## LISTEN

## FRIENDS!!

If you're interested in killing the organization or association in which you hold membership then all you have to do is adhere to the following pattern:

Don't come to meetings... If you do come, come late... If the weather doesn't suit you, don't think of coming.

Find fault with the work of the officers and other members... never appoint an officer or committee appointment as it is easier to criticize than to do the things.

Get sore if you are not appointed on some committee; but if you are, do not attend committee meetings... if asked by the chairman to give your opinion regarding some important matter, tell him you have nothing to say... after the meeting tell everyone how things ought to be done.

Do nothing more than is absolutely necessary; but when other members roll up their sleeves and use their ability to help matters along, howl that the association is run by a clique.

When a banquet is given, tell everybody money is being wasted on blowouts which make a big noise and accomplish nothing... when no banquets are given say the association is dead... don't ask for a banquet ticket until all are sold... then swear you were cheated out of yours... if you do get a ticket, don't pay for it.

Hold back your dues as long as possible or don't pay... when you do receive a bill for your dues, postpone paying till the secretary writes for the money... then get sore because you've been dunned.

If you happen to receive a bill after you've paid your dues resign from the association or at least suggest to some of the members that the treasurer tried to work you or is manipulating the accounts.

Don't tell the association how it can help you, but if it doesn't help you, resign... if you receive service without joining, don't think of joining.

If the association doesn't correct abuses in your neighbor's business, howl that nothing is done... if it calls attention to abuses in your own, resign from the association.

When you do attend a meeting, vote to do something, then go home and do the opposite... agree to everything said at the meeting and disagree with it outside.

Get all the assistance the association gives, but don't give it any in return... talk cooperation for the other fellow with you, but never cooperate with him.

When everything else fails, cuss the secretary.

That's the way to ruin an organization... you guilty readers had better hide your heads or mend your ways... To more specifics, if the shoe fits, put it on!!

## Fine Newark Men On Shoot Count

Three Newark men pleaded guilty to illegally discharging firearms within the township limits, before Magistrate Henry C. McMullen in Municipal Court Monday night, with the result that two were fined \$5 each and the third was given a suspended sentence.

Joseph Puccio, of 60 Forbes street, of the Navy, received the suspended sentence. Fined were William F. Roek, 70 Fabian place, and Raymond Smith, 133 Walnut street. Their 22 caliber rifles, originally confiscated, were returned.

Among nine motorists fined a total of \$38 for traffic violations was Patsy P. Procaccio, Jr., 20 Grant avenue, Murray Hill, who was found guilty of driving recklessly in Morris avenue. He was assessed \$5 and his driving privilege was revoked for thirty days.

## Lions Club Will Mark 25th Year

### Program Set For Fri. Nite At Orchard Inn

Members of the Springfield Lions will celebrate the 25th anniversary of its founding at a dinner meeting at the Orchard Inn tomorrow (Friday) night. Among the guests will be wives of members. The principal speakers will be Magistrate Archibald A. Wacker of Union-Township, deputy district governor, and Fred Stoddard, of Irvington zone chairman.

Wacker will speak on Lionism. He will present 25-year charter chevrons to Robert Bunnell, Richard Bunnell, Dr. Stewart Burns, William Jensen and Morris Lichtenstein. All of this group have maintained their membership since organization of the club on November 9, 1925.

The Lions group is the oldest service club in the township. It has stressed community betterment and improvement of all facilities for the general welfare. Its work in the field of charity has been significant. It has aided the needy of the community in supplying eyeglasses, clothing and food. The club has helped in the work of the Blind Association of Union county and been prominent in the aid of National Charity Foundations.

The club also has sponsored a large auto pack. The Lions annual variety show has become a tradition in Springfield. It constitutes the principal fund raising activity of the club.

The twenty-five charter members were Hobart Benedict, Richard Bunnell, Robert Bunnell, Dr. Stewart Burns, William Charles, Edwin Doerries, Walter Fodor, Fred Holzman, Dr. William Huff, Walter Jacobus, Cecil Jeakens, Arthur Jennings, William Jensen, Gabriel Larsen, Hugo Mayer, Erwin Melsel, Peter Melser, Dr. Watson Morris, Morris Lichtenstein, Wilbur Parsons, Everett Reisch, Richard Schmidt, George Thomas, Edward Toyneley and Andrew Wilson.

The club president is Charles F. Hoard. Other officers are: First vice-president, Louis Zients; second vice-president, William J. Melick, Jr.; secretary, Robert D. Trent; treasurer, Morris Lichtenstein; lion tamer, Fred J. Allen; lion twister, Harold E. Frutchey; and directors, Olaf E. Palmer, Alvin H. Dammig, Joseph L. Focht and George D. Harrison, Jr.

Harrison heads the committee in charge of tomorrow night's event. Regional School Commissioner Raymond W. Forbes is past president.

