TOWNSHIP OF SPRINGFIELD

10¢ A COPY, \$3.50 BY THE YEAR

FRIENDS!!

One of the most important fund raising campaigns of the year takes place in Springfield over the week-end when scores of volunteer workers solicit contributions for the Red Cross... during the last couple of years the local chapter has been one of the first in this vicinity to meet and exceed its quota... urge you to be generous for a great cause.

Last week's three column head in this newspaper telling of Al Benninger's plans to upset the incumbent ticket and in particular Lucille Lee S. Rigby, running for reelection, raised scores of eyebrows... Benninger, who hails from Mountside and is a fighter all the way, probably will make it very uncomfortable for LSR if he gets the necessary backing... the big question around the county continues to be, "Will the Benninger ticket file?"

Locally the situation is extremely quiet with regard to the coming primary... Township Committee member Fred A. Brown, who announced his candidacy for reelection a long time ago, continues to be the only Republican in the field... Fred says he's happy and healthy and looking forward with anticipation to running for the first time in his career for political office without opposition from his own party or the boys on the opposite side of the fence... if our memory serves us right, Lee Rigby, the man Al Benninger is after, sought to have Brown trounced three years ago... but like all others who have tried to lick Fred, he flopped miserably... in view of the nature of his own situation, Rigby isn't expected to open his mouth about Brown this year.

Merchants are beginning to kick about the one-way setup on Center street... Claim it's a hardship on the shopping public and want Police Commissioner Al Binder to take steps to alter the situation.

Discussing Republican politics brings to mind that GOP Ballroom Golf Club dinner dance last week... Congressman Cliff Chase, principal speaker, made quite a hit as did Herb Pascoe, master of ceremonies... before, after and during the turkey dinner considerable quantities of fire water went down countless hatchets... we didn't stay too long, but heard afterward that a couple of humans found navigation rather difficult... lesson to be learned is do you celebrating far away very far?

Many, many months ago municipal parking survey committee was named to delve into Springfield's horrible congestion problem with a view toward adding in straightening out the situation as much as possible... the committee worked hard, its members held several meetings, and finally it submitted a voluminous report to the Township Committee containing many recommendations... soon afterward vigor waned and it is nothing has been heard since... what goes?

Too bad more folks didn't turn out for last Friday night's public civilian defense meeting... your First Aid Squad put lots of effort into the session but only 50 persons showed up... TV seems to be more important than saving a life... we hope the day never comes when anyone lives (or dies) as a result of failing to attend the all-important meeting.

According to the best sources possible, the Citizens Advisory Committee, long at work on the Springfield school problem, will submit its first report to Board of Education authorities within a very short time.

Town Budget Hearing Takes Five Minutes

Objectors Fail To Rise As Measure Passes Rapidly

Following a public hearing last night which lasted about five minutes, Springfield's 1951 budget, providing for an unprecedented tax rate of 7.29 for each \$100 of valuation, was unanimously adopted by the Township Committee.

Fred A. Brown, veteran member of the governing body, said it was the first time in his memory not a single objection was raised at a budget hearing in Springfield. Actually, what happened between the time the hearing was opened and closed, took place so rapidly most onlookers were left breathless.

It didn't take a Sherlock Holmes to see that at least several persons, among them ex-Democratic Committeeman George M. Turk, were prepared to raise many questions on the budget. But something peculiar happened. When Mayor Marshall asked whether anyone in the hall wanted to be heard, most persons shuffled and looked at the question and the audience snuffled again, evidently waiting for someone to start firing away.

"But everyone relaxed too long," Marshall called for a motion to (Continued on Page 4)

Double Trouble Driver Is Fined

Double trouble boiled in Municipal Court Monday night for Robert T. Swartz of 348 Locust avenue, Garwood, when he was arraigned before Magistrate Henry C. McMullen on a charge of driving while on the revoked list.

Swartz pleaded guilty and was fined \$100 and assessed \$3 costs.

Swartz was brought before the magistrate several months ago and his license was revoked. He did not indicate why he selected Springfield to drive while on the revoked list. He was apprehended on February 15 in Melrose avenue by Patrolman Merle Patton.

Magistrate McMullen handled a total of twenty-three motor vehicle violation cases, levying fines, totaling \$386.

Other fines included: Careless driving, James Farrell, Jr., 1917 Lusherry street, Rahway, \$10, and Marshall McGrath, 251 Russell street, Union, \$15, and speeding, Eugene E. Matthews, 621 Beckman street, Plainfield, \$13, and Charles Smith, 1200 Roselle street, Linden, \$18.

Men's Night

Men's Night will be observed at the regular monthly meeting of St. Stephen's Evening Group on March 6. Guest speaker will be Louis N. Perna, assistant dean of the Henry George School of Social Science. His topic will be "Your Part in Current Events." Mrs. William Matthews is chair.

Government Study Course Included By Regional High

Regional High School is expanding its educational horizons this year with the introduction of an experimental unit in local, county, and state government to be incorporated in the senior course, Problems of American Democracy. The purpose of the unit is to acquaint the student with the function and organization of local, county and state government with specific attention to his own municipality and to develop within him an understanding of the problems facing government today. Composed primarily of student research and discussion, the unit is constructed to vitalize governmental issues through the presentation of as many real-life situations as possible.

