

SCRAP DRIVE SUNDAY, JULY 1 STARTING 10 A. M.

The Springfield Sun

SCRAP DRIVE SUNDAY, JULY 1 STARTING 10 A. M.

VOL. XXVI—No. 36

OFFICIAL NEWSPAPER

SPRINGFIELD, N. J., THURSDAY, JUNE 28, 1951

TOWNSHIP OF SPRINGFIELD

10¢ A COPY, \$3.50 BY THE YEAR

FRIENDS!!

We're seriously considering adopting a new motto, something like "Read It First In The Springfield Sun," principally on the basis of just what's in it which we "deliberately" scooped the time daily reporters on stories involving Town Clerk Treat's resignation and plans for the five-million-dollar industrial development of Route 29...

Fact that Bob Treat will leave his multiple posts on July 17 has caused considerable speculation with regard to his permanent successor... initially, that is until January 1, Mrs. Carolyn Thurman, now serving as Treat's secretary, will be deputized to hold the job...

While we're in a peculiar mood we might as well reiterate our contention that despite petitions, despite Jersey City and despite the efforts of some of our best-known Republican leaders, George Turk is in to stay as postmaster...

As indicated in news stories there are several out-of-town firms considering Springfield as a likely location for their plants...

The township's Independence Day celebration committee is still attempting to meet its quota and without your financial help the all-day affair planned for July 4 may be dampened somewhat...

This newspaper opposed a new firehouse for the south area of town until such time as added school facilities were approved...

Still in the rumor stage is the story of another long time township official who is reported to be planning to resign!

Announcement was made this week by Dr. Henry Mulhous whose offices are located at 322 Morris avenue in the new Post Office Building...

Summer Play Schedule Is Launched Here

200 Children Register at 4 Municipal Areas

Springfield this week launched its summer playground and swimming program under the sponsorship of the Recreation Committee...

More than 200 children were registered on the four municipal playgrounds Monday morning...

Recreation Committee officials revealed that the condition of the Henninger Avenue playground has prevented its opening...

Daily swimming classes were taken to the Rahway River Park, Rahway, where 150 children between the ages of 7 and 15 who do not know how to swim...

On Tuesdays and Thursdays a group is taken to the Rahway Pool from 9:30 to 12:30 p.m.

Comm. Issues Poison Ivy Notice

Each year at this time visitors to Watchung Reservation and other undeveloped park areas are cautioned by the Union County Park Commission to beware of Poison Ivy...

Under the direction of Ralph H. Carver, forester for the Union County Park Commission...

This project has been a part of the maintenance program for several years and many of the areas treated are now comparatively free of these noxious weeds.

Springfield School Calendar For 1951-52

Table with 2 columns: Date, School Status. Includes dates from Sept. 5 to June 15.

Receive Honors at Princeton

John B. Bunnell and Bruce K. Saffery were among the 57 seniors in the School of Engineering, Princeton University to be awarded honors for distinguished academic work during their two upper-class years...

Bunnell was awarded honors in engineering while Saffery was awarded high honors in Engineering...

Bunnell is the son of Mr. and Mrs. R. T. Bunnell of 291 Morris avenue, and Saffery is the son of Charles Saffery of 20 Warner avenue...

Lists Examination For Postal Job

An examination for the position of postmaster—the only Federal post in the township, has been scheduled by the Civil Service Commission...

The competitive procedure prescribed prohibits consideration of the political, religious or fraternal affiliations of any applicant...

Former Township Committee member George M. Turk was named acting Postmaster in April by the Postmaster General...

Both in business and in public life Turk has been in contact with the public over a period of years and it is reasoned that this will count heavily in the final analysis.

ATTENDS GIRLS STATE

Nancy D. Widmer of 192 Melrose avenue, is attending the fifth annual Jersey Girls State which opened Monday at New Jersey College for Women...

Springfield has heard a number of proposals to remedy the situation. It once was suggested that a street be cut through the rear of business buildings to permit deliveries and ease congestion on Route 24...

Fireworks, Baby Parade, to Feature Town's Independence Day Program

Pays \$200 Fine For Heavy Truck

The Day Material Corporation, Staten Island, was fined \$200 and assessed \$3 costs by Magistrate Henry C. McMullen Monday night in Municipal Court...

Students In France

Miss Arlette Moore, daughter of Mr. and Mrs. B. H. Moore of 92 Battle Hill avenue has completed a year of studies in languages and political science at the University of Bordeaux in France...

Political Scramble Is On As Many Eye Clerk's Post

A wide-open, slam-bang contest for the most lucrative municipal post in Springfield was forecast today following last week's announcement that Robert D. Treat has resigned his post of township clerk...

Early Copy Requested For Next Week's Issue

All departments of the Springfield Sun will be closed Wednesday, July 4, for the Independence Day holiday.

Highway Proposal Being Studied Here

Township officials today were studying with interest the action of the Union Township Committee in endorsing the proposal of their engineer, Henry Kreh, Jr., for construction of a highway paralleling Morris avenue in the Union-Springfield area...

GE Selects Site For New Factory

Negotiations for purchase of a tract of land in Route 29 in what is rapidly developing into the new industrial area of the township were nearing completion today...

Receipts Show 5-Months' Hike

Tax collections for the first five months of the year total \$208,297, nearly \$30,000 more than the figure for the same period in 1950...

Springfield Residents Set To Share In Holiday Event

Final plans for Springfield's annual Independence Day celebration were nearing completion today, according to an announcement by Joseph L. Focht, general chairman...

March of Dimes Hits Record Here

Springfield this year was second in the county in the amount of net increase in contributions to the March of Dimes...

Short Hills Apt. Is Well Underway

Construction is well underway on the first of three sections of the \$3,000,000 Short Hills Village project which will result in the first ultra-modern deluxe suburban apartments in the Springfield area...

Local Man Freed Of Tippy Driving

T. Robert Patterson, 40 years old, of 67 Sherwood road, recently was found not guilty of a charge of drunken driving by Magistrate Henry C. McMullen in Municipal Court...

Town July 4th Program

- 8 a.m. 21 Aerial Salute, Various Locations. Morning Events—Regional High School (rear) 9 a.m. Final Baby Parade Registration: Classifications (1) Infancy to 2 Years, (2) 2 Years to 5 Years, (3) Floats, Infancy to 5 Years. 10 a.m. Baby Parade. 11 a.m. Commemoration Service—Birth of American Freedom Address by Mayor Marshall. Afternoon Events—Meisel Ave. Athletic Field. 1:30 p.m. Athletic Contests, All Ages, Ball Game. Free Rides for the Children, Whip and Carousel to 5 p.m. Evening Program—In Front of Regional High School 8 p.m. Circus Acts, Don Gibson's Band. 9 p.m. Fireworks. 10 p.m. Outdoor Dancing, Don Gibson's Band. In the event of inclement weather, fireworks will be held the first clear evening.

Fireworks, Baby Parade, to Feature Town's Independence Day Program

A report submitted by Timothy Sheehan, financial chairman, indicates that contributions by residents are still lagging. It was pointed out that in order to carry out the full program as outlined by the other committee chairman, more funds would have to be obtained...

As usual the day will start off at 8 a.m. with an aerial salute. The next event will be the annual Baby Parade on the Regional High School grounds where future citizens of Springfield will be the feature attraction...

The afternoon program will start promptly at 1:30 and continue until 5 o'clock. David Ros, Athletic Chairman, and Steve Schmidt, Entertainment Chairman, promise a full afternoon with contests for all ages, prizes, free rides for the kiddies, and a ball game...