## Regional Renamed State Champion

The Regional High School retained the North Jersey Section 2 football championship title when it was renamed this week by the New Jersey State Interscholastic Athletic Association that Regional and Rahway had been named co-champions.

The decision was not unexpected in view of the 7-7 tie played by the two schools at Rahway on Thanksgiving Day. There was little to choose between the two grid powers in the holiday game. Regional dominated play in the first half, scoring its touchdown and converting in the first quarter with Rahway having the upper hand in the second half. The Scarlet scored in the third period.

In Colton ratings Regional received 305 points to 533 for Rahway. The fact that the Bulldogs played a less severe schedule than Rahway made the difference, it was said.

The tie was the third in four years for Regional. The school never has won the championship outright. The Bulldogs lost one game in 1917 and were named co-winners with undefeated Westfield and twice-beaten Hillsdale. Last year Regional won eight and tied one (Bound Brook) and Westfield won eight and lost two. Again they were named co-champs but the decision was as unpopular here as the '47 verdict was in Westfield.

This year Regional was undefeated until it met Rahway. The Scarlet had seven victories, the tie with Regional and a defeat by Clifford Scott which won the championship of Group II in Section 2 of North Jersey. Among Rahway's victims was Westfield.

Generally it was agreed that the co-championship was fair to both schools. Other county schools to win championships were Plainfield in Group 4, Central Jersey, and St. Mary's in Class B, Catholic, North Jersey.

## Repair Crews Fix Power Failure

Electric power failure struck Springfield again at 7:00 a.m. Monday as work was being completed on damage done by the recent wind storm.

Police reported that two main transformers "blew out" on Le Flamer avenue, near Irvington High School, and the other in Morris avenue at Springfield Center.

Sgt. Albert A. Sarge reported that the transformer near the high school shot sparks twenty feet into the air until the circuit was shut off.

As a result of the light failure, police headquarters received scores of calls from parents who wanted to know if schools would be open.

All schools were open, although they were without lights part of the morning. Jersey Central Power and Light Company workers went to work immediately to replace the transformers.

## LOU ZIENTS' DAD DIES IN NEWARK

Harry Zients, father of Louis Zients, owner of Fuel Sales Oil Co. of Springfield, died Sunday at Beth Israel Hospital, Newark, at a long illness. He was 81.

Mr. Zients retired 10 years ago after 45 years in the home construction business. Born in Russia, he came to America in 1900 and settled in Newark.

Services were held Monday at the Philip Apter & Son Funeral Home, 18 Stratford place. Rabbi Louis M. Levitsky of Oheb Shalom Synagogue officiated. Burial was in Oheb Shelom Cemetery, Hillsdale.

## LEAGUE TO HOLD DEFENSE MEETING

A meeting concerning civilian defense plans for Springfield will be held in one of the local schools during the week beginning January 8, under sponsorship of the Citizens League.

The period has been designated "Civilian Defense Week" by Governor Driscoll. Speakers at the meeting will be Mayor Robert W. Marshall and Addison Fly, Union County-Civilian Defense Director. Further details will be announced soon.

## No World Government Say Battle Hill Vets

There will be no world government and the United Nations flag will never be flown above the Stars and Stripes at Battle Hill Post, 7683, Veterans of Foreign Wars, has its way.

At a recent meeting post members adopted resolutions expressing opposition to plans to set inside October 24 as a day in which the blue and white flag of the UN is to be flown over the Stars and Stripes. The motion was pointed out that statutory law states that no flag shall have precedence over the United States flag.

The post also went on record in opposition to the United Nations Anthem which was introduced at the Hollywood Bowl on October 1 under the title of "Our American Program" sponsored by the "National Go to Church Campaign."

Battle Hill Post in its resolution pointed out that the United States has adopted the "Star Spangled Banner" as its National Anthem and that it cannot be superseded by any other anthem. The post asserted that no true American can pledge allegiance to any flag, nation or groups of nations other than the United States with no indicating allegiance to no one. It stated that the V.F.W. has gone on record in opposition to world government, and called for an immediate investigation of the facts in the case.

The resolution also urged that the National Department of the V.F.W. investigate Rolfe Lanier Hunt, editor of the "Phi Delta Kappa" and Rulon Armstrong Jones of San Bernardino, Cal., to see if they hold membership in the M.F.W., and if so to revoke their membership. The V.F.W. charged the couple with sponsorship of the plan.

## Citizens Group Asks Cooperation

Cooperation between officials and taxpayers in the preparation of the 1951 municipal budget for Springfield will be discussed at the Citizens League meeting at the Town Hall Tuesday night.

Arthur Handville, finance chairman of the Township Committee, is expected to give the views on this problem.

Handville was recently designated by the Township Committee as a representative of that group to this meeting, the League reports. This resulted from a letter to the Township Committee, the League explains, reading in part as follows:

"It is our opinion those who are invited to the preliminary budget hearing, or reading, should have previously made a detailed study of the breakdown of the various sections and have some knowledge of the preparation of the budget."