Highlighting the unit of work is a schedule of guest speakers consisting of key officials in various governmental departments. The list, as it has been compiled thus far, is as follows:

March 6 - Albert Benninger, Freeholder in Union County, will speak on the responsibilities of a freeholder, the functions of the

SCRAP PAPER DRIVE SCHEDULED SUNDAY

Another scrap paper drive, sponsored by Continental Post, American Legion, will be held Sunday from 10 a.m. until every last ounce of material is piled on trucks from curbs throughout the community. The drive will take place rain or shine and the legion has requested that all bundles be securely tied and placed at curbs as early as possible on Sunday. Proceeds from this and other collections are used for worthy Legion causes.

Talks To Firemen On Atomic Energy

Guest speaker at a meeting of the auxiliary firemen, Monday night at Fire Headquarters, was Gail Kaplan, science teacher at Regional High School. During his lecture and demonstration on Atomic Energy, he explained what should be done in an atomic attack. A film on the topic was shown.

The 23 firemen, who met to drill for Civilian Defense, had as their guests—Fire Commissioner Baldwin and Gill Anthony, vice-president of the Executive Fireman's Association of Union County.

Union County Board of Freeholders, its history within the county, and the importance of efficient administration.

March 8 - Mayor Robert Marshall of Springfield, New Jersey, will speak on the township form of government. He will include the functions of the various departments within the township, their services and importance to the people.

March 13 - Clifford G. Thomas, Assemblyman from Union County, will discuss the duties of an assemblyman in the New Jersey State Legislature and his responsibility to the people.

March 20 - Judge Clarence E. Kremer, Chief Magistrate of Hillside, will speak on the court system in the state of New Jersey, its functions and history.

March 23 - Mr. Kenneth C. Hand, Senator from Union County, will discuss the duties of a senator in the New Jersey State Legislature and acquaint the students with some of the state problems which face our many today.

Patrolman O'Shea Quits Department

Patrolman Joseph O'Shea, member of the Springfield Police Department for three years, has resigned, according to a report submitted to the Township Committee last night by Police Commissioner Albert Binder.

Although no reason was given for the officer's resignation, Binder confirmed O'Shea had been suspended for infractions of the rules and regulations of the police department and was ready to be brought up on charges before the Township Committee.

O'Shea lives at 38 Waverly avenue, Springfield.

JEWELER TO SPEAK TO WOMAN'S CLUB

Some fascinating facts about gems will be told to the members of the Springfield Woman's Club at its regular meeting next Wednesday, March 7, at 8:15 p.m., at the Raymond Chisholm School. The speaker will be Edward Fitzgerald of Maplewood, manager of the East Orange store of Weiss Brothers Jewelers.

Fitzgerald is a member of the American Gem Society, and is a registered jeweler. He has addressed many organizations in this section of the state.

Huge Party Break Is Seen As Freeholder Battle Looms

Backed to the wall by last week's vicious attack by Freeholder Albert J. Benninger, of Mountside, who fayed him as an "opponent of veterans," Freeholder Lee S. Rigby today together with his running mates faced an attack from a new source in his bid for re-nomination. This week the First Ward Republican Club of Rahway endorsed Nelson L. Carr, of Elizabeth; Mrs. Effie Scheldeler of Roselle and Assemblyman Donald F. Mackie of Plainfield as aspirants for the freeholder's post.

Turk Flays Town On Redistricting

Charges by ex-Township Committeeman George Turk of "undemocratic practices" in connection with redistricting of Springfield from four to six election areas were for nil last night when the governing body approved a final resolution amendment regarding the change. Turk was unsuccessful in attempting to have the committee withhold final action.

The former Democratic official said the board's action in revising the local districts "without consulting representatives of the minority party" was in violation of Democratic principles of government. In addition, he charged that changes as they now stand would result in considerable confusion at the polls at the next election and, furthermore, were not in accordance with election laws. Unless the governing body reconsiders, (Continued on page 2)

To The Citizens of The Township of Springfield A Proclamation

WHEREAS, our Country is now in a state of emergency, and

WHEREAS, the danger now facing us requires all-out mobilization of national resources and manpower for adequate defense, and

WHEREAS, there is a mounting need for whole blood and blood derivatives for military, civilian and civil defense use; and

WHEREAS, the relentless war of the elements against mankind leaves in its wake destruction and suffering, and

WHEREAS, the American National Red Cross, under its congressional charter, is serving the armed forces; is mobilizing for defense for the protection of the family, the community, and the nation and is aiding the victims of natural disaster; now

THEREFORE, I, Robert W. Marshall, Mayor of the Township of Springfield, proclaim the month of March 1951 as Red Cross month and do urgently request all citizens of our community to contribute generously and without reserve to the 1951 Red Cross Fund through our local Chapter, and I do further urge that all of our people bear in mind that in these critical times this great humanitarian organization must be maintained in full strength; that this symbol of man's humanity remain bright as a guide to those who turn to it in time of need.