The fireworks program, which commences at 8 o'clock, will include entertainment arranged by Schmidt, details of which are not being published at the present time, but promises to be entirely different than that of previous years.

The fireworks chairman, Alvin Johnson, has arranged for a program of fireworks which promises to outdo not only efforts in previous years, but should be one of the most interesting in this entire area.

In addition much credit was given to the American Red Cross, the Ambulance Squad, the V.F.W., and the important assistance rendered by the Police and Fire Departments. Once again residents are urged to wear 4th of July tags which indicates willingness to participate.

CHURCH SERVICES

Springfield Presbyterian Church
 Morris Avenue at Main Street
 Bruce W. Evans, Minister

Union Services sponsored by the Presbyterian and Methodist Churches will be held in the Presbyterian Church during July with the Worship Hour at 10 a.m. The first preacher for the month of July will be the Rev. Misael Katayama, a recent graduate of Drew Seminary.

Springfield Methodist Church
 Rev. Clifford Hewitt

During the summer months of July and August, the Presbyterian and Methodist congregations will unite for worship each Sunday morning at 10 o'clock. These Community Union Services will be held in the Presbyterian Church during July and in the Methodist Church in August. Rev. Misael Katayama, young Japanese-American student at Drew, will preach during July. Mr. Katayama was recently awarded a preaching prize by the Palmit

Magazine. During August, the preacher will be the Rev. Bruce Evans. The public is cordially invited to attend these services.

St. James' Church
 Springfield

Sunday Masses:

Saturday, June 30, Fellowship Picnic at Hill top in Echo Lake Park.

First Church of Christ, Scientist
 292 Springfield Avenue
 Summit, New Jersey

The science by which the inspiring rules of Christianity can be successfully applied in daily life will be dealt with in Christian Science services next Sunday. The subject of the lesson-sermon is "Christian Science."

The golden text is from Habakkuk: "The earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea." (2:14).

Readings from the Bible (King James Version) will include this promise: "Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father." (John 14:12).

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Divine metaphysics is now reduced to a system, to a form comprehensible by and adapted to the thought of the age in which we live. This system enables the learner to demonstrate the divine Principle, upon which Jesus' healing was based, and the sacred rites for its present application to the cure of disease." (148:31).

Motto of Washington state is Al-Ki meaning Bye and Bye.

SEE INSTRUCTIONS ON REVERSE SIDE

They have generously provided their share of the originally estimated cost and some of them have been understandably impatient at the delays involved in at last securing the official approvals necessary for the contribution of the government's share.

"With the receipt of these approvals, we have at once put the plans in the hands of a group of contractors carefully selected after consultation with our experienced architects and state officials. They will take a month to figure the job and file their bids. We are deeply concerned by the problem of building with today's dollars a hospital planned on the basis of 1948 dollars.

"Some features of the original plans may have to be dropped or postponed, new money may have to be raised, or both. But we are determined that the hospital shall be built and the project carried rapidly to completion. The critical day is now July 17 when we will open the bids and know just where we stand."

Local Bidders Sought

In order that local suppliers and contractors may be offered the opportunity to bid on portions of the new 203-bed addition to Overlook Hospital have been advertised, John W. White, chairman of the building committee, announced this week. Plans for the new building have been submitted to a group of general contractors and bids are to be opened at the hospital on July 17 at 4 p.m.

Theodore S. Kenyon, president of the board of trustees in commenting upon this latest step, said: "Everyone connected with this project has been doing his level best to get the building started as completed as rapidly as can be. The people of this area certainly deserve to have it without delay."

Details of the plans and specifications of the hospital wing are available for copying any needed information at the office of the director, Arthur W. Smith, at the hospital.

Town Resident's Son Aided In Battlefield Evacuations

Washington, D. C., June 27 — Captain Vincent H. McGovern, USAF, son of Mrs. Cecelia McGovern, 21 Edgewood avenue, Springfield, has been assigned to Headquarters, Air Rescue Service in Washington, D. C., after having served for more than three months as an Air Rescue Service helicopter pilot in Korea.

As a member of the 3rd Air Rescue Squadron's special helicopter detachment, Capt. McGovern participated in 96 rescue missions resulting in the evacuation of 27 wounded United-Nations personnel from behind enemy line and front line positions. These missions were part of the total of over 1,550 such mercy missions performed by Air Rescue Service in Korea since the outbreak of hostilities.

Air Rescue Service operations are not limited to the Korean Theater however, as Air Rescue Service provides world-wide air search and rescue service to United States Air Force activities. ARS provides the same service to other military and civil aviation of the United States and other countries upon request. It is a part of the global support system of the Military Air Transport Service.

During World War II Capt. McGovern piloted a B-24 of the 98th Bomb Group for 9 months, in the Mediterranean Theater of Operations. Among his decorations are the Air Medal, Commendation Ribbon, European Theater Victory Medal (World War II), Japan Occupation Ribbon, Korean and American Theater Ribbons and the Presidential Unit Citation.

Prior to entering the service in 1942, Capt. McGovern graduated from Irvington, N. J., Senior High School. He is married to the former Miss Jane Kennedy of Orlando, Fla., and they have one child, Kathryn Mary McGovern. The McGoverns reside in Silver Spring, Maryland.

Job Advice Open To HS Graduates

Purnell E. Rowe, manager of the Irvington office of the State Employment Service this week, offered the employment counseling services of his agency to high school seniors who are having difficulty in making a vocational choice. In the process of employment counseling, the general aptitude test battery may be utilized.

"During the past five years these tests have helped thousands of the State's high school seniors determine the kinds of work in which they could make full use of their potential abilities," Rowe said. "The test reflects 30 aptitudes considered important in attaining success in a job. It identifies 20 broad fields of work representing approximately 2,000 occupations. Testing may also be used in the employment counseling of college students and adults.

"It is important that young men and women get into the right jobs when they begin to work," Rowe reported. "For too many youngsters getting a job has been a hit or miss proposition which too often resulted in a waste of time for the youth and a loss of production for those employers who hired them. This unnecessary waste cannot be afforded particularly during a period when the Nation is engaged in building up its manpower resources."

Arrangements can be made for counseling service by visiting the employment service office at 28 Union avenue, Irvington. There is no charge for the service.

heard in a solo rendition of "When She Walks in the Room." Two outstanding topical items are "Boss Tweed," a quartette number with Joan Greenwell, Robert Gelsis, Henry Craig Neslo and William MacDougall, and "Rip Van Winkle," in which Greenwell is joined by Ronnie Cunningham, Hal McMurray, Allen Knowles and the two stars. Knowles dances an impersonation of the character described in the song.

"The Fireman's Bride" is the outstanding comedy vintage hit with Miss Kuzak singing the melody and Miss Cunningham and Knowles along with the ballet participating in the accompanying illustrative shenanigans. Another comedy highlight is "The Birds and the Bees" in which Miss Kuzak, Miss Cunningham, Clarence Nordstrom and Albert Carroll are heard. Still in the vein of comedy is "Up From the Gutter" which the same quartette do.

Miss Kuzak's outstanding solo is "Carousel in the Park" while another sweet number which combines melody and dancing is "Have You Seen My Currier and Ives" with Knowles and Miss Cunningham.