"The purpose of this letter is to request your consideration of means for obtaining greater cooperation between officials and taxpayers in Springfield in the preparation of the budget. We feel your decision should reflect not only consideration for the taxpayers, but also the possible benefits to the township."

Reports of the annual meeting of the New Jersey Taxpayers Association, held recently in the Essex House in Newark, will be presented.

The league has invited all interested residents to attend.

## To Select Play

The Drama Department of the Springfield Women's Club will meet Monday evening at the home of the drama chairman, Mrs. Lemna Field, 102 Sutter street.

The group will choose a play which they will present in competition with other federated clubs in this district at the Springfield Plays.

## CUSTODIAN QUILTS AT HIGH SCHOOL

Edward Clark of Milltown road, has submitted his resignation as assistant janitor to take effect December 31. He commenced his duties September 1, 1947. Clark succeeded Harold Brill, a long-time resident of the township, who resigned to become chief of police of Mendham. Selection of a successor will be made by Commissioner Richard Southgate of New Providence Township, chairman of the building committee.

MOORE Furniture Co. open Monday, Thursday, Friday nights till 9. Free parking in rear.

## Action on Cops By Town Board Expected Soon

### Establishment of Command Chain To Be Next Move

During the past week the situation regarding promotions in the Police Department, following the retirement of Chief M. Chase Runyon last week, has been clarified, it was learned today. Definite action to make replacements and establish a chain of command will be launched early next month, it is understood.

At present the program calls for appointment of Acting Chief William J. Thompson as permanent chief of police. It was there that on no occasion has there been any disposition on the part of any member of the governing board to supersede the acting chief. He has been considered the logical replacement for Chief Runyon for many months.

## Joyners Nabs Pair In Stolen Auto

Tribute was being paid Patrolman Leslie Joyners today for the recovery of a car stolen in Westfield and for the apprehension of two men charged with the theft. One of the men escaped but later was arrested in Mountainside by police of that municipality.

Joyners was coming on duty Tuesday night when he saw two men sitting in a vehicle parked at Morris and Linden avenues, police said. When he found that neither had driver's licenses or the registration of the car, he placed them under arrest. The men were James O. Sturdivant, 18 years old, of 121 Cacciola place, and Fred Franklin, 25, of 227 Cacciola place, both of Westfield.

The patrolmen ordered the couple to drive to headquarters. When they reached there, Franklin jumped out of the car and disappeared in the direction of Fiemer avenue. He was arrested by Lieutenant Fritz and Patrolman Boynton of Mountainside two hours later, following transmission of a police alarm.

Westfield police said the car had been stolen from Mrs. Edward A. Horton, Jr., of 19 Gray terrace, Fanwood, while it was parked in front of 117 Quimby street, Westfield, Tuesday. The youths were turned over to Westfield for arraignment there on charges of an auto theft.

## Community Sing Open to Public

Most Springfield residents will welcome this week's announcement that Springfield will have a Community Christmas Tree and Community Singing at the official lighting of the tree.

For a number of years the local Girl Scouts have actually shouldered the tree Christmas Spirit of the town by enrolling through various neighborhoods and meeting at the Memorial Hall located at Fiemer and Morris avenues. There the Girl Scouts have had a small lighted tree around which they have gathered, to sing together the beautiful Christmas carols that always warm the hearts of all listeners.

Knowing that the Scouts have long been the site for their Christmas tree, but recognizing the Scouts' splendid Christmas thought, and wishing to assist and enlarge upon the idea, the Springfield Recreation Committee called a meeting of representatives from all local organizations. From this has grown the plan to sponsor a Community Christmas tree on the Municipal Green, back of Town Hall, making it an annual project.

On Sunday, December 17, at 5 p.m., all Springfield people are cordially invited to attend the official lighting of this tree and to participate in the singing of Christmas carols from 5 to 8 p.m.

The Girl Scouts and their leaders, in previous years, will start from various places in town earlier in the afternoon and, coming from all directions, will meet at the Municipal Green to join in the "Community Sing." Herbert Kern will lead.

## Damaged Trees Can Be Salvaged

Many a tree or shrub damaged in the Thanksgiving week-end storm can be saved. Specialists at the College of Agriculture, Rutgers University, tell how in a leaflet called "Storm-Injured Trees."

For example, a bent tree or shrub can be straightened and supported with wire, making sure that the wire does not cut the bark. The leaflet tells how to fertilize storm-injured plants to speed their recovery, how to trim bark and remove damaged branches, and when to use paint or sheath to protect wounds.

Drawings illustrate how to prevent further injury while trimming damaged limbs from trees, and how to trim bark around large cuts and wounds.

The leaflet is available from county agricultural agents and from the bulletin clerk, College of Agriculture at Rutgers. It is free to New Jersey residents. For others there is a charge of 5 cents.