Given under my hand and the seal of the Township of Springfield, this 1st day of March, 1951.

Robert W. Marshall
Mayor.

CONTINUES SEARCH FOR LOST FELINE

Joe Grimm has spent nearly \$20 in what to date has been a futile effort to find a cat and get himself out of the doghouse.

Grimm, who lives in Springfield avenue, inadvertently opened his kitchen door several weeks ago and Nibbs, the family cat, slipped out. That was the last the pet feline was seen.

Under ordinary circumstances that could be considered routine, but Mrs. Grimm had other ideas. She told Joe that Nibbs was her favorite cat and warned he had better take steps pronto to re-establish him in the household.

Joe took the tip and he hasn't stopped trying. To date he has spent nearly \$20 (that is the equivalent of about \$40 in 1939 currency) in advertisements in the Sun.

Nibbs has double paws, according to Joe, and it's beginning to look as if he has been traveling on the double in his bid to get away from Springfield.

So everyone's spotting the alloy-kitty, Joe urges, confiscate him and bring him back to the Grimms. Then Mrs. Grimm will be happy, Nibbs' problems will be over and Joe will be out of the doghouse.

The Board of Directors of the Citizens' League of Springfield, Inc., held a special meeting concerning the 1951 municipal budget on January 29th. I have been directed to state and explain the views of the League in this matter.

"It is fully realized that these are unusual times and that with the war in Korea and new events unfolding at breakneck speed, both our school and municipal costs are increasing out of all proportion to the rise in the local population.

"With mounting taxes coupled with the obvious desire of communism for bankruptcy of the United States, the need for operation, clear thinking and action has never been more vital both at the national and local levels.

"It was partly with these thoughts in mind that the League approached the Township Committee last November requesting consideration of means for greater citizen participation in the formulation of the municipal budget. We feel the resulting individual preliminary discussions between department heads and civic group representatives before the final budget was drawn up constituted an important step in the right direction. Certainly every civic group should be urged to participate next year and the procedure should be extended to cover the school budget which is responsible for most of the anticipated tax rise.

"Concerning the 1951 municipal budget the Citizens' League has not probed the various breakdowns to the extent that might be considered desirable. However, from the several conferences with department heads and committees with the league records covering the past several years, it is (Continued on page 2)

Chamber Election Planned March 27

Formal plans for the first spring meeting of the Chamber of Commerce were discussed Tuesday by the chamber board of directors. It is planned to hold the session at the town hall on Tuesday evening, March 27.

Feature of that session will be receipt of a report from the nominating committee and election of officers. Dr. Henry Mulhauser heads the nominating unit and is assisted by Harry Boughner and Kenneth Bantomer.

Another plan slated for the meeting will be launching of the 1951 membership drive and further discussion with regard to parking meters and Springfield's Morris avenue traffic congestion.

Neighborhood Solicitors Will Canvass All Homes

Springfield may top its American Red Cross quota of \$3,200 this weekend, John F. Dalton, township fund chairman, said today in announcing that the 1951 membership drive will be conducted over a three-day period commencing tomorrow.

He said he bases his opinion on pre-campaign contributions as well as the public's comprehension of the increased burdens of the Red Cross.

Dalton said that workers for the Springfield Chapter of the Red Cross will attempt to top the quota in the three-day period. This procedure has been followed in the past. Mrs. Leslie Joyner is residential chairman. It has been pointed out that contributions to the campaign will be accepted during the entire month.

The following district volunteer workers will participate: first, Mrs. Thomas Doherty; second, Mrs. Bruce Evans; third, Mrs. Clifford Zimmer; fourth, Mrs. Herbert Zimwin; fifth, Mrs. Stephen Terrell; sixth, Mrs. Charles Beardsley; seventh, Mrs. Robert Smith; eighth, Mrs. Lee Andrews; ninth, Mrs. George M. Briggs and tenth, Mrs. Dan Cavanaugh.

Dalton pointed out that the services of the Springfield Chapter include the Learn-to-swim program; the Junior Red Cross program; the Motor Corps and the work done for veterans of Lyons Hospital which include making of holiday favors and other specialties.

Citing the national emergency, Dalton said it is obvious that the Red Cross needs aid as it mobilizes to help American soldiers. He pointed out that 20,000 are being trained to administer (first aid and that the Red Cross is equipping to coordinate a vast national blood program which includes nationwide recruiting, collecting, storing and preparation of blood for shipment.

The campaign director also listed the training program for hundreds of women and girls who are becoming volunteer home nurses and nurses aid work. He said services to the Armed Forces, are a new nursing-responsibility, as well as in war. Workers, he pointed out, are assigned to military installations, and field units with skilled hospital workers being aided by trained volunteers. Chapter Home Service workers help the serviceman and his family in the local community, he said.

The Red Cross is helping to provide food, clothing, and temporary shelter during all emergency periods, Dalton said. The agency has a three-fold responsibility in blood procurement—civilian hospitals, the armed forces and civilian defense.

Nearly fifty persons turned out to see a new release of Army films on how to survive an atomic bomb attack, at a meeting sponsored by the Springfield First Aid Squad last night in American Legion Home.