HAPPY BIRTHDAY

A Happy Birthday is extended this week to the following residents of Springfield:

- JUNE
- 28—Grace Carmichael
- Mrs. Henry C. McMullen
- Doris R. Edgar
- Mrs. Sophie Horbelt
- Charles Murphy

- Andrew Wilson
- Mrs. Albin Fisher
- Loretta Day
- Thomas Fanning
- Malcolm M. Leonard
- Mrs. Elmer Hunt

Commonwealth Asks PUC for Water Rate Revision

A request for a 35 per cent increase in water rates was made last week by the Commonwealth Utilities Company to the Public Utilities Commission. The company, which serves Springfield and other suburban New Jersey communities, asks that the increase in rates be granted effective July 20.

The water company, which announced the PUC application, in newspaper advertisements, stated that its operating expenses and maintenance costs had greatly increased and that a higher rate is needed. Additional revenue from the rate increase would amount to \$370,600.

Commonwealth serves about 30,000 customers in Summit, Chatham Township, Millburn, New Providence, Springfield, Irvington, West Orange, Maplewood, Passaic Township and parts of Hillside and Union. Its main offices are located on Beechwood road, Summit.

The last rate increase granted the company by the PUC was for 20 per cent on May 1, 1948. The adjustment of rates at that time produced an additional \$253,873 annually. Before that the company was granted an increase in 1918.

The Bernards Water Co. an affiliate, serving Bernardsville and Bernards Township also requested the PUC for a 33 1/2 per cent increase which would give an increase of \$103,000 annually. Commonwealth sells water to the Elizabeth Water Co. and the Bernards Water Co.

Thomas W. Coleman of this city, manager of both the Commonwealth Water Co. and the Bernards Water Co., said the 1948 rate revision did not produce expected revenue contemplated by the Commission in establishing the new rate. He added that the fact, together with increased costs, made it mandatory that the company seek an adjustment at this time.

"We feel," Mr. Coleman stated, "that once the consumers and the PUC determine the conditions that will be fair-minded and just in establishing proper rates which will enable us to operate soundly and produce the service to which our consumers are entitled."

The two obelisks known as Cleopatra's Needles were built in Egypt about 1881 B. C.

Overlook Board Is Seeking Bids

Bids for the construction of the new 203-bed addition to Overlook Hospital have been advertised, John W. White, chairman of the building committee, announced this week. Plans for the new building have been submitted to a group of general contractors and bids are to be opened at the hospital on July 17 at 4 p.m.

Theodore S. Kenyon, president of the board of trustees in commenting upon this latest step, said: "Everyone connected with this project has been doing his level best to get the building started as completed as rapidly as can be. The people of this area certainly deserve to have it without delay."

Details of the plans and specifications of the hospital wing are available for copying any needed information at the office of the director, Arthur W. Smith, at the hospital.

EVER HEAR OF A Cardboard Switchboard?

Mrs. Phyllis Reed (seated) snags the role of "student" while Miss Effie Finley as "teacher" demonstrates a cardboard switchboard in our Princeton Office. Operating provides an interesting and profitable career—and offers good opportunities for advancement to qualified High School graduates. If you're interested, call your Chief Operator.

Here's one—and there are dozens more in telephone exchanges throughout the State. They're used, as you can see here, to train student operators before they begin work at a regular switchboard. This way they can give you fast, efficient service from the very moment they start handling your calls.

Today there are 5,000 more telephone operators serving you than 10 years ago. They're serving 700,000 more telephones in New Jersey than only 6 years ago. And every day more telephones are added, making your telephone more useful. When you stop to think that your telephone service takes less of your budget than ever before, it's quite a bargain, isn't it?

Cottfried, Viederling and son, Larry, of 23 Brook Street, Sumnit, on the Queen Mary for Germany recently. They will visit Mr. Viederling's parents, Mr. and Mrs. Michael Viederling in Bavaria, and return August 12 on the Queen Elizabeth.

Elleanor Muller, daughter of Mr. and Mrs. Charles Muller of 12 Lewis drive, celebrated her 12th birthday recently with a party in her home. The usual birthday refreshments were served and games were played and prizes awarded.

Elleanor's guests were Evelyn Hughes, Dana Swenney, Carol Leacock, Diane Keer, Gail Hansen, Joy Beaton, Carol Lorenz, Rosemary Bodnarick, Mary Carline, Barbara Horowitz, Betty Ann Holworth, Carol Lubenau and Ethel Muller.

Mr. and Mrs. John Swenney of 28 Smith Springfield Avenue, have announced the birth of a daughter, Carol Ann, born June 22 at Overlook Hospital, Summit. Mrs. Swenney is the former Gladys Bryn of Berkeley Heights. The couple have two sons, John Robert, 3, and Alfred, 2.

Mr. and Mrs. Albert Oszwath and First Lieutenant Ernest Oszwath of White Plains, N. Y., spent last Saturday with the Daniel Oszwaths of 129 Meisel Avenue.

Miss Miriam Morris of 24 Brook Street, is spending several weeks vacationing in Newark, Pa.

Members of the Washington Avenue Pheochle Club made their annual trip to New York City last Thursday. They lunched at Stou-

ter's and visited Radio City Music Hall. During the evening they went to the Copacabana.

The women who attended were: Mrs. Louis Iode, Mrs. Fred Nondke, Mrs. Edward Ulichny, Mrs. Sidney Stewart, Mrs. Frank Franzese, Mrs. John Munich and Mrs. Hans Kraft.

Mrs. Carl G. Sager of 24 Henshaw Avenue, returned to Skidmore College for the annual alumnae reunion. Some 300 graduates heard a panel discussion on Sildmore's curriculum, led by President Henry T. Moore; inspected the new dining hall and paraded in costume to the annual luncheon.

A daughter, Judith Lynn, was born to Mr. and Mrs. Edwin Licheski of 775 Park Avenue, East Orange, on June 24 at Newark Beth Israel Hospital. The couple have another daughter, Lesley Ann, who was 4 years old on June 23. Mrs. Licheski is the former Annette Rappaport, daughter of Mr. and Mrs. Phillip Rappaport of 234 Baltimore Avenue.

Mr. and Mrs. Rappaport entertained Sunday in honor of Lesley Ann's birthday. Pony rides for all the little guests featured the party.

Children attending the birthday celebration included: Joel, Larry and Allen Cohen of Irvington; Alan Rappaport of Cranford; Ronnie Berger and Ellen Hyman of Hillside; and Ellen and Stanley Gottfried of East Orange. Other guests included: Mrs. Harry Schwartz, Mrs. Martha Cohen, Mr. and Mrs. Martin Gottfried, Mr. and Mrs. Hy Rappaport, Mr. and Mrs. Lee Berger, Mr. and Mrs. Chester Hyman and Miss Adele Rappaport.

Howard Kressler Takes A Bride

Following a wedding trip to Lake Winnepesaukee, N. H., Mr. and Mrs. Howard L. Kressler will reside at 164 Walton Avenue, Union. Before her marriage Saturday the bride was Miss Elsie Mae Haight, daughter of Mr. and Mrs. Carl L. Haight of the Walton Avenue address. Mr. Kressler is the son of Mr. and Mrs. Otto P. Kressler of 27 Keeler Street.

The wedding took place at 2 p.m. at Connecticut Farms Presbyterian Church, Union, with the Rev. Fred W. Druckenmiller performing the ceremony. The reception was at the Maplewood Inn.