FREE delivery of Meats, Groceries, Sea Food, Fruits and Vegetables, Center Super Market, 265-267 Morris Avenue, ME. 4-282.

# Protests Fail as Board Ok's Colfax Zone Change

## Break And Car Theft Solved In Rapid Style By Police

Tribute was paid today to three township patrolmen by Acting Chief of Police William J. Thompson for their detective work following the arrest of two suspects in Westfield Monday. The trio learned that the couple had been involved here in the burglary of \$75 from the Morris Avenue Motor Car Co., 155 Morris avenue, and the theft of the car of Gerald Bryson, from the driveway of his home, 53 Satter street.

The three patrolmen commended are Vincent Pinkava, Donald Maling and George Parsell. Questioning the couple they soon found that they were connected with the theft here. It finally was learned that the two men had been involved in seventy-five burglaries in twelve communities, according to Chief John R. Schreiber of Westfield.

The men are Franklin Dalton, 20 years old, and William L. Lieber, 18, both of Newark. They were apprehended by Westfield police in the parts department of an auto concern at North and Central avenues in that town.

Arraigned before Westfield Magistrate William Beard on burglary charges they were held for the Grand Jury without bail. They allegedly were involved in burglary in Union, Elizabeth, Westfield, Little Falls, Bound Brook, Elizabeth, Harrison, Bloomfield, Nutley, Newark, North Arlington and West Orange as well as Springfield.

Particularly significant was the talk given by Commissioner Albert G. Binder in voting in the affirmative on the motion. Binder, who resides less than two blocks from the proposed apartment, said he listened through many hours of open hearing on the subject and arrived at his decision which he felt would be of considerable benefit to the community as a whole. He stated he would much rather have the apartment in his "back yard" than live within 600 feet of some of the one-family homes now being erected in Springfield.

Handville qualified his vote by stating his reasons probably would fall on deaf ears in view of the fact that 99 per cent of the hall was filled with Colfax Manor home owners. He said it would be a good thing for Springfield and definitely "is not the dragon you people think it is. Five years from now you'll wonder why you worried and protested so much," he stated.

The meeting opened with Eugene Becker, representing the Colfax Civic Association, reviewing the arguments of his group and asking that its many queries be answered. Herbert M. Ellen, attorney for Nicholas P. Angleton, developer, and owners of the Pioneer Apartments, said that the apartments would have four, five and six rooms and rent for \$40 per month. He said buildings would be a maximum of 2 1/2 stories in height and would not occupy more than 16 to 18 per cent of the area. The density of families per acre would not be in excess of ten, he said. There would be landscaping in the front, rear and between buildings.

In reply to objections that the apartments would detract from the neighborhood and decrease property values, Ellen said the project would enhance the area which he described as being bounded now by a "pumping station, a refuse dump and a light club." Ellen objected vigorously to a printed statement by the Colfax group that the apartments would spawn a new group of transients. "The remark," he stated, "is fraught with unfortunate implications and would imply that we contribute nothing to the community."

Fred Sticker, 34, attorney for the Colfax group, again warned the committee that spot zoning was illegal. "You never zone a particular piece of property for a particular individual, especially when it affects so many," he declared. He called it "improper and unwise."

Robert Edwards, Montclair town planner, also representing Colfax, said "dumping of a commercial enterprise in the backyards at Colfax would be a considerable offense" and he predicted it would result in complete deterioration of the area. He said his statistics showed there would be an abundance of children in such a project. Several others in the room, however, expressed doubt as to the source of Edwards' statistics on this score.

The hearing ended with Becker appealing to the Township Committee to reject the zone change and to take immediate steps to name a "proper" committee to survey the entire community with a view toward designating specific areas for apartments and desirable industry.

## Women to Hold Supper Party

A supper party at Kooze Brothers in Rahway has been planned for members of the Springfield Women's Club and their guests on Wednesday at 6 p.m. Those who attend will be served a buffet supper and will then be taken on a tour of the store. Men have been included in the invitation, and it is expected that many husbands will be in the party.

Since the party is limited to 125 people, those who plan to attend are urged to call Mrs. Frederick Spiveter, 76 1/2 Morris Avenue, Newark. Her number is Millburn 6-0086.

Mrs. Spiveter has announced that she is taking deposits from those expecting to attend the theater party in New York which her department has planned for Saturday, February 3. This will be an all day trip to the city. In the morning the group will see a television broadcast. From there they will be taken to the Hotel Bristol for luncheon. In the afternoon they will have a shopping spree at the following places: "Glenmore," "Princess," "Glenn-McKee" or "Altairs of State." A chartered bus will take the party to New York and return to Springfield in the late afternoon.

## UNLICENSED DRIVER PAYS STIFF FINE

Anthony Manfredi, 22 years old, of 308 Passaic avenue, Nutley, was fined \$103 in Municipal Court Monday night when he pleaded guilty before Magistrate Henry C. McMullen on a charge of driving while on the revoked list.