Mayor Robert W. Marshall welcomed the group and detailed progress of Civilian Defense preparations here. He urged more residents to join the preparedness effort.

Harold Marter, vice-president of the sponsoring group, presided. He introduced Gail Koplin, general science instructor at Regional High School, who demonstrated chemical reactions which break molecules down to atoms. With diagrams and verbal descriptions he explained how an atomic explosion is set off.

A chartered bus will leave the Municipal parking lot at 10 a.m. The group will tour the NBC Television Studios during the morning, lunch at the Hotel Bristol and, in the afternoon, they will see "Affairs of State." They will return by bus to Springfield.

'51 License Sales Started At Agency

New license plates and driver's licenses went on sale today at the local branch of the Motor Vehicle Department, Flomer agency, according to an announcement by Richard T. Bunnell, agent.

The new 1951 plates have straw-colored numerals on black and are the reverse colors of the 1950 tags. The 1950 plates and driver's licenses expire at midnight March 31, Bunnell pointed out.

No plates can be issued unless the car has had two inspections for the 1950 registration period, the local agent emphasized. If a car has been through the necessary inspections for the past year, two circular stamps will be shown on the reverse side of the 1950 registration. The only exception is when the automobile was registered after September 1, 1950, in which case only one inspection is required. Where the car was licensed after January 1, 1951, no inspection is required.

Pointing to the marked increase in 1950 both in the number of automobiles and driver's licenses in Springfield and through New Jersey over previous years, Mr. Bunnell predicted an exceptionally heavy renewal period. He urged motorists to apply early for licenses in order to avoid long lines which are expected by the local bureau during the closing days of March.

The office will be open Monday to Friday from 9 a.m. to 6 p.m. and on Saturdays from 9 a.m. till noon.

New Town Peace Ordinance Covers Minor Infractions

With final passage of a new "peace" ordinance which is scheduled for March 14, township police will be better equipped to handle a number of violations previously not covered by various statutes.

Explaining the new measure to a Sun reporter today Chief of Police William J. Thompson pointed out that one of the important phases of the ordinance enables patrolmen to arrest persons who are drunk but who may not be disorderly. The present law provides for arrest of an individual who is "drunk and disorderly." On frequent occasions police have made arrests of individuals who were intoxicated but their behavior did not warrant the additional charge of "disorderly," Chief Thompson said.

According to the chief the new ordinance will cover a number of minor phases of law violations which previously were not listed specifically in statutes. The measure was drawn up by Township Attorney Robert F. Darby following consultation with Chief Thompson and Magistrate Henry C. McMullen.

The ordinance makes it illegal to loiter, lounge, or sleep in any street or public or semi-public place, or to use any loud, indecent, abusive or offensive language or noise or to engage in any indecent behavior or be guilty of conduct which is "offensive to public decency."

The measure also covers any person who is drunk or under the influence of intoxicating liquor or habit producing drug. It specifies persons who permit, or assist, in the making of any improper noise, disturbance or breach of peace. Anyone guilty of disorderly conduct also is covered in the legislation.

Other acts covered include (Continued on Page 4)

What is a bargain?

Footwear Inc., at 354 Springfield Avenue, Summit, New Jersey believes that you are the best judge of a bargain. You have to pay for it. You have to wear it... and

FOOTWEAR knows it's no bargain unless it's something really worth having, priced far below what you'd expect to pay.

FOOTWEAR can do it—thanks to our high-speed turnover and our unique selling methods. FOOTWEAR knows that their Women's and Men's nationally advertised, cancellations, factory stock shoes... sold at \$5.90 to \$10.90 (this is 1/2 to 1/3 below the manufacturers' fixed price... the sizes range from 4 to 10... the widths from AAAA to C and they're all bargains you can use.

FOOTWEAR, because of factory restrictions are not permitted to advertise the names of these manufacturers, but you will find the firm name stamped in every pair. Come to FOOTWEAR. You'll get a big thrill when you look at those low FOOTWEAR price tags.

paper every week from my mother and enjoy it very much. It really boosts my morale.

If it's possible, I just thought I'd like to let the folks at home know of our activities.

We started our basic training in the early part of January and this is our last week. It consisted of learning all the weapons of our modern Army and their correct usage. Our course also includes a daily period of physical training and I can truthfully state that this "outfit" puts a person in "top shape." We had to pass an individual physical training test to qualify for jump school and I came through with flying colors.

Monday we are to participate in a parade commemorating the birth of our nation eight years ago. Can you imagine that? We're actually getting so good that they're going to put us in a parade!

We are scheduled to leave for Fort Benning, Ga., on March 5 to commence three weeks of jump training, which should prove to be very interesting. I can honestly say that if and when I receive my wings I shall be one proud Airborne soldier, for I have learned that these wings do not come easily. With hope that I make the grade.

Respectfully,
PVT. R. T. JOHNSON,

LAUDS AID SQUAD

I would like to take this means of publicity expressing our appreciation for the marvelous work done by the First Aid Squad of Springfield during our Mother's last illness.