Mr. Haight gave his daughter in marriage, Mrs. Carolyn Nicoll was matron of honor and Dudley E. Loveland served as best man. Both are graduates of Union High School. Mrs. Kressler is employed by the Union Board of Health. Mr. Kressler served on the USS Houston during World War II. He is associated with the United Engineers and Constructors, Inc., at Sewaren.

Doris Ehresmann Is Affianced

Mr. and Mrs. Fred J. Ehresmann of 41 Kathryn Street, Clark, have announced the engagement of their daughter, Doris, to William D. Bell, son of Mr. and Mrs. Irwin Bell of 338 Pennington Street, Elizabeth. A graduate of Regional High School, the bride-elect is employed by Altron, Inc., Linden. Mr. Bell is a graduate of Roselle Park High School and is employed by General Motors, Linden. He served in the U.S. Navy for two years in the Pacific.

Becomes Fiancee Of C. R. Spiller

Announcement has been made of the engagement of Miss Ethel Lynn Crutcher of Washington, D.C., daughter of Miss F. A. Crutcher of Springfield, Tenn., and the late Mr. Crutcher, to Clyde Ralph Spiller, son of Mr. and Mrs. Clyde Spiller of 6 South Springfield Avenue.

Miss Crutcher is a graduate of Springfield, Tenn. schools and is employed by the Navy Department in Washington. Mr. Spiller is a graduate of Regional High School. He is serving as a gunnery mate 2nd class aboard the destroyer, U. S. S. Wallace L. Lind. No date has been set for the wedding.

Take It Easy Heart Ass'n Warns

If you're vacation-bound and want your heart to keep functioning normally for the duration of your holiday, heed these six suggestions by the New Jersey Heart Association.

1. Don't overdo in athletics. That extra set of tennis, that "one more round" of golf, that additional 50 yards of swimming may be just enough to put a fatal strain on your heart. And don't be a "week-end athlete"—spread your play over the week rather than trying to pack it all into one or two days.
2. Get plenty of sleep. When you're asleep, your heart gets the most beneficial rest. Eight hours of sleep should be a minimum. Ten is even better.
3. Watch your weight and diet. Over-indulgence of kind may hurt your heart. Keeping your weight normal—helps—avoid heart strain.
4. Never take medicine for your heart unless it has been specifically prescribed by your physician.
5. Keep your resistance to infection up by following your physician's general health rules.
6. Absorb—relax! Avoid worry or undue emotional stress, both of which are prime heart-damagers.

Becomes Bride Of Gail Koplin

Mrs. Gail B. Koplin

The marriage of Miss Betty Ruth Belles, daughter of Mr. and Mrs. Andrew J. Belles of 428 Third Avenue, Garwood, and Gail Benton Koplin of 121 Meisel Avenue, son of Mr. and Mrs. George Koplin of 165 Northampton Street, Hightstown, Pa., took place Saturday in Calvary Lutheran Church, Cranford. The Rev. Godfrey Albert officiated. There was a reception in the Cranford Hotel.

Given in marriage by her father, the bride was attended by Miss Nola Koplin of Hightstown, Pa., sister of the bridegroom; as maid of honor, Miss Claire Densinger of Springfield, was bridesmaid. Ira Koplin of Hightstown, was best man for his brother. Usher was David Weidner, also of Hightstown.

The bride's lace and nylon marquette gown was designed with a mandarin neckline and long train. A crown of seed pearls held her illusion veil. She carried a bouquet of white gladiolus and roses surrounding a white orchid. A graduate of Regional High School, Mrs. Koplin is employed as a secretary at Heyman Manufacturing Company, Kenilworth. Mr. Koplin was graduated from Hightstown High School, Bethlehem Business College and Muhlenberg College, Allentown, Pa. He is studying for a master's degree in mathematics at Montclair State College. He is a teacher of mathematics and science at High School.

W. E. Martins On Wedding Trip

Mr. and Mrs. W. Elmore Martin, who were married Saturday afternoon in Holy Comforter Episcopal Church, Rahway, are on a wedding tour of the New England States. When they return they will reside at 117 Washington Avenue, Elizabeth. The bride is the former Miss Mary V. Braun, daughter of Mr. and Mrs. Edwin A. Braun of 227 Victor Street, Scotch Plains. Mr. Martin is the son of Mr. and Mrs. William J. Martin of 12 Acken Drive, Clark Township.

The Rev. Russell E. Potter officiated at the double ring ceremony. The bride, who was given in marriage by her father, was attended by her sister-in-law, Mrs. Edwin S. Braun, as matron of honor. The bridesmaids were Miss Nancy Lee Martin, a sister of the bridegroom, and Miss Florence Dryhurst. Pvt. Joyce S. Martin was best man for his brother, whose usher was Edwin S. Braun, brother of the bride, Anthony M. Dryhurst and Frederick Edwards.

The bride wore an ice blue-rose gown, balling design with nylon tulle skirt and an illusion fingertip veil attached to an ice blue lace coronet adorned with orange blossoms. She carried a bouquet of eucharis lilies and bouvardia. A graduate of Scotch Plains High School, Mrs. Martin attended the Washington School for Secretaries, Newark. She is employed at the Union County Court House in Elizabeth.

Mr. Martin is a graduate of Regional High School and the College of Fine and Industrial Arts, Newark. He is employed by the Shapiro-Wilkes Advertising Agency, New York. He served in the U. S. Navy for fourteen months.

Patricia Boyton Engaged to Wed

Announcement has been made of the engagement of Miss Patricia Boyton, daughter of William Boyton of 249 North Eleventh Street, Kenilworth, and the late Mrs. Boyton, to Joseph L. Wheat, son of Mrs. Peter Ely of Great Bend, Kan., and the late Joseph Wheat. Miss Boyton attended Regional High School. She is employed by the Abbott Manufacturing Company, Summit. Mr. Wheat served in the Navy three years. He is employed by the Natural Gas Conventor Company.

YOUR GARDEN THIS WEEK

ERIC H. PETERSON, Jr.
Union County, Agricultural Agent

Cultivate Tomatoes Carefully
The reasons for cultivating tomatoes is to kill the weeds and to loosen the surface soil which has tendency to pack or crust. During cultivation the soil may also be culled toward the plants to smooth out weeds in the row and to add a greater surface soil near the plants so that surface roots may develop undisturbed.

There is a balance between the roots of a plant underground and parts above ground. A small plant above ground will have a correspondingly small root system. Cultivation early in the season may be fairly close to the ground, an inch or two deep, while the soil midway between the rows may be

Know Your Government
By **N. J. Taxpayers Association**

NO VACATION FROM TAXES
When John Q. Taxpayer and his family jump in the car and head toward the mountains or the seashore this summer, they will be taking a vacation from everything except taxes.

The tax collector will not be in the vacation party, but he'll be present just the same as the unseen guest. He'll be at the gas station every time John Q. fills his tank, clipping off 3c a gallon for the support of the State Government and 1 1/2c for the Federal Government.

On vacation the family will continue to eat three meals a day. Part of the cost of these will go for food itself, but a sizable portion of it will be distributed in literally hundreds of hidden taxes on everything from soup to nuts. An after dinner smoke will bring more income for the tax collector. A visit to the theater in the evening—and to the many entertainment places that John will take his family will include entertainment taxes payable to the Federal Government.

If the vacation reaches into several states, the vacation party may be confronted with a crazy quilt of state and local sales, entertainment, luxury, and other taxes.