Manfredi was apprehended in Fiemer avenue near Morris avenue by Patrolman George E. Parsell for speeding. A check revealed that Manfredi's license had been revoked for hit and run driving. The speeding charge was suspended.

## APPEAL FOR BLOOD

An appeal was issued at press time today by Springfield police for blood to save the life of the 4-month-old daughter of Mr. and Mrs. Anton Kitzing, 141 Houshaw avenue, who is suffering from dreaded leukemia. The child is in Irvington General Hospital.

Persons with blood type O or any victim of leukemia who has recovered are urged to report to local police headquarters without delay.

## Action Paves Way for New \$3,000,000 Garden Apart.

Despite the renewed protests or more than 100 residents of the Colfax Manor section, the Township Committee last night voted unanimously to rezone from residential A to D an 18-acre tract in Short Hills avenue to enable construction of a garden apartment project costing approximately \$3,000,000.

Action of the governing body followed a renewed public hearing on the proposed zone ordinance change. Last night's session, held in Legion Hall, started shortly after 8 o'clock and ended about 10:30 at which time the Township Committee decided to recess for 15 minutes before making its decision. Commissioner Fred Brown made the motion and the second was made by Commissioner Arthur Handville. Each member of the governing body said he felt the move was "in the best interests of Springfield."

Particularly significant was the talk given by Commissioner Albert G. Binder in voting in the affirmative on the motion. Binder, who resides less than two blocks from the proposed apartment, said he listened through many hours of open hearing on the subject and arrived at his decision which he felt would be of considerable benefit to the community as a whole. He stated he would much rather have the apartment in his "back yard" than live within 600 feet of some of the one-family homes now being erected in Springfield.

## Mayor in Tribute To Storm Workers

Mayor Robert W. Marginal today paid tribute to the individuals and agencies who worked strenuously during the hurricane week-end to restore Springfield to "normalcy."

The chief executive paid special tribute to former Chief of Police M. Chase Runyon and Road Commissioner Fred A. Brown for supervising and coordinating the assignments of many crews engaged in rehabilitation work. The Mayor also was high in praise for residents of the township who patiently suffered hardships during the storm but refused to tax the facilities of the limited communications lines. He said they had demonstrated patience and cooperation.

Mayor Marshall said that among the agencies which had contributed materially to aiding the township survive the storm's devastation were the police department; the special police officers; the paid and volunteer members of the fire department; Springfield Chapter, American Red Cross; the road department; the First Aid Squad; members of the Springfield Civilian Defense Units; the Eln Construction Company; Hamilton Scott; John D'Andrea; Joseph Casternova; Harry Barndt, the repair crews of the Jersey Central Power and Light Company and Albert G. Binder, Arthur Handville and Walter Baldwin of the Township Committee, who remained an duty with their departments throughout the emergency.

The Mayor said it would be difficult to list the many talents and talents involved in restoring the municipality to a measure of "normalcy." He said it is impossible to single out any individual or department for special praise but asserted that from his observation all the individuals and units mentioned had done a Herculean task. He expressed appreciation on behalf of the municipality.

## Gridders Will Be Honored at Dinner

The Regional Booster Club will hold its annual football dinner next Tuesday night, December 12, at the Flagship, Route 29, Union at 8:45.

Announcement that Regional High School has repeated as State Champions in Group 3 has been made, and the team and cheerleaders will be feted at the dinner.

Outstanding speakers have been arranged for, in addition to which there will be a floor show and dancing after the meal of roast turkey.

Presentation of gold footballs to the senior lettermen, and gold megaphones to the senior cheerleaders will be made by Jack Schramm, booster club's president, and it is hoped that Walter Scott, secretary of the NJSFAA will be on hand to announce the championship officially.

The Township Committee and other officials have been invited, and all of Regional team followers are asked to make their reservations immediately so that seating may be arranged. Tickets and reservations may be arranged for through the Regional High School or any member of the booster club.

## Gift Wrapping

Unusual ways of wrapping Christmas gifts will be described to members of the American Home Department of the Springfield Women's Club at their meeting next Thursday evening, December 14 at the home of the chairman, Mrs. Henry George, 184 Milltown road. Mrs. George will have on display gift aprons and will explain how they are made.

### Summit Symphony Will Honor Bach

Harry S. Bonnaford, conductor of the Summit Symphony Orchestra, will pay tribute to Johann Sebastian Bach at the concert to be presented on Wednesday evening, December 13. The orchestra

will take part in the universal observance on the occasion of the 260th anniversary of Bach's death. Walter DeMaio, of Summit, and Samuel Marder, of New York City, will be the featured violinists when they will play Bach's "Concerto for Two Violins and Orchestra in D Minor."

Mr. DeMaio studied with John Henicewicz of Summit and has had a scholarship at Trinity University where he studied under Hans Wagner of the Berlin State Opera and Symphony Orchestra. He is now a student at the Manhattan School of Music, studying under Harris Danziger.