It was necessary for her to make several trips to a doctor's office and to Overlook Hospital. On each of these occasions, the kindly, efficient handling by the First Aid Squad helped tremendously. It will always be remembered with deep gratitude.

Speaking for the Hodapp family, I am,

Very truly yours,
Lillian Hodapp,

close the hearing. Finance Commissioner Handville made the

move and before another ten second elapsed the session was over and the meeting adjourned.

The total to be raised by taxation for local school purposes is \$316,003, an increase of \$80,786 over the 1950 figure. The Springfield

portion of the costs of operating Regional High School will be \$63,873 as compared with \$62,436 for last year. This represents an increase of \$1,434. County taxes show an increase of \$7,473, the new figure being \$91,000.

The total appropriation for municipal purposes is \$404,145. Of this amount \$287,202 is to be raised by taxation. Appropriation of \$85,000 surplus revenue and anticipated increases in several categories of miscellaneous revenues resulted in reduction of this figure, it was pointed out.

There is an increase of \$1,476 in the amount to be spent for local government purposes. Fifty per cent of this figure is represented in salary increases for municipal employees and increases in person-

threatening of bodily injury; carrying on of an altercation or dispute with another group or individual and the defacing of property.

Actually it cloaks the police department with tremendous power for it states, "It shall be unlawful to carry on an altercation or dispute with another person or persons, or to gather in groups of three or more in the public street, or on the public sidewalks with intent to prevent or in such a manner as to prevent the free and

unhampered passage by the public on and along or over said sidewalk of street.

The measure also covers throwing of sticks, stones, glass or metal on the street or highway or the dumping of refuse without permission; maintenance of a disorderly house; use of a structure for gambling or prostitution and operation of a horse race betting or pool-selling establishment. Soliciting and begging also is forbidden. Interference with firemen in extinguishing a fire or with persons engaged in ambulance service also is listed.

Conviction provides for a fine not to exceed \$200 or imprisonment in the county jail for a maximum term of 90 days, or both.

Know Your Government

By N. J. Taxpayers Association

FEDERAL SUBSIDIES - FOLLOWED BY MORE TAXES AND CONTROLS

As in the chuckle-provoking weather prediction: "Snow storm, followed by little boys on sleds," there is a definite, though less humorous, connection between the public hearing on New Jersey's proposed new public assistance code held at the State House February 23 and the March 15 deadline for filing income tax returns.

For no small part of the income tax payments from New Jersey will be used by the Federal Government to pay grants and subsidies to the states and their subdivisions. Many of the latter, ironically, are in better financial condition than debt-ridden Uncle Sam. One of the purposes of Assembly Bill 17 is to realign New Jersey's public assistance program so that the State, its counties and municipalities may receive increased aid under existing federal programs and qualify for additional payments established in a 1950 congressional enactment. (Congress in P.L. 704 of 1950 provided a \$50,000,000 appropriation in the new classification of aid to the needy permanently and total-

ly disabled, of which New Jersey's share would be \$864,000. Federal money toward dependent children, the aged and the blind also was renewed or increased.)

"Once a federal aid program is established, it is a relatively simple matter to expand it," it was pointed out by the New Jersey Taxpayers Association's Committee on Federal Affairs in a statement regarding the legislative bill. "It grows by easy stages... A-17 offers a prime example of the manner in which big government slowly but surely tightens its fist around the State and its subdivisions inevitably robbing them to impotence and substituting centralized control... while early stages this may appear to represent increased efficiency, the administration becomes too heavy, unmanageable, inefficient and costly."

We call attention to the fact that a sizeable group of taxpayers organizations throughout the country is now working to reduce ultimately the reliance upon federal aid in all states. The immediate objective of this cooperative effort is a thoroughgoing re-study of the entire subject by Congress. The ultimate aim is to reduce progressively (1) the amount of federal aid, and (2) the federal taxation that supports them. This in turn will increase the responsibility at state and local levels. There we will find greater promise of governmental economy, of fair treatment for the individual, and of perpetuation of the representative character of our nation."

Your Library

Meeting interesting people is always a stimulating and enriching experience. And certainly the world has been full of interesting people at various times, including this, our own confused little era. A national hero like George Washington, a diarist such as Pepys, or almost any one of the famous figures in history would certainly be fascinating to know. Unfortunately time, space, and these other two dimensions of Dr. Einstein's always stand in the way. But there is a device that transcends these barriers and enables us to know and become familiar with any historic personage we happen to admire. Biographies are the answer.

Reading a well-written biography can be a most rewarding experience. Not only will you gain an intimate knowledge of the person you have admired but also the added attraction of seeing him or her as the case may be, through the eyes of the biographer. Irvin Cobb as his daughter knew him, Alexander Woolcott as Samuel Hopkins Adams remembered him, Will Rogers as depicted by P. J. O'Brien and scores of others.

Also, a biography presents a very real and accurate picture of the society in which the subject lived—a fine detailed insight on the dress, the morals, the architecture, the politics and all the ordinary problems of daily living. Your library boasts a varied choice including two just published—"The Riddle of MacArthur" by John Gunther and "Disturber of the Peace" by William Manchester.