"Taxation," says the New Jersey Taxpayers Association, "knows no holiday." For that reason the Association will spend a large part of the summer months preparing basic publications for the use of New Jersey taxpayers after they have returned from their summer's outing. One of these, well known "Financial Statistics of New Jersey Municipalities," has been used by taxpayers as a statistical reference work for the last 7 years. A companion work, the

deeply filled because the roots have not yet reached this area. As the plants continue to grow and develop the root system, cultivation should be more shallow, mainly to destroy the weeds.

Remember in cultivating not only tomatoes but practically all of the vegetable crops the root system is just as important as the part of the plant above the ground.

Civil Service Offering Jobs

The United States Civil Service Commission today announced an examination for photographer, microphotographer, photostat operator, blueprint operator, blueprint and photostat operator, and photoreproduction trainer, for employment in various Federal agencies in Washington, D. C. and vicinity. The salaries, which vary for the several positions listed, range from \$2,200 to \$3,300 a year.

To qualify, applicants must pass a written test. In addition, for positions paying \$2,450 and above, they must have had appropriate experience.

Full information and application forms may be secured from the Commission's Local Secretary, Mr. Raymond W. Burns, located at United States Post Office, Morris Ave., and R. L. 29, Union, from Civil Service regional offices, or from the United States Civil Service Commission, Washington 25, D. C. Applications must be received in the Commission's Washington office not later than July 2, 1951.

Death On Wings

In this day of super-bombers and super-bombs, when we think of death on wings we are likely to envision ourselves as the victims of aerial warfare. Bombs and planes have brought suffering and death to vast numbers of people, but millions upon millions more have been the victims of insect killers that fly.

Summer is the season when sinister insects abound, insects which are capable of producing disease and death. The most familiar villain is the common house-fly. In the past, flies caused the death of countless babies, boys and girls, men and women, by spreading typhoid fever and other serious intestinal diseases. They are purveyors of all nastiness, who breed in filth, thrive in filth, and spread contamination and disease wherever they light. Keep them far from your food, your dishes and cooking utensils, and your person. They are especially dangerous to babies, to which they seem perversely to be drawn. Their burden is disease; they can bring death.

Within your well-screened and sanitary home you may properly feel quite safe. But when you are traveling or dining out, on picnics or vacations, you should be on your guard against this enemy. Your life may be the price of your indifference.

As with flies, so, too, with mosquitoes, ticks, fleas, and bugs of all kind. "Best safety lies in fear." The conquest of disease and the extension of the life span of men have been in direct proportion to our control of germ-breeding insects.

LAUDS PAPER'S HELP

Editor, Sun:
 Thank you for the cooperation of your newspaper in matters pertaining to our schools and the children of our schools.

We appreciate your willingness to give us the valuable space in your columns. This was amply displayed in the recent successful campaign for essential additional school facilities.

Sincerely,
 B. F. Newsamper
 Supervising Principal

First Aid Squad Conducts Drill

The Springfield First Aid Squad held drill last Thursday night at Ambulance Headquarters on Center street. Four new members, Bill Petz, Don Gudis, Gerald Bryson and Bruce Linck, were given a demonstration on the use of equipment. The squad will meet for drill tonight, Thursday, at 7:30 o'clock.

John Wilson, Captain; Willard B. Watkins, first lieutenant; Robert Robinson, Pauline (Mrs. Ormond) Mester and Mae (Mrs. Daniel) Ozsath attended a meeting recently of the Second District of the New Jersey State First Aid Council at the Milltown-Rescue Squad Headquarters.

52 Win Awards From Boosters

By DONALD ROSSELET
 Fifty-two of the school's gridiron machine were honored at Regional High's closing assembly last Thursday by the Regional Booster Club. Jack Schrumpt, president of the organization, paid tribute to the sectional championship, the second

New Crabgrass Killer

Only three simple steps are required to kill crabgrass with potassium cyanate. STEP No. 1—Carefully read and follow the directions found on each can of potassium cyanate crabgrass killer. STEP No. 2—Mix with water, in a pail or in the sprinker or sprayer itself. STEP No. 3—Spray it on. If the crabgrass is bad, spray the whole lawn. If it appears only as individual plants or in small patches, just spot spray at close range, as shown (3).

A NEW chemical is available this year which shows promise of ending the home owner's long and discouraging battle against his worst lawn enemy—crabgrass. Its name is potassium cyanate and it works by simply mixing it with water and sprinkling or spraying it on your lawn.

After five years of testing and perfecting, potassium cyanate has been proven safe, economical, simple to use and—most important—95 to 100 per cent effective. It is non-toxic enough to be used with-

out danger around children or pets. It causes no permanent injury or even lasting discoloration to most basic grasses. And it can be used effectively on other seedlings or mature crabgrass plants.

The cost of using potassium cyanate averages one dollar per 1200 square feet of lawn when applied to young seedling crabgrass in the spring (about twice as much is required in late summer, when the crabgrass plant is in its hardy prime). For those who have larger lawns the cost will be much less.

as larger containers can be purchased at quite a substantial saving. Although potassium cyanate can be applied at any time during the growing season, it is most effective when applied late in the summer, just before the crabgrass plant goes to seed. This is also the ideal time of the year to re-seed your lawn in those patches where crabgrass has been destroyed.

Potassium cyanate is not a trade name. It is the basic chemical in eleven different brands, each sold under a different brand name.

Nature Activities To Begin July 6th

A six week schedule of nature activities in the Union County Parks eleven supervised playgrounds will be conducted by Mrs. Mildred L. Rubison, nature supervisor, beginning July 8, and ending August 17. The Union County Park Commission announced. Interested persons are invited to visit or join with any of the groups listed on the schedule below. Each group meets weekly at the same place and hour.

Nature Schedule:
 Mondays, 10:30 a.m. at Scotch Plains Playground, Route 29 and Union Ave.; 2:00 p.m. at J. Russell Wheeler Playground, Linden; 3:00 p.m. at Warinanco No. 2 Playground, Thompson and 7th Aves., Roselle.

Tuesdays, 10:00 a.m. at Spinning's Woods, Warinanco Park (Girl Scouts); 2:00 p.m. at Mattano, Summer Street, Elizabeth; 3:15 p.m. at Warinanco No. 1, Acme Street and Linden Avenue, Elizabeth.

Wednesdays, 10 a.m. at Unami East and Hekory Streets, Garwood; 2:00 p.m. at Squier Island, Whittier Street, Rahway; 3:00 p.m. at Trailside Museum, Watchung Reservation, Children's Nature Hour.

Thursdays, 10:30 a.m. at Kowamech, End of Thoreau Terrace, at Kowamech Parkway, Union; 2:00 p.m. at Green Brook, Grant Avenue near Front Street, Plainfield; 3:00 p.m. at Trailside Museum, Watchung Reservation, Children's Nature Hour.

Fridays, 11:00 a.m. at Roselle

Park, Webster Avenue, West; 1:30 p.m., Springfield, rear of Regional High School.

An exhibit of nature handicraft work done by children at county playgrounds and camps will be held at Trailside Museum, Watchung Reservation, on August 20.

HERBERT B. SILVA ENDS WIRE COURSE

Pvt. Herbert B. Silva, son of Anthony Silva of 60 Tooker avenue, has successfully completed the Field Wireman Course. He is a member of the 26th Field Artillery Battalion, 9th Division Artillery, a unit of the 9th Infantry Division stationed at Fort Dix.

During this eight week course, the men are taught the basic elements of technical telephone transmission and the care and maintenance of telephone equipment in the field. This course gives the men practical work in the field as well as theoretical work in the classroom.