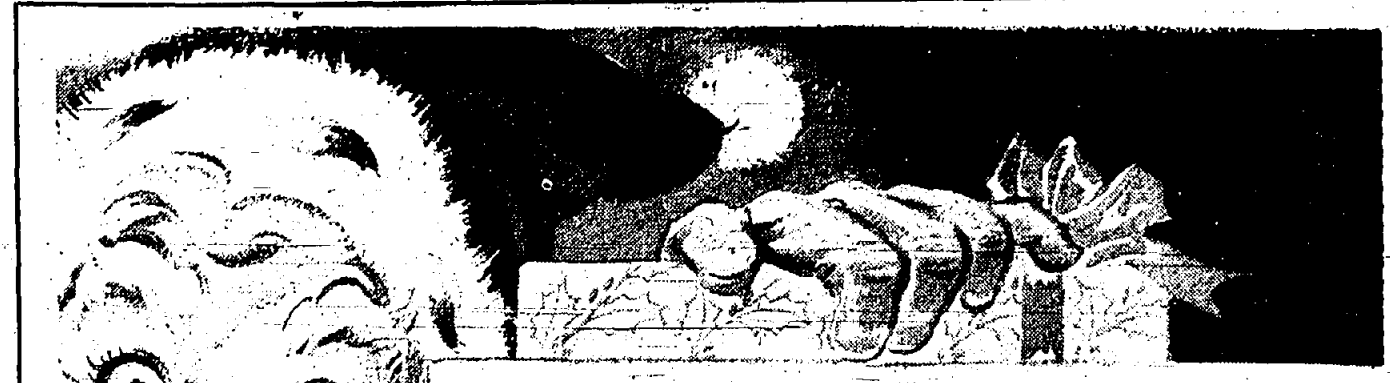

Mr. Marder, a music student in New York City for the past two years, came to this country after having spent considerable time in

Germany. He studied in Roumania with Professor Kramer and in Germany with Professor Koshelwsky and Hubert Aumero. He is now a scholarship student at the Manhattan School of Music, studying under Harris Danziger.

The strings of the orchestra will present the "Air" by Bach and his "Chorale and Fugue" will be played by a brass ensemble.

Mr. Bonnaford has announced the complete program for the Christmas concert which will begin at 8:15 o'clock. It is open to the public and there is no admission charge.