SCHOOL NEWS

Raymond Chisholm Kindergarten

Last week some of us made George Washington hats and colored them red, white and blue, and some of us made American flags. So we decided to have a Washington's Birthday parade. With two drummers and the flag bearers leading, we looked very much like a real parade.

We have started planting things now that spring is almost here. Our bulbs have buds on them and the carrot tops and potatoes that we put in water are growing roots and sprouts. It is fun to watch how quickly they grow indoors where it is warm.

Mrs. May Busch Mrs. Mildred Thibber The following children in Mrs. Busch's room received a star for knowing all the vocabulary words we have had this year: Bobby Carter, Leslie Flower, Eileen Wilson, Tom Conlon, Noley Stiles, Judy Grossweilshede and Diane Yeager. Mrs. Busch is very proud of these children.

Mrs. Thibber was ill on Friday. Mrs. Shotwell, who lives on Mountain avenue, was our teacher.

Grades 2

Miss Alice Rieg Mrs. Anne Waters The two Second Grades were in charge of the assembly program on Wednesday, February 21st. They commemorated George Washington's Birthday. The opening exercises, led by Bernice Mason, consisted of Bible reading, prayer, flag salute, and singing of "America."

Mrs. Waters' Second Grade presented a minute and sang two songs. Miss Rieg's class did a marching drill. Poems were recited by Herbert Etzold, Billy Berger, Jimmy Mitchell, Diane Reichel, and Karen-Bickley.

The school choir closed the program with a series of songs. A special song was sung by a quintet: Bucky Brown, Tom Keane, Ralph Heilmann, Robert Shaw, and Howard Bishop. Howard Mason accompanied all activities on the piano.

Grades 3

Mrs. Ruth Arny Mrs. Charles Penman Miss Marietta Parkhurst Our class had a perfect score in last week's spelling test.

The following pupils gave very interesting reports for social studies: Robert Clifford, Sue Kisch, Barbara Aman, and Edward Priehard.

Grades 4

Mrs. Margaret McGarrath Mrs. Priscilla Butler The Fifth Grade took the achievement tests this month. These tests show that many pupils improved a great deal during the second half of the Fourth Grade and the first half of the Fifth Grade.

These pupils made outstanding growth in one or more of the following subjects: Reading, Arithmetic, Language, Spelling—Lorraine Buckley, Marie Loge, James Denham, Roger Smith, Carol Fox, Lois Hoeking, Elaine Hinton, Sue Kenne, Chela deFreytag, Gail Temple, Henry Ruban, Betty Jane Gursid, Elizabeth Walker, and Adalbert Kuenzel.

Grades 6, 7 and 8

Mrs. Isabel Nelson Miss Helen Kosloski Miss Patricia Gurin The Eighth Grade is studying investments. The class is collecting newspaper clippings on bonds, mortgages, stocks and Savings and Loan Association. Bob Jameson, Dusty Potter, and Howard Mason have contributed the most.

The Seventh Grade is discovering many uses of Arithmetic in the home, such as reading electric and gas meters, changing recipes, telephone, telegrams, and the mailing of packages. Skill in fractions, decimals and the fundamentals are necessary in these problems. Agatha Madura, Buckley Brown and Tom Keane have done especially well in this work.

The Sixth Grade was invited to the Dancing Club last week. Mrs. Sandmeier noticed the big improvement in their dancing so they were invited to learn the "Patty Cake Polka." Dick Anderson and Patty Prince won the Spot Dance.

The Sixth Grade is trying to bring spring to the room. The pupils have brought forth things

Stories. They are Patty Boyton, Rita Blomberg, Billy Franklin, Edna Marie Giannattoro, Marie Griffith, Barbara Neigel, Peter Miller, Hope Mills, and Thelma Schwartz.

The star speller for the work in Mrs. Arny's room were: Marjorie Proehl, Bruce Goldstein, A. L. Kopp, Barbara Savage, David Wisdich, Mary Ann Pettinichio, Sandra Rae, Rusty Stilo, Callie, Barbara Hayes, Carolyn Kordahl, John Keller, Gary Prince, Alice Huber, Janet Rawlins, Ellen Peighardt, and Irene Zidonik.

Grade 4

Mrs. Lucy Forsyth We have taken four spelling tests reviewing the words from lessons ten to twenty. Each test contained thirty words. Judy Vance and Charles Johnson had four A's; David Egor had three A's; Bob Sissum, Charles Stevens, Tom Battelle, and Alfred Pethardt had two A's, and Henrietta Greene, Diana Boughard, Paul Maude, Kathleen Clark, Richard Stiphen and Chip Skousen, each had one A. Many of us missed only one word on each test.

Grade 4

Mrs. Florence Kouwenhoven Our class had a perfect score in last week's spelling test.

The following pupils gave very interesting reports for social studies: Robert Clifford, Sue Kisch, Barbara Aman, and Edward Priehard.

Grade 5

Mrs. Margaret McGarrath Mrs. Priscilla Butler The Fifth Grade took the achievement tests this month. These tests show that many pupils improved a great deal during the second half of the Fourth Grade and the first half of the Fifth Grade.