New Jersey said-SHOW ME!

Last week we took an advertisement in this paper to say that we would show our 100% 1-year guarantee in writing.

Also to show them that the safest buy is a Samuels-Used Car.

Well those people just swarmed to our place with the advertisement in their hands, and that "I'm from Missouri—show me" look, in their eyes. And we showed 'em! There it was, just like we said in the advertisement:

THE ORIGINAL PARTS AND LABOR THE ORIGINAL 100% THE ORIGINAL ABSOLUTELY NO COST TO YOU

ONE YEAR GUARANTEE

Guarantee Includes Engine, Rear, Clutch, Transmission, Front End, Inspection

We give you our guarantee in writing in black and white, not verbal promises. Our guarantee clearly states that we will make all repairs including PARTS AND LABOR at absolutely NO COST TO YOU. Our written guarantee is not a long drawn out affair with hidden clauses, any one can clearly see that it is far superior to a new car guarantee. You don't have to buy, just pay us a visit and we'll show you the guarantee. If any doubtful dealers desire to see the guarantee we'll show it to you also. Bring your lawyer—bring your mechanic. We're proud of the reputation that has labeled us the country's "most reputable dealer."

Encampment For Town Cadets

Warren Smith of 38 Battle Hill avenue and Francis Bayley of 15 Tompkins-lane, cadets in the Civil Air Patrol, Summit Squadron 222-1, an Auxiliary of the Air Force, are among a group of Cadets selected by the New Jersey Wing to go to Stuart Air Force Base for an annual two-week Encampment.

At Stuart Air Force Base located in New York near West Point, they will further their aviation training which includes flights in regular Air Force Planes. Living conditions during their encampment will correspond with that of the Air Force.

Objectives of the Civil Air Patrol Cadet Courses are to provide the youth of this Nation with the basic knowledge of aviation. The Cadet program is open to all youths between the ages of 15 to 18 years of age. Any youth interested in this program should contact Stephen Schmidt, Training Officer, at Millburn 6-4280-J or Ralph Swanson, Public Information Officer, at Millburn 6-0542, for the Springfield area, or Owen Morrison, Adjutant, at Roselle 4-2343-J for those living in the Kenilworth area.

Summit Squadron meets every Wednesday night at the Summit Y.M.C.A., Lt. William Wagner, C.A.P., Commanding Officer of the Summit Squadron, will be on hand to discuss with any youth or his parents any matters pertaining to the joining or the activities of the Civil Air Patrol Cadet Courses.

Olympic Park Plans Big Fireworks Show

Olympic Park's July 4 fireworks will be one of the most elaborate displays ever presented at the Irvington-Maplewood acreage but, in the interest of safety, rockets and similar aerial pieces will be missing. The missed thousands likely to be present and the proximity of hundreds of homes prompted the park management to waive any pyrotechnics which might be accompanied by falling sparks. The ground pieces to be set off Wednesday night will be spectacular but ultra-safe, it was said.

Looking Into Yesteryear

From Files OF THE SUN

TEN YEARS AGO

Voters in the Regional School District overwhelmingly approved, by special vote, proposals to erect a shop and laboratory building for agricultural students on the grounds of the High School.

Robert W. Marshall, of Springfield, left Fort Dix for Camp Lee, Va., where he was to be assigned to the Quartermaster Replacement Center for training.

The Township Committee passed an ordinance which banned parking on Morris avenue between Plover and Mosel avenues on Sunday and holidays between 2 and 8 p. m. There was no opposition to the ordinance.

Jack Mohler, son of Mrs. Elizabeth Mohler of 27 Molter avenue, received his B. A. degree, with cum laude honors, from Princeton University.

The Rev. Dr. Carl E. Mellberg, pastor of the Methodist Church, was ordered to report to Fort Jackson, S. C., for Army service. Dr. Mellberg held the rank of captain in the chaplain reserve, Army Corps.

Mr. and Mrs. Walter S. Smith of 10 Battle Hill avenue, announced the marriage of their daughter, Ida Marie, to George Richard Boyton, son of Mr. and Mrs. William Boyton, Sr., of Route 20, Mountainside.

Pvt. Glenn J. Phillips, son of Mr. and Mrs. Charles Phillips, Jr., of 13 Alvin terrace, is a trainee in the Air Force Training Program being conducted at the New Mexico Highlands University campus. The 15 week course is a basic airplane and engine mechanics program designed to develop airplane mechanics.

GIRL SCOUT Corner
By M. E. PENARD

Troop 12. On June 12 we officially became scouts. Our Fly Up was held in the yard of the home of our leader, Mrs. Richard Allen. We were presented with our wings while the mothers of ten members watched. Our new leader, Mrs. N. C. Schmidt, a newcomer to town, was presented. We are all going to help make our troop a special troop as we are so glad to have found a new leader—we were one of the new scout troops without a leader. Refreshments were served and we played several games. We said goodbye to our leader and her assistant, Mrs. Harry Gregory.

Strawberry Festival Committee met last night at the home of the Chairman, Mrs. Lee Andrews Jr. Proceeds from the Festival are used toward the maintenance of local troops, \$1.00 per Brownie and \$2 per scout. Seventy-five per cent of the balance goes into the Little House Fund and 25 per cent to the Camp Fund.

Day Camp will start July 9. We still need more mothers to help—a few hours will make a world of difference to you, your daughter and her friends. Please Call Mrs. W. Dunn at Chatham 4-3610.

Your Library

Springfield Library
Summer Hours
Mon. thru Fri. 10:30 a.m. to 5 p.m.
Mon. and Fri. eves. 7:30 to 9 p.m.

The summer months bring many changes. Schools close, resorts open, lakes and beaches, quiet for nine months of the year, team with life and sprout a motley garb that would make a Puritan father's hair stand on end.

Along the quiet country roads, pass cars with license plates from a dozen different states; Westerners seeing how Easterners live and vice versa. No matter where your vacation plans may lead you, the one "must" to take along is reading matter. There is usually some part of the day when the quiet relaxation of a book can mean the perfect answer to a too crowded schedule. Children too, need a few quiet hours during the hot weather and they very naturally turn to books. For vacation reading, your library loans five books on each card to be returned on or before October first, with no charge.