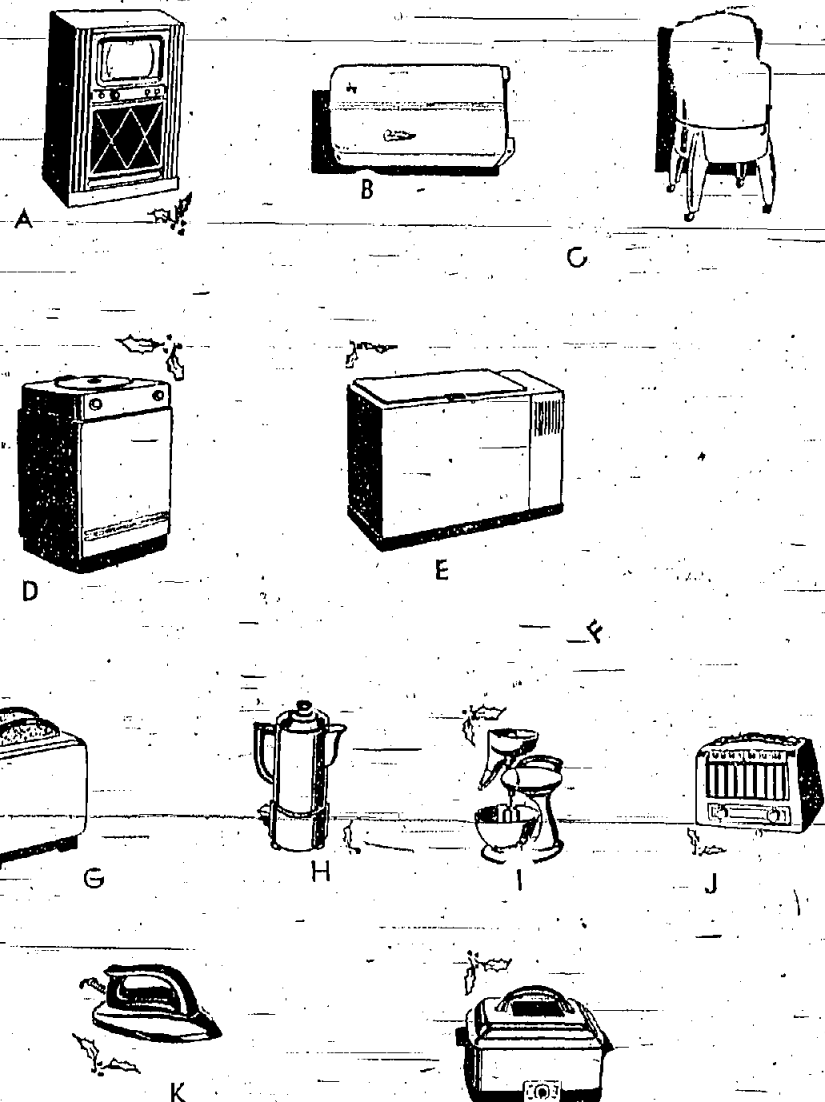

A meeting of the combined Civics and Youth Conservation departments of the Springfield Woman's Club will be held next Thursday evening, December 14, at the town library, 30 Main St. Mrs. Wilbur Eno and Mrs. Charles Heard, chairmen of these departments, will lead a discussion comparing facilities in the Springfield schools with those in other schools. Mrs. Frank Jakobsen, the club's representative on the Citizens' Committee discussing the school question, will report on the work she has been assigned.

**Looking Into Yesteryear**

From Files OF THE SUN

**Ten Years Ago**

Three football stars from Regional High School were given honors by Gus A. Falzer in his selection of the All-State football team of 1940. They were Babe Pustman, Charley Adams and Alon-Nagy.

Judge Lloyd Thompson of Springfield road, who had been nominated to the Court of Errors and Appeals by Governor A. Harry Moore, was honored at the Court-house by the Union County Bar Association when the group advocated, laudatory resolutions in favor of the Governor's selection. These resolutions were to be sent to officials in Trenton. Judge Thompson's name had been sent to the Senate for final confirmation.

Mr. and Mrs. Erwin Houck of 70 Morrison road announced the engagement of their daughter, Jeanette Blanche, to William R. Gerloff, son of Mr. and Mrs. William Gerloff of 249 Pennsylvania avenue, Hillside.

Nine students were initiated into Pioneer Chapter, Future Farmers of America, at a public installation at the Regional High School gymnasium. The new members were: Fred Graf, Kenneth Roll, William Severs, Charles Cottrell,

Robert Cubberley, George Coppola and John Leslie.

Tax Collector Charles H. Huff was selected chairman of the 1949 Best Dressed Store Window Contest, sponsored by the Springfield Lions Club. Local merchants were invited to participate in the contest, their windows being considered for a period of about ten days before Christmas Day.

Thomas H. Hogan, manager of the New Jersey State Employment Service office, Summit, stated that there were opportunities for youths between the ages of 17 and 24 years, to be trained by the National Youth Administration.

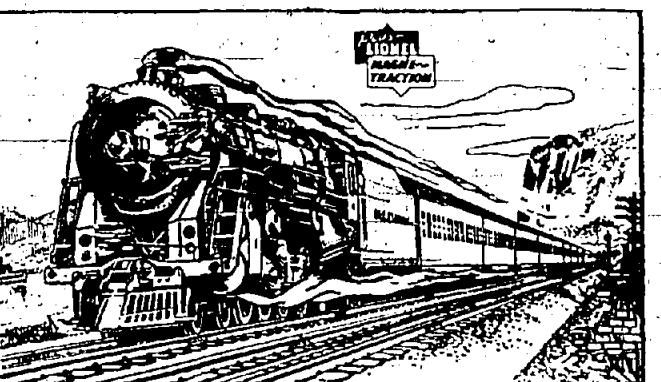

**Pupils Take Part In Seal Campaign**

School students are sharing in the annual tuberculosis Christmas Seal Campaign by purchasing Bangle Pins in the form of the double-barred cross. The receipts will be added to funds realized from the mail sale of Tuberculosis Christmas Seals to bring the county closer to its Seal Sale quota of \$80,000.00. C. H. Richards, treasurer of the local Seal Sales stated today. The 1949 returns from the Bangle Sales in Union County were \$1254.50.

Richards also states that in spite of the weather hazards, postal employees have with efficiency and industry, carried the "Celestial Messengers of Health" to residents in every municipality in Union County.

Interest in the program of the League has been shown by the quick response to our Seal Sale letters. By the first day, 1,700 people in Elizabeth had contributed \$2,000.00 to finance case findings, clinic services, health education, low-cost x-ray service, rehabilitation and occupational therapy. The interest of postal employees in the Tuberculosis Christmas Seal dates back to 1904 when Einar Holboell, a Danish Postal Clerk, organized the first "Christmas Stamp" for the care of Denmark's Tuberculous children. Prompt returns will finance the league in planning for its program for the fiscal year of April, 1951, to April, 1952.

**BACK TO NORMAL!**

Except for a very few isolated cases, the inconvenience and havoc caused by the recent savage storm are over. Service is back to normal, although much work remains to be done. Fortunately, our ample emergency stock pile of equipment will permit us to finish the job without delay.