These pupils made outstanding growth in one or more of the following subjects: Reading, Arithmetic, Language, Spelling—Lorraine Buckley, Marie Loge, James Denham, Roger Smith, Carol Fox, Lois Hoeking, Elaine Hinton, Sue Kenne, Chela deFreytag, Gail Temple, Henry Ruban, Betty Jane Gursid, Elizabeth Walker, and Adalbert Kuenzel.

Lunch Room Menu

The menu next week at Raymond Chisholm lunchroom will be:

Monday Spaghetti with meat sauce, carrot sticks, apple, peanut butter sandwich and milk.

Tuesday Orange juice, whole wheat rice, Cheese noodles, bread, butter, and milk.

Wednesday Hard boiled egg, lettuce salad, oven fried potatoes, bread, butter and milk.

Thursday Beef and macaroni casserole, Harvard beets, baked apple, bread, butter and milk.

Friday Tuna fish salad, baked potatoes, peanut butter and jelly sandwich and milk.

peach and apple branches to force their blooming. Myrna Cheslar, Joann Wagner, and George Haupt are interested in this experiment.

The Seventh Grade girls have decided to take a course in First Aid. They are learning how to bandage this week. They feel that this course is very practical.

The boys of the Junior Police Lunchroom "Brigade" were treated to a cake baked by Mrs. Couch for their exceptionally fine work in helping the little ones. Kenny Rogers and his group consisting of John Robinson, Roger Smith, Fred Mills, Jack Rawlins, Arthur DeBloss, Bob Shaw, and Richard Bishop responded by presenting Mrs. Couch with a scroll in appreciation of her work.

James Caldwell

Grade 1 Miss Anderson Holly Hoffman brought a picture of George Washington to school. We spent some time talking about Washington and told all the things we know about him. We then learned a new flag song and a song about Washington. Cynthia Franklin brought us our first bit of spring—a bouquet of pussy willows. Bill Heller celebrated his birthday. He was seven years old. He shared candies and candy with us. We sang Happy Birthday!

Grade 1

Mrs. Corby What a lot of fun we had preparing for a "George Washington Parade!" Several boys brought their guns. Some boys carried flags and some had cardboard swords. Nancy Woodring and Carol French led the parade. They carried balloons. Barry Becker was the drummer. Robert De Ronde wore a soldier's hat. Jay Adams was dressed as an Indian. The remainder of the class used the hand instruments. We sang, "We Sing of Washington."

Grade 1

Mrs. Sailer Peter Funtzing brought in our first sign of spring. It was some branches of pussy willow. We learned a song about the pussy willow. Clifford Murphy brought two baby chickens to school. We talked about chickens, and we learned a song called "Chick-a-biddy."

Grade 2

Mrs. Hill This week we have written the words to "America the Beautiful" in our notebooks. We learned something about the author, Katharine Lee Bates, and her reason

for writing this famous patriotic song. We saw pictures of the mural which illustrates some of the "Be" in this song. We are trying to sing it well.

We have written another letter to a classmate who is sick. We always seem to have something new in our room. We change our bulletin-board pictures often and many of us bring in interesting things.

This week we were glad to have one of our friends loan us the Johnny Appleseed records from Wall Disney's "Melody Time." Jim B. brought in a world globe and Bruce E. brought us a good map of the United States.

Grade 2

Miss Setevage The second grade has been very busy and excited for the past two weeks. Last week the children made a Valentine Post Office and Mrs. Hellman gave the children a very nice Valentine party.

This week the children are practicing for a George Washington Assembly that they will give on Friday.

Grade 2

Miss Smith Both Nancy Brobst and Norman Law had a birthday on February 19th. We hope they will be very happy. We learned about who George Washington was and why we celebrated his birthday on February 22nd.

Mr. Post taught us how to make soldier hats. Miss Smith taught us two songs about George Washington and one about marching. We had fun marching in our room wearing our soldier hats.

Grade 3

Miss Cross We have finished our study of animals. The report committee gave their reports to the class. They were very interesting. We have a large scrap book of animals. The art committee did some pictures and the clay committee has made many nice forest scenes with clay animals.

John Pitney returned to school after being home ill for six weeks.

Grade 3

Mrs. Dunn We are studying about materials in 3-D class. Eugene Becker brought in cotton for us to see. We are making a chart of different kinds of material.

In our opening Exercises on Wednesday, Cathie Silence and Marilyn Danks played piano selections for us.

Grade 4

Miss DeWanna This week we had class elections and the following people won and will represent the class: President—Kurt Christensen Vice-President—Roy Abram Secretary—Phillip Little Treasurer—Judy Crowley

Grade 4

Miss Ryder In our studies of China and Japan, we saw movies of Chinese children in the Many Jungles. How children live in the hot climates of the torrid zone will be our next project.

Mr. Richards brought us an exhibit of Africa, loaned by the Newark Museum. We heard the weird music made by the zanza. We saw the primitive sculpture of an elephant, done in wood. The brass ring weighing twenty pounds which is worn proudly around the neck of a married woman astonished us most of all.