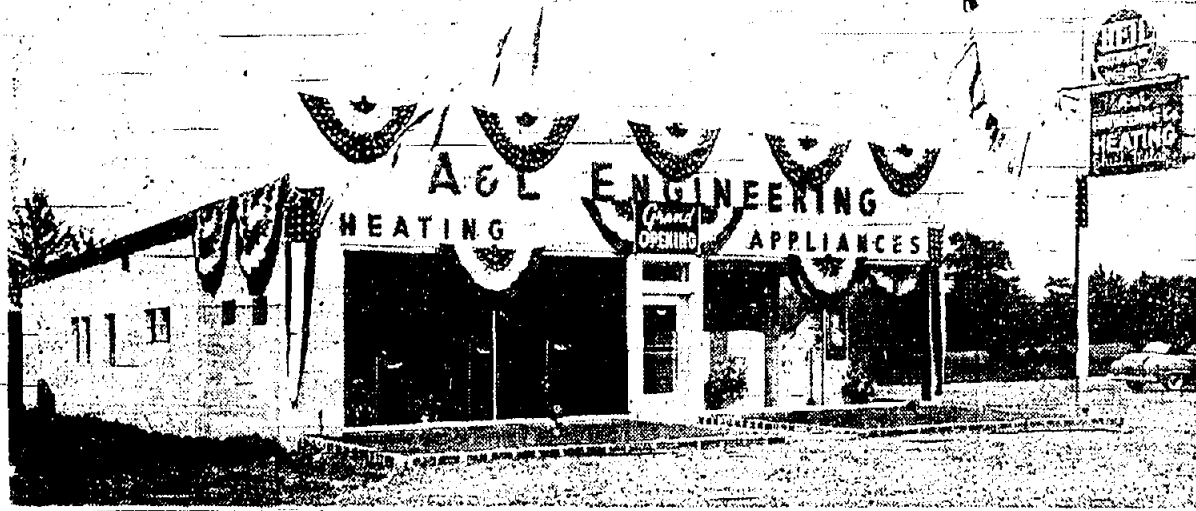

For those who will stay at home for one reason or another, books will prove the most rewarding use of leisure time for young and old, and on rainy days will seemingly be worth their weight in gold. Among the thousands of books the library offers there is a wide and varied choice. The American Men of Letters series is being added as well as the best in current fiction and non-fiction, which includes "Salvation" by Sholem Asch—"The Pinkerton Story" by J. D. Horan and Howard Swiggart—"A Soldier's Story" by Omar N. Bradley—"The Clocktower" by Gordon McDonald—"Strange Gift" by Adelyn Bushnell—"Writing on Life" by Lincoln Barnett and "Nature's Way" by Roy Chapman Andrews.

The beds of the ancient Egyptians were so uncomfortable perfumes were used to induce sleep.

Method of moving vessels by screw propulsion was invented in 1836.

"Pal Joey" Comes To Grist Mill Playhouse July 2

"Pal Joey", sensational result of the inspired collaboration of John O'Hara, Richard Rogers and Lorenz Hart, starring lovely Carol Bruce, will be the attraction at the Grist Mill Playhouse. Another week beginning July 2. The hit musical, which delighted packed houses on Broadway several years ago, and which is enjoying new interest because of the current revival of two of its fabulous songs, "Bewitched, Bothered and Bewildered" and "I Could Write a Book," is distinguished by a particularly intelligent and literate plot evolved from O'Hara's famous New Yorker Magazine stories.

Carol Bruce, star of the production, will be remembered by all who saw the joyously tuneful Irving Berlin "Louisiana Purchase" and the revival of "Showboat" a few years ago. In the latter, she achieved the unanimous acclaim of the New York critics for her exciting interpretation of the role of "Julie" the part created by the late Fanny Moran. Since her Miss Bruce was steadily climbed, she added to her credit a work-in-progress musical "This Woman is Mine". "Keep 'Em Flying" and many stunts in the better Metropolitan Supper Clubs. Recently, she has made appearances on "Toast of the Town", "Musical Comedy Time", "Showtime U.S.A." and other popular TV shows.

Featured with Carol Bruce in "Pal Joey" will be Bob Fosse, exceptionally talented young dancer, who recently has charmed the theatre audiences in "Dances Ma A Song", "Make Mine Manhattan" and "Call Me Mister". Home viewers have seen a man on such television shows as "Lucky Strike Hit Parade", "Broadway Open House", the "Kate Smith Show" and "The Burns and Allen Show". Also featured in the production is Joan Mann, who local theatre-goers remember for her charming comedy dancing role in the initial production of the Grist Mill last year's "The Gay Divorce". Miss Mann, in addition to acting and dancing one of the major roles, is also responsible for the choreography of the musical.

LUCKY NUMBER—John Greene, of 317 Revere av., shown receiving a check for \$1,000 from Ervin Samuels, can thank Betty Lou Bourhill, of 125 Chester av., Newark, for winning the top prize in a drawing conducted by Samuels Automobiles Saturday night at their used car lot, 2001 Springfield av., Vaux Hall. Cute little miss drew Greene's name from that bowl she's holding and made the Union resident \$1,000 richer. In the picture are, l-r, Ervin Samuels, Greene, Murry Samuels and Phil Samuels and, of course, Betty Lou in the foreground. More than 250 people from Union and vicinity attended the drawing. Photo by Hillside Photo Service.

He's \$1,000 Richer

Raspberry Season Here

Fresh, fragrant raspberries are a real treat in whatever way they are served. They're delicious just plain. But how about using raspberries in the grand manner of a chef's pastry chef for a change? Miss Marie Doermann, nutrition specialist at Rutgers University offers the recipe for raspberry meringue tarts which will fill the bill. She also offers some suggestions on buying and handling the delicate fruit.

The Way to Fix Blistered Veneer

Think twice before you put that veneer down on a piece of veneered furniture. A few drops of water can spoil the finish. But you've learned that already by experience, have you? Well, don't despair, for you can fix it if you have the patience. Mrs. Doris Anderson, extension specialist in home management at Rutgers University, tells how.

COMPLETE FIRST AID COURSE

Eight Springfield residents have completed the Standard and Advanced Courses in First Aid conducted by Willard D. Watkins at the Town Hall. They are: Mrs. Richard Allen, Mrs. William Rein, Mrs. Bruce Linek, Mrs. Daniel Ozsvath, William Buckley, Frank Orr, David McCarthy and Bruce Linek.

The Wet Hen and the Weekly Wash

IF YOU were in the middle of the family laundry — like Mrs. Jones — and something happened to the electricity, you might call up the electric company feeling madder than a wet hen, too.

When they do you may be sure that damages are repaired as quickly as conditions permit.

Ways — even small ones — have their effect, too. Right now we are on priority on many essential items needed to bring you dependable electric service. Copper, for instance, is restricted to 75% of last year's usage though the needs of a growing population call for more copper.

Despite the limited supply of labor and materials we are going ahead as rapidly as possible with our expansion program. Our men are working six days a week instead of the usual five to keep pace with your needs.

Jersey Central Power & Light COMPANY

Strauss Takes Softball Lead

By DONALD ROSSELET

Strass Auto Stores coupled an 8-4 win over the PBA with two Springfield Sheet Metal losses to move into first place in the Municipal Softball League.

The Sheet Metal team, undefeated until this week, took it on the chin, dropping one to the last place Indians and another to the Regional Shoppe. Regional Shoppe cooled Freddy Danneman for nine hits and the winners moved into the runner-up spot in the loop as a result.

Tasting victory for the initial time, the Indians enjoyed a 13-12 success over the Springfield Sheet Metal at the Meisel avenue field Monday. The winners hit the victory column after four straight setbacks.

Strass Auto Stores defeated the PBA, 8-4, in an abbreviated five inning game at the High school diamond last Thursday. Rain halted the contest with the PBA leading in the top of the sixth. Strass collected 10 hits in chalking up their third victory in four games.

Scoring freely in five of six innings, the Regional Shoppe, the defending champs, scalped the Indians, 6-2 at the Meisel avenue diamond June 26. The win was the fourth in six tries for the Shoppe outfit and left the Indians without a win in three contests.

The Indians lost a 9-0 forfeit to the Braves. The Braves took their first win.