The unexpected and unprecedented gale winds knocked out of service 115,000 of the 185,000 homes and places of business we serve—35,000 of these were in the North Jersey area of this company.

We regret the inconveniences this caused you, but like all experiences it had a few bright spots. One of the brightest was the splendid cooperation and sympathetic understanding we received from you under trying conditions. This helped greatly to expedite restoration.

Another was the way line crews—our own and those who came from many distant cities—and extra emergency workers, who were drafted under the Company's Storm Emergency Plan, responded to the challenge without thought of time or personal hardship.

JCP&L thanks all of its customers, local municipal officials and workers, fire and police departments, welfare organizations, the newspapers and radio, the hundreds of men and women of its own organization and the many others who gave valuable assistance during the emergency, for the fine cooperation received.

### Rau Five Keeps League Top Spot

Springfield Market took two out of three games from the leading Rau Five, Monday night, at the local bowling alleys, and moved into third place. The second place Senators won two from American Legion, Bunnell Bros. won two from Russell's Men's Shop, 7 Bridge Tavern took two from Geljack's Jewelry Shop. Hersey Ice Cream won the odd game from Battle Hill and Kellers Five took all three from Nelson's Texas.

### Rutgers Meeting For H. S. Pupils

Jan Hillier of Springfield and Daryl Muslow of Berkeley Heights, accompanied by Miss Pauline Keith, head of the social studies department at Regional High School, and George Somers, student teacher, will attend the International Relations Conference at Rutgers University on Saturday. The conference is sponsored by the university's International Relations Club, a group devoted to the study of international affairs. It affords the high-school students and sponsors invited to attend an opportunity to hear experts speak on topics of international significance and to participate in the discussion.

Last Saturday a debating team made up of Esther Currie of Clark and Richard Jennings of Mountaintop, negative, and Nancy Wilmore of Springfield and Anthony Mortanolo of Berkeley Heights, affirmative, attended the Debate Clinic at the University of Pennsylvania. Each side competed with three other teams.

Other debating plans include competition with an Irvington High School group on December 11, with Hillside in January and the Forensic League Tournament in March. A debate tournament will also be held at Regional High School in February.

The First Presbyterian Church of Springfield, together with many other churches throughout the land, will observe Universal Bible Sunday on Sunday, December 10, at 11 o'clock worship service. This annual observance, sponsored by the American Bible Society, falls midway between Thanksgiving and Christmas. This is the period during which millions of Bible readers throughout the world join in using a selected daily list of Scripture passages. This day is recognized as an important observance in the life of the church and is listed in the calendar of religious celebrations. The theme selected this year is "The Bible - A Light and a Guide."

### Salary Increase For RHS Teachers

The Board of Education of Regional High School today informed Miss Pauline Keith, President of the Teachers' Association, that it had approved an increase in the teachers' salary guide at its adjourned meeting on November 28. The increase will be retroactive to July 1, 1950.

Under the new guide, minimum salary was increased from \$2,400 to \$2,450 and maximum from \$4,600 to \$4,650. The \$150 annual increments in effect for teachers having up to four years experience were extended to teachers having five and six years of experience. Annual increments from

seven years to maximum remain at \$100 a year. The last previous change in the salary guide took place in April, 1950 when the maximum was raised from \$4,400 to \$4,600. The Board action will result in an increase for each teacher ranging from \$200 to \$250 for 1950, including increments of \$50 to \$100 already provided under the old guide. Clerks' and janitors' salaries were also increased by an additional \$100 for 1950, retroactive to July 1.

The Board stated that it is making budgetary provision for further increases for 1951-1952. Funds will be provided for extension of the minimum salary to \$2,500, maximum to \$4,700, and an increase in the annual increment from \$100 to \$150 for teachers having seven and eight years' experience. Increases for each teacher for the school year 1951-1952 would then range from \$200 to \$250 over 1950-1951.

The total teacher payroll under the two-year plan, including increments under the old guide, would increase from \$165,170 to \$184,375 or approximately 12 per cent. The average teacher salary is expected to be approximately \$4,000 in 1951 as compared with \$3,685 at present.

The Teachers' Association had requested a new guide stepping from \$2,400 to \$5,000 in sixteen years, as compared with the plan adopted by the Board of Education of \$2,500 to \$4,700 in eighteen years. Consideration of any change in the increase for successful completion of approved graduate work was referred to Committee for further study. An additional \$200 is now given to the holder of a master's degree.

### STORM CANCELS PTA MEETING

Another aftermath of the recent windstorm was the cancellation of the November PTA meeting. It was scheduled to be held November 27, but, due to the light and heat situation in so many homes, it was deemed wise to cancel it.

This has been a keen disappointment for the Springfield parents had looked forward to hearing Miss Phyllis R. Fenner, well known child author and librarian, speak on "Arousing Your Child's Interest in Good Books."

There will be no postponed meeting as Miss Fenner could not fulfill a Springfield engagement at any other time before Christmas.
