed the atomic blast in his native city, is one of the chief figures in the best selling book by John Hersey, "Hiroshima." He is the founder of the Hiroshima Peace Center Foundation, and is in America for a short time under the auspices of Norman Cousins, editor of The Saturday Review of Literature, who is assisting in the formulation of an American Founda-

Born in Japan, the atom bomb survivor was educated there in Methodist schools. He later came to this country where he took his theological training at Emory University, Atlanta, Ga. His English is excellent and his platform manner assured and pleasing. In a recent comment, John Hersey said of him, "Kiyoshi Tanimoto is one of the most courageous men I have

Since the approach of the holidays usually brings nostalgic memories to most of us, we'd like to quote some appropriate nonsense from the pen of an author of another day. For some books are written with such delightful humor that had on his father's clothes. Maybe onions would make you stronger, neither subject, age or time matter. In the least, Eugene Field, with for a month, can he be waiting and squish? The following excerpts from his "Thanksgiving Tales" from the "Primer" and to prove the point.

SCHOOL NEWS

RAYMOND CHISHOLM

Grades 3
Mrs. Mildred Thurber
Mrs. May Busch

We are working on the Thanksgiving play. All the children in Mrs. Busch's and Mrs. Thurber's classes are in it. The story was composed by the children in the two grades. It is called, "Why We Have Thanksgiving." We hope that some of our parents will come to see it.

Many of us in Mrs. Thurber's class have brought in our dolls of different countries for the display. We have learned, from our conversations about the dolls, that different countries have different

thoughts and customs for a party in the afternoon. We are very sorry that Lynn is moving to Cedar Grove. We hope she will enjoy her new school.

Eric Nelson celebrated his seventh birthday on Monday. We were very happy to have a birthday party in school. We all had lots of fun and hope Eric has many more birthday parties.

Mrs. Hegy's class was sorry to lose two members, John Morris and Leon Haas returned to his birthplace—Newton, New Jersey.

Grades 3
Miss Claire Hopmann
Miss Marietta Parkhurst
Mrs. Ruth Area

Miss Hopmann's class thought that making Thanksgiving place cards for mothers and fathers was a very interesting project. They were to make a turkey in paste on one end of the card. Last week Mr. Post had us think up a story and then draw that story. Some of us did very original work. We were also happy to receive the P.T.A. Star speller for the week were:

Star spellers for the week were: Patty Bull, Caryl Cautelmo, Donald Daubay, Maria Imperato, Teddy Karlin, Edward Kisch, Lorie Roetter, Judy Wendland, and Billy Younger.

In studying about where we get our food, the members of Mrs. Parkhurst's class have been making butter from cream and cooking cheese from milk. We ate each between crackers and liked it very much. Now we are finding out about the crackers, which is leading us into the study of wheat.

Mrs. Area's class made Thanksgiving scenes with water colors. This was our first lesson in water colors. We learned how to work neatly with paints.

The star spellers for the week of November 13th were Gail Ledig, Sally Jo Quereques, Mary Ann Echelechio, David Windisch, Rusty Stisco, Barbara Savage, Barbara Revin, Carolyn Karolski, John Keller, Alice Huber, and Ellen Ceinhardt.

Grade 4
Miss Sheila Garfinkle

We have all been enjoying the Indian articles brought in by members of our class. Carole Becker brought in a pair of Indian moccasins which were hand-made. An Indian doll with a porcupine on her back was brought in by Barbara Amann. Joan Porter brought in a tomahawk, Indian bag and an Indian bracelet. Don Booker brought in some books about the Indians. Judy Reishart sang pictures. An arrow was brought in by Dorothy Ann Boehm. These articles made the study of the Indians very colorful and interesting.

Star spellers for last week were: Barbara Amann, Archie Argyle, Dorothy Ann Boehm, Emily Kent Drain, Sue Kisch, Jeff Manuel, Barbara Mierisch, Ellen Morris, Norman Muller, Michael Persico, Joan Porter, Edwin Prichard, Karen Rogers, Charles Rothbard, Virginia Rudy, Ruth Ann Tomney, Stephen Weiss, Charline Collins, and Carole Becker.