The line scores:
Springfield Sheet Metal—0 0 1 0 0 0—1
Regional Shoppe 2 0 4 3 0 3—11
Sheet Metal 3 0 2 3 1 3 0—12
Indians 0 0 0 0 0 0 9—14

PBA	0 0 0 2 2 2—4
Strass Auto Stores	3 2 0 2 1 1—8
Indians	1 0 0 0 1 0 0—2
Regional Shoppe	2 1 1 0 1 1 x—6

Municipal League Standings	
W. L. Pct.	
Strass Auto Stores	3—1 .750
Regional Shoppe	4—2 .714
Springfield Sheet Metal	3—2 .600
PBA	3—2 .600
Indians	1—4 .200
Braves	1—4 .200

A.&L. Engineering Opens on Route 29

Official opening of A. of L. Engineering Co., formerly of Hillside, took place last week-in-Route 29, Mountaineer, opposite the Somerset Bus Terminal. The concern, owned by Al and Lou Farina, of Scotch Plains and Hillside, respectively, occupies 5,000 square feet of floor space and is one of the largest of its type along the well-traveled highway.

The firm, distributors for Hill Heating Equipment and Chrysler Airtemp heating and cooling products, has a beautiful appliance showroom and remains open nightly until 9 o'clock. A. & L. will handle all major name brands appliances including television and refrigerators. It has complete sheet metal fabricating facilities, which includes builder and retail departments.

Archaeologists claim that Asiatic tribesmen crossed the Brooks mountains in Alaska and wandered along a trail to central Oregon some 9,500 years ago.

American hotels order 500 million pounds of food a year.

Garden Topics

By Essex City Extension Service

Spring flowering shrubs which have finished blooming might well be pruned now. This is one garden job that is seldom done at this logical time. These shrubs may be pruned during fall and winter months—but with some sacrifice of bloom. Even overgrown and neglected shrubs can be largely restored to their original shape and vigor if they are given an over-all pruning now.

Each year most of the spring flowering shrubs send up renewal shoots from the ground or base of the plant. They are intended by nature to serve as eventual replacements for the older shoots. One or more of the older shoots need to be removed to near the soil level each year so as to divert strength into the newer canes. If not removed the old shoots, plus the new ones result in the plants becoming too dense and thick. Then the young canes never develop properly, resulting in fewer flowers and ugly misshapen plants.

The new canes need light and air so the thinning out becomes necessary. Among the early blooming shrubs sending new canes up from their bases are Forsythia, deutzia, spirea, philadelphus, snowberry, kerria japonica, some viburnums, weigela and flowering quince.

Pruning is also the answer to keeping shrubs within their allotted space. Sometimes new shoots with a rank growth extend beyond the "bush" and these need to be topped to keep them in line with the rest of the shrub. Cutting them off before they reach the eventual height desired induces them to set more flower buds.

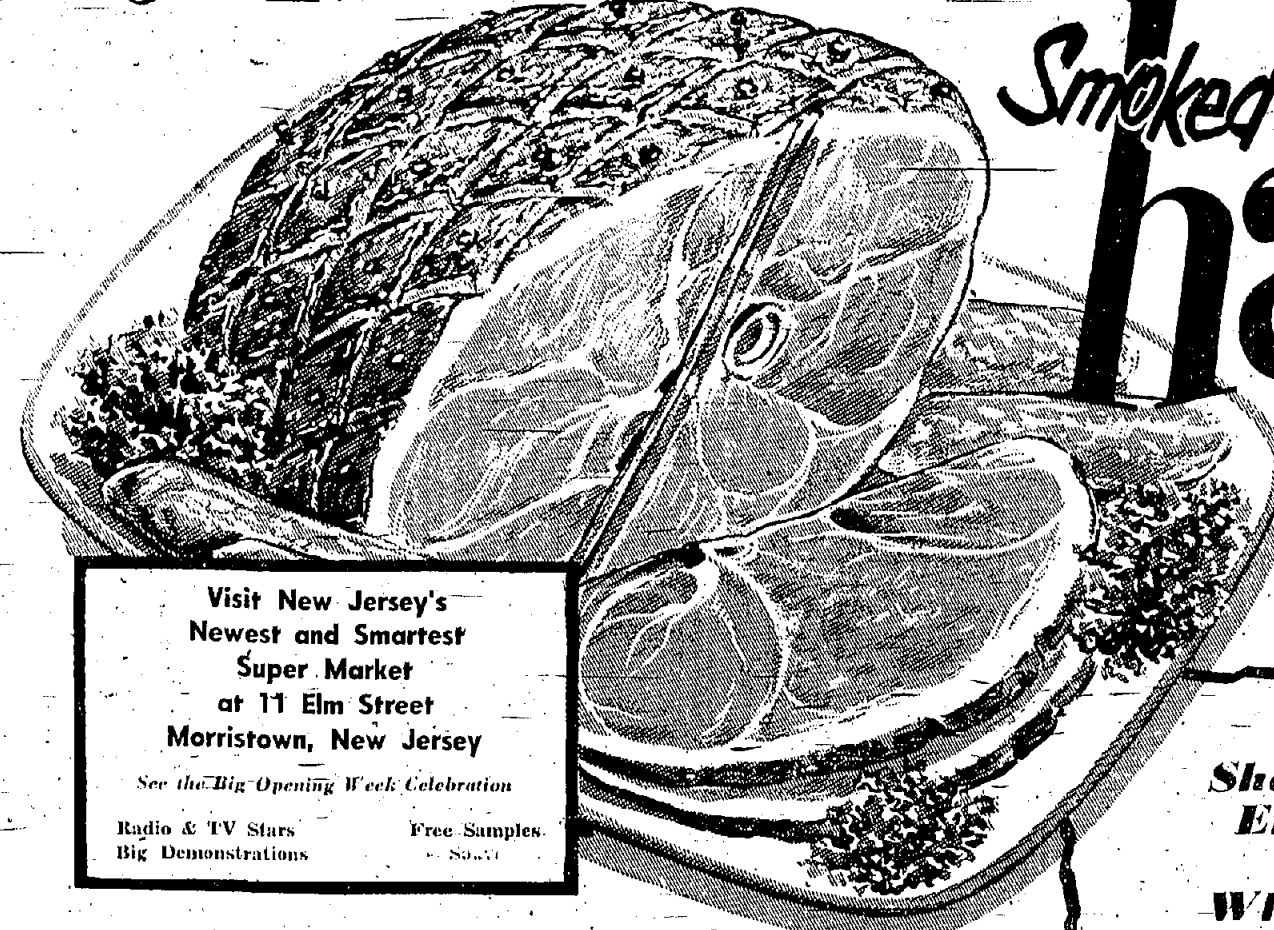

The lilac plant produces its best bloom on older wood but over a period of years some of the old canes in the old-fashioned varieties need to be removed. Removal of one of the older shoots every year or so helps to keep a younger top coming along for a vigorous bloom. Sucker growths coming up around the plant need to be cut away except for a few of the more sturdy ones which will act as replacements for the old top in case a bover or something else ruins the older canes of the parent plant.

Faded blooms of lilacs, laurel and rhododendron should be taken off before they have a chance to set seed. Seed formation extracts a lot of vitality from the plant and also mars their appearance.

Pruning enhances the shape and appearance of plants, eliminates diseased and insect infested wood, helps to keep plants within bounds and results in more total bloom.

There are only five shops in the world where artisans practice the ancient art of making pure gold leaf by hand, using only a hammer.

GAS

... the FLAME OF A HUNDRED USES

Think of how many jobs in your home are performed by the gas flame. Your automatic gas range with its 1000 cooking speeds... your clothes dryer which dries a full wash in 45 minutes... your automatic gas water heater that supplies hot water on tap 24 hours a day... your silent gas refrigerator—all small operations by themselves but when considered over a period of a month or a year it's a big cost-saving job that the gas flame does cleanly, dependably and inexpensively.