Grade 5

Miss Wahl Our class selected new officer helpers for the remainder of the year: President—Denny Lucy Vice-President—Billy Kelsey Secretary—Joyce Munnich Treasurer—Patty Haggerty

These officers have special duties. We like to manage our own class and have been allowed to do so sometimes. These officers are chosen by the class members and it is the duty of everyone in the class to help them and respect their judgments.

Grade 5

Mrs. Dimpigna Mr. Navarra Our English classes have been exchanging letters with a sixth grade class in Brooklyn. We find this to be a wonderful opportunity to express our ideas and our learning activities with children who live in a large city. Many of us can see why it is important to know how to write a good friendly letter.

"Brotherhood" was the theme of our discussions this week. We brought around a large drawing of the world.

Mr. Navarra's class had an interesting play about George Washington in Wednesday's assembly.

Grade 7 and 8 Mr. Schmeller, Mr. Winberry Mrs. Johnson, Mrs. Shunder The 7-S grade at James Caldwell School have a play last week on one of our greatest Americans, Abraham Lincoln. The play was based on the life and earlier boyhood of Lincoln. There were six scenes in the play which stressed the most important facts of his

life. The play was written by Man from His Entry" into Jerusalem on Palm Sunday through the Crucifixion. It is the actual crucifixion that produces the greatest admiration from the audience for Mr. Gabriell faithfully reproduces the traditional position of the Savior on the cross. This exhausting ordeal, critics agree, could only have been accomplished at a tremendous strain to the actor.

Distinct traces of glacial erosion are to be found on rocks on Kelleys island, in Lake Erie. In some parts of Mexico there are lotteries for dead souls.

Special Class

Mrs. Lushour We enjoyed our party on Valentine's Day so very much. Rumor has it that our Mothers are planning something nice for Easter. We hope the rumor is true. Ralph Vart was ill and missed the Valentine Party. We were sorry about that.

Passion Play Set For Sun. & Mon.

A capacity crowd is expected to attend each of the three performances of the world-famous Passion Play, "The Man Who Transformed the World," which the Lions Club of Union will present Sunday afternoon and evening and Monday night in the Union High School auditorium.

Performances will begin at 2:30 and 8:15 o'clock. No seats will be reserved except for groups of 25 or more which can make reservations by contacting members of the Lions Club.

Eight pupils from Connecticut Farms School and 14 students from Miss Alice McCurdy's dramatic class at the High School will serve as extras in support of 20 professional actors headed by Mr. Jean Gabriell in the role of Jesus.

Other important parts in the Passion Play include Pontius Pilate played by Remo Pisani, Judas played by William Crutcherbank, Joseph enacted by Edward Anders, and Mary, Mother of Jesus, portrayed by Justine Johnston. Professor Samuel Irwin Herster, an authority on religious history, will serve as narrator.

The running time of the play is two-and-a-half hours. The nine scenes include the Entry into Jerusalem, "The Sanhedrin, The Farewell, The Last Supper, The Betrayal, The Palace of Calphas, Pontius Pilate, The Procession, and The Crucifixion.

This American version of the "Oberammergau Passion Play, is a dramatic adaptation from the scripture and is credited as being a most impressive and unusual production. Admirably staged and with dialogue that is smooth, dramatic and simple, it has the unique feature that the ten scenes flow uninterruptedly in one continuous two and one-half hour performance, with short commentation between scenes to keep the interest at a pitch. Expert lighting and incidental music emphasizes mood. The play is said to stand not for its spiritual quality that too often has been attempted before with disillusioning effects.

The play covers the last six days of Christ on earth as a

Regional makes its first bid to retain the State Group III Crown in next year, when the Bulldogs oppose Summit at 7:45 tomorrow night in the Seton Hall Gym, South Orange. The locals have a good chance of moving past the first round if they show the superiority against the Hill-toppers displayed in the 52-35 win in the campaign's finale. Conceding the Bulldogs move past Summit, they will meet the Linden-Union winner.

SEVERE AS LEADER ON COLLEGE GROUP

LEWISBURG, Pa., Feb. 15.—John P. Sippell, of Springfield, is serving as committee chairman of Lambda Chi Alpha fraternity for Bucknell University's eighth annual Religion in Life Week, which began yesterday.

Theme of the five-day program is "The Christian Faith Confronts the Crisis in the University." Five months of student-faculty discussions about the true functions of a university preceded Religion in Life Week. Basis of the discussion was "The Crisis in the University," by Sir Walter Moberly, British educator and philosopher.

A son of Mrs. Clifford F. Sippell, 302 Morris avenue, Springfield, Sippell is a sophomore enrolled in the civic engineering course at Bucknell.

ANOTHER DRUNKEN DRIVER PENALIZED

Raymond A. Anderson, 37, of Brooklyn, pleaded guilty before Magistrate McMullen Monday night to a charge of drunken driving. He was fined \$225 and his driving privileges in New Jersey were ordered revoked for two years.

Anderson was arrested by Patrolman Rousner after his car had stalled in Morris avenue at Main street. Township Physician Dangler pronounced him unfit to drive.