Grade 4
Mrs. Lucy Forsyth

Our class has received the five dollar prize given by the P.T.A. in the recent drive. We had two hundred forty-three percent. This was the highest percent kindergarten through Grade Four, in the Raymond Chisholm School. We

School Room Menu

The menu next week at Raymond Chisholm luncheon room will be:

Monday
Turkey noodle soup, bologna sandwich, apple with peanut butter and milk.

Tuesday
Orange juice, spaghetti with meat sauce, cold slaw, peanut butter sandwich and milk.

Wednesday
Hamburgers, mashed potatoes, gravy, buttered corn, bread, butter and milk.

Thursday
Orange juice, chow mein, rice, Chinese noodles, bread, butter and milk.

Friday
Tuna fish salad, baked potatoes, peanut butter and jelly sandwich and milk.

We were happy to receive the money. We have put it carefully away until we can make plans for using it. We have talked about the first Thanksgiving. We have learned several Thanksgiving "rhymes" and several songs about turkeys.

We collected several large bundles and boxes of clothes and toys for the children of Korea; Charles Stevens, Richard Panconi, Bob Simons, Judith Seitz, Kathleen Clark, and Tom Battelle brought in packages.

Grade 5
Mrs. Margaret McGarrath

The Fifth Grade won the Attendance Banner for the month of November. They may keep the banner in their room for the month of December.

The class misses Ned Davenport who is sick in bed with pneumonia. His classmates wish him a speedy recovery so he can be back with the class. They have written letters to cheer him. Ned has had several glimpses with pneumonia.

JAMES CALDWELL

Kindergarten—Mrs. Towner

This has been a busy week in Kindergarten. Tuesday, Wednesday, and Thursday many of our mothers came to school to have conferences with our teachers (since we do not take home reports cards as our older brothers and sisters do). While they were here, those mothers who were able to go so stayed to watch us work and play.

We are still learning about two of the helpers in our town—the policeman and the fireman. This week we saw colored slides showing us how they work and the many ways in which they help us. Besides these slides, we enjoyed seeing Piro, the Clown, again as he learned about weighing things on scales, balancing like a seesaw and so forth, and also a cartoon movie about Super-Mouse.

First Grade—Miss Snider
Mrs. Corby, Mrs. Snider

Every other week we enjoy seeing movies with the Kindergarten children at the Presbyterian Church.

Piro, a little clown, is our favorite movie. He does many things that are very funny. We especially

liked his adventures with the scale. We also enjoy our art periods with Mr. Post.

With Thanksgiving coming very soon, it was fun to draw a turkey with colored chalk.

We are learning to be thankful. Every morning we say a Prayer of Thanks.

Every one is making Indian designs. Lee Doerries chose the mountain design. Jay Adams chose lightning. The design must be gay.

Many children are trying to make others happy by joining the Junior Red Cross.

We will be happy when Connie Shields, Hank von der Linden, Sally Little, and Linda Richards come back to school. They have been ill this week. We were glad when John Flemer and Edwin Eskine could come back.

We have been making turkeys for Thanksgiving. We have learned four songs about turkeys and Thanksgiving.

Second Grade—Mrs. Setevange, Mrs. Tomasko, Miss Smith

Billy Trivett brought his movie projector to school and showed the children two films. Billy can operate the projector all by himself and is very quick at finding anything that may hinder the showing of the film. His class members were very pleased to be able to see Billy's movie projector. Robert Grimmer brought a stereoscope to school on Friday and

showed the children different films. They enjoyed the stereoscope very much.

Mrs. Tomasko
We have a new plant in our room. Charles Knowles brought it in and it is an avocado plant. He put the avocado in a glass of water and watched the roots appear. Then he brought it in for us to see.

We are letting a potato grow in water. It is interesting to watch it grow. It has many roots now so we are waiting for the stems and leaves to grow.

Miss Smith
We have been making pictures of things for which we are thankful. When all our pictures are drawn we are fastening them together to make a book called "Our Thanksgiving Book." Some of the pictures are of our family home, school, church, food, pets, clothes, turkey, flowers, trees, friends and toys.

Third Grade—Mrs. Cross, Mrs. Dum
Mrs. Cross

We have a new girl and boy in our class. The girl's name is Barbara—Hulinek—She came from Dover, Delaware. Paul Cason comes from Scotch Plains, N. J.

Mr. Beardsley gave our class a new kick ball to replace our very old one. It's nice to have a new ball to play with at recess.

We are learning something new in arithmetic. It is called "car-
